NENE, PATAY SA PALO NI TATAY?

PATAY ang isang 5-anyos na batang babae nang hindi nakayanan ang mga palo mula sa kanyang ama nang tumaggi itong kumain sa Trece Martires City, Cavite.

Hindi na umabot ng buhay sa Gen. Emilio Aguinaldo Hospital ang biktimang si Leslie, Kindergarden student, habang inaresto naman ang kanyang amang si Judilou Diosa , 25, helper mechanic, at kapwa residente ng Purok 2, Brgy Osorio , Trece Martires City.

Sa ulat ni PMSgt Richard Chavez, ng Trece Martires Police Station, limang araw ng hindi pumapasok sa kanilang eskuwelahan ang bata dahil nilalagnat at hindi rin umano ito nakakakain.

Pero dakong ala-10:00 (Lunes) ng umaga nang pilitin umano ng kanyang ama na kumain hanggang sa magsuka ito.

Lalong ikinagalit ito ng kanyang ama kaya pinagpapalo nito hanggang sa namutla kaya isinugod ng kanyang inang si Hazel sa ospital subalit idineklara itong dead on arrival.

Hawak naman na ng pulisya ang ama ng bata at naharap sa kasong parricide. **GENE ADSUARA**

Isko 'di natinag sa coronavirus

Hindi nagpaapekto sa kinatatakutang 2019 novel corona virus (nCoV) ang publiko dahil sa kabila ng posibleng may makahalubilong may taglay nito sa kilalang Chinese community sa Binondo ay dinagsa pa rin ang katatapos na pagdiriwang ng Chinese New Year.

Naging makulay at masaya ang okasyon lalo na nang dumugin at magpa-selfie ang mga tao nang makitang nakisali sa grand parade na nagmula sa Central Post Office patawid ng Jones Bridge hanggang sa Binondo sina Manila Mayor Isko Moreno at Vice Mayor Honey Lacuna.

Habang nasa parade ay nagpaagaw din ng Angpao na may lamang pera at pulang t-shirt sina Moreno at Lacuna hanggang sa pagsapit sa Ongpin St., Binondo.

Namigay din ng tulong si Moreno sa mga indigent families na nakatira Binondo, partikular sa San Nicolas area na nasa 3,000 pamilya ang nakatira.

Ikinatuwa ni Moreno na sa gitna ng pangamba sa bagong coronavirus na napaulat na nagsimula sa Wuhan, China, hindi nito natabunan ang diwa ng selebrasyon.

Tiniyak niya rin na patuloy ang pamahalaang lungsod sa pagbibigay ng precautionary measures para hindi maapektuhan ang mga mamamayan dahil alam niyang ang Binondo, na nasa lungsod ang pinakamalaking Chinatown na dinadayo. **(leonard basilio)**

Takot o respeto ng mga nagmomotor?

SA unang opensa ay P578, sa ikalawa ay P778, at P1,078 naman para sa ikatlo.

Iyan ang mga kaukulang multa sa mga mahuhuling nagmamaneho ng motorsiklo na hindi nakasuot ng sapatos.

Kung tatlong tao naman ang sakay sa motorsiklo, ibig sabihin driver at mayroong dalawang angkas ay P1,078 ang multa.

P1,078 din ang multa kapag walang side mirror at busina, maging tail, head, brake at signal lights o kung meron man ay depektibo naman.

P1,578 ang multa kapag walang suot na helmet ang driver maging ang angkas at ganoon din kapag walang lisensiya.

Kapag expired o hindi nakarehistro ang motorsiklo ay P4,078 ang multa.

Siguro naman lahat tayo ay aware sa social media at nagtataglay ng ating facebook.

Dumadaan sa wall natin ang anunsuyong ito mula sa Land Transportation Office.

"Babala sa mga nagmamay-ari ng mga motor," ganyan ang nakasulat sa ibabaw.

Mabigat ang kaparusahan o multa pero ang malaking katanungan ay bakit tila marami ang hindi natatakot.

Igala natin ang paningin sa kalsada o paligid, daming makikitang nakamotor na naka-shorts at tsinelas lamang.

Prenteng-prente na wala pang suot na helmet kahit ang angkas o minsan ay tatlo pa silang sakay ng motor.

Huwag na iyong walang side mirror o busina at maging kawalan ng mga ilaw dahil hindi masyadong pansinin lalo na sa araw.

Maging ang kawalan ng lisensiya o expired na rehistro ng motor ay hindi rin punado hanggang hindi masisita o mahuhuli ang nagmamaneho.

Doon na lamang sa mga walang suot na helmet, nakatsinelas o hindi nakasuot ng sapatos at nasa tatlong sakay ng motorsiklo.

Kitang-kita ito at may pagkakataon na habang bumabagtas ay may nakakasabay pang police o mobile car.

Ibig sabihin ay nadadaanan ng mobile ang ganitong tagpo na walang suot na mga helmet, hindi nakasapatos at tatlo sakay pero hindi pinahihinto para babain at hulihin ng mga pulis mula sa nakasakay na police car.

Mayroon din naman na mga mobile na nakaparada sa ilang kalsada o kanto at napapadaanan sa kanila ang sinasabi nating ganitong tagpo ng mga nakamotor.

Ganoon din, wala ring aksiyon o ginagawa para manita ng mga pasaway na nagmomotor.

Walang aksiyon dahil hindi naman nakatalaga ang mga pulis sa isang checkpoint o oplan sita.

Kaya sa checkpoint o oplan sita lamang nadadale ang mga nagmomotor na mayroong mga paglabag sa batas.

Ang pinupunto rito, dapat makaramdam ng takot o respeto ang mga nagmomotor hindi lamang sa oplan sita o checkpoint.

Magagawa ba ng gobyerno o kapulisan na itatak ang matinding takot sa mga nagmomotor bilang pagsunod?

EDITORYAL

Epektibo o hindi?

TINATALAKAY na ng Commission on Elections en banc ang pagsasagawa ng mobile app voting para sa 2022 national at local elections.

Sabi ni Comelec Commissioner Rowena Guanzon, kapag ang naturang proposal ay makakalusot ay maaari ng isagawa ang pagboto sa pamamagitan ng cellphone.

Ang mobile app voting ay magdudulot ng malaking tulong partikular sa mga overseas Filipino workers (OFWs).

Binabalak sa ngayon ng komisyon ang pagrehistro sa kanilang mga empleyado.

Ito ay upang isasagawa ang test run sa darating na Marso o Abril na naglalayong mabatid kung ito ba ay epektibo o hindi.

Makakatiyak na walang magaganap na dayaan o flying voters.

Magiging maingat ang isasakatuparang identification at image verification sa mobile app.

DOJ expands VFA study to include impact assessment

MANILA -- Department of Justice Secretary Menardo Guevarra on Monday said his office has been directed to include the implications of the termination of the Visiting Forces Agreement (VFA) between the United States and the Philippines in their study.

"We have just been instructed today to expand the scope of our study to include a preliminary impact assessment on the possible termination of the VFA," Guevarra told reporters, referring to the security, economic and environmental impact of the VFA termination into the country.

Guevarra earlier said last week that the memo sought by the Palace would only deal with the procedure for termination, not the wisdom of the executive action and answer such questions as: 'Is the VFA a treaty or an executive agreement?'; 'If it is a treaty, is Senate concurrence required for termination?'; 'Who will give the notice of termination?' (and), 'Is it necessary to state any ground for termination?"

Guevarra explained the legal formalities were easier to determine.

"'Yung legal, madali lang. 'Yung impact assessment ang kailangan ng masusing pag-aaral (The legal questions are easier, It is the impact assessment that needs scrutiny," the DOJ chief said.

He added that the timeframe for the termination depends on how soon the Cabinet cluster concerned on the matter can convene.

"I may even have to request the Cabinet cluster on justice, security, and peace to convene and discuss this matter," he said.

On Friday, Presidential Spokesperson Salvador Panelo said President Rodrigo Duterte ordered to start the process of termination of the VFA following the cancellation of the US visa of retired top cop and now Senator Ronald "Bato" dela Rosa, who used to be one of those who implemented the government's anti-drug campaign.

Duterte earlier warned the US government that he will scrap the agreement if the cancelation of dela Rosa's visa is not rectified within a month.

Signed by the Philippines and the US in 1998, the VFA is an executive agreement that stipulates how visiting American troops should be treated in the Philippines.

Aside from exempting US forces from passport and visa regulations, the agreement also states that their permits and licenses are also deemed valid in the Philippines. The same policy also applies to Filipino troops in US military installations.

It also allows Washington DC to retain jurisdiction over US personnel accused of crimes committed in the Philippines. **(PNA)**

Nutrition status of evacuees in Cavite, a main priority of the health office

Cavite Provincial Health Office called for a meeting of the provincial nutrition cluster and all the city/municipal nutrition action officers in Cavite on January 23, 2020 at the Cavite Collaboration Center for Public Health, Trece Martires City to assess the situation particularly the nutrition status of the evacuees affected by the Taal Volcano Eruption in evacuation centers and those fostered by relatives in order to synchronize the actions of the national, the regional, provincial down to the city and municipal nutrition councils

Dr. Nelson Soriano, head of the Provincial Epidemiology and Surveillance Unit reported the immediate response conducted by the Provincial Health Office through rapid health assessment and needs analysis in evacuation sites and in communities where evacuees are fostered by their relatives. They have provided Vitamin A supplementation and immunization among children aged 0 – 59 months, deworming, onsite health checkup, conducted medical and dental missions, anti-dengue misting, among others. Dr. Soriano stressed some vital provisions that need to be established in evacuation areas including breastfeeding area, isolation room and quarantine area to prevent any possible transmission of communicable disease, availability of onsite medical services for early diagnosis and treatment of medical conditions, couple's room, adequate comfort rooms, clean water facility and the likes. He also noted several cases observed during surveillance like hypertension, diabetes and respiratory health problems and continuously monitoring to provide the necessary interventions.

Nutrition action officers of the different cities and municipalities also reported on the situation of evacuees in their localities and the actions that have been undertaken by the LGUs. Kompanya na nagbebenta ng mataas na presyo ng face mask, sinalakay ng SMART

Sinalakay ng mga tauhan ng Manila Police District-Special Mayor's Reaction Team at Bureau of Permits ang isang kompanya at supplier ng face mask sa Rizal Ave. Maynila.

Naabutan pa ni SMaRT chief Major Rosalino Ibay na itinatago ang kahon ng face mask na nagtulak sa kanila na arestuhin ang ilang mga tauhan ng Wyler Enterprises. sa panulukan ng Rizal Ave at Bambang Sts. sa Maynila.

Ayon kay Ibay, ang kanilang pagsalakay ay resulta ng reklamo ng ilang consumer na nakabili na facemask sa mataas na halaga.

Inaresto sa Wyler ang tatlong tauhan nito .

Sinabi ni Ibay na base sa DTI nagkakahalaga lamang ng P3 ang bawat surgical mask subalit ibinebenta umano ito ng P45 habang ang N95 naman na nasa P80 lamang ay ibinebenta naman ng P200 bawat isa.

Dumagsa ang mga consumer sa Wyler dahil ito lamang ang may mga supply ng face mask.

Nabatid pa kay Ibay na ang Wyler ang itinuturong supplier sa 999 mall na sinalakay dakong alas 11:30 ng umaga.

Limang Chinese naman ang dinakip na huli sa pagbebenta ng face mask sa mas mataas na halaga. **(leonard basilio)**

Calabarzon PNP provides decent burial to deceased NPA fighters

CALAMBA CITY (PIA) – The Police Regional Office 4A has provided burial assistance to the family and relatives of two deceased members of a communist terrorist group who died in the recent combat mission of government troops in different parts of the region.

Police Brigadier General Vicente Danao, Jr., regional director of PRO4A said that the communist rebels, despite being a threat to the region's peace and security still deserve a decent burial.

"Bagaman kalaban natin silang maituturing, sila ay mga kababayan parin nating may karapatan sa isang desenteng libing, kaya kami ay nakipag-ugnayan sa kanilang pamilya at kami na mismo ang nagpalibing sa kanila," Danao said.

He stressed that the communist rebels were only victims of deceptive leftist groups.

"Sila ay mga biktima din lamang ng mga kasinungalingan at panlilinlang ng makakaliwang grupo," the Calabarzon police chief said.

In a statement, PRO4A said some members of the police force together with counterparts from the Armed Forces of the Philippines (AFP) embarked on a combat mission on January 19 targeting remnants of New People's Army (NPA) operating in Laguna, Quezon, and Rizal.

It said the troops engaged in a firefight against more or less 20 members of the communist group who were identified belonging to Military Regional Guerilla Unit 4, Southern Tagalog Regional Party Committee.

At least two members of the identified communist terrorist group were killed at Sitio Balot Kahoy, Brgy. San Antonio in Kalayaan, Laguna, the police regional office said.

The PRO4A added that the government troops recovered one M14 rifle, and one shotgun with numerous ammunition, improvised explosive devices, bomb components, and various personal documents.

According to PRO4A, the deceased communist rebels were both indigenous people.

One of the members of the tribe (name withheld) told the police that she is thankful to the entire police force for giving proper and decent burial to their deceased tribe member despite the incident.

"Kahit ganyan po ang nangyari sa kanila ay naiayos po nila sa tamang proseso ang kanilang mga bangkay. Nagpapasalamat po kami," she said.

Hard work not in vain

For their meritorious performance of duty during the combat operations, three police commissioned officers and at least 32 non-commissioned officers were awarded the Military Merit Medal by the AFP.

During the Regional Joint Peace and Security Coordinating Council Meeting held on January 24, Danao commended the operating troops in their effort against communist terrorist groups in the region.

"Your hard work shall not be put in vain. I thank you for your dedication risking your lives in the line of duty," Danao said.

He added that the police force will remain relentless in their operations against communist terrorist group in the region and intensify their programs under the Executive Order No. 70 or the Whole-of-Nation Approach to end local communist armed conflict.

"Makakaasa po ang aming mga kababayan dito sa CALABARZON na kami sa PNP kasama ng lahat ng ahensya ng pamahalaan bilang kasapi ng Task Force ay gagawin namin ang aming makakaya upang sa panahon ng ating Pangulo Rodrigo Roa Duterte ay matuldukan na natin ang mahabang panahong pakikipaglaban sa mga teroristang grupo na patuloy na nambibiktima sa ating mga kababayan," Danao said. **(PIA4A with reports from PRO4A)**

SC designates special competition courts

MANILA -- The Supreme Court (SC) on Wednesday designated special commercial courts as competition courts to hear, try, and decide on cases involving violations of the Philippine Competition Act (PCA) and other competition-related laws.

In a circular dated January 28, Court Administrator Jose Midas Marquez said the commercial courts also designated competition courts in the National Capital Judicial Region (NCJR) shall have jurisdiction over competition arising within their respective territorial jurisdiction, while those outside the NCJR shall have jurisdiction within their respective provinces.

The special commercial courts in Quezon City, Manila, Makati, Pasig, Cebu City, Iloilo City, Davao City, and Cagayan de Oro City are authorized to act on applications for the issuance of inspection orders, which shall be enforceable nationwide.

The PCA prohibits entering into anti-competitive agreements such as price-fixing, bid-rigging, abusing a dominant market position, and entering into anti-competitive mergers and acquisitions.

The PCA covers any person or entity engaged in trade, industry, and commerce in the Philippines. It also applies to international trade that may impact trade, industry, and commerce in the Philippines.

There is price-fixing under the said law when businesses agree to directly or indirectly fix purchase or selling price, instead of letting supply and demand determine the prices of goods and services.

Likewise prohibited are the acts related to abusing a dominant market position by 'predatory pricing' where a dominant firm deliberately incurs losses in the short term by selling goods or services below the cost of its production, which can eventually force its competitors out of business;'price discrimination' where a dominant firm sets different prices or conditions for equivalent transactions; 'exploitative behavior towards consumers, customers, or competitors," and limiting production, markets, or technical development.

The prohibited acts are penalized with fines of up to PHP2 million. **(PNA)**

Nueva Ecija court convicts Veloso recruiters in separate case

MANILA -- A Nueva Ecija court has sentenced the recruiters of overseas Filipino worker (OFW), Mary Jane Veloso, to life imprisonment over separate large-scale illegal recruitment raps filed by three other complainants.

In her 28-page decision dated January 14, Nueva Ecija Regional Trial Court Branch 88 Judge Anarica Castillo-Reyes also ordered Maria Cristina Sergio and Julius Lacanilao to pay PHP2-million fine.

"The prosecution... sufficiently mustered evidence to secure a guilty verdict," Castillo-Reyes said in her ruling.

The court upheld the charges despite an affidavit of desistance by one of the three complainants, Ana Marie Gonzales, who said she is hard-pressed financially and could not attend court hearings.

"However, said private complainant (Gonzales) still affirmed her positive assertions that both accused proposed overseas employment to her," the court said.

Sergio and Lacanilao are facing separate charges after they were positively identified as having recruited Veloso who is currently detained and included in Indonesia's death row for smuggling heroin into the country in 2010.

Veloso's supporters are hoping that the findings that she had been victimized by the two human traffickers to act as a drug mule would merit leniency from the Indonesian government.

Veloso's execution by firing squad was halted in 2015 after authorities in Manila informed their counterparts in Jakarta that her recruiters had surrendered. **(PNA)**

IISA... IKAW AT AKO

Sa panulat ni Kuya Arman

(Ika-46 labas)

LABIS-LABIS ang pagkakabigla ni Jane, hindi talaga alam ang isasagot.
Sukul na sukol si Jane at alam niya kung papaano magalit ang kanyang daddy.
"Umalis na nga ako agad nang malaman kong wala kaming prof sa last subject."
"Nagpunta ako ng mall at meron akong binili pero 'nung nakabili na ako naghihintay ako ng text o tawag mo."
"Umistambay muna ako ng mall kasi kung kokontak ka sasabihin kong nasa mall ako."
"Wala kang kontak kaya minabuti kong umuwi na lamang pero ako lang mag-isa at wala akong kasama kahit sino man sa mga kaklase ko."
Nagpapaliwanag si Jane pero ngatog ang kanyang buong katawan.
Umaasa na lamang si Jane na papasa sa kanyang daddy ang alibi niya.
"Nasaan na ang resibo?"
Habang nagpapaliwanag ay inilabas ni Jane ang isang plastic na may lamang stockings.
Sinabi niyang bagong bili lamang ang stockings subalit magaling talaga ang daddy niya.
Hinahanap ng kanyang daddy ang resibo para malaman kung nang araw na iyon nga binili iyon ni Jane.
Naka-stapler pa ang plastic at talaga namang bagong bili ang stockings.
Pero hindi 'nung araw na iyon at nabili ni Jane ang ang stcokings ilang araw na ang nakakalipas.
"Teka at hahanapin ko 'dun sa trash can kasi naitapon ko na ang resibo."
"Bubuksan ko na nga sana at isusukat ang stockings pero bigla kang dumating."
Humakbang si Jane patungo sa kinalalagyan ng trash can para hanapin ang resibo.
"Ha! Ano ba naman 'yan at bigla-bigla naman. Oh sige…sige na at darating ako."
Wala naman talaga sa basurahan ang resibo pero kunwari ay naghahanap si Jane.
Mukhang umaayon ang pagkakataon kay Jane dahil biglang tumunog ang cp ng kanyang daddy.
Habang kunwari ay naghahalukay sa trash can ay naririnig ni Jane ang daddy niya habang may kausap sa cp.
Lusot si Jane dahil sinabihan siya ng kanyang daddy na aalis muna at babalik na lang.
Pero hindi sinabi ng kanyang daddy kung kailan babalik pero ang mahalaga ay nakalusot si Jane.
Pagkaalis ng daddy ay muling naghalukay si Jane pero hindi na sa basurahan.
Ang bag ang hinalukay ni Jane para doon hanapin ang resibo ng stockings.

"TANIM SA TIYAN"

NOBELA NI ATE JOSIE

(36)

"AKO nga po ito, nanibago po kayo ano? Mas lalo akong naging macho at gwapo."
Mag-iisang taon sa pamamalagi sa probinsiya nina Alex nang magpasyang bumalik si Allan sa kanyang magulang.
Hindi halos nakilala ng kanyang mommy at daddy si Allan dahil talaga namang napakalaki ng pinagbago nito.
"Patawarin po ninyo ako sa ginawa kong paglalayas, pangako 'di na po mauulit 'yun."
Hindi naman nagpakita ng galit sa halip ay inunawa na lamang siya ng kanyang magulang.
Masaya ang kanyang magulang dahil ang mahalaga para sa kanila ay maayos ang anak nila.
"Papasok na po ako sa pasukang darating, mag-eenrol na po ako at sisikaping makapagtapos ng pag-aaral."
Natuwa naman ang mommy at daddy ni Allan na nakitaan ng senseridad ang anak nila.
Tinanong ng magulang kung anong kurso at sinagot ni Allan na engeneering ang kanyang kukunin.
"Sigurado ka na ba sa course na 'yan? Sige at alamin mo kung magkano ang tuition para mabigyan ka namin."
Palibhasa ay mayroong kaya sa buhay at madali para kay Allan ang makapagkolehiyo.
Hindi kagaya ng kanyang kaibigan na si Alex na naiwan pa sa probinsiya.
Naaawa rin si Allan para sa kaibigan lalo at alam niyang nais din naman ni Alex na makapagtapos ng kolehiyo.
Iyon nga lamang ay talagang kapos sa pinansiyal sina Alex kaya nga mamumuhay muna sa probinsiya ang kanyang kaibigan.
"Kumusta naman ang naging lagay o buhay mo sa probinsiya ha?"
Habang kumakain sila ay panay ang tanong ng kanyang magulang.
Nagkukuwento naman si Allan subalit puro magaganda lamang ang sinasabi niya.
Ang karanasang hindi malilimutan sa lalawigang iyon ay minabuti ni Allan na sarilinin na lamang.
"Labintatlong maliliit na pirasong kahoy… Paano kang itinanim sa tiyan ko?"

SC REMANDS REYES BBQ DISPUTE CASE TO QC COURT

MANILA -- The Supreme Court (SC) remanded the case involving a dispute between the brothers behind the Reyes Barbecue restaurants to a lower court.

In an eight-page resolution dated Nov. 13, 2019, and released Wednesday, the Court's Third Division reinstated the civil case and remanded it to the Quezon City Regional Trial Court (RTC) Branch 216, to conduct an accounting of the profits of the barbecue franchising business.

The lower court was also directed to determine the portion of the profits derived from the franchising business of Reyes Barbecue that may be attributed to the contributions made by the brothers; and the portion of the profits derived from the franchising business of Reyes Barbecue that may be attributed only to Francisco Reyes, one of the brothers.

In remanding the case, the SC also ruled that a partnership was created between the brothers-owners of the franchising business despite its non-registration with the Securities and Exchange Commission (SEC).

The Court noted and considered that numerous franchises were opened through the contributions of Francisco's brothers -- Adolfo, Ramon, and Carlos.

In 1992, Francisco, after working at the Aristocrat Restaurant, thought of putting up his own restaurant and franchising business. He established Reyes Barbecue in 2002 and registered it as a sole proprietorship. In 2005, he filed an application for registration of the trademark "Reyes Barbecue".

In 2005, Francisco offered his brothers to form a partnership for the franchising arm of Reyes Barbecue as he needed capital for business expansion. Adolfo and Carlos each contributed PHP100,000 in exchange for a 24 percent and 15 percent share, respectively, while Ramon contributed a desktop computer valued at PHP39,000 for a 25 percent share.

For Francisco, it was agreed that his contribution will be the Reyes Barbecue trademark registered in his name.

Francisco denied having proposed a business partnership with his brothers and insisted that he and his wife Carolina Inez Angela Reyes, his co-petitioner, conceptualized the business on their own; and that the intent, from the start, was to form a franchising corporation with his brothers and not a partnership.

Francisco further alleged that the contributions of his brothers were really subscription payments to the franchising corporation.

Francisco further claimed that he abandoned the plan to form a franchising corporation when he discovered that the Reyes Barbecue trademark had been fraudulently transferred to an employee of his nephew, lawyer Adolfo Reyes II.

In 2008, Adolfo, Carlos, and Ramon, through a counsel, sent a demand letter calling for an accounting of the business to determine any share in the profits that may be due them. They then filed a complaint for damages.

"Although the registration of the franchising arm of Reyes Barbecue did not materialize, numerous franchises were opened through the contributions of all the Reyes brothers. Thus, a partnership for the franchising business of Reyes Barbecue was created," the Court held. **(PNA)**

GOOD BOSS, RUMEMATE!

Sa pambungad na takbuhan na ginanap sa karerahan ng Santa Ana Park Naic, Cavite ay maayos na nakaremate ang kabayong si Good Boss na sinakyan ng hineteng si Rod Adona, at dahil sa lakas ng kanilang pagremate ay tinalo nila ang nakabandera na sanang si Expensive na dala ni Jomer Estorque. Sa takbuhang iyan ay medyo naantala lamang ang nakalaban nilang sina Apo Ni Rhea at Believable. Sa sumunod na karera ay nakadehado naman ang kalahok na si Shalom na bumanderang tapos sa kamay ni Onald Baldonido, sumegundo sa kanila ang sakay ni Dunoy Raquel Jr. na si Daldalero. Sa pangatlong takbuhan ay naka iskor na ng panalo si Dunoy Raquel Jr. sa ibabaw ng kabayong si Senior Lucas, na talaga namang parehas na nagpakita ng galing at tikas upang hindi makalagpas ang kanilang mga nakalaban sa huling diretsahan hanggang sa makatawid sa meta. Sa ika-apat na takbuhan ay nanalo ang kabayong si Hardliner at masasabing mainam talagang manakbo kapag naipupuwesto sa gawing labas si kabayo o maski sa gitna basta walang kalaban na tatapal o makakatabi sa kanan nila gaya ng ipinakita ng gumabay sa kanya na si Ryan Base. Eksaktong bitaw naman ang ginawa ng hineteng si Jomel Lazaro sa kabayong si Gee's Delight upang biguin ang magkakuwadra na sina Grand Villa at Dalagang Bukid, sa takbuhang iyan ay naantala sa may tabing balya si Constitution. Nanalo naman ng may apat na kabayong layo ang kabayong si All Heart na umektad pa pagsungaw sa rektahan kaya wala nang nagawa pa sina Believe Me at Sunday Suprise. Humakot din ng benta sa takbuhang iyan si North Wind na sinakyan ni Dunoy Raquel Jr. subalit medyo kinulang pa rin. Sa pinakahuling takbuhan naman ay nagwagi si Stone Ladder na pinaremate ng mabuti ni Rizaldy Poblacion, tinalo nila sina Dimakya Island at Put Atigerinurtank.

Sinusulat ito ay kritikal at ginagamot sa South East Asian Medical Center ang biktimang si Cresencio Origenes, construction worker, matapos pagtatagain ng jungle bolo ng kanyang live in partner na si Analyn Carillo, 34, kapwa residente ng Mahogany St., Villa Esperanza Annex Molino II, Bacoor City.

Dahil dito, nagkaroon ng mainitang pagtatalo ang dalawa at sa galit ng babae ay kinuha ang jungle bolo at pinagtataga ang lalaki.

Isinugod ang biktima sa ospital dahil sa mga taga sa katawan kabilang ang isang fatal sa kanyang leeg habang ang babae ay kasalukuyang nakakulong sa Bacoor City Custodial Center. **GENE ADSUARA**

Manila Sec to the Mayor kasado na cyber libel vs lokal na foundation at ilang media

MAHIGPIT na inatasan ni Manila Secretary to the Mayor Bernie Ang ang kanyang legal team upang agarang sampahan ng cyber libel case ang isang miyembro ng local foundation at ilang mamamahayag dahil sa malisyosong pagdawit sa kanya sa isang multi milyon estafa case.

Ang pagsasampa ng kaso ni Ang ay kasunod ng hakbang ng World Medical Relief Inc. (WMRI), isang 67 anyos na charity organization na nakabase sa Michigan, USA, na magsasampa rin n katulad na kaso laban kay William J. Lima, dating miyembro ng Board of Trustee ng WMR-Philippine National Business and Coordination Center Foundation Inc. (PNBCCFI).

May kaugnayan ang pagsasampa nila ng kaso sa isang artikulo na nanira sa karangalan ng philanthropic mission ng WMRI sa Pilipinas.

Itinanggi ni Ang at WMRI President at Chief Executive Officer George Samson ang alegasyon na nagtatapon sila ng medical wastes sa Pilipinas o sa ibang panig ng mundo o kaya ay nagkakaloob sila ng gamot ng walang kaukulang permiso sa US regulatory offices.

Ayon kay Samson na ang dahilan kung nakipag koordinasyon ang WMRI ay para lamang makatulong sa Pilipinas,kung saan si Lima, David Lee Zarate, Ang at dalawang iba ay nag organisa at inirehisto ito bilang non- stock, nonprofit corporation sa ilalim ng WMR-Philippine National Business and Coordination Center Foundation Inc (WMR-PNBCCFI), kung saan sila ay naging miyembro ng board of trustees.

Nabatid na noong Mayo 24,2018 ,nagkaroon ng Memorandum of agreement (MOA) sa pagitan ng WMR na kinatawan ni Samson bilang President/ CEO at World Medical Relief-Philippines National Business Coordination Center Foundation, Inc. (WMR-PNBCCFI), na kinatawan ni Lima, bilang miyembro ng Board of Trustees at Ang.

Nang hindi magkaroon ng katuparan ag MOA, sinabi ni Zarate , hiniling ni Lima na mamagitan si Ang na ang natural na karakter ay isang peacemaker kung saan pinayuhan niya si Zarate na mag refund para na rin sa magandang relasyon nito kay Lima.

Sinabi ni Ang na hindi makatwiran na idamay si Ang sa kaso dahil hindi naman siya kasama sa anumang transaksiyon ni Zarate at Lima.

'The only involvement of Ang was to intercede at Lima's request for a refund. .. instead of showing gratitude, Lima unfairly imputed wrongdoing to the former Councilor,' ayon kay Zarate.

Sinabi ni Ang na sinira ng Mindanao Mirror sa ipinalabas nilang artikulo noong Enero 12,2020 na ang NBI ay magsasampa sa Department of Justice ng multi million estafa case laban kay Ang at dalawang iba pa.

Sinabi ni Ang, ang WMRI ay nakapagbigay na ng hindi mabilang na medical assistance at nakapag donate na ng mga medical equipment at supplies sa iba't ibang pagamutan sa bansa.

Pag-aaral ni Gov. Fernando

MAGKAROON sana ng magandang kasagutan o katuparan ang ginagawang pag-aaral ni Bulacan Governor Daniel Fernando.

Ito ay may kaugnayan sa patuloy na lumalalang paglaganap ng krimen na riding-in-tandem ang kadalasang nasasangkot.

Pagpapakita at patunay na mayroong tunay na malasakit ang butihing gobernador sa mga gumagamit o nagmamaneho ng motorsiklo.

Nauunawaan ni Gov. Fernando ang kahalagahan ng single motorcycle bilang isa sa pangunahing pamamaraan ng transportasyon.

Ginagamit sa hanapbuhay o pagpasok sa trabaho, panghatid at sundo ng mga estudyante sa eskuwelahan, pamimili at iba pang gamit ng motor.

Kaya naman ayaw niyang madamay ang mga gumagamit ng motor sa wasto o legal na pamamaraan.

Isang malaking katanungan ay kung paano masusugpo o mapipigilan ang mga gumagamit ng motorsiklo sa kasamaan?

Nakasentro sa ngayon ang pamahalaang panlalawigan sa problema sa riding-in-tandem.

Katuwang siyempre rito higit sa lahat ang kapulisan at iba pang sangay ng pamahalaan.

Humihingi rin ng ayuda o suhestiyon si Gov. maging sa indibidwal o concerned groups.

'Ika nga ay mas mainam ang opinyon ng nakararami upang mas makabuo ng epektibong solusyon.

Kayong mga residente ng Bulacan, tulungan po ninyo ang gobernador sa pamamagitan ng inyong mungkahi.

Marahil kahit sino o maging saan mang lugar ay maaari tayong magpahatid ng ating suhestiyon.

Kayo po, baka mayroon kayong maitutulong.
