DSHUD expresses support for bill institutionalizing 4PH

QUEZON CITY (PIA) -- Department of Human Settlements and Urban Development (DHSUD) Secretary Jose Rizalino Acuzar expressed his support for Senate Bill 2108 filed by Senator Christopher Lawrence "Bong" Go.

The bill aims to institutionalize the Pambansang Pabahay para sa Pilipino Housing (4PH) Program, the flagship housing program of President Ferdinand R. Marcos Jr., to ensure sustainability.

The 4PH program aims to build one million housing units annually until 2028 to address the country's housing gap. The bill provides a mechanism to subsidize amortization and interest for the beneficiaries, with potential buyer-beneficiaries required to commit to paying the subsidized housing loan amortization.

Additionally, the National Comprehensive Housing Financing Program proposed by Senator Francis Tolentino seeks to automatically appropriate funds for the government's housing agencies.

DHSUD has promised full support to the bill and all other related measures in Congress.

Secretary Acuzar emphasized the importance of institutionalizing the Pambansang Pabahay to ensure its support by future administrations until the mission of providing decent shelter for all Filipinos is complete.

The Urban Poor Action Committee (UPAC) expressed its support for the 4PH program and presented housing projects that could benefit from the program.

Recently, UPAC has presented the housing projects borne of the coordination between the members of UPAC and the residents of the concerned communities. Notable of these projects were the 96,600-square meter Parola, Manila project with 25,000 families; the 49-hectare (ha) Baseco Port Area project in Manila with 24,000 beneficiary families; the 10-ha Camarin DHSUD property in Caloocan City to benefit 6,000 families; and the 17-ha National Government Center project in Quezon City to benefit 30,000 families. Also discussed were issues facing Lupang Arenda.

DHSUD as the primary government agency responsible for the management of housing, human settlements and urban development as its mandate under Republic Act 11201, is tasked as the lead implementer of "Pambansang Pabahay". ***(DHSUD / PIA-NCR)***

Separation of Church and State…

ALAM kaya ni Kagalang Galang Rizal Governor Rebecca A. Ynares ang mga ginagawa ng isa sa 13 alkalde na kanyang nasasakupan? Na mayroong kayabangan at saksakan ng hangin sa katawan kabaligtaran ng kanyang pangalan na hinango sa Banal na Kasulatan?

Na kahit sabihing mayroon itong pinag-aralan, nakapag-lingkod sa ibang sangay ng gobyerno bago ito nahalal bilang alkalde ng bayan ay hindi nito alam ang isinasaad sa Article II, Section 6 ng 1987 Constitution ng Republika ng Pilipinas.

Opo, kahit na po tunog ng tagapagpalaganap ng Mabuting Balita ang pangalan ni Mayor ay hindi nito alam at mali ang pagkaka-intindi nito sa "Separation of Church and State"? Sa municipal engineer at sa kanyang mga staff kasi nakikinig ang matalinong ito kaya ganyan.

Eto Mayor, pasensya ka na hindi na kita matawag na Kagalang Galang dahil hindi naman naaangkop pa na galangin kita, ang sinasabi na "Separation of Church and State" ay simple lang, the 1987 Constitution of the Philippines declares: The separation of Church and State shall be inviolable. (Article II, Section 6) and No law shall be made respecting an establishment of religion, or prohibiting the free exercise thereof. The free exercise and enjoyment of religious profession and worship, without discrimination or preference, shall forever be allowed. No religious test shall be required for the exercise of civil or political rights. (Article III, Section 5). Walang kinalaman diyan kung personal ka na magbibigay ng donasyon o hindi. Sabi ni Mayor, natatakot siya dahil baka masilip daw ng Commission on Audit (COA) kung magbibigay siya ng donasyon para sa Simbahan. Alam mo Mayor pwede mo naman sabihin na ang mga ipinantulong mo ay hindi galing sa kaban ng bayan, siyempre hindi rin galing sa sarili mong bulsa kundi sa mga ilegal na nandiyan sa paligid mo at sa loob ng iyong nasasakupan, impossible naman na hindi mo alam yan na merong mga ilegal na nagaganap sa iyong nasasakupan. First Class Municipality pa naman ito.

Ang tanong nga ng ilang mga taga Rizaleno, papaanong babangon ang isang munisipalidad sa Lalawigan ng Rizal kung ang mismong namumuno dito ay hanggang porma lamang, walang isang salita at sunod sunuran sa kanyang municipal engineer at sa kanyang staff? Oo nga pala, pangkaraniwan na sa mga opisyal ang peptok.

Teka muna, naalala nyo ba ung naganap na hazing sa Philippine Military Academy (PMA) na naging sanhi ng pagkamatay ng isang 20 taong gulang na PMA Cadet nuong ika-18 ng buwan ng Setyembre 2019 kaya nag-resign ang kasalukuyang PMA Superintendent nuong panahon na iyon. Kamakailan lamang ay nasangkot sa isang mauling incident ang isang security aide ni Municipal Mayor sa lalawigan ng Rizal na sana naman ay magkaroon ng hustisya.

Ang ating pagbati sa mga cavaliers na kabilang sa PMA Sinagtala Class of 1986 at sa mga Mistah sa PMA Matatag Class of 1971.

Editoryal

Matinding dagok

INALIS na ng World Health Organization bilang global health ang covid-19.

Pero sa kabila nito, ang pandemiya dulot ng covid ay patuloy na binabanggit ng Department of Health na ito ay nananatili pa rin.

Ibig sabihin ayon sa kagawaran ay hindi pa tapos ang covid-19 pandemic sa bansa.

Kaya naman palagi ang pagpapaalala ng DOH sa publiko na hindi pa dapat ganap na magpakampante.

Kinakailangang gawin ang mga kaukulang pag-iingat bilang proteksiyon sa banta ng naturang virus.

Matinding dagok na ang idinulot sa bawat isa sa pagsisimula pa lamang noon ng covid-19 at hangad ng lahat ang ganap na pagbangon kaakibat ang pag-iingat.

BSP term deposit facility rates post mixed results

MANILA – The rates of the Bangko Sentral ng Pilipinas' (BSP) term deposit facility (TDF) moved to separate directions on Wednesday and both the seven- and 14-day facilities were undersubscribed despite lower offer volume.

The average rate of the seven-day TDF went down to 6.5882 percent from the 6.5952 percent during the auction last May 3.

On the other hand, the average rate of the two-week facility rose to 6.6166 percent from last week's 6.6159 percent.

The BSP lowered the offer volume for the one-week TDF to PHP160 billion from last week's PHP190 billion.

Bids only amounted to PHP138.846 billion, which the auction committee fully accepted.

The 14-day facility was also offered for PHP100 billion from last week's PHP140 billion.

This tenor is also undersubscribed after tenders only amounted to PHP88.912 billion. The auction committee accepted PHP88.712 billion worth of bids.

In a statement, BSP Deputy Governor Francisco Dakila Jr. said bids offered during this week's TDF auction "were slightly below the BSP's expected volume range."

Dakila said "range of yields accepted for the seven-day tenor shifted higher and narrowed to 6.5300-6.6400 percent, while that for the 14-day slightly widened to 6.4995-6.6700 percent."

"Eligible counterparties tended to client requirements as there were no maturing BSP securities this week. Moreover, market participants may also be awaiting the results of the BSP's monetary policy decision next week," he said.

Central bank's policy-making Monetary Board (MB) will have its third rate setting meeting for the year on May 18, and some economists forecast the board to hike by another 25 basis points the BSP's key rates.

Dakila said the central bank's "monetary operations will remain guided by its assessment of the latest liquidity conditions and market developments." **(PNA)**

Live-in-partner, isinilid sa drum ng Kano

SELOS ang pinaniniwalaang dahilan kaya pinatay at isinilid sa kulay blue na drum ng retiradong Kano ang kanyang kinakasama na natagpuang ng pulisya ang bangkay nito sa Bacoor City, Cavite, Martes ng hapon.

Kinilala ang biktima na si Mila Loslos y Narciso, 48, habang naaresto naman ang suspek at live-in partner nito na si William Tomas Worth, dating artist designer at retiradong US Citizen, kapwa residente ng Lot 2 Block 2 Santero Subd., Brgy Habay 1, Bacoor City.

Ayon kay Police Lt Col. Ruther Saquilayan, hepe ng Bacoor City Police Station, selos ang nakikitang dahilan kaya pinatay ng retiradong Kano ang biktima.

"Sa ngayon, selos ang nakikita naming dahilan ng pagpatay ng suspek matapos nitong nalaman na may pamilya ang biktima," ayon kay Saquilayan.

Dagdag pa ni Saquilayan na may isang taon na umanong nagsasama ang dalawa.

Sa ulat ni Police Corporal Marco Romero Cupo, dakong ala-1:00 ng hapon ay nadiskubre ang bangkay ng biktima sa loob ng kanilang bahay.

Ang pagkakadiskubre sa bangkay ng biktima at pagkakaaresto sa suspek ay bunsod sa reklamo ng anak na si Nino Jay Loslos, 21, college student, ng CAA Las Pinas City na naunang iniulat na nawawala ang kanyang ina at huli nitong nakita noong May 05, 2023.

Nabatid na madalas umanong magtawagan ang mag-ina subalit nitong nakaraang araw ay hindi na umano makontak ni Niño ang ina.

Dahil dito, inireport nito sa pulisya kung saan pinayuhan ito na puntahan sa bahay at kausapin ang live-in partner.

Pinuntahan ni Niño ang bahay ng ina at kinausap ang live-in partner subalit itinanggi ang kinaroroonan ng kanyang nanay.

Bumalik ang anak ng biktima sa pulisya kung saan sinabi nito na posibleng may nangyari sa kanyang nanay matapos na nakaamoy ng masangsang ng bumisita ito, dahilan upang humingi ng police assistance.

Dahil dito ay pinuntahan ng pulisya ang bahay ng biktima kung saan nadiskubre ang bangkay na isinilid sa kulay blue na drum na inilagay sa garbage bag at binalutan ng duct tape.

Nakita rin sa katawan ng suspek ang mga pasa sa katawan na pinaniniwalaang nagtalo bago ang insidente.

Nakuha rin sa crime scene ang isang kutsilyo at nylon na tali.

Sinampahan na ng kaso ang suspek at nakipag-ugnayan na rin ang pulisya sa US Embassy sa Pilipinas. ***GENE ADSUARA***

TUGUEGARAO CITY, Cagayan (PIA) - - The Chikiting Ligtas Vaccination is now available at SM City Tuguegarao starting today, May 8 until May 13, 2023.

This after the Department of Health (DOH) has partnered with SM Supermalls for the conduct of Chikiting Ligtas Measles-Rubella and Oral Polio Vaccine Supplemental Immunization Activity (MR-OPV SIA) in 60 SM malls nationwide.

Dubbed as "Chikiting Ligtas sa dagdag bakuna kontra Polio, Rubella, at Tigdas", the nationwide campaign aims to prevent impending outbreaks from these vaccine-preventable diseases and to inoculate children aged 9-59 months old against measles and rubella with the vaccination of one (1) dose of Measles-Rubella (MR) vaccine, and children aged 0-59 months old against poliovirus types 1 and 3 with the vaccination of one (1) dose of Bivalent Oral Polio Vaccine.

Earlier, Department of Health Undersecretary Eric Tayag, during his visit in Tuguegarao City, said the vaccination is free, safe, and effective.

SM Supermalls President Steven Tan said SM Supermalls remains committed to creating a safer, better normal by providing a convenient, accessible, and enjoyable immunization experience to our SuperKids.

"With this, we encourage our shoppers, especially parents with children aged below five years old to get them their supplemental immunization against these preventable diseases in 60 SM malls nationwide," he said .

This father comforts her daughter before a personnel from Tuguegarao City Health Office administers the vaccination at SM City Tuguegarao vax site.

"The only way we can prevent these life-threatening diseases is through vaccination. We, at SM Supermalls, are giving our full support to the DOH's campaign by ensuring that our young stakeholders are given the opportunity to access Measles-Rubella and Oral Polio Vaccine (MR-OPV) in the comfort of our malls,"he added. ***(MDCT/With reports from Gerina Malubay/PIA Cagayan)***

Cybercrime victims urged to file complaints, pursue criminal cases vs perpetrators

DAVAO CITY (PIA) – Regional Anti-Cybercrime Unit 11 chief PCol. Ricardo Punzalan has urged the public, especially the victims of cybercrimes, to file complaints and pursue cases against cybercriminals to stop the chain of individuals falling prey to cybercrimes.

PCol. Punzalan expressed concern as most victims viewed filing complaints and pursuing criminal cases as an "inconvenience," and that the perpetrators are currently at liberty despite numerous reports.

"Actually mas marami pa nga ang nagrereklamo although maliit lang yung involved na amount, and of course when we ask the victim kung interesado sya'ng magfile ng complaint, unfortunately sasabihin lang is 'Sir, mabalik lang yung pera ko, hindi na po ako interesado kasi alam naman nating malaking abala," he stated during the Kapehan sa Dabaw at SM City Davao on Monday (May 8, 2023).

The RACU-11 official reiterated the importance of filing formal complaints in establishing a strong foundation for possible cases to be filed before the court.

He also asked for sustained support among the complainants until the cases are filed and the court reaches a final verdict, as he explained that this is due to some complainants withdrawing while the investigations are still progressing.

"May nag-complain, meron na aming inimbistigahan, but pagdating po sa dulo sasabihin, 'Sir, hindi na po ako interesado,' 'yun 'yung nakakalungkot," PCol. Punzalan said.

Meanwhile, RACU-11 assistant chief PMaj. Ray Vincent Magto reported that in Davao Region as of the first quarter of 2023, they have recorded a total of nine cases of online libel, eight cases of online scam, two cases of violation of RA 9995 or Anti-Photo and Video Voyeurism Act of 2009, and 18 cases of illegal access, which include hacking.

He also said that they had already served 14 warrants of arrest, which led to the arrest of at least 15 individuals.

However, PCol. Punzalan said that these cases are those with formal complaints and being sustained until the arrest of the perpetrators. ***(PIA-XI/ Anton Oblianda)***

WHY DEPRIVE PINOYS TO BENEFIT FROM MARIJUANA MEDS?

IF medical cannabis or marijuana is produced locally as medicines, this will be affordable to sick Pinoys.

But it seems that a government agency is not open to the idea of using locally-produced marijuana to be formulated as medicines.

This was said by some attendees at a recent Media Health Forum of Richard Nixon Gomez, scientist/inventor and general manager of a research, manufacturing and development company, Bauertek Corporation in Sta. Rita, Guiguinto, Bulacan.

Reports had that the Food and Drug Administration (FDA) will approve only the manufacture of cannabis as medicines if the plants were imported. Among the ailments said to be cured by marijuana medicines include depression, epilepsy, Alzheimer's disease, sleep disorder, anxiety, among others.

Other medical experts lamented that FDA had approved ahead the use of acupuncture, a Chinese traditional treatment of disorders by inserting needles into the skin at points where the flow of energy is thought to be blocked meridians.

At the forum with veteran broadcast journalists Rolando "Lakay" Gonzalo and Edwin Eusebio as moderators, one of the guests was UERM Memorial Medical Center, Inc. associate professor Dr. Macgerald Cueto, who said that his group of acupuncturists had served some communities with the authority of the Department of Health (DOH) and many had benefitted in their process of treatment.

According to Cueto, acupuncture can help in the treatment of chronic pain, headaches, migraine, erectal dysfunction, among other ailments.

The doctor though revealed the "risk" of using acupuncture in some rare cases like the possibility of bleeding and swelling of body parts pricked by needles. There is also the possibility of contracting infection if needles used are unsterilized or will malfunction or unintentionally cut needles. The process should only be entrusted to certified acupuncturists.

On the other hand, medical cannabis has the features that can treat many ailments and has 500 turpins and cannabinoids in one plant alone, said Gomez. The Bauertek Corp. facility is more than ready to process the cannabis plant to turn it into a medical tablet and medical oil.

The research, manufacturing and development company will process the marijuana to treat various medical ailments.

Scientists as well as medical doctors have long pushed for the legalization of the use of medical marijuana, especially that the same has been used by our forefathers in the treatment of various ailments long time ago.

Dr. Gomez said that once the bills on medical cannabis are enacted into law, his facility is more than ready to process the medical cannabis plant. This, in turn, can be planted with other herbs for food supplement, which are being manufactured by Bauertek Corp.

Gomez said that the medical cannabis can be planted in different places in the Philippines. "Millions can benefit from this, farmers or planters can be helped and this can be an income-generating opportunity as this can be exported."

DOST SECRETARY ADDRESSES UN SCIENTIFIC INTERNATIONAL COMMUNITY: SHARES HOW PH HELPS MSMES, STARTUPS, RESEARCHERS, AND COMMUNITIES THRU STI

By Karen Lou S. Mabagos, DOST-ITCU

On 3 May 2023 at the United Nations Headquarters in New York, Department of Science and Technology (DOST) Secretary, Dr. Renato U. Solidum Jr. addresses the various delegations at the Eighth Annual Multi-Stakeholder Forum on Science, Technology and Innovation (STI) for the Sustainable Development Goals (SDGs) to showcase how the Philippines, through the DOST, creates a conducive STI ecosystem.

"The Philippines firmly believes that science, technology, and innovation hold limitless potential in finding solutions to address pressing issues that affect both local and global communities", Secretary Solidum said during the Ministerial Session on Innovating to deliver on the SDGs. However, the DOST Secretary mentioned, there are still barriers to overcome to fully maximize the benefits of STI such as the rising inequality within and among nations.

According to Secretary Solidum, to level the playing field and respond to the need to adapt to the rapid pace of technological development, the DOST provides technical, technological, and financial assistance to small players in the industry. This includes micro-, small-, and medium-sized enterprises (MSMEs) where the DOST implements a program called the Small Enterprise Technology Upgrading Program or SETUP, now helping entrepreneurs transition to Industry 4.0 technologies.

The science chief also said that another program encourages and supports innovative incubators in the country through the Technology Business Incubation (TBI) Program. Them, the DOST also reaches out to communities through the Community Empowerment thru Science and Technology or CEST and grants funding to researchers through the DOST Science for Change Program, as well as through DOST Grants-In-Aid (GIA) Program.

The S&T Secretary further explains that the Philippines' DOST contributes to the current priority SDGs through its initiatives. Some examples were using geospatial technologies and data for maps and modeling systems to monitor water bodies (SDG 6), solar photovoltaic (PV) technologies for electricity in remote areas and rural health units (SDG 7), R&D programs to advance industry, innovation, and infrastructure (SDG 9), and Smart and Sustainable Communities Program or SMART Program (SDG 11).

In closing, Secretary Solidum said, "the Philippines calls for strengthened partnerships among Member States, the United Nations and other stakeholders to develop joint STI initiatives that will have a more significant impact for the benefit of all."

Also called the "STI Forum", the annual event's official sessions were held for two days on 3-4 May 2023, gathering all relevant stakeholders across different countries to discuss STI initiatives in line with the 2030 Agenda for Sustainable Development. The outcome of the Forum will feed into the United Nations High-Level Political Forum on Sustainable Development that will be held from 10 to 19 July 2023 and in the mid-term review of the SDG progress in September 2023.

OWWA IV-A unveils new regional office in Calamba

CALAMBA CITY, Laguna (PIA) — The Overseas Workers Welfare Administration (OWWA) IV-A has unveiled its new regional office in Calamba City, as a "home" for Overseas Filipino Workers (OFWs) in the Calabarzon region.

OWWA IV-A Regional Director Allan Ignacio, who led the opening ceremony said the new office space located on the Ground Floor of Parian Commerce Center II, Barangay Parian will provide a more comfortable experience for OFWs who transact with the agency.

Currently, CALABARZON has 1,260,227 registered OFWs, the largest among all the regions in the country.

Ignacio added that the new office is capable of accepting applications for various reintegration, education, and training programs available to OFWs.

Notable officials present at the event were the Former Department of Labor and Employment (DOLE) Secretary and OWWA Administrator Marianito Roque, Lumban Mayor Rolando Ubatay, and representatives from regional line agencies and local government units.

In his message, Roque reminded OWWA officials and employees to continue providing public service to their members and their families through the OFW Family Circles (OFCs), a program he spearheaded during his term as OWWA Administrator.

He emphasized that the Family Circle is the backbone of OWWA. When OFWs face difficulties at work or in foreign countries, the support of their families in the Philippines is their strength.

"After all, ang objective po ng OWWA ay maserbisyuhan kayong mga miyembro, kayong mga Pilipino, at kayong mga manggagawang Pilipino at lalong-lalo na po ang mga kaanak na nandito. Emphasis po sa mga anak."

Roque also commended OWWA's direction of building more linkages with local government units to reach more of their members. He believes that expanding the organization will enable more service delivery, helping more families of Filipino workers in Calabarzon.

"It is very essential, not only for the existence but for the delivery of public service. You have to expand your wings para mas malaki, mas malayo ang marating ninyo. Upang sa ganun by expanding that wings or network, marami kayong makakasalo sa pagbibigay ng tulong sa mga kamag-anak ng mga manggagawang Pilipino dito sa Calabarzon," Roque stressed.

During the opening ceremony, the OWWA IV-A also awarded checks to qualified members and their families for their medical, educational, livelihood, and bereavement benefits.

Apart from the regional office in Calamba, OWWA IV-A has five provincial field offices, satellite offices in selected cities and municipalities, and initiates the OWWA On Wheels program, where staff visits far-flung towns in the region to offer their services to regular members and their families. ***(CH/PIA-Laguna)***

PBBM ADMIN SPEARHEADS EXPERTS FORUM TO ENHANCE, REVIEW PH RECLAMATION POLICY

In line with the development goals of President Ferdinand R. Marcos Jr., the Department of Environment and Natural Resources (DENR) initiated on Monday an experts' forum to craft policy recommendations for the eventual review and enhancement of the country's policies related to reclamations.

The DENR said that while the recently launched Philippine Development Plan 2023-2028 prioritizes economic transformation and builds community resilience from the hazards of climate change, it also fosters an enabling business environment to increase public-private partnerships (PPPs) in multiple sectors.

Even the President emphasized the issue in his 2022 State of the Nation Address (SONA) declaring: "Companies who exploit our natural resources must follow the law… there is no question that the preservation of the environment is the preservation of lives."

Among the forum's objectives include enabling dialogue among experts and stakeholders to get insights on reclamation, identifying gaps and entry points to enhance policy, and obtaining expert recommendations on enhancing national and local level policies on reclamation.

"The expected output is a set of policy recommendations on reclamation that will inform the review and enhancement of the country's policies related to reclamation," the DENR said.

The DENR said among the reclamation laws and policies needing review and enhancement include Executive Order No. 74 s. 2019, Philippine Reclamation Authority Administrative Order No. 2019-4 s. 2019, DENR Administrative Orders No. 2003-30 and 2018-14, and the Department of the Interior and Local Government Memorandum Circular No. 2022-018.

According to the DENR's concept note, the global sources on reclamation show how reclamation can potentially contribute to the Sustainable Development Goals.

The reclamation undertaken in the Port of Rotterdam, The Netherlands, it said, is considered a good practice as shown by extensive studies, simulations and modeling, emphasizing the project's innovation, economic benefits, compliance to safety standards, as well as improvements in the social and environmental sea conditions.

In general, the concept note said there are differing opinions on what makes for a successful reclamation based on the experience of Hong Kong and Indonesia, which, while fostering economic growth, also came at significant ecological and social costs as claimed by various stakeholders. **| *PND***

TREASURE HUNTING, NAKAHANAP NG PANALO!

Pinatunayan ng kabayong si Treasure Hunting na siya ang karapat- dapat na maging top favorite matapos manalo sa ginanap na Philracom Ratings- Based Handicapping System RBHS Class 3 (47-53/54-60 Merged) na ikinasa sa karerahan ng Metro Manila Turf Club Inc. (MMTCI) sa Malvar Tanauan City, Batangas. Maganda ang naging diskarte ng hineteng si John Alvin Guce na hindi nakipagsabayan sa unahan upang makaremate ng malupit sa rektahan. Sa simula ng laban ay maganda ang naging salida ng ating bida na si Treasure Hunting, ngunit agad naman na kumaripas sa gawing labas si (4a)Asiong na sinakyan ni John Mheth Guerra upang makuha ang unahan, pangatlo sa bandang gitna si (4)Patong Patong na pinatungan ni Jomer Estorque, pang-apat si Charm Campaign na lulan ni Elvin Abrea, kasunod si Golden Sunrise na pinatnubayan ni Pablito Cabalejo, pang-anim si Bombay Nights na nirendahan ni Jonathan Hernandez, habang si Sari Baby na ginabayan ni John Allyson Pabilic ang kulelat sa umpisa. Pagpihit sa medya milya (800m) ay bandera pa rin ang segundo liyamado na si (4a)Asiong, kasunod ng may apat na kabayong agwat ang paborito na si Treasure Hunting, pangatlo ang kacouple runner ni (4a)Asiong na si (4)Patong Patong, pang-apat ang quinto liyamado na si Golden Sunrise, panlima ang kuarto liyamado na si Charm Campaign, kasabay ang tersero liyamado na si Bombay Nights, habang ang pinakadehado na si Sari Baby ay nanatiling bugaw ng may malayong agwat. Pagpasok sa tres oktabos (600m) ay bandera pa rin ang matulin na si (4a)Asiong, habang nakapanuod sa ikalawang puwesto si Treasure Hunting at naghihintay ng tamang tiyempo, rumeremate naman sa gawing labas si (4)Patong Patong at bumubulusok sa tabing balya si Bombay Nights. Pagsapit sa huling kurbada ay sabay na nagpaparemate sina Treasure Hunting sa gawing labas at Bombay Nights sa gawing loob, nasa ikatlong posisyon naman si (4)Patong Patong at humaharurot si Charm Campaign sa ika-apat. Pagsungaw sa rektahan ay halos magpantay sa unahan sina Treasure Hunting at Bombay Nights ngunit sadyang mas marami pang lakas ang ating winning horse, kaya nung binagsakan ni John Alvin si Treasure Hunting ay tuluyan ng kumawala sa harapan at tinapos ang laban ng may apat na kabayong kalamangan. Pumorkas kay Treasure Hunting si Bombay Nights, pasok sa trifecta si Charm Campaign at si (4)Patong Patong ang bumuo sa quartet. Nirehistro ni Treasure Hunting ang tiyempong 1:38.8 (25'-23-24-26) para sa distansyang isang milya o 1,600 meter.

MAG-ASAWA, PINAULANAN NG BALA NG RIDING IN TANDEM

PINAULANAN ng mga bala ng mga salaring riding in tandem ang mag-asawang lulan ng multicab na ikinamatay ng lalaki na barangay chairman habang ikinasugat ng misis nito dulot ng pamamaril sa Kananga, Leyte kamakailan.

Ang mag-asawang biktima ay nakilalang sina Raul Cosinillo, 56, chairman ng Barangay Mataloto; at misis nitong si Mercedes.

Minamaneho ni Raul ang multicab kasama ang asawa sa kahabaan ng Kananga at bumulaga sa harapan ang motorsiklong sinasakyan ng mga suspek.

Pinagbabaril ng mga suspek ang naturang sasakyan at nagtamo ng mga bala ang kapitan ng barangay na ikinamatay nito.

Nabaril din si Mercedes at nagawa namang maisugod sa Clinica Gatchalian sa Ormoc City para sa gamutan.

Naglunsad na ang kapulisan ng munhunt operation sa riding in tandem suspects na kapwa nakasuot na itim na jacket at parehong itim ang gamit na helmet. ***RUBEN LACSA***

Milyong halaga ng kontrabandong sigarilyo, nasabat

MILYONG halaga ng mga kontrabandong sigarilyo ang nasabat kasabay ng pagkakadakip sa 38-anyos na lalaki kamakailan sa Zamboanga City.

Ang suspek na si Mhadzmar Tantung ay huli sa aktong nagbababa ng mga kontrabando sa harap ng bahay ng isang nagngangalang Hadji Amir dakong alas-9:00 ng umaga sa Barangay Maasin.

Nakuha sa pag-iingat ng suspek ang nasa 113 master cases ng mga kontrabandong sigarilyo na aabot sa halagang P3.955 million.

Inilipat na sa pangangasiwa ng Bureau of Customs ang mga nakumpiskang smuggled cigarettes.

Inilagay na sa kustodiya ng Regional Special Operations Group-9 (Zamboanga Peninsula) ang suspek para sa imbestigasyon at pagsasampa ng mga kaukulang kaso laban sa kanya. ***MARCK BADION***

Nakaw na motorsiklo, bistado sa online

ARESTADO sa entrapment operation ang 21-anyos na lalaki na nabuking na ang motorsiklong kanyang ipinagpapalit sa pamamagitan ng online ay nakaw matapos nagduda ang kausap nito sa Pasig City Huwebes ng madaling araw.

Hawak ng Bacoor City Police ang suspek na si Bon Bryan Catungal y Alminteros, 21 ng Silang Pasig City.

Nag-ugat ang pagkakaaresto sa suspek dahil sa reklamo ni Ericson Abordo y Mojales, 38, Lalamove rider, ng B10 Brgy Milagrosa, Carmona, Cavite kung saan tinangay ang kanyang kulay red/black na motorsiklong Suzuki Raider 150 noong April 26, 2023 dakong alas-8:00 ng gabi sa Molino Zapote Road, Molino 3, Bacoor City.

Sa ulat ni PMSgt Armando Perez, ng Bacoor City Police, nakikipag-swapped umano ang suspek ng kanyang motorsiklo sa pamamagitan ng online sa isang Ronald Malinay kung saan nagkasundo na makikita sa palengke sa Pasig City.

Pero nagduda si Malinay sa nasabing transaksiyon dahilan upang i-report ito sa Pasig City Police (CPS).

Nakipag-ugnayan naman ang Pasig CPS sa Bacoor CPS hinggil sa tinangay na motorsiklo sa kanilang nasasakupan dahilan ng joint entrapment operation ng dalawang Police Station na nagresulta sa pagkakaaresto sa suspek dakong alas-1:00 ng madaling araw sa palengke sa Pasig City at pagkakabawi ng tinangay na motorsiklo ni Abordo. ***GENE ADSUARA***

May-ari ng paresan, pinagbabaril

PATAY ang may-ari ng Paresan matapos pagbabarilin ng dalawang suspek sa harapan ng kanyang tindahan sa Silang, Cavite Miyerkules ng umaga.

Namatay sa pinangyarihan ng insidente ang biktimang si Mharc Allen Sagano y Pollarco, ng Villanueva St., Brgy San Miguel 1, Silang, dahil sa tama ng bala sa katawan.

Inaalam ang pagkakakilanlan sa dalawang suspek na tumakas sakay ng motorsiklo patungo sa direksyon ng Tagaytay City dala ang ng baril na ginamit.

Sa ulat ni Police Corporal Ralph Jayson Santos, ng Silang Police Station, dakong alas-6:30 ng umaga naganap ang insidente sa harapan ng Kabayan Pares sa kahabaan ng Aguinaldo Highway, Brgy Lalan 1st Silang.

Nagbababa ito ng mga gamit para sa tindahan at dumating ang mga suspek na magkaangkas sa motorsiklo.

Pinaputukan ang biktima ng tatlong beses na nagresulta sa agarang kamatayan.

Matapos ang pamamaril ay tumakas ang mga suspek na magkaangkas sa motorsiklo.

Ayon kay Police LtCol. Romulo Co Dela Rea, hepe ng Silang Police Station, tinitignang anggulo ng pamamaril ang umano'y hidwaan ng pamliya nito sa isang Barangay Chairman sa Callejon, Quezon kung saan nakakatanggap umano ang biktima ng death threats sa hindi hindi tinukoy na tao dahilan upang pauwiin ito ng sa kanyang asawa na nakatira sa Silang.

Ayon kay Dela Rea, nitong buwan ng April ay nagwala umano ang biktima makaraang kuwestiyunin ang kanilang Barangay Chairman sa Callejon, Quezon hinggil sa hindi pagkaka-appoint ng kanyang nanay bilang kagawad ng namatay ang asawa nito na isang barangay kagawad.

Kinuwestiyon din umano ng biktima ay ibinibigay na honoraria sa barangay.

Dahil dito ay pinayuhan ng nanay ng biktima na umuwi na lamang ito sa kanyang asawa sa Silang, Cavite hanggang sa naganap ang insidente.

Nilinaw naman ni Dela Rhea na wala pang malinaw na ebidensya na nag-uugnay sa pamamaril sa biktima.

Sa imbestigasyon, tatlong tama ng kalbire 9mm ang tumapos sa biktima base na rin sa naiwan na basyo sa crime scene.

Nakikipag-ugnayan din ang pulisya sa ibang barangay kung nahagip ng Close Circuit Television (CCTV) ang mga suspek. ***GENE ADSUARA***

Taos-pusong pasasalamat ang ipinaabot ni Teodoro sa ARTApara sa iginawad na karangalan, gayundin, kinilala at pinasalamatan nito ang partisipasyon ng mga tanggapan at ahensya sa epektibong pagpapatupad ng e-BOSS.

"Kinikilala natin sa Marikina ang pamamaraang 'whole of government approach' sa pagsasakatuparan ng ating mga proyekto. Sa pagstreamline ng ating business registration processes, kailangan ay tamang pagkakataon para buo nating maipatupad ito," ani Mayor Marcy.

"Naniniwala akong hindi ito madali para sa ilang tanggapan at ahensyang kabahagi sa ating sistema ng e-BOSS subalit mayroon tayong pagkakaisa para maisakatuparan itong mabuti. We would work together, " dagdag pa nito.

Dumalo rin sa okasyon si ARTA Undersecretary for Operations Gerald Divinagracia, Business Permits and Licensing Office Chief Atty. Nancy Teylan, BFP Marikina Fire Marshal Supt. Nestor Gorio, mga kinatawan ng mga tanggapan at ahensyang kabahagi ng e-BOSS, at mga pinuno ng mga tanggapan ng Pamahalaang Lungsod ng Marikina.

Ayon sa Punong Lungsod, mahalaga ang pagkakaroon ng epektibong electronic business one-stop shop sapagkat sa pamamagitan nito, nagiging madali, kombinyente, at may integridad ang proseso ng pagpapatala ng mga negosyo.

Malaking tulong ito upang makahikayat ng mas maraming negosyo sa lungsod. Ito rin ay isang paraan upang suportahan ang RA 11032 o ang Ease of Doing Business and Efficient Government Service Delivery Act.

Sa pamamagitan ng e-BOSS ng Marikina, maaari nang matapos ang business registration process sa loob ng 15 minuto kapag kumpleto at wasto ang rekositos o requirements. ***(pio marikina/pia-ncr)***

Monthly free driving course

SINIMULAN nitong Mayo 11 at 12 ng mga regional offices ng Land Transportation Office ang free driving course.

Ang inisyatibong ito ay kaugnay na rin ng 111th anniversary ng naturang ahensiya.

Nauunawaan ng LTO na maraming naghahangad na matuto sa pagmamaneho at magkaroon ng lisensiya upang magsilbing hanapbuhay subalit kapos sa pinansiyal kaya walang kakayahan sa pagpasok o pag-enroll sa mga driving schools.

Kaya naman nakatakda ang pagsusulong ng ahensiya na maging buwanan ang pagsasakatuparan ng pagbibigay ng libreng theoretical driving course sa mga maralitang aplikante.

Sa pagpapatuloy ng nasabing programa ay nagpapaalala ang LTO na sa sa mismong ahensiya makikipag-ugnayan at hindi sa mga fixer.

Isa rin sa mga layunin ng programang ito ng LTO ay upang ang mga gumagalang fixer sa bawat tanggapan ng ahensiya ay ganap na mawalis na.

Batiin natin ang LTO sa pamamagitan ni Chief Jay Art Tugade sa nabanggit na programa.

Marangal na hanapbuhay ang pagiging tsuper kaya dapat ay isinasapuso ang pagmamaneho.

Lalo na kung ang minamaneho ay pampubliko o pampasahero dahil maraming buhay ang nakasalalay sa iyo.

Gamitin sa wasto ang matututunan sa panahon ng pag-aaral sa pagmamaneho.

'Wag maging barumbado at maging mayabang sa kalsada.

DUGONG ALAY SAGIP BUHAY: Nakibahagi ang mga pulis na nakatalaga sa Caloocan City Police Station sa pangunguna nina PCOL RUBEN LACUESTA, chief of police ; at PLTCOL BERNABE IRINCO, deputy chief for administration ng CCPS at siyang nangangasiwa sa Station Advisory Group for Police Development and Transformation, na pinamumunuan naman ni Ginoong Manny Tan bilang chairman sa blood letting na ginanap sa SM City Grand Central kamakailan. Ang nasabing aktibidad ay naisakatuparan sa pakikipag-ugnayan ng Philippine Red Cross (Caloocan Chapter). ***(Paulo Flores)***
