KAWATAN SA BACOOR CITY UNANG SALAKAY TAGUMPAY, IKALAWA TIMBOG NA DAHIL SA KURTINA

HINDI nakatulong ang pagtatago ng isang 20-anyos na dating helper sa likod ng kurtina upang hindi mabuking ang tangkang muling pagnanakaw sa Bacoor City, Cavite.

Nakulong sa Bacoor City Custodial Center ang suspek na si Jelo Guelan, alias Angela, ng Block 49 Lot 18, Sunflower St., Brgy. Queenrow West, Bacoor City, dahil sa reklamo ni Lilibeth Garcia, 47, negosyante, at ng Block 13, Lot 2 Aquino St., Town and Country West Subd., Brgy Molino 3.

Si Guelan ay dating helper sa bahay ng biktima.

Sa report ni SPO1 Michael Legaspi, Jr., ng Bacoor City Police Station, dakong alas tres ng madaling araw nang magising si Garcia upang isara ang sliding window sa kanilang master bedroom sa 2nd floor ng kanilang bahay .

Gayunman, laking gulat niya nang napansin ang suspek na nagtatago sa likod ng kanilang kurtina kaya nagsisigaw ito dahilan upang tumakas si Guelan sa direksiyon kung saan ito pumasok.

Kinabukasan naaresto ang suspek ng mga nagbabantay na security guards sa subdibisyon kung saan narekober sa kanya ang isang leather pouch ng biktima.

Ayon kay Legaspi ang suspek ay nauna nang pinasok at nagnakaw sa bahay ng biktima noong August 28 at kaya ito bumalik upang muling magnakaw. **GENE ADSUARA**

PDEA confers first 'drug cleared status' to Tagaytay City

TAGAYTAY CITY, Cavite – Cavite's top highland destination Tagaytay City and the upland town of Mendez-Nuñez will be formally conferred the "Drug Cleared" status during the ceremonial awards rite at 2 p.m. on Sept. 17 at the Sigtuna Hall of the Tagaytay Convention Center.

Police Director General Oscar David Albayalde is the invited guest of honor and speaker for the awarding ceremony here.

Tagaytay City, with its 34 villages (barangays), becomes the first city in the province of Cavite to be awarded the 'Drug Cleared' status by the Philippine Drug Enforcement Agency (PDEA) in the Calabarzon Region comprising Cavite, Laguna, Batangas, Rizal and Quezon.

The declaration was based on the city's compliance to the requirements pursuant to the parameters set forth in Section 8 and 11 of the Dangerous Drug Board (DDB) Regulation No. 3, Series of 2017 entitled "Strengthening the Implementation of Barangay Drug Clearing Program"

Cavite Provincial Police Director Senior Supt. William Mongas Segun sees the award more as a challenge and encourages his police personnel to further intensify their efforts "to sustain this 'drug cleared' status which has to be maintained, otherwise PDEA will recall it."

Supt Elmer J. Decena, Tagaytay City police chief , said Wednesday that the city police force is "in high spirits" for this honor.

"This (recognition) will inspire us more to be aggressive and not to be complacent in maintaining its drug cleared status against those individuals who might take advantage of committing any drug offense," Decena said.

He likewise thanked the media "for their major role in our city's anti-illegal drug campaign."

Also, the Municipality of Mendez-Nuñez, with its 24 barangays, will be conferred with the drug cleared status, the first Cavite town to achieve such.

Police Senior Insp. Arnel Mendoza, the chief of police of Mendez-Nuñez, echoed Cavite provincial police director Segun's "challenge" to sustain the drug-cleared status.

Mendoza vowed to intensify police community relations (PCR) to monitor the villages in order to maintain this status.

PDEA Region IV-A (Calabarzon) awarded the Certification of Drug Cleared to both Tagaytay City and the Municipality for Mendez-Nuñez upon validation by the DDB Regional Oversight Committee when it convened at the Bakasyunan Resort and Conference Center in Tanay, Rizal on Aug. 31.

Department of the Interior and Local Government (DILG) Region IV-A Director Manuel Q Gotis, served as the Presiding Officer, together with other members of the Committee (PDEA, PNP, DOH and League of the Municipal Mayors in Calabarzon. ***(Gladys Pino-PNA)***

A sober plea before RP imports pork

LIFE'S INSPIRATIONS: "… `Very truly I tell you,' Jesus answered, `before Abraham was born, I am!'…" (John 8:58, the Holy Bible).

-ooo-

A SOBER PLEA BEFORE RP IMPORTS PORK: I am urging the Duterte government, before it implements any importation of pork as Department of Agriculture (DA) Secretary Manny Pinol appears to be staunchly proposing, to conduct first an honest-to-goodness inventory on how big (or how small) really is the country's need for pork at present and until Christmas time, and what is the true and exact number of pigs that can be available for butchering between now and December.

Certainly, Pinol and his subordinates at DA must thoroughly clarify first the existing "supply and demand" situation on the country's production of pork This is necessary to prove that, indeed, the supposed urgent need to import pork at the present time is genuine and real, not simply made up. I share the concern of some that any permit that the DA will grant for the importation of pork can be used yet again as an instrument of pork smuggling, and also the entry into the Philippines of meat from "double dead" pigs.

Truly, many businessmen are complaining that their operations—and their viability and profitability and continued existence as hog raisers—could be seriously prejudiced with imported pork. They believe that they have the capacity at the moment and even well after Christmas to satisfy the need for pork of our countrymen. I have also been told that the DA move to import pork would favor only a few privileged personalities who are close to the powers that be.

PROOFS OFFERED BY JESUS TO SHOW HE IS GOD THE FATHER (II): From John 8 of the Holy Bible comes another declaration from Jesus that He is God the Father. In John 8:58, Jesus directly said, in the presence of the Jews who were bothered by His teachings, that He, Jesus, is "I Am". As we all know by now, "I Am" refers to God, the One who came down to earth from heaven to save His people, Israel, from their 400 years of slavery in Egypt (see Exodus 3).

Jesus earlier declared He is "I Am", or God the Father, in John 8:24 and 28, where He warned the Israelites that they would die without their sins having been forgiven (and thus making them eligible to enter hell in eternity) if they did not believe that He, Jesus, is God the Father whose Name is "I Am", who is the God of Abraham, Isaac, and Jacob.

In John 8:58, Jesus clarified that even before Abraham was born, He, Jesus, who was during those times not yet 50 years of age according to human standards in reckoning age here on earth, was actually already there before Abraham. This was so because Jesus was "I Am". The Jews refused to accept this statement of Jesus. Because of that, they tried to kill Him by stoning Him, but they didn't succeed in doing so.

WHEN IS A FILING FEE REQUIRED IN CRIMINAL CASES? Here is a follow-up question from Bhelle Merene (bhellemerene.14@gmail.com): "Do I need to spend for a criminal case? I am asking this because I do not have enough money for this." Now, for the benefit of our readers, here was Bhelle's first problem: "God afternoon Sir. I wish to ask about a problem I first referred to the barangay. They have already given me a CFA.

"What should be my next step now so I can continue with my complaint and secure justice over the pain that was caused to me by someone who posted in his FB account many unsavory things against me…" In my answer to this first question, I said Bhelle could already file a case in court after she was given the CFA (or Certification to File Action in court) from the barangay.

Bhelle's question now is: will there be expenses if she eventually filed her case? In criminal cases, there is no filing fee for the filing of a case before the fiscal's office for purposes of a preliminary investigation. The criminal cases can be filed directly with the fiscal's offices even if the complainant does not pay any filing fee. However, if the complainant seeks the payment of damages and his criminal cases that involve damages are finally filed in court, that is where a filing fee would be required.

SALUYOT

FLORENDO CACACTIN

Pakainin ng hilaw na bigas

NAPAULAT na may ilang retailer sa Vigan City Public Market ang nagbebenta ng bigas ng National Food Authority subalit ito ay bilang commercial rice.

Anak ng saluyot naman talaga, ano na kaya ang resulta ng imbestigasyon ng NFA hinggil dito?

Mismong si NFA Ilocos Sur general manager Beverlyn Peralta ang nagsabi na may tatlong rice retailers naturang palengke ang nag-repack ng mga bigas na inangkat ng tanggapan batay sa panayam ng radyo sa kanya.

Tiyak na mas mahal ang presyo ng repacked rice, hanep sa panggugulang ang mga ito.

Pagtitiyak naman ng opisyal na kapag napatunayan ang ulat na ito ay kakanselahin ang lisensiya ng mga negosyanteng sangkot.

Bukod pa ay pagbabayarin o pagmumultahin, dapat siguro ay ipakain nang hilaw sa kanila ang bigas bilang parusa.

Sakaling mapatunayan, tiniyak ng opisyal na makakanselahan ng lisensya ang mga negosyante, gayundin na magbabayad ng multa.

Mukhang kulang ang kaparusahang suspensiyon ng kanilang rice allocation.

Baka kasi hindi umaray o mayanig kung ganyang parusa lamang.

Kung mas mabigat na hatol ay tiyak na magsisilbing leksyon ito para sa iba pang retailers na huwag ng pamamarisan.

Napapag-usapan natin ang ahensiyang ito, sinusulat ko ang pitak na posibleng ipapatawag muli sa Kamara sina NFA Administrator Jason Aquino.

Kasama rin siyempre ang mga kinatawan ng NFA Council na haharap sa komite na pinamumunuan ni Davao Rep. Karlo Alxei Nograles.

Hindi ito tungkol sa alingasngas sa pamilihan sa Vigan City kundi kailangan ang paliwanag ng mga opisyal sa divertion ng budget ng ahensya.

May kinalaman sa malaking bahagi ng 2017 at 2018 Price and Supply Stabilization of Rice fund at ng Buffer Stocking Program fund ng tanggapan ang sinasabing inilihis.

Totoo nga kaya na ito ang ginamit ni Aquino at ng mga opisyal ng NFA Council bilang bayad utang sa Land Bank of the Philippines at sa Development Bank of the Philippines.

Ang paliwanag ni Nograles ay bilang suporta sa mga lokal na magsasaka at pambili ng palay para maging bufferstock ng NFA ang nasabing pondo.

Para sa kapayapaan

NANANAWAGAN ang Armed Forces of the Philippines (AFP) sa publiko ng tulong upang maiwasan ang mga insidente ng pagsabog.

Sa pahayag ni AFP Public Affairs Office chief Col. Edgard Arevalo ay napakahalaga ang kooperasyon ng publiko upang makapigil sa paghahasik ng kaharasan ng mga teroristang grupo.

Isinasaalalay natin ang kaligtasan sa banta ng karahasan at terorismo sa hanay ng militar at pulisya subalit dapat tayo bilang indibidwal ay magkaroon rin ng responsibilidad.

Ang kooperasyon ng sambayanan ay maaaring maging susi sa ikatatagumpay ng kampanya ng pamahalaan laban sa terorismo.

Hindi dapat ipagdamot at lalong hindi kailangang matakot sa impormasyong nalalaman para sa kapayapaan.

CAVITE PROMOTES LGBT ORDINANCE

BACOOR CITY, Cavite – Cavite Vice Governor Ramon Jolo Revilla III is promoting a provincial ordinance, which upholds the right of constituents here regardless of their sexual orientation and gender identity of expression (SOGIE).

Revilla, on his Facebook page (Jolo Revilla), re-posted Monday a video on Provincial Ordinance No. 200, otherwise known as the "Lesbian, gay, bisexual, transgender, queer (LGBTQ) Community Protection and Recognition Ordinance, crafted by the Cavite Sangguniang Panlalawigan (provincial legislative council) - which he presides.

In the video, Revilla solicited public support for the passage of the House bill counterpart, which is still pending enactment.

"Kung naipasa po natin ito sa lalawigan ng Cavite, mas kayang-kaya natin ito sa buong Pilipinas (If we were able to enact this in Cavite, the more we can do it in the entire Philippines)," Revilla added.

He recently pitched to fellow awardees for this year's 'Oustanding Local Legislator' of Superbrands Marketing International, Inc. his authored provincial ordinance that seeks to uphold and protect the rights of LGBTQ.

Revilla took on the occasion as he received his award in Makati City last Aug. 28, his fifth award (received for five consecutive years) since he became Cavite vice governor in 2013.

He spoke before 30 other local legislators, his co-awardees, in the said category.

As the only vice governor to receive this year's award, Revilla reiterated the public servant's role—that is to ensure equal right and opportunities to all, including those in the LGBTQ community.

"Dapat pantay-pantay, hindi dapat inaabuso, hindi dapat binabastos, dapat tinatrato tulad ng isang ordinaryong Pilipino (There should be equal treatment. They should not be abused, maligned, and treated like any ordinary citizen)," he said, pertaining to the LGBTQ community who still experience discrimination, maltreatment and bullying, as backed up by the steady and alarming rise of reported violence on its members for the past 15 years.

The provincial government through the Provincial Social Welfare and Development Office (PSWDO), in coordination with non-government organizations (NGOs) supporting the LGBTQ community, would be directly and primarily responsible for the implementation of the provisions of the ordinance.

On the prohibited acts as specified in Section 4, once the ordinance takes effect, it will be considered unlawful to discriminate against any person and/or group of persons on the basis of their sexual orientation and gender identity and expression or those who belong to the LGBTQ community.

Considered discriminatory are denial of access to public services, refusal or revocation of the accreditation and formal recognition - as well as registration - of any LGBTQ Community in educational institutions, workplaces, communities and similar settings.

The ordinance also prohibits denial of access to and/or the use of private and public establishments, facilities, utilities, transportation and services, including housing, which is open to the general public.

On the subject of 'denial' the ordinance specifies its presence "when a person is given inferior accommodation or services and (there was) rejection of any application, entry or participation.

It also includes subjecting or forcing any person to any medical or psychological examination without the expressed approval of the person involved, except in cases allowed by law.

It will also be against the law to upload or post of pictures, videos and comments on the internet through social networking sites, websites and other social media intended or will demean, debase, degrade and humiliate a person or group of persons; as well as publication and/or use of derogatory and humiliating statements, remarks, comments, articles, videos and pictures in print and broadcast media against a person/group.

The ordinance also gives the LGBTQ equal rights to avail of medical and health services that is open to the general public.

For an effective province-wide implementation, the ordinance specifies that Cavite's local government units (LGUs) are to observe the tenor of the ordinance and to provide for a more applicable approach in mitigating or further dissolving the social biases and impartiality of the community especially in the areas of employment, inadequate protection from abuses, being victimized on the ground of gender impartiality and any other forms of discrimination. ***(Gladys Pino-PNA)***

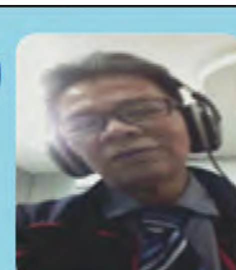
SAAN HAHANTONG ANG KASO NI SEN. TRILLANES 1V, BALIK KULUNGAN BA O BALIK SENADO?

IRESPETO NATIN...

ni Jojo Demetilla



Ang sinasabi natin ay pagtatanong lamang dahilan habang isinusulat natin ito nasa loob parin ng Senado si Sen. Antonio Trillanes 1V at sa labas ng Senado may mga PNP CIDG at mga sundalo na nakaabang sa kanya pag apak sa labas ng Senado upang arestuhin ito sa pagbawi ng kanyang Amnesteya ni ipinagkaloob ng dating administrasyon o ni P-NOY Aquino.

Samantala ang Pangulong Duterte kasalukuyan pang nasa Bansang ISRAEL na bumebisita hindi ang magpagamot katulad ng mga pahayag ng mga kretiko nito sa Pilipinas na may sakit nga ito ang Pangulo natin. Dito sa Pilipinas halos ang Media hindi magkauga sa pag interview kay Sen. Trillanes kung paano mapiga pa ito sa isyu na binabato sa kanya at pagpawalang bias ng amnestiya na ipinagkaloob ng dating administrasyon.

Paano kaya kapag nasa Pilipinas na ang Pangulong Duterte lalo pa sigurong hindi mag-kaugauga ang mga kabaro natin sa paghagilap ng liwanag sa kaso ni trillanes at mga salita na bibitawan ng Pangulong Duterte kung sino ba ang masunod sa 2. Habang si Trillanes naghahanap ng kasagutan at may mga pangungutya pa sa panig ng mga taga gobyerno na ang mga ito ay kagaguhan at hindi man lamang pinagaralan ang kanilang mga hakbang kasabay ng salita nito na magpakalalaki ang Pangulo sabi ng magiting na Senador trillanes.

Hindi muna lalabas ito ng Senado habang di pa malinaw ang lahat sa kwestyonable pag paaresto sa kanya sa mga nakaantabay sa labas ng Senate House na mga awthoridad at inaasikaso ng kanyang mga kakampi ang apela sa higher court upang makalaya na sa labas ng senado. Dumarami ang kwento na first in History na ginagawa ng gobyerno. Una ang pagpapatanggal kay xcj Sereno sa pamamagitan ng petition ni solicitor Atty. Jose Caleda sa pamamagitan ng Co-Warranto at ito pong pagpawalang bisa ng amnesteya ni Sen. Trillanes Iv.

Mababalik kulungan ba ito o kayay malalagpasan nya lalo pang sumisikat itong si Trillanes lalot siya ang halos laman ng mga dyario at radio maging sat v at ang ibang isyu ay hindi halos tinututukan ng ibatibang media at itong isyu sa Drug trade sa loob ng Bilibid na kasabwat ang nakakulong na Senadora Laila De Lima na pa gamin naman ng drug convict na si Jaybee Sebastian aginawang arraignmentsa kaso nito Sebastian sa DOJ KAMAKAILANG LAMANG. CAVITE LOCAL MEDIA TO TAKE PART IN INFORMATION DISSEMINATION ON FEDERALISM

Calamba City, Laguna (PIA) – Officers of the Cavite Province Publishers League, Inc. (CPPLI) an organization of local media publications operating in the province had an opportunity to interview the regional director of the Philippine Information Agency (PIA).

Said discussion was conducted by PIA CALABARZON Regional Director Ma. Cristina Arzadon that aimed to put a stop on disinformation and the spread of false facts about the Federal form of government or "Federalism."

Director Arzadon revealed that the agency which is an arm of the Presidential Communications Office (PCOO) under Secretary Andanar would be launching a massive "information dissemination campaign" with the coordination of other local government agencies, and the local media to clarify the issues about "federalism" and help the people specifically those in the barangay level to have a better understanding of said form of government.

She explained that the agency was just waiting for a formal advisory or instruction from the head office to commence the project when the controversial 'pepe / dede / pederalismo video' by PCOO Assistant Secretary Mocha Uson went viral over social media and gained a lot of negative comments from different sectors.

"Hindi pa nasisimulan ng PIA ang pagpapakalat ng information on the ground dahil inaantay pa natin ang koordinasyon na gagawin ng DILG at PCOO na s'ya ng mga pangunahing ahensya na mangangasiwa ng kampanya. Ang PIA ang s'ya lamang magpapatupad ng INFO campaign," Arzadon said.

"A lot of people still do not know or understand exactly what Federalism is all about and the Department of Interior and Local Government (DILG) has yet to release the accurate information regarding this," Arzadon added, and "there is still no scheduled date to formally begin the dissemination campaign."

The members of CPPLI pledged their support in this endeavor of PIA-CALABARZON as they remain true with their mission of delivering accurate news and truthful facts to their Caviteño readers. Also, CPPLI Vice President Ed Lara Cuvinar suggested that they are willing to assist the PIA-regional office in this information drive on federalism by conducting a forum in the province. ***(Ruel Francisco, PIA-Cavite)***

MGA ARTISTANG HINETE SA ORAS NG KARERA

MADALAS MAKAPANOOD ng mga Biyaheng Kabayo sa TV monitor ang Bayang Karerista tuwing ang mga kabayong tumatakbo sa mga aktuwal ng karera ay pag-aari ng mga may sinasabing Horse Owner. Makikita na madalas ay nagluluksahang sa unahan ang mga kabayo ng mga ito upang hindi manalo ang kanilang kabayo.

Mga hinete na diumano'y hawak ng mga "demonyong" sindikato sa karerahan. Mga sindikatong na magmamaneobra ng mga karera sa TATLONG karerahan dito sa ating bansa.

Inuutusan umano ng mga sindikato ang mga hawak nilang hinete na iperder o ipatalo ang mga sakay nitong kabayo na may malaki panalo sa aktuwal race. Nakapay-roll pa diumano ang ilang mga hinete sa mga sindikato na may hawak sa kanilang leeg.

Matapos ang karera ay nagkikita-kita ang mga "hinayupak" sa isang lugar at dito ibibigay ang kabayaran sa ginawa nilang Magaling na Pag-arte sa araw ng karera.

Hindi lang daw PERA at SASAKYAN ang tinatamasa ng mga ito. Minsan ay may magagandang "Bebot" pang inireregalo sa mga kumag.

Mga ilang sikat na hinete ang hawak din daw ng mga nagpapatakbo ng mga ILEGAL na pasugalan o illegal na mga BOKIS.

Sa mga opisyal ng Philippine Racing Commission (PHILRACOM) at mga Board Of Stewards (BOS) ng tatlong karerahan sa bansa, manmanan ninyo kung sino ang mga hineteng ito.

OOO

Marami ngayon napupuna ang Bayang Karerista sa lagay ng Karera ng Kabayo dito sa ating bansa. Madalas daw lagi na off-line ang mga MAKINA ng mga Off-Track Betting Station sa oras ng TAYAAN.

Ang mataas na KALTAS ng TAX sa bawat karerang binibitawan. Ang mga debidendo ay madalas ngayon ay MALIIT na lang ang binibigay sa mga tumatamang ticket.

Ang BIGLAANG SCRATCH ng outstanding favorite sa betting ay bigla rin patatakbuhin ang nasabing karera. Hindi muna daw hintayin makapag-REFUND ang mga mananaya para makataya uli.

Madalas inuuna pa ng mga Machine Teller ang TAWAG sa kanilang Cellphone ng mga nagpapataya sa kanila. Bakit daw hindi unahin ang mga naka-PILANG mananaya.

COMELEC Commends DOE

TAGUIG CITY - The Department of Energy (DOE) received a commendation from the Commission on Elections (COMELEC) today for ensuring sufficient power supply during the nationwide Sangguniang Kabataan Elections on 14 May 2018.

COMELEC Acting Chairman Al A. Parreño presented the award to DOE Secretary Alfonso G. Cusi in appreciation of the Department's unwavering commitment to protect the country's democratic processes through genuine public service.

In support of the Duterte Administration's objective to ensure orderly and peaceful elections, the DOE convened the Task Force on Energy Resiliency (TFER) in May.

The TFER is composed of representatives from the National Electrification Administration, National Grid Corporation of the Philippines, National Power Corporation, National Transmission Corporation, Philippine National Oil Company, and the Power Sector Assets and Liabilities Management Corporation.

The Task Force also worked closely with the national security group, which included the National Security Council, Armed Forces of the Philippines, Philippine National Police, Bureau of Fire Protection and the Philippine Coast Guard during the election period.

Cusi Launches "Mindset Revolution" Program

TAGUIG CITY – Reiterating previous calls to veer away from a "business-as-usual" attitude, Department of Energy (DOE) Secretary Alfonso G. Cusi launched yesterday (23 August) a department-wide "Mindset Revolution" Program (MRP) in a move to raise the benchmark of public service within the DOE.

"We always talk about change and how lasting change begins from within. This entails altering our perspectives. Huwag tayo magpabihag sa mga nakasanayan na. Hindi dapat gawing dahilan yung 'yan na yan' o 'yan na kasi ang inabutan ko eh'," Sec. Cusi said

(We should not allow ourselves to be stunted by routine. "It is what it is", or "It is already what I came into", should not be used as an excuse.)

Under the MRP, all members of the DOE family are encouraged to self-reflect, particularly on how things are being done at the Department and transform them for the better. All officials and employees are invited to submit to the Office of the Secretary their ideas, suggestions or solutions that would further enhance the agency's processes and overall functions, as well as foster the spirit of innovation within the Department.

Proponents of proposals that will be implemented will receive, among others, a Certificate of Recognition and the fulfillment of translating his or her vision into action.

Sec. Cusi further underscored that for deep-rooted developments to occur, such mindset revolution should start from within.

"We should be the change we are espousing. If there are errors, let us immediately correct it. If there are blind spots, let us fix it. If something could be improved further, then let us do it. Mula sa atin para sa ikagiginhawa ng lahat," the Energy Chief emphasized.

PROTECTING AND ENSURING THE SAFETY OF THE PUBLIC: Governor Boying Remulla ensured the public of its safety as he led the distribution of 2,002 units of handheld radios and 2,860 reflectorized vests to the barangay tanod in Cavite City and the municipalities of Kawit, Rosario and Noveleta . During the event, Cavite PPO Deputy Police Director for Operations PSUPT Michael Ceciliano was also in attendance who communicated and explained the roles of barangay tanod under the Local Government Code. Likewise, a total of 1,430 books about disaster awareness were distributed for the consumption of the community to adopt consciousness on disaster management . First District Board Member Gilbert Gandia, together with Kawit OIC-Mayor Juan Ysmael Gandia, Cavite City Mayor Totie Paredes and various councilors and barangay chairmen in the province were also present during the event. —**(PICAD)**

STORM BELL, NAKATIKIM NG PANALO

Nagpamalas ng kakaibang galing ang kabayong si Pride Of Laguna na ginabayan ng hineteng si Jonathan Juco sa paunang karera na ginanap sa pista ng Santa Ana Park sa Naic, Cavite matapos talunin ang 3rd Leg winner ng 2018 PHILRACOM Triple Crown Stakes Race na si Talitha Koum na sinakyan ni Deo Fernandez. Inagaw ni Juco sa largahan ang bandera upang hindi na makaporma na makadikit sa kanila sina Deo at pagsapit sa huling diretsahan ay unti- unti lang na ginalawan si Pride Of Laguna sabay sibat ng may apat na kabayong layo pa hanggang sa makatawid sa meta. Samantala nanaig sa laban ang sakay ni aero cool Unoh Hernandez na si Storm Bell sa naganap na PCSO Special Maiden Race (2YO Open). Sa largahan ay agaran na bumandera ang nagwagi sa trial race na si Golden Buzzer ni Jeff Zarate ng may tatlong kabayong agwat kay Inter State ni Deo Fernandez habang nasa tersero puwesto si Storm Bell kasunod ang dalawa pang kasali na sina Snap Dance ni Apoy Asuncion at Caloocan Girl ni Onyok Garcia. Sa may medya milya (800 meters) ay bahagyang hiningan ni Unoh ang dala niyang si Storm Bell, kaya naagaw nila ang segundo puwesto habang nasa unahan pa rin ang dala ni Jeff. Papasok sa may tres oktabos (600 meters) ay gumalaw na rin sa ibabaw si Jeff, senyales na naramdaman niya na mas malakas sa kanila iyong biglaang tumabi sa labas na sina Unoh hanggang sa magkapanabayan na silang dalawa. Subalit pagkaliko sa huling kurbadahan ay mas malakas pa ang sakay ni Unoh kontra kina Jeff, kaya sa tindi ng pagkamot ni Storm Bell sa huling 200 metro ay lumayo pa nang husto ng may mahigit sa limang kabayong agwat pagtapat sa linya sa sorpresang nasegundong si Caloocan Girl. Magkakadikit na dumating mula sa tersera sina Inter State, Golden Buzzer at si Snap Dance. Tumapos ang karerang iyan ng mabilis na 1:13.4 (24'-22'-26') para sa distansiyang 1,200 meters. Nakatanggap ang koneksiyon ni Storm Bell ng Halagang P780,000 bilang guaranteed prize mula sa tanggapan ng PCSO at halagang P65,000 para sa breeder. Binabati ko rin ang naghanda kay Storm Bell na si trainer Donny Sordan sa pagkapanalong iyan.

KAILAN NGA BA MATATALI SI JESSY MENDIOLA?

MARAMI na ang nagtatanong kung kailan nga ba matatali si Jessy Mendiola.

Nasasabik na sila sa panahon na lalagay na sa tahimik na buhay ang aktres.

Ang katanungan ay kung kailan ba magaganap ang pag-iisang dibdib niya sa boyfriend actor niya na si Luiz Manzano.

Kung no comment si Jessy ay nagbigay naman ng kanyang dahilan ang aktor sa isyung kasalan.

Ang mahalagang banggit ni Luis ay ang pagpapakita niya ng pagkaunawa sa mga tao.

Dagdag pa ng aktor na nirerespeto niya ang ipinapakitang interes ng mga tao sa usaping ito.

Naiintindihan ni Luis ang pagtatanong tungkol sa wedding nila ni Jessy.

Basta right time na lamang ang palaging nasasambit ng TV host-actor.

Siya mismo naman ay nasasabik at ang pananabik na iyon ay ayaw niyang mawala.

Hayun at kapag dumating na ang right time for sure ay hindi maipapaliwanag ang feelings ng aktor para sa kanyang love.

Kaya tayong press people pagbigyan na natin ang pakiusap ni Luis.

Ang kanyang pakiusap kasi sa media kung maaari ay huwag na raw siyang tanuning sa isyung ito.

Wish granted ang pakiusap mo Luis, maghihintay na lamang kami.

"KINABAHAN din ako 'dun eh, akala ko ay mabubuking na ako ni misis."

Pagkatapos muling makalusot kay Inday bunga ng mga pagsisinungaling ay subsob muna uli sa trabaho si Kardo.

Pero siyempre ang regular o lingguhang pagpunta at pananatili kina Lyka ay kasama sa iskedyul ni kapitan.

Ikinuwento ni kapitan kay Lyka ang ginawang pagsalubong at pakikipag-usap sa kanya ni Inday.

"Hahaha, mabuti na lamang at marunung na marunong ka na talagang magpaikot ng ulo."

Tatawa-tawa si Lyka habang pinakikinggan ang mga kuwento sa kanya ni Kardo.

Paanong hindi magiging bihasa sa pagsisinungaling at pambobola si Kardo ay si Lyka mismo ang nagturo.

"Magtatatlong taon na ang anak natin, ano pala ang plano mo?"

Sadyang kay bilis ng takbo ng panahon dahil nalalapit ng maging three years old ang anak nina Kardo at Lyka.

Iyong una at ikalawang taon ay present si Kardo sa birthday celebration ng kanilang anak ni Lyka.

Kung nalalapit na ang three years old ng kanilang anak ay malapit na rin matapos ang tatlong taon ni Kardo sa barangay bilang kapitan.

"Bahala na."

Ito lamang ang tanging nasambit ni Kardo sa katanungan sa kanya.

Problemado siya dahil ikatlong termino na niya bilang barangay chairman.

Hindi na siya ubrang kumandidato pa dahil last term na nga niya.

Kapag wala na serbisyo ay hindi alam ni Kardo kung paano pa niya mapapahiram ang kanyang oras kay Lyka.

"Paanong bahala, eh bakit ganyan ang sagot mo?"

Hindi komporme si Lyka sa pagsabi ni Kardo na bahala na sa 3rd birthday ng kanilang anak.

First at 2nd birthday kasi ay mabilis na nakasagot si Kardo para sa selebrasyon.

Kahit naman hindi magtanong ay alam ni Lyka ang dahilan ni kapitan kung bakit ganoon ang sagot sa kanya.

"May suggestion ako sa iyo."

MANANANGGOL

Sa panulat ni Kuya Arman

(ika-80 labas)

"MABIGAT ang kakaharapin mong asunto, murder ang maaaring maging kasunod na kaso mo."

Tinanong ni Caloy ang lagay ng kanyang nasaksak at inaalam kung patay ba.

Unti-unti ay nagiging mahinahon na si Caloy sa pakikipag-usap kay Dagul.

Hindi pa naman nakakatiyak si Dagul sa kung ano na ang kalagayan ng biktima.

Batay sa kanyang tipster ay hindi naman malubha nang dinala sa ospital at sinasabing medyo may tsansa na ang biktima ay mabubuhay pa.

Medyo tinatakot lamang ni Dagul si Caloy at epektibo naman ang kanyang estratihiya.

Sa madaling salita ay nakukuha na ni Dagul ang kiliti at kahinaan ni Caloy.

"Ako ang magiging abogado mo kaya lahat-lahat ng katotohanan ay kailangang sasabihin mo sa akin."

"Kung magiging sinungaling ka sa akin ay hindi ko maipapangako na matutulungan kita."

"Pero kung lahat ng mga itatanong ko sa iyo ay totoo ang mga sagot mo ay malaki ang iyong magiging tsansa."

"Uulitin ko, kung puro pagsisinungaling ay tiyak na mabubulok ka sa bilangguan."

Walang kaalam-alam si Caloy na dahan-dahan na siyang nahuhulog sa patibong ni Dagul.

"Opo 'atorni, natuto akong magbisyo at 'di lamang sugal kundi pati drugs."

Sinisimulan na ni Dagul ang pagkuha ng mahahalagang impormasyon kay Caloy.

Para mas lalong mahulog ang kalooban ay dinadalhan ni Dagul ng pagkain, sigarilyo at damit si Caloy sa piitan.

Sa bawat pagdalaw sa kulungan at pakikipag-usap ay dumarami ang nakukuhang impormasyon ni Dagul kay Caloy.

"May kamag-anak o kilala ka bang Tita Arevalo?"

Halatang-halata ni Dagul ang biglang pagbabago ng reaksiyon o aura ng mukha ni Caloy.

Nanahimik bigla si Caloy at walang ginawa kundi bumuga nang bumuga ng sigarilyo.

"Baka nalilimutan mo ang usapan natin ha."

GENERAL TRIAS CITY, Cavite – City police drug enforcers seized some PHP 130,000 worth of suspected "shabu" from a drug pusher and his cohort during a buy-bust operation Monday evening in Barangay Pasong Kawayan 1 here.

PIA chief calls for responsible use of social media

BAGUIO CITY — With the emerging social media literacy in the country, Philippine Information Agency (PIA) Director General Harold Clavite is urging the public to first verify information before "sharing" it on social media to avoid spreading false information.

"Responsible sharing of information is not just an advocacy that starts with the government, nor with whoever runs social media platforms. It starts with you," Clavite said in a lecture at the National Literacy Conference and Awards here on Wednesday.

He described a responsible social media user as someone who "provides and shares only the right information to empower people and communities."

He said providing the right information will combat fake news circulating in any social media platform.

"We can spot fake news by considering the source, checking the date, reading beyond content, making a quick search on the author, checking personal biases, verifying supporting sources, such as the link, and consulting an expert," he said.

For Clavite, what people share on their social media accounts reflects their personality.

He said verifying information before sharing it is an exercise of responsibility. ***(Pamela Mariz Geminiano-PNA)***

DOH CALABARZON WORKS FOR FREE BLOOD

"Our objective is to make all blood products free, readily available, everybody knows where to get them and to establish a system where no one will ever complain because of the need for blood," this was the statement by DOH-CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) Regional Director Eduardo C. Janairo during the National Voluntary Blood Services Program (NVBSP) Stakeholders Forum held at the H2O Hotel in Luneta, Manila on August 30-31, 2018.

"We will establish a service delivery network for acquiring blood products for CALABARZON. Through this system, a person will know where to get the type of blood that he/she needs, there will be a proper transportation of blood products from the facility to the location of the person needing blood, and there will be a continuous supply of blood products at all times," Janairo explained.

"There should be no queuing and looking for someone to donate blood as replacement for the blood needed for transfusion. The patient might already be dead before the relatives can find a suitable blood donor. These scenarios must be avoided because burdens patients

CALABARZON has three blood centers, 14 blood banks with hospital based functions (L1, L2, L3), 4 non-hospital based blood collecting units (BCU)/blood station (BS), 23 hospital based L1 blood station and 56 hospital based L1 & L2 blood station.

According to CALABARZON-NVBSP, there are a total of 144,098 whole blood collected from the target of 146,593 with a 98% accomplishment in 2017.

Janairo also added that the region will work for processing fees to be subsidized by the government. "We will exert efforts to make this system work by next year and hoping that all regions will follow suit."

"We will continue to support all community activities to make blood available for generations to come. We must strengthen and unify our efforts to make this endeavor possible. Blood should be shared. It is a humanitarian thing and it should not be paid for because it is free!", he concluded. **BN**

Masahol pa sa walang pinag-aralan

ANG mga bahay sa subdivision, ang harapan bilang extension ay magsisilbing garahe o paradahan kung ikaw ay mayroong sasakyan.

Pero sadyang napakarami ang likas na may katigasan ang ulo dahil sa kabila na mayroong sasakyan ay sa labas o harap lamang ng bahay ipinaparada.

Nagsisilbing parang sala o reception ang dapat na garahe nito.

Problema pa ay sasakop ng espasyo sa katabing bahay ang pagkakaparada ng sasakyan.

Kapag nasisita o nasasabihan, ang tinamaan na magaling na lintek ay matatapang pa.

Ganyan ba ang klase ng mga tao ngayon? Kung ikaw ay isang matino at disiplinadong driver o may-ari ng sasakyan ay isa sa mga kabilang na dapat mong tataglayin ay ang tamang pagpaparada ng sasakyan.

Iyon bang tipong alam mong wala kang maiistorbo o mapeperwisyo.

Pero sabi ko nga, nakakarami talaga ang walang pakialam sa mundo.

Basta sila ang mahalaga sa kanila ay maiparada ang sasakyan nila kahit sa maling lugar o pagkakahimpil.

Hindi patapangan ang labanan sa ganitong usapin bagkus ay sukatan ng iyong pagkatao.

Marami na ring insidente ng karahasan o gulo na pinag-uugatan ay ang maling parking.

Nauuwi sa away dahil kung sino pa ang may kasalanan ay siya pang mga hambog.

Kulang na kulang talaga sa disiplina ang mas maraming nagmamaneho.

Kitang-kita naman ang pruweba sa mga lansangan pa lamang kung anong uri sila ng driver.

Ulitin lamang po natin, isaayos lang ang parking nang wala kang naaabala.

Kung sakali naman na wala talagang mapaparadahan at saglit ka lamang na ang puwesto ay sa tapat ng ibang bahay ay kumatok at makiusap sa may-ari.

Huwag iyong basta mo na lamang itatapat sa ibang bahay ang sasakyan at iparada ang sasakyan na hindi ka man lang nagpapaalam.

Maraming ganyan, ano kaya ang tawag sa kanila.

Siga ba o mayabang? O masahol pa sa walang pinag-aralan.

Bus biyaheng Cavite, manatili sana sa Lawton

NAPIPINTO ang pagkakawala ng mga bus sa area ng Lawton sa Maynila na mayroong biyaheng Cavite.

Ito ay sa sandaling maililipat na ang mga bus sa kanilang panibagong terminal.

Ang siste ay magdadalawang sakay, papunta sa terminal at pagkatapos pos ay lilipat ng bus.

Panibagong pahirap ito kung sakali dahil dagdag sa budget na halos madodoble ang dati lamang na sanang ipinapamasahe.

Sakripisyo ito sa bulsa ng mga magulang na mayroong mga anak na estudyante.

Kung maraming estudyante na nagdodormitoryo sa area ng Intramuros ay marami rin sa kanila na ang sistema ay uwian sa Cavite arawaraw.

Mas gusto nilang arawan ang pagpasok at pag-uwi, adjust nga lamang sa oras.

Maagang gigising para makaalis ng Cavite at makapasok sa unibersidad.

One ride lamang at nasa Lawton na sila na relaks at komportable sa biyahe.

Ganoon din sa paguwi, lakad lamang papuntang Lawton at sakay na agad ng bus.

Hindi lamang mga estudyante, maging ang iba pang trabahador sa pribado o pampubliko man ay nais na arawan ang kanilang uwi sa Cavite.

Kung mangyayari ang nakaumang na terminal ay lilipat o magdadalawang sakay pa sila.

Halimbawang ang gastos nila sa pamasahe balikan sa isang araw ay fifty pesos ay posibleng maging eighty o ninety pesos na daily.

Kaya naman hindi lamang ang mga estudyante ang sakripisyo kundi maging ang bulsa o budget ng parents at mga nagtatrabaho.

Kabilang din sa pahirap ay ang mga maliliit na mangangalakal mula sa Cavite na dinarayo ang Divisoria.

Sa Divisoria, halimbawang umarkila sila ng pampasaherong jeep going Lawton para sa kanilang mga ipinamili kahit paano ay mababa ang bayad.

Paano na kung idiretso sa terminal, tiyak na mahal o mataas ang singil.

Marami pang dapat tingnan o ikonsidera bago sana ganap na mangyari ito.

Kaya sana naman ay manatili na lamang ang mga bus biyaheng Cavite sa area ng Lawton.

Dalawang bagay lang 'yan, ano sa palagay mo Tata Benny?

Tama ba o may tama ka?

"Malinis Masarap, Laging Bago"
