CAVITE POLICE, LGU HONOR WOUNDED COP

GENERAL TRIAS CITY, Cavite – Police Corporal Redentor Aracena Betita was conferred on Monday the “Medalya ng Sugatang Magiting” (the Philippine National Police wounded personnel medal) for his courageous action and exemplary performance while on duty.

A member of the city police Drug Enforcement Unit (DEU), Betita was injured on his lower right knee as the DEU team shot it out with a drug dealer and a notorious gang leader during a buy-bust in the gang's lair in Barangay San Francisco in this city.

Mayor Antonio Ferrer, Cavite 6th District Rep. Luis Ferrer IV, along with Cavite Police Provincial director, Col. William Segun, and city acting chief of police, Lt. Col. Marlo Solero, visited the wounded cop at the General Trias Doctors Hospital where they conferred the medal on Betita.

“Kami po sa pamahalaang

Lungsod ng GenTri ay malugod naming binabati bilang isang magiting na member ng kapulisan ng ating lungsod upang higit na mapangalagaan ang katahimikan sa ating lugar. Mabuhay ka Corporal Betita (We in the GenTri city government is pleased to confer the award to a brave member of the city police force who is dedicated to ensure peace in our locality. Long live Corporal Betita),” the mayor said.

Betita also received incentives from the PNP through Marlo Magpantay of the Public Safety Mutual Benefit Fund Inc. (PSMBFI).

The mayor and the congressman also hailed the General Trias City police for its achievement as “Top Performing City Police Station on “Tokhang” Activities from August 20 to 27 during the Oversight Committee Meeting on anti-illegal drugs and anti-gambling at the Mayo's Hall in Camp Gen. Pantaleon Garcia, Imus City. (PNA)

Portion of Cavite-Laguna expressway to open next month

STA. ROSA CITY, Laguna -- The first 10-kilometer Laguna segment of the Cavite-Laguna Expressway (CALAX) will open in October, Department of Public Works and Highways (DPWH) Secretary Mark Villar said Tuesday.

“Expect this CALAX Laguna portion as we will open this next month, in October. We have several ‘Build, Build, Build’ projects that are up for completion next year, and please expect these,” Villar told reporters during a roadside interview, following the site inspection and drive through.

Villar, along with the DPWH technical team and the project contractor Metro Pacific Tollways Corporation subsidiary MP CALA Holdings Inc. executives and the media convoy conducted their windshield inspections and drive-through at the ongoing construction and finishing touches of the alignment starting from the Mampalasan Toll Barrier up to Silang East, Cavite interchange.

CALAX is designed as a four-lane, 45-km tolled expressway that will connect CAVITEX in Kawit to SLEX at the Mampalasan

Interchange in Biñan City, Laguna with eight interchanges in Kawit, Daang Hari, Governor's Drive, Aguinaldo Highway, Silang, Sta. Rosa-Tagaytay, Laguna Boulevard, Technopark and a Toll Barrier before the South Luzon Expressway (SLEX).

“Once completed with the road alignment, it will only take from 45 minutes to an hour from the usual two-hour travel time taking the same route to CAVITEX,” Villar added.

He said the CALAX Laguna segment spanning the first 10 kilometers will open next month from the Mampalasan Toll Barrier and passes through Laguna Technopark Interchange, Laguna Boulevard Interchange all the way to Santa Rosa-Tagaytay Interchange.

“Those coming from Laguna, going to Tagaytay City would be able to use the road and travel faster and initially the DPWH is looking at some 10,000-traffic volume of road users who are expected to reach around 50,000 road users, once the new CALAX-Laguna portion becomes fully operational,” the DPWH secretary said.

This would decongest the number of road-users along the usual route at SLEX, going to Sta. Rosa City in Laguna and up to Silang and Tagaytay City and those passing through Governor's Drive, Aguinaldo Highway in Cavite.

The CALAX project is seen to benefit the growing industrial, commercial and real estate centers in this part of the Southern Tagalog Region.

He maintained the DPWH projects are on target as these are just estimates with the Cavite side where road right of way acquisitions are ongoing and targeting to finish the entire 45-kilometer stretch up to Cavite before the end of President Duterte's term.

“The indicative toll is around PHP4 pesos per kilometer,” he said.

In terms of connectivity with the transport system, Villar said they have coordination with the Department of Transportation (DOT) for other projects like the North Luzon Expressway Harbor Link, as the rail going to Clark passes through it and in Metro Manila where DPWH and DOT have common alignments.

“By next year, we will start the special road going to Sangley Airport. We already have a plan and detailed engineering to also rehabilitate the roads at Sangley Point, with an alternate road that would be faster to reach the Sangley airport,” the DPWH chief said.

He also told media that the DPWH has already disbursed last year around 80 percent of their infrastructure projects where the obligation rate for the awarded projects has reached 93 percent, the highest so far in DPWH history.

He also assured some projects would be completed before 2022 while DPWH is also making the pipeline so that other big-ticket projects would continue even after President Duterte's

tance in easing traffic flow and running after undisciplined motorists.

He said the return of HPG along Edsa is part of the mandate of the unit to be present on major thoroughfares, not only in Metro Manila, but also in the provinces.

Earlier, policemen manning Edsa were pulled out and were tasked to run after car thieves and other vehicle-related crimes. (PNA)

term.

He also clarified the alleged delay in some of the DPWH's PHP 118.4-billion projects where there are some requests for extension by the project contractors owing to weather conditions like those in the typhoon-affected areas which could affect the timeline.

“Those with capital outlay from the regular funding are different because we also have multi-year for big-ticket projects which could not be completed in one year but rather with two-year timelines,” he explained.

He also assured the integrity of all DPWH projects that have passed seismic-rated standards, which could withstand a strong earthquake.

He noted investors' confidence in looking at the Calabarzon (Cavite, Laguna, Batangas, Rizal and Quezon) as the “next big thing” to Metro Manila with the on-going Toll Road Expressway (TR 4) which connects Laguna and Batangas to Quezon.

“By this quarter, we are completing the full-blown feasibility study of the Quezon-Bicol Expressway in preparation for its construction next year,” he divulged, citing the major expressway network in Southern Luzon.

“So, there's this big potential of the Calabarzon and it is right for investors to invest here owing to several infrastructure projects,” he added.

He expressed optimism on the dynamism of their “Build, Build, Build” projects and DPWH is refreshing the data on their list of ongoing projects to be submitted to the National Economic Development Authority (NEDA).

Meanwhile, MP Cala Holdings Inc. president Bobby Bontia said they are looking forward to deliver the full 45km by the second quarter of 2022.

He said faster, safer, and more comfortable and a reliable route will be experienced by motorists traversing the Cavite, Laguna and South Luzon areas.

He explained that CALAX features the installation of Automatic License Plate Recognition System enabling barrier-less entry; IP-based Speed Detection Cameras; High Definition (HD) CCTV coverage for the entire stretch of the expressway to ensure safety of the motorists including security, and maintenance centers. HPG all-women riders team to help ease Edsa traffic

MANILA -- As part of efforts to uphold gender equality in all fields of social activity, the Philippine National Police-Highway Patrol Group (PNP-HPG) on Wednesday deployed a special unit composed of female motorcycle riders that will help their male counterparts in the flow of traffic along the Epifanio delos Santos Avenue (Edsa).

Brig. Gen. Eliseo Cruz, HPG director, said the deployment of female HPG officers forms part of their gender equality or women empowerment.

“Pulis man na lalaki o babae dapat makaka-respond sa anumang krimen [Regardless if you are male or female cop, you should be able to respond to any crime incident],” Cruz told reporters on Wednesday during the launch of its HPG All-Women Patrollers/Traffic Supervisors' Unit, along Edsa corner Boni Serrano, near the Camp Crame, Quezon City.

“If we can contribute in crime prevention, in responding to any crime incidents especially highway

robbery and carjacking, we can help in improving the flow of traffic along Edsa so there is a need for us to be on the streets because that is our job,” he stressed.

“We are mandated to operate against carjacking, highway robbery, and hijacking and even we enforce traffic laws,” Cruz noted.

Cruz said the team is composed of 20 policewomen, who are trained riders and traffic enforcement supervisors, created by the HPG director himself.

The HPG All-Women Patrollers/Traffic Supervisors' Unit forms part of the 48 female cops who recently finished their training on motorcycle riding which started last year.

“We are deploying all policewomen riders along the stretch of Edsa following the training of 48 policewomen of the Highway Patrol Group on Motorcycle Riding Course. So we will utilize what they learned especially now we are maximizing our presence in all major thoroughfares in Metro Manila even in other regions that's why

need these trained policemen and policewomen on motorcycle course,” he explained.

“Here in Edsa we have more than 20 policewomen but 10 policewomen riders are being deployed at any given time,” he added.

According to Cruz, the female HPG officers will be assigned on Edsa in two shifts, from 5 a.m. up to 3 p.m. and 3 p.m. up to 1 a.m.

Cruz said despite being assigned on Edsa, the female riders are still not deputized to issue tickets but will be partnered with a male counterpart who is deputized by the Land Transportation Office (LTO) and Metropolitan Manila Development Authority (MMDA) to issue citation tickets.

“We are on the process of applying for their deputization. But at the moment they are not allowed (to issue tickets),” Cruz told reporters.

The main responsibility of the lady riders is to help in the flow of traffic along Edsa, respond to vehicle-related crimes, and conduct enforcement on those

who will violate traffic rules if necessary.

Pat. Judy Ann Maata, one of the 20 female cops who will be deployed in Edsa, said they will apply a different approach on drivers as compared to what their male counterparts do.

“There is a big difference in the way male and female cops apprehend erring motorists. Male officers seem to flex their authority in these cases. As for us female officers, I think they are more respectful if we are to deal with them. We are also a bit softer and more approachable as compared to our male colleagues,” Maata told reporters in Filipino.

Maata said female cops are also more unlikely to accept bribes from traffic violators.

Earlier, Cruz assured constant visibility of police officers along Edsa, especially during rush hours when traffic congestion is at its peak. Cruz said that at least 170 HPG personnel, 20 mobile cars and 36 HPG motorcycles have already been assigned to position along Edsa to render assis-

Bumababang kalidad ng edukasyon

NASA pagre-review ang Department of Education ng curriculum mula kindergarten hanggang senior high school.

Batay ito sa briefing ng House Appropriations Committee tungkol sa budget ng DepEd para sa susunod na taon.

Sabi ni Secretary Leonor Briones, nilalayan nito na ayusin ang alignment ng curriculum ng mga mag-aaral sa content and performance standards; at competencies.

Ang mga programang pagsasanay sa mga guro ay ipinagpapatuloy ng kagawaran na naglalayong

higit na maiangat kapasidad ng mga titser.

Ganon! Ibig bang sabihin ay mababa ang standard ng ating mga guro? Lumalabas kasi umano na nagkaroon ng low proficiency level sa National Achievement Test sa nagdaang taon.

Bakit naman nakikipag-ugnayan ang DepEd sa Civil Service Commission?

Ito ay ang sinasabing maaaring makapagtrabaho sa gobyerno ang mga K to 12 graduates.

Nakakalungkot nga kasi marami sa kanilang mga naunang nagsipagtapos

ay hirap na makapasok ng trabaho. Kung tutuusin ang pinag-aralan ng mga K to 12 graduates ay katumbas ng dalawang taon sa kolehiyo.

Ibig sabihin, pagkagradweyt ng K12 ay katumbas nito ang 2nd year college. Nangyari ang K to 12 sa ilalim ng Republic Act No. 10533 (Enhanced Basic Education Act of 2013). Marami nga ang umalma sa karagdagan pang dalawang taon sa 10-year basic education ng mga estudyante.

Ang nadagdag na dalawang taon ay malaking tulong na tulong na sa paghubog ng kakayahan sa mga estudyante na magagamit para sa employment, entrepreneurship, skills development, at higher education.

Pero bakit sa kabila nito ay tila maliit pa rin ang tsansa nila para sa maayos na trabaho?

Mukhang maganda ang panukala na kahit K to 12 graduates ay may pagkakataong makapasok sa

mga government offices. Ano naman kaya ang tugon ng Kamara sa panawagan ng DepEd para sa karagdagan pondo na gugulungin sa susunod na taon?

Sa briefing, lumilitaw na ang original proposal ng kagawaran ay P804 billion subalit ang inaprubahan ng Department of Budget and Management (DBM) ay P551 billion lamang.

Kung ganon ay maraming proyekto ang apektado para sa DepEd. Kabilang ang pagpapatayo ng mga bagong paaralan sa ilalim ng kanilang School Building Program.

Pero ang tatanggapin lamang ay nasa P36 billion kung sakali dahil ito lamang ang inaprubahan ng DBM na ikukumpara sa P259 billion budget proposal.

Dapat talagang matugunan ng DepEd) ang bumababang kalidad ng edukasyon sa ating bansa.

'Paskong-Tuyo'

ANG mga nagtatrabaho sa gobyerno at maging sa mga nasa pribado kahit paano ay makakatanaw ng magandang Pasko.

Ito ay sa pamamagitan ng kanilang makukuhang 13th Month at bonus.

Batid natin na marami tayong kababayang maliliit na sidewalk vendor ang naghihinagpis.

Ang 'Ber Months' ay simula ng pagngiti ng mga nagtitinda sa bangketa.

Dahil ito ang panahon na sinasabing malakas ang kanilang paninda.

Gayunman ay apektado ang mga vendor sa kautusan ng pamahalaan kaugnay ng paglilinis ng lansangan.

Kaya naman ang kanilang katanungan ay mapapagbigyan ba sila sa panahong ito o magiging 'Paskong-Tuyo' na lamang?

DOH OPENS FIRST BOTIKA NG BAYAN IN CAVITE

DOH-CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) yesterday opened the first Botika ng Bayan (BnB) in the province of Cavite located in Magallanes, a fourth-class municipality located about 97 kilometers south of Manila and the third in the region.

"Ang Botika ng Bayan na ito ay handog ng gobyerno para sa inyo kaya dapat ninyo itong pangalagaan at huwag pababayaang dahil ito ang makapagbibigay ng inyong gamot at pangunahing lunas sa inyong mga karamdaman at pagpapanatili sa inyong kalusugan. Ang mga gamot dito ay libre magdala lang kayo ng kaukulang reseta upang kayo ay mabigyan," Regional Director Eduardo C. Janairo stated during his message on the opening of the third BNB in the region held at the municipal covered court of Magallanes, Cavite.

"We are also planning to collaborate with other private pharmacy stores located in far flung areas of the region so that we can provide our patients, especially those with maintenance medicines, the needed drugs for their medication. Ito ay sa mga lugar na walang botika ng gobyerno. Pupunta lang ang ating mga kababayan na dala ang kanilang mga reseta at mabibigyan na sila ng gamot na libre para sa kanilang karamdaman.

Aayusin natin ito sa lalong madaling panahon para mabigyan natin ng sapat at agarang panlunas sa kanilang sakit. Sa pamamaraan na ito maiiwasan natin ang pagkakaroon ng kakulangan ng gamot," he assured the residents.

The regional office opened the first BNB at the municipality of Sta. Maria in Laguna and the second in Mauban, Quezon.

According to Ms. Helen C. Jariel, Pharmacist III and BnB Regional Outcome Coordinator, the regional office provided a total of Php351,752 worth of medicines which includes paracetamol, antibiotics, topical ointments, anti-thrombotic, anti-inflammatory, antihyperlipidemic, anthelmintic, oral hypoglycemic, vitamins, micronutrients, antacids and other essential drugs for asthma, hypertension, diabetes and dyslipidemia even for family planning.

She disclosed that CALABARZON is the sixth region that started the implementation and establishment of BNBs in cooperation and support of local government units.

The DOH aims to cover all 2,600 rural health units and other government centers to have Food and Drug Administration (FDA)-licensed BnB outlets that will provide quality outpatient pharmacy services by 2022.

Director Janairo assured

residents of Magallanes, Cavite that their will be adequate supply of medicines at the BNB. "Hindi dito nagtatapos ang serbisyo namin sa inyo dahil ito ay simula pa lamang ng aming pagbibigay serbisyo ng kalusugan at kasabay nito ang pagpapalawak ng inyong health system kasama na dito ang pagpapalakas ng inyong primary health care system upang mabigyan pa kayo ng mas maunlad na serbisyo. Lahat ng ito ay makakaya natin sa suporta at pakikipagtulungan ng lokal na pamahalaan," he concluded.

DOH-CALABARZON Regional Director Eduardo C. Janairo and Municipal Mayor Jasmin Angelli Maligaya-Bautista cuts the ribbon to formally open the Botika ng Bayan located at the municipality of Magallanes, Cavite on September 2, 2019. The BNB is the third to be established in the region. **BOY NAMORA**

SC AFFIRMS EX-OMBUDSMAN'S DISMISSAL OF SAF44 RAPS VS. NOY, ET AL

MANILA -- The Supreme Court (SC) on Tuesday turned down a suit questioning the decision of former Ombudsman Conchita Carpio-Morales to dismiss the complaints for multiple counts of reckless imprudence resulting in multiple homicide against former President Benigno C. Aquino III, former Philippine National Police (PNP) chief Alan M. Purisima, and former PNP Special Action Force director Getulio Napeñas.

In a press briefing, SC spokesperson Brian Keith Hosaka said the Court unanimously ruled that the Office of the Ombudsman committed no "grave abuse of discretion amounting to lack or excess of jurisdiction" in dismissing the complaints for 44 counts of reckless imprudence resulting in multiple homicide.

The petition is dismissed. The Ombudsman's consolidated resolution dated June 13, 2017, and consolidated order dated September 5, 2017 are affirmed insofar as they found no probable cause to charge private respondents Benigno Simeon C. Aquino III, Alan M. Purisima and Getulio Napeñas with reckless imprudence resulting in multiple homicide, Hosaka quoted the ruling.

In August, the SC lifted the temporary restraining order (TRO) over the lighter graft and usurpation charges filed by Morales against Aquino which she decided to initiate instead of the reckless imprudence charges.

Prior to its lifting, the TRO had frozen proceedings in charges in connection with the ill-planned Jan. 25, 2015 Mamasapano incident which resulted in the death of 60 individuals, including 44 members of the Special Action Force (SAF)'s 55th Special Action Company and the 84th Special Action Company/Seaborne, in an operation to serve warrants on terrorists, Zulkifli Bin Hir, alias "Marwan", and Abdul Basit Usman.

The TRO had prevented the Sandiganbayan's Fourth Division from ruling on a motion filed by Ombudsman Samuel Martires to withdraw the charges of graft and usurpation of public office filed by former Ombudsman Conchita Carpio Morales against Aquino.

The said charges filed by Morales had been denounced as "weak" by a group representing the victims and has called for charges of reckless imprudence resulting in multiple homicide, instead. Aquino and all of the accused had not yet been arraigned on the "lighter" charges initiated by Morales and thus no double jeopardy would set in the meantime.

In February 2018, the SC's First Division issued the TRO against the Ombudsman and the Sandiganbayan from proceeding with the trial of the charges filed with the Sandiganbayan in November 2017, during the term of Morales. (PNA)

RESEARCH & DEVT. ON SCIENCE, TECH, INNOVATION URGED FOR ECONOMIC DEVELOPMENT

It was a big success for the celebration in Region 2 of the Dept. of Science and Technology's (DOST) Regional Inventions, Contests and Exhibits (RICE), held in Robinsons Place Tuguegarao City in Cagayan Valley, Aug. 26-29, 2019.

In all, it could be summed up that DOST officials underscored the need to intensify research and development in science, technology and innovation (STI), "because scientific invention is the mother of economic development." Region 2 DOST director, Engr. Sancho A. Maborang, who spearheaded the once every 2 years celebration, said that science has a significant role in the global economic development and stressed the need for more researchers, engineers and scientists, especially in the agricultural sector.

He also announced that the Philippines has upped its rank in the Global Innovation Index (GII) to 54 from last year's 73 of the 124 countries ranked. "Thus making the Filipinos more innovative and globally competitive," Maborang proudly said.

The GIJ yearly "measures" the status of science innovation of each country worldwide. "Gone were the days na sinasabi na tayong mga Pilipino ay laging nasa huli," Maborang lamented. This year's RICE has attracted more participants and entries with 162, compared to last year's. There are five categories in the RICE contest: The Outstanding Invention or Tuklas Award, Outstanding Utility Model, Outstanding Industrial Design, Outstanding Creative Research or Likha Award, Outstanding Student Creative Research or Sibol Award both for high school and college students.

Winners from each category will qualify as finalists for the National Invention Contest and Exhibits (NICE) in 2020.

Maborang further promised and assured that winners in the contest will be fully supported by DOST and their inventions "polished" to be commercially available. RICE has been one of the initiatives of the Technology Application and Promotion Institute (TAPI) in

showcasing the ingenuity of Filipino inventors "who have developed high impact technologies beneficial to the society. The contest has likewise been a "national quest to look for the best and brightest inventors in line with our endeavors, excellence and comprehensive invention and innovative expansion," according to TAPI director, Engr. Edgar Garcia, who had his speech delivered through a representative.

RICE is mandated under RA 7459, otherwise known as the "Inventors and Invention Incentives Act of the Philippines." The contest actually recognizes the indispensability of local inventors and innovators as contributors for national economic development by providing them encouragement through forms of cash rewards, certificates, and plaques. Francisco "Popoy" Pagayan, president of the Filipino Inventors Society Producers Cooperatives (FISPC) is one of this year's RICE's judges in the Region 2 competition.

RICE, an event conducted once every two years led by DOST thru TAPI, was meant to give recognition to the best researches and innovations in the region. In addition, RICE aimed to promote the Science and Technology programs and incentives for local inventors and researchers. The regional competition serves as the qualifying round for the National Invention Contest next year.

Region 2 RICE winners Below is the list of winners in each category: Likha Award (Creative Research), Regional Winner, Title: Biomass Briquetting Machine, Researchers: Joel M. Alcaraz, Cesar B. Mangadap, Conrad B. Reyes from Isabela State University - Echague Campus, San Fabian, Echague, Isabela.

For 1st Runner up in the same category, Title: Multi-Grain Milling/Grinding Machine, Researchers: Cesar B. Mangadap, Conrad B. Reyes from Isabela State University- Echague Campus, San Fabian, Echague, Isabela.

For 2nd Runner up, Title: Ivatan Beer from Sweet Potato, Researcher: Leobert

Banzali from Batanes State College, San Antonio, Basco, Batanes.

Next category is Sibol Award or the Student Creative Research for College, Regional Winner Title: Self-Service Check-Out System for Groceries, Researchers: Christian C. Balagtas, Ronica G. Museum, galleries month kicks off Luzon leg with twin events

DASMARIÑAS CITY, Cavite - The museum and galleries month celebration will formally kick off its South Luzon leg with an exhibit and press conference at the Museo De La Salle (MDLS), an on-campus museum of De La Salle University here on Sept 24, an official said on Tuesday. The National Commission for Culture and the Arts (NCCA), through its National Committee on Museums (NCCA-NCOM), has partnered with MDLS for the South Luzon launch of events.

MDLS director Cecille Torrevillas-Gelicame said the exhibit and press briefing, "are aimed at acknowledging the role of museums and galleries as instruments in creating national consciousness for Filipinos."

Although the museums and galleries are known to house a plethora of historical collections and artifacts which have awakened unity and commitment to the country that are vital to nation-building, "the event will also highlight that museums and galleries have expanded their functions," Gelicame added.

"Museums and galleries are no longer just centers of historical and cultural

consciousness but has become avenues for dialogues which best concern the general public, including pressing issues on resilience, peace, and security," she said.

An added treat is the MDLS' opening of the "Anluwage: Creating Forms, Mastering Function," an exhibition that pays tribute to traditional Filipino carpenters' craftsmanship and their conscious regard for both function and form.

Anluwage will be opened at 10 a.m. which will be followed by a press conference at 2 p.m.

Museums and galleries month is observed every month of October by virtue of Presidential Proclamation No. 798 s. 1991 meant to underscore the importance of arousing the national consciousness and pride in our rich culture and national identity, expressed in all media of art and culture, historical and religious artifacts.

This year's celebration, themed "Building the Nation, One Exhibit at a time" will have a separate kick-off ceremony in Luzon, Visayas, and Mindanao, with the MDLS activities being the first and considered as the South Luzon leg. (PNA)

SC COMMITTED TO PUT UP MANILA HALL OF JUSTICE: BERSAMIN

MANILA -- Chief Justice Lucas Bersamin on Wednesday said the Supreme Court (SC) remains committed to putting up a hall of justice for the City of Manila, a

"jinxed" project which has haunted past administrations of both the executive and judiciary department.

"We are in earnest in constructing a hall of justice worthy of a former queen city," Bersamin said in a press briefing, noting Manila was originally the first to have its own hall of justice to be put up but delays have since allowed it to be overtaken by halls of justice in other cities.

Bersamin underscored that "there is already a budget for the project" and the "design will preserve the facade" of the old Government Service Insurance System (GSIS) building in Arroceros.

The old GSIS compound across SM City Manila became the second choice for a site of the hall of justice after the first proposed site, the old Jai Alai Sky Room along Taft Avenue near Sta. Isabel College.

The top magistrate said the city of Manila, during the remaining days of the term of former Mayor Joseph Estrada, has already requested the SC to order the lower courts to vacate the city hall building which was originally put up in the 1930s.

"It (the request) is not urgent," Bersamin said, as he noted that the present area is already dilapidated with very narrow corridors.

In the past year, the SC under Bersamin has inaugurated the newly-constructed or repurposed halls of justice in Marikina City, Valenzuela, General Santos City, Sarangani, and Quezon City.

It has also received donations for new halls for San Pablo City, Laguna, the Cebu Judiciary Complex in South Road Property in Cebu City.

In a recently signed Memorandum of Understanding with the Bases Conversion and Development Authority (BCDA) for the allocation of a 5.8-hectare compound inside the National Government Administrative Center in New Clark City for the SC and its attached agencies to serve as a judiciary complex. DOH starts Cavite-wide orientation on BHWs' role under UHC

TANZA, Cavite (PIA) - The Department of Health in Region IV-A has started its province-wide orientation of Barangay Health Workers (BHWs) in Cavite about primary health care at the community level and their responsibilities under the universal health care (UHC).

Themed "Sa UHC Walang Maiwan, BHW ay Kailangan," the two-day capacity building seminar held at Tanza Oasis Hotel on August 29-30 delved not just on its specific role, but includes basic training on health care, "including the preventive and curative aspect," said Chief Local Health Support Division Dr. Noel G. Pasion.

BHWs, considered as "navigators" under the UHC should know where to refer the patient which will help decongest government hospitals, especially the 2nd and 3rd level ones.

"Nakasayanan na natin na dalhin agad ang ating mga maysakit sa mga ospital at kadalasan na dahil ay upang mabigyan ng magandang lunas ngunit sa ating mga Rural Health Units (RHUs) lamang ay kayang-kaya na itong gamutin lalo na kung ito ay hindi naman malubha," Pasion said.

(We're used to bringing the sick directly to the hospital to get treatment but our RHUs are also capable to cure, especially the non-severe cases)

During the seminar, Regional BHW Outcome Manager Kristine Mariel C. Villasanta stressed that under the UHC, barangay health workers will conduct the profiling of families in their respective areas in order for every family to have a health folder.

"Once a family has this health folder, a health professional or health facility can access a person's health record, history of treatment and medications everywhere in the country. In, short, he/she can go to any health facility and request for treatment without repeating any procedure already done such as x-rays, blood tests as it is already recorded in the health folder," said Villasanta.

Under UHC, a system will be developed for the identification of those persons most needing medical attention and also to ensure that health care resources will be used to maximize improvements in health.

"It is a vital health care planning tool that will be used for families, communities, and populations," Villasanta added.

There are a total of 21,405 BHWs Region IV-A (Calabarzon) which is composed of the provinces of Cavite (2,182); Laguna (2,054); Batangas (7,686); Rizal (2,476); and Quezon (7,007).

The regional office will continue to conduct a province-wide orientation for all of the BHWs to update them on their functions and responsibilities under universal health care. **(Ruel Francisco, PIA-Cavite with reports from DOH IV-A)**

tion Board Member Kerby Salazar, Mr. Kyle Salazar delivered his opening remarks, telling stories how breast milk from his mom and sometimes from aunts turned him into a smart and healthy young man.

Bacoor City Mayor Lani Mercado-Revilla who served as guest speaker to the event shared her experience as a breastfeeding mom, reminding that formula milk from the cow is for calf only while the milk of mothers should be given to the baby. The mother of Vice Governor Jolo Revilla shared that she breastfed all her seven children, and that in Bacoor City, there are organizations of moms who even donate breast-milk. Likewise, Mayor Lani also underscored the im-

portance of providing proper nutrition to the baby's first 1000 days to avoid stunted growth.

More inspiring talks that promote breastfeeding and proper nutrition to babies covered the one-day event. Sa sumunod na takbuhang ay hindi naman nabigo na makatikim ng panalo ang kabayong si Doña Susan na nakalusot sa gawing loob para malamangan ang nakasabayan nilang rumemate na si Casablanca at lagpasan ang nasa unahan na dehadong kabayo na si Mahilig. Sa takbuhang iyan ay hindi na nakatagal sa rektahan ang mga nauna sa maagang puwestuhan sa bandera na sina Only One at Awat Na Boy. Isang upset win naman ang nagawang panalo ni Jigger Paano sa gamay niyang kabayo na si The Catalyst matapos na dikitan ang outstanding favorite na si Bebang ni Toypits Guerra. Paglagpas ng 800 meters at pagpasok sa huling diretsahan ay wala nang nagawa pa si Toypits sa pagkakapitpit sa kanila ng malaking kalahok na si The Catalyst na nakapagtala pa ng umentadong tiyempo na 1:28.5 sa distansiyang 1,400 meters mula sa kanyang nakaraang rekord na 1:30.6 noong Abril 2019. Nakadehado naman sa sumunod na takbuhang ang kabayong si Pendant na ginabayan ni Dudong Villegas na nakaremata rin sa may tabing balya para talunin ang mga paboritong sina Classic Gee ni Jommel Lazaro at Hail Storm ni Toypits Guerra. Nangibabaw naman ang nagbabalik pista na si Guenevere na pinitik-pitik lang ng nagdala sa kanya na si Jomer Estorque upang biguin sa datingan ang bumandera na si Indelible Quaker ni Rey Niu Jr. bago tumawid sa linya. Sa lakas ng ayre sa unang tatlong kuwartos ay huli na nakaremata sina Toscana, Apollo Of Aguila at Nasayona Anglahat. Sa huling karera naman ay tila nag-jogging lang ang super mega outstanding favorite na si Super Sonic na sinakyan ng hineteng si Jesse Guce na naorasan ng 1:28.2 (12'-24'-23'-26') para sa 1,400 meters na distansiya.

**ARCI MUÑOZ.
 CAREER MUNA
 ANG LOVE ONE**

ANO ba naman ito, nakasentro uli ang artikulo natin sa hiwalayan blues.

Yes, confirm as in kumpirmado na split na si Arci Muñoz sa kanyang nobyong si Anthony Ng.

Kaloka, last issue natin ay hiwalayan blues between Sue Ramirez and Joao Constanca. Same with Sue and Joao, parehong desisyon nina Arci at Anthony ang kanilang break up.

Katulad din nina Sue at Joao, walang third party kaya nangyari ang paghihiwalay between Arci and Anthony.

Walang nabanggit si Arci na mga rason kung bakit humantong sa break up ang kanilang relasyon.

Muli, kagaya nina Sue at Joao ay mananatiling friend sina Anthony at Arci kahit split na sila.

If you still remember, year 2017 ay ibinunyag ni Arci ang relasyon niya sa negosyanteng

nobyong.

After more than two years ay nakakalungkot lang na heto at end na ang kanilang relasyon.

Well, that's life. Ganyan naman talaga ang relasyon, siguro hindi sila meant for each other.

Since zero ang buhay-pag-ibig ng aktres ay ang kanyang career muna ang love one ni Arci sa ngayon.

PAGLILINAW NI LEO

Mayroong paglilinaw si Leo Martinez kaugnay sa pelikulang "Dagsin" (Gravity).

Si Leo ay director-general ng Film Academy of the Philippines (FAP).

Ang naturang pelikula ay hindi pa pormal na napipili bilang pambato ng Pilipinas para sa prestihiyosong 92nd Academy Awards o Oscars 2020.

May mga umugong kasi na ang "Dagsin" ay nakapasok sa shortlist

**IISA... SA PANULAT NI KUYA ARMAN
 IKAW AT AKO**

(Ika-25 labas)

NANG makauwi ay shower na lamang si Cecile habang si Bernie ay diretso ng kusina.

Habang kumakain ay sinabihan ni Cecile si Bernie na pagkatapos ay sumunod para makatulog na sila.

"Alam mo na kung saan ka susunod ha, kung saan ka matutulog."

Nasa bakasyon pa rin si Cora kay naman si Bernie ay doon pa rin matutulog sa silid ni Cecile.

"Subo na talaga ako pero 'di bale at magagamit ko rin naman ito kaya oks lang."

Alam ni Bernie na mapapasabak na naman siya kapag nasa loob na ng kuwarto ni Cecile.

"Pero 'di bale at ang iisipin ko na lamang ay si Jane, 'saka kung tutuusin ay ubra pa naman s'ya."

Sa isip-isip ni Bernie ay pagaganahin na lamang niya ang imahinasyon kapag katabi na si Cecile.

Kagaya ng inaasahan, pagkapasok ng silid ay niyaya na siya ni Cecile na mahiga na.

Kaya naman ganoon na lamang ang ginawa ni Bernie, si Cecile ang kanyang katabi subalit sa isip niya ay si Jane.

"Mahal kita at uulitin ko, hinding-hindi kita paluluhain. Pahahalagahan ko ang pagmamahal na ito."

Pagkatapos ng pagniniig ay hindi pa sila makatulog sa halip ay magkayakap na nagkukuwentuhan.

Si Bernie ay bihasa na sa mga kasinungalingan dahil hindi naman totoong mahal niya si Cecile.

"Paano nga pala 'pag bumalik na si Cora, eh dito pa rin ba ako sa kuwarto mo matutulog?"

Malakas na ang loob ni Bernie na makapagtanong kay Cecile dahil iba na ang kanilang sitwasyon sa ngayon.

Mayroon na silang relasyon kaya nga lamang ay palihim at nangyari lamang na magkasama sila sa iisang silid ay dahil bakasyon pa si Cora.

Hindi sumasagot si Cecile sa katanungan bagkus ay yumayapos lamang.

"Mukhang 'di ko yata kakayanin na sasapit ang mga gabi na hindi kita kasama at katabi sa pagtulog."

Bumoka ng pambobola si Bernie bagay na ikinakilig naman ni Cecile.

"TANIM SA TIYAN"
 NOBELA NI ATE JOSIE

(15)

MASAYA ang pakikipag-inuman ng tuba ng magkaibigan sa tiyuhin ni Alex.

Sa kalagitnaan ng tagayan ay nakaramdam ng pananakit ng tiyan si Allan.

Nagulat si Allan nang ituro sa kanya ni Alex ang kasilyas na nasa labas ng bahay.

Pinagtabing-tabing na dahon ng puno ng buko at wala pang bubong na ang pinakapinto ay tinahing mga sako.

At ang lalong ikinagulat ni Allan nang bigyan siya ng tabo na katumbas ay isang katamtamang sukat ng lata.

Isa pa sa hindi inaasahan ni Allan nang ituro ni Alex ang balon na sasalukan ng tubig.

"Panghugas mo lang ng 'wetpu mo 'yang isang tabong tubig at wala ng buhus-buhos pa."

Hindi na nag-usisa pa si Allan dahil masakit na talaga ang kanyang tiyan kaya diretso ng balon.

Pagkasalok ng isang tabong tubig ay takbo na sa itinurong kasilyas sa kanya ni Alex.

"Makakasanayan mo rin 'yan, sa umpisa ka lamang maninibago at pagtagal 'swak na agad 'yun."

Nakaraos ng pananakit ng tiyan si Allan at todo naman sa pangangantiyaw sa kanya ang magtiyuhin.

"Hoy pare may sabon 'dun ah, nakita mo ba?"

Lakas mang-asar ni Alex sa kaibigan pero sanay naman na si Allan.

Sarap na sarap si Allan sap ag-inom ng tuba palibhasa ay bagong kuha kaya manamis-namis.

Basu-baso ang kanilang tagayan at ang pulutan ay mga sariwang isda.

Kaya naman pagkatapos ng inuman ay plakda sa highaan ang magkaibigan dala ng pagod sa biyahe at pakikipag-inuman ng tuba.

"Almusal na kayo, kung gusto n'yong magkape ay sumandok na lamang kayo."

Medyo madilim-dilim pa pero gising na lahat kaya naman napilitan ang magkaibigan na bumangon na rin.

Kanin ang almusal at isda pa rin ang ulam nang makihalubilo ang magkaibigan.

Hindi sanay si Allan sa lasa ng kape sa probinsiya, bigas na isinaing at ginawang kape.

(Itutuloy)

ng International Film Feature Category ng Oscars 2020.

Dito ay nilinaw ni Leo na ang 'Dagsin' ay kabilang sa mga pelikula na maaaring ikonsidera bilang possible entry.

Pero hindi ibig sabihin na ito na ang official entry ng 'Pinas para sa Oscars.

"The screening of the films being considered by a local screening panel approved by the Oscars will begin in September, to meet the deadline of the submission of the country's film entry on October 1. It is only after October 1 then that we can declare an official Philippine film entry to the international film

feature category of the Oscars," bahagi ito ng paglilinaw ni Leo.

Bida sina Tommy Abuel at Marita Zobel sa nasabing pelikula, na ang istorya ay iikot mula sa isang beterano ng World War 2 na nawalan ng paniniwala o pananampalataya sa Diyos.

Kung inyong matatandaan, ito ay unang ipinalabas sa Cinemalaya Philippine Independent Film Festival noong 2016.

Ang 92nd Academy Awards ay gaganapin sa Dolby Theater Hollywood, Los Angeles, California sa Pebrero ng susunod na taon.

TEKNIKAL NA PULONG PARA SA SEAG VENUES

NAGSAMA-SAMA ang mga teknikal na delegado mula sa iba't ibang mga sports ay para sa ikalawang Teknikal Delegates Meeting na ginanap sa Polkabal Ballroom ng The Manila Hotel.

Ang Philippine Southeast Asian Games Organizing Committee Chief Operating Officer Ramon "Tats" Suzara ay nag-host sa nasabing kaganapan at ipinakita ang

Teknikal na Delegates sa kauna-unahang pagkakataon.

"Palagi akong nagbibigay ng kaahalagahan sa lahat ng aming mga teknikal na delegado. Nagbibigay kami ng kaahalagahan sa mga coach ng mga atleta, ngunit siyempre huwag nating kalimutan ang mga teknikal na delegado dahil gaganap sila ng napakahalagabg papel para sa tagumpay ng darating na 30th SEA Games," sinabi

Suzara.

Ayon kay Suzara na ang pag-aayos ng 11-nation meet ay hindi magiging posible nang walang tulong at kadalubhasaan ng mga teknikal na delegasyong ito.

Si Valson Cuddikotta, ang teknikal na delegado para sa atleta, ay pinuri si Suzara para sa pagsasagawa ng pagpupulong at sa pagpupulong sa mga opisyal.

Nagpahayag ng mataas na pag-asang

Cuddikotta na ang biennial meet ay ang pinakamahusay na edisyon ng Mga Larong SEA sa kasaysayan dahil sa sapat na paghahanda na ginagawa ng Pilipinas.

Binanggit niya ang track at field stadium sa New Clark City, Capas, Tarlac bilang isang pasilidad sa klaseng mundo kung saan ang Pilipinas ay madaling mag-host ng isang global-level na paligsahan sa malapit na hinaharap.

Kasama rin sa pagpupulong ay ang mga Teknikal na Delegado ng Aquatics - Swimming Naddeh, Ibrahim Fadil, Aquatics - Water Polo Kuroda Katsumi, Sepak Takraw - Abdul Kader at Abdul Halim Bin, Agus Antares Mauro ng Basketball, Sebastian Lau ng Esports at Datu Low Beng Choo ng Softball.

"Kailangan ko ng gabay mula sa kanila upang magpatakbo ng Mga SEA games. Nararapat lamang na bigyan sila ng kaahalagahan," sabi ni Suzara

Nag-convert si Bright Akhuetie sa isang hook shot na may 1:35 sa orasan upang muling itayo ang UP, 57-55, tulad ng lahat nina Hubert Cani at Wendell Comboy na pinahalagahan ang kanilang mga potensyal na go-ahead buckets para sa FEU.

Habang si Jun Manzo ay nag-iced ng laro mula sa charity stripe sa huling 10.6 segundo upang i-lock ang

anim na puntos na panalo.

Kumolekta si Manzo ng siyam na puntos, apat na rebound, apat na assist, at dalawang pa simpleng basket, bilang UAAP Most Valuable Player kay Akhuetie na nakakuha ng pitong puntos at 11 rebound.

Gayunman, alam ni Coach Bo Perasol na hindi magiging posible ang tagumpay kung hindi para kay Gomez de Liano.

ESTUDYANTE, 'K.O.' SA 'MALA-PACMAN' NA SUNTOK NG KAINUMAN?

ISANG mala-Pacman na suntok at animo'y knock out (K.O.) ang isang 22-anyos na estudyante na ikinamatay nito mula sa kamao ng kanyang kainuman sa Tagaytay City, Cavite.

Namatay habang ginagamot sa ospital ang biktimgang si Patrick John Ernie, ng Pabahay, Brgy Mendez, Crossing East, Tagaytay City dahil sa tinamong isang malakas na suntok mula kay John Carlo Aterado, 23, ng naturang barangay. Sa ulat ni PMSgt Jude Camitan, ng Tagaytay City Police Station, dakong alas-8:00 ng gabi nang naganap ang insidente sa Brgy. Zambal, Tagaytay City. Nag-iinuman ang biktima at kapatid nitong si Jayson,

suspek at ilang kaibigan nila.

Sa kalagitnaan ng kanilang inuman ay nagkaroon ng mainitang pagtatalo ang suspek at si Jayson at nang napansin ito ng biktima ay bigla itong lumapit.

Inakala umano ng suspek na magkakampihan ang magkapatid at susuntukin siya kaya inunahan niya ng isang malakas na suntok sa mukha ng biktima na nawalan ng malay.

Isinugod ang biktima sa ospital subalit namatay ito habang ginagamot dahil sa Intracranial Hemorrhage.

Matapos na tumakas ang suspek ay nagtago subalit naaresto rin sa isinagawang follow up operation ng pulis. **GENE ADSUARA**

Bebot, utas sa selosong sekyu?

WALA ng buhay nang natagpuan ang bangkay ng isang isang 22-anyos na call center agent sa loob ng tinitirhang apartment na umano'y kagagawan ng kanyang live-in partner na sekyu sa Silang, Cavite.

Hinihinalang may ilang oras ng patay nang natagpuan ang bangkay ng biktimgang si Mary Joy Anayan, at ang itinuturong suspek ay ang kanyang live-in partner na si Radie Macauling Sausa, 30, security guard, ng Cusipag Apartment, Purok 2, Brgy Ichican, Silang.

Sa ulat ni PMSg Decto Abangoen, ng Silang Municipal Police Station, dakong alas-6:50 ng umaga nang natagpuan ni Jenelyn Garcia, kapitbahay ng biktima, ang naturang bangkay sa loob ng tinitirhang apartment nito.

Nauna rito, isang tawag mula sa kapitbahay ng biktima ang nangangap ng Silang MPS hinggil sa naturang krimen.

Nang puntahan ng mga awtoridad ay natagpuan ang katawan ng biktima kung saan may tatlong tama ng saksak sa dibdib.

Bago natagpuan ang bangkay ng biktima ay narinig umano ng kanilang kapitbahay na nag-aaway ang dalawa pero nasanay na ang mga ito dahil madalas umanong nagtatalo ang maglive-in partner at mad-alas ay selos umano ang dahilan.

Selos din ang nakikitang dahilan ng mga imbestigador ng motibo sa pagpatay.

Sa isinagawang follow up operation ng pulisya ay naaresto ang suspek dakong alas-7:30 ng gabi sa Brgy Ichican, Silang, at nahaharap sa kaukulang kaso. **GENE ADSUARA**

Drug convict freed due to GCTA surrenders in Pasay

MANILA -- A drug convict who was among those freed under the Good Conduct Time Allowance (GCTA) law surrendered to authorities in Pasay City, the National Capital Region Police Office (NCRPO) said Thursday.

NCRPO chief, Maj. Gen. Guillermo Eleazar, identified the surrenderer as Nicanor

"nongta lang yorme kois"

ISANG memorandum of agreement (MOA) ang nilagdaan sa pagitan ng pamahalaang lokal ng Maynila at Mc Donald's fast-food chain.

Mayroong 40 puwesto ang Mc Donald's sa Maynila at isinasaad sa kasunduan na sa bawat branch ay maaaring makapagtrabaho ang dalawang kwalipikadong senior citizen at isang person with disability (PWD).

Kwalipikado, ibig sabihin ay maipapasa nila ang physical, medical, at laboratory examinations kalakip ang sertipikasyon na sila ay "fit to work."

Magsusumite rin sila ng barangay certification, Mayor's permit o occupational permit mula sa Manila Health

Department at iba pang dokumento.

Ang aplikante na senior citizen ay dapat 60 taong gulang pataas habang ang isang PWD ay pipi at bingi.

Maganda ang layunin ni Manila Mayor Francisco "Isko Moreno" Domagoso para sa mga persons with disabilities (PWDs) at senior citizens sa lungsod. Sabi nga ni Isko, dapat ay ipakita at ibigay ang patas na pagpapahalaga at oportunidad sa mga senior citizen at PWDs partikular na sa paghahanap ng trabaho.

Kaya nga ang apela ni "Yorme sa mga PWDs at senior citizen na makakapasok sa Mc Donald's ay ayusin o pagbutihin ang trabaho at huwag sayangin ang

naturang oportunidad. Balikan po natin ang katagang 'fit to work' at kwalipikado para sa mga nakapasa. Maaaring pasado sila sa mga eksaminasyon gaya ng physical, medical, at laboratory.

Ang tanong ay ano naman ang kanilang posisyon o gagawing trabaho sa Mcdco?

Alam naman nating paspasan o mabilisan ang bawat galaw diyang.

Kakayanin kaya ito ng mga senior citizen? Maaari pa marahil iyong PWD lalo at bata pa naman.

Tanggapin natin ang katotohanan na masasabi nga na ang senior citizen ay malakas o masigla pa subalit iba na ang kanilang resistensiya.

Wala bang ibang maaaring papasuking trabaho ang senior citizen na akma naman sa kanilang edad? Just asking lamang po.

Ito pa ang isa sa mga magandang ayuda ni Mayor Isko, ang pagpapatupad ng curfew hour sa Maynila para sa mga minors.

Walang ibang hangad ang alkalde kundi ang maproteksyunan at madisiplina ang mga menor de edad o bata.

Ayos po di ba kaya nga lamang ay paano na iyong mga paslit na nagsisilbing breadwinner sa kanilang pamilya.

Nasa maralitang estado sila na ang tanging pamamaraan ng bata upang kumita o magkaroon ng pera ay sa pamamagitan ng paglalako ng paninda sa gabi o pangangalakal ng mga basura?

Hindi maikakaila na dahil nakaratay sa sakit si nanay o wala na si tatay kaya ang anak o bata ang gumagawa ng paraan para sa kanilang ikabubuhay. Marahil ay alam ito ni Isko dahil sinasabi niyang siya ay lumaki sa hirap.

Sabihin na nating nariyan pa pareho sina nanay at tatay subalit kakarampot lamang ang kinikita kaya ang bata ay napipilitang kumilos.

Mas masaklap kung ulila na sa ina at ama na tanging ang panganay ang gumagawa ng paraan subalit itong si ate ay menor de edad pa rin na ang tanging alam na kikitang pera ay sa pamumulot ng basura o kalakal na kung hindi man ay pagtitinda gaya ng mga mani, bulaklak, at iba pa na sa gabi hanggang madaling araw ginagawa.

Silang mga bata na gumagala sa gabi o disoras na ang pakay ay hanapbuhay, paano na sila Mayor Isko?

Muli, "nongta lang yorme kois?"

Crime rates down during 'ber' months of Duterte admin

MANILA -- Crime volume in the country decreased during the so-called "ber" months since President Rodrigo Duterte assumed office, the Philippine National Police (PNP) said Wednesday.

Data from the Directorate for Investigation and Detective Management (DIDM) showed that the nationwide crime volume has steadily declined during the "ber" months (September- December) from 191,733 crime cases in 2016 to 154,925 in 2017 and 163,821 in 2018.

The figure also showed the decline of crime volume from 393,150 from January to August 2016 to 365,716 in 2017 and

326,572 in 2018.

This year, the PNP has recorded 307,091 cases from January to August this year.

PNP chief Gen. Oscar Albayalde said this breaks the trend that crimes spike during the "ber" months.

"For now, we have broken this trend. The idea of increased crime volume during 'ber' months is slowly becoming a thing of the past," Albayalde told reporters.

"People start shopping during these months. Once they have the money, they use this for shopping purposes or buying of gifts as early as September. We prepare for gift-giving come Christmas Day in Decem-

ber. This is also primarily the reason why some petty crimes rise during this season," he explained.

The PNP attributed the lower crime rates to the intensified campaign of President Rodrigo Duterte's administration against all forms of criminality, particularly against illegal drugs. Earlier, Maj. Gen. Guillermo, National Capital Region Police Office (NCRPO) chief, said the continuous drop in the crime rate is due to their intensified police intervention and campaign against illegal drugs and other crimes.

"Partly, this can be attributed to more active police interventions and increased vigilance of our

citizens during this period brought about by strong public awareness thru the media," Eleazar said.

"It is now a myth in NCR. We have reversed that at least since 2016," the Metro Manila top cop noted."
