UNIVERSAL HEALTH CARE PROGRAM NG DOH, MATETENGGA?

PINANGANGAMBAHANG matetengga lamang ang Universal Health Care (UHC) program ng Department of Health (DOH).

Sa panayam kay DOH-CALABARZON (Cavite Laguna Batangas Rizal Quezon) Regional Director Eduardo Janairo, posibleng matetengga lamang ang UHC program ng DOH dahil sa kakulangan ng pondo na mag-susustento rito.

Paliwanag ni Janairo na sa ginawang pagtalakay, na 75% sa pondo ng nasabing programa ay sagot ng National government na kinuha mula sa naunang Sin Tax Law subalit ang natitira ay kukunin mula sa Sin Tax 2 ng pamahalaan.

Dagdag pa nito na kinakailangang maipasa sa Kongreso at Senado ang panukalang batas para sa SIN Tax 2 na siyang planong pagkukunan ang pondo sa UHC program upang magtuluy-tuloy ito, na nagangahulugan na magdadgdag na naman ng panibagong pagtaas sa presyo ng sigarilo, alak, softrdrinks at iba pa.

Ayon pa kay Janairo na bagama't panibagomg pahirap na naman sa tao ang Sin Tax 2, subalit kinakailangang tangkilikin ito upang may pangkukunan ng pondo ang UHC program.

Bukod sa problema sa pangkukunan ng pondo, sinabi pa ni Janairo na hindi rin kaagad-agad maipapatupad ang nasabing programa dahil kinakailangan pang kumpletuhin ang mga kagamitan dito at dapat na may sapat na kaalaman na ang mga taong magpapatakbo nito.

Umaasa naman si Janiaro na pipirmahan na ito ni Pangulong Rodrigo Duterte at sa loob ng 2 hanggang 3 taon ay tuluyan na itong maipapatupad.

Sa ilalim ng UHC, ito ay programa ng pamahalaan kung saan sinisiguro na lahat ng Pilipino ay makakatanggap ng libre at de-kalidad na serbisyong medical. **GENE ADSUARA**

Laguna Lake Highway bike lane opens

MANILA — Starting Thursday, cyclists will be able to use the 5.58-kilometer bicycle lane facility along the stretch of the Laguna Lake Highway in Taguig City.

This, after the Department of Public Works and Highways (DPWH) and Taguig City officials, headed by Mayor Lani Cayetano and Vice Mayor Ricardo Cruz Jr., formally opened the three-meter wide bicycle lane.

According to DPWH Secretary Mark Villar, the bike lane is protected by a two-meter planting strip to make cycling safe and comfortable for everyone.

"It is our priority to build safe roads and bridges that will also cater to bikers and pedestrians, hence the inclusion of protected bike lanes and sidewalk spaces in our new projects," Villar said in a statement.

Aimed at opening up transportation, recreation, and health opportunities, the bike lane component was added to the 6.94-kilometer Laguna Lake Highway, which was constructed to serve as an alternative route to EDSA and C-5.

DPWH has allocated PHP1.28 billion for the construction of the highway, including the bicycle lane with provisions of street lights and road safety signage.

The multi-billion structure also features 1.5-meter sidewalks on both sides for pedestrian and an elevated dike to protect the people against flooding.

Likewise, the road can also be used as a temporary evacuation area during the occurrence of floods because of its high elevation.

The four-lane Laguna Lake Highway was completed in November 2018. ***(PNA)***

Mas nakakalamang ang abusadong driver

KARANIWANG tanawin ang mga nakakaasar na eksena sa bawat intersection na mayroong traffic light.

Halos lahat na yata ng traffic light ay may signal o warning numbers.

Halimbawang nasa 3-5 remaining seconds pa pero usad-pagong naman gayunman ay ipilit pa rin.

Ang siste ay babara sa intersection o gitna ang sasakyan kaya apektado sa kabilang side.

Napakaraming driver ang gumagawa nito na hindi man lang iniisip na nakakaperwisyo siya.

Balik po tayo roon sa 3-5 remaining seconds, halimbawang maluwag naman ang daloy o takbo ng mga sasakyan.

May ilang driver na dahil naka-go pa sila ay hahabulin ang segundong iyon.

Ingat po pero hangga't maaari ay huwag ng maghabol pa sa traffic sign dahil sakuna ang maaaring kahantungan nito.

Sa madaling salita po ay napakarami ang hindi sumusunod sa traffic warning o signal.

Kaya nga mas maigi na sa bawat mayroong traffic light ay may nakatalaga rin na enforcer.

Sa Maynila ay may nakikita tayong lady traffic enforcer na kapag mabagal ang takbo ng mga sasakyan ay pinipahinto na niya kahit nasa tatlo hanggang limang segundo pa ang natitira.

Para nga naman clear ang gitna o intersection kapag naging ganap na red na ang signal o stop na at maayos na makakadaan ang mga sasakyan mula sa kabila.

Kung maluwag naman o mabilis ang takbo ng mga sasakyan, nakatutok naman siya sa lane na naka-stop.

Titiyakin niyang clear ang gitna bago papaandarin ang mga sasakyan para iwas disgrasya.

Kung mga ganitong klaseng traffic enforcer ang nakatalaga ay mas maganda.

Pero kung mga traffic enforcer na ang pakay ay maghanap lamang ng mahuhuli ay huwag na lamang silang italaga sa kanto o sa may traffic light.

Ang husay pa naman gumawa ng kung anu-anong klaseng violation na sa huli o kalalabasan ay aregluhan lamang.

Pero kung tutuusin kung may traffic light naman na kahit wala ng nakatalagang traffic enforcer o traffic police basta disiplinado lamang sana ang lahat ng tsuper.

Ang masaklap ay hindi mangyayari ito dahil mas nakakalamang ang abusadong driver.

Bata ang nagdurusa

PATULOY ang panawagan sa publiko ng Department of Health (DOH) lalo na sa mga magulang.

Ito ay ang pagpapabakuna ng mga anak nila para labanan ang sakit na tigdas.

Nakakalungkot na maraming bata ang binawian ng buhay bunga ng ganitong sakit.

Sadyang malaki ang epekto ng kakulangan sa bakuna ng publiko, partikular na sa mga baby.

Ang mga malalaki o matatanda ay may bakuna subalit paano na ang mga bagong sumisibol o ang mga bata?

Ang katanungan pa ay masisisi ba ang ilang magulang na hindi tumatalima sa pagpapabakuna sa kanilang mga anak dahil sa hindi magandang naririnig o nalalaman sa isyu ng bakuna?

Madaling nakakapitan ng tigdas o ano mang uri ng sakit ang walang bakuna kaya sa pangyayari ay mga bata o baby ang naaapektuhan at nagdurusa.

NHCP LEADS COMMEMORATION OF AGUINALDO'S 55TH DEATH ANNIV

KAWIT, Cavite — Acting Executive Director Ludovico D. Badoy of the National Historical Commission of the Philippines (NHCP) led national, provincial and local officials in commemorating the 55th death anniversary of the country's first president, Gen. Emilio Aguinaldo, at his former abode-turned-shrine in Kaingen village along Tirona Highway here Wednesday.

The NHCP-managed shrine, acclaimed as a "House of History", served as "centerstage" for the ceremonies which began with the celebration of a Mass and went on with flag raising and wreath-laying rites. A Philippine Navy (PN) contingent led by Capt. Edwin M. Nera offered military honors.

Aguinaldo's descendants were present in the event, along with provincial political leaders.

Born in Kawit, Cavite on March 22, 1869; Gen. Aguinaldo was the seventh of eight children of Don Carlos Aguinaldo and Doòa Trinidad Famy who were in the salt trading business.

His name may be synonymous to a plethora of things arising from his courageous and bold exploits, as well as various accusations against him. Aguinaldo became president at the young age of 29.

NHCP Cavite Cluster Head and Museo ni Emilio Aguinaldo curator Haidee Paulette M. Bedruz told the Philippine News Agency (PNA) that although Aguinaldo wished to live up to 100 years old, he fell short by six years, when at age 94, he succumbed to coronary thrombosis at the Veterans Memorial Hospital, which he established.

The state funeral of Aguinaldo, held on Feb. 16, 1964, was attended by political heavyweights of that era, led by former president Diosdado Macapagal, vice president Emmanuel Pelaez, Senate president Ferdinand Marcos, as well as notable war veterans and military officials.

The late revolutionary president's remains were interred in a tomb built on the grounds of his Kawit residence.

The establishment of the Asociacion de los Veteranos de la Revolucion is one of the great legacies of Aguinaldo, along with his contributions in the founding of the Veterans Federation of the Philippines, in recognition of revolutionary war veterans' valuable services and sacrifices in the quest for independence.

The death commemoration of Aguinaldo serves as a prelude to his sesquicentennial birth commemoration on March 22, which has been declared a national holiday. ***(Gladys Pino-PNA)***

Quezon City provides free livelihood, skills training

MANILA — The Quezon City local government is providing free livelihood and skills training as part of its commitment to alleviate poverty in the locality.

This became evident as the Quezon City Council passed a resolution last Monday allowing a facility in Barangay Mariana to be used for free livelihood training and seminars.

Authored by Councilor Raquel Malangen, City Resolution 7632-2018 authorizes Mayor Herbert Bautista to enter into a tripartite memorandum of agreement with the Lion's President League of the Philippines (LPLP) and Barangay Mariana.

The MOA will allow the LPLP to conduct livelihood training and seminars for the residents at the newly-built two-story training center of the barangay.

"The LPLP has made its representations with Barangay Mariana and the Quezon City government to allow it to continue its advocacy of providing free livelihood and skills training at the Barangay Mariana Training Center," the resolution said.

The facility was constructed by the city government at the request of Barangay Mariana for a venue to conduct free livelihood, skills and education training for its residents and the general public. ***(PNA)***

Know your rights as journalists: PCOO chief

MANILA — Journalists should be aware of their rights, Presidential Communications Operations Office (PCOO) Secretary Martian Andanar told reporters in Davao Del Sur, assuring them that his agency will do its part in addressing and preventing media killings and harassments.

Andanar made this statement in meeting with Davao Del Sur Gov. Dodo Cagas and Davao Del Sur press on Monday (Feb. 4) in Digos City.

"Media are good at promoting, we can even help candidates win. But we don't have enough representation. It's about time that we establish a guild to defend our rights," Andanar said.

"We are so passionate in fulfilling our duties but our benefits are lacking," he added.

As a former media practitioner himself, Andanar emphasized that it was his advocacy to push for media interests.

The PCOO chief also distributed copies of the Handbook on Personal Security Measures for Media Practitioners to local media workers.

Prepared by the PCOO's Presidential Task Force on Media Security (PTFoMS), the handbook seeks to provide media practitioners with precautionary measures to ensure their safety especially during coverage.

"Read this handbook, this will greatly help you in fulfilling your duty," Andanar said.

He also expressed openness to respond to their concerns, saying he was only a text message or call away.

"I have an open communication policy. If you have a problem, just call me and I might be able to help you. If you need to interview me, text or call me and we'll definitely get to talk because I only have one contact number," Andanar said.

Andanar, meanwhile, underscored the importance of conducting workshops on cyber law and fake news.

Under Andanar's leadership, the Philippines was delisted from the Reporters Without Borders' (Reporters Sans Frontières) list of five most dangerous countries for journalists. ***(PNA)***

GENTRI STEPS UP ANTI-RABIES DRIVE

GENERAL TRIAS CITY, Cavite — The veterinary office here has stepped up its yearly anti-rabies campaign through massive vaccinations of pet dogs and cats in all 33 villages in the city, as preemptive move against the spread of the deadly disease and to ultimately achieve its goal of a rabies-free city.

City Agriculture Officer Neri Marquez said Wednesday that authorities are strengthening the city's dog-registration program and sustaining the mass anti-rabies vaccination in the city "to keep our dogs free from rabies infection that could be fatal to unwitting victims of dog bites."

"We encourage more dog owners to submit their dogs and cats for registration, especially this coming summer months when most students are on school vacation and their visiting friends are prone to dog bites," Marquez said.

The City Agriculture Office, which also supervises animal control, has seen the registration of some 17,793 dogs and 1,048 felines that were vaccinated in 2018 and is bent on increasing the record by at least 10 percent.

"Libre po ito para sa mga alaga nating aso at pusa. Ang pamahalaang lungsod po ay may kampanya sa anti-rabies upang maging zero rabies case po ang ating lungsod (This is free for our pet dogs and cats. The city government is heightening its campaign for zero rabies case)," Marquez added.

Under the Anti-Rabies Act of 2007, all local government units (LGUs) are required to establish a central database system on the domesticated animal population for the purpose of vaccination.

Meanwhile, Mayor Antonio Ferrer emphasized that a permanent and non-transferable registry shall be provided by the city government unit to all registered dogs and the registration is up for renewal yearly. ***(Dennis Abrina/ PNA)***

CAVITE LGU LEADERS VOW TO SUSTAIN MANILA BAY REHAB

GENERAL TRIAS CITY, Cavite — Around 33 village leaders here have pledged to sustain the Manila Bay rehabilitation program as they continued on Saturday their cleanup drive on esteros, rivers and streams that flow into said body of water.

City Mayor Antonio Ferrer said their continuous clean-up campaign and awareness drive are in compliance with President Rodrigo Duterte's directive to restore and rehabilitate the much-polluted Manila Bay which stretches from Ternate to Bacoor City.

Ferrer said Cavite's 23 city and town mayors have each scheduled their clean-up through their respective City and Municipal Environment and Natural Resources Office (CENRO/MENRO) in compliance with the orders of Department of Environment and Natural Resources Secretary Roy Cimatu and Department of the Interior and Local Government Secretary Eduardo Año for all LGUs to take part in the massive Manila Bay rehabilitation program.

The project has three phases — the massive cleanup of esteros, rivers and streams connecting to the Bay area; resettlement of informal settlers and removal of illegal structures; and massive information dissemination.

This city's village chiefs led the cleaning of the Malabon Grande River from Javalera, Biclatan, Manggahan, San Francisco, Buenavista, Pasong Kawayan, Tapia, Pinagtipunan, Prinza, GenTri Proper, Dulong Bayan, Bacao and the Ilang Ilang River which crosses Barangay San Antonio in nearby Noveleta town.

Also, scores of barangay volunteers retrieved piles of garbage and plastics from the rivers such as Ilang-Ilang River in Noveleta, Tanza River which connects Barangay San Juan and Tejero in this city from Barangay Biwas in Tanza town.

Meanwhile, Noveleta town Mayor Dino Reyes Chua and other officials joined hundreds of volunteers in Saturday's cleanup drive along Ilang-Ilang River up to Barangay San Rafael and the Long Beach which stretches from Barangay San Rafael III to San Rafael IV.

In Bacoor City, the CENRO headed by Rolly Bocalan continued their clearing and cleaning operations at the informal settlement in Barangay Zapote and the coastal villages. ***(Dennis Abrina/ PNA)***

Army's infantry battalions in Rizal, Quezon get new commanders

CAMP GEN. CAPINPIN, Tanay, Rizal – Both the 80th and 85th Infantry Battallions in Rizal and Quezon have new commanders installed in turn-over ceremonies in their respective headquarters on Saturday.

Maj. Gen. Rhoderick M. Parayno, commander of the 2nd Infantry "Jungle Fighter" Division (2ID) presided over consecutive ceremonies for the 80th Infantry "Steadfast" Battalion (80IB) based in Barangay Pinugay, Baras, Rizal and the 85th Infantry "Sandiwa" Battalion in Barangay Villa Prinsipe, Gumaca, Quezon.

Lt. Col. Christopher M. Diaz assumed post as the new 80IB commanding officer replacing Lt. Col. Melencio W. Ragudo who will be installed on Monday as the new battalion commander of the 59th Infantry (CADRE) Battalion.

On the other hand, Lt. Col. Arnold L. Gasalatan took over as the new 85IB commander succeeding Lt. Col. Ely R. Tono who opted to retire from the military service.

Parayno expressed his deepest appreciation to the accomplishments contributed by the two outgoing battalion commanders.

"Allow me to commend you for successfully graduating as battalion commanders with flying colors. Indeed, you have effectively marched your respective battalions in pursuit of our mission," the 2ID commander said.

He lauded the two for successfully leading various combat operations in their areas which resulted in the neutralization of several New People's Army rebels and the recovery of various firearms.

"These extensively decimated the leadership structure and degraded the NPA members," Parayno said.

He also welcomed the new commanding officers Diaz and Gasalatan in their respective posts "with high hopes that their vast military experiences and competencies will be a great help to their respective units."

"I encourage you to maintain your passion and enthusiasm that you have shown from your previous units to your new work. Carry on the torch of persistently confronting the real and present enemies within our area of operations. I wish you the best days and months ahead," he said.

Parayno also expressed gratitude for the presence and support of local government unit officials and representatives who graced the occasion.

"I am confident that with all of you, solidly supporting the Army in its programs and undertakings, we will be able to finally win the peace we all deserve. Makakaasa kayo na ang Philippine Army partikular ang 2nd Infantry Division ay laging nakahanda na paglingkuran ang mamamayan at protektahan at panatilihin ang kapayapaan sa rehiyon (Rest assured, that the Philippine Army, the 2ID in particular, stands ready to serve our people and protect and maintain the peace in the region)," he said.

A part of the military tradition, the change of command ceremony signifies the formal transfer of authority and responsibility for a unit from one commanding or flag officer to another, marked by the passing of the unit color from an outgoing commander to an incoming one. ***(PNA)***

Imbestigasyon sa estudyanteng tumalon sa bangin

NAGSASAGAWA ng imbestigasyon ang Cavite police kung tinangkang mag-suicide ang isang 20-anyos na estudyante ng San Beda University nang tumalon ito sa bangin matapos itong makabangga ng sasakyan sa Tagaytay City.

Dead on the spot si Pocholo Luis Ramos, binata, ng Green Heights Subdivision, Paraóñaque, City habang ligtas naman ang mga kaklase nitong sina Kate Florentino, 19, ng 1450 Mactan St. Baclaran, Parañaque City; Kyla Yvone Galicia, 18, ng B9 L27 Matthew St. Juana 6 Brgy. San Francisco, Biñan City, Laguna; at Desirie Joy Agapay, 19, ng Ph.6 Blk.B L46 Brgy. Lantic, Carmona, Cavite.

Sa imbestigasyon ni PO3 Joseph Ryan Bascugin, ng Tagaytay City Police Station, sakay sina Florentino, Galicia at Agapay sa isang kulay gray na Honda Jazz (HRM 156) na minamaneho ni Ramos habang binabagtas ang kahabaan ng Tagaytay-Nasugbu Highway dakong alas-8:00 ng umaga nang pagsapit sa Brgy Mendez Crossing East, Tagaytay City malapit sa Total Gasoline Station ay nag-counter flow ito at nahagip ang isang kulay pulang kotse at nang umatras ito at gustong bumalik sa kanyang linya ay nabangga naman nito ang isang motorsiklo na minamaneho ni Ricardo Estacio, 41, security guard ng Brgy Tabora, GMA ,Cavite.

Hindi na nakaandar ang kotse ni Ramos nang masira sa harapang gulong nito at dito rin nakakuha ng tiyempo ang tatlong kaklaseng sakay niya na makalabas ng sasakyan na umabot hanggang sa Brgy. Maharlika West, Tagatay City.

Lumabas din si Ramos sa kanyang kotse subalit tumakbo ito patungo sa bangin at sa kabila ng sigaw ng kanyang mga kaklase ay nagtuloy-tuloy ito hanggang sa tumalon ito.

Nabatid na inabot din ng ilang oras bago tuluyang naiahon ang bangkay ng biktima mula sa matirik na bangin .

Ayon kay Bascugin, ang apat na estudyante ay galing umano sa isang party sa Tagaytay City at pauwi ng Maynila bago naganap ang insidente.

Inaalam pa ng pulisya kung sinadya ba ni Ramos na tumalon sa bangin. **GENE ADSUARA**

ANDI EIGENMANN WALANG BASAGAN KANYA-KANYANG TRIP LAMANG IYAN

SUMABOG ang aktres na si Andi Eigenmann laban sa kanyang mga kritiko.

May kinalaman ito sa muling pagbubuntis ng aktres para sa kanyang pangalawang baby.

Kung marami ang bumati at natuwa sa ikalawang pagdadalan-tao ni Andi ay may mga nagsulputan ding kritiko o mga punang hindi kaaya-aya.

Puna na nagpapahiwatig ng panghihinayang kay Andi dahil hindi man lamang kasal ang aktres.

Sinasabi pa na kung mayroon mang bagong lovelife ang aktres ay hindi na raw sana mauwi pa muli sa hiwalayan.

Pordyosporsanto naman talaga oh, sino ba naman ang ayaw sa kasal?

Isa pa, mayroon bang naghahangad na ang isang relasyon ay sa hiwalayan lamang ang kahahantungan?

For sure ay ayaw ni Andi nito, never niyang ginusto o pinangarap man lamang ito.

Maayos naman ang pananaw ni Andi, aniya ay sadyang may pagkakaiba-iba ang paniniwala ng mga tao.

Masaya ang pagbubuntis ng aktres kaya apela lamang niya ay huwag naman isabay ang mga negatibong komento.

Dapat lamang na tigilan ang mga negative vibes dahil puwedeng makaapekto ito sa pagbubuntis.

Naririnig nga natin sa mga babae o ina na dumaraan sa pagdadalan-tao na medyo nagiging sensitibo ang isang nagbubuntis.

Well, maaari nating sabihin na ang bawat isa sa atin ay may kanya-kanyang trip kaya walang basagan ng trip.

Trip mo, ibig sabihin ay gusto mo. Gusto ni Andi ang kanyang lovelife sa kasalukuyan kaya walang masama kung trip o gusto niyang muling magpabuntis.

Pagpapatunay na nagmamahal muli ang aktres, bawal o kasalanan ba ang pagtibok ng puso sa ikalawang pagkakataon.

Nope as in hindi bawal, kahit ilang ulit pang muli tumibok ang puso ng isang tao.

Nagmahal, nabigo, nagmahal muli at nabigo muli, kahit ilang ulit dahil darating ang tamang partner ng ating puso.

Kung masaya man ang ina ni Andi na si Jaclyn Jose sa muling pagbubuntis ng anak ay natural na damdamin lamang iyon.

Hindi na kailangang palakihin pa ang isyu na noong unang pagbubuntis ni Andi ay sobrang iyak daw ni Jaclyn.

Nasa pitong taong gulang na pala ang panganay o unang anak ni Andi na si Ellie.

Ang dating nakarelasyon ni Andi na si Jake Ejercito ang ama ni Ellie.

Sa halip na isipin na baka hiwalayin din ni Philmar Alipayo, mas maganda sigurong idalangin na maging forever ang relasyon nito kay Andi.

Basta ulitin ko lamang po ah walang basagan ng trip, hahaha.

HINDI NAGHUBO SI JULIA BARRETTO

Naging usap-usapan ang young actress na si Julia Barretto tungkol sa kanyang larawan habang siya ay nasa beach vacation.

Pakatitigan po ninyong maigi kung si Julia ay nakatopless nga lamang ba ha-bang nagsi-swimming?

Wala nga bang suot na pang-itaas ang anak nina Marjorie Barretto at Dennis Padilla?

Malinaw po ang tugon ni Julia na one-piece swimsuit ang kanyang suot.

Ang kuha sa picture ay nakatalikod si Julia na sa pakiwari at paningin ng iba ay wala siyang suot pang-itaas.

Lubhang napakanipis ng strap ng swimsuit ni Julia kaya aakalain na topless nga.

Ang mga mata nga naman, minsan nagiging makasalanan.

"**WALA** ng pero...pero...pero pa d'yan. Basta maayos at malinaw na ang usapan natin ah."

Pinutol na kaagad ni Lyka ang kung ano man ang sasabihin pa dapat ni Kardo.

Mangangatwiran pa kasi sana si kardo pero sinupalpal na siya ni Lyka.

Para naman matigil at matapos na ang kanilang usapan ay sumang-ayon na lamang si Kardo.

"Anong 'pramis, pramis ka d'yan, ayokong nangangako na 'di natutupad."

"Kilala mo naman Kardo ang ugali ko ah, kaya sana naman gawin mo at 'di pangako."

Sobrang tulin talaga ng pagtakbo ng mga araw, malapit ng matapos ang termino ni Kardo bilang konsehal ng kanilang distrito.

Hindi unang termino bagkus ay nakatuntong si Kardo sa ikatlong termino.

Malaki at nag-aaral na rin ang anak nila ni Lyka sa isang eksklusibong eskuwelahan.

Sa paglaki hanggang sa pag-aaral ng bata ay hindi inobliga ni Lyka si Kardo sa pinansiyal na suporta.

Basta ang tanging palaging hiling lamang ni Lyka ay magpahiram dapat ng oras si Kardo para sa kanya at sa kanilang anak.

Sa lumipas na panahong iyon ay tumupad naman si Kardo sa kanyang ipinangako.

May ilang pagkakataon lamang na hindi natupad si Kardo subalit katanggap-tanggap naman ang rason.

Naging maingat na rin ang dalawa upang hindi na masundan pa ang kanilang anak.

Hindi naman kasi nila talaga binalak o wala sa plano na bubuo sila ng bata.

Pero dumating iyon dahil walang pag-iingat si Lyka gayunman ay inako naman ni Kardo ang bata o anak.

"Napakatulin talaga ng panahon, parang kailan lang at muntik ka na 'di ba na 'di makapasok sa konseho."

"Pero akalain mo bang nakatatlong termino ka sa konseho."

"Eh ngayong napapalapit na ang pagtatapos ng term mo, ano na ang iyong pinaplano?"

Seryosong kinakausap si Kardo ng kanyang misis, na sa mahabang panahon ay walang kaalam-alam sa misteryo niya.

MANANANGGOL

Sa panulat ni Kuya Arman

(ika-102 labas)

"EKSAKTUNG-eksakto ang dating n'yong dalawa at kaluluto lang."

Humalik si Maribeth kay Aling Tita habang si Jerome ay nagmano naman.

"Wala pong ano man 'yun, salamat naman po at nagustuhan ninyo ang ginawa kong ayos sa loob ng bahay n'yo."

Nagpasalamat si Aling Tita kay Maribeth kasabay ay inutusan na ang tatlong magkakapatid na pumuwesto na sa hapag-kainan.

"Sige na at kayong tatlo na ang umupo d'yan. Halika Maribeth at tayong dalawa ang maghahain."

Hindi na kumontra ang magkakapatid at sumunod na lamang sa utos ng kanilang auntie.

Habang katu-katulong sa pag-aasikaso ng mga pagkain ay lihim na pinagmamasdan ni Aling Tita si Maribeth.

Napapangiti si Aling Tita sa bawat paggalaw ni Maribeth para sa pag-aasikaso.

"Sa Ngalan ng Ama, ng Anak, ng Espiritu Santo."

Si Maribeth ang pinakisuyuan ni Aling Tita na mamuno ng pagdarasal nang mailagay na sa lamesa ang mga pagkain.

"Una po Panginoon ay labis po ang aming pasasalamat sa mga biyayang naririto sa hapag-kainan na Inyong kaloob sa amin."

"Isa rin pong malaking biyaya na makadaupang palad ko sa mga oras na ito ang pamilyang naniniwala, sumusunod at nagmamahal po sa Inyo."

"Nasa Inyo rin po Panginoon ang pagpapasya kung ako po ay ganap na mapapabilang sa pamilyang ito na minamahal ko dahil sila po ay mayroong takot sa Inyo."

"Panginoon, ang mga biyayang ito na nasa aming harapan ay labis po naming ipinagpapasalamat sa Inyo. Amen!"

Tunog ng mga kutsara't tinidor na sumasagi-sagi sa pinggan ang sumunod na tanging mapapakinggan.

Pagkatapos ng taimtim na pagdarasal ay sinimulan na nila ang pagkain.

Pero kakaiba sila, walang kuwentuhang nagaganap habang kumakain.

"Heto ang bagoong para sa kare-kare."

Kung mayroon mang maririnig na tinig ay katulad lamang nito na iniaabot ni Aling Tita ang bagoong.

"Dagul, pakisuyo pa iyong isa pang pitsel na malamig na tubig sa ref."

Mga ganitong salitaan lamang na hindi daldalan o kuwentuhan sa hapag kainan.

QUEZON REMAINS TOP AGRICULTURAL PRODUCER IN REGION 4-A

LUCENA CITY, Quezon — The provincial government, through the Office of the Provincial Agriculturist (OPA), has vowed to increase farm production and income through sustainable programs and projects.

Provincial Administrator Roberto Gajo presented the latest Philippine Statistics Authority (PSA) data indicating Quezon remains as the top agricultural producing province of various farm products in the Calabarzon Region (Region 4-A), which groups Cavite, Laguna, Batangas, Rizal and Quezon.

He said the province's share in the region's 'palay' (rice) production reaches 42 percent while corn production at 75 percent; fruits —26 percent; coconuts — 86 percent; and vegetables — 62 percent.

"Ibig sabihin, sa lawak po ng mga lupain ng lalawigan ng Quezon na pinagyayaman ng ating mga magsasaka, nagbigay ito ng kongkretong resulta pagdating sa antas ng produksyon (this means that the vast farmlands of Quezon tilled by our farmers have resulted in concrete results in the high level of production)," he said.

Gajo noted that Governor David Suarez has directed to boost the income not only of the farmers and fisherfolk but also their cooperatives and associations.

He said higher income translates to not just ensuring there is food in the household, but also savings for their daily basic necessities and education for their children.

Gajo said there are other projects and programs that can provide alternative livelihood and enterprise support services to farmers and the agricultural workers, in partnership with the city and municipal agricultural offices and the Department of Agriculture and Philippine Coconut Authority.

These include processing and production of virgin coconut oil, coconut sap sugar, "lambanog" (coco wine), and copra besides its other by-products.

Gajo further said "Serbisyong Suarez sa Agrikultura" (Suarez agriculture services) also promotes other alternative livelihood for farmers, such as the Quezon herbal program which established the Quezon herbal pavilion at the Quezon National Park in Atimonan town.

He disclosed that a year after the herbal program's implementation, the pavilion and the various seminars conducted at the site have drawn around 15,000 tourists and educational and field visitors.

Gajo said the provincial government also provides crop insurance benefits aimed at helping farmers, fisherfolk and the agricultural sector during accidents, calamities and other emergencies, as this sector is highly vulnerable to disasters and climate change.

He identified OPA's various programs in support to the agricultural development strategies of the province, including production enhancement support program; farm mechanization and post-production management program; and agri-enterprise development program. ***(Gideon Belen/PNA)***

SC affirms Sandiganbayan HDO vs. Cebu solon

MANILA — The Supreme Court (SC) upheld the travel ban issued by the Sandiganbayan against Cebu (3rd District) Rep. Gwendolyn Garcia over a pending graft case.

"All told, the Sandiganbayan did not commit abuse of discretion, much less grave, in denying the motion for reconsideration and the prayer for the lifting of the HDOs (hold departure orders) issued against the petitioner. The HDOs were validly issued pursuant to its inherent powers as a court of justice," the SC said in a decision dated Oct. 17, 2018 and only made available to newsmen late Monday.

The High Court, through Associate Justice Andres B. Reyes, Jr., turned down the petition filed by Garcia, which questioned the validity of the HDOs against her on the ground that they were issued before she was able to exhaust her legal remedies and even before there was a final determination of probable cause against her.

The case involved alleged anomalies in the purchase of 10 parcels of land 24.9-hectare property for the provincial government's housing and seaport projects in 2008 when Garcia was Cebu governor.

"In this case the Sandiganbayan acted within its jurisdiction when it issued the HDOs against the petitioner. That the petitioner may seek reconsideration of the finding of probable cause against her by the Ombudsman does not undermine nor suspend the jurisdiction already acquired by the Sandiganbayan," the SC explained. **(PNA)**

PITX, PAHIRAP SA MGA MANANAKAY NG CAVITE

"PAHIRAP sila sa mamayan".

Ito pa rin ang bukambibig ng higit sa nakararaming mananakay mula sa Cavite sa pagpapatupad ng bagong sistema ng pagsakay sa Paranaque Integrated Terminal Exchange o PITX.

Ayon sa ilang mananakay, nauubos ang kanilang mahabang oras ng pagpila upang makasakay ng panibagong malilipatang sasakyan patungo sa kanilang destinasyon.

Partikular na tinukoy ng mga ito ang mga jeepney na maghahatid sa kanila patungo sa malapit na destinasyon o hanggang Baclaran at EDSA, MRT-LRT.

Nabatid na tuwing umaga kung saan maghahabol ng pasok ang ilang empleyado ay pumipila sila ng napakahaba dahil sa kakulangan ng pampasaherong jeepney sa PITX.

Hindi ka rin umano nakakasiguro kung ilang oras ang hihintayin mo hanggang makaalis ang sasakyan ng mong pampasaherong bus dahil kinakailangan din nilang magpuno ng pasahero bago ito aalis.

Nakakadagdag din ng oras ang pagpila mo pagpasok ng PITX upang dumaan sa inspeksiyon sa guwardya at ganun din ang oras ng pagpila mo upang kumuha ng ticket at pag minalas-malas ay kinakalangan mong hinatayin ang nabili mong ticket para sa pag-alis ng masasakyan mo.

Ayon pa sa ilang mananakay, magdadagdag ka na rin ng panibagong pamasahe mula sa PITX patungo sa iyong destinasyon kung saan P12 ang singilan ng mula MRT-LRT habang P10 naman hanggang Baclaran.

Inirereklamo pa ng ilang pasahero ang kawalan ng kanilang masasakyan kung manggagaling ng Baclaran patungong PITX kung inabot ka na ng gabi.

Problema din ng mga pasahero kung marami kang bagahe gayundin ang mga Senior Citizens na mag-aakyat panaog at maglalakad ng malayo patungo sa kanilang masasakyan.

Ayon pa sa mga mananakay, hindi importante ang madadatnan nilang air conditioned na terminal dahil ang habol lamang ng mga ito ay makapasok ng maaga sa kanilang trabaho at makauwi ng maaga sa kanilang bahay dahil pagod na ang mga ito sa maghapong trabaho.

Sa panibagong sistema sa PITX, lahat ng mga pampasaherong bus na manggagaling sa Southern part ay hanggang sa PITX na lamang ang mga ito kung saan may nag-aabang na panibagong masasakyan ang mga pasahero patungo sa kanilang destinasyon. **GENE ADSUARA**

DOE vow to assess electric coops' performance fairly

MANILA — The Department of Energy (DOE) assured that it will deliver a fair assessment on the performance of electric cooperatives (ECs), following an announcement that it will review the franchise compliance of ECs nationwide.

"There will be due process for all ECs. Our priority is to address the root causes of their problems and help in their rehabilitation so they may provide the quality of service consumers in their franchise areas truly deserve," DOE Secretary Alfonso Cusi said on Wednesday.

The DOE said last week that it will look into the quality of services delivered by ECs, which is supposed to be government's partners in electrifying far-flung areas, after many ECs have reportedly failed to comply with their mandate.

The DOE named 17 ECs "that have been chronically failing to provide satisfactory services required by their electric distribution franchise". These include DANECO in Davao del Norte, ALECO in Albay, BASELCO in Basilan, CASURECO III in Camarines Sur, FICELCO in Catanduanes, LASURECO in Lanao, MASELCO in Masbate, OMECO in Occidental Mindoro, ORMECO in Oriental Mindoro, PALECO in Palawan, PELCO in Pampanga, SULECO in Sulu, and ZAMCELCO in Zamboanga.

The department noted that even President Rodrigo Duterte has expressed his dismay over the poor power services in Palawan and Masbate.

Residents have reportedly been complaining about the persistent and unresolved brownouts in their areas, even as some ECs are heavily in debt and have been failing to pay creditors.

DOE also said it may cancel the franchises of non-compliant ECs.

"As we seek to attain total electrification of the country by 2020, we will ensure that all operating ECs are providing the best services to their consumers. Our fellow countrymen deserve nothing less," Cusi earlier said.

"We trust that ECs in these problem areas will cooperate with the DOE's constructive efforts to get to the heart of their long running problems. We will work with the ECs in creating and implementing viable solutions for the benefit of their consumers," he added.

ECs and the National Electrification Administration have provided services to 78 provinces, 1,475 cities and municipalities, 36,057 barangays, 123,198 sitios, and 12.71 million household connections according to Philippine Rural Electric Cooperatives Association (PHILRECA).

Meanwhile, PHILRECA, in a statement over the weekend, reacted to Cusi's call for the revocation of the 17 ECs franchises, saying the industry deserves assistance rather than punishment. "We call on Secretary Cusi to treat all electric cooperatives with fairness and justice. We deserve no less," the PHILRECA statement read.

Rather than cancelling the franchises, PHILRECA said it is best for the government to support these ECs by rehabilitating them. *(PNA)*

'Sumilang' Festival 2019, a celebration of the faithful

SUMILANG FESTIVAL is an annual thanksgiving celebration for a bountiful harvest of Silang town. *(Photo courtesy of Phillip Lacson Medina)*

The 9th "Sumilang" Festival also marked an event by the faithful community with the Episcopical Coronation for the Blessed Mother of Silang by His Eminence Bishop Reynaldo Evangelista of the Archdiocese of Imus on Jan. 31. *(Photo courtesy of Phillip Lacson Medina)*

SILANG, Cavite — The 9th Sumilang Festival, which is celebrated in this historic town from January 20 to February 8, comes with pomp and pageantry but with more meaningful celebration for the town's 424th founding anniversary and homage to its patron saint "Our Lady of Candelaria".

Phillip Lacson Medina, chairman of the Sumilang Fiesta Executive Committee and member of the Silang Heritage Council, shared that this year's celebration also marked an event by the faithful community with the Episcopical coronation for the Blessed Mother of Silang by His Eminence Bishop Reynaldo Evangelista of the Archdiocese of Imus on January 31.

Medina said the town was originally established as a parish on Feb. 3, 1595. Thus, present officials of the Silang Parish Council for Culture and Heritage (SPCCH) and the Parish Pastoral Council (PPC) filed a petition, through their Parish Priest Marty Dimaranan, before the Imus Bishop who granted the request for the Episcopal coronation in celebration of its 424 years as a parish.

"Credit also goes to various religious organizations with the barangay-based Basic Ecclesial Communities (BEC) who led the fundraising campaign from the faithful, and the proceeds were used to purchase the sterling silver fineries and regalia in honor of the Blessed Mother's devotion to the community of Silang," he added.

Medina described the solemn occasion spirited by the 120-strong choir composed of men, women and children as they led the congregation in the "Awit ng Papuri" (song of praise) as the coronation procession ensued.

As part of the ceremony, the community organizations offered two silver crowns to the bishop while a youth representative, as part of the church's observance for the "Year of Youth", brought the silver candle to the altar.

Medina said the sacred rites were amazing, bringing goosebumps to the congregation, as they witnessed Rev. Father Marty Dimaranan place the first crown to the Santo Niño image.

As Bishop Evangelista crowned the Blessed Mother, the parishioners chorused to rousing and joyful shouts "Viva de la Virgen de Candelaria! Viva Reina de Silang! (Hail to the Blessed Virgin of Candelaria! Hail to the Queen of Silang!).

"It was an emotional pandemonium for the crowd as others gleefully cheered while others cried in joy," Medina said.

The traditional homage to the town's patroness "Our Lady of Candelaria" took centerstage during the 20-day festivities in the centuries-old church, which parish edifice complex showcases the Retablo Mayor and Mayores, or the votive altar pieces that were conferred as National Cultural Treasures (NCT), through a historical marker installed by the national museum.

Festival organizers said the annual Sumilang Fiesta is observed as thanksgiving for the bountiful fruit harvests in this agricultural but first-class town. *(Gladys Pino-PNA)*

DOH warns public against flu

MANILA — The Department of Health (DOH) on Tuesday urged the public to take extra precaution to avoid contracting and spreading the flu virus during the peak months of the flu season.

"Binabantayan natin kung ano iyong strain at talagang by middle of the year nagbabakuna na tayo. Sa Pilipinas ang peak lang talaga ng flu-like illnesses itong panahon na malamig (We're looking at the strain and by the middle of the year we conduct vaccinations. In the Philippines the peak of flu-like illnesses is this cold weather)," Undersecretary Eric Domingo said in a statement.

The flu season starts in October, peaking from January to February when temperature drops, Domingo said.

Based on DOH records, flu cases in the country have declined in 2018 as compared to the same period in 2017. From Jan. 1 to Dec. 15, 2018, some 153,659 cases of influenza-like illnesses were reported, which is 17 percent lower than the 127,632 cases during the same period in 2017.

The DOH differentiated flu from common cough and cold. It said flu is accompanied by high fever and muscle pains, which last for days.

"Ang nakakatakot lang kasi na gusto nating ma-prevent iyong mga flu na nagkakaroon ng complication. Kasi maaari siyang mauwi sa pneumonia at of course maaaring in the end makamatay (What we're wary about is to prevent flu with complications. Because it could lead to pneumonia and of course could lead to death in the end)," Domingo said.

The flu's different strains are contagious once they come in contact with the body through coughs from another person, holding contaminated objects or touching the mouth or nose.

The public is advised to cover their mouths when coughing or sneezing to prevent the spread of the flu virus as it can be fatal to the human body. If not immediately addressed by a health professional, it could cause severe effects or complications.

The DOH advised the public to keep the immune system strong by:

* Taking more water and fluids like orange juice and six to eight glasses of water every day.

* Sleeping at least six to eight hours a day

* Making sure to exercise and eat fruits and vegetables

* Making it a habit to wear face mask especially when in crowded places or when travelling to avoid contracting flu virus

The DOH also advised parents to ensure their children's full protection against flu by getting a complete set of vaccination. Senior citizens can get free flu shots in barangay health centers and DOH-accredited hospitals. *(PNA)*

179 katao, nagtapos ng rehabilitasyon sa Mega DATRC

FORT RAMON MAGSAYSAY, Nueva Ecija (PIA) — May kabuuang 179 katao ang nagtapos ng ilang buwang rehabilitasyon sa Mega Drug Abuse Treatment and Rehabilitation Center o Mega DATRC.

Inilahad ni Dr. Nelson Dancel, OIC-Medical Center Chief, na ito na ang ika-16 na batch na nagtapos at sumalilalim sa libreng medikasyon ng pasilidad.

Mula sa kabuuang bilang ay 177 ang mga lalaki at dalawa ang mga kababaihan na sumailalim sa rehab program na binubuo ng iba't ibang mga recoverieso sessions.

Paglilinaw ni Dancel, hindi lahat ng mga nalulong sa masamang bisyo ay tinatanggap sa Mega DATRC dahil kinakailangan ay physically at mentally fit ang mga ito upang sumailalim sa mga pagsasanay upang mabago ang sarili.

Hindi nila aniya tinatanggap ang mga may sakit o problema sa pag-iisip o anumang kaso ng sakit sa pangangatawan na maaring makahadlang sa kanilang rehabilitasyon sa loob ng pasilidad.

Umaabot sa average na walong buwan ang tinatagal ng rehabilitasyon sa Mega DATRC depende sa magiging resulta ng kanilang pagsusuri kung maaari nang sumailalim sa 18 buwang after-care o kanilang pagbalik sa dating komunidad.

Dagdag pa ni Dancel, hindi lamang natatapos ang programa ng pagbabago sa ilang buwang pananatili sa pasilidad dahil patuloy silang gagabayan sa paglabas sa komunidad, sa tulong ng mga lokal na pamahalaan at kanilang mga pamilya.

Matapos ang 18 buwang after-care ay muli silang sasailalim sa mga pagsusuri upang tuluyang ideklarang free of drugs.

Ang sino mang magrerelapse o muling gumamit ng bawal na gamot ay pababalikin sa Mega DATRC upang sumailalim sa re-orientation ng ilang buwan.

Ang panawagan ni Dancel sa mga pamilya ng mga residente pati na sa mga lokal na pamahalaan ay suportahan ang programang rehabilitasyon ng pamahalaang nasyonal sa pamamagitan ng paggabay at pagpapanatili ng kapayapaan at kaayusan ng lugar upang wala nang bumalik sa masamang bisyo.

Lubos naman ang pasasalamat ng mga residente ng Mega DATRC sa agapay ng gobyerno na pagbubukas at pangangasiwa ng libreng rehab center upang tutukan ang pagbabago ng mga nalulong sa masamang bisyo.

Pahayag ng isa sa 179 na nagtapos ay kanilang muling naranasan ang pagtanggap gaya ng isang tunay pamilya sa loob ng Mega DATRC na nagpapaalala sa kahalagahan ng buhay, pamilya, at relasyon sa Diyos.

Kanyang payo sa mga kagayang nalulong sa masamang bisyo ay tumigil na sa paggamit habang may pagkakataon pa dahil hindi lamang sariling buhay ang sinisira nito kundi ang pamumuhay ng buong pamilya. **(CLJD/CCN-PIA 3)**

Tama si Gov. Imee Marcos

KABILANG ang inyong lingkod sa mga mamamahayag na nagsagawa ng ambush interview kay Ilocos Norte Governor Imee Marcos.

Ito ay nang minsang dumalo ang masipag na gobernadora sa Ugnayang Barangay ng lalawigan ng Cavite na ginanap kamakailan sa Trece Martires City.

Sa kabila na dinudumog ng mamamayan ng Cavite si Gov. Imee at kahit medyo malakas ang sound system ng pagtitipon ay nagpaunlak siya ng panayam sa media.

Kahit 'sigawan style' ang pagtatanong ng media at ang pagsasagot ng gobernadora ay marami tayong nakuhang magaganda at mahahalagang impormasyon sa kanya.

Hindi ko na po babanggitin lahat bagkus ay isa lamang at ito ay ang tungkol sa hangarin ni Gov. Imee na matanggal nawa ang value added tax sa lahat ng uri ng gamot.

Kayo po ang tatanungin ko, bakit kayo bumibili o bibili ng gamot?

Kailangan nating bumili ng gamot dahil iinumin natin ito pero siyempre hindi natin gusto.

Sino ba ang may gustong uminom ng gamot? Siyempre wala hindi po ba.

Subalit sa ayaw at sa gusto natin ay kakailanganin nating makabili at uminom ng gamot kapag tayo ay mayroong karamdaman o sakit.

Ayaw natin magkasakit pero ito ay dumadapo sa ating katawan na ang katugunan ay ang paginom ng gamot.

Mukhang hindi naman nga yata makatwiran na bubuwisan pa ang mga gamot na bibilhin man natin pero hindi dahil sa ating kagustuhan.

Tama si Gov. Imee Marcos, ano po sa inyong palagay?

Siguro po pupuwede ay ang mga vitamins, binibili natin ang mga ito at iinumin na naayon sa ating kagustuhan.

Pero ang mga gamot na para sa mga sakit, no way 'di po ba?
