BSP urges public to use coins for payments

MANILA – The public is encouraged to use their coins for payments, with the central bank hiking to PHP2,000 each the legal tender limit per transaction for PHP1, PHP5, PHP10, and PHP20 coins.

Meanwhile, legal tender limit per transaction for PHP0.1, PHP0.5, PHP0.10 and PHP0.25 coins is now PHP200, according to an advisory by the Bangko Sentral ng Pilipinas (BSP) on Tuesday.

The cap has been increased from PHP1,000 per transaction for the bigger denominations and from PHP100 for the smaller denominations based on BSP Circular No. 1162 issued on Dec. 1, 2022.

The medical team of Kawit Kalayaan Hospital offered healthcare services to a total of 223 patients.

Additionally, all participants were provided with free lugaw, courtesy of Vice Governor Athena Bryana Tolentino, showcasing her unwavering support to the provincial government's programs. **OPIO**

The upward adjustment in the legal tender limit was made "to further promote the use of coins in payments and other cash transactions," the BSP said.

"The legal tender limit for single transaction of coins does not preclude transactions above the stated coin limit so long as both parties have prior and mutual agreement," the circular said.

BSP has repeatedly encouraged the public to use coins for payment transactions to maximize its use and the cost of minting, as well as address the perceived coin shortage in some parts of the country. Some disregard the importance of the coins, especially the small denominations. Others store coins for a long time.

Recently, the BSP has teamed up with SM, Robinsons and Festival malls for the coin recirculation program.

Under this program, coin deposit machines will be placed in select malls. The exchange value will either be for GCash electronic wallet crediting or for SM shopping vouchers. **(PNA)**

Another run of Cavite provincial government's medical mission, spearheaded by the Office of the Governor in collaboration with the Office of Provincial Health Officer, was successfully conducted on July 14, 2023 at Brgy. Iba covered court, Silang, Cavite. One hundred twenty-six constituents of Metro Silang Cluster, which is composed of 16 barangays, received free medical check-up and consultations rendered by

health professionals from General Emilio Aguinaldo Memorial Hospital.

They were also provided with free medicines afterwards.

Prior to consultation, selected patients underwent screening process and antigen swab testing.

As part of dengue prevention campaign, the medical mission team also distributed mosquito-repellent lotion to the locals. **OPIO**

SONA 2023

TAUN TAON kahit sino ang nahalal na Pangulo ng Republika ng Pilipinas isinasagawa ang State of the Nation Address (SONA) bilang pag-uulat ng Pangulo sa totoo at tunay na kalagayan ng bansa.

At sa tuwing ganitong SONA hindi hindi na nawala ang mga kilos protesta sa Batasang Pambansa, sa mga karatig na lugar at sa ibat ibang panig ng Kalakhang Maynila. Ano ba ang mga ipinaglalaman ng mga grupong ito? Makatuwiran ba o sadyang papansin lamang ang mga ito? Maaaring tama o makatuwiran ang mga usapin na kanilang inihahain pero sa totoo lang, mayroon namang tamang lugar, oras at panahon para pag usapan ang mga iyun, ika nga mayroong proper forum.

Pero wag po kayo mag-alala dahil nakahanda ang National Capital Region Police Office (NCRPO) sa ilalim ng pamamahala ni PBGEN JOSE MELENCIO CORPUZ NARTATEZ Jr ang bagong regional director upang tiyaking ligtas, payapa, at maayos ang ikalawang State of the Nation Address (SONA) ni Pangulong Ferdinand "Bongbong" Marcos Jr. na gaganapin nitong darating na Hulyo 24, 2023.

Ayon kay PBGEN

NARTATEZ umaabot sa mahigit 17 libong pulis mula sa limang distrito ng kapulisan dito sa Kalakhang Maynila at mga tanggapan ng NCRPO ang naka-alerto at ipapakalat sa paligid ng House of Representatives sa mismong araw ng SONA ni Pangulong BBM.

Kasama ng NCRPO ang 4,460 na pulis buhat sa iba't ibang mga Units tulad ng PNP Regional Support Units; Aviation Security Group; Special Action Force; AFP Joint Task Force NCR; Philippine Coast Guard; Bureau of Fire Protection; Bureau of Jail Management and Penology; Office of the Civil Defense; Metropolitan Manila Development Authority, at Philippine Red Cross. Kaugnay nito, ay mananatiling suspendido ang lahat ng Permit to Carry Firearms Outside of Residence (PTCFOR) habang isinasagawa ang pangalawang (SONA) ni Pangulong Ferdinand R. Marcos Jr. kasabay ng pagsasakatuparan ng "No Fly Zone/No Drone Zone" sa vicinity ng Batasang Pambansa sa Quezon City. Mahigpit din ipatutupad ang maximum tolerance at pagsunod sa Police Operational Procedures, lalong-lalo na ang pagpapahalaga sa karapatang-pantao ng lahat ng makikilahok sa araw na ito.

Jaguar kampeon sa 3rd Leg Triple Crown

Matagumpay na nag kampeon at nakamit ng P3.5-million ang Jaguar ng mag kampeon ito sa Third Leg ng 2023 Philracom Triple Crown Series sa Metro Manila Turf Club sa Malvar, Batangas.

Sa gitna ng hiyawan ng mga tao na dumagsa sa riles sa paglakas ng ulan noong Linggo, ang Dance City mula sa Delta Gold progeny na pagaari ni Cong. Dinurog ni Juan Miguel "Mikey" Macapagal Arroyo at pinalaki ni Joseph Dyhengco ang oposisyon na naglalakad sa pitong haba na tagumpay na kinuha ang P2.1-milyong pinakamataas na premyo.

Sinanay ng dating hinete na si Dante Salazar at mahusay na sinakyan ni Jeffril T. Zarate, ang kastanyas na bisiro ay mahusay na nanirahan sa ikaapat sa simula habang ang isang pace war ay nagaganap sa unahan sa pagitan ng Secretary, Istulen Ola at Boat Buying.

lyon ay, hanggang sa kalahating milya na poste kung saan hiniling ni Zarate ang kanyang bundok para tumakbo dahil ang katunggaling si La Troupepe (Brigand mula sa Betty H) sa ilalim ng pantay na kakayahan ni Kelvin Abobo sa mga plantsa ay gumagawa ng kanyang hakbang para sa pangunguna.

Isang panandaliang labanan ang naganap sa pagitan ng dalawang magkaribal na nagpasigla sa mga tao, ngunit napakaraming kabayo ang natitira sa kanya ni Jaguar para sa stretch run na iniwan ang natitirang bahagi ng field sa kanyang alikabok.

Ang Early Boating, sina Istulen Ola at La Troupepe ang nag-

round out sa top four finishers. Ang oras na naitala para sa pagsubok na 2000 metrong distansya ay umabot sa 2:05 na may quarters ng 24-23-26-24-28.

Sa post race interview kay Jeffril Zarate nagsabi, "Nung naramdaman at narinig ko na si La Troupepe sa likuran ko sa medya-milya, dahan-dahan na rin ako sa nagpapalakas.

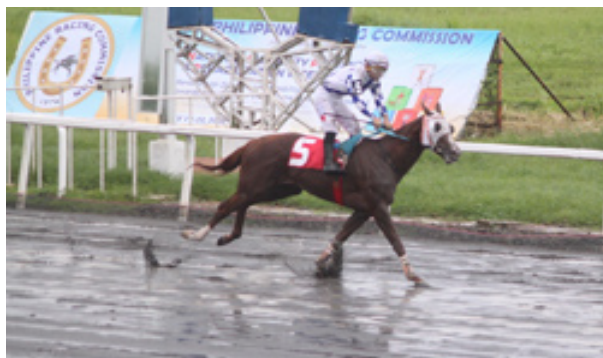

Pero at that point alam ko na alam ko na kasi hindi naman niya laro. Yun eh."

Ang aksyon ay nakita ng Prime Billing (Top Billing- Subprime) na pagmamay-ari at pinalaki ni DILG Secretary Benhur Abalos na halos mula wire-to-wire sa pagkapanalo sa ikatlong yugto ng P1.5-million 2023 Philracom Hopeful Stakes. Pangalawa ay napunta sa mabilis na papalapit na Chrome Bell habang ang Winner Parade at Glamour Girl ay nakakuha ng ikatlo at ikaapat na parangal, ayon sa pagkakatanggitan.

Itinilig ng Prime Billing ang orasan sa 2:06.8 sa 2000m na distansya na may mga fraction na 24'-23'-25-25-27'

"Ito ay isa pang magandang katapusan ng linggo ng karera kung isasaalang-alang na umuulan at gayunpaman ang racing public ay dumagsa pa rin sa track at sa kanilang mga paboritong OTB's. Ito ay na-highlight ng higit sa P86-million sa mga benta sa huling apat na araw ng karera," sambit ni Chairman Reli de Leon ng Philracom.

"Congratulations to the winning connections of Jaguar, Prime Billing and Sky Story for winning their respective events." ani pa De Leon. (Marlon Bernardino)

TABLE TENNIS NATIONAL TEAM SASABAK SA DALAWANG INTL TOURNAMENT

KUMPIYANSA si Philippine Table Tennis Federation (PTTF) president Ting Ledesma sa kahandaan ng Pinoy table netters sa pagsabak sa dalawang major international tournaments bunsod na rin ng impresibong kampanya ng Philippine Team sa nakalipas na torneo sa abroad.

Sasalang ang National Team, binubuo ng mga players na isinabak sa 31st Southeast Asian Games sa Cambodia nitong Mayo, sa prestihiyosong Asian Championship sa Setyembre 3-10 sa South Korea, habang nakatuon din paghahanda ng PTTF sa hosting ng World Junior Championship sa Oktubre sa Puerto Princesa, Palawan.

"We're happy to say that table tennis is getting better and with the recent success of our national team for the past few months sa abroad, Malaki ang impact nito lalo na sa mga kabataan na patuloy na lumalaban para mapalakas ang table tennis," pahayag ni Ledesma patungkol sa program ng PTTF sa kabilang ng kakulangan ng pondo at limitadong tulong pinansiyal mula sa pamahalaan.

"Nauunawaan naman namin ang Philippine Sports Commission (PSC) dahil hindi lang naman kami ang sports na sinusupportahanan nila. But we're proud to say that through the years hindi kami dependent talaga sa PSC, reimbursement kami, abunuhan muna namin kung maibalik yung ginastos namin, salamat kung hindi talo-talo na yan," aniya sa Tableids Organization in Philippine Sports, Inc. (TOPS) 'Usapang Sports' sa Conference Room ng PSC sa loob ng Rizal Memorial Sports Complex sa Malate, Manila. Binanggit din ni Ledesma sa

program na itinataguyod ng PSC, Behrouz Persian Cuisine at Pocari Sweat na galing sa mga kaibang pribadong sector at sariling pera ang gagamitin ng Philippine Team sa pagsabak sa Asian Championship.

"Wala naman kaming problema sa PSC, pero para mas maging mabilis ang proseso sa participation namin, naghahanap na lang ako ng makakatulong. After that, reimbursed ko na lang yung gastos kompleto naman sa resibo, kung palarin maibalik laking pasasalamat kung hindi, oky na rin," aniya.

Pangungunahan ni Kheith Rhyne Cruz, ang No.1 women player sa bansa, ang PH team sa Korea target na makasikwat ng medalya na magbibigay sa koponan nang panibagong sigla bago ang World Junior event sa Palawan.

Galing ang 16-anyos na si Cruz sa matagumpay na kampanya sa SEA Youth tabke tennis champions sa Brunei kung saan nagwagi siya ng dalawang gintong (singles at doubles event) at pangunahan ang girls team sa silver medal finish sa team event.

Sa tulong ni Puerto Princes, Palawan Mayor Lucilo Bayron, ibinida ni Ledesma ang kahandaan para World Junior championship na inaasahang lalahukan ng mahigit 30 koponan.

"Last year, yung nakababatang kapatid ni Keith na si Mhelvin ay nakasilber dito. Yung podium finish niya ang nagging daan para mabigyan siya ng scholarship training sa France. Itong magkapatid ang mangunguna sa team natin. Buong puso ang pasasalamat natin sa tulong ni Mayor Bayron para maisagawa natin ang hosting na ito," ayon kay Ledesma

2 more 'Pambansang Pabahay' projects break ground in Camarines

MANILA – Two more housing projects under President Ferdinand R. Marcos Jr.'s Pambansang Pabahay para sa Pilipino (4PH) program broke ground in Camarines Norte on Monday, targeting at least 4,000 families, including informal settlers.

Department of Human Settlements and Urban Development (DHSUD) Secretary Jose Rizalino Acuzar and Camarines Norte Governor Ricarte Padilla led the groundbreaking ceremony in the towns of Vinzons and Mercedes.

According to a DHSUD news release, the Mercedes housing project, located near Bagasbas Beach, is enrolled with the Social Housing Finance Corporation, one of DHSUD's key shelter agencies.

The project will construct 34 four-story buildings for about 3,200 families.

Meanwhile, the project in Vinzons is a township development composed of

18 four-story medium-rise buildings targeting more than 800 beneficiaries.

"This is another solid testament to the continuing nationwide roll-out of the President's Pambansang Pabahay," Acuzar said. "This signals the start of our close collaboration to help CamNortenos realize their dream of owning decent yet affordable shelters."

Acuzar highlighted the significant role of the local government units in the implementation of the 4PH – from project conceptualization, processing and identification of beneficiaries up to the sustainability of the projects.

Padilla, meanwhile, expressed gratitude to the President and the national government for looking after the welfare of CamNortenos.

Around 30 local government units have already broken ground for their projects under 4PH since the flagship program's launch in September last year. **(PNA)**

SOVEREIGN WEALTH FUND MUST BE INSULATED FROM POLITICS TO ENSURE SUCCESS, SAYS PBBM

Politics should not intervene in the implementation of the newly signed Maharlika Investment Fund law to ensure its success, President Ferdinand R. Marcos Jr. said on Tuesday.

"Ang importante sa akin, 'yung aking nabanggit... ay napakasimple lang. Dapat ang mga desisyon na ginagawa ng mga namumuno ng Maharlika Fund ay hindi dahil sa politika, hindi dahil sa kung ano-ano pang ibang konsiderasyon, kung hindi kung ano 'yung pinakamaganda para sa fund," President Marcos said in a media interview during the launching of the DSWD's food stamps program in Tondo, Manila.

"Kung ano'ng magpapatibay nung fund, ano 'yung magpapalaki ng fund, ano 'yung mga investment na magpapaganda doon sa fund. Lyon ang kanilang dapat iniisip. Hindi ang dapat iniisip may eleksyon bukas, may eleksyon in one year."

Marcos told reporters that the initial proposal was that the President will be the Fund's chair, which he thinks is not proper because he is a politician.

He also disagreed on putting the Finance secretary as its

chair. But Marcos said that since the government has interest in the Maharlika Fund it should have a representative.

"Kaya't ang nangyari kung titingnan mo 'yung batas, ang DOF as the ex-officio member. Kasi ang pera galing sa gobyerno. Kailangan mayroon tayong representative sa board but hindi sila ang magpatakbo," he pointed out.

Finance Secretary Benjamin Diokno said the Secretary of Finance will only serve in an ex officio capacity and will not run the fund and instead will be managed by the independent Chairperson of the 9-member Maharlika Investment Corp.

The President signed on Tuesday RA 11954 or the Act Establishing the MIF, the Philippines' first-ever sovereign wealth fund.

The Fund will be invested in a wide range of assets, including foreign currencies, fixed-income instruments, domestic and foreign corporate bonds, joint ventures, mergers and acquisitions, real estate and high-impact infrastructure projects, and projects related to sustainable development. | **PND**

DSWD rolls out the country's first digital food stamp program

QUEZON CITY, (PIA) – The Department of Social Welfare and Development (DSWD) on Tuesday, July 18, spearheaded the national launching of the Philippines' pioneer food stamp program (FSP)

'Walang Gutom 2027' in Tondo, Manila.

The said program mainly aims to alleviate the lingering incidence of food poverty and malnutrition among low-income Filipino households through

the provision of meal augmentation worth PHP 3,000 on a monthly basis from July to December 2023.

This will benefit a total of 1 million families who are classified as 'food poor' according to the criteria and definitions set by the Philippine Statistics Authority (PSA) alongside pregnant and nursing mothers, among others.

During the kick-off ceremony of the FSP, DSWD Secretary Rex Gatchalian stressed that the program integrates solutions to the problem of food and financial insecurity.

"Sa Walang Gutom Program, hindi lang natin sisiguraduhin na walang Pilipino ang matutulog na walang laman ang sikmura, atin din pong sisiguraduhin na masustansya ang kanilang kinakain upang sila'y magkaroon ng sapat na lakas at maging bahagi ng ating labor economy (Through the Walang Gutom Program, we will not only ensure that no Filipino will go to sleep hungry, but also see to it that their food is healthy enough to give them the strength and be part of our labor economy)," said Gatchalian.

"Makakaasa po kayo na ating tututukan ang ating bagong programa at sisiguraduhin ang tagumpay nito para sa ikauunlad ng ating mahihirap na kababayan at sa pag-abot natin sa isang bagong Pilipinas na walang gutom (Rest assured that we will oversee the effective implementation of this landmark project and ensure its success towards the betterment of the lives of our struggling fellow Filipinos in achieving a hunger-free Philippines),"

one of the ways of DOST in strengthening and providing economic growth in the province. This project is hoped to be the enabler for finding lasting solutions to both economic and environmental challenges, such as providing new jobs, promoting energy efficiency, promoting sustainable industries, and investing in scientific research and innovation in the country.

he added, highlighting that the DSWD also seeks to replicate this initiative in various pilot areas including Regions II, V, CARAGA, and BARMM.

Meanwhile, President Ferdinand Marcos Jr. has underscored the national government's commitment to advance programs that are anchored on addressing the challenges in achieving the holistic food security agenda.

"It has become a priority of this government that we will fight all [kinds] of poverty... So that one day we can say that we are able to give our people, at the very least, the food that they need to survive – the nutrition that they need to survive," said President Marcos Jr.

"It is not enough that we just provide all kinds of food, but also that it is of a nutritional value that will allow, especially our children and our nursing mothers to become a center of healthful life for their children, for their families, and for their communities. That is what we are hoping to achieve in this Administration, that by the end of 2028, we can say that we have done everything to reduce the hunger and poverty in the country and to be able to ensure that we can provide a good, healthy, and productive life for our people," he concluded.

In addition, the national chief executive led the distribution of the electronic benefit transfer (EBT) card among the ten representatives of the family beneficiaries in the city. This will serve as a unified card that the beneficiaries can use to avail of their food credits and other monetary-based assistance.

Joining the President in gracing the program launch was Vice President and Department of Education (DepEd) Secretary Sara Duterte, Asian Development Bank Country Director Pavit Ramachandran, World Food Program Country Director Brenda Barton, Labor and Employment Department Secretary Bienvenido Laguesma, and Manila City Mayor Honey Lacuna-Pangan. **(PIA-NCR)**

DOST, partner agencies sign MOA promoting waste reduction in Cagayan Valley

Taguig City-AS a smart solution for waste reduction management, the Department of Science and Technology (DOST) together with the City Government of Cauayan, Isabela State University (ISU) and iTECHCONNECTPH.INC, signed a memorandum of Agreement (MOA) and contract on the establishment of a Material Recovery Facility (MRF) in Cauayan on July 17, 2023. The implementation of an MRF is a vital step for Cauayan City towards sustainable waste management. This will significantly reduce the amount of waste going to landfills and produce valuable raw materials and other by-products.

The MRF will serve as a hub for the collection, sorting, and recycling of waste materials, including plastics, paper, glass, and metals. A variety of industrial and commercial waste streams will also be accepted at the facility. The recovered materials will be utilized as feedstock for local manufacturing industries and will contribute to the reduction of raw material consumption.

Moreover, the establishment of an MRF can boost the province's economy and provide local residents with employment possibilities.

DOST Secretary Renato Solidum Jr. emphasized in his speech, lauding DOST R02 for their continued partnership and collaboration with ISU and Cauayan City in the implementation of the Smart and Sustainable Communities Program.

"As we envision, this Waste-Wise Cities project hopes to tackle the challenges posed by increasing waste generation and its impact on the environment," Solidum said. He also highlighted that with the establishment of a state-of-the-art MRF in Cauayan

City, the agency hopes to be able to effectively sort, process, and recover valuable materials from the waste stream, minimizing the amount of waste sent to landfills and maximizing resource utilization.

DOST Undersecretary for Regional Operations, Engr. Sancho A. Maborang recognized the presence of the representatives from DOST, the LGU, the academe through the ISU and inventors through the Filipino Inventors Society Cooperative (FISPC) on the importance of a collective and whole-of-society approach in addressing key problems, transitioning into sustainable ways of living and promoting a circular economy as a strategy for the country.

DOST Assistant Secretary Dr. Napoleon K. Juanillo Jr., who was also present, encouraged the participants, including the media, to continue spreading the news in science, technology, and innovation for Filipinos to understand what DOST is aiming for in the communities and in the entire STI ecosystem.

Cauayan City Mayor Caesar S. Dy, with ISU President Ricmar Aquino represented by Dr. Precila Delima and Suki Trading Filipino Inventor, Victoriano Ocon, delivered their message of commitment in the implementation of the project.

DOST R02 Regional Director, Dr. Virginia G. Bilgera, who is an active implementer of the Smart and Sustainable Communities Program in Cagayan Valley, and inventor Francisco 'Popoy' Pagayon conveyed their messages of support and appreciation for the strong collaboration of DOST, FISPC, and partner institutions towards sustainable waste management.

Support sought for DOST's establishment of smart and sustainable communities

THE Department of Science and Technology (DOST) has signed a Memorandum of Understanding with various government agencies to support its program of establishing smart and sustainable communities in the Philippines.

Signatories to the document were DOST Secretary Renato Solidum, Interior and Local Government Secretary Benjamin Abalos Jr. represented by Asst. Secretary Atty. Romeo Benitez of the Legal Affairs Dept.; Dept. of Information and Communication Technology (DICT) Secretary Ivan John Uy and Atty. Engelbert Caronan Jr., president and CEO of the Development Academy of the Philippines (DAP).

Each agency has its own set of mandates to pursue the vision of the program. For DOST, among its responsibilities is to "lead in the development of a holistic and synergistic research-driven framework and roadmap through a dynamic partnership of government, academe, private sector, civil society sector and other instrumentalities/organizations for smart and sustainable communities." Meanwhile, the Department of Interior and Local Government (DILG), is mandated to "provide technical assistance to local government units (LGUs) as they transition into a smart and sustainable communities" while DICT is to "conduct assessments of LGU capabilities and provide global metrics and recommendations and support to develop digitalization plans and acquire the necessary ICT infrastructure."

On the other hand, the DAP is to "develop a tool for knowledge and skills gap assessment for the stakeholders, particularly the LGUs, and recommend/implement suitable interventions/capacity building activities to support the transition toward smart and sustainable communities."

It should also "provide assistance to the LGUs in the development of their respective roadmap/ plans

including the milestone indicators for monitoring and evaluation; and identify short-term, medium-term and long-term undertakings and projects and the integration of efforts and initiatives of the collaborating partners toward the attainment of the goals of this collaboration." The parties also have common responsibilities, which include among others "the development and integration of safety measures/mechanisms in the program's framework to defend communities from cyberattack, among others, which may compromise the integrity and safety of data and information and to sustain the operations and delivery of services."

"We forged the MOU to initiate the final implementation of the program. The parties commit to have a participatory and collaborative force to attain the objectives of the program," Maborang said.

The important document further stressed that the MOU "serves only as a record of the parties' intentions and does not constitute or create any legally binding or enforceable rights or obligations, expressed or implied, under domestic or international law and will not give rise to any legal process."

SC suspends ex-press secretary Trixie Cruz-Angeles

MANILA – The Supreme Court (SC) has suspended former press secretary Trixie Cruz-Angeles from the practice of law for six months, and reprimanded another lawyer.

The tribunal's third division, in an 11-page resolution published online on July 18 and promulgated March 27, said it found Angeles and lawyer Amed G. Paglinawan, guilty of violating the Code of Professional Responsibility.

The complaint had been filed by another lawyer, Roderick E. Manzano, against Cruz-Angeles and Paglinawan claiming

SC affirms dismissal of forfeiture raps vs. Marcoses, Tantoco

MANILA – The Supreme Court (SC) has affirmed the 2019 decision of the Sandiganbayan which dismissed the complaint filed by the Presidential Commission on Good Government (PCGG) against the family of the late president Ferdinand Marcos and Tantoco family seeking the forfeiture of all properties acquired by them during the Marcos administration.

In the 26-page decision promulgated on March 29 and uploaded on July 18, the SC First Division dismissed the complaint against Bienvenido R. Tantoco Jr.; Ferdinand E. Marcos, substituted by his heirs namely: Imelda R. Marcos, Ferdinand R. Marcos Jr., Imee Marcos and Irene Marcos-Araneta; Bienvenido R. Tantoco Sr., Gliceria R. Tantoco, substituted by Dominador R. Santiago and Maria Lourdes Tantoco-Pineda. The complaint filed in 1987 alleged that the late president unlawfully withdrew from the National Treasury, the Central Bank and other financial institutions of the country and transferred these funds to various payees.

In particular, the Tantocos and Santiago were alleged to have acted as dummies in the acquisition of various real and personal properties

as well as businesses of the Marcoses and obtained unwarranted benefits for themselves and their businesses as a result of their close association.

The Sandiganbayan, in its Sept. 25, 2019 decision said the PCGG failed to prove the allegations of its complaint and dismissed it for insufficiency of evidence.

Among other things, the Sandiganbayan said the PCGG hid documents from the respondents despite several requests and did not produce the same during the proper time.

"In order to consider petitioner's evidence as sufficient to prove the allegations of its expanded complaint, the court has to perform many leaps of logic, engage in presumptions, and create inferences based on other inferences in order to bridge the gaps in the evidence adduced. In the face of such gaps, petitioner's allegations in its expanded complaint are reduced to mere speculations, insinuations and conjectures. Thus, while it is truly disappointing that nothing has come of this case despite the lapse of 36 years spent in litigation, the Court agrees with the Sandiganbayan that petitioner's evidence is insufficient to support the allegations of its expanded complaint by a preponderance of evidence. Accordingly, the Sandiganbayan was correct in dismissing the expanded complaint for reconveyance, accounting, restitution and damages against all the respondents," the SC said. (PNA)

made by the respondents in the pleading they filed on behalf of their clients are outside the allowable forms of speech expected from the work products and reminded that lawyers, while allowed to present the case with vigor and courage, are not justified to use offensive and abusive language, considering that a lawyer's language even in his pleadings, must be dignified." CSC lauds civil servants at forefront of disaster management

MANILA – As the nation commemorates the National Disaster Resilience Month (NDRM) this July, the Civil Service Commission (CSC) commended the unwavering dedication of civil servants who play a vital role in safeguarding the lives and well-being of Filipinos, and strengthening disaster resilience within the nation.

"We extend our heartfelt salute to first responders, DRRM (disaster risk reduction and management) officers and committees, planners and engineers, scientists, public health personnel, and many others, who continuously strive to ensure the safety of our communities and enhance disaster resilience in our country. Your expertise, courage, and dedication to public service are crucial in making Filipino communities more agile and better prepared against any impending disaster," CSC chairperson Karlo Nograles said in a statement on Monday. He also expressed gratitude to the families of primary responders for their selfless understanding and support for their loved ones' sworn duty.

"Their (primary responders) dedication and willingness to risk their lives in service of their fellow Filipinos are deeply appreciated," he said. Meanwhile, Nograles urged government employees to actively participate in and support not just this month's activities, but also the government's concerted efforts to promote science-based strategies in disaster risk reduction and protecting every household.

This year's NDRM, themed

"BIDAng Pilipino: Building a Stronger Filipino Well-Being towards Disaster Resilience," highlights the collective effort required to promote the well-being of citizens and ensure their safety in the face of disasters.

"As a country situated in the Pacific Ring of Fire, we are vulnerable to frequent earthquakes and volcanic eruptions, not to mention the effects of climate change. Your cooperation is not only a part of your responsibility as public servants, but also of building safer, adaptive, and resilient Filipino families that will pave the way to sustainable development," reminded Nograles.

Aimed at contributing to the DRRM agenda are Memorandum Circular No. 21, series of 2018, that requires government agencies to conduct DRRM training to enhance employees' capabilities in mitigating and preparing for disaster risks; and the joint Memorandum Circular No. 1, series of 2000, of the CSC, Department of Labor and Employment and Department of Health requiring government agencies to have first aiders who are trained and certified by the Philippine National Red Cross.

Aside from regular training and drills on DRRM, agencies must also establish a Risk Reduction Management System, a Crisis Management Plan and a Contingency Program in an emergency situation, among others.

The observance of the NDRM is spearheaded by the National Disaster Risk Reduction and Management Council and the Office of Civil Defense. (PNA)

Quiapo Church warns devotees vs. fake accounts

MANILA – The Minor Basilica of the Black Nazarene, popularly known as Quiapo Church, on Thursday warned the faithful, especially the devotees, against a social media page using its name. In a Facebook post, the Basilica clarified that it does not operate or own a "religious store."

"A reminder to devotees that the Quiapo Church does not have a 'Religious Store' or any religious items for sale or offered," it said.

It also reminded the public not to believe everything that is posted on social media.

"Be careful and critical about the spreading 'Fake Accounts' that use the leadership and the church of Quiapo," the Basilica said.

The statement was issued in response to a social media post bearing the name "Black Nazarene Supporter."

The page is selling "Blessed Black Nazarene medallions," which it claims have been blessed by the church. (PNA)

HVI, timbog sa shabu at marijuana

TIMBOG sa buy bust operation ang itinuturing na high-value individual (HVI) na bukod sa shabu ay may nakuha pang 'damo' o marijuana sa pag-iingat nito sa Naga City kamakailan. Itinuring na HVI dahil sa pagkakasangkot sa pagbebenta ng droga ang suspek na nakilalang si Quincy Nieto, 37, at ng Barangay Monserrat, Magarao, Camarines Sur. Nakipagkoordinang ang kapulisan sa Philippine Drug Enforcement Agency-Bicol sa pagsasagawa ng buy bust operation sa Barangay Cararayan, Naga City.

Sa naturang operasyon ay nagbenta umano ang suspek ng 50 gramo ng shabu sa umaktong police undercover. Pag-apruba sa Magna Carta for Media, panahon na – Cong. Tulfo

PINUNA ni ACT-CIS Party List Representative Erwin Tulfo ang patuloy na pagpapapirma sa mga miyembro ng media kaugnay ng isinasagawang drug operations ng PDEA at PNP. Sa 'Pulong Balitaan' ay sinabi ni Cong. Tulfo na panahon upang aprubahan ang Magna Carta for Media na nagbibigay ng proteksyon sa mga mamamahayag. Nais ng dating DSWD Secretary, na ipaubaya na lamang sa mga opisyal ng barangay at iba pang kinatawan ng pamahalaan ang pagpirma sa mga drug operations at hindi na dapat pang isali ang kasapi ng media. Sinabi ni Tulfo na ayaw na niyang masundan pa ang

tangkang pagpaslang sa Remate photojournalist na si Joshua Abiad na tinambangan noong nakaraang buwan sa Masambong, Quezon City. Sa inisyal na imbestigasyon, may kinalaman sa trabaho ang pagtatangka kay Abiad dahil madalas umano itong ginagawang testigo ng mga pulis at pinapipirma sa mga drug operations. Sinabi rin ni Tulfo na pag-aaralan nila ang Comprehensive Dangerous Drugs Act of 2002 o Republic Act 9165, partikular ang probisyon na nagtatakda ng mga testigo kasama na ang media sa anti-illegal drugs operation. **CHRISTIAN HERAMIS**

Walang masama sa pagpapakain ng 'askal' o 'pusakal'

PAMILYAR naman kayo siguro sa mga tira-tirang pagkain? Samahan na natin ng mga buto ng karne ng baboy, baka o manok at maging ng tinik ng mga isda. Kung tawagin ay mga 'pispis' na naipapakain sa mga alagang hayop kagaya ng aso at pusa. Natural na kapag mga tinik ng isda ay para sa pusa at sa aso naman ang mga buto. May pagkakataong magkahalo na ang buto at tinik na nakakalamang sa pagkain ng mga ito ay ang aso. Kung wala man alagang hayop ay mayroong tinatawag na mga asong gala at 'pusakal' o pusang kalye. Ang mga ganitong hayop ang nakikinabang sa mga 'pispis' sa halip na itapon na lamang. Ikaw ba ay kabilang sa mga nagpapakain ng 'askal' o 'pusakal'? Maganda naman kung ikaw ay nakakapagpakain ng aso o pusa na nasa lansangan. Tanong lamang ay responsable ka ba naman sa pagpapakain ng mga galang hayop? Kung ikukumpara ay mas nakararami ang 'pusakal' kaysa sa 'askal' o asong kalye. May mga tira-tira kang pagkain o 'pispis' subalit walang alagang hayop kaya ibinigay na lamang sa aso o pusa na nasa kalye. Kung ang mga hayop kapag ibinigay na lamang sa aso o pusa na nasa kalye, ipupuwesto o ilalagay ang mga 'pispis' sa isang butas na daluyan ng tubig o kanal. Hindi idiniretso sa butas para agusin ng kanal kaya nangangahulugan na ipapakain sa mga hayop lalo na sa mga 'pusakal.' Okey lang kung open space, kaso paano kung ang naturang butas o kanal ay nasa tapat o harap ng isang bahay? Malinaw na ipapakain sa mga hayop dahil ang 'pispis' ay basta na lamang iniwanan sa bungad ng butas at hindi idiniretso sa kanal. Kung ang tao kapag natapos kumain ay mayroong mga tira-tira o 'pispis' ay ganon din ang mga hayop kapag sila ay pinakain. Ang mga natirang 'pispis' na ibinigay sa hayop ay nakatiwangwang sa malapit sa butas ng kanal. Ang kalalabasan ay pamumugaran ng mga langaw o kaya naman ay lalangamin ang mga natirang 'pispis' na hindi inubos ng aso o pusa.

Magresulta pa sa masangsang na amoy na ang magsasakripsyo ay ang tao o mga nakatira sa bahay na nasa tapat ang butas ng kanal na pinag-iwanan ng mga 'pispis.' Ang kasangsangan ay sasabay sa hip ng hangin at malalanghap ang mabahong amoy. Hindi pa iyan ang perwisyon ng dulot dahil mayroon pa. Kalimitan kapag nagpakain ng 'pispis' ay nagkakanyang kanyang bitbit ang mga hayop. May aso na kakagat ng piraso ng buto at aalis na kapag nakalayo na ay doon nanammamin ang pagkain. Ganoon din sa pusa, kapag nakakuha ng tinik ay mas pipiliing magsolo. Sa tapat ng naturang bahay doon nangpunta ang pusa na kagat-kagat ang tinik o piraso ng isda. Nakaakyat ng gate ang pusa at doon sa garahe nilantakan ang nadagit na pagkain o tinik mula sa mga 'pispis' na basta iniwanan sa malapit sa butas ng kanal. Langaw at langgam na sa labas ng bahay ay langaw at langgam pa rin sa garahe kaya doble linis ang gagawin. Tanungin ang sarili, pagkatapos kumain ay ano ang gagawin sa mga 'pispis'? Itatapon ba o ipapakain sa mga aso o pusa na nasa kalye? Aba! Kung ipapakain sa 'askal' lalo na sa 'pusakal' ay maging responsable sa pagpapakain na hindi nakakaperwisyo. Dapat ay mayroong kainan na paglalagyan ng mga 'pispis' at sa tapat ng bahay mo magpakain ng mga hayop. Pagkatapos kumain ng mga aso o pusa ay linisin ang lalagyan at tiyaking walang maiiwang kalat sa lapag. Iyan ay kung concern talaga sa mga hayop sa kalye. Kung hindi man ay itapon at idiretso na sa butas ang mga 'pispis' pero tiyaking bubuhusan ng tubig para anurin ng kanal. Pero kung tutuusin ay hindi nga dapat itapon ang 'pispis' sa kanal dahil bukod sa posibleng pagbabara ay pamumugaran ng mga daga. Ullitin lamang natin na hindi masamang magpakain ng mga aso o pusa na nasa lansangan, gawin lamang ito ng wasto at walang napeperwisyo.
