Paliwanang ni Janairo na maaring suriin ng doctor ang isang pasyente sa pamagitan lamang ng internet connections kung saan maaari silang magusap, masuri at magamot ang sakit nito na hindi kailangan magbiyehe papunta sa ospital.

Bacoor City inaugurates school buildings in Molino IV

BACOOR CITY, Cavite – Two new 4-storey classroom buildings were inaugurated on Tuesday in Molino IV village here to address classroom congestions in elementary and high schools in the densely-populated school campuses.

Bacoor City Mayor Lani Mercado Revilla led the inauguration and blessing of the 4-story, 8-classroom building at Likha Elementary School and of another 4-storey, 12-classroom building of Georgetown National High School, both located in Molino IV village.

The city public information office said the additional school buildings form part of the city's commitment to provide a conducive learning environment for its school children and "help reduce the per classroom student ratio to only 40 schoolchildren per classroom."

While at Likha Elementary School, Mercado also took distributed school bags to schoolchildren and promote the "Bakood" Festival activities, which the city annually holds in honor of its patron saint, St. Michael the Archangel, as well as the city's 347th founding year.

According to Molino IV village chief Jeffrey Campaña the new school buildings boast of multi-benefits.

"Una, ang pakinabang ay para sa mga magulang at batang mag-aaral, pangalawa hindi na kailangan lumayo para makapag-aral o makapagtapos, Campaña shared (first, it benefits the parents and students, second one needs not go far to study and finish a degree).

The new school buildings will also ensure a conducive environment for the schoolchildren, "dahil maaliwalas, bago." (it's spacious, new).

With the new additional classrooms, more students will also be accommodated.

City councilor Joselito Pagulayan and members of the village councils attended the twin events. ***(Gladys Pino-PNA)***

P1.164-M worth of drugs seized in Cavite

GENERAL TRIAS CITY, Cavite – This city police's Drug Enforcement Team (DET) seized about PHP1.164-million worth of suspected "shabu" (crytal meth) during simultaneous buy-bust operations on Tuesday and Wednesday.

Supt. Paul Bometivo, city police officer-in-charge, reported to Cavite Police Provincial Director Senior Supt. William Segun that eight suspects, listed as street level targets (SLTs), were arrested during three separate buy-bust operations in Sitio Sampalucan, Barangay Pasong Camachile 2 and Barangay San Francisco.

Bometivo said their intensified anti-illegal drug operations were in pursuit of the Cavite Provincial Police Office's Five Priority Projects to sustain the campaign against illegal drugs and criminality initiated by the provincial police director.

He said the DET's eight-hour anti-illegal drug operations, in coordination with the Philippine Drug Enforcement Agency 4-A (Calabarzon) and barangay officials in area, which began Tuesday night, bagged four SLTs at the Tropical Village Pabahay 2000 housing site in Barangay San Francisco.

Police identified the suspects as Randy Taway Vargas, 37, of Country Meadow Subdivision; Pedro Oraña Lazaga, 36, sales agent, of Sto. Domingo, Bay, Laguna; and Myla dela Cruz Cervantes, 32, and Jervic Waminal Saguindao, 35, housekeeper – both from Sitio Ilang in Barangay San Francisco.

The law enforcers confiscated during the operation seven plastic sachets of suspected shabu, weighing about 24 grams with a street value of PHP150,000 and the buy-bust money.

Authorities nabbed Dimarao Tanggao Bangon alias "Dima," 46, of San Agustin 1, Dasmariñas City, Cavite also in Tropical Village Pabahay 2000.

Bangon yielded five plastic sachets of suspected shabu weighing about 155 grams, with a street value of more than PHP1 million, and the PHP 9,000 buy-bust money.

Three other drug suspects were arrested during the buy-bust operations in Sitio Sampalukan, Pasong Camachille 2 at about 1:30 a.m. on Wednesday.

Arrested were Marissa Silangga Gonzales, 36; Jomerel Arcon Dumandan, 33, tricycle driver; and Gellie Lumbreras Primero, 35, all residents of Pasong Camachille 2. The city DET seized from the suspects six plastic sachets of suspected shabu worth PHP6,500 and the buy-bust money.

The eight drug suspects, now detained at the General Trias Police Station, are facing criminal charges.

The drug evidence was submitted to the Cavite police's Crime Laboratory Office for chemical analysis. ***(Dennis Abrina/PNA)***

KAKAMPI MO ANG BATAS

Atty. Batas Mauricio

Pasya sa Trillanes arrest, batay sa SC rulings

INSPIRASYON SA BUHAY: "… Kaya naman ituro mo ang mga bagay na angkop sa wastong aral…" (Tito 2:1, Bibliya).

-ooo-

DI PAGKATIG NG MAKATI RTC SA TRILLANES ARREST, BATAY SA SC RULINGS: Matindi ang naging pasya ng Makati City Regional Trial Court, Branch 150, sa kahilingan ng Department of Justice na ipaaresto ng hukuman si Sen. Antonio Trillanes IV at pigilan itong lumabas ng bansa, matapos bawiin at ideklarang ilegal ng Pangulong Duterte ang amnestiyang ipinagkaloob sa mambabatas ng dating Pangulong Benigno Aquino III.

Matindi, kasi isinandal ng hukuman, sa pamamagitan ni Judge Elmo Alameda, ang pagtanggi niyang katigan ang mga kahilingan ng DOJ laban kay Trillanes sa naunang kasong isinampa ng dating Navy officer sa Korte Suprema na kumukuwestiyon naman sa ginawa ng Pangulong Duterte.

Sa totoo lang, marami na kasing naunang mga desisyon ang Korte na nagsasabing pag may kaso ng nakabimbin ukol sa isang isyu sa kataas-taasang hukuman, makabubuting hindi na muna kikilos pa ang mga mas mabababang hukuman anumang kasong tumatalakay sa isyung iyon. Ang tawag doon ay "forum shopping at litis pendentia rule", o di kaya ay "pagbibigay-galang sa mas mataas na hukuman." Dahil diyan, safe na muna si Trillanes sa ngayon!

MGA PATOTOO NI JESUS NA SIYA ANG DIYOS AMA, ANAK, AT ESPIRITU SANTO (III): Maliban sa mga pahayag ni Jesus sa Juan 8 ng Bibliya kung saan kinukumpirma Niya, sa maliwanag na salita, na Siya, si Jesus, ang "Ako Nga", o ang Diyos nina Abraham, Isaac, at Jacob, mababasa din sa Juan 14 ang pagsasabi Niya na Siya, si Jesus, ang Ama.

Sa Juan 14, nakipag-usap si Jesus sa Kanyang mga alagad, partikular kina Tomas at Felipe. Si Tomas ang nagsabi, "Panginoon, hindi po namin alam kun saan kayo pupunta, papaano namin malalaman ang daan?" Si Felipe naman ang humiling, "… `Panginoon, ipakita po ninyo sa amin ang Ama at masisiyahan na kami'..."

Sa tanong ni Tomas, ipinahayag ni Jesus: "…` Kung ako'y kilala ninyo, kilala na rin ninyo ang aking Ama. Mula ngayon ay kilala na ninyo siya at inyo nang nakita'…" Sa hiling ni Felipe, sinabi ni Jesus: "…`Kay tagal na ninyo akong kasama, hanggang ngayo'y hindi mo pa ako kilala, Felipe? Ang nakakita sa akin ay nakakita na sa Ama. Bakit mo sinasabing 'Ipakita mo sa amin ang Ama'?'…"

Tunay nga, hindi maipagkakamali ang mga pahayag na ito ni Jesus: Siya ang Ama, at dahil nakita na Siya ng mga alagad, nakita na din ng alagad ang Ama. At dahil kilala na ng mga alagad si Jesus, kilala na din nila ang Ama. Sa mga pahayag na ito ni Jesus, walang dudang sinasabi Niya na Siya nga ang Diyos Ama.

Usung-uso ang fake news

WOW MALI ang mga balitang lumabas sa internet na nagpapahayag na aprubado na ang tatlong pisong dagdag na pamasahe sa mga pampasaherong jeep.

Mabilis ang pagpapabulaan o pagtanggi rito ng Department of Transportation.

Kayo po ba, gusto na ba ninyong ipatupad na ang karagdagang P3 taas pasahe?

Natural ang isasagot ng 'madlang pipol' ay isang tumataginting na malutong na hindi…

Ang katwiran ay isa itong maituturing na panibagong kalbaryo o pahirap.

Pero ang mga kapatid nating tsuper, siyempre ang isasagot ay isang matunog na Oo.

Malalaman natin ang kasagutan batay sa sinasabing pag-aaral na ginagawa ng Land Transportation Franchising and Regulatory Board.

Nakasalang sa LTFRB ang petisyon ng mga jeepney operators na taas pasahe.

Basta ang paglilinaw ng ahensiya ay nanatili sa P9 ang minimum fare sa mga jeepney.

Partikular sa Metro Manila at gayundin sa rehiyon 9.

Dapat ay maselan at masusing pag-aaral ang isagawa dahil kung paikutin ang sitwasyon ay palaging ang mga mababang uring manggagawa naman ang tunay na apektado sa lahat ng mga nagaganap na pagtaas hindi lamang sa pasahe kundi maging sa iba't ibang bilihin.

Ang mga negosyante o kahit simpleng mangangalakal ay tila hindi iindahin o apektado.

Tanong nga lamang ay kung paano at bakit lumalabas ang mga ganitong klaseng maling balita?

Anak ng saluyot talaga, usung-uso ang mga fake news.

Sa Oktubre pala ay iseselebra natin bilang National Teachers Month.

Ito ay hindi fake news, totoo na magkakaroon ng diskwento para sa mga guro sa Legazpi City, Albay sa groceries, mall at shopping center.

Batay ito sa naipasang resolusyon na magkakaloob ng 10 percent discount ang mga guro bilang pagkilala sa kadakilaan ng mga guro na humuhubog sa mga kabataan para sa ikauunlad ng mga komunidad.

Sana ay gawin ito sa buong bansa.

Saludo po ang inyong lingkod sa lahat ng guro dahil nananalantay din sa aming lahi ang ganitong uri ng propesyon.

Kailan magiging batas?

MAY apela ang ilan nating mambabatas kay Pangulong Rodrigo Duterte na suportahan ang mga ikinakasang wage hike bills.

Ang pahayag ni Bayan Muna Party-list Rep. Carlos Isagani Zarate ay dapat umanong pagtuunan ng pansin ni Duterte ito.

Sa halip aniya ay mas makakabuti ito kumpara sa ginagawa ni Digong na mga kuru-kuro tungkol sa ikinakasang destabilization plot laban sa kanya.

Maganda ang apela subalit hindi na marahil kailangan pa ang mga istilong 'patama' o panunuligsa.

May katwiran naman ang kongresista na nararapat ng ibigay ang wage hike para sa mga manggagawa sa bansa.

Ang panukalang batas na nagtataas ng minimum wage ng mga kawani ng gobyerno gayundin ang nationwide daily minimum wage sa pribadong sektor ay matagal ng nakabinbin sa Kamara.

Kailan kaya ito magiging isang ganap na batas?

The conference aims to instill innovation and enhance competitiveness among MSMEs in the region.

Mia Angeline V. Cortez, DTI 4-A public information officer, told the Philippine News Agency (PNA) on Wednesday that the conference theme, "Accelerating 7Ms for Innovative Competitive MSME: The Calabarzon Challenge", is an offshoot of the two-day national MSME summit held in Clark, Pampanga last July 10-11.

Cortez said the conference will feature various opportunities and initiatives under the so-called 7Ms-framework for successful entrepreneurship.

The 7Ms stand for mindset change, mastery, mentoring, money, machine, market access, and models of business.

"This seven-point strategy framework was first introduced in the Philippines-hosted 2017 ASEAN summit last July 14, 2017 as initiated by the ASEAN Economic Council (AEC)," she said.

DTI-4-A Director Marilou Q. Toledo, who is also concurrent chair of the Calabarzon Regional MSME Development Council, said this year's conference would highlight the role of MSMEs as providers of employment and drivers of the country's economic growth.

"The Council believes that the continued support from both government and private sector to our MSMEs will enable our MSMEs to be instrumental in generating inclusive growth," Toledo said.

The conference will serve as a venue for prominent industry leaders, promising entrepreneurs, innovators, advocates, mentors, and enablers to engage in a collaborative exchange on business knowledge, insights, and successful journey as they interact with other resource persons and experts. ***(Gladys Pino-PNA)***

TRILLANES, HINAMON NA LABANAN ANG MGA OLIGARKO

HINAMON ng Presidente ng United Filipino Consumers and Commuters si Senator Antonio Trillanes IV na magdeklara ng giyera laban sa mga oligarko sa bansa.

Sa isang forum sa Balitaan sa Bean Belt Coffe, sinabi ni Rodolfo "RJ" Javellana Jr. na kabilang ang excise tax at value added tax ang nagpapahirap sa bansa ngayon kaya hinahamon nito si Trillanes na imbes na mag-away-away sila sa pulitiko ay unahin nitong labanan ang mga ilang oligarko na namumuno sa bansa.

Pinagri-resign din ni Javellana ang mga economic managers ng adminstrasyon dahil hindi akma ang kanilang polisia sa mga ordinaryong mamimili.

Dagdag pa nito na dapat munang pagtuunan ng pansin ng mga ito ang kumakalam na sikmura ng unahin ng taumbayan.

Sinabi naman ni Professor Antonio Valdes, Founder ng Katipunan ng Democratikong Piliino (KDP) na dapat umanong magdeklara ng State of Emergency si Pangulong Rodrigo Duterte sa power sector upang maibsan ang pagtaas ng singil sa kuryente.

Ayon kay Valdes, kinakailangan nang mag-intervene o mamagitan na, nang sa gayun ay mapigilan ang mga pribadobg nagpapatakbo o mga oligarko sa tuloy-tuloy nilang pagpapahirap sa taumbayan.

"The President should intervene in this most difficult situation in electricity for the benefit of the consumers and the public, " anang professor.

Dapat na rin aniyang ibigay ang 50% diskwento sa lahat ng electric bills habang pansamantalang tinatamaan ng economic crisis. **GENE ADSUARA**

COPS BUST 5 BIG-TIME FAKE TITLE SYNDICATE IN TAGAYTAY CITY

TAGAYTAY CITY, Cavite - Five suspected members of a big-time fake land title and deeds syndicate were arrested during an entrapment operation by city police operatives on Monday afternoon.

Police Regional Office (PRO4A) Calabarzon Regional Director Chief Supt. Edward Carranza personally visited the Tagaytay City Police Station, where the five suspects are now detained, to supervise the filing of cases of large scale estafa and falsification of public documents against them.

Carranza also called for the other victims of the big-time syndicate to also file charges against the suspects.

Senior Supt. Willian Segun, Cavite Police Provincial Director commended the operating team, led by city chief of police Supt. Elmer Decena, "for a job well done."

Decena identified the arrested suspects as Gerardo Matuod Trinidad, 58 of Phase 1, Barangay Bagtas, Tanza Cavite; Aireen Celis Tan, 52 of Merced Street, Barangay 683, Paco District, Manila; Rochel Cristobal Alcantara, 49 of Balagtas St., Balagtas Royal Mansion in Barangay 2, Pasay City; Michael Cadorniga Sarabosing, 34 of Arellano St., San Agustin, Malabon, Metro Manila; and William Gonzales Tiples Pineda, 48 of M. Natividad St. Sta. Cruz, Manila.

Decena said the five suspects were apprehended during an entrapment operation inside the Bag of Beans Coffee Shop at Robinson Supermarket at Barangay Maharlika West, Tagaytay City.

According to Decena, the entrapment operation was launched when victims Ester Mariano Rosales, 68, a widow, and a residents of General Lizardo St., 28th Avenue, Quezon City; and a certain Yoshihisa Tsujimoto, 46, of 7272 J. Victor St., Barangay Pio del Pilar, Pasong Tamo, Makati City, personally sought assistance pertaining to the alleged estafa and falsification of land titles.

Police investigation revealed that the victims already paid around PHP80 million as initial payment for the eight parcels of land sold to them by the five suspects.

However, the victims later discovered the land titles given to them by the suspects were spurious.

This prompted Decena to launch their joint entrapment operations with the San Jose Municipal Police Station, Batangas at the coffee shop, which resulted in the arrest of the five suspects.

Operatives also recovered from them some PHP24,000 cash and the marked "boodle" money used for the entrapment operation. ***(Dennis Abrina/ PNA)***

ANG KARERA NOON AT KARERA NGAYON

PINAHINTULUTAN tayo ni Ginoong Vince Edward Trinidad na isulat sa ating kolum ang kanyang komento tungkol sa karera noon mga nakalipas na dekada.

Sa mga kaibigan kong karerista, lagi ko na lang nakikita sa maraming post ang mga angal sa pangtanggal ng daily double. Ang mga sumusunod ay opinion ko lamang. Sana walang violent reactions.

Alam ninyo naman na ang aking ama ay si Tony "There They Go" Trinidad at sigurado akong di kayo magtataka na sabihin kong kinamulatan ko na ang karera. Backtrack po tayo:

Noong 70's ang karera ay dalawang araw lamang, Sabado at Linggo na may tig-18 karera. Lahat yan may dobol at fct. At higit sa lahat, meron na ring bukis.

Dumating ang dekada 80, dinagdagan ang karera ng Miyerkoles na may sampung karera. Step in the right direction because the sales and the prize money went up for the owners. At dinagdagan pa ang karera ng Martes na may 10 karera din. Again, lumaki ang sales.

Naglagay ng WTA ng dekadang yun na naging "HIT" sa bayang karerista. Nagsimula yan isang wta lang kapag Martes, Miyerkoles at dalawa kapag Sabado at Linggo.

Nagahaman. Naglagay ng pick-6. Naging 1 p6 at 1 wta sa weekday racing and 2 wta at at 1p6 sa weekend. No problem, nakatulong sa sales.

Di ko na po isinama yung mga pk9 kasi flop naman.

Dumating ang bagong milenyo, dito na pumalo ng todo ang sales. Umaabot pa nga ng 1m ang dobol nun eh. Nagkaroon naman ng pick5 na nakikisambot sa pera nyo sa bulsa. Naging lima ang exotics…2wta, 2pk6, 1pk5. At hindi pa nakuntento jan. Naging tigalawa na. Wow ha.

Just to get to the point, there is such a thing as over-expansion in business. You cannot have too many of the same in one area. Same as in the races.

Too many variants of the same principle tie up the racegoer's money. This does not give the money a chance to circulate.

Now, if the wta bet is live, chances are the bettor will just wait for the results and avoid betting the pari-mutuel bets such as the dd and the fct. Thus limiting the amount allocated for prize-money.

Remember, the prize money comes from the deduction of the per peso sales. The more the money circulates, the higher the prize money. The higher the prize money, the more interesting the races will bet.The more interesting the races, the more people will bet. The is a vicious cycle which the power that be has to appreciate.

I'am not defending the doubles bet. As a matter of fact I am against it, simply because it exposes the industry to rampant race-fixing. Pag di namuro si may-ari, malamang perder na si kabayo. Kawawa naman si mananaya.

Even the Tri,Ort, Penta ang S6 ay hindi dapat pagsa-say-sabayin. Nahihilo ang tao. What I am trying to say is that lower the number of exotics, split up the Tri, qrt, pen and s6. Leave the forecast.

Ang Pinoy ay likas na sugarol, kaya bigyan mo siya na pagkakataon na tumaya ng tumaya. Hehe.

Again, sana walang violent reactions, pananaw ko lang poi ito.

OOO

Binabati natin ng happy racing ang ang ating kaibigan na si Mr. Mike Asilo Pornilos ng ZENKI CAPO Resto bar na matatagpuan sa Con B-1 Basement Level, China Plaza Bldg. 1036 Ongping st. Barangay 298, Sta, Cruz, Manila.

Sama na rin natin batiin ang mga naggagandahan receptionist ng ZENKI CAPO Resto Bar.

Wellpoint attributes business success to service not profit

BACOOR CITY, Cavite – Her exposure to various health care facilities, in the public and private sector, opened the eyes of a pediatrician-doctor on the need for a more convenient, comfortable atmosphere for patients and clients seeking medical attention.

In response to what she believes in to be her calling, Dr. Mary Melodie Patos-Abram, Wellpoint Medical Clinic and Diagnostic Center, Inc. (Wellpoint) president/Chief Executive Officer and Medical Director, initiated the first multi-specialty and diagnostic clinic in this city.

"Promoting the one-stop concept, where most of what they need is housed in one roof," described Abram when she opened the Wellpoint Center at SM City Bacoor in Aug. 2005.

The lady physician admitted that business is not amiss with the usual struggles and hardships and shared moments where she is close to giving up but added that "the mission to serve, where the income alternative is merely secondary" pushed her to move forward and one of the main reasons she has reached this far as the center reaches its 13th year in operation.

"When you have good intentions, where you simply want the best for your clients, and not stress yourself on the monetary rewards, you will never go wrong," Abram shared.

The company, with its team of board certified specialty physicians, experienced staff and well-equipped diagnostic facility have been doing the rounds to provide medical and dental services to the poor and the marginalized sector of Cavite across all ages.

"This is our way of giving back and for more people to experience our service," she added.

She described that the 'in-mall' location concept is merely for the people's convenience and cater to the people's needs to attend to other things, like pay bills, do grocery or quick shopping, "but does not affect our price, which we can say is one of the most affordable, even compared to community based diagnostic clinics."

Thirteen years later and now working with Dr. Arlyn Sanchez-Garduque, her Asst. Medical Director and Genral Manger John Henry Patos, the business now boasts of a second branch (also located at the SM Mall in Dasmariñas City), a pharmacy, a rehabilitation facility and an Aesthetic and Wellness Center, which are all available in its main branch here.

She said their business is there to support any government program or endeavors.

When the Duterte Administration announced its strong war against drugs, Wellpoint was quick to get DOH Accreditation for its drug testing facility.

"Now, we're working on our Department of Tourism (DOT) Accreditation for our Wellness Center, and check if and when we qualify for Department of Trade and Industry's (DTI) 'Bagwis' Awards – which will help reconfirm our company's service and people-friendly thrusts," she said.

Moving forward, Wellpoint is looking at an "in-patient" facility, "maybe some five years from now" and targets to serve more seniors citizens and persons-with-disabilities (PWDs) in the years to come.

As its 13th year promo, Wellpoint is giving 13 percent off on all laboratory examinations for the whole month of September. ***(Gladys Pino-PNA)***

GENTRI SETS SEPT. 27 DEADLINE FOR PASSPORT APPLICATION

GENERAL TRIAS CITY, Cavite – The city government's Investment Promotion Office (IPO) will only accept pre-registration for available slots for the Department of Foreign Affairs' 'passport on wheels' program until 5 p.m. on Sept 27.

The IPO gives preference to city residents on its mobile pre-registration, which is ongoing from Monday to Friday, 8 a.m. to 5 p.m. until September 27 at the IPO located at the 4/F of the City Government Hall here.

GenTri's officer-in-charge (OIC) for Investment and Promotion Romel Olimpo said Tuesday that the city has been supporting the "passport on wheels" program that aims to de-clog the cue-in of applicants in the DFA Manila Head Consular office and to bring government service closer to the people.

Given its 1,500 passport application slots, Olimpo is confident that "we can still accommodate even those from nearby municipalities" like Kawit, Rosario and Tanza.

Those who will pre-register will be required to fill out a pre-registration stub with the applicant's personal information such as last name, first name, middle name, maiden name (for married women), status, gender, birthplace, birthday and contact number.

"No documents will be submitted during the pre-registration process," Olimpo clarified.

Pre-registered applicants will then be submitted for DFA verification, evaluation "therefore, those who pre-registered are not guaranteed of a slot, appointment, unless approved by DFA."

Applicants who passed the initial verification process will be notified of the next phase, which is the encoding and checking of requirements.

"Once ok, applicants will receive an email from DFA with their reference number and payment instructions so they can settle the fee to any authorized payment centers and make themselves available on the processing date on Nov. 8, to be held at the Robinsons Place here," Olimpo added.

The Mobile passport fee is the same with the Expedite Rate of PHP1,350 (including courier fee).

The processing of passports at Mobile Passport Services is guided by the Philippine Passport Act of 1996 and the implementing rules and regulations, other relevant Department Orders, Circulars and Memoranda.

Under the said act and its implementing rules and regulations, and the foreign affairs department's directive, the mobile passport service will not cater to applications for the replacement of lost valid passports.

However, the mobile passporting here will entertain applications for lost and expired passports and personal appearance is required for all applicants.

For a seamless handling of all applications, the city government, as well as the DFA, is not accepting walk-in applicants during the day.

Interested applicants may call landline +6346.5095053 or mobile +63917.5448982, Mondays to Fridays, 8 a.m. to 5 p.m. only for more concerns. ***(Gladys Pino-PNA)***

New P2P routes open Monday

BACOOR CITY, Cavite – Commuters of this city, as well as Dasmariñas City now have an alternative, safer and more convenient way to commute from and to Makati city as MetroExpress Connect, Inc. launched its 'maiden route run' of additional premium point to point (P2P) routes on Monday.

For the MetroExpress soft launching, Nadine Villados, Corporate Communications Supervisor, said the ride is for free for their Monday promotional campaign but will start collecting fares Tuesday.

Villados said the MetroExpress fare is PHP150 for Dasma City while PHP 110 for Bacoor City, and will have around eight new buses servicing both cities, with four coming from Dasmariñas and another four from Bacoor.

MetroExpress buses will have its origin from Camella (Dasmariñas) and Vista Mall Daang Hari (Bacoor) and end points are San Lorenzo Place (Makati), and route is via Muntinlupa Cavite Expressway (MCX) and Skyway.

The P2P transport system is one of the Department of Transportation's (DOTr) priority projects to alleviate traffic congestion as it introduced the "park and ride or kiss and ride concept", in response to the commuters and riding public's need for a safe, convenient and comfortable transport.

The "park and ride" is for car owners who can leave their car parked in the mall then ride the P2P bus to their destination, while the "kiss and ride" is for parents/guardians who may opt to bring their kids to the terminal and kiss them before their loved ones board the premium bus ride.

The point-to-point (P2P) service commitment prohibits frequent stops as the buses will travel directly from the terminals to their drop off points.

There will be six morning take offs from Dasmariñas City, where the first four runs every 30 minutes from 5:30 a.m. until 7 a.m.; and 10 a.m. and 11 a.m.; while the afternoon take off schedules are 12 noon and 1 p.m. and resume again, every hour, from 3 p.m. to 6 p.m.

Bacooreños, on the other hand ,will have eight dispatches in the morning, with the first 4 schedules happening every 30 minutes: 6 a.m., 6:30 a.m., 7 a.m., 7:30 a.m.; followed by 10 a.m., 11 a.m. and 11:30 a.m.

The afternoon schedules are 12 noon, 1:00 p.m., 2:00 p.m., 3:00 p.m., 3:30 pm, and every hour thereafter from 4 to 6 p.m.

The premium P2P bus service will leave from Makati city to Dasmariñas city at 8 am, 8:30 am, 9 am, 9:30 am, 12 noon, 1 pm, 2 pm, 3 pm, and every hour from 5 to 8 p.m.

The Makati to Bacoor schedules start at 7:30 am, 8 am, 8:30 am, 9 am, 10:30 am, 11:30 am, 12:30 pm, 1 pm, 1:30 pm, 2:30 pm, 3:30 pm, 4:30 pm, and every hour from 5 to 8 p.m.

The new Cavite to Makati routes form part of the four new Cavite routes that the DOTr is eyeing in Cavite, which includes Imus City and Noveleta town. ***(Gladys Pino-PNA)***

Isang mahusay na pagremate ang ipanamalas ng kabayong si King Jeff na nirendahan ng hineteng si John Alvin Guce upang lagpasan ang bumanderang si Gold Digger ni Oniel Cortez mga ilang metro na lamang bago makatawid sa meta. Sa karerang iyan ay nasilip na sumalto lang at nakiputan sa may tabing balya si River Mist ni Bodjie Henson na dumating na pangatlo sa labanan. Hindi naman nabigo ang mga karerista na sumuporta at tumaya sa outstanding favorite na kabayong si Hardliner na dahan dahan lang na kinilusan at ginalawan ni Ryan Base habang nasa harapan nila ang bumanderang si Black Magic Woman ni Archie Manabat, tersera sa datingan ang sakay ni Lester De Jesus na si Foxy Fergie na mas maganda ang itinakbo o ipinakita sa karerahan ng Santa Ana Park. Medyo naantala lang iyang si Foxy Fergie sa largahan at maagang naharangan nung isa pa nilang kalaban na si December Eighteen ni Jeff Zarate, pero kung hindi naantala at naatrasado sa simula pa lang ay malamang na masegunda sila sa labanan. Pang abang na ang nasabing kabayo na dinala ni Lester lalo na kung malalagay pa sa bandang gitna o labas na numero. Nanalo naman ang kalahok na si Casino Royale na nirendahan ni John Alvin Guce at malayo pang nagwagi sa laban kontra kina Geneva ni Benson Salvador at Prodigy ni Ryan Base.

The Niog Elementary School was inaugurated with Bacoor City Mayor Lani Mercado Revilla and Niog 2 Barangay Captain Alexander Felizardo leading the ceremony.

‘I DO’ SA DISYEMBRE BIBITIWAN NA NI IZA CALZADO

MAMUMUTAWI na ang katagang ‘I Do’ mula sa magandang labi ni Iza Calzado.

Putok na kasi ang nakatakdang pagpapakasal ng aktres sa kanyang nobyong British-Filipino businessman na si Ben Wintle.

Take note, sa nalalapit na Disyembre inaasahan ang pag-iisang dibdib ng dalawa.

Hindi naman maikakaila dahil kinumpirma mismo ito ni Iza sa kanyang Instagram account.

Iyon nga lamang ay bitin ang kumpirmasyon ng aktres o ang mga detalye.

Kasi naman ay hindi nabanggit ni Iza ang eksaktong petsa at ang lugar na pagdarausan ng kasal.

Pero ang sigurado ay mas lulutang ang byuti ni Iza dahil ang famous designer na si Rajo Laurel ang lilikha ng gown ng aktres.

Six years na ang relasyon o nagsasama sina Iza at Ben then last year lamang sila naging engaged.

Right time na to Iza para sa pagpasok sa marriage life at her age 36.

“ANO? Mukhang mahirap ‘ata ‘yun ah. Malabo at malamang na ‘di ako makakalusot.”

Mahusay talagang maglaro at lalong mas mahusay magbasa ng utak ng tao si Lyka.

Alam na alam ni Lyka kung bakit mas palaging tila natutulala si Kardo.

Palapit na kasi nang palapit ang pagtatapos ng termino ni Kardo bilang kapitan ng barangay.

“Ewan ko pero mahihirapan ako sa sina-suggest mo. Aba eh ‘di biro ang pagtakbo bilang konsehal.”

Unang pumasok sa isip ni Lyka na dahil matatapos na ang termino ni Kardo ay konsehal naman ang kanyang imimumungkahi.

“Ano ka ba naman, mali ‘yang ganyang klase ng ‘yung pananaw.”

“Dapat ay palagi kang positibo at ‘wag mong iisipin na ‘di mo kakayanin ang isang bagay.”

Sadyang ikinokondisyon ni Lyka ang isipan ni kapitan na konsehal naman ang takbuhin sa nalalapit na halalan.

“Barangay lamang ‘yun kaya napapayag akong tumakbo noon pero ngayon ay buong distrito na ang usapan at labanan.”

Isa sa ikinakatwiran ni Kardo ay kilala siya sa barangay kaya kahit paano ay nakatanaw siya ng panalo noong kumandidato.

“Malaki-laki rin ang kailanganing pondo o gastusin ‘pag konsehal ang tinakbo ko.”

Sa takbo ng pag-uusap ng dalawa ay tila nakakatiyak si Lyka na makukumbinsi niya si Kardo.

Kumbaga ay konting hilot pa at papasaan ba ay tiyak niyang bibigay din si kapitan.

“Kung talagang wala kang plano na konsehal ang ‘yung tatakbuhin mo, eh ‘panu na ang magiging sitwasyon natin?”

“‘Panu na ang set-up? ‘Di lang sitwasyon natin kundi ng ating anak.”

“Pero kung ano man ang ‘yung magiging desisyon ay ‘wag kang magalala at ‘di kami magiging sagabal ng anak natin sa ‘yong nais.”

Binanatan ng simpleng pakonsensiya ni Lyka si kapitan na bahagyang natitigilan.

“Ayoko…ayoko…ayoko…”

MANANANGGOL

Sa panulat ni Kuya Arman

(ika-81 labas)

PATULOY lamang si Caloy sa paghitit ng sigarilyo at hindi sinasagot ang katanungan ni Dagul.

“Ulitin ko lamang ha ‘yung tanong ko, may kamag-anak o kilala ka bang Tita Arevalo?”

Nananatiling walang kibo si Caloy kaya muling ipinaalala sa kanya ni Dagul ang dapat ay ang pagsasabi niya ng lahat ng katotohanan.

“Sige ‘di kita pipilitin kung ayaw mong sagutin at dahil ayaw mo ng makipagtulungan ay wala na akong magagawa pa para sa kaso mo.”

Nagpaalam si Dagul at tinalikuran na si Caloy sa loob ng selda.

“Sandali po atty.”

“Magsasabi na po ako ng mga totoo.”

Lihim na napangiti si Dagul at dahil nakatalikod siya kaya hindi nakita ni Caloy ang mga ngiting iyon.

“Mabuti naman kung ganon, magtiwala ka lamang at ako ang bahala.”

Sinagot na ni Caloy ang tanong ni Dagul at inamin niyang si Tita Arevalo ay kanyang tiyahin.

Kasunod ay sinimulan na ni Caloy ang mga pagkukuwento tungkol sa tiyahin niya.

Kung paano siya napunta sa kanyang tiyahin at kung paano rin siya umalis doon.

“Bumalik na ako sa probinsiya namin dahil sabi ng magulang ko’y mag-aaral ako pero ‘di naman nangyari.”

Hindi muna nagtatanong si Dagul at hinahayaan lang muna si Caloy sa pagkukuwento habang nasa kondisyon pa ito sa pagsasalita.

“Nadismaya ako dahil ‘di naman pala tuloy pagaaral ko kaya ang nangyari ay nagrebelde ako.”

“Nakipagbarkada ako at natutong uminom ng alak pati droga.”

“Iniisip ko nga baka ‘yung mga nakatrobol ko ay mga tauhan ng pasugalan sa amin eh.”

Binanggit ni Caloy kay Dagul na nalulong din sa pagsusugal at nagkaroon ng atraso kaya ang kanyang hinala ay dahil doon kaya napasubo siya sa gulo.

“Kailangan natin ng tulong at suporta ng magulang mo para sa ‘yung kaso.”

Mabilis naman ang tugon ni Caloy na wala na siyang maasahang suporta sa kanyang magulang.

“Si Aling Tita Arevalo. Tama!”

“Nasaan siya ngayon? Ituro mo sa akin at pupuntahan ko baka sakaling makatulong sa ‘yo.”

Nagdilim na ang paningin

TAMA lamang na pagkalooban ng Department of Foreign Affairs ng legal assistance at iba pang tulong na kakailanganin ang isang OFW na residente ng Talayan, Maguindanao.

Sinusulat natin ito ay nasa kalagayang hospital arrest ang OFW na si Ulambai Singgayan.

Nagdilim na marahil ang paningin at hindi na kinaya ang pagtitimpi kaya nagawa na niyang saksakin ang kanyang amo sa Kuwait.

Lumalabas sa paunang pagsisiyasat na natanggap ng Overseas Workers Welfare Administration (OWWA)-ARMM, nagawang saksakin ni Singgayan ang amo niya dahil sa pagmamaltrato sa kanya.

Ang mga ganitong pangyayari ay kabilang sa mga kapalarang kinakaharap ng bawat kababayan nating nagtatrabaho sa ibang bansa.

Tayong mga pamilya o mga mahal nila sa buhay na naiiwan dito sa ating bansa ay walang kamalay-malay sa kinasasapitan ng kaanak natin sa abroad na nagtatrabaho.

Kagaya ng Singgayan, sa labis na pagmamaltrato sa kanya ay nagawa na niyang lumaban.

Walang kamalay-malay ang kanyang mga kamag-anak na pagkatapos ng insidenteng iyon ay ano na ang naging kasunod.

Si Singgayan ay pinagtulungang saktan ng ilan sa mga kasapi ng pamilya ng kanyang employer.

Sa panggugulping iyon ay asahan na ang mga kalmot sa mukha, dibdib at braso ni Singgayan.

Nang isugod sa ospital at nakita sa tesulta ng X-ray na siya ay may internal bleeding pa sa tiyan.

DFA Undersecretary for Migrant Workers Affairs Sarah Lou Arriola, sana ay 'wag ninyong bibitiwan ang biktima.

Bukod sa pagmamaltrato o pananakit ay palaging may pagbabanta ang employer ni Sanggayan na ire-revoke ang kanyang visa.

Magkaroon din sana ng kalinawan ang ginagawang imbestigasyon ng embahada ng Pilipinas sa Kuwait sa buong pangyayari.

Supt. Paul Bometivo, city police chief, said suspect Kim Yoo Kyeum Kim, 57, of Seoul, South Korea, was arrested during the serving of an arrest warrant issued by Judge Bonifacio S. Pascua of the Regional Trial Court (RTC) Branch 23 in Trece Martires City, on Criminal Case No: TMCR 841-18 for Frustrated Murder.

Bometivo said the case stemmed from an incident when Kim mauled another Korean, Chae Seung Ho, using a blunt object on Feb. 3 this year.

Kim is temporarily detained at the General Trias jail for proper documentation and disposition before he is presented to the issuing court of origin.

The court has recommended a bail of PHP200,000 for the suspect's temporary liberty. ***(Dennis Abrina/PNA)***

An MNSA thesis, academics awardee shares feat

IMUS CITY, Cavite – A ranking military official never expected he would bag the major academic awards that were kept secret until their graduation from the premiere military college - National Defense College of the Philippines (NDCP). But, as far as this Armed Forces of the Philippines (AFP) official is concerned, he did his best in the top military academic institution.

But as the graduation rites unfolded at the Tejeros Hall, AFP Commissioned Officers Club House in Camp Aguinaldo, Quezon City on Sept 10, newly confirmed Philippine Army Colonel Gulliver Lapitan Señires, GSC (INF) PA with his wife in tow was surprised when the top graduate-awardees were announced during the occasion.

He shared he was truly honored as National Defense Secretary Delfin N. Lorenzana graced the event and congratulated him and a few other awardees.

Although he admitted to have exerted his best efforts in academics, Señires was a bit surprised when his name was called as silver medalist for graduating with a general weighted average (GWA) of 1.13 for his Master' Degree in National Security Administration (MNSA) Regular Course 53.

And to add a feather to this cap, the military colonel also bagged the "Bronze Award" for this master's thesis entitled 'Localized Peace Process: Towards Creating a Geographically-adoptive, Mass-based Indigenous Transition Model' from among the Top 10 shortlisted for the awards.

He was the only graduate in his batch who bagged two awards in separate categories, where the others merely excelled either in academics or thesis.

The 'bronze' thesis

Señires shared that "my thesis was an improvement of the program I initiated in Kalinga," where he served as Batallion Commander of the 50th Infantry Batallion in-charge of internal security operations in Kalinga Province and 2 Municipalities South of Apayao Province.

He draws inspiration from his constant interaction with communities in far-flung areas in the countryside, including personal conversation with members of the New People's Army (NPA, the armed wing of the Communist Party of the Philippines) as he layed down and discussed various propositions to finally end the insurgency in the Region, as well as the whole nation.

According to Señires, when national efforts to forge peace with the CPP-NPA-NDF (or collectively known as CNN) fail, the threat is most felt in these (far flung, countryside) communities where extortion, encounters and disturbances happen.

"So I ask the question, when will these violence stop?"

His thesis highlights a "Reconciliation Program for NPA in Kalinga" as an offered solution to end insurgency in this Region, because based on his personal experience "the major reason why they (the NPAs) don't surrender is because they have criminal cases, they don't want to go to jail."

Señires hopes that his thesis model, which is applicable in all areas in the Phils, an LGU led (and support from all sectors of society), where customary practice of indigenous peoples are applied and integrates former rebels into mainstream society as peaceful and productive citizens, if adapted by the AFP will put the 5 decades of armed conflict with the CNN to rest.

Groomed to be a priest, not a soldier

Growing up to an idealist lawyer as father, this third son of the late Atty. Godofredo Villarin Señires, Jr. and housewife Leonora Lapitan Señires was actually groomed to be a priest, "the supposed military in the family is our eldest, Godofredo III, he shared.

"Our profession (including his 3 other siblings) were somewhat planned before us, where one should be a soldier, an engineer, a priest and a journalist, "and my (late) father really took time to expose us where needed to somehow awaken these callings in us," he shared.

He recalled the Sunday masses at the National Shrine of Our Mother of Perpetual Help (also known as Baclaran Redemptorist Church) during his childhood years.

But, fate had his way, when his brother had "vision" issues, "we compromised to shift roles, he will be the priest and I will pursue a military career."

Thus, this, then young 'Menudo' (an all male Latino boy band that was popular in the '80s) fan ended up in the Philippine Military Academy (PMA), and joined the Philippine Army after he graduated in 1992.

NDCP's MNSA Program

As peace and order plays a vital role in the country's progress and development, the men and women tasked as administrators of the country's national security must have the broad skills and proper attitude to perform their multifarious responsibilities, which is what NDCP's MNSA program equips its graduates of.

The program provides the needed education in terms of analytical and conceptual skills to prepare them to meet the broad challenges emanating from the internal and external environment.

Señires was among the 65 who completed the course on this batch.

His classmates include officials from the civilian government agencies, private Sector, foreign military students (Sri Lanka Army, Bangladesh Navy, Indian Air Force, Pakistan Air Force, Nigerian Army, Royal Malaysian Air Force and Malaysian Army) and officers from the country's military service branches such as Philippine Air Force, Philippine Navy and the Philippine Army.

Señires treats the "MNSA time" more as an oppotunity to rekindle family ties, as "I have been deployed away from home most of the time, and taking the MNSA means having to spend more time with family, especially my wife and kids," he shared.

But keeping the balance on his multi-roles, as a husband, father (to 3 children), son, brother and his duty as designated Army Group Coordinator (main task is to process release of support for Army students like allowance, POL allocation, uniforms including admin works like assignments, etc to the Philippine Army Headquarters), not to mention contending with 64 different personalities (a mix of intelligent, practical, experienced and deviant ones during the program), was the challenge he has to face.

"But as a military professional, this is your mission, where you must 'properly' work your way around, give it your best," Señires shared.

Besides, the AFP 'schooling' process, from his Infantry Basic and Advanced Courses, CGSC and Master of Military Arts and Science from US Army Command and General Staff College in Fort Leavenworth, Kansas, Scout Ranger Class 125-96, and Master of Strategic Affairs from Australian National University, Acton ACT in 2008 has long prepared him for this.

Best practices he can share

"I just don't listen to lectures during the class, I record them," so he can go back, and review anytime.

Active participation during group discussion is also key, "be critical, if you don't agree with the lecturer, then present your argument," as the NDCP allows for 'no-holds-barred' discussion "as we are talking about our national security here."

Señires also advised future-MNSA course takers to submit turn-ins in time, "don't depend on deadlines, do your works in advance."

Other than giving your best, most important is "to make sure you answer the question as clearly and concise as possible."

"Enjoy the course, make friends that could widen your horizon and influence, this is the best take-away from the program."

Lastly, focus on your studies, not the awards. "Self-improvement is your goal, the award will come naturally in the end."

Other than Señires, the other thesis awardees include "Bronze": Col Ferdinand Melchor C Del Cruz, GSC (MI) PA (Philippine-Malaysian-Indonesian Trilateral Cooperation to Cunter Violent Extremism: Challenges and Prospects) Silver Award: Col. Adonis Ariel G. Orio, GSC (INF) PA ("Large Scale Mining Industry in Agusan del Norte: The Implication of Natural Resource Conflict in National Security"); "Gold": Capt. Mac Raul B. Racacho, PN (GSC) ("Fortifying Our Naval Bases that Secure our Seas") and Capt. Jorge A. Ibarra, PN (GSC) for his thesis "Strategic Approaches Toward the Protection of Philippine Sovereignty Rights and Jurisdiction in Enhancing Maritime Security in the Philippine Rise."

For Academic Excellence, the other awardees, include: Bronze Medalist Col Ferdinand Geminic P Ramirez GSC (FA) PA (GWA: 1.15), another Silver Medalist Col Roleen M Del Prado GSC (SC) PA (GWA: 1.10) and Gold Medalist Cdr. Norsal D. Dimaporo PN (GSC) for a GWA of 1.08.

Atty Suharto Ambolodto, from MNSA RC-40, joined the class during their graduation rites. (Gladys Pino-*PNA)*

Cavite town intensifies campaign vs. criminals, illegal drugs

INDANG, Cavite - The local police have intensifying its anti-criminality and war against illegal drugs after eight barangays of the 36 barangays in this town have been drug-cleared.

Chief Insp. Mark Gatdula, this town's acting police chief, said Monday they are seeking heightened support from the local government unit (LGU) and the barangays to eradicate illegal drugs and crimes in the locality.

"The local police have eight drug-cleared barangays, and we want to improve more to clear other barangays so that the crime rate in this first class municipality will go down," Gatdula assured.

The drug-cleared barangays are Guyam Munti, Harasan, Limbon, Carasuchi, Tambo Balagbag, Poblacion 3, Kaytambog and Mataas na Lupa with 28 more that are up for drug-clearing operations.

"To demonstrate the local village officials' cooperation, the barangay officials have undergone the drug tests in line with the drug-free workplace campaign for barangay drug-clearing," he added.

He said the local cops are also conducting their barangay visitation to brief local village leaders and discuss laws pertaining to abuses against women and children, curfew for minors, 'Clean Rider Campaign', "Oplan Kadena", and other anti-criminality Campaign.

Gatdula said the local police's 'Oplan Kadena' (operational plan chain) encourages local residents and owners of motorcycles to chain-lock their vehicles when parked.

"Hinimihok ho namin ang mga motorcycle owners na ikadena ang mga motorcycle unit nila kapag sila magpa-park sa ibat-ibang lugar para makaiwas ho tayo sa pagnakaw ng ating mga motorsiklo (We are encouraging motorcycle owners to secure their motorcycles with chain-lock if they would park in any area to avoid motorcycle-napping)," he said.

He said that the local police have been urging motorcycle owners to register their respective two-wheeled vehicles at the police station under the police's "Clean Rider" campaign, an initiative to rid the streets of unregistered or stolen motorcycles used by notorious riding-in-tandem criminals.

The police said the procedure to be declared "clean" motorcycle owners requires them to submit either the receipt of purchase of the motorbike or the vehicle's certificate of registration, the owner's driver's license, and a government-issued identification card.

The "clean" riders could easily be spotted with the police stylized-badge sticker design with the semblance of the sun in the Philippine flag attached to the motorcycle.

The sticker is also color-coded according to the city or municipality where the motorcycle is registered. ***(Dennis Abrina/ PNA)***

'Lisensiyadong kikilero'

BAKIT pinabuwag ni Pangulong Rodrigo Duterte sa Armed Forces of the Philippines (AFP) at Philippine National Police (PNP) ang lahat ng checkpoint sa buong bansa?

Ang katwiran ni Duterte ay isa sa mga dahilan kung bakit tumataas ang presyo ng mga pangunahing bilihin partikular ng bigas ay bunga ng checkpoint.

Paliwanag ni Digong ay nagsisilbing ugat ng pangingikil o nakawan ang mga checkpoint.

Ang mga traders o magsasakang naglululuwas ng mga produktong pagkain ay napipilitang magbigay ng 'tong' o pera sa ilang tiwaling pulis o sundalo.

Natural na ang ibinigay nilang 'padulas' sa nadadaanang checkpoint ay ipapatong naman sa presyo ng kanilang produktong iniaangkat.

Ang resulta ay mas nagmamahal o tumataas pa ang presyo ng mga ito sa mga palengke.

Ang nagdurusa siyempre ay ang maliliit o mahihirap nating kababayan.

Katanungan lamang, bakit naman kailangang magbigay ng tong ang mga mangangalakal kung kumpleto naman sila sa lahat ng papel o dokumento?

Puwede sigurong sabihing 'kalakaran' na ito na maliwanag pa sa sikat ng araw na ang mga tiwaling pulis o militar ay lisensiyadong kikilero.

Parang checkpoint sa mga single motorcycle, kapag nakasilip ang pulis na kahit isang 'butas' o violation ay kikil na ang kasunod.

Walang suot na helmet lalo na kung hindi narehistro ang motorsiklo at driving without license ang asunto, tiyak na sa 'areglo' mauuwi ito.

Kapag walang pera ang nasita, hayun at ang resulta ay doon lamang titikitan ang rider.

Kasama ba ang mga checkpoint kontra sa mga single motorcycle ang kautusang ito ni Duterte?

Ang sabi ni PRRD, sa halip na pagtuunan ng mga pulis at sundalo ang pagtatayo ng mga checkpoint ay mas makabubuting tutukan na lamang ang paglaban sa mga komunista sa kabundukan.

Sa mga kabundukan o lalawigan ang kautusang ito ni Tatay Digong, paano na sa Kalakhang Maynila sa isinasagawang checkpoint ng kapulisan sa mga single motorcycle.

Ano pong masasabi ninyo Mr. President? Tama pa rin po ba ang mga checkpoint sa Metro Manila?

Ito nga ba ang pangunahin o epektibong solusyon laban sa iba't ibang uri ng kriminalidad sa kabihasnan?

Kayo po, ano ang inyong masasabi?
