Wala sa posisyon para pumuna at humusga

YANIG hindi lamang ang ating bansa bagkus ay buong mundo sa animo'y napakatinding pinasabog ni Senator Imee Marcos. Mantakin ba naman na sa ikalawang araw ng rally ng Iglesia ni Cristo sa Quirino Grandstand, sa Maynila ay inakusahan ni Senator Imee ang kanyang kapatid na si Pangulong Ferdinand 'Bongbong' Marcos Jr. ay gumagamit umano ng ipinagbabawal na gamot. Natural ang pag-ani nito ng iba't ibang reaksiyon at asahan naman natin na magkakasalungat. Siyempre ay magkakaiba ng pananaw at sa bawat opinyon na paglalabad ay mahirap matukoy ang tama o mali. Karapatan ng bawat isa na ilahad ang kanyang kuru-kuro subalit hindi dapat ipagpilitan na tama ang ibinigay niyang paliwanag sa isyu. Ang problema kasi ay ang pag-aaway-away sa mga inilalabas na pahayag ng mga magkakabilang panig. Pwede naman sigurong

hayaan na lamang ng bawat isa o bawat kampo ang pagbibigay ng kani-kanilang pananaw na wala ng parunggitan o asaran. Kumbaga ay respetuhan na lamang na kung tutuusin nga ay buksan ang kaisipan at palawakin pa. Sa bawat hakbang o pagpapasya na isinasagawa ang isang tao ay mauroon siyang kadahilanan. Kung ano ang dahilan ni Senator Imee sa ginawang pagsisiwalat ay tanging siya lamang ang nakakaalam. Pwedeng sa pananaw ng iba ay masasabing wala siyang kwentang kapatid pero sa opinyon ng ilan ay tunay siyang kapatid. Hindi ako magbibigay ng aking pananaw hinggil sa usaping ito dahil wala ako sa kaukulang posisyon o sitwasyon para pumuna lalo na ang humusga. Punto lamang ng pitak na ito na nawa'y galangan ng bawat isa sa pagbibigay ng komento.

Central Luzon Enters New Phase of Innovation with Launch of DOST Hubs

The Department of Science and Technology (DOST) formally launched three major facilities that are expected to strengthen research, innovation, and industry support in Central Luzon. The inauguration of the DOST III Innovation Hub (iHUB), the Smarter Approaches to Reinstantiate Agriculture as an Industry in the Philippines Centralized National Hub for Regional Operations (SARAI CeNTRo), and the Advanced Manufacturing Center (AMCen) took place on November 13, 2025 at the DOST Region III Office located at the Diosdado Macapagal Government Center, Maimpis, City of San Fernando, Pampanga. The event served as one of the key highlights of the 2025 Regional Science, Technology, and Innovation Week (RSTW) hosted by DOST-Central Luzon.

The inauguration was led by DOST Secretary Renato U. Solidum Jr., together with Undersecretary for Regional Operations Engr. Sancho A. Maborang and DOST Region III Director Dr. Julius Caesar V. Sicut. Officials from local government units, partner institutions, and representatives from the academic, public, and private sectors also attended the launch.

The newly opened AMCen provides access to advanced prototyping and product development equipment aimed at supporting startups, MSMEs, and local manufacturers in improving innovation capacity and competitiveness. SARAI CeNTRo enhances the region's efforts in climate-smart and data-driven agriculture by offering research-based tools and decision-support systems that assist farmers and local governments in addressing climate and production challenges. The DOST-Central Luzon Innovation Hub, or iHUB, offers a modern co-working and collaboration space designed to support researchers, innovators, students, and enterprises in developing ideas and moving technologies closer to commercialization.

In a separate activity held in Cloverleaf, Sta. Cruz, Bulacan, DOST also opened iLAB Guiguinto, a dedicated tissue culture laboratory aimed at boosting the ornamental plants industry in the province. The facility is expected to help expand the availability of high-quality planting materials and support local agri-based businesses.

The establishment of these facilities reflects DOST's continuing efforts to build a stronger science and technology ecosystem in Central Luzon. Through these initiatives, the agency aims to broaden access to research services, accelerate innovation, and promote inclusive development across various communities and industries in the region. **(Nelson Santos)**

DOST Launches Regional STI Fair: Showcases Innovations with Tangible Community Impact

Empowering communities through science and innovation, the Department of Science and Technology (DOST) launched the National Science, Technology, and Innovation Week (NSTW) at Malolos Sports and Convention Center, New City Hall Compound in Malolos, Bulacan, on November 12. In partnership with the Bulacan State University (BuLSU) and the Local Government Units (LGUs) of Malolos and Guiguinto, the event focused with its central theme, "Science, Technology, and Innovation: Partner in Building a Resilient, Prosperous, and Secure Future" with a regional subtheme: "Building Smart and Sustainable Communities in Central Luzon" which will run from November 11-14.

The participants engaged in activities such as project visits in BuLSU, press conferences, exhibits, Techno Forum on SMART Agriculture, and many others. Exhibitors also had a chance to showcase their latest Science, Technology, and Innovation (STI) breakthrough through their consortium with DOST Philippine Council for Agriculture, Aquatic and Natural Resources Research and Development (PCAARRD). During the opening ceremonies, DOST Secretary Renato U. Solidum Jr. highlighted the crucial link between scientific research and entrepreneurship. He highlighted the DOST's continuing efforts to transform innovations into viable business ventures that can create jobs, boost local industries, and contribute to national progress.

Citronella Convention Culminates with a Call for Collaboration and Action

LAL-LO, CAGAYAN — The 1st Regional Citronella Convention held in Lal-lo, Cagayan concluded on a hopeful and inspiring note, bringing together local leaders, scientists, and community members united by one goal — to strengthen the citronella industry in the region. In her heartfelt message, Hon. Maria Olive B. Pascual, Lal-lo Vice Mayor

and President of the Rural Improvement Club (RIC), praised the efforts of women and farmers behind the thriving citronella movement. "Gusto ko lang sabihing hindi mahirap mangarap pero kailangan meron kang gawin para ito ay makamit mo — at iyan po ang ginagawa ng Rural Improvement Club (RIC) members natin — ang backbone ng citronella industry dito sa Lal-lo," she said, recognizing the RIC's hands-on dedication to community development.

Engr. Maria Teresa B. De Guzman, DOST Assistant Secretary for Countryside Development, urged participants to turn lessons into tangible actions.

"Let us prove that through science and collaboration, we can build a greener, healthier, and more prosperous countryside for all," she emphasized. "Plant those citronella saplings, refine that oil, develop that product, draft those supportive policies, and continue this network of collaboration beyond this convention hall."

Capping the event, Dr. Virginia G. Bilgera, DOST Region 02 Regional Director, highlighted the importance of partnerships in sustaining initiatives like this.

"DOST cannot do this alone, we need partners and that is why we are here together. This is not just the end, this is just a beginning. Congratulations to everyone who became part of this regional event!"

As the curtains closed, the convention left participants inspired — a testament that through science, unity, and community spirit, Lal-lo's citronella industry is set to bloom stronger than ever.

and the Inauguration and Blessing of iLAB in Guiguinto and PSTO Bulacan Office. Both initiatives were spearheaded by DOST to support local industries particularly startups and MSMEs (Micro, Small, and Medium Enterprises), and develop science-based technologies and protocols for climate-smart agriculture. Subsequent activities will be held simultaneously showcasing innovative technologies that highlight the country's scientific and technological progress. **(Carmina Sahagun-Melchor)**

Legarda, nagpanukala ng
pagpapalawig sa mandato ng
EDCOM II hanggang Disyembre 2027

Ipinanukala ni Senadora Loren Legarda ang Senate Bill No. 1483 na layong palawigin ang mandato ng Second Congressional Commission on Education (EDCOM II) hanggang Disyembre 2027, bilang pagkilala sa patuloy nitong lakas at mahalagang papel sa pagsusulong ng mga repormang nakabatay sa datos sa sektor ng edukasyon. Bilang Co-Chair ng EDCOM II, binigyang-diin ni Legarda ang mga ulat ng Komisyon na "Miseducation: The Failed System of Philippine Education" at "Fixing the Foundations: A Matter of National Survival" bilang "pinakamalalim at pinakabatay-sa-ebidensyang pagsusuri sa sistema ng edukasyon sa bansa sa mga nagdaang taon."

Ayon sa apat na terminong Senadora, hindi lamang pagsusuri ang naibigay ng Komisyon kundi direktang impluwensiya sa batas, pondo, at koordinasyon ng mga ahensya. "Pinag-isa ng Komisyon ang mga pambansang ahensya, lokal na pamahalaan, paaralan, institusyong pananaliksik, at mga katuwang sa lipunan upang isalin ang ebidensya tungo sa reporma," pahayag ni Legarda. Sa ika-19 na Kongreso, nakatulong ang EDCOM II sa pagpasa ng sampung batas sa edukasyon. Sa ika-20 Kongreso, sinusupportahan nito ang pagbuo ng anim na pangunahing panukala sa ilalim ng Legislative-Executive Development Advisory Council (LEDAC), bukod pa sa iba pang mungkahing layong palakas in ang akses, katarungan, at kalidad ng edukasyon. Ipinahayag ni Legarda

Gamit ang Alternative Recording Device at Body Worn Camera, ang operasyon ay isinagawa ng Intel/Warrant Section ng Tagaytay Component City Police Station.

ang kanyang patuloy na pagsuporta sa mga repormang hinubog ng pananaliksik ng EDCOM II, kabilang ang Last Mile Schools bill at ang modernisasyon ng mga charter ng Commission on Higher Education (CHED) at Technical Education and Skills Development Authority (TESDA).

"Ang EDCOM II ay nagsilbing think tank at coordinating body, nagtataguyod ng tiwala at pagkakaisa sa pagitan ng mga ahensya, guro, magulang, at mga tagapagpatupad ng polisiya," pahayag ni Legarda, kaugnay ng joint meeting ng Komisyon kasama ang DepEd, CHED, at TESDA, at ang papel nito sa pagtatatag ng Education and Workforce Development Group sa ilalim ng Administrative Order No. 36.

Bagaman nakatakdang magtapos ang mandato ng EDCOM II sa Disyembre 2025 sa ilalim ng Republic Act No. 11899, nilinaw ni Legarda na hindi pa ito nasa yugto ng pagwawakas. "Sa halip, patuloy itong kumikilos nang buong lakas, batid ang katotohanang marami na ang nagawa, ngunit mas marami pa ang kailangang isakatuparan upang maitayo ang sistemang pang-edukasyon na nararapat sa ating mamamayan," pahayag ni Legarda. "Nasa yugto tayo kung saan abot-kamay na ang pag-unlad," dagdag ni Legarda. "May direksyon ang trabaho. May koordinasyon. Totoo ang lakas ng pagkilos. Nararapat lamang na palawigin natin ito." Ang mungkahing pagpapalawig ay nakatanggap ng suporta mula sa DepEd, CHED, at TESDA sa pagdinig ng Senate Committee on Higher, Technical, and Vocational Education noong Oktubre 8, 2025, na pinamunuan ni Legarda.

Davao at Cagayan De Oro naman sa susunod na taon ang Defense and Sporting Arms Show (DSAS)

Salamat Magkakaroon ng palabas ang AFAD sa susunod na taon sa Davao, Cagayan de Oro

ASAHIN ang isang mas malaki at mas malawak na Defense and Sporting Arms Show (DSAS) sa 2026. Naghahanda ang Association of Firearms and Ammunition Dealers of the Philippines (AFAD) para sa maaaring maging pinakamaambisyo nitong taon, dahil plano ng grupo na dalhin ang pinakamatagal at pinakakilalang firearms expo sa bansa sa Davao City at Cagayan de Oro.

Kinumpirma ng Tagapagsalita ng AFAD na si Alaric "Aric" Topacio na may mga paghahanda na para sa DSAS sa labas ng Metro Manila sa Marso ng susunod na taon. "Bukod sa aming mga palabas sa Manila, na nakatakda sa Hulyo, ang aming kooperasyon sa mga LGU sa Davao at Cagayan de Oro ay patuloy.

Ang aming plano ay dalhin ang DSAS sa mga rehiyon simula Marso upang maglingkod sa mas responsableng mga may-ari at mahilig sa baril," sabi ni Topacio. Idinagdag ni Topacio na ang demand mula sa mga probinsya ay patuloy na lumago sa mga nakaraang taon.

"Marami kaming natanggap na kahilingan na ideoas ang palabas sa mga probinsya. Ang Davao at Cagayan de Oro ay mga mainam na lokasyon upang simulan ang pagpapalawak ng programa sa labas ng Maynila.

Mayroon na kaming matibay na koneksyon sa Davao dahil nagdaos kami ng palabas doon

Gregorio, PSC Commissioner Edward Hayco, Newport World Resorts Hospitality Chief John Lucas at Newport World Resorts Senior Vice President ng Resort Sales Division.

"Tulad ng palagi naming sinasabi, ang pagho-host ng mga pandaigdigang kaganapang pampalakasan ay mahusay para sa turismo. Mayroon tayong halos 2,000 bisita na inaasahan para sa junior worlds at ito ay isang pangunahing halimbawa ng aming tinutukoy. Alam iyan ni Tita Cynthia," sabi ni Gregorio sa briefing habang tinutukoy ang nakaraang karanasan ni Carrión bilang undersecretary ng turismo.

Ang koponan ng kabataang lalaki sa gymnastics na pinamumunuan ni Karl Eldrew Yulo, na sasamahan nina John Anthony Palles, ang nakababatang kapatid na si Hilarion III, at CJ Pernia, ay lumahok sa mga kaganapan ng koponan at kwalipikasyon.

noong nakaraang taon. Umaasa ako na magiging maayos din ang CDO.

Ang kanyang mga komento ay dumating kasabay ng pagbabalik ng DSAS nang walang gaanong pagdiriwang sa orihinal nitong tahanan sa Megamall Megatrade Hall sa Mandaluyong, kung saan binuksan ang ikalawang bahagi ng ika-31 edisyon.

Humigit-kumulang 40 exhibitors ang lumahok, na nagpapakita ng mga pinakabagong lokal na gawa at inaangkat na baril, mga optika sa pagpapaputok, mga aksesorya, at kagamitan. Ang expo ay tumagal hanggang Nobyembre 21.

Binigyang-diin ni Topacio na ang DSAS ay patuloy na umuunlad lampas sa papel nito bilang isang pamilihan. "Ang DSAS ay hindi lamang isang lugar upang ipakita ang pinakabagong hardware.

Ito rin ay isang plataporma para sa pag-aaral. Ang aming layunin ay tulungan ang mga dadalo na magkaroon ng kamalayan, palakasin ang kanilang mga kasanayan, at lubos na maunawaan ang mga responsibilidad ng pagmamay-ari ng baril.

Ang pangakong iyon sa edukasyon ang nagpapaiba sa palabas na ito." Binigyang-diin din niya ang papel ng palabas sa pag-iisa ng komunidad ng mga baril. "Ang DSAS ay tungkol sa komunidad.

Dito nagsasama-sama ang mga baguhang mahilig sa sining, mga mahilig sa libangan, mga manlalaro sa larangan ng pamamaril, mga manlalaro sa industriya, at maging ang mga opisyal mula sa mga kinauukulang ahensya ng gobyerno upang magbahagi ng kaalaman at itaguyod ang isang kulturang nakabatay sa kaligtasan, respeto, at pananagutan.

Para mas mapadali ang pagbili, lahat ng mga exhibitor ay nag-aalok ng mga awtomatikong diskwento, habang ang mga kinatawan ng Philippine National Police (PNP) ay nasa lugar upang tumulong sa mga kinakailangan sa dokumentasyon.

Sinabi ni Topacio na ang AFAD ay nananatiling nakatuon sa pagsuporta sa isang lumalaki at lalong responsableng sektor ng mga baril. "Ang aming pananaw ay patuloy na itaas ang mga pamantayan hindi lamang sa mga produkto, kundi pati na rin sa edukasyon at mga ligtas na kasanayan. Habang lumalaki ang komunidad, dapat ding lumago ang aming pangako na gabayan ito."
