VP DUTERTE JOINS CAVITE OFFICIALS IN RELIEF DISTRIBUTION

TRECE MARTIRES CITY, Cavite (PIA) – Top officials of the national government recently visited the province to see the devastation brought by severe Typhoon Storm Paeng.

A week after President Ferdinand R. Marcos, Jr., came to the province, Vice President Sara Duterte joined Senator Ramon Revilla, Jr. in the distribution of relief packs to thousands of residents who were greatly affected by the recent calamity on Sunday, November 6.

VP Sara and Senator Revilla initially went to Barangay Bacao in the city of General Trias where they distributed a total of three thousand food packs to somehow augment the families' daily needs.

After the distribution activity in General Trias, they proceeded to the Imus Sports Complex to distribute a total of two thousand five hundred food packs to Imuseños affected by Typhoon Paeng.

In her message, VP Sara addressed the countrymen who were victims of Typhoon Paeng, emphasizing the importance of preparing for the impacts of calamities and disasters. She advised on the proper planning and research for areas that are safe from disasters.

"Kaya po kapag tayo ay nag-design at nag-iisip kung saan natin ilalagay ang ating mga bahay ay iniisip din natin ang tubig baha, lindol, at hangin dala ng bagyo," VP Sara tweeted.

(That's why when we design and think about where we will put our houses, we must also think about flood water, earthquakes, and winds brought by typhoons.)

Senator Bong Revilla is grateful to the vice president for joining the distribution activity. He also inspired the affected families urging them to stay strong.

"Gaya ng palagi kong sinasabi, huwag tayong panghihinaan ng loob dahil sa hindi ibibigay ng Panginoon ang pagsubok na tulad nito kung hindi natin kaya," said Revilla.

PGC facilitates turnover and blessing of floating assets to Coast Guard Station Cavite

To reinforce the response capability and support its maritime partner especially during calamities and crisis, the Provincial Government of Cavite facilitated the ceremonial turnover and blessing of floating assets to the Philippine Coast Guard Station in Cavite (CGS Cavite) on November 4, 2022 at Villa Excellance Beach and Wave Pool Resort, Sitio Postema, Brgy. Sahud Ulan, Tanza, Cavite.

CG LCDR Ailene G. Abanilla gave the introductory remarks to welcome all the attendees of the said event. In her statement, she shared that throughout the years of her service, she had seen the struggles that come with the conduct of operations due to insufficient resources, especially the floating assets. She added that the PCG is dedicated in providing the country and the citizens with exceptional service but the limited resources make it difficult for them to do so. Thus, the floating assets that the provincial government provided them will greatly help in executing their duties and operations as coast guards. She then promised that they will do their best and will utilize the floating assets effectively and efficiently in order to better serve the country, the community, and the people.

Meanwhile, Governor Remulla hoped that for whatever assistance they provide, the coast guards will return the favor with honest service – "tapat sa bayan, tapat sa usapan, at tapat sa mga tao". During times of crisis, people are most in need of help, hence, he hoped that they could work together in addressing and solving it.

The ceremonial turnover of floating assets was done by Governor Remulla received by CG COMMO Cornelio in the form of an anchor which symbolizes stability and security.

In closing, CG COMMO Hostillo AE Cornelio expressed their appreciation to the Provincial Government of Cavite for being one of the most supportive government institutions to the Philippine Coast Guard.

'Proud to be QCPD'

Lima ang Police Districts ng National Capital Region Police Office (NCRPO) sa ilalim ng pamumuno ni NCRPO regional director, PBGEN JONNEL C ESTOMO pero mag-focus muna tayo ngayon sa Quezon City Police District (QCPD) na pinamumunuan naman ni PBGEN Nicholas D Torre III, ang DD QCPD.

Para sa kaalaman ng lahat, ang Police District po ay katumbas ng Police Provincial Office (PPO) na mga nasa labas ng Metro Manila area na pinamumunuan po ng District Director na katumbas naman ng Provincial Director o kung tawagin ng Ilan ay Provincial Commander lalo na ung mga umabot nuong panahon ng Philippine Constabulary - Integrated National Police (PC-INP).

Ilang District Directors na ng QCPD ang nakilala ko, naka-trabaho at nasubaybayan, halos lahat ay iisa ang katangian - Courage, Honor at Integrity sa paglilingkod sa pamahalaan at sa mga mamamayan. Naabutan ko pa na ang Camp Major General Tomas B Karingal ay punong himpilan pa ng North Capital Command (North CAPCOM) bago ito naging Central Police District (CPD) at ngayon nga ay QCPD.

Maituturing ang Quezon City Police District (QCPD) bilang isa sa pinaka-magandang area of assignment dito sa Metro Manila.

Bukod sa magandang area of assignment, maganda ang samahan ng mga pulis QCPD, walang yabang sa katawan ika nga at basta nangangailangan ng tulong "within the bound of law" maaasahan ang mga pulis Kyusi.

Nito nakalipas na linggo ay pinarangalan ni PNP Chief, Police General Azurin ang QCPD dahil sa mga accomplishments nito.

Pinuri din ni Ma Josefina Belmonte, ang alkalde ng Lungsod Quezon ang QCPD dahil sa mabilis na pag-aksyon sa mga nangangailangan ng police assistance at mabilis na pag-responde sa tawag ng pangangailangan.

Medyo mabagal pa nga ung tatlong minuto na response time ng QCPD batay sa pahayag ni QC Mayor Joy Belmonte, matatandaan na nuong bagong upo pa lang sa QCPD si General Torre lumabas siya ng Camp Karingal, at gumawa ng scenario upang malaman lamang ung response time ng mga pulis Kyusi kung saan sinabi niya na hanggat maaari pinakamatagal na ung dalawang minute, bakit, mahalaga ang oras, ang bawat minuto sa pagresponde ng mga pulis lalo na kung nasa alanganing sitwasyon ang biktima na humihingi ng tulong.. in the first place, hindi naman tatawag sa pulisya at hihingi ng police assistance ang isang ordinaryong mamamayan kung kaya na niya sa sarili niya na ipagtanggol ang kanyang sarili.

Nito lamang nakalipas na buwan at araw, ako mismo ay humingi ng tulong sa QCPD dahil sa ilang mga "mababait at ubod ng yabang" na mga kasapi ng Sunriser Village Llano Novaliches (SVLN TODA) na mayroong terminal dyan sa likod ng Cion's Meat Shop, sa mismong Barangay Novaliches Proper, Quezon City kung saan namimili sila ng mga pasahero na isasakay bukod pa sa pumaparada ng alanganin sa kahabaan ng Llano Road na sakop na ng Caloocan North kahit alam naman nilang bawal lalo na yung SVLN tricycle with body no. 400 nakaparada sa kalsada against the flow of traffic sa "hang over" malapit sa Power Fill Gas station along Llano Road, nag aabang umano ng pasahero pero namimili din kung sino ang isasakay at sa Novaliches pa din, sa terminal ng mga PUJ na biyaheng Novaliches (Bayan) - Deparo, na matatagpuan dyan sa Austria Street, meron pinakamabait dyan ung tagakolekta ng pamasahe si "Ten" na kung makipagsagutan sa mga pasahero ay parang nabili na niya ung pagkatao. Yan po DD QCPD, sana po mapapuntahan po ng mga pulis natin ang mga lugar na yan, at masabihan ang mga kinauukulan na maging maayos naman sa pananalita at wag maging bastos sa mga pasahero.

DD QCPD sir, umaasa po ang Godfather sa inyong pag aksyon sa nasabing isyu.

Muli, Congratulations po, DD QCPD, PBGEN NICHOLAS D TORRE III sa maganda pong pamamalakad sa QCPD! Maraming Salamat po!

DSWD-4A execs cleared of any wrongdoing

MANILA – Department of Social Welfare and Development (DSWD) Secretary Erwin T. Tulfo has cleared the officials and personnel of Field Office-Calabarzon (Region 4A) against any irregularities and incompetence in the release and distribution of aid after Typhoon Paeng hit Cavite.

Tulfo said DSWD's fair and impartial inquiry showed that the Field Office has just implemented the provision of assistance in "an orderly manner."

DSWD Calabarzon Regional Director Barry Chua and Assistant Regional Director for Operations Mylah Gatchalian were absolved from the allegation as they were only following the existing guidelines.

The investigation was made after Noveleta, Cavite Mayor Dino Chua accused the DSWD-Calabarzon officials and personnel of incompetence in the delivery and distribution of reliefs for Paeng victims.

"I have informed Mayor Dino Chua of the result of our investigation that I find no fault or mistakes committed by our Region IV-A officials and staff," Tulfo said during Monday's flag raising ceremony.

Earlier, Chua and Gatchalian were temporarily transferred to DSWD Central Office pending the investigation of the alleged stringent requirements being asked from victims of the calamity during the payout of cash assistance.

Tulfo also said the identification (ID) card was the sole requirement to receive aid, in compliance with the auditing rules.

"Every centavo we give out to those in need must be accounted for and backed by a piece of document to show that our funds really go to the poor and the needy of this country, and to protect our personnel from graft and corruption cases," he said.

Tulfo vowed to protect and defend DSWD personnel as long as they are committed to fulfilling their duty anchored on the Department's mission to "alleviate the suffering of the poor, the needy, the elderly, the vulnerable and the marginalized members" of the society.

"However, make no mistake! I will not condone those members of our agency who treat our clients with disrespect, abuse their position, or get involved in corruption," he said.

He assured to protect the welfare and well-being not only of DSWD's intended beneficiaries but also of its employees. ***(PNA)***

Legal shield for environment defenders, climate activists sought

MANILA – The Commission on Human Rights (CHR) on Monday urged the government to provide legal protection for environmental defenders and climate activists who promote climate awareness and education.

In a statement, the CHR noted that the Philippines plays an important role in leading and demanding climate action in the global arena as it is the fourth most climate change-vulnerable country in the world.

This, as international communities come together for the 27th Climate Change Conference of Parties (COP27) on Nov. 6 to 18 in Egypt with the theme "Rise Up: Moving Beyond Climate Talk to Climate Action".

November is dedicated to the promotion of environmental education across all sectors of society by virtue of Republic Act No. 9512 or the National Environmental Awareness and Education Act.

"We must meet the 1.5° target of the Paris Agreement to prevent the irreversible harms of climate change," the CHR said.

It emphasized that people's lives and human rights are prioritized when the climate crisis is addressed with expedient urgency.

Earlier, Environment Secretary Maria Antonia Yulo Loyzaga, the head of the country's delegation to COP27, said the damage caused by Severe Tropical Storm Paeng is a "reminder of the devastating impacts of climate change."

Apart from the Department of Environment and Natural Resources, representatives from the Departments of Finance, Agriculture, Energy, and the Climate Change Commission, climate scientists and climate and development experts composed the Philippine delegation to COP27.

"We call for concrete actions from all governments to review and enhance their nationally determined contributions," the CHR said.

"We forward our recommendations to the Philippine government to ensure equality and non-discrimination in climate adaptation and mitigation measures through our National Inquiry on Climate Change report," it added.

The CHR appealed to local leaders and lawmakers for the creation of legally binding instruments to strengthen the United Nations Guiding Principles on Business and Human Rights. ***(PNA)***

Private respondent in 1990 Navy drug procurement raps cleared

MANILA – The Sandiganbayan has cleared a private individual who had been among those convicted in a graft case against Navy officials found responsible for the anomalous procurement in 1990 of medical and dental supplies.

In the 3-page resolution dated Nov. 3 and written by Associate Justice Amparo Cabotaje-Tang, it granted the motion for reconsideration filed by private individual Ermina L. Castillos.

Castillos had pointed out that she had been cleared in the case and that the amended information no longer included her as an accused and therefore "she should not have been convicted in the said cases as she was neither arraigned nor tried in the said cases,"

Associate Justices Bernelito R. Fernandez and Ronald B. Moreno concurred in deleting her name from the Sept. 16, 2022 decision where the Sandiganbayan has convicted retired Philippine Navy Rear Admiral Gilmer B. Batestil, and private individual Edna R. Gianan, owner of ERG Marketing, of several counts of graft and malversation.

Castillo was found guilty of one count of graft.

Those accused were sentenced to up to 20 years in prison and were ordered to pay a fine of PHP17,093,717 and PHP7,699,221, respectively, after the court noted that no product was delivered and that the firm had no license as a drug retailer or distributor, and could not even be located at its given address. ***(PNA)***

Graft court orders raps vs. ex-Bataan guv to proceed

MANILA – The Sandiganbayan has ruled to continue with the trial of a former Bataan provincial governor facing graft charges.

A resolution dated Nov. 3 written by Associate Justice Edgardo M. Caldona turned down a motion filed by Leonardo B. Roman, then Bataan provincial governor, who is accused of graft in the 2003 contract for the construction of a mini-theater at the Bataan State College in Abucay town which allegedly benefited a private contractor, VF Construction.

Roman had filed a "motion for leave to file a demurrer to evidence" last September which seeks the outright dismissal of a case based on the apparent insufficiency of the prosecution's evidence even without the defense giving its side.

"After a circumspect consideration of the arguments presented by the parties, the Court is of the considered view that the motion for leave to file demurrer to evidence (filed by Roman) is bereft of merit," the court said in ordering the case to proceed.

The construction contract had been ruled to be void and illegal as found by the Commission on Audit (COA) in its audit observation memorandum, which cited a lack of valid appropriation and noticed that there had been no stipulation on the period of performance or target completion date.

Despite the defects in the contract, Roman allegedly signed questionable documents particularly a certificate of acceptance, an accomplishment report, and a certificate of completion as well as checks made to the firm amounting to PHP3.31 million.

The COA also said the construction was only 50 percent completed contrary to the alleged completion of the project. ***(PNA)***

Gov't vows to sustain gains in labor market

MANILA – The National Economic and Development Authority (NEDA) welcomed the improvements in the country's labor market, as the unemployment rate settled at 5 percent in September, the lowest since the onset of the pandemic.

"The recent survey results show the gains of the full reopening of our economy. The government will leverage on this momentum by strengthening policy interventions and investing in innovation and technology systems geared toward generating higher quality employment that provides adequate income for Filipino workers and their families," Socioeconomic Planning Secretary Arsenio Balisacan said in a statement Tuesday.

The Philippine Statistics Authority (PSA) reported that the unemployment rate in September 2022 fell from 5.3 percent in August.

PSA Undersecretary Dennis Mapa also noted that the September 2022 unemployment rate is the lowest since the number of jobless Filipinos peaked at 17.6 percent in April 2020, the height of the pandemic.

Amid the challenges brought by a faster inflation rate, Balisacan said the government is prioritizing interventions that would ensure food security, as well as targeted subsidies, such as fuel and crops, "to help protect the purchasing power of Filipinos and reduce the incidence of invisible underemployment among low-income households."

The NEDA chief likewise emphasized the need to continue emergency employment programs and other forms of aid to immediately assist those who were badly affected by calamities.

"As we are expecting La Niña and near to above-normal rainfall conditions in the coming months, we need to boost our disaster resilience and climate adaptation measures," he said.

Balisacan added that the timely passage of the 2023 national budget would allow the administration to be on track in implementing its programs next year, especially the job-generating infrastructure projects.

He added that the new economic blueprint would help the country create high-quality jobs for Filipinos in the near and medium term.

"With the Philippine Development Plan 2023-2028 nearing its completion, we aim to strategize for a more efficient labor market by improving the quality of education, providing opportunities for life-long learning, skills development, and options to obtain micro-credentials, enhancing job facilitation programs, and strengthening linkages among industry, business, and training institutions," Balisacan said. ***(PNA)***

Kapasidad ng mga bagong kagamitan ng PAF, ibinahagi

FLORIDABLANCA, Pampanga (PIA) — Patunay ang mga bagong kagamitang tinanggap ng Philippine Air Force o PAF sa tinatahak na modernisasyon at pag-unlad ng hukbo, na bunga ng patuloy na pagsuporta ng pamahalaang nasyonal.

Kabilang na riyan ang Rafael SPYDER o surface-to-air python and derby ground-based air defense system o GBADS at C-295 Medium Lift Aircraft.

Sa kanyang mensahe sa isinagawang Acceptance, Turn-over at Blessing Ceremony ng mga naturang kagamitan na idinaos sa Basa Air Base, sinabi ni PAF Commanding General Lieutenant General Connor Anthony Canlas Sr. na ang Rafael SPYDER GBADS ang mangangalaga at magbibigay proteksyon sa bansa laban sa anumang banta sa himpapawid tulad ng missile threats.

Ito ay mayroong sariling command and control unit na kayang sumuri ng sitwasyon at makatanggap ng datos kahit sa malayong distansya.

Mayroon din itong tatlong missile firing units na kayang maglulan ng hanggang apat na canisterized missiles at kayang patamaan ang kalaban hanggang sa layong 50 kilometro.

Bitbit naman ng supply vehicle ang mga karagdagang missiles gayundin ito ang pangunahing ginagamit sa loading at unloading ng mga missile sa mga firing units.

Hindi mawawala sa GBADS ang field service vehicle na may dala ng mga spare parts at iba pang kagamitan.

Halos 300 board feet ng hinihinalang ilegal na kahoy, narekober sa Santa Maria

SANTA MARIA, Laguna (PIA) — Nasabat ng mga kawani ng Community Environment and Natural Resources Office (CENRO) Sta. Cruz at Santa Maria PNP sa isang bahay sa Brgy. JP Laurel, Santa Maria, Laguna ang 20 piraso ng tabla mula sa hinihinalang ilegal na pinutol na puno ng mahogany at gmelina.

Aabot sa 267 board feet ng kahoy ang nakumpiska ng mga otoridad na may kabuoang halagang aabot sa P15,000.

Sa panayam ng PIA Laguna kay CENRO Sta Cruz Officer-in-charge Venerando Garcia, napag-alamang walang hawak na kaukulang tree cutting permit, transport permit, o resibo mula sa legal na plantasyon ang may-ari ng mga kahoy kaya't kinokonsidera nilang ilegal ang mga ito.

Maaaring magpaliwanag sa tanggapan ng CENRO Sta. Cruz ang may-ari ng mga kahoy, at sa oras na may legal at opisyal na dokumento ito ay isasauli ang mga nakumpiskang tabla.

Ayon kay Garcia, mahigpit na ipinagbabawal sa batas ang ilegal na pagputol ng mga puno at pag-transport ng mga kahoy mula rito, lalo na kung walang kaukulang permiso mula sa kagawaran.

"Ina-allow naman nating mag-harvest, mag-putol [ng puno] pero dapat alinsunod sa existing laws, rules, and regulations natin. Kung magha-harvest ka, kung private land 'yan, dapat ang itinanim mo ang haharvestin mo. Hindi pwedeng naturally grown. Kung itinanim mo, ire-register mo with DENR," aniya.

Posibleng masampahan ng paglabag sa Presidential Decree No. 705, s.1975 o Forestry Reform Code of the Philippines ang may-ari ng mga kahoy.

Parte ang operasyon ng mas pinalakas na enforcement activity ng CENRO Sta. Cruz sa ikatlo at ikaapat na distrito ng Laguna kontra illegal logging. ***(CH/PIA Laguna)***

Kaso ng HFMD sa Calabarzon, umabot na sa 40

LUNGSOD NG CALAMBA – Pinag-iingat ng Department of Health (DOH) ang publiko mula sa banta ng Hand, Foot and Mouth Disease (HFMD).

Batay sa datos ng DOH Calabarzon noong Nobyembre 2, umabot na sa 40 kumpirmadong kaso ng HFMD sa rehiyon.

Sa kanyang panayam sa programang Sulong Calabarzon, siniguro ni DOH Calabarzon Infectious Disease Cluster Head, Dr. Evamarie Torio na patuloy ang kanilang pakikipag-ugnayan sa mga local health officer para sa monitoring ng mga kaso ng HFMD sa rehiyon.

Kasalukuyan ring binabantayan ng DOH Calabarzon mga naitalang kaso ng HFMD sa lalawigan ng Batangas kabilang na ang mga bayan ng San Pascual, Bauan, Rosario, Cuenca, Padre Garcia, at San Luis, gayundin ang Batangas City.

Aniya, kadalasang nakukuha ng mga batang edad lima (5) pababa ang sakit na HFMD mula sa virus na Picornaviridee, genus Aphthovirus na humahalo sa sipon, saliva o laway, at sugat.

"Sa loob ng 3-7 araw na incubation period ng virus nito ay maaaring maiwasan ang hawahan dahil ito ay nakukuha sa respiratory droplet. Bukod sa pagsusuot ng face mask, siguraduhin natin na laging malinis ang ating kamay bago kumain, matapos kumain, at matapos gumamit ng palikuran bilang pag-iingat sa hawahan ng HFMD," payo ni Dr. Torio.

Agad namang nagpaabot ng technical at logistical assistance ang kagawaran sa mga lugar na apektado ng HFMD, tulad ng pamamahagi ng mga IEC material tungkol sa HFMD at mga disinfectant.

Upang maiwasan ang pagkalat ng virus na dulot ng HFMD, pinayuhan ni Dr. Torio ang publiko na agad na mag-isolate kung makakaramdam ng sintomas ng nasabing sakit tulad ng lagnat, rashes o sugat sa kamay at paa, at mouth sores sa bibig at lalamunan.

Subalit maaaring maiwasan ang pagkalat ng HFMD sa pamamagitan ng proper hygiene.

"Ugaliin nating gumamit ng face mask, at gumamit ng malinis na tubig sa paglilinis ng kamay bago kumain at matapos gumamit ng palikuran." payo ni Dr. Torio.

Siniguro naman ni Dr. Torio sa publiko na ligtas ang mga bata mula sa banta ng HFMD, kasabay ng muling pagsisimula ng face-to-face classes sa rehiyon dahil mayroong sapat na kaalaman ang Department of Education (DepEd) na katuwang ng DOH sa kanilang information drive para sa mga magulang at mag-aaral. ***(PB)***

DENR 4A issues show-cause order vs 55 households, establishments in Laguna protected area

SANTA MARIA, Laguna (PIA) — The Department of Environment and Natural Resources (DENR) IV-A and the Community Environment and Natural Resources Office (CENRO) Sta. Cruz join forces to issue show-cause orders to 55 households and establishments built on protected area landscapes in Barangays J. Santiago and J.P. Laurel, Santa Maria, Laguna on November 3, 2022.

The structures served with show cause orders were previously identified by CENRO Sta. Cruz belonging to lands under the Presidential Proclamation No. 1636, s.1977 or the declaration of a national park, wildlife sanctuary and game preserve to some parts of Bulacan, Rizal, Quezon Province, and Laguna.

DENR IV-A cited on the show-cause order the need to enforce the Republic Act 7586 or National Integrated Protected Area System (NIPAS) and Republic Act 11038 or Expanded National Integrated Protected Area System (ENIPAS), which prohibits the building and development of structures in protected areas to ensure that the local biodiversity continues to thrive.

In an interview with PIA CALABARZON, DENR IV-A Regional Executive Director Nilo Tamoria stressed the importance of implementing laws for protected areas to curb the effects of deforestation and to support the wildlife in the area's forestland.

"[L]imitado, regulated ang pananatili ng mga istruktura dahil malaki po ang impact ng mga istrukturang ito sa loob ng pinangangalagaang pook o malaki po ang implication nito sa biodiversity ng ating protected area. Kung manatili at hindi i-address ang presence ng mga structures, mga establishments ay malaki po ang magiging impact nito kaya't sinimulan po namin ngayong araw na ito ang pagse-serve ng show cause order," says Director Tamoria.

Th director said that the issuance of show-cause orders will serve as an avenue for those residing and operating businesses in protected areas to assert their legal rights.

He explained that while having individual titles of land is not permitted in a protected area, the DENR respects the private rights of the individuals who built the said structures five years prior the passage of NIPAS on 1992.

"In principle, dapat pinapabayaan natin ang protected area pero syempre meron naman 'yang ilang mga regulation na maaaring manatili, pursuant dun sa mga permiso na iginagawad ng iba't-ibang ahensya, lalong-lalo na po ng DENR."

The owners of the structures were given 5 days to respond and submit corresponding documents and requirements to CENRO Sta. Cruz.

One of the mandates of DENR IV-A and its Protected Area Management Board, is preserving the protected area landscapes and the biodiversity in order to combat the effects of climate change.

Tamoria said that the Tropical Storm 'Paeng' has taught us that extreme weather conditions are inevitable due to the effect of climate change. But it can be reduced once the proper programs and policies are enacted.

"Masalimuot po, mahirap pero kailangang gawin. Hindi na po natin kailangang umabot na naman na magkaroon na naman ng [Bagyong] Ondoy, Paeng[…] Ang mga istruktura, wala namang kapasidad na mag-observe ng excess water. Makakadagdag pa yan sa bigat na pinapasan ng lupa. Kapag saturated ang lupa, guguho at guguho po iyan. Hindi na po kaila, totoong-totoo na po ang epekto ng climate change," according to the director.

He appealed to the public that compliance to local environmental laws is just one of the many ways an ordinary Filipino can do in preserving our planet.

"Ang atin pong ginagawa ay bahagi lamang ng implementasyon ng pagpapatupad ng batas. Ito po ay proseso, kung talaga namang lehitimo niyang mga istruktura at establishments sa ating nasasakupan ay wala pong problema. 'Yan po ang kanilang ipapaliwag."

Tamoria added, "Pero kung hindi po naaayon, istrikto po nating i-implementa ang ating batas. Ang atin pong pamahalaan ay nananawagan sa mamamayan na sundin po natin ang batas. Marami naman pong oportunidad sa ibang area na dapat doon tayo nagtatayo ng istruktura. tumugon po tayo sa tinatadhana ng batas at para wala tayong maging problema sa hinaharap." ***(CH/PIA-Laguna)***

PCUP, DOLE to seal deal on livelihood, job opportunities

MANILA–The Presidential Commission for the Urban Poor (PCUP) and the Department of Labor and Employment (DOLE) are set to sign a memorandum of agreement (MOA) to coordinate their efforts on giving access to livelihood and employment opportunities to urban poor groups.

PCUP chairperson Elpidio Jordan Jr. said the two agencies agreed to seal the agreement after a virtual meeting with DOLE workers' welfare and protection cluster Assistant Secretary Dominique Rubia-Tutay and labor employment officer Erickson Mag-isa.

The signing will be in line with the PCUP's celebration of "Urban Poor Solidarity Week" (UPSW) on December 7.

This year's UPSW theme dubbed "The PCUP and the Urban Poor Sector: Together Meeting the challenge of the New Age," is the agency's mandate to support President Ferdinand R. Marcos Jr.'s pro-poor initiatives and alleviation program.

Marcos has vowed to fast-track the country's economic recovery and bring progress and development not only in urban centers but also in the countryside.

"We will not leave a single stone unturned in helping our urban poor. Ito ang nais ng ating Pangulo—ang masolusyunan ang kahirapan sa ating bansa sa pamamagitan ng pagbibigay ng oportunidad sa ating mga maralita sa trabaho at kabuhayan (This is what our President wants—to solve poverty in our country by giving opportunities to our poor people in work and livelihood)," he said.

Late last month, the PCUP renewed its cooperation with the Philippine Charity Sweepstakes Office (PCSO) as it enhances its pro-poor programs.

Jordan and PCSO Chair Junie Cua discussed the former's advocacy to support the administration's poverty alleviation program, particularly for persons with disabilities and senior citizens, and its upcoming UPSW.

Cua expressed support for both initiatives, vowing to provide medical supplies and food packs that would be distributed to accredited urban poor organizations.

The PCUP, created during the administration of then President Corazon Aquino in 1986, is a commission under the Office of the President tasked to promote and protect the rights of urban poor organizations and communities, including informal settler families.

Specifically, it responds to issues on urban poverty such as demolitions, reclamation, and housing. ***(PNA)***

DTI to consumers: Report sellers of uncertified products

CALOOCAN CITY, (PIA) --The Department of Trade & Industry (DTI) enjoins consumers anew to report retailers, distributors, and manufacturers that sell uncertified products, through the Consumer Care Hotline at DTI (1-384) or consumercare@dti.gov.ph.

To protect consumers or potential buyers of electrical and electronic products; mechanical or building and construction materials; and chemical and other consumer products and systems, DTI-Bureau of Philippine Standards (BPS) regulates 87 products and systems through implementing Mandatory Product Certification Schemes: the Philippine Standard (PS) Quality and/or Safety Certification Mark Licensing Scheme and the Import Commodity Clearance (ICC) Certification Scheme.

Recently, the DTI – Fair Trade Enforcement Bureau (DTI-FTEB)'s month-long focused enforcement operations in October 2022 swept almost 5 million pesos worth of uncertified products from the National Capital Region (NCR).

DTI enforcement teams led by FTEB Officer-In-Charge (OIC) Director Atty. Marimel Dancel Porciuncula and OIC Assistant Director Atty. Joseph Manuel P. Pamittan topped off the 4-week streak of heightened enforcement in Pasig, Parañaque, Malabon, Caloocan, and Quezon City to ensure the availability of only safe and reliable consumer products.

The DTI enforcement teams kicked off the intensified operations in Pasig City, 3-7 October. The teams have clamped down on 719 pieces of uncertified ceramic plumbing fixtures (sanitary ware), electric blenders, electric fans, electric kettles, inner tubes for tires, low-carbon steel wires, rerolled steel bars, safety belts (seat belts), self-ballasted LED lamps, snap switches, and tires for automotive vehicles worth Php2,814,089.00.

After Pasig, the teams inspected retail firms in Parañaque City, 10-14 October, which resulted in the crackdown of 366 pieces of uncertified products worth Php856,859.76. The sealed products include electric blenders, electric fans, electric food mixers, electric grills, electric irons, electric juicers, electric rice cookers, electric stoves, extension cord sets, induction cookers, lead-acid storage batteries, low-carbon steel wires, motor vehicle brake fluids, ceramic plumbing fixtures (sanitary wares), self-ballasted LED lamp, and tires for automotive vehicles.

Building on the successful operations, similar enforcement was conducted in Malabon and Caloocan City, 17-21 October. The teams seized 839 pieces of ceramic plumbing fixtures (sanitary wares), Edison screw lamp holders, electric fans, electric food mixers, electric kettles, PVC electrical tapes, extension cord sets, helmets and their visors, inner tubes for tires, low-carbon steel wires, monobloc chairs/stools, plugs, self-ballasted LED lamps, snap switches, socket-outlets, television sets, and tires for automotive vehicles worth Php341,771.50.

Ending the month strong, the firm enforcement operation in Quezon City, last 24-28 October has led to the sealing of 404 pieces of uncertified low-carbon steel wire, tires for automotive vehicles, electric coffee makers, and electric grills worth Php973,763.50.

Out of the 347 firms inspected, 61 non-compliant stores were issued Notices of Violation (NOVs), mandating them to explain within 48 hours from the receipt of the notice.

The nationwide campaign of DTI against uncertified items in the market underscores the enforcement of DTI technical regulations mandating compliance with Philippine Standard Certification Mark Schemes, particularly Department Administrative Order No. 02, Series of 2007.

FTEB OIC Director Atty. Porciuncula emphasized that the Department is consistent and steadfast in its enforcement activities to address the persistence of uncertified products in the market.

Meanwhile, Consumer Protection Group Officer-In-Charge Atty. Ann Claire C. Cabochan expressed full support by heading the enforcement operation in Quezon City.

"We express our support for legitimate businesses and issue a reminder for sellers to be compliant with our regulations. FTEB's sustained efforts in the market through regular enforcement operations play a critical role in ensuring the welfare and safety of consumers," said Asec. Atty. Cabochan. ***(dti/pia-ncr)***

21 Android phones ipinamahagi, S.A.F.E\NCRPO Alert APP inilunsad

NAMAHAGI ang National Capital Region Police Office (NCRPO) ng 21 android phones sa mga pulis na siyang mangangasiwa ng S.A.F.E. NCRPO Alert APP dito sa Kalakhang Maynila. Ito ayon kay NCRPO regional director, PBGEN JONNEL C ESTOMO ay sa pagsisikap ng NCRPO na magkaroon ng mabilis na pagresponde ng mga pulis sa mga tawag ng mga mamamayan na lubhang nangangailangan ng police assistance.

Ipinaliwanag ni Estomo na ang S.A.F.E. NCRPO Alert APP ay mas epektibo at mabilis na sistema ng pag-susumbong ng mga ordinaryong mamamayan hungrily sa anumang krimen o problemang nangangailangan ng tulong ng pulis habang ito ay kasalukuyang nangyayari pa gamit ang cellphone.

Ang paglulunsad ng S.A.F.E. NCRPO Alert APP ay pinangunahan ni PBGEN Estomo kasama sina PBGEN Jack L Wanky, ang Deputy Regional Director for Operations (DRDO) NCRPO at PCOL Lex Ephraim C Gurat, ACRS sa isinagawang Orientation and Awareness tungkol sa pagsasakatuparan nito na ginanap sa NCRPO Hinirang Multi-Purpose Hall, Camp Bagong Diwa, Bicutan, Taguig City.

Binigyang diin ni Estomo na "the S.A.F.E. Alert APP is to sustain the goal of S.A.F.E. NCRPO where police officers are seen, appreciated, felt because of their extraordinary police service".

Bilang panimula, ibinahagi ng NCRPO ang 21 android phones sa mga police personnel mula sa Manila Police District (MPD) at Southern Police District (SPD) na siyang itinalaga upang magbantay sa mga Communication Centers kung saan sila ang tatanggap ng mga mensahe ng mga ordinaryong mamamayan gamit ang naturang S.A.F.E. Alert APP. Nakatakda din mabigyan ng mga android phones ang mga pulis mula sa Northern Police District (NPD), Eastern Police District (EPD) at Quezon City Police District (QCPD) kaugnay ng programang ito.

Ani Estomo sa pamamagitan ng S.A.F.E NCRPO Alert APP makakaasa ang mga ordinaryong mamamayan dito sa Kalakhang Maynila ang pagkakaroon mas pinahusay na antas ng pagseserbisyo ng pulisya sa larangan ng makabagong teknolohiya .

Kaugnay nito, ayon kay PLTCOL Maric Foncardas, ang S.A.F.E NCRPO Alert APP ay isang mobile application na nakaugnay sa alert server ni binabantayan naman ng mga pulis na nakatalaga sa Tactical Operation Centers (TOCs) ng limang police districts ng NCRPO.

Sinabi ni Foncardas na oras ng pangangailangan sa pamamagitan ng nasabing mobile APP mabilis na maipaparating sa NCRPO Command Center ang mensahe na siya naman magsasabi sa mga PNP personnel na pinakamalapit sa lugar upang rumesponde.

Ang kainaman ng naturang mobile application, kahit walang Internet connection o Internet signal maipaparating pa rin ang mensahe mula sa ordinaryong mamamayan patungo sa PNP NCRPO TOC sa pamamagitan ng Short Messaging System (SMS) signal. ***(Paulo B***

TULONG PANGKABUHAYAN SA 17 DATING REBELDE NA SUMUKO SA PNP-NCRPO

MAKATATANGGAP ng ayuda buhat sa pamahalaan ang 17 dating rebelde na sumuko at nagbalik-loob sa gobyerno sa pamamagitan ng National Capital Region Police Office (NCRPO) sa ilalim ng pamumuno ni PBGEN Jonnel C. Estomo.

Sa isang simpleng seremonya na ginanap sa Tagapaglunsad Hall, NCRPO Regional Mobile Force Battalion (RMFB), Camp Bagong Diwa, Bicutan, Taguig City, tinanggap ng NCRPO ang 17 rebel returnees sa pamamagitan ni PBGEN Estomo na kinatawan ni PBGEN Jose S. Hidalgo Jr., NCRPO Deputy Regional Director for Administration, kasama si RMFB Commander PCOL Jonathan G. Calixto.

Ang mga nasabing 17 dating miyembro ng Communist Party of the Philippines – New People's Army ay sasailalim sa "Tulong Pangkabuhayan Program."

Ang naturang programa ay isang community-based capacity building program na pinangangasiwaan naman ng Department of Social Welfare and Development (DSWD). Layunin nito na maitaguyod ang socio-economic status o pangkaraniwang pangkabuhayan ng mga dating rebelde na nagsisimulang muli ng isang buhay na tahimik, payapa at walang karahasan.

Ayon kay Estomo, ang pakikipag-ugnayan at pagtulong sa mga nabanggit na rebel returnees ay isinasakatuparan ng PNP NCRPO kaugnay sa Executive Order 70 na naglalayong tapusin na at tuldukan ang Local Communist at armadong pakikipaglaban ng mga ito sa pwersa ng gobyerno.

Siniguro ni Estomo, na ang 17 mga dating rebelde na sumuko na at nangako ng pagtalima sa lehitimong gobyerno ng Republika ng Pilipinas ay makatatanggap ng mga tulong bilang mga beneficiaries ng Enhanced Comprehensive Local Integration Program (E-CLIP). Ang E-CLIP ay programa din ng pamahalaan upang matulungan ang mga dating miyembro ng Communist Party of the Philippines - New People's Army - National Democratic Front (CNN) na nagbalik loob na sa pamahalaan.

Kaugnay nito, nagbahagi din si "Ka Danmer" ng kanyang mga hindi magagandang karanasan bilang rebelde.

Inamin din niya na ang mga organizers at operators ng CPP-NPA-NDF na nandito sa Metro Manila ay patuloy sa kanilang paghihikayat lalo na sa mga kabataan at walang muwang na mga mag-aaral sa mga Catholic schools, coleges at universities upang sumapi sa mga leftist organization upang lumaban sa lehitimong gobyerno ng Pilipinas.

Samantala bilang mensahe sinabi ni PBGEN Hidalgo sa mga dating rebelde na "hindi namin kayo itinuturing na kaaway, itinuturing namin kayo bilang mga kapatid namin at kapwa Pilipino na nalihis ng landas. Naging biktima kayo ng mga matatamis na salita dahil yun talaga ang armas nila, sweet talks."

Idinagdag pa niya, "nakalatag na po ang mga proyekto ng ating pamahalaan na itinutuloy ng kasalukuyang administrasyon. Andiyan po ang mga mekanismo para iaddress itong problema natin sa insurgency at nasa sa atin lamang po kung paano natin bibigyan ng katuparan. Marami na pong buhay na nalagas sa panig ng gobyerno, pati na rin sa panig ng kapwa natin Pilipino na nag-aalsa laban sa pamahalaan, madami nang pangarap ang nasira, maraming pamilya ang naghiwa-hiwalay dahil sa pagyakap sa isang mapanlinlang na ideolohiya. Palagay ko ay panahon na para baguhin na ito sa tulong ng ating mga nagbabalik loob na mga kababayan." ***(Paulo Flores)***

Pamasahe

SA halos araw-araw na pagkokomyut ay hindi naiaalis minsan ang pagtatanong.

Ito ay kapag nakakaranas ng pagkakaiba sa paniningil ng pamasahe.

Dahil araw-araw nga na bumibiyahe kaya ang pamasahe ay kabisado na.

Pero kapag nagbayad at sinuklian ay magugulat dahil mali sa inaasahan.

Kapag nagreklamo o nagtanong ay igigiit ng tsuper na iyon talaga ang kaukulang pamasahe.

May pagkakataon na kahit eksakto ang ibinayad pero magtatanong ang dryaber kung saan sumakay ang pasahero at sasabihing kulang.

Magtataka dahil sa iba o mga dating nasasakyan ay ganoon lang naman talaga ang bayad.

Hindi lamang sa pampasaherong jeep kundi halos lahat na yata na public transportation.

Sa bus, taksi, traysikel at maging sa tinatawag na de-padyak o pedicab.

Tungkol naman sa mga pampublikong bus, bakit ang iba ay walang tiket?

Kapag nagreklamo o nagtanong ay matapang pa ang tsuper na hindi man magpababa ng pasahero ay manghahamon pa ng away.

Kung tutuusin ay maliit na halaga lamang ang direnisya o pinagtatalunan.

Gayunman ay hindi naman sa kung magkano o barya lamang ang isyu.

Doon lamang tayo sa naaayon o sa wasto dahil ang panlalamang ay may hangganan kahit sa ano mang halaga.

Parak, swak sa coercion; cybercrime

INARESTO ng mga operatiba ng Philippine National Police ang isa nilang kabaro kaugnay ng kinakaharap na reklamong grave coercion at cybercrime kamakailan sa Bulacan.

Kinilala ang naturang pulis na si Pat. Julius Ramos, na nakatalaga sa Service Support Division-PNP Intelligence Group sa Camp Crame.

Nabatid kay Brig. Gen. Warren de Leon, hepe ng Integrity Monitoring and Enforcement Group, ang entrapment operation ay isinagawa dakong alas-12:30 ng hatinggabi.

Bago ito ay naghabla ang dating kinakasama ng suspek dahil sa umano'y pananakot nito.

Nagbanta umano ang naturang pulis na ipapakalat sa social media ang naked videos kung hindi makikipagkita sa kanya ang dating kinakasama.

Hinimok ng suspek na bubura hin sa kanyang cellphone ang nasabing video kapalit ng pagpayag ng dating kinakasama para sa pagtatalik.

Dahil dito ay ikinasa ang operasyon kasama ang dating kinakasama ng suspek at nadakip ang nasabing pulis sa Traveler's Inn sa Barangay Tungkong Mangga, San Jose del Monte City, Bulacan. ***RUBEN LACSA***
