CAVITE PHARMACISTS ON HIV, SOGIESC AND PrEP ORIENTATION

To educate and raise awareness about HIV prevention and promote sexual and gender diversity, the Provincial Government of Cavite (PGC), through the Provincial Health Office (PHO), in partnership with the Philippine Society of Hospital Pharmacists – Cavite Chapter (PSHP), carried out an Orientation on HIV 101, SOGIESC and PrEP at Cavite Collaboration Center for Public Health, Trece Martires City on April 26, 2023.

The program started with the acknowledgment of participants by Ms. Raquel R. Burgos, RPh, MBA, PSHP Chapter President.

Likewise, Dr. Nonie John Dalisay, head of Cavite PHO, welcomed the attendees and assured them that the PHO in general is very supportive in any activities related to health and quality services.

Ms. Haydelisa Maderazo, Registered Nurse and Provincial HIV Program Coordinator, gave a lecture on HIV disease – its myths, symptoms, transmission, and treatment. She also discussed the impact of the disease on individuals and society, encouraging people to get tested and enumerating the facilities and hubs that offer free HIV screening and testing in Cavite province.

In the second part of the orientation, Mr. Symson G. Maquera, Area Regional Coordinator of DOH Region IV-A (CaLaBaRZon), tackled the topic Sexual Orientation, Gender Identity, Expression, and Sex Characteristics. Mr. Maquera engaged the participants by asking what they thought when they heard the words lesbian, gay, and transgender. As he walked around the venue, gathering feedback from participants, he was pleased to see how people had already built positive, safe and inclusive spaces for the LGBTQ+ community.

Following the SOGIESC topic, Mr. Maquera also delivered a presentation on the role of Pre-Exposure Prophylaxis (PrEP) in HIV prevention. He shared the proper use, dosage, benefits, and effectiveness of PrEP for safer intercourse and practices.

The talks of the resource speakers give hope in removing stigmatization and promoting positive attitudes toward sexual and gender differences, as well as, people living with HIV.

Various exhibitors were also present in the activity, including Medhart Pharmaceuticals, Inc., Delex Pharma International Inc., Dynasty Pharmaceuticals, Inc., Medhaus Pharma Inc., Sannovex Pharmaceuticals, Natrapharm, ERS Enterprise, Bbraun, BVS Bioscience Phils, Ins. and Mega Soft Hygienic Products, Inc.

LABOR GROUP HOLD MASSIVE RALLY, EXPRESS GRATITUDE FOR POLICE AID

Workers from various labor groups participated in a massive May Day rally across the country, with some estimates reporting over 12,000 participants in Mendiola.

The All Philippine Trade Unions (APTUs) organized the rally to bring attention to issues such as low wages, job security, and workers' rights.

Approximately 100 members of the United Workers of Duty Free Philippines - Federation of Free Workers (UWDFP-FFW) joined the rally, which took place from Blumentritt to Mendiola.

Their aim was to raise awareness about the plight of workers at the Duty Free Philippines Corporation and to call on management to halt the reorganization and downsizing plans that jeopardize the livelihoods of thousands of workers.

In addition, around 100 seafarers from the Association of Marine Officers and Ratings (AMOR) participated in the Mendiola event to protest the discriminatory escrow provision in the proposed Magna Carta of Seafarers.

"The involvement of AMOR members in the rally underscores the pressing need to address the discriminatory provisions in the proposed Magna Carta of Seafarers," said Cresenciano Elaba, spokesperson for AMOR.

"We stand in solidarity with seafarers and other workers, urging the government to address their concerns and ensure the protection of their rights as workers." The rally was peaceful and orderly, partly due to the cooperative efforts of the police. The APTUs would like to extend their gratitude to the Manila Police District for their cooperation in ensuring that the rally was conducted safely and without incident.

"We would like to thank the MPD for their cooperation and for ensuring that our rally proceeded smoothly," said FFW Vice Pres. Jun Ramirez. "We appreciate their efforts in maintaining peace and guaranteeing the safety of our participants."

The rally commenced at Welcome Rotonda and proceeded along Espana, Morayta, and Recto before culminating in a program at Mendiola. Labor groups such as BMP, FFW, PM, SENTRO, and other members of the Nagkaisa Labor Coalition and TUCP were present.

The APTUs used the rally as an opportunity to call on the government to address workers' concerns and engage in meaningful dialogue with labor groups. They also expressed disappointment at not being invited to the government-sponsored pre-Labor Day celebration with President Marcos and being excluded from the newly created Inter-Agency Committee on Freedom of Association.

"We hope that the government will hear our voices and work with us to address the issues that our workers are facing," added Mendoza, who is also the union president of the Vishay Philippines Employees Union-FFW.

"We will continue to advocate for the welfare and rights of the labor sector and push for meaningful engagement with the government to address our concerns."

The APTUs appreciate the police's cooperation and commitment to ensuring a peaceful rally and look forward to continued positive engagement in the future. Labor rallies were also held in Cebu, Iloilo, Davao, and General Santos.

Aguinaldo, Region IV-A Area Officer of the National Youth Commission, presented the Importance of Youth Involvement in Community Development, based on R.A 8044 or the Youth in Nation-Building Act. During his talk, the participants were asked to find a partner and share their commitment and promises.

Through these talks, attendees were taught how to improve themselves and help them to be competent, smart, disciplined and responsible student-leaders to serve effectively.

PAGKAPAHIYA o SADYANG MAYABANG

ISA ito sa mga sinasabi ko, ano ang mas nakakahiya, yung mahuli ka dahil sa isang Traffic violation o arestuhin ka dahil sa isang mas malalang sitwasyon?

Mga kasama, hindi porket pulis o miyembro ng Philippine National Police (PNP) ay EXEMPTED ka na o pwede ka na maghari-harian sa kalsada lalo na kung hindi ka naman talaga naka-assign sa Traffic at lalo't higit kung hindi ka naka-uniporme.

Kamakailan ay nag viral sa social media ang naganap na engkwentro sa pagitan ni Master Sergeant Ramos Guina ng Manila Police District (MPD) at ni Ginoong Mark Luzuriaga, isang traffic enforcer ng City Traffic and Parking Management Office (CTPMO) ng Lungsod ng Navotas.

Master Sergeant Ramos Guina ng Manila Police District (MPD) ano na ang nangyari sa iyo? Saan ka ba nag PSBRC at ganyan ka? Anak ng pusang kano, maiintindihan ko kung Patrolman ka pa lang ehh pero Master Sergeant ka na bopol ka pa din? Yung kagaspangan ng ugali mo, kayabangan mo ang maglalaglag s aiyo? naka-droga ka ba nung mangyari ang insidente?

Nung nakita at napanuod ko ung video, ako ang nahiya dahil s aiyo, imagine Master Sergeant ka pa lang, Police Colonel na yung kaharap mo pero kung umasta ka parang mas mataas ka pa sa kaniya. Alam mo ang nagpahamak sa iyo lalo Master Sergeant UNGAS? Ungas ka talaga Master Sergeant dahil kaharap mo na si POLICE COLONEL ALLAN UMIPIG, ang Chief of Police ng Navotas pero ang angas mo pa rin UNGAS!

At sino me sabi sa iyo Master Sergeant Ramos Guina na pwede ka manapak ng isang naka-unipormeng traffic enforcer dahil lang sa sinisita ka o hinuhuli ka dahil sa paglabag mo sa Batas Trapiko? Yan ang napapala ng mga pulis na katulad mo na hindi na-assign sa Traffic Unit, akala nyo ganun ganun lang ang mga naka-destino sa Traffic Unit.

Ako ang nahihiya dahil kinakailangan pa na mismong si Navotas City Police chief, POLICE COLONEL ALLAN UMIPIG ang humuli sa iyo. Napaka-tahimik ni COLONEL UMIPIG, isa sa masasabi nating proper na opisyal ng Northern Police District (NPD) tulad nina PCOL RUBEN LACUESTA ng Caloocan City Police Station at ng kanyang ACOPA na si PLTCOL BERNABE IRINCO.

At dahil sa kayabangan mo, Master Sergeant Ramon Guina, nagkaroon pa ng tensiyon nang hinuhuli ka na dahil sa pagtanggi mo na magpa-aresto (Desisting Arrest) at ayaw mo ibigay ang sling bag mo kung saan nakalagay ang iyong baril. Kung ako man ang nasa kalagayan nung Traffic Enforcer na hindi mo na nga ginalang, tinakbuhan mo na at sinapak mo pa, ewan ko lang baka hindi lang mura ang inabot mo.

Mabuti na lamang at desidido itong si Luzuriaga na ituloy ang kaso na "Assault Upon an Agent of a Person In Authority" laban sa iyo Master Sergeant Guina.

Magsilbing aral sana ito sa lahat ng mga pulis, sundalo, bumbero, mga taga Bureau of Jail Management and Penology (BJMP), Philippine Coast Guard (PCG), National Bureau of Investigation (NBI), mga Lawyers, Doctors, Judges and Justices, mga kasamahan natin sa media at sa lahat ng mga motorista na igalang natin ang mga traffic enforcers sa lansangan at huminto tayo kapag pinapara ng mga ito. Hindi po mababawasan ang anumang estado natin sa buhay at sa lipunan kung hihinto at tatabi tayo sa kalsada kapag pinapara ng mga traffic enforcers at matuto tayo na makipag-usap sa kanila ng maayos.

PBBM admin, naglaan ng P2.39B para pondohan ang malalaking forest rehab program

LUNGSOD QUEZON, (PIA) -- Para makamit ang sustainable, green, at climate-resilient economy, naglaan ang administrasyon ni Pangulong Ferdinand R. Marcos Jr. ng P2.39 bilyon para sa National Greening Program sa ilalim ng 2023 General Appropriations Act (GAA).

"Bilang mandato po ni Pangulong Ferdinand R. Marcos Jr., mananatili kaming nakatuon sa pagkamit ng inclusive at sustainable transformation patungo sa tinatawag na greener economy. Ngunit hindi po natin matatamasa ang layuning ito kung pababayaan natin ang ating kalikasan. Kaya sa pagbuo natin ng ating national budget, binigyang prayoridad po natin ang mga pondo sa pangangalaga sa kalikasan. Kaya naman ngayong taon, mas tinaasan pa natin ang budget para sa climate change programs and activities," ayon kay Department of Budget and Management (DBM) Secretary Amenah F. Pangandaman.

Isa sa mga pangunahing proyekto ng Department of Environment and Natural Resources (DENR), ang programa ay isang malawakang rehabilitasyon ng mga kagubatan na layong itaguyod ang sustainable development para mabawasan ang kahirapan, magkaroon ng sapat na pagkain, biodiversity conservation, matatag na kapaligiran, at tugunan ang climate change o pagbabago ng klima.

Sakop ng programa ang lawak ng kalupaan na nasa 13,565 ektarya; 7,249,642 na binhing itatanim; at 158,843 ektaryang lupa na pananatilihing alagaan.

"Kita naman po natin ngayon pa lamang, ramdam nating lahat ang epekto ng climate change, lalo na ang pagpasok ng El Niño. Kaya paulit-ulit din pong panawagan ng DBM sa bawat ahensya na maglaan sa kanilang budget proposal ng mga provision para sa pagtugon sa climate change," dagdag pa ni Secretary Pangandaman.

Matatandaang para sa 2023, naglaan ang PBBM administration ng P464.5 bilyon para tugunan ang climate change. Higit na mas mataas ang naturang budget ng 60.1 porsyento kumpara sa 2022 budget nito na nasa P289.7 bilyon. ***(PIA-NCR)***

Higit 8,000 bata sa Calaca target mabakunahan kontra polio, tigdas, rubella

CITY OF CALACA, Batangas (PIA) — Nasa 8,000 na mga bata sa lungsod ng Batangas ang target mabakunahan kontra polio, tigdas, at rubella, sa pormal na paglulunsad ng "Chikiting Ligtas" immunization campaign ng Department of Health Center for Health Development (DOC-CHD) Calabarzon.

Ang naturang kampanya na inilunsad sa buong bansaay naglalayong mapataas ang bilang ng mga batang nabibigyan ng routine immunization upang mapangalagaan sila laban sa exposure sa mga vaccine-preventable diseases(VPD).

Sa panayam kay DOH Calabarzon Assistant Director Dr. Leda Hernandez, nais ng ahensya na maabot ang 95% na target kaya't patuloy ang pakikipag-ugnayan nila sa mga lokal na pamahalaan para mas lalong mapalakas ang Chikiting Ligtas campaign.

Aniya, dahilan sa nagdaang COVID, nagkaroon ng takot ang mga magulang upang pabakunahan ang kanilang mga anak kaya't muling ibinabalik nila ang kampanya dahilan sa unti-unting bumabalik na sa normal ang sitwasyon at mababa na din ang bilang ng naapektuhan ng sakit.

Samantala, sinabi ni Dr. Sharon Ona, City Health Officer ng Calaca, nasa humigit kumulang 8,000 mga bata ang target mabakunahan sa buong lungsod.

Aniya, nagkaroon na ng oryentasyon sa barangay at gumawa ang CHO ng schedule para sa mga kawani nito upang mahati-hati sa 40 barangay ang gagawing pagbabakuna sa loob ng 30 araw simula Mayo 2-30.

"Ang Calaca po ay dati ng awardee sa National Immunization program kung kaya't kabisado na ng mga kawani kung saan matatagpuan ang mga bata at sino ang kailangang mabakunahan. Mayroon kaming mga awareness campaign na isinasagawa tulad g paglalagay ng tarpaulin at aktibong pagpopost sa Gawang Calaca MIO Facebook page at umiikot din sa mg abarangay tatlong beses kada linggo upang makipag-ugnayan sa mga residente at pisyal ng barangay," ani Ona.

Binanggit pa ni Ona, na sa tagal na panahong nagsasagawa sila ng pagbabakuna wala pa silang nararanasan na adverse effects at ang nakikita lamang nilang challengess sa pagbabakuna ay ang pagkawala ng mga bata kapag kailangan itong dalhin ng mga magulang sa lugar na kanilang pinagtatrabahuhan kaya't upang maiwasan ito ay nakikipag-ugnayan sila sa barangay at nagbibigay ng schedule para mapaghandaan ng mga magulang.

Dagdag nito, nagkakaroon din sila ng pagbibigay pagkilala sa mga barangay dahilan upang maging masigasig ang mga ito sa mga immunization program ng pamahalaan. ***(BPDC, PIA Batangas)***

SM Supermalls backs DOH's Chikiting Ligtas vax campaign

Opens 60 mall sites for pediatric vaccines aged 0 to 59 months

SM Supermalls, in partnership with the Department of Health (DOH) launches the Chikiting Ligtas Measles-Rubella and Oral Polio Vaccine Supplemental Immunization Activity (MR-OPV SIA) on May 01-31, 2023 in 60 SM malls in cooperation with Healthy Pilipinas, United Nations International Children's Emergency Fund (UNICEF), and the World Health Organization (WHO).

Dubbed as "Chikiting Ligtas sa dagdag bakuna kontra Polio, Rubella, at Tigdas," this nationwide campaign aims to prevent impending outbreaks from these vaccine-preventable diseases and to inoculate children aged 9-59 months old against measles and rubella with the vaccination of one (1) dose of Measles-Rubella (MR) vaccine, and children aged 0-59 months old against poliovirus types 1 and 3 with the vaccination of one (1) dose of Bivalent Oral Polio Vaccine. Just like all other vaccines in the routine immunization program, getting inoculated against these diseases are FREE, safe, and effective in keeping them healthy.

"SM Supermalls remains committed to creating a safer, better normal by providing a convenient, accessible, and enjoyable immunization experience to our SuperKids. With this, we encourage our shoppers, especially parents with children aged below five years old to get them their supplemental immunization against these preventable diseases in 60 SM malls nationwide," said SM Supermalls president, Steven Tan.

Measles, rubella, and polio are highly contagious and can be fatal. In the Philippines, the 2022 year-end report of the Epidemiology Bureau of the DOH documented a 186 % rise from 2021 in epidemic-prone diseases, particularly measles. Further, the country is also at risk of the re-emergence of polio.

"The only way we can prevent these life-threatening diseases is through vaccination. We, at SM Supermalls, are giving our full support to the DOH's campaign by ensuring that our young stakeholders are given the opportunity to access Measles-Rubella and Oral Polio Vaccine (MR-OPV) in the comfort of our malls," Steven Tan added.

With its long-standing commitment to ensuring the health and safety of the public, SM continues to provide not just a #SafeMalling experience to shoppers, but also a convenient and accessible venue where their communities can get vaccinated.

GROUP A, B, C, D LALARUIN SA BANSA NGAYONG AGOSTO 25 HANGGANG SEPTEMBRE 10 NG FIBA WORLD CUP

Ang mga tagahanga na nakikibahagi sa online at offline na mga talakayan magdamag ay naniniwala na ang Gilas Pilipinas ay may disenteng shot sa paglampas sa unang round ng FIBA World Cup.

Nabunot ang Gilas kasama ang Dominican Republic, Italy, at Angola sa Group A kasunod ng group draw sa Smart Araneta Coliseum sa Quezon City. Gayunpaman, minaliit ni Gilas coach Chot Reyes ang potensyal na "kadalian" ng grupo. "This is the World Cup so there is no such thing as an easy draw," Reyes said, even calling it "not ideal."

Sinabi niya na ang Ivory Coast ang mas mahusay na pumili kaysa sa Angola. "I would have hopeed that the last pick could have been Ivory Coast instead of Angola because I thought Angola is the tougher team not that I mean Ivory Coast is weak by all means," sabi pa ni Reyes.

Pero ngayong tapos na ang draw, sinabi ni Reyes na "it is what it is." Ngayong alam na ng Gilas kung sino ang makakasama nila sa Group A, magsisimula na ang huling paghahanda para sa tournament co-host. "The good thing is that now, we have some clarity on who we are playing with and what kind of preparation is needed to be at our best," Reyes further said.

Ang susunod na hakbang, ayon kay Reyes, ay ang pagbuo ng roster na kahit papaano ay maaaring manatili laban sa mga tulad ni Karl Anthony Towns. "Ang susunod na yugto ay tingnan ang mga koponan na aming nilalaro at bumuo ng isang koponan at pumili ng mga manlalaro na sana ay sa tingin namin ay maaaring makipagkumpitensya sa mga manlalaro na alam namin na pupunta sa iba pang mga koponan, "sabi ni Reyes.

Ang World Cup tip sa Agosto 25 at magtatapos sa Setyembre 10. Ang Groups A, B, C at D ay maglalaro sa Pilipinas (Philippine Arena, Smart Araneta Coliseum, Mall of Asia Arena); Group E at F sa Okinawa, Japan; at Group G at H sa Jakarta, Indonesia. Hindi nag-qualify ang Indonesia matapos mawalan ng kahit quarterfinal spot sa 2022 Fiba Asia Cup sa Jakarta.

DHSUD partners with OFW Partylist for modern day heroes' housing projects

QUEZON CITY, (PIA) --The Department of Human Settlements and Urban Development (DHSUD) and the OFW Partylist inked a partnership for possible housing projects for the country's "modern day heroes."

On Sunday, DHSUD Secretary Jose Rizalino Acuzar and OFW Partylist Representative Marissa Magsino signed a memorandum of understanding that would pave the way for a collaboration under President Ferdinand R. Marcos Jr.'s Pambansang Pabahay para sa Pilipino Housing (4PH).

"Today, I am particularly excited to seal a partnership with Congresswoman Magsino and the OFW Partylist. Ito po ay isang malaking pagkakataong makapaglingkod sa ating mga OFW at masuklian, kahit paano, ng ating gobyerno, sa pamumuno ng ating mahal na Pangulong Ferdinand R. Marcos Jr. ang kanilang sakrispisyo hindi lamang para sa kanilang pamilya kundi para sa bayan," Acuzar said.

The housing czar lauded the significant contribution of OFWs as "mga bagong bayani" in the country's overall development, hence, including them as potential beneficiaries of the government's flagship 4PH Program.

"Kayo pong mga OFWs ay kasama sa aming prayoriad sa pagsusulong ng Pambansang Pabahay para sa Pilipino Program ng ating mahal na Pangulong Bongbong Marcos Jr.," Acuzar added.

He assured the OFW Partylist that DHSUD, as the primary government agency in the management of housing, human settlements and urban development, will continuously work on delivering its mandate to provide decent and affordable shelters to Filipino families dreaming to have a house of their own.

To this end, DHSUD is currently at the height of rolling out the 4PH Program aimed at building one million housing units every year until 2028 to address the country's housing backlog pegged at more than 6.5 million units.

"For some, this is very ambitious, if not impossible. But for us, we take inspiration from these occasions when we seal partnerships with stakeholders, knowing we have your support. Having an ally in the House of Representatives, like Congresswoman Marissa, will definitely boost DHSUD's efforts to get the much-needed budgetary push to pursue 'Pambansang Pabahay'," the housing czar said.

For her part, Representative Magsino vowed to continue backing up the "Pambansang Pabahay" in the legislative scene while her representation promotes the welfare of OFWs around the world, their housing concerns included.

The "Pambansang Pabahay" meantime espouses inclusivity and sustainability as among the guiding principles in its implementation, according to Acuzar.

"Sa 'Pambansang Pabahay', walang maiiwan. Everyone wanting to own a home will surely be given an opportunity to pursue this dream. Thanks to the OFW Partylist for allowing us to fulfill this mission, this time with our kababayan abroad," Acuzar said. ***(dhsud/pia-ncr)***

US FIRMS TO HIRE 75K PINOY SEAFARERS

A seafaring industry executive on Tuesday revealed US firms are set to hire some 75,000 Filipino seafarers in the next three to four years.

In a meeting with President Ferdinand R. Marcos Jr. in Washington, John Padget, president and CEO of Carnival Corp. said his group of companies is set to hire the Filipino seafarers.

Padget, who also represents Carnival Cruise Line, Holland American Airlines and Seaborn, praised Filipino workers for their hospitality and competitiveness in the global workforce.

"It doesn't matter whether it's the marine, deck, hospitality, restaurant… everything is based on the happiness, the smile, and the greatness of the Filipino employees," he said.

In the meeting, Department of Migrant Workers (DMW) Secretary Susan Ople presented the US firms "the interest of 200,000 Filipinos" who "adhere to fair and ethical standards and principles."

President Marcos, for his part, thanked the US employers for their continued confidence in Filipino professionals and skilled workers.

"When you say that the --- the ladies and gentlemen that we have here today represent 200,000, you do not represent 200,000 employees, you represent 200,000 families and you represent 200,000 communities in the Philippines," Marcos told the employers.

There are more than four million Filipino immigrants (temporary and permanent) in the United States, representing the 4th largest immigrant group after Mexicans, Indians and Chinese.

Through their remittances, the Filipino workers contribute to the economic development of both the US and Philippines with their skills, talents and expertise.

In the meeting with the employers, the President was joined by Ople, Speaker Ferdinand Martin Romualdez, Trade Secretary Alfredo Pascual, Philippine Ambassador to the US Jose Manuel G. Romualdez, and Department of National Defense Officer-in-Charge, Senior Undersecretary Carlito Galvez, Jr. | ***PND***

PBBM EYES 'CUTTING-EDGE' MICRO NUCLEAR FUEL TECHNOLOGY TO SOLVE POWER CRISIS

President Ferdinand R. Marcos Jr. is eyeing a "cutting-edge" micro nuclear fuel technology as part of his government's efforts to solve the country's power crisis.

This comes after the chief executive met with officials of Ultra Safe Nuclear Corporation, a US-based firm global leader and vertical integrator of nuclear technologies and services.

In a meeting in Washington, Francesco Venneri, CEO of Ultra Safe Nuclear Corporation, expressed interest to bringing clean and reliable nuclear energy to the Philippines, describing the move as "probably a very important way for us to enter the market."

USNC said it is seriously considering the Philippines for its first nuclear energy facility in Southeast Asia and vowed to help address the series of blackouts that hit several areas of the country.

"We also note that there's a great deal of discussion about Mindoro having blackouts and that might be an excellent….a good science [solution]," said Venneri, referring to the weeks of power outages in Occidental Mindoro.

The Marcos administration earlier swiftly acted on the power crisis in the province with the operation of at least three power stations to provide 24-hour electricity power service in the province.

According to USNC officials, the micro modular reactor (MMR) energy system is a fourth generation nuclear energy system that seeks to deliver safe, clean, and cost-effective electricity to users.

The MMR is being licensed in Canada and the US and considered the first "fission battery" in commercialization.

The company anticipates eventual heavy demand for its MMRs and its nuclear fuel, and envisions the Philippines as its nuclear hub in the region.

Ensuring an unhampered supply of energy alongside the promotion and utilization of renewable energy sources are top priorities of the Marcos administration in an aggressive bid to realize a sufficient and clean energy supply in the future. | ***PND***

SEC extends deadline for amnesty application

The Securities and Exchange Commission (SEC) is extending the deadline for applications for amnesty for late and non-filing of annual financial statements (AFS), general information sheets (GIS), and official email addresses and mobile phone numbers.

Eligible companies now have until June 30 to finish their amnesty applications.

Moreover, applicants now have 90 days, instead of 45 days, from the date of payment to submit their latest due financial statements.

The Commission granted the extension through SEC Memorandum Circular No. 6, Series of 2023, issued on April 25.

The SEC launched the amnesty program for noncompliant corporations, as well as those whose certificates of registration have been suspended or revoked, for their failure to submit their AFS and GIS on time, in the middle of March through SEC Memorandum Circular No. 2, Series of 2023.

The amnesty program is part of the Commission's efforts to encourage its supervised entities to comply with their reportorial requirements under Republic Act No. 11232, or the Revised Corporation Code of the Philippines.

In turn, the compliance of corporations with their reportorial requirements will allow the SEC to prudently identify active and inactive corporations, enhance and organize its digital database for better monitoring and enforcement, and cultivate a healthy and vibrant corporate sector.

With the number of companies expressing interest to avail of the amnesty program and considering the overlap in the deadlines for the submission of similar requirements to the Bureau of Internal Revenue and the SEC, the Commission deemed it necessary to allow eligible companies more time to avail of amnesty.

After the extended deadline of June 30, an updated scale of fines and penalties for the covered reportorial requirements shall be implemented. ***(Leslie Lao-Francisco/SEC Davao Extension Office)***

CTA voids tax assessment on oil firm's alkylate importation

MANILA – The Court of Appeals (CTA) has granted a petition filed by a local petroleum firm questioning taxes imposed on its importation of alkylate, a component of petroleum products.

In its 43-page decision dated April 27 and made public Tuesday, the tax court's Special 2nd Division ruled in favor of Pilipinas Shell Petroleum Corp. in a suit it filed questioning taxes originally imposed on imports of the chemical from 2010 to 2012.

The tax court's ruling nullified Document M-059-2012 issued by the Bureau of Internal Revenue to the Bureau of Customs (BOC), which ordered the imposition of taxes on the alkylate importations.

The court reasoned that the document "should have complied with the requirement of prior notice, hearing and publication before applying the same to petitioner's importations."

It also added that aside from the fact that the document should have been published before going into effect, it should not have had retroactive effect on prior importations.

"As Document No. M-059-2012 was given retroactive application to petitioner's prejudice, the same likewise constituted a violation of its (taxpayer's) right to due process," the court said.

From 2010 to 2012, the Bureau of Internal Revenue (BIR) had issued 21 authorities to release imported goods (ATRIGs) to the Bureau of Customs for Shell's importations stating that alkylate was not subject to excise taxes.

However, in September 2011, the BIR 's ATRIGs contained an inserted colatilla stating that the tax assessments was "without prejudice to the collection of corresponding excise taxes."

On June 27, 2012, the Department of Energy issued a ruling that said alkylate is not a finished product but an intermediate product and is not subject to excise taxes.

Despite the DOE ruling, the BIR two days later issued Document M-059-2012, which said alkylate is subject to excise taxes.

In October 2012, the BIR sent a demand letter to the firm for the alleged deficiency excise taxes amounting PHP1.994 billion, prompting the firm to initiate the case.

While the case was pending, a demand letter was sent anew to Shell in October 2021 for the total amount of PHP3.491 billion. ***(PNA)***

DOST's SETUP Program Helps Camiguin Woman Entrepreneur Scale Up Cacao Processing Venture

The Department of Science and Technology (DOST)'s banner program, Small Enterprise Technology Program (SETUP) helps Camiguin-based woman entrepreneur and farmer, Julieta Butalid-Dela Cerna, scale up her cacao processing venture through science, technology, and innovation.

DOST's intervention brought about a remarkable transformation for the business, achieving a 20% boost in productivity, a solid 25% increase in sales, and successfully reducing rejects from 40% to 35%. Additionally, the intervention led to the creation of two direct and three indirect jobs, boosting the local economy.

In 2021, the firm was able to acquire food-grade equipment with better specifications through SETUP. Among the equipment availed are roaster machine, a cacao colloid mill, an industrial multipurpose cacao cracker/dehuller winnower, and more.

"Eto ang pinakamalaki na tulong sa akin kase may grace period one year at saka three years to pay so hindi mabigat sa pagbayad", Dela Cerna said. (This is the biggest help because of the one-year grace period and the three-year payment fulfillment; hence, it is not heavy to pay.)

DOST also provided technological consultancy services to the firm, such as Good Manufacturing Practices and food safety seminar-workshops, smart packaging assistance, Halal awareness seminar, MPEX or Manufacturing Productivity Extension, and others.

The agency also provided assistance in the drafting of the firm's Sanitation Standard Operating Procedures (SSOP), which was among the major documents needed to acquire License to Operate from the Food and Drug Administration. Mama Jita's Food Products acquired LTO in August last year. The LTO certification enabled Mama Jita's Food Products to enter neighboring malls and supermarkets in the region.

The technology upgrading helped the firm catch up with the overwhelming purchase orders from partner pasalubong centers, malls, supermarkets, and outlets for their two main products: Tablea and Tablea Choco drink.

During the DOST Secretary's visit in April this year, Secretary Renato U. Solidum Jr asked Dela Cerna her aspirations for her business. "Ang pangarap ko na mas lumago pa (business), target maka CPR (Certificate of Product Registration) para maka display sa mga malls at saka (maka)export." (My dream is for the business to prosper and secure CPR so I can display in malls and export my products.)

Mama Jita's Tablea is a chocolate bar for champorado (chocolate porridge) and sikwate (hot chocolate drink). Her products, the tablea and the cold chocolate drink, are made from 100% pure, native cacao variety, with strong aroma. It is available to select pasalubong centers and malls in region 10.

SETUP is a nationwide strategy encouraging and assisting micro, small, and medium enterprises (MSMEs) to adopt technological innovations to improve their products, services, operations and increase their productivity and competitiveness. ***(Efraem O.Egoc/DOST 10)***

CA affirms dismissal of 'disobedient' coop agency chair

MANILA – The Court of Appeals (CA) turned down a suit filed by former Cooperative Development Authority (CDA) chair Orlando Ravanera questioning the Ombudsman decision that slapped him with a guilty verdict and dismissal due to his involvement in a dispute within the Davao Del Norte Electric Cooperative, Inc. (Daneco).

The CA 21st Division denied Ravanera's petition and affirmed the 2019 decision of the Office of the Ombudsman (OMB) finding him guilty of grave misconduct and gross neglect of duty.

"All told, this Court finds no reason to disturb the rulings of the OMB," the CA said in its decision dated April 20 and made public Friday.

The case arose from a complaint filed by Daneco member-consumers, represented by its chief operations manager Emmanuel Galarse, which had a dispute with the general manager and 10 Board members.

The member-consumers group sued the other group before the National Electrification Administration (NEA) in 2011 for grave misconduct because of alleged anomalous contracts.

In April 2012, the NEA rendered a guilty verdict against the general manager's group and penalized them with dismissal.

The embattled group then called for a referendum for the conversion of Daneco into a stock cooperative to be registered with the CDA, which issued a certificate of registration also in 2012.

The aggrieved members naturally protested and secured from a temporary restraining order from the CA in 2013. The referendum was also declared illegal.

Still, Ravanera went ahead with the certificate of registration and ordered the reopening of Daneco offices in 2015.

He countered that since Daneco was already registered with the CDA, the NEA had no authority to cancel the registration since this power is within the jurisdiction of the CDA.

The complainants said the involvement and participation of Ravanera emboldened Daneco to commit illegal acts, like collecting power bill payments, issuing fabricated receipts and illegal reconnections of disconnected power service lines, which caused them financial distress.

The OMB said Ravanera is liable for grave misconduct and gross neglect of duty and was ordered dismissed from service.

"Indubitably, petitioner Ravanera grossly disregarded the orders of this court and of NEA showing his disrespect to the lawful authorities, and was remiss in his duty in strictly observing the said directives," the CA said. ***(PNA)***

Remit employees' premiums on time – PhilHealth

MANILA – The Philippine Health Insurance Corporation (PhilHealth) reminded employers to remit their employees' contributions on time.

"In commemoration of Labor Day and in honor of our workers' hard work, we would like to remind all employers, both public and private, to remit and report your employees' PhilHealth premiums on time," said PhilHealth acting president and chief executive officer Emmanuel R. Ledesma Jr. in a news release on Monday.

Ledesma reiterated that employers may use the state health insurer's Electronic Premium Remittance System or the EPRS to remit their employees' contributions safely and conveniently to PhilHealth.

"We have recently enhanced the EPRS - our online payment facility for employers – in partnership with MyEG Philippines, to allow more payment options for employers such as electronic wallets GCash and Maya, along with debit and credit card payments," he said.

"The payment process has also been simplified with the EPRS. Kailangan lang mag-generate ang employer o ang PhilHealth Employer Engagement Representative o PEER ng Statement of Premium Accounts (SPA) para sa buwan na babayaran, pagkatapos ay piliin lang ang kanilang preferred payment option at magbayad na (The employer or PEER need just to generate SPA for the monthly payment, just choose preferred payment and they can pay already)," he added.

Ledesma said a payment confirmation email will instantly be sent to the employer after every successful transaction.

"Maaari pong i-access ng ating employers ang EPRS sa PhilHealth website, https://eprs01.philhealth.gov.ph," he added.

Ledesma said PhilHealth partnered with MyEG Philippines to support Republic Act No. 11032, or Ease of Doing Business and Efficient Government Service Delivery Act, which mandates all government departments and agencies to adopt a digital payment system for government disbursements and collections to promote efficient delivery of services and expedite transactions.

PhilHealth activated its acceptance of online payment on its Member Portal in 2021, allowing self-earning Individuals to pay for their contributions using GCash, Maya, and credit and debit cards. ***(PNA)***

2023 PHILRACOM "CHAIRMAN'S CUP"

Nakabawi ang paboritong kabayo na si Big Lagoon mula sa pagkatalo matapos sungkitin ang titulo sa ginanap na 2023 Philracom "Chairman's Cup" na inilarga sa pista ng Metro Manila Turf Club Inc. (MMTCI) sa Malvar Tanauan City, Batangas. Sakay ng hineteng si John Alvin Guce ay muling ibinida ni Big Lagoon ang kanyang galing upang makarebanse sa matinding karibal na si Boss Emong. Sa pagbukas ng aparato ay naging alerto ang ating bida na si Big Lagoon upang hindi maiwanan sa largahan, agad naman na umarangkada si Cam From Behind na sinakyan ni Kelvin Abobo upang mahawakan ang bandera, kasabay si Boss Emong na pinatnubayan ni Jeffril Zarate, pang-apat sa gawing labas si Ambisioso na nirendahan ni Jerico Serrano, panlima sa gawing loob si Don Julio na lulan ni Ryan Base, pang-anim si Robin Hood na dinala ni Jeffrey Bacacay, habang si Gomezian na pinatungan ni Oneal Cortez ang bugaw sa simula. Sa unang 200 meter ay nakipagsabayan si Big Lagoon sa unahan kina Boss Emong at Cam From Behind. Pagpasok sa back stretch ay kumaskas sa tabing balya ang liyamado na si Big Lagoon upang maagaw ang bandera, kasabay sa gawing labas ang segundo liyamado na si Boss Emong, pangatlo sa bandang gitna ang kuarto liyamado na si Don Julio, nasa ika-apat na puwesto naman ang ikalawa sa pinakadehado na si Cam From Behind, panlima ang tersero liyamado na si Gomezian, nasa ika-anim na posisyon ang pinakadehado na si Ambisioso, habang ang quinto liyamado na si Robin Hood ay nalipat sa likuran. Pagsapit sa far turn ay nasa unahan pa rin ang winning horse na si Big Lagoon ng may dalawang kabayong kalamangan, habang nagkukumahog sa paghabol si Boss Emong upang makalapit, humahataw naman sa ikatlong puwesto si Don Julio at nagsimula na rin sumugod si Robin Hood. Pagsungaw sa rektahan ay kumalas na sa unahan si Big Lagoon dahil na rin sa pagtulak at paghagupit ni John Alvin sa kanyang sakay, pabuka naman ang takbo ni Boss Emong at nagbabadya sa tabing balya si Don Julio ngunit hindi na kinaya pa ang tikas ni Big Lagoon. Tinawid ni Big Lagoon ang meta ng may dalawang kabayong bentahe sa sumegundong si Don Julio, tersero si Boss Emong at pumang-apat si Robin Hood. Pumoste si Big Lagoon ng tiyempong 2:04.6 (24'-23'-24'-24'-27') para sa mahaba at nakakahingal na distansyang 2,000 meter, sapat upang maibulsa ng winning horse owner na si Melaine C. Habla ang premyong P1.5M at tropeo bilang kampeon. Nakahamig din ng P500,000 ang 2nd placer na si Don Julio, kumubra ng P250,000 ang tersero na si Boss Emong at nakapag-uwi naman ng P125,000, P75,000, P50,000 sina Robin Hood, Cam From Behind at Gomezian bilang 4th, 5th, 6th placer ayon sa pagkakasunod. Dahil sa panalo ay nabawian ni Big Lagoon si Boss Emong nung naglaban sila sa "Classic Cup" noong nakaraang buwan. Matatandaan na si Boss Emong din ang nagkampeon noong 2021 at 2022 Philracom "Chairman's Cup" ngunit nabigong madepensahan ang kanyang titulo ngayong taon. Ang Philracom "Chairman's Cup" ay isang taunang stake race para sa mga kabayong 4 na taong gulang pataas.

Mag-aaral sa Romblon hinimok na na pasukin ang karera sa Agham at Teknolohiya

ROMBLON, Romblon (PIA) -- Hinimok ni Department of Science and Technology (DOST) Secretary Renato Solidum ang mga mag-aaral na pasukin ang karera sa Agham at Teknolohiya sa kanilang paglaki.

Sa ginanap na inagurasyon ng isang proyekto ng DOST sa Barangay Cobrador, Romblon, Romblon kamakailan, sinabi ni Sec. Solidum na kasalukuyan ay mayroong kakulangan sa mga Siyentipiko at Inhinyero sa bansa para tumulong sa tuloy-tuloy na pag-unlad ng mga probinsya lalo na sa mga lugar na nasa Geographically Isolated and Disadvantaged Areas (GIDA).

"Kapag kayo ay lumaki at nagkaisip na na ng mabuti ay maging siyentista kayo. Siguro hindi niyo pa naiisip [sa ngayon] pero dahil dito sa kwento ng proyekto ng [water] desalination, [maisip niyo na] maraming maitutulong kayo sa ating mga kababayan kung kayo ay magiging siyentista o magiging researcher," pahayag ng DOST Secretary.

Ibinida rin ng kalihim na ang water desalination project ng DOST na magbibigay ng inuming tubig sa mahigit 1,000 residente ng isla ay bunga ng pag-aaral sa agham at teknolohiya. ***(PJF/PIA Romblon)***

DILG, USAID nagsanib-puwersa, community-based drug rehabilitation, mas pinalakas

LUNGOD QUEZON, (PIA) -- Upang mas palakasin ang community-based drug rehabilitation (CBDR) anti-illegal drug program na Buhay Ingatan, Droga'y Ayawan (BIDA) ng pamahalaan, nagsanib-puwersa ang Department of the Interior and Local Government (DILG) at United States Agency for International Development (USAID)-RenewHealth.

"As we continue to roll out the BIDA program in various sectors nationwide, I am very pleased to have the support of international agencies such as USAID. We thank USAID for sharing our vision and helping in our efforts to rehabilitate persons who use drugs (PWUDs) and combatting illegal drugs in the communities,"[Sa patuloy na implementasyon ng BIDA program sa iba't ibang sector sa buong bansa,ko'y nagagalak sa suporta ng mga international agencies tulad ng USAID. Nagpapaalamat kami a USAID sapakikiia sa aming layunin at pagtulong aaming pagsisikap na marehabilitate ang mga taong gumagamit ng ipinagbabawal na gamot at tapusin ang suliranin laban sa iligal na droga sa mga komunidad] ani DILG Secretary Benjamin "Benhur"Abalos, Jr.

Opisyal na inilunsad ang partnership ⌈Miyerkules ng hapon sa pamamagitan ng paglagda ng Memorandum of Understanding (MOU) sa pagitan ng DILG at USAID.⌉ Kasama rin dito ang turnover ng iba't ibang CBDR materials at learning modules ng RenewHealth sa DILG bilang bahagi ng BIDA program na ipapakalat sa mga pamahalaang lokal.

Ayon kay Abalos, ang kolaborasyon ay naglalayong maisakatuparan ang iba't ibang drug-demand activities tulad ng pagtiyak ng access sa evidence-based at culturally appropriate tools na sumusuporta sa pagpapatupad ng CBDR; pagpapakalat ng research at best practices ng CBDR, substance use prevention at re-integration program; at capacity-building para sa mga CBDR program managers at service providers ng local government units (LGUs).

Sa ilalim ng MOU, magkakaloob ang USAID ng tools at materials ukol sa social behavior change communication (SBCC) at CBDR; capacity building at information management platforms para sa CBDR; advocacy events para itampok ang mga best practice ng CBDR; at evidence-based na mga polisiya at batayan ukol sa CBDR.

Samantala, ang DILG ang siyang mangunguna sa pagpapakalat at co-branding ng mga SBCC at CBDR material ng USAID bilang bahagi ng BIDA Program at ICAD websites; pangunguna sa mga forum at advocacy event bilang bahagi ng BIDA Program; at pagkakaloob ng CBDR capacity building sa mga LGU at iba pa.

Ang RenewHealth ng USAID ay isang proyekto na nagsimula noong 2019 na nagtataguyod ng social integration at nagpapataas ng accessibility ng drug treatment at rehabilitasyon sa loob ng komunidad.

Ang BIDA program, ang multi-sectoral at holistic na drug campaign ng pamahalaan, ay nakatuon sa pagpapaigting ng mga hakbangin upang bawasan ang demand at supply ng iligal na droga sa pamamagitan ng multi-sectoral approach kasabay ng law enforcement efforts ng mga awtoridad. ***(dilg/pia-ncr)***

Maayos na serbisyo sa mga driver, hiniling ni Sen. Bong Go sa LTO, DOTr

CABARROGUIS, Quirino (PIA) - - Nanawagan si Senator Christopher Lawrence "Bong" Go sa mga opisyal ng Land Transportation Office (LTO) at Department of Transportation (DOTr) na gawan ng paraang makapagbigay ng plastic card at hindi papel upang hindi na sila pabalik-balik para sa plastik na lisensya.

"Alam niyo kaya nga po may naipasang batas sa panahon ni Pangulong Duterte na limang taon na po ang validity o bisa ng ating card at pag wala kang violations ay maaaring maging sampong taon po ito. Ibig sabihin, para hindi na pabalik-balik ang mga kababayan natin na pumunta at pumila sa LTO," ani Senator Go.

Sa papayam kay Go sa kanyang pagbisita sa lalawigan kamakailan, pinaalalahanan nito ang mga nasabing ahensya na huwag pahirapan ang mga driver bags sila ay bigyan ng maayos na serbisyo.

"Sa shortage ng supply ng card, e nagbabayad naman po ang mga Pilipino bakit binibigyan ng papel, ano yun papahirapan? Gawan niyo po ng paraan, ang trabaho po natin sa gobyerno ay pagserbisyuhan po ang ating mga kababayan lalung-lalo na po yung mga driver na maiistorbo po ang kanilang mga araw sa pamamasada sa kakapila para kumuha ng lisensya," paalala ni Go.

Dagdag ni Go, pag papel ang ibibigay na lisensya, hindi maiiwasang mabasa ito pag umuulan at mapupunit at pag hinuli ng pulis ay panibagong problema na naman para sa mga driver.

"Ako po ay nakikiusap sa inyo bilang miyembro po ng Committee of Public Service, ayusin po natin ang ating mga trabaho at serbisyo para sa mga driver natin, na kahit isang kahig isang tuka, pupunta po ang mga yan sa LTO offices para makakuha ng lisensiya, tapos papel lang ang ibibigay niyo, babalik yan para i-claim yung plastic card kawawa naman," dagdag na paalala ni Senator Bong Go. ***(TCB/ PIA Quirino)***

Lalaki, nagbigti

PALAISIPAN ang ginawang pagpapakamatay sa pamamagitan ng pagbibigti ng 36-anyos na lalaki sa Lucena City kamakailan.

Ang biktima ay nakilalang si Lito Aranilla, na naninirahan sa Barangay Mayao Parada, Lucena City.

Sa inisyal na imbestigasyon ng kapulisan, sa punong-kahoy isinagawa ng biktima ang pagbibigti nito.

Ikinagulat ng mga kaanak ang ginawang pagpapakamatay ng biktima.

Ito ay dahil wala naman umanong nababanggit na ano mang suliranin ang biktima kaya palaisipan ang pagpapakamatay nito.

Gayunman ay nagsagawa ng pag-iimbestiga ang pulisya hinggil sa nasabing insidente. ***MARCK BADION***

DR. GOMEZ: MEDICAL CANNABIS MALAPIT NG MAISABATAS

Bagamat araw ng pagawa ngayong araw May 1, 2023 at walang pasok ang mga nag-oopisina sa gobyerno at pribadong sector, tuloy pa rin ang nakagawian ng BAUERTEK Media Health Forum na ginanaganap tuwing lunes sa isang restaurant sa lungsod Quezon.

Ito ay pinangungunahan pa rin ni Dr. Richard Nixon Gomez bilang General Manager ng BAUERTEK, na ang adbokasiya ay maisabatas at maging legal ang paggamit ng halamang gamot na marijuana o cannabis sa bansa. Ito ay ipoproseso sa isang laboratoryo para gawing Medical Cannabis na kung saan ang laboratoryo ay nakatayo na at handang handa na, hinihintay na lamang na maisabatas ito at maging legal.

Ayon kay Dr. Gomez, ang medical cannabis ay matagal nang ginagamit bilang gamot sa mahabang panahon at milyon-milyong pasyente na ang gumagamit worldwide.

"Bakit sa Pilipinas, ayaw pang ipagamit ang medical cannabis, samantalang maari nitong matulungan ang isang milyong Pilipinong may sakit?"

Dagdag pa ni Dr Gomez, "Ang medical cannabis ay malapit ng maisa-batas, dahil na rin umano sa dami na ng sumusuportang politiko, government official, at kilalang mga personalidad, dahil din umano sa alam na ng nakakarami sa ngayon, na meron na tayong laboratoryo na kung saan ipoproseso ang Marijuana para gawing Medical cannabis."

Matatandaang, lumabas sa ilang pahayagan taong 2019 na mismong si dating House Speaker Gloria Macapagal-Arroyo ay umaming gumamit ng medical cannabis, na isa umano sa nagbenepisyo nito. Nilalagyan umano ng pain patch na medicinal marijuana ang cervical spine na sumasakit kay Gng. Arroyo.

Subalit paglilinaw nito, na sa ibang bansa niya ito ginagawa kung saan pinapayagan ang paggamit ng cannabis para sa medical purposes at hindi rito sa Pilipinas dahil wala pang batas na sumusuporta rito. Naniniwala ang dating SGMA, na bukod sa kanya, ay marami pang may sakit ang matutulungan at mapapagaling ng medical cannabis. Kung kaya isa rin umano siya sa may-akda ng panukalang inihain sa Kamara na gawing legal ang medical cannabis sa bansa sa kanyang kapanahunan.

Naging panauhin sa ginanap na forum sina: Dr. MacGerald Cueto, Associate Professor, UERM, Memorial Center Inc., Doc-Atty. Leo Olarte, Former President Philippine Medical Association, Dr. Gem Mutia, Founder , Philippine Society of Cannabinoid Medicine.

Ipinaliwanag ni Dr. MacGerald Cueto ang tungkol sa Acupuncture bilang bihasang acupuncturist lalo na pagdating sa pain management. Ang Acupuncture ay ang pagtusok ng mga maninipis na karayom sa iba't ibang bahagi ng katawan na base sa pag-aaral ng siyensiya.

Ang pamamaraang ito ay nakatutulong laban sa chronic pain, headaches, migraine at iba pa. Nalulunasan din ang ang problema ng mga kalalakihan pagdating sa erectal dysfunction, ayon pa kay Dr. Cueto.

Sinabi naman ni Dr. Gem Mutia na dapat suportahan ng gobyerno ang pagsasabatas ng paggamit ng Medical cannabis, ang halamang gamot na marijuana. Huwag maging negatibo ang pananaw lalo na pagdating sa marijuana dahil ito umano ang magpapagaling sa milyong Pilipinong may sakit. Magbibigay din ito ng dagdag kita sa kaban ng bayan. Suportado naman ni Doc. Atty Olarte, ang pagsasabatas ng medical cannabis sa bansa.

Nagsilbing host sa nasabing BAUERTEK Media Health Forum sina: Edwin Eusebio at Rolly Lakay Gonzalo. ***(Raffy Rico)***

PERYA 'PAG PIYESTA, BAWAL MUNA?

ANG nakaugaliang peryahan tuwing panahon ng kapistahan ay posibleng pansamantalang ipagbawal muna.

Sinusulat ito ay kinakasa at pinag-aaralan ng pamahalaang lokal ng Iloilo City ang pagbabawal ng peryahan sa mga bayan o maging sa barangay ng naturang lungsod.

Bunsod ito sa umano'y manipis na supply ng kuryente sa lungsod dahil sa sinasabing ang transmission lines ng National Grid Corporation of the Philippines ay hindi pa ganap na payak.

Bukod sa peryahan ay babawasan din umano ang oras sa paggamit ng mga ilaw sa kalsada, plaza, at iba pang public places tuwing gabi.

Ang nasabing pagbabawas sa paggamit ng kuryente ay dahil na rin sa nararanasang power interruption kamakailan.

Maging ang Iloilo City Hall ay may mga ginawa na rin hakbang para sa pagtitipid kasabay ng paghikayat sa lahat ng kawani at pati sa mga sangay ng gobyerno na naka-base sa lungsod na makiisa rin sa energy savings moves.

Ang Mayo, Hunyo at maging Agosto ay kalimitang kapistahan subalit kailangang sumunod ng mga operator ng peryahan sa naturang kautusan.

Nabatid na inaasahang sa darating na Agosto matatapos ang pagsasaayos ng NGCP para sa dekalidad na transmission lines. ***RUBEN LACSA***

TULOY ang Manila Police District Barbosa Station 14 sa pagpapatupad ng kanilang 'oplan sita' laban sa mga motorcycle rider na sa kabila na walang lisensiya at dokumento o maging palso ang rehistro ay nagmamaneho pa rin ng motorsiklo. Diretso sa impounding area sa Central Market ang mga napapatunayang may paglabag. ***CHRISTIAN HERAMIS***

Si Manila Mayor Honey Lacuña ang nanguna sa kick-off ceremony kamakailan. ***CHRISTIAN HERAMIS***

Parang kelan lang

SUMAPIT na ang ikapitong (7) kaarawan ng ating pahayagan.

Tulad sa tao na ang buhay ay ipinahiram lamang ng Panginoong Diyos na ano mang oras ay maaari ng bawiin.

Ganoon din ang ano mang bagay, trabaho, negosyo at iba pa ay mayroong hangganan.

Kumbaga sa tao ay napakabata pa ng **HANEP** dahil pitong taong gulang pa lamang.

Sa tao kung bansagan ang ganitong edad ay musmos pa lamang at napakarami pang daraanang balakid at pagsubok hanggang sa pagtanda.

Hindi po natin ikinukumpara ang isang dyaryo sa buhay ng isang tao bagkus ay kaakibat lamang ng paniniwala na ang Panginoong Diyos din ang nagbigay ng buhay sa **HANEP** upang pumalaot sa mundo ng pamamahayag.

Ang bawat ina na nagluwal ng sanggol ay hindi matatawaran ang kasiyahan at pasasalamat sa Diyos.

Sa paglakad ng mga panahon katuwang ng ina ang ama sa pagpapalaki ng kanilang anak.

Hindi mamamalayan ang mabilis na pag-usad ng panahon bagkus ay malalaman na lamang na ang anak ay nasa pitong taong gulang na.

Ang sambit, 'parang kelan lang, bilis talaga ng panahon.'

Kagaya sa anak, ang ano mang bagay ay kinakailangang inaalagaan at iniingatan lalo ay pakakamahalin.

Ganyan ang ating ginawa at ginagawa o gagawin pa sa **HANEP**.

Kaya naman taus puso ang aking pasasalamat sa Panginoong Diyos kasabay ng patuloy na panalangin para sa karagdagan o marami pang taon ng **HANEP** sa sirkulasyon.

NAGING mapayapa at maayos ang paggunita sa Maynila ng Labor Day nitong Mayo 1 dahil sa ginawang paghahanda ng pamunuan ng Manila Police District sa ilalim ng liderato ni MPD Director Police Brig. Gen. Andre Dizon. ***CHRISTIAN HERAMIS***
