## EXHIBIT REVISTS CAVITE TOWN'S EARLY

### 20th CENTURY LIVELIHOOD

**KAWIT, Cavite -- The historical town of Kawit may be synonymous to General Emilio Aguinaldo's declaration of Philippine independence in 1898 and his iconic abode, which now turned into a shrine and museum in his honor. Aside from this, the town is also known for its leading livelihood activities in the early 20th century.**

This is the highlight of the National Historical Commission of the Philippines' (NHCP) free exhibit, dubbed "KA(la)WIT: Baldomero and the Livelihood of early 20th century Kawit" at the Museo ni Baldomero Aguinaldo (MBA) in Binakayan village which opened here on Friday.

"The exhibit aims to inform the present generation and the public not just about the town's origin but its livelihood activities back at the era when it was still considered a predominantly agricultural town," MBA curator Ahzel Miral said.

From Ka(la)wit to Kawit Founded in the 16th century, what is now known as a first-class municipality is considered one of Cavite's oldest towns.

It was popularly referred to as Cavite el Viejo (Old Cavite) during the Spanish era, where its name was derived from the word "kalawit" or hook, "in reference to the small hooked-shaped peninsula jutting out to Manila Bay from Cavite," Miral said.

One of the nearest towns from the Manila, Kawit is considered as a highly-urbanized town. But back in the early 20th century, Cavite el Viejo was a relatively small pueblo in terms of population and land area where most of its lands were used by the olden townfolks for farming.

In 1884, with an area of 1,542 hectares, the town was composed of six barrios--Poblacion, Binakayan, Putol, San Juan, Gahak, and Tabon-- 1,193 hectares of which were devoted to farming, while the rest was idle land.

"The exhibit coalesces the words Kawit and Kalawit as it combines the town and its most notable imagery of the farming industry."

The exhibit will also take the guests back in the ear-

ly 20th centuries to explore the town of Kawit in the perspective of the leading livelihood activities, "when aside from farming, Cavite el Viejo (old Cavite) also had other industries like fishing, salt production, and blacksmithing," Miral added.

Of its leading livelihood activities back then, only the salt production and blacksmithing remain. These industries are only some of the reasons why the town remains popular among tourists.

Another Aguinaldo in history

The exhibit also aims to transmit and disseminate significant information about another Aguinaldo who figured in history, Baldomero, where a shrine and museum in his honor is also managed and run by NHCP.

"In this atmosphere (where we present the leading livelihood activities), we inject the image of Baldomero Aguinaldo, a general of the revolution, a Kawiteño, and a farmer," Miral said.

The exhibit, which runs until Nov. 30, will also put into context how Baldomero Aguinaldo lived as a farmer after the revolution and retired to a private life in his humble abode, now known as the MBA.

The National Museums and Galleries month is observed the whole month of October under Presidential Proclamation 798 s. 1991. This year's celebration theme is "Building the Nation, One Exhibit at a Time".

The exhibit also forms part of "Project Bayani: Curating South Luzon", a simultaneous exhibit among members of the Southern Luzon Association of Museums.

The project attempts to promote a museum route by creating a unifying exhibit to capture in a single theme the thrusts of each participating museum.

MBA is one of the three NHCP-run museums in Cavite, along with Museo ni Emilio Aguinaldo (MEA, also in Kawit town), and the Museo ng Paglilitis ni Andres Bonifacio (Bonifacio Trial House) in Cavite's Maragondon.

It is open from 8 a.m. to 4 p.m. on Tuesdays to Sundays. (PNA)

## Pinal na: Closure order vs Isetann ibinaba ng Manila LGU

**PORMAL** ng ipinag-utos ng lokal na gobyerno ng Maynila ang pagsasara ng isang shopping mall sa Recto Avenue, Maynila matapos madiskubreng lumalabag ito sa mga ordinansa at nag-"misrepresent" ng mga aplikasyon ng permit.

Ayon kay Manila Mayor Francisco "Isko Moreno" Domagoso, nag-ooperate raw ang may-ari ng mall na Tri-Union Properties Inc. bilang lessor kahit na "wala ang kinakailangang business permit."

Nabatid na inilabas ng Manila Public Information Office ang kopya ng closure order sa kanilang Twitter account.

Ayon sa dalawang pahinang papel, sinasabing walang binigay na business permit sa Tri Union Properties Inc., o sa anumang negosyo, para sa pag-lease ng stalls at mga espasyo sa loob ng Isetann Cinerama Complex.

Pero hindi lang basta isyu ng permit ang dahilan ng pag-papasara.

Nagkaroon daw kasi ng mis-

declaration sa aktwal na laki ng pinagnenegosyohan at kwestyonableng bilang ng mga empleyado.

"Sa valid business permit nila, idineklara nilang 1,000 square meters [lang ang business area nila] at meron lang 10 empleyado," ani Domagoso.

Sa apat na sinehan sa loob ng mall complex, sinasabing iisa lang ang may business permit.

"Pagdating sa operational cinemas, may existing at valid business permit para lang sa isa na pinatatakbo ng Cineworld Cinema, Inc. na balido hanggang katapusan ng 2019," dagdag niya.

Ika-7 ng Oktubre raw nang mag-isyu ng memorandum si Police Major Rosalino Ibay Jr., hepe ng Special Mayor's Reaction Team, para iberipika ang mga impormasyon at mag-imbistiga sa mga establisyamento.

Nilinaw naman ni Domagoso na pwede uling buksan ang Isetann oras na sumunod

silang mga rekisitos na hinihingi ng lokal na gobyerno. Una nang nagbanta ang alkalde na ipasasara ang mall dahil sa mga reklamo

na nagkakanlong sila ng mga nagbebenta ng nakaw na cellphone. (leonard basilio)

# A HAPPY SERVANT

by: G.S. Atas (SGOD)

A FAMOUS Hollywood actor, Arnold Schwarzenegger, once said to help others and get something back. I guaranteed you will discover that while public service improves the life and the world around you, it's greatest reward is the enrichment and new meaning it will bring to your own life.

That makes me think of what is the essence and meaning of my life before I reached this point.

As I reminisce about my life for a year as a contractual teacher in a private school. As a newly graduate, my mind was full of ideas for what I have learned at PNU-Manila. I took care of children ages 5 and below, feeding their minds with knowledge, teaching them good values and etiquettes, socials and grooming made easy for me but the struggle was on the part of disciplining extreme children in class who were pampered and spoiled by their parents that made it difficult for me to instill the reality of life for them

Then I pushed myself to be in the public school system. I was assigned to a remote barangay. There I faced challenges. In a school with less needed facilities, furniture, and supplies I exerted more efforts to connect with the parents and communities for the support of their material needs in school to make their children feel the safe and relaxing atmosphere in the classroom. In return, I had done my duties to my pupils as their second parent or older sister in school.

Being single at that time, my salary was enough for me to extend support in preparing my instructional materials, adopting my less fortunate pupils as to give them regular extra "baon" for fare and food and even buying school supplies for them. Sometimes, I brought my pupils at home during weekends and coach them if they have upcoming contests. I exerted efforts after my class to provide them remediation especially in reading and

mathematics. I visited my pupils and walking extra miles to reach those who live near the creek, slopy area, and far-flung area just to see them okay.

I spend time to confer with parents at home, explaining to them the importance of education to their children, because parents rather than being a tricycle driver. By then, when most of the community sold their lands to the business tycoons, there were difficulties for them, to send their children to school, not because of money but because at that time, having money for them is enough. I never gave up on my pupils, but I came up and show them I care. Happy to say that I won this battle—no one in my class dropped.

With this effort, I became our school representative in district activities—became teachers club president, school representative to LGUs, winning coach, winning teacher-participant, and awarded in 1997 as District Outstanding Teacher. Then I pursued my postgraduate study to make me more equipped with knowledge and skills that I share with my teachers and colleagues.

When I became Teacher-in-Charge in another school and promoted as Teacher III, the same level of expectations from my superiors and my colleagues never changed. At that time, I remember the saying "Walk your talk." I doubled my efforts especially when I have my own family to take care of. To lead teachers in school is difficult. You need to be firm in any decisions. I sacrificed not being with my children in school. I sent them to far school from me, just to make teachers follow the school rules about limitations in taking care of their children while working in teaching. How I wish I could eat lunch with my children and be with them when they need. Another is the struggle between imposing what mandates us to do from the DepEd Orders issuances, Magna Carta, and Memoranda against what exists in the school from their old and negative practices of the

community or neighbors where most of them are relatives of my spouse.

I experienced managing the school with mobile patrols and polices who rendered services for security inviting us to present, and arguing with strong personalities or politicians, DepEd officials and my spouse's family members to the school's site ownership and dispute of claiming the land against the heirs. The school was barricaded and all classroom doors were locked by the owner of the land, who is also the grandfather of my spouse. During that period, I conducted series of negotiations with my in-laws and other families to let the government decide on the issues and insisting that we need to serve the residents of the barangay by allowing the children to go to school.

Luckily, having a supportive, educated and understanding spouse, I established my role as a school leader as his relatives. He is the boss in the house, but I am the boss in the school as if he cannot get away that I was just imposing what is right for the learners, what is good for the community and what was beneficial for all of us. Even my relationship with him was at risk. During that period, I also learned to balance my relationship with the community, teachers and other stakeholders. I practice democratic leadership among teachers. I trained them well and honed their potential and skills. I encouraged them to grow professionally and personally. Surprisingly, 7 were promoted. Others to become school heads and some become the asset of the district.

When I was transferred to another district in a school with few teachers and a small population of pupils, a challenge had been part of my job when I had one problem teacher. I have tried to be friendly with that teacher, asking his needs and wants from colleagues providing him technical assistance and resources he needs to perform better in school, but still, he showed tardiness, frequent absenteeism, in compliance with the school reports and requirements, and other

misconduct. I documented all the conferences with him and issued school memorandum for him, so that he was aware of what he was doing until such time that I referred to the higher office for appropriate discipline or administrative decision even some of my co-school heads were advising me not to do it because he was a drug addict and they feared that he can do harm to me anywhere anytime and my life will be at risk.

There is a saying that only by giving, you are able to receive more than you already have. This proves my good relationship with my colleagues as they recognize my potential to lead them in a group, asking my point of view and knowledge on any matter relative to their functions. Being grateful to my superiors means conforming with the expectations of the office for me to be an effective and efficient DepEd worker.

Being a public servant is not an easy task. Sometimes you pleased some people, some not. But the wonders of being a public servant was never seen, but it was felt. Just serve with dignity, knowledge, patience, and with your heart because you will be blessed. I have seen this with my former pupils who are now successful professionals, teachers under my care, and with my colleagues who are also promoted that they kept on expressing their gratitude for what I have done to them personally and professionally. Do you want to be served or be a servant? The challenge is given to you—it is your choice, which one?

## PH SWEEPS 3 PENTATHLON EVENTS

**SUBIC Bay-- Team Philippines, na gawa sa mga mag-aaral-atleta mula sa Ormoc City, sinaktan ang lahat ng tatlong gintong medalya na nakataya sa unang araw ng 30th Southeast Asian Games modern pentathlon test event sa Boardwalk**

Ang labing-pitong taong gulang na si Princess Abilon ay nag-angkin ng dalawang gintong medalya matapos na ibigay ng Team Philippines ang mga kalahok mula sa Thailand, at matapos niyang pangunahin ang indibidwal ng kababaihan at tinulungan ang dalawang miyembro ng relay squad sa unang lugar. "Nanatili lang akong nakatuon," sabi ni Abilon, isang estudyante sa Ormoc City Regional Sports Academy. Sa pagkumpleto ng kaganapan na pinatatakbo ng laser, na humahalili ng apat na paa ng isang apat na target, sinundan ang pagbaril sa pistol ng laser at isang 800m run na ginawa ng apat na beses, natapos ni Abilon ang kurso ng kababaihan sa 12 minuto at

3.9 segundo.

Pinangunahan ni Abilon si Ivy Dino, na nag-ayos para sa silver medal noong 13:11.87, kasunod ang pangatlo kay Shira Mae Aranzado, 13:17.35.

Sa kapareha na si Samuel German, pinasiyahan nila ang relay sa 10:39.85, kasama ang Duo at Michael Comaling na naglalagay ng pangalawa sa 11:07.66.

Ang comaling, na nasa kanyang pangalawang international stint, ang nanguna sa mga indibidwal na kaganapan sa kalalakihan upang matapos na may isang ginto at pilak.

Ang 19-taong gulang na si Comaling ay nag-clocked ng 10:11.59, mga 27 minuto bago ang pangalawang lugar Alne Tonada.

Ang isa sa mga pambansang coach, Rex de la Cruz ay sinabi na ang huling araw ng kaganapan ay magiging mas mahirap, kasama ang mga kalahok na gumagawa ng isang beach triathle, na isang 200-meter swim at laser shoot course.

"Ito ay isang takdang oras, at walang punto na ibinigay dahil hindi gaanong

maraming mga kaganapan na ginanap. Nais ng laki ng aking mga atleta ang kanilang mga karibal mula sa Thailand. Kaya't mainat nilang kinuha ang mga bagay ngayon, "sabi ni de la Cruz.

Sinabi ni Ormoc City Mayor Richard Gomez, na pinuno ng Philippine Modern Pentathlon Association, ito ang unang pagkakataon na ang palakasan ay gaganap sa bansa bilang isang kagana-

pan sa 30thSEA Games.

At ito ay matapos niyang tanungin ang mga pinuno ng sports mula sa rehiyon ng Timog Silangang Asya para sa pagsasama nito kasunod ng matagumpay nitong pagtakbo sa lebel ng Asyano.

Pinaglaban ito ng Thai bet na si Loorjin Wichapon kasama ang mga karibal ng mga Filipino sa men's division.

## THE CENTURION, NAKASILAT

Sa ginanap na pakarera sa pista ng San Lazaro sa Carmona, Cavite ay nakasilat ang kabayong si The Centurion na sinakyan ng hineteng si Oneal Cortez ang dalawang nakalaban na liyamado na sina Miss Campbell ni Pabs Cabalejo at Top Attraction ni Bodjie Henson sa pambungad na takbuhan para sa 3YO & Above Maiden Race group. Sa kasunod na takbuhan ay bumulaga naman ang dehadong si Princess Atiana na nagwagi ng banderang tapos sa kamay ng apprentice rider na si Paul Albert Refe. Pumangalawa sa kanila si Rochelle's Gift ni Rainer Semplicio at pumangatlo si Nostradamus ni Jomer Estorque. Sa karerang iyan ay hindi tumimbang ang liyamado sa lahat na si June Eleven. Magandang diskarte naman ang ginawa sa kabayong si Air Class matapos na hayaan na magkusa ng takbo ng gumabay sa kanya na si Brix Fulgencio papasok sa huling 400 meters sa may gawing labas at agaran namang nagresponde si kabayo, kaya naman ang mga humabol pang sina Toscana at Strong Leader ay hindi na nakapormang makadikit man lang sa huling diretsahan. Sa sumunod na tagpo ay mahusay ang nagawang diskarte ng hineteng si Ryan Base sa dala niyang kabayong si Tagpuan na halos sa rektahan na lamang pina-init at nagtuloy- tuloy hanggang sa makarating sa meta ay wala nang nagawa pa ang mga nakasagupa na sina Double Sunrise at ang nakabakbakan sa unahan na si Fighter Inthe Wind. Walang hirap na dinaanan lang ng super mega outstanding favorite na si To It's Si Bing na ginabayan ni Mark Gonzales ang kanilang mga nakalaban sa ikalawang dibisyon ng "Fundador's Cup". Sumegundo sa kanila ang kabayo na si Deal Maker na sakay ni Pati Dilema at tersero ang bumulusok na si Makarit ni Jeric Pastoral. Samantala nanguna sa laban ang nagbabalik na si Truly Ponti na ginabayan ng hineteng si Pabs Cabalejo kontra sa mahigpit na nakalaban na kabayo na si Scarborough Shoal sakay ni Pati Dilema na tumersero lamang matapos na lagpasan sa segunda ng hineteng si Jesse Guce sakay ni Gomper Girl.

# HOLDAPER NA NAG-VIRAL, SWAK SA MPD SMaRT

Arestado ng Manila Police District Special Mayor's Reaction Team (MPD-SMaRT) ang lalaking nahuli sa isang viral video na nangholdap ng isang trucker sa Road 10, Tondo noong Sabado, Oktubre 5.

Ipinisenta ni Manila City Mayor Francisco "Isko Moreno" Domagoso ang suspek sa media nitong Lunes, Ok-

tubre 7.

"Akala natin magtitino ang mga lokong ito. Lumala pa eh. Hindi lang sila nangunguha ng materyales sa trak. Pinapasok na 'yung driver," sabi ni Domagoso.

Nabisto ang panghoholdap sa isang nag-viral na video sa social networking site na Facebook.

Kita rito ang pwersang pagbukas ng apat na kahalakihan

sa pintuan ng truck sa kalagitnaan ng matinding trapiko sa Mel Lopez Boulevard. May dala pang bladed weapon ang isa sa mga nangholdap. Dahil dito, nagsagawa ng anti-criminality operation ang tauhan ng MPD SMaRT sa Mel Lopez Boulevard para hanapin ang suspek noong Linggo, Oktubre 6.

Pinosasan ng MPD SMaRT si Christopher Dumapi alias "Toper" na nakilala sa video bilang isa sa mga holdaper. Siya ay haharap sa kasong paglabag ng Batas Pambansa 6 o illegal possession of bladed weapon. May pending arrest warrant din si "Toper" sa Manila Regional Trial Court Branch 33.

Pinasalamatan ni Domagoso ang netizen na kumuha ng video ng panghoholdap.

"Maraming salamat sa iyo. Kung hindi dahil sa'yo, hindi mo inupload, hindi natin mabibigyan ng hustisya ang ginawang pang-aabuso sa driver ng truck," sabi ni Domagoso.

Sinusulat ito ay at large na-

man ang tatlo pang kasabwat ni "Toper" sa panghoholdap. Kinilala sila ng MPD SMaRT bilang sina Jack Dumapi, Junjun Barola, at Jimwell Jimenez.

Nanawagan ang alkalde ng Maynila sa mga magulang ng suspek na isuko na nila ang kanilang mga anak.

### NEXT YEAR NA ANG KASALAN

Sa Marso next year maga-

ganap ang kasalang Richard Gutierrez at Sarah Lahbati.

Kulang nga lamang sa detalye ang ginawang announcement ng dalawa.

Dapat nitong nakalipas na Hunyo ang pag-iisang dibdib nila subalit hindi nangyari.

Unang plano sana nina Richard at Sarah ay June bride.

Well, kahit anong buwan basta nasa isip at puso ang pagmamahalan ay maaayos ang patutunguhan.

Best wishes to both of you!

### PAALAM SA 2 HALIGI NG INDUSTRIYA

Labis ang pagluluksa ng showbiz industry sa pagkakawala ng dalawang kapwa itinuturing na haligi ng industriya.

Ang labi ng beteranang aktres na si Amalia Fuentes ay dinagsa ng mga nagmamahal sa kanyang burol sa Mt. Carmel Shrine sa Doña Juana Avenue, New Manila,

(20)

SA narinig ay walang kaabug-abog na kinuha ni Allan kay Alex ang mangkok na may lamang suka.

Mga babae na kasi ang nangangantiyaw at sukat ba namang nabanggit pa ang salitang bakla.

“Yes...yes...yes. Sabi sa inyo eh tunay na lalaki si Allan. May isang salita ‘yan.’”

Labis na hiya at kompromiso ang nagtulak kay Allan upang gawin ang alam niyang hirap na hirap niyang magagawa. Pero lubhang matitindi ang pangangantiyaw ng mga babae kay pikit-matang isinubo ni Allan ang buhay na hipong gumagalaw pa matapos ibabad o isawsaw sa suka.

Kasunod ay ang malalakas na hiyawan at palakpakan lalo na sa kababaihan.

Para lamang hindi mapahiya kaya nang isinubo ni Allan ang buhay na hipon ay walang nguya-nguya sa halip ay diretsong lunok kaagad at ang pinagsawsawang suka ay kanyang hinigop.

“Buko naman tayo ngayon.”

Lumilipas ang mga araw na halos iisa lamang ang routine na kanilang ginagawa kasama ang mga bagong tropa.

Liligo o lalangoy sa dagat at minsan ay manghuhuli ng lamang-dagat.

Kayanamannakasanayan na nina Allan at Alex ang pagkaing huli o kuha sa dagat.

Kagaya ng talaba na bubuksan lamang at parang hipong buhay na isasawsaw sa suka tapos ay isusubo at kakainin na.

Mamimitas ng kung ano mang prutas mayroon ganoon din ang paghigop ng sabaw ng buko.

“Tagay mo ‘yan, ‘wag kang madaya.”

May mga gabi naman na magkakasama ang magbabarkada sa paginom ng tuba.

Kaya naman unti-unti ay gumaganda ang hubog ng pangangatawan ng magkaklase.

Palibhasa ay mga sariwa ang kanilang nakakain dagdag pa ang mga prutas.

Isang buwan mahigit na ang dalawa sa pamamalagi sa probinsiya na tila nakalimutang pareho lamang sila na lumayay sa kanila.

Mukhang nakakalimot ang dalawa na mayroon silang pamilya na labis na nag-aalala sa kanila.

“Sa isang araw nga pala ay luluwas ako ng bayan.”

(Itutuloy)

Quezon City.

Bumuhos din ang pakikiramay sa Theater legend na si Tony Mabesa sa kanyang burol sa Hall A ng Arlington Memorial Chapels sa Araneta Avenue, Quezon City.

Last 2018 Metro Manila Film Festival entry bumida si Kuya Tony sa ‘Rainbow’s Sunset’ at nakasama pa ang namayapa na ring si Eddie Garcia.

Si Kuya Tony ay nilisan ang mundong ito sa kanyang edad na 84 habang 79-anyos naman nang maalam ang dating itinuturing na movie queen na si Ate Amalia.

(Ika-30 labas)

HALOS trenta minutos ang ginawang masahe ni Bernie sa buong katawan ni Cecile.

Pagkatapos habang nananatiling nakadapa si Cecile ay ibinulong pa sa kanya ni Bernie na mahal siya nito.

“Oo naman, masarap at gumanda ang pakiramdam ko. Salamat sa ‘yo.’”

Nagtanong din si Bernie kung masarap ba ang pagkakamasaha at biglang harap ni Cecile kasabay ng pagtugon.

Tinabihan na ni Bernie sa pagkakahiga si Cecile at yumapos ito.

“Pahinga na tayo, siguro naman medyo magiging maayos at maganda ang pagkakatulog mo.”

Nananatili silang magkayakap subalit hindi pa inaabot ng tulog kaya nagkukuwentuhan muna.

“Ano kaya ang kahihinatnan kung sakaling makakapagtapos ng kurso sa kolehiyo?”

Simpleangpagkakabanat ni Bernie ng kataga o katanungang iyon.

Pero may kakaibang pakahulugan iyon na nais niyang maiparating kay Cecile.

“Malaki at ibang-

ibang, mas mainam ang mayroong natapos sa college.”

“Iba pa rin ang edukado o preposyunal, pero teka nga pala at bakit mo naitanong?”

“Mukhang gusto mong mag-college ah, sabihin mo lang at papayagan kita.”

Napapangiting simple si Bernie dahil kumakagat na si Cecile sa kanyang bitag.

“Noong nakatapos kasi ako ng high school ay nabanggit ng magulang ko na maganda raw kung makapagkolehiyo ako.”

“Mas nakakatanaw daw ng medyo magandang pag-asa para sa kinabukasan.”

“Baka nga raw kung makagradweyt ako ng college at makakuha ng maayos na trabaho ay maiahon ko sila sa kahirapan.”

“Kaya lang eh panay ang hingi ng magulang ko ng pasensiya sa akin dahil wala kaming pera.”

Dire-diretso lamang si Bernie sa pagkukuwento pero kahit paano ay talaga naman na gusto rin niyang makapag-college.

“Isang tanong, isang sagot.”

# MAYOR LEADS CLEAN-UP DRIVE KONTRA SAKIT, TRAPIK

By  
**ERIC IGNACIO SANTOS**

**EVERYONE must take an active role in cleaning-up the environment. This was the essence of the short speech of Kawit Mayor Angelo Emilio Aguinaldo during a week-long clean-up drive he launched in the major streets and seashores of the municipality.**

The twin activity was led by Aguinaldo with the collaboration of the town's health, engineering, disaster officers and with the active participation of the barangay officials and local government employees.

The Clean-Up Drive was aimed to combating the dengue menace and to enjoin Kawitenos to actively participate and support environmental awareness. "Hindi po mga taga-munisipyo lamang ang may responsibilidad na panatilihin malinis ang ating paligid. Cleaning-up and removing road obstructions is not just the role of the government officials and employees and the barangay officials. Everybody, lahat po tayo, everyone has the responsibility to support activities of this kind," said Mayor Aguinaldo.

Aguinaldo stressed that he has been implementing numerous programs and projects to entice environmental consciousness to every Kawitenos.

At the clean-up drive along Barangay Aplaya, the mayor urged fisherfolks and residents along the shorelines to actively participate on making the area clean.

"Kayo rin ang maaapektuhan sa ibubungang sakit kung marumi ang inyong paligid," said Mayor Aguinaldo as he stressed that the environment is fragile.

"Tungkulin natin na pangalagaan ang karagatan na pinagkukuhanan ng ating ikinabubuhay. We have to act now to fix it, to clean it and protect it for the future of our children," the mayor said.

In Brgy. Binakayan and other barangays, Aguinaldo led the removal of traffic obstructions to lighten the traffic flow in the area.

He encourage everyone to dispose their plastics and market wastes properly by giving out incentives based on the quantity of low density plastics that will be gathered.

Plastics collected are turned over to the Villar Foundation and are used as materials for the fabrication of arm chairs for use in schools. **with ELI TAPARAN**

'WE are all responsible': Photos show the cooperative efforts of the residents of Barangay Aplaya in the clean-up drive launched recently by Environmentalist Mayor Angelo Emilio Aguinaldo. The local chief executive enjoins them to actively participate in all the projects of the local government to make Kawit one of Cavite's cleanest municipality. **MPIO**

## Integridad sa print media nananatili - Isko

Naniniwala si Manila Mayor Isko Moreno na nana-natili ang integridad ng print media sa kabila ng malawak na makabagong teknolohiya at social media. Sa kanyang pagdalo sa Print Media Congress 2019 ng United Print Media Group na ginanap sa Manila Hotel, sinabi ni Moreno na iba pa rin ang print media dahil sa nilalaman nitong balita at impormasyon. Ayon kay Moreno, sa print media sinasala ang bawat balita bago ito ilathala at mabasa ng publiko. Aniya pinananatili ng print media ang kredibilidad at

pagkakapantay-pantay sa larangan ng pamamahayag. Sinabi naman ni Jay Sar-miento, Vice President ng UPMG, iba ang pagsasanay ng journalism kumpara sa online. Aniya beripikado at may source ang balita at impormasyon bago ito ipalabas. Mas reliable pa rin ang print dahil pinananatili ang pagiging patas sa bawat pagkuha ng bawat panig. Binigyan diin naman ni Barbie Atienza, pangulo ng UPMG na dapat pairalin ang integridad sa print media at hindi dapat na

makom-pro-miso sa kabila ng kompe-tisyon at pagbabago. Nagpasalamat naman si Moreno sa print media sa paglalathala ng mga proyekto ng Maynila. Ani Moreno, malaki man o maliit ang artikulo, malaking tulong ito sa lungsod upang malaman ng Manileno na may ginagawa ang pamahalaan. Umaasa si Moreno na mas dadami at lalawak ang nasabing organisasyon upang manatili ang print media tulad na rin ng nakasanayan ng mga Filipino. **(leonard basilio)**

## CAVITEX Supports Bacoor City's Traffic Management Initiative

**CAVITEX Infrastructure Corporation (CIC)** with JV partner Philippine Reclamation Authority in its commitment to public service, teamed up with Bacoor City towards a smooth and safe traffic flow for motorists and better management of the influx of vehicles in the city. With a common goal of having a well-managed traffic flow, CIC donated concrete barriers to the City of Bacoor. CIC Presi-

dent and General Manager Roberto V. Bontia formally turned over standard built concrete barriers to Bacoor City, graciously receiving the donation was Mayor Lani M. Revilla.

"The local government unit of the City of Bacoor is truly grateful for the help of Cavite in extending to us a better suggestion for the traffic flow of our city. This partnership will surely benefit all of our motorists from the City of Bacoor. Maraming maraming salamat po," Mayor Revilla said.

"Our cooperation and support for each other is a valuable interplat to help ease the traffic flow especially in the entry and exit of vehicles of Longos interchange and Emilio Aguinaldo Highway (beside St. Dominic College of Asia) respectively. Afterall, traffic solution is a collective effort of both the government and the private sector," Bontia said.

## Kasong libelo basura sa piskalya

**BASURA** sa Office of the City Prosecutor ang libel complaint na inihain ni Zamboanga City Mayor Maria Isabelle Climaco-Salazar laban kay dating First District Representative Celso Lobregat bunga ng kakulangan ng mga ebidensiya.

Pinag-ugatan ang libel case nang magpatawag ng isang press conference nitong May 8 si Lobregat.

May ipinakitang video ang dating mambabatas hinggil sa mga taong nagsasakay ng umano'y saku-sakong bigas mula sa City Social Welfare and Development Office. Sa nasabing video play ay tila sinasabing ang mga sakong bigas ay dinala sa bahay ng alkalde.

Bahagi ng demanda o reklamo ni

Salazar ang pag-aakusa ni Lobregat na ginamit ang pondo ng lokal na pamahalaan para sa kanyang kampanya.

Ang kasong libelo laban kay Lobregat ay inihain ni

Salazar sa Office of the

City Prosecutor noong May 10.

Pagkatapos ng masusing pag-aaral ay inilabas ang pitong pahinang desisyon nitong nakalipas na September 23 ni Dipolog City Prosecutor Herminia Enero.

Si Enero nang araw na iyon ay naitalaga bilang acting city prosecutor ng Zamboanga.

May dahilan ng pag-sasampa ng kaso si Salazar at kung ano man ang isyu ay nasa sa inyo na ang komento o pagpuna. Katanungan lamang, pero hindi po ito tanong sa kung sino man ang naging abogado ng alkalde.

Sa mga nirespeto nating mga tunay na abogado heto po ang kwestiyon, kung may lalapit at kukunin ang inyong legal service sa katulad na kaso ay masasabi ba kaagad kung winning case o hindi batay sa paglaladad at pagsusumite ng mga dokumento ng kliyente o complainant?

Iyon lang po, nagtatanong lamang.

Vice President for Operations and Management Ella Francisco, and PEA Tollway

Corporation traffic supervisors, and the Bacoor City council. **PR**
