Cavite Province Hosts the 2019 Brigada Eskwela National Kick-Off and Caravan

With this year's theme, *"Matatag na Bayan para sa Maunlad na Paaralan",* the Department of Education (DepEd) spearheaded the 2019 Brigada Eskwela National Kick-off and Caravan held at Alfonso Central School in Alfonso Cavite on May 16, 2019. The event was attended by DepEd key officials from the Central, Regional and CALABARZON Division Offices.

Undersecretary for Legislative Affairs, External Partnerships and Project Management Service Tonisito Umali discussed the overview of the Brigada Eskwela Program which was first launched in 2003. He recounted that during the first implementation of the program, they expected only 4,000 schools will participate but fortunately a total of 12, 533 schools participated the said program. DepEd Undersecretary Annalyn M. Sevilla delivered a message from DepEd Secretary Leonor Magtolis Briones who was not able to grace the event. In a press conference conducted after the program, Usec. Sevilla said that approximately 26, 000 classrooms will be built nationwide and also highlighted the importance of the activity towards a better learning environment. She stated that Brigada Eskwela does not end in a week-long activity but it should be yearlong activity to ensure quality basic education for all learners.

Part of the Kick-off activity was the Brigada Eskwela Bayanihan in Pansin Elementary School and Kaysuyo National High School. The said schools received donations which include cleaning materials, paint materials and cement from private stakeholders.

Advocacy campaigns and orientation about anti-illegal drugs, disaster and livelihood trainings were also done simultaneously. Cavite products were also showcased in a trade fair exhibit.

Sinaniban man o hindi

MALAGIM ang sinapit na kamatayan ng isang elementary public school teacher.

Ito ay sa kamay ng kanyang mismong live-in partner sa loob ng sariling tahanan sa Barangay Binanuahan, Bato, Catanduanes.

Ang 24-anyos na biktimang si Liezl Tato ay nagtamo ng 20 saksak.

Ang suspek ay ang tricycle driver na si Reymark Tabiling, 28, na kinakasama ng biktima.

Batay sa pahayag ni P/Lt. Francis Tabo, hepe ng Bato PNP, humingi ng tulong sa kapulisan ang mga opisyal ng barangay doon.

Bunga ito ng mga naririnig na sigawan at matinding komosyon sa loob ng bahay.

Nang magresponde ay parehong nakahandusay sa tabi ng banyo ang mag-live in partner.

Doon ay nakuha ang tinatayang 10 pulgadang haba ng kitchen knife at cellphone ng biktima.

Sa nakalap na impormasyon mula sa mga kapitbahay ay sinasabing matinding selos ang motibo sa pangyayari.

Gayunman ay walang tinutukoy na partikular na kuwento ang mga kapit-bahay.

Pero sa salaysay sa pulisya ni Tabiling, animo'y sinaniban siya nang mga oras na iyon.

Dahil sinasaniban kaya sabi sa mga pulis ay hindi alam ng suspek ang mga ginawa.

Ang suspek ay makailang beses na ipinupukpok ang sarili sa pader nang malamang patay na ang kanyang kinakasama.

Mismong sa mga magulang ng biktima nabatid na walang bisyo ang suspek.

Pero kinakailangan pa ring maisailalim ang suspek sa drug test.

Usap lang mula sa ilang tinatawag nating 'kanto boys' sa naturang pangyayari.

Hati ang kanilang pananaw para sa suspek tungkol sa usaping sinaniban.

Sinaniban? Oo at sinaniban daw pero hindi ng kung anong masamang espiritu.

Ang sumanib ay ang sobrang selos na hindi nakayanan at tinalo ng katinuan.

Ibig sabihin ay nawala sa maayos na pag-iisip kaya nagawa ang karumal-dumal na krimen.

Sinaniban man o hindi sana ay maibigay ang tamang hustisya sa biktimang guro na naulila nito ang dalawang anak na babae na edad tatlo at limang taong gulang.

PGC CONDUCTS OPERATION TULI IN IMUS CITY: As soon as the 2019 local elections concluded, the Provincial Government of Cavite immediately carried out Operation Tuli in the province which started off on May 16, 2019 in Barangay Alapan II-A, Imus City. Barangay Chairman Marc Albert Barzaga was thankful to be part of the continuing endeavors of promoting the hygienic importance of circumcision. The free circumcision program is one of the basic public healthcare services being conducted during the summer break spearheaded by trained volunteers from the Provincial Health Office and the OPG-Extension. Members of the Order of Demolay-Gen. Emilio Aguinaldo Chapter and barangay health workers also contributed to the success of the outreach event that made a total of 48 young boys proud and happy. **(PICAD)**

EDITORYAL

Hindi makabuluhan ang boto

ANG Commission on Elections (Comelec) ay sinasabing naghahanda na para sa gagawing imbestigasyon.

Tungkol ito sa umuugong na nangyaring dayaan nitong nakalipas na halalan.

Sabi nga ni Comelec spokesman James Jimenez, ang unang hakbang na ginawa ng komisyo ay pagsuspendi muna sa pagbayad sa contractor.

Pati ang pagbayad sa SD cards na sinasabing nagloko at nagkaaberya.

Ang tanong ay kung makikita at malalaman nga kaya ang totoong pangyayari?

Ano nga ba ang dapat gawin sa sistema upang hindi na maulit ang nangayari?

Kung may nangyaring dayaan nitong halalan, ibig sabihin ay hindi makabuluhan ang boto ng sambayanan.

BREAKING COMMUNICATION BARRIERS THRU SIGN LANGUAGE TRAINING

Driven by the aim to break the communication barrier particularly with the deaf, mute as well as visually-impaired members of society and formally address one major concern of persons with disabilities, the Provincial Social Welfare and Development Office (PSWDO) facilitated a Deaf Sensitivity and Conversational Sign Language Training on May 15-17, 2019 at PCLEDO Training Area, CaCoDec, Trece Martires City. The said training was attended by 30 PGC frontline personnel from different offices who usually cater to PWD clients.

Social Welfare Officer IV Ms. Darylvy R. Avila acknowledged all the participants and echoed the importance of the training as it would help to easily reach out and understand the needs of the deaf and mute through their language.

On behalf of Governor Boying C. Remulla, Supervising Cooperative Development Specialist Atty. Khervy B. Reyes delivered an inspirational message and hoped that the training would be a venue for continuous initiatives in eliminating discrimination of PWDs.

The 3-day training aims to equip the front liners with proper knowledge on how to communicate thru sign language to persons with hearing and visual impairments.

Meanwhile, Guidance Counselor of Philippine School for the Deaf Ms. Irish Casaljay, Resource Speaker, elaborated the topic on Hearing Impairment/ Handling PWDs with Hearing Impairment in which she provided an overview about the types of hearing loss and deafness, causes and symptoms of hearing impairment, and deaf culture. Actual demonstration on proper hand sign language for alphabet, numbers, colors, foods, places, pronouns, quantity and office terminologies was done. She also trained the participants on how to greet, tell time and days, and count.

The last part of the training was a blindfold activity wherein partakers experienced what it felt to walk in darkness relying only from the assistance and instructions of their partners. The activity was a revelation to the participants of the plight of the visually impaired and how significant the senses are.

In conclusion of the 3-day activity, participants expressed their full commitment to extend and continuously apply the learnings to be effective service providers to constituents. — **(PICAD)**

DOH LEADS BLESSING AND INAUGURATION OF TINGLOY RHU

DOH Assistant Secretary Maria Francia M. Laxamana and DOH-CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) Regional Director Eduardo C. Janairo together with local government officials led the blessing and inauguration of the new Tingloy Rural Health Unit (RHU) Building located at Barangay 14, Poblacion 2 at the island of Tingloy in Batangas on May 2, 2019.

"Primary healthcare services are critical to good health, and rural communities should have access to the same protective measures afforded by our public health system as their urban counterparts. Residents must be able to easily and confidently access various services like those that are offered in other facilities like primary care, dental, emergency care, and other public health services. Access to public health services should be equitable," Regional Director Eduardo C. Janairo stated during the opening of the Tingloy RHU.

"The establishment of this health facility will provide the timely appropriate healthcare services and residents need not worry of travelling anymore to the main island by boat just to get the treatment they need. It serves as the main source of free basic healthcare that is why it must be equipped and well-manned to the benefit of the rural community that it serves," he emphasized.

The construction of the health facility began in 2008, when the municipal government of Tingloy requested to DOH for a hospital to be constructed in the island to cater for the health needs of the residents where an allotment of 7 million pesos was granted.

Due to lack of manpower, the planned hospital was downgraded to a rural health unit and in 2017, under the DOH - Health Facility Improvement Program (HFEP) another Php5 million was granted for the repair and improvement of the old building.

According to Janairo, from 2014 – 2016, a total of 1.5 million pesos worth of health equipment were given to the RHU. "An additional of Php900,000.00 this year was granted for the purchase of additional equipment needed for the treatment of management of patients that will be brought to the facility."

He assured the local government and residents that the regional office will allocate more funds including resources for more equipment needed to modernize and improve health care services in the island.

The repair and improvement of Tingloy RHU was implemented through the DOH-HFEP with the main goal of improving the delivery of basic, essential and as well as specialized health services. The facilities will be upgraded to make them more responsive to the "need" of the community, to provide Basic Emergency Obstetric and Newborn Care (BEmONC) and Comprehensive Emergency and Newborn Care (CEmONC) services to the population, and to strengthen the health service delivery network. **BN**

DOH PROVIDES TRAINING ON MENU PLANNING FOR NUTRITIONISTS OF CALABARZON

DOH-CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) together with the Philippine Association of Nutritionists conducted a "Menu Planning Workshop for Nutritionists" for non-communicable diseases (NCDs) to further improve and enhance their knowledge in the development of an appropriate meal plan for patients affected by lifestyle related diseases such as diabetes, kidney and cardiovascular diseases and cancer.

According to Regional Director Eduardo C. Janairo, the regional office will conduct four batches for the workshop targeting nutritionists and dietitians of various hospitals of CALABARZON including training and educating school canteen chefs and managers on proper nutrition and diet. "Canteen in schools performs a significant part in the promotion of healthy eating habits of children. It is their responsibility to ensure that meals prepared are well-balanced and nutritious and with the right amount of energy school children needs."

DOH-CALABARZON Medical Officer III and Head of the Non-Communicable Disease Cluster reminds participants of the things to consider in the preparation of an appropriate meal plan for a patient with a health condition during the two-day "Menu Planning Workshop for Nutritionists" of CALABARZON held at the Selah Garden Hotel, Pasay City on May 21-22, 2019. **BOY NAMORA**

"We will be introducing new approaches on nutrition to combat NCDs and to educating health personnel in preparing an effective menu plan that is specific for patients affected with these illnesses," he disclosed.

Janairo added that nutritionists will learn to integrate nutrition education in the management of lifestyle-related diseases including incorporating the value of nutritional health in the preparation of their patient's meal plan.

During the workshop course, participants will learn to assess a patients' health needs and diet according to his health condition, provide counsel and guidance to patients on proper nutrition and healthy eating habits, develop meal plans, taking into consideration the cost and the preference of the patient and evaluate the effects of the meal plan and modifying the meal plan as needed.

"Choosing the right diet helps prevent or control lifestyle-related diseases including avoiding certain risk factors for cancer and heart disease, that is why nutrition education is very important and always remember to include adequacy, balance, calorie control, moderation, variety and nutrient density. when planning a healthy diet," Janairo reminded nutritionists.

Based on the 2013 Food and Nutrition Research Institute (FNRI), a total of 67% of the total deaths in the country were caused by lifestyle-related diseases. Simultaneously, diet-related health concerns are also on the rise due to the advent of fast food and unhealthy eating habits as shown by the increase in the prevalence of overweight and obesity.

Lifestyle-related diseases are group of illness linked with how the way people live with unhealthy diet and lack of physical activity as the main factors responsible for their development as well as drug abuse, smoking and alcohol drinking. These includes coronary artery diseases, diabetes, stroke and cancer. **BN**

Turn campaign ad trash into cash: DENR

CALAMBA CITY, Laguna — The Department of Environment and Natural Resources (DENR) 4-A (Calabarzon) is encouraging candidates in the recent elections and their supporters, as well as local communities, to recycle their campaign materials.

DENR 4-A Executive Director Maria Paz Luna told the Philippine News Agency (PNA) on Thursday that they fully support the call made by the Department of the Interior and Local Government (DILG) for all candidates to take the lead in the cleanup drive to rid the region of election campaign materials.

Luna said they expect the volume of waste to increase due to the campaign materials that would be taken down from various sites and dumped in public areas.

"We hope these wastes do not end up in bodies of water and farther to the seas," she said.

Luna explained that although the sizes and capacities of sanitary landfills remain the same, there is still a need to reduce solid wastes.

Through the upcycling method, she said, wastes could be turned into useful products.

Thus, campaign posters, tarpaulins, sample ballots, flyers and leaflets, which would only end up as garbage, could be converted by "Junk Not! Eco-Creatives", a Laguna-based social enterprise, into upcycled and recycled materials, she added.

Wilhelmina Garcia, award-winning interior designer and owner of Junk Not!, said they will only accept the discarded campaign ad materials if the upcycled and recycled products would be bought back from them.

These campaign materials could be converted into chairs, shoe bags, ballpen or pencil cases, and purses, among others, and they could be donated to schools.

"This kind of buy-back model will make future waste producers think twice," Luna said. "This is an opportunity for individuals to create value around products that would otherwise end up in sanitary landfills or illegal dumpsites."

Junk Not! Eco-Creatives promotes creative ways to transform everyday trash and other solid trash into usable and functional items by empowering local communities to be responsible stewards of the environment. *(PNA)*

GENTLEMAN JIM, NAGWAGI

Hindi na pinaporma pa ng hineteng si Oneal Cortez lulan ng kabayong si Gentleman Jim ang kanilang mga nakalaban sa karerang naganap sa pista ng Metro Turf sa Malvar, Batangas. Sa alisan ay agaran na naipuwesto ng maganda ni Oneal ang kanyang dala habang isinunod lang sa nagdikta ng bandera na si Caloocan Zap ni Edwin Blancaflor. Paglagpas sa medya milya (800 meters) ay inunti- unti na hiningan ni Oneal si Gentleman Jim at nagresponde naman, kaya naagaw nila ang unahan. Hanggang sa pagsungaw sa rektahan ay lumayo na si Gentleman Jim ng may tatlong kabayong agwat sa mga nasa likuran na si Caloocan Zap kasama iyong nagpalakas na rumemateng sina El Mundo ni Egay Lumagui at Kapayapaan ni Mark Gonzales. Subalit sa ikli ng distansiya ay huli na iyong pagbulusok ng dalawa upang maabutan pa ang naghu- hugandong si Gentleman Jim papalapit sa meta. Naorasan ang karerang iyan ng 1;11.4 (24'-21'-25') para sa distansiyang 1,200 meters. Balikan naman natin ang ilang mga karerang naganap sa San Lazaro na kung saan ay marami ang humanga sa dalawang panalong naitala ni Pao Guce mula sa kuwadra ni Ginoong James Albert Dichaves matapos niyang maipanalo ang mga kabayong sina Ava's Dream at Tenseventeen. Naorasan si Ava's Dream ng 1:22.2 (07'-24'-25'-26') Para sa 1,300 meters na distansiya. Ayon sa mga beteranong karerista ay muling nailabas ni Ava's Dream ang kanyang husay lalo na kung sa parada pa lamang ay makikita ninyong basa o namamawis na ang leeg na hindi gaya nung sa nauna ay tuyong- tuyo, kaya sa susunod ay iyon ang bantayan sa kanya. Dagdag kaalaman iyan para kay Ava's Dream.

ALEX GONZAGA, NAPATAWAD NA

ANG TV host/vlogger na si Alex Gonzaga ay napatawad na ni Parañaque City re-elected Mayor Edwin Olivarez.

Personal na pumunta ang aktres sa Parañaque City Hall kamakailan at humingi ng paumanhin sa alkalde.

May kinalaman ito sa ginawang pagbira ni Alex kay Mayor Olivares.

Kung inyong natatandaan habang nasa political campaign sa lungsod bago ang eleksiyon ay nag-endorso siya ng isang partylist at walang kabog na tinawag ang alkalde na "may pagkamadugas."

Sa pangyayari ay nakalasap din ng pagbatikos ang kapatid ni Alex na celebrity ding si Toni Gonzaga.

Ayon naman kay Mayor Olivares, walang pagdaramdam sa kanya sa ginawang patutsada ni Alex.

Sa ginawang pagtungo sa city hall at personal na paghingi ng paumanhin ay ikinalugod iyon ni Mayor Olivares para kay Alex.

Iyan si Mayor Olivares, hindi nagtatanim ng galit at marunong magpatawad.

Mabuhay po ang inyong lungsod!

TONI: MAHALAGA BUHAY ANG AMING AMA

Speaking of Toni, tungkol naman sa pagkatalo ng kanyang ama na tumakbong alkalde ng Taytay nitong nakaraang halalan ay simple lamang ang kanyang pahayag.

Sabi ni Toni, ang mahalaga ay buhay pa ang aming ama at siya ay aming nakakapiling.

Nagpasalamat naman ang aktres sa lahat ng tumulong, sumuporta at nagmamahal sa kanyang ama.

Madali para sa kanila na tanggapin ang resulta ng halalan dahil ang ama nila ay matagal na sa public service kaya sanay na sa mundo ng pulitika.

Ang kanyang ama ay nanilbihan bilang vice mayor ng Taytay bago tumakbo sa pagkaalkalde.

Si Joric Gacula ang nanalong alkalde ng Taytay this last elections.

Ang isa sa ikinagulat lamang ni Toni na kabilang siya sa mga naimbitihan sa isinagawang private dinner kamakailan sa Malacañang.

Hindi nga naman siya nakilahok sa kampanya ng Chief Executive noong panahon ng kampanyahan ng presidential elections pero kabilang si Toni sa naimbitahan at kanya namang pinaunlakan.

NOBELA NI ATE JOSIE

"**TAGAL** pa ba 'yan, eh uhaw na uhaw na ako. Bilisan naman ninyo ang pagtitimpla."

Naudlot ang kuwentuhan ng magkakaeskuwela tungkol sa kung anong kurso ang kukunin sa kolehiyo nang muling umentra si Alex.

Nagtitimpla kasi ng pineaaple juice ang ilang estudyante na may kahalong alak na kanilang iinumin.

Kung tutuusin ay hindi pa sila puwedeng uminom ng alak dahil sa kanilang mga edad.

Kakagradweyt lang ng high school na ang mga edad ay wala pa sa disi otso.

Gayunman ay hindi naman sila iyong tipong maglalasingan kundi libang-libang lamang.

Kahit paano ay nasa higher section sila at sa kanila nanggaling ang valedictorian at salutatorian pati mga may honor.

"Ang bagal talaga, ang tagal eh uhaw na ako. Sige at ako na magtatagay."

"Para walang dayaan eh ako ang tanggero, mahusay na drayber ako noh."

Nang ilapag ang pitsel na may timplang alak ay si Alex ang umaktong tanggero.

Masaya ang kuwentuhan nila kaya medyo nakailang timpla sila ng alak.

"Hey guys, ano baa ng gimik natin ngayong summer, mahaba-haba rin ang bakasyon."

"Oo nga naman, enjoy natin ang bakasyon kasi sabi iba na raw 'pag college na."

Nagkasundo sila ng mga happenings subalit may ilan na hindi makakasama.

Iyon iba kasi ay kapos sa pinansiyal habang ang ilan ay malilipat ng tirahan.

"Summer job ako para makaipon at baka sakaling makapasok ako ng kolehiyo."

"Lilipat na kami kasi parents ko sa ibang lugar nakabili ng bahay, stop na kami sa pangungupahan."

Madaling araw na nang matapos ang kanilang party at nagkanya-kanyang uwi na.

"Ano? Hanggang ngayon wala pa rin ba?"

IISA... IKAW AT AKO

SA PANULAT NI KUYA ARMAN

(Ika-10 labas)

"**DY**...'yan ang tawag ng babae 'dun sa kasama n'yan matandang lalake.'

"Siguro short for daddy kaya DY an gang tawag n'ya 'dun sa kanyang tatay."

Matabil ang serbidora at kung anu-ano ang mga ikinukuwento kay Bernie.

Natutuwa naman si Bernie dahil nakakakuha siya ng mga impormasyon sa serbidora.

Hindi kagaya ng kahera na napakatipid ng sagot sa kanyang mga tanong.

"Hoy, nakatulala ka r'yan. Para kang nananaginig nang gising ah."

Hindi namalayan ni Bernie ang pagdating ni Cecile dahil sige pa rin siya sa kakaisip sa magandang babae.

"Ay ikaw po pala auntie, 'sori medyo naaalala ko lang ang pamilya ko sa probinsiya."

Nagdahilan na lamang si Bernie at hindi sinabi kay Cecile na ang magandang babae ang kanyang inisip.

"Maghain ka na Cora kung ano ihahapunan n'yo ng pamangkin ko."

"Alam mo naman na 'di ako kumakain na sa gabi, gatas lang pakikuha sa akin."

Pagkagaling ng 'restoran ay umuwi na ng bahay sina Bernie at Cecile kasama si Cora.

Nagbabad na lamang sila sa 'restoran na dapat ay may lalakarin pa si Cecile na sana ay isasama si Bernie.

"Pagkatapos kumain ay umakyat ka na at bukas na lang kita isasama pagkagaling sa 'restoran."

Tumango lamang si Bernie at nang makatapos kumain ay nauna na siyang umakyat.

Ikalawang gabi niya sa magarang kuwarto na iyon at ang babae pa rin sa 'restoran ang laman ng kanyang utak.

Naalala niya ang bilin ni Cecile na dapat bago matutulog ay maliligo o maglinis ng katawan.

Pagkaligo at pagkalabas ng banyo ay nagpalit ng suot pantulog si Bernie.

"Ang ganda...ang ganda talaga."

SC ASKS SOLONS TO REVIEW LAW ON CHILD ABUSE

MANILA — The Supreme Court (SC) has called the attention of lawmakers for possible changes on "incongruent" penalties for lascivious acts against minors under a special law.

In a statement, the court said it has directed that a copy of its March 12, 2019 decision in People v. Tulagan, be furnished to Congress as reference for possible statutory amendments on the maximum penalty for lascivious conduct under Republic Act 7610 (Special Protection of Children Against Abuse, Exploitation and Discrimination Act).

The Court explained its concern that despite the intent of RA 7610 to provide for deterrence and protection against child abuse, the penalty for violations when the victim is under 12 years old is lower than the penalty when the victim is 12 to 18 years old.

The Court referred to the maximum penalty of reclusion temporal medium for lascivious conduct under RA 7610, when the child victim is under 12 years of age; and when the victim is 12 years old and below 18 years old, or 18 or older under special circumstances, i.e., are unable to fully take care of themselves or protect themselves from abuse, neglect, cruelty, exploitation or discrimination because of a physical or mental disability or condition, which is reclusion temporal medium to reclusion perpetua.

"It is a basic rule in statutory construction that what courts may correct to reflect the real and apparent intention of the legislature are only those which are clearly clerical errors or obvious mistakes, omissions, and misprints, but not those due to oversight, as shown by a review of extraneous circumstances, where the law is clear, and to correct it would be to change the meaning of the law. Thus, a corrective legislation is the proper remedy to address the noted incongruent penalties for acts of lasciviousness committed against a child," the Court stated.

The Court also directed that copies of its decision be furnished to the Department of Justice, the Office of the Solicitor General, the Office of the Court Administrator, and the Presiding Justice of the Court of Appeals for their guidance and information.

Justices Estela M. Perlas-Bernabe, Marvic Mario Victor M. Leonen, and Alfredo Benjamin S. Caguioa wrote separate opinions. *(PNA)*

5 RCBC execs charged with anti-money laundering

MANILA — The Department of Justice has filed anti-money laundering charges against five executives of Rizal Commercial Banking Corporation (RCBC) in connection with the USD81-million cyber heist at the Bank of Bangladesh three years ago.

Facing charges for violation of the Anti-Money Laundering Act (AMLA) before the Makati City Regional Trial Court are RCBC Retail Banking Group treasurer Raul Victor Tan, national sales director for retail banking Ismael Reyes, regional sales director Brigitte Capiña, customer service head for its Jupiter business center Romualdo Agarrado, and senior customer relations officer Angela Ruth Torres.

In its 10-page resolution dated May 10, approved by Senior Deputy State Prosecutor Richard Anthony Fadullon, the DOJ noted that the officers still allowed the transactions to push through even if there were evident red flags.

The DOJ denied the motions for reconsideration of the five respondents. Prosecutors cited the "willful blindness doctrine" as "the deliberate avoidance or knowledge of a crime, especially by failing to make a reasonable inquiry about suspected wrongdoing, despite being aware that it is highly probable".

"There is no better way to describe the acts of respondents than this," the resolution read, adding that with the notices received on the possible fraudulent transfer of huge sums of money, the respondents should have conducted an investigation.

"By the very nature of their work in handling millions of pesos in daily transactions, the degree of responsibility, care and trustworthiness expected of bank employees and officials are greater than those of ordinary clerks and employees," the resolution read. "Their complacent attitude in handling the suspicious remittances is unacceptable and rocked the integrity of our banking system."

Earlier, RCBC Jupiter Branch Manager Maia Santos-Deguito was found guilty of seven counts of violation of the AMLA.

Makati RTC Branch 149 Judge Cesar Untalan imposed a penalty of up to seven years imprisonment for each count and was also required to pay not more than 200 percent of the value of the laundered amount or almost USD110 million. *(PNA)*

Albayalde recommends 3 names as next PNP Chief

MANILA — Philippine National Police (PNP) chief, Gen. Oscar Albayalde, on Wednesday named the three police officials he recommended as his possible successor when he retires in November this year.

These are PNP deputy chief for operations, Director Gen. Archie Francisco Gamboa; Directorial Staff chief, Lt. Gen. Camilo Pancratius Cascolan; and, National Capital Region Police Office (NCRPO) director, Maj. Gen. Guillermo Eleazar.

He said the three police officials have also been named by former PNP chief and Senator Ronald "Bato" dela Rosa as his "bets" for the PNP's top post.

"Kasi sila naman ang medyo senior at sila ang (They are senior and are) next in line besides of course kay Gen. Eleazar who is class '87 pero doon sa performance naman niya (based on his performance) I think he will do good also the same as the other two, Gen. Cascolan and Gen. Gamboa," said Albayalde in a press briefing.

He said the three officials "have the credentials" and deserve to be the next PNP chief.

Albayalde, the country's 22nd PNP chief, will retire on Nov. 8 upon reaching the mandatory retirement age of 56. He replaced dela Rosa who retired in April 2018.

Like Albayalde, Gamboa and Cascolan were also members of the Philippine Military Academy Sinagtala class 1986.

Gamboa and Cascolan will reach the mandatory retirement age in September and November 2020, respectively. ***(PNA)***

5 suspects found dead inside 'drug den' in Bulacan

CITY OF SAN JOSE DEL MONTE, Bulacan — Five drug suspects were found dead with bullet wounds inside a house in Purok 4, Barangay San Pedro, in this city early Thursday morning.

An initial report by Lt. Col. Orlando Castil Jr., city police chief, said the victims were Juliet Fernandez, alleged maintainer of the drug den; Norberto Oden, 63, identified as cohort of Fernandez; Manuelito Bergonio, included in the drug watch list and with pending case of carnapping; a certain alias Mel Diezel, included in the unified drug list of PNP/PDEA and one still unidentified person.

Sergio Yumol, a resident of the place, discovered the lifeless bodies of the victims inside the living room of the said house around 6:10 a.m.

"Investigations showed that the house is being used as a drug den of illegal drug personalities in the area and that some of the victims were reported to be responsible in the proliferation and distribution of illegal drugs in the city," Castil said.

He also said that interviews with relatives and neighbors disclosed that the victims are known personalities involved in illegal drug activities.

Bulacan SOCO team led by Lt. Mario Lazaro checked out the crime scene at about 8:30 a.m. and retrieved 10 pieces of fired .45-caliber cartridges, six pieces .40-caliber cartridges, two pieces live ammunition for .45-caliber, two .40-caliber fired bullets and one big heat-sealed plastic sachet containing seven pieces of small plastic sachets of shabu.

Investigators are still looking for possible witnesses to the massacre and possible identifications of the suspects.

The police chief also said that they were reviewing the closed-circuit television footage in the area to identify the assailants. ***(PNA)***

NITONG nakalipas na Mayo 18 ay nairaos ang simpleng selebrasyon ng ika-3 taong anibersaryo ng HANEP 'Basahin Mo Ito.'

Ginanap ang kasiyahan sa Antonio's Place Private Pool and Event Venue sa 168 Ilang Ilang St. Ligas 3, Bacoor City, Cavite.

Ito ay mula alas-otso ng umaga hanggang alasingko ng hapon kaya masaya ang mga bata sa paliligo.

Nagkaroon ng maikling programa ng alas-dos ng hapon hanggang alas-kuwatro ng hapon.

Nasalang sa interbyu mula sa Cavite at Manila media ang panauhing si Councilor-elect Emelito Salinas Lontoc ng Noveleta, Cavite.

Makabuluhan ang ginawang pakikipanayaman kay Coun. Lontoc na may kaugnayan sa transportasyon ng kanilang bayan.

Kabilang din ang gagawing pagkilala ng munisipyo ng Noveleta sa mga tumayong bayani noong panahon ng Ikalawang Digmaan.

Napuri rin ni Lontoc ang kapulisan ng Noveleta tungo sa pagpapatupad ng seguridad at kapayapaan sa bayan.

Siyempre ay hindi nakalimutan ni Lontoc ang pagbibigay pugay sa butihin at masipag na alkalde ng Noveleta na si Dino Reyes Chua.

Kagaya ng aking nababanggit, basbas at pahintulot ng Panginoong Diyos ang pagkakasapit ng HANEP sa ikatatlong taon.

Umaasa ako at naniniwala na ipagkakaloob ng Panginoong Diyos ang mas marami pang taon sa pahayagang ito.

Sa lahat ng dumalo ay wala akong masasambit kundi ang salamat po.

Salamat **Coun. Lontoc**, veteran journalist **Ely Taparan**, PIA Manager **Ruel Francisco**, CPPLI Secretary **Franz Orlain**, **Domz Caoili**, **Boz Neng**, **Ate Elsie** at **Arnel Reyes**.
