APELA NI GIGI DELA RIVA-BAUTISTA SA PUBLIKO PARA SA 1-PACMAN PARTYLIST

UMAAMOT ng kaunting tulong o suporta sa publiko ang dating teenage actress na si Gigi Dela Riva-Bautista.

Ang apela ng dating aktres ay may kinalaman sa 1-Pacman Partylist.

Ang dating child star, na kabilang sa TV program na That's Entertainment ng yumaong si German 'Kuya Germs' Moreno, ay maybahay ni Marlon Bautista-Revilla na 3rd nominee ng 1-Pacman Partylist.

Kumakatok sa isip at puso ng sambayanan ang maganda at butihing esposa ni G. Bautista para sa pagluluklok ng naturang partido sa darating na halalan sa susunod na buwan.

"Hinihiling ko po sa publiko lalo na sa mamamayan ng Cavite na sana ay mapisil at mapusuan nila ang 1-Pacman Partylist na numero 122 po sa balota sa kanilang pagboto sa eleksiyon," ani Gng. Bautista.

Aniya, napapanahon na upang isapuso at isaisip ng mamamayan ng kanilang lalawigan na ituring na ang 1Pacman Partylist ay partido ng bawat Caviteño.

Ipinaliwanag ng ginang na ang pangunahing misyon o layunin ng kanyang mister ay para sa kapakanan ng buong lalawigan.

Maisasakatuparan umano ito sa sandaling maibibigay ang pagkakataon na makapaglingkod si G. Bautista sa Kongreso.

Minsan ng nabanggit ni G. Bautista na ang kanyang partylist ay hindi isang pangako bagkus ay isang solusyon.

Nabatid na ang pondong matatamo ni G. Bautista ay sadyang ilalaan sa kanyang mga kababayang Kabitenyo.

Tatlo ang pangunahing programang prayoridad ni G. Bautista na kinabibilangan sa pagpapayaman o pagpapalakas sa larangan ng sports at edukasyon.

Ang ikatlo ay ang paglalaan ng mas maraming oportunidad na may kaugnayan sa pangkabuhayan o trabaho para sa mamamayan ng Cavite.

Nakatutok din umano sa kalusugan kaya isasakatuparan ang regular na medical mission.

Napag-alaman na si G. Bautista ay umaktong chief of staff ng kanyang ama na si dating Senator Ramon Revilla, Sr.

Ang pondo mula sa tanggapan ng matandang Revilla sa panahon na ito ay nasa Senado ay napunta sa wasto.

Makikita at mapapatunayan ito ng bawat Kabitenyo mula sa mga proyektong isinagawa ng dating senador sa buong lalawigan.

Kabilang dito ang pagsasaayos at pagpapalawak ng mga kalsada sa Cavite at iba pang programa.

Sa bawat proyekto ay hindi kailanman pumasok sa isipan ni G. Bautista na unahin ang kapakanan ng kanilang pamilya (Revilla's) para maging benepisaryo na kung tutuusin ay maaari silang makabili ng lupa sa bawat infrastructure program ng kanyang ama.

Hangad ng mga Revilla na ang bawat sentimo ng pondo ay matatamo ng bawat Kabitenyo.

Bunga ng nakikitang dedikasyon sa kanyang mister ay hindi na tumutol si Gng. Bautista upang maging 3rd nominee ng 1-Pacman Partylist.

Sa halip bilang esposa ay buo ang suportang ipinagkakaloob ni Gng. Bautista sa kanyang asawa.

Napag-alaman na nakatakda na dapat ang pangingibang bansa ng pamilya upang doon na lamang manatili o manirahan nang simple at maayos gayunman ay naudlot dahil sa pagpasok ni G. Bautista sa nasabing partylist.

Maliban kay Bautista, ang 1-Pacman Partylist ay kinabibilangan ng iba pang nominado na sina Mikee Romero (1st nominee) at 2nd nominee Congressman Eric Pineda.

Labis naman ang pasasalamat ni Gng. Bautista sa pamilya Revilla mula sa suporta kabilang si dating Senator Ramon "Bong" Revilla, Bacoor City Mayor Lani Mercado-Revilla, Cavite VG Ramon Jolo Revilla III, at higit sa lahat kay Congressman Strike Revilla.

"Paniwalaan po natin si Marlon (G. Bautista), nasa isip at puso niya ang pagseserbisyo lalo na sa Cavite kaya sana ay huwag kalimutan ang numero 122 sa balota ang 1-Pacman Partylist na siyang partido ng bawat Kabitenyo. Ngayon pa lamang ay nagpapasalamat na po ako sa inyong lahat," pagtatapos ni Gng. Bautista matapos ang kapanayam sa kanya ng ilang Cavite local Media kamakailan. **ROMY SANTOS**

MALUGOD na sinasagot ni Gng. Bautista ang bawat katanungan sa kanya ng mga mamamahayag ng Cavite na may kinalaman sa 1-Pacman Partylist bilang 3rd nominee ang kanyang mister na si Marlon Bautista Revilla.

Pagkatapos ng interview ay masayang nagpakuha ng larawan si Gng. Bautista (Pangalawa mula sa kaliwa) sa Cavite local media gamit ang number one sign bilang simbolo ng 1-Pacman Partylist.

Tatlong oras nag-ikot ang motorcade ni Mayor Alfredo Lim sa Distrito 6, Manila. Habang sakay ng motorcade ay namimigay siya ng t-shirts at candy sa mga tao. Hindi nakitaan ng pagod si Mayor Lim ng matapos ang motorcade. **(Freddie M. Manalac)**

Buy-bust operation ang isinagawa ng mga operatiba ng anti-drugs ng MPD Station 9 at limang suspek ang nahulihan ng hinihinalang shabu. Makikita sa larawan na tinatanong ni Fiscal Salvacion Revilla, ng office of the City Prosecutor Manila, ang limang suspek na sina Dianne Velasco, Leonides Ma, Mabel Abbo, Pete Santoa at Erick Cornelio. Ang limang suspek ay nahuli sa A. Mabini, Malate, Manila. Ang masisipag na pulis na umaresto sa mga suspek ay sina PO2 Jeffrey Contreras, PO2 John Rupert Agustin, PO2 Nympha Amor Maramot at PO2 Raymund Portes. **(Freddie M. Manalac)**

'Wag basta baklas nang baklas; vote buying, ano ang magagawa ng kapulisan?

USAP LANG

JUNE BILLONES
0929-8127638

NASA panahon pa rin tayo ng kampanyahan para sa lokal na posisyon.

Kaya naman sa pagtingin sa kaliwa, sa pagtingin sa kanan at pagtingala o pagyuko ay mga mukha ng lahat ng kandidato ang ating nakikita.

Hindi maiaalis na mayroon sa atin na solidong tagasuporta ng bawat kandidato, may bayad man o wala.

Sila iyong tipong handang makipag-away alang-alang sa kanilang kandidatong sinusuportahan.

Kaya natin nabanggit ang tungkol sa mga mukha ng bawat kandidato na ating nakikita sa paligid sa pamamagitan ng kanilang mga poster, tarpaulin at iba pa, ay upang magbigay lamang ng payo at paalala.

Baka kasi kapag nakakita kayo ng campaign materials na kalaban ng inyong sinusuportahan ay basta na lamang magbabaklas o magtatanggal kahit pa ito ay wala sa tamang puwesto ng pagkakakabit o iyong tinatawag na dapat ay nasa common poster area lamang.

Muli ko pong ipinababatid sa inyo ang paalala ng Commission on Election (Comelec) hinggil dito.

Maaari naman talagang baklasin o tanggalin ng bawat isa sa atin ang mga illegal campaign posters.

Pero mas makabubuting ipagbigay-alam na lamang sa Comelec upang sila na ang mismong magtanggal.

Kung kayo po kasi mismo ang magbabaklas ay dalawang bagay ang posibleng kahantungan.

Unang maaaring kahantungan ay ang gulo o away lalo kapag nakita ng kalaban o kabilang panig ang ginagawa ninyong pagtatanggal.

Ang ikalawang dahilan ang dapat ninyong isaalang-alang dahil maaaring humantong sa kaso.

Puwede kasing kasuhan ng partisanship ang taong maaktuhang nagbabaklas ng campaign poster na ang layunin ay papaboran ang kanyang kandidato.

Ulitin ko po, kapag nakakita kayo ng mga illegal campaign posters sa inyong lugar ay sa local Comelec office ninyo ito iparating.

'Wag po basta baklas nang baklas. 'Wag pong masyadong maging die-hard sa pulitiko o kandidatong inyong sinusuportahan.

Kapag halalan, ang isa pang mainit na usapin ay ang vote buying.

Kaya ang sabi ng Philippine National Police ay lalo nilang paiigtingin ang operasyon laban sa vote-buying at kasama na rin ang gun ban violation.

Sabi nga ni National Capital Regional Police Office Director Major General Guillermo Eleazar ay mas mainit ang kampanyahan sa lokal kaysa sa nasyunal.

Ang pagdadagdag sa kanilang isinasagawang checkpoints sa Kalakhang Maynila ang tila isa sa mga hakbang para sa pagtugis sa mga nag-iingat o nagdadala ng baril.

Ewan ko, pero parang hindi ako komporme o bilib na mga checkpoint nga ang tugon dito kasi nakatutok lamang ang kapulisan sa mga single motorcycle samantalang higit na naroon sa mga apat na gulong na sasakyan ang mga tunay na pasaway o kriminal.

Tungkol naman sa vote buying, ano kaya ang magagawa ng kapulisan dito?

Just asking lang po.

Mababawasan na ang problema sa tubig?

BILYUN-bilyong halaga na ang napipinsala sa agrikultura dulot ng umiiral na El Niño.

Hindi maiiwasan ang pangamba ng publiko lalo sa patuloy na pagbaba ng lebel ng tubig sa mga dam sa bansa.

Pero paliwanag ng PAGASA ay hindi pa naman umaabot sa critical level ang tubig sa dam.

Ibig sabihin ay makakaya pang tugunan ang kakulangan sa patubig, domestic supply at sa irigasyon.

Sinasabing sa huling bahagi ng Mayo ay mababawasan na ang problema sa tubig.

Ito ay dahil sa nabanggit na panahon ay makakaranas na ang bansa ng mga pag-uulan.

LGU-IMUS HOLDS "TRAFFIC SUMMIT 2019 #WALANG FOREVER"

IMUS CITY, Cavite (PIA) – The City Government of Imus initiated the "Traffic Summit 2019 #WALANG Forever" at the City of Imus Training Center, The District-Imus as an effort to provide a solution to the perennial problem with transportation and traffic congestion being the main complaint of its residents.

The city government headed by Mayor Emmanuel Maliksi thru the City of Imus Traffic Management Office takes into consideration the daily struggle of commuting residents of the city particularly the difficulty in taking a ride due to the insufficiency of buses going out to nearby cities in the metropolis as well as the traffic congestion along the city's major thoroughfares.

Based on a survey, illegally parked vehicles along the road, sidewalks used by vendors, tricycles plying the main thoroughfares, undisciplined crossing of pedestrians, unauthorized loading and unloading zones, and the unsystematic manual intervening of traffic aides especially during the rush hours were all identified as contributing factors to traffic congestion.

The summit served as a venue for concerned agencies and stakeholders to share their insights to identify and solve these problems.

Mayor Maliksi encouraged participants to share their ideas on how to lessen the burden and appealed for them, "to be part of the solution not of the problem."

Heavy traffic congestion is usually experienced along Aguinaldo Highway, the main roads in Bucandala, Bayan Luma, Carsadang Bago, NIA (National Irrigation Administration), Nueno Avenue, Imus Market, Patindig Araw, and Malagasang Coastal/Open Canal.

Mr. Kristoffer John Dakis, Consultant of the Office of the Mayor presented the plans and programs of the Transport and Traffic Framework in hopes to ease the congestion problem. **(Ruel Francisco, PIA-Cavite)**

5 TALAMAK NA TROPICAL DISEASES, MAIIWASAN

SA tamang paghuhugas lamang ng kamay, anim sa 10 talamak na "Neglegted Tropical Diseases" (NTD) sa bansa ang posibleng maiwasan, ayon sa Department of Health (DOH)– CALABARZON (Cavite Laguna Batangas Rizal Quezon).

Kabilang sa limang talamak na NTDs sa bansa ay ang filariasis, schistosomiasis, helminthiasis, leprosy, rabies at food and water borne dIsease.

Ayon kay DOH-CALABARZON Regional Director Eduado C. Janairo, mayroon limang strategy para sa prevention, control at tuluyang pagsugpo ng NTDs sa bansa kabilang ang paggamit ng preventive chemotherapy , intensified management disease management, vector at intermediate host control, veterinary intervention at the human-animal interfaceprovision of safe water sanitation at hygiene o simpleng paghubugas ng kamay.

Dagdag pa ni Janairo na ang NTD ay hindi prayoridad ng maraming local government units (LGUs) bunsod sa kakulangan ng pondo, tauhan at polisya na susuporta rito at kung walang sapat na kasanayan upang masugpo ang sakit ay posbleng tumaas ang kaso nito.

"If these health concerns are not properly and immediately addressed , it will continue to contribute to the high prevalence of NTDs in the country,' ayon kay Janiaro.

Ito rin ang dahilan kung bakit nagsagawa ang DOH-CALABARZON ng pagsasanay ukol sa "Integrated Orientation on Neglected Tropical Diseases and Water, Sanitation and Hygiene (NTD-WASH) sa mga sanitary inspector . **GENE ADSUARA**

BOC NAIA seizes live venomous tarantulas from Poland

The Bureau of Customs turned over on Tuesday to Wildlife Traffic Monitoring Unit - Department of Environment and Natural Resources (WTMU-DENR) 757 live venomous tarantulas at the Ninoy Aquino International Airport (NAIA).

These turned over wildlife animals valued at P310, 000.00, were seized by the customs agents of the Port of NAIA on Monday, 1 April 2019 at the Central Mail Exchange Center in Pasay City.

According to District Collector Carmelita Talusan, the 757 live Tarantulas classified as endangered wildlife species were found concealed in gift-wrapped oatmeal and cookies. "The shipment was sent from Poland by a certain Wojciech Pakasz and was consigned to Jesse Camaro, a resident of Caloocan City," she added.

Violators of Illegal Wildlife Trading may face imprisonment of one (1) year and one (1) day to two (2) years and a fine of twenty thousand pesos (Php 20,000.00) to two hundred thousand pesos (P200,000.00) based on R.A. 9147 (Wildlife Resources Conservation and Protection Act) and/or three (3) years and one (1) day but not more than six (6) years imprisonment or a fine of not more than three hundred thousand pesos (Php 300,000.00) under unlawful importation pursuant to RA 10863 (Customs Modernization and Tariff Act).

From 2018 up to present, BOC-NAIA has turned over to DENR a total of 2,152 wildlife and endangered species including the 250 geckos, 254 corals and other endangered reptiles which were apprehend thru air parcels, baggage and shipments. Recently, 63 iguanas, chameleon and bearded dragons were also intercepted through the efforts and vigilance of the frontliners and operatives of BOC-NAIA.

In March 2019, the Bureau of Customs was globally recognized for its successful anti-illegal trade efforts which resulted in the seizure of 1,529 smuggled turtles from Hong Kong.

"BOC NAIA will continue to protect the borders against importation and exportation of illegal wildlife trade and other prohibited and anti-social goods," Talusan stressed.

PhilHealth introduces new claim requirement to ensure quality of care

The Philippine Health Insurance Corporation (PhilHealth) recently introduced a policy to ensure that its members who seek treatment in hospitals are provided with health care services that are of the desired quality and at par with existing medical standards. In its PhilHealth Circular No. 2019-0002 entitled "Documentary Requirements for Claims Reimbursement and Medical Prepayment Review of Claims (Revision 2)," the state health insurer prescribes a medical prepayment review and requires the use of Claim Form 4 (CF4) for all admissions starting March 1, 2019. Medical pre-payment review is done prior to actual processing, wherein claims that are not compensable as well as those that are not compliant with existing policies and standards on quality of care shall no longer be processed. The review shall be based on data from the CF4 which summarizes a patient's pertinent clinical information. The submission of the CF4 eliminates the submission of voluminous complete clinical charts for claims reimbursements. The policy does not preclude submission of other documents if necessary. The new policy shall cover claims using case rates with the exception of directly filed claims those for confinements abroad and claims for Z Benefits, among others. The new system enables PhilHealth to efficiently assess provider claims and to detect irregular practices such as over utilization or under-utilization of services; unnecessary use of diagnostic and therapeutic procedures and interventions; irrational medication and prescriptions; fraudulent, false or incorrect information; gross or unjustified deviations from currently accepted standards of practice and/or treatment protocols; inappropriate referral practices; use of fake, adulterated, misbranded or unregistered drugs; among others. "With this new policy, we aim to maximize our limited human and financial resources to promptly act on good and compliant claims. This also translates to faster turnaround time for claims processing, and good health outcomes for our patients." PhilHealth Acting PCEO Dr. Roy B. Ferrer explained

The Policy, signed last Feb 8,2019, allowed for a transition period for the month of March for hospitals to align and update their systems. To help HCIs in adapting to the new system, PhilHealth allowed facilities with eClaims systems to transmit the encoded CF4s of admissions starting March 1, 2019, while other HCIs may still use available offline applications provided by PhilHealth. On the other hand, those manually submitting claim applications shall submit soft copy of encoded CF4 together with manually transmitted claim application. Claims submitted to PhilHealth without the required CF4 shall be returned to the hospital for compliance starting April 1.

BENISSIMO, NAKAISA!

Walang edad- edad para sa kabayong si Benissimo kahit pa siya'y labing apat na taong gulang na, dahil kapag oras na pinabayaan ninyo na makapag dikta siya ng ayre na magsosolo sa harapan ay humabol na ang kanyang mga kalaban lalong- lalo na sa grupong kinalalagyan niya sa kasalukuyan. Sumegundo sa kanya ang nagpumilit na humabol o makalapit man lang ang liyamado sa lahat na si Big Big Brown, tumersera si Pintados na nakitaan ng magandang galaw. Samantala, hugandong nagwagi ang outstanding favorite na si Dragon Butterfly sa penultimate race at sa husay ng pagkakapanalo nila ng kanyang hineteng si John L. Santiago ay tiyak na makakasungkit pa ng panalo sa susunod na kanyang pagtakbo. Sumegunda sa kanya si Rochelle at tersero si Sunshot. Sa huling takbuhan naman ay animo'y outstanding favorite din ang nangunang si River Mist na sinakyan ni Onald Baldonido dahil walang anuman na dinaanan ang kanilang tatlong nakalaban habang nasa unahan sina All For Mama, Dixie Storm at Cole Is Bright bago pumasok sa ultimo kuwarto (400 meters). Pag pasok sa huling diretsahan ay lumayo pa ng husto si River Mist. Medyo kuwestiyonable dahil sa hindi kagandahang itinakbo nung paborito sa mga paratingan na si Dixie Storm, ano nga kaya ang dahilan sa naipakita niyang kapirasong pag- eksena sa unang kalahati ng distansiyang pinaglabanan? Mabuti pa sina Melody's Diamond, Cole Is Bright at All For Mama ay naging sulit ang kanilang naipakita sa mga pumili o tumaya sa kanilang tatlo.

RITA DANIELA, PINAGPALA

NEXT month nakatakda ang concert ni Rita Daniela at siyempre kasama si Ken Chan.

Hindi naman maikakaila na tunay na naging patok ang tambalan ng dalawa bilang BoBrey o Boyet at Aubrey sa kanilang katatapos na teleseryeng My Special Tatay.

Kaya naman ang kanilang nalalapit na pagtatanghal ay may titulong My Special Love,#BoBreyinConcert.

Ito ay gaganapin sa Mayo 11 sa ganap na alas-8:00 ng gabi sa Music Museum, Greenhills.

Sa pagganap bilang Aubrey sa My Special Tatay ay napakarami ang nabago kay Rita.

Number one siyempre ay ang mas pag-angat ng career ng singer/actress.

Mayroong special din na nararamdam si Rita sa kanyang pagganap bilang si Aubrey.

Naramdaman ni Rita ang kanyang kahalagahan para sa ibang tao.

What I mean, because of being Aubrey sa My Special Tatay ay umani si Rita ng mga tagahanga.

Tagahangang tunay na sinubaybayan siya at talaga namang minahal.

In other words ay nakapag-create si Rita ng sarili niyang fans.

Binigyan ng time at importansiya ng fans si Rita which is siya pa ang nakakatanggap ng iba't ibang blessings mula sa kanyang mga tagahanga.

Natural ay sadyang masarap iyon sa pakiramdam dahil alam mong may mga nagmamahal sa iyo.

Ang lahat ng mga iyon ay labis namang pinapahalagahan at lalo pang pahahalagahan ni Rita.

Kaya naman masasabi natin na itong si Rita ay talagang tunay na pinagpala.

Granted ang mga wish at prayers ni Rita dahil makikita naman sa kanya ang kababaang loob.

Alam ba ninyong si Rita ay isang Christian member at aktibo siya sa kanilang simbahan.

Nakakatuwa ano po, sa pagiging isang Christian ay nagampanan ni Rita nang ubod husay ang kanyang papel bilang Aubrey na isang 'pokpok' o nagbebenta ng katawan o panandaliang aliw sa naturang teleserye.

Well, kung husay lang naman sa acting ay hindi na natin pagtatakahan dahil nasa dugo naman ni Rita.

Sa mga fans ni Rita, binabati ko kayo sa pagpili sa kanya bilang inyong hahangaan at susuportahan.

Wait po kayo sa Kapuso network para sa proyekto kay Rita or sa BoBrey.

Congrats din kay Ken 'Boyet' Chan sa kanyang husay sa katatapos na teleserye.

LALONG mistulang pumapalakpak ang mga tainga ni Kardo sa mga naririnig.

"Mabuhay si Mayor Kardo…Mabuhay si Mayor Kardo…"

Ganyan ang kanyang mga naririnig noong siya ay kumakandidato pa sa barangay at konseho.

Kaya naman ang mga naturang kataga ay tila nagbibigay ng mensahe para kay Kardo sa kanyang ikapapanalo.

"Saan ka pupunta? Ilang sandali na lang at magsisimula na ang bilangan ah."

Natapos ang kampanyahan at dumating ang araw ng mismong botohan.

Kagaya ng mga nauunang eleksiyon, kapag papatapos na at magsisimula na ang pagbibilangan ay aalis muna si Kardo.

Hindi alam ni Kardo kung ano ang isasagot niya sa kanyang misis.

Kasi naman ay hindi rin naman talaga alam ni Kardo kung saan siya pupunta.

"Bahala na kung 'san mapapadpad, ikaw naman parang 'di mo pa ako kilala at kabisado."

Hindi na nagtanong si Inday dahil alam niyang wala rin namang maisasagot si Kardo.

Pagtapos ng bilangan at pagbalik ni Kardo ay doon lamang ito magsasabi kay Inday kung saan namalagi habang nagbibilangan.

Si Lyka ang unang nasa isip ni Kardo na pupuntahan at doon na lang muna magpapalipas ng oras.

Pero sa mga sandaling iyon ay nagdadalawang isip si Kardo para pumunta kay Lyka.

"Ang sasakyan, 'di mo ba dadalhin? Ang susi 'ayun sa ibabaw ng ref."

Papalabas ng bahay si Kardo nang mapansin ni Inday na hindi niya bitbit ang susi ng sasakyan.

"Magtataksi na lamang ako."

Iyon lang ang itinugon ni Kardo sa kanyang esposa na pagkatapos dampian ng halik ay umalis na siya.

"Mayor…Mayor…Mayor…"

LIHIM na natatawa si Cecile habang pinagmamasdan si Bernie na napapanganga pa sa pagkakatitig sa umaangat na gate gawa ng remote control.

Mas lalong nagulat si Bernie nang makapasok na sa bahay ni Cecile.

Katamtaman lamang ang laki ng bahay pero ang mga kasangkapan ni Cecile ay pawang nakakalula.

Mamahalin ang mga gamit subalit hindi alam ni Bernie ang presyo o halaga ng mga iyon.

Bawat gamit o kasangkapan sa loob ng bahay ay isa-isang tinititigan ni Bernie.

"Mabuti at gising ka pa Cora, pwede bang maghanda ka muna ng makakain kasi gutom na 'tung pamangkin ko."

Itinuro ni Cecile si Bernie na labis na nagtataka kung bakit siya ipinakilala bilang pamangkin.

Tumalima si Cora para makapaghanda ng pagkain at si Bernie ay niyaya ni Cecile sa kusina.

"Cora 'yung guest room ay pakiayos naman ha, 'dun matutulog ang pamangkin ko."

Muling narinig ni Bernie kay Cecile ang salitang pamangkin gayung hindi naman sila magkamag-anak.

Hindi iniiwan ni Cecile sa kusina si Bernie dahil baka magkaroon ng pagkakataon si Cora.

Maaaring mag-usisa o magtanong si Cora kay Bernie kung paano naging magkamag-anak ang dalawa.

"Bakit ako lang ang kumakain? Eh kayo po, 'di ba kayo kakain din?"

Hot milk lamang ang iniinom ni Cecile at ipinaliwanag niya kay Bernie na kapag gabi ay hindi na siya kumakain.

"Sige Cora bahala ka na magligpit dito sa kusina ah, pagtapos ay matulog ka na."

"Aakyat na kami ng pamangkin ko para makapagpahinga 'tung bata at pagod sa biyahe."

Tumango lamang si Cora at tanaw-tanaw niya sina Cecile at Bernie papaakyat.

"Ah si Cora ba, siya ang kasama ko rito sa bahay. Kaming dalawa lamang at 'di ko siya itinuturing na katulong."

"Sa locker's room s'ya natutulog, 'dun sa ibaba pero maayos at maganda ang kanyang silid."

Hindi nakatiis si Bernie at napilitang magtanong kay Cecile tungkol kay Cora.

Ang hindi lamang maitanong ni Bernie ay kung bakit pamangkin ang pakilala ni Cecile sa kanya.

"Wow…totoo ba ito?"

PAO asks SC to consolidate Dengvaxia cases in QC court

MANILA — The Public Attorney's Office (PAO) on Thursday asked the Supreme Court (SC) to consolidate before one court the criminal and civil cases in connection with the deaths allegedly arising from the Dengvaxia anti-dengue vaccine.

In a 25-page suit, families of victims whose criminal complaints were among the initial batch of criminal cases ordered by the Department Justice (DOJ) filed before various courts with the help of the PAO asked the tribunal that the cases instead be transferred and consolidated before the Family Court of Quezon City.

The cases are now pending before the Quezon City Metropolitan Trial Court (MeTC); San Pedro, Laguna Municipal Trial Court (MTC); Muntinlupa City MeTC; Balanga, Bataan MTC; and Caloocan City MeTC.

The PAO also sought the designation of a special court under the Quezon City Regional Trial Court to hear and decide on Dengvaxia civil cases.

PAO chief Persida Rueda-Acosta said she sees more cases filed in the coming days and informed the SC that the office has already identified 120 deaths in connection with Dengvaxia.

"Considering the declaration of Sanofi of the adverse effects of the Dengvaxia vaccine, there is a great probability that more deaths will occur in the succeeding days, thus, the filing of more cases involving death of Dengvaxia recipients is not remote," Acosta said.

"Neither undue advantage to nor prejudice to the substantial rights of any of the parties will result from joining the trial of the instant cases. On the contrary, all parties, both the prosecution and the defense, as well as the court, will benefit from conducting a joint trial as it will save them time, expense and hardship entailed in conducting multiple trials in various courts spread in three judicial regions, and in repeatedly presenting/evaluating witnesses and evidences intended to prove one and the same fact," she added.

About 833,000 schoolchildren from indigent families underwent inoculation even as the vaccine was still under clinical trial phase 2 and without the appropriate screening and blood tests. Around 12,000 police officers were also vaccinated.

As of Wednesday, the PAO forensic team has already examined the cadavers of 129 Dengvaxia recipients who exhibited a common pattern of having had no clinical history of dengue infection except for one victim.

In all the deaths, the victims also had not been hospitalized prior to vaccination and became sick immediately after vaccination anywhere between a day after or up to three or four months and had to be hospitalized after complaining of headache, abdominal pain, fever, loss of appetite, rashes and difficulty of breathing.

The vaccine recipients died as early as seven days and up to 31 months after the vaccination of up to three doses of the Dengvaxia vaccine. ***(PNA)***

DOH TURNS-OVER EQUIPMENTS FOR MALARIA ELIMINATION HUBS IN CALABARZON

DOH CALABARZON Regional Director Eduardo C. Janairo hands over the stereoscope microscope to Dr. Gilberto P. Ilog, Provincial Health Officer of Cavite and one of the recipients of equipment donated by the regional office for use in the Malaria Elimination Hub located in the province during the turn-over ceremony held at the BSA Towers, Ortigas Center in Mandaluyong City on March 20, 2019. **BOY NAMORA**

To further improve the Malaria service in the region, DOH-CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) provided equipment to the five Malaria Elimination Hubs located in the provinces to be used for diagnostic and entomological training, quality assurance, and research and development.

"We will continue to provide all the support needed in the fight against Malaria to attain our objective of eliminating malaria by 2020 or the sooner the better. There are still three provinces in the region still to be declared and we will ensure that every resident of these affected municipalities will be malaria-free," Regional Director Eduardo C. Janairo stated during the turn-over ceremony held at the BSA Towers, Ortigas Center, Mandaluyong City.

'We need to have reliable diagnosis, highly effective and appropriate treatment and preventive measures to implement malaria interventions," he emphasized.

He also reminded local health officials to make sure that the donated equipments will also have funds for preventive maintenance and preservation. *"It is importante na hindi mapabayaan at bigyan natin ng halaga lahat ng mga kagamitan na ating mga natatanggap dahil ang mga ito ay napakaimportante sa ating trabaho, lalu na at nagagamit natin ito to ensure quality malaria services, timely detection of infection at immediate response."*

Among the equipments donated were stereoscope microscope, desktop computer package with printer and uninterruptible power supply (UPS), chinstrap, coverall, faceshield, global positioning system (GPS), gloves, hard hart, visor bracket and carabao bait trap (CBT).

In CALABARZON, only two provinces were declared as Malaria free namely, Cavite, and Batangas.

According to the 2018 Malaria status, there is a total of 4,933 cases reported. From this figure, 4,847 were local cases and 86 were imported cases. The National Capital Region has 27 confirmed cases and CALABARZON has 7 confirmed cases recorded. Palawan accounts for 94% of the cases.

Malaria Elimination Hubs are established in epidemic-risk and malaria free provinces/cities with the responsibility of overseeing and sustaining malaria-free status of different respective provinces and cities.

The hubs will ensure anti-malaria interventions in areas with stable and unstable transmission of malaria, and shall sustain provisions of anti-malarial diagnostic, treatment and preventive measures in epidemic-risk, malaria-prone and malaria-free areas. It will also ensure that anti-malaria services are accessible to all clients and community members even in malaria-prone or malaria-free areas.

The Philippines envision the country to be Malaria Free Philippines by 2030. The goal is to reduce malaria incidence in the Philippines by 90% in 2022.

Currently, there are 50 provinces declared as malaria free, 27 provinces in various malaria stage elimination and 4 provinces with Malaria cases recorded according to the National Malaria Elimination Program. **BN**

SC TO PROBE JUDGES ON 'NARCO-LIST'

MANILA — The Supreme Court (SC) said it will act on reports about judges who are on the government's list of protectors of the illegal drug trade.

In a statement, the SC said Associate Justice Diosdado Peralta has been tasked to communicate and coordinate directly with the Philippine Drug Enforcement Agency (PDEA) for the list of judges linked to the illegal drug trade.

"This will pave the way for a formal fact-finding and administrative investigation by the Supreme Court. The Supreme Court, like in the past, will and shall not tolerate any illegal or corrupt activities within its ranks," the SC said.

At least 13 judges and 10 prosecutors are supposedly on the narco-list.

Two years ago, the SC initiated a probe on the first batch of judges on the narco-list — Exequil Dagala of the Dapa-Socorro, Surigao Municipal Circuit Trial Court; Adriano Savillo of the Iloilo City Regional Trial Court (RTC); Domingo Casiple of the Kalibo, Aklan RTC; and Antonio Reyes of the Baguio City RTC.

Dagala was cleared of allegations of involvement in the illegal drug trade, but he was ordered dismissed by the High Court in September 2017 for immorality and gross misconduct.

Savillo and Casiple were likewise cleared of involvement in illegal drugs.

Meanwhile, the SC ordered in February 2017 the filing of administrative charges against Reyes for corruption for allegedly dismissing a drug case in exchange for a sum of money. ***(PNA)***

Environmental fund, isusulong

MAGBIBIGAY ng karagdagang trabaho sa barangay ang isinusulong na batas ng isang environmental group.

Ayon kay Jose "Bong" Joson Teves, Jr., ng Talino at Galing ng Pilipino (TGP) Partylist, isusulong ng kanilang grupo ang karagdagang 5 percent environmental fund para sa Local Government Unit sa probinsiya, munisipalidad at barangay upang maipatupad na maayos ang Republic Act 9003 o ang Ecological Solid Waste Management Act of 2000.

Paliwanag ni Teves na ang paghihiwalay ng recycle materials ay kinakailangang umpisahan sa bahay pa lamang.

Dagdag pa ni Teves na kinakailangang magkaroon ng sariling pondo ang barangay para sa environment na galing sa national budget o tinatawag na Environmental Fund na ibibigay lamang sa LGU.

Gagamitin ang nasabing environmental fund sa pagbili ng sasakyan upang mahakot ng basura sa mga bahay-bahay at ang mga recycle materials ay maaring ibenta na magsisilbing pondo ng barangay.

Gagamitin din ang nasabing environmental fund para sa pagpapagawa ng isang sanitary landfill. **GENE ADSUARA**

CSC commends Legazpi police for efficient service

LEGAZPI CITY — The Civil Service Commission (CSC) regional office here on Tuesday commended the Legazpi City Police Station (LCPS) for providing efficient service to the public.

CSC regional director Cecilia Nieto, in an interview, said the commendation was given after CSC Commissioner Aileen Lourdes Lizada arrived in this city last March 20 and together with her team, went incognito to visit some government agencies and local government unit offices.

"The main goal is to conduct a spot check to determine the kind of frontline service these agencies provide to their clients," Nieto said.

She relayed that the commissioner and her group went to the city police station and presented themselves as tourists who lost their belongings. The policemen, she noted, immediately took action and investigated the incident.

Legazpi chief of police, Lt. Col. Aldwin Gamboa, in a separate interview, said he is very thankful to the men and women of the Legazpi police for giving the service the people deserved.

"Ito ay dahil sa inyong pagseserbisyo, kayo ang nasa front line of service so let's continue the good impression of the people and patuloy natin gawin ang ating mga trabaho nang naayon sa gusto ng ating mga kliyente (This (award) is because of your service, you are in the frontline of service so let's continue doing our job according to the needs of our clients)" he said.

Gamboa assured the CSC that they will continue giving good service to the people of Legazpi.

"We are here every day, to do what is needed to be done — to serve and protect the people," he added.

Nieto awarded Gamboa a certificate of commendation in a short ceremony held at the LCPS.

She noted that in some agencies where Commissioner Lizada and her team went, they noticed employees who were not working but were only using mobile phones and browsing through Facebook during office hours.

She said that the unannounced and incognito visits, according to Lizada, was not intended to put any agency down.

"This is intended to improve the feedback mechanism, to improve the service. The public needs to have, and must have the kind of service that we ought to give them," the commissioner said.

Lizada was the keynote speaker during the 9th Gender Forum in Legazpi City last March 21. *(PNA)*

Nabibili ba ang batas?

KAPAG panahon ng eleksiyon ay uso ang pagsasagawa ng kapulisan ng checkpoint.

Mayroon pang isang uso tuwing panahon ng kampanyahan o nasa campaign period na.

Bakit isinasagawa ang police checkpoint o ang oplan sita?

Kasi nga po ay dahil umiiral ang gun ban.

Ang argabyado o mas napeperwisyo dito ay ang mga nagmamaneho ng single motorcycle.

Kapag napadaan sa checkpoint o oplan sita, ang hanap sa driver ay ang lisensiya at rehistro ng motorsiklo.

Sakaling kumpleto ay may ilan pulis sa checkpoint o oplan sita na humahanap ng 'butas' sa rider.

Sige at may lisensiya at papel ang motor, kaya lang ay hindi nakasuot ng helmet at may iba pang paglabag kaya ano na ang magiging kasunod?

Maaaring matitikitan ang isang rider o puwedeng makukuha na lamang sa 'areglo.'

Ang punto, hindi sa gun ban nakasentro ang ipinatutupad na checkpoint o oplan sita kasi nga lisensiya at rehistro ang mga unang hinahanap.

Doon muna tayo sa kampanyahan, hindi ba kaliwa't kanan ang nakikita nating motorcade ng iba't ibang kandidato.

Santambak na nakamotorsiklo ang kasama sa parada na pansinin ninyo na halos lahat ay walang suot na helmet at may ilan na nakasando at shorts lamang.

Malinaw na may paglabag na ang mga ganitong klaseng rider na sumasama sa parada ng kandidato.

Ano kaya at harangin sila ng ating kapulisan sa mismong parada o motorcade at lahat ay isyuhan ng ticket na mayroong paglabag.

Dapat nga pati ang kandidato ay isama sa pagsasampa ng kaukulang kaso kasi kinukunsinti niya o nila ang kanya o kanilang mga kasamang nagmomotorsiklo na walang suot na helmet o iba pang paglabag.

Puwera na lamang kung exempted sila sa pagsusuot ng helmet kapag nasa motorcade o parada, hehehe.

Tama ba Pareng Rudy?

Kunsabagay may eleksiyon o wala ay napakaraming matitigas na ulo, rider man o wheels driver.

Ang tanong kasi, bakit ang lalakas ng loob nilang magmaneho ng motorsiklo o sasakyan man sa kabila na walang lisensiya o walang rehistro?

Malambot ba ang batas o may kahinaan ang nagpapatupad ng batas?

Higit sa lahat, nabibili ba talaga ang batas?

Ulitin ko, mas marami kasi ang hindi kumikilala o bumabastos sa batas.
