Community engagement, LGUs vital to police peace building efforts

CAMP GEN. VICENTE LIM, Calamba City – The Presidential Adviser for Southern Tagalog region underscored the vital role of police partnerships with local government units (LGUs) and other sectors in the fight against illegal drugs, rebellion and other hindrances to peace in the community.

This was the message of Secretary Jose Maria Nicomedes F. Hernandez, Presidential Adviser for Southern Tagalog and chair Calabarzon's Regional Task force to End Local Communist Armed Conflict (RTF-ELCAC), when he graced the "24th Police Community Relations Month" observance on Wednesday at this camp.

"I thank the people behind the Community Affairs and Development Division for mobilizing the community towards cooperation and unity in sharing with the government's programs," Hernandez said, recognizing police efforts in peace and order through the cooperation of various sectors.

He likewise acknowledged Calabarzon and MIMAROPA LGUs and other stakeholders for their unrelenting support to the Philippine National Police (PNP). "Everybody should be a key player. Think of the country's future. Let us support the PNP," Hernandez urged.

During the event, Police Regional Office (PRO4A)-

Batangas ranks 3rd among most visited provinces in 2018

BATANGAS CITY – The provincial government took pride in the recognition of the province as the country's Top 3 destination for 2018 based on the volume of both domestic and foreign tourist arrivals, and overnight accommodation in tourism related establishments (TRES).

Another Calabarzon province, Rizal made it to No. 9 in the ranking according to the Department of Tourism (DOT) Calabarzon regional office data on regional distribution of overnight travelers from Accommodation Establishments as submitted by the DOT Regional Offices as of May 2019.

In its Facebook post, the DOT Region IV-A, through its Regional Director Marites T. Castro, said it has extended "our heartfelt gratitude to our hardworking Provincial, City and Municipal Tourism Officers for actively submitting their respective tourism arrivals data—placing the provinces of Batangas and Rizal in the top destinations. Thank you for all your support!"

In a report released to the Philippine News Agency on Thursday, Jenelyn A. Aguilera, chief of Batangas Public Information office, said the provincial government - through Gov. Hermilando Mandanas - attributed this to the apparent success of their "Fun, Food, Faith" tourism campaign on tourism destinations, culinary, heritage and faith-based tourism, among other projects.

"Dahil dito, hindi na nakapagtataka na mapabilang ang probinsya at mahirang bilang pangatlo sa top tourist destinations sa buong Pilipinas para sa taong 2018 (Because of this, we are not that surprised that our province would rank 3rd among the top tourist destinations in the Philippines in 2018)," Aguilera

She said the list of the country's top destinations was formally announced by the DOT, through its Office of Tourism Development Planning, Research and Information Management, during the Philippine Tourism Satellite Account and Tourism Statistics Dissemination Forum on July 26, 2019.

The DOT listed Cebu province, including Cebu City, Lapulapu City and Mandaue City, at No. 1 followed by Camarines Sur.

She said the province of Batangas ranked third in the country while achieving its Top 1 spot in the Calabarzon Region due to the surge of domestic and foreign tourists who stayed for overnight accommodations. **(PNA)**

DOH distributes assistive devices to Calabarzon PWDs

SAN MATEO, Rizal – The Department of Health regional office has distributed some 180 assistive devices comprised of wheelchairs, crutches, canes and walkers to persons with disability (PWDs) in Cavite, Laguna, Batangas, Rizal and Quezon (Calabarzon).

The distribution ceremony culminated the two-day "PWD Health Summit for CALABARZON" which gathered some 130 PWDs, whose federation officials and representatives received on their behalf the 40 wheelchairs, 40 crutches, 40 canes and 40 folding walkers on Wednesday at the Ciudad Christia Resort here.

"In CALABARZON, we have already prioritized the health needs of PWDs by providing them medical services and assistive devices that will enable them to be physically active and help them compensate even with a limited activity,"

said Dr. Eduardo C. Janairo, DOH Calabarzon Regional Director.

Janairo said the PWDs is one sector of the society that should not be left behind, but instead be given equal opportunity in health now that the Universal Health Care Law is ratified.

The DOH regional office hosted the two-day summit themed "Lokal na Pamahalaan: Kabalik sa Pagtupad ng Karapatan ng mga Taong May Kapansanan," (Local Government: Partner in Upholding the Rights of PWDs), was part of the nationwide observance of the "National Disability Prevention and Rehabilitation Week," held annually every 3rd week of July through Proclamation 361 in Aug. 19, 2000.

"PWDs need more than what we can give them, thus the need to understand their needs and capabilities prompting government agencies to provide them the opportunity for work and make them more productive, self-reliant and empower them to become active," Janairo added.

According to the Philippine Statistics Authority (PSA) 2010 data, Calabarzon Region has the highest number of PWDs with 193,000 followed by the National Capital Region with 167,000; Central Luzon – 139,000; Western Visayas – 138,000; and Central Visayas – 109,000; and Cordillera being the lowest with 26,000 PWDs.

During the two-day PWD summit, the DOH Calabarzon team presented various topics on PWD empowerment; updates on health service delivery concerning PWDs, their Philhealth benefits, and the institutionalization of a national integrated cancer control program.

Dentists from the regional health office also provided free dental cleaning and check-up for PWDs in attendance. **(PNA)**

NAKAKABAHALA

ang paglaganap ng nakamamatay na sakit na dengue sa ating bansa.

Hindi ito dapat balewalain sa halip ay sundin at gawin ang palaging ipina-paalala ng Department of Health (DOH).

Huwag po nating kalimutan ang '4S' dahil ito ay isa madali at epektibong programa sa pagbaba ng kaso ng dengue.

Ano ba ang 4S? Ito ay "Search and destroy", "Self-protection measures", "Seek early consultation," at "Support

fogging/spraying."

Totoong dapat ay epektibo ang programa ng lahat ng lokal na pamahalaan hinggil dito.

Maging ang bawat barangay ay kailangang masigasig sa pagpapatupad ng ganitong programa.

Iyon nga lamang ay napupulaan ang ilang local government unit at maging ilang barangay dahil sa mahinang aksiyon nila.

Mahina man o aktibo ang LGUs at mga barangay, sa atin na mismo dapat ay mas magandang

simulan na ito.

Search and destroy, tayo na po ang maghanap ng mga maaaring pamugaran ng mga lamok at kasunod ay wasakin o sirain na ito.

Self-protection measures, kailangang protektahan ang ating sarili.

Kung ang hangad ay protektahan ang sarili ay iwasan ang pagsusuot ng maiksi na madaling makakagatan ng lamok at kahit araw ay gumamit ng mosquito repellent.

Seek early consultation, ipasok mo lamang sa sarili mo ang kasabihang 'daig ng maagap ang masipag' at tiyak na iyong matatamo ito.

Ibig sabihin halimbawang dalawang araw na ang lagnat at may nakikitang pantal sa katawan ay magpakonsulta na kaagad sa doktor.

Support fogging and spraying, malaking bagay ito sa pagpuksa ng mga lamok.

Kung magiging epektibo ang programa ng 4S ay

malaki ang ibababa ng bilang ng mga madadapuan ng dengue virus.

Publiko mismo ay kinakailangang sumunod sa 4S na paalala ng DOH.

Ayaw mo bang magiging maganda sa iyong paningin at sa pangangin ng iba ang iyong kapaligiran?

Iba na po ang pagiging isang malinis at siyempre ay may kaakibat na pag-iingat.

Kagaya ngayon na panahon din ng pag-uulan na minsan ang kasunod ay ang pagbabaha.

Isa pa sa dapat pak-aingatan ay ang sakit na leptospirosis na nakukuha mula sa ihi ng mga daga.

Nakamamatay din po ang sakit na ito kaya ibayong pag-iingat din ang kailangan.

Alam ng mayroong sugat sa paa subalit walang takot sa paglusong sa baha.

Ingat, ingat lang po tayo.

'Halimaw' sa PCSO

SINUSPINDI ang operasyon ng lotto, STL, peryahan ng bayan at iba pang gaming schemes.

Bunga ito ng natuklasang matinding korapsiyon sa Philippine Charity Sweepstakes Office (PCSO).

Ilang araw matapos ang kautusan ay binawi ang suspensiyon subalit tanging ang lotto operations lamang ang pinahintulutan.

Sa pahayag ng Malacañang ay mabilis at mabusisi ang imbestigasyon sa naturang usapin na tinawag ni Pangulong Rodrigo Duterte bilang 'grand conspiracy.'

May naganap na katiwalian, sinu-sino ang mga nasa likod o mga nasasangkot? Sa paggulong ng imbestigasyon ay nararapat lamang na ilantad sa publiko ang mga may kinalaman sa korapsiyon.

Ibigay o ipataw ang nararapat na kaparusahan laban sa kanila dahil siya o sila na mga sangkot ay maituturing na 'halimaw.'

Silang mga 'halimaw' sa PCSO ang dapat bitayin kung ipinatutupad lamang ang death penalty sa ating bansa sa ngayon.

BATA PA si Danny ay lagi siyang nasa loob ng San Lazaro Hippodrome at Santa Ana Race Track tuwing may karera (mga lumang karerahan ng kabayo a Maynila).

SC clears ex-PCSO chair of raps over misuse of intel funds

MANILA -- The Supreme Court (SC) has ordered the dismissal of malversation charges against former Philippine Charity Sweepstakes Office (PCSO) chairman Sergio O. Valencia.

In a decision dated June 10 and released Tuesday, the High Court through retired Associate Justice Mariano C. del Castillo granted the demurrer to evidence filed by Valencia in connection with the alleged misuse of PCSO's confidential and intelligence fund (CIF) from 2007 to 2010.

On April 6, 2015, the Sandiganbayan granted Valencia's demurrer to evidence as far as his plunder case was concerned since the charge involved only PHP13.3 million which was below the PHP50-million threshold for plunder.

The anti-graft court, in the same resolution, ruled that there was sufficient evidence to convict Valencia of malversation under Article 217 of the Revised Penal Code (RPC).

Case records showed that in July and December 2011, two complaints for plunder, malversation, and graft were filed against several members of the PCSO board and other officials led by former President Gloria Macapagal Arroyo.

On July 10, 2012, the Office of the Ombudsman filed with the Sandiganbayan plunder charges against them. In the case of Arroyo and Benigno Aguas, former PCSO budget and accounts manager, they elevated the Sandiganbayan's denial of their demurrer to evidence before the SC which ruled in their favor.

The SC also ruled in favor of Arroyo and Aguas on the issue regarding the sufficiency of the allegations in the information (criminal charge sheet) for plunder as to include the crime of malversation.

The unfavorable Sandiganbayan ruling prompted Valencia to elevate the issue before the SC.

He said "the crime of plunder cannot be downgraded to the crime of malversation as the latter is not included in the former" and "there was no sufficient evidence to hold him liable for malversation."

A demurrer to evidence is a motion filed by an accused in a case to dismiss the charges on allegation that the prosecution's evidence is not sufficient to render a guilty verdict.

"He (Valencia) asserts that he cannot be held liable for malversation in view of the insufficiency of the allegations of its elements in the information. It is well to note that the information subject of the aforementioned cases of Arroyo and Aguas is the very same information under scrutiny in the present case wherein petitioner is their co-accused and where all the incidental matters stemmed and had their origin.

"Hence, there is no reason not to apply the afore-quoted ruling in the present petition since it has reached its finality, per Entry of Judgment, on May 30, 2017.

"We are therefore not free to disregard it in any related case which involves closely similar factual evidence. Otherwise, we would jettison the doctrine of immutability of final judgment and, further, obviate the possibility of rendering conflicting rulings on the same set of facts and circumstances in the same information.

"It is therefore apparent that in denying petitioner's Demurrer to Evidence and ruling that there was sufficient evidence to hold him liable for malversation despite the lack of specific allegations of the factual details pertaining to the crime of malversation in the information, respondent Sandiganbayan is said to have gravely abused its discretion amounting to lack of jurisdiction." **(PNA)**

DOH CALABARZON CHIEF HEADS NATIONAL DENG VAXIA TASK FORCE

CALAMBA CITY, Laguna -- Health Secretary Francisco Duque has appointed Calabarzon Regional Health Director Eduardo Janairo as chair of the National Dengvaxia Task Force to properly address and manage concerns surrounding the effects on the use of the Dengvaxia vaccine. Janairo said the task force aims to establish a whole-of-government and whole-of-society management team to oversee the implementation of activities for more equitable provision of services for all the regions concerned.

It covers Calabarzon

comprising Cavite, Laguna, Batangas, Rizal and Quezon; Central Luzon; and National Capital Region.

"We need to harmonize efforts and provide similar services and activities, support and assistance for the three regions. Basically, what we have done for Calabarzon, we will also implement accordingly in the two other regions," he said in an interview on Monday.

The Department of Health (DOH) launched in 2016 the Dengvaxia immunization, and was implemented in three regions, including Region 7, on request by

the region's Congressional representative.

But in 2017, the Dengvaxia immunization program had created panic and concerns among parents of the scores of children vaccinees, triggered by the analysis and announcement of its manufacturer.

Janairo bared the task force has monitored that fears and apprehension over the health department's vaccination program attributed to the Dengvaxia controversy, however, has declined.

"Actually, the Dengvaxia scare was short-lived. They (parents, guardians) now realized there are other more important vaccinations needed as protection for their children," he said.

He added parents and guardians have gradually eased their misgivings after they were convinced on the importance of the other vaccines as protection for their children from various diseases.

At the height of the Dengvaxia controversy, health authorities uncovered that a total of 833,000 Filipino children were found to have been administered the Dengvaxia vaccine in the regions.

"We need to keep track with the Dengvaxia vaccinees. We are conducting a series of physical examinations, monitor and strengthen their resistance and ensure their health because this is the only way to protect them from any illness or disease which could affect them," Janairo said in Filipino.

He added the regional health office's routine visits in various communities during the "Aksyon Barangay Kontra Dengue (ABKD)" underscored the need to track down and monitor the anti-dengue vaccination program.

"Kailangan nating magkaroon ng vaccine and patient tracking kasama na dito ang referral system dahil kailangan natin silang i-profile at bantayan upang malaman kung anuman ang mangyari sa kanila sa loob ng limang taon mula ng sila ay mabakunahan. Lahat ay hahanapin natin at walang dapat maiwan (we need to have the vaccines and patient-tracking, including

DOE turns over 50 e-trikes to Batangas City

BATANGAS CITY -- The Department of Energy (DOE) on Monday turned over 50 electricity-run or e-trikes to the city government which will be distributed to qualified tricycle drivers as part of the city's livelihood program.

"Ang three-wheeled e-trikes na ito ay environment-friendly sapagkat gumagamit ng kuryente sa halip na gasolina o diesel upang mabawasan ang carbon emissions sa kapaligiran. Ito ay pwedeng magsakay ng limang pasahero bukod ang driver. (These three-wheeled e-trikes are environment-friendly because these use electricity instead of gasoline or diesel to reduce carbon emissions in the environment. These can ferry five passengers in addition to the driver)," said City Mayor Beverley Rose Dimacuha, who received the e-trikes.

Dimacuha tasked the city e-trikes Project Management Team to evaluate the qualified beneficiaries who must be bona fide active members of Tricycle Operators and Drivers Association (TODA) of good standing, no criminal or police record, have the capacity to maintain the e-trike, has a garage, among other criteria.

Batangas City is one of the local government unit (LGU) recipients under the DOE Market Transformation through Introduction of Energy-Efficient Electric Vehicles Project.

Oliver Gonzales, head of the City Environment and Natural Resources Officer (CENRO), said the city qualified as one of the LGU recipients for the e-trike project due to its environmental programs and ecological drive as part of its Local Climate Change Reduction Plan that aims to curb carbon monoxide emissions from vehicles.

Gonzales said each e-trike costs PHP455,000 and uses the re-chargeable lithium ion battery that normally requires three hours full charging for its 50-kilometer trip.

He noted the city government has established the charging stations for the e-trikes, and the Management Team is now studying the affordable maintenance fee per e-trike for the qualified beneficiaries.

The city government will also assume the maintenance of the e-trikes through trained city hall employees who will in turn train e-trike qualified beneficiary drivers/operators, he added.

Gonzales further said the e-trikes are now registered with the Land Transportation Office (LTO), including the comprehensive insurance, through the city government.

Part of the guidelines for beneficiaries, he said, is to comply with the standard fare matrix issued by the Land Transportation and Franchising Regulatory Board here. (Maroe T. Genosa/PNA)

Tamang paggamit sa mga linya sa NLEX, ipinaliwanag

LUNGSOD NG MEY-CAUAYAN (PIA) -- Hindi pwedeng palipat-lipat sa mga linya sa kahabaan ng North Luzon Expressway o NLEX ang mga sasakyang dumadaan dito.

Iyan ang binigyang diin ng NLEX Corporation ngayong nasa kasagsagan na ang panahon ng tag-ulan.

Ayon kay NLEX Corporation Assistant Vice President for Corporate Communication Kit Ventura, dapat maintindihan ng lahat ng mga motorista, anuman ang uri ng sasakyan na minamaneho, na hindi isang karerahan ang NLEX. Lalong hindi rin pwedeng 'mamili ng gustong linya' ang mga sasakyan.

Binigyang diin ni Ventura na bawat linya sa NLEX, partikular sa bahagi ng mula sa Balagtas hanggang Balintawak kung saan tig-apat ang linya sa magkabilang direksyon, ay may nakatakdang tamang paggamit.

Sa apat na linyang ito, hindi pwedeng 'magba-

Sa pangalawang linya naman uubrang pumirmi ang mga sasakyang class 1, pero pwedeng gamitin ito ng mga bus kapag sila ay nag-overtake. Samantalang bawal ang trak na dumaan o gumamit maski sa una at pangalawang linya.

Pupwedeng pumirmi ang mga bus at trak sa ikatlo at ikaapat na linya na nasa gawing kanan ng expressway.

Kaugnay nito, ganito rin ang patakaran sa bahagi ng NLEX na tatlo ang linya. Ito ang bahagi mula sa Balagtas, Bulacan hanggang San Fernando, Pampanga. Ang pagkakaiba lamang, magiging isa lamang ang linya para sa mga trak at bus o sasakyang class 2 na nasa ikatlong linya. Habang para sa mga sasakyang class 1 ay sa ikalawang linya dapat pumirmi. Mananatili namang overtaking lane lamang ang unang linya sa kaliwa.

Samantala sa bahagi ng NLEX na dalawang linya lamang, o ang mula San Fernando, Pampanga hanggang sa Sta. Ines sa Mababagal, Pampanga, dapat nasa kaliwang linya ang mga mabibilis na sasakyan at sa kanan ang mga mababagal. Sinusunod namang pamantayan ng NLEX Corporation ang Land Transportation and Traffic Code of 1964 o ang Republic Act 4136 kung saan hanggang 100 kilometer per hour (kph) lamang ang dapat na pinakamabilis na takbo ng isang class 1 na sasakyan, at 80 kilometer kph ang pinakamabagal.

Para naman sa mga trak at bus, 80 kph ang pinakamabilis at 60 kph ang pinakamabagal. **(CLJD/SFV-PIA 3)**

BOSS EMONG SA 2ND LEG TRIPLE CROWN

Bago pa magsimula ang Triple Crown Stakes Race ay nag paugong na ang horse owner na si Boss Edong Diokno na meron siyang kabayo na ilalahok. Una nating napanood ang sinasabi niyang kabayo na pinangalanang Boss Emong ay nang makaharap nito si Real Gold sa isang stakes race para sa 3YO na mananakbo. Natalo siya kay Real Gold dahil medyo nanlamig sa rekta. Pangalawang paghaharap nila ay nang maganap ang 1st Leg ng Triple Crown na hugandong napanalunan ni Real Gold at dumating lang ng pang lima si Boss Emong. Ganoon pa man ay hindi tayo nawalan ng paghanga kay Boss Emong. Alam natin na meron itong ibubuga at kayang manalo sa nakahatag na tatlong leg ng Triple Crown. At dumating na nga ang 2nd Leg ng Triple Crown sa pista ng Sta. Ana ang tanging sandata ni Boss Emong sa pagharap muli sa tumalo sa kanya ay ang maganda niyang takbo sa isang regular race sa Sta. Ana na naglista siya ng 1:40 sa 1,600 meters. Kapansin pansin na may iba na siyang hinete mula kay J.T. Zarate sa 1st Leg na pumalit si Dan I. Camañero sa 2nd Leg. Maging sa trainer ay nagpahiyang siya kay Gare Roxas kapalit ni Nestor Manalang. Nito ngang 2nd Leg ay prente ang racing aficionado na mauulit ni Real Gold ang kanyang dominasyon dahil bukod sa tinalo na niya ang halos lahat ng kalaban ay humaba pa ang distansiya sa 1,800 meters na pabor na pabor sa deremateng kabayong tulad niya. Pero mali sa inaasahan, isang malaking upset ang inilista ni Boss Emong para sa kanyang proud horse owner na naniniwala na kaya niyang sumungkit ng jewel sa Triple Crown. Si Boss Emong ay lahi nina Dance City at Chica Una at walang relasyon sa maugong at wala pang talong si Princess Eowyn. Looking forward ngayon si Boss Edong sa 3rd at final leg ng Triple Crown na ilalarga sa Metro Turf. Medyo masaya siya dahil teritoryo ni Boss Emong ang pista na kung saan ay doon siya natutong tumakbo at naging bossing ng racetrack. Abangan na lang natin ang 3rd Leg ng Triple Crown

ANDI EIGENMANN, HINDI APURADA

ISANG pagbati muna kay Andi Eigenmann sa pagkakasilang ng kanyang ikalawang anak.

Baby girl din ang second kid ni Andi na kanyang ini-luwal last July 23.

Ang ama ng sanggol ay ang bagong karelasyon ni Andi na isang surfer na si Philmar Alipayo.

Ang name ng new baby girl ay Keliana Alohi Eigenmann Alipayo at tatawagin sa palayaw na Lilo.

Sa kabila na sumailalim sa caesarean (c) section ay bahagi pa rin ng plano o iniisip ng aktres ang may kinalaman sa fitness.

Well, 29-anyos pa lang

naman si Andi at talagang dapat naman na maayos at tama pa rin ang kanyang aura o tindig.

Pero hindi naman apurada si Andi, mayroon pa siyang mas pinagtutuunan o pagtutuunan.

Meaning ay hindi nag-aapura o nagmamadali si Andi dahil ang kanyang prayoridad siyempre ay ang pagiging isang ina muli.

Natural ay nakatutok ang kanyang atensiyon at panahon sa newly baby niya.

Iyon nga lamang na pag-masdan ang mukha at kabuuan ng isang sanggol ay

(Ika-20 labas)

“**BAKIT** nangyari ito, ‘di ito dapat nangyari dahil ‘di ito tama. Mali ito.”

Pagdilat ng mga mata ni Cecile ay labis siyang namangha sa tagpo.

Nakayapos sa kanya si Bernie at kapwa wala silang saplot sa mga katawan.

Mabilis ang mga pangyayari, hindi inaasahan ni Cecile na hahantong iyon sa ganoon.

Nang mga sandaling nag-uusap silang dalawa ay ginapi ng kahinaan si Cecile.

Bumigay at ipinagkaloob niya ang sarili at katawan kay Bernie at heto pagkagising ay tila may pagsisisi sa kanya.

Sinisisi ni Cecile ang sarili kung bakit hinayaan niyang maangkin siya ni Bernie.

Nasa malambot na sofa sila ng sala, doon nangyari ang hindi dapat mangyayari.

Nagkataon kasi na wala sa bahay si Cora kaya malayang naganap iyon kina Cecile at Bernie.

Kung nagkataon marahil na naroon si Cora ay hindi iyon mangyayari.

Natangay si Cecile sa mga ipinakitang

pangahas na galaw sa kanya ni Bernie.

Nakalimutan ni Cecile na hindi man lasing si Bernie subalit nasa impluwensiya pa rin ng alak.

Hindi na pumasok sa isip ni Cecile kung nagawa lang ba iyon ni Bernie ay dahil sa nakainom.

“Mamya na, wala naman si Cora eh kaya gusto kong manatiling nakayakap muna sa iyo.”

Tatayo na sana si Cecile kaya lamang ay naudlot dahil pinigilan siya ni Bernie.

Hindi napansin ni Cecile na gising na rin pala si Bernie dahil sa kanyang pag-iisip.

“Alam ko ang iniisip at nararamdaman mo pero kagaya ng sinasabi ko sa iyo kagabi ay tunay ang pagtingin ko sa iyo.”

Wala na ang espiritu ng alak kay Bernie kaya mukhang mas napapaniwala na si Cecile.

“Hindi ko ipagpipilitan ang sarili ko sa iyo kung ‘di ka naniniwala at ayaw mo sa akin.”

“Sana lamang ay mapatawad mo ako sa naging kapangahasan ko, nagawa ko iyon dala ng aking nararamdaman sa iyo.”

NAKATIHAYA sa pagkakahiga si Allan, papihit-pihit siya. Papaling sa kaliwa tapos ay papaling sa kanan.

Paulit-ulit ay ganoon ang eksena kay Allan, hirap na hirap siyang dalawin ng antok.

Ang dahilan, ay sa kakaisip kung bakit siya pinapupuntakinabukasan sa bahay nila Alex.

“Basta pumunta ka na lang pare, ang dami mo namang tanong eh. Asahan kita bukas.”

Pinipilit niya si Alex na sabihin ang dahilan kung bakit siya pinapapunta.

Pero talagang hindi napilit ni Allan si Alex na sabihin ang rason sa kanya.

Kaya naman naging dahilan iyon kay Allan upang hirap makatulog bunga ng kakaisip.

Nagtakip na lamang ng mga unan sa mukha o ulo si Allan hanggang sa makatulog din siya kaya nga lamang ay medyo matagal bago ganap na inantok.

“Dadalhin ko na itong baul ha ‘nay, tamang-tama at narito si Allan kaya may makakatulong ako sa pagbubuhat.”

Kinabukasan nang

makarating si Allan sa bahay nila Alex ay nagulat siya dahil ang antingong baul ay ibebenta.

Alam na ni Allan na mayroong pahintulot mula sa nanay ni Alex ang pagbebenta ng gamit ng kanyang kaklase.

“Saan ninyo ba gagamitin ang pera? Bakit ba talaga kayo nagbebenta ng gamit?”

Nang makaalis na ang magkaklase ay doon na nagtatatanong si Allan.

Alam ni Allan na hirap sa buhay sina Alex pero hindi niya magawang tanungin kung pambili ba ng mga pagkain o makakain ang dahilan.

“Ikaw talaga pare ang dami mong tanong, ‘mamya malalaman mo rin.”

“Ang mabuti pa ay luminga-linga ka at para makahanap tayo ng iba pang puwesto na mapapagbentahan.”

Nakakailang puwesto na rin ang napuntahan ng dalawa pero ang hinahanap ni Alex ay iyong mas mataas ang turing o presyo.

“Ayos! Sige pwede na ‘yan.”

halos kulang pa sa isang maghapon.

Pagkatapos habang lumalakad ang mga araw ay magiging subsob ka sa pagsubaybay o pagkal-inga.

Ang mga bawat ‘una’ sa sanggol ay sadyang kapapanabikan gaya ng first smile, first stand, first move at marami pa.

Lalo na kapag humihik-ab ang baby, tell me if I’m wrong eh ‘di ba hinahabol natin ang breath ng sanggol.

So, ang lahat muna para kay Andi ay nakalaan sa kanyang baby.

As I said, second baby ito ni Andi pero a mother is always a mother.

Babae rin ang anak ni Andi sa kanyang dating no-byong si Jake Ejercito at pinangalanan ito ng aktres

bilang si Ellie.

Biotech success story continues to captivate kids in Davao City

The animated version of the only children's book in the country which attempts to explain agricultural biotechnology to young kids continues to captivate public elementary school children from Magallanes Elementary School and Bolton Elementary School in Davao City.

More than fifty students recently trooped to the Department of Education (DepEd) Library Hub in Davao City to watch the said animation which talks about a town in Mindanao that was totally devastated by a typhoon but recovered and prospered when the town folks started planting biotech corn.

The story which was authored by Legacy Monsanto Philippines Corporate Affairs Lead, Chat Garrido-Ocampo, was inspired by the true story of Aling Conching Reyes from Lambayong, Sultan Kudarat. Aling Conching lost everything to Typhoon Frank in 2008 but still stuck to farming and was able to recover and succeed in life.

When Ocampo met Aling Conching, she was moved to write about the latter. "I really felt Aling Conching's inspiring story had to be told because not only did she get herself out of the claws of poverty through farming but she was also able to help an entire town

transform from a life of poverty to that of prosperity," Ocampo said.

Meantime, DepEd Library Hub Librarian Rosalie Antipuesto said that the animation is a creative way of helping children have a basic understanding of agricultural biotechnology while stirring them to look at agriculture as an interesting and promising field.

"By listening to the story, the kids were able to appreciate better the work of our farmers." Said Antipuesto. "The kids were also inspired by how Aling Conching became successful through hard work and because her unflinching faith in God. The story effectively shared a lot of important lessons to guide these kids."

It has been eight years since Legacy Monsanto Philippines first conducted story-telling sessions based

on Aling Conching's story. "When the book came out in 2011, we started our story-telling activities and we have already reached more than 10,000 kids since then," said Ocampo. "Hopefully, Aling Conching's story will find it's way in classroom discussions as an excellent example of how people and communities can prosper through modern agriculture."

'Last two minute' at 'manyana habbit'

SINIMULAN ng Commission on Elections (COMELEC) ang voters registration nitong Agosto 1 na magtatapos hanggang Setyembre 30, 2019.

Mula alas-otso ng umaga hanggang ala-singko ng hapon ang pagpapatala.

Kailangan ang presensiya ng magpaparehistro bilang panunumpa na totoo at tama ang mga ibinigay na impormasyon kalakip ng valid ID.

Magtungo lamang sa Office of the Election Officer na nakakasakop sa inyong lugar.

Mayroon ring nagsasagawa ng pagpaparehistro sa mismong barangal hall o ibang venue.

Sakit o nakaugalian na ng nakararami ang tinatawag na 'last two minute' o 'manyana habbit' lalo at umuugong ang postponement ng susunod na eleksiyon.

Matutuloy man o hindi ang next election ay makabubuting magpaparehistro na.

Malaki ang ipinalugit na panahon ng komisyon para sa voters registra-

tion. Ang pagpapatala ay mula Lunes hanggang Sabado at kahit matapat na holiday ay tuloy pa rin ang rehistrasyon.

Kaya naman marahil ay wala ng dahilan upang hindi makakapagparehistro.

Subalit kung iiral ang 'last two minute' at 'manyana habbit' ay malamang na hindi ka makakalahok sa halalan.

Doon naman sa mga botante na dalawang sunod na hindi nakaboto ay sa Agosto 14 ang pag-sisismula ng re-activation.

Iyong mga 14 na taong gulang subalit pagsapit ng Mayo sa susunod na taon ay magkikinse anyos na ay maaari na ring magpaparehistro.

Ano pang hinihintay, magpaparehistro na po at huwag sayangin ang karapatan.

Lalo na kayong mga kabataan, makilahok kayo sa halalan.

Ang voters registration ay isa sa mga requirements para sa ating national ID.

sachets of shabu and buy-bust money.

"The arrested drug suspects and recovered pieces of evidence were brought to Bulacan Provincial Crime Laboratory Office for appropriate examination," Bersaluna said.

He said the suspects face criminal complaints for violation of Sections 5, 11 and 26, Article II of Republic Act 9165. (PNA)
