Likha Ni Inay Convenience Store Opens at CMDI San Pablo

Mga Likha Ni Inay, Inc. (MLNI), the marketing arm of CARD Mutually Reinforcing Institutions (CARD MRI), officially opened the Likha Ni Inay Convenience Store on January 12, 2026, within the CARD-MRI Development Institute (CMDI) San Pablo campus in San Pablo City, Laguna. The store was established to ensure the safety and security of CMDI's students, teachers, and staff, while providing convenient access to daily essentials without leaving the campus. Highlighting the importance of the store's on-campus location, Mr. Aristeo A. Dequito, CARD MRI Managing Director, emphasized its contribution to safety and convenience. "Our students and staff no longer have to leave the campus," he said. "Accessing daily necessities is much safer and more convenient because the store is located right within our school."

CMDI President Dr. Edzel D. Ramos echoed this sentiment, underscoring the store's role in supporting the school's daily needs. "This store is a great help to the entire school community, especially in meeting the everyday needs of our students, teachers, and staff," he said. "It will also be of service to nearby offices and establishments," he added, noting that the store is also open to the public.

Operated by five staff members, the convenience store is expected to serve more than 900 CMDI senior high school students, while also catering to customers from the surrounding community and business establishments. Reflecting MLNI's mission to support sustainable livelihoods and entrepreneurship, the store offers not only everyday necessities but also products crafted by CARD clients, including Calamansi Concentrate, Crunchy Peanut Butter, Paborita, fruit teas, Corn Puffs, Rice Kape, muscovado sugar, and

special tinapa. It also serves ready-to-eat meals such as silog meals, chaofan, and short-order snacks. CMDI uniforms are available as well, directly addressing students' immediate needs.

In line with CMDI's student-centered initiatives, the store's second floor has been dedicated as a student lounge, providing a comfortable space where students can dine and study on the campus.

CARD MRI Founder and Chair Emeritus Dr. Jaime Aristotle B. Alip described the newly opened convenience store as practical support for students' daily needs, enabling them to focus on their studies without leaving the campus. "The opening of this convenience store is designed to make your studies more convenient, so that you no longer have to go far for food or school supplies, especially during class hours," he said. "Because what I want to see— is for all of you to graduate successfully," he added, affirming the store's purpose in supporting students' academic journey.

The opening was marked by a ribbon-cutting ceremony and store blessing facilitated by MLNI staff spearheaded by MLNI Chief Operating Officer Angela A. Poonin. Nakatadhana ang pagkapangulo

SA isang simpleng magaganap na halalan naluklok na pangulo ng isang asosasyon ay hindi maganda ang pamuumuno kaya natural na pagbabago ang inyong hangad. Pwede naman sanang idaan sa petisyon kaya nga lamang ay nakararami ang kapartido o kakampi ng nakaupo na pangulo kaya hindi rin mananaig at walang magagawa kundi maghintay para sa takdang eleksiyon. Balikan natin ang n a p a k a a g a n g pagdedeklara, siyempre sa hanay ng kalaban ay bibigyan ito ng hindi magandang kahulugan. Kung tutuusin ay maganda rin ito lalo na sa iba pang mga nagpapalano na tatakbo sa pagkapangulo. Kumbaga ay nag-aabang ng mga kakandidato bago ang ganap na pagpapasya sa pagtakbo para sa kapakanan ng asosasyon. Sa maaga o napakaagang deklarasyon ay asahan siyempre ang magkakaibang pananaw. Lahat tayo ay may kanyang karapatan sa paglalalahad at pagtuligsa subalit minsan ay nakakalimot sa hangganan ng kaukulang pagsasalita lalo na sa pagpuna. Kung kayo ay kasapi

Bilang pagkilala sa mahalagang papel ng PhilHealth sa buhay ng bawat Pilipino, idineklara sa pamamagitan ng Presidential Proclamation No. 1400 (2007) ang buwan ng Pebrero bilang National Health Insurance Month. Kinilala sa proklamasyong ito ang mahalagang papel ng PhilHealth sa pagbibigay proteksiyon sa kalusugan at pinansiyal na seguridad ng sambayanan. Layunin ng PhilHealth YAKAP na panatilihin "malayo sa sakit" ang bawat Pilipino sa pamamagitan ng maagang pagtukoy ng karamdaman at tuloy-tuloy na pagbabantay ng kalusugan. Sa ilalim ng PhilHealth YAKAP Program, magkakaroon ang lahat ng Pilipino ng access sa isang komprehensibong primary care benefit package sa pamamagitan ng mga accredited YAKAP Clinics. Kabilang sa mga benepisyong ito ang primary care consultations, laboratory at diagnostic tests, PhilHealth GAMOT, at cancer screening services.

Bilang bahagi ng mga

aktibidad sa pagdiriwang ng ika-31 anibersaryo, ilulunsad ng PhilHealth ang GAMOT App ngayong Pebrero na gaganapin sa apat na probinsiya nationwide. Sa region 4A, gaganapin ang launching sa Quezon Convention Center, Lucena City. Ang GAMOT app ay isang digital platform na magpapadali sa access ng mga miyembro sa impormasyon at serbisyong may kaugnayan sa PhilHealth GAMOT at iba pang benepisyong. Kaya naman sa ika-31 taon nito, pinatitibay ng PhilHealth ang pangako nitong maghatid ng mas pinalawak at tumutugong benepisyong sa pamamagitan ng pagpapahusay ng mga benefit package, lalo na para sa mga pinaka-mabigat na sakit at karaniwang ina-avail na kaso, upang mabawasan ang gastos ng mga miyembro sa pagpapagamot. Ngayong taon, nakatuon ang PhilHealth sa pag-aayos ng iba pang benepisyong upang mas tumugon sa aktwal na pangangailangan ng mga miyembro. Sentro ng mga repormang ito ang PhilHealth YAKAP (Yaman ng Kalusugan Program)-isang proaktibong programa na naglalayong ilipat ang pokus mula sa reaktibong gamutan patungo sa preventive care. Isasagawa ang ika-31 anibersaryo sa pamamagitan ng mga makabuluhang aktibidad na nakatuon sa pagpapalalim ng kaalaman sa mga miyembro sa pamamagitan ng mga serye ng oryentasyon, thanksgiving mass at day of prayer. May Food Bazaar at Flea Market din bilang suporta sa mga maliliit na negosyante at lokal na produkto at client "treats" sa mga Local Health Insurance Offices upang higit na maipakita ang diwa ng serbisyong para sa kalusugan ng bawat Pilipino. PHILHEALTH LAUNCHES GAMOT IN REGION 4A

LUCENACITY—Strengthening its commitment to Universal Health care (UHC), Philhealth officially launched the Guaranteed and Accessible Medications for Outpatient Treatment (GAMOT) in Region 4A last February 27, 2026 held at the Quezon Convention Center headed by DOH Secretary Teodoro Herbosa with Philhealth President and CEO, Dr. Edwin M. Mercado and Philhealth Regional Office IVA Acting RVP, Dr. Edwin m. Oriña.

The event marks a significant milestone in the expansion of the Philhealth's Yaman ng Kalusugan Program (YAKAP), an enhanced primary care benefit package that shifts the focus of health care from curative treatment to preventive services.

A centerpiece of the launch is the operationalization of the Philhealth GAMOT, an app used to prescribe medications, validate prescriptions, record dispensing, and monitor performance of GAMOT facilities. Through the platform, YAKAP accredited physicians can issue electronic prescription that partner pharmacies can verify instantly. This digital innovation ensures that guaranteed medicines reach members faster, reducing paperwork and waiting times.

The event included a walkthrough of the YAKAP availment process with QPHN-QMC, as YAKAP and GAMOT Provider, including St. Hildegard Pharmacy Accredited GAMOT Provider.

Under the Philhealth GAMOT, members and their dependents can now access up to P20,000 worth of outpatient medicines annually which includes 54 Specialized Medicines accessible through accredited GAMOT-partner pharmacies for chronic conditions such as diabetes, hypertension, and asthma.

Meanwhile, the 21 essential medicines under YAKAP continue to be available this year in YAKAP accredited primary care facilities nationwide.

The YAKAP program also

includes expanded coverage for selected outpatient cancer screening, such as:

- Breast cancer (mammogram and ultrasound)
- Colorectal cancer (colonoscopy)
- Liver cancer (liver ultrasound and alpha-fetoprotein test)
- Lung cancer screening

Philhealth highlighted that by integrating consultations, diagnostics, and medicines into a single primary care system, YAKAP and GAMOT shift the focus from reactive treatment to proactive health management.

Joining the launched were key representatives from various local government units, national government agencies, alongside accredited YAKAP and GAMOT providers from across the Quezon Province.

The Philhealth GAMOT rollout in Region 4A, in partnership with the Quezon Provincial Office, highlights strong collaboration with local governments, health facilities and GAMOT providers to bring accessible and affordable health services closer to communities.

To date, there are 256 YAKAP clinics in the region, of which 187 are YAKAP-ready clinics, which means that they have fully comply with all Philhealth readiness requirements. While, a total of 129 are Philhealth GAMOT facilities ready to dispense medications to members.

The strategic and phased implementation of the Philhealth GAMOT is hinged on the readiness and operational capacity of these YAKAP Clinics to provide the necessary medical care and prescriptions to member when needed.

Philhealth reminds the public that selection of YAKAP provider of choice may be done via the eGovPH mobile app or at any Philhealth Local Health Insurance Office. Assignment to a preferred YAKAP clinic provides immediate access to essential preventive services and GAMOT benefits, ensuring every family remains 'malayo sa sakit' through a proactive primary care.

DOST, Cong. Caoagdan Explore Innovation Support for Coconut and Cattle Industries in Cotabato

Through the Department of Science and Technology Region XII (DOST SOCCSKSARGEN), Hon. Rudy S. Caoagdan, Representative of the Second District of Cotabato and member of the House Committee on Science and Technology, paid a courtesy visit to the Department of Science and Technology Central Office in Bicutan, Taguig to explore science-driven opportunities that can accelerate agricultural and industrial development in his district.

Congressman Caoagdan together with DOST SOCCSSKARGEN Regional Director Engr. Sammy P.

Malawan met with DOST Secretary Renato U. Solidum Jr., Regional Operations Undersecretary Sancho A. Maborang, Countryside Development Assistant Secretary Engr. Maria Teresa B. De Guzman and Annabelle V. Briones, Executive Director of the Industrial Technology Development Institute (ITDI), to discuss potential collaborations that would harness innovation for coconut processing and cattle production in Cotabato Province.

As one of the key agricultural provinces in SOCCSKSARGEN, Cotabato has strong potential to move beyond raw commodity

production toward value-added processing. Discussions highlighted the need to enhance coconut processing technologies to improve extraction efficiency, product quality, and compliance with national and international standards.

By leveraging ITDI's expertise in food processing, packaging, testing, and national metrology, local farmers and micro, small, and medium enterprises (MSMEs) can be supported in developing higher-value coconut products such as virgin coconut oil, coco sugar, flour, and other derivative products that command stronger market demand. The collaboration aims to ensure that producers are not limited to selling copra or raw nuts, but are empowered to participate in processing, branding, and commercialization.

Beyond coconut, the meeting also highlighted the need to strengthen Cotabato's cattle industry. Recognizing the province's growing livestock sector, Congressman Caoagdan sought DOST's support in modernizing cattle production and meat processing through science-based interventions.

Discussions focused on research-driven feed formulation, food safety testing, meat preservation, and improved packaging to enhance productivity, ensure quality standards, and expand market access. Integrating technology across the

livestock value chain is seen as key to increasing farmer incomes and supporting regional food security.

Following the meeting, the delegation toured ITDI's state-of-the-art laboratories and technical divisions, where they were briefed on available technologies ready for adoption and commercialization. The visit showcased ITDI's capabilities in industrial research and development, standards and testing services, materials science, chemical and analytical services, food innovation, and national metrology – core pillars in strengthening local industries and accelerating economic growth.

The convergence reflects a shared commitment to building an integrated innovation ecosystem that bridges national research institutions with grassroots communities.

With coconut and cattle identified as strategic growth drivers, Cotabato Province is positioning itself for a transition toward science-enabled, value-added agriculture. Through strengthened partnerships between national R&D institutions and local leadership, the province moves closer to transforming its natural resources into sustainable economic opportunities – demonstrating that from research laboratories to rural livelihoods, innovation is shaping the future of Cotabato.

Cavite Entrepreneurship Students Caravan sparks young business minds in Amadeo

More than 300 Grade 12 students gathered for an inspiring and knowledge-filled day during the Cavite Entrepreneurship Students Caravan dubbed "ABM BIZ Talks: Igniting the Next Generation of Entrepreneurs" held on February 23 at Amadeo Integrated High School.

The activity was facilitated by the Office of the Provincial Cooperatives Development Officer (OPCDO) headed by Ms. Myrachel P. Cuadra, as part of its continuing commitment to nurture entrepreneurial awareness among the youth of Cavite.

Dr. Gloria T. Villela, Principal III – Amadeo Integrated High School warmly welcomed the participants and emphasized the importance of equipping students with practical knowledge and skills that will help them become future-ready entrepreneurs. Meanwhile, Amadeo Mayor Jose R. Domingo inspired the students through his message, encouraging them to explore business opportunities, embrace innovation, and contribute to the local economy of Amadeo and the entire province.

Highlighting the programs and services of OPCDO, Ms. Liza Gabatan, OPCDO Entrepreneurial Division Head, presented various initiatives designed to support aspiring entrepreneurs, including cooperative development assistance, training programs, and business-related services available to Caviteños. Her presentation introduced students to opportunities they may pursue as they transition from school to the business world.

Adding depth to the learning session, Dr. Leo D. Manansala, Vice Dean – College of Professional & Graduate Studies, De La Salle University-Dasmariñas, delivered an engaging lecture on Entrepreneurial Mindset, where he discussed the importance of creativity, resilience, risk-taking, and adaptability in building successful ventures. He encouraged students to shift their perspective from merely seeking employment to becoming job creators in the future.

An open forum followed the discussion, allowing students to actively participate by raising questions and sharing insights. The interactive exchange created a dynamic learning environment and further strengthened the students' understanding of entrepreneurship.

Through the initiative, the Provincial Government of Cavite continues to empower the next generation—igniting passion, building confidence, and shaping young Caviteños into future entrepreneurs ready to take on the challenges of the modern business landscape.

Gilas Pilipinas bigo sa New Zealand sa FIBA World Cup Qualifiers

Napagwagian ng New Zealand ang laban kontra Gilas habang hindi umabot ang huling kabayanihan ni

Dwight Ramos Ang kaganapang Gilas Pilipinas at New Zealand sa isang kapan-

panabik na huling bahagi ng laro, ngunit nagtapos ang laban sa panalo ng New Zealand na 69-66 ng FIBA World Cup Qualifiers sa SM Mall of Asia Arena.

Hindi naging sapat ang huling pagtatangka ni Dwight Ramos habang nangangailangan ng lakas ang Tall Blacks, kahit na nagawa nilang pigilan nang maayos si Justin Brownlee.

Sa kalamangan na 57-66, nagkaroon ng 7-0 na sunod-sunod na puntos ang Gilas na nagpababa ng kanilang pagkakalamang sa dalawang puntos, 64-66, na may 47 segundo pa ang natitira. Lumapit ang Gilas Pilipinas sa isang mahalagang oportunidad nang pilitin nila ang New Zealand na gumawa ng three points mula kay Sam Mennenga na hindi niya nakuha.

Gayunpaman, nakakuha ang Tall Blacks ng mahahalagang offensive rebounds, na nagbigay-daan kay Yanni Wetzell na makapuntos muli sa natitirang 13.8 segundo para sa iskor na 68-64. Si Ramos ay nakapuntos ng putback layup matapos ang miss ni Calvin Oftana upang ibalik ang dipereksya sa dalawa sa natitirang 8.1 segundo, at pinanatili ni Reuben Te Rangi ang pagkakataon para sa Gilas nang hindi makuha ang kanyang mga free throw.

Sinubukang pilitin ni Ramos ang overtime, ngunit ang kanyang mahabang triple mula lampas

sa apat na puntos na range ay tumama sa ring at hindi pumasok habang nauubos na ang oras. Pinangunahan ni Max Darling ang Tall Blacks, na sa wakas ay nagwagi sa isang laro sa qualifying phase matapos ang 0-2 na tala sa unang window laban sa Australia, na may 11 puntos mula sa 4 sa 6 na tira.

Si Mennenga at si Alex McNaught ay parehong nakapuntos ng 10 puntos, at si Mennenga ay nagdagdag pa ng 14 na rebounds. Nagtapos si Ramos na may 16 puntos, walong rebound, isang assist, dalawang steal, at isang block para sa Gilas sa isang laro kung saan napigilan si Justin Brownlee sa apat lamang na puntos sa 2-for-10 na shooting.
