124th Police Service Anniversary, pinangunahan ni PBBM…
TRECE MARTIRES CCPS, NAGPAKITA NG NATITIRANG 5-MINUTONG ORAS NG PAGTUGON

PINANGUNAHAN ni Pangulong Ferdinand 'Bongbong' Marcos Jr. bilang panauhing pandangal at tagapagsalita ang pagdiriwang ng Pambansang Pulisya ng Pilipinas ng kanilang ika-124 na Anibersaryo ng Serbisyong Pulisya nitong Agosto 12 na ginanap sa PNP Grandstand, Camp Crame, Quezon City.

Bumisita rin si PBBM sa PNP Command Center at itinampok sa briefing ang mga live na demonstrasyon na nagpapakita ng mabilis na kakayahan ng pambansang pulisya sa pagpapatakbo.

Ipinakita rin ni PNP chief, PGen Nicolas Torre III ang mga video ng kamakailang matagumpay na operasyon ng pulisya gamit ang mga drone at body-worn cameras (BWCs) ng 2,696 BWCs na kasalukuyang naka-deploy, 800 units ay maaari na ngayong mag-stream ng live na video, na higit na nagpapahusay sa transparency at operational monitoring.

Sa naturang kaganapan ay espesyal at personal na pinili ni Torre ang Trece Martires Component City Police Station (CCPS) para isagawa ang live na 5-Minute Response Time demonstration.

Naging kahanga-hanga naman dahil dumating sa eksena ang Trece Martires CCPS team sa loob lamang ng 2 minuto at 41 segundo. Kung tutuusin ay mas maaga pa ito sa target na oras kaya naman nakakuha ng papuri mula sa PNP Chief gayundin sa mga dumalo sa kaganapan.

"Five minutes — just a relatively small window of time, but five minutes can mean the difference between safe and danger, even between life and death," pahayag ng Presidente.

"Walang lugar ang katiwalian sa ating kapulisan… Be assured that the government stands with you, behind you, every hour of every day, as you continue to carry out your mission and build a safer and more peaceful Bagong Pilipinas," dagdag pa ng Chief Executive.

"When I assumed office as Chief of the Philippine National Police on June 2, 2025, I declared one clear vision: Our response must be swift. Our presence must be felt. And our service must be unwavering," bahagi naman ng talumpati ni Torre.

Nabatid na ang pagdiriwang ay may temang "Pulisya, Bantayog ng Bayang Matatag" na nagbigay-pugay sa katapangan, dedikasyon, at paglilingkod ng mga kalalakihan at kababaihan ng PNP sa pangangalaga sa kapayapaan, kaayusan, at kaligtasan ng publiko.

2 SLI, huli ng pulis-Gentri sa buy bust operation

DALAWANG Street Level Individual (SLI) ang nahuli ng mga tauhan ng Drug Enforcement Unit ng General Trias Component City Police Station sa ikinasang buy bust operation kamakailan.

Nakilala ang dalawang suspek na sina alyas Jhay at alyas Elmer, kapwa residente ng Barangay San Francisco, City of General Trias, Cavite.

Isinagawa ang buy-bust operation dakong alas-10:30 ng gabi nitong Agosto 12 sa naturang barangay na may koordinasyon sa PDEA.

Nakuha mula sap ag-iingat ng mga suspek ang dalawang heat-sealed transparent plastic sachet na naglalaman ng puting kristal na hinihinalang shabu, MOL 25.20 gramo, na may standard drug price na P171,360.00, buy-bust money, at isang unit na Motorstar Motorcycle na kulay pula.

Holdaper 'naperder'

NAPERDER ang isang holdaper sa isinagawang matagumpay na hot-pursuit operation ng kapulisan kamakailan sa Bacoor City, Cavite.

Ang suspek ay nakilalang si alyas Michael, residente ng Barangay Zapote 1, Bacoor City.

Nasakote ang suspek nina PSMS Cortez Oscar Tangol at Pat Robin Candidato Quian, ng Mobile Patrol Unit ng Bacoor Component City Police Station dakong alas-3:00 ng hapon sa Barangay Zapote 2, Bacoor City, nitong Agosto 11.

Sa nasabing operasyon ay nakuha ang isang gintong kwintas na may palawit na simbolong 'Chanel' na nasa pag-iingat ng suspek.

Sinusulat ito ay patuloy ang kapulisan sa pagtugis sa kasabwat ng suspek sa pagsagawa ng krimen.

4 katao, tiklo sa 'bato at damo'

TIKLO ang apat katao matapos mahulihan ng hinihinalang shabu at marijuana sa ikinasang buy-bust operation ng pulisya kamakailan sa General Mariano Alvarez, Cavite.

Ang mga suspek na pawang Street Level Individual ay kinilalang sina alyas Jenny, alyas Negra, alyas Bagi; na kapwa residente ng Barangay Memije, GMA, Cavite; at alyas Gek, residente ng Barangay Malitlit, Sta. Rosa, Laguna.

Isinagawa ang operasyon na may koordinasyon sa PDEA ng mga operatiba ng Station Drug Enforcement Team ng GMA MPS dakong alas-10:40 ng gabi nitong Agosto 13 sa Barangay Memije, GMA.

Nasamsam sa mga suspek ang 11 piraso ng heat-sealed transparent plastic sachets ng hinihinalang shabu na nasa mahigit 7.50 gramo na nagkakahalaga ng P51,000, at isang self-tied transparent plastic ng hinihinalang marijuana (kush) na may 5.00 gramo na nasa P7,500 ang halaga.

Wanted sa kasong murder 'nakorner'

ISANG wanted sa kasong murder ang 'nakorner' matapos ang matagumpay na sanib pwersang operasyon ng pulisya kamakailan sa Trece Martires City, Cavite.

Ang operasyon ay isinagawa ng warrant section ng Trece Martires City Police Station katuwang ang CI Team, RID 4A, F2/401st AMC, RMFB 4A, PIT Cavite, at RIU 4A, dakong alas-9:15 ng umaga nitong Agosto 11 sa Barangay Gregorio, Trece Martires City.

Nagresulta ito sa pagkakadakip sa akusadong si alyas Raymond, residente ng Barangay San Francisco, Gen. Trias City.

Nabatid na si Raymond No. 6 sa listahan ng Regional Level Most Wanted Person.

Ang pagkakaaresto ay sa bisa ng warrant of arrest para sa kasong murder na inisyu at pirmado ng RTC, Branch 23, Trece Martires City, Cavite noong Mayo 29, 2025, na walang piyansa at sa operasyon ay gumamit ang kapulisan ng Alternative Recording Device.

Kelot, nakunan ng iligal na baril sa checkpoint

NAHULIHAN ng iligal na baril ang isang lalaki habang nagsasagawa ng spot checkpoint ang mga awtoridad kamakailan sa Tagaytay City, Cavite.

Ang suspek ay nakilalang si alyas Mar, residente ng Barangay Neogan, Tagaytay City.

Napag-alaman na dakong alas- 11:20 ng gabi ay nagsasagawa ng checkpoint sa Footbridge, Brgy. Silang Crossing East, Tagaytay City, nitong Agosto 13.

Sa pangunguna nina PSMS Filipino Marqueses, PMSG Gilbert Restrivera, PCPL Ayudante Macanas, at PAT Virgil Paraon ay naaresto ang suspek bunga ng paglabag sa Republic Act 10591 (Illegal Possession of Firearm) matapos matuklasan ang isang revolver caliber .38 dahil sa pagbukas sa compartment ng motorsiklo nito para kunin ang mga dokumento.

Taumbayan ang naghihintay ng katotohanan

NITONG Agosto 11 sa press briefing sa Malacañang ay inihayag ni Pangulong Bongbong Marcos, Jr. ang inilusad na isang online platform. Ito ay ang 'sumbongsapangulo.ph website' kasabay ng pagtiyak ni PBBM na siya mismo ang magbabasa ng mga reklamo at sumbong na idudulog sa nasabing website na may kinalaman sa flood control projects. Sa dalawampung porsiyento o 20% ng kabuuang P545.64-billion-peso flood control projects ay sinasabing sa 15 contractors lamang napunta. Maraming misteryo sa pagsisiyasat na nais mapagtanto ng Pangulo. Hilaw pa o hindi pa napapanahon sa pagbabanggit ng mga pangalan ng mga opisyal ng gobyerno na sangkot sa gusot dahil gumugulong pa ang imbestigasyon. Dapat ay isang kredibilidad na malalimang pagsisiyasat dahil taumbayan ang naghihintay ng katotohanan.

'TSISMIS nina MARE at TESS

Batu-bato, tabi-tabi po!

Kwento ni CHIT MOZO

Bagong 'Watch Man' kapalit ni Mang Sammy

Mare: Halika Tess, may ipasisilip ako sa'yo dito sa bintana.
Tess: Ano ba 'yun at sino naman ang ipasisilip mo? Sige, heto na at sisilip na.
Mare: O ano, nasilip mo ba? Nakita mo ba?
Tess: Yah! Kitang-kita ng dalawang mata ko 'yung si manong na nagtitinda ng binatog.
Mare: Hindi si manong na nagtitinda ng binatog. 'Yung isang matandang lalaki na naglalakad, hayun oh.
Tess: Asus, akala ko pa naman si manong eh. Akala ko kaya mo ako pinasilip sa bintana para makita ang nagtitinda ng binatog.
Mare: Nakita mo 'yung matandang lalaki? Kilala mo ba 'yun?
Tess: Oo kilala ko 'yun, pero mas interesado ako kay manong eh.
Mare: Aber, eh bakit ka naman interesado kay manong?
Tess: Syempre, dun sa itinitindang binatog. Ililibre mo ba ako ng binatog? Pwede ng meryenda 'yun.
Mare: O sige lumabas ka muna saglit at bumili ka ng binatog para may nginangata tayo habang nagtsitsikahan.
Tess: Heto na Mare ang binatog, pinagbukod ko 'yan para tig-isa tayo at walang lamangan hehehe.
Mare: 'Nung nasa labas ka at bumibili ng binatog ay nakita mo pa ba sinasabi kong matandang lalaki?
Tess: Ah oo, si Mang Sammy ba ang sinasabi mo?
Mare: Siya nga, si Mang Sammy nga. Mayroon ka bang napuna sa kanya?
Tess: Parang matamlay si Mang Sammy, lulugu-lugo na naglalakad. Sabagay matanda na, o baka naman may sakit.
Mare: Matanda na si Mang Sammy pero malakas pa. Wala akong alam na iniindang sakit 'yun.
Tess: Eh bakit ganon Mare, lulugu-lugo na matamlay?
Mare: Malamang kaya matamlay ay nalulungkot kasi malapit na s'yang magretiro eh.
Tess: Ano nga ba Mare ang trabaho ni Mang Sammy?
Mare: 'Watch Man' ang tawag sa posisyon ni Mang Sammy sa isang malaking kumpanyang kanyang pinapasukan.
Tess: Eh ano naman ang trabaho o ginagawa n'ya bilang 'watch man' ha?
Mare: Tigamasid, kaya nga watch man eh. Minamanmanan at sinusubaybayan n'ya ang lahat ng empleyado kahit opisyal ng kumpanya.
Tess: Ganon lang ang trabaho! Tapos eh ano pa iba?
Mare: Mag-iimbestiga s'ya 'pag may nalaman s'yang empleyado na gumagawa ng katiwalian o mali. After 'nun ay isa-submit n'ya ang kanyang report. Ang board member ng kumpanya ang magdedesisyon.
Tess: Mukhang madali lang ang trabaho n'ya pero mahirap at maselan pala.
Mare: Mahirap talaga, pero 'di naman s'ya saklaw ng company policy. Direct appointment s'ya ng presidente ng kumpanya at lahat ng investigation report n'ya ay direkta sa board member.
Tess: 'Panu ang kanyang mga benepisyo kung 'di s'ya saklaw kamo ng kumpanya?
Mare: By contract lang kasi ang pagiging isang 'Watch Man' 'dun pero malaki ang bayad sa kanyang kontrata. Ang 'di ko lang alam ay kung may extra pang nakukuha mula sa company president 'pag natapos na ang kontrata.
Tess: Sana all! Malaki ang payment sa kontrata. Ilan years naman ang kontrata?
Mare: Sa pagkakaalam ko ay seven to ten years 'ata ang contract. 'Di ako sure ha kung ilan years talaga. Bakit kamo malaki ang payment? Kasi matindi dapat ang background o achievement para maging 'Watch Man' kagaya ni Mang Sammy na bukod sa isang propesor ay abogado pa.
Tess: Nalalapit na ang pagtatapos ng termino o kontrata ni Mang Sammy, sino na ang papalit sa kanya?
Mare: Halimbawa, ikaw o ako at kahit sino na ang tingin sa sarili ay kwalipikado ay pwedeng magsumite ng aplikasyon sa HRD ng kumpanyang 'yun.
Tess: Patawa ka naman Mare, 'panu tayo may-a-apply 'dun eh dakilang tsikadora lang tayo hehehe.
Mare: Piling-pili ang tatanggaping application ng HRD, mabibilang mo lang sa mga daliri sa mga kamay.
Tess: 'Ganon kakonti?
Mare: Yup! Siguro mga lima o pitong application lang. Tapos mababawasan pa 'yun kasi ibibigay ng HRD sa board member ang halimbawa ay limang application.
Tess: Ano'ng mangyayari sa limang application?
Mare: Bubusisiing mabuti ng board member at tatlo lang ang matitirang application na isa-submit naman sa presidente ng kumpanya.
Tess: 'Dun sa tatlong application ay pipili ng isa ang company president na itatalagang bagong 'Watch Man' na magiging kapalit ni Mang Sammy, tama ba?
Mare: Tama ka 'dyan Tess, kaya dapat ay maging maingat ang company president sa pagpili at pagtalaga ng bagong magiging 'Watch Man' kasi sensitibo nga at maselan ang duties and responsibilities nito. Dapat ay may kredibiidad at neutral lamang.

Masakit ang hampas ng dila

KARAKTER na ng bawat indibwal ang pagpapatawa o pagbibiro.

Sa isang umpukan ay hindi naman palaging seryoso ang paksa ng usupan dahil may pagkakataon na humahantong sa pagbibiruan kasunod ay ang tawanan.

Lalo na kung may mga kasama sa umpukan na medyo may pagkakomedyante.

Iba-iba ang uri ng pagpapatawa dahil hindi lamang sa pamamagitan ng mga salitaan bagkus ay mayroon ding galaw o aksiyon.

Isa sa halimbawa ay tatanggalin bigla ang upuan kaya masasalampak sa sahig ang dapat ay uupo.

Ikaw na nagbiro ng ganoon ay masaya dahil nakita mo sa paligid na mayroong mga nakangiti at nagtawanan.

Pero paano ang mga hindi ngumiti at tumawa? Mas marami ba ang nasiyahan o ang hindi natuwa sa ganoong biro?

Kung tutuusin ay hindi magandang biro iyon sa kadahilanang nakakasakit.

Ganoon din sa pagbibirong ang gamit ay dila lamang sa pamamagitan ng kung anu-anong lalabas sa bibig subalit nakakasakit.

Ang isang uri ng biro ay nakasakit ng pisikal habang ang isa naman ay damdamin ang sinaktan.

'Ika nga, higit na masakit ang hampas ng dila dahil lumalatay sa kalooblooban na napakatagal maghilom kumpara sa sampal o suntok na madaling humupa ang marka o sugat.

Ang biruan at kasiyahan ay kailangan din naman subalit dapat ay nasa wasto at hindi nakakasakit ng pisikal lalo na ng damdamin.

DOST-CAR hosts back-to-backevents in Baguio City to champion resilience and innovation in Luzon

Baguio City - The Department of Science and Technology – Cordillera Administrative Region (DOST-CAR) have successfully hosted two major science-led events, the HANDA Pilipinas Luzon Leg 2025 and the 2025 Regional Science, Technology, and Innovation Week (RSTW) from August 7 to 9 at the Newtown Plaza Hotel, Baguio City.

The twin events gathered leaders from the national government agencies and local government units, researchers, innovators, educators, and disaster risk reduction practitioners during the three-day celebration which highlighted how science, technology, and innovation (STI) can empower and transform communities.

With the theme “Bida ang HANDA: STI for a Smart and Resilient Luzon,” the HANDA Pilipinas Luzon Leg 2025 underscored the growing importance of proactive and science-based approaches to disaster preparedness.

As the host region, DOST-CAR spearheaded the convergence of key stakeholders to demonstrate how STI can equip communities not only to respond but to anticipate, mitigate, adapt to, and even thrive amid challenges posed by climate change and natural disasters.

Baguio City Vice Mayor Faustino Olowan, speaking on behalf of Mayor Benjamin Magalong, formally welcomed the participants and extended the city’s gratitude to DOST-CAR for choosing Baguio as the host city. He emphasized the event’s relevance to local resilience efforts and expressed his support with the words, “Mabuhay ang siyensya at inobasyon para sa Bagong Pilipinas.”

DOST-CAR Regional Director Dr. Nancy A. Bantog focused on the role of collaboration in achieving shared resilience goals, noting that the event brings together national agencies, scientists, innovators, disaster risk reduction experts, local planners, and the academe. In her message, she framed the event as a platform for exchanging tools, ideas, and solutions that strengthen regional and local capacities for disaster preparedness and smart development.

Keynote speaker and DOST Secretary Dr. Renato U. Solidum Jr. echoed the event’s central message as he emphasized the vital role of STI in equipping communities with the capacity to prevent, reduce, and respond to disaster risks. He highlighted DOST-led programs such as GeoRiskPH, Project SARAi, DANAS Project, MOCCOV, GRIND, and Innovation Hubs as vital components of the country’s broader resilience agenda.

“Let us take action. Let us be prepared. Let us be HANDA,” he said, rallying participants to champion science as a tool for survival and progress.

Presidential Assistant for Northern Luzon Assistant Secretary Ana Carmela V. Remigio also graced the occasion and expressed her support for DOST’s continuing initiatives. She recognized that these efforts align with President Ferdinand R. Marcos Jr.’s administration and with the strategic priorities outlined in the Philippine Development Plan.

In the afternoon of the same day, the 2025 Regional Science, Technology, and Innovation Week (RSTW) in CAR was formally launched, also under the leadership of DOST-CAR. The regional celebration carried the theme “Building Smart and Sustainable Communities” and focused on the application of STI in improving local livelihoods, education, public services, and environmental management.

Dr. Bantog once again emphasized the importance of making science accessible, responsive, and empowering for all Filipinos, particularly those in geographically isolated and disadvantaged areas.

Among the highlights of the RSTW opening was the launch of DOST-CAR’s official mascot, “CURIOSTI,” which symbolizes curiosity and the enthusiasm to explore science among learners and the general public. The mascot is expected to be a visual icon of DOST-CAR’s continuing commitment to promote science culture in the region.

Secretary Solidum returned to spotlight DOST’s four core pillars: human well-being, wealth creation, wealth protection, and sustainability, and reaffirmed the agency’s role in building stronger, innovation-driven local economies.

As part of DOST’s support for the Cordilleras, a ceremonial turnover of mountain engineering technologies was also conducted. These included slope stability analysis and engineering interventions for rice terraces and roads in terrain areas, as well as an artificial groundwater recharge facility designed to help mitigate droughts and flooding in vulnerable upland communities.

Throughout the three-day celebration, participants are expected to engage in various forums, technical sessions, and exhibits showcasing ready-for-adoption technologies from DOST agencies, partner SUCs, LGUs, and private sector collaborators. From tools for disaster risk reduction to smart solutions for agriculture, health, and infrastructure, the events aim to bridge the gap between science and the communities that need it most. ***(Nelson Santos)***

"FILIPINO INVENTORS WINS 3 GOLDS AT THE SILICON VALLEY INTERNATIONAL INVENTION FESTIVAL"

Filipino Inventors shine bright in the recently concluded 4th Silicon Valley International Inventions Festival, held from August 8 to 10, 2025, at the Silicon Valley Convention Center in Santa Clara, California.

Awardees are as follows:

* Unsinkable PortaBoat - Inv Ronald Pagsanghan, Ph.D

* Sambacur Plus - Inv. Richard Gomez, CNP and Inv. Rigel Gomez, CNP

* Sultana Digital Rice Vendo Machine - Jefferson Ong

Team morale was boosted with the visit of Philippine Consul Rowena Daquipin.

The Silicon Valley International Inventions Festival is organized under the auspices of the International Federation of Inventors’ Associations and attracts participants from around the world.

SAMBACUR PLUS Wins Gold at the Silicon Valley International Inventions Festival

Philippine-made SAMBACUR PLUS earned a Gold Award at the 4th Silicon Valley International Inventions Festival, held from August 8 to 10, 2025, at the Silicon Valley Convention Center in Santa Clara, California.

Formulated with premium Philippine-grown herbs, SAMBACUR PLUS has helped thousands of individuals combat Chronic Kidney Disease (CKD) by supporting kidney function. Healthy kidneys help regulate essential compounds in the blood, contributing to improved wellness. Many users have reported significant recovery from CKD and, in some cases, even from dialysis.

The product is manufactured by Bauertek Pharmaceutical Technologies and distributed through Kaibigan sa Kalusugan.

#InternationalYouthDay: Young voices call for system change, demand polluters' accountability, reparations

In recent years, the youth have proven that TikTok challenges aren’t the only battles they are willing to take on. Across the globe, they have emerged as a strong and fundamental player in addressing the multifaceted issues that slowly decapitate the world.

More than just a demographic or a fleeting trend, the youth’s firsthand experience in this climate crisis leads them to be actively involved in bringing fresh perspectives, unburdened by the status quo, that are essential to developing a more effective policy and actions to achieve Sustainable Development Goals.

Today, there are 1.2 billion youth, accounting for 16 percent of the global population, according to the United Nations. The number of youth is projected to grow by 7 percent more, which is nearly 1.3 billion, by 2030. With the increasing number and demands for change, the youth don't wait for permission to take action; they are already organizing and mobilizing.

From Fridays for Future, established by a 15-year-old, that takes over the streets of Europe and other parts of Asia, to the Sangguniang Kabataan (SK) councils in the Philippines, these young people are fearlessly exposing the inadequacies of governments and their failure to ensure justice for the people and the planet.

On July 20, 2025, the SK councils of Igpit and Barra town in Opol, Misamis Oriental, and the youth group Hirang na Hiraya, declared a Climate Emergency for their respective towns. Misamis Oriental is a coastal province, recognized for its natural beauty. Still, a fossil fuel power plant is also situated in the area, which causes its beauty to deteriorate over time.

The SK councils of Brgy. Cabusay, Labo, Camarines Norte, also recognized the urgency of this climate crisis, so last November 13, 2024, they declared a Climate Emergency through a resolution. This is the first climate emergency declaration by an SK local government unit. Through this initiative, they have demonstrated commitment to their future. This declaration recognizes the urgent need for sustained action to assess the demands of the climate crisis.

We are not only seeing the youth in the streets or their towns; they are taking the movement to the highest court. On July 23, 2025, the International Court of Justice (ICJ) gave its Advisory Opinion on the Obligations of States in respect of Climate Change. Through the voices of 27 students from the University of the South Pacific, we now have an ICJ ruling that countries must comply with their climate obligations, holding rich polluting countries accountable for the climate crisis.

These campaigns, initiated by these young people, are proof that this generation refuses to inherit an ash-covered planet without a fight. This generation’s youth is not simply a representation but an effective community organizer, scientist, storyteller, frontliner, and leader. They see through the poor performance of the government, the two-faced institutions that fund these dirty power plants, and the greedy fossil fuel companies. The youth demand accountability from these major polluters for a livable future.

With the worsening crisis, the people can no longer be swayed by the status quo. The world doesn’t need more empty summits, declarations, and bankrupt governments; it requires a profound system change, and the youth are yearning for it

TOPCOP TRAINING TOWARDS A SAFER CAVITE TOURISTS

In partnership with the Philippine National Police - CALABARZON, the Provincial Government of Cavite, and the City Government of Tagaytay, the Department of Tourism (DOT) Region IV-A successfully concluded the Integrated Tourist Safety and Security Seminar for Tourist-Oriented Police for Community Order and Protection (TOPCOP) from August 5-8, 2025 in Tagaytay City, Cavite.

The seminar, which was attended by 50 tourist police officers from different cities and municipalities in Cavite, empowered the participants and equipped them with knowledge and skills to ensure the physical safety and security of foreign and local tourists and provide quality services that meet tourism standards.

Resource speakers from the DOT and the Cavite Provincial Police Office covered topics such as the Philippine tourism industry, child-safe tourism, human rights, and gender and development. Ms. Rosanni R. Sarile of the Premier Cavite Tourism Board, Inc. discussed Philippine history and Cavite culture and tourism, while representatives from the PDRRMO conducted first-aid training for tourist police.

The Filipino Brand of Service Excellence (FBSE) was also a highlight of the comprehensive TOPCOP seminar as Ms. Cecilia Biñas, a DOT-accredited speaker, gave an enlightening lecture on the topic. On the last day of the seminar, an open forum with local tourism stakeholders was conducted to address issues on tourist safety and security.

DOT IV-A Regional Director Marites T. Castro lauded the participants for their commitment and reiterated the significance of the seminar in achieving a safer and more secure tourism environment in the region. ***(Cavite Tourism fb)***

Hakab'Ta 2025: Caviteño mothers unite to celebrate breastfeeding and baby health

More than 50 newly delivered mothers and their infants gathered at the OB Ward of General Emilio Aguinaldo Memorial Hospital in Trece Martires City on August 8, 2025 for Hakab 'Ta 2025, a breastfeeding advocacy event spearheaded by the Philippine Pediatric Society - Southern Tagalog Chapter in partnership with the Office of the Provincial Health Officer.

Hakab 'Ta is part of the National Breastfeeding Awareness Month activities and follows a long-running tradition of simultaneous breastfeeding events and community promotions that encourage exclusive breastfeeding, strengthen mother-baby bonding, and raise public awareness about the health and nutritional benefits of breastmilk. These gatherings aim to create visible community support for breastfeeding and to remind the public that breastfeeding is the best start for infants.

The activity featured a lecture on breastfeeding by Dr. Jindra Tetangco of the Philippine Pediatric Society - Southern Tagalog Chapter. She delivered an informative and encouraging lecture covering breastfeeding techniques, proper latch, common concerns (sore nipples, low milk supply), and how family members can support a breastfeeding mother. Participating mothers took part in demonstrations and had the opportunity for one-on-one consultations with health staff.

The event emphasized both the science and the everyday realities of breastfeeding, helping mothers gain confidence and practical skills.

To close the program, Dr. Laura Maria Soledad A. Aguinaldo, GEAMH Breastfeeding Coordinator, delivered an inspiring message, commending the mothers for their commitment to giving their children the best start in life and encouraging them to continue breastfeeding with the support of their families and community. She also encouraged attendees to continue accessing local maternal and child health services and to join peer-support activities to sustain breastfeeding beyond the hospital stay. ***---JDP (CPIO)***

DOLE extends P373-K aid to parents of child laborers in Cavite

CALAMBA CITY, Laguna (PIA) — At least 19 parents and guardians of identified child laborers in Cavite received livelihood assistance from the Department of Labor and Employment (DOLE) Region IV-A through its Cavite Provincial Office.

Beneficiaries received a total of P373,571.10 in livelihood assistance, consisting of starter kits for small enterprises such as sari-sari stores, eateries, street food vending, and frozen goods reselling.

In a statement, DOLE Cavite Provincial Director Marivic Martinez said the initiative reflects the DOLE's continued efforts to eliminate child labor and to help create a future where every Filipino child is free to learn, play, and dream.

"The livelihood assistance aims to ease the financial burden on vulnerable families and ensure that children stay in school and out of hazardous or exploitative labor. More than just livelihood support, the intervention is a meaningful step toward breaking the cycle of poverty and helping these children become true Batang Malaya," Martinez said.

She also emphasized to parents and guardians of child laborers that they must sustain the livelihood package awarded to them and ensure that their children will no longer engage in any kind of work.

"Alagaan at paunlarin n'yo po itong pinagkaloob ng DOLE sa inyo, pero higit sa lahat, hindi na pwede at dapat hindi na babalik ang mga anak n'yo sa pagtatrabaho," Martinez stressed.

"Ang focus dapat nila ay una, studies, kaya dapat pagbutihin ang pag-handle nito, para may pantustos kayo sa pangangailangan ng mga anak n'yo at, huli, ay ma-enjoy nila ang pagiging bata nila. Dapat naglalaro sila sa playground, hindi iyong nagwo-work kung saan," she added.

According to DOLE, child labor remains a deep-rooted social issue in the Philippines, often fueled by poverty and lack of livelihood opportunities. Many children are forced to trade classrooms for construction sites, kitchens, or farms, missing out on their right to education, safety, and proper development.

"DOLE's ongoing interventions are a clear recognition that eradicating child labor requires more than enforcement, it demands empowerment. By equipping parents and guardians with viable means of income, DOLE helps ensure that children can return to school, reclaim their childhood, and pursue their dreams," DOLE Calabarzon said in a statement.

For parents like Grace Romerica, the assistance is more than just financial — it's a second chance for their children.

"Bilang isang magulang, wala nang mas masakit pa kaysa sa makitang ang anak mo ay kinakailangang tumigil sa pag-aaral at magtrabaho dahil sa kakulangan sa kabuhayan. Pero sa tulong ng DOLE Cavite na livelihood assistance na ito, muling nabigyan kami ng pag-asa. Maraming salamat po sa DOLE sa tulong," she said.

A child beneficiary, Emily (not her real name), shared how the program changed her life: "Maraming, maraming salamat po sa pagbibigay sa amin ng panibagong simula. Hindi na po ako nagtitinda ng candy, maglalako ng tuyo at tinapa. Pangako ko po, mag-aaral ako nang mabuti at gagamitin ko ang ikalawang pagkakataong ito para tuparin ang aking mga pangarap. Sana po mas marami pa kayong matulungan na kagaya ko."

Through programs like DOLE's livelihood assistance and the Child Labor Prevention and Elimination Program, the government affirms its goal of uplifting the most vulnerable sectors, fostering economic self-reliance, and ensuring that no Filipino child is forced to work at the expense of education and well-being. PGC's Medical mission drives to Brgy. Mulawin, Tanza

On August 7, 2025, the Provincial Government of Cavite, in coordination with the Local Government Unit of Tanza, conducted a successful medical and dental mission in Brgy. Mulawin.

The technical team from General Emilio Aguinaldo Memorial Hospital worked with the healthcare providers of Tanza Rural Health Unit in providing free medical consultation to 492 patients and free dental services to 92 individuals.

Likewise, the Office of the Provincial Governor (OPG) distributed prescribed medicines and vitamin supplements, free of cost to ease the financial constraints of the residents.

Seventh District Board Member Aldrin Anacan, alongside Tanza Councilors Derek Matro and Alexis Dones, graced the event showing their support and appreciation to the PGC medical mission team for bringing the healthcare services closer to the doorsteps of their constituents.***---H. Pael (CPIO)***

PMCJ to Supreme Court: Let LGUs ban mining and other environmentally-degrading activities in their area; swear allegiance to people and planet, not to profit

Quezon City, Philippines — In May 2025, the Supreme Court (SC) set a dangerous precedent when it declared the local mining ban in Occidental Mindoro unconstitutional. The ruling stated that local government units (LGUs) do not have the right to impose policies that threaten to override national laws like Republic Act (RA) No. 7942, or the Philippine Mining Act of 1995, which centralizes the authority to control mineral resources and regulate mining operations.

The Philippine Movement for Climate Justice (PMCJ) vehemently condemns the SC's decision to nullify the 25-year moratorium on mining enacted by the provincial government of Occidental Mindoro and the municipality of Abra De Ilog. This is an appalling reversal of significant steps made by climate-vulnerable communities who are determined to take back their future from the current situation of ecological degradation, displacement, cultural loss, food insecurity, and health issues caused by the irreversible consequences of mining.

PMCJ further criticizes the SC's decision as it sets a bad precedent that an LGU's local autonomy and vested mandate to uphold the health, security, well-being, and interests of its constituents can easily be set aside when the bottom line of mining companies is threatened. The decision blatantly contradicts the fundamental rights of people and communities that are inherent in every individual and enshrined in the fundamental laws of the land. PMCJ notes that LGUs and their constituents enjoy mutual stewardship, knowledge, and a social obligation to protect their ancestral lands and natural resources that no one else–not even the highest court in the land–can match.

The decision is legal bullying, and SC's use of authority is misplaced. Legal intimidation is a common reproach used to de-mobilize communities that embrace climate justice and other just causes, resulting in resisting oppressive national policies. The mining ban was first legally challenged by Agusan Petroleum and Mineral Corporation, a mining firm with a Financial or Technical Assistance Agreement (FTAA), a legal contract under the Mining Act that permits large-scale mining by foreign or domestic entities in partnership with the national government.

PMCJ slams the SC for doubling down and affirming that community efforts aiming to shut down the extractive activities of mining companies qualify as violations of the non-impairment clause in the Constitution and the Regalian Doctrine, which declares all lands and natural resources in the public domain as properties of the state. The SC unfortunately does not recognize the mining ban as a righteous and necessary response to the mining companies' exploitation of local ecosystems and mining-affected populations.

PMCJ highlights that this issue exposes how neoliberal economic policy and the centralization of state power work together to ensure that profit and corporate interests take utmost precedence over the pressing societal demand for climate justice. The SC's ruling looks down upon the agency and self-determination of local communities and indigenous peoples at the frontlines of an ecological crisis not of their own making, but for which they are forced to pay the highest price.

The Mining Act is a bastardization of the state's duty to the Filipino people, whose lives are now only second-rate to large-scale and foreign-led extractivist industries. Hence, PMCJ finds it necessary and urgent to repeal the Mining Act or to radically amend provisions that legalize harm to community welfare and ecological integrity.

The climate justice group also calls for the passing of the People's Just Transition Mineral Management Bill, which would advance a community-led resource governance framework, place mandatory emphasis on Free, Prior, and Informed Consent (FPIC), and institutionalize strong environmental safeguards and build back the mineral and mines value chain for the development of the country's national industrialization balanced with ecological restoration.

Furthermore, PMCJ identifies a need to empower local governments, local communities, and indigenous peoples to resist the extractive industry that has, for decades, diminished the ecological capacity of the nation to endure the climate crisis. To that end, LGUs must be further capacitated to critically assess and oppose environmentally harmful projects through strict environmental impact assessments and zoning power. At the same time, the local communities and indigenous people require the support of accessible legal aid, scientific, and grassroots governance and civic action.

The Environmental Summit 2025 took place on August 12, 2025, at the Annex Event Center of SM City Dasmariñas. Organized by the Environmental Management Bureau–CALABARZON in partnership with SM Cares, the event showcased exhibits, interactive program sessions, and inspiring company success stories. It also highlighted innovative initiatives that champion best practices in solid waste management and compliance with the Extended Producer Responsibility (EPR) Act of 2022.

Matagumpay na HWPI, NCAA 3rd National Peace Convention na isinagawa sa QC

MULA sa matagumpay na naunang pagtitipon, na isinagawa ng Heavenly Culture, World Peace Restoration of Light (HWPL), Kasama ang National Commission of Culture and the Arts (NCCA), ang 3rd National Peace Convention kamakailan sa Quezon City MICE (Meeting Incentive, Conference, Exhibitions) Center.

Sa Temang, "Uniting for Peace and Fulfilling Humanity's Duty Together," layunin ng kumbensyon ngayong taon na isulong ang mga gawain pangkapayapaan sa iba't ibang sektor, magsilbing inspirasyon para sa kooperasyong nakapagdudulot ng pagbabago, at tutukan ang kabataan at edukasyon bilang mahahalagang haligi para sa pangmatagalang kultura at panlipunang pagbabago.

Nilahukan ang naturang okasyon ng mahigit 800 tagapagsulong ng kapayapaan at mga lider mula sa Pilipinas, at maging sa ibang bansa. Kabilang sa mga ito ang mga delegasyon mula sa South Korea, Indonesia, Taiwan, at Nepal na nakiisa sa makapangyarihang koalisyon ng mga opisyal ng lokal na pamahalaan, mga tagapagturo, punong - guro at Administrator, mga lider ng relihiyon, media, kinatawan ng mga kabataan, samahan ng mga kababaihan, grupong sibil at mga kasapi ng prebadong sektor.

Binigyang-diin sa kumbensyong ito ang kapayapaan hindi lamang bilang layuning politikal kundi maging para sa kultura at edukasyon.

Para rito, nagkaroon ng panel discussion kung saan nagtalastasan sina Assistant Professor Aldean Alonto mula sa Institute of Peace and Development in Mindanao - Mindanao State University, Commissioner Carlo Ebeo at Commissioner Arvin Villalon mula sa NCCA, at G. John Rommel Garces, Chief Branch Manager ng HWPL Philippines.

Isinusulong sa kanilang usapan ang pagkakabilang ng mga kasunduang pangkapayapaan ng Bangsamoro sa Memory of the World Register ng UNESCO upang magsilbing sagisag ng pambansang pagkakasundo at pamana sa mundo.

Wika ni HWPL Chairman Lee Man-hee sa pamamagitan ni G. Jin Mo Lee, Chief Branch Manager ng HWPL Global Branch 1, "So what our future generations need is a world of peace without wars. Is there anything greater than this? Who will make this a reality? It is all of us today. We must absolutely make this happen. That is why we have all become one united in heart. What do we always say at the beginning and at the end whenever we meet? We say, "We are one" because it is proof that we are one within HWPL, "

Iprinisinta rin ang pinaplanong hakbang sa mga peace committees ng HWPL - international law, religion, peace education, youth, women, media at public relations, at maging corporate engagement upang palakasin pa ang pakikipagisa ng mga sektor.

Nagtapos ang pagdiriwang sa pamamagitan ng isang oras na musical theater performance na pinamagatang "Mindasilang" na itinanghal ng Kalawit Performing Artist Collective, Inc. na nagpapakita ng malikhaing salaysay ng kwento ng kapayapaan sa Mindanao.

Higit sa pagpapatuloy ng ganitong pagdiriwang, mas Ipinakikita ng naganap na 3rd National Peace Convention ang mass malalim na pambansang pangako para sa isang tuloy-tuloy na kapayapaan, inklusibong pag uusap, at kolektibong pag-asenso. Sa pamamagitan ng mga bagong partnership, mga parehong karanasan, at pagbubuo ng mga istratehiya para sa kapayapaan, layunin ng pagdiriwang na ito na patibayin ang kontribusyon ng Pilipinas sa kapayapaan para sa buong mundo.

BACOOR AND BAGUIO CITY FORMALIZE SISTERHOOD THROUGH MEMORANDUM OF UNDERSTANDING

Baguio City, August 12, 2025 — The City Governments of Bacoor and Baguio have officially established a sisterhood agreement through the signing of a Memorandum of Understanding (MOU) held at the Baguio City Hall.

This strategic partnership marks the beginning of a collaborative relationship aimed at fostering mutual growth, innovation, and the exchange of best practices between the two progressive cities. The ceremony was led by Bacoor City Mayor Strike B. Revilla and Baguio City Mayor Benjamin Magalong, with the presence of key officials including Bacoor City Administrator Atty. Aimee Torrefranca-Neri and Baguio City Councilor Yuri K. Weygan. Bacoor's full delegation of department and unit heads also attended, taking the opportunity to benchmark Baguio's governance and programs. Following the signing, the Bacoor delegation paid a courtesy visit to Mayor Magalong's office, where both parties exchanged tokens of appreciation — a symbolic gesture of friendship and cooperation. This sisterhood agreement paves the way for future collaborations between Bacoor and Baguio, particularly in enhancing public service delivery, community development, and local governance. Both cities look forward to crafting more detailed agreements in the coming months to strengthen their shared commitment to progress and innovation.

DOST-CAR Showcased Science, Technology, and Innovation Milestones in Baguio City and Benguet

As part of the 2025 Regional Science, Technology, and Innovation Week (RSTW) celebration in the Cordillera Administrative Region, the Department of Science and Technology – CAR (DOST-CAR) spearheaded a series of major events on August 8, 2025, held in both Baguio City and La Trinidad, Benguet. The activities were led by DOST Secretary Dr. Renato U. Solidum Jr., together with DOST executives, regional stakeholders, and media partners.

The day began with an STI Site Visit to Northland Food Products in Baguio City, an adopter of the DOST-FNRI Enhanced Nutribun Technology. The company, assisted by DOST-CAR in 2021 through PSTO-Benguet, launched its "Good Baker" brand featuring squash, carrot, and sweet potato variants of the e-Nutribun. In 2025, it introduced Nutribunnet and Nutricookies, using FNRI's latest product enhancements. Secretary Solidum lauded the enterprise for supporting the fight against hunger and malnutrition through food innovation.

Following the site visit, DOST-CAR officially launched the DOST-PSTO Baguio-Benguet Innovation Hub (iHUB), strategically located along Governor Pack Road. The iHUB was envisioned as a collaborative space for MSMEs, startups, and academic researchers to access technical support, resources, and S&T-based solutions. Secretary Solidum emphasized the hub's role in advancing innovation ecosystems and promoting a stronger S&T presence in the region.

A significant highlight of the day was the unveiling of the plaque for the Artificial Groundwater Recharge Facility (AGRF) at the Athletic Bowl in Burnham Park, Baguio City, led by DOST Secretary Renato U. Solidum Jr. and Baguio City Mayor Benjamin Magalong. Another AGRF site is situated at the Strawberry Farm in Betag, La Trinidad, Benguet, attended by DOST delegates and La Trinidad, Benguet representatives led by its City Mayor, Hon. Roderick C. Awingan. The AGRF is a climate-resilient, science-based solution to recurring challenges in water scarcity, flooding, and extreme weather. It works by injecting clean rainwater into aquifers through recharge wells during the rainy season, boosting groundwater infiltration and storage. This reduces flood risks, minimizes damage to agriculture and infrastructure, and helps secure a steady year-round water supply. The pilot initiative was funded by the DOST, implemented by ERDB–WWRRDEC under the DOST NICER Program, and is monitored by DOST–PCIEERD.

Capping the day's lineup of activities, DOST inaugurated the Advanced Manufacturing Center – Cordillera (AMCEN-CAR) at Benguet State University. This marked the first AMCEN in the Cordillera and the fifth in the country, providing local industries and institutions with access to equipment, expertise, and research in advanced manufacturing. The launch demonstrated DOST's commitment to strengthening regional industrial competitiveness through cutting-edge science and technology.

Through these back-to-back events, DOST-CAR showcased how S&T investments and partnerships are creating tangible impacts across sectors. As host of RSTW 2025, the regional office reaffirmed its mission to bridge innovation and inclusive development for the people of the Cordilleras. ***(Nelson Santos)***

DOST-Cavite, DOST-TAPI, and DLSU-D Empower Young Innovators Through Invent School Program

Dasmariñas, Cavite – On August 1–2, 2025, the Provincial Science and Technology Office - Cavite (PSTO-Cavite), in partnership with DOST - Technology Application and Promotion Institute (DOST-TAPI) and DLSU-Dasmariñas High School, successfully held the Invent School Program at Mutien-Marie Hall, DLSU-D. The event also featured the special participation of Erovoutika Robotics and Automation Solutions.

Fifty (50) selected high school students participated in the two-day seminar-workshop, which aimed to spark creativity and promote innovation among young Lasallians. The program featured engaging activities and learning sessions on intellectual property rights, prototype development, and commercialization strategies.

The Invent School Program is a flagship initiative of DOST-TAPI that seeks to develop the next generation of Filipino innovators by providing students with foundational knowledge and hands-on experience in science and technology. ***(DOST CAVITE)***

8 bansa kalahok sa WSL Siargao International 6000 Surfing Cup

Ang kasabikan at alindog ng surfing sa Pilipinas ay magtatampok sa Siargao International 6000 Surfing Cup mula Oktubre 23 hanggang 31 sa magandang Siargao.

Ito ang pinakamataas na ranggo ng WSL (World Surf League) qualifying series kailanman sa Pilipinas, na mabilis na nagiging pangunahing destinasyon para sa mga propesyonal na kaganapan sa surfing. Bukas ito sa mga pandaigdigang kalahok mula sa labas ng Asia Pacific.

Ang mga nangungunang surfista (128 lalaki at 64 babae) mula sa Tsina, Japan, Taiwan, Indonesia, Thailand, Australia, New Zealand at ng host na bansa ay magiging katunggali sa "napaka-inaasam na kaganapan" na nag-aalok ng $50,000 para sa mga kampeon.

Noong unang bahagi ng taong ito, nagdaos ang WSL ng World Junior Championships sa La Union, at sa pagkakataong ito, isang mas malaking kaganapan na nakatuon sa higit pang pagpapalakas ng sports tourism sa bansa ang nakatakdang maganap.

"Hindi lamang ito para sa mga atleta kundi para din sa mga lokal na komunidad," sabi ni Presidential son at Sports Ambassador Vincent Marcos sa espesyal na forum ng Philippine Sportswriters Association sa Wild Flour restaurant sa Makati.

"Mahal ko ang lahat ng palakasan ngunit may napaka-espesyal na lugar ang surfing sa aking puso," dagdag ng batang Marcos, na mahilig din sa surfing. Sinabi niya na ito ay isang perpektong pagkakataon para sa Pilipinas na i-promote ang sports tourism at ipakita kung gaano "world class" ang mga patutunguhan ng surfing nito.

Kasama ring dumalo sa forum ang chairman ng Philippine Sports Commission na si Patrick Gregorio, ang kinatawan ng 5th District ng Isabela at chairman ng House Committee on Youth and Sports na si Rep. Mike Dy, ang kinatawan ng Lone District ng Aurora Quezon na si Rommel Angara, ang pangulo ng United Philippine Surfing Association na si Dr. Raul Canlas, ang teknikal na direktor ng torneo na si John Carby, ang world No. 3 at champion ng longboard na si Jay-R Esquivel at si Nildie Blancada ng Siargao Surf Association.

"Ang pag-host na ito ay bahagi ng programa sa sports tourism na aming pinagtatrabahuhan. Naniniwala kami na ang sports tourism ay isang tagapagpalakas ng ekonomiya. At bakit surfing? Dahil ito ay isang magandang isport," sabi ng chairman ng PSC.

"At sa 7,100 na mga isla, paano tayo maaaring magkamali? Basta't nakikita nating talagang nagsusumikap ang mga lider, walang dahilan kung bakit hindi natin ito dapat suportahan," dagdag ni Gregorio sa forum na iniharap ng San Miguel Corporation, Philippine Sports Commission, Philippine Olympic Committee, MILO, Smart/PLDT, at ng 24/7 sports app ng bansa na Arena Plus.

"Ito ay isang kaganapan na nasa pinakamataas na antas. Ito ay pandaigdigang klase," sabi ni Carby, na binanggit na ang mga destinasyon ng surfing sa Pilipinas tulad ng Siargao, Baler at La Union ay kilala rin sa kanilang walang kapantay na hospitality, at "naging napakadali para sa WSL na magsagawa ng mga ganitong kaganapan."

Itinakdang National Swimming tryouts ng PAI Inc. Ngayong Agosto 22-24 2025

MATINDING preparasyo ang isinasagawa ng Philippine Aquatics, Inc. (PAI) upang maging handa sa pagpapadala ng atleta sa lahat ng aquatic disciplines para sa magaganap na 33rd Southeast Asian Games sa Bangkok, Thailand ngayong Disyembre.

Inihayag ni PAI Secretary General Eric Buhain na ang mga pambansang pagsubok ay isasagawa hindi lamang para sa regular swimming, kundi pati na rin para sa water polo at open water event, bilang bahagi ng kampanya ng federation na mabawi ang katanyagan ng bansa sa regional meet.

Ang national swimming tryout ay itinakda mula Agosto 22–24 sa Teofilo Ildefonso Swimming Center sa loob ng Rizal Memorial Sports Complex (RMSC), habang ang open water swimming tryout ay gaganapin sa Agosto 30–31 sa Playa Tropical Resorts Hotel sa Barangay Victoria, Currimao, Ilocos Norte.

Nabuo na ang men's water polo team sa pamamagitan ng serye ng mga tryout, habang nananatiling bukas ang mga slot para sa women's team. Maaari pa ring sumali ang mga interesadong manlalaro hanggang Agosto 14, mula 6:00 p.m. hanggang 9:00 p.m., sa RMSC.

Samantala, nasa intensive training ang national artistic swimming squad sa Bacolod City sa ilalim ni coach Giella Garcia Sanchez gayundin ang diving team sa pangangasiwa naman ni coach Marie Dimanche.

"The transition year is tough and challenging for us, but we have risen to the occasion. Since our first year after the POC-guided elections, we immediately set up a data center to track performances from regional tournaments to national championships.

We strengthened grassroots development through a series of competitions, seminars, and e-learning for coaches and technical officials," sambit ni Buhain, an Olympian and Philippine Sports Hall of Famer.

Para sa mga elite athletes, ang PAI ay nagbigay ng buong suporta para sa internasyonal na pagsasanay at mga kumpetisyon sa abroad. Sa kasalukuyan, si Olympian Kyla Sanchez ay nagsasanay sa Canada, habang ang mga kampeon ng SEA Games na sina Xiandi Chua at Chloe Isleta ay nasa Melbourne.

Pambato rin ng bansa sina 2023 SEA Games gold medalist na si Tea Salvino, junior standouts Jasmine Mojdeh at Jamesray Mishael Ajido, mga beterano sina Jerard Jacinto, Fil-Am Gian Santos, at Andria Eichler — na parehong sumabak kamakailan sa World Championships sa Singapore.

Ang paghahandang ito, ani Buhain, ay naging posible sa suporta ng Philippine Sports Commission, SMART, at ng MVP Sports Foundation.

Binigyang-diin din niya na walang automatic slots para sa national team.

"Everybody must participate in the national tryouts. Even athletes based abroad who wish to join the team must come home and try out. This is an open tryout — all bona fide PAI members are welcome," ayon kay Buhain, kasama si PAI President Miko Vargas, ay dumalo kamakailan sa World Aquatics Congress sa Singapore.

Sa huling SEA Games sa Cambodia, ang Pilipinas ay nasa ika-5 puwesto sa anim na bansang nakikipagkumpitensya, na nakakuha ng dalawang ginto, anim na pilak, at walong tanso. Nanguna ang Singapore sa kompetisyon na may 47 medalya, kabilang ang 22 ginto.

"Ang paparating na Southeast Asian Games ay magiging isang tunay na pagsubok para sa ating mga atleta at isang sukatan kung gaano kalayo ang ating pag-unlad sa rehiyon," pagtatapos ni Buhain.

PSPGTO Senior Golf papalo na sa Intramuros Golf Club

Muling mabibigyan ng pagkakataon na magpamalas ng kahusayan ang mga seniors professional golfer sa pamamagitan ng Pilipinas Senior Golf Tour Organization (PSPGTO) sa pamumuno ng multi-title Mars Pucay.

Ayon kay Pucay, binuo nila ang organisasyon upang mabigyan ng tamang venue ang mga seniors golfer na manatiling kompetitibo at maitaas ang antas ng kaalaman at kalidad ng mga batang players na naghahangad na matuto at humusay sa sports.

"Hindi na masyadong nabibigyan ng pansin ang Seniors sa mga regular Tour. And also, mahirap ng manalo ang ating mga Seniors kumpara sa mga batang players, kaya napagisipan namin na magkaroon ng sariling programa para sa Seniors," pahayag ni Pucay sa Tabloids Organization in Philippine Sports, Inc. (TOPS) 'Usapang Sports " nitong Huwebes sa PSC Conference Room.

Kasama ni Pucay na dumalo sa lingguhang sports forum na itinataguyod ng Philippine Sports Commission Behrouz Persian Cuisine at Pocari Sweat ang mga dati ring kampeon at PSPGTO officials ba sina Mario Manubay (Chairman), Orland Sumcad (Secretary), Wendy Superal (Treasurer), Robert Pactolerin (Tournament Chairman) at Darren Evangelista (Commissioner).

Sinabi ni Manubay na bilang panimulang programa, isasagawa ng asosasyon, sa tulong ni Manila Mayor Isko Moreno ang isang araw na Pro- Am tournament sa Setyembre 21 sa Intramuros Golf Club.

"Open po ito sa lahat ng seniors players kahit hindi pa namin member. Layunin namin talaga na mag-organize ang grupo para yung mga legit na players ang maging teaching pro sa ating Golf courses. Kapag mali ang turo sa simula mali ang resulta sa players," Ayon kay Manubay.

Batay sa format, hahatiin sa apat na classification ang torneo - 50 up, 55-up,60-up, 65-up at ladies -- gamit and Stableford scoring format.

"May kabuuang P150, 000 ang premyo natin para sa mga winners na seniors, habang yung mga amateur partners nila may mga regalo ring makukuha, " sambit ni Evangelista.

"Simula pa lng ito. Sa October launching na ng Tour may night Golf competition na tayo. Nagpapasalamat kami sa nga sponsors, at sa mga gusto pang tumulong bukas po kami sa collaboration and partnership, " dagdag ni Evangelista, dating collegiate basketball players at champion swimming coach.

PSPGTO COMMISSIONER DARREN EVANGELISTA

TAMPOK sa pag talakay ni PSPGTO Commissioner Darren Evangelista ang 150, 000 na pa premyong nakalaan para mga seniors winner sa nakatakdang Pilipinas Senior Pro Golf Tour Organization kung saan ay gaganapin sa Intramuros Golf Club sa darating na September 21, kasama ang iba pang opisyal. Makaraang ganapin sa PSC Conference Room sa Rizal Memorial Sports Complex sa Malate, Manila. Ang Tabloids Organization in Philippine Sports, Inc. (TOPS) 'Usapang Sports'. ***(REY NILLAMA)***
