LGU GENTRI TURNS OVER PRINTING EQUIPMENT TO PUBLIC SCHOOLS

GENERAL TRIAS, Cavite (PIA) – The local government here recently turned over printing equipment to the Schools Division of General Trias in support to the New Normal in the education sector.

Mayor Antonio 'Ony' Ferrer handed over three (3) units of Riso Comcolor with high speed inkjet printer (1 unit with offset stapling) and printing capacity of 120 pages per minute. The machine has a 24/7 printing operations capability, sorting function, and built-in standard hard disk used for printing modules, and activity sheets/worksheets.

"Layunin ng LGU na patuloy na itaas ang antas ng edukasyon sa kabila ng pagsubok na kinakaharap ng ating bansa sa ngayon. Ang pamamahagi ng mga kagamitang ito ay isa lamang sa mga hakbang ng Pamahalaang Panlungsod upang patatagin ang pundasyon ng pagkatuto ng mga batang Gentriseño," Mayor Ony said.

(The Local Government

aims to continue to raise the level of education despite the challenges facing our country today. The distribution of these machines is just one of the steps taken by the City Government to strengthen the foundation of education of the Gentriseño children.)

Aside from the printing equipment, the LGU also provided more than 300 desktop computers including computer tables to the Schools Division.

The LGU will also ensure the continuous supply of bond papers and printer inks to the schools for utilization of the teachers in the preparation of Weekly Home Learning Plan (WHLP) and other teaching tools to monitor the learning progress of the students using the different learning modalities in education.

For SY 2020-2021, about 73,000 students have been enrolled in the different public elementary and secondary schools in the City. **(Ruel Francisco/General Trias PIO)**

P27M halaga na 'agri support' hatid ng DA CALABARZON sa mga magsasaka sa ika-4 na distrito ng Quezon

LUNGSOD NG CALAMBA (PIA) --May kabuuang P27, 151,060 halaga ng agricultural interventions ang ipinagkaloob ng Department of Agriculture (DA) CALABARZON sa mga magsasaka sa ika-4 na distrito ng Quezon na nasalanta kamakailan ng mga bagyong Nika at Ofel. Kabilang sa mga suportang ipinamigay sa mga magsasakang benepisaryo noong ika-5 ng Nobyembre ay certified rice seeds, fertilizer, iba't ibang high value crop seedlings, GM yellow corn seeds, iba't ibang buto ng gulay, lant growth enhancer, at mga baka. Pinasamalatan ni DA CALABARZON Regional Director Arnel V. de Mesa ang lahat ng magsasaka sa CALABARZON dahil sa kanilang pagsusumikap at walang sawang pagkilos upang makatulong sa paglago ng sektor ng agrikultura sa kabila ng kinakaharap nitong hamon dulot

ng African swine fever, pagsabog ng Bulkang Taal, COVID-19 at iba pang calamidad.

"Sa ngalan po ng ating kaalihin, Secretary William D. Dar, walang patid po ang aming pasasalamat sa inyong lahat (na mga magsasaka). Sa kabila ng mga naranasan at nararanasan na suliranin o pagsubok ay nanatiling matatag ang ating sektor at sa katunayan ay ang bukod tanging sektor na nakapagtamo ng positibong pag-angat sa ating ekonomiya base sa datos," sabi ni de Mesa.

Ipina-abot naman ni Quezon 4th District Rep. Dr. Angelina Tan ang kanyang taos-pusong pasasalamat sa patuloy na suporta ng DA CALABARZON sa lahat ng magsasaka sa kanyang distritong kinasasakupan.

"Magkatuwang po ang tanggapan ng inyo pong linkod sa kongreso at ng DA CALABARZON sa pamumuno ni Direktor de Mesa upang maging mas matalino, kapaki-pakinabang, napapanahon, at tuluy-tuloy ang pagbaba ng mga tulong pang-agrikultura upang umunlad pa ang ating mga magsasaka at mangingisda dito sa ika-apat na distrito ng Quezon," sabi ni Rep. Tan.

Lubos naman ang pasasalamat ni Rodrigo Dinafuente, 65 taong gulang na magsasaka mula sa Gumaca, Quezon sa DA CALABARZON at sa tanggapan ni Rep. Tan sa pagdadala ng suportang agrikultural na magagamit nila sa pagbangon mula sa pagkaluging dulot ng mga nakaraang bagyo.

"Maraming, maraming salamat po sa DA at kay Kinatawan Helen Tan sa mga ayudang matatagapag po namin. Magagamit po namin ito upang makabawi sa lugi namin gawa ng mga nagdaang bagyo," sabi ni Dinafuente.

Ayon kay Direktor de Mesa, ang kanyang tanggapan ay humiling na ng karagdagan 'quick response funds' para sa mga magsasakang apektado ng mga

Pagsusulong ng cityhood ng bayan ng Calaca, pasado na

LUNGSOD NG BATANGAS (PIA) --Pasado na sa Committee on Local Government sa Mababang Kapulungan ng Kongreso ang pagsusulong ng pagiging lungsod ng bayan ng Calaca.

Sa isinagawang Network Briefing News na pinangunahan ni Presidential Communications Secretary Martin Andanan, sinabi ni Calaca Mayor Sofronio Nas Ona Jr. na pumasa na sa pagdinig ng naturang komite ang naturang batas noong Oktubre 2020.

Ani Ona, ito ay kailangang maipasa din sa Senado en banc o as a whole bago ipresenta kay Pangulong Rodrigo Duterte para sa kanyang lagda. Kinakailangan ding magkaroon ng plebisito upang alamin ang pulso ng mga Calaqueño kaugnay nito.

Binigyang diin pa ng punumbayan na kapag naging lungsod ang Calaca ay mas malaki ang maging kita nito na maaaring ma-convert o gawing proyekto o programa para sa ikabubuti ng mga mamamayan.

"Kapag naging ganap na lungsod ang ating bayan, mas lalakas ang kom-

bagyong Pepito, Quinta, at Rolly upang maipagkaloob ang mas marami pang suporta.

"Patuloy po kaming mag-iikot sa rehiyon upang maa-validate at ma-assess ang pinsalang sanhi ng mga bagyong ito at mabilis na makita at maihatid ang nararapat na interbensyon sa ating mga magsasaka," sabi ni de Mesa.

Ang DA CALABARZON sa pangunguna ni Direktor de Mesa ay patuloy ang pagbisita sa mga magsasakang apektado ng mga nagdaang bagyo upang maihatid ang mga kinakailangang suporta, magdala ng mga updates ng mga departamento, at pakingan ang mga problema, mungkah, at kahilingan ng mga magsasaka. **(PIA-4A at ulat mula sa RFL / DA-RFO IVA-RAFIS)**

ersyo, magkakaroon ng maraming negosyo, malls at mga bangko. Mas dada-mi din ang oportunidad sa trabaho at hanapbuhay," ani Ona.

Batay sa Local Government Code, may tatlong kwalipikasyon ang isang bayan na kailangang isaalang-alang upang maging ganap na lungsod kabilang ang pagkakaroon ng malaking kita na higit sa P100M sa loob ng nakalipas na tatlong taon; pagkakaroon ng land area na higit sa 100 sq. kms. at bilang ng populasyon.

Sa tatlong batayan na ito, pasado ang Calaca sa una at ikalawang kwalipikasyon kung kaya't ito ay nakapasa sa pagdinig ng Committee on Local Government sa Mababang Kapulungan ng Kongreso.

Sinabi pa ni Ona na ngayon pa lamang ay maraming malalaking komersyo na ang nagpapaabot ng interes na magtayo ng kanilang negosyo sa kanilang bayan tulad ng Robinsons Corp., Waltermart at iba pang financial institutions. Isang malaking oportunidad ito para magkaroon ng trabaho ang mga residente sa bayan ng Calaca.

Itnuturing na "Haven for Agricultural and Industrial Modernization" ang bayan ng Calaca dahil sa ang karagatan na sakop nito ay malalim at ideal para sa mga industrial ports o pier dahil hindi na kailangang magsagawa ng dredging.

Ang mga upland barangays ay matataba ang lupa. Isinusulong din sa bawat barangay ang "one barangay, one product" kung saan dinedebelop ang produkto na maaaring pagkakilanlan sa isang barangay.

Bukod dito, nagkaloob din ang pamahalaang lokal ng technical know-how at mga makinarya na makatutulong upang mapataas ang ani ng mga magsasaka at maging ang pagdadalhan ng mga produkto o ani ng mga ito. **(BHABY P. DE CASTRO-PIA BATANGAS)**

Dapat alisto palagi

NAKAKITA na ba kayo ng mga single motorcycle o maging sasakyan na nasakop ang pedestrian lane habang hinihintay ang pagpalit ng traffic light?

Malamang ang kasagutan ninyo ay madalas na kayong nakakakita ng ganitong eksena.

Iyong guhit o linya na nakalaan para sa pagtawid ng mga tao ay mayroong nakahambalang behikulo. Mas nakakalamang dito ay ang mga motorsiklo na talagang inuuman ng nakararaming rider.

Kaya naman may ilan tayong kababayan na kapag nakatiyempo ng ganitong tagpo ay medyo malikot ang mga kamay.

Ibig sabihin ay kukunan ng video o litrato at kaagad na ipopost sa social media.

Ingat lang din sa pagpost at tiyakin na ang rider o driver ay talagang balasubas.

May pagkakataon po kasi na hindi naman nila iyon kagustuhan.

O hindi naman sinasadya ang pagkakahimpil sa linya o guhit para sa tawiran ng mga tao.

Nangyayari kasi na ang green signal ay kaagad na nagpapalit sa red signal.

Eksaktong pagpula ng ilaw ay sa mismong pedestrian lane naabutan.

Gustuhin man umatras upang ayusin ang sasakyan o motorsiklo pero may nakabuntot na kaagad na ibang behikulo.

Hindi man sa traffic light, maging sa traffic enforcer na nagmamando ng trapiko.

Si Mr. traffic enforcer ay biglang sesenyas para magpahinto na hindi rin nito naisip o napansin na ang kanyang nasenyasan na behikulo ay nakatuntong sa pedestrian lane.

Totoong mas nakararami ang pasaway pero mayroon pa din naman na marunong sumunod kaya nga lamang ay natata-

pat sa mga ganoong sitwasyon.

Ang punto lamang ay tiyaking maigi ang pangyayari bago ang magpost.

Balik tayo sa naabutan ng stop sa mismong pedestrian lane, huminto ang rider.

Gusto sanang ayusin ng rider ang motorsiklo subalit nakaumang na ang mga sasakyan kaya nanatili na lamang sa pedestrian lane at naghintay sa pagpalit ng traffic light sa green signal.

Sa tagpong iyon ay isang lalaki ang lumapit sa kanya at hinihingi ang lisensiya nito.

Ang lalaki ay striker o utusan ng pulis at ito ang nag-utos para kunin ang kanyang lisensiya.

Dahil hindi ibinigay ang lisensiya kaya mismong pulis na ang lumapit sa rider.

May maliit na presinto sa intersection kaya mayroon ding CCTV na napansin ang rider.

Ang sabi ng rider ay inabutan siya ng red light o stop sa mismong pedestrian lane kaya huminto siya.

Katwiran pa ng rider ay iaatras sana niya ang motorsiklo kaya lamang ay nakabuntot o nasa likod na niya ang mga sasakyan.

Itinuro ng rider ang CCTV na aniya ay iyon ang magpapatunay na siya ay nagsasabi ng totoo.

Hindi naman na nagpumilit ang pulis subalit medyo nakakatawa lang yata ang katwiran nito.

Dapat daw ay itinuloy na ng rider ang motorsiklo at hindi na huminto.

Eh paano nga naman direktso gayong may na-kaantabay sa kabila kaya tiyak na huli siya at sasabihang beating the red light.

Marami talagang eksena sa pagpapasada sa mga kalsada kaya dapat ay alisto o alerto palagi.

EDITORIAL

Mabigat na parusa

RAMDAM na ang simoy ng kapaskuhan at hindi naman maikakaila ang mga aktibidad na nakagawian kapag holiday season.

Isa na rito ay ang Christmas caroling na ginagawa ng matatanda at lalung-lalo na ng mga bata.

Nananatili pa rin tayo sa pandemiya kaya mahigpit ang panawagan ng Department of Health sa publiko na iwasan ang mga ganitong nakagawiang aktibidad dahil sa banta ng COVID-19.

Pananagutan ng matatanda o ng mga magulang at guardian ang mga bata para sa pag-iwas sa caroling.

Malungkot na bahagi ito para sa mga bata kaya kailangang ipaunawa sa kanila at maayos na matatanggap.

Huwag naman sanang wala ngang makikitang mga bata na nangangaroling pero may ilang matatanda ang gagawa.

DOLE, DA; LUMAGDA NG KASUNDUAN SA GIP

DAANG propesyonal sa agrikultura ang nakatakang i-deploy sa iba't ibang tanggapan at proyekto ng Department of Labor and Employment (DOLE) sa ilalim ng programa nitong Government Internship Program (GIP).

Sa kasunduang nilagdaan kamakailan nina Labor Secretary Silvestre Bello III at Agriculture Secretary William Dar, daang technical at agricultural biosystem engineer at mga nagtapos ang magtatrabaho sa Department of Agriculture na tinatayang pupuno sa kakulangan para sa pangangailangan sa propesyon ng agrikultura.

Sa ilalim ng kasunduan, ang mga propesyonal sa agrikultura ay ide-deploy sa iba't ibang proyekto at tanggapan ng gobyerno.

Sinabi ni Bello na batay sa JobsFit Labor Market Information Report 2022, maraming trabaho sa sektor ng agribusiness ang in-demand ngunit mahirap mapunan. Kabilang dito ang Agricultural Economist, Animal Husbandry, Aqua-culturist, at iba pa sa sektor ng agricultural at biosystems engineering. Ang in-demand occupation ay mga bakanteng trabaho na paulit-ulit na inaanunsiyo ng establisyimento at industriya at may mataas na turnover o replacement rate.

Ang hard to fill occupation ay mga bakanteng trabaho kung saan nahihirapan ang kompanya na punan ito sa dahilang hindi kwalipikado ang mga aplikante o walang suplay ng mga aplikante. Nahihirapan din ang mga employer na punan ang mga trabahong ito dahil karamihan sa kwalipikadong aplikante ay mas pinipiling magtrabaho sa ibang bansa, naghahanap ng mas mataas na sahod o may problema sa iskedylul sa trabaho o lokasyon.

Sinabi ni Bello na bagama't itinutuon ng Pilipinas ang ekonomiya tungo sa manufacturing at service, ito pa rin ay isang agrikulturang bansa kung saan mahigit sa isang-katlong bahagi ng labor force ay nagtatrabaho sa agrikultura na binubuo ng pagsasaka, pangangisda, forestry at livestock.

Batay sa datos mula sa DOLE-Bureau of Local Employment, sinabi ni Bello na may 711 Agricultural at Biosystems Engineers ang pumasa sa licensure examination at humigit-kumulang na 1,000 bagong nagtapos sa agricultural at biosystems engineering ang madaragdag sa labor market.

"Mula sa labor and employment perspective, ang pagbubuo ng rural sector ay importanteng unang hakbang para sa ating bansa upang makapagbigay ng mas marami at maayos na trabaho para sa mahihirap. Tatlong kapat na bahagi ng mahihirap ay nagtatrabaho sa kanayunan at agrikultura, na nangangahulugan na ang agrikultura ay may mahalagang papel para mabawasan ang kahirapan," ani Bello.

Ang DOLE-GIP ay isang programa na naglalayong magbigay ng oportunidad para sa mga kabataang manggagawa na magtrabaho sa mga ahensiya, proyekto at programa ng pamahalaan sa nasyonal at lokal.

Ang internship ay tatagal ng tatlong buwan hanggang anim na buwan at may sahod na katumbas sa kasalukuyang minimum na sahod sa rehiyon kung saan magtatrabaho ang benepisaryo, at tatanggap din ng insurance coverage. **(Leonard basilio)**

CA affirms dismissal of ex-solon's staff head in pork barrel mess

MANILA – The Court of Appeals (CA) turned down the appeal of a former chief of staff of a lawmaker in the House of Representatives seeking to void her dismissal over alleged anomalies in the use of pork barrel funds in 2007. In a decision dated Nov. 5 and made public on Tuesday, the appellate court's Special Sixteenth Division denied the petition for review filed by Hiram Diday Pulido and affirmed the dismissal order of the Office of the Ombudsman against her for grave misconduct and conduct prejudicial to the best interest of the service. Pulido, the former chief of staff of the late Negros Oriental 3rd District Rep. Herminio Teves, was ordered

SC reprimands ex-gov't corporate counsel Jurado

MANILA – The Supreme Court (SC) has reprimanded former Government Corporate Counsel Rudolf Philip B. Jurado in an administrative complaint filed against him two years ago. In a 10-page decision dated Oct. 14 and released on Monday, Associate Justice Henri Jean Paul B. Inting said the court "reprimanded and sternly warned (Jurado) that a repetition of an offense of this character would be much more severely dealt with."

The complaint had been filed in connection with Jurado's issuance on July 25, 2017, of Opinion No. 174 extending the licensing jurisdiction of the Aurora Pacific Economic Zone and Freeport Authority (Apeco) which covered gaming licenses normally covered by the Philippine Amusement and Gaming Corporation (Pagcor).

On May 28, 2018, during a speech after the signing of the Ease of Doing Business and Efficient Government Service Delivery Act, President Rodrigo Duterte publicly announced Jurado's dismissal from the Office of the Government Corporate for overstepping his authority by allowing Apeco to issue gaming franchises beyond its jurisdiction.

In June of the same year, a disbarment complaint was filed by Deputy Govern-

ment Corporate Counsel Elpidio J. Vega and Assistant Government Corporate Counsel Efren B. Gonzales against Jurado and his former chief of staff Gabriel Guy P. Olandesca.

The SC, in finding Jurado remiss, said "It is inconceivable to adopt the opinion issued by Atty. Jurado that the metes and bounds of the Aurora Special Economic Zone are not determinative of Apeco's limits of jurisdictional operation." "It is evident that Atty. Jurado fell short of what is expected of him as a lawyer in issuing Opinion No. 174 in disregard of existing law and jurisprudence, albeit without bad faith. The Court notes that Atty. Jurado, as then Government Corporate Counsel, should not only avoid all impropriety but also should avoid the appearance of impropriety in line with the principle that a public office is a public trust. Verily, any act that falls short of the exacting standards for public office shall not be countenanced," the court reminded Jurado. Meanwhile, the disbarment complaint against Olandesca was also dismissed for lack of merit.

Associate Justices Estela M. Perlas-Bernabe, Ramon Paul L. Hernando and Edgardo L. Delos Santos concurred in the decision. **(PNA)**

dismissed from the service for her part in a PHP10-million project to be funded by the fourth tranche of the allocated Priority Development Assistance Fund (PDAF).

The project was to be implemented by the Technology and Livelihood Resource Center (TLRC) and a non-government organization (NGO) Molugan Foundation Inc. (MFI).

As of July 2015, however, the Commission on Audit Special Audit Office (COASAO) reported that liquidation documents have not been submitted and in October 2015. A notice of disallowance was issued by the COA against the transaction.

Among other things, the

COA said the transfer of funds to MFI was devoid of any legal basis and said TLRC failed to diligently exercise its duty to verify the legitimacy and capability of MFI.

It also noted that MFI was "a dubious NGO considering that it was incorporated only in 2007".

Pulido was subsequently charged by the Ombudsman which ruled that she participated in the scheme by signing the project proposal making her privy to the transaction.

"We find that the evidence on record overwhelmingly establishes her administrative liability. Accordingly, these findings of fact are conclusive and binding on us," the court said. **(PNA)**

3. That petitioner's parent had been separated and she was previously staying with his father in Marinduque until sometime in 1990 when petitioner spent the school vacation with her mother in Carmona, Cavite;

4. That after her vacation, petitioner's father didn't fetched her in Carmona, Cavite constraining the petitioner to stay with her mother and later on, enrolled as third year high school student at Carmona High School;

7. That petitioner and respondent's relation was on and off until they become intimate, which her mother later on discovered. Petitioner's mother became so uneasy of their relationship that one night, while they were staying at their house all by themselves, petitioner and respondent were just considered to have eloped;

8. That after the "pamamanhikan", petitioner and respondent finally got married on June 14, 1992 at the Philippine Independent Church in Biñan City, Laguna. Petitioner was surprised how she was able to get married to the respondent, being a minor at that time. Copy of their Certificate of Marriage is hereto attached as **Annex "A"**;

That petitioner sometimes will go to the work with black eye and hematoma to different parts of her body as a result of the physical abuse of the respondent but would still stay because of their children. 24. That petitioner with the help of her friend was able to consult with a lawyer and after telling her story was advised to have his marriage declared null and void considering her minority at the time of marriage;

25. That after securing the necessary documents with the National Statistics Office including the petitioner's Certificate of Live Birth which is hereto marked as Annex "D", it was shown that petitioner was only 16 years old and 10 months at the time of her marriage with the respondent on June, 1992 having been born on July 26, 1975;

ARA MINA 'BUMIGAY' NA

HINDI na nakatiis pa o nakapagpigil at tila bumigay na si Ara Mina.

Yes, bumigay na si Ara pero ibang klaseng pagbigay ang pinakawalan niya.

Para matigil na ang mga katanungan tungkol kay Philippine International Trading Corporation Undersecretary Dave Almarinez kaya nagsalita na ang aktres.

Last September ay umugong na sina Ara at Dave ay namataan o nakita sa labas.

Kaya hayan at bumigay na nga si Ara at sinabing may nagaganap ng date sa kani- nila ni Dave.

Malinaw naman na sa labas nakikita kaya ibig sabihin ay dating iyon.

Oks lang naman na tumanggap ng suitor ang aktres since single na rin siya for almost half a year.

Besides, free din naman si Dave kaya nothing wrong if ever magkamabutihan ang dalawa.

Two years na rin magkakilala ang dalawa kaya the question is ano ang next chapter.

Sabi kasi ng aktres ay bilang manliligaw pa lamang si Dave, ang tanong kailan kaya bibigay si Ara?

I mean ay bibigay na ni Ara ang kanyang puso kay Dave, wait na lang tay.

LUNGSOD NG BATANGAS (PIA) - Isinulong ng Pambayang Pederasyon ng Sangguniang Kabataan ng Cuenca ang "Plant Their Future", isang fund raising program kung saan nagbenta ang mga miyembro ng plantable pencil na may binhi sa loob.

During the Compliance Revalida organized by the Institute for Solidarity in Asia (ISA), Commissioner of Customs Rey Leonardo B. Guerrero presented the BOC's performance and compliance reports, programs and innovations and its drive in ensuring the alignment of resources and stakeholders to the 4-year Strategic Roadmap which aims to transform the Bureau into a world-class Customs Administration by 2022.

Among the initiatives the Bureau presented, which are aligned to its 10-Point Priority Program 2020, are the (1) full automation of processes including the implementation of No Contact Policy and establishment of Customer Care Centers, (2) development of Universal Risk Management System which improves the risk management capabilities of the Bureau, (3) Implementation of the Internal Administration Management System, and all other projects and programs.

The BOC was commended by the Revalida panelists for the overall Revalida performance. Among the members of the panel were: Atty. Alexander L. Lacson, Trustee, ISA; Undersecretary Emmanuel T. Bautista, Trustee, ISA; Department of Trade and Industry (DTI) Assistant Secretary Mary Jean T. Pacheco, Associ-

ate, ISA; Department of Finance-Revenue Operations Group (DOF-ROG) Assistant Secretary Dakila Elteen M. Napao; Mr. Ryan G. Evangelista, Regional Coordinator for Southeast Asia Center for International Private Enterprise, and Hon. Dakila "Daks" Carlo E. Cua, Provincial Governor of Quirino.

Last November 2019, the Bureau of Customs was also awarded with the Gold Governance Trailblazer award by the ISA as it passed the 1st Stage of the Initiation Stage.

For the 3rd Stage - Proficiency Stage, the Bureau will focus on the monitoring and management of the strategies executed and will aim to achieve a proficient status after an ISA audit review of the BOC's performance as measured by its scorecard. The Office for Strategy Management is in charge of the strategy execution and will be fully functional in this stage.

The Bureau aims to carry this momentum through until it passes the 4th and final stage which is the Institutionalization Stage to truly ensure that reforms are truly achieved.

"I know that the transformation of the BOC would be difficult to achieve in a year or even more, but I firmly believe that it will never be achieved unless we took the first step. More than the certificates, awards, and accolades, what we really hope to gain is a change in mindset, attitude, and discipline, and the commitment that would come out from this experience, this PGS journey, that would sustain the agency's true transformation long after completing this 4-step pathway." Guerrero emphasized. **PR**

Quezon City's new city pound set to open on Q1 of 2021

CALOOCAN CITY (PIA) -- The Quezon City government is set to open a 450-square meter city pound to provide better temporary shelter services for stray animals. Mayor Joy Belmonte announced on Monday that the city government is currently fast-tracking the construction of a new city pound at Empire View Subdivision in Barangay Payatas, expected to be completed by the first quarter of 2021.

It has its own surgery room for neutering of dogs and cats, and for other animals needing immediate medical attention. There are also separate cages for sick animals to prevent the spread of infection.

Compared to the temporary shelter for animals situated in the same barangay where a number of stray animals are placed in a single room, the new city pound will have individual cages.

"Gusto nating magkaroon ng mas maayos na temporary shelter ang stray animals na mahuhuli sa ating mga lansangan. Sa bagong city pound, may partition ang cages para nakahi-hiwalay ang mga hayop," Belmonte said.

Aside from these, the two-storey city pound will also house the QC Veterinary Department - City Pound Division Office and a cashier to facilitate faster payment of fee for adoption or claiming impounded animals.

Belmonte also expressed willingness to partner with animal welfare groups to manage and improve the handling of impounded animals. The mayor is currently in talks with the

group PAWSSION Project headed by Malou Perez.

"It is very important that we handle our captured stray animals well. That's why the city is open to partnerships with animal welfare groups to ensure that the city is providing what the animal welfare act prescribes," Belmonte explained.

"We would gladly accept any assistance from our NGOs especially in training our personnel on proper handling of impounded animals para hindi natin sila mapabayaang hanggang sa i-claim na sila ng kanilang owner," she added. According to City Veterinary Department - City Pound Division chief Dr. Esmeralda Encarnado, the city captures up to 200 animals weekly.

They are impounded for three days until claimed by their owners. For the succeeding days, they will be up for adoption, or if still left unclaimed - euthanized in accordance with internationally-accepted standards and local regulations.

"Hindi natin pinapabayaang na magpakalat-kalat ang mga hayop sa ating mga lansangan kaya kailangan natin silang pansamantalang i-house sa ating city pound. Kapag patuloy silang nagpagala-gala, maaaring magkalat sila ng sakit tulad ng rabies na ayaw naman nating mangyari," Encarnado stated.

The city strictly performs its impounding services pursuant to Republic Act 8485 or the Animal Welfare Act, Republic Act 9482 or the Anti-Rabies Act, and SP-2505 series of 2016 or the Quezon City Veterinary Code. **(QC PAISD/PIA-NCR)**

Himulmol na facemask?

NARARAPAT lamang na pagkatapos gamitin ang face mask ay tiyaking wasak ito bago itapon sa basurahan. May ilan tayong nakausap na nakaranas sila ng makati sa ilong na facemask. Pagkasuot ng face mask ay nakakaramdam sila ng pangangati lalo na sa bahagi ng ilong. Ang dahilan ay tila mayroong himulmol ang facemask, iyon bang parang may mga nakausling

sinulid. Sayang naman kung itatapon dahil isang kahon ang nabili kaya niremedyuhan na lamang. Hindi maiaalis na isiping recycled na lamang ang mga facemask na iyon. May nagtatapon kasi sa basurahan na halos matino pa ang facemask. Kaya tama lamang na sirain muna ang ginamit na facemask bago ihulog sa basurahan upang hindi na muli pang mapakinabangan.
