'Pag nandadakma ng 'boobs'…

BINATILYO, TANGGAL-TSINELAS PARA BILIS TAKBO

ISTILO umano ng isang binatilyo na magtatanggal o maghuhubad ng suot na tsinelas tuwing mandadakma ng boobs ng binibiktimang babae para mabilis na makatakbo at makatakas.

Isang 16-anyos na menor de edad na teenager ang naaresto nang nakilala ito sa pamagitan ng Closed Circuit Television (CCTV) sa Maragondon, Cavite.

Hawak na ng Municipal Social Welfare and Development (MSWD) ang suspek na itinago sa pangalang Rueben, ng Brgy Ggarita A, Maragondon.

Inireklamo siya nina Ellen, 43; at Dessa, 27, kapwa hindi tunay na pangalan at residente ng Maragondon.

Sa ulat ni PMSgt Asharani Lalwani, ng Maragondo Municpal Police Station, unang naganap ang insidente dakong alas-4:50 ng madaling araw habang alas-2:44 ng hapon ang pangalawang insidente sa Brgy Garita A.

Ayon kay Lalwani, modus operandi ng binatilyo ay magtanggal ng tsinelas upang mabilis umano siyang makatakbo kapag mabibiktima.

Unang biniktima si Ellen kung saan nakitang naglalakad, sinundan umano ng binatilyo at nang nakalapit ay saka nito nilamas ang dibdib ng babae.

Nagjo-jogging din umano si Dessa sa nasabing lugar nang natiyempuhan ng binatilyo at nang nalapitan ay biglang dinakma ang dibdib nito.

Unang nag-report si Dessa sa himpilan ng barangay at sumunod naman si Ellen na pareho ang reklamo at iisa ang deskipsiyon nila sa suspek.

Matapos panoorin sa CCTV na nakaksakop na barangay ay inaresto ang binatilyo.

Nabatid na ang binatilyo ay dati nang naaresto sa curfew sa lugar. ***GENE ADSUARA***

Sex video nina tserman at tresurera, napanood ng buong barangay

NAPANOOD ng buong barangay ang sanay isang barangay on line zoom meeting para talakayain ang isyu sa Covid-19 subalit sex video pala nina tserman at kanyang tresurera sa loob mismo ng barangay hall sa Dasmarinas City, Cavite.

Nabatid na nakatakda sanang magsasagawa ng online zoom meeting sa Barangay Fatima 2 sa nasabing Lungsod para pag-usapan ang Covid 19 pero iba ang naganap.

Sa ulat, inakala ng Tserman na hindi naka-on ang kanyang video cam kaya nagpasya munang magtalik ang una at ang kanyang barangay treasurer.

Sa kumalat na video, makikita na nakatuwad ang babae habang katalik ng lalaki.

Subalit hindi alam ng dalawa na nakabukas pala ang video cam nito kung kaya nakita ang kalaswaang ginagawa nila sa loob mismo ng Barangay Hall.

Naka-live ang nasabing Online Zoom meeting kung kaya halos lahat ay nakapanood sa nagaganap na pagtatalik ng dalawa.

Dahil sa pangyayari, nagkaisa ang ilang residente na gumawa ng petsiyon laban sa kanilang Kapitan para agarang matanggal.

Ayon naman sa Department of Interior and Local Government (DILG) na isang "unbecoming of a public officials" ang ginawa ng dalawa at kanilang iimbestigahan ang nasbaing pangyayari. ***GENE ADSUARA***

TESDA's TOTS project **to benefit relocation site** in Maragondon town

TRECE MARTIRES CITY, Cavite (PIA) -- The Technical Education and Skills Development Authority (TESDA)-Cavite will launch the Turn-On-The-Sun (TOTS) project on August 28, 2020 in Maragondon town.

This is a five-day training for Basic Solar (off-grid) Lighting and Charging System for the benefit of the residents of Barangay Sta. Mercedes as well as identified personnel of the local National Police (PNP) and Armed Forces of the Philippines (AFP). Said training will not only provide additional skills for the learners but also working solar lighting and charging system for their personal use.

TESDA, being the PRLEC (Poverty Reduction, Livelihood and Employment Cluster) Chair in the national level, under the directive of President Rodrigo Duterte, aims to develop self-reliant, resilient and sustainable communities through harmonized and culturally responsive development programs.

The identified PRLEC priority barangay for the province of Cavite is Barangay Patungan which is now known as Barangay Sta. Mercedes in Maragondon, that was also a priority barangay under the National Intelligence Coordinating Agency (NICA) in 2019.

A land dispute between the residents and a private corporation caused the relocation of half of the residents with the relocation area lacking in electricity, thus the launching of TOTS project.

Likewise, partner agencies in the PRLEC, such as Cooperative Development Authority (CDA), Department of Science and Technology (DOST), and the Department of Trade and Industry (DTI) shall be providing training seminars for Cooperative organization and entrepreneural skills, among others.

There will also be an awarding of the basic/starter tool kits from the previous training, Cut and Sew Leading to Dressmaking. About 20 participants of the training will also given sewing machines, sponsored by the Department of Labor and Employment. ***(Ruel Francisco/TESDA-Cavite Provincial Office)***

ARESCOM officials train on organic agriculture

CALAMBA CITY, Laguna (PIA) --About 49 army officials from the Army Reserve Command (ARESCOM) based in Camp Riego de Dios in Tanza, Cavite have completed the training in Organic Vegetable Production Program thru the Farmers Field School (FFS) of the Department of Agriculture in coordination with ARESCOM.

The training which commenced April 30 ended August 13, 2020 while the graduation ceremony was held August 20, 2020.

DA CALABARZON Regional Executive Director Arnel V. de Mesa attended the ceremony as the graduation's guest of honor.

In his speech, RED de Mesa expressed his utmost appreciation to the graduates who gave their time and effort in learning the basics of organic agriculture.

"Farming is never an easy job and farmers are our real-life heroes who never fail to give us healthy and delicious food. May this program be a stepping stone into keeping not just ARESCOM food sufficient, but also the rest of Cavite specially so during this COVID-19 pandemic", he said.

RED de Mesa pledges to give additional livestock modules like goats and poultry to ARESCOM as well as a brand-new multi-tiller to help in preparing their farm lands.

ARESCOM's Major General Peale Jon L. Bondoc expressed his gratitude to DA CALABARZON's support in their endeavor of making their campsite food sufficient through organic agriculture.

"I have nothing else to say but thank you. The Department has done its job. The challenge now is for us in ARESCOM to sustain this worthwhile intervention. Let us not put to waste the materials, equipment, and trust given to us by the agriculture department."

Major John O. Geronimo echoed his experience during the FFS, saying that his farming knowledge was developed by this project.

"This farming course helped me realize the real importance of agriculture, especially during the COVID-19 crisis that we are facing at the moment. This will not just help the camp, but other people can also benefit from whatever we will harvest or grow in our farms," Geronimo said.

On the other hand, Command Sergeant Major Artemio J. Obena said they learned everything from making organic fertilizers to keeping their crops safe by using organic pesticides and insecticides.

"I learned a lot from FFS and for someone who is about to retire, this intervention from DA will help me a lot in my retirement", he said.

Aside from the training, the DA CALABARZON also provided interventions like vegetable seeds, seedling trays, plastic mulch, nets, garden tools, compost fertilizer, cassava cuttings, mushroom production units, and livestock modules in a bid to further their knowledge in organic agriculture and hone their farming skills in order to improve food production in the camp.

The FFS in Organic Vegetable Production is only one of the many programs under DA's Integrated Organic Agriculture Production Project in coordination with ARESCOM which aims to mitigate the impact of the pandemic through adoption of proven and effective agricultural processes.

Therefore, the graduation of a new batch of agriculture enthusiasts is another step closer into the regional office's goal of making CALABARZON a food sufficient region.

Also in attendance in the graduation rites were DA officials from Cavite including Mr. Felix Joselito Noseda, Agriculture Program Coordinating Officer; Ms. Eda F. Dimapilis, Regional Organic Agriculture Prohram Coordinator; Mr. Domingo Austria, municipal agriculturist representative; and other farmers groups. ***(PIA-4A/DA IV-A RAFIS)***

OPERATION HANAP-COVID, SINIMULAN NA NG DOH SA CALABARZON

SINIMULAN na ng Department of Health (DOH)-CALABARZON (Cavite Laguna Batangas Rizal Quezon) ang paghahanap sa mga may kumpirmadong may mataas na aktibong kaso ng COVID 19 sa rehiyon sa pamagitan ng estratehiyang bara-barangay.

Ayon kay Regional Director Eduardo C. Janairo, tinawag niya itong "Coordinated Operations to Defeat Epidemic" o CODE COVID-19 kung saan ang bawat barangay ay mahigit na susubaybayan at tiyakin na ang kanilang pag-access sa mga isolation facility kasama ang birthing facility, laboratory at dialysis center.

Ang bilang ng mga mangagagawa sa bawat barangay ay isasaalang-alang din kasama ang pagkakaroon at tulong ng Barangay Health Emergency Response Team (BHERT) at Philippine National Police.

Ang CODE strategy ay ang mahigpit na pakikipag-ugnayan sa paaitan ng mga kinatawan ng DOH, mga local units ng gobyerno at mga komunidad upang matiyak na ang mga komunidad ay maayos na nakahanda sa general community quarantine o GCQ.

"Dito ay magfo-focus tayo sa barangay level and we will address it through a more stringent enforcement of health protocols including localized lockdowns, curfews, staying at home and lesser social interactions to prevent the spread and transmission of the virus." ayon kay Janairo.

Dagdag pa nito na kapag ang istratehiyang ito ay naipataupad na at nalaman na kung sino ang mga nagpositibo ay saka sisimulan na ang massive swab testing.

"Once these are all in place, we will begin the massive swab testing immediately sa mga identified barangays. Magkakaroon tayo ng active case finding at magha-house-to-house tayo to check kung mayroong mga taong may covid symptoms sa kanilang mga bahay. Kapag mayroong nagpositibo na miyembro ng isang pamilya ay kailangang i-lockdown ang bahay at walang palalabasin upang hindi makahawa pa ng iba. We will isolate residence who are positive with COVID-19 including their close contacts." pahayag ni Janairo.

Dagdag pa ni Janairo, libre ang swab testing para sa mga residente ng mga matutukoy na barangay.

Sinusulat ito ay nakapagtala ng 15,292 COVID 19 kaso sa CALABARZON at 10,086 active cases.

Mayroon namang 4,789 recoveries at 420 deaths ang iniulat.

Sa limang probinsya, ang Laguna ang may pinakamaraming naitalang kaso na may 5,857 sinundan ng Cavite na may 3,492 at Rizal na may 2,922 kaso, mayroon namang 2,263 sa Batangas at Quezon na may 761 kaso.

"Ugaliin natin ang pagsusuot ng face mask pag lumalabas ng bahay at sanayin na natin ang ating sarili sa pagsunod sa mga minimum health standards gaya ng social distancing. Huwag ng lumabas ng bahay kung hindi naman kinakailangan. We may have to restrict our movements but this can help keep ourselves and our loved ones safe and secure," paalala pa ni Janairo sa publiko. ***GENE ADSUARA***

Magulang na nagtutulak

NASAGIP ng mga awtoridad ang 15 biktima ng exploitation and trafficking, 13 rito ay mga menor de edad pa lamang.

Ang entrapment operation ay ikinasa nitong Agosto 20 sa magkahiwalay na lugar sa Bislig City, Surigao del Sur.

Malaking tulong ang ibinigay na impormasyon sa ating kapulisan mula sa Australian Federal Police.

Kaya naman kaagad bumuo ng grupo na kinabibilangan ng mga tauhan sa Women and Children Protection Center, at Anti-Cybercrime Group.

Kasama rin ang mga tauhan ng Caraga Region Police, Department of Social Welfare and Development, at Regional Inter-Agency Council Against Trafficking.

Batay sa 'info ay may mga nagaganap na online sex shows at ang masaklap ay mga menor de edad ang nasasangkot habang aliw na pinanonood ng mga dayuhan kapalit ng kaukulang bayad.

Malakas ang hawak na ebidensiya ng ating kapulisan upang maibaon sa mga kaso ang mga nahuling suspek.

Lima ang naaresto ng mga awtoridad at sinasabing mismong magulang ang mga ito ng mga nasagip na minor victims.

Ibang klase talaga, nagagawa ng magulang na 'babuyin' ang kanilang mga anak.

Ito ay dahil sa kinang ng salapi kaya nasisikmura nila na ang kanilang mga anak ay maibilad sa ganoong uri ng gawain kahit napakamura pa ng edad.

Pwede bang sabihin at ikatwiran na kaya nagagawa lamang iyon ay dulot ng matinding kahirapan?

Maling-mali dahil unang-una ay hindi nga dapat itulak sa hanapbuhay ang mga paslit lalo na sa ganoong uri ng trabaho.

Ang ganitong gawain ay may kinakaharap na kaso kaugnay ng

Paglabag sa Republic Act (RA) 9208, RA 9775 in relation to RA 10175 and RA 7610; at violation of RA 10364 or the Expanded Anti-Trafficking in Persons Act of 2012.

Ang Philippine National Police at Australian Federal Police ay mayroong working partnership ngayon.

Nakatuon ito sa paglaban at pagsugpo ng child tracking and exploitation sa pamamagitan ng Philippine Internet Crimes Against Child Center.

Bakit kasi may ilang magulang na sila pa ang nagtutulak sa 'kababuyan' sa kanilang mga batang anak?

Magsilbing aral at babala sana sa inyo ito.

Mitsa ng pagpapatiwakal

ANG mga mental health experts ay nababahala sa sinasabing ulat na paglobo ng bilang sa kaso ng pagpapakamatay sa ating bansa.

Napakalaking epekto talaga sa kaisipan ang patuloy na pananalasa ng COVID-19.

Sa labis na pag-iisip ay direktang tumatama sa depresyon na kamatayan ang ginagawang desisyon para mawakasan ang lahat ng suliranin o ang paghihirap.

Mahalaga ang papel na ginagampanan dito ng mga psychiatrists, psychologists, psychometricians, guidance counselors, mental health professionals at iba pang health care workers.

Malaking bahagi rin ang mismong pamilya at mga kaibigan o kasama para maibsan ang suicide attempt sa pamamagitan ng kumustuhan o komunikasyon.

Tama rin ang pagkilos ng simbahan at mga spiritual leaders sa pagbibigay ng counseling.

Mas makakabuting magbigkis at magtulungan para ipagkaloob ang tamang laban kontra depresyon na nagiging mitsa ng pagpapatiwakal.

SC JUNKS ABS-CBN PETITION VS. NTC HALT ORDER

MANILA – The Supreme Court (SC) has dismissed the petition of broadcast firm ABS-CBN against the cease and desist order issued by the National Telecommunications Commission (NTC) after its legislative franchise expired last May.

In a statement, the high court cited the "supervening denial of the pending House bills for the renewal of the firm's legislative franchise" in July and found it appropriate to dismiss the case on the ground of mootness.

"Because of this supervening event, there is no actual substantial relief which ABS-CBN Corporation would be entitled to regardless of the Court's disposition of the merits of the petition," it said.

Associate Justice Priscilla Baltazar-Padilla took no part as she was on leave in the ruling by the court which voted unanimously to dismiss the petition.

In a 70-11 vote on July 10, the House committee on legislative franchises denied the application for a legislative franchise of the firm.

Previous House hearings have discussed the network's franchise issues, including the citizenship of ABS-CBN chair emeritus Gabby Lopez; possible violation of the constitutional limits on foreign ownership; reported labor and tax violations; and other violations on the terms of its legislative franchise.

Last June, the SC dismissed a petition filed by Solicitor General Jose Calida in February, which had sought to terminate the franchise of the firm after the court ruled that his quo warranto suit had been mooted by the expiry of the broadcast firm's franchise.

Calida, in opposing ABS CBN's continued operation, claims that the firm illegally acquired smaller corporations that have legislative franchises over frequencies and used investment schemes to circumvent the constitutional restriction on foreign ownership of mass media entities.

ABS-CBN stopped its television and radio broadcasts on May 5 after the NTC issued a cease and desist order following the expiration of the network's 25-year legislative franchise on May 4.

On June 30, the NTC issued another cease and desist order directing the media network to stop operating its digital television transmission using Amcara Broadcasting Corp.'s Channel 43.

The order affected programs aired on ABS-CBN's TVPlus offerings, which include Cine Mo!, Yey!, DZMM Teleradyo, Jeepney TV, Asianovela Channel, and its pay-per-view channel KBO. ***(PNA)***

CHED appoints SEARCA Director as Chairperson of Technical Panel for Agriculture

LOS BANOS, Laguna (PIA) -The Commission on Higher Education (CHED) has appointed Dr. Glenn B. Gregorio, Director of the Southeast Asian Regional Center for Graduate Study and Research in Agriculture (SEARCA), as Chairperson of the CHED Technical Panel for Agriculture (TPA).

CHED said it "has appointed new technical panel members in the fields of public administration and agriculture to carry out the mandate of the Commission to harness the equal representation of the academe, government and industry in curriculum reform and ensure that academic programs produce the needed manpower for local and international needs."

The academe is represented in the TPA by Dr. Candida B. Adalla and Dr. Domingo E. Angeles, former College of Agriculture deans of the University of the Philippines Los Banos (UPLB), and Dr. Danilo E. Abayon, former President of Aklan State University. Ms. Nikole Ma. Nimfa Alicer, farmer and founder of Kalipayan Farms, represents the industry. According to CHED, the TPA members representing the government will soon be appointed. Dr. Aimee Lyn Dupo, UPLB Graduate School Secretary and Professor at the UPLB Institute of Biological, was appointed as a technical evaluator.

With a term of four years, Technical Panel members are expected to assist the Commission in providing technical expertise, particularly in the development of disciplinal and degree program roadmaps, CHED said.

CHED added that the Technical Panel members will also review, revise and update policies, standards, and guidelines (PSGs) based on the policy direction set by the Commission and consistent with local, regional, and international needs and industry trends.

The Technical Panel will also "develop or revise Policies and Guidelines on Centers of Excellence and Centers or Development (COE/COD) for the various disciplines and in the crafting of monitoring and evaluation instruments and systems, as well as orientation of technical evaluators."

On the other hand, CHED explained that the technical evaluators are group of experts and specialists whose main function is to monitor and evaluate compliance of higher education institutions with the PSG set by the Commission.

"The reconstitution of technical panels is anchored on the need to align higher education to standards, priorities and needs in international, regional, and national settings. The experts from academe, government and industry will assist the Commission in policy formulation and implementation consistent with the principles of transparency, accountability and participation," said CHED Chairman J. Prospero E. De Vera III.

Dr. Gregorio said he welcomes the challenge to lead efforts in reforming the agriculture curriculum in the country's higher education institutions (HEIs) to make it more relevant to the present and future job markets in the Philippines and abroad.

As agriculture remains a major engine of economic development in most Southeast Asian countries, Dr. Gregorio reiterated the strategic position of HEIs to pursue projects and initiatives related to food and nutrition security and their agility in designing their curricular and extension programs to produce professionals who can actively engage in achieving food and nutrition security goals. ***(PIA-4A/SEARCA)***

SM FOUNDATION INC. AND SM SUPERMALLS CAVITE'S OPERATION TULONG EXPRESS ROLLS AGAIN

SM Foundation through SM Supermalls in Cavite once again conducted Operation Tulong Express (OPTE) in several areas in Cavite that benefitted tricycle and jeepney drivers who were jobless due to the suspension of its operation, and the nearby community amid COVID-19 Pandemic.

In accordance with the declaration of Enhanced Community Quarantine all over NCR and Cavite on March 2020 that aimed to alleviate spread of the virus, government suspended operations of Public Transportation such as Tricycle and Jeepney operations. This suspension brought too much worry to the drivers who were breadwinners and who were just getting means of living through everyday trip.

Due to this unexpected occurrence, apprehension and depression came into some of the drivers that led them begging in the street for some help and assistance. They are one of the most affected sectors of this pandemic who really needs attention and help. That is why SM Foundation through SM Supermalls Cavite and all the SM Supermalls nationwide thought of giving Kalinga Packs to the TODA Federators and Driver Operators near SM Cavite Malls- SM City Bacoor, SM City Dasmarinas, SM Marketmall, SM City Rosario, SM City Molino, SM City Trece Martires and SM Center Imus. This small gesture of kindest will somehow ease their burden and give them hope in the future. Moreover, OPTE reached other groups as well in nearby communities. Over 2,000 Kalinga Packs and more than 500 packs of rice were given.

"Ito pong aming Barangay ay lubhang nasalanta nitong pandemya, kaya malaking tulong po ang nagawa sa amin ng SM, para sa ayuda na natanghap namin ngayong araw na ito. Maraming maraming salamat SM!" said, Capt. Elmer Pagkawalinggan of Brgy. Wawa 3, Rosario Cavite.

Operation Tulong Express is one of the many programs of SM Foundation through the help of SM Supermalls in supporting communities.

HANDA PA RIN SUMABAK LABAN NG LAHI PLATOON RUN 2020

WALANG umatras sa lahat ng mga kalahok sa Laban ng Lahi Platoon run na inilipat ang petsa sa Disyembre, 2020 sa kabila ng pinakikiramdamang sitwasyon ng pandemya na unang nakatakda sana sa Setyembre 18.

Sa paliwanag ni President at Founder Laban ng Lahi sports events Philippine Airforce former Captain Joenel Pogoy, lahat ng mga partisipanteng 33 bawat koponan ay handa pa ring sumabak at tumakbo sa Bislig, Surigao nang maging panauhin ito sa TOPS Usapang Sports on Air "Na-coordinate na namin na magiging successful ang event bagamat wala pang nakatakdang petsa dahil most likely kung magwoworsen ang pandemya at wala pang vaccine ay baka i-postpone na namin uli. Pero every year may champion tayo."

Sa ngayon ay nakahanda sila sa kanilang guidelines at health protocols anuman ang iatas ng Inter-Agency Task Force (IATF), "Waiting kami sa positive development. Hindi pa kami nag-usap ng personal at naghihintay kami sa official declaration ng project, for us to proceed the project. Once na may clearance na we can start, that's the time we have to submit the formal letter to IATF. We are happy at marami nang sponsor at hindi kami kabahan para ituloy ang lahat. Sa ngayon ay minimum 50 participants sa running competition na hindi sabay-sabay tatakbo, after 10 mins, takbo ang next."

Nabanggit din niya na wala namang umatras na team dahil sa pandemya. "Excited pa lalo ang mga runner dahil saan pa ba sila, eroplano, hotel at pagkain ay libre na pong lahat. Maliban na lang sa mga late participants na sasali ay magiging sarili na nila ang gastos."

Tuloy pa rin naman ang paglahok ng mga senior citizen sa Laban ng Lahi dahil una nang nagparehistro ang mga ito at titiyaking isolate sila at magkakasama sa isang eroplano pagpunta sa venue maging sa hotel accommodation at iyan ay ipapa-facilitate sa IATF.

Iniimbitahan din ni Capt. Pogoy na bumuo ng isang team ang malalaking kumpanya upang makalahok lalo na at nanatili ang P3-M na premyo sa magkakampeon na troops. Kasama rito ang pangakong P1-M ni Senator Manny Pacquiao.

Pinangakuan din niya ang Blackwater elite ni coach Nash Racela na ipinagpasalamat naman ng huli kung may lalahok na team ang kumpanya ay libre na ang mga ito sa mga akomodasyon maging ang iba pang team ng mga kumpanyang sumusuporta sa sports. "Malaking tulong ito sa corporate company na magparticipate na matulungan ang livelihood project sa lugar. The more project ang darating nationwide. Yan ang dahilan kaya natulungan kami ni Pacquiao."

Handa rin na magpaliwanag sila sa PSC, GAB at IATF, "Willing kami na makipag-usap, we want to have a maximum participation, this is all about the Filipino not only marathon. Ayaw natin ng patayan, ayaw ng kaguluhan.

In this case, sa ganitong competition sa lahat ng province, nagkakaisa ang Pinoy. Pagdating sa seguridad ng mga kalahok at mga manonood, aniya, "Ang security ay pamamahalaan ng Phil Army, coordinate sa AFP, police visibility, security martials along the road of course with the coordination with the host city."

Nang tanungin hinggil sa interes ng foreign teams na lumahok, "Interesado pa rin ang mga foreign, free kasi ang eroplano, concern lang nila ay iyong magulo, hindi natuloy ang team ng Netherlands, dahil sa isyu ng Martial Law sa Mindanao, but the rest, next year tuloy may mga lalahok pa," pagtatapos ni Capt. Pogoy.

Bagong pro leage na ang NBL at WNBL

TAPIK sa balikat sa lugmok na sitwasyon ng professional sports ang desisyon ng National Basketball League (NBL) at counterpart na Women's NBL na maging pro league sa pagbubukas ng ikatlong season ngayong taon.

Ganito inilarawan ni Games and Amusements Board (GAB) Chairman Abraham 'Baham' Mitra sa ginanap na media conference via zoom ang pormal na pagsumite ng dalawang liga bilang pinakabagong sanctioned pro league sa bansa.

"I'm very happy that NBL is turning pro, giving more basketball players especially homegrown talents opportunities to play professionally," pahayag ni Mitra/

"Glad that there will finally be a women's pro league in the Philippines, giving women's players opportunities after graduating in college leagues. it is about time for Philippine basketball to be a gender-neutral sport," sambit ng dating Palawan Governor at Congressman.

Iginiit ni Mitra ang kahalagahan na maisailalim sa regulasyon at kapangyarihan ng GAB ang mga liga, higit at tunay na nilugmok ng lockdown dulot ng coronavirus (COVID-19) pandemic ang lahat ng sector at industriya kabilang na ang saports.

Ayon kay Mitra, nakatakdang makipagpulong ang mga kinatawan ng GAM medical, leag at pro games division sa mga opisyal at kinatawan ng mga miyembrong koponan ng NBL at WNBL para mailahad ang mga itinakdang rules and regulation, gayundin ang health and safety protocols na sinangayunan ng Inter-Agency Task Force (IATF) batay sa isinumiteng Joint Administrative Order (JAO) ng GAB, Philippine Sports Commission (PSC) at DOH.

"Natupad na po ang pangarap natin na maging isang professional league na ang NBL," pahayag ni NBL Commissioner at WNBL Vice President for basketball Operation Edward Aquino "NBL and WNBL are the country's first homegrown basketball leagues. Thank you, GAB. This move will help the league and its stakeholders in discovering and honing homegrown talents nationwide. Work hard to improve the NBL with the league now turning pro," sambit naman ni NBL executive vice president Rhose Montreal.

"Happy for the NBL players that they will be able to achieve their dream of playing professional basketball. Ever since NBL was established, it was also a dream to also create a women's league to give Filipina ballers exposure. Happy for the women's basketball players that they will now have an opportunity to extend their careers," aniya.

"Excited with the league turning pro. Even with the move to turn pro, we will not veer away with the concept that made the NBL successful which is to give exposure to homegrown talents. The leagues aim to help Filipino athletes to have a steady source of income amid the coronavirus pandemic," ayon naman kay NBL Chairman Celso Mercado.

Itinatag ang NBL noong 2018 na may konseptong ang bawat koponan na kinatawang lalawigan, munisipalidad at lungsod ay kailangang binubuo ng mga homegrown players. Umabot sa ibang bansa ang liga dahil sa Solar Sports coverage at social media.

Ang Paranaque Aces at Taguig Generals ang unang dalawang kampeon. Sa ikatlong season na nabinbin dahil sa COVID-19 kabuuang 14 team ang lalahok kabilang ang Pampanga Delta, Camsur Express, La Union Power, Zamboanga Valientes, Muntinlupa Emeralds, Cavite Ballers, Pasig El Pirata, Quezon City Defenders, Laguna Pistons, Nueva Ecija Besprens, Caloocan Executives, at Marikina Best Shoemakers.

Sinimulan naman ang WNBL makalipas ang isang taon at ang PSI Lady Air Defenders ang inaugural champion. Kasabay nito, inilatag din ng liga ang NBL Youth bilang grassroots development program.

CHED nakiisa sa PSC, GAB, at DOH

Ang Commission on Higher Education (CHED) ay sumali sa Philippine Sports Commission (PSC), Games and Amusements Board, at Department of Health sa paghingi ng mga opisyal ng mga pangkat ng kolehiyo na panatilihing ligtas ang mga mag-aaral-atleta na matalino sa kalusugan sa gitna ng sakit na coronavirus 2019 pandemic .

"Ang kaligtasan ng aming mga mag-aaral ay ang pinakamataas na pag-aalala." Sinabi ng chairman ng CHED na si Prospero De Vera ay dumating matapos ang paghahayag ng umano'y mga bula na kinasasangkutan ng dalawang koponan sa kolehiyo.

Ang kaso ng University of Santo Tomas '(UST) men basketball team ay ang pinakanagdiriwang dahil hindi ito pinapawi nang tama matapos kumpirmahin ni CJ Cansino na tinanggal siya sa iskwad.

Pagkaraan nito, lumitaw ang mga ulat na ang National University (NU) women's volleyball team ay sumailalim din sa isang bula sa pagsasanay sa loob ng Maynila at kalaunan sa mga kampus sa Calamba. Mula nang magsimula ang mga quarantine ng komunidad, sinabi ni De Vera na ipinapayo niya ang mga mag-aaral sa kolehiyo na manatili sa bahay.

Gayunpaman, ang mga ulat ng bubble ay naglalagay ng sports sa kolehiyo sa limelight muli para sa mga maling kadahilanan. Iyon ang dahilan kung bakit nasisiyahan ang PSC pambansang direktor ng pagsasanay na si Marc Velasco na tinawag ng CHED ang panawagan nito para sa kaligtasan ng mga mag-aaral sa kolehiyo sa gitna ng pandemya lalo na ang mga estudyante-atleta.

"Ang PSC ay palaging magtutulak upang itaguyod ang mga isyu tungkol sa palakasan at pisikal na aktibidad at masaya kami na ang CHED ay isang matatag na kasosyo pagdating sa palakasan sa mga unibersidad at kolehiyo," sabi ni Velasco.

Samantala, sa isang pagpupulong, sinabi ng director ng University Athletic Association of the Philippines (UAAP) na si Rebo Saguisag at pangulo ng Season 83 na si Nonong Calano na ang UST ay nakatakdang tapusin ang kanyang pagsisiyasat hinggil sa umano'y bubble ng basketball squad na naganap sa bayan ng Coach Aldin Ayo ng Capuy, Sorsogon.

"Ang komite-find committee ay nagbabalot sa kanilang pagsisiyasat at magpapasa ng resulta sa tanggapan ng rektor, " Saguisag said. Ang komite ay i-relay ang ulat sa UAAP sa kanilang board meeting.

Naghihintay din ang liga ng isang salita mula sa NU patungkol sa volleyball bubble nito. Ang magkasanib na grupong pang-administratibo para sa palakasan ay nakatakdang mag-pulong at inaasahan na ang isang miyembro ng komite sa paghahanap ng katotohanan sa UST at isang kinatawan mula sa NU na sumali sa kanila upang mai-air kung ano talaga ang napunta sa naiulat na mga bula.

Hindi pa pinapayagan ang mga koponan ng mga baguhan na magsanay sa gitna ng pandemya ayon sa magkasanib na utos ng administratibo sa pagsasanay sa palakasan, na inilalagay ang panganib ng Growling Tigers at Lady Bulldog sa pagkakaroon ng parusa para sa paglabag sa mga protocol ng kuwarentine.

TATAKBO pa rin ang mga kalahok na koponan para sa nakatakdang Laban ng Lahi sa Bislig Surigao, bagamat wala pang petsa na itinakda, bunsod ng pandemyang COVID-19 ito ang ilan lamang sa naging pahayag ni President at Founder Laban ng Lahi sports events Philippine Airforce former Captain Joenel Pogoy, sa ginanap na Tabloids Organization in Philippines Sports TOPS Usapang Sports On Air. Ang bubble 'eyed para sa pagpapatuloy ng PBA season

Ang Philippine Basketball Association (PBA) ay isinasaalang-alang ang isang pagpipilian ng bubble para lamang sa ika-45 na panahon na sa wakas ay ipagpatuloy ang gitna ng pandemyang coronavirus 2019 (Covid-19) pandemya.

Sinabi ng PBA chairman board Ricky Vargas na naniniwala siya na ang bubble ay ang tanging paraan para sa liga na itulak sa lahat ng natitirang mga laro matapos ang isang mahabang pagkaantala na dulot ng mga hakbang sa quarantine na ipinataw upang maglaman ng pagsiklab. "Ang aking sariling pakiramdam bilang chairman ay wala tayong pagpipilian.

Maaaring modelo na eh (Isang modelo na mayroon). Ang modelo ay ang NBA (Pambansang Basketball Association). Dapat lang nating unahin at hintayin ang oras na maglalaro na tayo (kailan pa tayo nakakapaglaro), ito ay ang paraan ng NBA o isang mas makabagong paraan, "sinabi ni Vargas sa online na Philippine Sportswriters Association Forum.

Pinangalanan ni Vargas ang tatlong potensyal na lugar para sa PBA. "Kami ay naghahanap sa Inspire (Sports Academy), ang NU (National University) na (ang isa sa NU) Calamba, at Araneta (Coliseum) kasi may mga hotel naman (dahil may ilang mga hotel) sa tabi nito. Kami ' kahit na naghahanap hanggang sa Clark, "sabi nito.

MAHALAGA KAY JANE DE LEON ANG KALIGTASAN NG LAHAT

NAUDLOT ang paglipad sa himpapawid ni Jane de Leon para sa kanyang pagbibidahan dapat na 'Darna.'

Lately ay may ipinalabas na opisyal na pahayag ang ABS-CBN hingil sa 'indefinite postponement' sa film production ng movie remake ni Mars Ravelo.

Ang kapasyahan ng ABS-CBN ay dumaan sa masusi at maingat na deliberasyon.

Gawa kasi ito ng kasalukuyang nararansan nating pandemiya dulot ng COVID-19.

Mayroon kasing dapat mga sunding protocol ang produksiyon para sa pagsasagawa ng mga shooting.

Darna 'yan, kumbaga ay madugo o masalimuot ang shooting o taping.

Since postpone ang paglunok ng 'bato' at paglipad sa kalawakan ni Darna ay hindi naman itinatago ni Jane ang kalungkutang nararamdaman.

Pero ang lahat ng ito ay nauunawaan ng young actress dahil mahalaga para sa kanya ang kaligtasan ng lahat.

Binibigyang pagpapahalaga ang kaligtasan ng lahat ng mga bumubuo ng produksiyon.

Nagpaabot ng pasasalamat si Jane sa lahat ng suporta kasabay ng apela para sa pagdarasal sa kaligtasan hindi lamang sa mga kasama sa production kundi maging sa lahat.

Nang mapili ang 21-anyos na aktres bilang bagong 'Darna' ay nangako siya na ang lahat ng makakaya ay kanyang gagawin para sa pagganap dito.

TUKSO KINA ARCI AT GERALD

Tukso rito, tukso roon mula sa kani-kanilang fans na sina Arci Muñoz at Gerald Anderson na siya ay ligawan.

Since single ang dalawa ay binubuyo sila ng kanilang mga tagahanga.

Lumabas tuloy ang kapilyahan ni Arci sa pagsasabi o hamong ligawan siya ng aktor.

Mukhang palipad hangin lamang ito dahil sa minsang nabanggit ng aktres.

Kung maaari ay iwas si Arci na ang makarelasyon ay kapatid sa industriya.

Nagtataglay kasi ng ugali si Arci na ang bawat nakakasama ay itinuturing niya bilang kaibigan at isang kapatid na lalaki.

Kapag ganoon ang trato ng aktres ay komportable siya sa bawat nakakasama sa pelikula.

Si Arci na bilang aktres ay isa ring singer ng bandang Philia.

LUMAPIT si Dave at mayroong ibinulong kay Mikel.

Nagulat naman si Mikel sa ibinulong sa kanya ni Dave kaya napaatras siya.

"Pare ha, 'wag ganyan."

Ang bulong kasi ni Dave at ituloy ang panliligaw dahil tiyak naman niyang mapapasagot ni Mikel si Lirio.

Ang pambubuyo pa ni Dave na kapag magsyota na ang dalawa ay madali para kay Dave na maaangkin si Lirio.

"Maniwala ka sa akin pare, isang yaya mo lang kay Lirio sa biglang-liko ay sasama na agad 'yun."

Hindi naman kumbisido si Mikel dahil bukod sa hindi siya ang ganoong tipo ng lalaki ay talagang walang pagtingin kay Lirio.

Wala siyang gusto kay Lirio at hindi niya maaaring pilitin at dayain ang kanyang sarili.

Mangyari man na magkaroon siya ng syota at dumating sa punto ng pagtatalik ay pananagutan niya ang babae.

Iyon ay dahil nakakatiyak si Mikel na mahal niya ang babae kaya nangyari sa kanila ang pagtatalik.

"Sige ganito na lang pare, no sex involve pero tuloy mo pa rin ang diskarte kay Lirio."

Kumambiyo si Dave dahil alam na hindi niya mapipilit ang kanyang kaibigan.

"Malalaman mo agad kung kelan tayo pupunta sa dyowa ko, sasabihan kita."

Nagkahiwalay ang magkaibigan na maayos ang kanilang usapan na walang ligawan kay Lirio na magaganap.

Basta ang usapan lamang ng dalawa ay ipapakita ni Dave ang pruweba na may syota na siya.

Sukat ba naman kasing nagbaligtad at si Mikel ang nagpupumilit kay Dave na diskartehan si Lirio.

"Mano po 'La."

Kaya naman si Dave na ang nagyayang maghiwalay na sila at pagdating ni Mikel ay nadatnan ang kanyang lola na nakaupo sa sala ng bahay nila.

Diretso ng kwarto si Mikel pero hindi nakapagpalit agad ng pambahay at lumabas agad.

"Nasaan po 'La si Lea?"

Sagot ng matanda ay inutusan si Lea na bumili ng gamot dahil medyo masama ang kanyang pakiramdam.

"Kaya pala medyo mainit ang katawan mo 'La 'nung humalik at nagmano ako sa 'yo."

Ika-4 Labas

DAHIL patuloy sa pagkukuwento at hindi sinasagot ang tanong ay pinahinto ni Marsha si Hazel.

"Stop na sa istorya mo Sis, ang sagutin mo ay ang tanong ko. Ano ba 'yung proposal mo na extra income?"

Mas maboka si Marsha kumpara kay Rica pero higit ang kadaldalan ni Hazel.

Kung tutuusin kahit walang extra income ay hindi naman na kailangan ni Marsha.

Isa lang naman ang anak niya at mayroon ng matatag na trabaho kaya hindi na siya gipit pa sa pera.

Ganoon din naman si Rica na ang lahat ng mga anak nila ni Banjo ay mga titulado na.

Wala ng dahilan pa upang maghanap ng extra income sina Marsha at Rica.

Si Hazel ay talagang kailangan ang extra income dahil may ilan pa siyang malilit na anak.

Mas batang de-hamak si Hazel kina Rica at Marsha kaya ang panganay na anak ay wala pa sa wastong edad.

Wala pang aasahan si Hazel na tulong mula sa mga anak kaya ipinasok niya ang extra income sa dalawa.

"Naiintindihan namin ang sitwasyon mo kaya sabihin mo na 'yang proposal mo."

"Go! Sabihin mo na para mapag-usapan kung saka-sakaling pupuwede naman."

Naghihintay sina Marsha at Rica kaya naman humugot na ng paghinga si Hazel para magsalita.

"Buy and sell mga 'Sis."

Kung pakapalan ng mukha ay lamang na lamang si Hazel sa dalawa.

Wala siyang andap o takot sa pakikiharap at pakikipag-usap sa ibang tao.

Sa madaling salita ay hindi mahiyain si Hazel na kumbaga sa sundalo ay sugud lang ng sugod sa giyera.

Ipinaliwanag maigi ni Hazel sa dalawa ang kanyang iminumungkahi.

"Sige…sige."

TABLET, LAPTOP; IPINAMAHAGI SA MGA ESTUDYANTE NG MAYNILA

BILANG patunay na kayang ipagpatuloy ang pag-aaral sa gitna ng pandemya dulot ng COVID-19, isinagawa ng lokal na pamahalaang lungsod ng Maynila ang "ceremonial turn-over at distribution" ng mga libreng tablets at laptops para sa mga estudyante at guro sa nasabing siyudad.

Pinangunahan ni Manila Mayor Isko Moreno Domagoso at Vice Mayor Maria Sheilah "Honey" Lacuna-Pangan ang ang pamamahagi ng mga laptop at tablet sa mga guro at mga magulang ng mga estudyante sa pampublikong paaralan ng Maynila para sa kanilang paghahanda sa 'blended distant learning' na magsisimula sa buwan ng Oktubre.

Ang nasabing seremonya na ginanap sa Aurora Quezon Elementary School covered court sa San Andres, Manila ay dinaluhan ng kinatawan ng Department of Education na si Undersecretary Alain Del Pascua at Schools Division Superintendent Maria Magdalena Lim habang nagbigay naman ng mensahe sa pamamagitan ng "video online communication" si DepEd Secretary Leonor Magtolis Briones.

Pinasalamatan naman ni Domagoso ang lahat ng bumubuo ng Pamahalaang Lungsod sa pangunguna ng Division of City Schools gayundin sa suporta ng Department of Education.

Aniya, hindi umano magiging posible ang pamamahagi ng tablet devices, laptops, pocket wi-fi at sim cards sa mga estudyante at mga guro kung hindi dahil sa tulong ng mga ito.

Ayon sa Alkalde, nasa 11,000 laptops ang binili upang may reserba sakaling magka-aberya ang ginagamit na laptops ng may mahigit 10,300 guro sa lungsod ng Maynila.

Nasa mahigit 136,950 naman na mga tablets ang ipamamahagi sa mga estudyante kasama na ang sim card nito na may buwanang 10GB na bandwith internet data connection habang ang mga guro naman ay may kanya-kanyang pocket wi-fi na may buwanang internet connection din. ***(Leonard basilio)***

Makati fishball vendor na ibinida ang ayuda ng lungsod, hinangaan ni Mayor Abby

LUNGSOD CALOOCAN (PIA) -- Ipinahayag ni Mayor Abby Binay nitong Lunes ang kanyang paghanga sa isang residente matapos makita ang mga litrato ng isang fishball cart na may nakapaskil na signage na "Katas ng MakaTulong".

Pag-aari ito ni Mario Lutang, 42 taong gulang na residente ng Asuncion St. sa Barangay Valenzuela.

Sa kanyang Twitter account, sinabi ng alkalde na saludo siya sa naturang residente dahil nagawa niton palaguin ang natanggap na ayuda mula sa programang MakaTulong P5k para sa 500,000 Makatizens, na pinaglaanan ng lungsod ng P2.7 bilyong pondo.

Ani Mayor Abby, kahanga-hanga ang linaw ng pag-iisip nito sa desisyong gamitin ang pera sa pagsisimula ng pangmatagalang ikabubuhay ng pamilya, sa halip na ibili ng mga kagamitang magtatagal lamang ng ilang araw.

Pinasalamatan din ni Mayor Abby si Lutang sa pagbibigay ng mensahe ng pag-asa at pagbangon sa mga kapwa Makatizen na nakararanas ng matinding kahirapan sa panahong ito ng pandemya.

Ayon kay Lutang, sila ng kanyang misis na si Veronica ay nakatanggap ng tig-P5,000 sa kanilang Makatizen Card GCash account, tatlong araw makaraang ianunsyo ni Mayor Abby ang programa. Pinaglaanan ito ng P2.7 bilyong pondo para sa P5,000 ayuda sa 500,000 residente ng Makati.

Napagkasunduan nilang gamitin ang natanggap na P10,000 upang simulan ang maliit na negosyo. Ipinambili ni Lutang ang P5,000 ng materyales upang gumawa ng food cart. Nagamit aniya ang kaalaman sa welding mula sa kinuhang libreng vocational course sa University of Makati, na isa ring proyekto ng pamahalaang lungsod.

Matapos gawin ang fishball cart sa loob ng mahigit limang araw, hiniram niya sa maybahay ang P1,000 upang makabili ng mga pagkaing ibebenta bilang panimula. Inumpisahan niya ang pagtitinda noong July 15 sa area ng LTO Makati at Makati City Hall.

Sa ngayon, kumikita na siya ng P500 hanggang P600 araw-araw sa pagbebenta ng fishball at iba pang street foods at palamig. Dati-rati, kumikita siya ng P615 kada araw bilang isang welder.

Pinasalamatan ni Lutang si Mayor Abby at ang pamahalaang lungsod para sa mga programang tulad ng MakaTulong P5k, na aniya ay nagbigay sa kanyang pamilya ng pagkakataong makapagsimulang muli at makabangon mula sa pandemya.

Payo ni Lutang sa kanyang kapwa #ProudMakatizens, "Maging masipag at huwag mawawalan ng pag-asa." ***(PIA NCR)***

Amid chopper's roar, government setsfoot in Mindoro's remotest areas

CAMP CAPINPIN, Tanay, Rizal (PIA) — Once again utilizing military choppers, the Retooled Community Support Program Team of Occidental Mindoro's Provincial Task Force to End Local Communist Armed Conflict set foot in one of the island's remotest villages on Aug 16.

The two-day immersion in Sitio Mansay of San Jose's Barangay Monteclaro was in response to President Rodrigo Duterte's call for a whole of nation approach in addressing issues within the community and insulate the people from the NPA's terroristic actions.

Col Jose Augusto V Villareal, Commander of the 203rd Brigade which has operational jurisdiction over Mindoro, said "the absence of a 14-kilometer road going to the village should not and will never be an excuse for the government not to deliver basic services to our constituents."

It usually takes the locals two days to reach the city proper by foot.

Col Villareal added that "the use of military choppers is not only a testament to our firm resolve to end insurgency but, more importantly, it is a manifestation of our sincere intentions to help our countrymen since what used to be tools of war are now becoming symbols of peace and hope for our people" in the far-flung areas.

Per reports received by the 2nd Infantry Division, around 800 Mangyans belonging to the Buhid Tribe were able to register in PhilHealth and Philippine Statistics Authority. These are on top of the free medical and dental services as well as Basic Farming Training by the Department of Agriculture which was followed by awarding of farm tools.

Relief goods from DSWD were also distributed following the discussion of the government's Enhanced Comprehensive Local Integration Program or E-CLIP for NPA terrorists who will return to the folds of law.

Col Villareal ended his statement by assuring the people of Mindoro that "this second RCSP deployment will definitely not be the last and that, under the leadership of the two Provincial Task Forces ELCAC, basic services will be delivered and the government's presence will be felt even in the farthest portion of this island."

The RCSP Team of Occidental Mindoro's PTF-ELCAC was first deployed in the same community last July 13.

Gov Eduardo Gadiano of Occidental Mindoro expressed his gratitude to the soldiers for "allowing us to use your military assets thereby helping us in fulfilling our mandate of delivering basic services and reaching out to the people whom we have sworn to serve."

"Our close collaboration, coordination and partnership will be the game-changer in our quest for lasting peace, prosperity and development which Filipinos living in this part of the country truly deserve", ended Gov Gadiano.

Major General Arnulfo Marcelo B Burgos Jr, Commander of the Army's 2nd Infantry Division, expressed his optimism that "through the active response of the different local government units toward PRRD's directive for a 'whole-of-nation nation approach', the inevitable demise of insurgency in Southern Tagalog will happen sooner than later."

"Under the banner of good governance, your soldiers will be unrelenting in assisting our local government units and chief executives in addressing the root causes of insurgency so that never again will our people be deceived, never again will our people be agitated and never again will our people be used to promote terrorism", ended Maj Gen Burgos.

Per the military's records, 44 RCSP Teams have been deployed across Southern Tagalog since May 2019. Five more teams are scheduled to be deployed in Rizal and Batangas provinces within the month. (PIA-4A/PA 2ID DPAO)

LGU Cavite, patunayan ang pagmamalasakit

SADYA bang matagal magbayad ang isang pamahalaang lokal sa Cavite?

Ang statement of account (SOA) ay dinala sa municipal hall pero dahil nasa panahon nga ng pandemiya ay hindi nagpapapasok sa munisipyo.

May bababang empleyado upang siya ang magre-receive o tatanggap ng SOA.

Sa receiving copy ng SOA ay mayroong inilalagay na contact person at number para sa pagfollow-up.

Unang araw nitong nakaraang Hunyo naidala ang SOA at natanggap naman ng isang kawani ng munisipyo.

Pagkaraan ng tatlong linggo o 3rd week ng June ay nakausap sa cellphone ang contact person.

Inaayos na raw ang SOA sa accounting ng municipal hall at tawag-tawag na lamang umano para sa follow up.

Malinaw ang pagkakasabi na tawag-tawag lang subalit mula noong huling makausap ang contact person ng munisipyo last 3rd week of June ay wala ng response o tugon.

Walang sagot sa mga tawag at maging sa mga text message para malaman ang status ng naturang SOA.

Kung wala pang tseke o wala pang ibabayad eh ano ba naman ang sumagot sa tawag o text.

Mahirap bang gawin iyon? Sumagot o reply sa text hindi magawa, ginagawa mong 'gago' ang tao sa pag-follow up thru call and text.

Pero imposible naman yata na walang pondo ang munisipyo para makapagbayad.

Ganyan ba talaga ang local government na matagal magbayad.

O pinatatagal lamang talaga ang pagbabayad?

Hindi naman pwedeng ikatwiran na dahil nga sa kasalukuyang sitwasyon gawa ng pandemiya.

Kung tutuusin ay mas ngayon nga dapat pabilisin ang pagbabayad dahil ang masisisngil sa munisipyong ito ay napakalaking tulong para sa pagbangon at pagharap sa pandemiya.

Ngayon po ipakita ang tunay na puso at patunayan ang pagmamalasakit.

Tama po ba mayor?
