'DISKARTE NI BUNTIS, NAGMINTIS'

ARESTADO ang isang 32-anyos na siyam na buwang buntis dahil sa umano'y panghihingi ng malaking halaga sa mag-asawang negosyante kapalit ng hindi pagrereport sa awtoridad hinggil sa ipinagbubuntis nito sa Imus City, Cavite.

Sinusulat ito ay nakakulong sa Imus City Custodial Center ang suspek na si Angelina Bayot, ng 180-C Bankers Village, Bucandala 2, Imus City.

Sa ulat ni PSSgt Darius Dela Viña ng Imus City Police Station, dakong alas-6:00 ng gabi nang isagawa ang entrapment operation laban sa suspek sa loob ng Chowking sa Aguinaldo Highway, Brgy Patindig Araw, Imus City.

Nauna rito, nagreklamo sa pulisya ang isang ginang na nagngangalang Nanette hinggil sa pangongotong umano ng suspek at humihingi ng halagang P50K.

Sinasabi ng suspek na ang nakabuntis sa kanya ay ang mister ni Nanette.

Kapag naibigay ang naturang halaga ay hindi na umano magrereklamo sa pulisya ang suspek.

Dahil dito ay kaagad na ikinasa ang entrapment operation at sa aktong inaabot o kinukuha ng suspek ang pera ay inaresto ito.

Ayon kay Vina, nakilala umano ng suspek ang lalaki sa isang supermarket.

Dating cashier umano ang suspek habang regular namang namimili o customer ang lalaki.

Dagdag pa ni Vina na nagpadala pa ng post sa Messenger ang suspek ng kanyang litrato na buntis ito at ultra sound kaya nangangailangan ito ng pera para sa kanyang panganganak.

Itinanggi naman ng mag-asawa ang ibinabatong akusasyon ng suspek.

Kasong Robbery Extortion ang isinampa laban sa suspek. **GENE ADSUARA**

About 60 Overseas Filipinos (OFs) and their families attended the Pinoy WISE Step Financial Education Program for OFW Families, an activity in support to the Go Earn Achieve Return Uplift Philippines (GEAR-UP) Reintegration Preparedness Program on October 24-25, 2019 at Cañossa Health and Social Center in Bulihan, Silang, Cavite.

The two-day activity aims to sensitize the OFs and their families on the various economic and social issues of migration and the barriers to achieving migration goals, assist them in financial planning and investment to ensure that migration will contribute to the long-term development of the OFs, their families and their communities, and to guide the OFs in identifying and addressing their issues and concerns to enable them to achieve their financial and family goals for migration.

In behalf of Mayor Socorro Rosario Poblete, the participants were warmly welcomed by Ms. Rhoda Bautista, the Municipal Social Welfare Officer of Silang. She also expressed her gratefulness to all the people behind the activity for choosing their municipality as venue for launching the program in Cavite.

In order to prepare and guide the participants in taking their financial literacy path, an audio-visual presentation on GEAR-UP Reintegration Preparedness Program was presented and an overview of the training was discussed by the Program Coordinator of Atikha, Ms. Riza Sevilla.

Lecture on Nurturing Family Relations was conducted by Ms. Maria Aura Fuentes, PSWDO Social Welfare Officer. She discussed the family issues caused by overseas migration such as gap in the relationship with spouse, communication gap and psychosocial problems of children, dependency of the families on remittances, irresponsibility in managing funds, growing extravagant lifestyles and over indulgence and consumerism. Subsequently, Ms. Precyl Ramos, Social Welfare Officer III of PSWDO, guided the participants in addressing the family issues identified.

Discussions on Financial Education like Achieving Goals for Migration, Savings and Budgeting and Investing and Protecting Migrants were presented by Ms. Sheryll Loyola from the Provincial Cooperative, Livelihood and Entrepreneurial Development Office (PCLEDO), where the partakers learned the concepts in savings and investing such as "Save Before You Spend", the difference between "Needs and Wants", "Pay Yourself First", "Diversifying Investments" and others.

To better understand every topic presented, the attendees were encouraged to do a small group sharing activity. Workshops on drawing their dream map, saving goals and budgeting were also accomplished by the participants.

Highlight of the activity was the signing of the Commitment Form of the participants wherein they compel to liberate themselves from financial barriers and regularly save certain amount to achieve their visions as successful migrants. They were also asked to voluntarily enroll in the Pinoy WISE and GEAR-UP Cavite membership.

On the second day, Ms. Precyl Ramos discussed the programs and services being implemented by the provincial government which include Psycho-Social Services (financial assistance services, Reintegration Assistance to OFW and Migrants (RAOM), medical assistance, burial assistance), Economic Services (Family and Income Management Seminar, Skills and Livelihood Training, Business and Investment Forum), Legal advice and assistance to OFWs regarding laws on migrants and overseas employment, free and quality computer education through the Cavite Computer Center among others, for OFs in Cavite.

A lecture-discussion on reintegration was facilitated by Ms. Aileen Peña, the Deputy Executive Director of Atikha. She emphasized the push and pull factors of return migration, for instance, unemployment and termination of contract, racism and discrimination, homesickness, war or violence against foreigners. She also shared that lack of savings and investment, family issues that drain resources, failure in business, lack of integration of OF resources (financial, human and social) in the development plan of the region, province, municipalities and communities were identified as the barriers to reintegration. She also discussed the typology of return migration; return of failure, return of retirement, return of achievement and return of innovation and then challenged the participants into what type of return would they want to be.

In the afternoon, services, savings and investment forum was held. The purpose of the activity is to give migrants the opportunity to look at different investment vehicles for their money. As part of the government savings program, Modified Pag-IBIG 2 (MP2) savings program was presented by Pag-ibig Fund Representative, Mr. Rommel Ramallosa. This is a voluntary savings program for members who wish to save more and earn higher dividends than the regular Pag-IBIG savings program. Anong klaseng ama?

USAPANG Iloilo muna tayo kaugnay ng dalawang kaso o pangyayari sa lalawigang ito.

Una ay ang tungkol sa mag-ama na itinuturong suspek sa brutal na pagpatay at panghahalay sa isang dalaga sa Abangay, Janiuay, Iloilo.

Ang biktima ay 19 anyos at ang pangunahing suspek ay ang kanyang pinsang si Rhegie Levoit, 42.

Dawit sa kaso ang katorse anyos na anak ni Rhegie dahil sa partisipasyon sa krimen.

Dahil ang biktima at si Rhegie ay magpinsan kaya pamangkin ng una ang anak na binatilyo ng huli.

May ginawang pag-amin ang binatilyo sa pulisya na nagawa niyang halayin ang tiyahing biktima dahil sa utos ng kanyang ama.

Tinakot ng ama at binantaan ang anak na papatayin kapag hindi sumunod kaya napilitan ang binatilyong gahasain ang kanyang tiyahin.

Ibang klaseng ama rin naman itong si Rhegie para utusan ng ganoong kahayupan ang anak.

Menor de edad ang anak, ang tanong ay dawit na ba siya para sampahan ng kaso?

Ito ay sa kabila na ginawa ng binatilyo ang panghahalay bunsod ng utos ng ama.

Ano po sa inyong palagay?

Alam naman natin na kapag ang krimen ay kinasangkutan ng isang menor ay hihintayin ang pagsapit ng kanyang wastong edad para sa kaukulang kaso.

Sa pagkakasabi naman ng ama ay nakahanda niyang harapin at panagutan ang krimeng nagawa.

Iyon ay dahil batid niyang hindi raw siya mapapatawad ng pamilya ng biktima.

Talagang hindi kapata-patawad ang iyong nagawa kaya tama lang ang kaparusahan sa iyo.

Anak ka ng magaling na lintek, pati anak mong binatilyo idinawit mo pa sa gulo.

Sa Sitio Pag-asa, Brgy. Cabalagnan, Nueva Valencia, Guimaras, sa Iloilo pa rin.

Ang 48-anyos na si Jury Gonzaga ay iniulat na nagpakamatay sa pamamagitan ng pagpapasabog sa sarili gamit ang dinamita.

Ano pa ba ang aasahan, putol ang mga kamay at paa ng biktima na nagkalasug-lasog din ang katawan.

Ikaw ba naman ang magpasabog sa sarili gamit ang dinamita, luray-luray kang talaga.

Nagbigay ng pahayag ang pinsan ng biktima at sinabing ito ay stroke survivor.

Sa kanyang kalagayan ay isang mangingisda ang biktima at solo o mag-isa na lamang na namumuhay.

Kaya naman pinaniniwalaang matinding depresyon ang nagtulak sa biktima sa pagpapakamatay.

Mapangalagaan ang kalusugan

MAY mahigpit na panawagan ang Department of Health (DOH) para sa pagbabawal ng paggamit ng e-cigarettes sa bansa.

Sinasabi kasi na wala namang positibong epekto para sa kalusugan ng isang tao ng paggamit nito.

Ayon kay DOH Undersecretary Eric Domingo, walang malinaw na pagpapatunay na ang paggamit ng vape o e-cigarettes ay bilang nicotine replacement therapy.

Bagkus dagdag pang opisyal na ang paggamit nito ay nakakapagdulot din ng sakit sa baga.

Batay sa huling datos ay umaabot sa isang milyong Pinoy o katumbas ng isang porsiyento ng populasyon ang gumagamit ng e-cigarette.

Makakabuting iwasan ito at higit lalo ang sigarilyo upang mapangalagaan ang kalusugan.

Gov't Internship Program coverage, pinalawak ng DOLE

MAYNILA (PIA)—Pinalawak ng Department of Labor & Employment (DOLE) ang saklaw ng Government Internship Program (GIP) upang mas hikayatin ang mga indibiduwal na magtrabaho sa gobyerno.

Sa ilalim ng Department Order No. 204-A series of 2019, pinapahintulutan ang mga indibidwal na may edad 31 pataas na mag-aplay sa nasabing programa.

Para maging kwalipikado, kinakailangang wala pa itong karanasan sa pagtatrabaho; natanggal sa trabaho dahil sa pagsasara ng establisyamento; o nawalan ng trabaho dulot ng kalamidad.

Maaari na ring matanggap sa nasabing programa ang mga biktima ng armed conflict, rebel returnee, person with disability, at indigenous people.

Noon ang DOLE-GIP ay para lamang sa mga benepisaryong may edad 18 hanggang 30 taon.

Ang bagong kwalipikasyon ay karagdagan sa mga kinakailangan upang maging bahagi ng GIP na wala pang karanasan sa trabaho at kinakailangang nagtapos man lang ito ng high school/senior high school o ang katumbas nito sa ilalim ng Alternative Learning System, o nagtapos ng kursong technical-vocational.

Ang mga sasailalim ng GIPay maaatasang tumulong sa DOLE at sa partner agency nito sa mga gawain na hindi masyadong teknikal, tulad ng pag-encode ng registrant sa PESO Employment Information System at pag-profile ng batang-manggagawa, PWD, at senior citizen ng mga kinauukulang barangay.

Kabilang sa mga katuwang na ahensiya ng DOLE sa nasabing programa ang executive, legislative at judiciary sa regional at national level, Public Employment Service Offices (PESOs), public hospital at public school o educational institutions, government financial institutions, government-owned and controlled corporations, at local government units.

Minimum na tatlo hanggang anim na buwan ang internship period at sahod na katumbas ng kasalukuyang minimum wage sa rehiyon kung saan magtatrabaho ang benepisaryo.

Makakatanggap din ang intern ng insurance coverage, na hindi kakaltasin mula sa kanyang allowance, batay sa premium na pinagkasunduan ng DOLE at ng Government Service Insurance System. Maaari rin muling tanggapin ang benepisaryo ayon sa rekomendasyon ng partner agency. **(PIA-NCR/DOLE)**

CHILDREN'S RIGHTS GROUP CONDUCTS MEDIA TRAINING ON CHILD WELFARE

MANDALUYONG CITY (PIA) -Educo, a children's rights-based organization, brought together child rights experts and journalists from various media organizations to exchange knowledge on how to protecting children's rights in various media presentation.

"Often, violations against children's rights are seen across all sectors when it comes media presentations," Educo Child Protection Specialist Shiena Base during the training for media on covering children held Oct. 23-24, 2019 in Mandaluyong City.

"The journalists have a big role in developing the portrayal children in mass media. They act as the eyes, ears, and voices of the public drawing attention to abuses of power and human rights." Base added.

"Media tends to represent more of child violence and issues rather than showing specialized contexts with child right's expert viewpoints. And so, media must be aware of the risks in reporting a story about children. " Base stressed.

According to Base, the child rights situation in the Philippines indicated that there are low information access to Sexual and Reproductive Health (SRH), declining immunization coverage, increase rates of childhood malnutrition, high rates of child mortality, low access to education, and high rates of violence against children where these are often the subject highlighted in news stories.

During the training, Educo Communication Coordinator April Tesz discussed media guidelines in interviewing children and adolescents through a rights-based approach.

"News items or reports on situations of violence should not use images of children or their surroundings if this could lead to their identification." Tesz emphasized.

Based on the Convention on the Rights of the Child (CRC), journalists must adhere to the best interest of the children taking account their right to be treated equally, right to express opinion, and right to a dignified life. These principles should be regarded as foundation for journalists working with children and adolescents.

"Media practitioners should be reminded to be aware of the common misconceptions about children and provided guidelines in crafting a story that stand with the best interests of the children." Tesz cited.

Educo recommended the following media guidelines prior to presenting reports with children or child or adolescents as subject:

1. The dignity and rights of the child should to be respected at all times;

2. Assess the possible repercussions, could this activity put the child at risk them in any way?;

3. Any action must be carried out with the informed and written consent from the child and their parent or guardian;

4. The child must know the purpose of the interview, photograph or video, and the planned usage;

5. Guarantee that the work is carried out with the right to confidentiality; and avoid interviewing a child in a vulnerable situation.

"Media must explain the working piece to the children. Talk to them properly and appropriately according to their language of understanding with full disclosure in the purpose of collecting the information." Tesz said.

Tesz stressed that a media practitioner is very influential in constructing public's view and perceptions so, the story affecting the welfare of the children is critical in building a child-friendly community. **(PIA-NCR)**

Higit 500 katutubong mag-aaral, tumanggap ng gamit pang-eskwela

SAN JOSE, Occidental Mindoro (PIA) -- Limandaan at limang katutubong mag-aaral mula sa mga bayan ng San Jose, Sablayan at Abra de Ilog ang hinandugan kamakailan ng mga gamit pang-eskwela ng MCN Foundation Inc. (MCNFI), bilang pagdiriwang ng Buwan ng Katutubo.

Ayon kay Delia Yabican, kawani ng MCNFI, bahagi ng kanilang programang 'Be Cool in School' ang pamimigay ng school kit na naglalaman ng school bag, mga notebooks at ballpens.

"Hangad ng foundation na mabigyan ng school kit ang may 10,000 katutubong mag-aaral sa buong bansa ngayong taon," pahayag ni Yabacan. Aniya, mga nakatira sa liblib na lugar o kabilang sa geographically-isolated and disadvantaged areas (GIDA) ang target na benepisyaryo ng kanilang programa.

"Sila kasi iyong hindi agad makakabili ng gamit dahil sa kanilang lokasyon at kadalasan wala ring pambili," dagdag pa ni Yabican.

Sinabi naman ni Reynante Luna, tagapamahala ng panlalawigang tanggapan ng National Commission for Indigenous Peoples (NCIP), kadalasang school supplies ang hinihingi ng mga katutubong magulang sa kanilang tanggapan.

"Kaya nang malaman natin na namamahagi ng school kit ang MCN Foundation Inc., sinikap nating makasama sa mga benepisyaryo nila ang ating lalawigan," saad ni Luna.

Pahayag pa ng opisyal, ang pamahahagi ng school kit ay isa lamang sa mga aktibidad para sa mga IPs ngayong Oktubre. Aniya, kamakailan din ay nanumpa ang siyam na Indigenous Peoples Mandatory Representative (IPMR) sa Abra de Ilog. "Ang IPMR ang magsisilbing kinatawan ng mga katutubo sa pamahalaan at maglalapit ng kapakanan ng kanilang tribo sa anumang proyekto o programa ng gobyerno," paliwanag ni Luna.

Dagdag pa ng tagapamahala ng NCIP, inaasahan na bago matapos ang Oktubre, maisasapinal na ang Lokal na Gabay ng lalawigan para sa pagpili ng IPMR.

Sa buwang ito rin ay ipapaliwanag sa mga katutubo ng bayan ng Paluan ang kahalagahan ng pagkakaroon ng kooperatiba.

"Ang iba't ibang gawaing ito ay bilang pagdiriwang ng Buwan ng Katutubo at ng ika-22 Anibersaryo ng Indigenous Peoples Right Act of 1997 o IPRA," ayon pa kay Luna. **(VND/PIA MIMAROPA/Occ Min)**

RESILIENT COOPERATIVES TOWARDS BUSINESS CONTINUITY

Strengthening cooperatives in the province through capacity building was the focus of the 7th Cooperative Leaders Conference held on October 25, 2019 at Alta D'Tagaytay in Barangay Iruhin East, Tagaytay City. Sharing the huge success of the event were around 300 cooperative leaders in Cavite who convened as part of this year's coop month celebration bannering the theme "Business Continuity: The Next Evolutionary Phase of Business Continuity,"

With a powerful story of wisdom, Board Member Rommel Enriquez, Sangguinang Panlalawigan Chairperson of the Committee on Cooperatives welcomed guests, resource speakers and participants telling everyone that the future of a cooperative depends on its management. Likewise, Provincial Cooperative Development Council (PCDC) Chairperson, Fr. Arturo Balagat together with PCDC Chairman Emeritus Ka Rodrigo Camia delivered their opening message, with inspiring stories of almost 40 years of dedicated service to coop highlighting the value of social responsibility while leading the success of cooperatives.

Meanwhile, on behalf of Governor Jonvic Remulla, Provincial Administrator for Community Affairs Mr. Alvin Mojica pledged commitment to the programs of cooperatives and thanked the coop leaders for their continued support through participation to various activities being led by the Provincial Cooperative, Livelihood and Entrepreneurial Development Office (PCLEDO) headed by Atty. Khervy Reyes.

Topics concerning business continuity management and related concepts filled the whole-day event of coop leaders who are very eager to learn and become resilient to achieve their goals.

Prior to the lecture and discussion proper, Cooperative Development Authority (CDA) Region IV-A Director Salvador Valeroso took the opportunity to present the 2018-2022 Philippine Cooperative Development Plan, expounding its overview, vision, goals and underlying principles. Also, in his words of encouragement, Director Valeroso shared a famous quote that says, "To accomplish great things, we must not only act, but also dream; not only plan, but also believe," adding that great coop leaders provide a more conducive coop environment.

Further learnings and motivation were shared by experts on cooperativism including Mr. Bon Ian De La Roca, Asst. VP for Returns of Sorosoro Ibaba Development Cooperative, who also delivered the keynote speech on behalf of AGAP Partylist Representative Rico Geron; Director Diosdado Waña of the Center for Humanitarian Learning and Innovation; and Mr. Mark Cervantes, a National Disaster Risk Reduction and Climate Change Adaptation Specialist from the Food and Agriculture Organization of the United Nations.

The talks helped participants better understand business continuity management to minimize economic losses and stay in the market for the benefit of every member of the coop. They wanted coop leaders to realize that low organizational leadership capacity equates to higher the risks, thus, the need to have strong internal control mechanism that will win the confidence of members.

In addition, General Manager Maria Jennet Avecilla of Bacoor City's Bagong Silang II Multi-Purpose Cooperative shared their coop's best practices starting off with their milestone journey. Ms. Avecilla emphasized how transparency and good record-keeping made them survive challenges, reminding coop leaders like her the value of integrity in handling finances.

Words of challenge from the Department of Trade and Industry-Cavite Provincial Director Noly Guevara aptly wrapped up the conference. Director Guevara asked for every coop leader's application of the learnings and capacities they have developed in attaining the vision and mission of their respective cooperatives.

The event continued with the Gabi ng KOOParangal 2019, which highlighted cooperative excellence and gave wider recognition to coop leaders. Among the awards granted were The Most Promising Cooperative, Best in Assets, Best Coop in Micro, Small and Medium-scale Category, Most Diversified, and Most Participative Local Coop Development Officer and other special citations. Cash incentives assistance from Senator Francis Tolentino and Governor Jonvic Remulla served as motivation for cooperatives to do well every year. The AVP message of Cooperative Development Authority Chairman Orlando Ravanera equally inspired coop awardees, congratulating the province's efforts in developing champion cooperatives. **(PICAD)**

'DI LONG LIFE ANG PAGIGING ARTISTA- KATHRYN BERNARDO

CORRECT ang pahayag ni Kathryn Bernardo na ang pag-aartsita ay hindi long life o pangmatagalan.
Same din ang pananaw dito ng real partner ng aktres na si Daniel Padilla dahil naniniwala rin ang aktor na ang buhay-artista ay hindi panghabambuhay.
Kaya naman sadyang compatible sa isa't isa ang magdyowa dahil maraming bagay at pananaw na sila ay magkatulad.
Dahil batid na ang showbiz ay hindi for last kaya naman magkatuwang sila sa business na kamakailan ay kanilang binuksan.
Isang simpleng grand opening ang isinagawa ng dalawa sa kanilang barber shop.
Labis ang kanilang pasasalamat sa family nila at mga close friend na nagbigay ng suporta.
Present sa opening sina Ria Atayde, Dominic Roque, Patrick Sugui at Vivoree Esclito and of course ay naroon ang 'erpat ni Daniel na si Rommel Padilla.
Naroon din para sa kanilang support sina Karla Estrada at Mommy Min.
Nagsabi nga si Daniel na napag-usapan at napagkasunduan nila ni Kat na maging busines partners.
Ang kanilang income kasi sa showbiz ang magsisilbing pundasyon para sa 'bisnes.
Take note, ang KathNiel ay may mga 'niluluto' para sa iba pang negosyo na kanilang nais buksan.
Maganda ang buhos ng pagmamahalan ng dalawa at dahil dumating na sa puntong partners in business na sila ay hindi naiiwasan ang bulungan.
May naganap na raw kayang secret marriage sa pagitan ng dalawa?
Nasa five years na ang matamis at masayang romansa o pagsasama nila.
Well, ano man ang real score sa kanilang relationship ay hindi na marahil mahalaga iyon.
Ang mas importante ay matibay ang pundasyon ng kanilang pagsasamahan.
Kaya 'gudlak KathNiel sa inyong business at soon to be pa na mga negosyo.

Of course, good luck also sa inyong relasyon.

CONGRATS ROCCO

Huli man daw at magaling ay maihahabol pa rin ang pagbati kay Rocco Nacino.
Ang aktor ay isa ng opisyal na Philippine Navy reservist matapos tanggapin ang certificate of completion para sa kanyang Basic Civilian Military Training kamakailan.
Nakakuha rin ang aktor ng citation dahil sa natamo niyang pinakamataas na grado para sa Physical Fitness Test.
Hinihimok ni Rocco ang mga kabataan para sa pagpapahalaga sa nasyonalismo.
Bukod pa na dapat ay umiiral ang tamang disiplina ng mga kabataan sa pagsisimula ng kanilang pagtahak sa buhay.
Saludo kami sa iyo Rocco, congrats.

"TANIM SA TIYAN"

NOBELA NI ATE JOSIE

(23)

"AYOS 'yan, sige at larga tayo kasi nakakaburyong naman na rin dito."
Binanggit ni Alex na pupuslit sila at pupunta sa ibang kamag-anak nila.
Sang-ayon naman si Allan sa plano ni Alex at napagkasunduan kaagad na kinabukasan ay lalarga na sila.
Kaya naman pagkagising kinabukasan pagkatapos makapag-almusal ay gumayak na ang dalawa.
Ilang pirasong gamit lamang ang inihanda ng magkaibigan para hindi sila mahalata.
"Si tiyang na lang ang naiiwan sa bahay pero maya-maya lang aalis 'yan kaya pag-alis ay sisibat na tayo."
Kumukuha ng tiyempo ang dalawa at panay na nga ang bulong nila dahil ang tagal pang umalis ng tiyahin ni Alex.
Naglalaro rin sa isang oras bago ganap na nakaalis ang magkaibigan.
Mahaba rin ang nilakad ng dalawa bago nakarating sa masasakyan.
"Walang bayad ang magtanong kaya 'wag kang mag-alala at makakarating din tayo roon."
Nag-aalala rin si Allan dahil pareho silang dayo sa lugar kaya nga lamang ay sinabi ni Alex na magtatanung-tanong na lamang sila.
Nakarating naman ang dalawa at maayos naman silang sinalubong ng isa pang kamag-anak ni Alex.
Kapwa napuna nga lamang kaagad ng magkaibigan na higit na mahirap ang kalagayan doon.
Halata naman iyon ng dalawa dahil sa mga inihahaing pagkain sa kanila.
Kaya naman napagkasunduan ng dalawa na isang gabi lamang silang mananatili roon at bukas din ay aalis na.
"Patawarin po ninyo kami, 'di na mauulit. Hindi na po namin gagawin uli."
Pagkauwi ay katakut-takot na paghingi ng kapatawaran ng dalawa.
Wala namang galit sa tiyahin ni Alex sa halip ay ipinagtutulukan pa silang kumain.
'Kayong dalawa ha makinig kayo sa sasabihin ko sa inyo."

IISA... IKAW AT AKO

SA PANULAT NI KUYA ARMAN

(Ika-33 labas)

LABIS ang pagkakabigla ni Jane sa narinig mula kay Bernie kaya naman natulala siya.
"Ang sabi ko ay mahal na kita, paniwalaan mo ang sinasabi ko dahil totoo 'yan."
Alam naman ni Jane na hahantong sila sa ganoon subalit lubhang napakabilis ng pangyayari para sa kanya.
Dahil madalas o halos araw-araw silang nagkakasama kaya ang kanilang pagkakaibigan ay may ibang patutunguhan.
"Naniniwala naman ako pero masyado mo naman akong binigla."
"Bigyan mo ako ng panahon para makapag-isip at makapagpasya. Hayaan mo munang maging magkaibigan pa tayo."
Sa pagsagot na iyon ay malaki ang paniniwala ni Bernie na sasagutin din siya ni Jane.
"Pasensya ka na kung naging mabilis ako, nag-apura na ako kasi baka may makauna pa sa akin."
Pakiwari ni Bernie ay bahagyang nagpapakipot lamang si Jane, na natawa sa kanyang sinabi.
"Ngayon nasabi ko na at alam mo na ang nasa damdamin ko pero maghihintay ako sa kasagutan mo."
Ngumiti lamang si Jane kasabay ng paalam kay Bernie at nagsabing susunduin siya ng kanyang daddy.
Sa sinabing susunduin ng daddy ay alam na ni Bernie na kailangang lumayo at umiwas na muna siya kay Jane.
Lumayo man subalit hindi pa agad umalis at nag-aantabay pa si Bernie.
Pagkaraan ng ilang saglit ay natanaw na ni Bernie ang sundo ni Jane at napansin niya ang bumaba sa kotse.
Sinalubong ni Jane ang kanyang daddy sa pamamagitan ng yapos at halik sa pisngi.
Walang ibang ano mang kahulugan para kay Bernie ang pag-akbay kay Jane ng kanyang daddy.
Si Jane naman ay nakayapos na ang isang kamay ay nasa bahagyang balakang ng kanyang daddy habang naglalakad sila papasok ng sasakyan.
"Kumusta naman na? May napapansin ako sa iyo ah."

TOOL OF CHOICE, BUMANDERANG TAPOS!

Walang hirap na nakuha ang unahan ng kabayong si Tool Of Choice na sinakyan ng hineteng si Rod Adona sa takbuhang naganap sa karerahan ng Santa Ana Park sa Naic, Cavite at dahil sa gaan ng dala o timbang na 51 kilograms ay hindi na nagawang makadikit pa ng kanilang mga nakalaban. Sumegunda sa kanila ang dala ni Jesse Guce na si Zapima at tersero ang dehadong si Oceanside ni Jomer Estorque. Sa karerang iyan ay walang nadaanan ang top choice na coupled entries na sina Be Humble at No Regret, kaya tiyak na babawi sila sa susunod na pagtakbo. Sa sumunod na takbuhan ay nakuha sa tiyaga ni Pamboy Ponce na paremtehin ang sakay niyang si Windy Star upang biguin at naunahan nila sa pagparemate si Board Walk ni Joel Siego, malapit na tumersero sa kanila ang dala ni Mark Lanot na si Bullet Fever. Sa takbuhang iyan ay naunahan ni Mark na agawan ng puwesto sa may tabing balya ang sakay ni Joel na mas kilala rin na dobleng manakbo sa nabanggit na puwesto, kung kaya't mula sa ika- apat na posisyon ay inikot pa si Board Walk na patakbuhin na lamang sa may gawing labas dahil nakabara sa kanila si Bullet Fever, subalit sa pagkakataong iyon ay mas nagalawan na ni Pamboy sa labas si Windy Star kaya walang ibang nagawa si Joel kundi ang pumuwesto sila sa may kalabas- labasan na siyang ikina- antala nila. Malayong nagwagi naman ang kabayong si Magnificent Seven na nakatagpo ng sobrang gaan na nalabanan. Halos pameta na lamang ang top choice na si Tabing Ilog na nakipag- lutsahan sa matulin na kabayo na si Happy Man ay biglaang naubos rin sa huling diretsahan kung kaya't naremetahan pa nung nanggaling sa likuran na si Double Rock. Samantala, maganda naman ang itinakbo ng kabayong si Easy Landing sakay ng hineteng si Amon Raquel Jr. matapos na may natira pang lakas na naipang- tapat sa mga rumemateng sina Oktubre Katorse at Triton.

Iba't ibang mga kontrabando kabilang ang sum¬pak, airsoft gun, mga patalim at drug paraphernalia ang nasamsam ng mga tauhan ng Manila Police District mula sa ilang nakatira sa Manila North Cemetery.

Ang isinagawang clea¬ring operations ay bahagi ng paghahanda ng MPD at pamunuan ng Manila North Cemetery sa katatapos na Undas.

Ayon kay MPD station 3 commander P/Lt. Col. Reynaldo Magdaluyo, kailangang gibain ang mga informal settlers upang mas maging maluwag at malinis ang lugar.

Bilang pagsunod sa direktiba ni Manila Mayor Isko Moreno, ay naging mas mahigpit sa mga sementeryo.

Batay sa inisyal na imbestigasyon ng mga awtoridad, posibleng ginagawang drug den ang isa sa mga barung-barong na giniba kung saan nasamsam ang mga drug paraphernalia.

Ayon kay MNC Director Yayay Castañeda, dinoble nila ang monitoring at seguridad upang matiyak na walang ipapasok na ipinagbabawal na kontrabando.

Nabatid na hindi bababa sa 500 pulis ang itinalaga sa Manila North Cemetery nitong nakaraang Araw ng mga Patay. **(leonard basilio)**

BJMP Lucena City, patuloy ang mga programa para sa kabutihan ng mga PDL

LUNGSOD NG LUCENA (PIA)--Sinabi ni Major Miguel T. Langcauon ng Bureau of Jail Management and Penology (BJMP)-Lucena City sa kanyang pananalita sa isinagawang flag raising ceremony noong Oktubre 21 na halos tatlong dekada na nilang patuloy na itinataguyod ang mga programang magsusulong para sa kabutihan ng mga bilanggo.

"Bawat isa sa atin ay may responsibilidad. Kapag may time po kayo pasyal po kayo sa district jail at makikita niyo po 'yung situation dun at 'yung livelihood products na gawa nila. Layunin po ng Inmates Welfare and Development (IWD) na mabigyan ng sapat na kahandaan at pagsasanay ang ating mga kapuspalad na Persons Deprived of Liberty (PDL) kasama po naming diyan ang TESDA," sabi ni Langcauon.

Dagdag pa niya, bumaba sa 635 ang bilang ng PDL na nakakulong sa piitan kumpara noong nakaraang taon dahil sa free bargaining at good conduct time allowance.

Ibinahagi din ni Langcauon ang pagpapatupad nila ng Greyhound Operation katuwang ang PNP at Bureau of Fire kung saan hinahadlangan ang pagpasok, paggamit at pagkalat ng mga kontrabando sa loob ng piitan upang mapangalagaan ang publiko, mga empleyado at mga PDL.

"Sa katunayan nakatanggap po kami sa PDEA ng certification na wala pong droga sa ating kulungan from 1st Quarter hanggang 3rd Quarter this year. Malaking hamon po ito sa amin kasi, alam naman po natin na talagang mayroon pa ring droga, but hindi po kami tumitigil na sugpuin po ito at hindi po naming hahayaan na magamit po ang kulugan natin na maging taguan. Sa atin pong jail, malinis po ang ating Quezon District Jail," ayon pa kay Langcauon.

Dagdag pa ni Langcauon, nagkaroon sila ng isang rehabilitation training na tinawag na Katatagan Kontra Droga sa Komunidad (KKDK) na sa halip na dalhin sa Nueva Ecija ang isang PDL, puwede na silang sumailalim sa rehabilitation program sa loob mismo ng district jail.

Ang nakaraang Monday flag-raising ceremony ay pinangunahan ng Bureau of Jail Management and Penology (BJMP) bilang tampok sa taunang pagdiriwang ng National Correctional Consciousness Week noong Oktubre 21-27, 2019 na may temang, "Serbisyong May Malasakit at Kalidad, Alay sa Piitan at Komunidad" na may layuning maipadama sa mga kapuspalad na PDL na sila ay bahagi pa rin ng pamayanan. **(Ruel Orinday-PIA-Quezon, may ulat mula sa Quezon PIO)**

Matamo kaya ang bangketa?

TAPOS na ang Undas at dito na nararamdaman ang napakatuling pagtakbo ng mga oras at araw.

Iyon bang mistulang hinahatak ang panahon at sa isang iglap ay mamamalayan na lamang na Pasko na.

Speaking of Pasko, natural ay masaya ang mga manggagawa para sa kanilang bonus at 13th month pay, sa pribado o publikong tanggapan.

Pero aminin man sa hindi ay halos pareho o iisa ang maririnig mula sa kanila.

Kung hindi man sasabihing eksakto ay kulang pa rin gayunman ay naroroon pa rin ang pasasalamat dahil kahit paano ay mairaraos ang Pasko nang maayos.

Ang tanong nga lamang ay paano na ang Pasko ng mga kababayan nating nagtitinda sa mga bangketa?

Silang mga sidewalk vendor na kapag ganitong okasyon ay nakikitaan natin ng mga ngiti kahit ang kanilang kabuhayan ay sa bangketa lamang.

Sa mga ganitong panahon ay nakakabawi ang mga sidewalk vendor.

Kumbaga ay nasususlit ang kanilang maghapong pagod sa pagbababad sa bangketa at sa pagsapit ng Pasko o Bagong Taon ay para na rin silang government o private employee na nakakaramdam ng bonus o 13th month pay.

Malaking epekto sa kanila ang clearing operations ng pamahalaan.

Sabi nga ang Pasko ay panahon ng pagbibigay, matamo kaya nila ang inaasam na bangketa?

Siguro naman ay may karapatan din ang mga side walk vendor na maging masaya ngayong Pasko.
