Kabuhayan sa gitna ng pandemya...

REVILLA: BACCOOR TWIN PROJECTS SAGOT SA KAWALAN NG TRABAHO

Bacoor City – Panahon para lalong magtulongan upang buhayin ang ekonomiyang nilugmok ng pandemya at isulong ang Duterte legacy. Nanindigan si Bacoor City Mayor Lani Mercado-Revilla na ang panukalang 420-hectare reclamation projects na isinusulong ng lokal na pamahalaan ang magiging solusyon sa kakulangan ng kabuhayan at trabaho para sa kanyang mga constituents at maging sa mga nakatira sa karatig-bayan nito na nawalan ng hanapbuhay dahil sa coronavirus (COVID-19) pandemic. “Sa panahon pong ito na marami sa ating mga kababayan, kasama na ang libu-libong OFW na nawalan ng hanapbuhay at mapagkakakitaan dahil sa coronavirus, mas lalo po nating kailangan isulong ang proposed reclamation project na ito,” sabi ni Revilla. Paliwanag ng alkalde na base sa mga naunang estimasyon, ang twin reclamation projects ay maaring makapagbukas ng higit-kumulang 700,000 na mga trabaho hindi lamang para sa mga residente ng Bacoor kundi maging sa mga kalapit-bayan nito ang ng probinsya ng Cavite. Dagdag pa ni Revilla, ang proyekto ay inaasahang makalikom ng P1.8 bilyon na kita ng lunsod mula sa turismo. “Sa gitna ng matinding krisis dulot ng COVID-19, dapat po ay magkaisa tayo at magtulongan lalung-lalo na sa paghanap ng mga paraan para maiahon ang mga kababayan nating nawalan ng trabaho at walang makain. Tulad ng panawagan ng ating pangulong Rodrigo Duterte, kailangan magtulongan upang maibsan ang paghihirap ng ating mga kababayan,” saad ni Revilla. “Bukod pa po dyan, yung karagdagang buwis mula sa proposed reclamation projects at mga negosyong itatayo doon ay malaki ang maitutulong para magka-

roon tayo ng pondo para tugunan ang problema ng mga kababayan natin na higit na nangangailangan ng tulong ngayon dahil sa pandemya,” dagdag niya. Kung matatandaan, nagsagawa ng mga public hearings ang lokal na pamahalaan kasama ang Department of Environment and Natural Resources (DENR) para sa panukalang proyekto at idiniin ni Revilla na ang mga kabutihang maidudulot ng mga proyektong ito ay hindi makakaapekto sa kapaligiran at kalikasan. Bukod sa dagdag na trabaho, nilinaw rin ni Revilla na ang mga reclamation projects na ito ay may kaakibat na in-city relocation at livelihood programs na sumisiguro sa kapakanan ng mga maapektuhang informal settler families (ISF) at mga mangingisda sa lunsod. “Una sa lahat, marami sa mga maapektuhan ng reklamasyon ay nagtatrabaho sa Bacoor din lang. Sila ay ililipat sa loob din lang ng siyudad ng Bacoor at mabibigyan ng kaseguruhan sa pabahay. Kaya mananatili sila sa kanilang hanapbuhay at walang dislokasyon na mangyayari,” paliwanag ni Revilla. Ang in-city relocation at ang job generation component ng proyekto ay naaayon sa mgaistratehiya ng National Economic Development Authority (NEDA) na nakasailalim sa Manila Bay Sustainable Development Master Plan. Kasama rito ang pag-upgrade ng mga informal settlement sa pamamagitan ng ligtas, abotkaya at pormal na housing na mayroong basic services at mga economic opportunities. Ayon pa kay Revilla, sisiguruhin niya na hindi maapektuhan ang kabuhayan ng nasa industriya ng tahong at talaba at mananatili ang kabuhayang ito na nakapagbigay ng higit sa 6,000 galon ng tahong arawaraw. Gov. Remulla gives updates on COVID-19 status in Cavite; public intoxication ordinance

TRECE MARTIRES CITY, Cavite (PIA) -- Cavite Governor Jonvic Remulla shared on his FB page June 24 the updates on the COVID-19 status in the province and the new ordinance on alcohol intoxication recently approved by the Sangguniang Panlalawigan.

The province has a total of 502 COVID-19 cases with 195 recoveries and 36 deaths from the disease, according to the latest data recorded by the Provincial Health Office (PHO) Cavite.

In his post, the governor cited the prediction of Dr. Charles Yu, a member of the medical team at the De La Salle Medical-Health Science Institute (DLSM-HSI) that

rin ng alkalde ang preserbasyon ng mga mangrove plantation sa lunsod sa pagkat nakakatulog ang mga ito sa pagpilig ng polusyon sa Manila Bay at sa kabuhayan din ng mga mangingisda sa lugar. Ang isinusulong na proyekto ay hango sa mga disensyo ng mga batikang European engineering firms at scientific consultants at ito ay nasa jurisdictional waters ng Bacoor City – malayo sa buffer zone ng Las Pinas-Paranaque Critical Habitat and Ecotourism Area (LPPCHEA). Sinabi rin ni Revilla na ang mga panukalang proyektong ito ay magsisilbing coastal defense ng lunsod sa bantang panganib ng mga storm surges at tsunami sa Bacoor at mga kalapit na bayan nito. Kasama rin dito ang mga efficient canals at mga waterways na konektado sa dagat na alinsunod na rin sa mga anti-flood measures na ipinatutupad ng lokal na pamahalaan at ng administrasyon ni Pangulong Rodrigo Duterte. Nilinaw rin ni Revilla na ang Bacoor reclamation projects ay nasa “compliance stages” pa rin para sa mga kinakailangang dokumento at requirements ng iba’t ibang ahensya ng pamahalaan. **PR**

the number of COVID-19 cases in the province will blow after two weeks from June 1, 2020 when NCR was placed to GCQ status. The data indeed proved correct with 80% of the new cases were either employees in NCR or had traveled to NCR. He also reported that 90% of the total deaths from the COVID-19 were senior citizens thus, the strict implementation of the prohibition for residents 60 years old and above for leaving their residences is very much in as they are of high risk for infection.

Meanwhile, the Targeted Testing of more than 1,000 medical frontliners in the province were completed with only 12 persons tested positive for the COVID-19. Police personnel follow next in the list of Targeted Testing to commence next week.

On the other hand, Governor Remulla shared some details on the recently approved ordinance known as the “Public Intoxication Ordinance” approved by the Sangguniang Panlalawigan during their recently concluded council meeting.

The ordinance states that police personnel in the province will be provided with alcohol breath analyzer to test motorists and pedestrians suspected of alcohol intoxication.

Once a suspected driver or pedestrian fails on the alcohol breath analyzer test thru excess in the blood alcohol limit, they shall automatically be fined and the driver will be charged and jailed for driving under the influence of liquor.

Governor Remulla reminded it is okay to drink within the confines of their homes but once outside, the law is in effect.

“You can have fun but don’t be a danger to others,” Gov. Jonvic said. **(Ruel Francisco, PIA-Cavite with report from the official FB page of Gov. Remulla)**

Comelec warns public against fake voter's ID

MANILA – The Commission on Elections (Comelec) on Thursday warned the public against unscrupulous persons producing fake voter identification (ID) cards.

“The ‘fake news’ that a person has to be a registered voter in order to receive government aid during this Covid-19 (coronavirus disease 2019) national health crisis, seems to have created a market for fake voter identification cards. Anyone who claims to be able to produce a ‘Comelec-issued voter ID’ is a scammer who is trying to take advantage of the public,” Comelec spokesperson James Jimenez said in a statement.

This came amid recent reports that the National Bureau of Investigation (NBI)

arrested two individuals for allegedly producing and selling online spurious voter's ID cards.

Jimenez reiterated that a person need not be a registered voter to be able to get financial assistance from the government during the health crisis.

Earlier, DILG Undersecretary Jonathan Malaya said being a registered voter is not a factor in determining who gets into the list of beneficiaries of the government's social amelioration program.

Jimenez, meanwhile, reminded the public that the poll body has stopped issuing voter's IDs since 2012. “The Comelec has stopped issuing (voter's) IDs, in anticipation of the launch of the National ID system,” he added. **(PNA)**

'Buwis-buhay'

NARIRINIG natin dati pa na ang isang pulis ay hindi raw matatawag na isang pulis kung hindi pa ito nakakapatay sa panahon ng pagtupad sa kanyang tungkulin. Sa hanay naman ng pamamahayag, may nagsasabi ring hindi pa ganap na reporter kung hindi pa nasasampahan ng kasong libelo. Kung kayo ang makakarinig ng ganito ay mala-

mang masabi ninyong anong klaseng utak mayroon ang mga nagsasabi nito. Hindi naman batayan na matawag na isang pulis kung pag nakapatay na. Ganoon din sa mga mamamahayag, hindi kailangan ng libel case para masabing isang ganap na reporter. Maaaring nasasabi lamang ito upang bigyan ng suportang lakas ng loob ang

isang pulis na nahaharap sa murder o homicide case gayundin sa reporter na may kinakaharap na kasong libelo. Mahirap ang trabaho ng pulis lalo na iyong mga nagresponde sa ano mang uri ng krimen. Paglabas pa lamang ng bahay ay itinuturing na para sa isang pulis na ang isang paa nila ay nasa hukay na. Sa pagsusulat naman bilang isang mamamahayag ay maaaring kakambal ang libel case. Lalo at 'balat-sibuyas' ang natamaan sa artikulo kaya kasong libelo kaagad ang kasagutan. Kahit hindi pasok sa pitong aspeto ng libel case ay tagalang igigiit ang kaso. Doon ay makikita na kaagad ang motibo ng nagha-

habla kahit alam na ang kaso ay hindi mananal. Hindi po tayo abogado. Nakakapagtaka lamang na kapag nagtanung-tanong ay bakit hindi magkakatulad ang mga abogado sa ganitong opinyon. Well! Trabaho ng abogado iyan, bahala sila sa kaso kung panalo o talo. Dapat ay hangaan natin ang mga nasa larangan ng pamamahayag na walang takot sa paglalantad ng katotohanan kahit pa kasong libelo ang nakaamba. Ganoon din ang mga pulis, ibinubuwis ang buhay para sa mamamayan at bayan. Kumbaga, media at pulis ay kapwa masasabing buwis-buhay.

Tamang takbo sa pagmamaneho

BUWAN ng Hunyo nang maglagay ng concrete barriers ang Metro Manila Development Authority (MMDA) sa kahabaan ng EDSA. Halos nasa 20 ang naging bilang ng aksidente ng mga sasakyan na naitala ng ahensiya. Kabilang sa mga aksidente ay ang pagkakabangga sa konkretong mga harang o pagkakahagip sa plastic barriers. Lumabas naman sa pagsisiyasat na ang mga dahilan ng aksidente ay bunga ng lasing na pagmamaneho. Nariyan din ang pagdaan sa maling lane at ang ginagawang pagsingit na dapat ay sa linya lamang ng mga bus. Ang mga naturang concrete barriers ay reflectorized at para narin sa kaligtasan ng mga motorista ay dinagdagan ng ahensiya ng mga marker sa EDSA. Ang aksidente ay tunay na maiiwasan basta ang sasakyan ay nananatili lamang sa lane at tamang takbo o bilis ang gawin sa pagmamaneho.

LGUs should mainstream urban agriculture - SEARCA

CALAMBA CITY, Laguna (PIA) --The Integrated Urban Agriculture Act (HB 3412) has been approved by the House Committee on Agriculture last June 17. HB 3412 seeks to promote an integrated urban agriculture to address food security problems affecting the country, which were exacerbated by the COVID-19 pandemic. The bill's author, Negros Occidental Rep. Jose Francisco Benitez, said HB 3412 intends to address the serious food security problem by introducing "game-changing solutions" that include "maximizing available spaces and utilizing emerging agricultural technologies and methods." "Local government units (LGUs) are in a strategic position to perform a catalytic role in promoting urban agriculture," the Southeast Asian Regional Center for Graduate Study and Research in Agriculture (SEARCA) asserts in its policy paper on policy imperatives to promote urban agriculture among local government units in the Philippines. The policy paper is jointly authored by Dr. Rico C. Ancog and Dr. Glenn B. Gregorio of SEARCA and the University of the Philippines Los Baños, House Representative Arlene B. Arcillas, Erlinda C. Green of the Santa Rosa city government, Victorino

Aquitania of CLEI-Local Governments for Sustainability--Southeast Asia, Department of Agriculture-Bureau of Plant Industry (DA-BPI) Assistant Director Gerald Glenn F. Panganiban, and Garry A. Hidalgo of Farm Factory and Rotary Club of Bay. They brought to the policy paper their collective experience in a diverse mix of sectors that include the academe, science and technology, environment, agriculture, private industry, civil society, legislature, and local government. "It will be strategic for local government units to implement an Urban Agriculture Strategy to sustainably mainstream it in local governance," the SEARCA policy paper authors stress. Studies have shown that planning for urban agriculture tackles a combination of already existing urban issues in livelihood and income opportunities, food availability and accessibility, and, in many cases, conflicting land uses. SEARCA Director Dr. Glenn B. Gregorio said "the challenge of optimizing limited space, including high-risk areas, is addressed by the Comprehensive Land Use Plan (CLUP) of LGUs and, as such, it provides the most appropriate and likely the most effective platform to mainstream urban agriculture." The SEARCA paper points out the need for LGUs to

pass an ordinance institutionalizing, developing, and promoting urban agriculture, including mainstreaming it in the CLUP and Local Climate Change Action Plan to ensure funding and support by the city or municipal council. Under HB 3412, in coordination with DA and Cooperative Development Authority (CDA), LGUs will tap neighborhood associations and people's organizations to undertake community gardening. The SEARCA paper highlights that the capacity of the barangay officials on urban agriculture would be very critical to operationalize the plans and projects. As they formulate their own development plan, the barangays are in the best position to identify or vet in identifying appropriate open spaces for urban gardening and in exploring potential funding sources to support urban agriculture. Dr. Ancog and his co-authors also emphasize that "the role of the city or municipal agriculture officers is crucial to sustain urban agriculture initiatives with strong partnerships and collaboration with government line agencies such as DA-BPI and local state universities and colleges." The HB 3412 has provisions for granting of incentives to participants in urban agriculture as well as for granting of loans extended by government and

private banks to participating individuals, corporations and partnerships. The SEARCA paper pushes for the passing of ordinances for tax reduction schemes, lease agreements, and zoning mixed-land use areas that would afford an enabling environment to encourage LGU constituents to engage in urban agriculture. Since exploration of financing schemes would be essential to sustain efforts on urban agriculture by LGUs and its partners, the SEARCA chief said his team indicates that "the Agriculture Office of every LGU can allocate budget for urban agriculture in the Annual Investment Plan, organize farmers' associations and cooperatives, and through private and industry partners, among others." In addition to the proposed urban gardening sites under HB 3412, the SEARCA paper advocates for open space and parks managed by LGUs to be planted with both agricultural crops and ornamental plants, which can also boost tourism and be a learning place for schoolchildren. "With the ongoing food security challenge brought about by the COVID-19 pandemic, implementing urban agriculture projects has never been more urgent" said Dr. Gregorio. **(PIA-4A/SEARCA)**

JUDGES GROUP SLAMS 'ABUSIVE CRITICISM' ATTACKS VS. JUDICIARY

MANILA – The Philippine Judges Association (PJA) on Monday cried foul over "abusive criticism and unfounded innuendoes" meant to discredit the judiciary, following last week's conviction of Rappler executive editor and chief executive officer Maria Ressa for cyber libel.

In a statement, PJA president Felix Reyes said they strongly denounce these abusive attacks and criticisms hurled against the courts, judges, and the judiciary. He added that the judiciary is being dragged and

vilified "because a decision was rendered in a manner not acceptable to the parties therein".

"These attacks do a grave disservice to the principle of an independent judiciary and mislead the public as to the role of judges in a constitutional democracy, shaking the very foundation of our democratic government," he said.

Reyes said the public must come to grips with the vital role of the courts in a functioning democracy and that courts settle controversies based on facts and law, stressing that facts are established by evidence and

the law is applied to the facts established.

"Abusive criticism and unfounded innuendoes hurled against courts and judges erode the public's trust and confidence in the very institution tasked to protect the people's rights," Reyes added.

Citing Supreme Court precedents, he added that "personal attacks, criticisms laden with political threats, those that misrepresent and distort the nature and context of judicial decisions, those that are misleading or without factual or legal basis, and those that blame the judges for the ills of society, damage

the integrity of the judiciary and threaten the doctrine of judicial independence".

A Manila court found Ressa and former Rappler researcher-writer Reynaldo Santos Jr. guilty of cyber libel.

Manila Regional Trial Court (RTC) Branch 46 Judge Rainelda Estacio-Montesa sentenced the two to imprisonment ranging from six months and one day to six years.

Ressa and Santos were ordered to pay the complainant, businessman Wilfredo Keng, PHP400,000 in moral and exemplary damages. (PNA)

BOC Calls On Stakeholders to Participate in AEO Program

In line with the Bureau of Customs' (BOC) thrust to facilitate trade and bring Philippine trade at par with other ASEAN nations, the Bureau calls on importers and exporters to join and become AEO accredited.

Launched on December 02, 2019, the AEO program, also known as the Authorized Economic Operator Program, is a system which aims to provide increased security while ensuring facilitation of the legitimate flow of goods between participating nations. The Assessment and Operations Coordinating Group (AOCG) has recently completed the measures needed to fully implement the AEO program. Some measures were the issuance of Customs Memorandum Order (CMO) 09-2020 implementing the AEO to importers and exporters

and Customs Special Order (CSO) 33-2020 which creates the AEO interim office. Trainings were also conducted last June 02, 2020 for BOC personnel to ensure that the agency is ready to implement the program.

In this respect the BOC through the AOCG is inviting its Super Green Lane (SGL) members to submit their intent to be accredited as an AEO. In his statement, AOCG Deputy Commissioner Edward James Dy Buco expressed his optimism to fully implement the Program. He is optimistic that the advantages of being an accredited member of the program will ensure that trade within the region shall flourish even more as the program allows importers and exporters to transact with AEO member organizations

Cavitex, PRA extend services to people thru corporate initiatives

BACOR CITY, Cavite (PIA) -- The Cavitex Infrastructure Corporation (CIC) and joint partner Philippine Reclamation Authority (PRA) coordinated its efforts to extend assistance to their countrymen especially during COVID-19 pandemic.

With the aim to provide continuous, smooth passage to fast-track emergency response, a complimentary passage on the toll roads was extended to medical practitioners and to the Department of Transportation (DoTr) buses used to transport healthcare workers.

Likewise, RFID stickers were given to ambulances and other emergency vehicles of the local government units and host barangays along the expressways.

PRA General Manager Atty. Janilo Rubiato said, "We salute our frontliners for their unwavering service to the Filipino people. We are one with the government in ensuring that essential goods and services are safe when they access CAVITEX."

Meanwhile, a 3,200 sqm area acquired right-of-way

without the need to be accredited again since their accreditation will suffice.

As the BOC moves toward a more modernized and globally enhanced operation, the agency calls on its stakeholders to join and take advantage of the new measures it is adopting to further enhance trade facilitation. **PR**

CIC and PRA in close coordination with the Inter-Agency Task Force on Emerging and Infectious Disease, assure concerned government agencies and especially the public of their continued support for the continuous and unhampered flow of goods and services along the expressways in the fight against this pandemic. **(Ruel Francisco, PIA-Cavite/with reports from the Communication and Stakeholder Management, MPT South Management Corporation)**

SM Stationery donates school supplies to children

SM Stationery recently donated school supplies to ChildHope Philippines and Caritas Manila, to support the education initiatives of these non-government organizations for less fortunate children. While schools are not yet open, ChildHope and Caritas have come up with innovative programs to educate the young. Each of the kits distributed by SM Stationery, the school and office supplies department of The SM Store, includes envelopes, notebooks, crayons, rulers, writing pads, ball-point pens and pencils.

ChildHope Philippines has already helped in the distribution of the school supplies to poor communities in Marikina, and has worked with community and youth leaders to train mothers so that they can teach their kids basic writing, reading and life skills during the quarantine. Jem Tumbaga, Resource Mobilization and Communications Officer of ChildHope Philippines, said the other school supplies will be used in their EduKit Project and street learning sessions.

“By donating essential school supplies, SM Stationery has helped ease the burden for these children and their parents, especially now that we are facing a severe health, education and economic crisis,” Tumbaga said.

Caritas Manila, the leading social arm of the Archdiocese of Manila, on the other hand, will use the donations to help its scholars, and sell the other donations in their Segunda Mana stores. The proceeds of the sale will be used to fund its projects to help not just students but also poor families struggling because of COVID-19. The SM Group has been regular donor to Caritas Manila’s COVID-19 relief efforts and its Youth Service Leadership and Education Program.

SM Stationery’s donations complement the active participation of The SM Group in providing relief to frontliners and communities impacted by the COVID-19 pandemic. SM Stationery, which offers a wide range of school and office supply products, is now open in The SM Store branches nationwide. For more updates on its products and its Call to Deliver service, follow its social media pages @smstationeryph on Facebook and Instagram or join its Viber community.

Kids receive their brand new school kits from SM Stationery as they wait for school opening and alternative programs.

Pahayag ng PSC sa PH sports academy law

Nagpahayag ng elation ang Philippine Sports Commission (PSC) matapos na tuluyang pumirma si Pangulong Rodrigo Duterte ng batas na nagtatatag ng pinakahihintay na National Academy of Sports (NAS) ng bansa.

"Natutuwa kaming makita ang masipag na ginawa ng aming mga pinuno sa Senado at Kongreso na napupunta sa batas na ito," sabi ni PSC Chairman William "Butch" Ramirez sa isang pahayag matapos na lagdaan ng Pangulong Duterte ang Republic Act 11470 o National Academy of Sports Act.

Dagdag pa ni Ramirez na ang apat niyang komisyoner na sina Mon Fernandez, Arnold Agustin, Charles Maxey, at Celia Kiram, ay nagbahagi ng parehong sentimento sa kanya.

Nakatakdang maitayo sa New Clark City Sports Complex sa Capas, sasagutin ng NAS ang karapat-dapat na mag-aaral-atleta ng high school na nais na maging mahusay sa palakasan at may kalidad sa edukasyon.

"Kinikilala ng PSC ang suporta at kooperasyon sa pagpapatupad ng mga probisyon ng RA 11470, na kinikilala ang tagumpay nito bilang isang mahalaga-

gang tulong sa kaunlaran ng palakasan ng bansa at pagdugtong sa mga pagsisikap ng ahensya ng sports na naaayon sa utos nito na paunlarin ang mga grassroots at elite sports," pahayag ng PSC.

Ibinibigay ng RA 11470 ang buong scholarship sa mga kwalipikadong mag-aaral-atleta.

Ayon sa batas, ito ay nilagyan ng mga kinakailangang pasilidad sa palakasan, pabahay at iba pang mga amenities na batay sa kasalukuyang mga pamantayan sa internasyonal.

Ang mga gusali ng paaralan na may sapat na bilang ng mga silid-aralan at pasilidad ay itatayo din sa complex.

Ang NAS ay nakapaloob sa Department of Education (DepEd).

na malapit sa pakikipag-ugnayan sa PSC, ay inatasan upang mapaunlad ang mga kasanayan sa atleta at talento ng mga mag-aaral sa mga pasilidad na naaayon sa pandaigdigang pamantayan.

Ang kalihim ng DepEd ay mangunguna sa Board of Trustees ng akademya habang ang isang executive director na hinirang ng pinuno ng edukasyon na may kadalubhasaan sa sports ay mangunguna sa NAS.

NANALO ANG PH SA FIBA ESPORTS OPEN SEA CONFERENCE NA PAMAGAT

Kinakailangan lamang ng Pilipinas ang isang Game 3 na panalo upang maihanda ang kampeonato ng FIBA Esports Open Southeast Asian Conference ngunit nilabas pa rin ang Araw 2 kasama ang isa pang two-match na dominasyon.

Pormal na ginampanan sa panig ng Filipino ang kanilang serye laban sa Indonesia na may 66-34 Game 3 tagumpay, ngunit ang kanilang pangingibabaw ay nagpatuloy sa Game 4 na may ruta na 79-44 matapos silang lumayo sa ikalawang kalahati.

Ang mainit na pagbaril ni

Rial Polog sa parehong mga laro ay nakakuha siya ng karangalan na Pinakahalaga ng Player para sa gabi.

"Sabi lang talaga sa amin ni Coach (Nite Alparas), mula una hanggang ika-apat na quarter, walang awa talaga. Kumbaga, binigyan namin ang todo namin (Sinabi sa amin ni Coach na dapat tayong walang awa mula sa una hanggang sa ika-apat na quarter. nangangahulugang mailabas namin ang todo namin (Sinabi sa amin ni Coach na dapat tayong walang awa mula sa una hanggang sa ika-apat na quarter. nangangahulugang mailabas namin ang pinakamahasay na magagawa namin)," sabi ni Polog pagkatapos ng ruta ng Game 4.

TENNIS SA PRANSYA SISIMULAN NA SA SETYEMBRE

Ang 2020 French Open ay naisaayos na upang tumakbo ng tatlong linggo sa taglagas, sinabi ni Roland-Garros.

Ang torneo ay dapat na magsimula sa Mayo ngunit nasuspende dahil sa sakit na coronavirus 2019 (Covid-19) na pagsiklab.

"Kasunod ng mga talakayan sa mga pang-internasyonal na awtoridad ng tennis - ang ATP, WTA at ITF - ang French Tennis Federation ay nalulugod na ipahayag na ang paligsahan na Roland-Garros sa taong ito ay gaganap sa loob ng tatlong linggo, mula ika-21 ng Setyembre hanggang ika-11 ng Oktubre 2020, na nagbibigay ng mga kondisyon na may kaugnayan sa krisis sa kalusugan ng COVID-19 payagan itong magpatuloy,"

"Ang Parisian Grand Slam ay binigyan ng ilang linggong kumpetisyon, na nangangahulugan ng kwalipikadong paligsahan ay maaaring i-play mula ika-21 ng Setyembre,

BUTING DULOT NG LOCKDOWN KAY SOFIA ANDRES

TATLONG buwang mahigit na mula nang magmistula tayong bilanggo sa ating mga tahanan.

Stay at home upang makaiwas sa hindi nakikitang kalabang COVID-19.

Ang pananatili sa bahay ng mahaba-habang panahon ay mayroong buting naidulot kay Sofia Andres.

Ibig sabihin ay may magandang naibunga ang lockdown para sa aktres.

Dahil sa lockdown ay nagkaroon ng maraming oras o panahon si Sofia para sa kanyang anak.

By the way, isinilang ni Sofia ang kanyang anak last December sa Australia.

Hindi naman kaila na ang pagbubuntis niya ay kanyang ipinakita sa pamamagitan ng video.

Gulat ka ba at isang moth-

er na si Sofia?

Si Baby Zoe ang bunga ng pagmamahalan nina Sofia at Daniel Miranda.

Maraming plano at selebrasyon ang nakansela bunga ng virus na ito.

Sa pangyayari dahil nasa bahay lamang ay mas natutukan at nabigyan ni Sofia ng atensiyon ang anak nila ni Daniel.

Kaya nga nitong katapos na Father's Day ay ikinokonsidera ng aktres na almost complete na siya.

Tinutukoy ni Sofia ang kanyang amang si Eric at ang ama naman ng kanyang anak na si Baby Zoe.

UNA AT HULI

Nakakatuwa naman si Ritz Azul dahil ang lalaking nasa puso niya ang una at huli.

(18)

HINDI alam ni Mikel kung paano siya at nakapagsalita na nag-usisa kay Lea.

"Gising ka pa pala, akala ko tulog ka na. Eh bakit 'di ka pa natutulog?"

Natapos ang mga pinanunuod na telenobela sa telebisyon kaya pumasok na si Lea sa kwarto.

"Ang tagal mo naman. Bakit ngayon ka lang?"

Nang makapasok ng silid ay hindi inaasahan ni Lea na tatanungin siya ng ganon ni Mikel.

Nabigla din naman si Mikel at hindi makapaniwala na makakapagtanong siya ng ganon.

Sa halip na sagutin ay binalikan ni Lea si Mikel ng pagtatanong din.

"Ewan ko, ayaw akong dalawin ng antok eh. Baka pwedeng magkwentuhan muna tayo."

Lihim na natawa si Lea dahil sanay siya na mas madalas ay tulog na si Mikel sa kanyang pagpasok ng silid.

"Eh bakit parang masaya ka? Ngumingiti-ngiti ka pa."

Walang tugon kay Lea at ang pasimpleng pagngiti niya ay napansin ni Mikel.

"Masaya talaga ko, kinikilig nga ako eh. Nakakatuwang love story talaga."

Binanggit ni Lea na kaya siya nakangiti at masaya ay dahil sa kanyang mga pinanunod sa telebisyon. "Siguro may iniisip ka o kaya naman ay mayroong nag-iisip sa 'yo kaya 'di ka makatulog."

"Share mo naman sa 'kin kung sino o ano 'yang gumugulo sa isipan mo."

Pagkatapos magbanggit ng ilang kilig moments sa mga napanunod na telenobela ay nagpokus si Lea kay Mikel.

"Ano ka ba naman, sabi mo gusto mong makipagkwentuhan pero wala ka namang imik d'yan."

"Sige na, sabihin mo na sa 'kin kung sino o ano 'yang iniisip mo at baka makatulong ako."

Nagdadalawang-isip si Mikel kung sasabihin ba na si Lea ang kanyang iniisip.

Nakakalamang na nais ni Mikel na diretsahin na si Lea para magkaalaman na.

"Ganyan nga, sige pa. Ganyan nga."

"SINO?"

Si Bernard naman ang nasasabik sa magiging kasagutan ng kanyang nobyang si Jane.

Hinihintay ni Bernard ang isasagot ni Jane kung sinong huling lalaki ang naka-sex nito bago siya.

Ang puluhan ng baril ay nakatutok sa sentido ni Bernard at kapag nagkamali ng sagot si Jane ay kakalabatin na ng lalaki ang gatiyo.

"Sinungaling kang babae ka, sabi ko sa'yo 'pag mali ang sagot mo ay sabog ang bao ng ulo ng nobyo mo."

Nagbanggit ng pangalan ng ibang lalaki si Jane pero hindi siya pinaniwalaan.

"Sabi n'yo alam na n'yo kung sino ang huling lalaking naka-sex ko bago si Bernard, eh bakit tinatanong pa ninyo?"

Sa kabila ng ginawang pagsisinungaling ay nakuha pang magmatapang ni Jane at sinigawan ang dalawang lalaki.

"Uuuuhhhhhhhhhhhhhhhhhh..."

Napahiyaw si Bernard at labis na namilipit sa matinding sakit dahil sa ginawa sa kanya.

Ang hawak na baril ng lalaki ay ipinalo sa ulo ni Bernard kaya duguan iyon.

Kitang-kita ni Jane ang lahat, mula sa pagkaka-palo ng baril hangang sa pagsirit ng dugo sa ulo ni Bernard.

"Malas mo lang Bernard at 'di ka tunay na mahal nitong nobya mong sinungaling."

"Ayaw n'yang sabihin ang totoo kaya ibig sabihin ay 'di ka n'ya mahal at wala s'yang pakialam kahit mamatay ka pa."

Sobrang habag naman ang nararamdaman ni Jane para kay Bernard.

Naaawa si Jane sa kalagayan ni Bernard subalit hindi niya alam kung magsasabi nga ba siya ng totoo.

"Bakit pa kasi kelangang tanungin pa ninyo ako eh kanyo ay alam naman na ninyo."

Muling sinubukan ni Jane na patatagin ang sarili at kinompronta ang lalaki.

"Nganga! Sabi ng ngumanga ka."

Hindi pinansin at sinagot ng lalaki si Jane sa halip ay si Bernard ang binalingan.

Hinawakan ng lalaki sa bahaging baba o bibig si Bernard at inuutusang ngumanga.

Walang nagawa si Bernard kundi ang tumalima, ibinuka niya ang kanyang bibig.

"Teka! Teka...teka... Ano'ng gagawin mo?"

Biglang naging malambot si Jane at nagtanong sa lalaki.

Pagkabuka ng bibig ni Bernard ay ipinasok o isinubo ng lalaki ang puluhan ng baril sa kanya.

"Patay ka ngayon."

Yes! Engaged na ang aktres at ang kanyang nobyong si Allan Guy.

Sa Instagram account ng aktres ay makikita sa larawan na suot niya ang engagement ring na nanggaling kay Allan.

Ang proposal ay naganap sa Lipa, Batangas at dahil private-gathering ay mga kamag-anak lamang nila ang dumalo.

Pwede ng lumagay sa tahi-

mik dahil kapwa nasa edad na sila, 26 si Ritz at 30 naman si Allan.

Bakit natin nasabing una at huli?

Si Allan ang unang nobyo ni Ritz kaya kakakilig naman na sa huli ay siya lamang talaga dahil kasalan na ang kasunod.

Nasa two years na rin naman ang relasyon ng dalawa.

Congrats Ritz and Allan.

INTEGRITY/AMIDST THE PANDEMIC: SM CITY MOLINO'S STORIES OF HONESTY

SM CITY MOLINO, CAVITE – Despite the ongoing pandemic and worsening economic condition around the globe, hope for humanity can still be witnessed from the lives and simple acts of those around us. Recently, two security personnel from SM City Molino exemplified honesty even when no one is watching, a trait all of us should live up despite our own personal needs and interests.

Recently, LG Dyn Ruchelle V. Yamson of Defense Security Agency Inc., one of SM City Molino's SMERT/Safety Protocol officer endorsed in CRS Office a PS Bank Receipt with Cash amounting Php5,000.00 which she recovered in ATM Machine while conducting clearing inspection in the Mall Area. That same day, the owner from San Marino Central Brgy Salawag Dasmariñas, Cavite appeared in CRS Office and claimed her lost cash and receipt after a series verification. "Pinili ko pong isauli ang natagpuan kong pera sa kabila ng hirap ng buhay sa panahon ngayon sapagkat hindi ko po ito pinaghirapan." said LG Yamson. "Sa panahong ito, huwag po natin isipin ang sarili laman kundi ang kapakanan at kabutihan din ng iba."

The same happened when another security personnel SG Homer C. Brazal of Defense Security Agency Inc., assigned Mall Entrance Guard, endorsed to CRS Office a Black Leather Wallet with cash Php3,000.00, Driver's License/Receipt, BPI debit card & Official Receipt of Vehicle. The next day, the owner from North Molino 3 Bacoor Cavite appeared in CRS office to claim her lost wallet after a series of verification. "Ako ay hindi nagdalawang-isip na maibalik (ang natagpuang pitaka) sa may-ari" said SG Brazal, "sa panahon ngayon, tayo-tayo dapat ang magtulongan at hindi mag-isip ng panlalalang sa kapwa."

We know that there are more stories worthy to tell to bring inspiration during these times when everything seems to be crumbling down. But these little rays of hope brought by these sincere hearts are truly diamonds we can find in the rubbles. Truly, these deeds demonstrated by LG Yamson and SG Brazal reflected SM's Corporate value of honesty and integrity and bespeaks well of the attribute of a good member of SM Security force, worthy of praise and emulation.

LG Yamson and SG Brazal brought pride and honor with their acts of integrity and professionalism.

ARESTADO ang dalawang kababaihang courier ng nasa kalahating kilo ng high grade shabu sa ikinasang joint operation ng Manila Police District Station 3 at Masambong Police Station ng Quezon City kamakailan sa Quiapo, Maynila.

Ayon kay Lt/Col Reynaldo Magdaluyo, dakong 5:00 ng hapon nang maaresto ang mga suspek na umanoy mga transient o pansamantalang naninirahan lamang sa Barangay 384 sa Quiapo.

Kinilala ang mga suspek na sina Casmir Caris, alias Mimi, 30-anyos, may-asawa, vendor at tubong Lanao Del Sur; at Montiyah Madaya, alias Mhon, 38 anyos, vendor, at kapwa naninirahan sa Norzagaray St. sakop ng Brgy.384, Quiapo Manila.

Ayon kay Magdaluyo, naaresto ang mga suspek sa isang tindahan sa nasa-bing kalye habang aktuwal na umanoy nag-aabutan ng iligal na droga sa police

poseur buyer. Kasama ng MPD-PS 3 ang anti-illegal drug operation ng QCPD PS2 Masambong kung saan mahigit sa kalahating kilo umano ang nakumpiskang high grade shabu na nagkakahalaga ng P3.4 milyon.

Nabatid na matagal na umanong ginagawa ng mga suspek ang iligal na aktibidad kung saan sinaman-tala ang lockdown sa lugar at doon sila sa Quiapo nagbabagsak ng droga.

Inalaam pa ng mga operatiba kung saan konektado ang mga suspek dahil sa laki ng droga ng kanilang binabagsak.

Sinabi pa ni Magdaluyo, na nakatutok sila sa nasa-bing barangay matapos na mabariil at mapatay noong Hunyo 17 ng gabi ang dating barangay chairman.

Ang dalawa ay itinurn-over na ng MPD-PS 3 sa QCPD Masambong Police para sa imbestigasyon at pagsasampa ng kaso. **(leonard basilio)**

Groundbreaking ceremony ng Bagong Ospital ng Maynila, isinabay sa selebrasyon ng ika-499 anibersaryo ng lungsod

PINANGUNAHAN ni Manila Mayor Isko Moreno Domagoso at Vice Mayor Maria Sheilah "Honey" Pangan-Lacuna ang groundbreaking ceremony sa itatayong "Bagong Ospital ng Maynila" kasabay ng ika-499 Anibersaryo ng nasabing lungsod nitong Hunyo 24.

Sa talumpati ni Domagoso, ang itatayong bagong pampublikong ospital ay bahagi ng kampanya ng pamahalaang lungsod na lalo pang mapalakas ang serbisyo medikal na ihahandog ng libre sa Manilenyo.

"Ipakikita natin sa mahihirap na hindi komo public hospital ay mukha nang public hospital. Ipa-paramdam natin sa kanila ang patas o equal value sa lahat ng Manilenyo sa lungsod ng Maynila." giit ng alkalde. Ayon sa Alkalde, bukod

sa makabagong ospital at dagdag pasilidad ay magdaragdag din sila ng mga health worker na magpuno sa mga posisyon na kakailanganin ng lokal na pamahalaan.

"To all medical institutions running by the local government, we are hiring we will continue to hire, we will fill up all the position, we will not stop." ani Domagoso

Bukod dito, tiniyak ni Domagoso na magkakaroon ang lungsod ng Maynila ng makabago at pinakamagandang ambulansiya na magbibigay ng libreng serbisyo sa lahat ng Manilenyong mangan-gailangan 24/7.

"Darating ang oras magkakaroon tayo ng pinakamagandang ambulance. A light saving ambulance, literal. We will have our people trained. I'll guarantee you, we will buy not six, but twelve

ambulances. One every public hospital and six that will round in the city 24 hours a day.

Pinasalamat naman ni Domagoso si Department of Engineering and Public Works (DEPW) Chief Engr. Armand Andres na siyang punong abala sa itatayong 10-storey building na Bagong Ospital ng Maynila, may 384 bed capacity, 12 Intensive Care Units, 20 private rooms, tatlong palapag na parking space at Helipad.

Ang naturang proyekto ay nagkakahalaga ng P2.3 bilyon na nasa ilalim ng "Build, Build, Manila program".

Ayon pa kay Domagoso, ilang linggo mula ngayon ay isasagawa naman ang "groundbreaking ceremony" sa planong pagtatayo ng makabagong Manila Zoo na maaaring ipantapat sa Singapore Zoo. Matapos ang isina-

gawang seremonya ay nakipagpulong naman si Domagoso at Lacuna-Pangan sa pamamagitan ng "Zoom" sa mga health worker mula sa anim na pampublikong ospital at 58 health centers

Nauna rito, ngayong umaga ay nagpunta si Domagoso sa Rajah Sulayman Park upang mag-alay ng bulaklak at sinundan naman nito ang pagpunta sa San Agustin Church upang mag-alay rin ng bulaklak sa libingan ni Miguel Lopez de Legazpi.

Matatandaan na noong Hunyo 24, 1571 ay itinatag ni Miguel Lopez de Legazpi ang lungsod ng Maynila.

Sa nasabing wreath laying ceremony ay kasama ni Yorme si Lacuna-Pangan at Manila Police District Director Brig. Gen. Rolly Miranda. **(leonard basilio)**

IMPRESIBONG PANALO NI HELUSHKA

Walang hirap na nagwagi ang kabayong si Helushka na ginabayan ng hineteng si Onyok Garcia at tila pinag praktisan lamang ang kanilang mga nakalaban sa karerang naganap noong nakaraan sa pista ng Metro Turf sa Malvar, Batangas. Nakapagtala ang nasabing kabayo ng tiyempong 1:23.0 (13'-21'-22'-26') para sa distansiyang 1,400 meters. Pumangalawa sa kanya ang malayong segunda paborito na si Milford Sound at pumangatlo si Morning Girl. Sa kasunod na takbuhan ay tila pinanood lang at nag-abang ang apprentice rider na si Elvin Abrea na magbakkaban nang todo ang dalawang kalaban nila na bumandera, kaya pagpasok ng 400 meters at sinimulan nang galawan ni Elvin si kabayo ay unti- unti nilang nalapitan hanggang sa lagpasan bago pa man dumating sa finish line sina High Ranks at Sabtanng Island. Hindi naman pinaporma pa ng kabayong si Daginding na sinakyan ng hineteng si Totoy Cabarrios Jr. ang nagbigay ng matinding laban sa kanila na si Hold On ni Jeff Zarate simula sa umpisa at dahil may taglay na lakas pa sa datangan ang kabayong Daginding ay iniwan na nila sina Jeff sa huling 200 metro ng labanan. Samantala, pinakitaan ng magandang diskarte ni Unoh Hernandez ang kanilang mga nakalaban sa isang condition race merged (9) na grupo matapos na pumirmis at pitik-pitikin lang ang sinakyan niyang kabayo na si Cerveza Rosas habang hinahayaan lang na magdikta ang nasa harapan nilang si Smokin Saturday ni Toper Garganta, subalit pagsungaw sa rektahan nung galawin na ni Unoh ang kanyang dala ay wala ng nagawa pa ang mga rumemateng sina Garantisado ni Onyok Garcia, Sooner Time ni Jesse Guce at Heiress Of Hope ni Dudong Villegas. Sa pinakahuling takbuhan ay hindi naman binigo ng outstanding favorite na kabayo na si Shadow Of The Sun na nirendahan ni Elvin Abrea ang mga karerista na pumili sa kanya. Dikit na nagkatalo sa segundo sina Jersey Crown ni Onyok Garcia at ang nangusuan na si Crowned Prince ni Lester De Jesus.

Kulang sa disiplina 'pag nakahawak ng manibela

NAKATIKIM ng paniniket ang ilang motorista na nagparada ng kanilang sasakyan sa bicycle lanes sa Quezon City.

Dahil nga sa illegal parking kaya inisyuhan sila ng citation tickets ng mga tauhan ng Philippine National Police-Highway Patrol Group (PNP-HPG). Sinusulat natin ito ay inihayag ni Joint Task Force Covid Shield commander Lt. Gen. Guillermo Eleazar na tuluy-tuloy ang pagsasagawa ng ganitong operasyon.

Para raw magsilbing leksiyon at babala na rin sa iba pang motorista. Ang bicycle lanes ay para lamang sa bicycle riders, iyan ang dapat itanim sa kukote.

Dapat ang matinong tsuper ay hindi lamang ipinamamalas ang disiplina sa

pagmamaneho kundi pati sa wastong paghihimpil ng kanyang behikulo.

Kaya nga ang babala ni Gen. Eleazar ay hindi sila titigil upang madisiplina ang mga ganitong klaseng driver.

Totoong napakaraming driver na wala o kulang sa disiplina kapag nakahawak ng manibela.

Kita naman ang pruwaba dahil kahit nga sa motorcycle lanes ay lintek kung humarurot ang ilang motorista.

Payo naman para sa mga nagbibisikleta at nagmomotor, maging alisto na lamang kayo dahil sadyang maraming tsuper na abusado sa pagmamaneho.

'Wag din po kayong mag-ing abusado sa pagmamaneho ninyo ng bisikleta o single motorcycle.

Anak, 'swak sa selda; kinasuhan ng ina

IPINAKUIONG at kinasuhan ng nanay ang sariling anak para magtanda matapos siyang tutukan ng baril at sirain ang pintuan ng kanilang bahay sa Bacoor City, Cavite.

Dinampot ng mga barangay tanod ang suspek na si Ramon Suriaga, nasa wastong edad, dahil sa reklamo ng kanyang senior citizen na nanay, kapwa residente ng Brgy Molino 1, Bacoor City.

Sa ulat ni PSSgt Edison Fetalculin, ng Bacoor City Police Station, dakong alas-2:30 ng hapon

nang nagtalo ang suspek at nanay nito dahil sa palaging pangaral ng huli hinggil sa bisyo ng una na isang drug dependent.

Dahil ditto, nagwala ang suspek at tinutukan ng patalim ang kanyang nanay at sinira ang pintuan ng kanilang bahay.

Nabahala naman ang kanilang mga kapitbahay dahil sa matanda na ang biktima dahilang upang tumawag sila ng barangay tanod at ipinaaresto ang suspek.
