NATATANGING JUANA SA BACCOOR, KINILALA NG PAMAHALAANG LUNGSOD

CALAMBA CITY (PIA) - Binigyang pugay kamakailan ng lokal na pamahalaan ng Bacoor ang kontribusyon ng kababaihan mula sa iba't ibang sektor ng kanilang lungsod nitong Martes, Marso 8, kasabay ng pagdiriwang ng Buwan ng Kababaihan.

Bukod sa mga babaeng opisyal ng pamahalaan na pinangungunahan nina Mayor Lani Mercado-Revilla, Vice Mayor Catherine Sarino Evaristo, at ang bagong hirang na City Fire Marshal na si CINSF. Jenalyn Cabasal, kinilala rin ng pamahalaang lungsod ang kontribusyon ng kababaihan sa kanilang komunidad.

"Dito sa atin sa Bacoor, espesyal ang pagdiriwang ng Fire Prevention, [dahil kasabay nito ang] International Women's Month pa." ani Mercado-Revilla.

"Isa sa mga sektor na naapektuhan ng pandemya ay ang kababaihan," patuloy ng punong ehekutibo sa kanyang mensahe, kung saan niya inisa-isa ang ambag ng kababaihan noong pandemya gaya ng pagpapatupad ng health protocol at paghahatid ng serbisyo ng pamahalaan.

Kabilang dito sina Nieves Manalili dela Cruz, isang kagawad ng Barangay Alima; Danica L. Morales na tumatayo bilang ama at ina ng kanyang pamilya habang nagta-trabaho ang kanyang asawa bilang isang Overseas Filipino Worker (OFW); Narcisa Enriquez- Barangay Health Worker mula sa Barangay Aniban 2 at katuwang ng mga Senior Citizen sa kanilang mga programa; Mitos Sayaman na patuloy ang pagtulong sa kanyang mga kapwa babae sa gitna ng pandemya; Kimberly Joy Cuevas na boluntaryong nagbabantay kasama ang mga barangay tanod at tumutulong sa pagluluto ng pagkain ng kanilang mga kabarangang.

Hindi naman alintana ni Te-

resa Ramos ang panganib habang ginagampanan niya ang kanyang tungkulin bilang tagakolekta ng basura sa kanyang barangay. Bukod dito, nagtatrabaho rin si Ramos bilang isang pedicab driver bilang dagdag kita na siyang pantugon sa pangaraw-araw na pangangailang ng kanyang pamilya.

Kung hindi naman siya nagsisilbi sa tanggapan ng barangay, namamasada naman si Maria Jonalyn Espiritu gamit ang kanyang pedicab bilang karagdagan kabuhayan ng kanyang pamilya.

Isa naman si Julie Dianne Fernando sa mga nagsilbi bilang contact tracer na kumukuha ng datos ng mga Person Under Investigation (PUI) at Person Under Monitoring (PUM) sa mga lugar na inilagay sa lockdown.

Ayon sa lokal na pamahalaan, bagamat may kaya sa buhay si Fernando ay pinili nitong gumamit ng bisekleta sa tuwing pumasok trabaho sa Bacoor City Health Center (Alima). Aktibo rin sa iba't ibang programa ng barangay si Imelda Angeles ng Barangay Dulong Bayan. Bilang isang health worker, bahagi rin si Angeles ng Barangay Health Emergency Response Team (BHERT) at palagiang tumutulong sa mga cleanup drive sa kanilang komunidad.

Maging ang mga lider ng barangay na sina Aida Borja, Mary Ann Sacari, Matilde Dumali, Maribel Paraiso, Maria Lourdes Bautista, ay kinilala rin para sa kanilang hindi matatawarang serbisyo sa kani-kanilang nasasakupan sa kabila ng pandemya.

Nagbuwis naman ng buhay si Emylyn Patrocino na sa kabilang ng makailang beses na nagpositibo sa COVID-19 ay patuloy pa rin siya sa pagkokondukto ng monitoring sa mga kaso ng COVID sa kanilang barangay. Nagpasalamat rin ang

CARABAO HEALTH CARAVAN

To monitor the number of carabaos that can produce milk and to increase the number of pregnant carabaos in Tanza, Cavite, Provincial Veterinary Office in partnership with the Department of Agriculture – Philippine Carabao Center in UP Los Baños conducted Carabao Health Caravan in the area thru its Municipal Agriculture Office on March 8, 2021.

A total of 197 carabaos underwent health checkup,

deworming, vitamin injection and antibiotic injection.

Other activities done were breeding services such as pregnancy diagnosis wherein 32 carabaos tested positive out of the 92 carabaos that underwent the procedure, ovarian palpation and artificial insemination. Carabao profiling and ear tagging and calf drop monitoring was also done.

LAST BATCH OF BOW BENEFICIARIES IN SILANG

On March 9, 2021, a total of 457 senior citizens and 1,200 children received their free medicines and insect repellent lotion from the provincial government's Botika on Wheels. They were the last batch of beneficiaries in the municipality of Silang coming from barangays Ipil 1 and 2, Narra 1, 2 and 3, and Yakal.

BOW team were welcomed and accompanied by Mayor Corie Poblete, Vice Mayor Aidel Paul Belamide and 6th district Board Member Ivey Jane Reyes in delivering the medical supplies to target beneficiaries.

To date, a total of 6,180 elderlies and 12,648 children of the municipality benefitted from the medical outreach event. **PICAD**

lungsod sa mga healthcare worker na nagserbisyo sa gitna ng pandemya gaya nina Dr. Ruby Ann Ponzalan, isang solo parent, at 93-taong gulang na si Dr. Conrada Episcopo na nagserbisyo maging sa kalapit na barangay.

Bagamat siya ay kabilang sa sektor na nasa laylayan, hindi ito naging hadlang para kay Maribel Macalalag na aktibong nakikiisa sa mga cleanup drive sa lungsod.

Miyembro naman ng LG-BTQ+ community si Susan Sauquillo na isang tanod mula sa Barangay Mambog 3. Bukod sa pagluluto ng pagkain sa mga frontliner sa kanilang lugar, siya rin ang tumatayang ama at ina ng kanyang pamilya.

Ilan lamang sila sa mahigit 80 na natatanging babae sa lungsod na walang sawang naglaan ng kanilang oras at talento upang makapagsilbi sa kanilang komunidad. **(PB)**

BatMC chief is first CALABARZON comorbidity to receive Sinovac jab

CALAMBA CITY (PIA) - Batangas Medical Center (BatMC) Chief, Dr. Ramonito C. Magnaye, became the first medical worker with comorbidity in the CALABARZON (Cavite, Laguna, Batangas, Rizal, Quezon) region to receive COVID-19 vaccines from Chinese drugmaker, Sinovac during the recent national vaccination rollout in the province.

Magnaye led the charge of around 300 healthcare workers at BatMC who received their vaccines during the ceremonial COVID-19 vaccination for health workers held in this hospital.

"Dr. Magnaye is the first individual with comorbidities to receive the vaccine. Although he has a choice not to accept the vaccine due to health reasons, he decided to do it to show that the vaccine--whether Sinovac pa yan or Astrazeneca--ay safe na gamitin," Janairo said, assuring that the

inoculation on the BatMC chief was greenlit by his physician.

Janairo personally administered the vaccine on Dr. Magnaye.

At 58 years old, Dr. Magnaye is living with diabetes, hypertension and undergoes a regular dialysis. Despite his health, the physician chose to be vaccinated to show his colleagues that they are safe.

"Magpasalamat po tayo at tanggapan kong anung bakuna ang ibinigay sa atin dahil lahat naman po ito ay ligtas at epektibo para sa ating kaligtasan para malaban ang Covid-19," he encouraged.

The Department of Health has already allotted a total of 1,011 doses to the hospital. Despite the arrival of the vaccines, Magnaye reminded the public to continue practicing minimum health protocols and to remain vigilant, in order to prevent the virus from spreading. **(PB/DOH 4-A)**

Biñan City LGU, mga pribadong ospital magkatuwang sa paglulunsad ng COVID-19 vaccination drive

BIÑAN CITY, Laguna (PIA) -- Nakipagkasundo ang pamahalaang lungsod ng Biñan sa ilang pribadong ospital sa lungsod upang maging katuwang nito sa pagpapatupad ng malawakang pagbabakuna kontra coronavirus disease 2019 (Covid-19).

Nitong Biyernes, ika-5 ng Marso ay pormal na lumagda sa isang kasunduan ang pamahalaang lungsod sa pangunguna ni Mayor Arman Dimaguila at ang mga opisyal ng Perpetual Help Medical Center, Biñan Doctors Hospital, Unihealth Southwoods.

Kabilang rin sa magiging kabahagi ng lungsod sa malawakang pagbabakuna ang Ospital ng Biñan.

Nagpaabot naman ng pasasalamat si Mayor Dimaguila sa mga pribadong ospital gayundin sa mga medical frontliners at mga naging kabahagi nito sa paglaban sa COVID-19.

"Lalagpasan natin ito through at Catapang na pumasok sa bahay ng mga biktimgang sina Ro-ann Solver, 25; at Juanito Solamillos, 42, sa Brgy Buenavista 1, Gen Trias City, dakong alas-3:00 ng madaling araw.

Tinangay ng mga suspek ang tinatayang P70,000 halaga ng mga alahas apat na Cellphone at P3,000 cash.

vaccination at lalagpasatin natin ito sa pagtutulong-tulong ng lahat ng nagmamahal sa ating lungsod," ani Dimaguila.

"Bayani ang mga doktor at nars, bayani ang lahat ng mga essential workers. Maraming Salamat po. Utang na loob ng lungsod ng Biñan ang pagtawid natin sa COVID-19 sa inyo pong lahat," pahayag ng alkalde.

Kaugnay nito ay nagsagawa rin ng vaccination simulation exercise ang pamahalaang lungsod nitong Biyernes bilang paghahanda sa nalalapit na pagpapatupad ng vaccine rollout.

Ayon sa Biñan City Information Office, itinalaga ang makasaysayang Alberto Mansion na COVID-19 vaccination center kung saan isinagawa ang simulation exercises.

Binigyang pagkilala naman ng Department of Health Region 4A ang pamahalaang lungsod ng Biñan sa kahalasan at kandaang ipinamalas nito sa isinagawang simulation exercises.

"Napakagaling ng Lungsod ng Biñan. Eversince po, ang Biñan ay performer. Salamat po sa inyong lahat. With this simulation, kitang kita po na prepared at ready na kayo. You are all set for the vaccination. Congratulations!" pahayag ni Dr. Gigi Janairo, DOH Provincial Health Team Leader.

Sa ngayon, hinihintay pa ng pamahalaang lungsod ang pagdating ng bakuna upang masimulan na ang COVID-19 vaccination rollout. **(FSC)**

Clean-up drive in protected area conducted for World Wildlife Day observance

Trece Martires, Cavite (PIA) – The Cavite Provincial Environment and Natural Resources Office (PENRO) personnel in cooperation with Ternate Local Government Unit (LGU) conducted a clean-up drive along the roadside going to Mounts Palay-Palay-Mataas-na-Gulod Protected Landscape (MPPMNGPL) on Wednesday, March 03, 2021.

The activity was held in observance of the World Wildlife Day with this year's theme: "Forest and Livelihood: Sustaining People and Planet" which aimed to clean the wildlife habitat along the road of approximately 5 km from Puerto Azul going to said protected area. Leading the activity was PENRO Head Ronita A. Unlayao together with MSD Chief Susan L. Del Rosario and TSD Reynaldo A. Belen. Unlayao stressed that illegal waste dumping and littering are prohibited under RA 9003, the "Ecological Solid Waste Management Act 2020". "We need to continuously educate the public to avoid littering especially when entering

a biodiversity-rich area and to always practice Waste Segregation wherever we are," Unlayao said.

Coinciding with PENRO's National Women's month celebration with the theme, "Women Can Make Change Amidst Climate Crisis and Covid-19" all women employees of this office participated in the clean-up activity, all dressed in purple shirt honouring the extraordinary role of women in society as leaders and forerunners of change.

A total of sixty nine (69) sacks of non-biodegradable wastes were collected during the clean-up composed of PET bottles, plastic wrappers, and facemasks which were hauled by the Ternate Municipal Garbage collector.

After the clean-up activity, the participants actively joined the Zumba dance in pursuit of a healthy lifestyle and keeping the body and mind active and healthy amid the ongoing health crisis brought by COVID-19. **(Ruel Francisco with reports from Dennis Abrina)**

Ayala Corp, buo ang suporta sa Covid-19 vaccination program ng pamahalaan

SANTA ROSA CITY, Laguna (PIA) – Mananatiling buo ang suporta ng Ayala Corporation sa mga hakbang at inisyatibo ng gobyerno sa laban nito sa coronavirus disease 2019 (Covid-19).

Ito ang ipinangako ni Ayala Corporation President at Chief Operating Officer Fernando Zobel de Ayala sa kanyang mensahe sa pag-sisimula ng pagbabakuna sa mga healthcare workers sa Qualimed Hospital sa lungsod ng Santa Rosa, nitong Linggo, Marso 7. Ayon kay Zobel, ang pagtutulungan ng pamahalaan at pribadong sektor ang pinaka-epektibong paraan upang malabanan ang COVID-19.

Sinabi rin nito na ang paglulunsad ng COVID-19 vaccination program ay nagbigay liwanag sa problemang kinakaharap ng bansa dahil sa Covid-19 pandemic.

"The launch of this campaign has definitely provided the light at the end of what has been a long and tortuous tunnel," pahayag ni Zobel.

"Please know that the Ayala Group will be here to support your efforts and we look forward to working closely with you to vaccinate as many Filipinos as we can the soonest possible time," dagdag ng

Pangulo at COO ng Ayala Corporation. Ibinahagi rin ni Zobel na suportado nito ang Covid-19 vaccination program magmula pa nang simulan ng pamahalaan ang pag-buo dito.

Ikinagagalak din aniya na makita ang bunga ng pag-sisikap ng mga nasa likod ng programa sa paglulunsad ng national vaccine program.

"We have always been big supporters of the national vaccine deployment program from the early days of its conception, having been privy to stories of hard work that has gone on behind the scene. I am delighted to see these efforts comes to fruition with the launching of national vaccine program," ani Zobel.

Isang inspirasyon din aniya na makita ang ipinapakitang suporta ng mga healthcare institution sa mga hakbang ng IATF at Department of Health sa paglulunsad ng mga ito ng kanilang vaccination drive sa mga nakalipas na araw. Umaasa din ito na sa pamamagitan ng malawakang pagbabakuna ay mababawasan na ang mga kaso ng Covid-19 at mapapabilis ang pagbangon ng ekonomiya ng bansa.

'Patalikod kung sumaksak'

DALAWANG supot na mayroong lamang mga pinatuyong dahon ng marijuana na tumitimbang ng 31.6 gramo at nagkakahalaga ng lagpas sa siyam na libong piso ang nakumpiska sa isang menor de edad na lalaki.

Totoy na totoy pa dahil 16-anyos pa lamang subalit bumagsak na siya sa ikinasang operasyon ng kapulisan.

Bukod sa paggamit ng 'damo' ay luminya na rin ang binatilyo sa pagtutulak o pagbebenta ng marijuana.

Aminado si 'totoy' sa kanyang pagiging pusher matapos sabihing sa kanyang tropa siya kumukuha ng 'damo.'

Tropa o barkada? Ibig bang sabihin ay tulad din kaya niyang menor de edad pa rin ang kanyang kinukuhanan?

Pwedeng nasa hustong gulang na ang kinukunan ng marijuana ng binatilyo at 'nagagamit' lamang siya dahil sa pagiging isang minor.

Sa pagharap sa imbestigasyon ay sinabi ng binatilyo na hindi niya alam ang bahay ng kanyang 'supplier.'

Barkada niya pero hindi alam ang inuwiang ng kanyang pinagkukunan, ibig bang sabihin ay nagtatagpo lamang sila sa labas?

O maaari ring isipin na pinagtatakpan lamang ni 'totoy' ang kanyang supplier na kabarkada. Nakakapanlumo na sa

kanyang gulang ay nasa Top 10 drug watchlist ng Regional level siya.

Hindi lamang iyon, may dati pa siyang kaso na may kaugnayan naman sa pagnanakaw.

Hindi ka makakagamit ng marijuana o ano mang uri ng droga kung wala kang pera.

Siyempre ay bibilhin mo ito kaya papaano na kung ikaw ay walang salapi?

Salot ang bisyong ito at para lamang makapagdroga kahit walang pera ay ang pagnanakaw ang nakikitang solusyon. Kung hindi man mag-nakaw ay papasukin na lamang ang pagbebenta para nga naman may kita na ay mayroon pang panggamit.

Ang tropa o barkada ay mayroong ginagampanang papel sa iyo.

Maaari ka niya o nila na maimpluwensiyahan lalo at nakikita sa iyo ang kahinaan.

'Ika nga ay iba ang bulong niya o nila sa iyo at bilang may katawan ay nasa sa iyo iyon kung ikaw ay magpapadikta.

Dalawang bagay lamang iyan, bulong na mabuti o bulong na masama.

Meaning, kapag bulong na masama ay napasama ka sa maling barkada.

Hindi naman bawal ang makipagbarkada subalit doon ka sa tamang kasama.

Isa rin sa pakaingatan ninyo ay ang magkaroon ng kasama na 'patalikod kung sumaksak.'

Posibleng 'sipa'

SA ipinalabas na resulta ng Labor Force Survey ng Philippine Statistics Authority (PSA) nitong Enero ay nasa apat na milyong Pinoy ang mga walang trabaho.

Sa unang buwan ng kasalukuyang taon ay umakyat sa 8.7 percent.

Mas mataas ito ng 1.6 million kung ihahambing sa 2.4 milyong walang hanapbuhay na naitala noong Enero 2020.

Pinuna ito ni House Ways and Means Committee chairman Joey Sarte Salceda.

Sinasabing ang pagkabigo para sa tamang pagpapatupad ng tinatawag na credit stimulus ang isa sa dahilan ng paglobo ng unemployed individuals.

Hindi ito dapat ipagwalang bahala ng pamahalaan dahil sa posibleng 'sipa' na maaaring kahihinatnan.

Walang batas para sa mga taong kumakalam ang sikmura at gagawin ang ano pa man maibsan lamang ang kagutuman.

PGC establishes partnership with Batangas LGUs for disaster readiness

Trece Martires, Cavite (PIA) – The Provincial Government of Cavite headed by Governor Jonvic Remulla convened a meeting for the Taal Volcano eruption evacuation plan together with Presidential Legal Counsel Atty. Salvador Panelo, Vice Governor Ramon 'Jolo' Revilla III, Cavite 8th District Local Chief Executives, LGU heads in Batangas province and village chiefs, on March 2, 2021 at the Tagaytay City Convention Center.

This was done in the wake of the continued activities of the Taal Volcano for the past several days with the Alert Level 1 maintained in the area.

"Bilang paghahanda, bukas po ang mga bayan dito sa 8th District ng Cavite para sa mga evacuees kung sakaling pumutok ang Bulkan Taal," Remulla assured the LGU heads from the neighboring province of Batangas and added further, "Kung kinakailangan po ng higit pang evacuation center, ang buong Cavite ho ay bukas at handa kayong kukupin."

(In preparation, the towns here in the 8th District of Cavite are open for evacuees in case Taal Volcano erupts," Remulla assured the LGU heads from the neighboring province of Batangas and added further, "If more evacuation centers are needed, the whole of Cavite is open and ready to accommodate you.)

Cavite Provincial Disaster Risk Reduction and Management Office (PDRMO) Head Eloisa Rozul assigned partner municipalities, with one Batangas town within the proximity of Taal Volcano having a partner town in Cavite.

Base on the latest PhilVolcs Bulletin as of March 2, 2021, in the past 24-hour period, the Taal Volcano Network recorded forty-eight (48) volcanic earthquakes and forty (40) volcanic tremor episodes with durations ranging from one (1) minute to one and

a half (1.5) minutes.

Alert Level 1 (Abnormal) is maintained over Taal Volcano. DOST-PHIVOLCS reminds the public that at Alert Level 1, sudden steam-driven or phreatic explosions, volcanic earthquakes, minor ashfall, and lethal accumulations or expulsions of volcanic gas can occur and threaten areas within the Taal Volcano Island (TVI).

The LGUs and all stakeholders are reminded to be vigilant and prepared for any eventualities. (Ruel Francisco with reports from Dennis Abrina)

Headed by the Office of the Provincial Governor together with the Cavite Mayors' League, a joint coordination meeting with Batangas Mayors (of Agoncillo, Laurel, Lemery, Talisay and San Jose) and Cavite Mayors (of Silang, Indang, Alfonso, Gen. Aguinaldo, Mendez, Amadeo, Magallanes), with their Barangay Captains and MDRMOs was held at Tagaytay City earlier this morning to ensure that all concerned citizens of the LGUs will be rescued once the eruption of Taal Volcano takes place.

FREE MEDICINES AT BOTIKA ON WHEELS PROGRAM

A total of eight hundred three senior citizens and 1800 children benefitted in the Botika on Wheels program which was held in the municipality of Silang on March 3 and 4, 2021.

Two hundred six seniors from San Miguel 1, San Miguel 2, Tubuan 1 and Tubuan 2 has received prescribed medicines while 800 children were able to avail vitamins on March 3, 2021.

The following day, 597 senior citizens received maintenance medicines while 1000 children from Acacia, Anahaw 1, Anahaw 2, Banaba and Bulihan availed vitamins.

Insect repellent lotion were also distributed to them. Present during the distribution were mayor Corie Poblete, Vice Mayor Aidel

KUMPIYANSA NG PUBLIKO SA BAKUNA, INAASAHANG TATAAS PA

LUNGSOD NG CALAMBA, Laguna (PIA)--Inaasahan ng Department of Health (DOH) na mas tataas pa ang kumpiyansa ng publiko sa bakuna matapos ang naging matagumpay na vaccination rollout sa iba't-ibang lungsod sa rehiyon ng Calabarzon, kabilang na ang Lungsod ng Bacoor nitong Miyerkules, ika-10 ng Marso.

Ayon kay DOH Calabarzon Regional Director Eduardo C. Janairo, unti-unti nang nadadagdagan ang bilang ng mga healthcare worker na nais magpabakuna bilang proteksiyon sa COVID-19.

"Considering Laguna, Antipolo, Batangas Medical Center pati na rin ang Batangas City mismo ay tumawag sa amin na gusto na nilang magstart na magbakuna, nakikita ninyo yung taas bigla, nung una walang kumikibo pero ngayon gusto na nilang mauna specially sa Antipolo," pahayag ni Janairo.

Batay sa datos ng DOH, tinatayang 1.5 million na healthcare worker sa rehiyon ang target mabakunahan ng pamahalaang nasyunal. Sa kasalukuyan

ay nasa 1,700 pa lamang ang nababakunahan simula noong nakalipas na linggo.

Bunsod ito ng availability ng suplay ng mga bakuna at pagbibigay prayoridad sa mga COVID-19 Vaccination Facility na siyang kailangang unahin dahil sa exposure sa nakahahawang sakit.

Paglililinao ni Janairo, naghihintay na lamang ng pagdating ng alokasyon ng bakuna ang ilang mga hospital upang masimulan na rin ang kanilang pagbibigay bakuna sa mga medical frontliners na kabilang sa master list.

Gayundin ay hinikayat niya ang mga frontliners na huwag matakot sa bakuna kahit ano pa ang dumating dahil pangunahing layunin ng bakuna na bigyan ng panlaban sa nakahahawang sakit ang katawan ng mga taong matuturukan nito.

"Mag-ingat po tayong lahat, wala pong pinakamabisang panlaban maliban sa bakuna kundi ang inyong mataas na panlaban sa sakit ang immune system ninyo at ang pagtupad ng health protocol," mensahe ni Janairo. **(CO/PIA4A)**

PDEA Academy, Forest Park to rise in Tanay, Rizal

Tanay, Rizal, March 11 (PIA)-- Philippine Drug Enforcement Agency Director General Undersecretary Wilkins Villanueva and Tanay Mayor Rex Manuel Tanjuatco sign a usufruct agreement for the development of the PDEA Academy and Tanay-PDEA Forest Park in the town. Sangguniang Bayan Resolution No. 192 s. 2020 allows PDEA to utilize 10 hectares of land in Sitio Tablon, Barangay Cuyambay for the establishment of a park and academy.

The usufruct agreement signed at the Tanay Municipal Hall on March 10, 2021 will last for 50 years and may be renewed upon mutual agreement of both parties after the period lapses.

Mayor Tanjuatco stated that, the academy being the only one in the country will bring prestige to the province similar to that of the Philippine National Police Academy and Philippine Military Academy. "Rizal will be recognized as the nexus and nerve center of the country's fight against drugs," May-

Tourism corridor eyed to link Calabarzon destinations

MANILA -- A tourism initiative called the Green Corridor will soon link several destinations in Region-4A (Calabarzon) under the new normal, the Department of Tourism (DOT) said Wednesday.

In a press conference from Rizal province, Tourism Secretary Bernadette Romulo-Puyat said the department fully supports the initiative and vowed to extend support through online marketing campaigns as well as providing capacity-building training for tourism stakeholders.

Starting with Rizal, Romulo-Puyat said the Green Corridor Initiative could interlink several towns in the safety of a travel bubble.

"Rizal is blessed to have many open air, nature, culture-based tourism products and it has been proven that as long as open air and protocols are in place, we can restart tourism," she told reporters.

Romulo-Puyat said destinations in Rizal correspond with the travel preferences of tourists amid the pandemic, which include places that are near the metro and with more open spaces.

"Through the Green Corridor Initiative, the City of Antipolo and the Municipalities of Angono, Taytay, and Cainta are interlinked in the safety of a travel bubble, furthering the DOT's commitment to promote the province as a fun, sustainable and safe

or Tanjuatco adds. Prior to the agreement, PDEA agents have been trained within the PNPA Compound in Silang, Cavite.

PDEA Director General Usec. Villanueva concurred stating that, "This lot (PDEA Academy) will be the haven of future drugbusters in the country."

Prior to the ceremonial signing, local and PDEA officials also led the blessing of the Balay Silangan reformation center in Sitio Waray, Barangay Plaza Aldea. **(GG/PIA-Rizal)**

destination," she said.

At the same time, she said the DOT will strictly monitor the compliance of all accredited tourism establishments with the Department of Health public health standards as well as the DOT health and safety guidelines.

"With several ongoing initiatives to spur tourism, we have to ensure that there are adequate accredited establishments to serve and accommodate visitors," she said.

As of Feb. 28, there are about 95 accredited accommodation establishments in Region-4A, nine of which are from Rizal.

Tourism infrastructure projects have also been in the pipeline to provide better access roads to sites such as the Bunsuran Falls and Mystical Cave, both in Antipolo. **(PNA)**

PNP personnel completes TESDA's driving training program

PASIG CITY (PIA) -- Personnel from the Philippine National Police (PNP) recently completed the Driving NC II Training Program of the Technical Education and Skills Development Authority (TESDA).

TESDA Secretary Isidro Lapeña personally awarded the 25 police personnel who completed the sessions through the Quezon City Lingkod Bayan Skills Development Center.

Lapeña was also joined by TESDA-NCR Regional Director Florencio Sunico and other officials from the PNP.

The quality driver training, conducted through one-on-one practical teaching, was conducted by TESDA-certified instructors.

The Driving NC II, which takes a minimum of 118

hours to complete, trains drivers in operating light motor vehicles classified under the Land Transportation Office Restriction Code 1 and 2, transporting passengers and loads over specified routes to local or district location, and performing minor vehicle repairs and other minor servicing.

Various TESDA training programs are open for police personnel as part of their partnership to provide skills training to PNP -- bringing TESDA's Technical-Vocational Education and Training (TVET) closer to Filipinos.

Meanwhile, another batch of 25 personnel from the PNP likewise started their training under the same driving program. **(PIA NCR)**

Use of KyusiPass contact tracing app now required for QC businesses

CALOOCAN CITY (PIA) -- Business establishments in Quezon City are now required to use the KyusiPass digital contact tracing app for their employees and consumers to further strengthen the city's contact-tracing capability amid the rise in the number of COVID-19 cases in the city. Mayor Joy Belmonte issued this directive, among others, in the revised guidelines released on March 5, 2021 in relation to the latest issuances by the Inter-Agency Task Force and the Department of Trade and Industry (DTI). KyusiPass, a contact

tracing app powered by SafePass, can help the city keep track of the visitors of every establishment within its jurisdiction.

"As far as practicable, all business establishments in QC must use our Kyusi Pass app to make contact tracing easier and faster for early detection of the virus," said Belmonte.

Under the latest guidelines, Belmonte directed business owners to secure a dedicated QR Code per establishment from the Business Permits and Licensing Department to tag its location.

"For clarity, a lessee inside a larger establishment, like individual stores inside malls, should have its own contact tracing log," said Belmonte.

Establishments that rely on manual contact tracing must encourage their customers to bring their own pen for logging in their name, address, and contact number.

Digital copies of these logs should be readily available to the City Epidemiology and Disease Surveillance Unit (CESU) for any given time should contact tracing be necessary. **(PIA NCR)**

PVL Open Conference magbabalik sa Mayo

Umabot sa 10 koponan ang makikilahok sa pagbabalik ng Premier Volleyball League (PVL).

Kito ay ng ihayag ng liga na ang holdover ng Creamline, Choco Manoy, Petro Gazz, Banko Perlas, Balipure ay babalik para sa darating na Open Conference na nakatakang buksan sa Mayo.

Ang PLDT ay nagbabalik sa liga na dating kilala bilang Shakey's V-League, na kasama ang koponan ng kapatid na Cignal, na lumipat mula sa Philippine Superliga.

Sa kabilang banda, ang Peak Form, isa pang debutant ng PVL, ay maglalaro na sa ilalim ng pangalang UAC Energy Holdings.

Nakatutuwang sapat, dadalhin ng koponan ang moniker na "Power Hitters" katulad ng pangalan ng koponan ng PLDT.

Samantala, nakumpirma din ng dalawang koponan ng militar, ang Army at Air Force ang kanilang pakikilahok.

Dahil sa mga patakaran sa nagpatala na mga sundalo na naglalaro sa mga propesyonal na liga, ang parehong Army at Air Force ay isasaalang-alang na mga panauhing pangkat.

Ang lahat ng mga laban ay gaganap sa Inspire Sports Academy sa Calamba, Laguna bilang bahagi ng isang bubble sa gitna ng coronavirus disease 2019 pandemic.

PBA Season 46 ngayong Abril 11

Inaasahan na magsisimula ang Philippine Basketball Association (PBA) ng medyo huli kaysa sa inaasahan.

Ayon kay Commissioner Willie Marcial na ang planong pagbubukas ng ika-46 na panahon ng liga ay itinakda ngayon ilang araw pagkatapos ng ika-46 na anibersaryo ng pagkakatatag nito.

"Ang napag-usapan namin ng telebisyon [crew], April 11 na ang target natin (Ayon sa kung ano ang tinalakay sa mga tauhan sa telebisyon, target namin ngayon ang pagsisimula ng Abril 11)," Marcial said. Plano ng PBA na simulan ang panahon mismo sa anibersaryo ng liga sa Abril 9, ngunit ilipat ang pagbubukas sa Abril 11, Linggo, ay maaaring mangahulugan ng mas malaking panonood ng telebisyon.

Ang panahon na ito ay markahan ang unang pagkakataon mula noong 2010 na ang dalawang mga pagpupulong lamang ang gaganap.

"Inaasahan namin ang isang 10-buwan na panahon sa Season 46. Apat na buwan ang magiging All-Filipino (Philippine Cup) at anim na buwan ang magiging Governors' Cup," sinabi ng chairman ng PBA board na si Ricky Vargas.

Habang ang format ng Philippine Cup ay malamang

na mananatiling pareho, ang Governors' Cup ay nakakakuha ng pagbabago sa iskedul nito, na humahantong sa isang mas mahabang paligsahan. "Ang pangalawang kumperensya ay magiging isang anim na buwan, dobleng pag-ikot ng kumperensya," sinabi ni Vargas, na idinagdag na ang anim na talampakan na limang taas na taas para sa pag-import ay ipapatupad pa rin. Sinabi rin niya na ang isang tiyak na badyet ay inilagay para sa buong panahon, na magsisimula na sa Abril 11.

Pagkatapos ay ipinahayag ni Vargas ang pagiging masigla tungkol sa paporating na panahon, na markahan din ang pagsisimula ng 3x3 liga.

"Kami ay naghahanap ng mabuti sa kabila ng lahat ng mga hamon sa 2019 at ang pandemya sa 2020 kung saan maraming mga pinansyal ang talagang masama. Kung gagawin natin ito nang tama sa 2021, makakakuha kami ng aming kalagayan sa pananalapi, kung hindi pantay, medyo mababa kaysa sa naranasan namin noong 2019," aniya pa. "Inaasahan namin na makapagdala kami ng 10 buwan ng basketball sa Pilipinas simula sa Abril 11."

Pagbigay pugay ng PSC sa mga kababaihan para sa National Women's Month

Isang espesyal na paggalang sa mga nagawa at naiambag ng lahat ng mga dakilang pinuno ng kababaihan, atleta, coach, empleyado, at ina ay ang core ng mga virtual program ng Philippine Sports Commission (PSC) para sa Marso alinsunod sa pagdiriwang ng National Women's Month.

Binigyang diin ni PSC Chairman William "Butch" Ramirez ang hindi pangkaraniwang gampanin ng kababaihan sa paglikha ng pagbabago sa lipunan at kaunlaran sa bansa.

"Sa lahat ng mga kababaihan, lola, at ina, karapat-dapat kayo sa pantay na mga karapatan, pantay na paggamot, at pantay na pagkakataon. Sa giyera, sa mga kalamidad, sa isang pandemya, kahit sa mga kumpetisyon sa palakasan, ang mga kababaihan ay gampanan ang napakahalagang papel,

"sinabi ni Ramirez.

Sa isang pahayag sa pagdiriwang ng International Women's Month, nagbigay si Ramirez ng toast sa lakas at tibay ng mga kababaihan.

"Ngayon ay isang pagkakataon upang masalamin at hangaan ang mga kababaihan sa kanilang patuloy na lakas at katatagan. Ang kanilang tulong ay humuhubog sa atin bilang mga tao at bilang isang bansa. Para sa lahat ng mga bagay na iyong ginagawa, salamat at nais ko kayong lahat na isang masayang araw ng kababaihan," aniya.

Ang PSC ay naging napa-ka-aktibo at pare-pareho sa mga programa nito para sa Women in Sports kahit na sa panahon ng Covid-19 health crisis. Ang isang serye ng mga libreng online na seminar ay isinagawa upang itulak ang paghimok nito para sa pagkakapanatay-pantay ng kasarian at paglakas ng kababaihan.

"Ito ang aming holistic na diskarte upang maabot ang lahat ng mga kababaihan sa bansa na maging aktibo sa aming mga programa sa pamumuno at hikayatin silang mabuhay ng isang malusog na pamumuhay," sabi ni Celia Kiram, PSC na nangangasiwa na Komisyon para sa Mga Kababaihan sa Palakasan.

Ang PSC's Rise up Shape up (RUSU) - isang lingguhang serye sa web na dumadaloy tuwing Sabado sa Facebook at YouTube, nagtatampok ng iba't ibang mga dalubhasang kababaihan at personalidad na naglalayong pukawin at bigyan ng kapangyarihan ang mga kababaihan sa iba't ibang larangan.

Itinampok ng RUSU ang prized women boxers ng bansa na pinangunahan ng 2012 AIBA Women's world boxing champion at five-time gold medalist sa Southeast Asian Games na si Josie Gabuco, 2019 SEA Games silver medalist na si Riza Pasuit at tansong medalist na si Aira Villegas, na nagbigay pugay sa kanilang mga ina para sa kanilang suporta at patnubay sa kanilang mga karera kaya't nagtapos sila sa tagumpay sa isport at sa buhay.

PINAHAYAG ni PSC Commissioner Celia Kiram sa lingguhang TOPS Usapang Sports week 11 via Zoom online ang mga kaganapan sa palakasan. Kung saan ay kabilang sa may malaking gampanin ang mga kababaihan. Ilan pa sa kanyang mga paliwanag ay ang kanilang mga gampanin sa sports bagamat may pandemya pa sa kasalukuyan. (RGN)

NCR, Central Visayas, Calabarzon top active Covid-19 cases list

MANILA – The National Capital Region (NCR), Region 7 (Central Visayas), and Region 4-A (Calabarzon) have reported the highest number of active cases of coronavirus disease 2019 (Covid-19).

In its Covid-19 situation report released on Monday evening, the Department of Health (DOH) said NCR has 14,699 active cases, followed by Central Visayas at 6,023, and Calabarzon at 3,690 -- totaling to 24,412 out of 36,043 active Covid-19 cases in the country.

These three regions also reported the highest number of new cases — NCR with 1,540, Central Visayas with 495, and Calabarzon with 347.

Rate of spread

The DOH's current measure of Covid-19's ability to spread, or the Rt value, is at 1.23 ± 0.02 as of February 21.

"Based on the latest data, we are 95 percent confident that Rt = 1.23 ± 0.02, which means each infected individual was infecting an average of 1.23 other persons around two weeks ago," the DOH said.

Lowering this value to less than one, it said, would mean that an infected person, on average, is infecting less than one person, and would eventually stop the transmission of the disease.

"Lowering this value is made possible through efforts such as social distancing, wearing of PPE (personal protective equipment), and other means to stop the spread of the virus," the DOH said.

On Sunday, the DOH said a total of 26,354 Covid-19 tests were administered to 24,633 individuals, with 2,259 or 9.17 percent returning positive with the disease.

In total, it said 9,068,396 tests were administered to 8,542,733 persons, with 667,341 or 7.81 percent returning positive with Covid-19.

Crackdown on violators
Meanwhile, the Department of the Interior and Local Government (DILG) has

ordered the police force to go after those ignoring minimum health protocols.

"So nag-utos po si DILG OIC (officer-in-charge Bernardo) Florece na tinatawag na crackdown sa mga nagva-violate ng ating mga minimum health standards at mga health protocols (On orders of DILG OIC Bernardo Florece, there is now a crackdown against those who violate minimum health standards and protocols)," he said in a Laging Handa briefing.

Malaya also urged local government units and their police forces to increase the number of police officers in populous areas in Metro Manila and other parts of the country as part of the efforts to stop the surge in Covid-19 cases.

He added that local ordinances related to Covid-19 protocols should be strictly enforced in line with this measure.

First time offenders will be given a warning while those on their second and third violations can be fined or imprisoned. **(with report from Lloyd Caliwan and Priam Nepomuceno/PNA)**

Hontiveros: Babae at bayanihan ang kailangan sa pagbangon

FOR this year's celebration of International Women's Day, Senator Risa Hontiveros asserted that women and the Filipino spirit of bayanihan are key in our COVID-19 recovery.

The senator, who chairs the Senate Committee on Women, Children, Family Relations and Gender Equality, has consistently put the spotlight on gender inequality, especially during the COVID-19 crisis.

"Babae at bayanihan ang dapat maghari para tunay na makabangon ang pamilyang Pilipino. The pandemic only exacerbated the multiple burdens women already carry. If we want to wholly recover from this crisis, we need to band together to better support our women," she said.

Hontiveros adds that women's empowerment and support is particularly needed during a health crisis, because, according to the World Health Organization (WHO), 70% of the health and social workforce is made up of women.

In a 2019 analysis, WHO then emphasized that investments in the health workforce could lead to women's economic empowerment. For instance, while majority of healthcare

workers are women, they earn, on average, 28% less than men.

"Karamihan ng ating health workers ay babae, hindi lang dito sa Pilipinas kundi sa buong mundo. Kung mapalakas natin ang benepisyo at suporta sa bawat isa sa kanila, mas agarang makakabangon ang buong mundo mula sa pandemya," the senator said.

In this light, Hontiveros, along with other women senators, is set to file a bill for gender-responsive and inclusive protocols to address the gender-differentiated needs of women during COVID-19, and other public health concerns, emergencies and disasters.

"Ang krisis pangkalusugan at ekonomiya ay mas masosolusyunan kung gawin nating prayoridad ang ating kababaihan. Patong patong na ang bigat na dala ng ating mga babae — mga nanay, nars, guro, domestic workers, at marami pang iba. Akayin natin kami. Maging bayani tayo para sa isa't isa," Hontiveros concluded. **PR**

Imbestigasyon ng 'sagot-for-sale' sa distance learning, isinulong

LUNGSOD CALOOCAN (PIA) -- Nanawagan ng

agarang imbestigasyon si Senator Win Gatchalian sa balitang may mga magulang at mag-aaral na sangkot sa "sagot for sale" habang nagbabala ang senador sa mga posibleng pinsalang idudulot sa pagkatuto ng mga mag-aaral.

Sa nakaraang pandinig sa Senado na tumalakay sa pagpapatupad ng distance learningngayongAcademic Year 2020-2021, binalikan ni Gatchalian ang iniulat ng Teachers' Dignity Coalition (TDC) na may ilang mga magulang na nagbabayad ng mga maaaring sumagot sa modules ng kanilang mga anak. Ang iba aniya sa mga binabayaran ng mga magulang ay maaaring makontak gamit ang internet.

"Huwag naman sanang gawin ng mga magulang iyon dahil kawawa ang mga bata. Hindi natin sila natutulungang matuto sa ganyang mga paraan," sabi ni Gatchalian.

Magkakaroon muli ng pandinig sa Senado upang matalakay ang proseso ng assessment ng mga mag-aaral. Ayon sa Department of Education (BTS), mahigit siyamnapu't siyam

(99.13) na porsyento sa mahigit labing-apat (14) na milyong mag-aaral ang nakapasa sa first quarter. Hindi kasama rito ang datos mula sa National Capital Region, Region 7, at Bangsamoro Autonomous Region in Muslim Mindanao (BARMM).

Pero sabi ni Gatchalian, iba ang sitwasyon ng mga mag-aaral sa Valenzuela na aniya'y may kahalintulad na resulta sa mababang national achievement scores ng mga mag-aaral sa bansa. Halimbawa, may average na apatnapu't walong (48) porsyento ang mga nasa Grade 8 sa lahat ng subject, limampu't isang (51) porsyento sa Grade 9, at limampu't limang porsyento (55) naman sa Grade 10 sa lahat ng subject. Lahat ng resultang ito ay 'di hamak na malayo sa passing rate na pitumpu't limang (75) porsiyento.

Bagama't kinikilala ni Gatchalian na ang ulat ng DepEd ay base lamang sa datos na nagmumula sa mga rehiyon, iginiit niya ang pangangailangan ng mas malinaw na pag-unawa sa proseso ng assessment sa ilalim ng distance learning, lalo na't nahaharap tayo sa mraming hamon tulad ng kakulangan ng pagbabay ng mga guro at maayos na internet connection.

"Alam kong ito ay isang hamon ngunit kailangan nating lubos na mawnawa ang assessment na ginawa ng DepEd. Nais din nating makita ang pag-aanalisa sa bawat subject. Ito ay dahil nais nating matukoy kung saan mahina ang ating mga mag-aaral," dagdag ng senador.

Ayon pa kay Gatchalian, kailangang humabol ng mga mag-aaral ng bansa matapos lumabas ang resulta mga international large-scale assessments, kung saan ipinakitang nahuhuli at nahihirapan ang mga mag-aaral na lubos na matutunan ang kanilang mga aralin. **(PIA NCR)**

BOC-PCAG Collects Php 247,369,347.16 Additional Revenues for January to February 2021

THE Bureau of Customs, through the Post Clearance Audit Group (PCAG), posted additional revenue collection of Php 247,369,347.16 from January to February 2021 as a result of its intensified post-clearance audit verification and investigation of importers suspected to have violated the provisions of RA 10863 or the Customs Modernization and Tariff Act (CMTA).

According to PCAG, six (6) outstanding Final Demand letters were collected and forty-eight (48) applications for the Prior Disclosure Program (PDP) were filed from January to February 2021. Of the total PDPs filed, 31 were from Mechanically Deboned Meat (MDM) importers under audit tallying a total amount of Php 67,596,830.74, while 13 PDP applications were from Rice importers under audit amounting to Php 6,741,407.0.

PCAG also reported on the status of previously issued ANLs with six (6) PDP ap-

plications approved and seven (7) Final Audit Reports (FAR) completed. These resulted in the issuance of six (6) new Demand Letters amounting to Php 41,173,506.53 and one (1) Clean Report Findings. The Demand Letters shall become final and demandable upon the lapse of fifteen (15) days from receipt thereof by the importer.

Meanwhile, 28 ANLs were issued from January to February 2021, 17 of which are importers in the coffee industry, 10 in the oil and petroleum industry, and 1 consignee issued with ANL due to compliance issues based on the profiling conducted.

The Post Clearance Audit Group is optimistic that additional revenues will still be collected from post-clearance activities for the remaining months of 2021. Presently, there are still eleven (11) outstanding Final Demand Letters amounting to Php 6.9 billion which remain unpaid

and will be referred to the BOC Legal Service for the filing of the necessary collection suit.

The Bureau of Customs remains committed to carrying out its mandate of protecting government revenue by suppressing all illegal and irregular activities of unscrupulous importers through the Bureau's strengthened post-clearance audit efforts. **PR**

2020 Shari'ah Bar exam posts 10.8% passing rate: SC

MANILA – Only 71 out of a total of 654 examinees passed the 2020 Special Bar Examinations for the Shari'ah Courts, the Supreme Court (SC) announced on Wednesday. In a statement, the high court said the top 10 passers are: Mocsir, Mohamad Hisham M. (87.075 percent); Saidamen, Ramayana D. (86.975 percent); Marangit, Mohamad Mojib D. (85.075 percent); Paglala, Julamin A. (84.625 percent); Pumbaya, Ainah M. (83.525 percent); Ali, Sittie Ainah M. (83.200 percent); Mamarungas, Nasihah S. (82.075 percent); Abubacar, Johari C. (82.025 percent); Panandigan, Raima P. (81.100 percent); and Taha, Norrisah M. (80.950 percent). This translates to a 10.8 percent passing rate for

the examinations chaired by Court of Appeals Associate Justice Japar B. Dimaampao. The examiners were lawyer Melchor Rey K. Sadain (Persons, Family Relations and Property), Dr. Asnawil G. Ronsing (Jurisprudence [Fiqh] and Customary Laws [Adat]); Dean Norhabib Bin Suod S. Barodi (Procedure in Shari'ah Courts), and Dr. Jamel R. Cayamodin (Succession, Wills/Adjudication, and Settlement of Estate). Dimaampao said that the examinations "will go down in history as the second-lowest passing percentage", after the 7.69 percent passing rate recorded in 1983. The Shari'ah Bar exams were held on Jan. 19 and 26, 2020 at the Court of Appeals Centennial Building, Ma. Orosa Street in Manila. (PNA)

CA affirms dismissal of Tolentino libel complaint vs. Ted Failon

MANILA – The Court of Appeals (CA) has denied an appeal by former Metropolitan Manila Development Authority (MMDA) chairman and now Senator Francis Tolentino questioning the dismissal of a libel complaint he filed against broadcaster Ted Failon in 2017. In a six-page resolution dated March 5, the appellate court denied the motion for reconsideration filed by Tolentino, saying its decision on the case last year "stands". "In sum, the motion for reconsideration has not raised any matter or cogent argument that we have not already considered and resolved in our decision dated July 7, 2020," the court said. In its original decision penned by Associate Justice Pablito Perez, the CA's 12th Division dismissed the criminal complaint and ordered the Cavite Regional Trial Court (RTC) Branch 18 to cease and desist from the proceedings. Aside from Failon, known as Mario Teodoro Etong in real life, the CA also cleared ABS-CBN's "Failon Ngayon" program story editor and head writer Gerald Oro, segment producer Abigail Lucas-Rondilla and executive producer Irene Grace Manotok. The libel case involved a report on the purchase of second-hand motorcycles by the MMDA, which Tolentino then headed, "with

commentary on the broader context of possible fund misuse." A second broadcast of the program prompted a second libel complaint. In 2017, the Department of Justice (DOJ) ruled that as media practitioners, Failon and his co-accused lawfully performed the press function of exposing anomalies and irregularities in government. Tolentino appealed the DOJ ruling while the prosecutors filed a motion to withdraw the information. Failon took the case to the CA after the lower court judge failed to act on the prosecutors' motion. Ruling in favor of Failon and his team, the CA said they had acted within their rights. "Certainly, if we are to remain faithful to the dictum that public office is a public trust. Some leeway should be given to the public to express disgust or discontent – even if such expression is sometimes acrid, harsh, critical, vitriolic, and accusatory. The interest of society and the maintenance of good government demand a full and free discussion of public affairs," it said. The CA also ruled that the lower court erred in saying actual malice is a matter of defense, which is the burden of the accused. "We reiterate that as an essential element in cases involving public officials with respect to matters within the public's legitimate inter-

DOJ eyes skills training program for fiscals in HR, EJK cases

MANILA – Justice Secretary Menardo Guevarra on Wednesday said the government is finalizing a training program to improve the investigative skills of prosecutors assigned to handle alleged cases of extra-judicial killings and human rights violations. "We have implemented one (project) without any funding (from the UN)-the human rights summit last December. The next one will be a training program to enhance the investigative skills of prosecutors assigned to AO 35 cases," Guevarra told reporters. The DOJ is part of the Administrative Order 35 Task Force, the inter-agency committee on extra-judicial killings, enforced disappearances, torture, and other grave violations on the right to life liberty, and security of persons. The DOJ is scheduled to execute a project document to allow the funding for projects lined up in collaboration with the United Nations (UN). Meanwhile, Guevarra expressed misgivings about a statement attributed to Ravina Shamdasani, spokesperson for the UN Office of the High Commissioner for Human Rights (UN OCHR), reacting to the reported death of nine individuals in last weekend's search warrant operations conducted by the police in Calabarzon. "Anyone, including the OHCHR, must have sufficient information before making a judgment," Guevarra said. Guevarra on Monday said they will dig deeper into these incidents. The Philippine National Police earlier confirmed that six individuals in Rizal, two in Batangas, and one in Cavite died in "search warrant operations". It added that six others were arrested -- three each in Laguna and Rizal while nine are still at large -- eight in Rizal and one in Batangas. (PNA)

**BUNSO, PANALO KAY
JOCKEY RENZ UBALDO!**

Panalo ang kabayong si Bunso na sinakyan ng hineteng si Renz Miller Ubaldo noong Marso 3, race1 na kung saan ay may double carry over Winner Take All na ginanap sa Metro Manila Turf Club Inc. sa Malvar Tanauan, Batangas. Sa simula ng labanan ay nakauna sa largahan si Bunso habang kumaskas naman sa gawing labas ang kabayong si Quincy na sakay ni Mark Alvarez upang makipaglutsahan sa harapan, nasa ikatlong puwesto sa tabing balya si Cat's Day na nirendahan ng hineteng si MD De Jesus, pang apat ang kabayong si Ultimate Cat ni RC Suson, nasa pagitan naman si Crystal Creek na ginabayan ng hineteng si MB Pilapil, pang anim ang kabayong si Brilliant Move ni CP Henson, habang nasa ika pitong posisyon si Silver Arrow na pinatungan ng hineteng si AM Bufete. Pag laggas sa unang kurbanda ay bahagyang lumamang sa unahan si Quincy ngunit kaagad na binawi ni Bunso ang bandera, habang nasa ikatlong puwesto si Cat's Day, pang apat si Brilliant Move, pang lima si Ultimate Cat at pang anim naman si Silver Arrow. Pagdating sa tres oktobos (600 meters) ay bandera pa rin si Bunso habang nakakapit pa rin sa ikalawang posisyon si Quincy, pangatlo si Brilliant Move, pang apat si Cat's Day sa gawing balya at nagpapa init naman sina Silver Arrow, Et Tu Brute at Baling Rikit. Pagdating sa home stretch ay unti- unti ng lumalayo si Bunso at tila naka relax na lang sa ibabaw ng kabayo si Renz habang malakas naman ang dating sa ikalawang puwesto si Et Tu Brute ni RO Niu Jr. Nanalo ang kabayong si Bunso ng halos dalawang kabayong agwat laban sa malakas na nasegundo na si Et Tu Brute, tersero naman ang malakas din ang dating sa gawing labas na si Baling Rikit ni AS Pare at pang apat si Quincy. Nakapagtala si Bunso ng tiyempong 1:28 (13'-23'-24'-26') para sa 1,400 meter race.

CA affirms conviction of Indian who kidnapped compatriot

MANILA – The Court of Appeals (CA) has upheld the conviction of an Indian national who kidnapped and detained a fellow expatriate recruited to work for a lending business in the Philippines. In a 22-page decision dated March 4 and written

by Associate Justice Fernanda Lampas Peralta, the CA Special Second Division upheld the Las Piñas City Regional Trial Court (Branch 255) decision convicting Gurinder Pal Singh for serious illegal detention and sentencing him to reclusion perpetua.

The victim, Sandhu Jag Jiwani Singh, was recruited by Gurjadwinder Singh Sandhu, to work in the Philippines for a monthly salary of PHP50,000. He arrived in the Philippines on June 6, 2011 and was met at the airport by the suspect, Baldev Singh,

Surinder Pal Singh, and Joginder Singh. They took him to accused Sandhu's house in Sta. Maria Subdivision, Bataan, where he was kept while working without pay for the accused's money collection business. The victim claimed that his

Santa Rosa HCWs get first AstraZeneca jabs in CALABARZON

CALAMBA CITY (PIA) - Healthcare workers in the City of Santa Rosa are banking on the vaccines against COVID-19 to provide them extra protection as the region's frontliners against the pandemic.

At least 150 health workers from Qualimed Health Network Santa Rosa received their vaccines last Sunday, March 7, during the rollout of the national vaccination program in this city.

The national government has allotted an initial batch of 150 AstraZeneca vaccines and 350 Sinovac vaccines for medical frontliners, making them the first private hospital outside Metro Manila to receive

vaccines from the World Health Organization-led COVAX facility.

It is expected that these will be administered within the next few days.

Health workers led by AC Health Chief Operating Officer and President, Dr. Edwin Mercado, Senior Vice President for Medical Affairs, Dr. Manuel Roxas and Qualimed Santa Rosa Medical Director, Dr. Lilibeth Maravilla were among the first to receive their vaccines from the British Drugmaker, as a show of their trust in the national vaccination program.

"The best vaccine is the one available right now. Hindi natin pwede hintayin ang susunod na bakuna

dahil walang katiyakan kung kailan at paano ka mae-expose. Lahat ng bakunang nilalabas ng gobyerno ay dumaan sa masusing pag-aaral ng Department of Health at Food and Drug Authority." Mercado assured his fellow medical workers.

As one of the priority sectors in the inoculation program, medical workers at Qualimed need not much convincing as almost 100% of their 378 employees have already signed up for the program.

"Vaccination is one of the stepping stones para sa pagtatapos ng pandemy. Kung hindi magpapabakuna ang mga tao, hindi tayo usad," Hospitalist, Dr. Sue Anne Chanel Kua said.

The city government has secured 300,000 doses of Astrazeneca vaccines to augment the national vaccination program for their healthcare workers.

"Gusto natin syempre protected ang ating healthcare workers, first of all," said Santa Rosa City Mayor Arlene Arcillas, who graced the event to show the local government's support in the health sector's initiative.

Through the vaccines secured through a tripartite agreement, Arcillas said the vaccines will be beneficial especially to the economic frontliners in their city.

As one of the economic players in the region, Santa Rosa City houses five (5) industrial hubs, where residents within and outside the city are earning their livelihood.

It is expected that more priority sectors in the city will be inoculated against the disease within the next few days. Arcillas said they are also waiting for the arrival of 100,000 doses of COVID-19 vaccines made by American drugmaker, Moderna.

"Yung hindi mako-cover ng national [government], we will cover it. And we're very happy that soon, Moderna will arrive because we reserved 100,000 [vaccines]. Yung hindi mako-cover, kasama na yung economic frontliners natin, iko-cover ng city and the private sector," the local chief executive assured. **(PB)**

Public-private partnership key to addressing Covid-19 in Santa Rosa City — Mayor Arcillas

SANTA ROSA CITY, Laguna (PIA) — For Santa Rosa City Mayor Arlene Arcillas, the key to resolving the coronavirus disease 2019 (Covid-19) pandemic is through active partnership between the public and private sectors. In her message during the AstraZeneca vaccine rollout in Qualimed Hospital - Santa Rosa on Sunday, March 7, Arcillas underscored that the combined efforts of the city government, national government, and private sectors especially with the Ayala Corporation have enabled them to ease the effects of the Covid-19 pan-

demia.

"We were able to weather this pandemic because of the partnership of the national, local and of course the private sectors—and that happened in the City of Santa Rosa," Arcillas said. This was emphasized by Mayor Arcillas as she expressed her gratitude to the Ayala Corporation for supporting and helping the city in its Covid-19 response and other health programs. She said the Qualimed Hospital managed by the Ayala Corporation was the first to establish an RT-PCR laboratory and isola-

tion facility in the city.

Mayor Arcillas added that the Qualimed Hospital will be one of its partners in rolling out the citywide vaccination drive as they tap private hospitals in the city to serve as vaccination centers.

"Ayala Corporation has been helping us all through these years. I'm very happy because in the City of Santa Rosa, public-private partnership truly works and it is happening now," the City Mayor said.

Arcillas also thanked the National Task Force Against Covid-19 for authorizing them to secure doses of AstraZeneca vaccines through a tripartite agreement. She said the vaccines would benefit not only the residents of Santa Rosa but also the private sectors and economic frontliners within the city.

She also expressed hope that the public-private partnership would remain in Santa Rosa not only in its Covid-19 response programs but also to other initiatives of the city government.

Meanwhile, the Ayala Corporation also believes that "the best way to beat the virus is for the public and private sector to work together collaboratively."

Ayala Corporation President and Chief Operating Officer Fernando Zobel De Ayala said with the help of the government, they were able to establish an RT-PCR testing laboratory to perform Covid-19 tests.

He said since the opening of the laboratory and Covid-19 facilities they were able to perform almost 150,000 of tests throughout our network of labs and triage over 500,000 patients across their Qualimed Hospitals and healthway clinics.

"This is proof of how a successful partnership between the government and the private sector ultimately translates to improve healthcare services for more Filipinos," the Ayala Corporation President and COO said.

On Sunday, March 7, the Qualimed Hospital - Santa Rosa began its Covid-19 vaccination program for its medical healthcare workers after receiving the AstraZeneca vaccines from the national government. At least 150 medical frontliners, received AstraZeneca jabs during the rollout of the vaccination program. **(FSC)**

San Pablo HCWs receive first Laguna COVID-19 jab

SAN PABLO CITY, Laguna (PIA) - Local healthcare workers (HCWs) are hopeful that the national vaccination program will help protect themselves from the 2019 coronavirus disease (COVID-19) as the frontliners in the nation's road to recovery from the pandemic.

The Department of Health Region IV-A (DOH-CALABARZON) has rolled out its COVID-19 vaccination program in Laguna province at the Laguna Provincial Hospital - San Pablo City District Hospital (LPH-SPCDH) last March 6, where around 200 medical frontliners were inoculated against the disease.

It is expected that the remaining 126 vaccines will be administered to medical frontliners within the second week of inoculations.

A total of 1,067 Sinovac vaccines were allotted in Laguna province. It includes Laguna Provincial Hospital and San Pablo District Hospital (334), Laguna Medical Center (415) and Dr. Jose P. Rizal Memorial District Hospital (318).

Meanwhile, around 326 vaccines are expected to be administered within the first two days of the vaccination rollout in the city.

In his message, DOH-CALABARZON Regional Director Eduardo Janairo III assured medical frontliners that the vaccines were carefully studied.

"May mararamdaman kayo na hindi ko matatawag na adverse effects after vaccination, pero ito ay pansamantalang lamang at isang patunay na gumagana ang bakuna sa ating katawan," Janairo said.

San Pablo City District Hospital OIC Chief, Dr. Edgar Palacol, Intensive Care Unit nurse Marvic Umali, provincial pathologist Dr. Imelda Palacol, and Department of Surgery head, Dr. Francis Ravera were among the first to be given their vaccines as a sign of their trust in the national vaccination program.

For Palacol, getting inoculated against the disease was not a difficult decision to make as he believes in the programs of the Department of Health, including the vaccines they vouch for.

"Ang pinaka-safe na bakuna ay approved ng FDA, ng WHO, ng ating DOH at kung ano ang unang nandito. Kalaban natin ang oras, kailangan natin ma-reach ang herd immunity sa bansa para maiwasan ang pagkalat ng COVID-19," Palacol said, referring to the Food and Drug Authority and the World Health Organization, who vouch for the quality of vaccines before they are distributed in the country.

The arrival of COVID-19 vaccines also helped boost the morale of the medical staff of LPH-SPCDH, who are at the frontlines in the city's fight against the pandemic.

No adverse reaction was reported among the first vaccinees, who underwent check-ups at a Post Vaccination area immediately after receiving their shot.

Similar to its simulation, medical equipment was placed within the compound in case of emergencies during the vaccination.

Meanwhile, Governor Ramil Hernandez, Vice Governor Katherine Agapay, Mayor Loreto Amante and Third District Board Member Abi Yu joined Janairo and Assistant Regional Director Paula Paz Sydiogco, as a sign of the province's support in the national vaccination program, which aims to protect the Filipino people against the coronavirus.

Although he was willing to be inoculated to show his support in the national vaccination program, Hernandez assured that local officials are willing to wait for their turn.

"Papaunahin natin ang frontliners. Nakapaghintay nga tayo ng isang taon, ano ba naman ang ilang araw lang na mahintay tayo para mauna ang mga dapat mauna," Hernandez said. **(PB)**

Mga Calambeño, walang dapat ikatakot sa bakuna – Mayor Chipeco

CALAMBA CITY, Laguna (PIA) – Walang dapat ikatakot ang mga residente ng Calamba City, Laguna sa bakunang gawa ng Chinese biopharmaceutical company na Sinovac, ayon kay Mayor Justin Marc 'Timmy' Chipeco.

Paalala ng punong lungsod sa publiko na huwag maniwala sa mga sinasabi ng iba tungkol sa bakuna gayong wala namang malinaw na ebidensiya ang mga ito. "Huwag ho tayong madaan agad sa takot, sa bagay na hindi natin alam. Ang maganda po alamin natin, pag-aralan natin ng mabuti," pahayag ng alkalde sa panayam sa kanya ng UNTV News.

"Karapatan ng bawat isa kung anong gusto niyang gawin sa katawan niya at naiintindihan namin 'yon bilang opisyales. Pero, tinuturan din namin kayo na pag aralan kung anong makakabuti sa inyo at huwag lang madadaan kung ano ang takot na idinudulot ng ibang tao na wala namang dahilan," dagdag nito.

Ito ay kasunod ng mga kumakalat na impormasyon na hindi epektibo ang Sinovac vaccine na nagdudulot ng agam-agam sa publiko. Ayon pa sa alkalde na epektibo ang Sinovac vaccine dahil ginawa ito sa tradisyunal na paraan.

"Ang Sinovac, bagaman gawa sa China, they use the traditional method of manufacturing the vaccines, which is killing the virus itself at ini-introduce sa katawan natin so that our immune system can identify it," pahayag ni Chipeco. "Ang personal na opinyon ko, na wala namang masamang epekto yon kasi yung ginagawang sistema at proseso ay ginawa na rin sa proseso na matagal na panahon na nating ginagawa."

Kung papayagan umano ng national government ay mauunang magpapabakuna si Mayor Chipeco upang maalis ang agam-agam ng mga nasasakupan nito sa Sinovac vaccine.

Sa ngayon ay hinihintay na lamang ng pamahalaang lungsod ng Calamba ang pagdating ng bakuna upang masimulan na ang vaccination rollout sa lungsod.

Una nang naglaan noong Enero ng inisyal na P200-milyon ang pamahalaang lungsod para sa Covid-19 vaccination program nito na gagamitin sa pagbili ng bakuna, pagsasaayos ng storage facilities, transportasyon ng mga bakuna at iba pang kakailanganin sa paglulusad ng malawakang pagbabakuna. **(FSC/ UNTV)**

DADALAW SA KULUNGAN, NAKAPKAN NG DROGA

ARESTADO ang isang babae nang nagtangkang ipasok ang droga sa loob ng Custodial Center sa Bacoor City, Cavite.

Kasong paglabag sa Sec. 7 ng RA 9165 ang isinampa laban sa suspek na si Melanie George, 37, ng Bacoor City. Sa ulat ni PSSgt Francis Mark Cortez, ng Bacoor City Police, dakong alas-9:00 Martes ng umaga nagtangkang pumasok

WELFARE ASSISTANCE TO CONSTITUENTS: A total of 263 beneficiaries from Cavite City received cash assistance amounting to a total of P936,000.00 from the office of 1st District Representative Francis Gerald "Boy Blue" Aguinaldo Abaya last March 5, 2021 at the PN Samonte Park Covered Court in Cavite City. The provision of welfare assistance is one of the priority projects of Cong. Boy Blue Abaya to help his constituents in their medical and hospitalization needs and to give hope to families who are going through tough times with the loss of their loved one especially during this time of pandemic. Also present during the financial distribution were Cavite City Mayor Totie Paredes, some city councilors and Punong Barangays headed by their ABC President, Apple Paredes. **PICAD**

Calabarzon ops legitimate: PH Mission to UN

MANILA – The Philippine Mission to the United Nations in Geneva defended as "legitimate" the law enforcement operations in Calabarzon that resulted in the deaths of nine activists and the arrest of six others on March 7. This came in the wake of a statement from the Office of the High Commissioner for Human Rights (OHCHR) that denounces what it describes as "arbitrary killing". "We are appalled at OHCHR prejudging legitimate police operations on Sunday in the Philippines vs persons possessing dangerous firearms and explosive devices. We regret this overreach of OHCHR's mandate -- clearly uninformed of facts on the ground," the Philippine Mission said over Twitter on Tuesday night. It said there is "no basis

for calling deaths resulting from these operations as arbitrary killing," adding that these were carried out "strictly within the bounds of law, on 40 search warrants secured by the police after a rigorous legal process." When deaths occur during operations conducted by security forces, investigations are "automatically" launched in the Philippines, it added. "And this will be true for the search ops in Luzon last Sunday," it said. "We ask OHCHR to correct hasty opinions favoring violators of the law & instead support efforts to uphold law & order." **READ:** Gov't investigating death of activists in Calabarzon raids At least six died in Rizal province, two in Batangas, and one in Cavite following simultaneous police opera-

'Pag ikaw ang bumubuntot,
nasa iyo ang pagkakasala

ANG daming mababangga sukat na service car pa ng pulisya ang masasalpok. Traysikel ang nakabangga sa hulihang bahagi ng mobile patrol at sa pag-sisiyasat ay malakas ang pagkakasalpok. Dahilan kaya tumama ang ulo ng tricycle driver sa harapang salamin ng traysikel nito. Nagdulot ito ng malalim at malalang sugat sa leeg ng tricycle driver. Kaagad namang naisugod sa ospital ang tricycle driver subalit idineklarang dead on arrival. Sa ulat ay bumabagtas ang service vehicle ng kapulisan sa isang national road. Bahagyang bumabagal ang takbo ng police mobile dahil medyo nagkakaroon ng trapik. Sa kabila na bumabagal ang takbo ay bakit malakas ang pagkakasalpok ng traysikel? Ibig bang sabihin ay hindi nag-menor o nagbagal ng pagpapatakbo ang tricycle driver? Kaya ang pakahulugan natin na sa daming masasalpok ay mobile patrol pa ang nababungo ay tila hindi alintana ng tricycle driver na service

ng pulisya ang kanyang sinusundan. Ano mang klase ng sasakyan ang sinusundan ay dapat maging alerto at mag-ingat sa pagmamaneho. Pwedeng sabihing nawalan ng preno ang traysikel pero paano naman ang katanungang bumabagal na nga ang takbo ng mga sasakyan dulot sa pagkakaroon ng trapik ay mabilis pa rin ang pagmamaneho ng tricycle driver? Matatawag ba itong isang aksidente, ano po sa inyong palagay? Tandaan na basta ikaw ang bumubuntot o nasa likuran ay nasa iyo ang lahat ng pagkakamali at pagkakasala sa iyong mabubunggong sinusundang kahit anong sasakyan. Isa ang traysikel sa mga kabilang na pasayaw sa gitna ng kalsada. Hindi ko nilalahat dahil mayroon din namang ilang tricycle driver na matino sa kanilang pamamasada at pagmamaneho. Sabi nga, nasa huli ang pagsisi pero kapag binawi na ang buhay ay paano pa makakapagsisi.

ARESTADO sina Aldrin Florano, El Jherrico Osorio, at Eloisa Reyes sa isinagawang buy bust operation Station Drug Enforcement Unit (SDEU) ng MPD Police Station-3, sa kahabaan ng Recto Avenue, Manila nitong Marso 4. Ayon sa imbestigador na si PCPL Dan Lyndon Cacandin, tinatayang nasa 100 gramo ng hinihinalang droga ang narekober mula sa mga suspek na may street value na P680,000. Nakuha rin ang isang itim na Yamaha NMAX 150 Motorcycle. **(JEROME AMOROSO)**

tions on Sunday. Initial reports showed that policemen conducted the raids by virtue of search warrants for illegal possession of firearms and explosives. Col. Chit Gaorian, spokesperson of the Police Regional Office-4A (Calabarzon), earlier said the raiding team was engaged

in a gunfight, resulting in the deaths of the nine individuals. A Department of Justice-led panel on extrajudicial killings is currently investigating the death of the nine activists. The Commission on Human Rights will also launch an independent probe. **(PNA)**
