WALANG UMIINOM NG GAMOT SA KAGUSTUHAN: IMEE MARCOS

(Istorya ni Romy S., mga kuha ni June B.)

TRECE MARTIRES CITY, Cavite – "Pero sana tanggalin na ang VAT sa lahat ng gamot, (kse) wala namang umiinom ng gamot sa kagustuhan, o masarap kungdi dahil me sakit." (I hope VAT (value-added-tax) will be removed from all medicines, nobody takes medicines because they simply like, enjoy it, but because they're sick)

Ito ang pahayag ni Ilocos Norte Governor Maria Josefa "Imee" Romualdez Marcos.

Ang gobernadora ay dumalo sa Cavite provincial government's "Ugnayan sa Barangay" program na ginanap sa Golden Horizon covered court sa Barangay Hugo Perez , Trece Martires City kamakailan.

Nagkaroon ng pagkakataon ang Cavite local media para sa isang ambush interview kay Gov. Marcos.

Binanggit din ng gobernadora sakaling palaring makaupo sa Senado sa darating na halalan ay ang pagtutuuon ng pansin para sa pagpapataas sa benepisyo ng mga senior citizen bilang isa sa kanyang mga prayoridad.

"Inaasahan ko na madagdagan yung stipend, at yung stipend na yun, hindi lahat nakakakuha dapat lahat, kaya tingnan natin." (I am hoping that the seniors' stipend will increase and that stipend, not all are covered when it should be for all, let look at it.)

Bahagi pa rin ito ng tugon ni Gov. Marcos sa katanungan sa kanya ng mga mamamahayag ng Cavite.

Nasa puso rin ng gobernadora ang lahat ng mga magsasaka hindi lamang sa Cavite bagkus sa buong bansa.

Hahanap din umano ng mga alternatibong solusyon upang maipababa o mailagay sa wastong presyo ang halaga ng mga pagkain para sa masa.

Nakasentro rin ang atensiyon ng gobernadora sa kasalukuyang entertainment industry ng bansa.

Matatandaang si Gov. Marcos ay dating pinuno ng Metro Manila Popular Music Festival (Metropop) at Director General ng Experimental Cinema.

"Panahon pa ng tatay ko lahat,"

tinukoy ng gobernadora ang kanyang namayapang ama na si dating Pangulong Ferdinand E. Marcos kaugnay ng isang panukala para sa Creative Industry Charter (CIC).

Ang CIC ay hindi lamang nakasentro sa traditional radio, film at television media.

Kaakibat din umano nito ang mga bagong plataporma na kinabibilangan ng games at toys development; social media, at digital communications.

Pinataas din ang antas ng mga ahensiyang saklaw dito katulad ng Film Development Council of the Philippines (FDCP), Movie and Television Review and Classification Board, (MTRCB), at Optical Media Board (OMB).

Ani Gov. Marcos, ang patas o pantay na oportunidad ay kinakailangang matamo ng mga talentadong Pinoy.

Napagitnaan nina Cavite Governor Boying Remulla at VG Jolo Revilla si Ilocos Norte Gov. Imee Marcos na dumalo sa Ugnayan sa Barangay kamakailan sa Trece Martires City. Dumalo rin sina Indang Municipal Councilor Ping Remulla, Tanza Municipal Councilor Lito Langit at De Ocampo Barangay Captain Bobby Montehermoso.

Arts Month events to be staged at Cavite museum

KAWIT, Cavite — The Museo ni Emilio Aguinaldo (MEA), which is run by the National Historical Commission of the Philippines (NHCP), will join the nationwide celebration of National Arts Month (NAM) in February.

NHCP-Cavite cluster head and MEA curator, Haidee Paulette Bedruz, said Tuesday the museum's two-pronged proposition is to make use of the series of activities slated next month as a prelude to the 150th birth anniversary on March 22 of General Emilio Famy Aguinaldo.

"Aguinaldo is acknowledged as the country's president of the First Philippine Republic and the events aim to deepen the understanding and appreciation of Aguinaldo," Bedruz said.

The commemorative observance of Aguinaldo's 55th death anniversary is set on February 6 with simple, traditional rites, such as a wreath-laying ceremony after a Eucharistic Mass at 8 a.m.

On February 23, the NHCP, in partnership with Fundacion Santiago, will launch a special tour of the "House of History," (the Aguinaldo Shrine), the known historic site where Aguinaldo proclaimed Philippine Independence on June 12, 1898.

The tour, which runs every two Saturdays of every month and scheduled throughout this year, will highlight a first-person interpretation of history to be facilitated by trained actors/actresses performing the first-person narrative.

"This program will encourage the development of greater intellectual and emotional connections between the shrine and its visitors, and instigate critical thinking about the past and history as a discipline," she said.

To present Aguinaldo's youth, the MEA features "Mga Laro ni Heneral" (The Games of the General) on February 15.

Through his book, "Memoirs of the Revolution", the General revealed his fondness for traditional Filipino games, such as the kalahuyo, sopo, calderon, baticobra San Anton and Tubigan, which are no longer being played now amid the advent of technology.

Bedruz said the former Kawit tourism officer and now freelance curator and Aguinaldo descendant, Angelo Jarin Aguinaldo, will manage the interactive lecture in a bid to reintroduce to the "now" generation the mechanics and history of these traditional games.

She said the revival of these traditional games hopes to encourage not just awareness, but physical activity to the young kids.

To highlight Aguinaldo's 150th birth commemoration, a modified snakes-and-ladders type of game board will be introduced to the participants containing the timeline of the life of Emilio Aguinaldo adapted to the popular board game.

The museum curator added this will become a permanent interactive activity to future visitors of the shrine.

Other activities include a special exhibit titled, "1869: Cementing the Road to Independence", where the significant events that paved the way to the declaration of Philippine Independence in 1898 and a lecture by Cameron Castrillo titled "El Presidente" where the various Aguinaldo monument done by Eduardo Castrillo, will be discussed.

Born on March 22, 1869 in Kawit, Cavite, Aguinaldo, whose name may be synonymous to a plethora of things – from his eventful and exciting life, his courageous and bold political actions, and the various accusations against him, became president at the young age of 29.

Aguinaldo's most important role in history was his presidential proclamation of the Philippine Independence in Kawit, Cavite, which paved the way for the birth of the Philippine Republic on January 23, 1899.

The Palace has earlier declared March 22 a holiday, as "Aguinaldo Day", based on Proclamation No. 621 issued last November.

The MEA is located at the ground level of the iconic Emilio Aguinaldo Shrine, at Kaingen village here, and is open from 8 a.m. to 4 p.m. Tuesday to Sunday. ***(Gladys Pino-PNA)***

Cavite Province distributes 'bokyos' to monitor peace and order in barangays

CAVITE CITY, Cavite (PIA) – The Provincial Government of Cavite's Ugnayan sa Barangay continues to bring government services to different barangays in the province with the recent distribution of modern tricycles called "bokyo" at Samonte Park here in the city.

Former Governor Jonvic Remulla represented his brother Governor Jesus Crispin "Boying" Remulla in giving out seventy six (76) bokyos to several barangays which will be used as patrol vehicles when they do the rounds especially during early morning hours. The said vehicles were intended to aid the recipient barangays in monitoring their peace and order situation, and to immediately response to emergencies.

"Patuloy ang pagbigay (namin) ng totoong serbisyo sa pamamagitan ng makabuluhang programa para sa lahat," (we will continue to serve our constituents through worthy programs) Jonvic Remulla said as he emphazied their commitment to serve the public.

Cavite City Mayor Bernardo "Totie" Paredes together with other local officials expressed gratitude over the donation of said bokyos which they said will help officials of recipient barangays perform their daily tasks. **(Ruel Francisco, PIA-Cavite/ with reports from PIC-AD)**

Dikta at impluwensiya

SA ikatlo at huling pagbasa ay inaprubahan na ng mababang kapulungan ng Kongreso ang panukala para sa medical marijuana.

Nasa 163 mambabatas ang pumabor sa House Bill 6517, limang kongresista ang tumutol, at tatlo ang nag-abstain sa naganap na botohan.

Kung kayo po ang tatanungin o boboto, saan kayo? Sa pabor ba o sa hindi?

Ipaliwanag natin na isinasaad sa panukala ang pagtayo ng Medical Cannabis Compassionate Centers (MCCC) na nasa ilalim ng Department of Health.

Ibig sabihin po, ang MCCC lamang ang binibigyan ng karapatan para sa pagbebenta ng medical marijuana.

Siyempre, ang maaari lamang na makakabili ay iyong mga mapapatunayang kuwalipikadong pasyente.

Kapag pasado, ang pasyente ay pagkakalooban ng identification card.

Siyempre, ang sertipikasyon o ang pagpapatunay ay manggagaling sa isang doktor.

Isinasaad na batay sa sertipikasyon ay pinahihintulutan ang pasyente na makagamit ng medical marijuana.

Paano kung may magaganap na sabwatan sa pagitan ng isang doktor at pasyente?

Nagtatanong lamang po dahil hindi naman kaila na kapag gusto ay may paraan.

Parang sa hanay ng ating huridikatura, minsan ang mali ay nagiging tama at ang tama naman ay nagagawang mali.

Nangyayari ito minsan dahil sa pagdidikta ng maimimpluwensiya at makapangyarihan.

Kaya naman ang hatol ay nalilihis, nasaan na ang tunay na hustisya?

Hindi maaaring hindi isipin ng maraming Juan dela Cruz na puwedeng mangyari ito sa usaping medical marijuana.

Pero huwag naman sana.

Ang Food and Drugs Administration ang makakatuwang ng DOH para pamamahagi at pagbebenta ng medical marijuana.

Sa salitang kanto, 'damo' ay isa lamang sa bansag o tawag sa marijuana.

Kung tunay na ito ay alternatibong gamot at napatunayang epektibo ay huwag ng magpatumpik-tumpik pa.

Sabi nga, aanhin pa ang damo kung patay na ang kabayo.

Maipatupad lamang sana ito ng wasto at maayos na hindi maabuso.

UGNAYAN SA BARANGAY CONTINUES IN BRGY. TALON, AMADEO. Hundreds of Amadeo residents gathered and joined Governor Boying Remulla and Vice Governor Jolo Revilla in another leg of the provincial government's Ugnayan sa Barangay at Brgy. Talon Covered Court on January 29, 2019. The chief executive of the province had the chance to talk to the people taking consideration of their sentiments and needs and providing immediate assistance to the best of his ability. With him during the program were former Provincial Administrator Redel Dionisio, Indang Municipal Councilor Ping Remulla, Tanza Municipal Councilor Lito Langit and former Special Assistant to the President Bong Go. Amadeo local officials headed by Vice Mayor Junnel Bayot together with Sanggunian Bayan Members warmly welcomed the Ugnayan sa Barangay team.—**PICAD**

Tutukan ng akmang solusyon

ANG mga nangyaring pagsabog sa Mindanao ay sinasabing bunga ng kahirapan.

Ito ang paniwala ni dating pangulo at ngayon ay House Speaker Gloria Macapagal-Arroyo.

Ang mga problema ng kapayapaan sa Muslim Mindanao ay anino ng kahirapan.

Panahong presidente si Arroyo, para sa kanya ay may kaugnayan ang terorismo sa kahirapan.

Kung ang kahirapan ang itinuturong ugat ng terorismo ay kailangang tutukan ng akmang solusyon.

Sa pamamagitan kaya ng niratipikahang Bangsamoro Organic Law (BOL) ay mabibigyan ng solusyon ang suliranin sa kahirapan?

LGUs, brgys ordered to conduct weekly cleanup along Manila Bay

QUEZON CITY (PIA)—After the Manila Bay Rehabilitation Program kick-off activities on Sunday, the Department of the Interior and Local Government ordered the local government units (LGUs) and barangays along the Manila Bay Watershed Area to conduct weekly clean-up drives to hasten the bay's rehabilitation.

DILG Secretary Eduardo M. Año said the collective efforts and commitment of the LGUs and barangays within the Manila Bay Watershed Area would spell the difference in the rebirth and preservation of the Manila Bay.

"As we all know, Manila Bay is polluted and partly, we have ourselves to blame. But it's not too late, we can still make amends. Sabay-sabay at sasama po nating buhayin ang ating Manila Bay," Año said.

The DILG chief directed 178 LGUs and 5,714 barangays inside the Manila Bay Watershed Area through DILG Memorandum Circular No. 2019-09 to "fulfill their roles and responsibilities pursuant to environmental laws that contribute to the rehabilitation of Manila Bay."

"Sa pamamagitan po nito ay matiyaga naming ipinapaalala sa mga LGU at barangays na sa ilalim ng ating batas ay mayroon silang responsibilidad at panangutan sa pagpapanatili ng Manila Bay at ng ating Inang Kalikasan," the Secretary added.

Under the memorandum, LGUs and barangays must organize clean-up drives in their localities such as, but not limited to, coastal areas and/or inland water systems, on a weekly basis commencing on January 27, 2019.

Año said LGUs and barangays can solicit the support of volunteers, non-government organizations, civil society organizations, academe, among others, "to encourage participation from different stakeholders in the conduct of the clean-up drive."

DILG, together with the Department of Environment and Natural Resources and other national government agencies, was directed by President Duterte to pool efforts "to start cleaning the Manila Bay."

In a separate memorandum, Año enjoined the 5,714 barangays within the Manila Bay Watershed Area to participate in the kick-off activities for the launching of the Manila Bay Rehabilitation Project.

Through DILG Memorandum 2019-07, the DILG Chief emphasized the vital role of barangays and its officials in order to "put an end to the decade-long problem of pollution in the waters of Manila Bay."

"Barangays are important partners of the national government in the rehabilitation of Manila Bay as specified under Republic Act 7160, otherwise known as the Local Government Code. Kaya naman inaasahan natin na makakaisa namin kayo sa adhikaing ito," Año said.

He added that barangays are expected to partake in the drive to renew Manila Bay by conducting clean-up drives in their communities by leading the eco-waste management in their respective barangays.

The memorandum states that Punong Barangays must ensure that all barangay officials and employees shall participate in the clean-up activities; that proper segregation, collection and disposal of clean-up wastes shall be observed at all times; and to document said activity for an increased public awareness for social media postings with the hashtags #MBCleanUp and #MBCleanUp(Barangay's name).

"Pangunahan ninyo ang paghikayat at pagkakaroon ng disiplina para sa maayos na pagtatapon ng mga basura sa inyong lugar sa halip na ihagis ito sa katubigan ng Manila Bay," Año said.

Section 20 of the Philippine Clean Water Act of 2004 provides that LGUs shall share the responsibility in the management and improvement of water quality within their jurisdictions.

Similarly, the Local Government Code states that barangays are required to do basic services which include, but not limited to services and facilities related to hygiene and sanitation, beautification, and solid waste collection. (PIA-NCR)

Ex-college dean faces 16-year jail term for graft

MANILA — A former college dean of a state university is facing a 16-year prison term after the Sandiganbayan found her guilty of two counts of graft for the alleged illegal use of an auditorium for review classes in 2012.

The Sandiganbayan's 7th Division, in a 21-page decision dated last January 25, found Southern Luzon State University College of Allied Medicine (SLSU-COAM) Dean Susana A. Salvacion guilty beyond reasonable doubt of violation of Sections 3 (e) and (h) of Republic Act No. 3019, or the "Anti-Graft and Corrupt Practices Act".

Salvacion was sentenced to suffer the penalty of imprisonment of at least one month to eight years for each count of the graft cases.

"Having been found guilty for both offenses, accused Susana Ariola Salvacion is perpetually disqualified to hold public office," the Sandiganbayan said.

The cases were filed before the anti-graft court on Aug. 24, 2016 and a hold departure order was issued against Salvacion six days later on August 30.

She was ordered arrested on Sept. 14, 2016 and posted bail for her temporary liberty on September 23 that year.

The Office of the Ombudsman charged Salvacion with graft for allegedly illegally allowing her own private review center, Nurmed Hyperlearn Review and Tutorial Services (Nurmed), to conduct review classes at the COAM auditorium from April 16 to May 14, 2012 without a permit and a contract with SLSU for compensation of the auditorium.

She was also charged with graft for allegedly illegally promoting Nurmed as an alternative review facility to SLSU students who would be taking nursing licensure examinations.

She was arraigned on Oct. 17, 2016 and pleaded "not guilty".

"In this case, it is obvious that Nurmed was favored. Verily, its review classes were conducted at the COAM auditorium, which whether accused Salvacion admits or not, is under her control and supervision being the dean of COAM," the Sandiganbayan said in its ruling.

"The fact that it was the students who chose the venue is of no help. While students can choose, their choice is not controlling. Fact remains that an auditorium owned by a state university was used in favor of a private entity owned by no less than by one who has a 'say' in said university," it added.

"Indeed, the Court finds the prosecution to have succeeded in its burden of proving its case. Having been found so, there is no need to discuss the evidence adduced by the defense, which the Court finds to be weak, more so, that her only admitted pieces of documentary evidence consisting of a letter request and the official receipts of payments are of little help or no help at all," the Sandiganbayan said. ***(PNA)***

60 Jalajala residents acquire Emancipation Patents

JALAJALA, Rizal (PIA)— The Department of Agrarian Reform (DAR) - Rizal and the Jalajala Municipal Government successfully turned over 64 Emancipation Patents to locals during the town's flag ceremony Monday.

DAR Provincial Agrarian Reform Officer Saturnino Bello and Jalajala Mayor Elionor Pilias led the turnover ceremony distributing more than 17,000 hectares of the Cayetano De Borja et. al property in barangays Poblacion and Sipsipin in Jalajala.

"Most of the properties have been distributed between the 1980s until 2005, this is the last of the De Borja property to be distributed here in Jalajala. We also thank the mayor and the assessor because this is the first time where we will distribute both the EP and tax declarations," said Pedro Isabelo Bagoyo Jr. of DAR-Rizal.

Unlike Certificate of Land Ownership Awards (CLOA) which fall under the Comprehensive Agrarian Reform Law, Emancipation Patents fall under the former President Ferdinand Marcos' Operation Land Transfer Bagoyo added.

"The new land owners should take care of their land and should not sell their newly-acquired lands and if they decide to give away the properties it would only be to their relatives or family members," Pilias said during the latter part of the flag ceremony.

The Department of Agrarian Reform also conducted an orientation on the rights, roles and responsibilities of agrarian reform beneficiaries at the Jalajala Municipal Complex after the flag ceremony. **(PIA-Rizal)**

SSS offers loan program for pensioners in Tarlac

TARLAC CITY (PIA) — Pensioners and senior citizens can no longer fall for loan institutions that offer steep interest rates as the Social Security System (SSS) continues to offer the Pension Loan Program.

In a radio interview, SSS Luzon Central Division 1 Senior Communications Analyst Maureen Inocencio said the loan program was launched for the benefit of more than 1.3 million retiree pensioners.

"In the previous years, we studied and saw that a lot of our retired pensioners and senior citizens are borrowing financial benefits because of poverty that's why SSS rolled out this program to put an end to the growing incidence of pensioners falling victims to loan institutions that offer high interest rates and to help them with their short-term needs and medical expenses," she explained.

"For pilot implementation in September 2018, the loan program was offered in 20 branches serving the highest number of retiree pensioners but now, this program is already nationwide. Retired pensioners and senior citizens can avail this program in any branch," she added.

Eligible applicants who can avail are the retiree pensioners who are 80 years old and below at the end of the month of loan term, have no outstanding loan balance and benefit overpayment payable to SSS.

Also, have no advance pension under the SSS Calamity Package and have been receiving their regular monthly pensions for at least six months.

"The minimum loan amount is twice the amount equivalent to their basic monthly pension and the additional P1,000 benefit while the maximum is six times their basic monthly pension plus the additional P1,000 benefit, not exceeding P32,000," Inocencio emphasized.

"The pensioner or borrower needs to apply for the loan program personally at any SSS branch and bring his or her Social Security Card or Unified Multi-Purpose Identification Card, accomplished application form, or any two valid identification cards both with signature and at least one photo," she furthered.

The loan program offers 10 percent interest rate per year and shall be payable within 24 months. **(CLJD/CJVF-PIA 3)**

BAN SA METRO TURF

Na-Ban ng tatlong buwan sa pista ng Metro Turf ang tinaguriang Batman & Robin ng karerahan na sina J.B. Hernandez (Batman) at F.M. Raquel (Robin).

Matatandaan na maraming kumuwestiyon na beteranong karerista sa nangyaring pagkatalo sa Race 8 noong Enero 2 (Miyerkules) ng outstanding favorite na si Garantisado sakay ni J.B. Hernandez. Tersera lang siyang dumating sa nanalong si Señor Lucas na sakay naman ni F.M. Raquel.

Doon pa lang ay umalma na ang mga karerista dahil parang imposibleng matalo si Garantisado.

Pero heto ang malala, sa Race 9 ay natalo naman ang isa pang outstanding favorite na si Wooloomooloo na sakay ni Robin (F.M Raquel) ni hindi ito tumimbang.

At sandamakmak na coincidence, ang nanalo sa nasabing karera ay ang kabayong Indian Warrior na sakay naman ni Batman (J.B. Hernandez).

Daing nga ng mga karerista, naisahan sila ng Batman & Robin.

Dahil nga sa nanatili pa ring bulag ang mga Board Of Stewards sa nasabing karerahan, ang bagong management na ng Metro Turf na kinabibilangan nina Atty. Narciso Morales at Mayor Benhur Abalos ang kumilos.

At siguro napatunayan nilang may kuwestiyon nga ang dalawang nabanggit na Races, nagpasyang i-Ban ng tatlong buwan sa karerahan ng Metro Turf sina Batman & Robin. Marahil, nagtataka kayo kung bakit Ban for three months lang ang pinataw sa dalawa? Hindi rin natin alam kung ano ang kasagutan doon.

Pero tingin natin, mas malala ito sa suspensiyon dahil hindi sila makakapasok sa karerahan ng Metro Turf at mawawala ang pribilehiyo nila bilang isang hinete sa loob ng tatlong buwan. At least nagkaroon na ng katarungan ang matagal nang isinisigaw ng Bayang Karerista na patas na takbuhan.

HANEP SHOWBIZ

MAY PUNTO SI RIA ATAYDE

NAPANOOD ba ninyo ang talk show kamakailan ni Tito Boy Abunda?

Huli man daw at magaling ay maaari pa rin nating pag-usapan, hehehe.

Guest sa naturang show si Ria Atayde at kabilang sa natalakay nila ni Tito Boy ang tungkol sa kanyang kapatid na si Arjo.

Napapag-usapan si Arjo naturalmente na makakasama sa talakayan ang isa sa mga host na Eat Bulaga na si Maine Mendoza.

Hindi natin maiaalis sa mundo ng showbiz na bawat artista ay may kanya-kanyang mga fans o tagahanga.

Lalo na sa panahon ngayon na sobrang moderno na kaya ang mga fans ay naibubulalas na sa pamamagitan ng social media ang kanilang himutok sa kung sino mang artista ang nais nilang birahin.

Bash dito…bash doon…bilang pagpapahayag ng kanilang nasa saloobin.

Anyway, karapatan at kalayaan nila iyon kaya nga lamang minsan ay medyo foul na.

Kapag foul o sobra na ang pambabash ay hindi rin maiaalis na mag-react.

About the reaction of Ria ay maganda at maayos naman ang kanyang komento.

May punto si Ria, kumbaga ay tama o may katwiran ang reaksiyon ng aktres.

Sa nasabing talk show ni Tito Boy ay isa lamang ang nakita natin kay Ria.

Mapagmahal siyang kapatid na handang magsalita at tumindig para sa mahal sa buhay.

About Arjo, narating nito kung ano man siya dahil sa kanyang sariling kakayahan.

Mind your own 'bisnes na lang, scratch you own galis hehehe.

IMBITASYON NI CATRIONA

May imbitasyon si Miss Universe Catriona Magnayon Gray para kina Miss USA Sarah Rose Summers at Miss Teen USA Hailey Colborn.

Nais ni Catriona na makapunta ang dalawa rito sa Pilipinas upang magkasama-sama silang tatlo para sa isang live video streaming.

Mukhang magaganap ito lalo at si Colborn ay naghahangad talagang makarating sa ating bansa same as Summers.

Ang tatlo ay magkakasama sa apartment sa New York dahil habang hawak kanilang mga korona ay doon sila mananatili.

Taob sa Filipino-Australian beauty queen ang nasa mahigit 80 kandidata.

"IKAW naman talaga oh, 'di na kailangan pa ng 'mizkol dahil pupuntahan naman kita rito."

Sa pagmimiskol ni Lyka ay nagpasya na si Kardo na puntahan ito.

"Alam mo ba na muntik ng kunin ni Inday ang cellphone ko dahil napansin niya ang tawag mo."

Sakali man na diretso pa sa pagri-ring ang cellphone ay hindi naman ito sasagutin ni Inday.

Aabutin o kukunin lamang ni Inday at ibibigay sa kanyang mister ang cellphone.

"Mangyari man na sagutin ng asawa mo ang cellphone ay 'di naman ako sasagot noh."

Sa sinabi ni Lyka ay napapaisip si Kardo na may tendency na hindi lang mizkol ang maaaring gagawin nito sa kanya.

Kapag pala natagalan si Kardo na hindi nagpapakita kay Lyka ay magpapasya ang babae na talagang tatawagan siya.

"Pero 'wag kang magalala, 'di naman ako ang unang magsasalita dahil baka 'di ikaw ang sasagot."

Katwiran ni Lyka sakaling may sumagot ay bobosesan muna niya para malaman kung si Kardo nga ang kanyang makakausap.

Sa totoo lang ay nagsisimula na rin si Kardo na kabahan na posibleng habulin siya ni Lyka kapag nagpasya siyang iiwan na ang kanyang kerida.

Hindi dahil sa pera sa kadahilanang mayaman si Lyka bilang isang negosyante.

Isa pa ay hindi naman nagbibigay si Kardo ng pera kay Lyka kahit nagkaanak na siya rito.

Kaya nga isa siguro sa dahilan iyon kaya hindi nakakahalata ang misis ni Kardo na ang kanyang mister ay may ibang babae at may anak pa.

Ang alam lang na dahilan ni Kardo ay dahil mahal siya ni Lyka.

May pagkakataon na si Lyka pa ang nag-aabot ng pera kay Kardo.

Hindi na pinahaba pa ng dalawa ang usapan nilang iyon basta ang sabi at pangako lamang ni Lyka ay hindi siya tatawag sa cellphone basta regular lamang ang pagpunta sa kanilang mag-ina ni Kardo.

Halimbawang hindi makakapunta si Kardo ay kailangang iabiso niya agad upang hindi umaasa si Lyka.

"Pero…pero…"

MANANANGGOL

Sa panulat ni Kuya Arman

(ika-101 labas)

"ANO ang pinagbubulungan n'yong dalawa ha?"

Napansin ni Aling Tita na nagbubulungan sina Dagul at Bert.

Akala ng dalawa ay hindi sila makikita ni Aling Tita dahil abala ito sa mga inihahandang iluluto.

Si Aling Tita kahit kumikilos o mayroong ginagawa ay malikot pa rin ang mga mata.

"Sa wakas at muli na naman nating matitikman ang napakasarap na luto ni auntie."

Iniba na lamang ni Dagul ang kwentuhan pero medyo supalpal siya kay Aling Tita.

"Ikaw talaga Dagul, talagang abogado ka nga kasi napakahusay mong mambola."

Pabiro naman ang pagsupalpal ni Aling Tita kaya habang kumikilos sila ay puno ng kasiyahan.

Sa isip nina Dagul at Bert ay halos tila walang ano mang miserableng pinagdaanan ang kanilang auntie.

"Sasabihin ko pa kaya kay auntie ang tungkol sa kanyang pamangkin?"

Kahit nagkakasiyahan sa kuwentuhan ang tatlo ay may gumugulo sa isipan ni Dagul.

Kung tutuusin kasi ay nasa mga kamay at palad na ni Dagul na maibibigay ang katarungan na sinapit ni Aling Tita.

Sobra-sobra lamang pinag-iisipan ni Dagul kung bubuksan pa ba niya ang kaso laban sa tunay na pamangkin ni Aling Tita.

Sa nakikita ni Dagul sa ngayon kay Aling Tita ay mukhang ayaw na nitong balikan ang nakaraan.

Imposible naman talagang makalimutan ni Aling Tita ang pangyayari.

Marahil sa isip ni Dagul ay mas pinipili sa ngayon ni Aling Tita na mamuhay sa pangkasalukuyan at panghinaharap.

"Kontakin na nga ninyo si Jerome para malaman kung nasaan na sila ng kanyang nobya."

Malapit na kasing matapos si Aling Tita sa kanyang mga niluluto.

"Mga twenty minutes daw po auntie at narito na sina Jerome at Maribeth."

Si Bert ang kumontak sa bunsong si Jerome.

DOH, HINIKAYAT ANG PUBLIKO SA KONSUMO NG TAMANG HALAGA NG YODO

LUNGSOD NG SAN FERNANDO, Pampanga (PIA) — Hinihikayat ng Department of Health o DOH ang publiko na konsumo ng tamang halaga ng yodo upang maiwasan ang mga sakit kaugnay nito.

Ayon kay DOH Regional Nutritionist-Dietitian Margarita Natividad, mataas ang insidente ng pagkakaroon ng goiter lalo na sa mga bata at buntis dahil na rin sa kakulangan sa yodo.

Paliwanag niya, kung may goiter ang isang buntis, maaaring malaglag ang sanggol na ipinagbubuntis nito. Kung maipanganak man, hindi pa rin ito ligtas sa mga 'abnormalities' gaya ng cretinism, dwarfism at pagkakaroon ng mababang intelligence quotient.

Upang matugunan ang problemang ito sa nutrisyon, hinihikayat ng DOH ang paggamit ng iodized salt dahil ito ang pinakakaraniwang sangkap na ginagamit sa sambahayan.

Ayon kay Natividad, 40-60 ppm ng yodo ang kinakailangan sa asin, at isang kilong asin kada taon o katumbas ng isang kutsarita kada araw ang kailangang makonsumo ng isang indibidwal, kasama na ang asing nakukuha mula sa mga pagkain.

Bukod sa asin, makatutulong din aniya ang pagkonsumo ng mga lamang-dagat, pati na ang ibang karne at gulay dahil mayaman din ito sa yodo.

Bukod sa paglikha ng kamalayan sa kahalagahan ng iodized salt, sinabi ni Natividad na plano ng DOH at National Nutrition Council na magsagawa ng mga pagsasanay para sa mga tagagawa ng asin at hingin ang suporta ng iba pang ahensya ng pamahalaan upang mas madali itong ma-access sa mga pamilihan.

Nanawagan din si Natividad sa mga lokal na pamahalaan na maging mas mahigpit sa pagtiyak na ang asin na ibinebenta sa merkado ay iodized salt.

Ang ika-apat na linggo ng Enero taun-taon ay idineklara bilang Goiter Awareness Week alinsunod sa Presidential Proclamation No.1188 series of 2006. **(CLJD / MJLS-PIA 3)**

SC suspends lawyer for threatening Harry Roque

MANILA — A lawyer has been suspended for two years from law practice by the Supreme Court (SC) for "underhanded tactics" against his opposing counsel, former Presidential Spokesperson Harry Roque, who filed the complaint 12 years ago.

In a seven-page decision dated December 4, 2018 penned by Associate Justice Estela M. Perlas-Bernabe and made available late Wednesday, the SC found lawyer Rizal P. Balbin guilty of violating the Code of Professional Responsibility (CPR).

The SC also gave Balbin a stern warning that a repetition of the same or similar acts would be dealt with more severely aside from the suspension.

Roque, in his complaint, claimed that after he had secured a judgment against Balbin's client, the latter made various telephone calls and sent text messages and electronic mails not just to him, but also to his friends and other clients, threatening to file disbarment and criminal cases against him.

He further claimed that in view of his "high profile status," Balbin also threatened to publicize such suits to besmirch him.

The Integrated Bar of the Philippines (IBP) found Balbin liable and recommended that he be suspended from the practice of law for one year with a warning.

The SC gave weight to the IBP Investigating Commissioner's findings but increased the recommended penalty to two years suspension from the practice of law.

The tribunal underscored that lawyers' ethical code requires that "lawyers should treat their opposing counsels and other lawyers with courtesy, dignity, and civility."

The SC said Balbin's acts of threatening Roque with the filing of baseless administrative and criminal complaints violated Canon 19 and Rule 19.01 of the CPR, which provided that lawyers should not threaten to file or file baseless suits as leverage against their adversaries.

The Court also held that Balbin's administrative liability was aggravated when he moved for extension of time to file comment to Roque's complaint but did not file the same, prompting the Court to repeatedly fine him and order his arrest.

It also stressed that "(s)uch audacity" not only caused undue delay in the resolution of the administrative case but was in violation of the Code of Professional Responsibility mandating respect for the courts and compliance with judicial orders, among others. *(PNA)*

Science Works Around Palawan

By: Charlotte F. Pizarras, DOST-MIMAROPA Regional Office

Students from Coron School of Fisheries trying out the exhibits with the guidance of their science teacher

To further promote science, technology, engineering and math (STEM) among students, the Department of Science and Technology (DOST) has teamed up with the Department of Education (DepEd) to bring the Science Works exhibit of the Philippine Foundation for Science and Technology (PFST) to Palawan.

The travelling exhibit is a K-12 compliant designed to treat 30,000 students from the Geographically Isolated and Disadvantaged Areas (GIDA) in the province to a fully-immersive, "science learning beyond the classroom" experience.

With its forty (40) interactive sets, general science concepts and principles in the areas of mechanics, electricity, lights, magnetism, and mathematics, among others, are made easy and fun for students.

"Science Works is one of the seven travelling exhibits of the Philippine Science Centrum (PSC) that promotes hands-on and body-on science education emphasizing the 5 E's of Constructivism: Explore, Engage, Explain, Elaborate, and Evaluate," explained the Executive Director of PFST, May Pagsinohin.

She added: "This is made possible by the commitment of DOST in bringing science closer to the Filipinos especially the youth in the underserved areas by sponsoring the entrance fee of 200,000 students in 13 provinces nationwide, 30,000 of which are allocated to Palawan."

Its first two legs, both five-day exhibits, ended on a high note at the Coron Municipal Coliseum and Narra Gynasium last January 7 and 22, respectively.

The complete guide to the remaining exhibits follows:

Brooke's Point Municipal Coliseum January 28- February 1, 2019 Roxas Municipal Gymnasium February 5-February 9, 2019 Julio Arzaga Elementary School Gymnasium, Taytay February 13-February 15, 2019/February 18-19, 2019.

P46B ng road users tax ilalaan sa Bicol River Basin Development Program

ANG balak ni Pangulong Rodrigo Duterte na muling buhayin ang Bicol River Basin Development Program (BRBDP) para matugunan ang tuwinang pagbaha at pagkasira ng mga pananim sa Albay, Camarines Sur at Camarines Norte sa Bikol ay magandang halimbawa ng isang 'Disaster Risk Reduction-led sustainable development initiative,' ayon kay Albay Rep. Joey Sarte Salceda.

Sa isang pulong sa Pili, Camarines Sur nang bumisita siya sa rehiyon matapos ang matinding pananalasa ni bagyong Usman, nangako si Pangulong Duterte na pupunduhan ng pamahalaan ang malawakang 'flood control program' sa Bikol ng P46 bilyon mula sa 'road user's tax' para matugunan ang problema sa lugar.

Ayon kay Salceda, natutuwa ang mga Bikolano na matapos ang 40 taon, bibigyan na ng pansin ang Bicol River Basin (BRB) na napakahalaga sa pagprogreso ng kanilang rehiyon. Ipinanukala niya na sa halip na tugunan lamang ang pagbaha, dapat din daw na pagtuunan ang pangkalahatang pagsulong ng BRB na kulang na kulang sa pondo sa kabila ng pagmamakaawa ng Bicol Regional Development Council na pinamunuan niya nang gubernador siya ng Albay noong 2007-2016.

Sa balangkas ng BRBDP na sinimulan noong dekada 70, layunin ng pamahalaan na pasulungin ang BRB at gawing bahagi ng "mainstream national development" sa pamamagitan ng kumprensibong programa kasama ang "irrigation development, watershed development and flood control." Hindi ito nagkaroon ng katuparan dahil oposisyon sa layuning gawing regular na imbakan ng baha ang isang bahagi Baao, Camarines Sur na ginawang ganun din g kalikasan.

Malaki ang potensiyal na ambag ng BRB sa pambansang kaunlaran. Saklaw nito ang 317,103 ektaryang bukirin sa Albay, Camarines Sur at Camarines Norte na ang 81% ay bahain at matagal bago iwanan ng baha. Sa ginanap ng pulong sa Pili, nangako si Duterte na ihahanap niya ng agarang tugon sa problema nito at maaring ilaan ang P46 bilyon ng 'road user's tax' para muling buhayin ang BRBDP. Nakaambang burahin din ng mga mambabatas ang masalimuot na Road Board.

Bagama't 55-kilometro bawat oras lang ang hanging taglay ni Uman, ang sobrang lakas ng ulan nito ay nagdulot na malawakan baha at pagguho ng lupa noong Pasko na kumitil ng mga 155 buhay — 105 sa Bikol bukod sa 37 nawawala. Libu-libong iba pa ang naperhuwisyo nito.

Bahagi ito ng Press Freedom Caravan na ginanap sa National Press Club kamakailan. **(Christian Heramis)**

KANDIDATONG MAYOR SA ROSARIO, ARESTADO

INARESTO ng Cavite police sa bisa ng warrant of arrest ang isang barangay chairman at mayoralty candidate dahil sa paglabag sa Omnibus Election Code sa Rosario, Cavite.

Si Joemel Pulido, 40, may-asawa, chairman ng Bgry. Tejeros , Rosario at residente ng Gen. Trias Drive, Tejeros Convention, ay inaresto sa bisa ng warrant of arrest na lumabas noong November 6, 2018.

Ayon kay Chief Insp. Dhefrey Punzalan, hepe ng Rosario Municipal Police Station, si Pulido ay inaresto dakong alas-5:30 (Linggo) ng hapon sa loob ng Brgy. Tejeros Convention, sa bisa ng warrant of arrest na inisyu ni Acting Presiding Judge Amy Ana De Villa-Rosero ng 4th Regional Trial Court , Cavite City dahil sa kasong paglabag sa Omnibus Election Code Section 261 (O).

Sa panayam kay Punzalan, ang pagkakaaresto kay Pulido ay bunsod sa pagsasagawa ng kanyang mga tauhan ng operasyon laban sa mga wanted na tao kung saan lumabas ang warrant of arrest laban sa kanya dahil sa reklamo ng ilang Municipal employees ng Rosario, Cavite sa lantarang paggamit nito ng inisyung tatlong tricycle para sa pagsundo at paghatid ng pasahero/botante noong nakaraang Barangay at SK elections.

Si Pulido ay pumalag noong siya ay inaresto dahil hindi umano nito alam ang lumabas na warrant of arrest subalit sumamama rin ito ng kusa.

Si Pulido ay tatakbong pagaka -mayor sa Rosario, kung saan makakalaban nya si incumbent Mayor Jose Ricafrente III sa darating na 2019 local and national election.

Halagang P36,000 ang inirekomendang bail para sa pansamantalang paglaya ni Pulido.

'Campaign Plan Clean Rider' inilunsad ng PNP sa Romblon

ROMBLON, Romblon (PIA) — Matiwasay na inilunsad ng kapulisan dito sa lalawigan ng Romblon ang kanilang programang "Campaign Plan Clean Rider" noong nakaraang linggo kung saan sabay-sabay na isinagawa ito ng bawat Municipal Police Station.

Ang nasabing aktibidad ay pinangunahan ni Police Senior Supt. Arvin T. Molina, Provincial Director ng Romblon Police Provincial Office sa pakikiisa ng 17 chief of police na nakatalaga sa lahat ng munisipyo para matagumpay itong maidaos.

Sinabi ni PSSupt. Molina na layunin ng programa na mapaigting ang seguridad at kaligtasan ng bawat motorista sa kalsada.

Aniya, sa pamamagitan ng kampanyang ito ay mapapabilis ang pagsisiyasat sa mga checkpoints na ilulunsad nang mga kapulisan at mapadali ang pagtukoy sa mga motoristang lumalabag sa batas trapiko at sa mga nasasangkot sa krimen.

Hinikayat din ng opisyal ang mga motorista sa buong probinsiya ng Romblon na magparehistro sa mga istasyon ng mga pulisya, sa kani-kanilang bayan para na rin sa kanilang kaligtasan.

Ayon dito, ang isang motorista na magpaparehistro ay kinakailangan lamang na magpasa ng mga papeles sa istasyon ng PNP upang mapabilang sa clean riders.

Kabilang na isusumite ng isang motorista ay ang Official Receipt (OR), Certificate of Registration (CR), lisensya at valid identification.

Dagdag pa ni PSSupt. Molina, ang mga ito ay sisiyasatin nang mabuti kung tunay ang mga papeles o kaya ay lumalabag sa batas at nakaalarma sa vehicle Information Management System ng Highway Patrol Group.

Kalakip ang motor na sisiyasatin kung ito ay lumalabag sa batas ng RA 4136 o "An Act To Compile the Laws Relative to Land Transportation and Traffic Rules, to Create a Land Transportation Commission and for other purposes."

Paliwanag pa ni Molina, matapos dumaan sa masusing pagsisiyasat ng mga dokumento at motorsiklo, ito ay itatalaga ng pulis bilang clean rider sa system ng Campaign Plan Clean Rider.

Tatlong selyong may magkakaparehong serial number ang ibibigay sa bawat motorista na pasado sa pagbeberika. Ang mga ito ay ididikit sa motorsiklo, helmet na my ICC mark, at sa likod ng Driver's License ng motorista.

Pagkatapos ng motorcade at maikling programa ay ilang rider na ang kinabitan ng clean rider stickers ng pulisya bilang patunay na ito may kompletong dokumento o rehistro sa Land Transportation Office (LTO). **(DMM/PIA-MIMAROPA/Romblon)**

Kandidatong matitigas ang ulo

HANGGANG Pebrero 11 lamang ang ibinigay na palugit ng Commission on Elections sa mga kakandidato sa nalalapit na eleksiyon para tanggalin ang kanilang mga posters, tarpaulins at iba pang campaign propaganda.

Umpisa na kasi ng kampanyahan sa Pebrero 12 para sa national positions habang sa Marso 29 para sa local positions.

Kapag pumasok na ang campaign period, dapat ang mga naturang materyales ay naroon lamang sa tinatawag na common posters areas batay sa itatakda ng local Election Officer.

Halos lahat naman ngayon ang cellphone ay mayroong camera kaya halimbawang duda kayo sa nakita ninyong campaign materials ay kuhanan ng litrato at idulog sa komisyon upang matukoy kung may paglabag ito.

Kapag kinumpirma ng Comelec ay huwag kayong mag-atubili sa pagpost nito sa social media para mabatid ng mga tao na ang kandidatong iyon ay matigas ang ulo.

Kung hindi ba naman matigas ang ulo dapat susundin nila ang alituntunin ng Comelec.

Kayo ba, ang mga kandidatong matitigas ang ulo ay inyong iboboto?

Tandaan po ninyo na bukod sa limitado lamang ang lokasyon, ang campaign posters at tarpaulins ay may kaukulang sukat lamang.

Ang printed materials dapat ang maximum ay 2x3 feet lamang ang laki o sukat.

Pati sa mga dyaryo ay may kaukulang sukat lamang ang advertisement ng mga kandidato.

One-fourth page lamang sa broadsheets habang half-page size para sa mga tabloid.

Para naman sa broadcast advertisements, hindi naman dapat lalagpas sa 120 minutes per TV station at 180 minutes per radio station.

Sa panahon ng kampanyahan ay maging vigilante po sana ang bawat isa sa atin maging sa ganitong pamamaraan lamang.

Dito pa lang kasi ay makikita at matutukoy na natin ang mga kandidatong matitigas ang ulo.

Hindi naman puwedeng sabihin o ikatwiran ng isang kandidato na hindi niya alam na mayroong naglagay ng kanyang poster sa maling lokasyon at malaki pa ang sukat.

Bilang kandidato ay isa ito sa inyong mga responsibilidad at kung paano ninyo gagawin ang responsibilidad na ito ay sila na ang nakakaalam.

NCRPO on full alert status in wake of Jolo church blasts

MANILA — The National Capital Region Police Office (NCRPO) announced on Monday that it is on full alert status after the explosion that took place inside and outside a Roman Catholic church in Jolo, Sulu province that left 20 people dead and 112 wounded.

NCRPO head, Director Guillermo Eleazar ordered the five district directors to tighten security around airports, seaports, vital government and private installations as well as places of convergence.

The five districts covered by the NCRPO are the Manila Police District (MPD), Quezon City Police District (QCPD), Northern Police District (NPD), Southern Police District (SPD), and Eastern Police District (EPD).

"We are full alert since 6 a.m. No cause for panic we want to make sure so we intensify checkpoint operations at entry and exit points of Metro Manila to prevent terrorists from sneaking in bombs," Eleazar told the Philippine News Agency (PNA) in a phone interview.

Full alert means the highest level of readiness in all police offices and units in Metro Manila.

Eleazar said the public should expect more checkpoints and police visibility.

"In the next few weeks or so, we will increase the number and frequency of our checkpoints including our 'oplan sita'. We will deploy our policemen and women in strategic areas of Metro Manila to increase police presence and visibility, in order to discourage, prevent and deter any evil plots from unfolding," he added.

Eleazar personally checked the vital installations in Metro Manila as well the checkpoints in metropolis on Monday.

Eleazar also appealed to the public to be alert and report to the police any suspicious person or behavior.

"I encourage you to remain alert and vigilant. Report any suspicious person or behavior, report any new or unfamiliar face in the neighborhood to the nearest policeman you can reach or communicate with personally or through our hotlines," he said. **(PNA)**
