BOI APPROVES P195.5M BROILER CHICKEN PRODUCER'S PROJECT IN CAVITE

MANILA -- The Board of Investments (BOI) has given a thumbs up to the application for registration of Agro Azienda Inc., a new producer of broiler chicken in Maragondon, Cavite.

Listed in the sector of "Agriculture, Fishery and Forestry" of the 2020 Investment Priorities Plan (IPP) as the transitional Strategic Investment Priority Plan (SIPP) of the Corporate Recovery and Tax Incentives for Enterprises" (CREATE) Act, the broiler chicken producer is projected to start commercial operations in May 2022.

The firm has a capacity of 2,310,000 birds per year, and has acquired brand new equipment to be installed in the facility. The firm will employ 10 direct workers. The potential direct employment to be generated by the firm based on the employment multiplier is estimated at 109 workers. The firm also built fly management control system including tunnel vent building design, dry manure, and insecticide fly trap.

Serving as an essential support to meat processing industry, the project is a commercial production of Broiler Chicken on a contract growing scheme with a big local company.

Broiler farming is the process wherein broiler chickens are reared and prepared for meat processing and/or final consumption. Proper nutrition to birds and utilization of modern technology coupled with good farming practice is crucial to improving meat quality and increasing farm productivity that in turn, will contribute to increased national production of chicken or poultry.

Primarily, the project will contribute to the achievement of one of the targets of the updated 2017-2022 Philippine Development Plan (PDP) to increase the volume production of chicken to 1,956,300 metric tons (MT) by 2022. The entry of the project can supply 3,696 MT of chicken accounting for 0.19 percent and 0.20 percent of

the PDP target and the BOI production forecast for 2022, respectively.

To lessen the disruptive ramifications of natural calamities, Agro Azienda Inc. will conduct regular awareness, education, preparedness and warning system. Amid the pandemic, Agro Azienda will pro-actively avert the contagion of the coronavirus through strictly enforcing its in-house health and safety protocols aligned with the policies of the government and medical agencies.

Additionally, the project will shore up the Department of Agriculture's (DA) Plant, Plant, Plant Program or Ahon Lahat and Pagkain Sapat (ALPAS) Kontra Covid-19 with two components, namely: Integrated Livestock and Corn Resilience Project and the Expanded Small Ruminants and Poultry Project to ensure the uptick in the production of meat, chicken and eggs and manage the impact of the present global health crisis in domestic food supply.

Known as the second most consumed meat type after pork based on the Supply Utilization Accounts of the Philippine Statistics Authority (PSA), poultry meat is viewed as one of the basic commodities of Filipinos. Also, Filipinos rely on pork, chicken and eggs to support around 34.28 grams of protein per day, whereas the recommended protein intake for Filipinos is about 49 to 67 grams per day.

With increasing per capita income, demand for meat such as chicken has seen significant spike at least in the previous decade. According to the PSA, the Philippine chicken production in 2020 was at 1.8 million MT, and the industry grew by two percent on average from 2016-2020. For 2022, the estimated chicken production is 1,882,971 MT.

CALABARZON, the region where the project is located, was ranked as the biggest contributor to chicken production at 35 percent and grew by an average of two percent from 2016 to 2020. Other top four

Bar exam to proceed on Jan. 23 and 25

MANILA -- The Bar Examination will push through this month amid calls to cancel it for the third straight year due to the pandemic and the destruction caused by Typhoon Odette in December.

The Supreme Court (SC) announced Tuesday that the Bar exam with revised coverage will be held on January 23 and 25, with examinees taking four sets of examinations, pro hac vice (for this occasion only).

For the first time, the exam will be held in multiple sites.

Previous Bar exams were held for four Sundays with two subjects each and at the University of Santo Tomas as the venue in recent years.

Before the announcement, the Bar exam was supposed to be held on January 16, 23, 30, and February 6.

"In view of the Covid-19 pandemic, fueled by its new dominant variant (Omicron), and the effects of Typhoon Odette, the Supreme Court, upon the recommendation of the Bar

Chairperson, has resolved to reduce the coverage and shorten the duration of the 2020/21 bar examination," the SC said in a statement, referring to the en banc resolution.

Examinees must quarantine starting January 9 or at least two weeks before the Bar Examination.

Under the new multiple sites system, applicants selected their local testing center venue.

Applicants from remote areas were prioritized.

The last time the Bar exam was held in 2019, a total of 2,103 passed out of 7,685 hopefuls.

Mae Diane Azores of the University of Sto. Tomas - Legazpi (formerly Aquinas University) was the last toptotcher with a grade of 91.05 percent.

"The Philippines has produced no lawyer since the pandemic. But while the Bar Examination may no longer be postponed, it can be held in a way that is more humane. With these changes, the Court strikes that balance," an SC statement read. **(PNA)**

KMME Online Kumustahan brings former mentees together

Trece Martires, Cavite (PIA) -- The Department of Trade and Industry (DTI) - Cavite recently organized the Kapatid Mentor Me (KMME) Online Kumustahan: Business Productivity, a hybrid activity held at The Green Olive Cafe and Restaurant, Pasong Langka, Silang town. Former mentees of the KMME program from way back 2016 when it started

contributor-regions were Central Luzon with 18 percent, followed by Northern Mindanao at nine percent, and Western Visayas and Central Visayas with both six percent.

In 2019, chicken overtook pork as a more preferred protein source. The Philippine chicken industry is forecasted by USDA to continue to surge production by 10 percent in the next few years because of the decline in pork production due to African Swine Fever. **(BOI)**

up to the present gathered to participate in the activity (online and face-to-face) as they share their experiences during the program and the accomplishments they had achieved born out of the skills and knowledge they received from it.

During the event, a webinar on Business Productivity was also conducted with EntreChamp Paulo Tibig as resource speaker. DTI-4A Regional Director Marissa Argente and DTI-Cavite Provincial Director Revelyn Cortez attended the event.

The KMME program is one of DTI's banner programs under the 7Ms of DTI Secretary Ramon Lopez that aims to assist the Micro Small and Medium Enterprises (MSMEs) said to be the backbone of the country's economy.

To this day KMME had produced 120 graduate mentees from Cavite within the six successful years of implementation. **(Ruel Francisco with reports from DTI-Cavite)**

PDS EYES LAUNCH OF PHL FIRST-EVER DIGITAL BOND IN FEBRUARY 2022

MANILA -- The Philippine Dealing System Holdings Corp. (PDS Group) is planning to launch the Philippines' first-ever digital corporate bond in February 2022 as part of its initiatives to utilize digital technologies to deepen the domestic capital markets, and as a proof of concept on the use of Distributed Ledger Technology (DLT) in the corporate bond market.

Philippine Dealing & Exchange Corp. (PDEX) President & CEO Antonino Nakpil said in his report to the Capital Market Development Council (CMDC) that the proposed digitalization roadmap for the corporate bond market which includes the use of Distributed Ledger Technology (DLT) for the Registry and Depository, complements and links with the electronic Securities Issue Portal (e-SIP).

The e-SIP already allows the online submission of documents required for PDEX Listing and Philippine Depository & Trust Corporation (PDTC) Registry services and facilities for Issuers and Underwriter-Selling Agents in their Initial Public Offerings for Corporate Bonds.

Nakpil said the PDS has been working closely with a Fintech firm from Singapore on a Proof-of-Concept (POC) DLT-backed Digital Registry & Depository infrastructure to test this system's functionality and performance as well as its integration with the e-SIP.

"The goal of the POC is to deploy a viable DLT-powered Digital Registry and Depository that will be resilient and robust enough to support the full life cycle of a Digital Bond from issuance, asset servicing, transfers and settlement up to maturity, Nakpil said during a recent CMDC meeting.

"The PDS is aiming to conduct an end-to-end test of the Digital Registry and Depository with market participants by January this year and is targeting its possible live launch with an issuance of a Digital

Bond by late February," Nakpil said.

Finance Secretary Carlos Dominguez III, who co-chairs the CMDC, congratulated the PDS on this initiative.

The CMDC, which is also co-chaired by lawyer Benedicta Du-Baladad of the Financial Executives Institute of the Philippines (FINEX), and Securities and Exchange Commission (SEC) chairperson Emilio Aquino, is a joint public-private sector coordinating body tasked to promote and develop the Philippine capital market.

Dominguez said that while he welcomes these digitalization initiatives to further develop and deepen the country's capital markets, he is concerned over the possibility of hackers mounting malicious attacks on these digital systems.

"I'm telling you this type of digitalization is probably going to be a target for hackers and scammers, and just plain thieves," Dominguez said.

Nakpil assured the Finance Secretary that PDS has an ongoing vulnerability assessment and testing program to immediately address any possible threats to its systems.

During the meeting, the PDS also reported updates on the second phase of e-SIP for the secondary market, which includes its cybersecurity hardening to ensure that the necessary security measures are in place before PDS launches the Portal's secondary market utilities for its stakeholders.

The PDS Group is also working with the Bankers' Association of the Philippines (BAP) and the National Association of Securities Broker Salesman, Inc. (NASBI) to maximize the use of e-SIP in the standardization and digitalization of processes for customer suitability. This initiative looks to do away with a tedious process for investors to keep filling up the same forms several times when buying corporate bonds from different brokers. **(DOF)**

USAP LANG

JUNE BILLONES
0968-7122927

INAASAHAN NA

LAST December 31, mga ilang oras bago magpalit ng panibagong taon ay masayang nag-kaumpukan ang ating tropang lansangan.

Siyempre kahit paano ay mayroong nakaharap na mga pulutan at maitatagay na alak.

Kontrolado naman ang inuman dahil sasalubungin ang 2022 at kasama natural ang kwentuhan.

Sari-saring paksa at isa sa napag-usapan ay ang tungkol sa walang katapusang isyu sa COVID-19.

Usap lang sila at anila ay inaasahan na nila ang pagbabago sa status ng bansa na may kaugnayan sa naturang virus.

Inaasahan na nilang tataas ang alert level partikular sa Kalakhang Maynila o National Capital Region.

Hindi nga sila nagkamali sa inaasahan dahil nailagay ang NCR sa alert level 3.

Iisa sa sinasabing dahilan ay posibleng may local transmission na ng panibagong virus o ang omicron.

Kahinaan o kapabayaang ng pamahalaan ang itinuturing nilang mabigat na dahilan ng muling paglobo sa bilang na natatamaan ng virus.

May partisipasyon din ang taumbayan subalit hindi ganap na maigigiit na dahil sa katigasan ng ulo ng mga tao.

Marami ang lumalabas na ang pakay ay trabaho o iba pang uri ng pagkakakitaan.

Mayroong mga luma-

labas na ang layunin ay para sa gala o pamamasyal dahil open o bahagyang maluwag na.

Dapat anila kung alam nilang nakaumang ang panibagong banta ng virus ay naghigpit na kaagad at hindi na hintayin pang dumarami pang muli ang nabibiktima.

Hindi tuloy naiwasan na nagawi ang usap nila na may kinalaman sa nakatakdang halalan.

Bago pa man ang filling ng certificate of candidacy noong nakaraang taon ay pansin na nila ang pagpaparamdam sa mga kalye ng ilan sa mga kakandidato.

Lalo na nang matapos ang COC na mistulang kandidato lalo na sa pagkapangulo at vice president.

Aakalain daw na campaign period na dahil sa iba't ibang aktibidad na ginagawa ng mga aspirang candidate.

Sa paglapag ng bawat kandidato ay dinudumog ng mga tao at talaga namang hindi na nangyayari o natutupad ang social distancing.

Napuna ng tropang kalye ang paghihigpit sa mga simbahan subalit sa mga kandidato ay naroroon ang kaluwagan.

Para sa kanila ay malaki ang epekto kapag nagbabago ang alert level status subalit sila man ay nasa labas o lansangan ay hindi nangangahulugan ng katigasan ng ulo bagkus ay para sa hanapbuhay upang may ipantustos sa araw-araw na pangangailangan.

EDITORIAL

Paulit-ulit na sitwasyon

SINASABING mula sa low risk ay muling nailalagay sa high risk classification ang bansa dulot ng COVID-19.

Ang delta variant ang kasalukuyang sanhi sa pagtaas ng bilang ng mga natatamaan ng virus.

Pangamba naman na bago matapos ang kasalukuyang buwan ay ang paglobo pa sa kaso bunsod ng omicron variant.

Dahilan upang ang ilang bahagi ng bansa ay ilagay na naman sa mas mahigpit na alert level status.

Naging mitsa rin sa paglimita sa galaw ng bawat isa at sadyang ang mga hindi ganap na bakunado ay hihigpitan.

Katanungan lamang ay kung makakaya at magagampanan ba ito ng kapulisan o ng mga kinaaukulan?

Higit na nakararami ang lugmok na at walang tanging hangad ay ang pagbangon subalit tila paulit-ulit na lamang ang eksena o sitwasyon.

At ito ang dapat pagtuunan ng ating kasalukuyang gobyerno sa kung ano nga ba ang mabisa o epektibong pamamaraan at solusyon.

Another drug convict acquitted due to mishandled evidence

MANILA – The Supreme Court (SC) has acquitted a man convicted on drug charges in 2017 as it again reminded apprehending officers to ensure that evidence obtained in operations must be marked on-site.

In an 11-page resolution uploaded December 27, the SC Second Division acquitted Kenneth Chan and reversed the Court of Appeals ruling. Chan was arrested on Dec. 6, 2016 in Barangay Poblacion, Bugallon, Pangasinan for selling .030 grams of shabu for PHP300 to undercover policemen.

He was convicted on July 6, 2017 by the Lingayen Regional Trial Court.

The SC noted a deviation by policemen handling evidence as the illegal drugs were marked at the police station instead of at the place of arrest.

“There was no account of danger or threat to the safety of the officers and the community if the marking was done at the place of arrest,” the SC stated, adding that members of the buy-bust team were not threatened at the time of the incident.

The SC did not accept the cops’ explanation that they opted to do the marking of the seized item at the police station because several people converged at the crime scene. “Marking (of evidence) is the first and most crucial step in the chain of custody rules as it initiates the process of protecting innocent persons from dubious and concocted searches, and of protecting as well the apprehending officers from harassment suits based on planting of evidence,” the SC ruled. (PNA)

NBI anti-cybercrime division to upgrade equipment

MANILA – The government will soon upgrade the equipment being used by the National Bureau of Investigation’s (NBI) anti-cybercrime arm to keep pace with online criminals who are getting bolder by the day.

Department of Justice Undersecretary Adrian Sugay said acquiring new equipment is among the measures meant to deal with online financial scams.

“The NBI is geared toward the acquisition of state-of-the-art investigative and intelligence equipment, as well as the establishment of a Cyber Investigation and Assessment Center, under the aegis and guidance of the NBI Reorganization and Modernization Act (Republic Act 10867),” Sugay said in text message.

He said “social engineering”

and “psychological manipulation techniques” are still the top techniques of online fraudsters to “convince unwitting and vulnerable people to divulge their confidential/personal information online”.

The NBI Cybercrime Division continues to hold information drives on social media platforms, seminars, and capacity-building and training on new technologies.

The agency also randomly scans social media platforms to identify online chatter indicating future attacks.

Under the law, the Cyber Investigation and Assessment Center is the nerve center for computer information technologies and data on cyber-crime cases, computer intrusion, threats, and other related crimes. (PNA)

ARMY, NAKAALALAY SA PAGBABAGONG BUHAY NG MGA SUMUSUKONG NPA

LUNGSOD NG PALAYAN (PIA) -- Nakaalalay ang mga kasundalohan sa pagbabagong buhay ng mga sumusukong miyembro ng New People's Army o NPA.

Ayon kay 703rd Infantry Brigade Commanding Officer Colonel Joseph Norwin Pasamonte, nakasuperta ang Philippine Army sa pagbabalik loob ng mga former rebels o FRs sa gobyerno, na kinakailangang patuloy na maalalayan at magabayang hanggang sa sila ay tuluyang masanay na kasama at muling maging bahagi ng lipunan.

Ito ang ipinahayag ni Pasamonte sa naging pagsuko ng tatlong FRs ilang araw bago matapos ang taong 2021 na kinabibilangan ng mag-asawa na sina Ramer Gacola alyas "Ivar/Darmo" at Julie Ann Castillo alyas "Eva/Jai" na parehong may mataas na katungkulan sa dating kinabibilangang samahan na Sandatahang Yunit Propaganda Platon ng Lino Blas Command, KLG West.

Kasama din nilang sumuko ang kasamahang si Lester Paulo Advincula alyas "Jin" sa pamamagitan ng Community Support Program ng pamahalaan.

Pahayag ni Pasamonte, simula sa araw ng kanilang pagsuko hanggang sa mismong sila na ang magsabi na kakayanin na nilang mamuhay sa lipunan ay patuloy na maaasahan ang pagbantay ng mga kasundalohan para sa kanilang seguridad na maging ligtas kasama ng kanilang pamilya.

Nariyan din aniya ang suporta ng iba't ibang sangay ng pamahalaan at mga katuwang na organisasyong bahagi ng Task Force to End Local Communist Armed Conflict na nakaalalay sa pag-abot sa kanilang pangarap gaya ang pagpapatuloy ng pag-aaral, pagkakaroon ng hanapbuhay, pagbibigay ng mga legal opinion at iba pa.

Ayon pa kay Pasamonte, ito ay welcome development lalo sa pagpasok ng bagong taon at alinsunod sa naisin at pangarap ng

kasalukuyang administrasyon na matapos ang problema sa insurhensiya tungo sa tunay na kapayapaan at pag-unlad ng bansa.

Aniya, nakahanda ang Philippine Army na tanggapin at gabayan ang sinumang mga kababayang nais magbagong buhay, bumalik sa panig ng pamahalaan at makatulong kahit sa munting pamamaraan sa pag-abot ng kanilang pangarap sa buhay. (CLJD/CCN-PIA 3)

CHIZ SA PHILHEALTH: IPAGPALIBAN MUNA ANG PAGTAAS NG KONTRIBUSYON NG MGA MIYEMBRO

Umapela si Sorsogon Gov. at senatorial candidate Chiz Escudero sa Philippine Health Insurance Corp. (PhilHealth) na ipagpaliban muna ang pagtataas ng kontribusyon ng mga miyembro ngayong 2022 kasabay ng kanyang panawagan sa mga mambabatas na magpasa ng isang batas na magsususpende sa nakatakandang pagtaas ng kontribusyon sa ilalim ng Universal Health Care Act, lalo't maraming miyembro ang patuloy na naaapektuhan ng pandemya na magdadalawang taon na.

"Nasa gitna pa rin tayo ng pandemya at mukhang matatagalan pa bago magbalik sa normal ang pamumuhay ng mga tao, kaya't nananawagan ako sa PhilHealth na huwag munang magpatupad ng mandatory increase sa kontribusyon ng mga miyembro nito habang wala pang naipapasang batas na mag-aamyenda sa UHC law," ani Escudero.

"Kung sakaling magpasya ang ahensya na huwag nang palawigin pa ang pag-aantala sa pagtaas ng buwanang kontribusyon, milyong Pilipino ang maapektuhan at tiyak na ito ay magiging dagdag pabigat pa sa kanila," dagdag niya.

Ginawa ni Escudero ang kanyang mga panawagan sa harap ng mga reklamo ng maraming PhilHealth members na tinatangihan ng mga payment center ang kanilang bayad

Agricultural productivity mas palalakasin ng DOST, USM

LUNGSOD NG KIDAPAWAN, Lalawigan ng North Cotabato (PIA)— Lalo pang palalakasin ang agricultural productivity sa Rehiyon Dose matapos lumagda kamakailan sa memorandum of agreement ang University of Southern Mindanao o USM-Kabacan at ang Department of Science and Technology o DOST XII. Ang MOA ay may kaugnayan sa Research and Development o R and D

Grant on Banana Health Diagnostics at pagpapatupad ng Consultancy for Agricultural Productivity Enhancement o CAPE program.

Ayon kay DOST XII Regional Director Engr. Sammy Malawan, layon ng CAPE program na mapalakas ang agricultural productivity sa pamamagitan ng pagsusulong ng mga angkop o narapat na farm management practices.

Kaugnay nito, ilang consulting teams ang magsasagawa ng pag-aaral sa mga piling agri-business areas upang mapabuti at mapalago ang mga tanihan at mga produkto nito. Sa pamamagitan naman ng R and D grant ay matutukoy ang mga pangunahing disease causal pathogens at mabibigyang solusyon ang mga problemang ito sa mga sagingan sa rehiyon.

Nanguna sa ginawang MOA signing sina Malawan at mga opisyal ng USM na pinangunahan naman ni USM President Dr. Francisco Gil Garcia.

Samantala, hinikayat naman ni DOST-North Cotabato Provincial Director Michael Ty Mayo ang iba pang indibidwal na magsumite ng mga R and D proposal upang makatulong sa komunidad at mabigyang halaga ang mga pananaliksik. (With reports from DOST-North Cotabato)

Panawagan ng MMDA at DepEd sa mga magulang: Siguraduhin ang kaligtasan ng mga anak laban sa COVID-19

LUNGSOD QUEZON, (PIA) -- Matapos pansamantalang kanselahin ang face-to-face classes sa Metro Manila, nanawagan ang Metropolitan Manila Development Authority (MMDA) at ang Department of Education (DepEd) sa mga magulang na siguraduhin ang kaligtasan ng mga kabataan laban sa panibagong banta ng COVID-19.

Ayon kay MMDA Chairperson Benhur Abalos,

Mga Calambeño pinag-iingat dahil sa bahagyang pagtaas ng kaso ng Covid-19

CALAMBA CITY, Laguna (PIA) — Dahil sa banta ng panibagong variant ng Covid-19 ay pinangangambahan ang muling pagsipang mga kaso ng nakahahawang sakit sa sa iba't ibang panig ng bansa.

Kaya naman, maigting ang panawagan ng mga lokal na pamahalaan sa Laguna sa mga nasasakupan nito na patuloy na sundin ang minimum public health standards at magpabaku-na laban sa Covid-19.

Sa Calamba City na ngayon ay mayroong 64 aktibong kaso ng sakit, hinihikayat ni Dr. Adelino Labro, head ng Calamba City Health Office, ang mga residente na palagiang sundin ang mga health protocols gaya ng pagsusuot ng face mask at palagiang paghuhugas ng kamay upang maiwasan ang pagkalat ng Covid-19. Sa kanyang panayam sa Radyo Calambeño nitong Martes, Enero 4, hinimok din ni Dr. Labro ang mga residente na kumpletuhin ang bakuna upang ganap na magkaroon ng proteksiyon laban sa sakit lalo't higit sa panahon ngayon na nakaamba ang pagtaas ng kaso dahil na rin sa Omicron variant.

"Sana po yung mga nakapagpabakuna na ng first dose ay bumalik sa kanilang schedule para sa second dose. Dahil may mga pangyayari na may hindi

nakapagpaturok ng second dose at importante na fully vaccinated ang isang tao para mas may laban sa umiiral na Covid-19," ani Dr. Labro.

Hinihikayat din nito ang mga fully vaccinated na magpaturok ng karagdagang bakuna o booster shot. Aniya, ang mga indibidwal na nais magpaturok ng karagdagang bakuna ay maaaring magtungo sa vaccination site nito sa SM Calamba City.

"Tuloy-tuloy dapat ang ating pag-iingat, Omicron man o hindi ang umiiral dito sa ating lungsod ay dapat sinusunod o ginagawa pa rin natin ang minimum public health protocols dahil nandito pa rin ang Covid-19 at hindi pa ito nawawala totally," dagdag nito.

Mula sa anim na pinakamababang aktibong kaso na naitala sa lungsod ng Calamba noong Disyembre 25 ay tumaas ito sa 64 nitong Martes, Enero 4 matapos makapagtala ng 32 panibagong kaso.

Batay sa datos ng Calamba City Health Office, lima sa mga aktibong kaso ang naka-admit sa iba't ibang ospital habang 59 sa mga ito ay nakasailalim sa home quarantine.

Aabot naman sa 18,880 ang kabuuang bilang ng mga pasyenteng gumaling mula sa sakit habang 468 ang naitalang pumanaw buhat nang magsimula ang pandemya.

Ayon kay Dr. Labro, ang bahagyang pagtaas sa bilang ng mga kaso ng Covid-19 ay bunga ng maluwag na mobility restrictions sa nagdaang holiday season.

"Ang nakikita ko ritong dahilan kung bakit tumaas ang kaso ay dahil sa dumang Kapaskuhan kung saan nakita naman natin kung gaano ka-open. Sa sobrang excitement nila [publiko] ay nakakalimutan nilang sumunod sa minimum public health protocols," pahayag ni Labro.

Wala namang naitalang kaso ng bagong Omicron variant sa lungsod ng Calamba. — FC, PIA Laguna

CHRISTMAS KALINGA GIFTS FROM SM FOUNDATION AND SM CITY BACCOOR

SM CITY BACCOOR, CAVITE – The best way to celebrate the true meaning of Christmas is to spread love, joy, happiness and care to the people around us. That is why SM Foundation and SM City Bacoor, headed by Mall Manager - Ms. Josephine Arvesu and volunteer employees, distributed Christmas Kalinga packs to the families residing at Barangay Habay 1 and Habay 2, Bacoor, Cavite. Each family got to celebrate the holidays with food on the table as they bond together and share precious moments with their loved ones.

Our restaurants will now offer limited dine-in, al fresco dining and take-out & delivery. Mall Hours is from 10am to 9pm.

We encourage everyone to follow minimum safety protocols at all times. Stay Safe, Everyone!

Muling iginiit ng Philippine Olympic Committee (POC) ang suporta nito kay Asian pole vault sensation EJ Obiena matapos siyang paalisin ng Philippine Athletics Track and Field Association (PATAFA) sa national pool. Sinabi ni POC president Abraham "Bambol" Tolentino na titiyakin nila ang partisipasyon ni Obiena sa mga major events ngayong taon lalo na ang Southeast Asian Games at Asian Games na mayroon man o wala ang PATAFA. "Kami sa POC ay sisiguraduhin na si EJ ay nasa Hanoi at Huangzhou at sa lahat ng iba pang pangunahing kompetisyon sa mundo, lalaban kami para sa EJ," sabi ni Tolentino sa isang pahayag. Binanggit niya ang isang pahayag sa charter ng International Olympic Committee (IOC) na nagsasabing ang National Olympic Committee (NOC) ay maaaring mag-endorso ng isang atleta nang mag-isa. "May probisyon sa IOC Charter na nagpapahintulot sa mga NOC na mag-endorso ng mga atleta. Sa kawalan ng pag-endorso mula sa isang

NANGAKO ANG POC NA DADALHIN SI EJ OBIENA SA SEA GAMES, ASIAD

pambansang pederasyon, ang tagapag-ayos/host ay nagmamay-ari ng isang prerogative na payagan ang mga embattled na atleta," sabi ni Tolentino, na binanggit ang mga refugee athletes na nakikipagkumpitensya sa Olympics bilang isang halimbawa. Aniya, isang "vengeful act" lamang ang desisyon ng PATAFA na tanggalin si Obiena sa national team. "I expected EJ will drop from the national team by his NSA (national sports association) as a vengeful act. Ang aksyon ni Mr. [Philip Ella] Juico sa pagtanggap kay EJ Obiena sa national pool ay isang inaasahang resulta ng kanyang expose, isang mapaghiganti na aksyon na nagsasara sa mga pagkakataon ng Pilipinas mula sa pangarap nitong Olympic," sabi ni Tolentino. Ang pagtanggap kay Obiena sa pambansang koponan ay isang rekomendasyon na ginawa kasunod ng pagsisiyasat sa mga paratang ng hindi na-

bayarang bayad sa coaching kay Vitaly Petrov. Inihahanda na rin ng PATAFA ang mga kasong estafa laban kay Obiena, habang ang reklamo ay isasampa sa World Athletics laban kay Petrov. Sinabi ni Tolentino na handa ang POC "na kumilos bilang huling tagapag-alaga ng mga atleta kapag ang isang mapang-api na NSA ay tila nagsasara ng mga pinto nito sa mga world class na atleta." Samantala, nanawagan naman si House Deputy Speaker Eric Martinez sa lahat na huwag agad maghusga kay Obiena sa gitna ng alitan nito sa PATAFA. "Hindi tayo dapat tumalon kaa-

SPORTS PRO TIGIL MUNA GAB

ANG Professional Sports activities ayon sa resolusyon na pinalabas ng (GAB) Games and Amusements Board sa kasalukuyan ay pinaabisuhan ng panatigil muna bilang pag sunod sa inilabas na Alert Level 3 ng Inter-Agency Task Force (IATF) sa National Capital Region (NCR) at karatig na lalawigan. Batay sa ipinalabas na pahayag ng GAB na may petsang Enero 2, 2022 at nilagdaan nina Chairman Abraham 'Baham' Mitra at Commissioner Eduard Trinidad, ipinatitigil ng ahensiya ang mga aktibidad sa contact sports tulad ng boxing, MMA, Muay Thai, Kickboxing, basketball, volleyball at football sa loob ng panahong nakataas ang Alert Level 3. Sa inilabas na resolution No. 155 ng IATF nitong Disyembre 31, 2021, itinaas ang Alert Level 3 sa NCR at ilang lalawigan matapos ang muling pagtaas ng bilang ng kaso ng COVID-19 partikular ang mas madaling makahawang variant na Omicron. "Health and security ang priority ng GAB para sa ating mga atleta, opisyal at iba pang personnel na involved sa mga liga at aktibidad ng ating mga pro leagues and other sports. Napagdaanan na natin ito before so balik lang uli tayo sa adjustment at konti pa uling sakripisyo," pahayag ni Mitra. "Papayagan natin yung bubble set-up na ginawa na rin before but league officials need to seek permission to Local Government Units (LGU) sa lugar na gagawin ang liga at activities. Of course, need pa rin na sumailalim sa strict 'health and safety' protocol na batay naman sa Joint Administrative Order (JAO) na pinirmahan ng GAB, DOH at Philippine Sports Commission (PSC)," sambit ng dating Palawan Governor at Congressman. "Meanwhile, individual workout and training shall be permit-

ted," paglilinaw ni Mitra. Ayon kay Mitra, nakabatay ang pagbabalik ng aksiyon sa pro sports sa desisyon ng IATF kung kaya't kagayat niyang hiningi ang pang-unawa sa mga apektadong atleta, at mga personnel na nakataya ang kabuhayan sa pro sports. "Alam natin ang pinagdadaanan ng ating mga boxers, fighters at iba pang athletes. Apektado uli ang kanilang kabuhayan, kaya ngayon pa lang humingi na kami ng pang-unawa hindi natin ito gusto, ngunit kailangan nating mag-ing maingat dahil mahirap ang magkasakit. Buhay natin ang nakataya sa virus na ito," ayon kay Mitra. Hiniling din ni Mitra ang kooperasyon ng lahat na sumunod sa mga panuntunan at ipinapatupad na health protocol para makaiwas sa hawaan at magresulta sa muling pagbabalik ng bilang ng mga nagkasakit sa COVID-19. "Kung wala pang bakuna, magpabakuna na po tayo. Yung wala pang booster shot kung may pagkakataon pumila na tayo. Huwag na munang maglalabas ng bahay kung hindi naman talaga importante ang gagawin sa labas," pahayag ni Mitra. Para sa non-contact sports tulad ng chess, cycling, e-sports at golf, pinapayagan ng GAB ang pagpapatuloy ng mga ito, ngunit kailangan nasa 30% lamang ang sangkot kung indoor game at 50% kung outdoor ang venue. Iginiit din ng GAB, na kailangang fully-vaccinated ang mga individual na lalahok dito. Para sa Off-Track Betting (OTB) ng horse racing, ipina-alala ng GAB na pinapayagan lamang na mag operate ang mga OTB na may basbas ng kani-kanilang LGU, gayundin ang operasyon ay limitado lamang sa pagbebenta ng tiket at mahigpit na ipinagbabawal ang tambay

gad sa mga konklusyon nang walang pahiwatig ng angkop na proseso na kasangkot sa paglutas ng isyung ito," sabi ni Martinez. Binatikos din niya ang PATAFA dahil sa desisyon nito na maaaring makasama kay Obiena. "Hindi namin ginaganyan ang isang world class Filipino athlete, siya ang future ng Philippine athletics," Martinez said. Sinabi ng Philippine Sports Commission (PSC) na naghihintay ngayon ng salita mula sa PATAFA para sa pagpapatalsik kay Obiena mula sa pambansang koponan nito. "Ang pagsasama at pagbubukod ng mga atleta ay isang domain ng mga pambansang asosasyon sa palakasan sa ilalim ng Seksyon 13 ng RA 6847. Gayunpaman, ang anumang pagbubukod ay kinakailangan ding paliwanag mula sa kinauukulang NSA kung isasaalang-alang ang pamuhunan ng pamahalaan sa pagbuo ng isang tao bilang isang elite na atleta," ang Sin-

abi ng PSC board. Naniniwala si Tolentino na ito ang pinal na desisyon ng PSC kung si Obiena ay ganap na mawawala sa Philippine team para sa SEA Games at Asian Games ngayong taon o hindi. "Nasa PSC na ang bola, papayag ba ang PSC na matanggal si EJ sa national team (SEA Games and Asian Games year)? Papayagan ba ng gobyerno na mawala sa national team ang isang world-class na atleta?" Sabi ni Tolentino. "Bilang Asian record holder, No. 6 sa mundo at No. 3 best performer sa 2021, papayagan ba ng PSC na mawala ang isang gintong medalya sa Huangzhou bago ang Asian Games?" Si Obiena, kasalukuyang world number six pole vaulter, ay inaasahang dadaan sa SEA Games sa Hanoi at sa Asian Games sa Hangzhou, China ngayong taon kasunod ng napakagandang 2021 na nakita niyang naitala niya ang bagong continental record para sa men's pole vault.

HANEP SA SPORTS
MAKIKITA sa larawan ang tiniguriang Sportsman na si Alex Wang (pangalawa mula kanan) kung saan ay inilunsad ang kanyang librong "25 basketball beyond passion" kamakailan sa Punta Resto Bar at events place sa Mandaluyong City. Ang naturang aklat ay naglalaman ng 25 taon ng iba't ibang basketball amateur, commercial, international at pro league. Ito ay sa panulat ni veterans sports writer Lito Cinco (pangalawa mula sa kaliwa) kasama sina (magkabilang dulo) kanan Sports writer Danny Simon at Sports Editor Frederick Nasiad. (RGN)

INILATAG NG PSC ANG MGA KAHILINGAN UPANG MALUTAS ANG HILERA NG PATAFA-OBIENA

Inilatag ng Philippine Sports Commission (PSC) ang ilang kahilingan sa mga kampong sangkot sa tensyon sa pagitan ng Philippine Athletics Track and Field Association (PATAFA) at pole vault star Ernest John "EJ" Obiena. Sa isang pahayag, sinabi ni PSC Chairman William "Butch" Ramirez na nanawagan ang PSC board kay Obiena na kumpletuhin ang liquidation ng kanyang mga pagbabayad sa kanyang coach na si Vitaly Petrov, na sinasabing pangunahing dahilan ng kanyang beef sa PATAFA. "Ibinigay na ni EJ ang kanyang partial liquidation report at ang mga dokumento ay sinusuri at biniberipika na ngayon. Ito ay isang magandang hakbang. Huwag hayaan ang sinuman na gamitin ang mga laban sa iyo sa pamamagitan ng paggawa nito. I-finalize ang iyong liquidation at pagkatapos ay maaari kang tumuon sa iba pang mga alalahanin "sabi ni Ramirez. "We demand for EJ to immediately finish his liquidation of accounts para tuloytuloy ang pagsuporta natin sa kanya." Nanawagan din ang PSC sa PATAFA na "reconsider their declaration of dropping EJ from their rolls." "Bigyan mo siya ng mekanismo ng pag-apela at huwag

isagawa kaagad ang kanilang desisyon," Ramirez added, also pertaining to the threats of filing estafa complaints against Obiena, the Asian pole vault record holder. Nanawagan din ang PSC sa Philippine Olympic Committee (POC) na ihinto ang paunang panawagan nito na ideklarang persona non grata ang pinuno ng PATAFA na si Popoy Juico "sa premise ng pagtataguyod ng kapayapaan sa elite sports". Aniya, hiniling din ng PSC board sa POC na "tulayin ang dalawang partido bilang inang organisasyon ng dalawa". Hiniling ni Ramirez sa lahat ng mga sangkot na partido at maging sa mga nagbabalak na iwasang gumawa ng karagdang mga pahayag mula rito. "Hinihiling namin na itigil na ng PATAFA, EJ, POC at lahat ng mga partidong gustong magpasiklab ng galit na isyu na ito. Nakilala ninyong lahat ang PSC at hiniling sa amin na tumulong sa pagresolba sa isyu, mangyaring makinig sa amin tungkol dito. simpleng kahilingan. Itigil ang paglalabas ng mga pampublikong pahayag at pumunta sa mesa kasama namin upang pag-usapan ang bagay na ito," sabi ni Ramirez.

TERRAFIRMA VS ROS
Kabilang ang basketball Pro sa ipinatigil pansamantalang (GAB) Game and Amusements Board bilang pag sunod sa inilabas na Alert Level 3 ng Inter-Agency Task Force (IATF) sa National Capital Region (NCR) at karatig na lalawigan. (RGN)

DOST agency develops power backup system

MANILA – The Industrial Technology Development Institute (ITDI) has developed a power backup system for use during outages.

The system was developed as an alternative to uninterrupted power supply (UPS), according to Department of Science and Technology (DOST) Secretary Fortunato de la Peña in a taped report aired on New Year's Eve.

"It has simple yet sturdy de-

sign and is easy to operate and maintain. Locally available materials were used for fabrication," he said.

Further, it offers solution to large ineqnipment needing continuous energy source without interruption.

"Parameters such as current, temperature, and relative humidity that may affect the systematic operation of the power backup system are on the prescribed scale and do not affect its reliability, dura-

bility, and efficiency," de la Peña added.

A power backup system has been proven effective on high consumption load without considering the entailment of cost and variability to its backup storage, he said.

"This technology should be considered for continuous processing and manufacturing in areas highly susceptible to power outage. The system has been tested on some equipment

installed in DOST – ITDI's Modular Multi-industry Innovation Center, such as pressure filter, blast freezer, slicer, grater, and conveyor," he said.

De la Peña also reported that the ITDI has developed a guidance document for fuel dispensers.

This document, he said, is issued to support the regulation of fuel dispensers and provides guidance to regulators in conducting efficient and internation-

ally accepted tests for the metrological control of fuel dispensers.

"Liquid petroleum products are valuable resources that play an important economic and commercial role in our country. Most modern transportation relies on the use of these products as fuel. Fuel dispensers should meet the tolerances set by the law, according to the Department of Energy Circular," he added.

The volume of liquid fuels delivered by fuel dispensers shall not be less than the actual quantity by more

than 50 milliliters for every 10 liters as measured by the standard test measure calibrated by DOST, he added.

The guidance document describes the best practice approach in securing and assuring the reliability of fuel dispensers used locally. This can be downloaded from the National Metrology Laboratory of the Philippines' Facebook page.

ITDI is one of DOST's research and development (R & D) institutes and undertakes multidisciplinary industrial R&D, technical services, and knowledge translation or commercialization. **(PNA)**

PH boosts action for climate, community resilience

MANILA – The government further enhanced its efforts this year to build climate resilience among communities nationwide and address climate change to better protect the environment, lives and property.

In April, the government finally submitted to the United Nations Framework Convention on Climate Change (UNFCCC) Secretariat the Philippines' first nationally determined contribution (NDC) which covers planned reduction of greenhouse gas (GHG) emissions in the country.

This signified the commitment of the Philippines, a UNFCCC party, to help meet the Paris Agreement's goal of limiting global temperature rise through GHG emission reduction worldwide so Earth can avoid dangerous climate change.

At the UN's 26th Conference of the Parties (COP26) in Scotland in November, the Philippine government also reiterated its call for climate justice and developed countries' financial and technical support for climate initiatives of developing nations.

The government likewise reconstituted the National Panel of Technical Experts (NPTE) of Climate Change Commission (CCC) and focused this group's thrust on generating recommendations for implementing local climate change adaptation and mitigation measures that will help build communities' resilience.

"We have drawn up a Sustainable Finance Roadmap to help orchestrate public and private sector efforts to green our economy," Department of Finance (DOF) Sec. and CCC Chairperson-designate Carlos Dominguez III also said in his 2021 message for the country's annual Global Warming and Climate Change Consciousness Week observance.

He raised the urgency for ac-

tion, noting climate change "is a battle we cannot afford to lose."

The devastation caused by the onslaught of extreme weather events already gave a preview of what inaction on climate change can lead to, he said.

According to experts, various human activities like fossil fuel-based power generation are among sources of GHG emissions.

They said GHG emissions continue accumulating in the atmosphere and trapping heat so global temperature is rising, changing climate.

The NPTE identified the Philippines' top climate-induced risks as rising sea level, coastal erosion, flooding, increasing frequency and severity of tropical cyclones, extreme drought, temperature increase and rising urban heat index, extreme rainfall, climate-influenced diseases, wind patterns and biodiversity loss, the DOF said.

It also said NPTE recommended several measures for dealing with such risks.

Among such measures are conducting nationwide climate and health impact assessments and including climate finance in LGUs' investment and development plans, the DOF said.

Experts said the Philippines accounts for less than 1 percent of global GHG emissions so this country is not a major source of these discharges.

Through its NDC, however, the Philippines still committed 75 percent GHG emission reduction and avoidance nationwide by 2030 in the agriculture, waste, industry, transport, and energy sectors.

Of such target, the government said 2.71 percent will be implemented mainly through domestic resources.

The government also said the target's remaining 72.29 percent is conditional or contingent upon climate finance, technologies, and capacity

development which developed countries are expected to provide in accordance with Paris Agreement.

"We expect that developed nations, which historically caused the global climate crisis, will deliver their commitments to Paris Agreement with the right speed and scale to keep global average temperature from breaching the 1.5 degrees Celsius survival threshold," Dominguez said.

He considers the present time until 2030 "critical", noting this period is an opportunity to undertake low-carbon and resilient development as well as other climate action that'll ensure Earth's well-being "before it's too late."

Dominguez headed the Philippine delegation to the COP26. The Philippines is "very reliant" on international financial support for capacity-building and technology transfers which climate projects need, he admitted.

"We hope this COP26 will result in positive action and will start the flow of funds to help countries," he said at the conference.

Climate finance must cover grants for capacity-building, investments for green projects that'll generate high returns, and subsidies for addressing financial costs and risks of communities shifting to a climate-resilient economy, he noted.

He said the World Bank Group, Asian Development Bank (ADB), and Asian Infrastructure Investment Bank can work together on addressing climate change and greening aspects of loans from these major multilateral development banks.

The search for international financial support isn't deterring the Philippines from undertaking locally supported double climate action, Dominguez clarified, however.

"We realize that we are one

of the most vulnerable countries to climate change and we have decided to take action on our own and we will not wait for international agreements on climate change," he said.

The CCC said various local projects worth some PHP310 million already availed of funding support through the government's People's Survival Fund (PSF).

In 2012, Republic Act (RA) 10174 was passed, amending RA 9729 (Climate Change Act of 2009), and created PSF to help LGUs and accredited local/community organizations implement climate change adaptation projects in the country.

These projects aim to help vulnerable communities better deal with the changing climate, noted CCC which is part of the board that administers PSF.

The government reconstituted the NPTE so this group's current members are Filipino experts who can help promote doable climate action on the ground, Dominguez said.

"We are no longer in the business of building a grand theory about climate change. Science has accumulated enough evidence about what is happening and what all of humanity needs to do to reverse the apocalyptic course of planetary warming. We are now in the business of implementing concrete projects and programs to build the resilience of our communities, reverse degradation and protect our vital food sources," the finance chief said.

"What is global must now be addressed at the local level. What was theoretical now demands practical applications on the ground. No red light can stop us from moving towards a greener future. We have brought together brilliant minds to ensure that our race towards our planet's survival will be coherent, concerted and compelling," he added.

To help promote public and

private investment in green undertakings nationwide, the government developed the Philippine Sustainable Finance Roadmap that's anchored on three strategic pillars.

Those pillars are policy (creating a conducive environment), financing (mainstreaming sustainable finance) and investment (developing a sustainable pipeline), DOF noted.

A set of guiding principles serve as taxonomy for the country's sustainable finance ecosystem, DOF continued.

"The roadmap and its guiding principles are expected to spur investments from various financing sources to support the country's NDC and long-term priorities," DOF said.

Dominguez said the Philippines also decided to participate in Energy Transition Mechanism, ADB's public-private finance vehicle for helping accelerate countries' transition towards a clean energy future.

Retiring GHG emission-intensive coal-fired power plants around the country and replacing these with facilities using renewable energy will help accelerate such transition, he noted.

"The time for debate and merely discussing climate change theories is over - today, we are focusing on applied solutions and workable programs to quickly reduce GHG emissions," he said.

In October, Dominguez introduced to the public members of the reconstituted NPTE.

He said they are environmental planning and engineering expert Dr. Jihan H. Adil from Zamboanga City; agricultural engineer and Mariano Marcos State University's College of Engineering Dean Dr. Nathaniel R. Alibuyog; chemical engineer and waste management specialist Dr. Zenaida L. Andrade from Tacloban City; biological oceanography, coastal ecology and fisheries expert Dr. Wilfredo L. Campos from Iloilo province; agricultural economics and environmental

accounting specialist Dr. Gay D. Defiesta also from Iloilo; climate change and public health expert Dr. Ramon Lorenzo Luis R. Guinto from Laguna province; upland, lowland and coastal forest landscape restoration and conservation specialist Dr. Eduardo O. Mangaoang from Leyte as well as fisheries and mangroves expert Dr. Jimmy T. Masagca.

The new NPTE members also include public health and food security expert Dr. Susan P. Mercado; marine scientist and coastal resource management specialist Dr. Richard N. Mualil from Tawi-Tawi province; climate and disaster resilience expert Dr. Emma E. Porio from Quezon City; disaster risk management and water resource assessment specialist Dr. Patricia Ann J. Sanchez from Iloilo; geodetic engineer and Caraga State University College of Engineering and Geosciences Dean Engr. Merriam M. Santillan; post-harvest fisheries specialist and University of the Philippines-Visayas College of Fisheries and Ocean Sciences Dean Dr. Encarnacion Emilia S. Yap; inclusive business models, sustainable tourism and gender inclusivity expert Dr. Maria Angela G. Zafra from Davao City as well as geography, hazards studies and extreme weather events specialist Dr. Doracie B. Zoleta-Nantes from Quezon province, he continued.

"I am proud to say that we have brought together a high-caliber team of Filipino experts representing the broadest range of disciplines and backgrounds," he said.

He said NPTE's current composition doesn't merely represent change in this group's membership.

NPTE's current composition "reflects a change of paradigm in our efforts to combat the effects of climate change," he added. **(PNA)**

Nearly 50M Filipinos
already fully vaccinated

MANILA – The Philippines has already administered 108,853,491 doses of the coronavirus vaccines, including second shots for 49,853,264 Filipinos and 1,847,926 booster or additional doses, as of Monday. The country's total vaccines doses received stand at 210,633,110, both procured and donated, as of the end of 2021.

National Task Force (NTF) Against Covid-19 chief implementer, Secretary Carlito Galvez Jr. warned the country is "not yet out of the woods" as the cases are spiking once again. He reminded of the need to inoculate more Filipinos as much as possible, especially the elderly and those with comorbidities.

"As what we have said, vaccine supply is no longer a concern, as we now have sufficient doses to fully inoculate more than 100 million Filipinos. The greater challenge now is how to get these Covid-19 jabs into the arms of our countrymen as soon as possible," Galvez said in

his year-end message. The start of the year, according to Galvez, is another chance to encourage the unvaccinated to get jabbed and for the eligible ones to avail of booster shots.

Local government units must also continue to strengthen their prevent-detect-isolate-treat-reintegrate (PDITR) strategies and impose granular lockdowns if necessary.

"We also need to continuously upgrade our Covid-19 health care facilities throughout the country by adding more beds, oxygen tanks, and Covid-19 medicines," he added.

Galvez said the NTF is adamant to achieve its target population protection of at least 77 million fully vaccinated Filipinos by the first quarter this year.

"As the Duterte Administration enters its final year, the National Task Force on Covid-19 is committed to fulfilling its mandate of protecting the health of the Filipino people, as we revive our nation's economy," he stated. (PNA)

Implementasyon ng Pangatlong Debit-Credit Payment Method tuloy na

Ipatatupad ng PhilHealth ang pangatlong Debit-Credit Payment Method (DCPM) sa buong bansa. Ito ay bilang tugon ng ahensya sa panawagan ng mga Health Facilities sa agarang pagbabayad ng kanilang mga claims na naipasa na sa PhilHealth.

Ang DPCM o Debit-Credit Payment Method ay isang porma ng payment mechanism sa siyang katugunan ng PhilHealth sa panahon ng pandemya simula pa noong taong 2020 ng unang manalasa ang covid19 sa bansa.

Kaugnay nito, nakipagpulong ang pamunuan ng PhilHealth Regional Office IVA sa pangunguna ni Acting Regional Vice President Arlan M. Granali sa mga miyembro ng Private Hospital Association of the Philippines (PHAPI) - Quezon Chapter para makapagbigay ng paglilinaw sa mga polisiya sa ilalim ng DCPM at mabigyang klaripikasyon sa gagawing claims reconciliation. Ayon sa Pangulo ng PHAPI - Quezon Chapter Dr. Juan Eugenio Villanueva, humingi sila ng pagpupulong upang maresolba ang kanilang hiling na mabayaran ang kanilang mga pending hospital claim. Aniya, "Ano ang hakbang na gagawin ng PhilHealth para mabayaran ang hospital?"

Binigyang kasiguraduhan naman ni ARVP Granali na agarang ipo proseso ang mga aplikasyon ng mga pasilidad sa DCPM upang ito ay mai-release na sa laalong madaling panahon.

Nagbigay din ng suportang PHAPI-Quezon Chapter sa PRO IVA na patuloy silang makikipagtulungan sa PhilHealth para sa ad-bokasiya na makapagbigay ng serbisyong medikal. Gayundin, nakipagpulong si PCEO Atty. Dante Gierran, COO Eli Dino D. Santos at ang PRO IVA officers kay Quezon Governor Danilo Suarez patungkol sa pagpapatupad ng DPCM. Pinasalamatang ni PCEO Atty. Gierran at ARVP Granali ang pamunuan ng

Probinsya ng Quezon sa pagbabalik ng ng pondong hindi nagamit nagkakahalaga ng Php 83 million na mula sa Interim Reimbursement Mechanism o IRM.

Mayroon 65 na pasilidad ang nag-avail ng DPCM 1 buong Region 4A at patuloy din ang pakikipag-ugnayan ng PhilHealth Regional Office IVA Reachout team sa mga hospitals na may aplikasyon ng 20 pasilidad sa DCPM2.

Upang ma-avail ng isang Health Facility ang DPCM, kinakailangan makapasa sa mga sumusunod na pannotunan:

□ Walang balanse sa Interim Reimbursement Fund

□ May Covid-19 package claim na kahit isa

□ Walang penalty o suspension sa loob ng applicable period

□ Para sa mga Health Facility na naka-avail ng DPCM 1 and 2, maaari pa din silang mag-avail kung atleast 20% ng nairerelease na halaga ng DPCM ay na reconcile na. Sa kasalukuyan, mayroong 8 Health Facilities sa Region IVA ang nagpasa ng kanilang Letter of Intent sa PhilHealth para makaavail ng DPCM:

1. Pagamutan ng Dasmariñas

2. Westlake Medical Center

3. Global Care Medical Center of Canlubang Inc.

4. Christian General Hospital

5. First Cabuyao Hospital and Medical Center

6. Calamba Medical Center

7. St. Jude Family Hospital

8. The Medical City South Sa kabila ng implementasyon ng DCPM, tuloy tuloy ang pagbabayad ng PhilHealth sa mga pasilidad na tinatayang umabot na sa Php 165.8 billion simula Enero 2020.

Para sa ibang detalye ukol sa DPCM, maaaring bisitahin ang PhilHealth website www.philhealth.gov.ph at hanapin ang PhilHealth Circular No. 2021 - 0023. ### (jpc)

Cash Incentive, ipinamahagi sa lungsod ng Sto. Tomas

LUNGSOD NG BATANGAS (PIA)—Namahagi ang pamahalaang lungsod ng Sto. Tomas ng honorarium bilang cash incentive gift sa mga lingkod-bayang pambarangay noong ika-29 ng Disyembre.

Ang naturang honorarium na nagkakahalaga ng dalawang libo bawat isa ay personal na tinanggap ng mga Barangay Health Workers (BHW), Barangay Migration Information Officer (MIO) at Barangay Nutrition Scholars (BNS).

Ang pamamahagi ay pinangunahan ng City Treasurer's Office.

Totoy, 3 pa; dinakma sa tupada

BITBIT ng Cavite police ang 16-anyos na menor de edad at tatlong iba pa habang nagsasagawa ng tupada sa Naic, Cavite Linggo ng hapon.

Kinilala ang mga naaresto na sina alias JR, Sofronio Guardiano, 48; Renato Escarlán, 49; at Kint Ramos, 56, pawang residente ng Balsahean, Naic.

Sa ulat ni Corporal Ronald Abalos, ng Naic Police

Parak biglang bagsak, tigbak

NASAWI ang isang miyembro ng Philippine National Police (PNP) na umano'y bigla na lamang bumagsak habang nagsasagawa ng inspeksiyon sa Naic, Cavite Linggo ng hapon.

Ininugod pa sa First Filipino Saint Hospital ang biktimgang si PSSgt Jesus Amploquio Daban, 55, may-asawa, miyembro ng PNP Maritime na naka-assign sa Cavite Maritime Police Station, Brgy Julugan, Tanza.

4 katao, tiklo sa pamumutol ng kable

KULONG ang apat na lalaki matapos pumutol ng mga kable ng telepono na nagkakahalaga ng P48,000 sa Silang, Cavite.

Kasong qualified theft ang kinaharap nina Erwin Tampes, 28, driver-technician; Jeffrey Opriano, 36, driver-technician; Vincent Melver Santos, 19; at Raymond Condino, 37, dahil sa reklamo ng PLDT.

Sa ulat ni PMSgt Johnny Dumangeng, ng Silang Police Station, nagsasagawa ng pagpapatrulya ang

Nauna rito, tumanggap na din ng kanilang honorarium ang mga miyembro ng Rural Improvement Club Presidents; Farmers Association President, Barangay BCPC-VAWC Officers at Barangay Animal Health Worker.

Samantala, nakatakdang tumanggap ng kanilang honorarium noong Disyembre 31, 2021 ang mga pampublikong guro. **(BHABYP. DE CASTRO-PIA BATANGAS with reports from CIO STO. TOMAS)**

Station, ala-1:30 ng hapon ay nagsagawa ng anti-illegal gambling operation ang mga operatiba ng Naic MPS sa Sitio Ilaya, Brgy Timalan, Balsahean, kung saan naaktuhan ang apat habang nagsasagawa ng tupada.

Narekober sa lugar ang dalawang sasabungin, dalawang tari at P1,200 na pusta. **GENE ADSUARA**

Sa ulat ni PSSgt Richard Atienza, ng Naic Police Station, naglalakad ang biktima habang nagsasagawa ng inspeksiyon sa gilid ng Seaside Resort sa Brgy Bagong Kalsada, na bahagi ng kanyang trabaho na intelligence operatives nang bigla na lamang umanong bumagsak.

Dinala pa ang biktima sa ospital subalit idineklarang dead on arrival at sinasabing inatake ito. **GENE ADSUARA**

mga guwardiyang sina Jeffrey Hinayon, 36; at Erwin Malaylay, 41, sa kanilang nasasakupan partikular ang pag-aari ng PLDT sa kahabaan ng Aguinaldo Highway, Brgy Lalaan 2nd Silang, dakong alas-1:03 ng hapon at napansin ang puting van na may Miescor marking na nagpuputol ng kable ng PLDT at saka inilalagay sa loob ng sasakyan at saka mabilis na umalis.

Hinabol ng dalawa ang sasakyan ng mga suspek

Naligong senglot, tepok

NALUNOD matapos na naligo na lasing ang 37-anyos na tricycle driver at natagpuang nakalutang sa ilog sa Brgy Cabuco, Trece Martires City, Cavite Linggo ng umaga.

Hinihinalang may ilang minuto ng patay ang biktimgang si Edilberto Edem, ng Sunshine Ville Brgy Cabuco.

Sa ulat ni PSSgt Rene Bibon, ng Trece Martires City, isang Freddie Baclas, residente ng Brgy Cabuco,

ang nakakita sa biktima na nakalutang ang katawan at wala ng buhay sa ilog sa gilid ng Sunshie Ville, Subd., dakong alas-10:00 ng umaga.

Ayon kay Bibon, lasing umano ang biktima at nakatuwaang maligo hanggang na nakita na lamang itong nakalutang.

Inaalam din kung may naganap na foul play sa pagkamatay nito. **GENE ADSUARA**

4 SITIO ELECTRIFICATION PROJECTS NG TIELCO, NEA, TAPOS NA

ODIONGAN, Romblon (PIA) -- Napailawan na bago mag-Pasko ng Tablas Island Electric Cooperative, Inc. (TIELCO) ang tatlong Sitio sa Calatrava at San Jose, Romblon na matagal ng hindi naabot ng kuryente.

Ayon kay TIELCO General Manager Dennis Alag, ang mga sitio na ito ay ang Upper Tondo at Purok 1 sa Barangay Linao, Calatrava; at Sitio Upper Pawa sa Barangay Combot, San Jose. Bahagi ang nasabing proyekto ng Sitio Electrifi-

cation Projects na pinondohan ng National Electrification Administration (NEA) para sa taong 2021.

Ngayon ay hindi na magtititis sa lampara ang mga residente ng lugar dahil magkakaroon na sila ng supply ng kuryente na matagal na rin nilang ginugustong pero pahirapang maabot dahil sa layo ng mga nabanggit na sitio.

Napailawan na rin bago mag bagong taon ang Sitio Lumandong sa Bgy. Limon Norte sa Loooc, Romblon. **(PJF/PIA Mimaropa)**

Caloocan pinaigting ang COVID Omicron response

LUNGSOD CALOOCAN, (PIA) -- Mas pinaigting ng Lungsod Caloocan ang COVID-19 response nito laban sa Omicron variant at sa mabilis na pagtaas ng mga kaso ng coronavirus disease sa Metro Manila nitong mga nakaraang linggo,

Ayon kay Mayor Oca Malapitan, kinakailangang patuloy na maging handa ang lokal na pamahalaan sa posibilidad na tumaas pa ang mga kaso ng COVID-19. Ipinag-utos din ng Punong-Lungsod na mahigpit na ipatupad ang Alert Level 3 status sa buong lungsod simula bukas, January 3, 2022.

Nagpatawag ng pulong nitong Linggo si Mayor Oca upang talakayin ang mga

hanggang sa nakorner sa Brgy Sabutan ng at narekober ang tinatayang mahigit sa 8 pulgadang haba ng kable na nagkakahalaga ng P48,000. **GENE ADSUARA**

update at mga programang ginagawa ng Pamahalaang Lungsod ng Caloocan para sa COVID-19 response, partikular na sa Omicron variant.

Kabilang sa pulong na ito sina Secretary to the Mayor Betsy Luakian-Kaw, City Administrator Engr. Oliver Hernandez, at mga department heads mula sa City Health Department, Command Center, City Disaster Risk Reduction and Management Office, Caloocan City Medical Center, Caloocan City North Medical Center, CCSWD, Barangay Secretariat at iba pa.

Kaugnay nito, nanawagan din si Malapitan sa publiko na patuloy na sumunod sa minimum public health standards upang makaiwas sa pagkahawa sa sakit na COVID.

Sa datos ng City Epidemiology and Surveillance Unit, as of January 1, 2022, nasa 134 ang mga aktibong kaso ng COVID-19 sa Caloocan. **(PIA-NCR)**

Libreng quarantine sa Maynila, tulong ni Yorme sa OFW returnees

LUNGSOD CALOOCAN, (PIA) -- Inalay ng pamahalaang lungsod ng Maynila ang Manila COVID-19 Field Hospital para sa humigit kumulang na 100 nagbabalik bansa na Overseas Filipino Workers (OFWs) na positibo sa sakit na COVID-19.

Personal na sinalubong ni Punong Lungsod Francisco "Isko Moreno" Domagoso nitong Biyernes, ika-31 ng Disyembre, ang 104 OFWs mula sa iba't ibang bansa na siyang binansagang niyang mga bagong bayani. Ayon kay Domagoso, ito ay ang simpleng pagtanaw ng utang na loob para sa mga OFWs na siyang nagbibigay ng malaking tulong para sa ekonomiya hindi lamang sa Lungsod ng Maynila kung hindi maging sa buong bansa.

"Ito ay ang aming pagpapasalamat sa inyo. Alam ko mahirap maging OFW, of all the things and challenges of being an OFW, tapos there is a threat and stress on your job," ani Domagoso.

"Kahit dito man lang masuklian namin ng pagmamalasakit dito sa Maynila na kayo welcome. We will do our best to make you comfortable as much

Pamilya ni Sen. Gatchalian, nagbigay ng tulong sa Palawan

P U E R T O PRINCESA, PALAWAN, (PIA)--Nagbigay ng P3.5 milyong halaga ng bigas ang pamilya ni Senator Win Gatchalian noong Enero 3 para sa mga biktima ng bagyong Odette sa lalawigan ng Palawan.

Bago ito ay nag-ikot muna ang Senador sa mga lugar na sinalanta ng bagyo, partikular na sa bayan ng San Vicente, Roxas at sa barangay Langongan, Puerto Princesa City.

Ayon kay Senador Gatchalian, ang pinakamahalaga ay maibigay ang basic [needs] para may makain ang taong bayan at ang mga pamilyang nawalan ng tahanan.

"Nakita namin talaga ang dala ng pinsalang dulot

as possible," dagdag niya. Kasama ni Domagoso sina Department of Health Secretary Francisco Duque III, Chief Implementer Sec. Carlito Galvez Jr, Bureau of Quarantine Director Dr. Obet Salvador, at Taguig Mayor Lino Cayetano sa nasabing pagsalubong.

Sinigurado naman ni Domagoso ang mga pamilya ng OFWs na ang kanilang mga mahal sa buhay ay nasa mabuting kamay ni Dr. Arlene Dominguez na siyang pinuno ng Manila COVID-19 Field Hospital.

Ang Manila COVID-19 Field Hospital ay may 344 na bed capacity at may mga libreng serbisyo hatid sa mga pasyente katulad ng X-ray, oxygen tanks, mga gamot, pagkain, wifi, at aircon.

"Mararamdaman ngayon ng mga OFW na mahal kami ng bansa namin, mahal kami ng gobyerno namin," ani Domagoso.

Matatandaan na libreng binakunahan rin ng pamahalaang lungsod ng Maynila ang humigit kumulang na 20,000 na OFWs ngayong taon upang tulong silang makalipad sa ibang bansa para sa kani-kanilang mga trabaho. **(Manila PIO/PIA-NCR)**

ng bagyo kaya ang aming pamilya ay nagdonate po ng tulong dito sa Palawan at Puerto Princesa sa pamamagitan ng pagbibigay ng bigas," saad pa ng Senador.

Aniya paunang tulong lamang ito dahil bilang Chairman ng Energy Committee at Basic Education Committee sa Senado ay tutulong rin siya para maibalik agad ang daloy ng kuryente sa mga lugar na nasalanta ng bagyo at makumpuni ang mga nasirang paaralan.

Nagpasalamat naman si Mayor Lucilo Bayron, gayundin si Vice Governor Dennis Socrates na siyang tumanggap ng tulong mula mismo sa senador. **(MCE/PIA-MIMAROPA, PALAWAN)**

Aktibong kaso ng Covid-19 sa Laguna, bahagyang tumaas

CALAMBA CITY, Laguna (PIA) — Bahagyang tumaas ang aktibong kaso ng Covid-19 sa lalawigan ng Laguna nitong Martes, Enero 4, batay sa datos na inilabas ng Laguna Provincial Health Office.

Mula sa 25 aktibong kaso ng Covid-19 sa pagtatapos ng taong 2021 ay tumaas ito sa 273 matapos makapagtala ng mga karagdang panibagong kaso ng nakahahawang sakit ang ilang mga lungsod at bayan sa lalawigan.

Kabilang sa mga nakapagtala ng bahagyang pagtaas ng bagong kaso ng Covid-19 ang Santa Rosa City, Calamba City, San Pablo City, at Los Baños.

Kaugnay nito, aabot na sa 100,542 ang kabuuang bilang ng mga tinamaan ng Covid-19 buhat nang mag-simula ang pandemya.

Nasa 97,124 naman ang kabuuang bilang ng mga pasyenteng gumaling mula sa sakit. Samantala, nananatili sa 3,145 ang bilang ng mga pasyenteng pumanaw dahil sa Covid-19.

Nananatili namang Covid-free ang siyam na bayan sa Laguna kabilang ang Sini-loan, Majayjay, Lumban, Pakil, Santa Maria, Mabitac, Luisiana, Magdalena, at Famy.

Kaugnay nito ay patuloy ang panawagan ng pamahalaang panlalawigan ng Laguna gayundin ng mga lokal na pamahalaan sa kanilang mga nasasakupan na patuloy na sundin ang minimum public health standards at magpabakuna laban sa Covid-19.

Sa lungsod ng Calamba na ngayon ay mayroon 64 aktibong kaso ng sakit, hinihikayat ni Dr. Adelino Labro, head ng Calamba City Health Office, ang mga residente na palagiang sundin ang mga health protocols gaya ng pagsusuot ng face mask at palagiang paghuhugas ng kamay upang maiwasan ang pagkalat ng Covid-19.

Sa kanyang panayam sa Radyo Calambeño, hinimok din nito ang mga resi-

dente na kumpletuhin ang bakuna upang ganap na magkaroon ng proteksiyon laban sa sakit lalo't higit sa panahon ngayon na nakaamba ang pagtaas ng kaso dahil na rin sa Omicron variant.

Hinihikayat din ni Dr. Labro ang mga fully vaccinated na magpaturok ng karagdang bakuna o booster shot. Aniya, ang mga indibidwal na nais magpaturok ng karagdang bakuna ay maaaring magtungo sa vaccination site nito sa SM Calamba City.

Ayon kay Dr. Labro, nagkaroon ng bahagyang pagtaas sa mga tinatamaan ng Covid-19 sa lungsod ng Calamba dahil sa maluwag na mobility restrictions sa nagdaang holiday season. — **FC, PIA Laguna**

15M multi-purpose building sa San Jose, pinasinayaan

SAN JOSE, Occidental Mindoro (PIA) -- Pinasinayaan kamakailan sa bayan ng San Jose ang dalawang palapag na multi-purpose building na nagkakahalaga ng P14,969,961.60.

Ayon kay Engr. Edgar Masangkay, tagapamahala ng Municipal Engineering Office (MEO), ililipat sa nasabing gusali ang kanilang tanggapan kasama ang Municipal Social Welfare and Development Office (MSWDO) at Municipal Environment and Natural Resources (MENRO).

"Kasama rin namin dito ang Building Permit Section, bilang pagtalima sa atas ng Department of the Interior and Local Government (DILG)," saad ni Masangkay. Aniya, iniutos na nabanggit na ahensya na magkaroon ng kahiwalay na tanggapan ang Building Permit na tatauhan ng kinatawan mula Municipal Planning and Development Office (MPDO), Bureau of Fire Protection (BFP) at Municipal Treasurer's Office (MTO).

Sinabi ni Masangkay na mas maayos na makakapagtrabaho ang mga kawani ng MEO, MENRO at MSWDO sa bagong gusali. Kumpara aniya sa

CHIZ SA DOH: BUHUSAN NG SUPORTA ANG PILOT PROVINCES SA UNIVERSAL HEALTH CARE ACT

Kailangan ng todong pagsuporta ng Department of Health (DOH) ng mga pilot province para sa implementasyon ng Universal Health Care (UHC) Act at kabilang dito ang dagdag-pondo para sa pagsasaayos ng mga primary health care facility at pagsasanay ng mga health worker.

Ito ang sinabi ni Sorsogon Gov. Chiz Escudero kasabay ng kanyang pagbubunyag na hindi lahat ng 33 pilot provinces na kasama sa pagpapatupad ng UHC ay may sapat na pondo para sa kalusugan para magkaroon ng maaasah-

ang health care provider network (HCPN) na siyang hinihingi ng UHC Law.

"Makikita sa pandemic response ng iba't ibang lokal na pamahalaan sa buong bansa kung kaya o handa ba ang isang lokalidad para sa UHC implementation. Ang mga mayor at governor, gusto naman nilang gastusan ang kalusugan ng kani-kanilang nasasakupan pero ang tanong pa rin palagi, may sapat ba silang pera para dito?" ani Escudero.

Sa nakalipas na halos tatlong taon, ang Sorsogon, na isang pilot province, ay tuloy-tuloy sa pagsasaayos ng pundasyon nito ng HCPN at sa katanayan, ISO-certified na ang lahat ng siyam nitong public hospital subalit maraming probinsiya ang naubos ang kanilang pondo para sa paglaban sa COVID-19.

Lumilitaw sa isang pag-aaral ng Asian Development Bank na mahigit kalahati ng lahat ng rural health units sa Pilipinas ay walang kagamitan habang kulang-kulang naman sa tao ang mga district hospital kung kaya napipilitan ang mga pasyente na magpagamot na lamang sa mga private hospital.

"Kapag ganito, talo na agad ang UHC ngayon pa lang. Kung ninanais at desidido ang gobyerno na matiyak ang kalusugan ng lahat ng Pilipino, dapat buhusan talaga nito ng pondo ang ating public health facilities, lalo na iyong unang takbuhan ng mga tao—ang barangay health stations at rural health units. Kahit nakadeveloped na sa LGUs ang health services pero ang totoo nito, hindi pa rin ito gagana kung walang funding support ng DOH," ani Escudero na tumatakbo para sa bagong termino sa Senado. **PR**

MUSIKERO, 11 PA; LAGLAG SA BUY BUST

TINATAYANG mahigit sa P40K halaga ng droga ang nasamsam at pagkakaaresto sa labindalawang hinihinalang tulak kabilang ang isang musikero sa isinagawang magkakahwalay na buy bust operation sa Cavite Martes ng madaling araw.

Sa ulat ng Cavite Police Provincial Office (PPO), sa pagitan ng alas-11:00 ng umaga hanggang alas-2:00 ng madaling araw isinagawa ang buy bust operation sa lungsod ng Bacoor at Gen. Trias at bayan ng Rosario.

Sa Bacoor City, naaresto sina JM Santos, Jessie Capunan at Rebecca Angeles, pawang nasa wastong edad at residente ng Brgy

Salinas 4, sa isinagawang buy bust operation sa naturang barangay dakong ala-1:20 ng madaling araw kung saan narekober ang 6 na gramo ng shabu na may street value na P48,800.

Sa Rosario, isang musikero na si Ace Delos Santos, 38, binata, ng Hacienda Brgy Tejeros Convection; at kasamang si Anthony Go, 40, ang inaresto sa buy bust operation sa naturang barangay dakong alas-11:10 ng umaga. Apat na iba pa ang naaresto sa nasabing lugar.

Sa Gen Trias City, tatlong hinihinalang tulak ang naaresto sa isinagawang buy bust operation dakong alas-2:00 ng umaga sa Brgy San Francisco. **GENE ADSUARA**

Motor vs motor, 1 patay

NASAWI ang motorcycle rider na nakabanggan ang isang motorsiklo na kanyang kasalubong sa Imus City, Cavite Lunes ng gabi. Naisugod pa sa Medical Center Imus Hospital ang biktimgang si Orlanda Ordonez (lalaki), 42, tricycle driver, subalit idineklarang dead on arrival.

Kinilala naman ang driver ng motorsiklong Jiangmen Haojue na nakabanggan nito na si Johnyfer Adante, 34, isa rin tricycle driver.

Sa ulat ni PSSgt Mark Joseph Jader, ng Imus City Police, dakong alas-7:00 ng gabi naganap ang insidente kung saan kapwa binabagtas ng dalawa ang kahabaan ng Carsadang

Bago Road.

Ang suspek ay minamaneho ang Jiangmen Haojue na motorsiklo na may plakang 041204 patungo sa direksiyon ng Medicion habang sa opposite direction naman ang biktima sakay sa kanyang motorsiklong Yamaha Mio Sporty patungo sa direksiyon ng Pag-asa at pagsapit sa nasabing lugar ay nagkabanggan ang mga ito.

Dahil sa malakas na pagkakabangga sa biktima ay tumilapon ito sa semento na nagresulta sa pagkaka-bagok sa ulo at katawan kaya wala ng buhay nang isugod sa ospital. **GENE ADSUARA**

Nabangga ng mini bus, 1 nasawi; 1 sugatan

NASAWI ang 53-anyos na lalaki habang sugatan ang kasama nito nang mabangga ng mini bus habang tumatawid sa Cavite City Martes ng hapon.

Kinilala ang biktima na si Joselito Alarcon, ng 833 R. Basa St., Cavite City na namatay sa pinangyarihan ng insidente habang sugatan ang kasama nito na si Danilo Pinlac, nasa wastong edad.

Hawak ng pulisya ang driver ng mini bus na si Loreto Rosunable, 47, ng 350 Villa Lota, Amaya 1, Tanza.

Sa ulat ni PSMSgt Jona-

than Baclas, ng Cavite City Police, dakong alas-4:45 ng hapon naganap ang insidente. Tumatawid ang mga biktima sa kahabaan ng H. Del Trabajo St., Cavite City nang nabangga sila ng minamanehong mini bus na may plakang DXR 157 ni Rosunable na galing sa P. Burgos Ave patawid ng H. Del Trabajo.

Dahil sa lakas ng pagkakabangga, agad na nalagutan ng hininga si Alarcon habang nasugatan ang kasama nito. **GENE ADSUARA**

Miyembro ng Navy, nalunod

NASAWI ang miyembro ng Philippine Navy (Marines) na nalunod habang nagsasagawa ng basic military scuba diving course sa ilalim ng dagat sa loob ng kampo sa Ternate, Cavite. Isinugod pa sa San Lorenzo Ruiz Hospital ang biktimgang si Private Laurence Pabraquil Remental, 26, tubong Zamboanga Del Norte at estudyante ng Basic Military Scuba Diving Course CI-12, nakatalaga sa 68MC, FRG stationed sa Marine Base Gregorio Lim, Kaynipa Grande, Brgy Sapang 1, Ternate, at residente ng Brgy Goaw, Liloy, Zamboanga Del Norte. Sa ulat ni PSMSgt Andres P Agcaoili, ng Ternate Police Station, dakong ala-11:10 ng umaga ay nagsasagawa ng basic military scuba diving course ang mga estudyante ng PN sa tubig sa Marine Base Camp Gregorio Lim, Kaynipa Cove, Brgy Sapang 1.

Nauna rito, nagsasagawa ang mga estudyante ng underwater knot tying na may 20 feet ang lalim nang umahon ang biktima dahil may lumalabas na dugo sa ilong.

Pinayuhan siya ng kanyang dive instructor na si Corporal Jaime Jimmy Gayosa, Jr. na tuluyan ng umahon sa tubig habang ipinagpatuloy ng iba pang estudyante ang ginagawa. Gayunman, lingid umano sa kaalaman ng instructor ay bumalik ulit sa tubig ang biktima at nagsagawa ng knot tying exercise na natapos umano nito subalit hindi na tuluyang nakaa-hon.

Nagsagawa ng rescue sa katawan ng biktima at isinugod sa ospital subalit namatay habang ginagamot. Inaalam din kung may naganap na foul play sa pagkamatay ng biktima. **GENE ADSUARA**

PRO Mimaropa, nakaplano na sa darating na halalan sa Mayo 9

LUNGSOD NG CALAPAN, Oriental Mindoro (PIA) -- "Ngayong nalalapit na ang panahon ng kampanyahan, nakalatag na po ang aming planong pang seguridad para sa darating na National at Local Elections sa Mayo 9." Ito ang ipinahayag ni PB-Gen Nelson B Bondoc, Police Regional Office (PRO) Regional Director ng Mimaropa sa isinagawang press conference sa tanggapan nito sa Camp Efigenio C Navarro sa lungsod na ito kamakailan.

Ayon kay Bondoc, mag-sisimula ang panahon ng halalan sa unang araw ng kampanyahan ngayong bagong taon, Enero 9 hanggang Hunyo 8. Sa mga panahong ito ay ipinagbabawal na ang pagdadala ng baril sa labas ng tahanan maliban kung ito ay may kaukulang permiso mula sa tanggapan ng Commission on Election (COMELEC).

Hindi na man nagsisimula ang gun ban ay pinaigting na ng kapulisan ang pagsasagawa ng mga checkpoint at chokepoint operation sa mga lansangan at walang humpay na pagpapatroly sa mga lugar na itinuturing na talamak ang krimen. Kasabay din na ipinatutupad sa mga checkpoints ang 'Oplan Bakal/Oplan Sita' upang maiwasan anya ang paglipana ng mga motorcycle riding criminals na nambibiktima ng taongbayan.

Dagdag pa ng direktor, "Sa kasalukuyan, sapat ang

bilang na 6,688 na unipormadong pulis na nakatalaga sa rehiyon ayon sa aming Regional Personnel and Records Management Division at sa Regional Operations Division na kung saan 520 mamamayan ang binabantayan ng isang pulis na malapit na sa pinupuntirang normal na bilang na 500 katao bawat isang pulis."

Samantala, hinggil sa itinuturing na 'areas of immediate concern' o mga lugar na mainit ang pulitika ay kanila aniyang binabantayan ang lungsod ng Puerto Princesa at munisipalidad ng Narra na nasa lalawigan ng Palawan at 15 pang lugar sa Mimaropa na siyang pinagahahandaan ng kapulisan upang mag-ing mapayapa, tahimik at gawing ligtas sa darating na halalan.

Tungkol naman aniya sa mga pulis na kasalukuyang bantay ng mga pulitiko, lahat na naka-detail sa mga pulitiko ay kanila aniyang ire-recall o ibabalik na sa kanilang pinanggalingang unit. Mayroon naman Police Security and Protection Group (PSPG) na kung saan ay maaring humiling ng bantay ang isang pulitiko kung may pahintulot ang Comelec.

"Ngayong 2022, ang mandato ng punong kapulisan sa pamumuno ni Poilice Director General (PDG) Dionardo Carlos ay gawing ligtas, maayos at mapayapa ang darating na pambansa at lokal na halalan ngayong Mayo at patuloy na rin ang

Iba-ibang eksena

TUWING unang Lunes sa pagpapalit ng panibagong taon ay nakasanayan na namin ang pag-renew sa business permit ng aming publication.

'Ika nga ay mainam na ang mas maaga keysa 'magpatanghali, magpahapon o magpagabi' pa sa renewal.

Medyo kaunti pa lamang ang mga tao sa Kawit Municipal Hall para sa paglalakad ng renewal o maging sa new business registration.

Kaya naman nitong Enero 3 ay natapos namin ang pagsasaayos ng business renewal ng HANEP Publication.

Pagpapatunay na sadyang maaga o

maagap kami palagi ay 0024 ang plate o ang plaka ng aming publication na inisyu ng munisipyo ng Kawit. Lagpas dalawang oras din bago natapos ang renewal ng munisipyo sa aming publication.

Mapapabilis sana kaya lamang ay nagkaroon ng bahagyang aberya mula sa isang departamento. Parang noong nakaraang taon na medyo bumagal dahil na rin sa isang aberya.

Iba-ibang eksena na mapapakamot ka na lamang sa ulo at titimpi dahil unang Lunes. Ganyan naman 'ata talaga ang sistema kaya nakakaapekto sa proseso.

Bangkay ng lalaki, natagpuan sa madamong lugar

ISANG bangkay ng lalaki na may tama ng bala sa katawan ang natagpuan sa madamong bahagi ng bakanteng lote sa Bacoor City, Cavite Martes ng hapon.

Kinilala ang biktima na si Danilo Garcia, alias "Danica," isa umanong bading at walang permanenteng tahanan.

Iningusong suspek sina Danilo Caparino y Pulioso, ng Salinas 3, Bacoor City; at Geronimo Abrigo ng Salinas 1.

Sa ulat ni Pat. Marco

pagpapaigting ng kampanya laban sa iligal na droga, pagkumpiska sa mga hindi lisensiyadong armas, kriminalidad, insurhensiya at aktibong patisipasyon ng kapulisan sa paglaban sa COVID-19 pandemic lalo na ang pagkakaroon nito ng ibang variant," pagtatanap na mensahe ni Bondoc. **(DN/PIA-OrMin)**

Romero Cupo, ng Bacoor City Police Station, alas-3:00 ng hapon ay natagpuan ang bangkay ng biktima sa Virgo Bukid Dulo sa Brgy Salinas 3, na may tama ng dalawang bala sa katawan.

Sa imbestigasyon, bago natagpuan ang bangkay ng biktima sa nasabing lugar ay sinasabing pina-kialaman umano ng mga suspek ang pinangyarihan ng insidente at tinangkang itago ang tama ng bala sa katawan nito sa pamagitan ng pagtatakip ng damit at jacket saka kinaladkad patungo sa madamong lugar sa bahagi ng isang bakanteng lote.

Nakuha rin sa crime scene ang basyo ng kalibre 45 na baril.

Dagdag pa sa imbestigasyon ng pulisya na narekober sa barong-barong na tinutuluyan ng biktima ang sachet ng hinihinalang droga at mga paraphernalia. **GENE ADSUARA**
