Mag-ingat... PAGTANGAY NG BATA SA CAVITE, TOTOO NA NGA BA?

PINAG-IINGAT ang publiko sa kumakalat na balita na nangunguha ng bata matapos na pagbubugbugin ang isang 58-anyos na lalaki nang tangkain nitong tangayin ang isang 7-anyos na batang babae sa Dasmarinas City, Cavite.

Nakakulong sa Dasmarinas City Custodial Center ang suspek na si Maximiano Fello Ocampo, binate, ng Purok 23, Brgy San Francisco, Tagaytay City dahil sa reklamo ni Wilma Galano Peraler, 30, ng 443, Purok 5, Basco Compound, Brgy Langkaan 1, Dasmariñas City.

Sa reklamo ni Peraler kay PO1 Richard Domingo, ng Dasmarinas City Police Station, naglalakad sila ng kanyang anak patungo sa isang tindahan sa Sitio Abot Kamay , Brgy Langkaan 1, dakong alas-5:40 ng umaga nang tumigil ang isang kulay blue na isang Ford na may plakang UFA 757.

Lumabas ang driver nito at walang sabi-sabing hinablot ang bata.

Pinigil ito ni Peraler at nagsisigaw na nakatawag pansin sa mga istambay sa lugar kaya sinugod ang suspek.

Naglabas ng patalim ang suspek subalit kinuyog siya ng taumbayan at pinagbubugbog na nagresulta sa kanyang pagkakaaresto.

Isinugod ang suspek sa Pagamutan ng Dasmarinas bago ito dinala sa presinto habang ang sasakyan nito ay nasa impounding area ng Dasmarinas police.

Kasong attempted kidnapping ang isinampa laban sa suspek.

Ayon kay PO1 Domingo, tumanggi umanong magsalita ang suspek. **GENE ADSUARA**

No curtailment of press freedom in PH: PRRD

MANILA — President Rodrigo R. Duterte on Thursday denied criticisms that his administration is curtailing press freedom in the country after the arrest of Rappler chief executive officer Maria Ressa for cyber libel charges.

In an interview with reporters after the proclamation and kick-off rally of the Partido Demokratiko Pilipino - Lakas ng Bayan (PDP-Laban), Duterte said he is used to criticisms while he served as Davao City mayor for many years.

"Susmaryosep. Far from it actually. I've been mayor for so many years. I have been the subject of all kinds of attack, personal and whatever — silly and everything," the President said reacting to accusations of his administration's involvement in Ressa's case.

Duterte said he does not know businessman Wilfredo Keng, the complainant in Ressa's case.

"I do not know him and what prompted him to file a case," he said.

Duterte, a lawyer, said it is normal for courts to issue a warrant of arrest once a case is filed.

The Manila Regional Trial Court Branch 46 on Wednesday issued a warrant of arrest against Ressa and Rappler writer Reynaldo Santos Jr. after being charged under the provision on content-related offenses, which include libel committed through a computer system or similar means.

This stemmed from a cyber libel complaint filed by Keng in October 2017, who was named by Santos in the article titled, "CJ using SUVs of 'controversial' businessmen', as the owner of a sports utility vehicle used by the late former Chief Justice Renato Corona.

The article was published in 2012 and updated in 2014.

Ressa posted a bail of PHP100,000 on Thursday for her temporary liberty, not long after she publicly denounced the Philippine justice system for allegedly persecuting her. ***(PNA)***

Germany helping boost renewable energy in PH: DOE

MANILA — The Department of Energy (DOE) has recognized the help extended by the German development agency, Deutsche Gesellschaft für Internationale Zusammenarbeit GmbH (GIZ), in advancing renewable energy use in the country, for cleaner and more sustainable power.

GIZ has provided the Philippines technical and financial assistance through a three-year project called Shaping and Implementing the International Climate Regime or SupportCCC II. The project began in 2015 and culminated on Wednesday.

Energy Secretary Alfonso Cusi said GIZ has played an instrumental role in boosting the deployment and use of renewable energy in the country.

"For three consecutive years, the Philippines ranked first among 125 countries in terms of energy environmental sustainability. This couldn't have been achieved without the strong collaboration among the different Philippine government agencies, as well as technical and funding support from our international partners, like GIZ," Cusi said.

The DOE noted that the partnership with GIZ has also helped the Philippine government manage the increasing amount of variable renewable energy, adapt power planning, facilitate capacity building for energy stakeholders, such as the grid operator and the distribution utilities on the grid integration of variable renewable energy.

Aside from these, the partnership was able to provide assessment of the state's power planning process, policy review on Feed-in-Tariff and net-metering for renewable energy, cost-benefit analysis of the energy sector through the renewable energy country diagnostic tool, and analysis of the Negros solar situation.

SupportCCC II is a follow-through on the earlier project Support to the Climate Change Commission in implementing the National Climate Change Action Plan, which was also implemented by GIZ. ***(PNA)***

Shabu sa mga rosas, huli sa pekeng magsyota

BUKING ang dalawang katao na nag-disguise na magsyota at sa palunpon pa ng mga rosas isinilid ang mga shabu para ito maitago matapos silang maaresto sa isang drug buy bust operations sa Bacoor City, Cavite.

Kapwa nakakulong sa Bacoor City Custodial Center ang suspek na sina Jason Jordan Dela Cruz, alias "Papa G", may live-in partner, construction worker, ng Green Valley Brgy Molino 3, Bacoor City; at Mary Isabelle Gahisan, alias "Mabel", 22, dalaga, ng San Fernando St., Tondo, Manila.

Sa ulat ni SPO2 Angelito Roxas, ng Bacoor City Police Station, dakong alas-5:00 Huwebes ng hapon nang nakipagtransaksiyon ang dalawa sa isang poseur buyer sa Marcos Alvarez Road Brgy Molino 2, Bacoor City.

Upang hindi mahalata ang dala nilang shabu ay nag-disguise ang dalawa na mag-syota at may hawak na palunpon ng rosas kung saan nakalagay ang ibinentang shabu saka kunwang iniabot ito sa poseur buyer na nagresulta sa kanilang pagkakaaresto.

Tinatayang 0.82 gramo ng shabu ang nakalagay sa palunpon ng rosas na may street value na P5,576 habang nakuha rin kay Gahisan ang isang kulay pink na coin purse kung saan nakasilid ang 12.18 gramo pa ng shabu na may street value na P82,824.

Bukod sa mga shabu, narekober din sa dalawa ang P1,000 buy bust money at weighing scale.

Kasong paglabag sa RA 9165 ang isinampang kaso laban sa dalawa. **GENE ADSUARA**

Sarado ang bakuran ng kapulisan

NAGSIMULA na last week ang kampanyahan para sa senatorial at partylist groups.

Sa start ng campaign period ay nagpaalala muli ang pamunuan ng Philippine National Police sa lahat ng tauhan nito.

Dapat ay manatiling apolitical o walang kinikilingan at kinakampihan sino mang pulitiko.

Mahigpit ang babala ni PNP Chief Oscar Albayalde na ang lalabag sa kautusang ito ay sisibakin sa puwesto.

Opisyal man hanggang sa pinakamababang ranggo ng pulis.

Last Monday ay bisita sa Camp Crame si dating Special Assistant to the President Christoper Bong Go.

Naimbitahan si Go bilang Honorary Chairman ng Chiefs of Police Association of the Philippines at hindi bilang isang kandidato sa pagka-senador.

Ayos din ang depensa ng kapulisan kay dating SAP Go, hehehe.

Ang sabi ni Albayalde, dahil nasa panahon na ng kampanyahan ay isasara na ang lahat ng kampo ng pulisya para sa sino mang kandidato na mangampaniya sa mga pulis para sa kanilang boto.

Ibig sabihin ay off-limits ang isang kandidato sa isang presinto ng pulisya para mangampanya.

Pero kung naimbitahan o bilang isang pangunahing panauhin ay uubra ba?

Dapat kahit special guest ay ipanatiling sarado ang bakuran ng kapulisan sa bawat kandidato.

Iyon ay kung talagang ang hangad ng liderato ng PNP na hindi sila mababahiran ng pulitika.

Nasa kapulisan din lang naman ang ating paksa at sa kandidatura ay usap lang po.

Masusundan kaya ang yapak ni dating PNP chief Panfilo Lacson na nakaupo sa Senado?

Hindi naman kaila sa inyo ang ginagawang pagtakbo bilang senador ng isa ring dating hepe ng PNP na si General Ronald dela Rosa na binansagang 'Bato.'

Magagaya kaya si Bato kay Lacson na magiging isang senador din?

Ano po ang inyong pulso rito?

Pagkatapos kasi ng pelikula ni Bato, na ginampanan ni Robin Padilla, ay tila may namumuong haka-haka.

Dahil 'nilangaw' o hindi pumatok sa takilya ang pelikula ay mistulang senyales na mahina ang hatak ni Bato sa publiko.

Anyway, kayo naman po ang huhusga. Magkaalaman sa darating na Mayo.

UGNAYAN SA BARANGAY IN NOVELETA: Governor Jonvic Remulla, on behalf of his brother Governor Boying Remulla led another leg of Ugnayan sa Barangay held at Noveleta Elementary School, San Rafael 2, Noveleta, Cavite on February 8, 2019. Hearing out their immediate needs, he assured the people of the provincial government's unrelenting efforts to provide immediate support and implement programs that will address their concerns. Also present in the event wereMayor Dino Chua, Engr. Boy Alvarez and Sangguniang Bayan members. They were also joined by Dr. Robin Garcia of Wow Pilipinas Party List.—**PICAD**

DOH-CALABARZON FORMS TASK FORCE VS. MEASLES OUTBREAK

DOH 4A TASK FORCE VS. MEASLES – Department of Health (DOH-Calabarzon) Regional Director Dr. Eduardo Janairo (standing in podium) presides over the emergency meeting among provincial, city, municipal health officers, National Immunization Program (NIP) Coordinators and Provincial Health Team Officers (PHTOs) including Development Management Officers (DMOs) to come up with unified strategies in implementing the massive immunization to address high incidence of measles in the region. *(Photo courtesy of DOH Calabarzon)*

MANILA — The Department of Health (DOH) 4-A (Calabarzon) has formed a task force that will urgently address the rapid increase of measles cases in the region by beefing up its immunization program.

DOH 4-A Director, Dr. Eduardo Janairo convened an emergency meeting at the Vivaldi Hotel in Cubao on Monday to form the group, composed of all provincial, city and municipal health officers, National Immunization Program coordinators, and provincial health team officers, including development management officers from Cavite, Laguna, Batangas, Rizal and Quezon.

Janairo said the task force will address the needs of measles patients in close coordination with local government units, and ensure that DOH strategies and plans will be implemented accordingly.

"Whatever they need for this activity, we will provide it to them," he said.

Janairo also ordered all health offices here to come up with a uniform strategy in the implementation of the mass immunization activity against measles, especially in the recording, reporting and monitoring of cases for proper documentation and evaluation.

"This is also to ensure that we have enough supply of vaccines at the local level, including health human resource who will administer it to the target population," he added, emphasizing that the vaccine is still the safest and most effective way to combat the measles virus.

The Calabarzon health office is coordinating with various malls, churches and food chains to set up measles vaccine posts starting next week, "to make the vaccine more accessible to people," said Dr. Felices Emerita Perez, medical officer of the DOH Center for Health Development 4-A.

"Ilalapit ang bakuna sa mga pasyente (We will bring the vaccine closer to the patients. [These vaccine posts are]) on top of available vaccine in our provincial, city and barangay health centers," Perez said.

Janairo also initiated a more personalized approach by sending letters appealing to parents to again start trusting the DOH's vaccines.

These vaccines for measles, polio, pertussis, and tetanus, among others, have been tested and proven safe, he said.

The DOH Regional Epidemiology and Surveillance Unit (RESU) has recorded a total of 972 measles cases from January 1 to February 9 this year, with 25 confirmed deaths. The patients' ages ranged from nine months to 59 years old.

Health officials reported only 124 cases and one confirmed death during the same period last year.

Of the recorded 972 measles cases, 202 received the measles vaccine, 359 were not vaccinated while 174 had unknown vaccination status. Some 192 patients were less than nine months old.

Of the figure, Rizal province posted the highest with 465 cases; Laguna, 167; Batangas, 142; Cavite, 126; and Quezon, 72.

With no known cure, the highly contagious measles-rubella virus could be contained through proper immunization of children aged six to 59 months. ***(Gladys Pino-PNA)***

IMEE MARCOS: WHERE'S OUR PAG-IBIG DEDUCTIONS

GOVERNOR Imee Marcos today called for an accounting of the billions of pesos that government has allocated for its socialized housing program as she noted the continuing backlog in shelter projects for the marginalized sector.

"The national government has been allocating billions of pesos for its housing programs, and yet we still lack a conducive housing plan that will address the shelter needs of common workers and the underprivileged," Marcos lamented.

Marcos added: "Many families, especially low-income earners, continue to pay rent for their shelter requirements. We see a lot of families living in slum areas. What's holding back the government from providing them homes?"

The governor said it is imperative for the government to bare all to the public and do an accounting on how it has been using its socialized housing funds.

"The public needs to know where their taxes are going, how the government is spending their hard-earned incomes. Monthly PAG-IBIG and GSIS or SSS deductions are made on the salaries of both public and private employees for the government's socialized shelter programs. San napupunta ang mga deductions? Bakit hanggang ngayon kulang pa rin ang mga pa-bahay para sa mahihirap?" she asked.

Marcos noted reports that housing projects have been lagging between 168,000 and 190,000 units a year, as she expressed concern over estimates by government policy-makers that the backlog could reach a peak of 12.5 million housing units by 2030 if the problem is not addressed. By 2021, the housing need is projected to be around 6.7 million.

Marcos reiterated her proposal for the government to consider reviving his late father's BLISS housing project which was launched during the late 1970s to provide shelter communities to low-income earners and their families, free up space and resolve the population congestion problems of urban communities.

"The government should seriously look at reviving the BLISS housing project. The booming real estate industry has made it difficult for many of our kababayans to buy their own houses. A state-funded shelter program will click well with low-income earners, including overseas contract workers, who have little, if not none at all, funds for their dream houses. Kung kaya noon, bakit hindi ngayon?" Marcos said.

BLISS housing communities were put up during the late 70s to address the basic needs of shelter and services of urban poor families. The nationwide housing program did not only provide shelter units to low-income groups but also basic social services and income-generating activities.

Under the scheme, slum areas were rehabilitated and slum dwellers were relocated to more habitable human settlement within Metro Manila and nearby provinces.

BLISS facilities included home lots and housing units; community facilities such as schools, chapels and sports grounds; and small-scale employment, including cottage industries.

Operasyon ng power plant sa OccMin, pinalawig hanggang Hunyo 2019

SAN JOSE, Occidental Mindoro (PIA) — Pinalawig pa ang operasyon ng Occidental Mindoro Consolidated Power Corporation (OMCPC), pangunahing power plant sa lalawigan, hanggang sa katapusan ng Hunyo 2019.

Ito ang iniulat ng Occidental Mindoro Electric Cooperative (OMECO), kooperatibang nangangalaga sa distribusyon ng elektrisidad sa lalawigan.

Ayon kay Engr. Celso Garcia ng Omeco, huling linggo ng Enero nang maglabas ng desisyon ang Energy Regulatory Board (ERC Order 2014-102 RC), na nagpapatigil sa subsidiyang ibinibigay sa OMCPC. Nangangahulugan ito, ani Garcia, ng P33 milyon pagkalugi bawat buwan para sa planta kaya nagpasiya ang OMCPC na itigil ang kanilang operasyon simula Pebrero 8.

"Agad kumilos ang Omeco, sa tulong ng mga opisyal ng lalawigan, na mapalawig pa ang operasyon ng OMCPC," saad ni Garcia. Aniya, walang ibang planta na may kakayahang i-supply ang pangangailangan sa kuryenye ng buong lalawigan sakaling magsara ang OMCPC.

Samantala, ayon sa isang kawani OMCPC na humiling na huwag siyang pangalanan, pinagaaralan pa ng korporasyon ang kanilang mga susunod na hakbang. **(VND/PIA MIMAROPA/Occ Min)**

Sa kanyang pagbabalik sa mundo ng bilyar matapos ang matagal ng hindi paglalaro ay nakatutok siya sa $300,000 total pot prize tournament, ang US Open 9-ball na longest-running pool tournament sa United States.

Ang affable cue artist at chairman ng Barangay Malamig sa Mandaluyong City na siya ding League of Barangays of the Philippines Press Relation Officer at ABC president ay umingay ang pangalan sa billiard circuit matapos talunin sina noted pool sharks Yang Ching-shun ng Taiwan at mga kababayan na sina Efren "Bata" Reyes at Francisco "Django" Bustamante sa knockout stage ng World Pool Championship noong 2004.

"I hope to do well in the upcoming 43rd US Open 9-Ball Championship in Las Vegas, Nevada," sabi ng Jose Rizal University (JRU) AB Economics graduate Manalo, many-time winner sa US Pool Circuit at runner-up kay Reyes sa 2004 World 8-Ball Championship.

"I will pour all that I know in the cue sports," ani Manalo na nagkasya sa silver medal sa snooker event na tumapos ng second place sa likod ni eventual champion Bjorn Haneveer ng Belgium sa 2001 Akita, Japan World Games.

Sa sumunod na taon ang 2000 Asian Snooker Champion at 2008 National Champion Manalo ay nakarating sa semifinals sa World 9-ball subalit kinapos kay eventual champion Taiwanese Wu Chia-ching (Wu Jia-qing).

Bagama't hindi nasilayan si Manalo sa mga pool tournament sa mga nakalipas na panahon ay abala naman siya sa paghahanda sa sarili niyang pool hall sa Talumpung, Mandaluyong at famous Star Billiards Center sa Grace Village, Quezon City, na punong abala ay si long-time sports patron Sebastian "Baste" Chua.

Sa pagkakataong ito ang Brgy. Malamig chairman ng Mandaluyong City na target muli ang honor at glory sa bansa ay nakatangap ng suporta kina long-time benefactors Solar Sports head Ronald Tieng, long-time billiards patron Sebastian "Baste" Chua at Mandaluyong City mayor Carmelita "Menchie" Aguilar Abalos. **(Marlon Bernardino)**

Iwas-trapik, inilatag para sa pagkakabit ng NLEX, Skyway 3

LUNGSOD NG MALOLOS (PIA) — Naglatag ng sari-saring mga alternatibong daan upang mabawasan ang matinding pagsikip ng daloy ng trapiko sa southbound lane ng North Luzon Expressway o NLEX bunsod ng konstruksyon ng Skyway Stage 3.

Mula Lunes hanggang Sabado, tumutukod hanggang sa Marilao, Bulacan ang haba ng pila ng trapik hanggang sa Balintawak. Ito'y dahil umabot na sa Camachile ang konstruksyon ng rampa ng Skyway Stage 3 na literal na dudugtong sa NLEX.

Sa isang pulong balitaan, inilahad ni NLEX Corporation Chief Operating Officer Raul Ignacio na habang ginagawa ang nasabing imprastraktura ay inaabisuhan nila ang mga motoristang galling Hilaga at Gitnang Luzon na kung papunta sa mga lungsod ng Caloocan at Maynila, mainam na kumanan sa NLEX-Smart Connect Interchange papuntang Karuhatan para makarating sa Monumento.

Maaari rin itong maging alternatibong ruta ng mga papunta sa Pasay o sa Ninoy Aquino International Airport sa pamamagitan ng pagdaan sa NLEX-Smart Connect Interchange na diretso hanggang sa may C-3 na lalabas sa Radial Road 10 hanggang makarating sa Roxas Boulevard.

Para naman sa mga papunta sa mga lungsod ng Quezon, Marikina at Pasig, sa NLEX Smart Connect Interchange pa rin pwedeng dumaan papuntang Mindanao Avenue. Maaaring lumusot mula rito sa campus ng University of the Philippines sa pamamagitan ng Luzon Avenue hanggang Katipunan papuntang C-5.

Mananatili namang bukas ang rampa ng cloverleaf para sa mga sasakyang papuntang Balintawak Market at EDSA-North Avenue.

Sa gagawing pagkakabit ng NLEX at Skyway Stage 3 sa bahagi ng Camachile, inaasahan ang lalong pagbigat ng daloy ng trapiko sa southbound lane ng NLEX dahil gagamitin ang inner lane o gitnang bahagi ng expressway upang magtayo ng mga poste ng Skyway 3. Iba pa rito ang paggamit sa magkabilang shoulder nito upang siyang paglagyan ng rampa.

Ayon kay San Miguel Corporation Project Manager Alex Solomon, target matapos ang bahaging ito sa Disyembre 2019.

Kapag pormal nang nabuksan ang 18 kilometrong Skyway Stage 3 sa mga motorista, ang mga sasakyang mula sa NLEX ay makakabiyahe na papuntang South Luzon Expressway sa loob lamang ng 15-20 minuto, kumpara sa kasalukuyan na inaabot nang mahigit dalawang oras. (CLJD/SFV-PIA 3)

DENR urges massive waste reduction in Calabarzon

CALAMBA CITY, Laguna — The Department of Environment and Natural Resources (DENR)- Environment Management Bureau (EMB) in Calabarzon has urged on Monday the massive reduction of wastes by households and commercial establishments in the region in view of limited landfills and dumpsites.

DENR Calabarzon Regional Executive Director, lawyer Maria Paz Luna said all local government units (LGUs) need to expand their solutions to include finding economic uses on garbage or trashes.

"Many LGUs now can derive economic value from their wastes, we only need to increase demand," she said.

Apart from the economic-driven solution, the DENR suggested exploring the possibility of putting up a disposal facility per province through linkage with the Department of Public Works and Highways (DPWH).

It also stressed the need for all public infrastructure to consider the testing and use of bricks that remove waste out of the waste stream.

"Landfills are no less public works than roads and bridges. Pag umapaw na po ang palanggana, hahagilapin ba muna ang mop o papatayin muna ang tubig? Wala na pong pagpigaan ng mop, ibang paraan na ang dapat hanapin pag 60 percent na ang problema (If the basin overflows, do we look for a mop or stop the water from dripping? If there is no more basin on which to squeeze the mop, then we have to find ways if the problem has reached 60 percent)," Luna said.

It reported that only 38 percent of wastes generated in the region comprising Cavite, Laguna, Batangas, Rizal and Quezon could be accommodated in 35 sanitary landfills spread through localities with permits to operate as each landfill only has a total capacity of around 2,193 tons of waste per day.

Based on data submitted by the LGUs to the EMB, Calabarzon Region produces 5,695 tons of waste per day with a per capita waste generation ranging from 190 grams to 390 grams per person per day.

Cavite and Laguna rank the highest on per capita while Quezon has the lowest range which is lower than per capita volumes in metropolitan areas and mass tourism places like Boracay.

In their recent meeting with the DENR officials, the LGUs appealed that 100-percent efficiency in waste collection could not be attained due to constraints in the number of operating dump trucks and manpower.

The discussions also tackled garbage collection services that are typically centered around the "poblacion" (town proper) areas, and tipping fees in the landfills range from PHP7,000 to PHP15,000 per truck of wastes.

The Ecological Solid Waste Management law also requires that only residual wastes shall be disposed in sanitary landfills (SLFs).

Thus, stricter household monitoring of waste segregation will lessen these costs by up to half and any LGU breaching the law could face raps before the Ombudsman.

The EMB, however, clarified it has no mandate to put up infrastructures like SLFs and the primary duty for waste management remains in the LGUs.

DENR likewise urged the LGUs to intensify their continuous coordination with the private sector as a holistic approach to waste reduction in the region especially starting at the household level. *(PNA)*

DSWD nagsagawa ng fun run patungkol sa pag-aampon, foster care

LUNGSOD NG SAN FERNANDO, Pampanga (PIA) — Humigit-kumulang 100 indibidwal ang lumahok sa fun run na inorganisa ng Department of Social Welfare and Development o DSWD bilang simula ng pagdiriwang ng Adoption Consciousness Week.

Layunin ng nasabing aktibidad na nakaangkla sa temang "Pagmamahal Palaganapin, Legal na Pag-aampon Ating Gawin!" na paigtingin ang adbokasiya at kamalayan ng publiko sa legal na pag-aampon at foster care.

Ayon kay DSWD Regional Director Gemma Gabuya, nais bigyang-diin ng nasabing pagdiriwang ang kahalagahan ng pag-aampon at pag-aalaga sa normal na pag-unlad ng mga bata, lalo na ang mga inabandona, napabayaan, sumuko at inabuso.

Ang mga batang ito, ayon kay Gabuya, ay dapat magkaroon ng mga kikilalaning mga permanenteng pamilya sa lalong madaling panahon.

Bukod sa fun run, magkakaroon din ng mga adoption care forums sa mga lalawigan ng Pampanga, Bulacan at Nueva Ecija upang talakayin ang proseso ng legal na pag-aampon at mga karaniwang isyung kinakaharap ng mga adoptive at foster parents.

Magkakaroon din ng Adoption Help Desk sa mga piling malls at establisimyento upang tumugon sa mga katanungan ng publiko sa pag-aampon at foster care upang madagdagan ang bilang ng adoptive at foster parents.

Ang pagdiriwang ng Adoption Consciousness Weekay nalikha sa bisa ng Presidential Proclamation No. 72, series of 1999.

Layunin nito na tiyakin ang pambansang kamalayan sa lumalaking bilang ng mga naulila o inabandonang mga batang Pilipino na nangangailangan ng pagkalinga ng isang pamilya. (CLJD/MJLS-PIA 3)

SABIK SI JULIA BARRETTO PERO MALUNGKOT

KAPAG sinabing sabik ay kalimitang ang karugtong na maririnig o ang kasunod ay ang kasiyahan.

May kinasasabikan kang mangyayari o inaasahan kaya dapat ay masaya ang magiging pakiramdam.

Pero bakit o paanong itong si Julia barreto ay sabik pero malungkot?

Hindi ba nagbakasyon si Julia sa ibang bansa kamakailan subalit maaga niya itong tinapos.

Bago ang pagbabakasyon ay sabik ang nasa puso at damdamin ni Julia.

Kung bakit sabik ay dahil solo o mag-isa lamang siya sa gagawing bakasyon.

Sabik siyempreng maramdaman ang solo lamang sa kanyang pagbabakasyon.

Kumbaga ay anu-ano ang mga maaaring thrill bilang isang solong bakasyunista.

Pero mistulang tinalo ng homesick ang aktres para sa kanyang pamilya.

Iyon ang dahilan kaya malungkot si Julia dahil sa pamilyang hinahanap-hanap.

Pero kahit paano naman ay masasabing worth it ang dalawang linggong bakasyon ni Julia.

"**OO** nga ano, sadyang napakatulin ng panahon."

Maging si Kardo ay hindi rin halos makapaniwala na nagawa niyang maging konsehal sa tatlong termino.

Mula sa pagiging isang barangay chairman na tatlong termino rin siyang nanungkulan ay ganoon din bilang isang konsehal.

Kaya naman sa paguusap nilang mag-asawa ay tinatanong siya ni Inday kung ano na ang kanyang plano.

"Magpapahinga ka na ba sa pagiging isang pulitiko ha Kardo?"

Pinag-iisipan pa rin ni Kardo ang kanyang balak o gagawin sa nalalapit na pagtatapos ng kanyang termino.

"Kung talagang nasa puso mo pa rin ang paglilingkod sa bayan ay sumige ka sa kung anong gusto mo."

Nananatili si Inday sa buong suporta sa kanyang mister lalo at maganda naman ang record ni Kardo.

Kahit naman nagtatanong si Inday ay alam naman niyang gusto pa rin ni Kardo na manatili sa pulitika.

"Medyo bentahe ka at sa tingin ko ay makakalusot ka. Alam ko mananalo ka."

"Ano ba 'yung tawag sa karera na naririnig ko lamang? Ay! Ano pala, lyamado ka."

Kung talagang nais pa ni Kardo na muling kumandidato ay iminumungkahi ni Inday ang posisyong vice mayor.

Si Inday ay klase ng taong mapanuri at nararamdaman niya na malaki ang tsansa ni Kardo sakaling bise alkalde ang tatakbuhin nito.

Iyon nga lamang, ang hindi niya nasusuri at nararamdaman ay ang ginawagawang panloloko sa kanya ni Kardo.

Siguro ay masasabing mahusay lamang magdala si Kardo kaya napapalusutan niya si Inday.

Napapaikot niya ang kanyang misis na siya ay walang ginagawa.

Na wala siyang ibang babae at lalong wala ring anak sa ibang babae.

Plantsado o malinis ang lahat para kay Kardo kaya sa mahabang panahon ay walang natutuklasan sa kanya si Inday.

"Aba! 'Di maaari 'yan. 'Di ako makakapayag."

"**THE** number you dialed is either unattended or outside the coverage area."

Panay ang tunog ng cellphone ni Dagul, tuluytuloy lamang sa pagriring.

Mahihinto pero muling tutunog subalit hindi tinitingnan ni Dagul ang kanyang cellphone.

Basta nasa harap ng hapag kainan at sabaysabay silang kumakain ay hindi maaaring gumamit ng cellphone o ano mang gadget.

Ang turo at katwiran ni Aling Tita sa kanilang tatlong magkakapatid ay kailangang irespeto ang mga grasyang nakahain.

Hindi kailangang unahin ang kung ano pa man dahil para kay Aling Tita ay makakapaghintay naman iyon huwag lamang ang biyaya ng Panginoong Diyos.

Kaya kahit ang pag-uusap o kuwentuhan ay bawal basta sila ay kumakain.

"Jerome, ano na nga pala ang plano ninyong dalawa ni Maribeth?"

Nang makatapos makakain at habang nagpapahinga sa sala ay doon lamang sila nagsimulang magkakuwentuhan.

"Kung ako lang ay boto ako Jerome para sa 'yo 'etong si Maribeth."

Si Aling Tita ang nagsimula ng kanilang paguusap at kina Maribeth at Jerome nasentro ang paksa.

"Unang-una ay nasa hustong edad naman na kayo at bukod pa roon ay pareho kayong mayroong matatag na trabaho."

"Kung ako ang tatanungin ay maaari na kayong lumagay sa tahimik."

"At kung kinakailangan ay pupunta tayo Jerome kina Maribeth para makapamanhikan."

Nagugulat ang tatlong magkakapatid dahil gusto na ni Aling Titan a magkapamilya na si Jerome sa kabila na ito ang bunso.

"Wala naman problema kahit si Jerome ang bunso o mas bata, siguro ay mabagal kayong dalawa ha Bert at Dagul."

Medyo seryoso ang usapan subalit may bahagyang patawa si Aling Tita.

"Basta ako ang gusto ko kung maaari ay magsipag-asawa na kayo."

"Pinag-aasawa ko kayo 'di ibig sabihin ay tinataboy ko na kayo rito."

Natawa ang magkakapatid dahil gusto pala ni Aling Tita na magkaapo na sa tatlo kahit hindi niya kadugo ang mga ito.

DOJ CLEARS CAVITE TOWN MAYOR OF MURDER RAPS

MANILA — Prosecutors have dropped the criminal case against Trece Martires City, Cavite Mayor Melandres Desagun and two others for the killing of Vice Mayor Alex Lubigan and his driver Romulo Guillemer in July last year.

Department of Justice (DOJ) spokesperson Undersecretary Markk Perete on Tuesday informed reporters of this development in a text message.

On the other hand, the DOJ found probable cause to indict alleged gunman Ariel Paiton for two counts of murder and Maragondon, Cavite municipal councilor Lawrence Arca as accessory to the crime.

Likewise cleared were Luis Vasquez Abad Jr., the alleged driver of the getaway vehicle and Rhonel Bersamina, who allegedly received money on Arca's behalf.

On July 7 last year, Lubigan, 44 and his driver Guillemer, 50 were travelling along the Trece-Indang Road in Barangay Luciano, Trece Martires City when they were ambushed by several armed men.

Desagun's security aide Romeo Edrinal, 56, who was also on board the vehicle was injured during the attack. ***(PNA)***

Angeles court orders release of witness in Jee Ick Joo slay

MANILA — The Angeles City Regional Trial Court (RTC) ordered the release of a policeman who is now a state witness in the abduction and killing of South Korean businessman Jee Ick-Joo two years ago.

In an order dated January 30 released to media Tuesday, RTC Branch 56 Judge Irin Zenaida S. Buan granted the motion of state witness Senior Police Officer 4 (SPO4) Roy Villegas and ordered his release from the restrictive custody of the PNP Anti-Kidnapping Group.

"Based on the proceedings held in these cases, it appears that witness Villegas already finished his testimony thus it can be concluded that he already fulfilled his duty as a state witness. With the completion of the testimony of state witness Villegas, there is no more valid reason to recall his discharges thus, the effects of his discharge should be given effect," the court said.

Villegas turned witness against his co-accused in the case namely SPO3 Ricky Sta. Isabel, Supt. Rafael Dumlao III, Jerry Omlang and retired policeman Gerardo Santiago.

Jee was abducted on October 18, 2016 at Friendship Plaza Subdivision, Angeles City by police officers claiming to enforce an anti-narcotics operation under the Philippine National Police (PNP)'s "Oplan Tokhang."

He was brought to the Philippine National Police headquarters in Camp Crame where he was killed the same day.

Santiago was owner of the Gream Funeral Services, where the body of the victim was brought. ***(PNA)***

Court pilots video 'tele-hearing' for high risk, sickly inmates

MANILA — New court rules authorizing the use of video-teleconferencing for high risk detainees to be tried without the need to actually stepping into courtrooms will soon be tested, the Supreme Court (SC) said Monday.

Court Administrator Midas Marquez said the new system will be pilot-tested in Davao City Jail, where members of terrorist groups Maute, Abu Sayaff and New People's Army (NPA) are detained.

He said the new "tele-hearing" system is part of the judicial reform agenda of Chief Justice Lucas Bersamin.

Associate Justice Diosdado Peralta, chairman of the new SC revision of rules committee, has been tasked to draft the guidelines that would govern the remote testimony and appearances of the accused from their cells.

"This is trailblazing because it can pave the way for long-distance court appearances of OFWs working abroad who have pending civil cases in the country," Peralta said.

Arrested members of Maute, Abu Sayyaf and NPA will no longer be required to physically appear before the courts and may face trial while inside the jails.

A 100-foot monopole tower with necessary equipment was built within the Davao Hall of Justice and will be connected to the three jail facilities in the city.

The High Court assured that the constitutional rights of the accused will be protected through procedural safeguards in the implementing rules.

"In order to ensure that the accused's constitutional rights are adequately protected, the counsel of the accused shall be present with the accused in the same designated room in the jail facility throughout the duration of the tele-hearing," Marquez said.

The rule will also apply to detainees diagnosed with grave and serious medical conditions in Davao.

The measure adopted by the judiciary was approved upon the request of Davao City Jail Warden, Supt. Grace Taculin, who cited security threats in the transportation of high-risk detainees with terrorism cases and spread of diseases in courts. *(PNA)*

SPD nabs 85 persons, 90 firearms in anti-crime drive

MANILA — Operatives of the Southern Police District (SPD) have arrested 85 persons and seized 90 firearms since the start of the election gun ban last month.

In a report to the National Capital Region Police Office (NCRPO) Wednesday, SPD director, Chief Supt. Eliseo Cruz, said Parañaque City has the highest number of apprehensions with 23 persons, followed by Makati (19); Taguig (15); Las Piñas, four; and two in the town of Pateros.

The SPD Chief said that all apprehended persons were already charged criminally before the Department of Justice while the recovered guns and other items were brought to the respective police stations to form part as evidence against the suspects.

Cruz said the recovered guns were mostly .38 caliber revolvers, 12-gauge shotguns, .45-caliber pistols, 9-mm pistols and .22-caliber revolvers while 28 gun replicas were also confiscated.

Apart from firearms confiscation, the authorities also recovered several plastic sachets of shabu and drug paraphernalia used in sniffing the drugs during the police operations, he said.

For his part, NCRPO chief, Director Guillermo Eleazar commended SPD for its simultaneous police operations which focuses more on Illegal firearms through the implementation of search warrants, checkpoints, Oplan Sita and other anti-criminal activities in identified hot spots within its jurisdiction.

"We congratulate the SPD under the leadership of its District Director Eliseo Cruz for his initiative of an all-out drive against crime in the Southern Metropolis area following the start of election ban on Jan. 13," said Eleazar.

Eleazar assured the NCRPO will be relentless in its drive to maintain the peace, order and security in the entire Metro Manila area during the election period.

"We will not allow those who seek to sow terror in our communities. We will arrest those who defy the law and commit atrocities against the people and bring them to the bar of justice and make them accountable for their crime," the Metro Manila top cop said.

Eleazar called on the general public to help and cooperate with the authorities by reporting information that could lead to the apprehension and prosecution of those involved in various criminal activities. ***(PNA)***

'Traveler's Bill of Rights, isinusulong sa lungsod ng Puerto Princesa

PUERTO PRINCESA, Palawan (PIA) — Bilang lugar na dinarayo ng mga turista, lokal man o dayuhan, inihain ang isang panukalang resolusyon sa Sangguniang Panlungsod ng Puerto Princesa na nagsusulong na magkaroon ng 'traveler's bill of rights'.

"Mahalaga na pagkakaroon tayo nito [Bill of Rights] hindi lang sa Puerto Princesa kundi sa buong Pilipinas para proteksyonan ang karapatan ng mga bumabyahe at ng mga turista," pahayag ni Konsehal Nesario Awat, siyang may akda ng resolusyon.

Ayon pa sa nilalaman ng resolusyon, kinakailangang matiyak ang mahusay na serbisyo ng mga tinutuluyan ng mga turista tulad ng mga hotel, inn, resort at mga restoran, gayundin sa transportasyon upang mapanatiling maganda ang imahe nito para sa mga bisita.

"Kung mangyayari lang ang mga yan, mapapangalagaan at lalo pang aangat ang turismo ng lungsod," dagdag pa ni Awat.

Hangad din sa panukalang resolusyon na ma-proteksyonan ang mga turista at bumabyahe sa pagkuha ng 'refund' kung ang serbisyo ay hindi na-kompleto, o kahit ano mang uri ng paglabag sa kanilang mga karapatan.

Hinihikayat din sa resolusyon ang mga mambabatas sa kongreso na taga-Palawan na pag-aralan ito at mai-akda bilang batas.

Dagdag pa ni Awat, sakaling maging batas ang panukala, mahuhubog na ang kamalayan ng mga may-ari at nagpapatakbo ng mga establisyementong panturista at iba pang negosyong may kinalaman sa turismo patungkol sa kanilang mga responsibilidad. **(LBD/PIAMIMAROPA-Palawan)**

Experts warn public vs. measles complications

MANILA — If left untreated, serious complications from measles could be life-threatening, medical experts said on Wednesday.

Dr. Mario Panaligan, Philippine Society for Microbiology and Infectious Diseases president, said measles-stricken children and adults could suffer from serious complications if they remain untreated.

"Kahit bata o matanda, delikado ang komplikasyon ng tigdas, hindi kumo matanda ay mas mataas ang (Young or old, measles complications are dangerous, not because [you're] old [you'll] have higher) risk to have complications," he said in a health forum in Quezon City.

Panaligan said patients with fever usually experience pain in their throats which cause secretions to be stuck in the throat.

"So talagang tumataas ang chances na magkaroon ng pulmonya. May mga tao ring nabubulag... ang iba naman ay patulog-tulog dahil namamaga na rin kasi ang utak (the chances of having pneumonia go up, there are people who become blind... other people doze off because their brains are already swolen)," he added.

Philippine Pediatric Society president Salvacion Gathchalian, who is one of the forum panelists, said severe measles cases may also lead to Subacute Sclerosing Panencephalitis (SSPE).

"This can be seen also in adults but this is more common among children who have measles less than two years (old). It can manifest seven, eleven years after the measles infection. There's an intellectual and behavioral deterioration and eventually namamatay, mataas ang (they die, there is high) percentage of death, mga 90 percent," she said.

Gatchalian urged parents to observe the schedule of measles vaccine for their children which start at nine months old and first dose of booster at 12 to 15 months and second dose at four to six years old.

Apart from vaccination, Gatchalian advised the public to wash thoroughly their hands, cover their mouths when coughing and stay at home when they are sick to avoid contracting measles. ***(PNA)***

Kapanalig si Imee sa legalisasyon ng motorcycle-taxis

MUKHANG nagkaroon ng karagdagang bagong kakampi ang ANGKAS.

Ito ay sa katauhan ni Ilocos Norte Governor Imee Marcos, na humihiling sa pamunuan ng Department of Transportation (DOTr) sa mabilis subalit makabuluhang pag-aaral para sa legalisasyon ng paggamit ng single motorcycle kagaya ng Angkas, bilang alternatibong pampublikong transportasyon.

Ang technical working group (TWG) na binuo ng DOTr noong nakaraang taon ang nangangasiwa sa naturang pag-aaral para sa usaping ito.

Sabi nga ng gobernadora ay maaari namang gumawa ng mas mahigpit o istriktong mga alituntunin para maipagkaloob ang kaligtasan at seguridad sa panig ng rider at ng angkas o pasahero.

Agree ako rito, isa sa maaaring strict guidelines sa Angkas member ay ialis sa kanilang isipan na hindi na siya isang karaniwang rider lamang bagkus ay isa ng public utility ang ginagamit niyang motorsiklo.

Ibig sabihin ay mahaharap siya sa mas mabibigat na mga kaso na may mga kinalaman sa paglabag sa batas-trapiko.

Ang mga karaniwang rider aminin man sa hindi ay lubhang napakaraming lusot dito lusot doon, salubong rito salubong roon, singit dito singit doon at kung anu-ano pang klaseng pasaway na gawain sa kanyang pagmamaneho.

Kung ikaw ay lehitimong kasapi ng Angkas ay hindi mo na maaaring gawin ang mga ito at sa sandaling matiyempuhan o mahuli ka ay mas mabigat na parusa ang kakaharapin.

Isa po lamang ito sa aking suhestiyon, na marahil ay puwedeng isama sa pag-aaral upang ikonsidera ang Angkas bilang public transport.

Kapag inutusan o sinabihan ka ng iyong sakay o pasahero na tulinan ang pagmamaneho dahil nagmamadali o late na sila ay hindi mo ito basta dapat sundin.

Nagagawa naman ang paglusot o overtake na kailangan lamang ay sigurado at ligtas pero kapag humantong sa disgrasya ay kaso ang kahahantungan bilang reckless driving.

Marami kasing naghahabol ng oras, sakit na talaga ng marami nating kababayan ito.

Bakit hindi kasi magbigay ng tamang palugit ng oras sa pagkilos para hindi nag-aapura sa pagbibiyahe?

Terible na talaga ang trapik, 'ika nga ni Gov. Imee Marcos, lalo na sa Kalakhang Maynila.

Kaya nga dagdag pa ng Ina ng Ilocos Norte na kailangan ng gobyerno ang mga kaukulang opsiyon hinggil sa epektibong sistema ng ating public transport at isa na nga rito ang motorcycle taxis.

Alam naman natin na mahigpit ang pagtutol dito ng Land Transportation and Franchising Regulatory Board.

Binibigyang diin ng LTFRB ang Land Transportation and Traffic Code (Republic Act 4136) na nagbabawal sa paggamit sa motorcycles bilang public transport dahil prone ito sa vehicular accidents.

Iyong katagang malapit ito sa aksidente ay ang dapat hanapan ng mga tama at epektibong kasagutan at solusyon.

Kapag may banggaan o nasagasaan ay kalimitang naririnig natin na hindi sinasadya at hindi ginusto dahil aksidente lamang daw.

Naniniwala po ba kayo rito? Ako po ay hindi dahil nangyayari ang banggaan o pagkakasagasa dulot ng kapabayaan dagdag pa ang kayabangan sa pagmamaneho.

Pwede sigurong sabihing hindi sinasadya o aksidente kung gawa ito o dulot ng mga hayop tulad ng aso, pusa at iba.

Ewan ko nga ba at bakit hindi nasosolusyunan ang pagkalat ng mga ganitong hayop sa mga kalsada at mas nakakatakot maging doon sa mga highway ay mayroon din na talaga namang matutulin ang takbo ng mga sasakyan.

Kung sadyang pinag-uukulan ng pamahalaan ang kaligtasan ng mga mananakay ay napakaraming kailangang isaalang-alang.

Sana ay ituloy ni Gov. Imee Marcos ang kanyang stand o posisyon sa isyung ito dahil tulad ng gobernadora, ako po ay hindi tutol sa Angkas bagkus ay ilatag lamang ang mga nararapat na alituntunin na titiyaking maipapatupad at susundin para sa seguridad at kaligtasan.
