Eleazar orders clean-up of Metro precincts' surroundings

MANILA — The National Capital Region Police Office (NCRPO) on Thursday ordered all police community precincts (PCPs) in the region to ensure that their surroundings are clean and orderly.

This, as NCRPO chief, Maj. Gen. Guillermo Eleazar, conducted a surprise inspection of PCPs in the southern part of Metro Manila on Wednesday.

Eleazar said he inspected 10 PCPs in Pasay, Makati, Parañaque, Las Piñas, and Taguig and found out that while these police stations are clean on the inside, the outside premises were found to be filthy.

"Cleanliness not only inside but (also) outside (is important). There are a lot of cigarette butts, empty water bottles and candy wrappers during my inspection in these PCPs. I told them even if they have old equipment, as long as these are in order, the people will still find it presentable, especially complainants. The comfort rooms should not have any foul smell. It is important to have a good and clean working environment," Eleazar told the Philippine News Agency (PNA) in a phone interview.

"I gave them a warning first. I told them to clean up and then I will go back. I talked to their chiefs of police and station commanders regarding the inspection. They should be watchful of the PCPs under their jurisdiction," he stressed.

Eleazar said that he will inspect 187 PCPs metro-wide, stressting that one of his priority programs is the cleanliness of the stations and their surroundings as part of the internal cleansing program of the PNP.

"Cleanliness and sanitation in the police stations should be a standard. Police commanders should always make sure that the surroundings are clean," the Metro Manila top cop noted.

"In general, I am satisfied but we can do more improvement. The people's trust will be restored if they see clean surroundings of police stations. What I mean here i s exaggerated cleanliness," Eleazar said. *(PNA)*

SC allows ex-DA chief Yap plea to travel abroad

MANILA — Bohol governor-elect Arthur C. Yap has been conditionally allowed by the Supreme Court (SC) to travel abroad.

In a resolution dated June 3, the SC required the former agriculture secretary, who is facing graft charges, to post a PHP100,000-bond for the trip.

The SC likewise required Yap to name a personal agent with authority to act for and on his behalf for the duration of his travel abroad, and to file a written notice of his arrival within 24 hours upon his return to the Philippines.

Yap said he plans to travel to Belgium, the Netherlands, Japan, and South Korea from June 6 until June 29.

He said he plans to attend a convention on solid waste management and desalination in the Netherlands.

Yap and former Department of Science and Technology (DOST) secretary William Padolina were charged with violation of the Anti-Graft and Corrupt Practices Act in connection with the PHP15.8-million car plan of the Philippine Rice Research Institute in 2008 and 2009.

"In view of the manifestations and the assurances by the petitioner (Yap) that he has no reason to flee the jurisdiction or to evade his responsibilities, the Court finds that he has proven that he is not a flight risk," the SC said. ***(PNA)***

Tupdin ang pagsasakripisyo

NAKAKABILIB ang dalagitang estudyante sa kanyang pagkuha ng video at mga larawan.

Tungkol ito sa ginawang pangmomolestiya sa sampung taong gulang na batang babae sa kamay ng kanyang guro na isa ring chess coach sa Baguio City.

Pahayag nga ni Col. Allen Rae Co, acting city director ng Baguio City Police Office, dahil sa ginawa ng dalagita ay nabisto ang naturang pangyayari.

Naging daan din ang ginawang pag-video at pagkuha ng larawan ng dalagita sa mabilis na pagkakahuli sa naturang titser.

Sa unang video ay nakunan ng dalagita ang pagmomolestiya ng guro sa biktima habang nasa loob ng jeep patungo ng Baguio City galing ng La Trinidad, Benguet.

Namataan uli ng dalagita ang titser na kasama ang batang babae sa Burnham Park.

Nakita na naman ng dalagita ang ginawang panghahawak ng guro sa maseselang parte ng katawan ng bata habang abala sa cellphone.

Hindi nagdalawang-isip, ang mga nakuhanang litrato ay mabilis na ipinost ng dalagita sa social media.

Kasunod ay nagtungo sa himpilan ng pulisya ang dalagita at ipinagbigay-alam ang pangyayari.

Kaagad naman ang isinagawang aksiyon at responde ng kapulisan kaya ang guro ay nadakip sa Igorot Park.

Sadyang nakakabilib ang dalagita, totoong nakaramdam siya ng takot.

Natakot ang dalagita hindi para sa kanya bagkus ay para roon sa bata.

Batid ng dalagita na masama at bawal ang ginagawa ng guro at bata pa ang biktima.

Sa pangyayari ay sinira ng guro ang ipinakita at ibinigay na pagtitiwala sa kanya ng pamilya ng batang babae.

Itinuturing na kasing parang isang kamag-anak ng pamilya ng bata ang gurong ito.

Naglalaro na kasi sa limang buwan ang guro bilang instructor ng bata sa chess.

Mahirap talagang basta maggagawad ng pagtitiwala at dapat kung ito ay ibinigay sana ay pinapahalagahan at iniingatan.

Bukod sa kasong child abuse ay may iba pang asunto para sa titser na suspek.

Ngayong pasukan na naman, nariyan muli ang ating mga guro na sinasabing pangalawang magulang ng mga bata.

Bilang guro, huwag lamang ang propesyon ang ingatan sa halip ay ang dignidad.

Pinili ninyong maging isang guro para sa mga mag-aaral kaya gawin at tupdin ang pagsasakripisyo.

Nagpupugay po kami sa lahat ng guro na masasabi rin nating isang bayani ng ating bayan.

Para naman sa lahat ng estudyante, irespeto ninyo hindi lamang ang mga guro at kawani ng paaralan kundi maging ang kapwa estudyante ninyo.

Ibalik ang manual counting

BUMALIGTAD nga ba ang National Movement for Free Elections (NAMFREL) hinggil sa alegasyong mayroong dayaang nangyari nitong nakaraang May 13 midterm elections?

Sinasabing ito ay bunga ng ginawang pagsang-ayon ng NAMFREL sa pahayag ni Pangulong Rodrigo Duterte.

Ang bilin kasi ni Duterte ay hindi na dapat kunin ng Commission on Elections (Comelec) ang serbisyo ng Smartmatic sa mga darating pang eleksiyon.

Paglilinaw naman ni NAMFREL national chairman Gus Lagman, ang kanila umanong pinupunto ay madali lamang maisakatuparan ang pandaraya ng automated system ng halalan.

Dahil ito sa software na madali o kayang-kayang ayusin ng mga technician ng naturang kumpanya.

Marami naman talagang reklamo sa serbisyo ng Smartmatic buhat ng gamitin sa automated election kaya sabi ni Lagman ay hindi malayong maaaring madaya ang ipalabas na resulta ng sistema nito.

Maganda nga marahil na ibalik ang manual counting sa mga polling precincts at hayaan na automated ang transmission ng mga resulta.

CJ stresses importance of beefing up legal education

MANILA- Chief Justice Lucas P. Bersamin emphasized the commitment of his administration to leave no stone unturned in reforming the country's legal education system.

"The impact of legal education in the lives of our people is far reaching, and cannot be taken for granted," Bersamin said during the Regional Consultative Meeting for National Capital Region and CALABARZON on Legal Education at the University of Santo Tomas on Thursday.

"The law itself pervades so much of public policy and human affairs," he added.

The magistrate said legal education is "no doubt" essential to the maintenance of the Rule of Law.

He added it is "a regime that, for former UN Secretary General Ban Ki Moon, 'is crucial for promoting economic growth, sustainable development, human rights and access to justice."

In a statement, the high court said the meeting is the last of the consultative meetings prior to the Legal Education Summit (LES) which will take place in the coming months.

Last year, Bersamin has promised to make reforms in the judiciary during his 11-month tour of duty as Chief Justice.

Bersamin replaced Teresita Leonardo-De Castro who retired from government service in October last year.

He will serve the post until October 2019 when he reaches the mandatory retirement age. **(PNA)**

DENR, MPIC ink pact to rehabilitate Manila's 20 dirtiest esteros

QUEZON CITY (PIA)— The Department of Environment and Natural Resources (DENR) recently forged a five-year partnership deal with MPIC for the cleanup of 20 dirtiest esteros that drain into Pasig River, under the DENR's Adopt-an-Estero/Water Body program.

The water bodies covered by the DENR-MPIC are Esteros de Vitas, San Lazaro, Kabulusan, Magdalena, Binondo, Dela Reina, Sampaloc, San Sebastian, San Miguel, Valencia, Uli-uli, Paco, Pandacan, Tanque, Balete, Provisor, Concordia, Sunog Apog, San Antonio Abad and Quiapo.

MPIC would work closely with DENR, local government units and other concerned government and private agencies to clean up these water ways that lead to Manila bay.

The partnership was sealed through a memorandum of understanding (MOU) signed by DENR Secretary Roy A. Cimatu and MPIC president and CEO Jose Ma. Lim.

According to Cimatu, the DENR-MPIC collaboration is a continuation of the battle cry for Pasig River: "rehabilitating a river, restoring life and reviving the pride."

"Together, we will continue to clean up every estero, assess their water quality and identify sources of pollution," Cimatu said during the MOU signing held at the DENR central office in Quezon City.

"We will take appropriate actions against establishments discharging untreated wastewater to prevent them from further poisoning these waterways," he added.

For his part, Lim assured that the MPIC—through its subsidiary Maynilad Water Services Inc.—"remains fully committed to protecting the environment."

"Upon acknowledging the objective of the DENR to promote stewardship among the private sector, MPIC is set to assist government agencies in improving the water quality parameters of the country's water bodies," Lim added.

Under the MOU, the MPIC agreed not only to fund the rehabilitation and water quality assessment of the adopted esteros, but also spearhead the mobilization of neighboring schools and communities for the cleanup activities.

The diversified conglomerate also assured that Maynilad will fast-track the rehabilitation of its sewer lines, intensify the connection of domestic and non-domestic customers to the existing sewerage network, install collector pipes and easements, and conduct information and education campaigns related to proper wastewater treatment and disposal.

The DENR, on the other hand, will provide the MPIC with all the relevant data for the conduct of the water quality assessment study, issue the necessary permits and approvals to enable the MPIC and Maynilad to perform their responsibilities, and take appropriate action against violators within the adopted esteros.

Established in 2010, the Adopt-an-Estero/Water Body is a flagship program of the DENR in response to the continuing mandamus of the Supreme Court for all concerned agencies to clean up Manila Bay, including all waterways that drain into it.

The program, which was eventually replicated in other parts of the country, is a collaborative undertaking among the estero community, the donor-partner, concerned local government units, the DENR and other government agencies. **(PIA InfoComm/ DENR)**

Cavite celebrates history, traditions this June

IMUS CITY, Cavite — The month of June maybe considered as Cavite's history and heritage month where three significant events are staged, which beckon both local and foreign tourists the chance to rediscover why Cavite is known as the "Historical Capital of the Philippines".

Thousands of Caviteños, including those from Metro Manila, are expected to flock to Kawit town on June 12 for the 121st celebration of the declaration of Philippine Independence.

The late General Emilio Aguinaldo, first President of the Philippine Republic, proclaimed in Kawit town the country's sovereignty and independence from Spanish colonization on June 12, 1898 before a huge crowd at his mansion, now known as the historic Aguinaldo Shrine – a National Shrine of the Philippines.

A national event and one of the country's regular holidays, this event commemorates that momentous occasion when the Philippine National Flag, sewn in Hong Kong by Marcela Agoncillo, was officially hoisted and the Philippine National March was played to the public for the first time.

The National Historical Commission of the Philippines (NHCP), in partnership with the provincial government of Cavite, the municipal government of Kawit, and their respective tourism offices, have lined up day-long activities composed of commemoration formalities and some side activities.

The fun in the province continues with Cavite City's annual "Regada" Festival from June 15 to 22 where people of different ages and social status join in the fun not only because of its festive mood, but also of the ecological implication and spiritual bonding that they experience.

The city's Regada Water Festival, which started in 1996 and now an annual revelry, coincides with the feast of St. John the Baptist; and is marked with street dancing and parade, fun games, highlighted with the splashing of water everywhere.

Bacoor City, the "Marching Band Capital of the Philippines", will also celebrate its 7th cityhood and have lined-up a series of activities which include the "Grandest Marching Band Parade (from Bacoor Elementary School to Niog St) and Show Competition (Strike Revilla Gymnasium) on June 22.

The province of Cavite is known in history as the home of the country's president of the First Philippine Republic, and where the Philippine Independence from Spanish colonizers was declared.

Cavite's Tourism and Cultural Affairs Office said the province is also a 'centerstage' for numerous revolts, with triumphs and historical events commemorated each year to constantly remind the people, especially the young ones, of "our forefather's gallantry and extreme love for country which led to the country's freedom which we all enjoy today." ***(Gladys Pino-PNA)***

SECRET DUMPSITE SA MANILA, 'HUHUKAYIN' SA PAG-UPO NI ISKO

Tiniyak ni Manila City Mayor-elect Francisco "Isko Moreno" Domagoso sa pagsisimula ng kanyang tungkulin sa July 1 ay agad itong magsasagawa ng malalimang imbestigasyon kaugnay sa umanoy "secret dumpsite" at unlicensed piggery na natuklasan sa Baseco Compound.

Ang naturang hakbang ni Domagoso ay matapos ipahayag ng Pasig River Rehabilitation Commission sa magsasampa sila ng kaso laban kay outgoing Mayor Joseph Estrada na nagpapatuloy na nagpaparumi sa 25-kilometer daluyan ng ilog.

Binigyang diin ni Domagoso na malinaw na ang naturang dumpsite ay naging hadlang sa pagpupursige ng gobyerno upang linisin ang maruruming daluyan ng tubig.

Dagdag pa ni Domagoso, magsasampa sila ng kaso sa sinumang mapapatunayang nasa likod ng nasabing dumpsite upang hindi na mapamarisan pa ng iba pang barangay at opisyal ng lungsod.

Tiniyak din ni Domagoso sa mga Manilenos na ang kanyang administrasyon ay aktibong makikipagtulungan sa PRRC at iba pang concerned government agencies upang irehabilitate ang maruming Pasig River. **(Leonard Basilio)**

Palace declares June 24 holiday in Manila

MANILA — Malacañang has declared June 24 as a special, non-working holiday in the City of Manila in celebration of its 448th founding anniversary.

"It is but fitting and proper that the people of the City of Manila be given full opportunity to celebrate and participate in the occasion with appropriate ceremonies," stated Proclamation No. 731 signed by Executive Secretary Salvador Medialdea on June 4 and released to the media on Thursday.

The City of Manila was established on June 24, 1571 by Miguel Lopez de Legazpi, the first governor-general of the Philippines under the Spanish colonial rule.

Manila was then declared the capital city of Spain in the Western Pacific Ocean.

The city was also given the title "Distinguished and Ever Loyal City" of Spain by King Philip II.

Manila was established as the Philippines' capital city on June 24, 1976 by a presidential order. *(PNA)*

LABOR LEADER, NILIKIDA

PINANINIWALAANG "unfair labor practise" ng isang malaking kumpanya sa Cavite ang motibo sa pagpatay sa vice chairman ng Partido ng Manggagawa (PM) sa Tanza, Cavite.

Sa panayam kay Pat. Bernard Peligro, ng Tanza Municipal Police Station at imbestigador ng kaso, pinagbantaan na ang lider ng PM na huwag ng ituloy ang pagsasampa ng anumang kaso ang mga manggagwa laban sa isang kumpanya bago siya binaril at napatay habang nakikipagpulong sa manggagawa ng malaking kumpanya.

Tumanggi naman si Peligro na banggitin ang pangalan ng nasabing kumpanya.

Dagdag pa ni Peligro na naabisuhan na ang labor leader ng isang "emissary" ng isang malaking kumpanya na itigil na ni Leonides Sequia, 47, alias Ka Dennis, ang pagtulong sa kanilang manggagawa upang hindi na ituloy ng nasabing unyon ang pagsasampa ng kaso laban sa kanila.

Nabatid na may limang kaso pang kinakaharap umano ng nasabing malaking kumpanya na "unfair labor practice" na isinampa ng kanilang manggagawa na tinutulungan naman ng pinatay na lider ng PM.

Pinaniniwalaang isang "gun-for-hire" ang nasa likod ng pagpatay sa vice chairman ng Partido ng Manggagawa.

Isasailalim naman sa enhancement ang nakuhang CCTV sa lugar upang malinaw bang mamukhaan ang dalawang suspek na magkaangkas sa isang motorsiklo kung saan isa rito ay naka-helmet habang ang isa naman ay naka- sombrero.

Matatatandaan na binaril at napatay si Ka Dennis, vice chairman ng PM, Cavite Chapter at residente ng Workersville Subb. Brgy Bungs, Tanza, Cavite, dakong alas-11:30 ng umaga noong June 2 sa loob ng Day Care Center habang nakikipagpulong sa ilang manggagawa ng isang kumpanya.

Lumabas umano ito nang may tumawag sa kanya kung saan binaril siya ng malapitan ng suspek. **GENE ADSUARA**

SPED student pinadroga, minolestiya ng 3 adik

Pinasakan pa ng bote ng ketchup at pinilit na pinadroga ng tatlong adik ang isang 17 anyos Special Education student (SPED) bago at pagkatapos pagsamantalahan noong Sabado ng gabi sa Tondo,Maynila.

Naaresto naman ang dalawa sa tatlong suspek matapos makilala ni Ana, di tunay na pangalan, sa Facebook ang isa sa mga ito.

Nasa kustodiya na ng Manila Police District -Police Station-1 na pinamumunuan ni P/LCol. Reynaldo Magdaluyo ang mga suspek na sina Manuel Saylo, 19, ng 408 Kagitingan St.; at Cesar Gabino, 30, ng 343 San Ramon Street, Tuazon, Tondo.

Habang tinutugis pa ng mga awtoridad ang isa pa nilang kasabwat na si Danny Pelayo, 25, residente ng Banaba Street, corner Masinop Street, Tondo.

Sa imbestigasyon ng pulisya, dakong alas 11 ng gabi ng Hunyo 1 nang isagawa ng mga suspek ang panggagahasa sa biktima sa 1337-D Balimbing Street, sa Tondo.

Bago ang insidente, bumili umano ang biktima kasama ang pinsan nito, sa isang sari-sari store nang lapitan umano sila ni Saylo at sinabihang 'Balik kayo ha.'

Hindi naman umano pinansin ng magpinsan ang ginawa ng lalaki at umuwi na ng bahay.

Lingid sa kanilang kaalaman ng pinsan ng biktima sinundan na pala ng suspek si Ana at isinama saka isinagawa ang panghahalay dito.

Kaagad naman nag report ang ina ni Ana nang malaman na nawawala ang biktima pero habang naghahanap nakita nila ang biktima na pauwi na ng bahay, pero tila pagod at tulala.

Sinabi nito sa ina nang tanungin na galing siya sa bahay ng kanyang kaklase.

Natuklasan lamang nila ang nangyari sa biktima nang magbukas ng Facebook account ang hipag niya at eksaktong lumabas ang mukha ni Saylo.

Sa puntong ito nagkuwento na ang biktima sa mga kababuyang ginawa sa kanya ng mga suspek at sinabing tinakot siya ng mga ito na papatayin kapag hindi sumunod sa gusto nila.

Ayon pa sa biktima, sinundan siya at dinala sa bahay doon na hinubaran siya tinanggalan ng bra at saka pinagsamantalahan.

Sa presinto, itinanggi naman ng mga suspek na ginahasa nila ang biktima at sinabing hinipuan lamang nila ito dala ng kanilang kalasingan.

Itinuro rin ng mga suspek si Pelayo na siyang 'gumalaw' sa biktima at matapos gahasain ay pinasukan pa umano nito ng bote ng ketchup ang kaselanan ng dalagita.

Ayon kay Magdaluyo, lumabas sa pagsusuri na positibong ginahasa ang biktima.

Sinampahan naman ng kasong rape in relation to child abuse ang mga suspek at pinag-aaralan na rin ang paghahain sa kanila ng kasong may kinalaman sa paggamit ng ilegal na droga.

Patuloy naman tinutugis ang nakakalaya pang suspek.**(Leonard Basilio)**

605 metriko tonelada, apektado ng fishkill sa Batangas

LUNGSOD NG BATANGAS (PIA)- Umabot sa 605 metriko tonelada ang apektado ng nangyaring fishkill sa dalawang bayan na sakop ng Taal Lake noong ika-31 ng Mayo.

Ayon kay Department of Environment and Natural Resources (DENR) 4A Regional Executive Director Atty. Maria Paz Luna, may 121 fish cages mula sa Brgy. Buso-Buso at Gulod sa bayan ng Laurel at Brgy. Banyaga sa bayan ng Agoncillo ang naapektuhan sa pagbaba ng dissolved oxygen mula sa lawa.

"Nagsimula ang fishkill noong Mayo 27 kung saan may 10 fishcages pa lamang ang naapektuhan hanggang noong Mayo 30 kung saan lumutang ang mga tilapia na may 200 metriko tonelada at umabot ng 605 metriko tonelada noong biyernes, Mayo 31. Agaran din naman kaming nagsagawa ng executive committee meeting kasama ang mga kinatawan ng lokal na pamahalaan at Bureau of Fisheries and Aquatic Resources (BFAR),"ani Luna.

Nagpalabas din ang BFAR ng patalastas ukol sa kalidad ng tubig sa Lawa ng Taal sa sunod-sunod na araw simula Mayo 31 hanggang Hunyo 1 kung saan nakasaad dito na nananatili ang mababang kalidad ng tubig sa mga apektadong lugar ng fishkill. Naitala ang mababang sukat ng dissolved oxygen sa mga sumusunod na lugar kabilang ang Brgy. Banaga at Bilibinwang sa Agoncillo, Brgy. Buso-Buso at Leviste sa Laurel, at Brgy. Sampaloc at Quiling sa bayan ng Talisay.

Kasunod nito, nagpaalala rin ang BFAR sa lahat ng fish cage operators na patuloy na paigtingin ang kanilang pagmamatyag sa alagang isda at mag-ani ng mga malalaking isda na maaari na sa merkado. Gayundin, gawin ang mga karampatang hakbang tulad ng paggamit ng oxygen tanks/aerators, pump at engine sets upang maiwasan pa ang pagkakaroon ng fish mortality o fish kill.

Ipinag-utos naman ng Protected Area Management Board (PAMB) Execom na kailangang tanggalin ang mga patay na isda sa mga fishcages sa loob ng 24 oras upang maiwasang makapagdulot ng kontaminasyon sa tubig.

Kaugnay nito, nanawagan si Luna na patuloy na tangkilikin ang mga natitirang tilapia dahil hindi umano makakaapekto sa suplay at presyo nito sa merkado ang nangyaring fish kill dahil maliit na porsiyento lamang ito sa kabuuang industriya ng pangisdaan.

Sa kasalukuyan patuloy na lamang ang ginagawang paglilinis ng mga fish cages na nagkaroon ng fishkill alinsabay ng patuloy na monitoring ng kalidad ng tubig sa Lawa ng Taal. (BHABY P. DE CASTRO, PIA Batangas)

REAL GOLD, WAGI SA 2019 PHILTOBO "3YO GINTONG LAHI GRADUATE STAKES RACE"

Magandang diskarte ang ipinakita ng hineteng si Pao Guce sa sinakyan niyang kabayo na si Real Gold sa naganap na 2019 PHILTOBO "3YO Gintong Lahi Graduate Stakes Race" na idinaos sa pista ng San Lazaro sa Carmona, Cavite. Base sa naging takbuhan ay hinayaan muna ni Pao na paunahin sa puwestuhan ang mga kalaban nilang may angking tulin simula sa pagbukas ng aparato, habang siya'y umalalay ay inunti-unti naman niyang inasinta at inagapan na maipuwesto si Real Gold sa may gawing labas. Kaya nung makarating na sila sa pinakalabas ay inumpisahan nang galawan ni Pao ang kanyang sakay pagdating sa may medya milya (800 meters) at nagtuloy- tuloy naman sa pagresponde si kabayo hanggang sa walang anuman na nilagpasan ang kanilang mga kalaban. Pagpasok sa ultimo kuwarto (400 meters) ay naging mas mainit at umaapoy ang pagremate ni Real Gold kaya nakalapit at natabihan nila kaagad ang paboritong si My Shelltex ni Jesse palapit sa huling kurbada. Pagsungaw sa rektahan ay naagaw na sa labas nina Pao ang bandera sabay ektad sa labas hanggang sa tapusin ang laban ng may tatlong kabayong layo sa sorpresang pumangalawa na si Jayz ni John Alvin Guce, sabay dating naman sa pangatlo si Toy For The Bigboy ni Dan Camañero. CA RESUMES HEARINGS ON WRIT OF AMPARO PETITION

MANILA — Sparks flew at the Court of Appeals (CA) Thursday during the hearing attended by state lawyers and counsels from a militant lawyers' group identified by the military as allegedly linked to the terrorist Communist Party of the Philippines.

Marlon Bosantog, representing the government from the Office of the Solicitor General, started his cross-examination of the witnesses with assurances of the government's commitment to the rule of law and due process.

"No lawyer should be encumbered in the performance of their duty," said Bosantog appearing for the state as he questioned National Union of People's Lawyers (NUPL) president Edre Olalia's allegations and the legal standing of the left-leaning group to bring the suit.

Bosantog said that as a group, the NUPL is a juridical entity that cannot be the subject of physical harm.

Bosantog also underscored that the legal profession faces "inherent risks not exclusive to NUPL".

The exchange between Bosantog and Olalia became tense after Bosantog described the lawyer as having "split personality" and Olalia, in turn, accusing the government of "coverups" and "victim blaming".

Armed Forces of the Philippines (AFP) spokesperson, Brig. Gen. Edgard Arevalo, attended the hearing and formally informed the court that pressing commitments conflicted with the schedule of AFP Deputy Chief of Staff for Civil Military Operations, Major General Antonio Parlade Jr., thus preventing the latter from attending the hearing.

The Special 15th Division led by chairman, Associate Justice Stephen Cruz, with Associate Justices Pedro Corales and Hermano Legaspi as members, underscored that there was no need for President Rodrigo Duterte to attend even if he had been named as a nominal respondent.

"We are not requiring the presence of the President, that is clear," the magistrates clarified.

Assistant Solicitor General Angelita Villanueva-Miranda assured that the generals led by Parlade will be informed that their absence in the subsequent hearings will constitute a waiver to be present there.

The government was also asked to comment on the request for a temporary protection order sought by the parties. Aside from Olalia, also testifying was lawyer Zsarina Musngi.

The CA has set the next hearing on July 11.

The appellate court was tasked by the Supreme Court to conduct hearings on the petition and to submit its report to the high court.

The government, through the National Task Force to End Local Communist Insurgency, is working to uncover organizations used as legal fronts of the terrorist Communist Party of the Philippines-New People's Army (CPP-NPA).

The CPP-NPA is listed as a terrorist organization by the United States, the European Union, the United Kingdom, Australia, Canada, New Zealand, and the Philippines. ***(PNA)***

100 e-trike units seen to boost Malolos City's tourism

CITY OF MALOLOS, Bulacan — At least 100 units of electric tricycles (e-trike) will soon be seen roaming around the city, particularly in the historical and heritage sites here.

Mayor Christian D. Natividad said on Monday the e-trikes were donated by the Department of Energy (DOE) and will be assigned to the Malolos City Tourism Office to boost the local tourism industry.

"The 100 e-trikes are currently parked at the Malolos Sports and Convention Center garage where it is individually under review or check-up and will be turned over to the Malolos City Tourism Office," Natividad told the media.

Direk Armando P. Sta. Ana, Malolos City tourism officer, said the e-trikes would provide convenience to tourists visiting the city's historical sites.

Sta. Ana said tourists who are dropped off at the century-old Barasoain Church can take e-trikes going to Casa Real, the Kamestisuhan District, houses of Kadalagahan ng Malolos, and the Cathedral-Basilica of Malolos.

Since 2011, the Malolos City Tourism Office has been offering a city's Heritage Tourism Package which includes 'Lakbay-History' from Barasoain to the different areas of Malolos.

The DOE turned over the 100 e-trikes on May 31 as part of the 3,000 e-trikes the national government has distributed to the different regions of the country under DOE's Market Transformation program funded by PHP1.7-billion loan agreement with Asian Development Bank.

It features a robust body and strong motor that can transport up to six passengers, including the driver at full load. ***(PNA)***

CATRIONA GRAY: MAHIRAP MAGPASYA

KALOKA pero korek as in tama naman ang nakakatuwang pahayag ni 2018 Miss Universe Catriona Magnayon Gray.

Wika nga ni Catriona, kahit sa pagbibiyahe lamang ay mahirap magpasya.

May pinakamahirap daw na pagpapasya tuwing may pagbibiyahe.

Mahirap kasi hindi alam kung anu-ano ang mga bibitbitin o dadalhin.

Mahirap kasi hindi rin alam kung anu-ano ang mga maiiwan o hindi dadalhin.

True naman 'di po ba si Catriona, haler sige kayo malamang ay ganito rin ang nararamdaman o nagiging eksena kapag may pagbibiyahe.

Hawak mo na nga hayun ewan at nagdadalawang-isip ka kung bibitbitin ba o iiwan.

Ang masakit, may time 'di ba na dahil hindi mo nadala o nabitbit ay manghihinayang at magsisisi ka.

Kaya korek ka d'yan Catriona, agree kami na sa pagbibiyahe ay minsan mahirap magpasya.

May video shot pa nga si Catriona sa kanyang mga gamit o bagahe.

Iyon bang tipong naguguluhan ang beauty queen sa mga dadalhin niya.

Speaking of Miss Universe, sino kaya ang susunod na magiging kinatawan ng Pilipinas para sa naturang prestihisyosong patimpalak?

PAKIKIRAMAY

Ang ating pakikiramay sa pamilya o naulila ng beteranong komedyanteng si Gary Lising.

Ang komedyante ay binawian ng buhay sa edad na 78 nitong Mayo 31.

Sa pahayag Bugsy, nag-iisang anak ni Gary, natagpuang wala ng buhay ang kanyang ama sa condo unit nito.

Dagdag pa ng only son ni Gary, nitong mga nakaraang araw ay hindi na maayos ang kalagayan ng kalusugan ng ama niya.

Nagkaroon ng cardiac arrest si Gary noong 2009 at nasundan noong 2012.

At sa kanyang cardiac arrest noong 2012 ay kinailangan ni Gary na sumailalim sa angioplasty, hindi lang isang beses.

Naging tanyag na komedyante si Gary sa pamamagitan ng pagbibitiw ng mga "green jokes."

Hindi lamang komedyante o aktor si Gary bagkus ay isa ring mahusay na manunulat at marami siyang librong nalikha.

NAMALAYAN na lamang ni Cecile na nasa naharapan na niya nakatayo si Bernie.

Parang tutuklawin ng ahas si Cecile na hindi halos kumikilos o gumagalaw.

Hindi rin halos humihinga si Cecile at pinagmamasdan lamang niya si Bernie.

"Maganda ka talaga auntie, nagsasabi ako ng totoo. Lalo na siguro ng kabataan mo."

Nagsasalita si Bernie na hinahagod ng tingin si Cecile, mula ulo hanggang paa.

"O sige na, tama na 'yan. Maganda na kung maganda, sabi mo eh."

"Ang mabuti pa ay magpahinga ka na, matulog ka na at bukas ay aalis tayo."

Minabuti na lamang ni Cecile na humakbang paatras at papalayo mula kay Bernie.

Kinakabahan din si Cecile sa kung ano pa ang susunod na magiging eksena.

Hindi rin kasi alam ni Cecile sa kanyang sarili kung natatakot nga ba siya.

O baka ang kabang nararamdaman ay kakaiba dahil hindi rin niya maipaliwanag.

"Basta sundin mo na lamang ako, matulog ka na at maaga nga tayo bukas."

Nagtatanong si Bernie kung saan ang magiging lakad nila kinabukasan pero hindi iyon sinagot ni Cecile.

"Ulitin ko auntie ha, 'di ako nagsisingulang. Maganda ka talaga."

Dahil hindi sinagot ang katanunga kaya muli ay nambola na lamang si Bernie.

"Tsup…tsup…tsup…"

HINDI naman strikto o mahigpit sa kanilang magkakapatid ang magulang nila.

Isa lamang ang panuntunan na dapat ay nakapagtapos sila ng pag-aaral.

Pati sa mga happenings o barkadahan ay hindi rin tumututol ang kanilang magulang.

Kagaya ng ginawang graduation party ng mga magkakaeskuwela, may pahintulot iyon ng magulang ni Allan.

Hindi lang basta pahintulot dahil halos malaki ang naging kontribusyon ng magulang ni Allan sa handa.

Ang masakit nga lamang kay Allan ay graduation niya ng high school subalit hindi nakadalo ang magulang niya, si daddy o kahit si mommy.

Naiinggit siya sa ilang kaklase na naroon mismo sa graduation ang mga magulang ng mga ito.

"Mahalaga? Eh bakit, 'di mahalaga ang okasyon ko? Graduation ko 'yun ah."

Sa labis na pag-iisip at dahil nadadala ng kanyang emosyon ay bahagyang napasigaw si Allan.

"Bakit? Ano'ng problema mo Allan at bakit napasigaw ka ha?"

Kaagad namang lumapit ang isa sa mga kasambahay na nagsisilbi bilang yaya ni Allan.

"Wala po, 'wag ninyo akong intindihin. Kumain na po ba kayo? Hain na po kayo at para makakain."

Hindi lamang masabi ni Allan sa kasambahay na ang katwiran ng kanyang magulang ay mali.

Katwiran kasi sa kanya ng magulang ay nasabay daw kasi sa mahalagang lakad.

Wala man lang nagparaya kahit isa sa kanila, kahit man lamang si mommy o si daddy.

"Naku eh kumain na kami, ang mabuti ay ipaghahanda na kita ng makakain mo."

Pagkakain ay naligo na si Allan at pagkatapos ay gumagayak papaalis.

Bahagyang inayos ang kanyang bisekleta at sa isip ni Allan ay bahala na kung saan siya mapapadpad.

"Allan…Allan…"

LASON SA DAGA INIHALO SA SOFTDRINKS, IPINAINOM NG KASAMBAHAY SA AMO

NAGPAPAGALING ngayon sa ospital ang isang 38-anyos na truck driver nang lasunin ng kanilang beking katulong matapos itong uminom ng rat poison na inilagay sa bote ng soft drink sa Dasmarinas City, Cavite.

Bagama't nasa maayos nang kalagayan, inoobserbahan pa rin sa Pagamutan ng Dasmarinas ang biktimang si Lyric Calzado, may-asawa, ng Block 19 Lot 2, Green Breeze 2, Brgy Langkaan 2 Dasmarinas City.

Nakakulong naman sa Dasmarinas City Custodial Center ang suspek na si Jonnie Amog, 22, isang Beki, tubong Marinduque at stay-in kasambahay sa tinutuluyan ng biktima.

Sa ulat ni Pat. Arthur Rejano, ng Dasmarinas City Police Station, na dakong alas-2:00 ng madaling araw nang dumating ang biktima sa kanilang bahay na uhaw na uhaw kaya binuksan niya ang kanilang refrigerator at nakita ang isang bote ng softdrinks at agad nitong tinungga.

Gayunman, agad itong nakaramdam ng kakaibang lasa sa nainum hanggang sa sumakit ang tiyan nito, nahilo hanggang sa nagsuka.

Bago isinugod sa ospital ang biktima ay nabigyan ito ng first aid at natuklasan din nito na ang kanilang katulong na naninilbihan ng ilang buwan pa lamang ang naglagay ng lason sa sofdrinks.

"Nagtanim daw ito ng galit (suspek) sa kanyang amo, tuwing pinapagalitan siya kaya naisipan niyang ihalo ang rat poison sa soft drinks at inilagay ito sa ref," ayon kay Rejano, imbestigador sa kaso.

Narekober sa loob ng bahay ang isang wala ng laman na sachet ng Zinc Phosphide o rat poison at bakas na inihalo ito sa bote ng softdrinks.

Gayunman, ipinagpapasalamat pa rin ng biktima na siya ang nakainum at hindi ang kanilang 7-anyos na pamangkin na kasama din nila sa bahay o ang kanyang misis.

Frustrated murder ang isinampang kaso laban sa suspek. **GENE ADSUARA**

Motorsiklo, 'nagsirko' sa ilog

NASAWI ang isang 28-anyos na lalaki nang bumangga ang minamanehong motorsiklo sa kantong bahagi ng tulay at tumilapon diretso sa ilog sa Dasmarnas City, Cavite.

Namatay noon din ang biktimang si Ricky Lemera, ng Biclatan General Trias Cavite.

Sa ulat ni PSSgt Jesus Bae, ng Dasmarinas City Police Station, dakong ala-1:30 ng madaling araw nang naganap ang insidente kung saan binabagtas habang minamaneho ng biktima ang kanyang Honda motorcycle ang kahabaan ng Governor's Drive patungo sa direksiyon ng Gen. Trias City.

Gayunman, bago sumapit sa Bucal bridge nang dumiresto at bumangga ang motorsiklo nito sa kanto ng tulay dahilan upang tumilapon ito at dumiretso sa ilog na nagresulta sa kanyang agarang kamatayan.

Ang 'posteng' si Richard sa sugalan sa Rizal

MUKHANG lumalaki na ang ulo at tumataas na ang ihi ng isang nagngangalang Richard.

Itong si Richard ay nagsisilbing 'poste-poste' o bantay ng isang illegal gambling.

Ang pasugalan na binabantayan ni Richard ay nasa isang bayan ng Rizal.

Hindi muna binanggit mula sa mga nakarating na sumbong kung saang bayan o lugar sa naturang lalawigan ang sugalan.

Pati ang mismong operator o may-ari ng illegal gambling ay hindi pa rin tinukoy.

Ang maliwanag lamang sa reklamo ay mas nakakarami ang mga bata o menor de edad ang nalululong sa pinopostehang sugalan ni Richard.

Isa pa sa malinaw na sumbong ay malakas na raw ang kapit ni Richard sa kapulisan.

Ewan lang po natin, ang Rizal ay nasasakupan ng Regional Police Office ng Region 4-A o CALABARZON.

Ibig sabihin, kung malakas sa hepe ng pulis sa bayan na kinatatayuan ng sugalan ay 'bagyo' na rin si Richard sa tanggapan ng Regional Director ng RPO4-A?

Pati na rin siyempre sa tanggapan ng provincial director ng Rizal Provincial Police Office ay may 'boses' na si Richard?

Sa madaling salita ay nakakadiretso na si Richard sa kapulisan para mailatag ang binabantayan niyang pasugalan.

Kung hindi ba naman 'astig' na itong si Richard ay sukat na hindi na rin kinuha ang serbisyo ng tinaguriang 'Supremo' ng Rizal.

Tinatawanan na nga ni Richard ang iba pang 'poste-poste' na kagaya nina Willy, Rambo, Tess, Jeff, Arjay, Ron-Ron, Ricky, Noli, at iba pa dahil nilaktawan na niya si 'Supremo.'

Ang tanong, kung magkakabulilyasuhan ba ay hindi na nga kaya makikialam si 'Supremo' kay Richard?

Pagdapo ni Richard sa ibang bayan sa Rizal ay aalingawngaw ang buga ng kalibre upang tukuyin ang eksaktong lugar na bagong lalatagan niya ng sugalan.

Maging ang tumatayong amo o financier ni Richard sa sugalan ay ilalantad natin.

'Wag kayong mainip sa pagputok ng kalibre para sa kumpletong detalye.

Malalaman din kung napapayuko na nga niya ang kapulisan ng Rizal, iyan po kasi ang niyayabang ni Richard.

Magkakaalaman!
