## URBAN VERTICAL GARDENING TO BOOST TMC'S FOOD SECURITY

**TRECE MARTIRES CITY, Cavite (PIA) – The City Government here concluded the three-day training seminar for the Urban Vertical Gardening Project on November 20, 2020.**

The project is one of the sustainable projects of the LGU in partnership with the City Agriculture Office and the Local Housing Office under the Resettlement Government Assistance Fund (RGAF) that is expected to boost the food security of the city.

Vertical gardening is one of the types of urban gardening that the city government is encouraging its residents to learn, with limited space for planting, it would help address the threat to food production and ensure proper nutrition of the community during health crisis.

Residents of Sunshine Ville, Southville 2 Phase 3, and Golden Horizon par-

ticipated in the training. During the last day of the training, Mayor Gemma Lubigan led the distribution of garden tools and free seedlings which would help them start their own vegetable garden in their homes.

"I encourage all of you to use the information and additional skills imparted to you during the training, and with these tools and seedlings you would be able to grow your own garden and benefit from it especially during calamities and pandemic," the Mayor said.

Meanwhile, RGAF is DILG's financial assistance extended to cities with resettlement plans for informal settler families (ISFs), especially those with in-city relocation sites. The fund provides support to LGUs in providing facilities and livelihood opportunities to help relocatees adjust in their new environs. **(Ruel Francisco, PIA-Cavite)**

## Duterte names new Court of Appeals presiding justice

**MANILA –** President Rodrigo R. Duterte has appointed Justice Remedios Salazar-Fernando as presiding justice of the Court of Appeals (CA).

Presidential Spokesperson Harry Roque confirmed Fernando's appointment in a statement after she was sworn in by Chief Justice Diosdado Peralta on Wednesday afternoon.

"The Palace confirms that President Rodrigo Roa Duterte has signed the appointment of Court of Appeals Associate Justice Remedios Austria Salazar-Fernando as CA Presiding Justice on November 24, 2020," he said.

Before Duterte's appointment, Fernando was already the CA's acting presiding justice following the retirement of then-presiding justice Romeo Barza in August 2019.

Roque expressed confidence that Fernando would do a great job as the CA's new presiding justice.

"We are confident that Presiding Justice Fernando would serve the CA with the same judicial excellence, dedication, and integrity she demonstrated

in her years of service at the CA. Good luck and we wish her all the best in her future undertakings," he said.

Salazar-Fernando earned her psychology degree at the College of the Holy Spirit and finished her law degree at the Ateneo De Manila University. She passed the Bar exam and became a lawyer in 1977.

She started her public career as a law clerk in the Supreme Court in 1978 and then went on to become the supervising presidential staff officer at the Presidential Management Staff of the Office of the President.

In 1983, she became a municipal trial court judge in Pampanga and served as the chairperson of the Land Transportation Franchising and Regulatory Board and concurrently as assistant secretary of the Land Transportation Office in 1987.

In 1992, she moved on to the Commission on Elections where she was a commissioner until 1998. She was appointed to the CA on May 25, 1999. **(PNA)**

## Sanggal, iniwan

**ISANG** bagong silang na sanggol na lalaki ang iniwan sa tapat ng isang bahay sa Imus City, Cavite.

Sa kuha ng CCTV sa lugar, makikita na isang lalaki na nakabisekleta ang nag-iwan sa sanggol sa isang bahay sa Greengate Homes Phase 1 Malagasang Imus City, dakong alas-3:30 ng madaling araw, gayunman, alas-11:00 na ng umaga nang napansin ang sanggol dahil umiiyak ito.

Ayon sa concerned citizen na si Winnie Lyn de Leon, narinig ng kanilang kapitbahay ang pag-iyak ng sanggol na nakalagay sa loob ng isang kulay violet na bag na may kasama pang baby bottle na may

timplang gatas.

May umbilical cord pa nang nakita ang sanggol.

Agad namang dinala sa barangay ang sanggol para malinisan at mabihisan bago nai-turn over sa City Social Welfare Development (CSWD)

Ayon naman kay Glenda Obligacion, social worker na in-charge sa adoption cases, mahimbing na natutulog ang sanggol at inilagay ito sa isang maayos na facilities para sa magulang na maghahanap nito.

Dagdag pa nito na sakaling walang mag-claim sa bata, aasikasuhin ng CSWD ang proseso para sa pag-ampon sa baby. **GENE ADSUARA**

## Red Tilapia Sanctuary sa Sampaloc Lake, aprobadong na ng LLDA

**SAN PABLO CITY, Laguna (PIA)**--Pinagtibay ng Sangguniang Panglungsod nuong Nob. 19 ang Res. 670 s.2020, ang kahilingan ng Fisheries and Aquatic Resources Management Council (FARMC) sa Laguna Lake Development Authority (LLDA) na makapagtatag ng Red Tilapia Sanctuary sa Sampaloc Lake.

Base sa resolusyon, inaprubahan ng LLDA ang proposed establishment ng fish sanctuary sa maliit na bahagi ng lawa malapit sa Community Fish Landing Center batay sa ilang itinakdang patakaran.

Dapat ang pangunahing layunin ng fish sanctuary ay protektahan at natural na maparami ang mga indigenous fish species sa Sampaloc Lake.

Hindi papayagan ang paglalagay ng mga aquaculture structures o en-

closures upang malayang makagalaw ang mga isda patungo sa mga feeding at breeding grounds.

Kailangan rin ng signboard o paalaala sa publiko na "no feeding of fish" sa itinakdang fish sanctuary at bawal din ang panghuhuli ng mga isda dito.

Ayon sa LLDA maaari ring maging modelo o batayan ang Yankaw Fish Garden Sanctuary Project sa Calamba City na isang matagumpay na environment-friendly method na pagtatayo ng isang fish sanctuary.

Bago masimulan ang proyekto, kailangan ding makipag-coordinate muna sa Bureau of Fisheries and Aquatic Resources (BFAR), LLDA at iba pang fishery experts/researchers para sa kinakailangang technical assistance. (PIA Laguna at ulat mula sa **CIO-SPC**)

## Only authorized revenue officers can do tax assessment: CTA

**MANILA –** The Court of Tax Appeals (CTA) has reiterated that investigations by unauthorized revenue officers cannot yield a valid tax assessment against a taxpayer.

In a 19-page decision by the CTA en banc dated November 18 and made public Wednesday, the court upheld an earlier ruling by

the CTA's Second Division in favor of Makati-based Lapanday Holdings Corp. The CTA division had canceled the Bureau of Internal Revenue's (BIR) final decision on the disputed assessment of PHP9.03 million against the firm, prompting the tax agency to appeal the case before the CTA en banc.

## Ninakaw na cellphone, sa may-ari ibinenta

**BUKING** na nakaw na cellphone ang ibinebenta ng 20-anyos na lalaki dahil sa mismong may-ari inalok na nagresulta sa kanyang pagkakaaresto sa Bacoor City, Cavite.

Nakakulong sa Bacoor City Custodial Center ang suspek na si Reymart Quimat, walang trabaho, ng Sitio Tibag, Brgy Panapaan 3, Bacoor City, dahil sa reklamo ng biktimgang si Ronalyn Berbon 25, ng nasabing barangay.

Sa reklamo ni Berbon kay Corporal Marvin Rae Caalor, ng Bacoor City Police Station, nabalitaan nito na mayroong ibinibentang cellphone sa kanilang lugar kaya nagbakasakali na baka ang nanakaw niyang cellphone ang ibinebenta. Pero bago nagtungo sa lugar ay nakipag-ugnayan muna ito sa kanilang ba-

rangay sa Sitio Tibag, Brgy Panapaan 3.

"Nagbakasakali lamang siya. Nagkunwari siyang bibili ng cellphone at kinausap niya ang suspek na gusto muna niyang makita ito bago niya bilhin pero nang nahawakan na ay nakitang hindi pa nabura ang kanyang wallpaper at ilang mensahe dito" ayon kay Caalor.

Dito na inaresto ng mga barangay tanod ang suspek na sinabing ipinabenta lamang ito sa kanya at namomorsiyento lamang.

Nabatid na ninakaw ang cellphone ng biktima na isang Oppo A12 na nagkakahalaga ng P7,000 dakong alas-8:00 ng umaga. Kasong paglabag sa PD 1612 (Anti Fencing Law) ang kinaharap ng suspek. **GENE ADSUARA**

**LUNGSOD CALOOCAN (PIA)** --Nagpulong ang mga kawani Manila Police District (MPD), Manila Barangay Bureau (MBB) Martes, ika-24 ng Nobyembre para mapaigting ang pagpapatupad ng minimum health protocols sa Divisoria.

Ito'y matapos lumutang sa social media noong Sabado ang mga larawan ng mga mamimili na halos dikit dikit na at walang pak-undangan sa ipinatutupad na health protocols upang makaiwas sab anta ng COVID-19.

Kabilang sa nasabing pagpupulong ang mga Precinct Commanders at mga Punong Barangay na

nakakasakop sa Divisoria, Maynila.

Ipinag-utos ni MPD Special Mayor's Reaction Team (SMaRT) Chief Major Rosalino P. Ibay, Jr. ang pagpapatupad ng physical distancing at ang pagkakaroon ng 'One Entrance, One Exit' policy sa mga pamilyan.

Inatasan naman ni MBB Director Romeo Bagay ang bawat Punong Barangay na magtalaga ng mga kawani upang mapanatili ang kayayusan at magpaalala na magsuot ng face mask at face shield sa mga vendors at mamimili.

Paiigtingin din ang presensya ng mga enforcers mula sa Manila Traffic and Parking Bureau upang mapanatiling maaliwalas at maluwag ang mga daan, lalo na sa gitna ng Kapaskuhan. **(MPIO/PIA-NCR)**

## Philippine Moral Transformation 2020, inilunsad sa San Pablo City

**LUNGSOD NG SAN PABLO (PIA)** –Inilunsad ang Philippine Moral Transformation (PMT) 2020 Program sa lungsod na ito noong Nob 13 sa pamamagitan ni Director for Operations Ferdinand Malabed ng Office of Presidential Adviser for Religious Affairs (OPARA).

Ang pagtitipon ay nilahukan ng mga pastor ng iba't ibang denominasyon ng pananampalataya na nakatatag sa lunsod at mga kalapit na munisipyo sa pangunguna ni Pastor Rico D. Albaño na siyang natalagang OPARA City Director para sa San Pablo City. Sa mensaheng ipinaabot ni Presidential Adviser Grepur "Butch" B. Belgica, kanyang nabanggit na ang PMT 2020 Program ay naaayon sa adbokasya ni Pangulong Rodrigo R. Duterte na kalakip sa 2019 State of the Nation Address kung saan hinihikayat ng Pangulo ang mga ama ng tahanan na gawing sambahaan ang bawat tahanan at pangunahan ang panalangin ng sambahayan.

"Nasa kaisipan ng Pangulo na dapat ay "Bawat Pamilya May Kapilya." Dahil sa naisin ni Pangulong Duterte na malagay ang Dios sa puso at isipan ng mga pinunong bayan at mga lider pamayanan, at sa mga ama ng tahanan upang tahakin ang matuwid na pamumuhay," dagdag ni Belgica.

Tampok sa paglulunsad ang paglagda sa covenant ng mga dumalo at panunumpa ng mga itinalagang gabay, "Gabay ng Bayan, Gabay sa Barangay," na kanilang tinatanggap at pagtatapatan ang pananagutan na dapat itaguyod at gampanan ng isang gabay sa harap ni Alkalde Loreto S. Amante.

Ang mga itinalagang gabay ay boluntaryong magsasagawa ng pagdalaw sa kanilang mga kabarangang na may suliranin upang mapayuhan at mapa-alalahanan na isapuso ang Diyos upang magkaroon ng katiyakang tutugunin ng Diyos ang kanilang panalangin. Ang programa ay makatutulong din sa mga pamahalaang lokal na mapasigla ang pagkilos ng City Anti-Drug Abuse Council (CADAC), at ng mga Barangay Anti-Drug Abuse Council (BADAC), na malaki ang maitutulong upang magtagumpay ang anti-drugs campaign ng pamahalaan.

Ang paglulunsad ng PMT 2020 Program na idinaos sa Mayor Vicente Amante-Type Stadium, San Pablo Central School ay sinupportahan ni Mayor Loreto S. Amante, Vice Mayor Justin G. Colago, Sangguniang Panlungsod, at Liga ng mga Barangay sa Lunsod ng San Pablo. **(PIA-Laguna at ulat mula kay Ruben Taningco)**

## Pag-atras sa laban hindi karuwagan

**DUWAG**...duwag ka. Kadalasang naririnig kapag nagnanais na umiwas sa away o sa ano mang laban.

Mayroon naman maganda at tamang dahilan kung bakit iwas o umiwas.

Dahil nasasabihang duwag kaya susubo at susuong na lamang para lamang ipakita ang tapang.

Maraming uri ng away o laban na kung minsan ay hindi masisisi ang matinding paghihimagsik.

Walang sino man ang makakapigil upang humarap o harapin ang laban.

Kahit pa ang kahantungan ay piitan o kamatayan basta maipakita lamang ang tapang.

Totoo na madaling pumasok sa gusot subalit napakahirap itong labasan.

Kaya naman diyan napap-atunayan ang kasabihang ang pagsisisi ay palaging nasa huli.

Kaliwa't kanan man ang pambubuyo o paghahamon ay makabubuting manahimik na lamang.

Hindi ka umiwas sa away o laban ay nangangahulugang ikaw ay duwag na.

Tandaan na ang inaaway o inaapi ay mayroong tunay na kakampi.

Ang tunay na katapangan ay gawing makabuluhan at mayroong mga pinagagamitang naaayon sa mga tamang pagkakataon.

Kagaya ng mga problema, pagsubok at iba pang dagok na roon kailangan ang tunay na tapang.

Sa mga pagkakataong iyon ay doon dapat hindi magiging duwag at huwag aatras sa laban.

Pinangunahan ni Governor Danilo E. Suarez noong Nob 17, kasama sina Vice Governor Sam Nantes at Bokal Alona Obispo ng unang distrito ng Quezon ang pamamahagi ng tulong sa mga naapektuhan ng pagbaha, pagkasira ng mga pananim at mga bahay dahil sa hagupit ng bagyong 'Ulysses.'

Kabilang sa mga tulong na ipinamahagi ng pamahalaang panlalawigan sa mga biktima ng bagyo ay mga yero, relief food packs at mga kagamitang pang-sakahan.

Labis naman ang pasasalamat ng mga alkalde ng bawat bayan sa REINA area sa pamahalaang panlala-

wigan dahil sa palagiang pag-aksyon at paghahatid ng tulong para sa kanilang mga kababayan .

Ayon sa Quezon Public Information Office, palagi namang nakaantabay si Gov. Suarez sa mga mamamayan ng Quezon at handang magpaabot ng suporta na tutugon sa pagpapaunlad ng kanilang kabuhayan at hanapbuhay lalo na ngayong panahon ng pandemya.

Sa ngayon, patuloy sa pagsuyod ang grupo ng pamahalaang panlalawigan sa buong probinsya kasabay ng pakikipag-ugnayan at paglapit sa iba't-ibang nasyunal na tanggapan upang makatuwang sa paghahatid ng ayuda at programa para sa mga mamamayan ng lalawigan ng Quezon na naapektuhan ng mga nakaraang kalamidad. **(Ruel Orinday-PIA-Quezon at ulat mula sa Quezon PIO)**

## CREATIVE CHRISTMAS TREE CENTERPIECES BRING JOY TO SM SHOPPERS

**S Maison's elegant 35-foot blush pink tree** is beautifully curated with sparkling gold and silver elements in snowflakes, Christmas balls, and angels' lamps. The tree is also accented by blush pink mini Christmas trees, and reindeers made of silver leatherette and metal frame in gold finish.

Inspired by the beautiful heritage houses around the city, **SM City Iloilo's 40-foot tree** is born out of love for everything Ilonggo. The indigenous fabric from local communities – hablon, jusi, piña, abaca, and rattan are wrapped around this regal centerpiece, a symbol of the city's solid foundation rooted on its rich history and noble tradition.

Everything is Mega and Bright in **SM Megamall's dazzling Christmas tree** with bright lights and sparkling ornaments. The gold and fuchsia palette is carried on to the giant Santa Chair with stars upholstered in pink satin, and a telephone booth accented with stars and pink fairy lights.

It is said that Filipinos began decorating their homes with Christmas trees in the early 1900s, as influenced by our American colonizers. Earlier, however, Dr. Jose Rizal, our National Hero, introduced and brought the idea about the Christmas tree in his letter to his eldest sister when he was in Berlin in November 1886. He simply described how Christmas is celebrated in Germany and Spain, and how a forest pine tree decorated with glitter, lights, candies and fruit is placed inside the house where everyone celebrates Christmas around it.

Since that time, the Christmas tree has found its place in many Filipino homes. Beyond the display and the ornaments, it has conveyed a message of love, unity, and joy in every member of the family. The iconic Christmas tree has also found its way as a creative centerpiece in SM's malls with artistic renditions in modern and traditional themes. Some like the Christmas in Bloom at SM Aura Premier, and the Southtacular Carnival Christmas at SM Southmall, highlight blooms and fair images, respectively, instead of ornaments.

Others highlight the work of artisans in the regions – the lantern makers of Pampanga in SM City Clark's Parul Kapampangan and indigenous fabrics from local communities – hablon, jusi, piña, abaca, and rattan – at SM City Iloilo. More than just beautiful centerpieces, these have become symbols of hope, love, and joy during these most challenging times. These have become focal points where we can reconnect with our traditional celebrations, and join the Filipino community in hoping for safer, brighter, and merrier times

It's a **Holly Jolly Christmas** at **SM City North EDSA** with a towering 40-foot Christmas tree glittering in wine red tinsel and covered with shimmering gold ornaments. Playful artisan sculpted reindeer surrounding the tree awaken the child in us that cherish and rekindle the warmth and joy this season brings.

**SM City Sucat's A Magical Christmas Tale** centerpiece features a 20-foot castle themed Christmas tree, which glows with pages from a storybook, and has well-loved fairy tale characters on each side.

**SM City Baguio's Winter Wonderland** spectacle features a 35-foot tree with snow-capped pine cones, sparkling snowflakes, and glimmering garlands surrounded by adorable polar bears. Built by the artistry of local craftsmen, it celebrates Baguio as the cradle of creative culture and traditions.

Christmas is in bloom at **SM Aura Premier** with its centerpiece signifying the first blossoms of spring as a symbol of hope. Designed in pastel and spring colors, the tree blooms with giant flowers and filled with crystalized Christmas balls in bronze, silver, and white. The tree lights up with fan shaped LED lights, and is accented by 2 giant reindeer beautifully dressed up with floral horns.

**SM Southmall's Southtacular Carnival Christmas** features a 34-foot tree, life size bears, and a gigantic Ferris wheel! Carnival snacks like cotton candy and popcorn, and a myriad of colorful neon lights celebrate the spirit of the season.

**SM City Clark's Parul Kapampangan** centerpiece is a tribute to Pampanga's lantern making industry. The dazzling 45-foot tree with 1,680 bulbs and spinning lights is proudly designed and assembled by Kapampangan parol makers

Get a glimpse of Christmas Mornings in the Orient with **SM Seaside City Cebu's 45-foot tree** with red and gold peony flower embellishments, and stately crane birds at the side.

Embellished with crystals and twinkling lights, **SM Lanang Premier's 57-foot Christmas tree** glows in classic Christmas colors of red, white, and gold. This festive holiday centerpiece symbolizes and overflow of hope and cheer, inspiring shoppers to give joy and celebrate life amid challenging times.

## Bagong Futsal kasangguni ipinakilala

Sa pag-asang mapabuti ang laro ng futsal sa Pilipinas, pinangalanan ng Philippine Football Federation (PFF) na si Vic Hermans bilang bagong teknikal na consultant para sa futsal. Pormal na ipinakilala ng PFF ang alamat ng football sa Dutch sa isang online press conference. "Ito ay isang napakalaking karangalan," sabi ni Hermans, na naglaro para sa pambansang koponan ng Netherlands noong huling bahagi ng 80s at nagturo sa Iran at Thailand sa kampeonato ng futsal sa rehiyon noong isang dekada. Si Kevin Goco, ang pinuno ng departamento ng futsal ng PFF, ay nakikita ang bagong appointment bilang isang pangunahing tulong para sa panloob na laro ng football. "Ito ay isang marka ng isang bagong edad at isang bagong kabanata para sa pagpapaligid ng futsal ng Pilipinas," aniya.

Sa ngayon, ang PFF ay naghahanap upang mapabuti ang futsal sa antas ng kabataan, ngunit sa paglaon, ayon kay Hermans, isang mas malakas na pambansang koponan sa nakatatandang antas ang ilalagay. "Iyon ang dapat na mag-ing layunin sa pagtatapos," aniya. Sa mas maraming mga panloob na arena na inilagay sa Pilipinas, ang PFF ay gumagamit ng futsal bilang isang paraan upang maipakilala ang publiko sa pangkalahatan sa football. "Mayroong lumalaking niche market sa mga pamayanan na naglalaro ng futsal sa buong Pilipinas," dagdag ni Goco, na binanggit ang pagsasama ng palakasan sa pangalawang seksyon ng mga batang babae sa Palarong Pambansa at ang pagpapaligid nito sa mga laro ng Batang Pinoy bilang mga halimbawa.

## Standby host ang bansa sa SEAG, POC

Iginiit ng pangulo ng Philippine Olympic Committee (POC) na si Bambol Tolentino na handa ang Pilipinas na maging isang standby host para sa Timog Silangang Asya (SEAG) sa hinaharap. Ayon kay Tolentino sa online ng Philippine Sports-writers Association Forum na inalok nito ang POC na kunin ang hosting chores kung magsumamo ang Brunei, Laos, o Indonesia. "Nag-alok ulit ako upang mag-host kung sakaling may mga bansa na tatawad sa kanilang mga karapatan," aniya. Ang Brunei, na huling nag-host ng SEA Games noong 1999, ay naka-iskedyul na mag-host ng 2027 edition. Sa kabilang banda, ang Laos, na nag-host ng meet noong 2009, ay susunod sa linya 2029. Nakatakdang mag-host ang Indonesia sa 2031 SEA Games. Gayunpaman, pagkatapos mismo ng Palaro ng Asyano sa 2018, inihayag ni Pangulong Joko Widodo

na sasali ang Indonesia sa tagisan sa pag-bid para sa 2032 Summer Olympics na mga karapatan sa pag-host. Ang bid ay ginawang pormal noong Feb. 19, 2019, sa pamamagitan ng mga liham mula kay Widodo at ng Komite ng Olimpiko ng Indonesia sa Komite ng Palarong Olimpiko. Sinabi ni Tolentino na hindi masigasig ang Indonesia sa pagho-host ng mga kaganapan sa maraming palakasan sa magkakasunod na taon kung nakuha nito ang mga karapatan sa pagho-host ng Olimpiko. "Baka hindi sila makapag-host (Maaaring hindi nila ma-host), at kasiyahan kung kukunin ito ng Pilipinas," aniya. Ang Pilipinas ay pumasok at nag-host ng SEA Games noong nakaraang taon matapos ang Brunei, ang orihinal na naka-iskedyul na host, dahil sa kawalan ng mga pasilidad sa pamalakan, tirahan, at paghahanda ng kanilang mga atleta.

As stipulated in the MOA, the DENR CALABARZON and the SMCGPFI will launch a coral reef rehabilitation program in the municipality of Pagbilao, Quezon, under the Ridge to Reef Conservation program of the SMCGPFI and under the Coastal and Marine Ecosystem Management Program (CMEMP) of DENR CALABARZON. An additional 150-hectare of mangrove is also included and is located within nine (9) Barangays in Padre Burgos, Quezon.

DENR CALABARZON and the SMCGPFI also entered a tripartite MOA with the partner People's Organization (PO), the Mananabas Multi-Purpose Cooperative, where the parties will be responsible for the protection and rehabilitation of the 75-hectare NGP rubber upland plantation in Brgy. DENR CALABARZON Regional Executive Director Nonito M. Tamayo reminded that environmental concerns are a shared responsibility with other sectors. He encourages the public to aim to increase the Region's forest cover up to 30%, or around 480,000 hectares. "With the help of civic groups we can achieve the target in the

years to come", he added. He added that our forest cover is being assessed every 5 years and the next assessment after this year is on the year 2025. In closing, RED Tamayo said, "[our] Forests are the lungs of the Earth".

## Hontiveros to DSWD: Fully enforce mental health programs for typhoon survivors

"MILLIONS have been affected by these devastating typhoons. With crisis upon crisis, we are at risk of free-falling into a deep mental health crisis if we don't act swiftly. Mental health should be front and center along with food, water, and sanitation in evacuation centers."

This according to Mental Health Act author Senator Risa Hontiveros who urged the Department of Social Welfare and Development (DSWD) to fully enforce its mental health (MH) programs for typhoon survivors, even after they leave the evacuation centers. She flagged the 'snail-paced' implementation of the disaster-related MH programs since the Department of Health (DOH) and DSWD reported that guidelines were still being crafted.

"The crisis is happening right now. We need to fast-track guidelines and roll out services immediately. MH is an invaluable part of rebuilding our lives after a crisis. MH issues like anxiety and depression make it much harder for typhoon survivors to recover. This will affect their work, their schooling and can scar their relationships if we do not heed their needs promptly," she said.

"Hindi nagagamot ang mental health problems overnight. It is important that the services they receive aren't one-time, big-time. We should monitor

## Quezon farmers, fishers receive P1.42B worth of agri-fishery inputs, machinery, cash & food aid

TAYABAS CITY, Quezon (PIA) --The Department of Agriculture (DA) provided thousands of farmers, fishers, and indigenous peoples (IPs) in Quezon province P1.42-billion (B) worth of farm and fishery inputs, farm machinery, livelihood projects, and cash and food aid to help them recover from the adverse impacts of the Covid-19 pandemic and damages caused by strong typhoons. Agriculture Secretary William Dar led the handing over and distribution of interventions, on November 23, 2020, coinciding with the launch of the Cash and Food Subsidy for Marginal Farmers and Fisherfolk (CFSMFF) program in

Tayabas City, with an allotment of P177 million (M) for Quezon province. It is part of the total P4.5-B CFSMFF program funded under the Bayanihan to Recover as One Act or Bayanihan 2.

The DA through the Philippine Center for Postharvest Development and Mechanization (PhilMech) also distributed P304-M worth of farm machinery for rice farmers' cooperatives and associations (FCAs), which is part of the annual P10-B Rice Competitiveness Enhancement Fund (RCEF).

"The Province of Quezon and the whole region of CALABARZON are very important to our agricultural economy. The region continues to showcase agri-industrialization in many ways, but of course you will need to have continuous production, and value-adding agri-business approach will be critical," Secretary Dar said during the event.

He added that even after several typhoons hit the country, CALABARZON, along with MIMAROPA, Central Luzon, and the regions in Visayas and Mindanao, could continuously supply the food requirements of Metro Manila.

Through the RCEF, qualified FCAs will be awarded farm machinery such as four-wheel tractors, precision seeders, combine harvesters, and mechanical dryers to increase yield and reduce postharvest losses.

The CFMFF program aims to benefit a total of 890,794 marginal farmers — planting corn, coconut, and sugarcane — fisherfolk, and IPs, who will each receive P3,000 in cash and P2,000 in food aid that include P1,000-worth of rice and P1,000-worth of chicken and eggs.

In Quezon, 35,523 farmers, fisherfolk, and IPs will benefit from the program, and 80,000 beneficiaries for the entire CALABARZON region, said DA-4A Regional Director Arnel de Mesa.

The DA has partnered with the Development Bank of the Philippines (DBP), and rice farmers' and poultry industry groups to implement the CFMFF program nationwide.

The DA-4A Regional Field Office (RFO) also allotted P640-M worth of various agricultural inputs, including P120 M for the establishment of the Sariaya trading post and cold storages in Candelaria and Tayabas.

Quezon farmers can also avail of loans with no in-

## BOC PORT OF CAGAYAN DE ORO 70th FOUNDING ANNIVERSARY: A TRIBUTE TO STAKEHOLDERS AND EMPLOYEES

CAGAYAN DE ORO - Tribute to stakeholders and employees took center stage during the celebra-

tion through the DA-Agricultural Credit and Policy Council (ACPC) Survival and Recovery Assistance (SURE Aid) program with a budget of P47.8 million under the Bayanihan 1 and P100 million under Bayanihan 2.

In addition, the DA's Philippine Coconut Authority (PCA) allotted P35-M for agricultural inputs and coconut-dairy intercropping project in Quezon, while the Bureau of Fisheries and Aquatic Resources (BFAR) committed P118 M for the province's fisherfolk.

"Tulong-tulong lang, aahon ang ating bansa. Malaki ang maiaambag ng agrikultura sa paglago muli ng ating ekonomiya. With our partnership with the local chief executives, our congressmen and congresswomen, hindi kami titigil na i-advance ang sektor ng agrikultura dito sa Quezon at sa buong bansa," Secretary Dar said as he commended the farmers and fisherfolk for the positive growth of the sector, during the second and third quarters despite the pandemic and several typhoons.

The agriculture sector was considered by the country's economic managers as the saving grace, as it managed to grow by 1.6 percent (%) in the second quarter and 1.2 % in the third quarter of 2020, at the height of the community lockdowns and harsh weather conditions.

Quezon First District Representative and House Agriculture and Food Committee Chairperson Wilfrido Mark Enverga, Fourth District Representative Angelina Tan, Governor Danilo Suarez, Tayabas City Mayor Ernida Reynoso, and several municipal mayors and provincial board members attended the event.

Secretary Dar and Director de Mesa were also joined by DBP President Emmanuel Herbosa, and other DA officials that included PhilMech Director Baldwin Jallorina, BFAR Director Eduardo Gongona, PCA Administrator Benjamin Madrigal, Jr., and Sugar Regulatory Administration (SRA) Administrator Hermenegildo Serafica, ACPC Director Tina Lopez, DA-Field Operations Service Director Roy Abaya, and DA Spokesperson and Assistant Secretary for Strategic communications Noel Reyes. **(DA-AFID)**

### Babala sa mga punerarya

**NAIS** ni Manila Mayor Francisco Isko Moreno Domagoso na lalo pang paigtingin ang ordinansang nagbabawal sa pag-inom ng alak sa mga pampublikong lugar sa lungsod.

Kaya naman may babala ang alkalde hindi lamang sa pulis o opisyal ng pamahalaan kundi maging sa mga establisyimento. Kabilang sa establisyimento na binabalaan ni Mayor Isko ay ang mga punerarya.

Mayroon kasing ilang punerarya na hinahayaan makapag-inuman ang mga naglalamay sa patay sa gilid o paligid nito na nasasakop naman ang kalsada.

Hindi exempted kung pulis o government official batay sa isinasaad ng ordinansa.

Maging kautusan si Isko sa Manila Police District at maging sa Bureau of Permits.

Tumalima kayo at baka matiyempuhan lalo at alam naman nating mahalig sa sorpresang pag-salakay si 'yorme.

Magsilbing babala ito sa mga punerarya at baka matanggalan kayo ng permit o lisensiya.

Sa mga maaktuhan naman na umiinom sa mga gilid-gilid ay may nakalaang kaso para sa inyo. Para naman sa police official na nasasakupan ng ganitong establisyimento ay sibak kay kay Yorme Kois kapag nahuli o napatunayang may paglabag.

'Wag na ninyo hintayin na maaktuhan pa kayo mismo ni Mayor Isko.
