COOL MOM, KALMADO LANG!

Kalmadong nagwagi ang paboritong kabayo na si Cool Mom sa ginanap na Philracom RBHS Class 5 (11-15) na inilarga sa karerahan ng San Lazaro Leisure and Business Park (MJCI) sa Carmona, Cavite. Cool na cool ang hinete na si Jeffrey Bacaycay sa ibabaw ng kanyang sakay na si Cool Mom na hinayaan lang sa unahan ang matulin na si Rodrigo upang makabuwelo sa rektahan. Sa simula ay nakauna sa lundagan si Rhaegal na nirendahan ni Yeason Bautista, magkasabay naman na umarangkada sina Cool Mom sa gawing labas at si Brilliant Move sa bandang gitna na pinatungan ni Jiger Paano, humataw din kaagad si Rodrigo na ginabayan ni Mark Lanot upang mahawakan ang bandera, habang si Don't Say Bad Words na pinatubayan ni Ryan Jay Tabor ang naiwanan sa arangkadahan. Sa unang kurbada ay umaalagwa na sa unahan ang segundo liyamado na si Rodrigo, kasunod ang liyamado na si Cool Mom, pangatlo ang dehado na si Brilliant Move, pangapat ang tersero liyamado na si Rhaegal, habang ang kuarto liyamado na si Don't Say Bad Words ay nanatiling bugaw. Pagsapit sa medya milya ay hindi nagbago ang pagkakasunod sunod ng mga kabayo. Matatag pa

rin sa harapan si Rodrigo na tila kontrolado ang laban, habang nanatili sa ikalawang puwesto ang bida na si Cool Mom na tila naghihintay ng tamang tiyempo. Pagdating sa huling kurbada ay nasa unahan pa rin si Rodrigo at bumubuwelo na si Cool Mom upang makadikit, habang malayo ang pagitan sa likuran nila Don't Say Bad Words, Brilliant Move at Rhaegal. Pagpasok sa rektahan ay nasa harapan pa rin si Rodrigo ngunit ramdam niya na ang pagbabadya ni Cool Mom sa tabing balya na kalmadong inagaw ang bandera at pagdating sa huling 75 meter ay naging klaro na ang kalamangan ng winning horse. Pumorkas kay Cool Mom si Rodrigo at si Don't Say Bad Words ang pumasok sa trifecta. Pumoste si Cool Mom ng tiyempong 1:32.6 (14-26-25'-27) para sa distansiyang 1,400 meter. Nakatakda naman na pakawalan sa Hulyo 24 ang 2022 Philracom 3rd Leg Triple Crown Stakes Race, Hopeful Stakes Race at 3YO Locally-Bred Stakes Race na gaganapin sa karerahan ng Santa Ana Saddle and Clubs Leisure Park (PRCI) sa Naic, Cavite. "Hatinggabi" was used as a symbol of a low moment for the lover.

Sa Ugoy ng Duyan is a composition which then lacked lyrics was intended to be an entry to a competition in 1943 by National Artist for Music Lucio San Pedro and was inspired from the melody that his mother used to hum when he was a child. In 1948, he met National Artist for Music Levi Celerio who then wrote the now famous lyrics to the song.

Payapang Daigdig was written by Eduardo de Leon and Brigido Batungbakal, and composed by National Artist Felipe de Leon. De Leon was moved to compose the song upon seeing the devastation in Manila brought by the war.

The appellate court affirmed on July 12 the 2020 ruling of the Makati Regional Trial Court Branch 146 that awarded PHP294,000 in lawyer's fees in favor of STI in a suit lodged by Global Academy of Technology and Entrepreneurship

Inc. (GATE). GATE filed a complaint for damages after STI did not renew their licensing agreement in 2016 after an 18-year contractual relationship. The agreement that was periodically renewed allowed GATE, in exchange for royalties, to use STI marks and STI course programs, operation manuals, and systems used in the STI network of

schools. STI cited various violations of the terms and conditions of the licensing agreement in exercising its right to cancel the licensing agreement with GATE. GATE claimed that the basis for the non-renewal of the licensing agreement with STI had been unreasonable. However, the lower court found STI did not abuse its rights when

it refused to renew the deal and that GATE was even granted a gradual phaseout of the licensing agreement to protect students' interests. The CA said the amount is not exorbitant as claimed by GATE and "the award of attorney's fees to the winning party lies within the discretion of the court, taking into account the circumstances of each case." TORIO KAMPEON SA CLARK DUATHLON

Pinangunahan ng SEAG duathlon duo ng PH ang New Clark City race na sina Raymund Torio at Rambo Chicano, mga kinatawan ng Pilipinas sa Southeast Asian Games men's duathlon event noong Mayo sa Hanoi, ang nangungunang finishers sa New Clark City Duathlon Race sa nasabing complex dito. , muling nakita ang kanilang pangunguna sa duathletes ng bansa ngayon.

Sina Torio at Chicano ay 1-2 sa elite male category, tinalo ng una ang huli, na heavy favorite para sa nasabing event, ng dalawang segundo para manalo ng ginto. Nakumpleto ni Torio ang race course sa dalawang oras, 22 minuto, at 46 segundo, habang si Chicano ay tumawid sa finish line sa 2:22:48. Inamin niya na nagulat siya na nalampasan niya si Chicano, na 15 segundo lang na nahihiya nang makakuha ng medalya sa SEA Games dalawang buwan na ang nakararaan, sa huli.

Nagkataon lang talaga na ako ang nanalo (I don't know what happened to John Leerams . Siguro na-side stitch siya kasi usually, hindi ko siya na-overtake sa isang race. Nagtapos na pangatlo sa male elite division ang kapwa miyembro ng national pool na si John Patrick Ciron, na nag-clock sa 2:24:03. Dahil nasa parehong koponan, ang mga nangungunang lalaking finishers ay naka-sync para sa karamihan ng karera, na kinukumpleto ang unang yugto ng pagtakbo at ang yugto ng pagbibisikleta nang magkasama.

Ang pagkakaiba ay dumating sa huling pagtakbo nang bahagyang humiwalay sina Torio at Chicano kay Ciron. Gayunpaman, nang maramdaman ni Chicano ang side stitch, na pormal na kilala bilang exercise-related transient abdominal pain, hinayaan niyang matapos muna si Torio bagama't nananatili pa rin sa sync. "Sa last three kilometers,

medyo nag-back up si Ciron. Tapos sa sprint finish, doon na nauna si Raymund (In the last three kilometers, Ciron played backup. Then in the sprint finish, Raymund pulled away)." Chicano relayed pano natapos.

Samantala, ipinakita ng 20-anyos na duathletes na sina Merry Joy Trupa at Elaine Quismundo na maganda ang kinabukasan ng Philippine women's duathlon nang nakuha nila ang 1-2 finish sa elite women category. Nagwagi si Trupa sa karera matapos itong tapusin sa loob ng tatlong oras at 39 segundo, habang nakuha naman ni Quismundo ang pilak sa oras na 3:10:01. Parehong tinawag ang tubong Tarlac, sina Trupa at Quismundo ay ginamit nang husto ang kalamangan sa sariling lalawigan upang ipakita ang kanilang klase sa iba pang mga babaeng duathlete. "Parang mas advantage sa amin ito na taga-dito kami. Napag-aralan namin yung run and bike courses.

Bago dumating ang event na ito, chineck na namin yung ruta (It was an advantage for us that we live here. We were able to study yung run and bike courses. Before the event, we check the route)," Quismundo said. "Kailangan din kasi natin, bilang athlete, alamin yung lalaruan and i-check nang mabuti kung saan ang mga U-turn para di tayo ma-miss. Kasama kasi sa laro yun (As athletes, we need to study and check properly the - lumingon para hindi kami makaligtaan. Bahagi ito ng laro)," dagdag ni Trupa. Ang dating miyembro ng pambansang koponan na si Pawie Fornea ay pumangatlo sa oras na 3:19:16. Mahigit 650 duathletes ang sumabak sa karera kung saan una silang tumakbo ng 12 kilometro, nag-bike ng 50 pa, at tinapos ito sa isa pang anim na kilometrong pagtakbo. Ang race course ay bahagyang mas mahaba kaysa sa Olympic standard na 10-40-5.

GILAS BIGO NA SA FIBA ASIA CUP

Natanggal ang Gilas sa FIBA Asia Cup Ang Gilas Pilipinas. matapos silang pabagsakin ng Japan sa pamamagitan ng 102-81 panalo sa kanilang playoff first-round encounter sa Istora Senayan sa Jakarta. Kahit na ang manlalaro ng National Basketball Association na si Yuta Watanabe ay lumabas sa laro sa ikatlong quarter matapos ang pinsala sa bukung-bukong, ang Japan ay naglaro na parang isang koponan sa isang misyon habang naitala ng "Akatsuki Five" ang pinakamahalagang panalo nito laban sa mga Pilipino, kahit sa kamakailang memorya, upang magtakda ng quarterfinal date sa Australia.

Malayo sa kung paano sisimulan ng magkabilang koponan ang kanilang sagupaan sa nakalipas na

12 taon, ginulat ng Japan ang Gilas at umarangkada sa 32-16 abante sa pagtatapos ng unang quarter kahit na napanatili ng una ang magandang simula nito sa ikalawang quarter. Inakala ng Gilas na mapakinabangan nito ang kawalan ni Watanabe, na kinailangang ilabas sa arena sakay ng wheelchair dahil sa masakit ang kanyang bukung-bukong, ngunit ang three-point shooting ng Japan ay nasa punto para kontrahin ang outside shooting spurt ng Gilas.

Gumawa si Yuki Togashi ng 18 puntos, isang rebound, anim na assist, at isang steal para sa Japan, na tinalo ang Pilipinas sa unang pagkakataon mula noong 2010 Asian Games. Ipinataw ng naturalized player na si Luke Evans ang kanyang kalooban sa loob at nagdagdag ng 17 puntos sa 6-for-9 shooting, pitong rebounds, dalawang assist, at isang steal.

Si Ray-Ray Parks ay gumawa ng 16 puntos, isang rebound, at tatlong assist para sa Gilas, na hindi nakapasok sa quarterfinals ng FIBA Asia Cup sa unang pagkakataon mula ng hindi nakuha ng isang PBA-star-laden roster ang playoffs ng 2007 edition, na kawili-wili sa kasalukuyang Gilas coach. Si Chot Reyes din ang mentor ng Powerade-backed squad.

PINAS IKA-5 HOST SA 2033 NG SEA GAMES

Posible na muling magho-host ang Pilipinas ng Southeast Asian (SEA) Games sa darating na 2033, sinabi ni Philippine Olympic Committee president, Rep. Abraham "Bambol" Tolentino, Ang ikalimang pagho-host ng bansa ng biennial regional games ay itinakda kalahating henerasyon matapos ang pinakamatagumpay na pagho-host nito noong 2019 sa ilalim ng panonood ni Tolentino, kung saan ang mga atletang Pilipino ang lumabas na pangkalahatang kampeon. "Nag-alok kami ng bid na mag-host muli para sa 2033 at ang konseho ay nagkakaisang inaprubahan," sabi ni Tolentino, na tumutukoy sa SEA Games Federation Council Meeting sa Phnom Penh, host ng ika-32 na edisyon ng mga laro sa susunod na taon. Ang Vietnam na nag

nagho-host ng isang taong ipinagpaliban na ika-31 na edisyon noong Mayo. Pagkatapos ng Cambodia, ang mga laro ay babalik sa Bangkok sa darating na 2025, Kuala Lumpur naman sa 2027, susundan ito ng Singapore para sa 2029, habang nakuha naman ng Laos ang 2031.

Unang nagho-host ang Pilipinas ng SEA Games noong 1981, pagkatapos ay taon 1991 at 2005, nang ito rin ang naging pangkalahatang kampeon. Tanging ang Timor Leste ang hindi nagho-host ng mga laro.

Sinabi ni Tolentino na ang 2033 hosting ay pormal na iharap sa Malacañang para sa pagtanggap ng gobyerno ng Pilipinas sa responsibilidad. "Pagkatapos iharap ang hosting bid sa konseho, at kasunod ng pag-apruba nito, hihilingin ng POC at ng SEA Games Council sa gobyerno ng Pilipinas na maglabas ng sulat ng suporta," sabi ni Tolentino, na sinamahan sa Phnom Penh ng mga deputy secretaries general na si Bones Floro at Carl Sambrano. "Kung tumanggi ang gobyerno, ang mga gawain sa pagho-host ay iaalok sa ibang bansa." Pangatlo ng bansa sa pangkalahatan noong 1981 na may 55-55-77 gold-silver-bronze medals tally, pangalawa sa Indonesia ng isang gold noong 1991 na may 91-62-84, una noong 2005 na may 112-84-94, at muli No. 1 noong 2019 na may 149-117-121.

DENR and EMB CALABARZON calls for litter free waters and intensified implementation of ESWM

Calamba City, Laguna - The Department of Environment and Natural Resources (DENR) CALABARZON joins the Environmental Management Bureau CALABARZON in the launch of the National Plan of Action for the prevention, reduction, and management of Marine Litter (NPOA-ML) and the Environmental Summit this July 14, 2022.

According to a study conducted by the World Bank Group (2021), the Philippines is classified as 3rd of the main contributors of mismanaged plastic waste that ends up in our waters. EMB CALABARZON Regional Director Noemi Paranada emphasized that the regional launch of the NPOA-ML shall serve as a nationwide call for the prevention and reduction of waste at source to curb the problems of improper solid waste management (swm), as well as air and water pollution. In addition, Regional SWM Coordinator Corazon Gasapos urged the National Government Agencies (NGAs), Local Government Units (LGUs), and all partner organizations to step out of their comfort zones. She emphasized that understanding the concepts of the NPOA-ML and other relevant policies are necessary for its smooth implementation. The Natural Solid Waste Management Commission issued Resolution No 1441 last 2021 for the adoption of the National Plan of Action. The NPOA-ML shall be a collaborative effort among LGUs, NGAs, and other relevant stakeholders. One of its goals is to raise the current efforts on waste management to further reduce wastes and other marine litter issues in the country. The goal of the NPOA-ML is to achieve "zero waste to Philippine waters by 2040" to support the vision, "A Philippine free of marine litter through shared responsibility, accountability and participatory governance."

Aside from partner NGAs, LGUs, and private stakeholders, DENR Undersecretary for Field Operations for Luzon, Visayas and Environment Atty. Juan Miguel Cuna expressed his support for this initiative. Moreover, the EMB CALABARZON also awarded partners and LGUs with outstanding implementation of the RA 9003 or the Ecological Solid Waste Management (ESWM) Act of 2000. "Behind the beauty of these practices are the perseverance and commitment of each and everyone of us", Regional SWM Gasapos expressed as she gave her appreciation to the chosen LGUs. LGUs of Mauban, Quezon; Mendez, Cavite; Tagkawayan, Quezon; Liliw and Kalayaan, Laguna; and Calatagan, Batangas are awarded for their exemplary practice in Materials Recovery Facility (MRF) operations. In addition, LGUs of Carmona, Cavite; Atimonan, Quezon; Santa Cruz, Laguna; and Teresa, Rizal are recognized for their composting operations, while Biñan, Laguna and Brgy. Briza in Teresa, Rizal are recognized for their upcycling and crafts production. Further, private partner organizations as well as industrial parks are also awarded and recognized for their valuable implementation and support for the ESWM. "Although we acknowledge the Mandamus Agencies and our partner LGUs in the implementation of the ESWM Act, we are still faced with the looming problems of both solid and liquid waste. As we launch our NPOA-ML, let us use this as our guide in improving our responsiveness to marine litter that threatens our country's waters", added Regional Executive Director Nilo B. Tamoria. "We know that the battle for SWM and marine litter is far from over, so we challenge you to be part of the change", urged RED Tamoria. "Be

In a Facebook post on Tuesday, the CHED released the Memorandum from the Office of the Executive Director (MOED) 573, Series of 2022, which indicated two separate days of national orientation for executives of higher education institutions (HEIs). "Relative to this, the Heads/Presidents/Officers-In-Charge, department heads, faculty

Science, tech, innovation key to driving economic growth: NEDA

MANILA — The interdisciplinary coordination of Science, Technology and Innovation (STI) will act as a catalyst in driving economic growth and addressing global risks and challenges, the National Economic and Development Authority (NEDA) said. During the 44th Annual Scientific Meeting (ASM) held last week, NEDA's response to the ASM resolutions underscored foresight planning and innovation as crucial to the growth and resilience of the country. "PAGTANAW 2050's emphasis on foresight is very timely, as foresight planning enables policymakers to be proactive in identifying trends, looking for emerging issues and opportunities, and developing scenarios and strategies. Strategic foresight allows us to look beyond administrations as we navigate toward the collective vision we aspire for our nation,"

and students of higher education institutions, relevant stakeholders; and, CHED Regional Office (CHEDRO) Directors and/or Supervisors are invited to attend the said public orientation," the CHED said. Besides general guidelines, policies and set standards are also expected to be discussed. MOED 573 requires all HEI chiefs and other relevant stakeholders from Metro Manila, Regions I to Region V, and the Cordillera Administrative Region to attend the orientation in Clark, Pampanga on August 9; while participants from other remaining regions are scheduled on August 15 in Davao City. **(PNA)**

Socioeconomic Planning Secretary Arsenio Balisacan said. Balisacan cited the need to accelerate and sustain economic growth to achieve Filipinos' AmBisyon Natin 2040 through innovation. "In order to transition to a high-income economy, we need to be the source of new ideas and new designs for higher quality products and services...In short, it's about advancing a culture of innovation in the country," he said. Balisacan highlighted that both visions of the National Innovation Agenda (NIA) 2032 of the National Innovation Council (NIC) and the PAGTANAW 2050 endeavor the country to be an innovative, prosperous, archipelagic, and maritime nation. "The PAGTANAW 2050 served as one of our inspirations in drafting the National Innovation Agenda. We also made use of the emerging technologies identified in PAGTANAW 2050 to elaborate on how the future might be like for each of the ten priority sectors listed in the agenda," he said. The NEDA chief also reaffirmed the agency's commitment to promoting science, technology, and innovation. "The formulation of the National Innovation Agenda and Strategy Document (NIASD) will be a good starting point. Let me reiterate that the NEDA fully supports the resolutions in PAGTANAW 2050 presented by the National Academy in Science and Technology especially in the adoption of foresight in Science, Technology, and Innovation," he said. With the theme "PAGTANAW 2050: Agham Tungo sa Mabuting Kinabukasan", the 44th ASM centered on sustainable futures and engaged local and international scientists and academicians. "Indeed, we must promote Science, Technology, and Innovation not just to improve the way we do things today, but to make us better-prepared for whatever the future may bring," he added. The two-day annual event was spearheaded by the National Academy of Science and Technology (NAST), an attached agency of the Department of Science and Technology. **(PR)**

Intensify preps, planning for in-person classes: PBBM

MANILA – President Ferdinand Marcos Jr. on Tuesday instructed the Department of Education (DepEd) and other relevant agencies to come up with the necessary preparations and planning for the opening of face-to-face classes this year. The order was designed to address issues that might arise relative to the return to school of millions of students around the country for the coming school year 2022-2023. In a Cabinet meeting in Malacañang, Marcos asked Vice President and Education Secretary Sara Z. Duterte on plans by DepEd to address several challenges such as the availability of classrooms, teachers, and other concerns. “Ang gawin na lang natin [ay] i-identify saan ‘yung areas na magbe-blended learning para maka-focus tayo. Ihanda ‘yung mga devices at mga kailangan nila na noong pandemic hindi nasu-supply- an sa mga bata,” Marcos said. “We continue with blended learning pero in very specific places lamang. As much as possible, face-to-face na talaga,” the chief executive added. This came after the issue on whether DepEd should do away with blended learning beyond Oct. 31 was raised during the meeting, considering the challenges that the department is facing. Based on the recent DepEd order, blended learning shall no longer be implemented beyond Oct. 31, as the department adopts a policy seeking the full implementation of the five-day in-person classes. Other issues mentioned by the President include internet connectivity and the increasing number of Covid-19 cases in the country, which is driven by the emergence of new variants of the coronavirus. He was concerned that those issues might affect the implementation of in-person learning, but was he was nevertheless determined to proceed with the plan. During the same Cabinet meeting, the President

directed concerned agencies to rebuild and repair school buildings destroyed by Typhoon Odette last year. Marcossaidthegovernment will be forced to continue carrying out blended learning if major concerns are not addressed, suggesting, however, that the scheme could be done in some areas. The education secretary told the President that DepEd will prepare a plan on what to do beyond Oct. 31. Citing a recent survey, Duterte said majority of the respondents favored in-person classes for the country’s learners. **(PND)**

DMW launches One Repatriation Center

MANILA – The Department of Migrant Workers (DMW) on Wednesday launched its One Repatriation Center (One Repat-DMW) to provide immediate response to repatriation, welfare, and other concerns of distressed Overseas Filipino Workers (OFWs). “The One Repat-DMW will help ensure that distressed OFWs are given immediate assistance and are able to come home to their families and loved ones,” DMW Secretary Susan Ople said in a statement. “In the past, OFWs and their loved ones had to knock on the doors of several government agencies to ask for help. It’s heartbreaking to see families from the provinces traveling all the way to Manila, incurring needless debts and expenses, and dealing with long periods of anxiety while waiting for the response from government agencies,” Ople explained. Ople said OFWs in distress, or their immediate families or next of kin, need only call the One Repat-DMW hotline “1-348” where a team of case officers, welfare officers, and medical professionals will assist them with their concerns. The center also allows walk-in requests for assistance. “Ngayon po, ang DMW ang magta-trabaho para matulungan ang ating mga OFW at kung kailangan,

Bong Go files proposed ‘National Housing Development, Production and Financing Act of 2022’ to help address social housing needs of Filipinos

PASAY CITY -- Committed to meet the needs of numerous underprivileged and homeless Filipinos, Senator Christopher “Bong” Go filed a measure seeking to increase housing production by forging partnerships among relevant stakeholders to address the social housing demands of the Filipino families. “Dapat po magkaroon ang bawat pamilyang Pilipino ng isang maayos at disenteng tirahan. Nais ko pong bigyan ng mas maginhawang buhay ang bawat Pilipino, lalung-lalo na po ang mga mahihirap,” Go vowed while

emphasizing that “walang dapat maging squatter sa sariling bayan.” Go’s Senate Bill No. 426 encourages public and private sector participation in the implementation of the government’s National Housing Development and Production Financing (NHDPF) Program. The Department of Human Settlements and Urban Development and its attached key shelter agencies, shall intensify the implementation of the vital components of the NHDPF program. Meanwhile, the National Housing Authority shall be the sole national government agency tasked to implement and develop the housing programs intended for the bottom 30 percent of the income population. The Social Housing Finance Corporation is also mandated to undertake social housing programs that will cater to the formal and informal sectors in the low-income bracket and to take charge of developing and administering social housing programs, particularly the Community Mortgage Program and its

different modalities. Finally, the National Home Mortgage Finance Corporation (NHMFC) is mandated to increase the availability of affordable housing loans to finance the Filipino homebuyers on their acquisition of housing units through the development and operation of a secondary market for home mortgages. The authorized capital stock of the NHMFC shall be increased from PhP5.5 billion to PhP50 billion pesos to expand its leveraging capacity based on the volume of mortgage loans being serviced to improve its profitability by reducing the average cost of its fund made available for home lending programs. The NHMFC shall also be exempt from all national, provincial, municipal and city taxes on income derived from its governmental functions, specifically income from its activities or transactions in the exercise of its mandates. To fast track the approval and implementation of housing projects and reduce the cost of socialized and low-cost housing

units, relevant agencies shall likewise facilitate the release of the required housing-related permits, licenses, certifications and tax exemptions or rulings in accordance with Republic Act 11032 or “Ease of Doing Business and Efficient Government Service Delivery Act of 2018”.

Go has also refiled Senate Bill 192 or his Rental Housing Subsidy Bill. Underscoring the importance of immediately acting upon the challenges faced by homeless Filipinos nationwide, he cited how the proposed measure can provide adequate, sustainable and habitable shelter for Filipinos affected by disasters and other crisis situations.

Under SB 192, a housing and social protection program will be developed that will provide disaster victims better and more affordable access to the formal housing market through the provision of rental subsidies provided by the government.

The senator was also the main proponent of the Balik Probinsya, Bagong Pag-asa Program (BP2) which is a long-term plan of the government to decongest urban areas, boost countryside development, and improve the quality of life in all regions.

“Ako naman po ay hinihikayat ko po ang bagong administrasyon na ipagpatuloy po ‘yung Balik Probinsya, Bagong Pag-asa (BP2) program po based on Executive Order po ito ni dating Pangulong (Rodrigo) Duterte. Pagandahin pa natin lalo itong programang ito,” Go appealed earlier.

“Marami sa ating mahihirap ang nabigla nang dahil sa pandemya. Nawalan sila ng tirahan at trabaho. Kaya naman sa pamamagitan ng BP2, bibigyan po sila ng pagkakataon, ‘yung sino lang po gustong bumalik ng probinsya. And of course, ma-decongest po natin ang Maynila,” he added. **(OSBG)**

CA affirms denial of SSS death claim of 3-time widow

MANILA – The Court of Appeals (CA) has turned down a petition filed by a three-time widow who questioned the pension agency Social Security System (SSS) for denying her claim benefits following the death of her third husband.

In a nine-page decision dated July 13, the CA upheld the Social Security Commission's (SSC) 2019 resolution to reject the claim filed by Juanita Cabacungan.

She was married to Teofilo Cabacungan from Feb. 6, 2003 and until his death in 2016.

She was previously married to Roberto Santiago and Solomon Anudon, who died in 1974 and 1985, respectively.

In denying Juanita's claim, the SSC noted that the marriage between her and Teofilo was contracted without a marriage license.

The SSC said the union was not covered by the legal exception that a marriage license may be dispensed with by marrying couples living together and exclusively as husband and wife for a continuous and unbroken period for at least five years as long as there had been no legal impediment for a marriage during the five-year period.

It noted that Teofilo married Juanita without a marriage license barely two years after the death of his first wife, Estefania, so the marriage without a license was void under the law.

"Although the SSC is not intrinsically empowered to determine the validity of marriages, it is required to examine available statistical and economic data to ensure that the benefits fall into the rightful beneficiaries," the CA ruled. (PNA)

Palawakin ang PH capital market sa pamamagitan ng digitalization, utos ni Diokno sa SEC

LUNGSOD QUEZON (PIA) -- Hinimok ni Finance Secretary Benjamin Diokno ang Securities and Exchange Commission (SEC) na ipagpatuloy ang pagpapalawak ng capital market ng bansa sa pamamagitan ng digitalization upang suportahan ang paglago ng ekonomiya.

Ito ang inihayag ni Diokno noong Lunes, Hulyo 18, sa flag raising ceremony ng SEC.

"My marching order to you now is to make the Philippine capital market more broad-based and inclusive through digitalization and strengthened corporate governance. (Ang aking ipinag-uutos sa inyo ngayon ay gawing mas malawak at inclusive ang Philippine capital market sa pamamagitan ng digitalization at pagpapalakas ng corporate governance.)" ani Diokno. Pinuri ng Kalihim ang mga inisyatiba ng digital transformation ng SEC, na pinabilis ng securities regulator sa kasagsagan ng pandaigdigang health emergency. Pinahintulutan nito ang merkado na patuloy na gumana nang normal sa gitna ng mga kahirapan na dulot ng pandemya.

Bumuo ang SEC ng Electronic Simplified Processing of Application for Registration of Companies (eSPARC), at ang One Day Submission at Electronic Registration of Companies (OneSEC), na mga sistema para sa mas mabilis at mas madaling pagpaparehistro ng mga korporasyon.

Mula sa paglunsad nito noong Abril 11, 2021 hanggang Hunyo 19, 2022, ang eSPARC ay nagproseso ng kabuuang 77,476 na aplikasyon para sa pagpaparehistro ng mga kumpanya, 7,095 sa mga ito ay naproseso sa OneSEC.

Naka-link sa eSPARC at OneSEC ang Electronic System for Payments to the SEC (eSPAYSEC) na nagbibigay daan sa mga nagbabayad ng online ng kanilang pagpaparehistro at iba pang transaksyong online. Mula nang ilunsad ito noong Marso 1, 2021 hanggang Hunyo 19, 2022, ang eSPAYSEC ay nagsilbi na sa kabuuang 31,027 na transaksyon.

Samantala, ang Electronic Filing and Submission Tool (eFAST) ng SEC ay

binuo para sa pagsusumite ng Audited Financial Statement, General Information Sheet, at iba pang mga kinakailangan sa pag-uulat. Mula sa simula ng operasyon nito noong Marso 15, 2021 hanggang Hunyo 17, 2022, may kabuuang 277,430 na ulat na ang tinanggap sa pamamagitan ng eFAST.

Ang nasabing mga platform ay kabilang sa isang suite ng mga online system na ginagawang mas madali at mas mabilis ang transaksyon sa SEC.

Ipinag-uutos din ni Diokno sa SEC na palakasin ang bagong tatag na PhilFiFintech Innovation Office (PhilFiFINNO) upang matiyak na maayos na nare-regulate ang mga financial technology companies habang hinihikayat ang kanilang paglago. Ang PhilFiFINNO ay inilunsad noong Hulyo 30, 2021 upang pasiglahin ang pagbabago at i-customize ang landscape ng fintech sa bansa.

"I expect the SEC to fully harness the powers of new digital technologies to further improve monitoring; build trust and confidence of investors; protect the investing public; and better serve the nation. (Inaasahan kong lubos na gagamitin ng SEC ang mga kakayahan ng makabagong teknolohiyang digital upang higit pang mapabuti ang pagsubaybay; mabuo ang tiwala at kumpiyansa ng mga namumuhunan; protektahan ang publikong namumuhunan; at mas maayos pang mapagsilbihan ang bayan.)" ani Diokno.

Alinsunod dito, hinimok din ng Kalihim ang ahensya na tiyakin ang pagkakaroon ng ligtas na pamamaraan sa pananalapi at pamumuhunan para sa mga Pilipino. Inutusan niya ang SEC na maging patuloy sa paglalantad ng mga scam sa pamumuhunan upang mabigyang proteksyon ang mga namumuhunan at mapanatili ang tiwala sa sistema ng pananalapi ng bansa.

"In the coming years, we expect an even more dynamic and feverish market activity. I trust that the Commission will be relentless in its efforts to ensure that capital markets drive our strong economic recovery and build a truly inclusive financial system

ISANG barker ang pinagsasaksak ng lalaking umano'y nakialam sa pag-asiste ng mga pasahero sa Bacoor City, Cavite.

Ginamot sa ospital ang biktimang si John Mark Paliza habang pinaghahanap ng awtoridad ang suspek na si Wenceslao Patrimonio, 35, walang trabaho.

Sa ulat ni Corporal Edilberto Reyes, Jr., ng Bacoor City Police, dakong alas-3:30 ng hapon ay nagtalo ang

biktima at suspek dahil sa pakikialam ng huli hinggil sa pag-assite sa mga pasahero na sumasakay sa harapan ng Ministop sa Brgy Molino 3.

Sa naturang bilang, ang 482 pulis ay mula sa District Headquarters habang ang 1,378 ay mula sa mga police station ng mga lungsod ng Makati, Taguig, Pateros, Pasay, Muntinlupa, Las Piñas, at Parañaque.

Lagot kayo kay Tulfo

SA cabinet meeting sa Malacanang ay inilad ni Department of Social Welfare and Development Secretary Erwin Tulfo kay Pangulong Ferdinand Bongbong Marcos, Jr. ang tungkol sa ipinatutupad ng pamahalaan na Pantawid Pamilyang Pilipino Program o 4Ps. Walang pakundangang inihayag ng kalihim na ang tinatayang 1.3 milyong benepisyaryo ng 4Ps ay hindi na maituturing na mahirap. Kung hindi pa naupo si Tulfo ay hindi pa malalantad ang ganitong katotohanan. Bakit at paanong nangyari o namayagpag ang ganitong kabalastugan sa nagdaang pamunuan? Anyway, magkakaroon ng mga bagong pangalan sa listahan ng mga

benepisyaryo alinsunod sa paglilinis ng kagawaran sa mga talaan.

“Wag ng subukin pang gumawa ng ano mang alingasngas o hokuspokus dahil hindi kayo uubra kay Sec. Tulfo.

Harinawa ay mga totoo at karapat-dapat ang maipapalit sa listahan.

May babala ang DSWD sa publiko kaugnay ng mga impostor o nagpapanggap bilang kawani ng kagawaran.

“Wag ng tangkain pang lumikom ng salapi kapalit ang financial assistance na manggagaling sa programa ng DSWD.

Usurpation of authority, falsification of public documents at large-scale estafa ang naghihintay na kaso laban sa inyo.

Lagot kayo kay Tulfo!
