MGA PAGKAIN SA FAST FOOD CHAIN SA CAVITE, LALAGYAN NG CALORIC C0NTENT

PLANO ng Department of Health (DOH)-CALABARZON (Cavite Laguna Batangas Rizal Quezon) ang paglalagay ng caloric content sa mga kinakain sa mga fast food chain at restaurant sa Cavite.

Ayon kay DOH-CALABARZON Regional Director Eduardo Janairo, makikipag-ugnayan sila sa local government upang gumawa ng isang ordinansa upang maglagay ng caloric content sa mga pagkain sa lahat ng fast food chain at restaurant sa naturang probinsiya.

Layon nito na malaman ng isang tao sa pamagitan ng kanyang mga kakainin kung ilang calories content sa isang pagkain o inumin ang dapat nitong i-intake upang mapangalagaan niya ang kanyang kalusugan.

Paliwanang ni Janairo na nakahiligan na ng mga tao ang kumain sa mga fast food chain partikular ang French fries kung saan ito ay may 300 calories intake.

"Paano yan kung kakain ka ng tatlong beses na French fries, nangangahulugan na 900 calories content na ito, paano pa yung pagkain mo ng chicken at pag-inom ng soft drink eh ang required lamang sa katawan natin ay 1,200 calories intake per person/ day" ayon kay Janairo.

Dagdag pa ni Janiaro na isa itong awareness sa tao, dahil kung kakain siya, malalaman niya kung ilang calories content ang required niyang i-intake sa kanyang katawan o yung tinatawag na BMI (body map index) at makokontrol niya ito.

Positibo si Janairo na mai-implement ito dahil bukod sa isa itong necessity ay lumalabas sa data na malala ang problema ng environment health sa Cavite. **GENE ADSUARA**

Rider patay, angkas sugatan

MINSAN pang napatunayan na walang ididulot ang pagmamaneho ng lasing nang banggain ng isang motorcycle rider at angkas nito ang isang pampasaherong jeepney at tumama sa poste ng Meralco na nagresulta sa kamatayan ng rider sa General Mariano Alvarez (GMA), Cavite.

Namatay habang ginagamot sa Philippine General Hospital ang biktimang si Mohamad Sultan, 26, binate, ng Brgy. F. Reyes, GMA, habang ginagamot naman sa CARSIGMA Hospital ang angkas nitong si Raymond Perez, 27, ng Brgy. F. Reyes, GMA, Cavite.

Kinilala naman ang driver ng pampasaheong jeepney (DXC 363) na si Anthony Rojo, 53 ng Block 1 Lot 12 Brgy Elises, GMA.

Sa ulat ni PO2 Bobbie Balazo, ng GMA Municipal Police Station, minamaneho ni Rojo ang kanyang pampasaherong jeepney habang binabagtas ang Congressional Road sa Brgy. Elises, GMA dakong alas-3:15 ng madaling araw at nakabuntot naman ang minamanehong motorsiklo ni Sultan at angkas nito nang pumihit pakaliwa ang driver ng jepney dahilan upang mabangga siya ng motorsiklo ng biktima at dumiretso sa poste ng Meralco kung saan tumama ang katawan nila.

Pinaniniwalaang nakainum ang dalawa habang nagmamaneho ng motorsiklo.

Dinala ang dalawang biktima sa CARSIGMA Hospital sa GMA, Cavite subalit dahil sa malalang lagay ni Sultan kaya inilipat siya sa PGH kung saan siya binawiaan ng buhay, habang inaresto naman ang driver ng jeepney at nahaharap sa kasong Reckless Imprudence resulting in Homicide. **GENE ADSUARA**

Yes, There's Life After Retirement:

Kumikitang Kabuhayan ng mga Lolo't Lola ng Tanza, Navotas City

By Earl Matthew SD. Sabile

Tuwing sasapit ang panahon ng Kapaskuhan, sagana ang iba't ibang negosyo, maliit man o malaki. *Peak Season* ika nga kung ituring ang panahong ito, lalo na at naghahanap ang mga tao ng magaganda at kakaibang mga bagay para ipangregalo.

Kabilang sa mga makabuluhang produktong pwedeng-pwedeng ipangregalo ngayong Pasko o maging sa ibang okasyon ay ang mga likha ng senior citizens ng Tanza, Navotas City. Kaya't malaki ang pasasalamat ng mga senior citizens ng Barangay Tanza Office of Senior Citizens Affairs (OSCA) sa ibinibigay na tulong sa kanila ng Department of Science and Technology-National Capital Region (DOST-NCR).

Pagpasok pa lamang sa kanilang opisina, bubungad na ang iba't ibang tela at ang ilang makinang panahi. Abalang-abala ang mga tao sa paggawa at pagtatapos ng mga order para sa Kapaskuhan. Ayon sa mga masisipag na lolo't lola, hindi na nila kailangan pang pumunta kung saan-saan para ilako ang kanilang produkto, dahil sila na mismo ang pinupuntahan ng mga parokyano sa kanilang opisina upang mamili. Biro nila, sa ganda ng takbo ng kanilang negosyo, at sa bilis ng pag-asenso ng pananahi ng mga senior citizens ng Tanza, ay mukhang kakailanganin na raw nilang mas palakihin pa ang kanilang opisina.

Sa kasalukuyan ay 20 mananahi ang direktang nakikinabang sa proyektong ito. Karamihan sa kanila ay nagtatrabaho sa sarili nilang mga tahanan at sa sarili nilang bakanteng oras. Kabilang sa mga produktong tinatahi nila ang mga punda ng unan, kobrekama, kurtina at maging mga T-shirt. Naglalaro ang kanilang presyo mula sa 30 pesos para sa punda ng unan, hanggang 450 pesos para sa magandang klase ng kobre-kama. Ang kinikita mula sa bawat produkto ay hinahati sa tatlong bahagi: humigit-kumulang 70 porsiyento ang ibinabalik bilang puhunan, 25 porsiyento ang napupunta sa mananahi, at ang natitirang 5 porsiyento ay napupunta sa OSCA para sa mga gastos sa operasyon ng opisina.

Ayon kay Gng. Violy Reyes, presidente ng Barangay Tanza Senior Citizens Chapter, *"Napakalaking bagay ang naitulong sa amin ng DOST. Hanggang ngayon, mayroon pa rin silang itinutulong sa amin. Una, binigyan kami ng makina; ngayon pati materyales binigyan na rin kami. Hanggang ngayon kumikita kami. Nakakatulong ito nang malaki sa mga mananahi at sa mga kapwa ko senior."*

Taong 2016 nang ipagkaloob ng DOST-NCR sa Barangay Tanza Senior Citizens Chapter ang ilang makinang panahi: tatlong single needle high-speed sewing machines, at tigiisang edging machine, computerized embroidery machine, at cutting machine. Ang mga nasabing makina ay patuloy pa ring nagbibigay-tulong-pinansiyal sa mga senior citizens ng Tanza kahit pa nga sila ay mga retirado na.

Nito lamang buwan ng Disyembre ay muling binigyan ng tulong ang mga senior citizens ng Tanza sa pamamagitan ng mga karagdagang tela at materyales na magagamit nila sa kanilang mga likhang produkto. Ang lahat ng mga ito ay bahagi ng programa ng DOST na Community Empowerment thru Science and Technology o CEST na naglalayong makapagbigay ng kabuhayan at makatulong sa pagbawas ng kahirapan sa mga komunidad sa pamamagitan ng siyensiya at teknolohiya.

Dagdag pa ni Gng. Reyes, *"Ginugol ko ang buhay ko para rito (sa organisasyong ito). Wala na akong iniisip kundi diyan na lang sa mga senior. Pero umuuwi ako nang masaya... nagtatrabaho kami habang nagtatawanan lang, naglilibang, pero pagkatapos, aba!, mayroon na kaming pera. Para sa akin, hindi dapat yung umaasa lang ang mga matatanda sa bahay. Ang dapat ay iniisip natin kung ano pa ba ang magagawa natin habang malakas pa tayo. Mag-o-otsenta na ako sa March, pero natutuwa ako at pinapayagan pa rin ako ng mga bata kasi nakikita nilang nag-e-enjoy ako. Pakiramdam ko ay may silbi pa ako; at kahit may edad na, tuloy pa rin ang buhay."*

Ilang miyembro ng Barangay Tanza OSCA

Si Gng. Violy Reyes (gitna), kasama ang ilang mananahi ng OSCA

Tunay ngang tuloy at higit pang makabuluhan ang buhay para sa mga lolo at lola na kasapi sa Barangay Tanza Senior Citizens Chapter ng Navotas City. Nguni't ang CEST ay isa lamang sa mga programa ng DOST para sa iba't ibang sektor ng lipunan. Bawa't isang sektor ay may naghihintay na mas magandang bukas sa tulong ng teknolohiya at inobasyon, lalo pa nga't nagbukas na ng sangay* ang DOST-NCR sa iba't ibang bahagi ng Metro Manila.

(Ang DOST-NCR CAMANAVA Cluster Office ay pinangungunahan ni G. Warren Gomez at matatagpuan sa City of Malabon Polytechnic Institute Campus, Gov. Pascual Ave., cor. A. Reyes St., Barangay Baritan, Malabon City. Maaari rin silang tawagan sa numerong (02) 571-0403).

Rider na lasing at walang lisensiya, dapat bang posasan?

PAGTUNTONG ng alas dose ng hatinggabi nitong Linggo (Enero 13) ay simula ng implementasyon ng Commission on Elections gun ban nationwide.

Sinabayan ito ng paglalatag ng checkpoint ng kapulisan sa iba't ibang bahagi ng bansa.

Para kay Philippine National Police chief Director General Oscar Albayalde ay tagumpay at mapayapa ang unang araw.

Sinusulat ko ito ay nasa 4,447 checkpoint operations ang isinagawa sa buong bansa.

Nagresulta ito sa pagkaaresto sa 25 katao at pagkumpiska sa 27 firearms, 168 rounds ng ammunition, pitong bladed weapons, at 22 gun replica.

Pati droga ay mayroong nakumpiska sa mga naturang operasyon.

Umabot sa 70 sachets ng hininihinalang shabu at dalawang glass pipe na may marijuana.

Asahan na rin naman natin na nagkakaroon ng madugong eksena at sa mga unang bugso pa nga lamang ay naitala na ang tatlong patay sa checkpoint operations.

Mahaba-haba ang election period kaya hindi na tayo magtataka sa paglobo ng bilang na mahuhuling lalabag sa gun ban.

Ang sabi ng ating kapulisan, ang mababang bilang na naitala sa unang araw ng election period ay pagpapakita at patunay na ganap ang kaalaman ng mga tao sa ipinapatupad na gun ban.

Ibig bang sabihin nito ay hindi alam ng mga nahuli na mayroon ng gun ban?

Komento ng ilang nakausap natin na 'tanga' raw ang magdadala ng baril at droga sa mga ganitong panahong mahigpit ang pagpapatupad ng checkpoint.

May katwiran ang mga 'mokong' hahaha…

Lalo at tiniyak ng PNP na lalo pa nilang papaigtiingin ang seguridad sa mga ipapatupad nilang checkpoint para hindi makakalusot ang sino mang may bitbit na armas, improvised explosive device at iba pang mga ipinagbabawal na armas.

Argabyado nga lamang sa mga checkpoint ang mga nagmamaneho ng single motorcycle.

Kung tutuusin 'ika nga ng nakakarami ay mas nakakalamang ang mga tunay na kriminal na nasa loob ng sasakyan kumpara sa nakamotorsiklo.

Sige nga, halimbawang ikaw ay may bitbit na baril ay magagawa mo pa bang magmotor?

Siyempre mas pipiliin mong sasakyan ang iyong gagamitin, iyan ay kung may kotse ka.

Kung wala ka namang sasakyan, sabi nga ng mga 'mokong' ay tanga ka na magdadala ng baril habang nakamotorsiklo.

Naaalala ko iyong aking nakita o napanood sa video na naka-post sa facebook.

Isang nagmamaneho ng motorsiklo na pinahinto sa checkpoint na kalaunan ay nalamang walang driver's license at nasa impluwensiya pa ng alak.

Ang rider na lasing at walang lisensiya ay inutos ng opisyal sa kanyang mga pulis na posasan.

Tama po ba iyon? Ganoon lamang ang kaso subalit kinabitan ng posas na parang isang tunay na kriminal.

EDITORYAL

Kaligtasan ng mga mananakay

PINAGTATALUNAN kung ang 'Angkas' ba ay tama o makatwiran bilang bahagi ng pampublikong behikulo.

Kung sina BUHAY Party-list Rep. Lito Atienza at Negros Oriental Rep. Arnulfo Teves ang tatanungin, para sa kanila ay malaki ang naitutulong ng Angkas sa mga mananakay.

Pinuna ang kaluwagan ng pamahalaan sa ride sharing app na Grab at Uber kaya ang sabi ay ganoon din umano dapat ang trato sa Angkas.

Ano po sa inyong palagay, tama ba ang pananaw ng mambabatas?

Sinasabing ang main concern dito ay ang kaligtasan ng mga mananakay.

Pero tinitiyak ng Angkas na mahigit 90 porsiyentong ligtas ang mga gumagamit sa kanilang serbisyo dahil sumailalim sa mahigpit na pagsasanay ang mga driver nila bago pinayagang makabiyahe.

GO BATS EMPOWERMENT OF BARANGAY TANODS VS. DRUGS CRIME

CAVITE — Former Special Assistant to the President (SAP) Christopher Lawrence "Bong" Go on Tuesday cited the need to empower barangays by allowing them to hire more tanods (village watchmen) as they need.

"Minsan, kulang talaga ang tanod para mapanatili ang kapayapaan at kaayusan sa isang lugar, lalonglalo na sa mga malalaking barangay at sa mga lugar na sadyang mas maraming kaso ng droga at krimen," Go said during the Ugnayan sa Barangay event held at Barangay Queens Row Central in Bacoor City, Cavite.

Go said he acknowledges that the maximum allowable number of tanods per barangay, currently limited by existing laws, may be inadequate to tackle the needs of various communities.

Go is also pushing for a Magna Carta for Barangay Officials that he vows to push for in the Senate.

For barangay workers and officials, Go said they deserve to have the same benefits that other government employees receive.

"Plano kong asikasuhin na mabigyan kayo ng tamang suweldo at mga benepisyo para mapadali ang pagharap ninyo sa mga pangangailangan ng tao," Go said.

Go was welcomed by the entourage of former Cavite Governor Juanito Victor "Jonvic" Remulla, Bacoor City Mayor Lani Mercado-Revilla, other provincial government officials, local leaders, and residents of Bacoor city.

Apart from discussing the needs of those serving their barangays, Go said a Malasakit Center will soon be opened in Cavite to serve local patients in need of quick medical and financial assistance.

"Magkakaroon talaga kayo ng Malasakit Center dito sa Cavite," Go told event attendees.

"Kung may Malasakit Center na po kayo sa loob ng ospital, sa iisang kuwarto, (naroon) na po 'yung representative ng DOH, DSWD, PAGCOR PSCO, at PhilHealth," Go added.

The Malasakit Center is a one-stop shop initiative started by the former presidential aide and President Rodrigo Duterte where affordable and quality healthcare services are made accessible to everyone.

In the center, satellite offices of Philhealth, DOH, DSWD, PCSO, and other relevant government agencies are housed in one location, making application and processing faster and easier for patients in need.

If elected to the Senate, Go said he would legislate for the establishment of Malasakit Centers in more provinces and urban centers throughout the country.

Go also guaranteed local officials and residents of Barangay Queens Row Central that he would continue serving as the people's link to President Duterte.

"Gaya ng sinabi ni Governor Remulla, ako po 'yung maging tulay ninyo kay Pangulong Duterte," Go said.

"Asahan niyo po, 'yung Cavite po, pagdating ng panahon, di po kayo mapapabayaan: sa proyekto, sa atensyon, sa lahat po," Go added.

Among the former presidential aide's legislative agenda include programs on agriculture, housing, improved health service delivery, education, long-term sports development, localized peace talks, anti-drug and crime drive, anti-corruption drive, fire protection and prevention, creation of a Department of OFWs, as well as the creation of an office for senior citizen concerns. ***(PR)***

Foreman, tinarakan ng tauhan

TINIYAK ng isang 33-anyos na obrero na matitigil na ang pambu-bully ng kanilang foreman sa kanyang mga tauhan nang pagsasaksakin hangggang sa napatay habang nat-utulog matapos ang inuman sa Silang, Cavite.

Hindi na umabot ng buhay sa Estrella Hospital ang biktimang si Ricardo Silao, 51, may-asawa, ng Brgy. Pulong Bunga, Silang, dahil sa tinamong saksak sa katawan ng suspek at tauhan nito na si Ramil Caneso, binate, ng Bry. Adlas, Silang.

Sa ulat ni PO3 Aries Mendoza, ng Silang Municipal Police Station, dakong alas-2:50 ng hapon nang nagkayayaang maginuman ang biktima, suspek at isang Marlon Gustillo sa loob ng isang Day Care Center na kanilang ginagawa sa Brgy. Pulong Bunga.

Sa kalagitnaan ng kanilang inuman nang nagtalo ang biktima at suspek hinggil sa kanyang sahod subalit naayos naman ito nang may namagitan sa kanila.

Nang natapos ang kanilang inuman ay nakatulog umano ang biktima sa isang upuang kahoy at dito nakahanap ng tiyempo ang suspek at kumuha ng kutislyo at pinagsasaksak ang biktima saka mabilis na tumakas.

Gayunman, sinundan siya ni Gustillo kung saan napadaan sila sa isang kasalan kaya sumigaw ang huli ng "sinaksak si Ramil" habang itinuturo ang tumatakbong suspek dahilan upang harangin sila nina Brgy. Councilor Arnold Patawe at BPATS Alex Javier na naroroon sa lugar at nagresulta sa kanyang pagkakaaresto.

Ayon kay PO3 Mendoza, may galit umano ang suspek sa biktima dahil sa reklamo nito sa kanyang suweldo at ang pambu-bully nito sa kanyang mga trabahador. **GENE ADSUARA**

Ospital ng Imus fully operational by Jan. 24

IMUS CITY, Cavite — The city's public hospital, Ospital ng Imus (ONI), would be fully operational by Jan. 24.

An advisory from the city mayor's office said the hospital would start admitting patients to its 22 wards and 19 private rooms with 130 beds.

The PHP300 million, three-story hospital, which stands on a donated 4,000 square meter lot, had its soft launch on October 12 last year, with services limited to emergency and outpatient care.

ONI, a level 1 hospital with major and minor operating capabilities, provides ancillary services such as laboratory, x-ray, and ultrasound.

The new state-of-the-art hospital, the first public hospital in the district, aims to provide quality, affordable and accessible healthcare.

Dr. Edgardo Figueroa, hospital chief, will lead a team of at least 20 doctors, 25 nurses and 15 consultants, including specialists on its services.

There are also plans to construct a Medical Arts Building worth PHP35 million near the hospital. **(Gladys Pino-PNA)**

MOU FOR SILANG GREEN ENERGY PROJECT SIGNED

SILANG, Cavite — Waste management will no longer be a problem for this municipality after its local government signed a memorandum of agreement (MOU) with Trashtalk Phil. (Waste Management and Green Solution Inc.) for the implementation of a green energy project.

Under the MOU forged on Tuesday, the investor Trashtalk will put up waste-to-energy facilities in Barangay Biluso for the biodegradable-to-energy plant that can be used by households, the national grid or independent power suppliers.

"It's a big help to our town. It will address the pressing waste problem of our town and the whole nation, as well," Mayor Lourdes 'Omil' Poblete said in an interview.

"We want the municipality of Silang to be the first local government unit to have a green energy project," she said.

Plant construction will start this month and is expected to be completed by the end of the year.

The green energy project will be undertaken in cooperation with the Department of Environment and Natural Resources, Department of Science and Technology, and Department of Energy.

Dr. Crispina Corpuz, consultant to the mayor, said when this project goes in full operation, it will reduce by 30 percent to 40 percent some 150 tons of waste collected and will save about PHP20 million of the PHP80 million annual budget on waste.

The LGU this year will disseminate information on the project to 64 villages of the locality so the municipality can comply with the tons of waste requirement for conversion into energy. ***(Dennis Abrina/PNA)***

PDEA eyes saving street children hooked on solvent

QUEZON CITY (PIA) — The Philippine Drug Enforcement Agency (PDEA) is eyeing on saving street children hooked on solvent with the launching of its "Sagip Batang Solvent" project soon.

PDEA Director General Aaron N. Aquino said "Sagip Batang Solvent" will rescue street children sniffing solvent and provide relief from their addiction so that they could become productive citizens in the future.

He said the primary objectives of the project include: saving children involved in illegal drug activities (CIIDs); provide shelter/facility to CIIDs; provide reformative and reintegrated interventions to CIIDs; and develop resistance to drug use among CIIDs; and change CIIDs to productive citizens.

"Just go around the thoroughfares of the metropolis and you see children sniffing inhalants like a normal display of feat," Aquino said.

The PDEA chief also said that the street children will be provided with reformative and reintegrated interventions like education, counselling, and values formation, skills development, livelihood and entrepreneurship training.

Besides rescuing solvent-inhaling street children, Aquino sees the project as one of the measures to prevent juvenile delinquency.

PDEA will establish a model reformation center for the rescued 'batang solvent' to be completed in February 2019. The pilot reformation center will be in a rented facility in Quezon City which will have bedrooms, mess hall, kitchen, comfort rooms, receiving and entertainment room, study room, library, multipurpose hall, music room, garden, playground, security and staff to manage the facility.

Aquino pointed that priority targets for this project are children (male and female) aged 10 years old and below, adding that PDEA aims to establish a reformation center in each of the regional offices nationwide.

Likewise, PDEA will tap other government agencies, local government units, non-government organizations, private sector and other stakeholders as partners in this initiative. **(PIA-NCR)**

PRO 3 reshuffles 16 chiefs of police in Central Luzon

CITY OF SAN FERNANDO, Pampanga (PIA) — Police Regional Office 3 reshuffled a total of 16 chiefs of police in Central Luzon as election period begins.

"The revamp does not automatically mean that the chiefs of police are underperforming in their duties instead they have already stayed in their position for the maximum allowable period of two years," Police Regional Director PCSupt. Joel Napoleon Coronel clarified.

Nueva Ecija has the most reshuffled with nine followed by Zambales with four, Bulacan-two, and Bataan-one.

"We are adhering to the directives of higher headquarters and this movement was deliberated and approved by our Regional Oversight Committee, at the same time it is the nature of police work, especially police officials to be assigned to different fields to further test their capabilities," Coronel added.

"I also gave directives to all our provincial/city police offices to go 'tooth and nail' in our aggressive operations against criminals and gun-for-hire syndicates as well as stern implementation of gun ban to ensure the peaceful holding of credible and fair elections this May," the official furthered. **(CLJD-PIA 3)**

Olongapo court places Hanjin under corporate rehab

MANILA — An Olongapo court has formally declared cash-strapped shipbuilder, Hanjin Heavy Industries and Construction Philippines Inc. (HHIC Phil.), under corporate rehabilitation.

In a four-page "commencement order" dated Jan. 14, Olongapo Regional Trial Court Branch 72 Judge Richard A. Paradeza acted on the firm's petition filed under Republic Act 10142, otherwise known as the "Financial Rehabilitation and Insolvency Act of 2010".

In the stay/suspension order, which formed part of the court directive, the Olongapo court suspended all actions or proceedings in court or otherwise for the enforcement of all claims against HHIC Phil. Inc.

It also "suspends all actions to enforce any judgment, attachment or other provisional remedies against HHIC Phil Inc.," and "prohibits HHIC Phil Inc. from selling or disposing (of) its properties except in the ordinary course of business", as well as prohibits the firm from making any payment of its outstanding liabilities.

The court also ordered the creditors, government agencies and all interested parties to file a comment on Feb. 8 and prohibited HHIC Phil. Inc.'s suppliers of goods and services from withholding the supply of the goods and services in the ordinary course of business for as long as HHIC Phil. Inc. makes payment for the said goods and services.

The court also authorized HHIC Phil. Inc. to pay its regular administrative expenses as they become due and ruled that contracts not confirmed in writing by HHIC Phil. Inc. within 90 days following the issuance of the commencement order shall be considered automatically terminated.

The firm located in Subic Bay in Zambales employed up to nearly 28,000 persons at its peak before financial woes forced it to trim down its workforce to around 20,000 last year.

Hanjin revealed that it has USD1.3 billion in outstanding loans — USD400 million from Philippine banks and USD900 million from South Korean lenders. ***(PNA)***

Honest NAIA janitor lauded for returning money

MANILA — The Manila International Airport Authority (MIAA) on Wednesday commended a janitor at the Ninoy Aquino International Airport (NAIA) for bringing to the lost and found section an envelope containing US dollar bills.

A statement from MIAA said Jeffrey Almoguerra found an envelope with a "significant amount of US dollar bills" near the foreign exchange counter at the NAIA Terminal 1 on Tuesday.

The agency, however, could not disclose the amount since this would be asked from a possible claimant.

Almoguerra apparently reported the incident to a security guard, who accompanied him to the lost and found section. The dollar bills were counted and documented in their presence.

Almoguerra will be among the airport workers to be recognized by MIAA in a ceremony in February.

Every month, the agency recognizes NAIA employees for their honesty, efforts and accomplishments.

Since Almoguerra is an employee of Philcare Manpower Services, MIAA General Manager Ed Monreal is urging service contractors to recognize their employees for these simple acts or achievements.

"Take care of them because they set good examples," Monreal said. ***(PNA)***

METRO TURF, MAGSASARA?

Mainit na naging usapan ng mga karerista ang napabalitang pagsasara o paghinto ng pakarera sa MetroTurf sa Malvar, Batangas.

Marami sa mga karerista ang nakapagsabi na hindi sapat na dahilan ang train law tax na idinagdag upang lumiit ang dibidendo at papremyo dahil noon pa man na kahit tumaas o lumaki ang buwis ay balewala iyon sa kanilang mga karerista. Dagdag naman ng isa pang grupo na pawang mga manlalaro rin sa sabong ay hindi rin iyon ang dapat na sisihin dahil noon pa man nung parehong nasa kamaynilaan pa ang naunang dalawang karerahan ay may malapit na kilalang sabungan sa San Lazaro at maging sa loob mismo ng dating compound ng Santa Ana Park sa lungsod ng Makati ay mayroon na halos nagkakasabay pa ang sigawan sa magkabilang laruan.

Sa kabuuan ay hindi sila naniniwala na sanhi ng buwis at sabong ang pangunahin o mabigat na dahilan sa paghinto ng pakarera sa Metro Turf.

Kung susuriing mabuti ay maraming karerista talaga ang lumaylo hanggang sa tumigil pa ang iba na manaya kapag sa Malvar ang karera kaya biglaang malaki ang ibinagsak ng bentahan at ang pinaka-dahilan naman nila sa paghinto sa pananaya ay dahil sa ramdam na ramdam nilang nagkaroon ng malaking kalokohan o dayaan na maituturing buhat nung nagkaroon ng bida-bidahan sa nabanggit na karerahan. Ramdam nila na may kalokohang nangyari sa karera lalo na kapag maririnig nilang malayo pa si kabayo ay todo sigaw na ang mga race callers sabay pagdating sa meta ay matinding pagpupuri pa ang igagawad sa may-ari o koneksiyon ni kabayo. Bukod sa napabalitang aayusin ang pista sa Metro Turf ay may nabalitaan din na tila may interes ang ibang grupuhan sa panig ng horse owners na bumuo sila ng pangkat upang maipagpatuloy ang pakarera sa Malvar.

Base naman sa mga karerista na kapag magtuloy na mga horse owners ang magmay-ari sa Metro Turf ay mas walang mangangarera sa kanila, na malamang ay lalong mauwi sa mga kalokohan at yarian sa karera.

Big-time pusher arestado sa P120,000 halaga ng shabu

KALABOSO ang isang 23 anyos na lalaki matapos na mahulihan fifty grams na shabu sa isinagawang Simultaneous Anti Criminality and Law Enforcement Operation (SACLEO) ng grupo ng Station Anti Crime Unit (SACU) ng Manila Police District Station sa Hermosa, Maynila.

Kinilala ang suspek na si John Frely Macaraeg, alyas Jhon Jhon, walang asawa at trabaho, ng Building4 Permanent Housing Tondo, Manila.

Ayon sa isinagawang imbestigasyon ni PO1 James Van Pebenito, ng MPDPS Sdet, dakong 9:30 ng gabi nang naaresto ang suspek sa Herbosa St.,Tondo.

Nabatid na nagsagawa ng SACLEO ang pulisya sa nasabing lugar nang sitahin nila ang suspek ngunit tumakbo.

Dahil dito hinabol ang suspek at nang maabutan dito na nadiskubreng sa kanya ang sampung pirasong plastic na naglalaman ng shabu na may timbang na fifty grams.

Ang nakumpiskang droga ay nagkakahalaga ng P120,000 at iba't ibang klaseng paraphernalia na gamit sa shabu.

Paglabag sa RA 9165 o dangerous drugs Act Comprehensive ang kinaharap na kaso sa Manila City Prosecutor Office laban sa suspek. **(Leonard Basilio)**

ANGEL LOCSIN, MAY TAKOT PERO PALABAN

MATAGAL-tagal din na hindi nasilayan sa mundo ng teleserye si Angel Locsin.

Nasa limang taon ding nagpahinga ang aktres na binansagang primetime queen ng Kapamilya.

Pero ngayong Enero 21 ay masasaksihang muli ang aktres ng mga humahanga at sumusubaybay sa kanya.

Pagbibidahan ni Angel ang primetime tele series na 'The General's Daughter' ng ABS-CBN at Dreamscape Entertainment.

Hindi matatawaran kung acting at acting lang naman ang pag-uusapan kay Angel.

Bilib din tayo sa aktres sa pagpapahayag ng katotohanan sa kanyang sarili.

Calibrated actress si Angel pero hindi itinatagong nakaramdam ng kaba o takot sa pagsabak muli sa teleserye.

Pero ang takot o kaba na iyon ay hindi makakayang tinagin ang palabang Angel.

May ibubuga at ipinagmamalaki naman si Angel kahit ang kanyang kasama sa teleserye ay pawang may tahid na sa industriya.

Nariyan ang dalawang mahusay na aktor na sina Tirso Cruz 111 at Albert Martinez.

Ang mga premyadong aktres na sina Janice de Belen, Eula Valdez at Diamond Star Maricel Soriano.

Speaking of Maricel, isa siya sa medyo nakaramdam ng kaba para kay Angel.

But in the end ay napahanga si Angel sa nakitang generosity ng nag-iisang Diamond Star.

Hindi siya pinabayaan ni Maricel sa halip ay tinuruan at tinulungan pa.

Nabanggit naman ni Maricel ang paghanga sa isa pa sa mga cast ng teleserye.

Ang gwapong anak ni Sylvia Sanchez na si Arjo Atayde ang tinutukoy natin.

Appreciate ni Maricel ang acting ni Arjo, na siyempre ay nakuha o namana ang kahusayan sa kanyang ina.

Kaya naman super proud si Sylvia sa anak na si Arjo, na magiging anak naman ni Maricel sa teleseryeng ito.

Bukod kay Arjo ay bahagi rin dito sina Loisa Andalio, Ronnie Alonte at Ryza Cenon.

Tiyak na walang lipatan ng channel pagkatapos ng 'FPJ's Ang Probinsyano' ay kasunod ang naturang teleserye na nasa ilalim ng direksiyon nina Manny Palo at Mervyn Brondial.

"ALAM mo ba na masaya nga na malungkot ako."

Biglang bumanat ng ganitong salita si Kardo na sinabayan ng malumanay na tinig.

Ang mukha pa ni Kardo na bukod sa biglang pinalungkot ay animo'y luluha.

"Ano na naman 'yan? Naguguluhan ako sa 'yo ha Kardo."

Tiklop konti si Lyka nang mapansin ang ekspresyon ng mukha ni Kardo.

"Kanina tumatawa tapos ngayon ay biglang malungkot na parang iiyak pa 'ata ah."

Sinadya ni Kardo iyon para mawala ang konsentrasyon ni Lyka na dapat ay nagsisimula ng mabanas.

"Patay kasi 'yung last na nanalo kaya nagkaroon ng pagkakataon na makapasok ako."

Nalilito pa si Lyka sa sinasabi ni Kardo kaya diniretso ng lalaki ang pagpapaliwanag.

"Nakakalungkot nga pero isa lang ang ibig sabihin n'yan, talagang nakalaan sa 'yo na maging konsehal."

Doon lang napagtanto ni Lyka na kaya pala patawa-tawa kanina si Kardo.

Dahil nga sa pangyayaring iyon ay kabilang si Kardo sa pormal na nanumpa bilang isa sa mga konsehal ng lungsod sa kanilang distrito.

"Congrats 'konsi."

Kung dati ay 'kap tawagin si Kardo, nang makapanumpa ay 'konsi na ang bansag sa kanya.

Sabak na sa bagong trabaho o tungkulin si Kardo at sa mga unang bugso ay talagang pakitang gilas siya.

"Kumain ka na ba? Ipaghahain muna kita at mukhang gutom at pagod ka eh."

Hindi lamang sa trabaho kundi pati sa kanyang misis ay pakitang gilas din si Kardo.

Trabaho-bahay si Kardo at ilang buwang diretso rin siya hindi nakakapunta kay Lyka.

"Ano na kaya ang nangyayari sa lalaking 'yun?"

Panay na lamang ang tanong ni Lyka sa sarili dahil hindi nakakapunta sa kanila si Kardo.

Bago kasi ang ganap na panunumpa ang huling pagpunta ni Kardo kay Lyka.

"Parang wala siyang anak sa akin dito ah, pati anak niya ay natitiis na matagal na 'di nakikita."

MANANANGGOL

Sa panulat ni Kuya Arman

(ika-99 labas)

PAGKAPASUK na pagkapasok ay namangha si Aling Tita sa itsura ng kanyang bahay.

"Teka...teka...bahay ko nga ba 'eto? Ito ba talaga ang aking bahay?"

Hindi halos nakilala ni Aling Tita ang kanyang sariling bahay pagkapasok.

Ang laki-laki ng pinagkaiba ng itsura ng loob ng bahay ni Aling Tita.

Medyo kinabahan naman ang tatlong magkakapatid sa nakikitang ekspresyon ng kanilang auntie.

Hindi nila alam kung natutuwa ba o nagagalit si Aling Tita sa ginagawang pagtatanong.

"Bakit po auntie? May problema po ba?"

Hindi nakatiis si Dagul kaya napilitan ng tanungin si Aling Tita.

"Problema! Asus anong problemang sinasabi mo, wala ah."

"Natutuwa lamang ako dahil ang gandaganda ng pagkakaayos ng loob ng bahay ko."

"Imagine eh puro kayo lalaki pero nagawa ninyong maiayos ng ganito ang loob ng bahay."

Babae si Aling Tita subalit hindi niya nagawang pagandahin ng ganoon ang loob ng bahay niya.

Hindi naman masisisi si Aling Tita dahil napakaabala niya sa kanyang karinderya.

Inaalagaan lamang ni Aling Tita sa paglilinis ang bahay dahil ang oras niya ay halos kulang sa karinderya.

Maging ang tatlong magkakapatid ay sobra ring napahanga sa malaking pagbabago sa loob ng bahay ni Aling Tita.

"Hahaha, naku eh kaya naman pala eh. Akala ko pa naman eh kayong tatlo ang gumawa nito."

Napatawa si Aling Tita nang sabihin ng tatlo na si Maribeth ang nagayos sa loob ng bahay.

Masayang-masaya rin ang magkakapatid sa nakitang pagtawa ng auntie nila.

"Teka nga pala muna, aakyat muna ako para makita ko ang itsura ng kwarto ko."

Nang makaakyat si Aling Tita ay pigil ang hininga ng magkakapatid.

Sa ibaba ay hinihintay nila ang kung ano ang magiging reaksiyon ni Aling Tita sa sandaling masilayan ang silid.

Sila rin kasing tatlo ay hindi alam kung ano baa ng itsura ng kuwarto ni Aling Tita.

"Oh my gosh!"

DOH, PSH LAUNCH PROGRAM TO CURB HYPERTENSION PREVALENCE

TAGAYTAY CITY, Cavite – The Department of Health (DOH) has partnered with the Philippine Society of Hypertension (PSH) for a joint project initiative aimed at addressing the increasing prevalence of hypertension and non-communicable diseases (NCDs) in Cavite province.

The program, Cardiovascular Risk Assessment and Management Initiative, which is anchored on DOH's Package of Non-Communicable Disease Interventions (PhilPEN) initiative, was officially launched before cardiologists from the public and private sectors at the Taal Vista Hotel here Friday.

In his keynote address, DOH-4A (Calabarzon) Director Dr. Eduardo C. Janairo stressed that "the greater progress in addressing cardiovascular diseases can be achieved through the cooperation of different sectors."

Janairo added that while it can be seen that NCDs are driven both by health and non-health variables, the health sector cannot adequately prevent and control these diseases on its own and a multi-sectoral approach (MSA) is required to establish enabling environments in the community.

"So that healthy choices become the most attractive choice," he said.

Due to the high cost of diagnosis and treatment of hypertension and NCDs, Janairo said a strategic approach to these diseases relies on early detection and care using cost-effective and sustainable health care intervention that are integrated in the primary health care facilities, such as the barangay health stations, rural health and other community health centers.

"We see our future focusing more on prevention, especially on the four modifiable behavioral risk factors – unhealthy diet, physical inactivity, harmful use of alcohol, and tobacco use," he said.

The joint project, set to pilot in Cavite province, is seen to result in more Filipinos being assessed, screened and diagnosed early to prevent debilitating and sometimes fatal complications.

"Once successful (in its pilot run), we shall look forward to its duplication in the whole Region 4 (Calabarzon and Mimaropa) and eventually in the entire nation," PSH president Dr. Alberto A. Atillano said.

The program seeks to bring down the diseases' prevalence by 3 percent in the next five years.

Hypertension prevalence in adult population (18 years old and above) in the Philippines increased from 11 percent in 1992 to 28 percent in 2013, with high incidence reported in Cavite.

Based on DOH data released in 2009, cardiovascular disease remains one of the leading causes of death in the country, with 170,000 Filipinos dying each year.

Heart attack and stroke are the top killer diseases in the country while 60 percent to 70 percent of Filipinos have not been treated or have seen a cardiologist, according to 2016 data from the Philippine Heart Association.

During the launch, the participants were treated with lectures on the matter.

The participants in the forum, composed of cardiologists from the public and private sectors, expressed their commitment of support for this health initiative. ***(Gladys Pino-PNA)***

Maraming pasaway

NATUKOY na ng Department of Environment and Natural Resources ang mga establisyementong nagtatapon ng basura sa Manila Bay.

Kaya ang sabi ni DENR U/Sec. Benny Antiporda ay mistulang gabundok o patung-patong na kaso ang kakaharapin ng mga establisyemento at gusali.

Bunsod ito ng paglabag ng mga ito sa sinasabing batas hinggil sa kalikasan.

Dagdag pa ni U/Sec. Antiporda na posibleng humantong sa pagpapasara sa mga ito.

Bahagi ng plano ng kagawaran ang rekomendasyon para sa pagpapa-shutdown ng establisyementong hindi pa tinukoy ang pagkakakilanlan.

Hindi ba na mismong si DENR Secretary Roy Cimatu ang nagsagawa ng inspeksiyon kamakailan sa mga gusali sa paligid ng Manila Bay.

Dito ay natukoy na umabot sa 300-milyon ang bilang ng coliform o dumi na matatagpuan sa tubig ng Manila Bay.

Alam naman natin na regular ang pagsasagawa ng clean up drive sa tabing dagat.

Pero nanggaling na rin sa pahayag ng DENR na hindi sapat ang palagi o madalas na naturang clean up drive upang ikonsiderang malinis at ligtas na ang Manila Bay sa publiko.

Kung maraming pasaway na establisiyimento ay ganoon din sa hanay ng mahilig maglublob sa karagatang ito.

Hindi alintana ang mga posibleng sakit na makukuha sa paglangoy o paliligo roon.

Walang pinipiling panahon o klima, kahit taglamig eh paano na kung tag-init mas lalong dagsa.

Ipinagbabawal subalit hindi sumusunod, patunay na marami talagang pasaway.
