## NOVELETA WITH LOWEST COVID-19 CASES IN THE 1ST DISTRICT OF CAVITE

**NOVELETA, Cavite (PIA)** -- The local government here reported that among the municipalities in the 1st District of the province, it has the lowest COVID-19 confirmed cases recorded with 23 as of July 20, 2020.

On the other hand, neighboring towns of Kawit has 31 cases, Rosario with 32, and Cavite City with 34 cases.

Town Mayor Dino Chua attributed this to the vigorous campaign of each barangay that was fully supported by the local government resulting to majority of the barangays (10 out of 16 barangays) remaining COVID free.

Since the outbreak hit Barangay San Rafael June 24, 2020 with 11 cases recorded, the disease had spread to neighboring barangays of San Juan 1 and San Antonio 1 with 4 cases each, San Juan 2 with 2 cases, and Barangays Salcedo and San Rafael with 1 case each.

Mayor Chua said, "The LGU is determined that they can pass this pandemic with the help of every single citizen of Noveleta."

Out of the 23 COVID patients, six were treated at the Noveleta MedCare Center, the designated COVID-19 center in the town under Municipal Health Officer Dr. Hilda Bucu.

The quarantine center was commended for its cleanliness and comfortable facilities including the good medical care and attention provided by the nursing staff.

Meanwhile, since the start of the community quarantine the LGU continuously provided food packs to the families particularly those greatly affected by the lockdown in Barangay San Rafael III.

The Local Disaster Risk Reduction and Management Office distributed free face masks to all the vendors in the public markets for the safety of both the vendors and market goers.

Moreover, the local government had established a program with the Unlad Noveleta network provider for the provision of free WiFi access to all 16 barangays in preparation for the opening of online classes on August 24, 2020.

"Instead of providing school supplies every first day of school, the local government is preparing to provide gadgets to every public school for the online and modular classes," the mayor stated.

"For our safety, please follow government protocols of proper wearing of face masks, physical distancing, proper hand washing, and avoid crowded places," concluded Mayor Chua. **(Ruel Francisco, PIA-Cavite with reports from Dennis Abrina)**

## BOC exceeds the P10 billion rice tariff target

**IN** line with its commitment to effectively implement Republic Act (RA) No. 11203 also known as the Rice Import Tariffication Law, the Bureau of Customs (BOC) was able to meet its target and collect a total of Php10.728 Billion in revenue for the period January to July 17, 2020. Notably, the BOC has a yearly target of P10 billion in rice tariff collection for remittance to the Rice Competitiveness Enhancement Fund (RCEF).

To date, the BOC only reported a volume of 1,651.267 metric tons of rice importation, which is 24.6% lower in volume covering the same period last year. Despite the decrease in volume, the BOC garnered a significant increase of 8% in rice tariff collection as compared to Php9.936 Billion for the same period in 2019.

The increase in rice tariff collection can be attributed to the BOC's continuous effort to protect government revenue and ensure correct valuation of goods. The BOC consistently conducts close monitoring of the declared value on rice importations in view of its

## Imus CASO launches Project Punla, LGU initiative for food sufficiency

**IMUS CITY, Cavite (PIA)** -- The local government thru the City Agriculture Services Office (CASO) launched recently the Project Punla, the city government's main response in ensuring food sufficiency and adequacy level during emergency situation.

According to the Imus Public Information Office (PIO), the project has a Plant, Plant, Plant Program concept which aims to increase the city's agricultural production particularly rice and vegetables, through intensified use of quality seeds, appropriate inputs, and modern technologies to increase and ensure level of productivity, availability, accessibility and affordability.

For its immediate program, it will focus on the farmers who are engaged in rice and vegetable production that can immediately re-

spond to the food supply needs of the city.

Meanwhile, for the backyard gardening or small-scale farming such as container and vertical-gardening are the focus for the medium term program.

The long-term program will focus on the conversion and development of idle lands, and vacant lots into organic vegetable farms to ensure sustainable food production at a high sufficient level thru Gulayan sa Paaralan Program mushroom production, and the establishment of Gulayan sa Barangay (Communal Gardening).

The City Government of Imus spearheads the implementation of Project Punla with the full support of the City Mayor's Office, City Agricultural Services Office, City Information Office, City Tourism and Development Office, Farmers/Land Owners, Homeowners' Association, Department of Education, and the Senior Citizens.

Through program, the farmers in the city as well as the less privileged, and other interested Imuseños will have a new source of living that would ensure a decent and healthy life by growing healthy and nutritious food.

## HONTIVEROS SEEKS PROBE INTO BILIBID DEATHS ALLEGEDLY DUE TO COVID-19

"It is baffling how COVID-19 was able to wipe out several drug lords with one blow."

This was the remark of Senator Risa Hontiveros on Wednesday as she filed a resolution seeking the appropriate Senate Committee to conduct an investigation following the deaths of nine high-profile drug inmates in the New Bilibid Prison allegedly due to novel coronavirus disease or COVID-19.

The Bureau of Corrections (BuCor) earlier confirmed that drug convict Jaybee Sebastian, along with eight other high-profile inmates namely Benjamin Marcelo, Zhang Zhu Li, Jimmy Kinsing Hung, Francis Go, Jimmy Yang, Eugene Chua, Ryan Ong, and Amin Imam Buratong, succumbed to COVID-19. Their remains were immediately cremated at Pantheon de Dasmariñas Public Cemetery in Cavite.

"Questions are being raised surrounding these high-profile deaths. For the sake of transparency, they need to be clarified," Hontiveros said upon filing Proposed Senate Resolution No. 473.

The resolution cited that the alleged corruption in-

side BuCor as revealed in previous Senate investigations, "including cases of 'Good Conduct Time Allowance for Sale' and other schemes in which high-ranking officials of the Bureau would dispense favors to rich inmates, in exchange for monetary consideration," casts a cloud of doubt over said deaths and seemingly secretive and immediate disposal of remains.

"The lack of reliable information on the deaths of the inmates, the track record of some officials within the BuCor, and the improbability of the fatality rate, creates enough doubt in the mind of a reasonable person on the truthfulness of these deaths," the Senator said.

Hontiveros also urged the investigation to look into the health and sanitary conditions in penal institutions "so that the abnormally high number of COVID-19 fatalities might be addressed."

"By conducting this investigation, we may be able to put an end to speculation and improve our response to the pandemic within our penal institutions," Hontiveros concluded. **PR**

Recovery and rehabilitation plans were laid out to enable farmers to rise up through a different form of livelihood that will serve as their source of income.

A total of two hundred thirty-seven farmer beneficiaries were recorded during the event. On July 23, 2020, DA and PVO will again distribute the same commodities to farmers in the municipalities of Silang, General Emilio Aguinaldo, Amadeo, Naic, Tanza, Alfonso and Mendez. **(PICAD)**

Mr. Franco said, "These new segments will play a huge role in our national recovery, as we continue to seek ways to help the Filipino people cushion the impact of COVID-19."

Similarly, Mr. Bontia shared, "Once operational, Segments 2 and 3A-2 of CAVITEX C5

## DA interventions help Silang ornamental plant growers, farmers

**SILANG, Cavite (PIA)** -- The Department of Agriculture IV-A (CALABARZON) continue to help farmers affected by the Taal Volcano eruption in early January of this year in the region including the Silang ornamental plant growers.

Under its Taal Recovery and Rehabilitation Program, the DA distributed black nets and UV plastic to 401 members of the Federation of Silang Ornamental Growers July 14, 2020.

Silang Municipal Agriculture Office (MAO) head Adela V. Poblete led the distribution of interventions as part of the ongoing utilization of the Quick Response Fund of the DA to help revive the livelihood of the farmer beneficiaries.

"This is a great help for the booming ornamental industry in the municipality of Silang," Ms. Poblete said.

Mr. Anselmo Noveno, an ornamental plant grower in

the town was so grateful for the interventions by the DA. "Noon pa man ay tumutulong na ang DA sa mga ornamental plant growers, lalo na noong naapektuhan kami ng pagputok ng bulkan. Nagagalak po kami na ang mga natanggap naming plastic, seedlings, at organic fertilizers ay nadagdagan pa. Malaking tulung po ito sa aming pamilya lalo na nga na nasa quarantine period pa rin po tayo," he shared.

(The DA has always been helping us ornamental plant growers, especially when we were affected by the volcanic eruption. We are pleased that the plastic, seedlings, and organic fertilizers we received have increased. This is a big help to our family especially now that we are still in the quarantine period.)

A similar activity was held June 3, 2020 thru the initiative of Representative Dahl-

ia Loyola. Farmers received 4,200 bags of agricultural lime, 800nbags of plant growth enhancer, 25,000 pieces of Liberica-Coffee, 6,000 pieces of Banana Tissue Culture, Assorted Cut Flower and vegetable seeds, 1,200 seeding trays, black net, and UV plastics. Rep. Loyola highlighted the importance of local food production stating, "that people need to be self-sufficient as the current pandemic caused disruption to the supply chain."

On the other hand, the DA's distribution of free vegetable seeds in support of its Plant, Plant, Plant Program that promotes urban gardening had helped not only farmers in the town but also private citizens like housewives, displaced employees from the community quarantine and other residents. Lilibeth Pudadera, a housewife who received free vegetable seedlings said, "Thank

you so much DA Calabarzon for the vegetable seeds you are continuously distributing. Kahit papaano ay nakakawala ng stress ang mag urban gardening lalo na ngayong pandemya at may aasahan pa kaming makakain, makalipas pa ang ilang araw. We will support Plant,Plant,Plant program all the way. May God bless us all."

(Urban gardening somehow relieves our stress especially now that there's a pandemic and we will have something to eat after a few days.)

Aside from mentioned interventions, farmers can also avail of crop loans under the SURE-AID credit loan by the Philippine Crop Insurance Corp. (CIC), free cocoa seedlings with training for cocoa farming, and other planting materials. **(Ruel Francisco, PIA-Cavite with reports from the official FB page of the Municipal Agriculture Office - Silang)**

## SC UPHOLDS RTC'S RULING ON KOREAN-FIL FIRM'S ENDED MRT CONTRACT

**MANILA** – The Supreme Court (SC) upheld the Quezon City Regional Trial Court's (RTC) decision turning down the plea of Korean-Filipino firm, Busan Universal Rail Inc. (BURI), to stop the government from terminating its PHP3.8-billion, three-year contract for the maintenance of the Metro Rail Transit 3 (MRT-3).

In a 14-page decision released July 6 and penned by Associate Justice Henri Jean Paul Inting, the SC's Second Division said the QC RTC ruling was proper since Republic Act (RA) 8975 prohibits lower courts from issuing a temporary restraining order (TRO) and preliminary injunctions against national government projects.

The SC also turned down BURI's claim that QC RTC may issue a TRO in disputes that are for arbitration under RA 9285 or the Government Procurement Reform Act.

Citing precedents, the high court said RA 9285 is a general law applicable to all matters and controversies to be resolved through alternative dispute resolution methods and must give way to special laws, like RA 8975, governing national government projects.

"With respect to other matters raised, we note that most of the parties' factual allegations and counter-allegations already touch upon the merits of the main controversy, i.e. the propriety of respondent's termination of the MRT3 contract," the SC said. "We deem it best to refrain from ruling on this issue and the matters surrounding it since they should be threshed out and litigated in the appropriate arbitration proceedings between parties."

The Department of Transportation terminated its MRT contract with BURI in 2017 due to numerous service interruptions.

BURI originally won the contract in 2015 when the government bidded out contract for the procurement of goods, infrastructure projects, and consulting services of the MRT3 system to be awarded to a single maintenance service

provider that would establish a single point responsibility for the maintenance of the MRT3 system, general overhauling of light rail vehicles, and the total replacement of the signaling system with the approved budget of PHP4.2 billion. BURI was eventually declared as the sole entity which passed the eligibility on technical and financial documents evaluation. (PNA)

Sa ulat ni PSSgt Richard Atienza, ng Naic Municipal Police Station, dakong alas-2:00 ng hapon nang naaresto ang mga suspek habang nasa aktong nagre-refill ng gas sa tangke sa tabi ng kalsada sa Brgy Capt. C Nazareno. Ayon kay Atienza, modus operandi ng mga suspek na bawasan ang laman ng gas sa isang tangke at ikakarga sa isa pang tangke na siya nilang ibebenta. “Kadalasan, bawas na ng 3 kilo ang laman ng tangke na siya nilang ibinebenta sa kanilang mga customer

kaya nagtataka ang kanilang mga customer kung bakit daw mabilis maubos ang kanilang tangke ng

gas. Ito rin ang dahilan kung bakit nagsagawa ng surveillance ang Cavite Po-

lice, ayon kay Atienza. Paniwala din ni Atienza na matagal ng modus operandi ng tatlo ang ganitong

gawain dahil matatagal na ang tatlo sa kanilang kumpanya. **GENE ADSUARA**

# A MOTHER'S JOY OF SACRIFICE

## SM City Dasmariñas Community Rider Story

pist, she was receiving just enough to meet the family's need, however, there were times that she needed to have secondary means for extra income. Since she got separated, she boldly stood for her children and providentially receiving support from his Father, at least. However, after a while she lost her Father concurrently with her daughter's hospitalization. And because of her father's loss she needed to support her Mom as well. These made the situation more difficult for her that eventually made her so miserable and almost got depressed. But she realized, the situation requires her without any excuse to be stronger, not only for her Children but for her Mom too, "Tuloy pa rin po ang buhay para sa tatlong pinakamahagang tao sa buhay ko" she said.

The pandemic caused closure of many companies that lead to unfortunate job lost, economy reached its lowest point and government's funds were vanishing. All is affected, everyone now desires to live the way it used to be. Melody is not exempted. She lost her job at the time that she really needed it. But she is so grateful to SM that she is able to work again as SM Community Rider that at first she was hesitated to apply for. She had second thought about this job that she believes mainly for men. But because she needed to work for her family she then pushed through with it.

Being a woman is not a barrier to getting any job. Same goes with being a single Mother is not a reason to be desperate but a motivation to be a better person for the family and to be an inspiration to many. Being an asset of this community and not to be a liability to anyone. It was not easy, but there is no difficult task dedicated just for the family. As what Melody has decided for her life...

"Wala pong sukuan,

ituloy po natin ang laban. Walang imposible kay Lord, kahit anong sitwasyon po ang pagdaanan natin kayang kaya po yan! Tiwala sa Diyos at tiwala din po sa sarili... Hinding hindi Niya po tayo pababayaan, basta po lumaban lang po tayo ng patas, nang walang ibang taong sinasagasaan. Ang importante bilang ina, gawin hanggang makakaya kahit ano pa para sa mga anak. At bilang isang anak, gantihan lahat ng paghihirap ng magulang sa tamang paraan bilang pasasalamat sa kanila. Kung nabubuhay lang po ang father ko, alam ko po na siya ang unang magiging proud sa akin."

Gradually through SM Community Rider, she is able to withstand her children and Mom's needs. And for as long as this will still be used for delivery and take-out services, she will still be doing the job. Melody is a Mother and a daughter at the same time. She is fulfilling both duties with so much joy in her heart, no matter what sacrifices she has to endure. No heat of the sun, and no virus can stop her from riding towards success.

# A STORY OF INTEGRITY AT SM CITY BACOR

**SM CITY BACOR, CAVITE** – Even in these times when most of us are unsure of what's going to happen with our economy, our employment, and how can we sustain our family, it's amazing how someone could still think of another person's welfare. This was what LG Belinda Las Piñas exemplified when she returned a pink paper bag that contains a wallet and cash, which she recovered at SM City Bacoor's Event Center.

Despite being a sole breadwinner and a single mother of six, she never thought of keeping the amount she recovered. "Mas pinili ko pong isauli ang napulot ko dahil ayaw ko pong masira ang dalawang dekada ko nang iniingatong trabaho para patuloy na maitaguyod ang aking mga anak at apo," said LG Las Piñas, "kahit po naghihirap ay masarap sa pakiramdam na makatulong tayo sa kapwa."

LG Las Piñas reminded her colleagues at SM who are part of the security force, to love their duty so they can be of a good example to their family and others as well, especially that the company she serve supports and shown them how valuable they are as frontliners during

this pandemic. Truly, this deed is reflective of SM's Corporate value of honesty and integrity and bespeaks well of the attribute of a good member of SM Security force, worthy

of praise and emulation. **LG BELINDA LAS PIÑAS** brought honor and pride not only to herself, her family and security agency but also to SM group of companies in general.

These trying times carried us so much worry and so much agony. At time, we thought of giving up and bit by bit losing courage. Turns of event are fragile and uncertain. One day we were in good state but now we don't know where this will lead us. Faith, hope and future seem faded, without any clue of what's going to happen. Yet, person of strong willpower and good purpose will stand still and will never be defeated.

Resembling this woman we met in SM City Dasmariñas at the start of take-out and delivery services called the SM Community Rider. This gave an opportunity to many who lost their jobs due to COVID-19 pandemic. Normally a job for men but now women are engaging too, why not? She is Melody Furton, a single Mom with two lovely daughters, who worked as Spa Therapist before the lockdown but sooner lost it because of the situation. As a Thera-

## ILEGAL NA SABONG TODAS SA GAB AT QCPD-DSOU

SA pagtutulungan ng Games and Amusements Board (GAB) at QCPD-DSOU, apat katao ang nadakip dahil sa partisipasyon sa ilegal na sabong sa Purok 3, Area 5, Laura Street, Quezon City, Ang operasyon ay bunsod ng inisyatibo ng GAB-Anti-illegal Gambling Unit (GAB-AIGU) sa pangunguna ni GAB Chairman Abraham Kahlih 'Baham' Mitra, Commissioners Ed Trinidad at Mar Masanguid, bilang pagsuporta ng naturang ahensya sa direktiba ng pamahalaang nasayunal sa pamumuno ni Presidente Rodrigo Roa Duterte na ipagbawal ang lahat ng uri ng sugal kabilang na ang sabong o tupada sa kasagsagan ng pandemic na kung saan mahigpit na ipinapatupad ang physical distancing dahil ito ang sanhi ng madalas na pagkahawa. Maliban dito, karamihan sa

mga Pilipino ay apektado ang pinansyal na kalagayan at maraming nawalan ng trabaho. Malaking porsiyento ng pondo ng gobyerno ay napupunta sa pagbibigay ng ayuda at kahandaang medikal ng bansa ngunit ito ay binabalewala ng karamihan kung kaya patuloy ang pagkalat ng impeksyon. Maraming industriya ay naapektuhan at maraming negosyo ang nagsara dahil sa mahigpit na quarantine bunsod ng patuloy na pananalasa ng COVID19. Para sa GAB na syang ahensya ng pamahalaan na nagri-regulate sa pag-sasagawa ng mga international derbies sa bansa gayundin bilang licensing agency sa mga Opisyal ng Sabong gaya ng mananari, sentenciador at manggagamot, ang mga ilegal na sabong o tupada ay may malaking negatibong epekto sa pagbubukas muli ng mga legal na sa-

bong, na pinagkakakitaan ng maraming Pilipino. Ito rin diumano ay isang babala sa mga lisensyadong mananari, manggagamot at sentenciador na sila ay desididong tanggalan ng lisensya ng GAB dahil sa partisipasyon sa ilegal na sabong, kagaya ng mga nauna nang aksyon ng GAB.

Ang impormasyon hinggil sa ilegal na sabong sa Laura Street, Quezon City nag-ugat sa pinaigting na monitoring activities ng GAB-AIGU na tinukoy ang mga pinagdadausan ng tupada sa kamaynilaan hanggang sa mga kalapit-probinsya. Ang GAB ay agad na nakipag-ugnayan sa QCPD-DSOU sa pamumuno ni PMAJ Manuel Dela Cruz para mapagtagumpayang masakote ang nasabing ilegal na sabong. Ang mga indibidwal na nakapig at mga ebidensyang nakumpiska ay kasalu-

## Pagbabago sa Ahensya ng PSC bunsod ng naganap na pandaraya sa Payroll

Sinabi ni Philippine Sports Commission Chairman William Ramirez na ang mga kinakailangang pagbabago sa pag-aayos ng samahan ng ahensya ay naaprubahan sa isang executive meeting kapalit ng mga gawaing pandaraya ng isang empleyado na natuklasan kamakailan. "Ito ay isang sama-samang desisyon ng lupon bilang bahagi ng isang plano upang muling patatagin ang samahan," sabi ni Ramirez. Bahagi ng nasabing revamp ay ang appointment ni Atty. Si Guillermo Iroy, Jr bilang acting Executive

Director vice Merlita Ibay na muling inilaan ang kanyang orihinal na pagtatalaga bilang representante ng executive director para sa serbisyo sa pananalapi at administratibo bago ma-txt bilang executive director. Si Queenie Evangelista, ang mangunguna sa Bureau of Coordinating Secretariat and Support Services bilang Acting Deputy Executive Director nito. Hindi isang manalo sa harap ng hamon, kinilala ni Ramirez ang mga lapses sa ahensya at nangako upang matiyak na ang kinakailangang pag-sisiyasat, pagwawasto, at parusa ay nagawa.

"Bilang pinakamataas na mananagot na opisyal ng ahensya, responsibilidad ko ang epekto ng mga pagbabago, tiyaking walang gaps sa samahan. Nakaramdam ako ng lungkot, bigo, at nasaktan ngunit lahat tayo ay kailangang magkaroon ng pag-iingat," sabi ni Ramirez.

Idinagdag niya na umaasa ang lahat ng mga stakeholder at kasosyo na "nasa kapayapaan sa mga pagpapasyang ito at patuloy na susuportahan tayo sa pamamagitan nito."

Sa ngayon, ang National Bureau of Investigation, Department of Justice at ang Office of the Solicitor General ay hiniling na tumulong sa imbestigasyon at kaso.

Ang iba pang mga pagbabago sa pamumuno sa loob ng ahensya ay nakat-akda na maisagawa.

Sa kabila ng pandemic na covid-19 ay aktibo pa rin ang mga pinoy sa larong chess ito ay sa pamamagitan ng online. Kung saan ay ipinagmalaki ni Asia's first GM Eugene Torre, ang isa sa ating kababayan na nag kampeon kamakailan lang sa Asian Seniors online meet si Grandmaster Joey Antonio ng ipayahag nito sa "Usapang Sports" ng Tabloid Organization in the Philippines TOPS, via Zoom on line. ## Tsansa ng Pinoy sa FIDE Chess Olympiad Online Championship maasahan

Pinahayag ni Asia's first GM Eugene Torre, coach ng PH Team, na hindi pahuhuli ang Pinoy sa online chess at sa pangunguna ni GM Joey Antonio, malaki ang tsansa ng koponan sa laban.

"kailan lang ay nagkampeon si Joey (Antonio) sa Asian Seniors online meet, kaya yung preparation niya mataas talaga. As always si Joey ay isa sa best player natin at sa Asia siya ang top senior player," sambit ni Torre.

## SOLENN HEUSSAFF, SABIK SA PAGGISING

**PAGKATAPOS** ng buong araw o maghapon, time for bed na para makapag-rest.

**Sa pagtulog** ni Solenn Heussaff ay sobra naman ang kanyang pagkakasabik tuwing gigising.

You know why? Dahil ito sa kanyang anim na buwang gulang na anak na si Thylane Katana.

Sa pagmulat ng mga mata ay kaakibat ni Solenn ang tamis ng mga ngiti dahil sa anak.

Mapalad aniya silang mag-asawa at talaga naman swerte ni Nico sa kanilang baby.

Batiin din natin si Solenn sa kanyang mahusay na paggaganap sa 'Solitaire' na episode ng horror trilogy film na Quarantine Gothika.

Ano nga ba ang mga epek-

Solenn sa kanyang baby lalo at dumaranas tayo ng pandemiya.

Ikinokonsidera niya bilang isang milagro ang kanyang anak dulot ng walang katumbas na kaligayahan.

Kaya naman sa gabi, kapag matutulog na ay sobrang excited si Solenn sa paggising.

Sa pagmulat ng mga mata ay kaakibat ni Solenn ang tamis ng mga ngiti dahil sa anak.

Mapalad aniya silang mag-asawa at talaga naman swerte ni Nico sa kanilang baby.

**HINDI** nagpabaya si Mikel sa kanyang pag-aaral para naman mayroon siyang maipagmalaki sa kanyang lola.

Heto nga at sa napakatu-lin na paglakad ng mga araw ay sa isang iglap ay graduating na si Mikel.

"Ang bilis talaga ng panahon, akalain mo na ga-gradweyt ka na apo."

Masaya naman ang matanda para sa kanyang apo at hinihintay ang araw na iyon ng pagtatapos.

"Ano ka ba naman, dito ka lamang at 'di ka aalis. Mahirap na at 'di tayo nakakasiguro."

Sa matulin na paglipas ng panahong iyon ay maayos naman ang sitwasyon ni Mikel.

Hindi nakaranas si Mikel na maalimpungatan o magising dahil sa panaginip.

Kaya naman nagtangka si Lea na magpaalam na sa lola ni Mikel nang minsang magkausap sila.

Ipinaliwanag ni Lea na diretso na ang pagkakatulog ni Mikel at hindi na nananaginip pa sa alanganin o dis oras.

Pero hindi pumayag ang matanda at pinakiusapan si Lea na manatili lamang sa kanila.

Nahihiya na rin naman si Lea dahil halos wala na siyang obligasyon lalo at hindi na nananaginip si Mikel.

Obligasyon ni Lea na magbigay ng report sa matanda sa kung ano na ang kalagayan ni Mikel sa pagtulog sa gabi.

Kung maaari nga ay may video pa dapat ang report ni Lea ng aktwal na nananaginip si Mikel.

Nais kasi ng lola ni Mikel na napapanood sa video ang panaginip ng kanyang apo.

Kung tutuusin ay halos nasa tatlong taon na rin na diretsong normal na ang pagkakatulog ni Mikel.

Pero sadyang ayaw magpakumpiyansa ang matanda kaya ayaw paa-lisin si Lea.

Hinihila na nga ang mga araw para kay Mikel, isang semester na lamang at magtatapos na siya.

Nagkukumpleto na lamang si Mikel ng mga documents o requirements para sa nalalapit na graduation.

"Ano ba ang nangyayari sa iyo ha?"

(Itutuloy)

to ng pag-iisa sa panahon ng matagal na lockdown?

Alam ba ninyong nakakasabak lang sa shooting para sa pelikulang ito si Solenn tuwing tulog ang kanyang anak.

Congrats Solenn and Belated Happy Birthday! @@@

**BAGONG 'ECO QUEEN'** Nakaraos din ang Miss Philippines Earth 2020 virtual pageant kamakailan.

Ang Miss Philippines Water 2020 na si Gianna Llanes ay sumabak na agad sa kanyang mga responsibilidad.

Mayroong mga nakahilerang plano at adbokasiya si Gianna para sa kasalukuyang taon.

Ang unang programa na kanyang isinagawa ay ang pamamahagi ng relief packs.

Isinagawa ito ni Gianna sa Barangay La Paz, Makati City katuwang ang isang youth led organization para sa Pantawid COVID Project.

By the way, ang nagbalsa ng titulo ng Miss Philippines Earth 2020 ay si Roxie Baeyens, na best friend ni Gianna.

Si Gianna na kasalukuyang 24-anyos ay binansagan din bilang bagong 'Eco Queen.'

Bukod sa paglahok sa ilang local at national pageants ay isa rin siyang radio disc jockey.

**HINDI** maaaring magkamali si Jane, putok ng baril ang kanyang narinig.

Nakakatiyak din si Jane na dalawang sunod na putok ng baril ang narinig niya.

Nakapiring ang mga mata subalit natitiyak ni Jane na ang dalawang putok ng baril na iyon ay para kay Bernard.

Gustong sumigaw ni Jane at magtanong sa lalaki subalit tinakpan din ang kanyang bibig.

Pagpupumiglas at pag-iyak na lamang ang tang-ing nagagawa ni Jane.

"Sakay. Sumakay ka na sabi eh, 'wag ka ng magpupumiglas dahil wala ka ring magagawa pa."

Naramdaman ni Jane ang pagkakahawak sa kanya ng isang lalaki.

Pilit siyang isinasakay sa kotse at sa pagtangkang pagpiglas ay sinabi sa kanyang sumunod na lamang.

Gusto sanang sabihin ni Jane na sasakay naman siya basta malaman lamang kung ano na ba talaga ang nangyari kay Bernard.

Pero hindi nga makuhang

makapagtanong at makapagsalita ni Jane dahil may busal ang bibig niya. Malakas ang lalaki kaya nagawang maisakay si Jane sa kotse.

Naitali pa si Jane sa upuan ng sasakyan para makatiyak na hindi makakatakas.

Kasunod ay narinig ni Jane ang pag-start ng lalaki sa makina ng sasakyan.

Wala man nakikita dahil sa piring sa mga mata subalit alam ni Jane na dalawa lamang sila sa kotse ng lalaki.

"Yes. Alam ko na ang gagawin sa babaing ito, ako na ang bahala sa kanya."

Bago ganap na sumibat ang sasakyan ay narinig pa ni Jane ang salita ng lalaki.

Kausap pa ng lalaki sina Ramil at Cecile bago tuluyang pinaandar ang sasakyan.

Bumabagtas ang sasakyan at tahimik na lamang si Jane na hinihintay ang susunod na mangyayari.

"Sayang...sayang..."

## TESTING CZAR VISITS BACCOOR CITY, HOLDS DIALOGUE ON COVID-19

**BACCOOR CITY, Cavite (PIA) -- National Task Force COVID-19 Deputy Implementer and currently Testing Czar Secretary Vince Dizon visited the city to hold a dialogue with the members of the Bacoor City Task Force COVID-19 led by City Mayor Lani Revilla.**

The consultation between the City Task Force and the party of Sec. Vince Dizon discussed the current status of the testing and isolation facilities of the city.

Mayor Revilla presented the COVID-19 Update in the city that showed an upsurge in the number of positive cases of the coronavirus since the beginning of the month of July. Based on the latest data, almost 60% of the new cases are employees working in NCR.

The upscale trend highlighted the need for a massive and aggressive PCR testing that would result to the shortage of isolation and quarantine facilities.

The Testing Czar committed to immediately act on the issues brought up in the dialogue with provision of additional swab teams from the NTF for the massive testing, and offered to add more isolation and quarantine facilities in the city because of an expected increase in the number of cases after conducting testing of all suspect cases in the city.

Sec. Dizon said, "The city of Bacoor is no different in the situation and needs of those in the NCR because of its location."

Aside from the dialogue, Sec. Dizon together with officers of the Department of Health IV-A turned-over 5,000 Personal Protective Equipment (PPE) sets comprised of body suits, face masks and gloves and about 2,000 pieces of PCR test kits for the 1st batch of donations to the city government.

NCR, Cavite, Laguna and Rizal are now considered as the epicenter or source of the big cases of the COVID-19, and the NTF will now be the partner of the LGUs to help curb the virus.

Mayor Lani was thankful for these interventions by the NTF and also called for the help and cooperation of the companies and employers of Bacooreño workers in NCR to help with the pro-

vision of isolation facilities so as not to require the patients to return home to prevent the spread of infection to their immediate family and to the community as well.

The city currently has recorded 522 confirmed cases out of which 302 are Active cases, 189 had fully recovered and 31 deaths as of July 22, 2020. **(Ruel Francisco, PIA-Cavite with reports from Bacoor PIO)**

## Paglililaw ng BI

**TANGING** ang mga dayuhan na may permanente o immigrant visas ang maaari lamang pumasok sa bansa simula ngayong Agosto 1, ayon sa paglililaw ng Bureau of Immigration.

"For the information of the public, the entry of foreign tourists, non-immigrant visa holders, and other categories of aliens are still prohibited. They will be turned back if they land in any of our ports of entry," ayon kay BI Commissioner Jaime Morente.

Ang pahayag na ito ay sinabi ng BI Chief bilang paglililaw sa mga tanong na natatanggap ng kanilang immigration officers sa mga airport at field offices na umano'y nagbukas na ang paliparan sa mga dayuhan.

"The resolution of the Inter-Agency Task Force for the Management of Emerging Infectious Diseases (IATF-EID) is clear - only foreigners with existing long-term visas will be allowed entry beginning August 1. So if you are not a permanent resident here, do not attempt to travel to the Philippines because you will be excluded and denied entry by our immigration officers," ayon pa kay Morente. Umapel rin sa Morente na

## Libreng walk-in testing center sa Maynila, dadagdagan pa

**TILA** madadagdagan pa ang ng panibagong libreng "walk-in" testing center sa lungsod ng Maynila.

Ito ang sinabi ni Manila Mayor Isko Moreno Domagoso nang magsagawa ng inspeksyon, kasama si Vice Mayor Maria Sheila "Honey" Lacuna-Pangan, sa karagdagan makina na gagamitin sa Justice Jose Abad Santos General Hospital (JJASGH) para sa walk-in COVID-19 testing center.

Sinabi ni Domagoso, bumili ng panibagong COVID-19 serology machine na gawa ng Abbott ang lokal

na pamahalaan gamit ang mga natanggap nilang donasyon. Sinusulat ito ay inaasahan ang pagsisimula ng panibagong walk-in testing center na itatayo sa labas ng nabanggit na ospital bilang bahagi na rin ng pamahalaang lungsod na mapalakas pa lalo ang kanilang "mass testing program." Inatasan naman ni Domagoso ang pamunuan ng JJASGH na si Director Dra. Merle Sacdalan na unahing isailalim sa pagsusuri gamit ang bagong makina ang mga nagsisilbing frontliners nila kabilang ang mga health workers, nurse at doctor.

Sa naturang walk-in testing center, maaaring magpasuri rito ang mga residente na kalapit nito tulad ng mga taga-Baseco, taga-Valderama, Brgy. 275, Brgy. 20 at ilang parte ng Binondo gayundin ang mga teacher na naninirahan malapit sa nasabing lugar upang mabigyan sila ng kapanatagan o kaya ay matukoy agad kung nagtataglay sila ng sakit na COVID-19.

Ayon pa kay Domagoso, bibili pa sila ng karagdagan "reagents" na pinaglalagyan ng mga blood samples ng mga nagpapasuring pasyente at ginagamit para sa testing facility.

Matatandaan na inilunsad ang unang walk-in testing center sa Ospital ng Sampaloc kung saan dinagsa agad ito ng mga nais magpasuri.

Bukod sa mga nasabing walk-in testing center ay nauna nang inilunsad ang libreng "drive thru" COVID-19 testing center sa harap ng Andres Bonifacio Monument sa tabi ng Manila City Hall na kayang magsuri ng may 200 indibidwal at Quirino Grandstand na kayang magsuri ng may 700. **(leonard basilio)**

tigilan na ang pagkakalat ng pekeng balita na bukas na ang Pilipinas para sa mga dayuhan dahil nagbibigay lamang ito ng kalituan at pangamba sa mga paliparan.

Paliwanang naman ni BI Port Operations Division Acting Chief Grifon Medina na mayroon lamang apat na kategorya ng visa ang kanilang papayagan na makapasok sa bansa ngayong Agosto 1 at kabilang dito ang naisyuhang ng Immigrant visas sa ilalim ng Section 13 ng Immigration act; ang mga nakakuha ng resident status sa ilalim ng Republic Act 7919 o Alien Social Integration Act; ang mga nabenebisuhan ng Executive Order 324 o Alien Legalization Program; at mga ipinanganak na mga foreign nationals.

Dagdag pa ni Medina na kasama rin ang mga dayuhan na nakapag-asawa ng Filipino at kanilang mga anak at mga diplomat na sinang-ayunan ng IATF.

"We are therefore advising the different airlines to take note of these latest travel guidelines so that they can accordingly inform their foreign customers who may wish to book their flights to the Philippines," ayon kay Medina. **GENE ADSUARA**

Narekober sa suspek ang 6-sachet ng hinihinalang shabu na may humigit kumulang 16-gramo na timbang, dalawang libong piso at ang isang libong piso na marked money ng ginamit sa nasabing operasyon ng mg pulis. **JOHN ROBERT AMOROSO**

## TOOL OF CHOICE, BUMANDERA!

Walang hirap na nakuha ang unahan ng kabayong si Tool Of Choice na sinakyan ng hineteng si Rod Adona sa takbuhang naganap sa karerahan ng Santa Ana Park sa Naic, Cavite at dahil sa gaan ng dala o timbang na 51 kilograms ay hindi na nagawang makadikit pa ng kanilang mga nakalaban. Sumegunda sa kanila ang dala ni Jesse Guce na si Zapima at tersero ang dehadong si Oceanside ni Jomer Estorque. Sa karerang iyan ay walang nadaanan ang top choice na coupled entries na sina Be Humble at No Regret, kaya tiyak na babawi sila sa susunod na pagtakbo. Sa sumunod na takbuhang ay nakuha sa tiyaga ni Pamboy Ponce na parematehin ang sakay niyang si Windy Star upang biguin at naunahan nila sa pagparemate si Board Walk ni Joel Siego, malapit na tumersero sa kanila ang dala ni Mark Lanot na si Bullet Fever. Sa takbuhang iyan ay naunahan ni Mark na agawan ng puwesto sa may tabing balya ang sakay ni Joel na mas kilala rin na dobleng manakbo sa nabanggit na puwesto, kung kaya't mula sa ika- apat na posisyon ay inikot pa si Board Walk na patakbuhin na lamang sa may gawing labas dahil nakabara sa kanila si Bullet Fever, subalit sa pagkakataong iyon ay mas nagalawan na ni Pamboy sa labas si Windy Star kaya walang ibang nagawa si Joel kundi ang pumuwesto sila sa may kalabas- labasan na siyang ikina- antala nila. Malayong nagwagi naman ang kabayong si Magnificent Seven na nakatagpo ng sobrang gaan na nalabanan. Halos pameta na lamang ang top choice na si Tabing Ilog na nakipag- lutsahan sa matulin na kabayo na si Happy Man ay biglaang naubos rin sa huling diretsahan kung kaya't narematehan pa nung nanggaling sa likuran na si Double Rock. Samantala, maganda naman ang itinakbo ng kabayong si Easy Landing sakay ng hineteng si Amon Raquel Jr. matapos na may natira pang lakas na naipang- tapat sa mga rumemateng sina Oktubre Katorse at Triton.

**KALABOSO** si Nino Gravoso na nakumpiskahan ng 3 pirasong plastic sachet ng hinihinalang shabu sa isinagawang buy bust operation ng SDEU, Paranaque City Police Station sa Kastanyas St., Purok 5, Sampaloc II, Brgy. B. F. Homes, Paranaque City. **(JIMMY HAO)**

# WALANG LIHIM NA 'DI NABUBUNYAG

**MINSAN** pang napatunayan ang kasabihang ito dahil pagkaraan ng apat na taon na paglilihim ay lumabas din ang katotohanan na wala pala sa ibang bansa ang isang 54-anyos na ina kundi nasa ilalim ng septic tank na itinago at inilibing ng sarili nitong anak na babae at katuwang ang nobyo sa ginawang krimen sa **Dasmarinas City, Cavite**.

Kasong murder ang isinampa laban kina Jhoana Marie Sayos, 22; at kinakasama nito na si Ronald James Rubi, 26, dahil sa pagpatay kay Maria Evelyn Sayos ng Phase 1 Villa Luisa Subdivision Brgy San Agustin 3 ng lunsod na ito. Ang pagsasampa ng kaso laban sa dalawa ay dahil sa pagkakatuwasan ni John Levy Sayos, anak din ng biktima.

Natuklasan nito ang bangkay ng ina sa ilalim ng septic tank dakong alas-2:00 Miyerkules ng hapon matapos ipagawa ang kanilang bahay.

Ang bangkay ng biktima ay nakabalot pa sa isang sako kasama ang mga Identification cards (ID) nito.

Inamin naman ng magkasintahan ang ginawang karumal-dumal na krimen.

Sa imbestigasyon ng pulisya, 2016 nang nawala si Evelyn pero kapag tina-

tanong umano ng iba pang anak ng biktima ay alibi umano ni Jhoana Marie na nagtungo ang ina sa Singapore dahil nagkatampuhan umano silang dalawa. Ang mga suspek at biktima ay magkakasama sa isang bahay.

Hindi naman umano nagduda ang iba pang kapatid dahil sa tuwing ite-text nila ang kanilang ina ay sumasagot naman.

Sa imbestigasyon ay ang anak na si Jhoana Marie ang sumasagot ng text sa mga kapatid.

Taon 2018 nang i-report na nawawala ang biktima.

Sinabi ni Police Lt/Col. Richard, hepe ng Dasmarinas CPS, lumitaw na pinalo ni Ronald James ng martilyo ang biktima at nang nakitang buhay pa ay pinakuha nito ng patalim si Jhoana Marie upang tuluyang patayin.

Ang biktima ay inilibing sa hindi pa tapos na septic tank sa tabi ng kanilang bahay saka sinemento.

Nabatid pa na sa tuwing nagangamoy umano ang bangkay ng biktima ay tinatapan umano ni Ronald James ng panibagong semento ang septic tank.

Ayon pa sa imbestigasyon, may matindi umanong galit sa biktima si Ronald James na pinagplanuhan ang krimen. **GENE ADSUARA**

## OBRERONG SENIOR CITIZEN, NALIBING NG BUHAY

**NALIBING** nang buhay ang 66-anyos na obrero matapos natabunan ng lupa mula sa hinuhukay na drainage sa isang construction site sa Naic, Cavite.

Isinugod pa sa San Lorenzo Ruiz Hospital ang biktima si Joel Andico, may-asawa, ng Naic, at nagtrabaho sa MRS Construction Company.

Sa ulat ni PMSgt John Paulo Mellona, ng Naic Municipal Police Station, dakong ala-10:00 ng umaga nang nagapang ang insidente kung saan naghuhukay ng drianage ang biktima kasama sina Edu-

ardo Crema at Alvin Ibasco sa Brgy Palangue 3, Naic at umano'y bumigay ang lupang nagsisilbing pader nito.

Kasunod ay natabunan ang biktima habang ang dalawang kasama nito ay mabilis na nakatakbo pahon.

Nagsagawa naman ng rescue operation ang mga kagawad ng BFO at MDRRMO kung saan makalipas ang isang oras ay narekober ang katawan ng biktima at isinugod sa ospital subalit idineklarang dead on arrival. **GENE ADSUARA**

## Kapag nasita at nahuli ay malas

**PARA** maiangkas ang asawa o live-in partner sa single motorcycle ay kailangang mayroong awtorisadong barrier.

Rider ka, mayroon kang asawa o kinakasama... susundin mo ba ang alituntuning ito?

No choice eh! Iyan ang malutong na kasagutan para lamang maisakay si misis o ang kapareha.

Kailangang gawin at sundin upang maiangkas pasok ng trabaho.

Maisakay para katuwang sa sariling hanapbuhay o munting negosyo.

At para na rin sa iba pang pagkakataon o kadahilanan na ang kailangan lamang ay ang sumunod sa patakaran.

Heto ang katanungan at nakakapagtaka dahil marami pa rin ang hindi naman sumusunod subalit nag-aangkas pa rin.

Sa totoo lang, kahit

noong ipatupad ang lockdown mahigit apat na buwan na ang nakakaraan ay may mga nagmomotor na walang kaba o takot sa pag-aangkas.

Ang mentalidad ng iba ay tsambahan lang daw naman, kumbaga kapag nasita at nahuli ay malas.

Mas nakararami naman ang tumatalima subalit may ilan na sumusuway.

Saan sila kumukuha ng lakas ng loob at tapang para gawin ito sa kabila na alam naman nilang bawal?

Balik tayo sa barrier, sa ganang akin ay hindi naman talaga dapat ito para sa mag-asawa o magkapatner sa buhay.

Bakit kaya hindi pag-aralan ang pagpapatupad at paggamit nito para sa mga tinatawag na pamublikong motorsiklo.

Just asking!
