SECURITY PREPARATIONS FOR MAY 13 POLLS 'ALL SET': PNP

MANILA — More than a week before the campaign period wraps up, the Philippine National Police (PNP) said security measures are all set as 160,000 police personnel will be deployed for the May 13 mid-term elections.

Col. Bernard Banac, PNP spokesperson, said the police force will remain on full alert status which took effect before the beginning of the Holy Week in April.

The number of police personnel was initially pegged at 143,000 but was eventually raised to further boost the peace and order management before, during and even after the Election Day.

"The PNP remains in full alert and increased the deployment of cops to 160,000 personnel as we assure the public that focused operation will be more active and intensified campaign against PAGS criminal gangs, wanted persons, gun for hire groups, and loose firearms and violation of Comelec (Commission on Elections) gun ban through service of warrant of arrest and implementation of search warrants, checkpoints operations, police patrol response, 'Oplan Sita' and 'Oplan Galugad' as well as HVTs (high value targets) in illegal drugs," Banac told reporters in a press conference on Thursday.

Despite the increase of police deployment, Banac reiterated the PNP is yet to monitor any threats for the upcoming elections.

"We have not monitored any threats on the elections so far. We want to ensure no untoward incident will take place," Banac said.

PNP chief, Gen. Oscar Albayalde earlier reminded police officers to stay neutral and non-partisan in the conduct of elections.

He said the only role of police officers in the upcoming elections is to ensure peace and security, especially in election hotspots.

For his part, Department of Interior and Local Government (DILG) spokesperson, Undersecretary Jonathan Malaya, said the Bureau of Jail Management and Penology (BJMP) is also ready to assist the more than 44,000 persons deprived of Liberty (PDLs) in the city, district, and municipal jails in the country exercise to right of suffrage on May 13.

Malaya also said the DILG is one with Commission on Election (Comelec) in encouraging Filipinos to go out and exercise their right to vote.

"Indeed, change is within our hands. Nasa kamay na po ng mga mamamayang Pilipino ang pagpili ng mga kandidato (It is up for the Filipinos to choose candidates) (whom) they believe will usher the nation to inclusive change to achieve (our ambition of a prosperous and peaceful life for everyone). Huwag natin sayangin ang pagkakataong (ito) at lalong huwag po tayong pumayag sa vote-buying at vote-selling na ginagawa ng mga hindi matitinong kandidato. (Let's not waste this chance and let's not allow vote-buying and vote-selling perpetrated by deceitful candidates)," Malaya said. ***(PNA)***

No pre-shaded ballots for May 13 polls: Comelec

MANILA — An official of the Commission on Elections (Comelec) on Thursday said there is no truth to allegations that official ballots for the May 13 mid-term elections have been pre-shaded.

Comelec Executive Director Jose Tolentino Jr. denied claims that the ballots have been marked using ultraviolet (UV) inks, making them invisible to the naked eye.

"We tested. The marks using UV inks weren't read by the VCM, which looks for a black ink or those that are always visible so to speak," he said in a press briefing.

Tolentino said there is a video circulating on social media, claiming that the ballots were marked by UV inks, making them pre-shaded but hidden.

The video also alleged that the hidden marks can only be seen using UV lamps.

"The ballots have QR codes, serial number, and precinct assignment. It was obviously a staged video because it doesn't have those features. It was a waste because they already staged a video yet they used the wrong ballot prop," Tolentino said.

He noted that those behind such activities will be held accountable.

"Once we know who they are, yes, of course," the Comelec official added.

Meanwhile, Tolentino said the three source codes of the remaining components of the automated election system (AES) have been deposited in escrow with the Bangko Sentral ng Pilipinas, as required by the Poll Automation Law.

The codes are the Operating System (OS) image rebuild for the Consolidation and Canvassing System (CCS), Transmission Router, and the Domain Name Server (DNS) Janitor.

"To be escrowed are the remaining source codes that were reviewed and certified by our international certification entity and were also reviewed by our local source code reviewers," he said.

"No one have found or said that they found that there is any malicious code embedded in the source codes," Tolentino added.

The source codes for the Election Management System, CCS, and the vote counting machines were first deposited last February. ***(PNA)***

NPC scores media orgs with 'foreign funding'

GENERAL TRIAS CITY, Cavite - Hundreds of job seekers trooped on Thursday to the Robinson's Place activity center in Barangay Tejero here for a post-Labor Day Job Fair organized by the city government.

In an interview with PNA, GenTri Public Employment Service Office (PESO) head Ariel Mugol said the "My Ony and Only Job Fair" was organized to extend as much assistance as possible to those seeking domestic and overseas employment.

"Ang Job Fair na ito ay para sa mga kakabayan natin dito sa Lungsod ng GenTri, upang tayo po mabigyan ng mas magandang job opportunity sa mga nangangailangan ng trabaho dito sa bansa at sa abroad (this Job Fair is meant for our GenTri City constituents, to offer them more opportunities especially on those seeking for jobs here and abroad)," Mugol said.

He said around 35 local companies and 10 overseas agencies joined this year's job caravan, that targets residents not only of GenTri but also of nearby communities.

The job fair has also drawn the participation of government agencies like SSS, Phil Health, Philippine Statistic Agency (PSA) and Pag-Ibig Fund, ready to facilitate the documentary requirements of applicants.

According to Mugol, the PESO and the city government also conducted free livelihood and skills training program in cooperation with the local social welfare and development office.

GenTri PESO's job training program in partnership with Job Start Philippines has enlisted the first batch of 100 enrollees for the 10-day training program which will commence on May 6 and culminate on May 20.

"The training aims to equip the participants with skills and technics on the preparation of formal resumé or curriculum vitae and the techniques on applying for a job," Mugol said.

The trainees will also receive a PHP 200 allowance as well as free meals.

MANILA — The National Press Club of the Philippines, on the eve of World Press Freedom Day, criticized media outfits and organizations for allegedly receiving foreign funding for operations.

"And here, we are referring to the fact that for many years now, other media organizations are directly receiving from foreign sources to fund their activities, particularly from front organizations identified with the United States' Central Intelligence Agency and from non-government organizations based in Europe," NPC said in a statement Thursday.

Citing "available facts", the group named five media outfits "as direct beneficiaries of foreign largesse running in the millions of pesos each year."

"The issue of legality and constitutionality of such sordid practices aside, they are ethically indefensible and

All graduates in the training program have been guaranteed employment by two companies based in this city. ***(PNA)***

morally reprehensible," it stressed.

The NPC also accused the groups of committing "the worst form of corruption when they started accepting what amounts to as bribe money from foreign interests."

"The result is a people divided, a government unable to focus on its job of good governance and a profession — our profession — fast losing its credibility and standing as a pillar of our democracy."

Asked for the basis of their accusations, Paul Gutierrez, NPC vice chairman said: "Actually we were intrigued by, una 'yong mga column niBobi Tiglao then sumunod may nilabas (doon sa) Thinking Pinoy. Ako on my part personally, titingnan ko rin mismo 'yong website na pinagsasabi niya and it appears there."

Hours before the statement's release, one of the organizations identified to have received foreign money underscored that the Constitution only bans foreign ownership, not funding. ***(PNA)***

Kandidato sa vote buying, 'wag tangkilikin

ISINAGAWA ang absentee voting sa mga pulis sa Kalakhang Maynila nitong nakaraang Abril 29 hanggang Mayo 1.

Tama lamang dahil nakakalimot na ang ating mga pulis sa kanilang karapatan.

Ang karapatang iyon kung tutuusin ay hindi naman nakakaligtaan ng mga pulis kaya nga lamang ay labis na silang abala sa panahon mismo ng halalan para sa pagpapatupad ng seguridad.

Bilang mga pulis, sana nga lamang ay hindi nababahiran ang kanilang uniporme sa pagkiling sa mga pulitiko.

Sa Metro Manila ay may inilatag na si National Capital Region Police Office (NCRPO) chief PMGen. Guillermo Eleazar na mga security measures para sa darating na eleksiyon.

Hangad ng NCRPO na maging maayos at mapayapa ang 2019 midterm elections.

Nasa 15,000 kapulisan ang ipapakalat sa Metro Manila sa halalan bilang tugon sa peace and order.

Hindi lamang ang area ng Kalakhang Maynila, maging ang lahat ng panig ng bansa ay alerto at nakatutok ang ating kapulisan sa papalapit na halalan.

Pero kahit tayo bilang isang indibidwal ay mayroong dapat taglaying police power.

Kung may makikita o mapapansing iregularidad sa mismong eleksiyon ay pairalin ang ating karapatan at tungkulin.

Ang problema nga lamang ay hindi maiaalis na makaramdam ng takot.

Natural na ang maaaring tatakbuhan at pagsusumbunga ay ang mga pulis.

Kaya nga dapat ay nasa gitna o neutral lamang ang ating mga pulis.

Baka naman hihingan sila ng tulong pero ningaskugon lamang dahil sa may kinakampihang pulitiko o kandidato.

Uulitin natin, hindi dapat ibuhos ang ating sarili sa sino mang kandidato dahil alam naman ng lahat na sa larangan ng pulitika ay walang permanenteng kaaway at walang permanenteng kaibigan.

Ang permanente lamang sa pulitko ay ang kanilang mga interes.

Kaya kung may magbabayad sa inyo, kunin lamang ang pera subalit ang iboto ay iyong alam ninyong karapat-dapat na kandidato.

Kalokohan lamang na sasabihan kayo ng mga ganitong klase ng kandidato na malalaman niya o nila kung siya o sila ba ay inyong ibinoto.

Huwag tangkilikin ang mga kandidatong nagsasagawa ng vote buying.

Kunin ang pera at hayaang kayo naman ang makagulang o makaisa sa kanila.

Hindi lamang sa mga guro

HUNYO 3 ang pagbubukas ng klase sa mga pampublikong paaralan, public elementary at high school.

Batay ito sa maagang anunsuyo ng Department of Education na nakasaad sa DepEd memorandum na may petsang April 22.

Sa Abril 3, 2020 naman ang pagsasara o pagtatapos ng klase.

Ang mga pribadong paaralan ay maaaring hindi sundin ang naturang memorandum dahil mayroong batas na nagtatakda sa private schools hinggil sa pagbubukas ng kanilang mga klase.

Ang punto rito, public o private man ay napakahalaga ng ginagampanang papel ng bawat magulang o ang mga tumatayong guardian ng mga mag-aaral.

Hindi lamang sa mga guro dapat iasa ang pagtatamo ng tamang edukasyon ng bawat estudyante.

Calabarzon economy grows 7.3% in 2018, fastest in 6 years

MALVAR, Batangas — The economy of Calabarzon (Region 4A) grew at 7.3 percent in 2018, the fastest in six years, the Philippine Statistics Authority (PSA) reported.

PSA-Calabarzon Regional Director Charito Armonia said the acceleration was brought about by the faster growth of Industry and Services, as well as the turn-around performance of Agriculture, Hunting, Forestry and Fishing (AHFF).

The Calabarzon region is second in terms of the largest share of the country's Gross Domestic Product (GDP) at 17 percent.

In the GDP growth rate of 6.2 percent in 2018, National Capital Region contributed the most with 1.8 percentage points, followed by Calabarzon with 1.2 percent.

Among the three major economic sectors, Industry continued to account for the largest share at 62.3 percent of the region's economy; followed by Services with 32.9 percent share. AHFF had the least share of 4.8 percent.

Industry grew at a faster pace with 7.9 percent in 2018, from 7.8 percent in 2017. It was mainly driven by the upswing of the Manufacturing sub-industry to 8 percent growth from the 7.4 percent growth in the previous year.

Construction also contributed to the upward trend in Industry, recording a growth of 9.5 percent, although slower than the 15.6 percent growth in 2017.

Electricity, Gas and Water Supply posted a faster growth of 3.9 percent in 2018 from 3.4 percent in 2017. Mining and Quarrying accelerated to 3.5 percent in 2018 from 1 percent in 2017.

Out of the 7.3 percent growth of the region in 2018, Industry remained the biggest contributor of 4.9 percentage points followed by Services with 2.4 percentage points, while AHFF contributed the least with 0.03 percentage point. ***(Maroe T. Geñosa/ PNA)***

IRR ng Expanded Maternity Leave Law, nilagdaan na

LUNGSOD NG SAN FERNANDO, Pampanga (PIA) — Nilagdaan nitong Miyerkules ng mga opisyal ng Department of Labor and Employment, Civil Service Commission o CSC at Social Security System o SSS ang Implementing Rules and Regulations o IRR ng Expanded Maternity Leave Law.

Sa ilalim ng nasabing batas na nilagdaan ni Pangulong Rodrigo Duterte noong Pebrero, may hanggang 105-day maternity leave ang mga ina mula sa pampubliko at pribadong sektor at may opsyon na i-extend ito hanggang 30 araw na walang bayad.

Ayon kay CSC Chairperson Alicia dela Rosa-Bala, bukod dito, may karagdagang 15 araw na leave para sa mga solo mothers o katumbas ng 120 araw.

Bahagi rin aniya nito ang probisyon na ilipat sa ama ng sanggol ang pitong araw na leave kahit hindi siya kasal sa ina.

Sinabi naman ni SSS President and Chief Executive Officer Aurora Ignacio, sa kabila ng posibilidad na makaranas ng downtime ang mga pribadong kumpanya dahil sa haba ng nasabing leave, pinagtibay ang batas upang mabigyan ng sapat na panahon ang inang maalagaan ang kanyang sanggol.

Isa aniya itong proteksyon sa karapatan ng kababaihan na dapat maunawaan ng mga kumpanya at isang holistic approach upang mapabuti ang pamumuhay ng mga kababaihan, kanilang mga anak at mga pamilya.

Sinabi rin ni Ignacio na paraan ito upang ganap na makapagpalakas ang mga ina at maitaguyod ang pagpapasuso.

Naging epektibo ang nasabing batas noong Marso 11. Nangangahulugan ito na ang mga nanganak simula sa araw na iyon ay sakop ng nasabing benepisyo. **(CLJD/MJLS-PIA 3)**

PROFESSIONAL SHARED WORK SPACE OFFERED IN CAVITE

IMUS CITY, Cavite — A shared working space concept might work for micro, small to medium businesses, including freelance professionals and students needing a quiet, presentable and equipped workstation but do not have the means yet to pay for the overhead cost.

City Work Spaces (CSW), a 90-square-meter office space with four rooms, storage area and hallway located at this city's busy side, is offering shared office spaces for a minimal cost.

"We collaborate to achieve," said CWS operations manager Maricris Ansagay on Wednesday, noting the business concept was coined to help individuals or companies who are just starting up to build up their businesses and limit their overhead cost.

As co-founder of Caviteñaraketeras, a group of freelance businesswomen and service providers who sell "everything under the sun," Ansagay knows that the "struggle is real" in finding a professional work environ to conduct client dealings and do the product presentations and calls.

Aside from the shared spaces, CSW is also a one-stop business center with shared services like photocopy, print, scan, fax, and storage rental. For that important client meeting or business presentation, CWS also has separated private rooms and a spacious training hall, "to help them ink that important deal."

CSW also offers business retooling seminars or do collaborative events with its clients to further boost their businesses.

Conveniently located near convenience store, banks, fast food chains, public market, transport terminal, and government offices at the DCR Center, Emilio Aguinaldo Highway here, CSW's interiors boast of a relaxing, professional ambience where its work spaces are set up "just like a normal work station, minus the cubicles to surround you."

It shies away from the café set up "where it becomes too relaxing to accomplish anything," but have comfortable office tables and chairs to help its clients to comfortably accomplish its tasks." ***(Gladys Pino-PNA)***

"Inihahanda na namin ang 7Dakak Golf Academy sa sarili nitong Par 3 course sa loob ng driving range, at inaasahan naming matatapos ito sa Hunyo," dagdag ni Gibson. "Walang katulad sa Pilipinas ang kalalabasan nito.

Panukalang batas para sa suweldo ng SK, suportado ng Sangguniang Panlungsod ng Puerto Princesa

PUERTO PRINCESA, Palawan (PIA) — Isinusulong ng Sangguniang Panlungsod ng Puerto Princesa na hilingin sa pamahalaang nasyunal na mabigyan ng sahod ang mga opisyales ng Sangguniang Kabataan (SK).

Kung kaya naman suportado ng mga ito isinusulong na panukalang batas sa Senado na magbibigay ng "allowance" sa mga SK na makakaagapay sa mga ito sa pangangailangan ng kanilang pamilya.

Ito ay sa pamamagitan ng inaprubahang resolusyon ng konseho na iniakda naman ng pangulo ng SK Federation sa lungsod na si Myka Mabelle Magbanua, na nag-a-amyenda sa Republic Act 10742 o ang Sangguniang Kabataan Reform Act of 2015.

Ani Magbanua, mahalaga ang ginagampanang tungkulin ng mga opisyales ng SK kung naya nararapat lamang na mabigyan ng karampatang kabayaran ang mga ito, na siya rin ngayong isinusulong ng pamahalaang nasyunal.

Nasasaad aniya sa panukalang batas na nararapat lamang mabigyan ng sahod ang mga ito upang maiwasan ang korapsyon sa mga nanunungkulang kabataan sapagkat hindi na matutukso ang mga ito na gumawa ng iligalidad para lamang sa pagmumulan ng kanilang ikabubuhay.

Mayroong 660 na mga opisyales ng SK ang siyudad, kabilang na ang mga chairperson, ingat-yaman at kalihim, kung saan sa ilalim ng kaniyang panukalang ordinansa ay magkaroon ng PhP3,000 na kabayaran kada buwan, maliban sa SK chairperson na tumatanggap na mula sa barangay na kanilang pinaglilingkuran.

Hihintayin pa rin ni Magbanua ang gagawing pag-aaral dito ng City Budget Office kung kakayanin ang hinihiling nitong mailaang pondo. **(LBD/PIAMIMAROPA-Palawan)**

Oversight body looks into solutions vs. power outages

MANILA — The Joint Congressional Power Commission on Thursday convened a public hearing to find solutions to address the recent spate of power outages in Luzon.

The hearing, which was called to order on the heels of the simultaneous power plant shutdowns, was presided by Senate committee on energy chair Sherwin Gatchalian and his House counterpart, Marinduque Rep. Lord Allan Jay Velasco.

Gatchalian said the oversight body would determine the timetable of solutions to prevent another series of brownouts.

Department of Energy Secretary Alfonso Cusi said the agency has been building capacity, noting that it is working to increase the power grid's contingency reserve to 25 percent to cover peak demand in the power system.

"We have been building capacity. We have been encouraging business investors in the energy sector," Cusi said.

Cusi said the agency is also seeking more investments in merchant power plants to further spur competition in the electricity spot market.

Cusi said the government was able to successfully sign a memorandum of understanding with China for several merchant plants to be set up in the Philippines.

"They are looking at 600 to 1,200 merchant plants in the country. Instead of giving us a grant, (they would have to) find an investor that would put up a merchant plant. We were able to successfully convince them and it is already in process. It would help us build capacity," Cusi said.

Aside from building capacity, Cusi also stressed the need to revisit the Electric Power Industry Reform Act (EPIRA) law. ***(PNA)***

"**PANALO**… oo ang kalaban mo ay panalo at ikaw ay talo."

"Ginusto mo 'yan kaya 'di naman kita masyadong sinisisi dahil ikaw ang nagpasya sa kabila na ang sabi ko sa'yo ay vice mayor lamang ang dapat tinakbo mo."

"Sinunod mo ba ako? 'Di ba hindi, kasi nga ay may iba kang sinunod."

Naguguluhan si Kardo sa mga sinasabi ni Inday, may mga kahulugan ang mga salita ng kanyang misis.

"Panalo s'ya… mas nanalo s'ya."

Lalong naging palaisipan kay Kardo ang mga lumalabas na salita mula kay Inday.

"Matagal na panahon mo na pala akong nilololoko, nagawa mo akong paikut-ikutin."

"Malaki na ang ating anak at konti na lamang ay sasapit na s'ya sa tamang edad."

"Ganoon din ang isa mo pang anak, malapit na rin 'yung tumuntong sa hustong gulang."

Sa mga sinasabi ni Inday ay alam ni Kardo na bistado na siya ng kanyang esposa.

"Ano ba'ng mga pinagsasasabi mo ha Inday? 'Di ko maintindihan mga sinasabi mo."

Sa kabila na batid na ni Kardo na may alam na ang kanyang misis ay nagpapatay-malisya pa rin s'ya."

Hindi sumagot si Inday sa halip ay nagtungo ng silid nilang mag-asawa.

"Ano'ng ibig sabihin n'yan Inday?"

Paglabas ng kuwarto ay may bitbit na mga bagahe si Inday at diretsahang sinabihan si Kardo na aalis na siya.

"Nauna na ang anak natin, ayokong makita niya na iiwan ka naming mag-ina."

"Ipinaliwanag kong maigi sa anak mo ang sitwasyon at mamumuhay na lamang kaming dalawa sa probinsiya."

"Talo ka kaya mas mainam na tutukan mo na lamang ang 'yung negosyo."

"Nasa sa 'yo rin 'yan kung makikisama ka sa babae mo at sa anak n'yo."

"Pinahiram mo ang oras mo sa kanya at sa pagkakataong ito ay buo mo ng maibibigay ang oras mo sa kanya."

Niyapos ni Kardo si Inday at pinipigilan kasabay ng paghingi ng kapatawaran.

"Hayaan mo akong matiwasay na makalabas ng bahay na ito dahil ayoko ng iskandalo."

"Uulitin ko, di mo ako mapipigilan kaya nakikiusap akong 'wag mo akong pipigilan para 'di tayo magkagulo dahil makakapukaw ng atensiyon sa mga tao."

"Aalis na ako, tandaan mo na ang oras ay mahalaga at 'di dapat ipinahihiram."

MATAGAL na ring nakalabas ng silid si Cecile subalit nananatili pa ring gising si Bernie.

Walang sawang pinagmamasdan ang palibot ng kuwarto at ninanamnam ang pagkakahiga sa malambot na tulugan.

Kumpara sa kanilang lalawigan na bukod sa matigas na sahig ng kawayan ay may panahong mainit pa.

"Iho…iho gising na. Aba at napasarap 'yata ang pagkakatulog ng pamangkin ko."

Naalimpungatan si Bernie mula sa boses ni Cecile pero wala sa loob ng silid.

Nasa labas lamang si Cecile at nakatapat sa pinto ng kuwarto na kaya inilalakas ang boses ay upang marinig ni Cora.

"Iho bumangon ka na r'yan at pagtapos ay sumunod na sa ibaba ha, lalamig ang inilutong almusal ni Cora."

Hindi naman na nagtataka si Bernie kung bakit 'iho' ang tawag sa kanya ni Cecile.

Bago pa man matulog ay kabilang iyon sa ibinilin ni Cecile sa kanya.

"Magandang umaga auntie, magandang umaga rin po Manang Cora."

Pagkababa at pagpunta ng kusina ay sinalubong niya ang dalawa ng pagbati.

Masarap ang mga nakahaing pagkain sa lamesa sa hindi kagaya sa probinsiya nila.

"Pagkatapos nating mag-almusal ay maligo ka at mag-ayos dahil isasama kita."

Tumango lamang si Bernie dahil nakasentro ang kanyang atensiyon sa masarap na almusal.

Pagkatapos makapag-almusal ay enjoy na naman si Bernie sa paliligo sa magandang banyo ng kanyang silid.

"Oks ka na ba Cora? Alis na tayo."

Inakala ni Bernie na dalawa lamang sila ni Cecile na aalis ng bahay.

Sa isang first class restaurant sila dumiretso at doon nalaman ni Bernie na iyon ay pag-aari ni Cecile.

Si Cora naman ang tumatayong cook doon at nasambit ni Bernie na kaya pala masarap ang almusal nila at ang inihain kagabi.

"Iiwan muna kita rito at tingin-tingin ka lang ng mga galaw dito sa 'restoran."

Hindi nagtanong si Bernie kung saan pupunta si Cecile basta sinunod lamang niya ang mga bilin sa kanya.

"Ano mo nga pala si Cecile?"

PNP welcomes suggestions to boost fight against illegal drugs

MANILA — The Philippine National Police (PNP) welcomes all suggestions from different sectors on how to improve law enforcement, particularly the government's campaign against illegal drugs.

At the same time, PNP chief, Gen. Oscar Albayalde also welcomed the release of findings and conclusions of a study made by the Ateneo Policy Center on the PNP anti-drug campaign, particularly on the left-hand approach that encourages drug offenders to submit themselves to voluntary rehabilitation and reform.

"As we have said we are willing to listen and engage all sectors, including the academe, that is concerned and willing to assist the PNP in the fight against illegal drugs. The PNP is always open for any suggestions that will improve on our law enforcement, 'yung aming pagtataas ng standard namin (raising our standards) and how we enforce the law. Malay natin, meron silang (Who knows they might have a) bright idea, remember they are in the academe," Albayalde told reporters in a press conference Monday.

The PNP chief has directed Maj. Gen. Ma-O Aplasca and Maj. Gen. Benigno Durana Jr., directors of Operations and Police Community Relations, respectively, to get in touch with the proponents of the study for a discussion to further improve the anti-drug campaign.

He stressed that it should be understood that Oplan Tokhang is essentially a Police Community Relations operation that supports the overall anti-drug strategy while in Oplan HVT (high-value target) it is unfortunate that there had been some incidents wherein operations turned awry when the subject offered armed resistance to police intervention.

"Unfortunate situations like these obscured the well-meaning intentions to Tokhang and associated it with violation of certain rights. And this is how the negative "labeling" of Tokhang started, more so, the bloated figure of 7,000 deaths attributed to it by the Ateneo study," Albayalde said.

"Tokhang is only a strategy which is an innovative approach where previous strategies failed. We understand that it is easier to criticize. We welcome suggestions and even constructive criticism, but only if these can offer a solution," he noted.

Albayalde has assured the public that the PNP remains committed to performing its mandate to enforce the law although some policemen have been accused of human rights violations amid the conduct of anti-drug operations which sometimes result in the killing of drug suspects.

"This is the very reason why we have internal cleansing. To balance our operations to make sure that our operations on the ground will not (result in) abuse and we want to assure the people that we are doing this in order to prevent abuse of power by our law enforcers at the same time perform our mandate. I would like to point out that it is the PNP's constitutional mandate to enforce the law on illegal drugs," said Albayalde.

On Sunday, PNP spokesperson, Col. Bernard Banac said that according to government's records, the "Real Numbers PH," the drug war has so far resulted in 5,281 fatalities from the time it was launched in July 2016 until February 28, 2019.

He said since 2016, a total of 8,440 personnel have already been disciplined for various offenses and illegal acts. Out of this number, he said 4,500 were suspended and 2,600 were dismissed from the service.

Of those dismissed, 322 were found positive for use of illegal drugs and 119 either for coddling, protecting drug suspects or not attending court duties. ***(PNA)***

SC affirms guilty verdict vs. suspect in Tacurong car bomb attack

MANILA — The Supreme Court (SC) has upheld the decision of the Court of Appeals (CA) convicting the suspect in the car bomb attack in Tacurong City, Sultan Kudarat four years ago.

In a nine-page resolution dated March 6 penned by Associate Justice Rosmari Carandang, the SC's Third Division said Datu Karim Masdal's acts constituted the complex crime of double murder, warranting the imposition of the maximum penalty for murder.

The blast which targeted Maguindanao Governor Esmael Mangudadatu's vehicle convoy also killed Maguindanao provincial board member Datu Russman Sinsuat Sr. and civilian Raffy Pareñas.

The Court also affirmed the appellate court's order for Masdal to pay PHP300,000 as civil, moral and exemplary damages for each of the victim.

The tribunal added that following the abolition of the death penalty in the country, it has reduced the penalty of death to reclusion perpetual with no eligibility for parole.

"In the case at bar, the circumstances surrounding the fateful day of August 15, 2011, when the explosion at Alunan Highway led to the death of Pareñas and BM Sinsuat, show an unbroken chain of facts which establish beyond reasonable doubt Masdal's culpability," the Court ruled.

Masdal claimed he was innocent of the charges considering that the prosecution failed to present evidence on how the bomb was detonated and that without this evidence, he should not be convicted of double murder.

Masdal says a certain Montasir merely handed him a cellphone and told him to send a text message once the Mangudadatu's convoy arrives adding that he felt obliged to follow the instruction out of fear for his life.

"To begin with, although Masdal claims that Montasir threatened him into submission, the former failed to specify the extent of the threat given by the latter. He did not mention any serious bodily harm that would have befallen him. Worse, he did not even claim that Montasir will kill him, should he refuse to obey the latter's alleged orders," the Court pointed out.

"This shows that Masdal's allegation of fear or duress is untenable. Clearly, under the circumstances, Masdal 's alleged fear, arising from the threat of Montasir, would not suffice to exempt him from incurring criminal liability," it added. ***(PNA)***

Calamba forges pact for women empowerment in tourism sector

CALAMBA CITY, Laguna — The city government and over 100 tourism-related establishments (TREs) on Tuesday signed a memorandum of agreement (MOA) that promotes gender equality and women empowerment to create more job opportunities in the tourism sector.

City Cultural Affairs, Tourism and Sports Development Department (CATS-DD) head Larissa Malinao and supervising tourism officer Liza Estolano inked the pact with enterprise owners, chief executives and operations officers following the two-day seminar workshop on women empowerment in the tourism sector.

Lilibeth Calderon, Gender and Development (GAD) workshop facilitator from Colegio de San Juan de Letran-Calamba, said the agreement on gender mainstreaming explores mechanisms towards gender equality and equity in the labor force and small and medium enterprises (SMEs) in the tourism sector.

"It (MOA) serves to promote tourism that integrates gender equality and provides a framework for the parties to empower women in order to achieve gender equality as part of their respective mandate," she said.

A significant provision of the agreement is anchored on the National Hero and Calamba patriot Dr. Jose Rizal's legacy on training and education, especially in establishing fair and just access among women in terms of tourism resources and opportunities.

Giving reference to Rizal's respect for women during his time, the agreement also recognizes the modern "Maria Clara" in appreciating woman's influence, and enabling and creating women's association to participate in the development of tourism policymaking and programming to promote overall empowerment.

The city's gender mainstreaming also focuses on Rizal's legacy of integrating the deeply-ingrained Filipino values of hospitality, "bayanihan" (cooperation), solidarity and pride of the Filipino race and protection of the natural resources to attain sustainable tourism development. ***(PNA)***

GenTri to inspect vital infra after 6.1 magnitude quake

GENERAL TRIAS CITY, Cavite – The city government directed on Tuesday its engineering, fire and general services offices (GSO) to immediately inspect all private and public buildings, including vital infrastructure projects under its jurisdiction after the 6.1 quake that jolted Luzon last April 22.

In an interview, city Business Permit and Licensing Office (BPLO) head Romel Olimpo said the directive, issued through a memorandum signed by Mayor Antonio A. Ferrer, is in response to the call of Interior and Local Government Secretary Eduardo M. Año's to all local government units (LGUs) to inspect all buildings in their areas of responsibility to ensure public safety.

Año, in a press briefing last week, urged all LGUs to immediately inspect all buildings following the 6.1-magniture earthquake on April 22 which jolted parts of Luzon, including Cavite's Tagaytay City (intensity IV), and the cities of Dasmariñas, General Trias, Cavite and the town of Indang (intensity III).

"Although the city's joint inspection team (comprised of BPLO, city fire, engineering, health, environment, planning and treasurer's offices) conducts weekly inspection to validate the local establishments' compliance to local and national safety regulations, another round of inspection will be conducted.

"To check whether the previous earthquake caused any structural damage that will jeopardize the safety and health of its users," Olimpo said.

General Trias, a component city of Cavite, is home to the Gateway Business Park, and boasts of a steady increase in its registered commercial establishments and infrastructure developments.

Although the city government has no jurisdiction over factories inside the Philippine Economic Zone Authority (PEZA), it will closely coordinate with PEZA's engineering department regarding the DILG directive. ***(Gladys Pino-PNA)***

4 'drug pushers' killed, 8 arrested in Bulacan buy-bust ops

CAMP GEN ALEJO S SANTOS, Bulacan —Four drug peddlers were killed and eight other drug suspects were arrested during the simultaneous operations conducted by Bulacan police on Monday and early Tuesday morning.

Col. Chito G. Bersaluna, director of the Bulacan Police Provincial Office, identified the slain drug suspects as Renato Piano alias Intoy, 33, of Barangay San Rafael V, City of San Jose Del Monte; Renato Gonzales alias Totoy, 31, a resident of Barangay Guyong, Sta. Maria; Rommel Candule and Glen Paguntalan, both included in the drug watch list of San Rafael Municipal Police Station.

Bersaluna said Piano and his unidentified cohort engaged the police officers in a shoot-out to elude arrest after the consummated drug transaction in Barangay San Rafael V, City of San Jose Del Monte around 11:30 p.m. Monday.

This prompted the operatives to retaliate that resulted in the neutralization of Piano while his cohort managed to escape, he said.

Likewise, he said the two other slain suspects Gonzales and Candule were killed after a botched drug transaction in Barangay Poblacion, Sta. Maria town on early Tuesday morning.

"The two suspects violently resisted arrest. They did shoot it out with the police officers when they were to be arrested. This prompted the police officers to return fire that resulted in their death," he said.

On the other hand, Bersaluna said the San Rafael police reported that suspect Paguntalan was neutralized during a drug transaction in Barangay Ulingao-Barangca, San Rafael at 12:20 a.m. on Tuesday.

Meanwhile, the eight other drug suspects were arrested during buy-bust operations in the towns of Baliwag, Balagtas, Obando, and San Miguel, all in Bulacan during the two-day drug operations.

Those arrested by the operatives of the Baliwag Municipal Police Station were identified as Jessie Nicolas, Precious Joy Trinidad, and Romel Tarondo.

Operatives of Balagtas Municipal Police Station, on the other hand, nabbed Paulo Aurelio and Rocky Dela Rosa, included in the PNP/PDEA unified drug watch list.

Abner Sanchez, who formerly surrendered under Oplan Tokhang, was arrested by Obando Municipal Police Station.

Orlando Victoria, also an Oplan Tokhang surrenderer, was apprehended by the San Miguel Municipal Police Station.

A total of 25 plastic sachets of suspected shabu and buy-bust money were confiscated from the arrested suspects.

The arrested suspects and seized pieces of evidence were brought to Bulacan Crime Laboratory for appropriate examination while criminal complaints for violation of Section 5 and Section 11 of Article II of Republic Act 9165 (Dangerous Drugs Acts of 2002) are being prepared for filing in court. ***(PNA)***

MPDPC OUTREACH PROGRAM AND CLEAN-UP DRIVE SA ZAMBALES, TAGUMPAY

(ISTORYA AT MGA KUHA NI BRIAN BILASANO)

ILANG araw makalipas ang naranasang malakas na lindol ay nagsagawa ng psycho social activity ang mga opisyal at myembro ng Manila Police District Press Corps (MPDPC) sa 'di kalayuang bayan ng Castillejos na sentro o epicenter ng nagdaag lindol, sa Brgy. Laoag, Cabangan, Zambales.

Isinagawa ng grupo ng mamamahayag ang outreach program noong Abril 27 na tinatayang higit sa 200 mga bata mula sa Grade 1 hanggang Grade 5 sa Brgy. Laoag ang binisita ng mga mamahayag at binigyan ng school supplies tulad ng notebooks , pad paper, ballpen , lapis at crayons

Nakatanggap rin ang mga bata ng mga laruan at mga tsinelas na pansamantalang nakapagbigay kasayahan sa bawat isa.

Ayon kay Juliet Dellosa, vice president ng MPD Press Corps, hindi masusuklian ng anumang halaga ng pera ang mga ngiti mula sa mga bata at maging ng mga magulang ng mga batang nabigyan ng maagang school supplies at mga laruan.

Kasunod nito, ikinasa naman ng MPDPC ang kanilang team building kasam ang kani-kanilang pamilya na lubos ang kasiyahan sa sandaling bonding at pagsasama-sama.

Sinuyod rin ng mga mamamahayag ang baybayin ng Cabangam, Zambales kung saan nagsagawa ng "Coastal clean-up drive ang MPDPC at namulot ng mga plastic at iba pang mga basura sa tabing dagat.

Base kay MPDPC President Carlo Mateo ng GMA-DZBB, napakasayang aktibidad ito dahil ang mga opisyal at myembro ng press corps ay maligayang nakapag-bonding kasama ang kani-kanilang pamilya na tumulong sa pamimigay ng mga goods sa mga kabataan ng Cabangan, Zambales.

"Maganda rin ang ginawa nating Coastal clean-up drive na tulung-tulong ang MPDPC at pamilya sa paglilinis ng mga kalata o basura sa gilid ng dagat dahil ito ay nakasisira sa Marine life, nakakuha ng ilang malaking plastik ng nga basura ang media group dahil sa nakagawian na umano ng ilang mga turista o beach goers na iwan ang kanilang kalat, gayundin ang ilang residente na hinahayan na lamang makarating sa dagat ang ilang mga basura," idinagdag pa ni Carlo Mateo.

Nagpasalalamat naman si Brgy. Chairman George Manglicmot , dahil sa pamamagitan ng programa ng MPD press corps ay napasaya ang mga bata na nakaranas ng malakas na lindol kamakailan.

Pinasalamantan naman ng media group ang mga sponsors at tumulong sa grupo upang maisakatuparan ang matagumpay na proyekto.

Nabatid na isang grupo pa ng mga volunteer group ang nagsagawa rin ng outreach sa isang komunidad ng nga katutubo sa paanan ng bundok sa Cabangan kung saan nabiyayaan din ng mga school supplies .

2 'motornapper' naperder

SA junkshop na narekober ang side car ng isang tricycle habang sa Lunsod ng Dasmarinas naman nakita ang motorsiko matapos na naaresto ang dalawang kalalakihan na motornapper sa Tanza, Cavite.

Nakakulong sa Tanza Custodial Center ang suspek na si Michael Shepert, may live-in partner; at Rachel delos Reyes , 34, may live-in partner, walang trabaho, at kapwa residente ng PLDT Subd. Amaya 2, Tanza, dahil sa reklamo ni Noel Tampoy, 34, ng 9054 Mabini St., Amaya 2 Tanza.

Sa ulat ni Pat. Barnard Peligro, ng Tanza Municipal Police Station, nagreklamo si Tampoy sa kanilang tanggapan nang matuklasan nito na ang kanyang tricycle ay nawawala dakong alas -9:00 Miyerkules ng umaga matapos nitong iparada sa harapan ng kanilang bahay .

Dahil dito pinanood ang CCTV na nakakabit sa lugar kung saan nakilala ng biktima ang mga suspek na kanyang mga kapitbahay habang hinihila ang kanyang tricycle.

Sa kanilang pagkakaaresto, ikinanta ng dalawa na tinanggal nila ang side car ng tricycle at ibinenta sa John junk shop sa Brgy Pasong Camachile , Gen Trias City habang ang motorsiklo ay dinala sa Brgy Sabang, Dasmarinas City. GENE ADSUARA
