Mall based clinic adds heart, women and child care centers in Bacoor branch

By: Gladys Seńires-Pino

Bacoor, Cavite – Patients in and near Cavite needing heart, child and women care need not travel far as Wellpoint Medical Clinic and Diagnostic Center, Inc. (Wellpoint) added these services in their SM Bacoor branch.

This piece of great news was shared by president/ Chief Executive Officer and Medical Director, Dr. Mary Melodie Patos-Abram as she briefs the media on the developments about their clinic on Wednesday.

The new services, per Abram, are in line with Wellpoint's mission to promote "a one-stop center for all."

"Since the clinic first opened in 2005, we only want to provide a convenient, more comfortable atmosphere for patients and clients seeking medical attention. We do this by providing most of what they need housed in one roof."

From its pre-pandemic state to the present, the clinic has gone through various renovations "to make way for the new services and for improved patient/ client, including our partner doctors' experience," said Abram.

As it nears its 18th years in existence, Wellpoint will celebrate by opening its very own foundation, "our way of putting our corporate social responsibility (CSR) to the next level," Abram shared. The medical director, with her next in line Dr. Arlyn Sanchez-Garduque and General Manger John Henry Patos, have been doing the rounds to provide medical and dental services to the poor and the marginalized sector. Together with Wellpoint's team of board certified specialty physicians, experienced staff and well-equipped diagnostic facility, their mission is not just in Cavite nor Region IV-A (covering Cavite, Laguna, Rizal, Batangas, Quezon) but countrywide."This is our way of giving back and for more people to experience our services," she added.

Other than the newly opened centers and foundation, other projects in the pipeline include more renovation, their own patient app and an improved website.Asked for any plans to have its in-patient facility, Abram said "in the near future." One of the most trusted mall-based clinics, Wellpoint now has two (2) mall-based clinics (in SM Dasmariñas and SM Bacoor which are both open from 7am to 9pm). They have another non-mall based clinic in Habay 1 here which operates from 6am to 7pm.Wellpoint, the first multi-specialty clinic to open here, offers in clinic, online and home service. New dredging equipment to improve desilting of dams in Bacoor City

BACOOR CITY, Cavite (PIA) – The National Irrigation Administration recently turned over dredging equipment to the City Government of Bacoor to help boost the dredging and desilting operations in Molino Dam and other existing dams in Cavite province

City Mayor Strike Revilla, together with Senator Mark Villar and National Irrigation Administration (NIA) Regional Manager Wilson Lopez led the turn-over ceremony for one unit of long-reach excavator with one unit of pontoon equipment.

Villar highlighted the significance of the equipment in facilitating year-round dredging and desilting operations for the Bacoor-Las Piñas river clean-up and control.

"Nagbunga po yung pag lobby natin para magkaroon tayo ng pondo para makabili ng ganitong equipment na malaki ang maitutulong sa paglilinis ng ating ilog at ng Molino Dam. Matagal na po itong advocacy ng aming pamilya na pangalagaan ang ating mga ilog, kalikasan, at agrikultura kaya naman masaya kami na naisakatuparan ang proyekto na ito," Senator Villar stated.

Citing the importance of dredging operations, NIA Regional Manager Lopez said the new equipment will help address the problems with siltation and improve flood control in the city due to an increase in the dam's water storage capacity.

"The successful acquisition and delivery of this cutting-edge equipment proves the importance of inter-agency coordination in addressing pressing challenges in agriculture and the environment. This milestone marks a significant stride towards the preservation and sustainable development of the province's water resources," Lopez said.

Revilla emphasized the equipment's importance in tackling flooding issues in the city during the rainy season. He also revealed plans to further enhance the dam area, transforming it into a potential eco-tourism site that would create additional opportunities and livelihood for Bacooreños.

"Matagal na natin pangarap ito, napakalaki po ng potential ng ating dam kaya kung malilinis natin ang ilog at maibabalik natin sa original capacity ang ating dam ay talagang makakatulong ito sa aming problema sa tubig," said Mayor Strike.

The long-reach excavator with pontoon equipment is specialized machinery that effortlessly accesses hard-to-reach areas, enabling efficient dredging and desilting operations in rivers and dams. The added pontoon equipment ensures exceptional stability on soft or unstable terrain, enabling operators to maneuver safely in marshes and shallow water bodies. ***(RBF with reports from Bacoor City Information Office)***

Bakit Marami Ang Siga? Marami Ang Matatapang?

SIMULA nuong buwan ng Oktubre 2021 kung saan naging medyo maluwag ang General Community Quarantine (GCQ) na ipinatupad sa Kalakhang Maynila kapansin pansin ang pagiging arogante, bastos, matapang at siga ng halos lahat ng mga lalaki sa labas ng mga tahanan katulad na lamang halimbawa sa larangan ng transportasyon iyung mga tsuper at konduktor ng mga pampasaherong bus gayundin ang mga tsuper ng mga pampasaherong jeep, modern jeep, UV Express at maging mga namamasada ng trasysikel. Sa larangan naman ng mga nasa mga pampublikong lugar tulad ng mga security guards ng Kaizen Security Agency at mga empleyado ng Department of Transportation (DOTr) na nakatalaga sa Metro Rail Transit (MRT) sa MRT Station particular na sa North EDSA Station. Nagpadala ako ng reklamo sa email na feedback@dotcmrt3.gov.ph na nakapaskil sa lahat ng MRT Stations ngunit ilang segundo lamang ay nakatanggap na ako ng notification sa email na nagsasabi na (Your message wasn't delivered to feedback@dotcmrt3.gov.ph because the domain dotcmrt3.gov.ph couldn't be found. Check for typos or unnecessary spaces and try again). Napa-isip tuloy ako papaano ma-aaksyunan ang suliranin kung hindi naman pala matatanggap ng kinauukulan ang naturang reklamo?

Napaka-swerte ng mga nabanggit dahil wala po ako sa posisyon o pwesto sa alinman sa mga sangay ng gobyerno upang madisiplina ang mga binabanggit ko na mga arogante, bastos, matatapang at siga na kung sigawan ang mga ordinaryong mamamayan at public commuters ay ganun ganon na lamang.

Eto po ang pinaka-huli kong karanasan, alas nwebe kinse ng gabi nuong ika-21 ng buwan ng Mayo taomg kasalukuyan pagbaba ko ng tren sa MRT North EDSA Station, Quezon City malakas ang pag-aanunsyo ng isang lalaki na nakasuot ng isang black jacket na mayroong DOTr markings sa likod. Habang ako ay papalapit na sa exit point, nakita ko at narinig ang naturang lalaki na pasigaw kung magsalita sa megaphone at nagsasabi sa mga pasahero na sarado na at hindi na magsasakay ng mga pasahero ang MRT buhat sa North EDSA. Pagkalabas ko sa exit point ay binalikan ko ung lalaki na nakasuot ng isang black jacket na mayroong DOTr markings sa likod para pagsabihan siya na huwag na sumigaw dahil gumagamit naman siya ng megaphone at napakasakit sa tenga. Sinabihan ko siya na "brod, wag ka sumigaw sa megaphone. normal voice lang..." subalit sumagot siya nang mayroong katapangan na "okey lang yan para marinig" at nagpatuloy siya sa kanyang pagsasaalita ng pasigaw sa mga tao habang gamit ang megaphone. Hindi ko nan ga pinansin yung mga naka-unipormeng security guards ng Kaizen Kaizen Security Agency na nakapalibot sa kanya na nagtatawanan pa.

Sa pamunuan ng DOTr at sa namamahala sa Kaizen Kaizen Security Agency baka naman po pwede na sabihan natin ang mga empleyado, maging ito man ay security guard o personnel na wag naman masyadong mayabang at mapagmalaki at matutong makinig sa sinasabi ng publiko.

500 Cybersecurity scholarships open to qualified government workers

QUEZON CITY, (PIA) – Are you interested to establish a career in Cybersecurity? This maybe your chance.

Google Philippines, in coordination with the Department of Information and Communications Technology (DICT), is set to award 500 Cybersecurity Career Certificate scholarships to qualified government workers and DICT employees, providing them with the necessary skills set to identify and mitigate common cybersecurity risks, threats and vulnerabilities.

Through the 3–6-month self-paced program, qualified government workers and Department employees will be able to acquire the skills for an entry-level job in cybersecurity even without prior experience.

"The Cybersecurity Google Career Certificate will help in the upskilling of the Filipino workforce to be globally competitive. This will also equip them with the skills needed to have resilience against cyber attacks and to build a safer and more secure online world," DICT Secretary Ivan John Uy.

"The DICT thanks Google for this generous effort in helping the Philippines in its digital transformation journey and looks forward to more opportunities for cooperation," Uy added.

The ICT Literacy and Competency Development Bureau (ILCDB) is responsible for the evaluation, nomination, distribution, and monitoring of these accounts to qualified recipients of Google Career Certificate (GCC) Scholarship in cooperation with the DICT Regional Offices.

According to the Workforce Study made by the International Information System Security Certification Consortium (ISC2), there is a gap of 3.4 million cybersecurity workers worldwide.

Currently, the Philippines has only 202 cybersecurity professionals holding Certified Information Systems Security Professional (CISSP) certification.

"Creating more pathways for Filipinos to acquire the right digital skills and to competitively enter the cybersecurity field is essential. Google is deeply committed to working closely with our local partners across the public and private sectors to help develop the next generation of cybersecurity workforce and experts in the country," said Bernadette Nacario, Country Director of Google Philippines.

Interested candidates may inquire with ILCDB by emailing ilcdb@dict.gov.ph.

PBBM, tiniyak ang pagpapatuloy sa AFP modernization at pagsusulong ng social protection ng military

BAGUIO CITY (PIA) -- Siniguro ni Pangulong Ferdinand R. Marcos, Jr. ang pagpapatuloy sa Armed Forces of the Philippines (AFP) Modernization Program.

Sa pagharap nito sa graduating class ng Philippine Military Academy nitong Linggo (May 21), inihayag ng Pangulo na ang paghahanda ay kaakibat ng nagbabagong security environment at para sa anumang banta na maaaring kaharapin ng bansa.

"Purveyors of criminality, insurgency and terrorism are the great interlopers in our peaceful aspirations that undermine our peace and our stability, and our march to prosperity in our sovereign domain and its environs," ani Pres. Marcos.

Dahil dito ay patuloy aniya ang pagpapatupad nila sa AFP Modernization Program sa pamamagitan ng pagbili at pag-upgrade sa mga military assets ng bansa.

Ayon sa Pangulo, pinag-aaralan na rin ng pamahalaan ang pagpapaganda ng social protection para sa military at uniformed personnel. Kamakailan ay nilagdaan niya ang Republic Act No. 11939 na nag-aamyenda sa RA No. 11709 na naglalayong mas mapalakas pa ang professionalization at merit system ng AFP.

"Because of this, you now join a modern and professional organization which is now more effective, and even more formidable vehicle for public service and nation building, and a continuing source of pride and self-fulfillment for the individual personnel," si Pangulong Marcos.

Ang RA No. 11709 na nilagdaan ni dating Pangulong Rodrigo Duterte ang nagtatakda ng 'fixed term' para sa mga pangunahing military positions. Sa naamyendahang batas sa ilalim ng RA No. 11939, ang AFP Chief of Staff ay may maximum tour of duty na tatlong magkakasunod na taon maliban na lamang kung i-terminate ito ng Pangulo.

Ang Commanding General ng Philippine Air Force at Philippine Navy, Flag Officer in Command ng Philippine Navy, at Superintendent ng PMA ay mayroon lamang dalawang magkasunod na taon na tour of duty.

Nakasaad sa nasabing batas na ang mga nasabing opisyal ay hindi rin eligible sa anumang posisyon sa AFP maliban na lamang kung ma-promote bilang chief of staff.

Ang pagreretiro ay compulsory para sa mga opisyal na Second Lieutenant/Ensign hanggang Lieutenant General/Vice Admiral kapag narating na nila ang edad na 57 o pagkatapos ng 30 taon na active duty. Applicable din ito para sa mga enlisted personnel. ***(JDP/DEG-PIA CAR)***

METRO MANILA OPEN TENNIS PAGUE WAGI KAY ANASTA

Ipinakita ni Joma Pague ang kalakasan upang talunin ang second seed na si Elbert Anasta sa men's singles quarterfinal ng Metro Manila Open tennis tournament sa Philippine Columbian Association indoor shell court sa Paco,

Natalo ang 22-anyos na netter mula sa Zamboanga Sibugay sa ikalawang set sa kabila ng pangunguna sa 4-1. Ngunit bumalik siya ng malakas sa susunod na set para manalo sa laban, 6-4, 4-6, 6-2. "I had expected a tough match because Anasta is a very good player," said the sixth-seeded Pague, who will meet the winner between wild card Arthur Craig Pantino and Alexis Acabo.

Tinalo rin niya si Anasta sa final ng Brookside Open sa Cainta, Rizal dalawang linggo na ang nakararaan. "Sana, matuloy ko ang winning form ko at makapasok ako sa final," ani Pague, quarterfinalist sa PCA Open noong nakaraang taon.

Tinalo ng Capadocia si Elizabeth Abarquez, 6-2,6-0, para ayusin ang semifinal duel kay sixth seed Makeilah Nepomuceno, na nanalo kay wild card Kim Iglupas, 6-3, 2-6, 5-5 (ret.). Adbokasiyang Edukado at responsibleng pag mamay ari ng baril kaisa si Dela Rosa

ANG paglago at pag-unlad ng industriya ng paggawa ng baril ay nakasalalay sa paglaki ng populasyon ng mga edukado at responsableng may-ari ng baril.

Sinabi ni Senador Ronaldo 'Bato' Dela Rosa na kaisa siya sa adbokasiya ng Association of Firearms and Ammunition Dealers, Inc. (AFAD) sa paglaban sa loose firearms, gun safety at responsableng pagmamay-ari ng baril.

"Dapat patuloy nating turuan ang ating mga netizen tungkol sa pagmamay-ari ng baril. Ating ipropagate ng husto ang responsible gun ownership. Kung lahat tayo ay magiging responsable, mas marami ang magiging miyembro ng ating society na may-ari ng baril hindi lang mga simpleng hobbyist at sportsmen.

Pag ganito, hindi magiging mahigpit ang gobyerno sa mga manufacturer at importer mas maganda para sa industriya," ani Dela Rosa sa maikling mensahe sa pagbubukas ng 29th AFAD Defense and Sporting Arms Show sa SMX Convention sa Pasay City.

Kinikilala ni Dela Rosa ang kontribusyon ng industriya ng armas hindi lamang para sa paglikha ng mga trabaho para sa mga Pilipino kundi maging sa paglago ng ekonomiya sa pangkalahatan.

"Ilang mangagawa ang nakikinabang sa industirya na ito?

Mula sa paggawa ng piyesa, accessories and paraphernalia. Yung mga importer natin hindi biro ang naibabayad nilang tax. Kung gumaganda ang industriya susunod ang ekonomiya," ani Dela Rosa, na ang pamilya ay kilalang sports shooting campaigner.

"Ang aking sariling anak na babae at ang aking manugang ay parehong champion shooter. Kaya kayong masasamang loob na nagbabalak, ayusin ninyo at may paglalagyan kayo," pabirong pahayag ng dating Philippine National Police (PNP) Chief in jest.

"Sa isang seryosong isyu, kailangan nating magtulungan sa isa't isa, kailangan nating magkaisa at ilagay ang ating makakaya upang matulungan ang industriya na lumago, maging matatag at makatutulong sa pagbuo ng bansa," dagdag niya.

Ang pangulo ng AFAD na si Alaric Topacio ay nagpahayag ng kanyang mainit na pasasalamat kay Dela Rosa, iba pang mambabatas at iba't ibang ahensyang nagpapatupad ng batas sa patuloy na pagsuporta sa industriya at pagtulong sa lokal na tagagawa at importer.

"Nangunguna sa misyon ng AFAD ay turuan ang bawat Pilipino hindi lamang ang mga hobbyist, sportsman at private gun owners kung paano maging responsableng may-ari ng baril. Mula sa isang grupo ng nagbebenta ng baril, ang AFAD ay nagiging isang asosasyon na naglo-lobby ng mga panukalang batas upang lumikha ng batas na kapaki-pakinabang sa lahat ng mga stakeholder," diin ni Topacio.

Idinagdag ni Topacio na bukod sa mga karaniwang aktibidad sa pag-renew ng mga lisensya at aplikasyon para sa mga bagong rehistradong may-ari ng baril, nag-aalok ang AFAD ng mga seminar tungkol sa kaligtasan ng baril, pagtatanggol sa sarili, seguridad, at responsableng pagmamay-ari ng baril.

Ang limang araw na kaganapan na tatakbo hanggang ngayong lunes (Mayo 29) na nag-aalok ng malalaking diskwento sa produkto mula sa mga exhibitors tulad ng Stronghand Incorporated, Final Option Trading Corporation, Force Site Inc, Lynx Firearms and Ammunition; Tactical Precision Trading, Armscor Shooting Center, Defensive Armament Resource Corp., Topspot Guns and Ammo, Lordman Leathercraft Guns and Ammo, True Weight, Tactics SOG Industries Inc., Trust Trade, at PB Dionisio and Co., Inc.

Target ang 5 ginto medalya ng Gymnastics sa paparating na OCBC Singapore

NAGNANAIS ng mataas na pagtakda na layunin sa PH Asian gymnastics tilt Gymnastics Association of the Philippines president Cynthia Carrion-Norton para sa pambansang koponan na maglalaro sa Asian Artistic Gymnastics Championships sa Hunyo 10-18 sa OCBC Arena sa Singapore.

Sa pagsasalita sa online press conference kamakailan, nais ni Norton na makakuha ang PH team ng hindi bababa sa limang ginto sa kompetisyon. Nangunguna sa men's team ang dating world champion na si Caloy Yulo, na muling naghahanap ng puwesto sa World Championships.

Ang nangungunang walong gymnast sa individual all-around event sa Asian Championships ay papasok sa World Championships, na nagsisilbing bahagi ng Paris Olympic qualifying. Kasama ni Yulo sa Philippine team ang kanyang pinsan na si Ivan Cruz at kapwa Southeast Asian (SEA) Games gold medalist na si Miguel Besana.

Nanalo rin si Yulo ng dalawang ginto sa SEA Games, ang individual all-around at ang parallel bars. "Sana ay patuloy kayong maging isang koponan na magkasama tulad ng ngayon," sabi ni Norton, habang binabati niya ang koponan sa press conference.

Sinabi ni Norton na magpapadala rin ang Pilipinas ng women's team sa kompetisyon. Gayunpaman, inaasahan niya ang mas mahigpit na kompetisyon para kay Yulo at sa iba pang pambansang koponan sa Singapore. "Nandiyan din ang China, Japan, at Korea," sabi ni Norton.

Mahaharap ang Pilipinas sa matinding labanan laban sa mga bansang ito, ngunit kumpiyansa si Norton na makakalaban sila ng mga nationals.

POC CHIEF PINAPURIHAN ANG MGA PINOY MEDALISTS SA CAMBODIA SEA GAMES

PINAPURIHAN ang mga Filipino athletes para sa mahusay na trabaho sa 32nd SEA Games sa Cambodia. Ito ang ipinarating ni Philippine Olympic Committee President Abraham "Bambol" Tolentino

Kinatawan ng 840 na mga atleta, nakakolekta ang Pilipinas ng 58 ginto, 85 pilak at 117 tansong medalya para tumapos sa ikalima sa likod ng Vietnam (136-105-118), Thailand (108-96-108), Indonesia (87-80-109) at Cambodia (81-74-127). "It was really a strong performance," said Tolentino during Tuesday's Philippine Sportswriters Association (PSA) Forum at the Rizal Memorial Sports Complex.

Nalampasan ng Pilipinas ang medal na 52-70-104 sa Vietnam noong nakaraang taon, ngunit nabigo itong mapanatili ang pang-apat na puwesto. Binanggit ni Tolentino na 40 sa 87 silver medals na napanalunan ng mga Filipino athletes ay nagmula sa subjective sports kung saan ang resulta ay nasa kamay ng mga hurado. "Yung 40 medals, nahati sa (divided by) Vietnam and Cambodia. Kaya, pag-aralan ito. Conservatively, (we lost) 20 golds," he said during the forum presented by San Miguel Corporation, MILO, Philippine Sports Commission, POC, and the Philippine Amusement and Gaming Corporation (PAGCOR).

Binanggit din ng POC chief ang laki ng delegasyon ng Pilipinas na aniya ay mas maliit kumpara sa nangungunang tatlong bansa sa medal tally board. Ang Pilipinas, na binandera ng yumaong track queen na si Lydia de Vega-Mercado, swimmer na si Eric Buhain, at mga bowler na sina Paeng Nepomuceno at Crystal Soberano, ay nakakuha ng 59 na gintong medalya at pumangatlo noong 1987 SEA Games sa Jakarta, Indonesia. "Sayang. I was really looking at 60 golds for our athletes," said Tolentino, now looking forward to the Asian Games scheduled from Sept. 23 to Oct. 8 in Hangzhou, China.

DOST, Congressman Flores ink partnership to launch project on Pineapple Fiber Extraction in Lantapan

The Department of Science and Technology (DOST) and Representative Jonathan Keith Flores of the 2nd Congressional District of Bukidnon ink a Memorandum of Agreement (MOA) for a project on pineapple fiber extraction in Lantapan, Bukidnon. This collaborative project is envisioned to help minimize the waste management costs of the local growers, process quality pineapple fiber, generate employment, and create opportunity for additional income to the beneficiaries.

The Pineapple Fiber Extraction project is a result of technology needs assessment conducted by DOST Bukidnon with a community in Lantapan. This led to the collaboration of establishing a dedicated facility equipped with specialized machinery. The project involves the processing of 45 tons of pineapple waste. This waste primarily consists of pineapple leaves that are typically discarded after the fruit is harvested. Instead of being treated as waste, the project aims to extract valuable fibers from these pineapple leaves.

The project's target beneficiaries are the sixty-one (61) livelihood members of the cooperative and local pineapple growers in Lantapan, Bukidnon. These individuals will directly benefit from the initiatives and activities of the project, particularly in terms of income generation.

The extracted fibers may be used in various purposes, such as but not limited to textiles, handicrafts, furnishings, accessories, and eco-friendly packaging materials.

DOST through its Community Empowerment through Science and Technology (CEST) program has allocated funding to mobilize capacity building activities and acquire equipment such as a multi fiber decorticating machine, fiber brusher/ spindle machine, and hydraulic presser to extract pineapple fiber. Aside from the provision of technology, DOST will also provide training for fiber extraction, equipment utilization, and maintenance for standard implementation of the extraction process, ensuring that the fibers extracted are of consistent quality.

The MOA signing was conducted in Malaybalay City on May 2, 2023. During the MOA signing, congressman Flores expressed his thanks to DOST for the science and technology-based interventions. "Atong pagpasalamat sa coordination with DOST kay sila pud ang nag step up nga nag provide ani na makina. I hope na kaning inyung grupo, mao lang ang sugod sa atong mga beneficiaries na matagaan ug access to this type of projects in partnership with the DOST para makita pud sa uban unsa ka successful ang inyung gibuhat hinaot unta ma replicate pud para mas daghan pa na komunidad ang magbenefit ani na programa", he said. He emphasized that it's important for this project to be successful so it can be replicated to other parts of the province and thus give benefits to more people.

Also present during the event are the target beneficiaries, Lantapan pineapple growers, DOST Bukidnon Provincial Director Ritchie Mae L. Guno, and the legislative staff of the Bukidnon Satellite Office of Congressman Flores.

This project promotes innovation in the utilization of natural and renewable resources. It aligns with the DOST's broader goals and CEST Program's objective in achieving environmental conservation, promoting sustainable development, and addressing the challenges posed by climate change. ***(Goldy Cordero/DOST 10)***

628 Subanen learners benefit from DOST's S&T Digital library

Six hundred twenty-eight Subanen learners from Geographically Isolated and Disadvantaged Areas (GIDA) in Conception, Misamis Occidental are now actively using STARBOOKS, the country's first S&T digitized library, in seven public schools.

After six months of deployment, teachers have observed significant improvement in learners' competence. The beneficiary schools are Concepcion National High School, Malvar Elementary School, Migubay Elementary School, Balongkot Elementary School, Debaloy Elementary School, Concepcion Central School, and San and Francisco Elementary School.

"In the few months of using this offline teaching tool, we have noticed great results on the side of our learners through their actions and the way they respond to given commands and directions during classes. They are now much more eager to come to school compared to those last times when the said scientific referencing tool hasn't yet been installed. They become more attentive, energetic, and participative in class if the STARBOOKS is the teaching tool to use during discussions", said Ms. Winilyn C. Magdusa, San Francisco Elementary School.

Learners can now explore and learn science and technology in a more comprehensible and enjoyable way amid their isolated geographical location since its installation on September 16, 2022.

Moreover, teachers expressed gratitude to DOST-10 for the assistance as it helped them in delivering their classroom lectures innovatively. "It revolutionized my teaching strategies to the extent that I can explore and connect my subject to interdisciplinary schemes, and for the scientific referencing tool", said Jamael Marohombsar, Debaloy Elementary School.

STARBOOKS is a Science Digital Library developed by the Science and Technology Information Institute of the Department of Science and Technology (DOST-STII) to make S&T information accessible and available to the public, especially those without access to the Internet.

With STARBOOKS installed, learners in these seven GIDA schools can now easily access thousands of digitized science and technology resources. Teachers' dilemma of accessing relevant S&T-related information for their lectures has been addressed. ***(Rogelyn C. Calago, DOST-10)***

BSP to cardholders: Avoid 'sangla-ATM' scheme

QUEZON CITY, (PIA) -- The Bangko Sentral ng Pilipinas (BSP) advises cardholders to refrain from participating in "sangla-ATM" schemes which require them to use their ATM cards and personal identification number (PIN) as collateral for loans.

According to BSP, the "sangla-ATM" scheme may lead to financial troubles for cardholders as it may be difficult for them to monitor withdrawals made by people to whom the ATM card and PIN were given. Creditors may also withdraw amounts higher than the cardholders' debt.

This advisory is issued in line with the BSP's continuing program to guide Filipinos on safe and proper ways to handle money, credit, and savings through financial education and personal finance management lessons.

Likewise, BSP advises borrowers to understand the terms and conditions of loan agreements to protect themselves against unreasonable demands.

For information on microfinance, personal, and other small loan facilities, the public is encouraged to directly inquire with banks and other BSP-supervised financial institutions, such as pawnshops, money service businesses, electronic money issuers, and non-stock savings and loan associations.

For directories and lists of BSP-supervised financial institutions, visit Bangko Sentral ng Pilipinas Financial Stability (bsp.gov.ph). ***(BSP/PIA-NCR)***

PIA, DENR sign agreement to push environmental awareness in Calabarzon

CALAMBA CITY, Laguna (PIA) — The Department of Environment and Natural Resources (DENR) has partnered with the Philippine Information Agency (PIA) in promoting environmental awareness in the Calabarzon (Cavite, Laguna, Batangas, Rizal and Quezon) region using the PIA's digital and traditional media platforms.

Regional Executive Director Nilo Tamoria of the DENR and PIA Calabarzon Director Ma. Cristina Arzadon signed an agreement to promote the various environmental initiatives and directives of the department through the agency's online platforms and radio programs in Laguna, Batangas, and Quezon.

Tamoria recognized the reach of PIA Calabarzon's platforms in disseminating timely and relevant information through its radio and social media platforms and in countering disinformation.

One of the goals of the partnership is to inspire change in the everyday behavior of the public and to inspire more advocacies in environmental protection, Tamoria added.

"Ang effectiveness po ng ating partnership ay hindi makukuha kung ilang press release, photo release, ilang radio programs ang ating magagawa. Kundi yung ilang tao na nagkaroon ng pagbabago ng gawi ng buhay sa pang-araw araw dahil lang sa naintindihan nila ang adbokasiya sa pangangalaga, pamamahala, at pagprotekta sa ating kapaligiran," he said.

In her message, Arzadon thanked the DENR for recognizing PIA's contribution in advancing environmental programs and campaigns in the region using traditional and new media platforms.

"We offer these platforms for the DENR to realize its mandate. Being the government's chief communications arm, our mandate is to help create an enlightened citizenry empowered to make informed decisions," she said.

Arzadon hopes that through this partnership, the DENR will be able to realize its goal of helping communities conserve, manage, and utilize the country's natural resources.

The agreement was signed on Monday, May 22 with Laguna Provincial Information Center Manager Christopher Hedreyda and DENR's Assistant Regional Director for Technical Services Jose Elmer C. Bascos.

Key topics for discussion in PIA programs include the National Greening Program, marine wildlife conservation, reforestation projects, and effects of climate change.

Tamoria recognized the possible hurdles to an effective information drive such as the retention capacity of the public to long-form contents, filled with scientific terminologies.

"Dahilan sa dami ng impormasyon, ang retention capacity ng tao ay napaka-iksi. Pero dahil science ang ipapaliwanag mo, kailangan mo ng mas mahabang puwang. Yun po ang hamon at ang pasasalamat namin sa PIA."

He added: "Ang hamon din sa DENR ay kung paano ang teknikal at scientific na terminologies at mga pag-aaral ay mailagay sa isang layperson's language at maka-adapt dun sa bagong pamamaraan at teknolohiya."

Tamoria is hopeful that the partnership would bear more collaboration among government agencies to attain a common goal.

"Let this partnership be an effective tool in raising awareness and competencies of the residents of CALABARZON in our environmental protection, conservation, and management," Tamoria said. ***(CH/PIA-Laguna)***

GOMEZIAN, ANGAT SA LABAN!

Umangat ang talento ng super mega outstanding favorite na kabayo na si Gomezian matapos manalo noong nakaraang linggo sa ginanap na Condition Race (10 Merged) na inilarga sa karerahan ng Metro Manila Turf Club Inc. (MMTCI) sa Malvar Tanauan City, Batangas. Hindi nagpabaya ang hineteng si Oneal P. Cortez sa ibabaw ng kanyang sakay na si Gomezian na nagtrabaho ng maaga upang makapitan at hindi makalayo ang de bandera na si Gusto Mucho. Sa pagbukas ng aparato ay bumandera antimano ang matulin na si Gusto Mucho na ginabayan ni Kelvin Abobo, kasabay si Charm Campaign na pinatungan ni Elvin Abrea, pangatlo sa tabing balya ang ating bida na si Gomezian, pang-apat ang hindi maganda ang naging salida na si Runawayfromrosenot na pinatnubayan ni Rico Suson, habang si Bombay Nights na nirendahan ni John Alvin Guce ang kulelat sa umpisa. Pagliko sa unang kurbada ay inagapayan kaagad ni Gomezian si Gusto Mucho upang hindi makalayo sa harapan. Pagpasok sa medya milya (800 meter) ay halos magpantay sa unahan ang paborito na si Gomezian at ang segundo liyamado na si Gusto Mucho, pangatlo ng may anim na kabayong agwat ang pinakadehado na si Charm Campaign, bumubulusok naman sa ika-apat na puwesto ang tersero liyamado na si Bombay Nights, habang ang kuarto liyamado na si Runawayfromrosenot ang nalipat sa likuran. Pagsapit sa far turn ay nahawakan na ng winning horse na si Gomezian ang bandera, ngunit hindi pa rin bumibitaw si Gusto Mucho sa unahan, at kumakaripas sa ikatlong posisyon si Bombay Nights. Pagdating sa home stretch ay tuluyan ng naiwanan ni Gomezian ang nauupos na si Gusto Mucho, habang nagbabadya naman sa tabing balya ang matulis na pagremate ni Bombay Nights, ngunit nabigong malampasan ang mahusay na si Gomezian. Sumegundo kay Gomezian ang nabitin na si Bombay Nights, tersero ang dehado na si Charm Campaign, at si Gusto Mucho ang pumang-apat. Naorasan si Gomezain ng tiyempong 1:39.6 (26'-23-23-27) para sa isang milyang distansya o 1,600 meter.

103 KUMPANYANG HINDI NAGBABAYAD NG TAMANG BUWIS, INIISA-ISA NA NG NBI

PATULOY na inaalam ng National Bureau of Investigation (NBI) ang katotohanan hinggil sa impormasyon na mayroon umanong humigit kumulang na isandaan at tatlong mga "dummy or ghost supplier corporations" na sangkot sa mga iligal na gawain tulad ng hindi pagbabayad ng buwis sa gobyerno.

Ayon sa NBI, ang mga nasabing ghost suppliers ang siyang ginagamit umano ng negosyanteng si Bernard "Bren" Chong upang malusutan ang pagbabayad ng buwis sa gobyerno na tinatayang umaabot sa limampung bilyong piso.

Sinabi pa ng NBI na nakalap ng mga ahente ng Anti-Organized and Transnational Crime Division (AOTCD) ang listahan ng mga naturang "ghost suppliers" matapos salakayin ng mga ito ang tanggapan ng Brenterprise International Incorporated na matatagpuan sa Eastwood, Libis, Quezon City noong Disyembre ng nakalipas na taon.

Lumalabas sa paunang imbestigasyon ng NBI, ang mga naturang "ghost suppliers" ang siyang pinagkukunan o pinangagalingan ng mga pekeng resibo na ginagamit naman umano ng Brenterprise International Incorporated.

Nakasaad sa 32-pahina na reklamo na isinumite ng NBI AOTCD sa Department of Justice (DOJ) kamakailan na si Chong din ang CEO ng Bren Esports, isang pribadong kompanya na lumalahok sa mga gaming tournaments.

Ipinaliwanag ng NBI na ang "fake receipts scam" ay naisasagawa sa pamamagitan ng paggamit ng mga pekeng resibo kung saan pwedeng ipalabas ng isang pribadong kompanya na mas malaki ang kanilang gastos kaysa sa kanilang kita upang sa ganun ay mababa lamang ang income tax na ibabayad ng mga ito sa gobyerno na isang paglabag sa National Internal Revenue Code at sa Revised Penal Code. ***(Paulo B Flores)***

Pulis, dedo sa engkuwentro

BINAWIAN ng buhay ang isang pulis habang sugatan ang dalawang kabaro nito sa nangyaring engkuwentro na ikinamatay naman ng dalawang suspek sa Orion, Bataan kamakailan.

Patay na ng idating sa Bataan General Hospital si Cpl. Darnel Alfonso, nakatalaga sa Bataan Provincial Intelligence Unit.

Sinusulat ito ay nasa maayos ng kalagayan ang dalawa pang pulis na sina Maj. Dennis Duran, OIC ng Bataan PIU; at Staff Sgt. Glenn Salac, ng Bataan PIU.

Nabatid na nagsagawa ng buy bust operation ang kapulisan hinggil sa umano'y iligal na bentahan ng mga baril sa Barangay General Lim sa nasabing bayan.

Dahil natunugan umano na mga pulis ang katransaksiyon ay naunang nagpaputok ang dalawang suspek.

Napilitang gumanti ang mga pulis na nauwi sa engkuwentro at humantong sa pagkamatay ng nasabing pulis at pagkasugat ng dalawang kabaro nito habang namatay naman ang dalawang suspek na wala pang pagkakakilanlan. ***RUBEN LACSA***

BNG member, naperder

ISANG miyembro ng Bahala Na Gang ang nakorner ng mga tauhan ng Quezon City Police District (QCPD) matapos manghablot ng cellular phone ng isang babae sa lungsod Quezon kamakailan.

Kinilala ni QCPD Director PBGEN Nicolas D Torre III ang suspek na si Matthew Reginald Eleazar y Tavora, alyas "Reggie", 40, binata, at naninirahan sa 408 Sta. Catalina St., Barangay Holy Spirit, Quezon City.

Lumalabas sa imbestigasyon ng pulisya, ganap na alas otso ng umaga habang naglalakad si Anonuevo kasama ang dalawang kaibigan sa Samar Avenue malapit sa Scout Borromeo St., Barangay South Triangle, Quezon City ay biglang sumulpot si Eleazar at hinablot ang cellular phone na hawak ng biktima at agad tumakas sakay ng motorsiklong Yamaha Mio 125cc. Humarurot ang suspek at pagkanan sa Scout Borromeo St. ay nasalubong ang mga nagpapatrolyang pulis ng QCPD TMRU at mga BPSO ng Barangay South Triangle.

Nasalubong din ng biktima ang mga pulis at BPSO at humingi ng tulong kung saan isinalaysay niya ang pangyayari.

Sinabi ng biktima sa mga pulis ang pagkakakilanlan sa suspek na nakasuot ng black, white at green crash helmet; gray jacket; gray jogging pants at lulan ng kulay blue and black na Yamaha Mio i 125 cc.

Matapos mabatid ng mga pulis na ang suspek at ang nasalubong nila ay iisa, dito na hinabol ang suspek at naabutan sa Scout Torillo St. corner Scout Fuentebella St., Barangay Sacred Heart, Quezon City kung saan dinakip ito.

Kinapkapan ng mga pulis si Eleazar at nakuhanan ng isang hand grenade; isang Cal 45 pistol na mayroong isang bala; tatlong piraso ng bala ng Cal 45; isang kulay itim na inside holster para sa Cal 45 pistol at isang kulay light blue na sling bag.

Ang suspek na nakapiit sa QCPD Station 10 Custodial facility ay naharap sa mga kasong paglabag sa Article 293 ng Revised Penal Code (Robbery); Republic Act 10591 (Comprehensive Law on Firearm and Ammunition) at Republic Act 9516 (Comprehensive Law on Explosives). ***(Paulo B Flores)***

Estudyante, tigbak sa trailer truck

PATAY ang 22-anyos na estudyante makaraang bumangga ang minamanehong motorsiklo sa nakaparadang trailer truck sa gilid ng kalsada sa Amadeo, Cavite Miyerkules ng gabi.

Kinilala ang biktima na si Mark Ladao y Dazo, ng Brgy. Loma, Amadeo, na idineklarang dead on arrival ng mga doktor sa Ospital ng Tagaytay.

Inimbestigahan ang driver ng puting Sinotruk Howo A7 tractor truck na may trailer truck na may plakang CUX 106 na si Romelou Ando, 36, ng Brgy. Cabezas, Trece Martires City.

Sa ulat, dakong alas-7:30 ng gabi naganap ang insidente kung saan minamaneho ni Ladao ang kanyang blue na motorsiklo na Yamaha Mio sa northbound direction sa kahabaan ng CM Delos Reyes Ave., Brgy Dagatan Amadeo.

Aksidenteng bumangga ito sa likurang bumper ng trailer truck na nakaparada sa gilid ng kalsada.

Tumilapon ang biktima sa motorsiklo at tumama ang katawan sa sementadong bahagi ng kalsada. ***GENE ADSUARA***

Kelot, dinampot sa panggugulpi

ISANG 27 anyos na lalaki ang dinakip ng mga tauhan ng Quezon City Police District (QCPD) matapos ireklamo ng pambubugbog sa apat na menor de edad sa Novaliches kamakailan.

Ayon kay PLTCOL Jerry Castillo, hepe ng QCPD Novaliches Police Station (PS 4), inaresto ng kanyang mga tauhan ang suspek na si Zigfred Bartolome habang nasa isang open area na pinagdarausan ng mini concert sa Pasacola St., Area D sakop ng Barangay Nagkaisang Nayon, Novaliches, Quezon City noong gabi ng ika-22 ng Mayo taong kasalukuyan.

Sinabi pa ni PLTCOL Castillo na bukod sa biktimang si John Mark Macaluyos ay nadamay din sa pambubugbog ni Bartolome ang tatlong kaibigan ng binatilyo na pawang mga menor de edad.

Nabatid sa imbestigasyon ng pulisya, nauna na nagkaroon ng hindi pagkakaunawaan sa pagitan nina Macaluyos at Bartolome bandang alas sais ng umaga ng araw na iyun na hindi sinasadyang magkasagian ang dalawa habang bumibili pareho sa isang sari sari store sa lugar at nagkasagutan.

Pagkatapos ng ilang minutong pagtatalo at nakakatawag na sila ng pansin ng mga tao sa paligid ay naghiwalay ang suspect at ang biktima.

Gayunman, bandang alas nwebe ng gabi ng araw na iyun habang nanunuod si Macaluyos kasama ang tatlong binatilyo ng isang mini concert sa naturang lugar ay biglang nilapitan ni Bartolome at pinagsusuntok ang biktima gayundin ang tatlong binatilyo na kasama nito.

Sinubukan ng mga tao na awatin si Bartolome subalit lalo itong nagwala at galit na galit na walang humpay na pinagsusuntok ang apat na biktima.

Dito na tumawag sa Novaliches Police Station 4 ng QCPD ang mga tao at humingi ng tulong. Agad naman nagpadala ng mga pulis si PLTCOL Castillo na ikinadakip ng suspect.

Si Bartolome na nasa Custodial Facility ng QCPD Novaliches Police Station ay naharap sa kasong Physical Injuries in relation to R.A. 7610.

Kaugnay nito, pinuri ni QCPD Director PBGEN Nicolas D Torre III ang mabilis na pagresponde ng mga tauhan ng Novaliches Police Station sa ilalim ng pamumuno ni PLTCOL Castillo na ikinadakip ng suspect.

Hinihikayat ni PBGEN Torre III ang mga QCitizens na kaagad ipagbigay alam sa pulisya ang mga ganitong klase ng insidente para mabigyan ng leksyon at karampatang kaparusahan ang mga taong gumagawa ng krimen. ***(Paulo B Flores)***

Tamang maayos ang paningin pero mas mahalaga ang disiplina; Pagpupugay sa mga kapatid sa hanapbuhay

LAYUNIN ng isinagawang seminar sa may 100 tsuper ng mga pampublikong behikulo ay ang pagkakaroon ng ligtas na pagmamaneho.

Nakasentro ang seminar sa kahalagahan ng paningin na dapat sa pagmamaneho ay nagtataglay ng malinaw na mga mata.

Isinabay na rin sa seminar ang libreng check-up at medical consultations gayundin ang ibang produktong mainam sa mga.

Ipinaliwanag sa seminar na kailangang sa loob ng dalawang taon ay nagpapatingin ng mga mata upang matukoy kung akma pa ang mga paningin.

Tsuper man o hindi ay tama lamang ang pagsasagawa ng regular eye check-up.

Sa pagmamaneho ay isa ang paningin na dapat ay nasa wastong kondisyon.

Bukod sa paningin ay dapat maayos din ang pandinig at maging ang pulso o ang mga kamay at paa.

Tama na maayos nga ang paningin o ang lahat subalit higit na mahalaga sa pagmamaneho ay ang disiplina.

Kawawa ang mayroong disiplina na ginagawa ang tama sa pagmamaneho pero matatapat sa walang disiplina na tsuper.

Kung tutuusin ay walang sakunang magaganap, kung mayroon man ay bahagya at maliit lamang, kung may taglay na disiplina at hindi kayabangan.

'Ika nga sa ibang kasabihan, sa kaligtasan ng sambayanan ay disiplina sa pagmamaneho ang kailangan.
