## QC mayor urges local residents to report illegal gambling

**QUEZON CITY, Feb. 12 (PIA) --** Mayor Joy Belmonte is encouraging residents of Quezon City to report any information on illegal gambling.

Belmonte also informed all 142 barangay captains of Quezon City regarding the strict implementation of the city ordinance against illegal gambling and instructed them to closely monitor and report any gambling operation in their respective areas.

The mayor said local residents can call the city's Hotline 122 and Quezon City Police District's (QCPD) hotline 09175410621 to report any information on illegal gambling in their area.

On Jan. 27, Belmonte ordered the QCPD to crack down on all forms of illegal gambling and arrest those behind it.

The all-out crackdown conducted from Jan. 27 to Feb. 5 immediately paid off following the arrest of 111 individuals, including the rescue of seven minors. Citing a report from the Quezon City Police District

QCPD, Belmonte said the QCPD conducted 62 anti-gambling operations that resulted in the filing of 33 cases against the suspects.

"We commend the QCPD, headed by PGen. Ronnie Siroy Montejo, for heeding our call to strengthen its crackdown on illegal gambling in our city," said Belmonte.

"Pero hindi pa rito natatapos ang kampanya dahil umpisa pa lang ito ng tuluy-tuloy nating laban kontra ilegal na sugal sa ating lungsod. Tiwala ako na hindi titigil ang ating kapulisan hanggang sa masugpo natin ito," she added.

According to the QCPD, Police Station PS1 in La Loma conducted 2 raids with 3 arrested, PS2 in Masambong (7 raids, 14 arrested), PS3 Talipapa (7 raids, 9 arrested), PS4 Novaliches (8 raids, 15 arrested), PS5 Fairview (3 raids, 3 arrested), PS6 Batasan Hills (8 raids, 6 arrested);

## Kawani ng DILG, sumailalim sa PPD ng DOH

**SUMAILALIM** sa Post Psychological Debriefing ang 75 empleyado ng Department of Interior and Local Government (DILG) gayundin ang mga personnel na bahagi ng Emergency Operation Center (EOC) at responder na tumulong sa lugar at evacuation centers na naapektuhan ng nakaraang pagsabog ng Bulkan Taal noong January 20 na nakaranas ng post-traumatic stress disorder.

Ayon kay Department of Health (DOH)-Regional Director Eduardo Janairo na layon ng naturang Psychological Debriefing na mabawasan ang kanilang pasalin sa pag-aalala sa mga nangyari at matanggap nila at maramdaman na ligtas sila.

"Ang debriefing na ito ay kailangang gawin sa lahat ng naging biktima, na involve sa operation at mga rumisponde sa ating mga

kapabayan upang hindi magkaroon ng post-traumatic stress disorder and ipa bang mga negative effects gaya ng nightmares, flashbacks at severe anxiety," paliwanag ni Janairo. "Napakaimportante rito ang timing at pag-conduct ng debriefing interventions upang masiguro natin na malakas at malusog ang kaisipan ng lahat ng tumulong noong nakaraang kalamidad," dagdag pa ni Janairo.

Ang pagsasagawa ng psychological debriefing at intervention ay napapanahon upang matanggap at makayanan ng isang indibidwal ang isang sitwasyon matapos ang isang tramatikong kaganapan o pangyayari tulad ng pagsabog ng Bulkan Taal.

"A strong and health body increases the ability of a person in coping with stress. Kailangang mag-

## PAPI's Statement on ABS-CBN's franchise case

Solicitor General Jose Calida's quo warranto petition filed recently before the Supreme Court seeking to void ABS-CBN network's broadcasting franchise, has caused wide scale uproar and protests.

The Publishers Association of the Philippines, Inc. (PAPI) shares the concern very seriously since the petition impinges on press freedom dimension. If the petition was due to abuses by ABS-CBN of the privileges granted it by Congress, administrative remedies can be sought from either the National Telecommunications Commission (NTC) and or the Securities and Exchange

Commission (SEC).

ABS-CBN's franchise expires shortly and the network has already filed its renewal application with Congress. The OSG move thus seems untimely and out of place since Congress has the exclusive authority to grant franchises, a constitutional mandate that must be respected and upheld.

To what extent indeed can the state wield control over civil liberties under our democratic system? PAPI hopes the Supreme Court will help resolve this contentious case in favor of the greater good and welfare.

## Sign of the Cross

SA pagsampa sa ano mang uri ng sasakyan ay ano nga ba ang kalimitang ginagawa.

Kotse, dyip, trak, bus, single motorcycle, tri-cycle, e-bike, e-trike, bisikleta, pedicab... bago mo paandarin o patak-buhin ay kabilang ka ba sa gumagawa ng sign of the cross?

Nakakatuwang isipin na higit na nakararami sa ating mga kababayang Katolikong tsuper ang gumagawa ng sign of the

cross.

Nagdarasal sila sa Panginoong Hesus bago magmamaneho ng kung ano mang behikulo.

Bakit kailangan ang sign of the cross? Bakit sila nagdarasal muna?

Ikaw bilang isang driver, bakit mo nga ba ginagawa ito?

Humihingi sila ng gabay sa Diyos para sa kanilang ligtas na pagmamaneho.

Hindi lamang para sa pansariling kaligtasan bagkus ay para na rin sa mga kap-

wa motorista.

Ganoon na rin ang mga taong nasa kalsada kagaya ng mga naglalakad o tumatawid.

Kasama na rin ang mga taong ang trabaho ay sa lansangan tulad ng mga traffic police at enforcer.

Tama lang naman na kapag hahawak ng manibela ay kapakanan at kaligtasan ng lahat ang dapat isaalang-alang.

Pero bakit nakakakita tayo ng mga balasubas sa pagmamaneho?

May sign of the cross ba silang ginagawa o nagdarasal ba muna bago magdrayb?

Nariyang sobrang tulin sa pagmamaneho, singit dito-singit doon, sige sa pag-over take, at iba pang pagpapamalas ng kawalan ng disiplina sa pagmamaneho.

Ang mga ganyang klaseng tsuper ay napakahilig sa pagbubusina.

Idinadaan nila sa kakabu-

sina ang kanilang hindi magandang pamamaraan ng pagmamaneho.

May post nga sa social media na ipinapaalala na hindi karera ang hanap nating mga tsuper.

Sabi nga ay isaalang-alang natin ang ating mga mahal sa buhay na naghihintay pagkatapos ng pagmamaneho.

Ibig sabihin ay kailangang uuwi kang buhay para sa iyong pamilya.

Isa pa pala, ang busina mo ay hindi nakakabusog. Bakit?

Kung ikaw ay matakaw sa busina ay bawasan ito dahil hindi nakakabusog sa halip wasto ang pagbubusina.

Ano pa ang silbi ng sign of the cross ninyo o ng inyong pagdarasal?

Kung gagawin ang sign of the cross at pagdarasal ay sana lamang isapuso ito.

## Chinese na nandura sa pulis, palayasin sa bansa-Isko

**IPINAG-UTOS** ni Manila Mayor Isko Moreno ang Special Mayor's Reaction Team (SMART) na makipag-ugnayan sa Bureau of Immigration para maiproseso ang deportasyon at maisama sa blacklist ang Chinese national na nandura ng pulis na umaaresto sa kanya sa Tondo, Maynila, kamakailan.

Ang gusto ng Ama ng Maynila na huwag nang makapamerwisyo pa ang dayuhan si Zhou Ziyi, sa oras na makalabas ng bilang-guan sa patung-patong na kasong kinakaharap nito kabilang ang traffic violations, possession of illegal drugs at iba pa na pawang 'bailable' o maaring piyansahan.

Sinabi niya kay Smart chief, P/ Major Rosalino Ibay Jr., na nais niyang maipabalik na sa bansa ang dayuhan dahil sa posibilidad na muli itong makagawa ng krimen, hindi lamang sa Maynila.

Sinusulat ito ay nakipag-ugnayan na rin si Moreno kay BI intelligence chief Jun Manahan para sa mabilis na pagpapatapon palabas ng bansa sa dayuhan na itinuturing na 'undesirable alien.'

Nabatid na umaga ng Feb. 6 nang parahin ng mga tauhan ng Manila Traffic and Parking Bureau (MTPB) ang Toyota Fortuner NBT 7767 na minamaneho ni Zhou dahil coding violation sa bahagi ng Plaza Lorenzo Ruiz, sa Reina Regente at Quintin Paredes St., Binondo, Maynila.

Sa halip na huminto ay humarurot at inararo nito ang mga dinaanang sasakyan na nauwi sa habulan hanggang sa panulukan ng Jose Abad Santos Avenue at

Tayuman St., kung saan nabangga niya rin ang iba pang mga sasakyan at mawasak ang motorsiklo ng traffic enforcer na humabol sa kanya.

Dinuraan pa ng suspek ang nakaunipormeng pulis na umaaresto sa kanya.

Nabatid din na bangag sa shabu ang suspek at nakuhanan pa siya ng humigit kumulang sa kalahating gramo ng shabu sa sasakyan at walang papeles ang pagmamaneho nito. (leonard basilio)

Mahigit 5 kilo ng marijuana ang nakumpiska sa isang 28-anyos na lalaki sa isina-gawang buy-bust operation na ikinasa ng mga tauhan ng Manila Police District-Station 7, sa Tondo, Maynila, kamakailan.

Isinusulat ito ay nakatak-dang isailalim sa inquest proceedings ang suspek na si Norvy Jesalva, at residente ng New Antipolo St., Tondo, Maynila sa paglabag sa Section 5 at 11 ng Republic Act 9165 o possession of illegal drugs and selling of illegal drugs.

Sa ulat ni P/Corporal Reyna Joy M Ofalsa, dakong ala-1:20 ng madaling araw nang isagawa ang buy-bust operation laban kay Norvy sa tapat ng bahay nito na sakop ng Barangay 217 ng mga tauhan ng Station Drug Enforcement Unit ng MPD-Station 7 sa pamumuno ni P/Capt. Manuel S. Calleja.

## 'Peryahan Games' suspended: PCSO

**MANILA** -- The Philippine Charity Sweepstakes Office (PCSO) has announced that Peryahan Games are now suspended.

"This is to inform the public that effective February 6, 2020, the operation of Peryahan Games is suspended until further instruction from the Office of the President," said PCSO General Manager Royina Marzan-Garma in an advisory sent to reporters on Monday.

There was no reason stated in the announcement on the suspension.

Last year, sales from the Peryahan Games reached PHP68 million when it went back to operation in October after an earlier suspension in August.

The Peryahan Games, formerly Peryahan ng Bayan, was suspended after its operating company Globaltech, failed to remit PHP100 million from its profit.

The company filed a suit before the Court of Appeals (CA) which later sided with them, saying that the games' operation is legal.

In 2015, sales from the Peryahan ng Bayan reached a total of PHP137 million. However, sales dropped to PHP23 million in 2017.

PCSO earlier said that all its games, particularly the Peryahan Games and Small Town Lottery (STL) were contributors for its yearly profit.

PCSO Assistant General Manager for Gaming Arnel Casas said the Peryahan Games and STL remain significant in sustaining the agency's profit. (PNA)

Nabatid na ang nasabing dayuhan at 3 pang kasabayang nito ay pawang mga Iraqi descent na mula sa Iraq's Kurdistan region kung saan ang kanilang kinanununan ay lumalaban para makamit ang kalayaan ng Kurdish state. **GENE ADSUARA**

Sinunod ni Josh Grommen ang suit sa kung ano ang tila isang header sa ika-14 minuto upang gawin itong 2-0.

Gayunpaman, ito ay - at mayroon pa rin - napapa-

ilalim sa kontrobersya dahil talagang tinapik ni Grommen ang bola gamit ang kanyang kaliwang kamay, na pinalampas ng tagahatol.

Si Bienvedo Marañon ay kumuha sa ikalawang kalahati, na nakapuntos sa ika-55 at ika-70 minuto para sa pangwakas na tally.

Ang Ceres Negros ay sumali sa kapwa pambansang nagwagi sa Bali United sa tuktok ng Group G.

Bumagsak din ang Bali ng apat na mga layunin sa bahay laban sa Tang Quanh Ninh, ngunit ang Indonesia club ay lumakad palayo ng 4-1 panalo, inilagay ang Ceres Negros, na ang tagapangasiwa ng si Roland Muller ay nagtago ng isang malinis na sheet, sa unang lugar sa pagkakaiba sa layunin.

## Ang pagbubukas ng PBA sa Marso 8

Itinakda ng Philippine Basketball Association (PBA) ang pagbubukas ng ika-45 na season linggo na mas bago kaysa sa orihinal na petsa dahil sa banta ng nakamamatay na novel corona virus (2019-nCoV ARD). Lunes ng inihayag ng liga ang pagbubukas sa araw ng 2020 na Marso 8.

"Ito ay isang hakbang na pang-iwas laban sa nCoV. Nasa lugar na ito at ipatutupad. Ang kaligtasan ng aming mga tagahanga, koponan, manlalaro, at mga opisyal ay mananatiling maging pinakamaraming prayoridad," sabi ni Commissioner Willie Marcial sa isang pahayag. Sa kabila ng pag-reschedule ng opening day

rites, magaganap pa rin ang mga aktibidad ng PBA. Ang pagbubukas ng mga seremonya ay magsisimula sa Leo Awards, kung saan ang Pinakamahalagang Player ng nakaraang panahon ay mapangalanan.

Susundan ito pagkatapos ng pormal na pagbukas na programa, at sa wakas, ang unang bahagi ng Philippine Cup Finals rematch sa pagitan ng San Miguel at Magnolia ay magtatapos sa gabi.

Ang pagbubukas ng kaganapan ay magaganap sa Smart Araneta Coliseum sa Quezon City.

Gayundin, nagpasya ang PBA na ipagpaliban ang pagbubukas ng D-League season hanggang Marso 2. Ang PBA D-League ay aktwal na nakatakdang simulan ang 2020 cagefest

Ang pagbubukas ng PBA at ang D-League ay hindi lamang ang mga kaganapan sa palakasan na ipinagpaliban sa isa pang petsa dahil sa nCoV dahil na-post na ng Philippine Sports Commission ang National Sports Summit, ang Philippine National Games, at Batang Pinoy.

## Cavite Provincial Government releases financial assistance to ASF-affected hog raisers

Following the African Swine Fever (ASF) epidemic that hit the province of Cavite late last year, the provincial government has distributed more than eleven million pesos worth of financial assistance to the 530 hog raisers affected. The first batch was released on February 11, 2020 for the 106 beneficiaries in the City of Bacoor in the distribution witnessed by City Mayor Lani Mercado-Revilla, Mr. Richard Quion, City Disaster Risk Reduction and Management Officer and Dr. Ella Mae Gandia of the City Veterinary Services Office.

Cavite was hit by the African Swine Fever (ASF) late last year affecting its small hog industries. The PDRRMO and the Provincial Veterinary Office (PVO) conducted Pre-Disaster Risk Assessment and confirmed cases of ASF in the cities of Bacoor, Dasmariñas, Imus and Gen. Trias. To prevent the further spread of the virus, additional Quarantine Checkpoints were stationed in entry and exit points in the province along with other epidemic interventions in the affected swine farms. Governor Jonvic Remulla sought the aid of the legislative body for the passage of Sangguniang Panlalawigan Resolution No. 1352-2019 declaring the province under State of Calamity on November 13, 2019 and authorizing the release of quick response fund to address the ASF and mitigate its impact.

Hogs affected by the virus and those within the one-kilometer radius were culled and buried as a standard protocol enforced by the Department of Agriculture. The financial assistance from the provincial government was intended help small hog raisers recover from the losses brought by the ASF and is separate from the assistance from the national and local government. The amount of financial assistance which

will be given to hog raisers is computed based on the number of pigs affected, each equivalent to Php 2,000.00. The PVO issued a certification which determines how much each beneficiary is entitled to receive.

Leading the distribution of financial assistance were the Provincial Social Welfare and Development Office and Provincial Treasurer's Office in coordination with the local veterinary offices, DRRMs and city social welfare offices.

The second wave of financial assistance distribution was done on February 12, 2020 in the Cities of Imus with 32 beneficiaries, Dasmariñas with 273 affected hog raisers and Gen. Trias with 114 recipients.

## Mayor ng Talitay Maguindao todas sa Ambush

Inambus at napatay ng hindi pa nakikilalang mga suspect ang alkalde ng Talitay, Maguin-danao, kama-kailan sa Malate, Maynila.

Kinilala ang mayor na si Abdulwahab Sabal, 45, ng Talitay, Maguin-danao. Nangyari ang insidente sa harap ng Mannra Hotel na matatagpuan sa kahabaan ng Quirino Avenue corner Leveriza St., Brgy. 706, alas-10:02 Lunes ng gabi. Nauna rito, kabababa lamang umano ng kanilang sasakyan na Toyota Fortuner ang biktima kasama ng kanyang maybahay na si Mohana Sabal at bodyguard na si Cpl. Alwal Guimad, 41, at habang ibinababa umano ang kanilang gamit sa sasakyan upang magcheck-in sa naturang hotel, bigla na lamang umalingawngaw ang tatlong putok ng baril at dito nadiskubre si Mayor Sabal na nakahan-dusay may tama ng bala sa katawan na nakadapa sa entrance ng naturang

## Cops urged to utilize social media as part of anti-crime efforts

MANILA -- Police officers should utilize social media in monitoring peace and order situations in their areas, a ranking police official said Wednesday.

Lt. Gen. Guillermo Eleazar, deputy chief for operations of the Philippine National Police (PNP), said social media has been useful in crime prevention efforts as netizens are now posting information on crimes and other incidents that could lead to the apprehension of criminals.

"The Filipino people whom we vow to serve and protect are now more active in all social media platforms with the advent of new technology. So I encourage you to adopt by being social media active too," Eleazar said in his speech during a visit to the Police Regional

hotel.

Narekober sa insidente ang isang nayuping basyo ng 5.56 mm ammunition. Sinasabing nasa Maynila ang mayor dahil dadalo sana ito sa ipinatawag na pagpulong ng Pangulong Rodrigo Duterte para sa mga chief executives sa buong bansa.

Matatandaang pinangalan-an si Sabal ni Pangulong Rodrigo Duterte na isa umano sa mga narco-politician noong ito'y bise alkalde pa lang ng Talitay.

Naaresto siya noong 2016 sa Awang Airport dahil sa pagkakasangkot umano sa ilegal na droga at illegal possession of firearms and explosives. Iniugnay rin ang yumaong alkalde sa nangyaring pagsabog sa Roxas night market sa Davao pero mariin niya itong itinanggi.

Sa ngayon puspusan ang ginagawang imbestigasyon ng MPD kung ano ang motibo at nasa likod nang pagpatay sa alkalde. (**leonard basilio**)

Office 5 (Bicol) in Legazpi City, Albay, which was forwarded to reporters.

He also urged police officers cops to adapt to the changing times for effective policing, stressing that this "one of the essences of our transformation programs".

Eleazar said that the PNP chief himself, Gen. Archie Gamboa, has been very supportive and even encouraging new innovations in crime prevention strategies.

"The PNP leadership is ready to support you for any innovative policing programs that you wish to craft and implement. So think out of the box in order for us to sustain our goal of being steps ahead against all criminal elements," he said.

Among the strategies now being implemented is the creation of Facebook pages and Twitter accounts at the station levels.

The social media accounts of the PNP, Eleazar said, are also effective in reaching out to the communities to get their support and cooperation in peace and order measures.

"We encourage you to do so and we hope to hear from your best and bright ideas for effective law enforcement," said Eleazar.

Eleazar, a former PNP's Anti-Cybercrime Group (ACG) chief, said that based on his observation, netizens tend to post their complaints and other peace and order-related incidents that they know in their social media accounts.

In some cases, he said social media posts resulted in the arrest of suspects in crimes ranging from simple road rage incidents to some high-profile ones.

As such, he said policemen can now directly get information from the people through social media, especially those which are going viral.

Eleazar said this trend should be taken advantage of by the police as effective crime prevention and crime solution also include adopting all the available technology.

## Calabarzon Sub-Committee on Culture supports Baybayin's revival

CALAMBA CITY, Laguna (PIA) – The Sub-Committee on Culture (SCC) of the Regional Development Council Calabarzon (RDC 4A) avowed its support to the revival of the ancient script of the Tagalog people called Baybayin.

"Una muna ay magkaroon tayo ng resolusyon na ipopropose natin sa Council na ang lahat ng ating mga signages ng RDC members ay maisulat sa Baybayin at sumunod doon ay magkaroon ng workshop ang mga opisina para naman may familiarity," RDC 4A Co-Chairperson Engr. Ladislao Andal of Philippine Institute of Civil Engineers (PISE) Batangas pronounced during the SCC 1st Semester Meeting at NEDA 4A Regional Office in this city on February 6, 2020.

"First of all, we should have a resolution to be proposed to the Council that all the signages of RDC members be written in Baybayin and then the offices should have a workshop for familiarization."

The Co-Chairperson invited University of the Philippines Los Baños (UPLB) professors Ron Jay Danagalan and Dr. Aleli Domingo to present their advocacy on Baybayin during said meeting.

"I am very sentimental when it comes to our culture," Andal stated.

As a traveler himself, he said he gets overwhelmed whenever he visits places that showcase their own language or script.

"It is in the social media that they spend more time and it is the social media that they use as a tool of information-sharing for illegal deeds and activities, let us reach out to them by intensifying the police presence in the social media. So it is inevitable for us in the PNP to include social media in the planning and implementation of crime prevention and peace and order-related measures," he added.

Eleazar, who used to head the National Capital Region

"Ang kanilang mga signages ay naka-translate sa kanilang native language at mayroon silang kumpleto ng mga dokumento ng kanilang language."

("Their signages were translated to their native language and they have a complete documentation of their language.")

He stressed that apart from the indigenous peoples whose genes are streaming in our bloodlines, we also have this Baybayin which does not need to be completely documented but must be shown to the world to prove that our race has its own identity.

"Kung tayo ay nagplaplan ng ating development ang unang dapat nating malaman ay kung mayroon tayong pinagmulan na sa pamamagitan nito (Baybayin) ay matre-trace natin."

("If we are planning for our development, we should first know our roots which we can trace back through this [Baybayin].")

He also pointed out that aside from all the other industries in Calabarzon, Tourism is also a vital contributor in the region's economy.

"Ang tourism ang ugat ay storytelling at ang umpisa ng storytelling ay iyong ating sariling wika (The root of tourism is storytelling and the beginning of storytelling is your own language," he emphasized.

He then urged everyone to think of other ways to further promote and preserve the Baybayin. (**Joy Gabrido/PIA4A**)

Police Office (NCRPO), earlier ordered police commanders to monitor incidents of crime and abuses committed by their personnel on social media.

He also said commanders should veer away from the mindset that social media is only for millennials or young people.

For instance, Eleazar said he forwards information he received or read from social media applications to concerned unit commanders for verification and appropriate action. (**PNA**)

Unang kinilala ang pananaliksik na ito nang parangalan ito bilang pinakama-husay na disertasyon sa agham pampolitika noong Gawad Julian Cruz Balmaseda 2016.

Pangunahing tinalakay dito ang politikal na impluwensiya, ugnayan, at tunggalian ng Estado, Simbahan, at prinsipalya sa prosesong elektoral—sa pagpili ng gobernadorsilyo. Sa kabuoan, ang kaniyang disertasyon ay pag-aaral sa kasaysayan at kultura ng pagpili ng pinuno sa mga bayan ng Lalawigan ng Tayabas mula 1846 hanggang 1898.

Nagtapos si Dr. Gilbert E. Macarandang ng doktorado sa Araling Filipino (Philippine Studies) sa Pamantasang De La Salle-Manila. Sa kasalukuyan siyang nagtuturo ng kasaysayan sa Pamantasang De La Salle-Dasmariñas.

Pinagpupugayan ng KWF si Balmaseda bilang nangungunang makata, kritiko, at iskolar ng wika at kulturang Filipino. Naglingkod din siya bilang direktor ng Surian ng Wikang Pambansa na kilala bilang KWF ngayon.

Ang paglalathala at pag-susulat ng mga saliksik na nagtatampok sa paggamit ng wikang Filipino ay repleksiyon ng mataas na pagkilala hindi lang kay Julian Cruz Balmaseda kundi sa wikang Filipino bilang wika ng karunungan.

### DOST turns over e-scooters to Cauayan City for 'smarter mobility'

The Department of Science and Technology (DOST) has recently turned over seven electric scooters (e-scooters) to the Cauayan City government in Isabela for pilot testing.

DOST Secretary Fortunato de la Peña said the e-scooter project also aims to empower the city's tourism services aside from being a cleaner mode of transportation. He emphasized the importance of strong partnership among DOST and its key partners to help make the project viable, and development possible.

"This simply proves that cooperation among partner agencies -- the Local Government of Cauayan City, Isabela State University, DOST Region 2, and the University of the Philippines -- many significant things can be achieved," dela Pena said in Tagalog during the turn-over.

"One of the major challenges we are currently facing is climate change. Excessive carbon dioxide (CO2) emissions from motor vehicles further accelerate this problem, and most people have also accustomed themselves to traveling short distance using cars. Therefore, introducing cleaner modes of transport is necessary to reduce our carbon footprint," he added.

The Smarter Mobility E-scooter Project h-is designed to develop efficient, affordable, diversified, and healthier transportation means. It also aims to

complement existing transit programs, and reducing traffic congestion in population centers.

According to one of the members of the team that developed the Smarter Mobility technology, the e-scooters use Global Positioning System (GPS) technology which tracks down all the units within an established jurisdiction called "Geofence," to prevent them from being stolen. The scooters were first tested within the UP Dili-man grounds and can be controlled using an app.

Present during the E-scooter Project's Memorandum of Agreement (MOA) signing were Cauayan City Mayor Bernard Faustino M. Dy, DOST-R2 - Regional Director Sancho A. Maborang, Isabela State University President Dr. Ricmar P. Aquino, UP-IEEE Associate Professor Nestor Michael Tiglaog, and FILGENIUS Owner Edgardo G. Vazquez.

The MOA signing was witnessed by Secretary de la Peña, DOST USec. for Regional Operations Brenda L. Nazareth-Manzano, Cauayan City Vice Mayor Leoncio A. Dalin, Jr., ISU Executive Officer Precila C. Delima, and Cauayan City councilors.

Cauayan City is the first declared Smarter City in the Philippines. The Smarter City Program recognizes the use of science and technology to efficiently provide basic services to the people. It has contributed significantly to the attainment of Goal 11 of the

United Nations Sustainability Goals. ### By Enrico

# ARCI MUÑOZ, SOBRANG SAYA

**HINDI maipaliwanag na kasiyahan ang naranasan ni Arci Muñoz nitong katatapos na 92 Academy Awards o Oscars.**

Well and good dahil kahit paano ay napakinabangan niya ang konting kaalaman sa pagsasalita ng Korean. Ang 'Parasite' ng South Korea ang tinanghal bilang Best Picture ng Oscars. Kaya naman sa pagharap

sa kay Director Bong Joon-ho at sa aktor na si Song Kang-ho ay nagamit ni Arci ang napag-aralan sa pagsasalita ng Korean. Bukod sa pagiging Best Picture at Best Director ni Bong Joon-ho ay nasungkit din ng 'Parasite' ang Best Original Screenplay at Best Foreign Language Film. Ang 'Parasite' ay isang black comedy thriller film na pinagbidahan nga ni

Song Kang-ho. Ang Best Cinematography, Sound Mixing at Visual Effects ay naiuwi naman ng pelikulang '1917.' Sa 'Joker' naman napunta ang Best Original Music Score at ang Best Actor kay Joaquin Phoenix. Best supporting actor naman si Brad Pitt sa kanyang comedy-drama film na 'Once upon a Time ... in Hollywood.' Ang dating asawa nito na Hollywood star din na si

Angelina Jolie ang tumanggap ng parangal at inihandog iyon para sa kanilang mga anak. Last year ang best picture ng Oscars ay ang American biographical comedy-drama film na 'Green Book.' Balik tayo kay Arci, may post din siya na kasama ang Hollywood actress na si Michelle Rodriguez. Nakilala ang pangalan ni Michelle Rodriguez at sumikat sa pelikulang 'Fast and Furious.'

“**SAAN** ba talaga tayo pupunta ha? Ang layu-layo na ng nilalakbay natin.” Tanging mga puno at iba't ibang uri ng hayop ang nakikita at nadadaan nila. Si Mikel ay patuloy lamang sa pagtatanong dahil labis siyang naguguluhan. Pero kahit anong usisa ni Mikel ay walang tugon mula sa kanyang kinakausap. Hindi nga alam ni Mikel ang pangalan ng kanyang kasama sa napakahabang paglalakbay. Isang napakagandang babae na sobrang amo ng mukha subalit hindi naman nagsasalita. Walang imik basta ang babae ay nakahawak lamang sa isang braso ni Mikel. Sa simula ay mistulang nasa siyudad ang dalawa sa kanilang paglalakad. Kaliwa't kanan ang paglingon ni Mikel subalit kahit anong pihit ng kanyang paningin ay wala siyang nakikitang tao. Kahit isang tao lamang ay wala silang nakakasalubong sa kabila na pakiwari ni Mikel ay pagkaha-ba-haba na ang kanilang nilalakad. Labis naman na nagtataka si Mikel dahil kahit

napakahaba na ng paglalakbay ay hindi siya nakakaramdam ng pagod. Lalo na ang babae na wala rin kapaguran basta tuloy lamang sila sa paglalakad. Ang higit na nakakapagtaka para kay Mikel ay umaabot ang kanilang paglalakad hanggang kagubatan. Doon nga ay puro mga puno ang natatanaw niya at iba't ibang uri ng hayop. Palaisipan kay Mikel kung bakit mababait at maaamang maging ang mga mababagsik na hayop. Halimbawa na lamang ang mga leon at tigre na akala mo ay parang mga aso lamang. Kapag may nakakasalubong silang ganoong mga hayop ay nahahawakan at nahihimas pa niya. Nakakapagtaka lalo kay Mikel kapag lulusong sila ng batis o ilog. May mga buwayang lumalangoy pero hindi man lamang sila ginagalaw o sinasagpang ng mga ito. Sa napakahabang paglalakad ay mararating na nila ang pinakatuktok ng kagubatan. “Ayoko...wag, ayoko...”

Kumbaga ay amoy panis na iyon kaya inutusan si Jane na ayusin ang pagkakatakip ng basurahan. Tumawa na lamang si Jane at sinabayan ng pang-aamo o paglambing sa kanyang daddy. Tinanggap naman ng daddy niya ang yakap at halik kasunod ay umakyat na sila para makapagpahinga. “Muntik na ako ah. Tayo! Muntik na tayo, hehehe... buti na lang at nalusutan ko si daddy.” Kinabukasan ay nagkita sa campus sina Jane at Bernard na masayang nagkuwentuhan. “Ako rin naman eh muntik na din kaya lang gumana

ang pagiging best actor ko.” Ikinuwento nila sa isa't isa ang pangyayari matapos silang makauwi galing ng motel. “Nagtataka lang ako eh kung saan ba napunta ang gamit kong cellphone.” “Baka lang, pakitingin mo nga d'yan sa bag mo. Baka 'di sinasadya eh nailagay ko kahapon.” Sumunod naman kaagad si Jane sa pakiusap ng binata pero biglang natigilan. “Naku! Iba pala 'etong bag na gamit ko ngayon. Nagpalit nga pala ako.” Kampante naman si Jane dahil pagkagising niya ay wala na ang kanyang daddy. Sa isip ni Jane kung may nakitang 'di maganda o kanais-nais sa isang bag niya ay mag-uusisa ang kanyang daddy. Sumagi rin kasi sa isip ni Jane na paano nga kung nasa bag niya ang cp ni Bernard. Pagkatapos ay makikita ng kanyang daddy pero buti na lang at hindi ganoon ang nangyari. “Hayaan mo at pag-uwi ko ay titingnan ko kung 'yung cp mo eh naroroon sa bag.”

# NAPC HANDA NA PARA SA NATIONAL SECTORAL ASSEMBLY SA MARSO

**LUNGSOD QUEZON (PIA) -- Matapos ang matagumpay na Regional Sectoral Assembly (RSA) sa iba't-ibang rehiyon ng bansa, sinabi ang National Anti-Poverty Commission (NAPC) na handa na sila sa kanilang gagawing National Sectoral Assembly sa Marso.**

Ayon kay Kalihim Noel Felongco ng NAPC, isinagawa ang mga RSA upang makakalap ng inputs mula sa iba't-ibang organisasyon na nakapaloob sa labing-apat na batayang sektor upang maging bahagi ng bagong sectoral agenda na tatalakayin sa National Sectoral Assembly (NSA). "Malaking porsiyento ng mamamayan sa ating bansa ang dumaranas ng kahirapan. Karamihan dito ay kabilang sa mga bumubuo sa batayang sektor ng ating lipunan. Ang mga batayang sektor ay tinutur-

ing na mahahalagang partner ng ating pamahalaan upang sugpuin ang malaking problema ng Pilipinas sa kahirapan," paliwanag ni Felongco.

"Sila ang mga grupong naglalagak ng pundasyon sa ating bansa. Ang kanilang partisipasyon sa paggawa ng mga polisiya ay mahalaga upang maibigay ang tunay nilang mga pangangailangan," dagdag nito.

Sa dalawang araw na RSA, tinukoy ng bawat sektor ang mga isyu na kanilang kinaharap at nagbigay rekomendasyon para sa angkop na polisiyang isinagawa para mafugunan ang problema.

Ano ng NAPC?

Ang NAPC ay binuo sa ilalim ng Republic Act (RA) 8425, o "Social Reform and Poverty Alleviation Act," na naging epektibo noong ika-30 ng Hunyo 1998.

Sa ilalim ng RA 8425,

itinatag ang social reform agenda (SRA) at nag-atas sa NAPC na palakasin at pasiglahin ang pakikipagtulungan ng mga ahensya ng gobyerno at ng mga batayang sektor.

Hangad ng estado na sa pamamagitan ng NAPC ay magkakaroon ng sistematikong 'social interventions' at walang patid na proseso na sasagot sa mga kakulangan ng bansa tungo sa paglutas ng kahirapan.

Ito ang kaisa-isang ahensya ng gobyerno na ang pangunahing komposisyon ay binubuo ng labing-apat na batayang sektor na 'fully-engaged' at 'institutionalized'. Kasama rin nila ang 'government sector component' na binubuo naman ng labing-limang ahensya ng gobyerno at ng mga lokal na pamahalaan (LGUs).

Ang labing-apat na batayang sektor naman ay binubuo ng: magsasaka at manggagawang bukid, maliliit

na mangingisda, maralitang tagalunsod, katutubo, manggagawa sa pormal na sektor at sa ibayong dagat, manggagawa sa impormal na ekonomiya, kababaihan, kabataan at estudyante, persons with disabilities, biktima ng mga sakuna at kalamidad, senior citizens, non-government organizations, bata at kooperatiba. Sa pamumuno ng Pangulo ng bansa bilang Chairperson, isinasabuhay ng NAPC ang "basic sector participation" sa pagbuo ng mga polisiya. Ang kakaibang istraktura na ito ang siyang nagbibigay daan upang kanilang mamonitor ang mga programa kontra-kahirapan ng gobyerno pati na rin ang pagpaparing ng agenda ng bawat sektor sa mga ahensya ng gobyerno gaya ng nakasaad sa Republic Act 8425.

Hamon ng kahirapan Sa ulat ng Philippine Statistics Authority (PSA) bum-

aba ang poverty incidence ng bansa mula sa 23.3% noong 2015 tungo sa 16.6% sa parehong panahon ng 2018. Ang poverty incidence naman sa mga pamilya ay bumaba mula sa 17.9% noong 2015 at 12.1% sa parehong panahon ng 2018.

"Kahit na matagumpay na nabawasan ang mga numerong ito, malayo pa ang tatahakin tungo sa tunay na tagumpay. Kung isasalin natin ang kabuuang poverty incidence ng bansa sa 16.6%, nangangahulugang mayroong humigit-kumulang 18 milyon na Pilipino ang hindi sapat ang kinikita para tustusan ang minimum na food at non-food requirement para sa pamilya ng lima," paliwanag ni Felongco.

"Ang pakikinig sa ating mga kababayan ang unang-unang hakbang sa

epektibong pagbuo ng mga polisiya at proyektong laban sa kahirapan," dagdag pa ni Felongco.

"Gayun din, ang aktibong partisipasyon ng mga sektor sa pagbuo ng mga programa at polisiyang ito sa lahat ng lebel ng pampublikong serbisyo ay ang susi upang makamit ang isang bansang progresibo at malaya sa kamay ng kahirapan," pahayag ng Kalihim.

"Napakahalaga ng papel na ginagampanan ng Regional Sectoral Assemblies pati na rin ng National Sectoral Assembly sa paghahati ng mga hinaing na ito sa ating gobyerno. Naniwala ako na ang RSA at NSA ay isang epektibong lugar para mapag-usapan ang mga isyung nararanasan ng mga batayang sektor tungo sa paglaban ng kahirapan," ani Felongco. **(NAPC/PIA-NCR)**

## CTA allows inspection of Smart's books in P3.2-B tax case

**MANILA --** The Court of Tax Appeals (CTA) has upheld a lower court's order allowing the inspection of corporate finance records of telecommunications giant Smart Communications Inc. in connection with the Makati City government's assessment of PHP3.246 billion for deficiency franchise taxes and fees for the years 2012 to 2015 against the firm.

In its 13-page decision dated February 5, the CTA's Second Division through Associate Justice Jean Marie A. Bacorro-Villena denied for lack of merit the firm's petition questioning the Makati City Regional Trial Court (RTC) Branch 133's resolution on the controversy.

Associate Justices Juanito C. Castaneda Jr. and Cielito N. Mindaro-Grulla concurred in the ruling.

The CTA's ruling affirmed the June 28, 2019 resolution by RTC Judge Augusto Jose Y. Arreza against Smart on the petition for certiorari it filed against the city government and city treasurer Jesusa E. Cuneta.

The Makati court had granted the city's motion for the production or inspection of documents. The telco giant claimed the lower court's actions would be tantamount to permitting Makati City to a second audit in relation to its franchise tax payments for the years 2012 to 2015.

It claims opening its books is "improper" since this would allow Makati City "to take inconsistent stances since the latter already upheld the validity and correctness of its NOA (Notice of Assessment) yet it could take another look at it to validate the assessment's

accuracy".

The firm also questioned the "relevance" of some of the documents sought particularly those pertaining to its nationwide revenues, including revenues from other localities which Smart said, "contain information referring to matters outside respondent Makati City's territorial jurisdiction and pertain to the taxable period that it can no longer be assessed for".

The Makati City government insisted that the documents sought are not confidential in nature to warrant their non-production in court and pointed out that the documents are necessary following the firm's failure to provide the city with a breakdown of gross sales/receipts of its branches.

"The Court does not...perceive any injury of such magnitude if the assailed resolutions are allowed to stand. Neither can grave abuse of discretion be attributed to the actions of the public respondent (Makati City)," the CTA ruled.

Sought for production was the firm's general ledger, particularly the consolidated book for the years 2011 to 2014 and Makati branches and sales offices.

Likewise sought were the sales book for the same year and cash register book, general journal book, application form and billing assessment from other LGUs, schedule, and summary of payments, breakdown of gross sales, quarterly and monthly value-added tax (VAT) returns and summary/breakdown of other income of branches and offices from other localities. **(PNA)**

## Dapat walang sugal para sa mayayaman

**PUSPUSAN** ang kampanya ng kapulisan laban sa lahat ng uri ng illegal gambling.

Hindi naman maikakaila dahil maging ang mga nagsusugal sa 'saklang patay' ay sinalakay.

Bahagi kasi ito ng 'one strike policy' na nais ipatupad ng Philippine National Police.

Pero sa direktiba ni PNP Chief Achie Francisco Gamboa, hindi lamang mga sugal bagkus lahat ng illegal activities.

Ibig sabihin ay kasama ang iba pang illegal vices gaya ng lantarang bold shows sa lahat ng bahay-aliwan at ang prostitusyon sa bahay-casa.

Daming papasadahang night spots niyan lalo sa bahaging central at southern part ng Kalakhang Maynila.

Dapat ay isama na rin maging ang illegal ter-

minal, tama po ba Chief Gamboa?

Kumbaga ay lahat-lahatin na basta sa 'mata' ng sinasabing batas ay illegal at bawal.

Ang illegal gambling na kasalukuyang tinututukan ay maikokonsiderang mga 'sugal-lupa' lamang.

Parang kagaya sa giyera kontra droga, mas mada-las ang nabibingwit ay 'maliliit na isda' lamang.

Sa larangan ng pagsusugal sa nangyayari sa kasalukuyan ay tanging ang mga mayayaman lamang ang may karapatang magsugal sa mga de-aircon na establisyimento habang ang mga maralita ay takam-takam na lamang.

Ang punto lamang dito, kung ang sugal ay nakakasama ay dapat wala sanang sugal din para sa mayayaman.

Youth Calling for Peace (Kapayapaan para sa kabuuhan ng Mindanao) Teachers; Religious Leaders, Government Officials and Employees na umabot sa 5,000 ang lumahok at sumali sa panawagan na ipinaaabot kay Pangulong Rodrigo R. Duterte na ginanap sa Cotabato City Plaza kamakailan. **CHRISTIAN HERAMIS**

**KUMPISKADO** ang labing isang (11) video karambola machine sa Barangay Baclaran sa isinagawang Oplan Galugad kaugnay ng pinalalakas na kampanya ng kapulisan laban sa illegal gambling. Mismong si P/ Major JOLLY C. SORIANO, PCP-1 Commander, ang nanguna sa pagpalo at pagwasak ng mga video karambola machine. **(JIMMY HAO)**

**KALABOSO** si Shane Navarro na nahulian ng siyam (9) na pirasong heat sealed white transparent plastic sachet substance suspected to be shabu sa isinagawang buy bust operation sa Santiago St., Baclaran, P'que City. **(JIMMY HAO)**
