CAVITE 1st DISTRICT TO STRENGTHEN HEALTHCARE

TRECE MARTIRES, Cavite (PIA) – The health officers of the local government units (LGUs) in the First District of the province convened for the first time with Cavite First District Representative Jolo Revilla to discuss plans for the district's health care system.

Present during the meeting were Dr. Rubiano of the Southern Tagalog Regional Hospital, Dra. Joy Caballes from Kalayaan Hospital and other health care officials.

The meeting focused on measures and recommendations to enhance the medical services in public health facilities, starting from barangay health centers up to public hospitals.

Congressman Jolo Revilla said, "Sisiguraduhin natin ang maayos na referral system, palalakasin ang kakulangan sa mga pasilidad at bibigkisin natin ang buong pwersa ng ating health care sa Unang Distrito."

(We will ensure a proper referral system, augment the lack of facilities and we will bind the entire force of our health care in the First District.)

He pointed out that for a long time, the health system of the district was neglected, and medical services had been insufficient to meet the needs of the citizens.

The congressman requested the health officers to give priority to developing programs and projects related to health.

Congressman Revilla also revealed various infrastructure projects for health facilities in the first district such as the dialysis centers in Rosario and Kawit towns, Mega Rural Health Unit in Rosario, the public city hospital in Cavite city, the completion of the Noveleta infirmary, and the enhancement of our own District Hospital. ***(RBF/PIA-Cavite)***

"Muli, hinihikayat po namin ang bawat Kabitenyo't Kabitenyang naririto na magpabakuna na ng kanilang primary series at ng booster doses upang mas mapatibay natin ang ating wall of immunity. Ang pagpili sa bakuna ay pagpili ng kaligtasan hindi lamang ng inyong mga sarili kung hindi pati ng mga komunidad na inyong kinabibilangan," stated OIC Vergeire.

(Once again, we encourage every Kabitenyo and Kabitenya here to get vaccinated with their primary series and booster doses so that we can strengthen our wall of immunity. Choosing the vaccine is choosing safety not only for yourselves but also for the communities you belong to.)

Corregidor rehabilitation to revitalize Cavite City tourism

CAVITE CITY, (PIA) – The Cavite City government recently coordinated with the officials of the Corregidor Foundation, Inc. for the rehabilitation of the historic Corregidor Island.

A Memorandum of Agreement (MOA) was signed during the meeting by the city government headed by Mayor Denver Chua, City Administrator Abraham Urubio together with Ms. Cynthia Carrion, Chairperson of the Corregidor Foundation, Inc., and Ms. Rowena Bautista, Officer-in-Charge (OIC) Department Manager.

"Isa sa ating mga plano ang pagpapaayos sa isla at maayos na mapreserve ang mga historical relics nito upang mapalawig ang turismo ng ating lungsod," shared Mayor Denver Chua.

(One of our plans is to restore the island and properly preserve its historical relics to boost tourism of our city.)

Mayor Chua said, "We are excited for you to see the beauty of Corregidor Island and I believe that slowly our city will be recognized and our economy will be restored to being 1st class."

Ha also says that for a long time, the city government had not utilized the historic site and did not participate in its development.

"With the cooperation of Councilor Nash Aguas, Chair, Committee on Tourism, our goal is to make tourism shine in our city," the mayor said.

Corregidor Island is 37 kilometers or 19.9784 nautical miles off the shores of Cavite city proper in PN, Samonte Park, and places second to the most visited tourist destinations in the province despite its geographical location having to travel by ferry boat. It is estimated that it can provide a huge tourism income when properly restored and promoted. ***(RBF/PIA-Cavite)***

Sinumpaang Tungkulin

MAHIGIT sa dalawang buwan pa lamang sa pwesto bilang Regional Director, ng National Capital Region Police Office (NCRPO) si Police Brigadier General JONNEL C ESTOMO pero nakakailang m a g a g a n d a n g accomplishments na ito tulad ng pagkakahuli sa aktor na si Dominic Roco at apat na iba pa sa Lungsod Quezon kamakailan bukod pa sa 50 iba pang mga suspeks na nadakip sa isinasakatuparan na Simultaneous Anti-Criminality Law Enforcement Operations (SACLEO) sa ibat ibang bahagi ng Kalakahang Maynila.

Sinasalamin nito ang tapat, na pangako at dedikasyon sa pagganap kanilang mandato bilang mga pulis na matiyak na ligtas at maayos ang takbo ng pamumuhay ng mga mamamayan, mga manggagawa at mga mag-aaral dito sa Metro Manila.

Nakakatuwa na mayroon na mga Police Mobile Outposts bukod pa sa mga Tactical Motorcycle Riders Unit (TMRU) at mga pulis na nagpapatrolya sa mga strategic locations dito sa Metro Manila talagang “SAFE na SAFE” tayo mga kaibigan.

Masasabi natin na ito ang uri ng presensya ng pulisya na tunay at nararamdaman. Na ang buong Metropolitan Manila Police Force ay seryoso sa pagpapatupad ng batas, pantay pantay para sa lahat, walang mayaman o mahirap, walang pinapaboran kahit sino ka man, anuman ang iyong katayuan sa lipunan.

Mas mainam kung ang lahat ng mga Units o Police Districts dito sa Metro Manila ay magiging masigla at masigasig sa pagpapatupad ng S.A.F.E. NCRPO campaign kung saan ang mga pulis at ang mabubuting gawa ng mga ito ay NAKIKITA, NARARAMDAMAN at NAPAHALAGAHAN ng pamayanan.

Hindi man operational, pero malaki din ang tungkulin na ginagampanan ni Police Major ANTHONY ALISING, ang Officer - In - Charge ng Regional Public Information Office (RPIO) ng NCRPO dahil siya ang nagsisilbing salamin ng magandang imahe ng Metropolitan Police Force gayundin ang tagapagsalita ni General Estomo na si PLT COL Dexter C Verzola kung hindi dahil sa dalawang opisyal na ito na nagsisilbing haligi ng NCRPO hindi malalaman ng mga tao ang mga mabubuting ginagawa ng kapulisan dito sa Metro Manila.

Para sa inyong suhestiyon, reaksyon o anumang serbisyo publiko mangyari lamang na makipag ugnayan sa inyong lingkod sa pamamagitan ng mga telepono na nakalagay sa itaas. Maraming Salamat po!

Generic man o branded

DUMARATING ang ano mang uri ng sakit sa isang tao sa maling pagkakataon o hindi inaasahan.

Gamot ang katugunan o panlaban sa isang sakit subalit pera ang kailangan upang ito ay makamtam.

Dalawang uri ng gamot, ang branded ay madali para sa mga mayroong pera subalit kapag salat sa salapi ay generic ang hanap.

Ang gamot kahit brandad o generic man ay kapwa epektibo at ligtas dahil parehong nagtataglay ng pahintulot at aprubal mula sa Food and Drug Administration.

Mismong ang Department of Health ay tumatangkilik at gumagamit ng mga generic medicine sa mga isinasagawang programa nito.

Nangangahulugan na ang bisa ng generic at branded ay maituturing na magkatulad.

SM AND FAST RETAILING FOUNDATION LAUNCH 'GROW TREES COMMUNITY' IN NASUGBU

SM Foundation, Inc. the social good arm of the SM group, and the Fast Retailing Foundation (FR Foundation), a general incorporated foundation in Japan, formally launched the 'Grow Trees Community' project in Nasugbu, Batangas last September 27 as the first stop of three provinces for their 'treescaping' and reforestation initiative.

The Grow Trees Community project aims to plant and grow trees across the Philippines while helping create livelihood opportunities by working closely with the people's organizations in the communities. The project also joins hands with Costa del Hamilo, Inc., Manila Southcoast Development, Inc and the local government of Nasugbu.

"The core of our program is to go beyond planting trees. It also addresses the social and economic needs of communities by providing them with the means to engage in agroforestry. With this in mind, we want to build a strong foundation to keep growing communities by fostering collaboration and leadership in caring for the environment" said Cristie S. Angeles, SM Foundation Assistant Vice President for Livelihood.

"Facilitating sustainable development is one of the core activities of FR Foundation and we support this program to further promote environmental stewardship, preservation and the economic development among communities. We are delighted to partner with SM Foundation who has an extensive experience in community development and tree planting programs in the Philippines," Mr. Yoshio Ishida, Secretary-General of FR Foundation said.

The project is also seen enhancing prospects for eco-tourism and in turn, job creation for the community.

"This endeavor will definitely boost the eco-tourism here in Nasugbu moving forward with the flowering trees creating a picturesque view of the property. This will promote not just Hamilo Coast, but also the local community with no other property hosting this vast array of Palawan Cherry and other flowering trees," Franklin M. Bolalin, Assistant Vice President for Hamilo Estate Management said.

Volunteers from SM Foundation and community members undertake the planting of flowering trees in Nasugbu

FR Foundation Secretary-General Yoshido Ishida (right) plants flowering trees at the launch of Grow Trees Community in Nasugbu, Batangas.

Some 8,400 Palawan Cherry blossom trees locally known as 'balayong' and the bell-shaped Tabebuia pink flowering trees are being planted along the 7-kilometer Tarnate-Nasugbu road leading to Hamilo Coast.

Hamilo Coast looks after one of the largest mangrove forests in the province of Batangas in partnership with WWF Philippines since 2007. The 24-hectare mangrove belt is covered by lush 50,000 mangrove trees.

Three of Hamilo Coast's coves, namely Pico de Loro, Etayo and Santelmo, have been declared as Marine Protected Areas by the (Organization) since 2009.

The site serves as a marine sanctuary to an exuberant diversity of marine animals and a resilient locale for migratory and unique species of birds, now totaling 96, which includes the vulnerable Philippine eagle-owl (Bubo philippensis).

The presence of more trees in these areas will act as natural protection against erosion, and absorption of planet-warming greenhouse gases.

Grow Trees Community is in support of the SM Green Movement that aims to improve the quality of life of communities through sustainable solutions to promote a green planet, green living and a green culture.

FR Foundation focuses on promoting research designed to help make the world a better place, spurring technological development, nurturing human resources, and supporting socially vulnerable individuals or groups.

It is part of Fast Retailing Co. Ltd., the leading Japanese retail company that owns well-loved casual wear brand, Uniqlo.

BLACKWATER TINALO ANG BEERMEN

Binigo ng Blackwater ang San Miguel Beer sa kanilang paghaharap sa PBA Commissioner's Cup, na nagtala sa iskor na 109-106, sa Smart Araneta Coliseum sa Quezon City.

Nakumpleto ng Bossing ang malaking pagbabalik mula sa 15 puntos pababa kung saan tinapos nina Baser Amer at Mike Ayonayon ang trabaho sa huli.

Binigyan ni Amer ng lead ang Blackwater may 32.9 segundo ang natitira matapos maitama ang right corner three, bagama't nabigo siyang makumpleto ang four-point play mula sa foul ni Chris Ross.

Hinarang ni Ayonayon ang pasa ni CJ Perez at nag-iisa para sa layup may 22.8 segundo pa. Sinubukan ng SMB na mag-overtime, ngunit dahil sa matigas na depensa ng Blackwater, napilitan sina Marcio Lassiter at Diamond Stone na makaligtaan ang mga three-pointer na magpapakalabog lamang sa rim bago maubos ang oras.

Pinangunahan ni Cameron Krutwig ng Bossing, na umakyat sa 2-2, na may 20 puntos, 18 rebound, 10 assist, at dalawang block. Nagdagdag si Troy Rosario ng 13 puntos, isang rebound, isang assist, at isang steal.

Habang si June Mar Fajardo ay umani ng 23 puntos, 16 rebounds, apat na assist, isang block, at tatlong steals para pamunuan ang Beermen, na nagsimula sa isang maasim na tala.

PINAY5 FUTSAL FACE OFF NGAYONG OKTUBRE 15 T 16

ANG koponan ng futsal ng Pilipinas ay inilalagay ang kanilang pinakamahusay na pagsisimula ng isang "strategic at sustainable program" na dapat magsilbi ng mabuti sa bansa sa mga susunod na internasyonal na pagpupulong.

"We're trying to build a long-term program," said Philippine Football Federation (PFF) Futsal head Kevin Goco during Tuesday's Philippine Sportswriters Association (PSA) Forum.

Isang bagong-pormang women's team, na kilala bilang Pinay, ang magpapagulong sa dalawang larong friendly laban sa Guam, na tinaguriang "Pinay5 Futsal Faceoff," sa Okt. 15 at 16 sa Ninoy Aquino Stadium.

Ang programa ng futsal ay kasunod ng tagumpay na tinatamasa ng Philippine women's football team at ang makasaysayang pagpasok nito sa FIFA World Cup sa susunod na taon.

"Ito ang unang hakbang sa mahabang paglalakbay," dagdag ni Coco, na nakasama sa forum ni Dutch coach Vic Herman, isang batikang futsal technician na nagsilbi bilang head coach sa anim na pambansang koponan.

Unang bumisita si Herman sa bansa noong 2015 ngunit na-tap para opisyal na ibahagi ang kanyang kadalubhasaan sa Philippine futsal team noong Marso lamang.

Nandito siya ngayon nang full-time. Malaki ang pag-asa ng 69-anyos na si Herman, na naging coach ng mga pambansang koponan mula sa Hong Kong, Malaysia, Iran, Malta, Thailand at Indonesia, para sa Philippine futsal.

"Napakadali ko itong ilarawan. May talento ang Pilipinas. Ngunit kailangan nating gumawa ng isang bagay. Hindi naman masyadong malaki ang gap pero kung wala kang gagawin mas lalong lalaki ang gap," he said. "They'll go dahlin sila sa tuktok," idinagdag niya sa lingguhang forum na iniharap ng San Miguel Corporation (SMC), MILO® Philippines, Philippine Sports Commission, Philippine Olympic Committee, Amelie Hotel Manila, at Philippine Amusement and Gaming Corporation (PAGCOR).

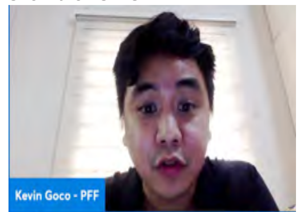
Sa ngayon, ang koponan ay binubuo ng mga lokal na manlalaro dahil mas praktikal na paunlarin muna sila at palakasin ang programa kaysa gumastos ng maraming pera sa pagdadala ng mga manlalaro mula sa ibang mga bansa. "Ano ang halaga niyan? Napakataas ng gastos para magdala ng mga manlalaro mula sa Germany. O dapat ba nating ilagay ang pera para sa pagpapaunlad ng mga manlalaro dito na nakatira dito at dito rin sila lumaki.

Sinabi niya. "There's so much more talent that we want to see here. Ngunit mayroon na tayong potensyal sa pangkat na ito. Maglaro kami sa susunod na linggo at pagkatapos ay makikita namin, "dagdag ni Herman, idinagdag na ang layunin ay maging mapagkumpitensya sa mga kaganapan sa FIFA at AFC.

Sa kasamaang palad, ang futsal ay wala sa kalendaryo ng mga kaganapan para sa susunod na taon ng SEA Games sa Cambodia.

"We want to put the Philippines in the best position possible," dagdag ni Coco, na umaasa sa suporta ng PFF at ng Philippine Sports Commission sa ilalim ni chairman Noli Eala.

Ang kasalukuyang koponan ay kinuha mula sa isang pool ng 30 mga manlalaro, ang ilan sa kanila ay produkto ng Palarong Pambansa at Batang Pinoy, at mula sa Dipolog, Pagadian at Davao. "We will work on the men's team as well but we're starting with the women's team first," he said, adding that futsal will provide Filipinas who are into football another avenue to show their skills.



PSA FORUM ONLINE - FUTSAL

Tinalakay nila Philippine Football Federation (PFF) Futsal head Kevin Goco at Dutch coach Vic Herman ang kahalagahan ng stratihiya at pagpapatuloy ng magandang programa para sa futsal. Habang maraming mga may talent sa kabataan na ibig dalhin sa tuktok at higit na paunlarin pa. ***(RGN)***

VIDEO CHALLENGE PARA SA MAAKSYONG TAGPO9 NG PVL REINFORCED CONFERENCE

Ang Premier Volleyball League ay magkakaroon na ng video challenge system para sa paparating na Reinforced Conference, kinumpirma ng pangulo ng liga na si Ricky Palou.

"Nag-order na kami at nagbayad na ng video challenge," ani Palou sa Reinforced Conference press conference sa Discovery Suites sa Pasig City. Pero siguradong magkakaroon kami ng video challenge," ani Palou. Hindi pa rin tiyak kung kailan darating ang mga kagamitan. Ang tiyak, gayunpaman, ay tiyak na hindi ito makukuha pagdating ng araw ng pagbubukas ng liga sa Sta. Rosa Sports Complex.

Ang mga kagamitan ay ginawa mula sa iba't ibang bahagi ng mundo ngunit ipinadala mula sa Italya kaya mayroon kaming lahat," sabi ni Sports Vision marketing head Fred Fateh. "The last piece of news that we got was that it will be shipped.

We have asked for it to be shipped the fastest route available, it's probably gonna be DHL. I anticipate it takes about three or four days to arrive, probably mga tatlo o apat na araw para ma-clear sa Customs but at any rate, we will have it.

I anticipate probably by the 25th of October we will have it so we will miss a few games but it will be here," he added. Unang Modular Ecology-Friendly Domestic Wastewater Treatment system sa Calabarzon, binuksan sa Mabini

LUNGSOD NG BATANGAS (PIA)— Isinagawa ang inagurasyon sa pinakaunang Modular Ecology-Friendly Domestic Wastewater Treatment (MEDOWW) System Technology sa Calabarzon na matatagpuan sa Brgy. Anilao sa bayan ng Mabini noong ika-22 ng Setyembre.

Ang naturang teknolohiya ang naging kasagutan ng Department of Science and Technology (DOST) Calabarzon sa panawagan ng lokal na pamahalaan ng Mabini para sa isang science and technology-based solution upang mapangalagaan ang kalikasan lalo na sa mga wastewater na itinatapon dito.

Ayon kay DOST Cabarzon Regional Director Emelita Bagsit, layon ng teknolohiyang ito ang mapabuti ang wastewater management sa bahagi ng Municipal Tourism Office building at Anilao Public Market sa pamamagitan ng paggamit ng kumbinasyon ng anaerobic at aerobic mechnisms at ginagamitan ng Vigormin organominerals.

Ang proyekto ay dumaan sa pag-aaral ng Adamson University sa pamamagitan ni Dr. Merlinda Palencia at pinondohan ng DOST-Phillippine Council for Industry Energy and Emerging Technology Research and Development (PCIEERD).

Malaki ang maitutulong ng MEDOWW sa bayan ng Mabini sapagkat masasagot nito ang ilang healthhealth risk na dulot ng problema sa sanidad, hindi epektibong septic system,maling pagkakagawa ng drainage system at kontaminasyon sa tubig.

Nakibahagi sa inagurasyon ang lokal na pamahalaan ng Mabini na pinangunahan ni Mayor Nilo Villanueva, 2nd District Rep. Gerville Luistro, mga kawani ng Mabini Tourism Office at iba pang kawani ng munisipyo, kapulisan,resort /transient owners.

Ayon kay Mayor Villanueva, malaki ang kanilang pasasalamat sa DOST sa pagtulong sa kanila sa paglalagay ng proyekto at ito ang maaaring gamitin batayan upang ang mga may-ari ng resorts ay gumaya at maglagay ng sariling MEDOWW technology sa kanilang mga beach resorts/hotels.

Alinsabay din sa ginawang inagurasyon ang paglulunsad ng produkto ng Mabini Tablea Food Producer Association (MABLEA), isang micro-small and medium enterprise (MSME;s) na gumagawa ng mga produkto kung saan ang pangunahing sangkap at ang tablea o cacao na siyang ipinagmamalaking produkto sa Mabini. ***(MDC/ PIA-Batangas)***

3 SMARTT floating cottages, pinasinayaan at binuksan na sa publiko

LUNGSOD NG CALAPAN, Oriental Mindoro (PIA) – Matapos pasinayaan ay sabay ng binuksan kamakailan sa publiko ang tatlong floating cottages bilang bagong atraksiyon na binuo ng samahan mula sa iba't-ibang pribadong sektor na kung tawagin ay Samahan ng Masisipag na Residente ng Tawagan para sa Turismo (SMARTT) na matatagpuan sa bahagi ng Caluangan Lake, Barangay Tawagan sa lungsod na ito.

Ang naturang proyekto ay matagal ng pangarap ni Barangay Captain Nick Mañibo na anya, "Siguradong dadayuhin ito ng mga turista na bumibisita sa ating lungsod dahil kakaibang sarap ang kanilang mararanasan lalo pa't matatagpuan din dito ang iba't-ibang uri ng yamang dagat, ilog at lawa."

Malaki din anya ang posibilidad na madagdagan pa ang mga balsa dahil nakita ito ng mga kawani ng Department of Labor and Employment (DOLE) na magaganda ang disenyo at matibay na gawa na kung saan ay nakahanda pang tumulong ang ahensiya na maglaan pa ng pondo para dito dahil sila din ang nagkaloob ng puhunan sa mga naunang tatlong balsa.

Dahil sa lapad at tibay nito, kayang maglulan ng isang floating cottage ng 30 katao at maari din magdala ng sariling pagkain habang binabaybay ang Caluangan Lake at mga dadaanang mga ilog sa paligid nito.

Samantala, nakiisa din si Calapan City Vice Mayor Bim Ignacio at City Tourism Officer, Christian Gaud sa pagpapasinaya ng mga floating cottages. Ayon sa bise alkalde, malaki anya ang potensiyal nito sa paglago ng kabuhayang pang turismo sa lungsod lalo na sa mga banyaga na mahilig mamasyal sa mga lugar na may magagandang tanawin ng kalikasan at karagdagang kabuhayan din anya ito para sa mga residente ng nasabing barangay. ***(DN/ PIA-OrMin/Marie Cris De Jaro)***

DHSUD highlights PBBM's housing program during 2022 National Shelter Month kick-off event

MANILA -- The Department of Human Settlements and Urban Development (DHSUD) on Monday kicked off this year's National Shelter Month (NSM) - highlighting President Ferdinand "Bongbong" Marcos Jr.'s "Pambansang Pabahay para sa Pilipino: Zero ISF 2028" program.

This year's NSM will have an array of activities and programs aimed at further equipping Filipinos with more knowledge of their financial options in acquiring safe and sustainable homes.

Aptly themed "Abot-kayang pabahay tungo sa panatag na buhay," this year's celebration is reiterating the Department's ultimate objective of providing affordable shelters that are decent and sustainable, effectively uplifting the lives of Filipinos, particularly the informal settler families and those in the low-income bracket.

Through the said program, the DHSUD aims to build one million housing units every year or a total of six million housing units within the six years of the current administration.

"This year's celebration accurately encapsulates the goal of the DHSUD to provide affordable yet decent and sustainable shelters that will give Filipino families a sense of security and certitude. Hopefully, this goal will be reached by the end of the current administration," said Housing Secretary Jose Rizalino Acuzar, who became head of the Department just this year.

The official rollout of the program has started in September with groundbreaking ceremonies in key cities and municipalities in the country, including Quezon City, Bacolod City, Roxas City, Iloilo City and Mariveles, Bataan. More agreement signing and groundbreaking ceremonies are in the pipeline in time for the NSM celebration.'

The whole month of October will be decked with a series of activities prepared by the DHSUD central and regional offices and its key shelter agencies (KSAs). At the forefront of such are the caravans, forums and learning sessions primarily designed to enlighten both the DHSUD body and the public of the financial elements and possibilities of the Pambansang Pabahay para sa Pilipino Program. Recreational activities will likewise be organized including Zumba sessions, office Olympics and tree-planting initiatives.

Meanwhile, Undersecretary Henry Yap in his speech expressed gratitude toward partner organizations that have been assisting the DHSUD in fulfilling its mandate, particularly the United Nations Human Settlement Program or UN-Habitat, whose "assistance in numerous Philippine projects such as the development of climate resilience urban plans and design studies, provincial climate risk diagnostics, and in rebuilding Marawi, reinforces their shared commitments toward establishing safe, resilient and sustainable communities."

He then recognized UN-Habitat not only for participating in the kick-off event, but also for "jointly celebrating with us World Habitat Day and continuously creating awareness on the growing inequalities and challenges facing our settlements that are further exacerbated by the '3 Cs Crisis,' namely, covid-19, climate change and conflicts."

Ending the program, Bernard Barth, the human settlements officer of UN-Habitat's regional office for Asia and the Pacific, expressed the organization's support of the DHSUD's goal to realize the Filipino family's dream of owning a safe and sustainable home toward improving their quality of life.

Relatedly, the NSM coincides with Urban October, a month-long celebration that aims to raise awareness and engage the international community in discussing the challenges and opportunities created by the fast pace of change in cities. ***(DHSUD)***

Woman acquitted on drug raps over technical lapse

MANILA – The Supreme Court (SC) has acquitted a peanut butter vendor on drug charges citing irregularities in the case against her.

In a notice published online on Sept. 29, the high court cleared Ken Cola Ali after it noted a lapse in the case when the officer who allegedly had contact with the informant which prompted the entrapment operation against the accused was not presented as a witness.

Ali has been convicted by a Kidapawan court for selling PHP500 worth of shabu to police in plain clothes on April 10, 2017, during a buy-bust operation following information received by local police from a confidential asset of the alleged activities of a certain "Tomboy".

The accused claimed that she had been called by a friend to meet at a road to pay for items the latter purchased a week before.

Ali claimed that when she was arrested, the police allegedly planted incriminating evidence in her bag which contained her jars of peanut butter. Her conviction was subsequently upheld by the Court of Appeals (CA).

In taking her case to the SC, Ali questioned why Senior Police Officer 1 (SPO1) Rogelio T. Ybañez, Jr. of the Kidapawan City police, who supposedly received the information from an informant, was not presented as a witness by the prosecution.

The defense claimed that since the officer who received the information from the informant was not presented, "the prosecution failed to present evidence as to the veracity of the allegation that she was involved in the sale of illegal drugs" and said "it is incumbent upon law enforcers to show legal or reasonable justification before embarking on a buy-bust operation".

The court said while buy-bust operations are legal, the testimony of PO2 Rhino Ramos, the police officer who effected the actual arrest, is not sufficient.

"The manner by which the initial contact was made, whether or not through an informant, the offer to purchase the drug, the payment of the buy-bust money, and the delivery of the illegal drug, whether to the informant alone or the police officer, must be the subject of strict scrutiny by courts to insure that law-abiding citizens are not unlawfully induced to commit an offense," the SC said.

"The details that led to such exchange must be clearly and adequately accounted for. Failing in which will certainly cast a doubt on the veracity of the whole buy-bust operation." the tribunal added. ***(PNA)***

REVITALIZED PNP KASIMBAYANAN

NAGSANIB pwersa ang kapulisan, simbahan at pamahalaang lokal upang matiyak na mapapanatili ang kapayapaan at kaayusan sa Metro Manila.

Ayon kay NCRPO director Police Brigadier General JONNEL C ESTOMO, patuloy ang pakikipag-ugnayan ng Regional Community Affairs and Development Division ng NCRPO sa ilalim ng pangangasiwa ng PCOL Romy I Palgue sa mga namumuno sa iba't ibang Faith-Based organizations, Advocacy Groups at Local Government Units upang mapapanatili ang pagkakaroon ng mapayapang komunidad at holistic transformation hindi lamang sa loob ng organisasyon ng PNP kundi maging sa buong komunidad.

Sinisikap aniya ng pamunuan ng NCRPO na baguhin at pag-ibayuhin ang serbisyo na ibinibigay ng pulisya sa mga mamamayan.

Nais ni Estomo na sa kanyang panunungkulan bilang pinaka "ama" ng mga pulis sa Metro Manila ay makamit ng mga mamamayan ang mas higit pang de-kalidad na serbisyo publiko mula sa kapulisan.

Dahil sa pamamagitan nito, lalong magtitiwala ang mga mamamayan sa mga pulis na maaari nilang lapitan lalo na sa oras ng kanilang mga pangangailangan.

Kinikilala ng PNP KASIMBAYANAN ang mahalagang papel at impluwensya ng simbahan sa paglikha at pagtataguyod ng mga pagpapahalaga sa komunidad.

Dahil dito, sinisikap ng PNP na makasama at makaisa ang simbahan at komunidad sa kanilang pagsisikap na mapanatili ang kapayapaan at kaayusan sa mga lugar na kanilang nasasakupan.

Binigyang diin ni Estomo na ang kapayapaan at kaayusan ay hindi lamang responsibilidad ng pulisya kundi maging ng mga miyembro ng lipunan.

"Kung ang bawat isa sa atin ay mamumula at kikilos, makakamit natin ang mithiin nating ito. Hangad natin ang isang pangmatagalan at mabuting relasyon ng bawat isa upang makamit ang pangmatagalang kapayapaan at kaayusan ng ating pamayanan kung saan ang ating mga mamamayan ay mamumuhay ng walang o karahasanag krimen kinakatakutan," ani Estomo.

Bilang pagpapakita ng suporta ay lumagda sa "Pledge of Commitment" ang lahat ng mga sumali sa nasabing aktibidad sina Rev Nolasco S Apolonio, Presidente ng NCRPO Regional Advocacy Group for Peace; Rev Augustus Caesar Maribojoc, Philippine Council of Evangelical Churches (PCEC) Promise-Keepers Philippines (PKP); Hon Yusoph J Mando, Komisyoner, Pambansang Komisyon ng mga Muslim na Pilipino; at Arsobispo Jose F Cardinal Advincula, Jr D.D. ng Catholic Bishops' Conference of the Philippines (CBCP) at Imeda Papin, Presidente, Sinag Eagles Alliance Club, Actors Guild of the Philippines.

Ikinatuwa naman ni Maria Lourdes L Agustin, CESO III, Regional Director ng DILG-NCR, ang kanyang pagiging bahagi ng Memorandum of Understanding (MOU) sa pagitan ng PNP-NCRPO, religious sector at DILG-NCR dahil kinapapalooban nito ang lahat ng adhikain ng ahensya sa pagkakaroon ng kapayapaan at pagkakaisa bilang isang komunidad at higit sa lahat bilang isang mamamayang Pilipino.

"When we work together, engage in good faith discussions and show by deed what unity, respect and committee really means then, great outcomes can indeed be achieved. And in all relationships build, trust, the primacy of truth, mutual respect, transparency and love must be upheld to fortify these relationships," ani Agustin. ***(Paulo Flores)***

Duwag o matapang?

NASUBUKAN mo na bang tanungin ang iyong sarili kung ikaw ba ay matapang?

Ano man ang iyong estado sa buhay, propesyonal man o hindi at karaniwang obrero lamang o isang pulitiko o nanunungkulan sa pamahalaan at kahit maging estudyante o tambay lamang.

Subuking humarap sa salamin at tanungin ang sarili kung hanggang saan ang iyong tapang.

Kung ano man ang mundong iyong ginagalawan ay sinasabing doon mo makikita ang iyong katapangan.

Kasagutan mo ay matapang ay nangangahulugan lamang na ikaw ay nakahanda sa ano mang panganib na nakaumang maging kamatayan ang kahantungan.

Paano kung ang kasagutan ay hindi ka matapang, na isa kang duwag.

Ano nga ba ang maaaring maipagmalaki, ang katapangan o ang karuwagan?

Naduduwag ka dahil sa pag-iingat at pag-aalala sa mga posibleng madadamay pa.

Kaya naman pumapabor ka sa sinasabing daig ng duwag ang matapang.

Iyon ay kahit naniniwala ka na ang kamatayan ng bawat tao ay nakatakda o itinakda ng Panginoong Diyos.

Sa paniniwalang may pamamaraan ang Panginoong Diyos sa pagbawi ng ipinahiram na buhay sa tao.

Na kahit ano mang pag-iingat kapag nakatakda na ang kamatayan ay sadyang hindi mapipigilan.

Ikaw, nasa iyo na kung saan ka lulugar?

Sa pagiging matapang o ang isang duwag.

Seguridad sa Muntinlupa, pinaigting ni Mayor Biazon

NAGDAGDAG ng security outpost ang pamahalaang lungsod ng Muntinlupa para sa pinaigting na seguridad.

Kabilang sa mga itinayong bagong security outpost ay sa Alabang na nasa harapan ng Watsons, sa pasukan o entrance ng Biazon Road na malapit sa terminal, at sa Daang-Hari na nasa Katarungan Village entrance waiting shed.

Ayon kay Muntinlupa City Mayor Ruffy Biazon, hangad nilang maging kampante ang mga tao.

Makakatulong umano ang nasabing mga security outpost na higit pang paigtingin ang kapayapaan at katahimikan sa lungsod.

Target ng pamahalaang lungsod ang high visibility na may kaugnayan sa law enforcement ng Muntinlupa.

Ang mga security outpost ay magsisilbi hindi lamang upang maging babala laban sa mga kriminal kundi para maramdaman din ng mga tao na sila ay ligtas.

Nabatid na nakaantabay dito ang kapulisan ng lungsod kasama ang mga barangay, Public Order & Safety Office, City Security Office, at ang Muntinlupa Traffic Management Bureau.

Ito ay may mga kaukulang gamit pangkomunikasyon para sa mabilis na pag-aksiyon. ***RUBEN LACSA***
