BUKIDNON PINEAPPLE JAM PRODUCER EARNS FDA CERTIFICATION WITH DOST CONSULTANCY

Mama Nene Homemade Delights locally known as Paula's Bukidnon Delight earns its Certificate of Product Registration (CPR) for its Pineapple Jam, through the consultancy and training services of the Department of Science and Technology.

The Certificate of Product Registration (CPR) is a requirement of the Food and Drug Administration for food products (beverages, water, canned goods, etc.), food supplements, medicines, and others if such products will be exported. It is also a requirement of institutional buyers such as malls and supermarkets. With the newly acquired CPR, this woman-led enterprise can now expand its market reach and offer its delicious and high-quality pineapple jam throughout the country through various malls, pasalubong centers, and others.

Ms. Paula Chiong, the owner, considers this achievement a significant milestone since pineapple jam is the very first product of the business. "I thought na imposible para sa isa ka micro na negosyante na maka kuha og FDA LTO and CPR but with the help and guide of DOST napa sayon and napa dali and I have proven na walay impossible basta naay pasencya, pag kugi, perseverance and determination. Karon challenges nasad ang atubangon which is to conquer the Philippine market". She relayed how DOST has assisted her firm to acquire FDA License to Operate, and now her CPR. She also said that with this new milestone, she is ready to face a new challenge: conquering the Philippine market.

The firm first acquired the SETUP program. Aside from the technology upgrading they have acquired, they are also a licensee of the Food and Nutrition Research Institute (FNRI)'s Enhanced Nutribun Technology. The firm is also a beneficiary of the Manufacturing Productivity Extension (MPEX) Program through the consultancy services of DOST. These programs have helped the company improve its plant layout, food safety, and halal training, which can help boost the firm's competitiveness and productivity. The firm was also assisted in its laboratory analysis through the DOST 10 Regional Standards and Testing Laboratories.

Ms. Paula is currently producing 1,000 kilograms of pineapple jam every month – an increase of 66% after DOST intervention and has produced seven additional products such as Pineapple muffin, pineapple ensaymada, Paula's Mango Jam, Paula's Langka, Paula's vinegar, Paula's vinaigrette and Paula's Chili Sauce.

Paula's Bukidnon Delights products are now becoming among the most sought-after pasalubong products from the province. The firm also caters walk-in visitors of their newly opened café at the Kaamulan Ground, Capitol Compound, Malaybalay City –where their enutribun facility is also at. ***(Goldy Cordero/ DOST 10)***

Ocean Month 2023

Cavite provincial government through the initiative of the Office of the Provincial Agriculturist (OPA) spearheaded the celebration of the Month of the Ocean 2023 on May 16 - 17, 2023 which aimed to raise awareness on the importance of the ocean and its resources, as the world faces growing environmental challenges that threaten the health of the oceans and marine life.

This year's theme, "Sustainably Feed the Global Population" highlights the urgent need for action to promote the responsible management and conservation of the ocean's resources through adopting sustainable fishing and aquaculture practices and protecting critical habitats.

On May 16, 2023, a symposium was conducted at the Ceremonial Hall of the Provincial Capitol in Trece Martires City which was attended by the chair of City/ Municipal Fisheries and Aquatic Resources Management Councils (C/MFARMC), City/ Municipal Agriculturists and fisherfolks of 9 coastal local government units in Cavite, representatives from the Bureau of Fisheries and Aquatic Resources Region IVA (BFAR-IVA), Philippine Reclamation Authority (PRA), Office of the Provincial Environment and Natural Resources Officer (OPENRO) and OPA personnel headed by Ms. Lorna E. Aviñante, OIC-Provincial Agriculturist. Also in attendance were Provincial Administrator for Community Affairs Alvin Mojica and Ms. Maribel Orense, BFAR Regional Fisherfolk Director.

Ms. Imeen B. Latigay from BFAR-IVA, discussed the importance of establishing Fisheries Management Areas (FMAs), which are designated areas where fishing activities are managed to ensure the sustainable use of resources.

On the hand, Engr. Ronalyn F. Pangilinan of OPENRO tackled Sustainability Through Ridge to Reef Approach which involves the management of land, coastal waters, and the ocean as an integrated system. The approach recognizes the interconnectedness of these ecosystems and the importance of managing them holistically to ensure the sustainability of fisheries and other natural resources.

In continuation of the Month of the Ocean celebration, a mangrove planting activity at the coastline of Brgy. Calibuyo in Tanza was also held on May 17, 2023.

This was undertaken to reforest the identified site with mangroves which are known to protect the coastlines from erosion, provide habitat for fish and other marine life, and help to mitigate the effects of climate change by storing carbon.

The planting activity was participated by the C/ MFARMC chairpersons, City/Municipal Agriculturists and fisherfolks of 9 coastal LGUs, representatives from MENRO-Tanza, faculty and staff of Flaviana Arayata Memorial Elementary School, representatives from San Miguel Aerocity Inc., and OPA personnel. Board Member Shernan Jaro, Chair of the Committee on Agriculture, and Mr. Alvin S. Mojica, Provincial Administrator for Community Affairs, also participated.

In conclusion, the celebration of Month of the Ocean 2023 brought together stakeholders who took action to protect the oceans. Raising awareness, promoting sustainable practices, and supporting organizations that work to protect the ocean made a positive difference to ensure that the ocean and its resources are preserved for future generations. ***PICAD***

Patuloy ang 'No Face Mask' Policy

MAG-UUSAP ulit ang mga kasapi sa Metro Manila Council (MMC) at ng Department of Health (DOH) kung kinakailangan na ba i-angat o hindi pa ang public health emergency status ng bansa dahil sa nabatid ng Metro Manila mayors mula sa Department of Health (DOH), na kung pagbabatayan ngayon ang hospital utilization rate dito sa National Capital Region (NCR) ay nasa 29% pa lamang ng buong populasyon dito sa Metro Manila ang naitatalang bilang ng mga pasyente na nag-positibo umano sa COVID-19.

Sinasabi ng mga kinauukulan na nasa 25 % pa lamang ang positivity rate ng mga COVID cases dito sa Metro Manila.

Gayunman, nilinaw ni San Juan City Mayor Francis Zamora, chairman ng MMC na maaari pa ring magpatupad ang mga lokal na pamahalaan ng face mask policy sa pamamagitan ng isang Executive Order o di kaya ay ordinansa, kung talagang kakailanganin.

Sa kasalukuyan ay nananatiling opsiyonal ang pagsusuot ng face mask dito sa NCR.

Ayon kay Zamora, hindi pa aniya kinakailangan ang mandatory na face mask use sa NCR dahil ito'y nananatiling nasa low-risk category sa COVID-19, sa kabila nang pagtaas ng mga naitatalang bilang ng mga tao na mayroong sakit.

Kaugnay nito, sa kabila ng bahagyang pagtaas ng kaso ng Covid-19 sa NCR tiniyak naman ni Dr. Jose Rene de Grano, ang pangulo ng Private Hospitals Association of the Philippines, Inc. (PHAP) na ang mga pribadong ospital ay may kakayahang tumanggap ng mga pasyente ng Covid-19.

Sinabi pa ni de Grano na ilang mga pribadong ospital ang nag-ulat ng 20 hanggang 50 porsiyentong pagtaas ng mga na-admit na pasyente ng Covid-19 nitong nakalipas na dalawa hanggang tatlong araw.

Gayunman, ipinaliwanag ni De Grano, na karamihan sa mga naturang pasyente ay hindi unang na-ospital dahil sa Covid-19 ngunit dahil sa iba pang mga sakit, napag-alaman lamang na nagpositibo lamang ang mga ito sa virus matapos isagawa ang routinary testing bilang bahagi ng safety protocols sa mga ospital.

Bagama't karamihan sa mga na-admit na kaso ay "insidental", sinabi ni de Grano na binabantayan nila ang mga pasyente at inoobserbahan lalo na ang mga mayroong comorbidities at kung sino ang immune-compromised sa mga ito.

Sa aking punto mga kaibigan, maganda na rin na ibalik ang mandatory na pagsusuot ng face mask lalo na kung tayo ay pumupunta sa mga high-risk areas hindi lamang dito sa Metro Manila kundi maging sa mga probinsiya.

Tigbak sa palikong kalsada

NAMATAY ang rider na sumemplang makaraang nawalan ng kontrol sa kanyang manibela sa palikong bahagi ng kalsada sa Alfonso, Cavite Martes ng madaling araw.

Isinugod pa sa Poblete Hospital ang biktima na si Mariniel Rina y Garcia (lalaki), 24, ng Nasugbu, Batangas subalit hindi na umabot ng buhay.

Sa ulat ni Police Corporal Braiann Balani, ng Alfonso Police, minamanaheo ng biktima ang kanyang motorsiklong Rusi habang sa Tagaytay-Nasugbu Highway patungo sa direksyon ng Nasugbu.

Pagsapit sa palikong bahagi ng kalsada sa Brgy Amuyong, Alfonso, ay nawalan ng kontrol sa manibela kaya bumulusok sa sementadong kalsada.

Naisugod pa sa ospital subalit hindi na umabot ng buhay. ***GENE ADSUARA***

Aanhin pa ang 'damo' kung patay na ang kabayo

MAGAGAMIT ang marijuana bilang gamot sa sandaling maaprubahan ang nakahaing panukalang batas hinggil dito.

Kung magiging ganap na batas ang House Bill 7817 ay mapapahintulutan na ang marijuana bilang gamot.

Magagamit ang marijuana sa mga piling karamdaman o sakit at tanging mga manggagamot lamang na nakarehistro sa Department of Health ang may karapatang magbigay ng sertipikasyon sa pasyenteng maaaring gumamit nito.

Mabigat ang naghihintay na kaparusahan sa aabuso nito o lalabag kahit maging ang rehistradong doktor.

Ang paggamit ng marijuana bilang alternatibong medisina ay matagal na panahon na ring nagagamit at napapakinabangan sa ibang mga bansa.

Kung minsan ay 'damo' ang bansag sa marijuana ng mga gumagamit nito pero bilang bisyo.

Kung sadyang mayroong sapat na pag-aaral na nagsasabi at nagpapatunay na epektibo ang marijuana bilang gamot partikular sa mga malalalang karamdaman ay sabi nga sa kasabihan, aanhin pa ang 'damo' kung patay na ang kabayo.

P15.1B pondo para sa 5,000 classroom, aprubado ng DBM

LUNGSOD QUEZON, (PIA) -- Inaprubahan ni Department of Budget and Management (DBM) Secretary Amenah F. Pangandaman noong ika-15 ng Mayo 2023 ang pagpapalabas ng pondong aabot sa P15,151,709,646.00 para sa pagpapagawa ng 4,912 na mga silid-aralan sa 1,194 sites o lugar sa buong bansa.

"Ang napapanahong pagpapalabas ng pondo na pawang hiling ng Department of Public Works and Highway (DPWH) at Department of Education (DepEd), ay nagpapakita na hindi nag-aatubili ang PBBM administration na mamuhunan sa edukasyon. Kailangan nating magtayo at magkumpuni ng mga classroom para makasabay sa pagtaas ng bilang ng enrollment sa mga pampublikong paaralan," sabi ni Secretary Pangandaman.

Una nang tinukoy ni Vice President at Education Secretary Sara Duterte na ang kakulangan sa classroom ang pinaka-agarang isyu sa edukasyon at nangakong tutugunan ang pangangailangang ito sa imprastruktura.

"Our schoolchildren need to be in an environment conducive to learning and fun. Kailangan nila ng ligtas, malinis at maaliwalas na mga silid-aralan para makapag-aral nang mabuti. Sila ang ating best investment," dagdag pa ni Sec. Pangandaman.

Kung matatandaan, nangako si Pangulong Ferdinand Marcos Jr. sa kanyang budget message na bibigyan prayoridad ang pagpapagawa ng mga bagong silid-aralan sa ilalim ng Basic Education Facilities (BEF) ng DepEd sa muling pagbabalik ng face-to-face classes.

Aabot ang kabuuang halaga ng konstruksyon sa P15,020,282,176.00. Kasama na rito ang pagpapagawa, pagpapalit at pagkukumpleto ng mga kindergarten, elementary at secondary school buildings at technical vocational laboratories; paglalagay o pagpapalit ng disability access facilities; pagpapagawa ng water at sanitation facilities; at site improvement.

Sa kabilang dako, nasa P131,427,470.00 ang gagamitin para sa gastusin sa Engineering and Administrative Overhead (EAO). Kasama rito ang pagkuha ng mga tao; pagsasagawa ng preliminary at detailed engineering activities; pre-construction activities; construction project management; testing at quality control; acquisition, rehabilitation at repair ng related equipment at parts; training, communication, per diem, at transportation expenses; at contingencies na may kinalaman sa pre-construction activities. ***(PIA-NCR)***

Pamanang kultura ng Tambourine Jewelries sa Ilocos Sur, itinuro sa mga kabataan para sa National Heritage Month

LUNGSOD NG VIGAN, Ilocos Sur (PIA) – Pinag-aralan ng mga kabataang estudyante ng Ilocos Sur National High School, mga miyembro ng Juana United Ilocana Women's Association at Santa Catalina Food Processors Association ang pamanang kultura ng Tambourine Jewelries sa Tambourine Making: Lecture and Demonstration noong ika-8 ng Mayo.

Ito ay aktibidad ng National Museum of the Philippines Ilocos Region para sa selebrasyon ng National Heritage Month at pahalagahan ang nasabing likhang sining.

Aktibo ang mga estudyante at kababaihan na nakinig sa kasaysayan at proseso ng paggawa ng Tambourine Jewelries na ibinahagi ng panauhing pandangal na si Engr. Cynthia Alonzo Rabang, isa sa dalawang magkapatid na nagmana ng nasabing industriya mula sa kanilang mga ninuno.

Sinubukan din ng mga nakilahok sa aktibidad ang paggawa ng iba't ibang disenyo na binigyang puri ni Rabang.

Ayon kay Jenny Marie Cabalteja, mag-aaral mula Ilocos Sur National High School, "Daydiay Tambourine ket maysa a culture or history nga agpatingga tatta ket itutugottayo isu a kayatmi a maadal no kasanoda nga aramiden. (Iyong Tambourine ay isang kultura o [bahagi ng] kasaysayan na hanggang ngayon ay dala natin kaya gusto naming matutunan kung paano nila ginagawa.)"

Pagbabahagi naman ni Kurt Tolentino, mag-aaral mula sa parehong paaralan, "Mahalaga ito para malaman natin ang kung tungkol saan itong Tambourine, at para alam nating lahat kung ano ang kahalagahan nito ganun din kung gaano ito kaganda."

Ayon naman kay Rabang, ang Filigree Tambourine Jewelry Making ay isa sa mga pamanang kultura ng pamilya Alonzo sa bayan ng Bantay, Ilocos Sur bago pa ang pagsakop ng mga kastila sa bansa.

Sa ngayon, ang kanilang pamilya lamang ang gumagawa ng ganitong klase ng alahas sa buong pilipinas kaya nais niyang ipamana ito sa mga susunod na henerasyon upang hindi mabura sa kasaysayan.

"Mahirap na mawala ang industriya ng Tambourine Jewelry Making. Ito kasi, sa pagdaan ng panahon magiging heirlooms, magandang pamana ito sa mga kaapo-apohan," ani Rabang.

Ibinahagi rin niya ang iba't-ibang pangalan ng mga beads na hawi sa hugis ng mga prutas o bagay sa paligid gaya ng tambourine mula sa tambol na siya ring pinagmulan ng tawag sa alahas. ***(JCR/MJTAB/ATV/Roselyn Pesawen, PIA Ilocos Sur)***

LOCAL FARMERS IN CALABARZON TO RECEIVE TRAINING ON MODERN FARMING TECHNIQUES

KSK-SAP farmers and partners from San Pablo City, Laguna.

SM Foundation, Inc. (SMFI) has taken another step in its mission to enhance the agriculture and entrepreneurial skills of farmers. The organization recently launched the Kabalikat sa Kabuhayan on Sustainable Agriculture Program (KSK-SAP) across various locations in Calabarzon.

Beginning with its launch in Padre Garcia, Batangas on April 13, 2023, the program has since been extended to Silang, Cavite, Batangas City, San Pablo, Laguna, and Calamba City. SMFI is also set to provide free agri-skills training to local farmers in other parts of the region to help other beneficiaries uplift their families and communities.

Empowering local farmers

The local farmer-beneficiaries will undergo a two-phased program, spearheaded by its partner school Moca Family Farm RLearning Center, Inc.

The said program kicked off with an immersive 14-week training program, designed to equip participants with essential skills and knowledge in agriculture. The modular training curriculum covers topics on the latest agri-technology updates, capacity building, financial literacy, product development, and market opportunities. Through these comprehensive modules, KSK-SAP aims to empower and enhance farmers' agricultural practices and explore avenues for sustainable growth.

As a highlight of the program's first phase, KSK-SAP farmers will join the SM Sunday Market, a collaborative initiative between SM Foundation and SM Supermalls. This platform offers trainees a valuable opportunity to showcase their agricultural produce and gain firsthand experience in institutional selling. Through this market opportunity, participants can not only generate income but also cultivate their expertise and experience in the sales and marketing aspects of their agri-businesses.

To prepare for the second phase of the program, SMFI will also assist the farmers in formalizing their respective groups. To boost their earning capactiy and contribution to economic growth, the foundation will support them in creating a sustainable and profitable farming community through the assistance of its partner agencies.

KSK-SAP originated from the vision of SMFI's founder Henry "Tatang" Sy Sr. to establish a sustainable initiative that would uplift the farming skills, food security, and livelihood know-how of low-income Filipino farmers. Over the years, the program has evolved into a comprehensive training program that generates opportunities for skills development, employment, and livelihood.

Since its inception in 2007, KSK-SAP has helped more than 28,000 marginalized farmers from rural and urban areas across the country, fueling their entrepreneurial and farming capabilities. As a result, some of the program's graduates have turned into seasonal suppliers for the SM group and other local markets.

SM Foundation's KSK-SAP is conducted in partnership with SM Supermalls, TESDA, DA, DSWD, DOST, DTI, DOT and partner farm schools.

TSANSA NG PINOY SA BIFIN SWIMMING AANGAT PA BUHAIN, ALEXI CABAYARAN SILVER MEDAL SA 32ND SEA GAMES

KUMPIYANSA si Philippine Sports Hall-of-Famer at Batangas 1st District Congressman Eric Buhain na malaki ang tsansa ng Pinoy na umangat ang BiFin swimming at ang impresibong kampanya ng bagong tatag na National BiFin swimming team sa katatapos na 32nd Southeast Asian Games sa Cambodia ay patunay na karapat-dapat itong tulungan at suportahan para maisulong matatag na programa higit sa grassroots level.

Sa unang pagkakataon sa regional biennial meet, ang eight-man team na sinuportahan ng Espinelli Trading ay pawang nakapasok sa finals sa kani-kanilang event tampok ang makinang na silver medal na napagwagihan ni Palarong Pambansa swimming champion Alexi Cabayaran sa 200 women bifin breaststroke sa tyempong 1 minuto at 56.49 segundo sa likod ng gold medal winner na Cambodian Muyni Kaing (1:51.69).

"Ang pagpapataas ng kamalayan sa pamamagitan ng pagsasagawa ng mga regular na aktibidad at mahikayat ang lahat ng swimming club, grupo, at organizer na isama ang bifin sa kanilang mga programa at torneo isang malaking tulong para sa sports.

Maganda ang future natin sa bifin and the recent campaign of our team in Cambodia proved that. Kahit maiksi lang ang naging preparation may contribution sila sa delegation," sabi ng two-time Olympian at kasalukuyang presidente ng Congress of Philippine Aquatics, Inc. (COPA) sa isang panayam matapos makipagpulong sa koponan sa Philippine Sports Commission (PSC).

"Itong pagkapanalo ni Alexi (Cabayaran) ng silver medal ay malaking bagay sa sports. Sana, ma-encourage niya ang iba pa na subukan ang bifin swimming. Like classical, maraming medals at stake dito.

Isipin natin sa Cambodia 27 yung event, eh kung nakapaghanda na tayo ng matagal mas marami tayong naipadalang athletes, baka mas maraming medalya tayong naiuwi," sambit ni Buhain.

Ang 15-anyos na si Alexi mula sa Silay City sa Negros Occidental ay isa sa napili mula sa mga lumahok sa isinagawang Visayas tryouts na inorganisa ng COPA nitong Pebrero sa Bacolod City.

Sa pamamagitan ng isang memorandum of agreement (MOA) sa pagitan ng Fin Swimming Federation, ang COPA ay naatasang magsagawa ng pambansang tryouts, pumili. Magbuo ang magsanay sa koponan para sa SEAG.

"Sinunod ko lang po yung payo ng coach ko sa swimming club namin na mag-try ako sa BiFin. Nasopresa po ako ng mapasama ako sa Team. During training sabi ko sa sarili ko pagbubutihan ko para sa parents ko, maka-bronze lang ako masaya na ako.

Kaya nang manalo ako ng silver naiyak po ako sa tuwa, agad ko pong kinausap parents ko sa Messenger. Sabi ko para po sakripisyo ninyo ito," pahayag ni Cabayaran, panganay sa tatlong magkakapatid mula sa pamilya ng tindero ng isda.

Bukod kay Alexi na angat na sa Grade 11 sa Trinity Christian School, ang iba pang miyembro ng team ay sina Renz Santos, Janine De La Paz, Raymund Paloma, Raina Leyran, Kristoff David, Ishaelle Villa, at Troy Castor.

"Mas gagalingan ko po sa training para sa mga susunod na international tournament makamedalya ako uli. Sa susunod na SEA Games gold medal po ang tatargetin ko," added Alexi.

Sa ilalim ng Incentive Act Law, si Alexi ay kailangang makatanggap ng P150,000 cas incentives mula sa pamahalaan, ngunit bago pa man mailabas ang cash rewards, uuwi siya na may dagdag na ngiti sa mga labi mula sa ipinagkaloob na cash gift ni Buhain sa kanya, gayundin sa buong koponan kabilang sina coach Ramil Ilustre at Agot Alcantara.

"Konting pabaon lang para pasalubong pag-uwi nila sa Negros," said Buhain.

Nakakuha rin ng cash reward mula kay Buhain si SEA Games record breaker Xiandi Chua, ang pinakamatagumpay na manlalangoy para sa Team Philippines sa Cambodia, sa napagwagiang isang ginto, isang pilak at dalawang tansong medalya.

Ang 21-anyos la Salle mainstay ay matagal nang miyembro ng COPA at ang kanyang coach na si Pinky Brosas ay kasalukuyang national training director ng COPA.

"Nagpapasalamat po tayo kay POC president Bambol Tolentino sa kanyang suporta na ayusin ang swimming, gayundin sa Fin swimming association for thrusting COPA to handle bifin swimming.

Tuloy-tuloy tayo sa ating programa para palakasin at payabungin natin ang sports. Mas maraming makasali sa bifin mas maganda sa sports para mas lumaki ang ating training pool," sambit ni Buhain.

Sa kasalukuyan, naisama na ng COPA ang BiFin event sa programa ng lahat ng torneo na nasa pangangasiwa ng COPA.

"Ang edukasyon at pagsulong ng responsableng pagmamay-ari ng baril ay isa sa mga layunin ng AFAD. Dapat nating ipagpatuloy ang pagsulong ng responsableng pagmamay-ari ng baril dahil ang poot sa mga baril ay laging nariyan," ani Topacio.

Si Topacio, isang University of the Philippines (UP) Public Administration graduate, ay unang nahalal na pangulo ng AFAD noong 2019 sa panahon ng muling pagbangon ng DSAS. Atletang Pinoy pinuri ng PSC Chairman Richard Bachmann sa pagtatapos ng 32nd SEA Games

PINAPURIHAN ni PHILIPPINE Sports Commission (PSC) chairman Richard "Dickie" Bachmann ang mga Filipino athletes na lumaban nang husto para mapanatili ang kulay ng bansa sa katatapos na 32nd Southeast Asian Games na magtatapos sa Phnom Penh.

"Ipinagmamalaki ko ang aming mga atleta," sabi ni Bachmann. "Nakita ko kung paano sila nagsumikap sa aking sariling mga mata habang naghahanda para sa mga laro at noong lumaban sila sa Cambodia." "Ang bawat sandaling itinaas ang ating bandila bilang parangal sa isang panalo ay isang ipinagmamalaking sandali para sa bawat Pilipino," aniya.

Sa kanyang ika-apat na buwan pa lamang bilang chairman ng PSC at nakita na mismo ni Bachmann kung paano nagsasanay at nakikipagkumpitensya ang mga Pilipinong atleta sa mga internasyonal na kompetisyon sa kanyang pagbisita sa iba't ibang sesyon ng pagsasanay ng mga pambansang koponan sa kanyang unang ilang linggo sa panunungkulan.

Ang SEA Games ang kauna-unahang internasyonal na kompetisyon sa ilalim ng kanyang pamumuno at tiniyak niyang nakatutok ang bawat isa at bawat atleta sa mga laro na nagtapos na.

Lumipad si Bachmann sa loob ng tatlong araw bago ang seremonya ng pagbubukas at gumawa ng mga pag-ikot kasing dami ng pinahihintulutan ng abalang iskedyul at kung minsan ay mabigat na trapiko sa Phnom Penh.

Napakainit sa Cambodia mas mainit pa sa kanilang tahanan ngunit hindi ito naging hadlang sa kanyang pananabik na masaksihan ang bawat tagumpay at bawat magiting na pagsisikap ng mga atleta na hindi nakapasok sa podium.

Nalampasan ng mga atletang Pilipino ang kanilang ani noong 2022. Naging inspirasyon iyon kay Bachmann na tiyakin ang buong suporta ng PSC sa kampanya ng Team Philippines sa hinaharap na mga internasyonal na kompetisyon.

"Muli naming pinagtitibay ang aming suporta sa aming mga pambansang atleta," sabi niya. "Ang PSC ay patuloy na magsisikap tulad ng iyong pagsasanay. Salamat sa lahat ng inyong sakripisyo.

SALT CAN OPEN UP OPPORTUNITIES FOR LIVELIHOOD IN COASTAL COMMUNITIES

DEPARTMENT of Science and Technology (DOST) undersecretary for regional operations, Engr. Sancho A. Mabborang recently graced the "Immersion on Salt Production and Blessing of Salt Facility" activity in Uyugan town in Batanes Province.

The salt production facility was funded through the DOST's Community Empowerment thru Science and Technology or CEST Program. The project was implemented by DOST - Region 2 led by regional director, Virginia Bilgera in partnership with Mayor Jonathan Nanud Jr. of LGU Uyugan.

USec. Mabborang emphasized how salt can open up a sea of opportunities for the livelihood of coastal communities and for the economic growth of an archipelagic nation like the Philippines. He also echoed DOST Secretary Renato U. Solidum Jr.'s commitment to utilize science, technology and innovation (STI) in reviving the country's salt industry, in line with the agency's mantra of #OneDOST4U.

According to DOST Provincial Science and Technology Centers (PSTCs) Batanes Provincial S&T Director Nora Garcia, the project will further expand and improve livelihood opportunities for residents, especially in the production of the one-day old "dibang" (flying fish) that uses salt as a vital component.

Mayor Nanud Jr. on the other hand, thanked DOST for the assistance provided through the project and assured his support to more initiatives of the department in the municipality.

As part of their exposure visit in the province, DOST 10 staff also joined the activity led by regional director Engr. Romela Ratilla.

Meanwhile, Mabborang said he looks forward to more projects like this under CEST, highlighting how the program has improved lives and empowered communities in the country through STI. #OneDOST4U. ***(Nelson Santos)***

DOST-CEST EMPOWERS LIVES, BUILDS COMMUNITIES IN REGION 1

THROUGH a Memorandum of Agreement (MOA), the Department of Science and Technology (DOST) via Community Empowerment through Science and Technology or CEST, empowers lives and builds communities in Region 1.

The MOA signing was held in Don Mariano Marcos Memorial State University (DMMMSU) on May 16 in Sipalang, Bacnotan, La Union. The theme of the event was "CEST: Empowering Lives, Building Communities."

CEST is one of the flagship and gender-responsive programs developed by DOST in support of the government's national program on poverty alleviation. It aims to empower the most economically-challenged communities and improve the quality of life through science and technology (S&T).

The program, running for several years now, focuses on five priority entry points, according to Engr. Sancho A. Mabborang, DOST's undersecretary for regional operations. These are health and nutrition, water and sanitation, basic education and literacy, economic enterprise and development and disaster risk reduction management and climate change adaptation, (DRRM/CCA) to help communities improve the quality of life using science, technology, and innovation (STI).

Mabborang said he had witnessed first-hand what science and technology can do in transforming communities and improving the lives of the people "from providing access to clean and potable water through innovative filtration systems using the salination technologies through promoting sustainable livelihoods whether it be smart farming, agriculture, aquaculture and others."

Further, he mentioned that S&T has really given the potential to address the complex challenges facing the community at present. Science and technology is one of the major programs of DOST.

Mabborang announced that DOST has forged strong partnership with organizations to bring S&T to the grassroots level.

DOST Secretary, Dr. Renato U. Solidum Jr. failed to personally attend the MOA signing but he read his message virtually. "At DOST, we strongly believe that science and technology are powerful tools that can transform communities and improve the lives of our people. Through the CEST program, we aim to empower communities by providing them with access to science and technology resources, tools and knowledge."

Solidum explained that with S&T, people can have a better life. "Gaya nga ng palagi kong sinasabi, sa siyensiya at teknolohiya, negosyo ay tiyak na kikita, industriya ay aarangkada, kalusugan ay sisigla. Sa siyensiya at teknolohiya, buhay ay gaganda."

During the ceremony, a Pledge of Commitment was likewise signed. "I recognize the importance of investing in research and development to spur innovation and drive progress in various fields, including health, agriculture, energy and information technology," the Pledge cited.

Meanwhile, Article IV of the MOA specifically cites the discontinuance of the DOST-1 assistance. "DOST-1 reserves the right to discontinue its assistance at anytime for violation of the Program Terms and Conditions as stipulated in this Memorandum of Agreement. DOST-1 shall account for unused funds, supplies and materials and facilities as of date of receipt of a written notification of such discontinuance from the DOST 1 within a period of sixty (60) days."

Among the DOST 1 Region 1 officials are OIC-Regional Director, Dr. Teresita A. Tabaog; Adelisa C. Florendo, OIC-Asst. Regional Director for Field Operations; Engr. Jordan L. Abad, Provincial S&T Director of PSTO-Ilocos Sur; Engr. Arnold C. Santos, Provincial S&T Director of PSTO-Pangasinan; Engr. Benjamin S. Mercado Jr., Provincial S&T Director of PSTO-Ilocos Norte; Jonathan M. Viernes, Provincial S&T Director of PSTO-La Union; Decth-1180 P. Libunao, Senior Science Research Specialist / CEST Project Leader.

Among the beneficiaries of the CEST Program are the 6 communities of Nueva Era, Ilocos Norte; San Emilio, Ilocos Sur; Aringay, La Union; Sto. Tomas, La Union; Dagupan City and Bolinao, Pangasinan. Together with the expertise of the partner SUCs, NGAs, and identified private agencies, the delivery of extension services will be more effectively handled and with the full support and commitment of the LGUs, the success of the implementation of the program will be achieved with concept of "Empowering lives, Building Communities!" ***(Nelson Santos)***

PBBM: STRENGTHEN THE 'SOLID NORTH'

President Ferdinand R. Marcos Jr. on Tuesday called on the Northern Luzon lawmakers to further strengthen the "Solid North" regional bloc and maintain the strong unity of its members and its relevance for the benefit of the country.

The President made the pitch during the oathtaking ceremony of the newly elected officials of the Northern Luzon Alliance (NLA) held in Malacañang where he recalled the difficult times the group was considered politically irrelevant.

"(T)hose times that we went through that, the Ilocano bloc remained solid. And the result is that we are now here celebrating the taking the oath of new officers of the Northern Alliance here in the Palace," Marcos said.

"And that has kept us afloat through all the lean years kung tawagin, through all the lean years. And as I said, now the solidarity and the strength of the Ilocano bloc has remained and it has served us well. So let us keep it going. And now instead only fighting up, may katulong na kayo dito sa taas," he added.

The President emphasized the alliance's solidarity that was evident even during the time of his father, the late president Ferdinand E. Marcos Sr., considered the patriarch of Ilocanos and the region's politicians.

And even after the Marcoses fell out of favor politically for some time with the subsequent administrations that followed, the alliance has maintained its unity and staying power, he said.

"Kaya't let us take that as our lesson that really what has kept us going, what has kept us strong, and what has kept us relevant in national politics," the President said.

Marcos also echoed observations that Ilocanos are overrepresented in government and in politics.

"And there is maybe a point to that, but the reason that is – is because we help each other because we stay solid. And we – kinikilala natin these are Ilocanos that have been working with us that we know are good workers that will bring value to government service," he said.

The NLA is a group of congressmen mostly belonging to the tobacco-producing provinces. Ilocos Norte 1st District Rep. Ferdinand Alexander Marcos III serves as NLA's honorary chairman.

The alliances' officers include Ilocos Norte 2nd District Rep. Angelo Marcos Barba, NLA President; Mountain Province Rep. Maximo Y. Dalog Jr., NLA Executive Vice President; Pangasinan 1st District Rep. Arthur F. Celeste, NLA Vice President – Region 1; Isabela 1st District Rep. Antonio T. Albano, NLA Vice President – Region 2; CAR and Kalinga Rep. Allen Jesse C. Mangaoang, NLA Vice President.

Other officials are Party List and Allied Districts and ABONO Party List Rep. Robert Raymund M. Estrella, NLA Vice President; La Union 1st District Rep. Francisco Paolo P. Ortega V, NLA Secretary; Ilocos Sur 2nd District Rep. Kristine Singson-Meehan, NLA Treasurer; and Isabela 4th District Rep. Joseph S. Tan, NLA Auditor. | ***PND***

MECO: FILIPINOS ARE SAFE IN TAIWAN

Manila Economic and Cultural Office (MECO) Chairman and Resident Representative Silvestre Bello III on Saturday allayed concerns about the safety of Filipinos in Taiwan amid brewing tensions with neighboring China.

Bello said the Philippine government, through MECO, is looking out for the welfare and well-being of the Filipinos there.

"So we would like to assure you, everyone. I'll take this opportunity to inform you… in Taiwan everything is normal and, if in the remote possibility na magkaroon ng emergency situation, like for example earthquake, mga lindol o even war, preparado po ang Taiwan government not only in protecting their own people but even the Filipinos, especially our workers," Bello said in a media forum in Quezon City.

According to Bello, the National Police Agency of Taiwan has assured him the protection and security of the Filipinos in the self-ruled island nation.

"I met with the Director General together with the head of the Home Civilian Defense of Taiwan and they assured us na iyong ating mga kababayan ay protektado nila," Bello said.

Bello said he was told by security officials that Taiwan has 89,000 shelters that can accommodate more than the total population of Taiwan.

"Ganoon kapreparado iyong ating mga kasama sa Taiwan and they really treasure our OFWs kasi sila, according to them, are the best in their manufacturing industry," he said.

The MECO official noted that 90 percent of the factories in Taiwan are serviced by Filipino workers.

He said roughly 160,000 OFWs are in factories and all the rest are highly skilled teachers, farmers, and workers in the hospitality industry.

"So, huwag po kayong mag-alala… everything is normal, our OFWs there are safe and there is no danger of what you call confrontation between China and Taiwan," he said.

Last week, President Ferdinand R. Marcos Jr. raised the need to continue "developing cooperation" on an "international scale" to resolve soaring tensions in Taiwan.

In his post-visit report before his departure from Washington D.C., the President said there is a need to "fix the arrangements, our alliances, so that they conform to the needs of the day. And that again, comes back again to that process of evolution."

The chief executive reiterated the administration's foreign policy that "the Philippines shall continue to be a friend to all, and an enemy of none."

The Department of Foreign Affairs (DFA) last month said no Filipino in Taiwan is seeking government help for repatriation as of yet amid the current cross-strait tensions.

The DFA also reassured the public that contingency plans have been in place in areas where there is a high concentration of Filipino workers, including Taiwan.

MECO is the duly designated instrumentality to promote and protect Philippine interests in Taiwan and is authorized and conferred with authority to perform functions usually carried out by Philippine foreign missions but of a non-political, non-security in nature. | ***PND***

Application for CSE-PPT set on August 20

QUEZON CITY (PIA) -- The Civil Service Commission (CSC) has announced that applications for the Career Service Examination-Pen and Paper Test (CSE-PPT) for Professional and Subprofessional Levels on 20 August 2023 will be open from 22 May to 21 June 2023.

CSC Chairperson Karlo Nograles stated that the Commission has prepared 97 testing centers across 16 regions nationwide to accommodate a large number of applicants interested in serving the country's civil service.

Interested applicants must be Filipino citizens, at least 18 years old on the date of application, and possess good moral character.

They should not have been convicted of any offense or crime involving moral turpitude, have been dishonorably discharged from military service, or dismissed from any civilian position in the government.

Applicants who have taken the same level of Career Service Examination within three months from the exam date are not eligible to apply.

Educational attainment is not a requirement for applicants who meet the qualifications. Applicants must submit a fully accomplished application form, four passport-sized photos, a valid ID, a Certificate of Consent/ Release/Waiver relating to the Corona Virus Disease, and an examination fee of P500 to the CSC offices.

2023 PHILRACOM "1ST LEG TRIPLE CROWN STAKES RACE"

Muling ibinida ng kabayong si La Trouppei ang kanyang angas matapos nitong siluhin ang korona sa katatapos na 2023 Philracom "1st Leg Triple Crown Stakes Race" na inilarga sa pista ng Metro Manila Turf Club Inc. (MMTCI) sa Malvar Tanauan City, Batangas. Naging kalmado ang hineteng si Kelvin Bete Abobo sa ibabaw ni La Trouppei na tila tantyado at kabisado na ang galing sa pagremate ng kanyang sakay na kabayo. Sa largahan ay nakauna sa paglundag ang matulin na si (1)Istulen Ola na nirendahan ni John Alvin Guce, agad naman na umarangkada sa gawing labas si Jaguar na pinatnubayan ni Jeffril Zarate upang makipagsabayan sa unahan, pangatlo sa bandang gitna ang kaisa-isang babaeng kalahok na si (1a)Going East na sinakyan ni Andreu Villegas, pang-apat si (5)Gintong Hari na pinatungan ni Isaac Ace Aguila, panlima ang ating bida na si La Trouppei, habang si (5a) Easy Does It na ginabayan ni Jomer Estorque ang bugaw sa simula. Dahil sa tulin sa arangkadahan nina (1)Istulen Ola at Jaguar ay pumuwesto si La Trouppei sa panlima upang panoorin ang bakbakan ng dalawang kabayo sa unahan. Pagdating sa medya milya (800 meter) ay wala pa rin pinagbago ang pagkakasunod sunod ng mga kabayo. Bandera pa rin ang tersero liyamado na si (1)Istulen Ola, kasunod pa rin ang paborito na si Jaguar, pangatlo ang kacouple runner ni (1) Istulen Ola na si (1a)Going East, pang-apat ang kuarto liyamado na si (5)Gintong Hari, panlima ang segundo liyamado na si La Trouppei, habang ang kacouple runner ni (5)Gintong Hari na si (5a) Easy Does It ay nanatili sa likuran. Bago sumapit sa tres oktabos (600 meter) ay kalmado pa rin ang pagmamaniobra kay La Trouppei na nakapirmis sa kanyang puwesto, habang apat na kabayo na ang nagbabanatan sa harapan na kinabibilangan nina (1) Istulen Ola, Jaguar, (1a) Going East, at (5)Gintong Hari. Pagpasok sa far turn ay biglang lumayo sa unahan sina (1)Istulen Ola at Jaguar kaya nagsimula ng kumilos ang winning horse na si La Trouppei na kumuha ng ikatlong puwesto at patuloy sa pagkaripas, kaya sa huling kurbada ay nagkapanabayan na sa harapan sina (1)Istulen Ola, Jaguar at La Trouppei. Sa rektahan ay matindi ang naging bakbakan nina (1) Istulen Ola sa gawing loob, Jaguar sa bandang gitna at La trouppei sa gawing labas, kaya binagsakan na ng todo ni Kelvin ang kanyang sakay dahilan upang mailabas ni La Trouppei ang kanyang tikas at nakalamang sa meta na halos nguso lang ang agwat. Sumegundo kay La Troupppei si Jaguar, tersero si (1)Istulen Ola at si (5a)Easy Does It ang pumang-apat. Nakapagtala si La Trouppei ng tiyempong 1:38.8 (24'-23'-23'-27) para sa distansyang 1,600 meter sapat upang hamigin winning horse owner na Rancho Santa Rosa ang premyong P2.1M kabilang ang tropeo mula sa event na suportado ng Philracom. Naibulsa naman ng koneksiyon ni Jaguar ang 2nd place prize na P787,500, habang nakapag-uwi sina (1)Istulen Ola at (5a)Easy Does It ng premyong P437,500 at P175,000 bilang 3rd at 4th placer ayon sa pagkakasunod. Nakahamig din ang winning breeder na si Melaine C. Habla ang premyong P175,000. Matatandaan na si La Trouppei din ang nagwagi sa ginanap na Philracom "Road To Triple Crown Stakes Race" na pinakawalan sa parehong lugar noong Abril 16, 2023.

Magiging magulang balang araw

ILANG araw bago ang pagsapit ng Mother's Day nitong Mayo 14 ay mayroong isang anak sa Cavite na tinangkang saksakin ang kanyang sariling ina.

Nagwala ang anak at kumuha ng patalim na binalak pang saksakin ang nanay niya.

Mabuti na lamang at umawat ang ilang kasama sa bahay at napigilan ang tangkang pananaksak.

Lahat tayo ay dumarating sa mundo dahil sa ating magulang partikular sa ina na pagkaraan ng siyam na buwan sa kanyang sinapupunan ay kasunod ang pagluwal.

Ina ang nagbigay ng buhay kaya labis na nakakalungkot na tayong anak pa ang magbabalak para patayin siya.

Gumugulong lamang ang buhay, magiging anak at darating ang panahon na ang anak ay nagiging ina o ama rin.

Iyan ay kung mag-aasawa o bubuo ng isang pamilya at kapag pinalad na magkakaroon ng anak ay mararanasan din ang pagiging ina o mabulang.

'Ika nga ng mga matatanda, ang ginagawa ng anak sa ina o magulang ay maaaring gagawin din ng magiging anak nito kapag naging nanay o tatay na rin.

Sa halip na batiin ang nanay dahil bago ang insidenteng iyon ay papalapit na ang Mother's Day pero karahasan ang binigay ng anak sa ina.

Huli man ay malugod nating binabati ang lahat ng nanay ng belated Happy Mother's Day at maging sa mga ama na tumayo na rin bilang ina ng anak.

Kumusta na kaya ang anak na iyon dahil nagpasya ang ina na kasuhan at ipakulong ang kanyang sariling anak pagkatapos ng insidente.

Kung sakaling ganoon na nga ang pasya ng ina ay malamang na mayroon siyang sapat at tamang dahilan.

DONATION: Tinatanggap ni TSg Jonathan Almencion (Inf) PA, Chief Clerk ng 402nd Community Defense Center, 4RCDG, RESCOM PA, mula kay 2LT MARY JANE P SCHROEDER (RES) PA, EX-O Company Commander ng Bravo Company, 402 RRIBn ang mga donasyon galing sa mga reservists para sa mga naging biktima ng sunog na naganap sa Cavite City kamakailan. ***(Paulo Flores)***
