CALABARZON WORKERS GET SECOND TRANCHE OF WAGE HIKE

CALAMBA CITY, Laguna (PIA) — Minimum wage earners in Calabarzon will get an increase of P23 to P48 in their daily take-home pay following the implementation of the second tranche of a wage order.

The Regional Tripartite Wages and Productivity Board (RTWPB) IV-A announced on Tuesday, January 3 that Wage Order IVA-19 previously signed in May 2022 took effect last December 30.

Minimum wage earners in the region have already received an additional P3 to P49 daily increase during the first tranche of the wage order last year.

The new minimum wage rate in the non-agricultural sector is set to P470 in the extended metropolitan area which includes the cities of Bacoor, Imus, and Dasmarinas in Cavite; Binan and San Pedro in Laguna; Antipolo City, Cainta, and Taytay in Rizal.

Component cities and first class municipalities will receive a P28 wage increase or P429 daily rate.

Wage rate in the second and third class municipalities workers was set to P390 while the rate in the fourth to 6th class municipalities was set to P350.

Meanwhile, agricultural workers in the extended metropolitan area and component cities will now receive P429 daily; workers in first class municipalities will get P390 daily; those in second to sixth class municipalities will receive P350 daily.

Those in the retail and service establishments with not more than 10 workers will receive an across-the-board increase of P23 giving them a P350 daily wage rate.

The minimum wage rate is given to employees who work for not exceeding eight hours a day.

According to the RTWPB IV-A, the wage hike is the government's response to the lower purchasing power of the peso, two-tiered wage system, poverty threshold, impact of the COVID-19 pandemic, comparability of wages vis-a-vis benchmark regions, and the dispersal of industries across the region. ***(CH/PIA-Laguna; with reports from RTWPB IV-A)***

BPI told to update BSP on erroneous transactions

MANILA – The Ayala-led Bank of the Philippine Island (BPI) has been tasked to report to the Bangko Sentral ng Plipinas (BSP) updates on the reversal of erroneous transactions experienced by several BPI account holders over the weekend.

In a statement on Wednesday, the central bank said it was coordinating with BPI regarding the double debt transactions that have affected an undisclosed number of BPI account holders.

"The Bank already identified the root cause of the operational error and committed to reverse the erroneous transaction and restore mobile and internet banking services the soonest possible," it said.

Asked if BPI has submitted any updates regarding the number of affected account holders and the volume and value involved in the erroneous transactions, BSP Deputy Governor Chuchi Fonacier told the Philippine News Agency that they have yet to get one.

"Not yet. Awaiting bank's update," she said.

BPI, on Wednesday, said transactions were posted twice from Dec. 30 to 31, 2022 for those done through automated teller machines (ATMs), deposits through the cash accepting machine (CAM), point of sales (POS) and e-commerce debit transactions.

"Please be informed that we expected correction of the duplicate transactions within the day," it said in a statement. ***(PNA)***

PEZA welcomes inclusion of ecozone development in PDP 2023-2028

MANILA – The Philippine Economic Zone Development Authority (PEZA) has welcomed the inclusion of economic zone development in the Philippine Development Plan (PDP) 2023-2028 as a catalyst for job creation and poverty alleviation.

"We in PEZA have lobbied through NEDA (National Economic and Development Authority) to include economic zones in the PDP as for a time in the previous administration that it was forgotten or excluded. Strengthening our ecozone development initiatives is a must as this will serve as a catalyst for growth in the country," said PEZA Officer-in-Charge Director General Tereso Panga in a statement Wednesday.

Panga said the inclusion of ecozone development in the PDP solidifies the strategic role of ecozones, especially in countryside development, as mentioned by President Ferdinand R. Marcos Jr. in his first State of the Nation Address in July last year.

PEZA approved the biggest ecozone development in 2022 during the first six months of the Marcos administration, which is a mixed-used project for manufacturing and tourism worth PHP81.65 billion.

Eleven out of 29 ecozone projects last year were also approved between July and December.

Total cost of ecozone development for the full year of 2022 amounted to PHP96.21 billion, with PHP90.65 billion of the projects approved in the first six months of the administration.

"As we welcome the new year, we in PEZA are preparing more initiatives and synergy with other government agencies to strengthen the country's economic zones in line with the PDP of PBBM administration in the next five years," he added.

Panga also urged investors to locate their businesses within ecozones to soften the impacts of economic uncertainties.

"Ecozones can be shields to soften the landing of the headwinds, the external constraints, and all these global disruptions happening especially during this time. The other side to this is that ecozones can be economic drivers to accelerate economic recovery and growth," he said.

NEDA launched the administration's medium-term plan in December 2022, which is anchored on the government's long-term vision AmbisyonNatin 2040.

NEDA Secretary Arsenio Balisacan then said the latest PDP's goal is to reinvigorate job generation and accelerate poverty reduction by focusing on the "transformation agenda" that will steer the economy back to its high growth path towards a prosperous, inclusive, and resilient society. ***(PNA)***

5 suspected communist rebels face raps over death of minor

MANILA — The Department of Justice on Wednesday approved the filing of criminal charges against five suspected Communist rebels who were responsible for the death of a minor killed in a crossfire in Batangas province last year.

Charges of murder and violation of Republic Act No. 11479, or the Anti-Terrorism Act of 2020, will be filed against Isagani Isita, Junaliece Arante-Isita, Mario Bico, Gilbert Orr. and one alias "Ching," at the Batangas Regional Trial Court.

Government prosecutors, in a resolution issued on Dec. 27, have recommended the filing of the charges in connection with the July 18, 2022 encounter between members of the New People's Army and elements of the 59th Infantry Battalion at Sitio Amatong, Barangay Ginhawa in Taysan town, Batangas.

The respondents, allegedly armed with shotguns, rifles, and improvised firearms, fired at government troops. A soldier was wounded and a nine-year-old girl who was caught in the crossfire died.

"While it may appear that the murder victim was not the direct target of herein respondents and was just caught in the line of fire when the respondents fired upon members of the Philippine Army, her death clearly was the result of the unlawful acts perpetrated by the respondents," the DoJ said. ***(PNA)***

30 PH brands to join Germany trade fair

MANILA – Thirty local brands will be joining the Ambiente 2023 trade show in Frankfurt, Germany from February 3 to 7, Department of Trade and Industry's (DTI) export promotions arm Center for International Trade Expositions and Missions (CITEM) said.

In a statement Tuesday, CITEM said the DesignPhilippines brand will feature home, fashion, and lifestyle (HFL) products of the country's micro, small, and medium enterprises (MSMEs) and artisan communities in the Germany trade fair.

"We are excited for the competitive roster of exhibitors featured in the 2023 edition of Ambiente. A mix of returning and neophyte exporters are set to make a mark on the international stage where our local designs can be appreciated by attendees from different parts of the globe," CITEM executive director Edward Fereira said.

CITEM said 10 out of the 30 Filipino brands that will join the exhibit are from Tarlac, the country's Partner Artisan Community.

It added that the Philippine pavilion in the trade fair will continue the narrative of "hands at work", which has been the theme since its participation in 2020.

"The theme is inspired by the fine workmanship and creative use of natural materials by the local communities that cultivate homegrown crafts. The participating MSMEs have sustainability and social development in mind, and are given labor opportunities brought by the continuously strengthened export industry," CITEM added.

The country's participation in the German trade fair aims to attract more European buyers for Philippine HFL sector.

"The strong presence of our homegrown products empowers the Filipino craft and lets us cater to more markets, therefore allowing our MSMEs to have a wider reach. Our team at CITEM is committed to offering the world a global range of export-ready products," Fereira said.

The Ambiente 2023 will be the trade fair's first comeback show after a three-year break due to the pandemic.

With the theme "Moving the Future", the Ambiente 2023 will have 4,700 exhibitors that will feature dining, living, giving, and working products. ***(PNA)***

Mas Ligtas na 2023

BILANG pagsalubong sa Bagong Taon 2023 kaakibat ang Bagong Pag Asa mayroong nakikitang mga Bagong Oportunidad ang pamunuan ng National Capital Region Police Office (NCRPO) sa ilalim ng pangangasiwa ni PMGEN JONNEL C ESTOMO para mas mapalawig pa ang magandang serbisyo nito na lalong makakapagdudulot ng benepisyo sa mga mamamayan dito sa Kalakhang Maynila.

Maraming nangyari nitong nakalipas na Taon 2022, kung saan ang mga opisyales at tauhan ng NCRPO ay nagsumikap maitaguyod ang isang malinis, maayos at mapayapang national and local elections kung saan nanaig ang Katotohanan, ang Kalooban ng mga tao at Kagustuhan ng Diyos na magkaroon ang Pilipinas nang mga makabagong pamunuan at pamahalaan na talagang nagmamalasakit at naglilingkod sa mga mamamayan.

Taong 2022 din nasubukan ang Kapulisan dito sa Metro Manila bilang mga alagad ng batas sa pagsugpo ng kriminalidad, illegal drugs at masasabing mga anomaliya sa police organization.

At simula nga nuong ika-08 ng Agosto pagka-upo ni General Estomo bilang acting regional director ng NCRPO unti unti nang nagkaroon ng pagkakataon ang mga pulis Metro Manila to be seen, appeciated and felt through extraordinary deeds under the S.A.F.E NCRPO Program na pinasimulan ni General Estomo.

At mula nuon hanggang sa kasalukuyan, batay sa pinaka-huling datos ng NCRPO nagkaroon ng pagbaba sa bilang ng krimen kung ikukumpara sa mga datos nuong Taon 2021 at 2022. Makikita na ang bilang ng Murder ay bumaba ng 22 incidents o 14.67%; ang homicide ay bumaba ng 13 incidents o 22.03%. Ang Physical injury ay bumaba ng 16.77% or 53 incidents. Samantalang ang kaso ng Rape ay bumaba ng 12.50% o 51 incidents.

Ang kaso ng Robbery ay bumaba ng 8.30% o 39 incidents habang ang kaso ng Theft ay bumaba ng 4.10% o 48 incidents.

Sa kaso ng Carnapping, bagaman bumaba ang bilang ng pagnanakaw ng mga sasakyan sa 39.29% o 22 incidents medyo tumaas ang pagnanakaw ng mga motorsiklo ay tumaas ng 10.56% o 15 incidents.

Ang pagbaba na ito sa bilang ng mga insidente ng krimen sa Metro Manila ay mai-uugnay sa pina-igting na pagsasakatuparan ng NCRPO ng iba't ibang anti-criminality strategies at siempre sa S.A.F.E NCRPO program.

Patungkol naman sa kampanya laban sa ilegal na droga umaabot sa 57 na itinuturing na High Value Individuals o HVI; 3,647 Street Level Individuals o SLI at 704 iba pang sangkot sa ipinagbabawal na droga ang naaresto ng mga pulis NCRPO.

At nakakumpiska naman ang pulis NCRPO ng humigit kumulang sa tinatayang46,233.47grams ng shabu; 142,491.46 gramo ng marijuana; 632 ecstacy tablets at 337.90 gramo ng cocaine na tinatayang umaabot sa Php 348,390,716.20 ang halaga.

Sa pagpapatupad naman ng PD 1602 laban sa lahat ng uri ng illegal gambling nagsagawa ang pulis NCRPO ng 7261 police operations kung saan nakahuli sila ng 21, 983 na lumalabag sa Batas at nakakumpiska ng Php 4,499,916.75 na halaga ng pera na ipinantaya sa mga ilegal na pasugalan sa ibat ibang bahagi ng Metro Manila.

Sa pagsasagawa ng anti-criminality operations sa pamamagitan ng pagsasagawa ng 13,716 check points; 63,190 Oplan Bakal at Oplan Sita; 51,891 Beat Patrollers at pagtatalaga ng 54,132 Mobile Patrol sa mga pangunahing lugar kung saan madalas ang krimen nakahuli ang mga pulis NCRPO ng 6,385 katao with standing warrants at iyung mga tinaguriang "flagrante delicto". Samanatalang umaabot naman sa 112 firearms, 189 bladed weapons at 15 explosives ang nakumpiska ng mga pulis buhat sa mga suspek.

Hindi rin naman pinababayaan ni PMGEN ESTOMO ang mga pulis dahil sa nakalipas na apat na buwan nabigyan ng awards at medals ang 337,866 deserving NCRPO personnel; nakapagbigay ng limang Special Financial Assistance at 53 scholarship grants sa mga NCRPO personnel at kanilang dependents.

Nabigyan din ng awards and recognition ang 57 mga police at non uniformed personnel (NUP) na nagsipag-retiro ngayong Taon 2022 for their invaluable service to the PNP.

At nakapaglunsad ng 256 medical and dental outreach programs at dalawang bloodletting activities ang NCRPO bilang bahagi ng kanilang community engagement and development programs na isinakatuparan ng Regional Community Affairs Division / R5 ng NCRPO.

Naniniwala at nagbibigay pugay ang the Godfather kay RD NCRPO at pinanghahawakan po ng inyong lingkod ang mga salita ni PMGEN ESTOMO para ngayong Taon 2023 "we now look forward with confidence and optimism as we assure our countrymen that the PNP is facing 2023 better prepared, more equipped and more confident to address the challenges ahead. Our experiences and shortcomings in 2022 will be our guiding principles to do the best for the people we swore to serve."

Coast Guard personnel, huli sa pagpapaputok ng baril

ISANG miyenbro ng Philippine Coast Guard (PCG) ang hinuli ng mga pulis dahil sa pagpapaputok ng baril noong kasagsagan ng pagsalubong sa bagong taon sa Lungsod Quezon kamakailan.

Kinilala ni Quezon City Police District (QCPD) Director, Police Brigadier General Nicolas D Torre III ang suspek na si Ferdinand Bagundol, 40, miyembro ng Philippine Coast Guard, nakatalaga sa General Services Division, Coast Guard Base Parola, Manila at naninirahan sa Barangay Kaligayahan, Quezon City.

Ayon sa ulat ni PLTCOL Vicente Bumalay Jr, hepe ng Pasong Putik Police Station 16, QCPD, dakong alas 8:37 ng gabi, ika-31 ng Disyembre 2022 habang nagpapatrulya ang kanyang mga tauhan sa lugar ay nakarinig ng sunud-sunod na putok ng baril sa harapan ng Block 8 Lot 16, Don Ramon St., Hobart Subdivision ng naturang barangay kung saan nakita si Bagundol na nakatayo at hawak pa ang baril.

Sinabi pa ni Torre na nakumpiska ng mga pulis kay Bagundol ang isang caliber .99 pistol kasama ang dalawang magazines nito na mayroong karga na pitong bala at pito pang basyo ng mga bala nito na nasa kalsada malapit sa kinatatayuan ng suspek.

Si Bagundol ay naharap sa mga kasong paglabag sa Republic Act 11926 o Willful and Indiscriminate Discharge of Firearms at Republic Act 10591 o the Comprehensive Law on Firearms and Ammunition.

Samantala, nakapagtala din ang QCPD ng tatlong insidente ng firecracker related-injuries kaugnay sa isinagawang pagsalubong sa Bagong Taon 2023.

Maliban sa mga nabanggit, sinabi ni Torre na sa pangkalahatan ay naging mapayapa ang pagsalubong sa Bagong Taon ng mga residente at mga pulis sa Quezon City.

Malaking bagay talaga aniya kung ang Local Government Unit (LGU) ng Lungsod Quezon ang siyang mangangasiwa sa paggamit ng paputok at paagsagawa ng sariling fireworks display sa mga designated areas tulad ng Quezon Memorial Circle at ilang pampublikong lugar sa lungsod. ***(Paulo B Flores)***

More than 1.6 M students benefit from PBBM admin’s fuel subsidy, ‘libreng sakay’ programs

A large number of Filipinos benefitted from the government’s fuel subsidy and Libreng Sakay programs carried out to cushion the effect of oil price hikes on the transport sector and commuters.

According to the administration’s year-end report, the Department of Budget and Management (DBM) had facilitated the timely release of funding to sustain the ongoing implementation of the fuel subsidy program for public utility vehicles (PUVs) and the Libreng Sakay Program of the Department of Transportation (DOTr).

President Ferdinand R. Marcos Jr. also directed the DOTr to continue the implementation of the Libreng Sakay for Students Program in LRT-2, which benefitted an estimated 1.6 million students from August 22 to November 5 this year.

In addition, under the Oplan Balik Eskwela program of the MRT-3 and the Philippine National Railways (PNR), a total of 143,290 students were given a 20 percent fare discount.

The government’s Service Contracting Program (SCP) also provided compensation to operators and drivers whose livelihoods were affected by the COVID-19 pandemic and the increase in oil prices.

From April to July 2022, 19,194 PUV drivers were contracted to operate 16,832 PUV units on 921 routes across the country, the report said, adding that as of December 23, 2022, the EDSA Busway is being serviced by 751 Public Utility Bus units operated by 87 companies.

To reduce energy costs, the Marcos government implemented concrete steps since July this year, such as the Energy Efficiency and Conservation (EEC) program and also assisted distribution utilities to rationalize power supply sources.

The report said the Department of Energy (DOE) carried out the Government Energy Management Program (GEMP), which mandated all government agencies to save at least 10 percent on the consumption of electricity and fuel through the adoption of energy conservation measures.

As of December 13, 19 percent of government entities are compliant with the GEMP, resulting in savings equivalent to P285 million.

The Energy Regulatory Commission (ERC) also suspended the collection of the Feed-in Tariff (FIT) from December 2022 to February 2023 to ease inflation pressure on electricity consumers.

The FIT is a uniform charge imposed on all on-grid electricity consumers for the development and promotion of renewable energy in the country.

The ERC and DOE have been conducting a Power Supply Agreement (PSA) Caravan since November 2022 aimed at assisting distribution utilities (DUs) and electric cooperatives (ECs) in rationalizing and optimizing their power supply sources.

Other government measures include the continued implementation of targeted subsidies to mitigate the impact of increasing fuel and electricity prices.

As a result of DOE’s negotiation with oil companies for a fuel discount program, participating gasoline station outlets offered a fuel discount of P1 to P4 per liter.

On October 28, 2022, the ERC, DOE, and the Department of Social Welfare and Development (DSWD) signed the Implementing Rules and Regulations (IRR) of RA No. 11552, extending the lifeline subsidy among qualified marginalized electricity users to another 30 years and expanded the beneficiaries to Pantawid Pamilyang Pilipino Program (4Ps) members.

The DOE likewise continued the implementation of Republic Act 11371 or the Murang Kuryente Act (MKA), allowing the use of the government’s share from the Malampaya gas field as payment for the stranded contract cost and stranded debts of the National Power Corp. ***(NPC).***

Balik Probinsya beneficiaries receive P2.2 M aid from DA

KORONADAL, South Cotabato (PIA) -- Before 2022 ended, a farmer group in Antipas, Cotabato Province received more than P2 million worth of aid from the Department of Agriculture (DA) 12 for their dairy production project.

DA 12 turned over cattle, milk containers, various chemicals, lactating feeds, urea, and veterinary drugs worth P2.2 million in support of the community-based dairy production project in Antipas on December 20 under the government's Balik Probinsya, Bagong Pag-asa (BP2) Program.

These aids were received by the Balik Probinsya Farmers Association of the said municipality.

Honeylene Carias, president of Balik Probinsya Farmers' Association in Antipas, said in an interview with Agri Tayo Soccskargen, that this is the largest aid their association has received so far.

"Lubos po ang aming pasalamat sa BP2 Program at sa Department of Agriculture dahil po sa inyong programa, malaki po ang naitulong sa amin, at nabago ang pamumuhay namin nang bumalik sa probinsya," Carias said.

Apart from the dairy production materials, Carias added, their organization has been beneficiary of several interventions from the agriculture department, including goat modules, swine, free range chicken, garden tools, vegetable seeds, assorted fruit trees, and many others.

According to a program briefer, BP2 program, "is geared towards addressing Metro Manila’s congested urban areas by encouraging people, especially informal settlers to return to their home provinces."

Under the program, government agencies provide support to ensure "the continuous improvement of economies and quality of life in the provinces...."

Carias, in the same interview, expressed gratefulness on behalf of the BP2 beneficiairies.

"Malaking tulong po siya sa aming mga BP2 beneficiaries. Lahat po ng interventions malaki po ang naitulong sa amin kung ikukumpara namin ang buhay sa urban at dito sa probinsya. Dito po sa probinsiya kahit magtanim ka lang nandiyan na ang pagkain, ang halaman, sa bakuran mo," she said. ***(with report from DA-RFO XII)***

Bachmann itinalagang bagong PSC Chairman

Sisikapin ni Dickie Bachmann na dalhin ang "Pilosopiya ng Alaska Aces" sa nangungunang sports body ng gobyerno. "Dala ko ang halos tatlong dekada ng karanasan sa organisadong sports, gayundin ang pilosopiya ng Alaska Aces na natutunan ko at pinahahalagahan sa mga nakaraang taon, na kung saan ay ang manalo nang may integridad habang tinutulungan ang ating mga atleta na maging mas mahusay na indibidwal sa labas ng court," Bachmann,

Sa kanyang unang opisyal na araw bilang PSC chief. Si Bachmann, ang kapatid ng squash president na si Robert, ay kasama ng Alaska franchise sa Philippine Basketball Association (PBA) mula noong 90s bilang isang player sa labas ng La Salle.

Makalipas ang kanyang pagreretiro, mabilis siyang nakakuha ng papel sa front office ng Aces bilang team manager at kalaunan ay ang kanilang kinatawan sa PBA board of governors. Mabilis na tinapik ng converge governor na si Chito Salud si Bachmann para tulungan siya sa transition matapos bumili ang kumpanya ng internet service ng Alaska franchise lock, stock at barrel.

Matapos makipaghiwalay sa FiberXers, si Bachmann ay naging basketball commissioner para sa UAAP Season 85 kahit na pinanatili niya ang kanyang isa pang posisyon bilang chairperson para sa PBA 3x3.

Pinasalamatan naman ni Bachmann ang basketball community sa pagtulong sa kanya na maging pinuno na siya ngayon. "Nagpapasalamat din ako sa patuloy na suporta ng PBA community, ng organisasyon ng SBP (Samahang Basketbol ng Pilipinas), at ng aking mentor, si Wilfred Steven Uytengsu (Alaska Milk Corporation chief executive officer)," dagdag ni Bachmann.

Agarang pumasok sa trabaho si Bachmann sa kanyang unang opisyal na araw bilang PSC chief, binisita ang mga pasilidad nito sa Rizal Memorial Sports Complex unang-una sa umaga.

Makaraang pormal na nanumpa sa panunungkulan sa harap ni Executive Secretary Lucas Bersamin sa Palasyo ng Malacañang. Pagkatapos ng oath-taking, bumalik siya sa Rizal Memorial Coliseum at nagpatawag ng pulong kasama ang kanyang tatlong komisyoner na sina Bong Coo, Walter Torres at Edward Hayco.

Inaasahan ni Bachmann ang pakikipagpulong sa mga national sports associations (NSAs) kung paano niya sila mapagsilbihan, lalo na sa abalang 2023, na kinabibilangan ng paglahok ng Philippine team sa Southeast Asian Games, FIFA Women's World Cup, FIBA World Cup at Asian Games.

Gagawin na ngayon. "Ako ay lubos na nagpakumbaba na magkaroon ng pagkakataong pagsilbihan ang ating mga atleta sa Pilipinas sa kapasidad na ito. Inaasahan kong makipagtulungan ang mga NSA, kasama ang ating mga miyembro ng PSC team at mga komisyoner, upang matulungan ang ating mga atleta na maghanda para sa mga sporting event ngayong taon," Sabi ni Bachmann.

GINEBRA TUMIBAY KONTRA BAY AREA DRAGON SA PBA FINAL G3

Sa unang laro ng premier professional basketball league ng Asia para sa 2023,

Tinapos ng Gin Kings ang laro sa isang 17-3 run upang agawin ang panalo mula sa Dragons, na tila may kontrol sa laro sa halos lahat ng oras na tila sila rin. na naging matatag si Justin Brownlee.

Kung saan ay nagpasabog si Brownlee ng 19 puntos sa fourth quarter at nagtapos na may 34 puntos kasama ang 17 rebounds, apat na assists, tatlong steals at isang block para sa Ginebra, na may hawak na 2-1 lead para sa best-of-seven series.

Nagdagdag si Christian Standhardinger ng 15 puntos, apat na rebounds at isang assist mula sa bench, habang si Scottie Thompson ay nagtala ng 14 puntos kasama ang go-ahead tip-in sa nalalabing 1:27, 10 rebounds, apat na assists at apat na steals.

Pinangunahan naman ni Andrew Nicholson ng Bay Area na may 23 puntos, 24 rebounds at dalawang block, ngunit nabigo siyang tapusin ang laro matapos magtamo ng ankle injury sa huling bahagi ng paligsahan.

Sa isang naunang panayam, sinabi ni Coach Brian Goorjian na hindi niya gustong ibalik si Myles Powell para sa championship series dahil dumaranas din siya ng injury sa toe tendon.

Gayunpaman, ang posibilidad na muling ma-activate si Powell para sa nalalabing bahagi ng serye ay nakaambang ngayon depende sa lawak ng pinsala sa paa ni Nicholson at kung siya ay maglalaro sa injury o hindi.

PBBM admin on high gear to digitalize gov't services, ensure bureaucratic efficiency

The administration of President Ferdinand R. Marcos Jr. has made a commitment to transform government services in 2023 to ensure responsiveness and accessibility to the public.

Improving bureaucratic efficiency is contained in the administration's 8-Point Socioeconomic Agenda in the near- term, putting a premium on digitalizing, harmonizing, and standardizing government data.

"In 2023, the government shall remain steadfast and continue to pursue streamlining initiatives to ensure the delivery of efficient government services to the people and fight corruption by eradicating all forms of red tape," the administration said in its year-end report.

These include the strengthening of the TradeNet, a one-stop online shop aimed to reduce processing time and harmonize the permitting procedures involved in import and export in the country.

The Anti-Red Tape Authority (ARTA), in coordination with other government agencies, will pursue the National Policy on Regulatory Management System (NPRMS), which provides a common framework for good regulatory practices, and enforcement and compliance strategies.

The government plans to advance NPRMS components such as the Philippine Business Regulations Information System (PBRIS) to provide stakeholders and government agencies access to proposed and existing government regulations and avoid overlapping.

It will also push the Anti-Red Tape Electronic Management Information System (ARTEMIS) to provide a live database and mapping of all government services indicated in the Citizen's Charter.

In addition, Philippine Good Regulatory Principles (PGRP) will be implemented to promote proportionate, consistent, accountable, and targeted regulations through an effective dialogue between regulators and entities.

Also, the Department of Trade and Industry (DTI) will pursue the implementation of the proposed Executive Order creating the Green Lane for Strategic Investments aimed at creating a more favorable business ecosystem.

In line with local government units' (LGU) devolution of functions, the national government will scale up its assistance to local governments through needs-based and targeted interventions, such as the Growth Equity Fund.

To optimize the government's Information and Communications Technology (ICT) resources, the government will continue to develop and implement interoperable systems that will further implement seamless sharing of data sources, such as the Philippine Identification System and electronic Business Permits and Licensing Service(eBPLS).

The administration will also address the fragmentation of the justice system through the implementation of the National Justice Information System and Middleware Exchange Platform.

On budget reforms, the Department of Budget and Management (DBM) will focus on rolling out digital systems that will promote prudent fiscal management and improve budget reliability.

This will be done through the enactment of the Progressive Budgeting for Better and Modernized Governance (PBBM) Bill, developing and implementing the Budget and Treasury Management System, and pursuing the National Government Rightsizing Program.

Comelec resets first-ever election summit to March

MANILA – The holding of the first National Election Summit has been moved to March, the Commission on Elections (Comelec) announced on Tuesday.

Comelec chairperson George Erwin Garcia, in a press briefing, said the poll summit was pushed back from its original schedule set on the last week of January.

"We will be meeting with our officials in the main and field offices to discuss preparations for the election summit this March," he said.

Commissioner Nelson Celis, head of the poll summit's organizing committee, added that the event will be held from March 8 to 10.

He noted that the decision to move the holding of the summit to be able to give way to the special elections in the seventh legislative district of Cavite on Feb. 25.

"(In order) to give way for the special elections in Cavite on February 25, we will just move by about a month," Celis said.

He added that they have so far held 26 pre-summit activities since October 2022.

"So far, we have had discussions on the new technology that could be possibly implemented for 2025 elections, full implementation of the digital signature, and the possibility of implementing blockchain technology, among others," Celis said.

The election summit aims to provide a platform for a national dialogue and interaction with, consultation and participation of election stakeholders in the review, formulation, or enhancement of policies, plans, and programs in election administration and electoral enforcement and adjudication.

The recommendations from the summit will be endorsed for consideration by the Comelec en banc. ***(PNA)***

LANDBANK AgriSenso: technical, credit assistance available to boost plantation crops

MANILA -- The Land Bank of the Philippines (LANDBANK) gathered farmers and stakeholders to discuss the National Government's support interventions to boost the local production of plantation crops, as part of the Bank's commitment to serve the diverse requirements of the agriculture sector.

During the sixth run of the LANDBANK AgriSenso Virtual Forums, Department of Agriculture (DA) Bureau of Plant Industry OIC-Director Gerald Glenn F. Panganiban, Ph.D. and LANDBANK Assistant Vice President Edgardo S. Luzano led the discussions on the available technical and credit assistance for farmers engaged in the production of plantation crops, such as banana, cacao, coffee, rubber and pineapple.

They were joined by Kennemer Foods International, Inc. President Simon Bakker and Goodyear Agrarian Reform Beneficiaries Multi-Purpose Cooperative (GARBEMCO) Operations Manager Mark Horace E. Gregorio, who shared how LANDBANK's affordable financing programs helped expand their operations and boost their income.

For his part, DA OIC-Director Panganiban shared updates on the local industries of plantation crops as well as challenges experienced by the subsector, which include limited infrastructure and post-harvest facilities, high cost of production, and limited access to quality planting materials, among others.

To address these challenges, he presented various support interventions for farmers under the DA's High-Value Crops Development Program (HVCDP), including the distribution of planting materials, machineries and equipment, construction of facilities, and capacity building activities for farmers.

LANDBANK lending programs

Meanwhile, LANDBANK Assistant Vice President Luzano presented LANDBANK's available credit programs to further strengthen support for the various industries of plantation crops.

Under the Sulong Saka Program, LANDBANK can finance the production of high-value crops and other related projects, such as the establishment of nursery, budwood/mother plant/ parent clone gardens, as well as the establishment of new plantations, and the replanting, rejuvenation and rehabilitation of old trees.

Individual small farm holders, small and medium enterprises (SMEs), cooperatives, farmers associations and organizations, large agribusiness enterprises and corporations, local government units (LGUs), non-government organizations (NGOs), and countryside financial institutions (CFIs) may avail loans under the Program.

As of end-October, LANDBANK has approved P17.8 billion in loans to 1,245 borrowers under the LANDBANK Sulong Saka Lending Program.

To support the agricultural value chains of cacao, coffee, coconut, and processed fruits and nuts, LANDBANK is also offering the Rural Agro-enterprise Partnership for Inclusive Development and Growth or RAPID Growth Credit Facility, in partnership with the Department of Trade and Industry (DTI) and funded by the International Fund for Agricultural Development (IFAD).

This Credit Facility aims to provide strategic business development interventions and matching grants to support qualified Program beneficiaries endorsed by the DTI, including cooperatives, farmers' associations and organizations, NGOs, and Micro, Small and Medium Enterprises (MSMEs) in selected provinces in Regions 8, 9 10, 11, 12, 13 and the Bangsamoro Autonomous Region in Muslim Mindanao (BARMM).

Loans availed under the facility can be used for production, including the development of new plantation, replanting, rejuvenation, and rehabilitation of old trees; establishment of nursery gardens; post-harvest activities; processing or manufacturing, packaging and storing, as well as trading.

Jointly organized by the LANDBANK Corporate Affairs Group and Lending Program Management Group, the LANDBANK AgriSenso Virtual Forums form part of the Bank's response to the request of customers and stakeholders to have more opportunities to learn more about the Bank's available credit facilities. ***(LANDBANK)***

DSWD holds caravan of gov't programs for children, families, Indigenous Peoples in street situations

QUEZON CITY -- President Ferdinand R. Marcos Jr. graced the grand launch of the Caravan of Special Protection Programs for children, families, and Indigenous Peoples in street situations, on Thursday, December 22, at the Open Ampitheater, Luneta Park.

Dubbed "Pangkabuhayan at Pamaskong Handog ng Pangulo at Unang Ginang Marcos at ng Sambayanang Pilipino para sa mga Indigenous Peoples at Street Dwellers," the caravan is a joint project of the Office of the President and the Department of Social Welfare and Development (DSWD) in response to the directive of the President to bring the government closer to the vulnerable sector.

"Sa pamamagitan ng event na ito, sana lahat ng Pilipino ay makaramdam ng Christmas spirit, makaramdam ng pasko...At kahit papaano magkaroon ng liwanag sa kabila ng ating mga pinagdaanan" (Through this event, it is hoped that all Filipinos can feel the Christmas spirit… And somehow see the light despite all that we have gone through), President Marcos said in his speech in front of more than 1,000 participants of the event.

The caravan provided 'pangkabuhayan' start-up capital to families of children in street situations to enable them to support their children, hence, preventing them from staying in the streets for mendicancy activities.

In addition, it extended holistic, sustainable, and long-term interventions for children, families, and Indigenous Peoples, through the cooperation and collaboration of the national and local governments, civil society organizations, private organizations, and the general public.

The President attended the activity to spearhead the provision of financial assistance worth Php 10,000, hygiene kits, and food packs to some 574 family- beneficiaries who were identified by the different local government units in Metro Manila.

Likewise, some 400 children received gift packs, including toys, clothes, and books.

"Sa pamamagitan ng pinagsama-samang puwersa ng gobyerno, inilalapit natin ang mga programa at serbisyo ng pamahalaan para sa mga bata, pamilya at Indigenous Peoples na nasa lansangan kasunod ng ating hangarin na mailayo sila sa kapahamakan dulot ng pananatili sa lansangan at mabigyan sila ng angkop na tulong na magtataguyod sa kanilang kapakanan" (Through the collaborative efforts of the government, we are bringing government programs and services closer to children, families and Indigenous Peoples in street situations in pursuit of keeping them away from the hazardous situations on the streets and providing them with appropriate assistance that will promote their welfare), DSWD Undersecretary Eduardo Punay said.

Meanwhile, the Philippine Statistics Authority provided civil registration and PhilSys National ID Registration to the said sectoral group. This will ensure that the children, families, and Indigenous Peoples access their right to a name and nationality which will enable them to become eligible for government programs and services.

A similar caravan was conducted in Cebu City on December 21 while another one will be held in Davao on December 23.

Sa pagbukas ng aparato ay tila nagkarambola sa arangkadahan ang mga kalahok ngunit nagawa pa rin na makabandera ang matulin na si Secretary na nirendahan ni Jeffril Zarate, sumabay din sa paghataw ang ating bida na si (2)Jaguar upang makadikit sa unahan, pangatlo si Gintong Hari na ginabayan ni John Paul Guce, habang nasa likuran si (2a)Deus Ex Machina na pinatungan ni Christian Pilapil. Paglagpas sa back stretch ay bandera pa rin ang segundo liyamado na si Secretary, kasunod pa rin ang paborito na si (2)Jaguar, pangatlo ang tersero liyamado na si Gintong Hari, at nanatiling bugaw ang kacouple runner ni (2)Jaguar na si (2a)Deus Ex Machina. Bago sumapit ang far turn ay wala pa rin nagbago sa pagkakasunod sunod ng mga kabayo. Nasa harapan pa rin si Secretary, nakabuntot sa ikalawang puwesto si (2)Jaguar, nasa ikatlong posisyon si Gintong Hari, at kulelat pa rin si (2a)Deus Ex Machina. Sa huling kurbada ay si Secretary pa rin ang nagdidikta sa unahan, at nagsimula ng magpainit ang winning horse na si (2)Jaguar. Pagpasok sa home stretch ay nagpalitan sa pagpalo at pagkayog ang mga hineteng sina Dunoy Raquel Jr. at Jeff Zarate na halos magpantay na sa harapan. Ngunit pagdating sa huling 75 meters ay nakaungos na si (2)Jaguar at tinawid ang meta ng may tatlong kabayong kalamangan laban sa nasegundo na si Secretary, tersero si Gintong Hari, at si (2a)Deus Ex Machina ang huling dumating. Pumoste si (2)Jaguar ng tiyempong 1:25.6 (13'-22'-23-26') para sa distansiyang 1,400 meters sapat upang masungkit ang titulo sa kauna-unahang Cool Summer Farm "Juvenile Stakes Race" at pinakahuling Stakes Race sa taong 2022. PAGBABANTAY NG PNP SA SEGURIDAD NG MAMAMAYAN NGAYONG 2023

TINIYAK ng Philippine National Police ang lalo pang pag-iibayo upang bantayan ang seguridad o kaligtasan ng mamamayan ngayong 2023.

Nabatid sa acting chief ng PNP Public Information Office na si PCol. Redrico Maranan na dalawang klase ng itinuturing na sitwasyon ng krimen sa bansa ang mahigpit na binabantayan ng pambansang pulisya.

Ang mga ito ay ang tinatawag na actual at cyber space na maging sa buong mundo ay kokonsiderang problema.

Bugso umano ito ng makabagong teknolohiya sa buong mundo na sinasamantala naman ng sindikato o mga kriminal sa paggawa ng mga iligal na gawain gamit ang modern technology.

Pinuna ng PNP ang maraming bilang ng mga Pilipino na nabibiktima dulot ng paglaganap ng cybercrime sa Pilipinas.

Kaya naman focus ang pambansang pulisya sa cybercrime security ng bansa ngayong 2023.

Sa katunayan pa nga aniya nito ay tinalakay din ang nasabing usapin sa cybercrime sa dinaluhang

Napag-alaman na isa ang Pilipinas sa dumalo sa pagtitipon ng International Criminal Police Organization na ang isyu sa cybercrime ang tinalakay. ***RUBEN LACSA***

Hamon ni Abalos na pagbibitiw ng senior PNP officers, suportado ng NCRPO

SINUSUPORTAHAN ng National Capital Region Police Office (NCRPO) sa pangunguna ni PMGEN Jonnel C Estomo ang hamon ni Interior and Local Government Secretary Benjamin "Benhur" Abalos Jr. na mag-sumite ang mga police colonels at police generals ng kani-kanilang courtesy resignation sa lalong madaling panahon.

Ito ang inihayag ni Estomo matapos ang isang close door meeting na ginawa sa Camp Bagong Diwa, Bicutan, Taguig City kung saan dumalo ang 67 na matataas na opisyal ng pulisya na nakatalaga sa Metro Manila na mayroong ranggo na Police Colonel at Police Brigadier General.

Sa nasabing pagpupulong, hinikayat ni Estomo ang mga nasabing Police Colonels at Police Brigadier Generals na tanggapin na maluwag sa kalooban ang hamon bunsod ng pagkakasangkot umano ng ilang matataas na opisyal sa illegal drug activities sa bansa.

Binigyang diin ni Estomo na sinusuportahan ng NCRPO ang hamon ni SILG Abalos Jr. tungkol sa nasabing courtesy resignation para sa mga police brigadier generals at police colonels.

Naniniwala si Estomo na ang hakbang na ito ay bilang bahagi ng pagsusumikap ng pamahalaan na malinis ang hanay ng kapulisan mula sa mga opisyal na sangkot umano sa illegal drug trade.

Ang naturang aksyon umano ay pagpapakita lamang ng matibay na hangarin nina Abalos at Chief PNP, PGEN Rodolfo S. Azurin Jr. na paigtingin pa lalo ang mga programa ng pamahalaan laban sa mga iligal na droga.

Sinabi ni Estomo na bagamat nakakagulat at lubhang maaapektuhan ang PNP organization dahil sa takbo ng mga pangyayari naniniwala siya na sa ganitong paraan ay malilinis ang hanay ng Pambansang Pulisya sa mga itinuturing na anay sa organisasyon at lalo pa aniyang mapapalawig ang anti-illegal drug operations ng mga pulis partikular sa Kalakhang Maynila.

Inihayag pa ni Estomo "as the Regional Director of NCRPO, I hereby lead the Team NCRPO generals and police colonels to render our courtesy resignation to His Excellency, President "Bong-Bong" Marcos Jr through the Chief Philippine National Police, PGEN Rodolfo S Azurin Jr and Napolcom Chairman/ DILG Secretary Atty Benjamin "Benhur Abalos Jr for the best interest of the country."

Sa kasalukuyan mayroong humigit-kumulang sa 300 ang bilang ng mga police colonels at police brigadier generals na nasa active service pa sa PNP sa buong bansa.

Samantala, ayon kina NPD Director, PBGEN PONCE ROGELIO I PEÑONES, SPD Director PBGEN KIRBY JOHN B KRAFT at QCPD Director PBGEN NICHOLAS D TORRE III, ang naturang hakbang ay para sa ikabubuti ng PNP organization at wala umanong problema sa kanila. ***(Paulo B Flores)***

Tama na ang 'papogi

"ANO ba 'yan, mamimigay nga pero pahihirapan naman ang mga tao."

Ilan lamang ito sa maririnig mula sa mga nakapilang tao.

Bakit nakapila?

Mayroon kasing mamimigay ng pera o ano mang biyaya mula sa politiko o nanunungkulan sa pamahalaan.

Bibigyan ng numero ang mga pipila pero hindi pa kaagad iaabot ang grasya.

Papapasukin halimbawa sa covered court o plaza ang mga tao na pumila at nabigyan ng numero.

Hihintayin pa ang pagdating ni Mr. Politician bago ang bigayan ng ayuda.

Siyempre kailangan ay dagsa na ang tao o puno na ang plaza o covered court.

Kasi magtatalumpati pa si Mr. Politician at pagkatapos makapagsalita ay doon lamang sisimulan ang bigayan.

Pumila at nabigyan ng mga numero pero pagkaalis ni Mr. Politician ay wala ng sistema ang pagbibigayan ng pera.

Hindi na rin nasusunod ang mga numero dahil sa kawalan ng sistema ng mga tauhan ni Mr. Politician.

Lahat naman ay nabibigyan, iyon ang mahalaga.

Ang tanong ay kailangan pa ba ang presensiya ni Mr. Politician kahit sa kanya galing ang biyaya?

Magbibigay ng oras, halimbawa ay alas otso ng umaga kaya naman ang mga tao maaga pa lamang sa naturang time ay nagpupunta na.

Kaya lamang si Mr. Politician ay halos alas diyes ng umaga darating.

Mantakin bang nasa dalawang oras ang paghihintay ng mga tao.

May pagkakataon na magtatakda ng petsa at oras ang mga tauhan ni Mr. Politician.

Nangyayari minsan na nauurong sa takdang petsa o oras kasi si Mr. Politician ay may biglaang kompromiso.

No choice, ang dagsang tao ang kailangang mag-adjust sa iskedyul ni Mr. Politician.

Kasi sila ang tatanggap ng grasya kaya hanggang sa loob lang ng kanilang sarili ang paghihimutok.

Ang punto rito ay maaari naman isagawa ang pagbibigay na hindi pahirap sa mga tao.

Sa mga ganitong klaseng politiko, sana naman ay tigilan na ang sobrang papogi.

Anong say ninyo?
