PSA IV-A: NAGBAYANIHAN PARA SA LIPATAN!

Bilang bahagi ng patuloy na pagpapalakas ng Quality Management System at pagpapabuti ng storage facilities ng tanggapan, matagumpay na isinagawa ng mga empleyado ng Philippine Statistics Authority (PSA) Regional Statistical Services Office (RSSO) IV-A ang paglilipat ng mga gamit, archived files, at iba pang mahahalagang dokumento ng opisina patungo sa bagong warehouse.

Layunin ng gawaing ito na higit pang mapabuti ang organisasyon, pangangalaga, at accessibility ng mga records at materyales, pati na ang segregasyon ng mga unserviceable items at valueless records na maaari nang idispose ng ahensya. Sa pamamagitan ng sama-samang pagtutulungan at pagpapakita ng tunay na diwa ng bayanihan, aktibong nakibahagi ang mga kawani ng PSA IV-A upang matiyak ang maayos, episyente, at

ligtas na paglilipat ng mga dokumento, records, at inventory items.

Ipinamalas ng mga empleyado ang kanilang dedikasyon, malasakit, at commitment sa organisasyon sa pamamagitan ng boluntaryong pakikilahok sa pagbubuhay, pag-aayos, at paglilipat ng mga kagamitan at dokumento.

Naipakita rin ang pagkakapantay-pantay o gender equality at teamwork na naging mahalagang salik sa matagumpay na pagsasakatuparan ang aktibidad.

Ang gawaing ito ay sumasalamin sa matibay na pagkakaisa at kultura ng pagtutulungan ng mga kawani ng PSA RSSO IV-A. Patunay ito ng kanilang patuloy na suporta sa mga inisyatibong naglalayong mapahusay ang operational efficiency at maisulong ang paghahatid ng de-kalidad na serbisyo publiko.

Kauna-unahang Bantayog-Wika sa Aklan, planong ipatayo sa Kalibo!

Pormal nang iniharap ng Komisyon sa Wikang Filipino (KWF) ang Presentasyon ng Proyekton Bantayog-Wika 2026 sa Lokal na Pamahalaan (LGU) ng Kalibo noong 21 Mayo 2026 sa Kalibo, Aklan. Target ng proyekto na maitayo ang kauna-unahang Bantayog-Wika sa lalawigan bago matapos ang taon.

Sa pangunguna ni Komisyoner Carmelita C. Abdurahman, tinalakay sa presentasyon ang mga layunin, adhikain, modelo, at teknikal na aspekto ng proyekto kay Bise Alkalde at Kasalukuyang Nanunungkulan Alkalde ng Kalibo, Kgg. Phillip Yerro Kimpo Jr. Nagpahayag

din ng buong suporta sa makasaysayang inisyatibong ito si Atty. Marites A. Barrios-Taran, Tagapangulo ng KWF. Bilang bahagi ng paghahanda, nagsagawa ng ocular inspection sina Tagapangulong Barrios-Taran at si Komisyoner Abdurahman sa Pastrana Park, na matatagpuan mismo sa sentro ng poblacion ng Kalibo. Ang lugar ay potensiyal at praktikal na lokasyon para sa pagpapatayo ng bantayog. Ang Bantayog-Wika ng Komisyon sa Wikang Filipino ay isang mahalagang proyekto na naglalayong kilalanin, pangalagaan, at ipagmalaki ang yamang-wika at kultura ng bawat rehiyon sa Pilipinas.

Milyong halaga ng shabu, nasabat sa 3 HVI

MILYONG halaga ng hinihinalang shabu ang nasabat matapos ang pagkakaaresto sa tatlong High-Value Individuals (HVIs) kaugnay ng ikinasag magkasanib na operasyon ng kapulisan kamakailan sa Dasmariñas City, Cavite. Kinilala sa mga alyas ang tatlong suspek na sina Monyo, Ryan, at Angel, pawang residente ng Barangay Paliparan 3, Dasmariñas City. Ikinasa ang joint buy-bust operation sa Mabuhay City, Barangay Paliparan 3, Dasmariñas City, dakong alas 6:15 ng gabi nitong Hunyo 9. Pinangunahan ng mga tauhan ng Provincial Drug Enforcement Unit (PDEU) ng Cavite Police Provincial Office ang nasabing operasyon katuwang ang mga operatiba ng Dasmariñas City

PhilHealth, Pinalalawig ang YAKAP at GAMOT Program

Mas pinalakas pa ng PhilHealth Regional Office IV-A ang kampanya nito para sa malawakan at abot-kayang kalusugan sa pamamagitan ng pusupusang pagpapatupad ng dalawang pangunahing programa: ang Yaman ng Kalusugan Program (YAKAP) at ang Guaranteed and Accessible Medications for Outpatient Treatment (GAMOT).

Ang hakbang na ito ay alinunod sa pagsusulong ng Universal Health Care (UHC) Act upang matiyak na ang bawat Pilipino ay protektado laban sa mataas na gastusing medikal nang hindi na kinakailangan pang ma-ospital.

Sa ilalim ng PhilHealth YAKAP, ang mga miyembro at kanilang mga dependents ay makakatanggap ng mga sumusunod na benepisyo sa kanilang napiling YAKAP clinic:

- Primary Care Check-up at assessment mula sa isang Primary Care Doctor ng napiling YAKAP Clinic.
- 13 Basic Outpatient Laboratory Tests:

1. Complete Blood Count (CBC) with Platelet Count
2. Lipid Profile
3. Fasting Blood Sugar (FBS)
4. Oral Glucose Tolerance Test (OGTT)
5. Hemoglobin Test (HbA1c)
6. Creatinine
7. Chest X-ray
8. Sputum Microscopy
9. Electrocardiogram (ECG)
10. Urinalysis
11. Pap Smear
12. Fecalalysis
13. Fecal Occult Blood Test (FOBT)

- 6 n Uri ng Anti-Cancer Screening Test (para sa maagang pagtuklas ng sakit):

1. Breast Ultrasound
 2. Mammography
 3. Alpha Fetoprotein
 4. Liver Ultrasound
 5. Colonoscopy
 6. Low-dose Chest CT Scan
- Sa ilalim ng programang GAMOT, may hanggang P20,000.00 halaga ng pangunahing gamot kada taon ang bawat miyembro. Sakop nito ang 54 na klase ng mahahalagang gamot kabilang ang:

1. Anti-Infectious
2. Anti-Hypertensive & Cardiology
3. Nervous System
4. Anti-Thrombotics
5. Anti-Asthma & COPD
6. Anti-Diabetes
7. Ant-Dyslipidemia

Samantalang ang 21 essential medicines ay makukuha sa napiling YAKAP clinic.

Upang masiguro na maramdaman ng mamamayan ng Cavite, Laguna at Quezon ang alaga ng PhilHealth, patuloy ang proseso ng akreditasyon ng mga pasilidad sa buong rehiyon.

Sa kasalukuyan, mayroong 296 YAKAP providers sa Region 4A, kung saan 265 dito ay YAKAP-ready facilities na nakapag-comply na sa mga strict readiness requirements ng PhilHealth. Samantala, pinalawak na rin ang network ng mga partner pharmacies kung saan mayroon nang 223 PhilHealth GAMOT Providers sa buong rehiyon na rehistrado at handing mag-dispense ng mga libreng gamot sa mga miyembro.

Para sa mapakinabangan na programa, narto ang apat na simpleng hakbang:

1. Assignment: Magpa Pumili at magpatala sa isang YAKAP Provider gamit ang eGovPH mobile app o sa pinakamalapit na PhilHealth Local Health Insurance Office (LHIO).

2. First Patient Encounter (FPE): Bumisita sa napiling YAKAP clinic para sa pagsusuri at pagtukoy ng tamang pangangalaga ng kalusugan.

3. Empanelment: Pagpirma ng YAKAP Empanelment Slip (YES) para sa pagtataguyod ng pormal na ugnayan o relasyon sa pagitan ng miyembro at ng napiling Primary Care Clinic (PCC).

4. Konsultasyon: Magpatingin sa YAKAP doctor ng clinic para mabigyan ng e-prescription kung kinakailangan ng gamot at laboratory/tests.

5. Dispensing sa GAMOT Provider: Dalhin ang reseta sa alinmag accredited GAMOT pharmacy.

6. Ang patuloy na pagdami ng mga PhilHealth YAKAP at GAMOT facilities sa Region IV-A ay patunay ng dedikasyon ng ahensya na ilipat ang serbisyonang medical sa mga komunidad upang ang bawat pamilyang Pilipino ay manatiling "malayo sa sakit."

7. Para sa karagdagang impormasyon at listahan ng mga accredited YAKAP at GAMOT facilities sa inyong lugar, maaaring bisitahin ang opisyal na website ng PhilHealth sa www.philhealth.gov.ph o magsadya sa pinakamalapit na PhilHealth Local Health Insurance Office sa inyong lalawigan. ###(JDB)

ay akma sa nangyayari ngayon sa bansa.

Binanggit ni Fr. Reyes ang talata sa Bibliya tungkol sa pitong tribo ng Israel. Binigyang-diin niya na iniiskandalo sila ng mga senador na gumagamit ng pangalan ng Diyos sa walang kabuluhan. Sinabi ni Fr. Reyes na ang Senado ay puno ng Hudat at nagmamay-ari na nangangailangan ng exorcism. "Siya (Cayetano) ay napo-possessed. Dapat siyang pagsabihan," sabi ni Fr. Reyes. "Ang kababaang-loob ay ang numero unong kinakailangan sa pagtawag sa pangalan ng Diyos," dagdag niya.

Binanggit ni Reyes ang boycott ng mayoryang senador at ang pagkawala ni Sen. Bato Dela Rosa na anim na buwan nang absent ngunit nakatanggap pa rin ng kanyang suweldo.

Pinaalalahanan niya si Senador Alan Cayetano at ang iba pang senador na ang sambayanang Pilipino ang nagbabayad ng kanilang suweldo.

Iniskor ni Reyes ang dating majority bloc na ngayon ay minority bloc sa Senado dahil sa hindi pagtupad ng kanilang constitutional mandate.

"I think Sen. Alan Peter Cayetano is possessed. Some evangelical pastor are thinking of how to pray over Senator Cayetano," sabi ni Reyes.

Iminungkahi niya ang isang panalangin para sa pagpapalaya dahil ang Senado ay nasaan na ngayon. Sinabi ni Fr. Reyes asked whether a case has been filed against an absentee Senator. "The Senate President does not own the Senate. It's been a joke that Senator Alan Cayetano might have brought home the Senate mace," he said.

Naalala niya noong 1982, nangampanya si Alan Peter Cayetano para kay Chito Gascon na maging Presidente ng Student Council. Binigyang-diin niyang naging "Senatroll" na si Senador Alan Peter Cayetano. "Si Alan Peter na ang number 1 destabilizer. Pina-destabilize niya ang Senado at ang bansa.

Sinabi ni Bishop Gilbert Garcia, ng Iglesia Filipina Independente, na dapat bumalik sa trabaho ang Senado para makatulong sa taumbayan.

"Naniniwala kami na ang mga tao ay dapat maging mapagbantay na kung ang lipunan ay walang kalayaan sa pagpapahayag, ito ay para sa paghatol," dagdag niya.

Ayon naman kay Dr. Melba Padilla Maggay, ng ISACC, Tagapagsalita ng Kingdom Keepers, hindi nila pinaniniwalaan na hindi nagmamalasakit ang Simbahan sa mga nangyayari sa Senado.

"Ang paghihiwalay ng Simbahan at Estado ay gayon na hindi sila nagmamalasakit sa isa't isa ngunit nagmamalasakit sila sa nangyayari sa lipunan. Ito ay kalayaan sa pagpapahayag ng bawat denominasyong panrelihiyon," ani Dr. Maggay.

"Naniniwala kami na dapat maging mapagmatyag ang mga tao upang kung ang lipunan ay walang kalayaan sa pagpapahayag, ito ay haharap sa paghuhusga," dagdag niya.

"Ang aming grupo na Kingdom Keepers ay nagkakaisa na ngayon upang hanapin ang katotohanan at hustisya, lalo na sa impeachment ni VP Sara," sabi ni Dr. Maggay.

"Kami, mga tagasunod ni Kristo mula sa tradisyong Katoliko, Ebangheliko, at pangunahing Protestante, ay nagsama-sama bilang mga indibidwal at organisasyon upang ipahayag ang aming tinig laban sa paggamit ng pangalan ng Panginoon nang walang kabuluhan," sabi nila sa kanilang pahayag.

"Kinokondena namin ang paggamit ng relihiyosong pananalita at Kasulatan upang ipako ang sarili sa itaas ng kritisismo at lumitaw na nasa panig ng Diyos."

Agarang konsultasyon

NASA panahon na tayo ng pag-uulan at hindi naman maikakaila ang kaakibat na iba't ibang sakit. May tinatawag nga na W.I.L.D. diseases ang Department of Health na kalimitan ay tumataas ang kaso sa ganitong panahon. Ito ay ang water-borne diseases, influenza-like illness-

es, leptospirosis, at dengue. Ang kagawaran ay hindi nagkukulang sa pagpapaalala hinggil dito lalo na sa mga sakit na leptospirosis at dengue. Mayroon namang mga pamamaraan para makaiwas sa mga sakit na ito subalit dapat ay sinasamahan ng disiplina. Sa kabila ng pag-iwas at tamang disiplina subalit nadapuan pa rin ng sakit ay kailangan ang agarang konsultasyon sa mga manggagamot upang makaiwas sa mga posibleng komplikasyon sa kalusugan.

The 500 pesos that started the better days

Flashback to the height of the COVID-19 pandemic in 2020, when uncertainty became part of everyday life: jobs were lost, movements were restricted, and many families struggled to make ends meet. Rose Ann Toledo and her partner were among them. Both resigned from work because her partner has hypertension and was highly vulnerable to the virus. With no stable income, they had to think of practical ways to survive.

One day, while rushing to the public market, Rose noticed a PHP 500 bill lying on the pathway. She looked around and waited, hoping the owner might come back for it, but when no one came searching, she picked it up. A blessing from heaven, she thought. At the time, it felt like unexpected help.

Instead of spending it on food or daily expenses, Rose and her partner came up with an idea to generate income from it. Cloth face masks were in high demand during that season, so they decided to invest the PHP 500 in buying fabric. Their neighbor, who is a tailor, helped stitch the masks. Rose posted the finished products online, and they quickly sold out. From that small capital, they generated more than a hundred thousand in gross income. Their small project also provided income to their neighbor, who had helped sew the masks.

"It was unbelievable," Rose recalls. "We made income online because of a simple idea and that 500-peso blessing from heaven." But they didn't stop there. The same year, they reinvested that earning and began selling rebranded cosmetics products online. They ordered supplies from manufacturers and partnered with a printing company to produce labels. After selling their first batch, they purchased a small inkjet

printer so they could print labels themselves and reduce costs.

That printer opened another opportunity.

Since their cosmetics products had no boxes, Rose designed packaging using a graphic design web app, printed it on photo paper, and cut and assembled the boxes manually. Realizing they could also offer it as a service to others, they posted their samples on Facebook Marketplace, offering customized boxes for other small businesses.

And there were orders. Although it started small: three pieces, five pieces, ten pieces. While many competitors required a minimum order of 1,000 pieces, they accepted as few as 100 to 150 pieces. This approach attracted startup businesses in need of affordable packaging, which in turn led them to officially launch their printing and packaging service in 2021.

Soon enough, the demand grew, and so did their capacity. Rose, a client since 2019 of CARD SME Bank, Inc., a thrift bank under CARD Mutually Reinforcing Institutions (CARD MRI), took out a loan to purchase additional machines. This enabled them to expand production and accept larger orders.

They soon expanded into large production printers that accommodate bulk orders. Today, they fulfill orders reaching up to 100,000 pieces and serve clients nationwide. Their business, which they dearly named Better Days Packaging and Printing Services, now focuses on digital printing services, including boxes, stickers, soft boxes, layout services, and other packaging needs. They currently have eight full-time staff, one part-timer, and bring on seasonal project-based employees as needed. The journey was not without

challenges. Managing and training young staff required patience. Yet they remained transparent and open-minded with them. There were also months when sales were slow. But to address this, they attended seminars and conventions, shared their calling cards, and continuously improved their materials and equipment. They have now upgraded from photo paper to foldcote materials.

Beyond business, they also give back to the community by supporting a reading center for children in Biga, Silang, Cavite. They regularly take part in quarterly donation drives and fun-run-for-a-cause outreach programs organized by a Cavite-based organization.

Looking back, Rose remembers how difficult the beginning was, emotionally and financially. They had limited resources and no vehicle. "You can start small if you really want to start a business," she said, reflecting back on their experiences. She shared that transitioning from an employee mindset to a business mindset indeed requires risk and discipline. "Don't expect that starting a business is the end of the journey. The real question is how you will keep it alive and

sustaining," she emphasized. When Rose was asked for her advice for fellow entrepreneurs, she advised them to continue learning and remain open to new ideas. "Never stop improving yourself," she shared. "Because your growth drives the growth of your business." She also advised managing finances properly and recording all cash flows.

For over seven years as a client, CARD MRI recognized her discipline and great business performance. She was awarded with Gawad Malikhain during the Pagkilala sa Mga Likha Ni Inay 2025, an event organized by CARD MRI that honors microentrepreneurs who showcase resilience, dedication, and positive community impact.

The 500 pesos she found during the pandemic may have been unexpected, but what followed was the result of practical decisions, reinvestment, and consistent effort.

She believes success is not just about receiving an opportunity. It is also about making the most of it and sustaining it through hard work and openness to growth. (Jireh Pearl T. Casionan, Junior Writer)

Litung-lito na ba kayo?

NAKAKAHABAG na ang ilang kababayan natin dahil labis na naguguluhan. Hindi naman maikukubli ang mga pangyayari sa ating bansa na nagresulta ng kalituhan sa maraming Juan dela Cruz.

Lalo na kung ang pangyayari ay may kaugnayan sa usaping pambatas o legal issue. Haharap sa camera ang ilan at magbibigay sa media ng kanilang mga pananaw.

Sa kabila na hindi naman mga abogado ay dumadakdak kahit pa tungkol sa legal na usapin. Ganoon din sa social media.

Ang nakakapagpalito lalo ay kung tunay ng mga abogado na ang nagsasalita kaya nga lamang ay magkakasalungat ang kanilang mga pahayag. Doon pumapasok ang katanungan ng maraming Juan dela Cruz na kung sino ba

sa mga abogado ang kanilang paniniwalaan. Nahahati ang mga pananaw dahil ang mga abogado nagasalita ay may pinapanigan. Sa hanay naman ng mga nakikinig ay nagmimistulang bingi kapag hindi pabor sa pahayag ng mga abogado.

Kung kaalyado naman ay tila musika sa kanilang pandinig ang binibitiwang salita ng mga abogado. Masaklap na katotohanan sa kabila na alam naman ng mga nakikinig kung sino ang nagsasabi ng totoo sa hanay ng mga abogado. Pero napakarami pa ring Juan dela Cruz na walang kulay o kinakampihan kaya ang katanungan natin ay litung-lito na ba kayo?

Ako, sobrang nalilito pero hindi sa mga kaganapan o isyu sa pulitika o bansa. Tatalakayin po natin sa mga susunod.

DOST strengthens Mindanao textile industry with launch of first Regional Yarn Production and Innovation Center

KABACAN, Cotabato

— The Department of Science and Technology–Philippine Textile Research Institute (DOST-PTRI), in partnership with the University of Southern Mindanao (USM), officially launched the Regional Yarn Production and Innovation Center (RYPIC) in Kabacan, Cotabato on June 5, 2026, marking a significant milestone in the development of Mindanao's textile industry. As the first facility of its kind in Mindanao and the fourth in the country, RYPIC is expected to improve access to locally produced yarn, strengthen regional textile production, and create new economic opportunities for farmers, weavers, and rural communities across the island.

DOST Secretary Dr. Renato U. Solidum Jr. described the facility as a major step toward decentralizing innovation and bringing technology-driven development closer to communities. He noted that the establishment of RYPIC demonstrates the commitment of DOST-PTRI under the FRONTIER Program to strengthen local industries through regional innovation hubs, enabling communities to benefit directly from science and technology interventions.

The center addresses a growing demand for yarn in SOCCSKSARGEN, which DOST-PTRI data identifies as one of the country's leading regions in handloom weaving communities and practicing weavers. Strategically located in Cotabato, the facility is positioned to serve weaving communities across SOCCSKSARGEN, Northern Mindanao, the Davao Region, and the Zamboanga Peninsula.

According to DOST-PTRI Director Dr. Julius L. Leaño Jr., the launch of RYPIC is not only about establishing infrastructure but also about developing a textile innovation ecosystem that connects fiber producers, yarn manufacturers, weavers, researchers,

local governments, and industry stakeholders. He emphasized that the initiative combines technological innovation with the region's rich textile traditions, creating a foundation for sustainable growth while preserving cultural heritage and supporting local livelihoods. The facility is expected to become a critical link in the region's growing textile value chain. Fiber sources include pineapple leaves from plantations in Polomolok, South Cotabato; abaca from Lake Sebu; and cotton from farms in Sarangani Province, all processed through the Natural Textile Fiber Innovation Hub in Tacurong, Sultan Kudarat. By transforming agricultural by-products into valuable textile materials, the initiative promotes circular economy practices while opening additional income streams for farming communities. Farmers can now derive value not only from their primary agricultural products but also from materials that were previously considered waste.

DOST Undersecretary for Regional Operations Engr. Sancho A. Mabarrang highlighted the broader socioeconomic impact of the facility, noting that its annual production capacity of approximately 13 tons of natural textile fiber blended yarns can help generate sustainable livelihood opportunities for rural communities throughout SOCCSKSARGEN and the rest of Mindanao. He underscored that the initiative demonstrates the growing competitiveness of Philippine natural textile fibers and their potential to meet both local and international market demands.

The project is expected to directly benefit farming groups such as the POLO Multi-Purpose Cooperative and Sta. Cruz Multi-Purpose Cooperative, while supporting approximately 1,982 handloom weavers across Mindanao through improved access to locally produced yarn.

The activity was attended by Board Member Kerby Salazar, who joined the community in supporting the delivery of essential

Further strengthening the region's textile industry, DOST-PTRI is also advancing the development of a bamboo textile fiber facility in Maramag, Bukidnon. The upcoming facility will process underutilized bamboo species into textile fibers, complementing the operations of RYPIC and expanding the range of sustainable raw materials available for yarn production.

Once fully operational, the center is projected to produce between 50 and 75 kilograms of yarn daily, equivalent to approximately 270 meters of handloom-woven fabric measuring one meter in width. With yarn valued at around ₱1,800 per kilogram, the facility is expected to generate between ₱25 million and ₱72 million in annual revenue while reducing dependence on imported yarn and stimulating greater weaving activity throughout Mindanao.

Through investments in regional innovation infrastructure, sustainable fiber development, and community-based production systems, RYPIC represents a significant step toward building a resilient Philippine textile industry that creates opportunities from farm to fabric while empowering communities across Mindanao. **(Nelson Santos)**

LGUs, Business Leaders Highlight CALAX Subsection 3's Role in Driving Growth

The economic landscape of Cavite is poised for greater growth following the opening of the Cavite-Laguna Expressway (CALAX) Subsection 3, extending the expressway to Governor's Drive Interchange in General Trias City.

With CALAX now spanning 26 kilometers from Mamlasan, Biñan, Laguna to General Trias, Cavite, local government officials and business leaders cited the project's role in improving connectivity, attracting investments, and creating new opportunities for businesses and communities. Florencio Ayos, President of the GenTri Business Club, said the new subsection is a long-awaited development that cuts travel time between Laguna and Cavite's industrial hubs to just 26 minutes.

"We are no longer a destination that is hard to reach — we are now a city that is impossible to ignore. Infrastructure is not just about roads; it is about opening doors for every Filipino entrepreneur. General Trias is now better positioned than ever to attract investments, generate employment, and build a more resilient economy," Ayos stated.

General Trias City Mayor Luis

"Jon Jon" Ferrer IV described the new interchange as 'a gateway to greater opportunities' that positions the city as a thriving center of industry. "Habang patuloy na lumalago ang General Trias bilang sentro ng industriya at kaunlaran, mahalaga ang proyektong tulad nito upang mas mailapit ang mga oportunidad sa ating mga kababayan," said Mayor Ferrer.

The positive outlook was echoed by Dasmariñas City Mayor Jennifer Barzaga, who emphasized that the expressway enhances access to commerce, education, and tourism.

"Ang proyektong ito ay hindi lamang tungkol sa bagong kalsada, ito ay tungkol sa mas magandang kalidad ng buhay. Ang CALAX ay simbolo ng patuloy na progreso at ng ating sama-samang pangarap para sa isang mas maunlad, mas konektado, at mas maaliwalas na kinabukasan para sa bawat mamamayan," Mayor Barzaga noted.

Barangay Adlas (Silang) Captain Joelito Generoso highlighted the project's impact on local development. "Napakalaking benepisyo ng pagbubukas ng CALAX Governor's Drive. Nagkaroon

ng oportunidad sa negosyo, pagbubukas ng mga bagong trabaho, at pagtaas ng presyo ng lupa. Pinalakas din nito ang turismo at transportasyon ng mga kalakal," Barangay Capt. Generoso said.

Meanwhile, Barangay San Francisco (General Trias) Captain Ryan Santor pointed to the long-term benefits of improved accessibility. "We believe that the opening of CALAX SS3 will bring lasting benefits to nearby communities through improved connectivity, increased investments, and easier transportation of goods and services," said Barangay Capt. Santor.

Beyond improving travel, the opening of CALAX Subsection 3 is expected to strengthen trade, support business expansion, and enhance Cavite's competitiveness as an investment destination.

CALAX is an MPCALA Holdings Inc. project with the Department of Public Works and Highways (DPWH) as project grantor.

MPCALA Holdings Inc., the developer and operator of CALAX, is a subsidiary of the Metro Pacific Tollways Corporation (MPTC), the toll road arm of the Metro Pacific Investments Corporation (MPIC).

ENDURING LEGACY FROM THE ASHES: Mekení leads business sector in unveiling Mt. Pinatubo commemorative marker

CLARK FREEPORT ZONE, Pampanga — A commemorative marker honoring the 1991 eruption of Mt. Pinatubo was unveiled at the Clark Parade Grounds, marking the 35th anniversary of one of the most defining natural disasters in Philippine history and highlighting a shared story of resilience, recovery, and regional transformation. The marker was jointly initiated by the Holy Angel University–Center for Kapampangan Studies (HAU-CKS), the Clark Development Corporation (CDC), the Department of Science and Technology–Philippine Institute of Volcanology and Seismology (DOST-PHIVOLCS), and Mekení Food Corporation, which represented the business sector of Central Luzon during the ceremonial unveiling. Former President Gloria Macapagal-Arroyo led the

guests of honor, alongside CDC President and CEO Agnes VST Devanadera, representatives from the local governments of Angeles City and Mabalacat City, and partners from academia, science, and the private sector. Mekení Food Corporation President Pruds Garcia represented the business community, underscoring how the Pinatubo eruption reshaped not only the landscape of Central Luzon but also the trajectory of businesses that would later become drivers of its recovery. Founded as a small backyard enterprise in Pampanga, Mekení was among the many local businesses severely affected by the eruption and its aftermath. However, the crisis also became a turning point that redefined its mission, transforming survival into service, and rebuilding into purpose-

driven growth. From these beginnings, Mekení evolved into a nationally recognized food manufacturing company, while maintaining deep roots in community development and regional pride. In his statement, Garcia emphasized that the story of Mt. Pinatubo is inseparable from the story of Central Luzon’s resilience, noting that the disaster “became both a test and a catalyst” for businesses that chose to rebuild not only operations but also lives and communities. Today’s unveiling of the commemorative marker serves as a collective remembrance of the eruption’s impact, while also recognizing the enduring legacy of recovery efforts that followed, anchored on collaboration between government, academia, science institutions, and the private sector. Beyond remembrance, the initiative also highlights

renewed opportunities for collaboration in heritage tourism, public education, and strategic communications, as Clark continues to position itself as a hub for history, innovation, and sustainable development. For Mekení, participation in the project reinforces its continuing commitment to be more than a business success story. It stands as a living example of how adversity can shape long-term purpose, where growth is measured not only in scale, but in contribution to community rebuilding and regional identity. As Central Luzon reflects on 35 years since Mt. Pinatubo’s eruption, the commemorative marker stands as a lasting symbol: from the ashes of devastation rose a shared legacy of resilience, with stories like Mekení’s serving as enduring proof that rebuilding can become a foundation for legacy.

SC UNVEILS HISTORICAL MARKER, PLAQUE FOR 125th ANNIVERSARY

MANILA, Philippines — The Supreme Court of the Philippines officially unveiled a historical marker from the National Historical Commission of the Philippines (NHCP) on June 5, 2026, at the Supreme Court New Building in Padre Faura, Manila, as part of the celebration of the Court’s 125th Anniversary. The unveiling ceremony was led by Chief Justice Alexander G. Gesmundo together with Associate Justices Alfredo Benjamin S. Caguioa, Amy C. Lazaro-Javier, Rodil V. Zalameda, Jose Midas P. Marquez, and Raul B. Villanueva. Also present during the event were Manila Mayor Francisco ‘Isko Moreno’ Domagoso, NHCP Commissioners Lisa Guerrero Nakpil, Maria Eloisa P. De Castro, and Francis M. Navarro, as well as University of the Philippines Manila Chancellor Dr. Michael L. Tee. The NHCP grants historical markers to sites, institutions, structures, individuals, and events with significant historical and cultural value. The installation of the marker officially recognizes the Supreme Court New Building as an Important Cultural Property, safeguarding it from exportation, modification, or demolition. Originally constructed between 1928 and 1930 as the main library of the University of the Philippines, the building was designed by renowned Filipino architect Antonio Toledo in the neoclassical tradition. Following the transfer of UP to Diliman in 1949, the

structure became home to the Department of Foreign Affairs until it was renovated and formally designated as the new seat of the Supreme Court in 1991. The historical marker chronicles the evolution of the Supreme Court since its formal establishment through Act No. 136 on June 11, 1901, under the leadership of the first Chief Justice, Cayetano Arellano. The Court’s early sessions were held at the Audiencia building in Intramuros before relocating to the Ayuntamiento building in 1938. Following the destruction of the Ayuntamiento during World War II, the Court temporarily transferred to the Budget Commission building, now known as Mabini Hall, in Malacañang. In succeeding decades, the Court occupied Villamor Hall at UP Manila, now referred to as the Supreme Court Old Building, which currently houses the Office of the Court Administrator and the Judiciary Memorabilia Hall. Adjacent to it is the Centennial Building, completed in 2002 and designed by Palafox Associates, which accommodates several key support offices of the Court. Speaking on behalf of the Court, Justice Raul B. Villanueva emphasized that the historical marker symbolizes the enduring role of the judiciary in Philippine democracy. “The marker serves as a constant reminder that the Court is not merely a majestic building, but a continuity of

principle that has outlasted regimes, wars, and even the destruction of the very buildings where it once sat,” Justice Villanueva said. He further underscored the Supreme Court’s role in safeguarding democracy, protecting constitutional rights, and ensuring the rule of law. “Every landmark decision, doctrine, and legal precedent handed down from this Court has woven itself into the very fabric of the Republic, giving citizens the assurance that justice prevails over might,” he added. Supreme Court Spokesperson Atty. Camille Sue Mae L. Ting likewise reflected on the institution’s resilience through generations of justices and reforms. “Through the years, the Supreme Court has faced both progress and challenge—from war and occupation to periods that tested its independence. Yet, it endured,” Atty. Ting stated. She also highlighted the Court’s continuing reforms under the Strategic Plan for Judicial Innovations 2022–2027 (SPJI), aimed at improving efficiency, accessibility, and innovation in the justice system for all Filipinos. “These markers are more than reminders of our past. They remind us of the responsibility we carry today and the legacy we leave for tomorrow,” she said. NHCP Executive Director Carminda R. Arevalo, in her message, emphasized the enduring trust of the Filipino

people in the Supreme Court throughout its 125-year history. “Sa loob ng 125 taon, nanatiling matibay ang tiwala at paggalang ng mga Pilipino sa Korte Suprema bilang pangunahing tagapagtaguyod ng Saligang Batas at tagapangalaga ng katarungan,” Arevalo said. During the ceremony, the Certificate of Transfer and Acceptance of the Historical Marker was formally signed by Supreme Court Clerk of Court En Banc Atty. Marife M. Lomibao-Cuevas and NHCP Executive Director Arevalo, witnessed by Atty. Ting and NHCP Deputy Executive Director for Programs and Projects Alvin R. Alcíd. Chief Justice Gesmundo and the Associate Justices also unveiled the Supreme Court 125th Anniversary commemorative plaque, which designates the Supreme Court New Building as the Court’s principal seat from 1991 to the present and honors the Chief Justices and current members of the Supreme Court En Banc who have served there. The unveiling ceremony forms part of the year-long celebration of the Supreme Court’s 125th Anniversary under the theme, “SC: 125 Years of Tradition and Innovation,” highlighting the Court’s commitment to preserving the rich history and heritage of the Philippine Judiciary while continuing to advance judicial reforms and public service. Habang pinaigting na mas palakasin ang programa sa grassroots development, naghahanda ang Philippine Amateur Baseball Association para sa isang serye ng mga internasyonal na kompetisyon, exposure, at hosting para sa mga miyembro ng national team.

"Napaka-busy na taon ito," sabi ni PABA secretary-general Mike Asuncion sa lingguhang Philippine Sportswriters Association Forum sa media room ng Philippine Sports Commission.

Una sa lahat ay ang Baseball Federation of Asia Under-12 Asian Baseball Championship sa Guali, China mula Agosto 9 hanggang 15 kung saan haharapin ng Pilipinas ang mga koponan mula sa Japan, China at Pakistan sa kanilang grupo, at posibleng labanan ang Chinese Taipei, South Korea, Hong Kong at Thailand mula sa kabilang grupo.

Susunod naman ay ang BFA Under-18 Asian Baseball Championship sa Taipei City, Taiwan mula Setyembre 7 hanggang 13, laban din sa mga malalakas na koponan tulad ng Japan, Chinese Taipei at South Korea.

Ang koponang pambabae ng Pilipinas ay gumagawa rin ng kasaysayan habang nakikipagkompetensya sa WBSC Women's Baseball World Cup sa unang pagkakataon.

Ang pinakamataas na antas ng kompetisyon sa baseball para sa kababaihan ay gaganapin mula Hulyo 19 hanggang 25 sa Tainan, Chinese Taipei, na susundan ng ika-20 Asian Games sa Nagoya mula Setyembre 19 hanggang Oktubre 4.

Ang koponan ng kalalakihan ng Pilipinas ay pupunta sa Asian Games bilang kasalukuyang kampeon sa SEA Games. Naghahanda rin ang Pilipinas na mag-host ng East Asia Baseball Cup mula Nob. 24 hanggang Dis. 6, sana sa bagong-anyong Rizal Memorial Baseball Field.

Bukod dito, magpapadala ang Pilipinas ng isang delegasyon ng mga manlalaro na 11 taong gulang bababa sa ika-32 World Children

Philippine Rowing team nag uwi ng gintong medalya sa bansa matapos ang Asian Rowing Beach Sprint Championships

Hindi na kinailangang maghintay nang matagal ng mga miyembro ng Philippine rowing team na nag-uwi ng mahahalagang medalya mula sa kamakailang Asian Rowing Beach Sprint Championships sa Pattaya, Thailand para matanggap ang cash incentives mula sa Philippine Sports Commission.

"Karapat-dapat silang makatanggap ng gantimpala na ito," sabi ni PSC chairman at dating presidente ng Philippine Rowing Association na si Patrick Gregorio na kasama si commissioner Fritz Gaston ay inanunsyo ang mga incentive para sa team na nanalo ng tatlong gintong medalya, isang pilak at isang tanso sa event na dinaluhan ng entries mula sa labindalawang bansa.

Sinabi ni Gregorio na inaprubahan ng board ng PSC ang cash incentives na nagkakahalaga ng P100,000 para sa bawat ginto, P50,000 para sa pilak, at P25,000 para sa tanso.

Si Emman Pilar, isang 13-taong-gulang, 5-talampakang-11 mula sa Ternate, Cavite, ay nanalo ng dalawang gintong medalya sa Under-16 Coastal Men's Solo event at Under-16 Coastal Men's Double Sculls kasama si Kyle Olano.

Nanalo rin ng gintong medalya sina Ayanna Huerto at Khayzie Caviltes sa Under-19 Coastal Women's Double Sculls.

Umuwi si Math Jugadora na may silver medal sa Under-19 Coastal Men's Solo. Nakakuha naman ng bronze medals sina Feiza Lenton at Amelyn Pagulayan sa Coastal Women's Double Sculls.

Sabi ni Pillar na sobrang masaya siya na tinanggap niya ang tawag na sumubok ng rowing, dagdag pa na pumunta siya dahil akala niya susubukan niya ang 'drawing.'

Sinabi ni PSC executive director Atty. Guillermo Iroy na ang mga coach, kasama na sina Olympians Ed Maerina (1988) at Benjie Tolentino (2000), at si Maricon Fornea, ay makakatanggap ng tig-P50,000.

"Itong incentives na ito ay para naman hindi lang medalya ang

maiuwi nila sa mga pamilya nila. Karapat-dapat lang," dagdag pa ni Gregorio sa isang special segment ng Philippine Sportswriters Association Forum sa PSC media room.

"Talagang binabati namin ang ating mga manlalaro. Napaka-exciting ng mga panahong ito para sa rowing ng Pilipinas. Marami pang medalya ang darating," sabi ni Gaston, na inatasan na alagaan ang larangan ng rowing para sa PSC.

Sinabi ni Gregorio, na naging presidente ng rowing noong 2020 at nagbitiw sa posisyon matapos niyang maging chairman ng PSC noong Hulyo ng nakaraang taon, na ang mga nagwaging rowers ay produkto ng kanilang grassroots program sa Ternate, kung saan nagtayo sila ng rowing academy tatlong taon na ang nakalipas.

"Nagdala kami ng mga bangka sa Ternate at since taga Tanza, Cavite si coach Benjie, siya ang na-assign na mangasiwa ng programa doon. Humanap kami ng mga bata at narito na sila ngayon," sabi ni Gregorio.

"Mga anak 'to ng mga mangingsida. Dati, eskwela lang at lakad-lakad sila pero ngayon, nakasuot na sila ng gintong medalya at ng bandera ng Pilipinas sa kanilang mga damit. Talagang sobrang saya ko mula sa kaibuturan ng puso ko," dagdag pa niya.

Bumuhay si Jordan Heading para sa TNT habang pangunahan niya ang 106-98 na panalo ng koponan laban sa Ginebra sa Game 4 ng PBA Commissioner's Cup Finals sa harap ng 16,823 na tagahanga sa Smart Araneta Coliseum nitong Miyerkules ng gabi.

Halos nadoble ni Heading ang kanyang kabuuang puntos sa unang tatlong laro ng serye habang nakapuntos siya ng 29 na puntos sa 11 sa 20 na field goal, kasama ang 5 sa 7 sa three-pointers, mula sa bench.

Ang matamis na shooting guard ay nagpakita rin ng solidong all-around na laro na may anim na rebounds at walong assists habang umaasa ang Tropang 5G sa kanilang depensa sa ikatlong quarter, hinahawakan ang Gin Kings sa 15 puntos lamang, para makuha ang kontrol ng laro.

Katulad ng karaniwang nangyari sa unang tatlong laro, nagkaroon

ng pagkakataon ang Ginebra sa clutch, lalo na nang mapalapit sila ni RJ Abarrientos sa anim, 98-104, sa natitirang 31 segundo sa pamamagitan ng dalawang free throw.

Gayunpaman, nakalusot ang TNT sa full-court press ng Ginebra, at pinatay ni Calvin Oftana ang laro sa dalawang libreng tira na natira pang 18 segundo.

Nagdagdag si Chris McCullough ng 24 na puntos, 14 na rebounds, limang assists, at dalawang blocks habang nirekap ng Tropang 5G ang serye ng best-of-seven sa 2-2.

Si Justin Brownlee, na kakakuha lang ng Best Import award, ang nanguna sa Gin Kings na may 32 puntos sa 10 sa 17 tirada, kabilang ang perfect na 2 sa 2 sa mga four-point shots, limang rebounds, at limang assists.

Si Abarrientos, na kanina ay pinarangalan bilang Best Player of the Conference, ay nakapagdagdag ng 21 puntos mula sa 8-for-14 na field goals, isang rebound, at apat na assists, pero napigilan siya sa apat na puntos lang sa ikalawang kalahati.
