Gun ban pa

NATAPOS na ang botohan na nilahukan ng milyong rehistradong botante nitong Mayo 12. Sinasabi sa ulat na bagaman may ilang insidenteng nangyari ay itinuturing naman sa kabuuan na maayos ang pagtatapos ng pagbobotohan. May mga naitalang kaso ng vote buying gayundin ang pagla-

bag sa ipinatupad na liquor ban. Tama lang naman at dapat na tanggapin ang pagkatalo dahil sa bawat laban ay nariyan ang kabiguan. Kalimutan na ang ano mang kimkim na galit sa dibdib na maaari pang pag-ugatan ng posibleng karahasan. Tama na tapos na ang botohan subalit nananatili pa rin ang ating bansa sa panahon ng eleksiyon. Ang election period ay hanggang sa Hunyo 11 pa kaya nangangahulugan na gun ban pa rin sa buong bansa at baka mayroong nakakalimot.

Driving Digital Transformation: DOST 2, ISU-BIRDC Strengthen SETUP MSMES Through Digital Skills

The Department of Science and Technology (DOST) Region 02, in collaboration with Isabela State University (ISU) and the Business Intelligence and Research and Development Center (BIRDC), officially launched Phase 2 of the training program "SETUP Adoptor's Digital Literacy Skills and Consultancy Towards the Development of SMARTER MSMES for a Smarter Cagayan Valley."

The three-day training brought together 20 MSMES from various industries across the region. This initiative is part of DOST 2's flagship Small Enterprise Technology Upgrading Program (SETUP), designed to accelerate the digital transformation of local enterprises and enhance their long-term competitiveness and resilience.

In her opening remarks, Dr. Betchie Aguinaldo of ISU and BIRDC emphasized the broader mission of the program, "This initiative is more than just a training program—it is a step forward in realizing our shared vision of a Smarter Cagayan Valley, where empowered entrepreneurs drive inclusive growth, sustainability, and innovation. Let us make the most of this opportunity to learn, collaborate, and innovate together."

Building upon the foundational skills introduced in Phase 1, this second phase focused on advanced topics such as digital tools, innovation strategies, data management, cybersecurity, and e-commerce platforms. Participants also benefited from one-on-one consultancy sessions tailored to their enterprise-specific digitalization needs.

Representing DOST Region 02, Regional Director, Dr. Virginia G. Bilgera, Ms. Aileen C. Gonzales, Training Focal Person, reiterated the agency's strong support for MSME development, "Empowering MSMES with digital knowledge and tools is not just about keeping up with technology—it's about ensuring long-term competitiveness and resilience in an increasingly digital world."

Through its innovation hubs and expert faculty, ISU and BIRDC provided technical assistance and served as resource partners, strengthening the region's commitment to inclusive, sustainable growth.

The training was anchored on the SMARTER MSMES framework—Sustainable, Market-oriented, Agile, Resilient, Technology-empowered, Entrepreneurial, and Resource-efficient. As Phase 2 concludes, participants are now expected to apply their learnings and integrate digital strategies into their daily operations.

This milestone reinforces DOST Region 02's vision of building a digitally enabled, innovation-driven Cagayan Valley—empowering MSMES as catalysts of regional development.

Nanghihinayang; at botohan na naman?

BATID ko na bawat isa sa atin ay may kaakibat na nararamdaman na panghihinayang nitong nakaraang botohan. Siyempre ay doon sa naging resulta ng botohan lalo at hindi pinalad ang inyong 'manok' o pinili at ibinotong kandidato sa lokal may o nasyunal na posisyon.

Isang linggo na ang nakakalipas kaya move on na dapat at tanggapin na ang kinahinatnan o resulta ng botohan ng bawat kumandidato o maging ng mga supporter. Huwag kalimutan na noong panahon ng pangangampanya ay nasasambit ang Panginoong Diyos.

Lalo na sa mismong araw ng botohan ay nababanggit na ang kapalaran sa botohan ay ipinapasa-Diyos ng halos lahat ng kandidato.

Taumbayan ang nagdesisyon o ang mga rehistrado at kwalipikadong botante sa pamamagitan ng kanilang mga ibinoto. Pero sabi nga ay ang Panginoong Diyos ang tunay na nagpasya para sa mga panalo o talo nitong natapos na botohan batay sa Kanyang kaloob at Siya lamang ang nakakaalam ng dahilan.

Hindi maiaalis ang panghihinayang subalit maaari naman muling sumubok sa iba o susunod na pagkakataon o laban. Pero teka, katatapos lamang ng botohan ay tila mayroon kaagad na mainit na paksa na may kinalaman sa impeachment ng ating bise president.

Kung sadyang mangyayari ang trial sa Senado laban sa impeachment ay magkakaroon na naman ng botohan. Pero hindi na kalahok ang publiko sa botohan dahil tanging ang 24 na senador na lamang ang magbobotohan para sa kahihinatnan ng impeachment.

Legarda pinarangalan ang tagumpay
ng bayan, nagpasalamat sa
mga botante sa paghalal kay
Leandro bilang Kongresista

Nagpasalamat si Senador Loren Legarda sa mga botanteng nagluklok sa kaniyang anak na si Leandro Legarda Leviste bilang congressman-elect ng unang distrito ng Batangas. Nakamit ni Leandro Legarda Leviste ang pinakamalaking agwat ng panalo laban sa isang nakaupong kongresista at nagtala ng pinakamaraming boto na nakuha ng isang kandidato para sa House of Representatives sa kasaysayan ng Batangas. Tiniyak ng senadora na ang mga nasasakupan ni Legarda Leviste ay makatatamasa ng epektibong serbisyo publiko. “Ako ay nasisiyahan dahil nagpasiya nang tama ang mga botante sa unang distrito ng Batangas, dahil inihalal nila ang isang mabuting halimbawa ng pagpupursige sa buhay. Ang panalong ito ay hindi lamang kanya, ito ay tagumpay ng mga Batangueño”. “Nakita ko kung paano niya pinaghirapan upang matupad ang mga pangarap sa pribadong sektor at ngayon, bilang isang lingkod-bayan,” she added. “Batid ko rin ang kanyang dedikasyon na iangat ang kabuhayan at kaunlaran ng pitong bayan at isang lungsod

sa unang distrito.” Tumakbo si Legarda Leviste sa platapormang pagpapaunlad ng ekonomiya ng unang distrito. Ang distritong ito ay kinokonsidera bilang hindi pa gaanong maunlad ang ekonomiya, na kinabibilangan ng mga bayan ng Nasugbu, Lian, Calatagan, Tuy, Balayan, Lemery, Taal, at ang lungsod ng Calaca. Paliwanag ng mga botante, ipinanalo nila si Legarda Leviste dahil sa angking galing nito sa kanyang tagumpay sa buhay. Si Legarda Leviste, 32, ay ang pinakabatang self-made billionaire sa bansa, na tinaguriang “hulog ng langit” sa Batangas. “Sa aking buhay at sa aking negosyo, parang tumama po ako sa lotto, at naniniwala po ako na tungkulin ko pong ibahagi ang mga naipanalo ko sa ating mga kababayan,” dati nang sinabi ni Legarda Leviste. “Ang pangarap ko po ay sa darating na dekada ang mga bayan ng Unang Distrito ay maging mga modernong lungsod, at ang buong Unang Distrito ay maging isang metropolis na maaring mataguriang Metro Batangas.”

On May 6, 2025, the Provincial Government of Cavite held a successful medical and dental mission in Park Lane 1, in the City of General Trias.

This event was organized to bring free healthcare services closer to the community.

A total of 300 residents came to receive free medical services, which included medical consultations, basic health check-ups, and free prescribed medicines.

In addition, 71 individuals also received free dental care, including tooth extractions and oral health advice.

Free mosquito repellents were also given out to help protect families from mosquito-borne diseases

The awards were formally conferred by Regional Director Charito C. Armonia of PSA Region IV-A and Chief Statistical Specialist Raul Maximo B. Tolentino of the Provincial Statistical Office – Batangas.

It is used to monitor the performance of growth-oriented industries in the manufacturing section through monthly indicators in the form of indices and growth rates.

Moreover, the PPS collects monthly producer prices of industry products produced by sample establishments in the manufacturing section.

It is the source of producer prices which are used in the generation and compilation of the monthly Producer Price Index (PPI) for the manufacturing section.

Press Statement on the Harassment of Media Personnel during this Mid-term Elections

The Presidential Task Force on Media Security (PTFOMS) has expressed "serious concern" over the harassment of media personnel during this year's mid-term elections.

"Such acts undermine press freedom and the essential role of the media in a democratic society," said Jose Torres Jr., Executive Director of PTFOMS. "We do not tolerate attacks on media professionals who are performing their duties as responsible citizens during the elections. We will vigorously pursue cases against those found to be endangering the lives of journalists."

The PTFOMS and the Philippine National Police's Media Security Vanguards are investigating these incidents and will take appropriate action in coordination with media groups, Torres added.

He urged the public and media members who witness or experience threats to press freedom or journalist safety to report these incidents promptly. "Document everything and report immediately," he said.

Media personnel can report incidents of harassment and attacks via the PTFOMS Incident Report Form available online (<https://forms.gle/hNizuXw7AhPn5DnN9>) or through the QR code on the PTFOMS Facebook page (<https://www.facebook.com/PTFoMS>).

Recent incidents include the attack on the vehicle of the former president of the Cagayan de Oro Press Club in Sagay, Camiguin, on May 10, which is currently under police investigation. On the same day, a news crew from TV 48 and radio DWNE in Nueva Ecija reported being threatened with a slingshot by a member of the Barangay Peacekeeping Action Team, with further aggressive actions from the Barangay Chairman.

In Quezon City, radio

reporter Rambo Labay faced intimidation from a group of men while covering vote-buying allegations.

These incidents have been formally reported to authorities, and the PTFOMS is reviewing them for potential legal action against the perpetrators. As of Election Day, PTFOMS has recorded three incidents of possible election-related media threats, highlighting the ongoing challenges to journalist safety in the country.

On April 23, Romeo Gonzales, a DZRH provincial news correspondent,

filed a complaint with the Philippine National Police in Baguio City, alleging threats from the mayor of La Paz, Abra, a congressional candidate, after Gonzales reported on a shooting incident. Historically, the Philippines has faced numerous media-related challenges during elections, with journalists frequently encountering harassment and threats.

These issues underscore the critical need for robust protection measures and the urgent implementation of accountability mechanisms to safeguard press freedom.

The PTFOMS remains dedicated to ensuring a secure environment for media practitioners and upholding democratic values during this critical period.

Bacooreños benefited in another medical and dental mission

On May 8, 2025, a total of 209 Bacooreños benefitted in the medical and dental mission program held at Brgy. Dulong Bayan, Bacoar City.

PBBM to newly-elected officials: Let us 'move forward together'

In a bold gesture of peace, President Ferdinand R. Marcos Jr. on Tuesday called on all newly elected officials to unify and "move forward together" for the nation's good.

"Governance is a shared responsibility, a mission that requires unity and burden sharing for the common good," President Marcos said in a statement. "To the newly elected, regardless of party or coalition, I extend my hand. Let us move forward together—with open minds and a common purpose," the President added.

A day after the May 12 midterm elections, the Chief Executive said newly elected officials were put into office by the electorate

to face the task head-on and listen to and act on the people's daily burdens, including inflation, jobs, and corruption.

"Public service goes beyond elections. The work of nation-building needs all who are ready to serve," the President noted.

Quoting the rallying cry for unity by his late father and namesake, President Marcos said, "If we are to prevail, we must prevail as Filipinos—for it is the only way to endure. If we are to attain our goals, we must march forward, not to the past but to the future."

"And we must do this as one family, a nation united," the President echoed his father's words. | **PND**

Logs for a Cause: PENRO Laguna donates 30 cu.m. of logs to HPG-Cavite for facility upgrades

Imus City, Cavite — On May 6, 2025, a significant milestone took place at Camp General Pantaleon Garcia in Imus City, Cavite as the DENR-Provincial Environment and Natural Resources Office (PENRO) Laguna, led by PENRO Venerando U. Garcia and the Cavite Provincial Highway Patrol Team (PHPT), headed by Police Major Mark Philip S. Almedilla signed the Deed of Donation of 30 cubic meter-logs, sourced from the approved cutting permit issued to South Luzon Expressway (SLEX) for its road expansion project.

Rather than letting these valuable resources go to waste, the timber will now serve a greater purpose—

supporting the PHPT in upgrading and improving its facilities. In his acceptance remarks, PMAJ Almedilla expressed his heartfelt gratitude, noting that the donation will significantly improve their operational environment and help elevate the quality of public service they provide.

PENRO Garcia, for his part, emphasized the importance of responsible reuse and the value of redirecting timber from development projects toward initiatives that benefit public institutions. He also stressed that this donation marks not just a one-time gesture, but the beginning of a strengthened partnership between agencies — laying the foundation for continued collaboration and future joint endeavors in service of the public good.

The event highlighted how cross-agency cooperation can transform by-products of development into valuable resources for nation-building, reinforcing the shared commitment to both environmental responsibility and public service. (**DENR 4A Calabarzon**)

Pinanatili ni Nicolas ang titulo sa women's pole vault nang may estilo habang nagwakas ang ICTSI PH meet

Ipinakita ni Fil-Am Alyana Nicolas ang kanyang katayuan bilang pangunahing babaeng pole vaulter ng bansa sa pagpapanatili ng kanyang titulong may nakakapagpalakas na talon na apat na metro flat sa pagtatapos ng ICTSI Philippine Athletics Championships sa New Clark City Athletic Stadium.

Sa tulong ng kanyang taga-suporta mula sa kanyang bayan at bilang huling babae na natira, mabilis na tumaas si Nicolas at nalampasan ang bar sa kanyang unang pagsubok sa taas na hindi niya naabot mula noong 2019, bilang angkop na pagtatapos sa paligsahan na inorganisa ng Philippine Athletics Track and Field Association.

Matapos siyang bumagsak sa kanyang likod, masiglang tinakpan ng masiglang pole vaulter ang kanyang bibig gamit ang parehong kamay sa saya, pagkatapos ay tumayo siyang ngumiti at kumaway sa mga manonood bilang tugon sa kanilang suporta na nagbigay inspirasyon sa kanya upang makumpleto ang tagumpay.

Nangangarap na makipagkumpetensya sa Asian athletic championships sa Gumi, South Korea sa katapusan ng buwan, ang masiglang atleta ay nagpalit ng mga pole at itinaas ang bar sa entry standard na 4.10 metro ngunit, sa kabila ng kanyang pagod, nabigo siya sa kanyang tatlong pagtatangka na malampasan ito.

Si Amy Christensen ng FILAM Sports, na nagbigay kay Nicolas ng kanyang

pinakamalaking hamon, ay nagtapos na may pilak na medalya sa isang talon na 3.85 metro sa kanyang di malilimutang simula sa torneo na suportado ng ICTSI Sports Foundation at CEL Logistics.

Sa kalagitnaan ng mainit at mahalumigmig na kondisyon sa arena na naging lugar ng 2019 30th Philippine Southeast Asian Games, tumampok din ang UAAP Season 86 MVP na si Hussain Lorana, na umalis sa grupo sa huling 200 metro upang manalo sa men's 800-meter run sa mabagal na oras na 1:51.86.

Ngunit naganap ang isang uri ng pagkatalo sa men's long jump, kung saan ang may hawak ng pambansang rekord at pangunahing manlalaro ng PH team na si Leonard Grospe, na bumangon mula sa operasyon sa mga buto sa kanyang kaliwang paa ng pagtalon, ay nagtapos na may tansong medalya na may jump na 2.12 metro.

Ang pagtalon ay malayo mula sa kanyang pambansang record na 2.21 metro na naitatag sa 2023 na edisyon ng paligsahan na sinusuportahan ng United Auctioneers Inc, Wireless Link, Milo, Pocari Sweat at Clark Water, Masiv Sports, EnergyA, at BCDA-New Clark City sa Philsports track oval sa Pasig City.

Nakuha ng Malaysian na si Mohd Eizlan Dahalan ang ginto sa pagtalon ng 2.16 metro at si Kent Bryan Celeste naman ang pilak (2.14) sa trackfest na sinusuportahan din ng Philippine Sports Commission.

Executive of the Year Jonathan Ng sa PVL Press Corps Awards

GANAP na kikilalanin ng PVL PC si Jonathan Ng, ang Pangalawang Tagapangulo at CEO ng Republic Biscuit Corporation (Rebisco) Group of Food Companies, para sa Executive of the Year sa kauna-unahang gabi ng Pilipinas Live PVL Press Corps Awards sa Mayo 28 sa Novotel Manila Araneta City sa Lungsod Quezon.

Ginawa ni Ng ang brand na Rebisco hindi lamang isang simbolo ng meryenda sa lokal na merkado, kundi pati na rin isang pangalan na kasingkahulugan ng winning culture sa volleyball.

Bilang isa sa mga pinaka matagumpay na negosyante sa bansa, ginamit ni Ng ang kanyang kaalaman sa negosyo upang bumuo ng isa sa mga sports franchise sa nakaraang walong taon, na tumulong sa pagpapalakas ng breakthrough grand slam winner ng PVL noong nakaraang taon kasama ang Creamline Cool Smashers.

Nakuha nito ang pagkilala sa mga espesyal na seremonya ng gantimpala na iniharap ng Arena Plus sa pamamagitan ng pagkakaroon ng 12.8 puntos na nagmula sa 9.6 boto ng media at 3.2 boto ng koponan, na nag mula sa mga punong coach at kapitan mula sa 12 na lumalahok na koponan.

Nasa pangalawang puwesto si Ricky Villavicencio, may-ari ng Petro Gazz, na nakita ang pag-angat ng Angels sa kanilang kauna-unahang All-Filipino Conference title

noong nakaraang Abril, na may kabuuang 5.8 puntos habang si Christopher Tiu ng Akari, na ang mga Chargers ay pumasok sa podium sa pangalawang puwesto sa Reinforced at nakakuha ng bronze medal sa AFC, ay may 4.4 kabuuang boto.

Ang unang volleyball club ng Rebisco, na itinatag noong 2017, ay naging pinakamagandang koponan sa PVL na may 10 kampeonato, kabilang ang isang pag-sweep ng 2024 season, na naghari sa All-Filipino, Reinforced, at Invitational Conferences.

Sa kanyang panunungkulan, nakita rin ni Ng ang Choco Mucho Flying Titans na makuha ang sunud-sunod na pilak na medalya mula 2023 hanggang 2024.

Bukod tanging, ang Cool Smashers ni Ng at ang Flying Titans ay nakahatak ng 24,459 na tagahanga sa isang laban ng volleyball, na nagtakda ng bagong rekord sa bilang ng mga dumalo nang magharap sila sa Game 2 ng 2023-24 PVL All-Filipino Conference Finals.

Ang Rebisco, na sumusuporta sa mga pambansang koponan ng volleyball ng Pilipinas at sa Ateneo sa UAAP volleyball sa mga nakaraang taon, ay pumasok din sa mundo ng men's volleyball club sa pamamagitan ng Criss Cross. Ang King Crunchers ay umabot sa finals sa tatlong magkakasunod na konferensiya ng Spikers' Turf at nagtapos na may mga pilak na medalya mula nang sumali noong nakaraang taon.
