DTI CALABARZON AWARDS EQUIPMENT TO WOMEN MICRO ENTREPRENEURS

CALAMBA CITY, Laguna (PIA) --The Department of Trade and Industry Region 4-A turned over equipment for Coffee Women Micro Entrepreneurs in Laguna and Cavite in support to the celebration of the 2021 National Women's Month celebration with the theme, "Juana Laban sa Pandemya: Kaya."

Under the Supporting Women's Economic Empowerment in the Philippines Project or GREAT Women Project 2, the equipment were handed over to women beneficiaries on March 16, 2021 in Calamba City and on March 17, 2021 in Amadeo.

The GREAT Women Project 2 is a project funded by the government of Canada that seeks to improve the economic empowerment of women micro entrepreneurs (WMEs) and their workers through improving competitiveness and sustainability of WMEs and the enabling environment for women's economic empowerment.

"The COVID-19 pandemic has brought numerous challenges to many businesses, especially to our WMEs. We are hoping that through this technology assistance to our WMEs in the CALABARZON region, we would be able to enhance the productivity and competitiveness of our WMEs and to aid in their capital lost and decreasing sales," said DTI CALABARZON Director Marilou Q. Toledo.

In Laguna, five sets of coffee storage equipment were awarded to Michael Pillas of Elbi Coffee Hub, a foot sealer to Lucilyn Villanueva of Mabato Coffee and HVC Agriculture Cooperative and a coffee cupping set to Michelle Dela Cruz of Casile Guint-

ing Upland Marketing Cooperative.

In Cavite, a tabletop coffee grinder was given to Agnes Madlansacay of Café Amadeo Development Cooperative, a commercial coffee grinder each to Olivia Lansang of Olivia's Coffee Seed Shop and Arsenia Lopez of She Brews Coffee, and a foot sealer to Bettina Grace Belardo of Belardo Coffee Enterprises.

Eleanor Medina, owner of ESM Food Products and a beneficiary of the Packaging and Labeling Project under the Industry Cluster Enhancement Program, was awarded with packaging prototypes with the improved logo and packaging label design. The ICE Program seeks to develop priority industries through institutional development, industry strengthening and cross sector collaboration among government, private and non-government organizations across the different areas in the value chain.

In the recent efforts, the Philippine Commission on Women, the lead executing agency for the project in partnership with other agencies of the Women's Economic Empowerment - GREAT Women Project 2 (WEE-GWP2), rolled out an impact study in 2020, which assessed the situation of the WMEs.

The study revealed that majority of the WEE-GWP2 enrolled WMEs had been hard hit. Majority of respondents reported to have stopped production and operation. Employees and members of the organizations accounted 75% decrease to no sales at all, and 64% said they no longer have enough capital available. **(CPP, PIA-4A with report from DTI-CALABARZON)**

Cavite LGUs commence respective COVID-19 vaccination programs

TRECE MARTIRES, Cavite (PIA) --Several cities and municipalities in the province commenced their COVID-19 vaccination program to immunize medical health workers both in public and private institutions against the disease.

This is in the wake of the nationwide implementation of the government's COVID-19 vaccination program using AstraZeneca vaccines from the COVAX facility of the World Health Organization (WHO) and the Sinovac vaccines from China.

The cities of Tagaytay, Bacoor, and Trece Martires City held their respective localities' vaccination rollout on the same day, March 10, 2021.

Tagaytay City Mayor Agnes Tolentino, a medical professional, helped administer AstraZeneca vaccines to Dr. Warren Roraldo, a medical surgeon at the Tagaytay Medical Center and Dr. Rafael Rodriguez, TMC Director. The vaccines were part of the first batch of vaccines for the 585 healthcare workers in the city.

In Bacoor, the city government recorded a total of 1,464 health workers vaccinated as of Friday, March 19, 2021 since the city's official vaccination rollout held at the Southern Tagalog Regional Hospital on March 10. The LGU targets a total of 2,200 health workers and medical practitioners from both public and private hospitals and clinic in the city.

Meanwhile, about 124 doctors, nurses and other frontline health workers of the Gen. Emilio Aguinaldo Memorial Hospital in Trece Martires were vaccinated during the rollout held at the converted "Bakuna Center" of the Women's Health building located within the compound of the provincial hospital.

On the other hand, the City of Imus' Drive-Thru CoVID-19 Vaccination site at the Robinson's Place Imus ensured the quick and safe distribution of the vaccine to almost a thousand medical frontliners from both public and private hospitals in the city as of Friday,

March 19, 2021. The initiative of the city government is the first drive-thru set up in the country.

Dasmariñas City Mayor Jenny Austria-Barzaga, a nurse by profession personally supervised the launching of the facilitation of the COVAX at the De La Salle University Medical Center (DLSUMC). The Mayor gave the first jab of the first dose of the AstraZeneca vaccine to two distinguished physicians of the DLSUMC, Dr. Roberto Espos, and Dr. Charles Yu on March 15, 2021. This is the first batch of health frontliners of the more than 1,700 target beneficiaries in said medical facility.

In the City of General Trias, the official launching of the city's COVID-19 vaccination program, inoculated a total of 120 medical healthcare workers using the first dose of the vaccines from the 184 vials of the AstraZeneca vaccines provided by the national government.

The vaccination rollout of the LGU Tanza was held at the Tanza Specialist Medical Center with the hospital's pediatrician, Dr. Alma Anakay receiving the first jab of the AstraZeneca vaccine as well as Municipal Health Officer Dra. Ruth Punzalan. The target beneficiaries in the municipality are more than 60,000 frontliners including teachers, uniformed personnel and other municipal frontliners.

The municipal government of Carmona launches its CoVID-19 vaccination program today, using the 961 doses of AstraZeneca vaccines that were personally received by Mayor Roy Loyola and Rep. Dahlia Loyola on March 20, 2021. And, March 21, the municipal government of Noveleta led by Municipal Health Officer Dra. Hilda Bucu received the vaccines and personally supervised the safekeeping procedure in the cold storage facility until the official launch of the locality's vaccination program on March 23, 2021. **(Ruel Francisco, PIA-Cavite with reports from respective LGUs FB page)**

sa virus .

Dagdag pa nito na napanahon na upang muling itayo ang ating ekonomiya at magagawa lamang ito kung malusog ang ating pangangatawan at walang banta sa Covid 19.

Rizal post-pandemic tourism banks on art, religion, and nature-DOT

CALAMBA CITY (PIA) - Tourism in the province of Rizal under the new normal will bank on its cultural landmarks, scenic views, and adrenaline-inducing nature activities, the Department of Tourism Region IV-A (DOT IV-A) reveals after making its final preparations for the CALABARZON Tourism Circuit launch.

Regional Director Michael Palispis led the tourism circuit validation in Rizal province, together with representatives from the Department of Health, Philippine Information Agency, Rizal Travel Agencies Association, Inc., and local tourism officers, to assess the readiness of travel destinations included in the tourism circuit in accepting clients, as prescribed in the public health and safety protocols of the Inter Agency Task Force Against COVID-19.

"They have identified Faith, Fun, Adventure, and Nature for Rizal. That's why we can see the destinations we have visited during the past few days puro outdoors and with a touch of arts and culture," Palispis said of the tourism activities that will be highlighted in promoting tourism in Rizal province.

Set to be marketed as the Faith, Fun, Adventure and Nature destination in the region, the DOT and DOH evaluated a diverse set of destinations, such as the Antipolo Cathedral, Antipolo Pasalubong Center, Hinulugang Taktak Falls,

ATV Adventure Rizal, Flor's Garden, Cloud 9 Sport and Leisure Hub, Christ the King Church in the Sky, Blanco Family Museum, Nemiranda Art Cafe, Pinto Art Museum, Angono street murals, and Taytay tiangge.

"For Rizal Province, we have just conducted our final validation of the destinations included in the clusters. We have visited the city of Antipolo, Angono, Taytay, and Cainta. So we had our validation in Angono which is the art capital of the Philippines and we visited several art galleries. Hopefully in the next few months we can launch the cluster of Rizal," Palispis said.

More commonly known as the Green Corridor Initiative, this flagship project of the DOT IV-A aims to safely reopen the region for tourism.

Under the new normal, the Green Corridor Initiative plays a vital role in maintaining regional diversity, improving environmental quality, offering economic opportunities as well as protecting heritage and culture in the region.

Together with the DOH, Tourism Promotions Board, Office of Product and Market Development, local tourism officers and stakeholders, DOT IV-A previously visited Laguna province to determine the readiness of its local destinations in safely reopening for tourists as a post-pandemic effort in revitalizing the tourism industry. **(PB)**

Case surge resets ATA oral arguments to April 6

MANILA – The Supreme Court (SC) on Monday announced that oral arguments on petitions questioning Republic Act No. 11479, or the Anti-Terrorism Act (ATA), will resume on April 6 after concerns were raised over the rising number of coronavirus disease 2019 (Covid-19) cases.

In a notice, Clerk of Court Edgar O. Aricheta said that "due to the alarming increase of Covid cases, the court has ordered the suspension of the continuation of the oral arguments set for March 23."

The Department of Health reported 8,019 new cases and 103 recoveries on Monday.

The fifth day of oral arguments was to hear the opinions of former Chief Justice Reynato Puno and former Solicitor General Francis Jardeleza.

Puno and Jardeleza have been designated by the Court as amici curiae (friends of the court).

Solicitor General Jose Calida, representing the government, has yet to be heard, too.

A total of 37 petitions were filed questioning RA No. 11479, signed by President Rodrigo Duterte on July 3, 2020.

During the previous oral argument on March 2, Associate Justice Edgardo delos Santos said terrorist attacks over the years have chilling effects on survivors and witnesses.

Delos Santos issued a reaction after petitioners during the fourth day of interpellation claimed that the law has a chilling effect on the rights of the petitioners.

Delos Santos interpellated former Bayan Muna partylist representative Neri Colmenares on the so-called chilling effect of the legislation.

"Do you mean to say you fear the passage of the law? The law has its chilling effect on the rights of petitioners. How about those from Metro Manila and the nearby places? Can the chilling effect be quantified?" he asked.

Citing figures earlier cited by Associate Justice Amy

Lazaro-Javier, delos Santos asked Colmenares for his comment in connection with the 78 documented bombings in Mindanao since 1971, which he said resulted in "hundreds if not thousands of victims including children, pregnant women, elderly or old people who are either maimed beyond recognition and died or decapitated, dismembered or severely injured".

"I think you will agree with me that this gruesome picture of violence and death has a chilling effect on the survivors and witnesses of the senseless bombings," delos Santos said.

Colmenares insisted that intelligence work would suffice.

For his part, Associate Justice Ricardo Rosario questioned the petitioners' insistence that police work without the new law, mentioning the September 11, 2001 bombings in the United States.

"The way I see it, terrorism is a much complex crime requiring as it does, some elaborate planning precision timing, perfect execution, and a vast network of conduits and accomplices to carry out," he said.

Rosario said terrorism is nothing compared to common crimes as murder, theft, or robbery.

"A fine example is the 9/11 attack which, from media accounts, was successfully launched because of the painstaking planning and the commitment of the perpetrators. Given the terrorist's commitment to succeed and considering the elaborate planning and furtiveness in the preparation and execution and the damage that it causes don't you think the authorities should be given somewhat more slack in dealing with it?" he said.

He said terrorism is not a simple conspiracy that can be discovered overnight or with little time at all, "like in other common crimes and where conspirators are brought to justice because of some timely sleuthing skills".

Sino ang may sala?

NAKAANGKAS si Petra sa motorsiklong minamaneho ni Pedro. Madalas umaangkas si Petra at siya ay kumpiyansa dahil alam niyang si Pedro ay matino at maayos magmaneho ng motorsiklo.

Habang bumabagtas ay napansin na agad ni Pedro ang isang malalim na hukay. Ipipihit sana ni Pedro ang manibela bahagyang pakanan para makaiwas sa matinding lubak.

Pero hindi itinuloy ni Pedro dahil sa side mirror ng motor ay nakita niya ang paparating na tricycle.

Mabilis ang pagpapatakbo ng driver kaya minabuti ni Pedro na paunahin na lamang ang traysikel. Pagsapit ng intersection ay hinto ang mga sasakyan dahil sa pagtatrapi ng enforcer.

Napatapat si Pedro sa tricycle at kinausap ang tsuper na ang hangad ay pagsabihan lamang.

Sa halip na makinig at suriin ang mga sinasabi ni Pedro ay medyo matapang pa ang tricycle driver.

Nakikipagtagal at ibinibigay ng tricycle driver ang kanyang mga baluktot na katwiran.

Pedro: Brod, medyo hinay-hinay at alalay lamang sa pagmamaneho. 'Wag masyadong matulin at baka madisgrasya mo ang sinusundan mo.

TD: Wala ka sa unahan ko, hindi ikaw ang sinusundan ko dahil magkaibang linya tayo.

Pedro: Kahit hindi ako ang sinusundan mo dahil kamo ay magkabilang linya tayo pero ikaw pa rin

ang nasa likuran. Kung nasagi o nabangga mo ako o ang motorsiklo ko ay ikaw pa rin ang may pananagutan.

TD: Gamitin mo ang side mirror kung kakabig ka at pipihit ng ibang puwesto. Pedro: Nakita ko nga sa side mirror na paparating ka at napansin kong matulin ang takbo ng traysikel mo kaya hindi na ako kumabig.

lyan ang komprontasyong nangyari kaya sinabihan na lamang ni Petra si Pedro na umalis na lamang. Wala rin namang mangyayari sa pakikipag-usap dahil ang tricycle driver ay sadyang ayaw magpatalo sa katwiran.

Usap lang po tayo, mayroon talagang mga tricycle driver na 'bara-bara' sa pagmamaneho.

Hindi natin nilalahat subalit higit ang nakararami sa kanila at bilang o bihira na lamang ang matino.

Ang mga kalsada sa ngayon ay maraming lubak o butas kaya sana ang lahat ng tsuper ay ayusin ang kanilang pagmamaneho.

Balik tayo kay Pedro, halimbawang itinuloy niya ang pagkabig sa manibela para iwasan ang malalim na lubak at nagiba siya ng linya.

Pero dahil nga sa medyo matulin ang traysikel ay inabot o nahagip ang motor ni Pedro.

Kanino ang pagkakamali? Sino ang may kasalanan?

Kayo na po ang sumagot at humusga.

Ang masakit lamang ay ang matinding gastos na kakaharapin ng may sala o mali.

Bawat isa, may sariling pananaw

NASA panahon tayo ng Kwaresma subalit nananatili pa rin ang pandemiya.

Malungkot ang mga kapatid nating Kristiyano dahil ikalawang pagkakataon o taon ito ng hindi pagsagawa ng mga nakaugaliang tradisyon sa panahon ng Mahal na Araw.

Bagaman magkakapatid bilang Kristiyano subalit hindi naiwasan ang magkakaibang pananaw hinggil sa mga pagbabawal na ipinatutupad ng mga kinauukulan bunsod ng virus.

Tumututol ang karamihan subalit hindi naman ngangangahulugan ng hindi nila pagtalima sa patakaran ng pamahalaan. Bagkus ay paghahayag lamang ng kanilang pananaw bilang pagpapakita ng labis na paniniwala na ang Poong Maykapal ang sandalan nila.

Hindi maikakaila ang palitan ng kanyakanyang kuru-kuro ng mga kapatid na Kristiyano sa social media.

Ang bawat isa naman kahit anong relihiyon ay may sariling pananaw at ang mahalaga lamang ay ang pagrespeto sa kung ano ang kanya o kanilang opinyon.

#BangonSamala draws support from top rank government executives

TRECE MARTIRES CITY, Cavite (PIA) -- The local government of Kawit through the #BangonSamala donation drive received support from top rank government executives to help victims of the recent fire that burned down houses in a residential area in Barangay Samala-Marquez.

Three hundred forty nine (349) families or 1,447 individuals are currently staying in evacuation centers in the municipality: the Binakayan Elementary School, Binakayan National High School, and Florante Ilano Elementary School under the care of the employees of the Municipal Social Welfare and Development Office.

#BangonSamala was established to raise donations in cash or kind to help the families/individuals affected by the tragic fire that happened in the wee hours of March 19, 2021.

Chief Presidential Adviser Secretary Salvador Panelo, together with Noveleta Mayor Dino Reyes-Chua, and 1st District Board Member Davey Chua came the day after the tragic fire incident for a relief operation to bring relief goods and assistance to the distraught victims that were left homeless and hopeless in this time of pandemic. On March 21, representatives from the offices of President Duterte and Senator Bong Go visited the fire victim evacuees as they brought help in the form of cash assistance, food packs, face masks, face shields, vitamins, and many more.

During their visit, they raffled off bicycles, tablets, and pairs of rubber shoes to lucky winners to somehow alleviate their suffering.

Likewise, DSWD Secretary Rolly Bautista and Assistant Secretary Victor Neri together with other public servants from different government agencies personally came to bring help and somehow bring hope to the

families in the evacuation centers.

Meanwhile, Kawit Mayor Angelo Aguinaldo gave assurance to the families that they could rebuild their houses in the exact same location where their houses stood before the fire.

"Wag kayong mag-alala, kung saan kayo nakatirik ay doon pa rin kayo magtatayo ng inyong bahay," stated Mayor Aguinaldo as he consoled the fire victims at the Binakayan National High School.

The #BangonSamala of the MSWDO continue to receive outpouring support even from private groups and non-government organizations like the KAMPI-LAN, 1957 Security and Investigation Agency, Rotary Club of Congressional, Cavite Lodge No. 2, and IGPLI who contributed to donate 50 cavans of rice.

These acts of kindness and support to these people burdened with so much loss can help them cope with the tragedy and bring hope to start anew. **(Ruel Francisco, PIA-Cavite with reports from Angelo Aguinaldo FB page/Dennis Abrina)**

Ayon kay Jovita, ang suspek ay inaaruga ng kanyang lola matapos na naghiwalay ang magulang nito at nagkanya-kanyang pamilya.

WOMEN AT WORK AT SM

Last January, SM Investments Corporation was one of 380 companies across 11 sectors included in the 2021 Bloomberg Gender-Equality Index (GEI). This was the second-time SM was cited in the said index, which measures gender equality across five pillars: female leadership and talent pipeline, equal pay and gender pay parity, inclusive culture, sexual harassment policies, and pro-women brand.

And it's not surprising. As of December 2019, women comprised 63% of the SM workforce, occupying 59% of senior management positions and 65% of middle management. More recently, SM became an official signatory to the UN Women's Women Empowerment Principles (WEP), which further enhance a more equitable and inclusive workplace.

In celebration of **International Women's Month** this March, we are featuring six amazing women across different SM companies. Working quietly behind the scenes, their roles in the organization are diverse, as are their challenges and experiences on a day-to-day basis. Here, they share with us what keeps them inspired; as well as their management styles, their tips for other women at work, and their thoughts on women empowerment.

SHIRLEY C. ONG Executive Vice President SM Leisure Resort Residences

"I learn so many things from the bosses and the people I work with. They let me see things from a different point of view, look at the bigger picture, think outside the box, do things differently, and find opportunities in every crisis."

Shirley, who has been with SM for 12 years, manages the overall operations of four tourism oriented premier leisure developments – Costa del Hamilo, Highlands Prime, Intercontinental Development Corporation, and Belle Corporation Real Estate Unit.

Her management style. "I try my best to share with the people directly working with me the virtues that are important to me- integrity, honesty, hard work, fairness, and discipline."

"As a woman, I can show my softer side, and lead with motherly care. I can be strong and gentle at the same time."

Tips for women at work. "Your faith in God will keep you going. Believe in yourself. Work hard."

What does International Women's Day mean to you? "It is a recognition of gender equality that women today are enjoying; women's contribution and achievements in the family and in different fields like economics and politics."

FELANIE L. LIM Vice President, Merchandising The SM Store

"I personally love to shop, so during our buying sessions, I'm technically shopping for our target market making the latest shoes and bags designs available for them to choose from. It is something I enjoy."

As Vice President of Merchandising, Felanie and her team facilitate the Shoes and Bags department's regular buying process - forecasting inventory, reading the demands and trends, and fulfilling them when appropriate. She has been

with the company for 23 years, and feels honored and privileged to be part of the team working on the category that started it all for SM – shoes.

Her management style. "I lead and manage my team based on how I want to be led and managed. My approach is democratic in nature, and make it a point to consult and collaborate with my team because their thoughts and viewpoints are important to the achievement of our goal."

"Being in the shoes team also allowed me to work with Mr. Henry Sy, Sr. and I always looked forward to our mentoring session every Saturday in his Makati office. Tatang taught me to value my work and think of it as my own. "Success is not just good luck," he would share with us. "It's a combination of hard work, good credit standing, the right opportunity, readiness, and timing."

Tips for women at work. "Work hard and be the kind of woman that adds value to people around you. Work hard with elegance and grace."

What does International Women's Day mean to you? "It's about recognizing the achievements of women around the world and raising awareness about Gender

MARIA AGNES C. PACIS Vice President and GM – SMX Convention Centers

"Perseverance Pays. Hard work must be accompanied by 'heart work' for you to succeed. Like any professional organization, you're only as good as the team you lead."

Agnes has been with SMX Hotels and Conventions for six years after spending a good two decades working in international hotel chains like Shangri-La, Sheraton, and Hyatt located in countries like Thailand, Indonesia, Fiji, Australia and Myanmar. As the Vice President and GM of SMX Convention Centers, she handles all 6 existing properties of SMX nationwide overseeing the operations and profitability of all SMX Convention Centers.

Her management style. "I have a collaborative and highly communicative leadership style. I believe strongly that there is nothing that proper communication can't fix. I do not like micro-managing but I adjust my style to what I believe will work with a particular staff member."

"I apply the principle of the 5 Love Languages at work by understanding what "language" a member of the team will understand best and adjust my leadership style accordingly."

"The natural ability of a woman to nurture and emotionally connect to her team members has surely helped in building the kind of team we have now."

Tips for women at work. "Be intentional in all that you do, be your authentic self, play to your strengths and don't take it personally!"

What does International Women's Day mean to you? "It is a day of recognizing the contribution of women of all creeds and races to the society globally. It is a day to celebrate a woman's worth in affirmation of gender equality / parity."

GRACE EVANGELINE M. STA. ANA Executive Vice President SMDC

"Beyond the privilege of being part of this dynamic organization, I find meaningful work in addressing one of life's basic needs - building homes and communities."

Grace has been with SMDC for the past 11 years, starting out as a project director in 2010. Her work entails the development of integrated communities, particularly residential hubs. Focusing on providing a better lifestyle for Filipino families, her team has led the launch of over 40 residential projects, translating to more than 100,000 residential units in Metro Manila and the provincial areas.

Her management style. "As a woman, it is my nature to be nurturing. I share with my team the strategic direction of the company and explain to them their respective roles in achieving these goals. I always point out that there are no big or small roles, our roles are equally important with everyone else."

"I also like to teach my team new things or techniques in analyzing things. In the process of teaching them, I in turn also learn from them."

Tips for women at work. "Learn to prioritize. As women, we wear different hats – mother, wife, sister, daughter, friend, an employee, a leader. This can get overwhelming but if our priorities are clear then we get to play each role happily and meaningfully."

What does International Women's Day mean to you?

"International Women's Day reaffirms the value and achievements of all women – whether it be at home or at work; in pursuit of a career goal, or finding fulfillment as a daughter, sister, wife or mother. To me, it is a day of celebration and thanksgiving – particularly for the opportunities, successes and even failures that has shaped my life as a woman."

GERALDINE L. SIA COO, Fast Retailing (UNIQLO) SM Retail

"I have learned that gender should not hold you back from making the world a better place. If you have something to contribute to society, then you should share it with everyone."

As the only female Chief Operating Officer globally in Uniqlo, Geraldine says she is privileged to be part of two iconic companies – SM, and its joint venture partner, top international brand Uniqlo. She has been with SM's retail group for more than 22 years, starting out with Baby Co, then with Watsons, and now with Uniqlo, which she co-manages with the Expat COO on Sales, Operations, and Marketing.

Her management style. "For me, leadership doesn't have a one size fits all solution. I have come to realize that different people require varying management styles."

"I also believe that women can develop a more well-rounded workforce. When it comes to accomplishing goals, women's traits like empathy, intuition, and optimism bring out the best in our employ-

DIANA R. DIONISIO Vice President – China Projects SM Prime

"Nothing is constant in this world. What is important is to quickly learn from it, adapt, and innovate."

A pioneer in SM's China projects, Diana joined the company 21 years ago. Today, as Vice President, she is responsible for managing its Finance and Treasury functions, and also supervises other departments such as Business Development, IT, Systems, and Legal. SM currently has seven operating malls in China, and two more under con-

struction.

Her management style. "Women have an eye for detail and this is crucial in my line of work. We also have a more collaborative approach with our colleagues and this encourages new ideas and better solutions from different stakeholders. Our warmth and personal touch also fosters better working relationships and this in turn provides for better efficiency and productivity."

"With my department spanning two countries, cultural and legal differences are inevitable. As such, I have to explain and convince both sides to adapt and work around those differences."

Tips for women at work: "Always think that women, just like men, are human beings created equal by God. Your gender is not an obstacle for you to reach higher and better goals in life if you desire."

What does International Women's Day mean to you? "It's a day to recognize and honor the achievements and contributions of women, not only in the family, but as leaders in the industry, society and country as a whole. Being a woman is not an issue both in the Philippines and China, as both countries have women assuming leadership roles."

ees.

Tips for women at work. "Be someone people want to work with! Always behave with integrity and kindness."

"Do a bit more than what is expected of you. Take on things you've never done before. Growth and comfort do not coexist."

What does International Women's Day mean to you? "This is a reminder for us to celebrate every type of woman and women's achievements all over the world. Women are strong individuals, who can overcome any challenge. We continue to play essential roles in the society, and I am happy working with SM, a company that promotes women's empowerment."

2021 NCAA SEASON 96

SA kabila ng kasalukuyang pagtaas sa mga kaso ng COVID-19, ang National Collegiate Athletic Association (NCAA) ay nagtutalak sa kanyang ika-96 na panahon sa kalagitnaan ng taong ito.

Ang mga kumpetisyon ay gagaganapin sa online at sana, sa pamamagitan ng hybrid form, dahil ang pinakalumang liga sa kolehiyo ng bansa ay naghahanap upang simulan ang espesyal na panahon sa unang linggo ng Mayo.

"Oo, pipilitin namin," isiniwalat ng NCAA Management Committee (ManCom) Chairman na si Fr. Si Vic Calvo Jr. ng host na Letran sa Philippine Sportswriters Association (PSA) online Forum.

Dalawang palakasan lamang ang tiyak na gaganapin sa online, katulad ng chess at taekwondo, kabilang ang pomsae. Ang basketball at panloob na beach volleyball ng kababaihan, ay kasama rin sa kalendaryo ng mga kaganapan, ngunit hinihintay ang pag-apruba mula sa Commission on Higher Education (CHED) at ng Inter-Agency Task Force on Emerging and Infectious Diseases (IATF).

Ang liga sa kolehiyo, ayon sa pinuno ng ManCom, ay sumulat na sa mga ahensya. "For sure, dalawa o apat na hybrid at online na kumpetisyon ang ikinakasa ng NCAA," dagdag ni Calvo sa lingguhang sesyon na ipinakita ng San Miguel Corporation, Go For Gold PH, MILO® Philippines, Amelie Hotel Manila, Braska Restaurant, at ng Philippine Amusement at Gaming Corporation (PAGCOR).

Hindi pinapayagan ang mga contact sports, isinasalang-alang ng NCAA ang paggawa ng mga kasanayan sa online sa parehong basketball at volleyball tulad ng

slam dunk, mga kasanayan at hamon sa drills, tatlong puntos na shootout, bukod sa iba pa.

"Posibleng, kung papayagan (dahil) sa online din naman," sabi ng opisyal ng Letran sa kaparehong programa sa pampalakasan na pinalakas ng Smart at Upstream Media bilang opisyal na kasosyo sa webcast. "Pero merong mga restrices kasi ngayon e, yung IATF, and of course, CHED at iba pang ahensya."

Limitado ang mga kaganapan ay maaaring para sa panahon, sinabi ni Calvo na ito ang pinakamahusay na maganap ng NCAA upang muling pasiglahin ang mga sports sa kolehiyo sa bansa na ginagawa ng liga katuwang ang broadcast giganteng GMA.

"Iyon ang pinakamahusay na pamana na maibigay ni Letran sa susunod na panahon at sa NCAA," binigyang diin niya. "Hindi tayo nag-give up kasi NCAA embodies the Filipinos' resiliency and persistence lalo na sa sports."

Napag-usapan din ang pagbabakuna sa mga atleta at opisyal habang ang pag-uusap at pag-aayos kasama ang paaralang miyembro ng Emilio Aguinaldo College sa ilalim ng Pangulong Dr. Jose Paolo Campos ay nagawa na.

Ang Campos ay bahagi ng nagmamay-ari ng Unilab, na kung saan ay ang awtorisadong kasosyo ng Faberco Life Sciences Inc, namamahagi ng bakunang COVID-19 na Covavax.

"Kung magagamit na siya (bakuna), mag-oorder kami ng mga bakuna para sa lahat ng mga paaralan para sa mga paligsahan tulad ng basketball at volleyball," sabi ni Calvo.

"Pananalapi namin ang pagbabakuna ng mga atleta at opisyal."

Ang aming kabataan ay hindi mapipigilan sa paghahabol sa kanilang mga hinahangad, at ang pagiging atleta ko mismo, na nakakuha ng maraming karanasan sa mga nakaraang taon, naging papel ko upang pukawin ang mga kabataan na panatilihin ang kanilang mga pangarap."

Inaasahan ko sa hinaharap na magagawa ko ang pareho para sa nakababatang henerasyon ng mga manlalaro ng taekwondo. "

Davao Occidental Kampeon sa MPBL 2021

Tinapos ni Mark Yee ang nagpapasya na pag pukol sa obertaym nang makuha ng Davao Occidental Tigers ang titulong Maharlika Pilipinas Basketball League (MPBL) sa 89-88 Game 4 na panalo laban sa San Juan Knights sa Subic Bay Gymnasium.

Si Yee, na pinangalanang Defensive Player of the Year na mas maaga sa araw, ay nakapuntos ng pinaka-kritikal na sandali ng opensiba ng laban nang talunin niya ang shot clock gamit ang go-ahead triple sa natitirang 13.4 segundo sa sobrang yugto.

Si Jhonard Clarito, na nakapuntos ng kampionato sa kampion upang sa Knights sa 2019 finals na laban din sa Tigers, ay nagkaroon ng ginintuang pagkakataon na pilitin ang laban, ngunit pinilit siya ng depensa ng Tigers na mawala ang bola habang pumumpunta sa isang layup, kalaunan pinapanatili ang panalo at ang pamagat.

"Payback. Napakatamis nito dahil nabawi natin ito mula sa San Juan. Napaka-close namin noong nakaraan at nakaka ganda ng loob bilang isang samahan," sabi ni coach Don Dulay, na kalaunan ay pinangalanang Coach of the Year.

Nagtanghal si Yee ng pagganap sa Finals Most Valuable Player na may 19 puntos, 12 rebounds, tatlong assist, at tatlong blocks, habang si Eman Calo ang nangungunang puntos para sa Davao Occidental, na nanaig sa kabila ng pagkatulo ng 16-puntos na second-quarter lead, na may 22 puntos, dalawa rebound, isang assist, at dalawang steal.

Si Mike Ayonayon ay nakakuha lamang ng tatlong marker, isang assist, at isang pagpaganakaw sa 11 minuto na pag-play sa kung ano ang magiging MPBL swan song niya bago siya bumalik sa NLEX sa Philippine Basketball Association dahil sa isang matagal na pinsala sa hamstring na pinilit siyang umupo sa natitirang bahagi ng laro.

Folayang nagbabalik sa Aksyon

Ang dating two-time ONE Championship lightweight champion Eduard Folayang ay babalik sa aksyon sa Abril 29 dahil magiging bahagi siya ng ONE sa TNT 4.

Si Folayang, na masasabing pinaka pinalamutian na fighter ng Filipino mixed martial arts (MMA) kailanman, ay habarap sa Japanese pugilist na si Yoshihiro Akiyama sa Singapore Indoor Stadium upang itelebisyon sa TNT sa Estados Unidos.

Ang Folayang (22-10) ay mukhang babawi mula sa back-to-back na pagkalugi noong nakaraang taon laban kina Pieter Buist at Antonio Caruso.

Inaasahan din ni Folayang na mabawi ang kanyang panalong ugnayan matapos talunin ang apat sa kanyang huling limang laban simula noong 2019 na humantong sa mga haka-haka ng fan kung nakita nila ang huli sa kanya sa isang kulungan ng MMA.

Ang 37-taong-gulang na si Folayang ay iginigiti sa kanyang mga kamakailan-lamang na panayam na hindi pa siya

nagreretiro, at lumalabas siya upang patunayan na mayroon pa siya kung ano ang kinakailangan upang makipagkumpetensya sa ONE circle.

Sa ONE sa TNT 4, sasali si Folayang sa kapwa standout ng Team Lakay na si Stephen Loman, na naunang inanunsyo na kukunin si John Lineker sa kanyang inaasahang ONE debut.

Samantala, si Akiyama, isang dating Asian Games gold medal na nagwaging judoka, ay isang beterano rin sa MMA, na nakikipagkumpetensya sa K-1, Dream FC, at UFC bago sumali sa One Championship. Siya ay isang headliner para sa UFC 120 sa London noong Oktubre 17, 2010, ngunit natalo siya kay Michael Bisping. Tulad ni Folayang, ang 45-taong-gulang na Akiyama (15-7) ay naghahanap din upang mabawi ang kanyang dating paraan na ginawang K-1 star habang sinusubukan niyang bumuo ng isang panalong sunod na kanyang tagumpay kay Sherif Mohamed sa ONE: Hari ng Jungle noong Feb. 28, 2020.

Suporta sa mga magulang sa panahon ng pandemya isinulong

LUNGSOD CALOOCAN (PIA) -- Isinusulong ni Senator Win Gatchalian ang pagpapatupad ng programang Parent Effectiveness Service (PES) sa bawat lungsod at munisipalidad sa bansa habang patuloy na tinutugunan ng mga pamilya ang mga mga pinsalang dulot ng pandemya. Ito ay upang matulungan ang mga magulang na maging epektibo sa paggabay sa kanilang mga anak sa usapin ng edukasyon, pati na rin sa pagbibigay ng socio-emotional support.

Layunin ng Senate Bill No. 1985 o Ang Parent Effectiveness Service (PES) Program Act na paigtingin ang kakayahan ng mga magulang at mga parent-substitutes sa pagbibigay ng kalinga at paggabay sa edukasyon ng mga kabataan. Sa ilalim ng panukalang batas, ang PES program ay magkakaroon ng parent effectiveness sessions sa mga barangay. Mga psychologists, health professionals, social workers, paraprofessionals, at social workers ay ilan lamang sa magsisilbing mga facilitator para sa naturang programa. Tatalakayin naman ng mga modules na gagamitin sa programa ang mga usapin tulad ng child development, home

Senate resolution calls for protection of judges, lawyers

MANILA -- The Senate on Wednesday adopted a resolution condemning the rampant killings and acts of violence against members of the legal profession and urging President Rodrigo Roa Duterte to take the necessary steps to ensure their safety and protection. Senate Resolution No. 691 was introduced by Senate Minority Leader Franklin Drilon and Senators Juan Edgardo "Sonny" Angara, Pia Cayetano, Francis "Kiko" Pangilinan, Aquilino "Koko" Pimentel III and Francis "Tol" Tolentino. All senators were made co-authors of the resolution.

"We condemn, in the strongest sense, the killings of and acts of violence against members of the bar and bench. To not act nor speak will be an act of cowardice," Drilon said in his sponsorship speech.

"We further urge the President to undertake the necessary steps in ensuring the safety and protection of the judges, prosecutors

and lawyers. We ask that he lays out definitive solutions and actions to address the rampant and unspeakable violence and killings. We petition for prompt, impartial and efficient investigation and prosecution of the cases. We seek justice for our slain colleagues," he added.

Drilon said in the last 20 years, 100 lawyers were murdered. He cited a Department of Justice (DOJ) data which showed that 54 members of the legal profession had been killed since 2016. Of that number, he said 13 were prosecutors and eight were judges. The DOJ data showed that only five of the cases had actually reached the courts.

He said the Free Legal Assistance Group (FLAG) had pegged deaths at an even higher number at 61. Aside from the killings, Drilon said there were also threats, harassments, intimidations, surveillance and some other forms of attacks, such as the rapid escalation of red-tagging against lawyers.

He said the legal community was shaken early this month by a request from a police lieutenant from Calbayog City asking the Calbayog Regional Trial Court for a list of lawyers who represent terrorist/communist group personalities.

"The situation is made worse by the lack of general condemnation of prompt and efficient investigation, and impartial prosecution," Drilon said. "This horrendous pattern of taking lives and violence, impunity,

Binalikan ng senador ang nabalitang may ilang mga magulang na pumapatol na sa "sagot for sale," kung saang kailangan pa nilang magbayad ng ibang tao upang sagutan ang mga module ng kanilang mga anak.

"Bagama't mahalaga ang papel ng ating mga magulang sa pagpapatuloy ng edukasyon at sa pangangalaga sa mental health ng mga kabataan sa panahon ng pandemya, hindi naman maaaring ipasa natin sa kanila ang lahat ng gawain, lalo na't marami sa kanila ang naghahanapbuhay din at nakakaranas ng pagod," ayon sa Chairperson ng Senate Committee on Basic Education, Arts and Culture. **(PIA NCR)**

lack of accountability and apathy are symptoms of a government run by the rule of men and not by rule of law. We must put a stop to this madness."

Drilon said the failure to condemn, investigate and prosecute the brazen killings against the legal community and bring the perpetrators to justice is an act of injustice in itself. He said lawyers, pros-

ecutors and judges play a crucial role in the administration of justice in the country, especially in representing the most marginalized members of the community.

"They should be able to exercise their sworn duties and represent their clients or dispense justice without threats, persecution and fear for their safety and their lives," he added. **(PR)**

DOLE awards P1-M livelihood assistance in Mauban

CALAMBA CITY (PIA) - Labor officers in Quezon province are optimistic that lasting peace and development will soon be achieved in the province with its provision of various assistance to marginalized groups and individuals in areas infiltrated by Communist-Terrorist Groups (CTGs).

Last March 22, the Department of Labor and Employment Quezon Provincial Office (DOLE-Quezon) turned over P1-million worth of passenger boats, bigasan package, and food processing items to the Municipal Government of Mauban, in a bid to provide livelihood opportunities in barangays through the DOLE Integrated Livelihood and Emergency Employment Program (DILEEP).

"We committed ourselves and our efforts into this significant undertaking in furtherance of the national government's massive campaign for sustainable development of the rural areas especially in barangays impoverished by the presence of the CTGs," said DOLE Quezon Provincial Head Edwin Hernandez, expressing his hopes that the projects will help affected communities to rebuild.

Underscoring the importance of the strong partnership between the national and local government, Mayor Marita Llamas assured her constituents that the local government will continue to assist the vulnerable sectors during the COVID-19 pandemic.

"I hope that these livelihood undertakings will grow and become sustainable even after the end of this pandemic," she added.

Among the approved projects of the beneficiaries include the Bigasan Package to Cagsiay III Farmers Association with 25 members; Banana Vinegar and Dried Fish Production to Samahan para sa Agrikultura, Turismo, Sining at Kultura ng mga Dumagat ng Sitio Dakil, Cagsiay III with 25 members; and passenger boats to Cagsiay III Sea Transport Association with 50 members.

"Maraming maraming salamat po sa DOLE sa pagbibigay ninyo sa amin ng kabuhayan. Maka-kaasa po kayo na amin itong papalaguin upang makadagdag sa aming gastusin sa araw-araw," said Norma Asis, one of the beneficiaries of the bigasan package from DOLE-Quezon.

As the primary agency tasked to promote employment opportunities in the country, DOLE is seeking to pursue the goals and objectives of EO 70 by bringing its programs and services closer to the people and allowing them to actively participate in governance and community pursuits that affect them.

The awarding of livelihood projects was graced by DOLE Quezon Provincial Head Edwin T. Hernandez, Mauban Mayor Marita T. Llamas, Mauban Vice Mayor Marivel M. Trinidad, LTCOL Edward F. Canlas of the 59th Infantry Battalion, Cagsiay III Brgy. Captain Alexander Buenavides, Mauban PESO Manager Mayanne Unlayoa, Mauban Municipal Local Government Operations Officer Milagros Rosal and the members of the Sangguniang Bayan of Mauban. **(PB/DOLE 4-A)**

Hontiveros: Include COVID-19 among occupational diseases under gov't compensation program for employees

SENATOR Risa Hontiveros on Wednesday urged the Department of Labor and Employment (DOLE) and Employees Compensation Commission (ECC) to declare COVID-19 as an occupational disease so that workers can avail of insurance and other benefits that are demandable under the Employees Compensation Act and Employees Compensation Program.

“Workplaces and mass transportation are the new ‘hot spots’ of virus transmission. Dapat nang aksyunan ng gobyerno ang panawagan na gawing ‘occupational disease’ ang COVID-19 to ensure that the workers who will contract the disease while at work or in transit will be compensated under the national policy for employment injury benefits,” she said.

Hontiveros explained that once Covid-19 is listed by ECC as a work-related disease, workers will be entitled to medical benefits, compensation for lost income, and even funeral services in the event that the employee dies from the disease.

This measure, according to the Senator, is very crucial especially with the rising cases and spread of new variants of COVID-19 that led to the imposition of stricter quarantine protocols in the National Capital Region (NCR), Laguna, Cavite, Bulacan and Rizal.

“Pinabalik ang manggagawa sa trabaho pero kulang na kulang ang pag-aalagang ibinibigay ng gobyerno. Huwag natin silang tratuhing parang imortal. Hindi curfew o checkpoints ang kailangang kundi garantisadong pro-

teksyo sakaling mahagip o tamaan sila ng virus,” Hontiveros said.

Hontiveros also stated that there may be no infection in the work place but a worker may be infected in transit to and from his work place. She believes that this should also be compensable.

“Hindi na dapat maging burden pa ng empleyado na patunayang nakuha niya ang virus sa kanyang trabaho. Dahil ang mismong pag-byahe ng mga manggagawa mula sa bahay papasok ng trabaho sakay ng mga pampublikong sasakyan ay work-related sacrifice na ginagawa na ng mga manggagawa,” she added.

The Senator furthered that the unified workplace and community disease surveillance database, a mandate she introduced in the 2021 budgets of DOLE, Department of Interior and Local Government (DILG) and Department of Health (DOH), should help ECC establish that the COVID-19 was indeed acquired at the work place.

Hontiveros, who filed the Balik-Trabahong Ligtas bill in the Senate, also said that had the government prioritized the safety of workers as they went back to their work places, the cost of reviving the economy would not be as heavy and fatal to both the workers and the industry.

“Hindi pa huli ang lahat para ituwid ang pagkakamali. Huwag lang puro lip service ang ‘excellent’ performance. Kung magpapatuloy ito, itinutulak lang ang mga manggagawa sa bingit ng walang-katapusang pangamba, sakripisyo at pagkagutom,” she concluded. **PR**

BOSS EMONG, KAMPEON SA MHP INVITATIONAL RACE!

Muli nating nasaksihan ang galing ng kabayong si Boss Emong noong Marso 14, 2021 sa tampok na pakarera ng Manila Horse Power Cool Summer Farm Local & Imported Invitational Challenge Race na ginanap sa Metro Manila Turf Club Inc. sa Malvar Tanauan, Batangas. Si Boss Emong ay nirendahan ng class-A na hinete na si Fernando M. Raquel Jr. at pagmamay-ari ng ating idolo na horse owner na si Boss Edong Diokno. Si Boss Emong ay walang hirap na bumanderang tapos at tinalo ang mga imported na kalahok na sina In The Zone, Tony's Love at Dragon Butterfly habang na scratch naman ang numero dos na kalahok na si Super Sonic. Nasegundo pa kay Boss Emong ang kacouple runner niya na si Princess Eowyn na sinakyan naman ng isa rin class-A jockey na si Patty Dilema. Makikita na napakagaling ng ginawang diskarte ni Dunoy Raquel kay Boss Emong sa nasabing karera. Inaasahan kasi ng lahat na si Princess Eowyn ang kukuha ng harapan, pero si Boss Emong agad ang kumuha ng bandera at walang sumabay o dumikit sa harapan dahil kaya naman hindi na nahirapan si Boss Emong hanggang tapusin ang karera at makatawid sa meta. Nanalo si Boss Emong ng may malayong agwat at nakapag rehistro ng tiyempong 1:51.2 (14-24'-23'-23'-26) para sa mahabang distansiya na 1,800 meter race. Nakapag-uwi si Boss Emong ng premyong P600,000 bilang 1st place, P225,000 naman ang nakuha ni In The Zone ni Kelvin Abobo bilang 2nd place, P125,000 naman ang nakubra ni Tony's Love ni PM Cabalejo bilang 3rd place at P50,000 naman para kay Dragon Butterfly ni CS Pare Jr. bilang 4th place. Masasabing naging impresibo ang panalo ni Boss Emong at tiyak na magkakaroon siya ng malaking tiyansa upang masungkit ang paparating na 2021 Presidential Gold Cup. Good luck!

Retiring SC chief cites '10-point' gains

MANILA – Chief Justice Diosdado Peralta on Monday cited the gains made by the judiciary during his watch at the last flag-raising ceremony he attended at the Supreme Court (SC).

SC chose to forgo the usual honor guards and other events when the highest court official retires in light of ongoing health precautions against the coronavirus pandemic.

Peralta's optional retirement will take effect on March 27, a year ahead of his mandatory retirement. He cited the achievement of his Ten Point-Program, which focuses on four core areas: efficiency, integrity, security and service.

"Under my helm, the Supreme Court has formulated and approved 18 procedural rules and guidelines meant to improve the administration of justice and address the problem of clogged court dockets. We have restructured and streamlined the plantilla of various offices, divisions, and services of the Court so as to guarantee security of tenure for the employees and to improve our processes," he said in his speech.

Peralta also cited the establishment of the Judiciary Public Assistance Section to promptly receive and

act on concerns, issues, suggestions, and other relevant matters, including complaints against erring court officials and employees.

"We have also formally organized the Judicial Integrity Board to further prevent and curb corruption in the Judiciary," he added.

In addition to the procedural and institutional reforms, the past year saw the SC address "the various concerns and issues related with the task of judicial administration that were necessitated by the Covid-19 pandemic".

SC issued Administrative Circulars adopting measures to protect the safety and health of the court employees and court users, such as the daily court operations with skeleton staffing; restricting entry into Halls of Justices to only those with official business; reinforcing physical distancing within court premises; the constant sanitation of court premises and monitoring of the health of court personnel; the restructuring of various face-to-face training programs and activities of the Court into hybrid or blended learning platforms; and the conduct of online trials and hearings in all the courts." Limitadong bilang ng pasahero sa Pasig River Ferry Service ipinatupad

LUNGSOD PASIG (PIA) -- Patuloy ang pagbibigay ng libreng sakay ng Pasig River Ferry Service (PRFS) bilang alternatibong transportasyon sa Metro Manila.

Ayon sa Metropolitan Manila Development Authority (MMDA), ang Pasig River Ferry Service ay nag-ooperate sa limitadong kapasidad na 50 porsyento upang maiwasan ang pagkahawa sa COVID-19 at alinsunod na rin sa IATF Resolution No. 104.

Hinihikayat ng MMDA ang mga pasahero, maging ang mga kawani ng PRFS sa loob ng istasyon, na limitahan ang ugnayang pisikal at panatilihin ang distansya sa bawat isa. Gayundin, paalala sa mga mananakap na magsuot ng face mask at face shield,

sumailalim sa temperature check at mag-fill-up ng manifest at commuter information sheet ang mga pasahero bago payagang makasakay. Huwag ding kalimutan ang ng identification card (ID). Magtungo lamang sa mga ferry stations na bukas para sa magbigay ng serbisyo Lunes hanggang Sabado.

Kabilang sa mga istasyon ng Pasig Ferry ang Pinagbuhatan, San Joaquin, Maybunga, Guadalupe, Valenzuela, Hulo, Lambingan, Sta. Ana, PUP, Lawton, at Escolta station. (PIA NCR)

Climate change drove ethnic tribes to Philippines: study

MANILA - A landmark study has revealed the complex shared origins, inter-relatedness, and genetic diversity of the Filipino people. Taking advantage of the latest advances in genomics and computational biology, a team of researchers investigated into the Filipino DNA (deoxyribonucleic acid).

They looked into 2.3 million molecular DNA markers that were known to differ between various populations.

The markers from more than 1,000 individuals, representing 115 Philippine cultural communities, were comprehensively analyzed.

"This finally gives us a clearer picture of who we are as Filipinos, where we came from, and our sense of relatedness." Carlo Ebeo, Board of Trustee member of the National Museum that was involved in the study, said.

It was revealed that, through time, the Philippines was inhabited by at least five major waves of human migration, starting with Northern and Southern Negritos as the first Filipinos, then followed by Manobo, Sama, and Cordilleran-related populations.

It was previously thought that the search for new arable lands by expanding farmer populations was the main reason for driving population migrations, such as the dispersal Austronesian-speaking groups into the Philippines.

Role of climate change However, Sweden-based Filipino scientist Dr. Maximilian Larena, who co-lead the study, challenged this view.

"Our findings suggest that instead of farming, climate change may have played a more important role in driving the mass movement of populations in various directions," he said.

The significant geographic changes may have prompted the migration of Manobo and Sama-related ancestral groups from Borneo into southern Philippines and Cordilleran-related ancestral groups from southern China-Taiwan area into the various islands of the Philippines.

The arrival of Manobo, Sama, and Cordilleran-related groups resulted in interbreeding with resident Negritos.

Interestingly, some Cordil-

lerans remained to be the only Filipino ethnic group that did not show evidence of historical interbreeding with Negritos. They are the only ones in the world who remained to be the unadmixed descendants of Basal East Asians, the study showed.

"This affirms that Cordillerans were isolated for quite some time, which is evident on the retention of distinct indigenous cultural practices and presence of immense linguistic diversity in the region," Dr. Adrian Albano, a Kalanguya Cordilleran from Ifugao State University and co-author of the study, said.

Additional minor genetic signals were also detected in some Filipino ethnic groups, including Papuan, South Asian, and European genetic ancestry.

The Papuan-related ancestry is found among the coastal ethnic groups of southeastern Philippines. This likely reflects a westward migration or gene flow of Papuan-related ancestry from Papua New Guinea or the Bismarck's archipelago into eastern Indonesia and subsequently into southeastern Philippines.

The South Asian or Indian-related genetic signal was detected among the Sama Dilaut and other coastal Sama ethnic groups of southwestern Philippines. The signal was dated to 500 to 1000 years ago, coinciding with the time when there was increased maritime trading activity between Island Southeast Asia and India.

The European genetic signal was only detected in one percent of all individuals investigated, indicating a limited genetic legacy of the Spanish Colonial Period.

Groundbreaking study The study was made possible through the partnership between Uppsala University of Sweden, led by Prof. Mattias Jakobsson and Larena, and the National Commission for Culture and the Arts (NCCA), through the office of then chairperson Felipe Mendoza de Leon.

"This is a groundbreaking study that the commission heartily endorsed, and we should be thankful for this collaboration as it sheds some light on the long-standing question of our origins. It will certainly revise our understanding and appreciate that the story of

Banks implement shortened operating hours for 2 weeks

MANILA – Several banks implemented shortened operating hours starting Monday until April 4 after the government reimposed stricter quarantine measures in the National Capital Region (NCR) and four nearby provinces.

The Philippine Savings Bank (PSBank) said its branches in Metro Manila, Bulacan, Cavite, Laguna, and Rizal started to operate from 8:30 a.m. to 3 p.m. This schedule will be from Monday to Friday.

"Clearing cut-off for check deposits will be at 3 p.m.," it said in an advisory Monday.

On the other hand, PSBank branches outside NCR and the four provinces will keep their regular banking schedule of between 8:30 a.m. to 4 p.m. "except for Cebu Lapu-Lapu (9:30 a.m.-5 p.m.) and Cebu Consolacion (9 a.m.-4:30 p.m.)."

"PSBank encourages everyone to do their share in preventing the further spread of Covid-19 by practicing restricted mobility and staying at home. PSBank mobile/online banking services are available 24/7 for customers' banking needs," it said.

the peopling of the Philippines from three waves of migration as proposed by Otley Beyer is not supported by archeological, genetic, or historical evidence," says Prof. Felipe Mendoza de Leon of the NCCA.

Aside from the extensive network of cultural workers provided by the NCCA, the scientific endeavor was also implemented in collaboration with indigenous cultural communities, local universities, local government units, non-governmental organizations, and regional offices of the National Commission for Indigenous Peoples.

"We are proud to be part of this historical research. It revealed how interconnected we are to each other after all, and that we share a common ancestry. Recognizing this fact will hopefully carry a message of unity and peace among various ethnic groups, regardless of beliefs," says Waway Saway of the Talaandig ethnic group of Bukidnon that was involved in the study. (PR)

The bank also urged its clients to check its automated teller machine (ATM) location finder at www.psbank.com.ph/atm-branch-finder/ for inquiries on this issue. Meanwhile, the operating hours of United Coconut Planter Bank (UCPB) branches in NCR and the four provinces will be between 9 a.m. until 1 p.m. over the next two weeks.

"Some provincial branches in North and Central Luzon, Southern Luzon, Visayas and Mindanao will also have shortened banking hours in compliance with local government directives," it said in an advisory.

UCPB encouraged its clients to check the list of branches and their operating schedule through <https://www.ucpb.com/advisories/>.

The bank said they need to utilize the bank's ATMs, cash deposit machines, and online banking facilities -- UCPB Connect and UCPB Mobile App -- for their transactions.

"These facilities are available 24/7 for clients' safety and convenience," it added.

The shortened daily banking operations have been adopted after the government imposed stricter general community quarantine (GCQ) measures in the NCR and the four nearby provinces following the surge in coronavirus disease (Covid-19) cases, which registered its record-high of 8,019 on Monday. For one, Metro Manila now has a uniformed curfew hour of between 10 p.m. until 5 a.m.

Among the policies that will take effect from March 22 until April 4 are travels in and out of NCR are primarily for buying essentials like groceries and medicines, going out for work, and returning to homes for residents.

Staycation is allowed within NCR and the four provinces but only for those aged 18 up to 65 years old.

Senior citizens and persons with disabilities (PWDs) are allowed to go out for exercise.

Restaurants are allowed to provide deliveries, take-out, and outdoor dining services. (PNA)

MATAPOS ipag-utos ng Malacanang, itinuloy ng Archdiocese of Manila ang pagbubukas nito sa mga mananampalataya ng misa sa Manila Cathedral kamakailan.

Ganap na ala siyete y medya ng umaga nang magsimula ang misa na pinangunahan ni Father Cali Llamado. Sa kanyang homiliya kasama sa sinabi ni Father Llamado na sana ay hindi lamang ang kontrobersiya sa pagbubukas ng misa ang binigyang pansin sa social media.

Apela nito na pansinin naman ang iba pang mensahe ni Auxillary Bishop Broderick Pabillo partikular ang panawagan na pagtulog sa mga naghihirap at kabilang na ang paggamit ng pondong nakalap ng simbahan. Ngayong Huwebes Santo, bahagi ng tagubilin ni Bishop Pabillo na Apostolic Administrator ng Archdiocese of Manila na 10% lamang ang papasukin sa misa at ang lahat ay hinihikayat na makibahagi sa pagpapalabas nito sa social media.

Sa naturang misa, may isa namang senior citizen na lalaki ang dumating subalit inalalayan palabas ng simbahan dahil walang suot na face shield.

Tuloy naman ang dating ng mga tao bago at habang ginaganap ang misa pero nagtagal lamang sila ng ilang minuto para magdasal at umaalis na rin.

Sa labas may ilan na nagbibisikleta ang dumating at dumalo sa inabutang bahagi ng misa.

Isang mobile naman ng MPD Station 5 ang nakapuwesto at nakabantay sa labas ng Manila Cathedral para naman sa mga gustong manalangin ng pribado sa loob ng simbahan.

Bukas ang Manila Cathedral mula 8 hanggang 11:30 ng umaga at 1-5:30 ng hapon Lunes hanggang Biyernes bukod pa sa hiwalay na oras tuwing Sabado at Linggo. **(Christian Heramis)**

TULOY sa pag-spray ng sabon at chlorine ang mga tauhan ng Manila Department of Public Safety (D.P.S) kamakailan na malaki ang tulong sa pagpigil upang hindi kumalat ang COVID 19 Virus sa kanilang araw-araw na disinfection duty sa kahabaan ng Padre Zamora St. Pandacan Manila. **(Christian Heramis)**

Manila's Finest ka pa naman

"**MAGPAALAM** ka na sa pamilya at mga kamag-anak mo dahil mawawala ka na sa mundo."

"Papatayin na kasi kita ngayon bago matapos ang buong araw na ito."

Nakakapangilabot ano po kung ikaw ay pagbabantaan at pagsasabihan ng ganito.

Isang tsuper ang nakatulong sa kanyang ipinapasadang 'toktok' o tricycle na nakaparada sa lansangan.

Dala marahil ng puyat at pagod o kaya naman ay pagkainip dahil sa napakadalang na pagdating ng mga pasahero.

Nagulantang ang tsuper dahil mayroong gumigising sa kanya gamit ang yantok.

Sabi nga 'di ba, hindi baleng magbiro ka na sa lasing huwag lamang sa bagong gising.

Iba kasi kapag bagong mulat o gising, 'hilong-talilong' pa ang diwa.

Pero ang nanggising sa tsuper ay hindi nito kapwa tusper kaya malinaw na hindi pagbibiro.

Ang nanggising kaya may hawak na yantok at iyon ang pinanggising sa

tsuper ay isang pulis. Hindi basta karaniwang pulis bagkus ay opisyal kaya sobrang nabigla ang tsuper.

Sabiing nasa mali ang puwesto o kinapapardahan ng 'toktok' kaya tama lamang na ipaalisis iyon sa tsuper.

Nagkataong natutulog ang tsuper kaya nararapat lamang na gisingin.

Ang tanong nga lamang ay bakit mayroon pang mga ganoong salita ang pulis.

Pananakot ba iyon o pagyayabang lamang at bakit kailangang may pagbabanta pa?

Kung ano man ang rason ng pulis ay siya lamang ang nakakaalam pero malinaw na ito ay isang malaking pagkakamali.

Paano kung noong araw na iyon ay mayroong masamang nangyari sa tsuper, halimbawa ay namatay?

Ang pulis ay dapat na iginagalang subalit kailangang sa kanila muna magsimula upang sila ay irespeto.

Nakupo! Manila's Finest ka pa naman.
