## PAGGAWA, PAGBEBENTA AT PAGGAMIT NG 'BOGA' AT MGA PAPUTOK, BAWAL NA SA DASMARIÑAS CITY

**MAHIGPIT na ipapatupad ng city government ng Dasmariñas ang total ban laban sa mga paputok o firecrackers at ang tinatawag na 'boga.'**

Ang 'boga' ay isang improvised cannon na gawa mula sa PVC pipe, bamboo at tin can.

Ito ay alinsunod sa City Ordinance No. 07-S-2018, na naaprubahan nitong nakaraang October 3.

Isinasaad sa ordinansa na hindi lamang sa paggamit bagkus ay ipinagbabawal din ang paggawa at pagbebenta ng mga ito.

Sa darating na Nobyembre 15 sisimulan ang implementasyon ng nasabing total ban.

Layunin ng pamahalaang lungsod na makatiyak ng kaligtasan ang publiko sa panahon ng holidays o kapaskuhan.

Bahagi rin ito ng pakikisa ng city government sa kampanya ng administrasyon ni Pangulong Rodrigo Duterte hinggil sa regulasyon ng paggamit ng paputok o firecracker.

Gayundin upang maisulong ang tinatawag na zero firecracker-related injury at casualty.

Ang piccolo, super lolo,

whistle bomb, bawang, labintador, five-star, goodbye Philippines/earth, pla-pla, Judas' belt/sawa, skyrocket/kwitis, baby rocket, pull-string, watusi, pillbox, mga walang tatak na firecrackers at ano mang gamit o device na binalutan ng explosive device ay istriktong ipagbabawal.

May regulasyon namang ipapatupad ang city government para sa pyrotechnic devices o 'pailaw' kagaya ng sparklers, luces, fountain, jumbo (kapwa regular at special), mabuhay, roman candle, trompilo, airwolf, at butterfly.

Kukumpiskahin sa mga menor de edad o 18-anyos pababa ang mahuhulihing dala o ginagamit nilang paputok o 'boga.'

Sa mga matatanda o nasa hustong gulang na ay may kaukulang multang P500 o pagkakakulong ng hindi lalagpas sa isang taon sa sandaling labagin o suwayin ang naturang ordinansa.

Ang mga mahuhuling gumagawa o nagbebenta ng walang kaukulang mga permit ay may multang P5,000 o pagkakabilanggo ng hindi hihigit sa isang taon. **RS/GP**

## Mga opisyal ng PhilHealth, dapat palitan na?

KUNG gustong maayos at mapabuti ang pamamalakad ng Philhealth, napapanahon na para palitan lahat ang mga opisyaes na nagpapalakad sa ahensiya.

Ayon kay Department of Health (DOH)- CALABARZON (Cavite Laguna Batangas

Rizal Quezon) Regional Director Eduardo C. Janairo, napapanahon na para baguhin at ibalik sa tamang pamamalakad ang ahensiya na dapat ay isang social insurance at protectorate program.

"Philhealth should be protecting the health of the people not a profit oriented and reservation of funds in-

surance program which aims to safeguard gains and revenues of a few." ayon kay Janairo.

Sinabi pa ni Janairo na ang ginagawang pamamalakad ngayon ng ahensiya ay kautulad ng sa isang pribadong ahensiya na hindi naman dapat.

Dagdap pa aniya, na hindi dapat tipirin ang taumbayan pagdating sa insurance dahil ang perang ginagamit dito ay pera na galang sa kanila.

At masaklap pa, ayon kay Janairo niululustay lang ito ng mga opisyaes sa pamamasyal at pansariling kapakanan.

## Fb, messenger gamit sa modus

**BUKING** ang modus operandi ng dalawang kalalakihan na ginagamit na ang Facebook at Messenger account upang takutin at huthutan ng pera ang isang staff nurse matapos silang maaresto sa isang entrapment operations sa Rosario, Cavite.

Nakakulong sa Rosario Custodial Center ang mga suspek na sina John Diego Cavintis, 21, walang trabaho; at Mark Anthony Santos, 20, kapwa residente ng Brgy. Pinagtupunan, Gen. Trias City dahil sa reklamo ni Gladys Alvarez, dalaga, 26, ng 667 EM Barrio Brgy. Tejeros Convention, Rosario.

Sa imbestigasyon ni PO2 Ahvegail Darang, ng Rosario Municipal Police Station, nagsimulang takutin ang biktima ng mga suspek noong unang linggo pa ng October kung saan tine-text at tsina-chat sa facebook at messenger na hindi ibabalik ang kanyang cellphone kung hindi ito tutubusin ng halagang P8,800.

Nabatid na isang kaibigan ng biktima ang humihiram sa kanya ng pera at dahil wala din syang pera at upang mapagbigyan ang una ay ibinigay nito ang kanyang Sony Xperia na maaari nitong isanla upang meron itong magamit.

Humingi naman ng tulong ang kaibigan ng biktima sa isa pang kabigan kung paano mai-

sanla ang nasabing cellphone at sa pamagitan ng mga suspek ay naisanla ito sa halagang P1,500 lamang bagamat pinapalabas na P8,000.

Nitong October 30 dakong alas-3:00 ng hapon, muling kinontak ng mga suspek ang biktima sa pamagitan ng pekeng account sa Messenger na "Bianca Sulidad" at pinagbantayan na may mangyayari sa kanya kung hindi magpadala siya ng P1,500 sa pamagitan ng Smart Padala at sa takot ay nagpadala ito ng pera.

Muling kinontak ng mga suspek ang biktima dakong aals-5:00 ng hapon ay muling pinagbantayan na papatayin siya kung hindi siya magpapadala ng halagang P3,000.

Bunsod nito, humingi ng tulong ang biktima sa awtoridad at isinagawa ang entrapment operation na pinangunahan ni PO2 Darang sa utos ni Rosario chief, Supt. Bonifacio Boasita na nagresulta sa pagkakaaresto sa mga suspek sa harapan ng Alfarmart sa Brgy. Tejeros Convention.

Inamin ng mga suspek ang paggamit nila ng pekeng Facebook at Messenger account para sa pananakot at panghuhuthut sa biktima.

Ang mga susek ay nahaharap sa kasong Robbery Extortion. **GENE ADSUARA**

## Totoong modus ng mga rebelde?

**INILUNSAD** ang 'Oplan Lakbay Hukay' sa pangunguna ng Office of the Presidential Adviser on the Indigenous People's Concern.

Layunin ng naturang tanggapan na tutukan ang mga 'lumad' sa buong bansa.

Ang 'lumad' ang target ng sinasabing mga rebeldeng NPA upang lokohin dahil ang tanging nais lang ay gamitin ang lupa ng mga ito.

Nasa 25 lalawigan ang target o gagawan ng Oplan Lakbay Hukay na sinimulan sa Agusan del Norte.

May mga impormasyon na kung saan lugar inilibing ang mga 'lumad' noon at ito ay huhukayin.

Sinasabing makakatulong ito upang maibulgar ang totoong modus ng mga rebelde.

### Makataong solusyon

KAHINDIK-HINDIK talaga ang sinapit ng isang ina sa kamay ng kanyang anak na adik sa droga.

Nabalitaan po ba ninyo na pagkatapos patayin ay tinadtad na parang karne ang katawan ng ginang.

Pagkatapos ay iniluto at ang malagim na kasunod ay kinain pa ng anak ang kanyang ina.

Nangyari po ito sa

Barangay Capayuran, Pigcawayan, North Cotabato.

Ang mga putul-putol na bahagi ng katawan ng ginang ay nadiskubre ng kanilang kaanak.

Malamang na ang tingin ng anak sa ina ay isang baboy o baka kaya pinagtatadtad.

Dahil tingin ay karne kaya pinakuluan at niluto na pagkatapos ay kinain.

Sa inisyal na pagsisiya-

sat ay sinasabing matagal ng nakadena ang anak sa loob ng kanilang bahay.

May diperensya na raw sa utak bunga ng pagkaka-lulong sa paggamit ng ipinagbabawal na droga.

Noong mga araw na iyon ay nakaramdam ng awa ang ina kaya kinalagan ang kanyang anak.

Pero nang makaalpas sa pagkakakadena ay doon na nangyari ang karumaldumal na eksena.

Nahuli naman ang anak ng mga kapitbahay nito.

Sa pagkalulong sa droga ay nabaliw o nawala sa sariling bait ang anak na ang kasunod na ginawa sa kanya ay ikadena na lamang.

Kayo po ang aking tatanungin, tama ba na ikadena siya?

Marahil kaya ganoon ang ginawa sa kanya ay upang hindi siya makapanak-

it.

Pero mali pa rin sa halip sana ay dinala siya sa isang institusyon upang mapagalang o maibalik sa dating katinuan.

Wala po tayo sa puntong naninisi bagkus ay maging aral sana ang pangyayaring ito sa ibang may katulad na kaso.

Totoong nakakabaliw ang sobrang paggamit ng droga kaya kung may anak o kamag-anak kayo na tinakasan na ng sariling bait ay hindi po solusyon ang pagkadena o pagtali.

Tao po sila na dapat ay makataong solusyon ang isasagawa.

Sa nangyari, kahit ilang ulit sisihin ang anak na iyon ay tila walang say-say dahil siya ay baliw na nga kaya hindi alam ang nagawa sa ina.

# DASMARIÑAS CITY PUBLIC UNIVERSITY TO RISE IN 2020

**DASMARIÑAS CITY, Cavite – A PHP336-million “Pamantasan ng Dasmariñas” (city-run university) is projected to rise at the Burol main village in the city’s bid to further strengthen its education program and provide access to quality tertiary education for residents here.**

The Pamantasan ng Dasmariñas – College Building 1 is targeted for completion by March 2020 and will offer a collegiate degree to financially constrained residents, according to the Office of City Mayor or Elpidio Barzaga Jr.

The public university is expected to open doors of opportunities to city folks to become professionals and self-reliant individuals who will contribute to the progress of the city and nation.

The city, known as melting pot of great minds and exceptional talents, is home to bemedaled athletes such as Veruel Verdadero (fastest man in Palarong Pambansa 2017 and 2018 and Junior Sprinter of the Philippines Team), Jason Jabol (currently the fastest Batang Pinoy runner); Evangeline Caminong (new record holder in high jump, Philippine Team), to name a few.

To produce competitive and world-class athletes in the field of athletics, the city

government also earmarked some PHP136 million for the construction of a sports complex with track and field oval, which will be completed by 2019.

Besides holding sporting events, the ‘grandstand’ would also serve as venue for concerts and other outdoor activities.

Construction of both projects started after the groundbreaking rites on Sept. 22, timed during the birthday celebration of Cavite 4th district Representative Jennifer Austria-Barzaga.

These projects sit on a 12.8-hectare land purchased by the city government in 2006 to be the home of infrastructure projects such as the public university, grandstand, track and field oval and the City of Dasmariñas (COD) Arena.

The COD arena, a small version of the Mall of Asia (MOA) Arena, has a 4,800-seating capacity, equipped with amenities such as function rooms, a media coverage room, an arcade, kiosks, a ticketing office, changing and storage rooms, bleachers, event area, 343 regular parking slots and 27 bus parking slots.

It will be utilized for big sporting events and other entertainment (indoor and outdoor) events.

## Pahiram ng Oras

ni Ate Josie

(ika- 89 labas)

SA naririnig na malalakas na palakpakan dagdag pa ang pagkaka-banggit sa kanyang pangalan ay lumalakas ang kumpiyansa ni Kardo ng pagkapanalo sa darating na halalan.

Ramdam ni Kardo na mahal at gusto siya ng mga taon para mailuklok sa konseho.

"Uulitin ko po, ang mga binanggit ko ay bahagi ng aking mga programa."

"Wala po kayong maririnig ng ano mang pangako mula sa akin."

"Mas maganda po na ang sinasabi ay ginagawa at 'di pangako lamang na mapapako."

Muli ay namayani ang palakpakan at hiyawan sa panig ng mga nakikinig.

"Manloloko...Isa kang manloloko."

Bababa na sana ng entablado si Kardo nang biglang may isang malakas na pagsigaw mula sa kumpol ng mga tao.

Kinabahan si Kardo at namutla sa narinig na iyon bagaman hindi naman siya ang itinuturo o tinutukoy.

Pero eksakto kasing nagsasalita siya nang maganap ang pagsigaw na iyon.

Lalo at pag-aakusang manloloko ang isinisigaw ng kung sino mang tao

iyon.

Ang pamumutla ni Kardo na akala mo ay ibinabad siya sa suka ay hindi naman napansin ng mga tao.

Pumaling kasi ang mga leeg ng mga tao at hinahanap kung sino ang sumigaw.

Nagtayuan pa nga para lamang makita at matukoy ang taong sumisigaw.

"Manlolo...manlolo..."

Muling sumigaw kaya madali na para sa mga tao kung sino ang nagsisi-sigaw na iyon.

"Hahaha... akala namin kung sino na eh."

Nagtawanan ang mga tao nang makita kung sino ang sumisigaw.

Isang babae na karamtaman ang edad na may diprensiya sa pag-iisip.

Malinis naman ang kasuotan ng babae na ang dahilan ng pagkakaran ng diprensiya sa utak ay bunga ng pagkakasawi sa pag-ibig.

Labis na nagmahal ng lalaki subalit iniwan at niloko lamang ang babae.

Kaya kalimitang isinisigaw ang katagang manloloko dahil naloko siya sa pag-ibig.

## MANANANGGOL

Sa panulat ni Kuya Arman

(ika-88 labas)

"KAMI po sina Jerome at Bert, kami po ang mga anak o pamangkin mo auntie."

Magkasama ang dalawang nakababatang kapatid ni Dagul na bumisita kay Aling Tita.

"Wala po si Kuya Dagul kasi po ay may inaasikaso siyang kaso, auntie alam po ba ninyo na abogado na siya."

"Mahusay na abogado si kuya, nagseserbisyo siya para sa mga mahihirap auntie."

"Gusto ni kuya na maging manananggol s'ya ng mga mahihirap basta alam n'yang nasa tama o totoo."

Sige lamang sa pagsasalita at pakikipag-usap ang dalawa kahit hindi sila naiintindihan ni Aling Tita.

Isang pamamaraan ang palaging pakikipag-usap upang makatulong sa pagbabalik ng alaala ni Aling Tita.

"Alam mo auntie, sobra naming nami-miss ang luto mo. Ang sarap-sarap mo kasing magluto kahit anong klaseng putahe."

Lahat ng masasayang tagpo o eksena ay muling ibinabalik ng dalawa.

"Bitiwan n'yo ako, 'wag n'yo akong hahawa-

kan."

Nagtatangka ang magkapatid na mahawakan si Aling Tita subalit pumapalag.

Tila may trauma kapag nahahawakan si Aling Tita at nagagalit.

Hindi niya naiintindihan ang mga sinasabi ng magkapatid pero nakikinig lamang siya.

Nakatingin lamang sa magkapatid subalit hindi alam nina Jerome at Bert kung pumapasok sa isipan ni Aling Tita ang kanilang mga sinasabi.

"Hayaan mo at aayusin ko kaagad ang piyansa mo, 'wag kang mag-alala."

Habang ang dalawang kapatid ay nasa mental institution ay naroon naman si Dagul sa piitan at kausap pa rin si Caloy.

"Salamat po 'atorni, kaya nga sinabi ko lahat sa inyo ang mga totoo eh dahil gusto kong makalabas dito."

Ang hindi alam ni Caloy ay kinuhanan lamang siya ng mga impormasyon ni Dagul.

Ilang araw ay muling bumalik si Dagul sa piitan at pagkakita sa kanya ay labis ang tuwa ni Caloy.

"Makakalabas na ba ako 'atorni?"

# COOPERATIVISM IN CAVITE STEPS UP WITH GAD

Seeking to establish more gender sensitive cooperatives in Cavite, almost 200 coop leaders gathered at The Junction in Tagaytay City on October 26, 2018 for the 6th Cavite Cooperative Leaders Conference, which focused on Gender and Development Mainstreaming as part of stepping up with the United Nations Sustainable Development Goals (SDGs).

Caviteños warmly welcomed guest and keynote speaker, Senator Risa Hontiveros, Chairperson Senate Committee on Women and Gender Equality. Senator Hontiveros put emphasis on women's rights and the big role that women play in cooperatives. With this, the lady senator asked cooperatives to support the implementation of the Expanded Maternity Leave providing 55 more days on paid maternity leave, from 60 to 105 days. Likewise, Senator Hontiveros disclosed that the bill includes provision of seven days transferable leave to men, to be known as the "daddy quota," which can be an example of GAD mainstreaming that promotes shared responsibility on child care and equal parenting.

Mr. Alvin S. Mojica, Provincial Cooperative Livelihood and Entrepreneurial Development Office (PCLEDO) head, who introduced the senator prior to her keynote speech, took the opportunity to thank Senator Hontiveros and everyone who attended the event, making the occasion a huge success.

Meanwhile, Cooperative Development Authority (CDA) former Administrator Mercedes Castillo provided a holistic overview on the theme "Cavite Cooperatives: Stepping up with the United Nations Sustainable Development Goals through Gender and Development Mainstreaming," linking women and the development process towards a stronger organization that could successfully contribute to economic progress.

She even encouraged participants to be GAD advocates and must take the initiative to incorporate GAD activities in their respective cooperatives.

In order to help coop leaders on how to begin their GAD plans, Cooperative Development Specialist from CDA, Ms. Jeramel Valdez shared their agency's framework on gender and development, showing different matrix on diverse activities centered on GAD including capacity building as well as linking with partners and service providers. According to Ms. Valdez, coops are a reminder to the community that it is possible to pursue both economic viability and social responsibility.

Furthermore, coop stories of two successful cooperatives in the country added inspiration for everyone to focus on gender equality towards building resilient cooperatives. Ms. Maide Obdianela Jader, GAD Focal Point System Technical Working Group and Chairperson of Government Employees of Tayabas (GET) Multi-purpose Cooperative, talked about their journey as they incorporate GAD activities to their flourishing organization and how it helped them reach their goals. Ms. Jader also underscored the importance of using gender-fair languages in the organization.

On the other hand, Mr. Alexander Raquepo, Chairperson of Sta. Cruz Savings and Development Cooperative and Vice President-Gender Equality Resource Center Inc., proudly shared how GAD affects their coop in a very positive way. Mr. Raquepo, being one of the first male GAD resource speakers in the country who has been in various countries for GAD advocacy, emphasized that gender equality should start at home with families. He even stressed out that men must be involved in achieving absolute gender equality, telling

his experience in Sweden when he encountered men babysitting instead of their wives. Mr. Raquepo emphasized that even doing household chores does not make one less a man. He also happily revealed that the statistics of Sta. Cruz Savings and Development Cooperative showed and proved how having gender sensitive family members have increased their collection and encouraged more participation of members to every assembly and other activities.

Atty. Khervy Reyes, Head, PCLEDO Cooperative Division, led the awarding of certificates and tokens to resource speakers and thanked them for lending their time and skills for the benefit of cooperatives in the province, on behalf of Governor Boying Remulla and PCDC Chairperson Fr. Arturo Balagat.

The event continued with the Koop Awards Night, which highlighted cooperative excellence and gave wider recognition to coop leaders. Among the awards granted include The Most Promising Cooperative, Best in Assets, Best Coop in Micro, Small and Medium-scale Category, Most Diversified, and Most Participative Local Coop Development Officer and other special citations. —(PICAD)
