USAPING PAMBANSA SA ACPSSI, TINALAKAY

Sa Media Forum na pinangunahan ni Daniel Long, kasama sina Ado Paglinawan, Vice President for Internal Affairs of ACPSSI,
sinabi ng Pangulo ng ACPSSI ni Herman "Ka Mentong" Tiu Laurel na ang bansa ay Nasa Pagitan ng Alanganin at Panganib.
Ang Pilipinas sa ilalim ni Bongbong Marcos ngayon ay naiipit sa pagitan na siyang hegemonikong Estados Unidos ng Amerika at ng Malalim na Dagat ng Isang Umuusbong na Tsina na sinabi ng diplomatikong taga-Singapore at dating pangulo ng U.N. Security Council na si Kishor Mahbubani na hindi na mapipigilan ng sinumang partidong naghahangad na pigilan ito.
Noong 2020, inilathala ni Kishor Mahbubani ang librong "Has China Won? The Chinese Challenge to American Primacy." Siyam na taon bago ang librong iyon, napansin na ng U.S. ang Pag-usbong ng Tsina at ang hamon na idinudulot nito na nag-udyok sa pagbabago ng direksyon at sa anunsyo ni Obama ng "Pivot to Asia" ng Amerika upang ilipat ang 60% ng mga pwersang militar nito sa Asya-Pasipiko.
Mula nang maganap ang "Pivot to Asia," pinag-aklas ng U.S. ang tatlong kliyenteng estado nito na Hapon, Pilipinas, at Timog Korea ng mga senaryong pampulitika upang magtanim ng mga isyu ng "lawfare" laban sa Tsina: ang nasyonalisasyon ng Hapon sa mga Isla ng Diaoyu, ang pagsampa ng Pilipinas sa malisyosong "kaso ng arbitrasyon," at ang pagtatapos ng Timog Korea sa "Sunshine Policy" nito sa Hilaga.
Noong 2017, sinimulan ng U.S. ang Trade War 1.0 sa ilalim ng unang termino ni Pangulong Trump at ang unang malakas na ingay ay ang pag-aresto noong 2018 sa Chief Financial Officer ng Huawei na si Meng Wanzhou sa Canada sa kahilingan ng U.S. Noong 2019, ipinasok ng U.S. ang Covid 19 sa Tsina. Ipinagpatuloy ni Biden ang digmaan sa taripa laban sa Tsina na pinasidhi ng Trump 2.0.
Matapos ang digmaang pang-ekonomiya ng Trump 2.0 sa Tsina, ang depisit sa kalakalan ng U.S. dito ay nasa $202-bilyon pa rin noong 2025.
Sinimulan ni Trump ang Digmaan sa Iran noong Pebrero 28, 2026 upang limitahan ang suplay ng langis at enerhiya sa Kanlurang Asya patungo sa Tsina, ngunit ito ay nagbalik-wasak sa U.S.
Habang ang Tsina ay patuloy na umuunlad sa pamamagitan ng iba't ibang pinagkukuhanan ng enerhiya at lalo na ang mga sariling mapagkukunan ng nababagong enerhiya (renewable resources). Ang pandaigdigang kadena ng suplay at merkado ng Tsina ay nagmula sa patuloy na pagtatangka ng Amerika na pigilan at limitahan ang patuloy nitong pag-angat.
Mahbubani: Ang tunay na dahilan kung bakit hindi mapigilan ang Tsina.

Sa unang araw ng palihan, tinalakay ni Dr. Jose Evie G. Duclay ang introduksiyon sa proyekto ng KWF na pagbuo ng ortograpiya, kabilang ang henetikong ugnayan ng mga wika sa Pilipinas. Ipinakilala naman ng mananaliksik na si G. Rolien Mark M. Balisi ang International Phonetic Alphabet (IPA) at ginabayan ang mga kalahok sa pagtuklas ng mga tunog na ginagamit sa wikang Mënubù Dulángan at mga prosesong morpoponemiko.
Sa ikalawang araw, pinangunahan naman ng mananaliksik na si G. Christian DS. Nayles ang pagsulat ng mga kabanata ng ortograpiya, kabilang ang pantig at pagpapantig, pagbaybay na pabigkas at pasulat, at paggamit ng mga tuldik at bantas.
Ang Pagbuo ng Ortograpiya ng mga Wika ng Pilipinas ay isang patuluyang programa ng KWF sa ilalim ng Sangay ng Lingguwistika, Publikasyon, at Promosyon (SLPP) na naglalayong paigtingin ang dokumentasyon, pagpapaunlad, at pagsusulong sa paggamit ng mga katutubong wika sa Pilipinas.

Paghahanda sa tagtuyot

SA kabila ng nararanasang patuloy na pag-uulan ay hindi isinasaisantabi ang mga kaukulang hakbang o paghahanda sa banta ng panibagong tagtuyot mula sa El Niño.

Kung mararanasan ang panibagong tagtuyot ay direkta itong makakasakal o gigipit sa lokal na supply ng pagkain.

Mas matinding krisis din ang posibleng maidudulot nito sa pandaigdigang merkado at presyuhan ng bigas.

Ang pamunuan ng Department of Agriculture ay nagpalabas ng direktiba sa lahat ng kanilang ahensya para sa patuloy na pag-aayos at pagpapatatag ng mga El Niño response plan.

Isa sa nakikita para mabawasan ang epekto ng tagtuyot ay ang gagawing paggamit ng DA sa mga pinakabagong datos ukol sa panahon, suplay ng tubig, galaw ng merkado, at lagay ng pananim.

Cloud seeding, pagtatayo ng solar irrigation, paglilipat ng produksyon sa hindi apektadong rehiyon at iba pang mga hakbang ang isinasaalang-alang ng kagawaran.

Mahalaga rin ang direktang tulong-pinansyal na ilalaaan sa mga naapektuhang magsasaka.

Punlang pinalago ng sipag

Lumaki si Teresita D. Dita sa Sta. Maria, Laguna. Bagama't elementarya lamang ang natapos sa pag-aaral, maaga niyang natutuhang tumayo sa sariling mga paa. Maaga siyang naghanapbuhay sa pamamagitan ng pagluluto at paglalako ng mga kakanin sa kanilang bayan kasama ang kanyang ina.

Dahil sa kaniyang paglalako at sariling paggawa, naging pamilyar ang lasa ng kaniyang mga kakanin sa kanilang komunidad, at ang kaniyang kahusayan sa paggawa ng mga ito ay kinilala sa kanilang bayan. Sa katunayan, ang kaniyang sariling gawang suman ay dalawang beses na nagwagi sa Marilag Festival, isang pagdiriwang ng agrikultura at kultura sa Sta. Maria, Laguna.

Subalit nang siya ay nagkaroon na ng sariling pamilya, hindi na naging sapat ang kita ni Teresita sa kaniyang kakanin para sa pagpapalaki ng kanilang anim na anak. Upang mapagkasya ang kita, lakas-loob na pinasimulan niya, kasama ng kaniyang asawa, ang pagmamanukan at pagbebenta ng mga itlog nito. Naging matapang ang mag-asawa na ipinuhunan ang kanilang ipon upang masimulan ang kanilang unang negosyo.

At hindi naging madali ang mga unang araw ng pag-aalaga ng manok at paghihintay sa pangingitlog nito. Kailangan din nilang mamuhunan sa pagpapanatiling ligtas ng mga manok laban sa mga peste at virus na maaaring magdulot ng sakit sa kanila.

Subalit sa kanilang patuloy na pagsisikap, nakapagsusuplay na sila sa kanilang bayan ng mga itlog na nagkakahalaga ng PHP 280 hanggang PHP 290 sa bawat tray nito. Kasabay ng patuloy na pagtitinda ni Teresita ng kakanin, ang negosyong ito ang bumuhay sa kanilang pamilya.

Noong 2016, nakilala ni Teresita ang CARD, Inc. (A Microfinance NGO) at naging kliyente nito. Bilang isang bagong kliyente, kumuha siya ng kanyang unang loan na nagkakahalaga ng PHP 3,000 na siyang sumuporta sa kanilang paitlugan.

Taong 2021 naman, kumuha siya ng PHP 20,000 loan at nagdagdag ng isa pang negosyo: ang pagpapalago ng mga punla. Katulong ang kaniyang asawa. Nag-alaga sila ng mga punla ng lansones at ibinebenta ang mga ito sa halagang PHP 130 hanggang PHP 150 bawat isa.

Subalit tuwing tag-init, nagiging mahirap para sa kanila ang pag-aalaga ng mga ito dahil sa matinding init at mabilis na pagkatuyo ng lupa. Gayunpaman, patuloy nilang binantayan at diniligan nang mabuti ang mga punla. Patuloy nilang pinatubo ang mga ito kung kaya hindi natigil ang kanilang pagsu-supply hanggang sa makarating ang kanilang mga punla sa iba't ibang bahagi ng lalawigan ng Laguna at Batanggas.

Tulad ng kanilang mga manok na matiyagang nag-abang sa panahon ng pangingitlog, ang buhay ni Teresita ay unti-unti na ring nagbubunga. Lahat ng kanilang mga anak ay mayroon na ngayong sariling mga pamilya, at siya ngayon ay isa nang lola sa kaniyang walong apo. Kahit na narating na niya ang ganitong yugto ng buhay, patuloy pa rin niyang pinatatakbo ang kanilang negosyo.

Kalaunan ay kumuha muli ng PHP 50,000 na loan si Teresita na kanyang hinati-hati bilang working capital para sa kanyang tatlong negosyo upang matiyak ang patuloy na operasyon at paglago ng mga ito.

Sa ngayon, kumikita sila ng halos PHP 60,000 kada buwan mula sa pagdi-distribute ng mga itlog. Dahil kilala si Teresita sa mga masarap niyang kakanin, tuloy-tuloy ang kanyang paggawa ng mga pre-order nito kung saan siya kumikita ng PHP 2,000 kada batch ng order. Ang kanilang mga punla ng lansones ay kumikita naman ng humigit-kumulang PHP 20,000 buwan-buwan.

Sapat at kontento man ang buhay niya ngayon, ngunit para kay Teresita, ang pag-abot sa ganitong yugto ay bunga ng mahabang panahon na walang patid na sipag, at matiyagang pagpapahalaga at pagpapalago sa kung ano ang mayroon sila. ***(Jireh Pearl Casionan, Junior Writer)***

Nakakapanghinayang

NAIRAOS na ang espesyal na halalan kamakailan sa ikaapat na distrito ng Cavite, sa Dasmariñas City.

Tulad ng inaasahan ng higit na nakararami ay ang pagkakapanalo ni Jenny Barzaga.

Sa pagkakapanalong ito ay inasahan na rin ang mga negatibo at positibo na mga komento.

Hindi maiaalis iyan sa mga kwentuhan lalo na sa social media kaakibat ang magkabilang mga komento at pananaw.

Ilan sa mga negatibong puna ay hindi na umano natuto ang mga residente o botante roon.

Barzaga pa rin daw sa halip na kumuha o pumili ng iba at kung anu-ano pang negatbong komento.

Sa mga komento na positibo naman ay halos iisa ang tinutukoy na bunga ng maayos at magandang pamamalakad ang susi ng pagkakapanalo ni Jenny Barzaga.

Ang napakalaking bilang ng boto na natamo ay pagpapakita at pagpapatunay na siya ay tinatangkilik at mahal ng higit na nakararaming residente ng Dasmariñas City.

Para sa hindi nakakabatid bakit nagkaroon ng special election ay upang mapunan ang nabakanteng puwesto matapos ang pagpapatalsik noon ng Kamara kay dating Congressman Francisco 'Kiko' Barzaga.

Tingnan mo nga naman, nagkaroon noon ng botohan sa Kamara na nagresulta sa kapasyahang pagpapatalsik sa dating mambabatas.

Botohan naman ang naging kasagutan sa pamamagitan ng special election na hindi biro ang halagang nagasta rito ng gobyerno.

Milyones ang sinasabing iginugol sa nasabing espesyal na halalan na sadyang nakakapanghinayang.

Dahil kinatawan na ng ikaapat na distrito ng Cavite si Hon. Jenny Barzaga ay bago na ang alkalde ng lungsod sa katauhan ni Hon. Third Barzaga at ang bise-alkalde naman ay si Hon. Rudy Lara.

Cavite OFW families gain skills on food processing through livelihood training

The Provincial Government of Cavite, through the Office of the Provincial Cooperatlves Development Officer (OPCDO), conducted a livelihood training on food processing on August 25, 2026, at the Office of the Provincial General Services Office (OPGSO) Pantry Area of the New Provincial Government Center in Trece Martires City.

The training was attended by 40 family members of Overseas Filipino Workers (OFWs), who were provided with practical knowledge and skills in food processing as an avenue for additional income and livelihood opportunities.

The activity aimed to equip participants with basic food processing techniques that they can potentially apply in starting or expanding small-scale livelihood ventures. Through hands-on learning and practical demonstrations, the participants gained valuable skills that may help them develop food products for personal consumption or commercialization.

The initiative forms part of the Provincial Government's continuing efforts to empower OFW families by providing them with skills and opportunities that can contribute to their economic stability and self-reliance.

Through programs such as this, the PGC continues to support OFW families by promoting livelihood development and providing avenues for them to acquire practical skills that can translate into sustainable sources of income. — ***OPIO***

WeLoveU Holds 941st Worldwide Blood Drive in Dasmariñas

The blood drive helps save the lives of those in need of blood and promotes a culture of voluntary, non-remunerated blood donation

The International WeLoveU Foundation (Chairwoman Zhang Gil-jah, hereinafter referred to as WeLoveU), a global welfare organization, held the 941st Worldwide Blood Drive at Emilio Aguinaldo College Medical Center-Cavite (EACMC-C) in Dasmariñas, Cavite, on August 31. Through this blood drive, WeLoveU has helped people who need blood for surgery, childbirth, cancer treatment, and other types of medical care, contributing to the spread of a culture of voluntary non-remunerated blood donation.

The Worldwide Blood Drive is actively being carried out in the Philippines and many other countries, including the Republic of Korea, the United States, Peru, Colombia, Kenya, and Australia.

A representative from WeLoveU said, "The Worldwide Blood Drive is a life-sharing initiative that helps save people suffering from blood shortages, because blood can only be obtained through donation." He added, "To bring hope to our neighbors with the heart of a mother who loves her family, our members and citizens from Cavite and Laguna have come together without hesitation. We hope many people will be able to return to their happy everyday lives."

From the morning, a steady stream of people arrived at EAC Medical Center–Cavite to donate blood. They underwent a pre-donation health screening, including blood pressure checks and blood tests. 68 out of approximately 200 participants successfully donated a total of 29,716 mL of blood. A single blood donation can help save up to three lives. Therefore, their donations could help give the gift of new life to 204 people. EAC Medical Center–Cavite helped ensure that the entire blood donation process was carried out safely, contributing to the success of the Worldwide Blood Drive. It also provided refreshments for every donor.

At the opening ceremony held before the blood drive began in earnest, Dasmariñas City Councilor Fernando Laudato expressed his gratitude to the participants, saying, "I thank the International WeLoveU Foundation for conducting this meaningful act that gives life to those who are in need of blood." Dasmariñas City Bureau of Fire Protection SF03 John Bryan T. Añonuevo emphasized that blood is needed in various rescue situations happening in the community, and expressed his appreciation. Former Cavite 4th District Representative Francisco 'Kiko' Barzaga also graced the gathering and congratulated the Int'l WeLoveU Foundation for organizing such a meaningful initiative.

Juan Carlos De Jesus Faylona (20) said he was happy to take part in volunteer work for his neighbors. He smiled and added, "One person's blood donation can save the lives up to three people. So, I'm so excited and happy for being able to join this meaningful event through which I can practice a mother's love." John Edison Collado (30) pledged to volunteer again at future events, saying, "It's fulfilling to do something that benefits the community."

The Worldwide Blood Drive is a global life-saving movement that creates a virtuous cycle of sharing, where a small act of blood donation by one person spreads to two people, then four, and beyond. Since its launch in Korea in 2004, the blood drive has attracted over 151,000 participants in 67 countries, approximately 67,000 of whom have successfully donated blood (as of June 2026). The blood drive has potentially saved more than 200,000 lives. It has also been held regularly across the country since 2012.

In grateful recognition of its outstanding contributions, WeLoveU has received certificates of recognition from Emilio Aguinaldo College Medical Center – Cavite.

In addition to blood donation, WeLoveU actively carries out a wide range of welfare initiatives across the country. In June this year, WeLoveU repaired the typhoon-damaged school building at Biasong Elementary School in Talisay City, Cebu, and held an international cooperation seminar to discuss how to ensure sustainable education, based on the project. In August last year, WeLoveU renovated the restrooms at Camp Crame High School in Quezon City and conducted handwashing education to improve personal hygiene at Macabud Elementary School in Montalban, Rizal. This helped students lead healthier school lives.

WeLoveU's environmental welfare initiative called "Clean WORLD Movement," which aims to promote well-being by creating cleaner and more pleasant environments, has also been carried out in various locations across the country, including Seminary Road in Bahay Toro, Quezon City, and Tanza Marine Tree Park. In recognition of its dedicated efforts across a wide range of activities, WeLoveU has received certificates of recognition and appreciation from Secretary of Social Welfare and Development, Governors of Laguna and Oriental Mindoro, Member of the House of Representatives of the Philippines from Tarlac, Mayor of Quezon City, Director of the Philippine Red Cross (PRC) National Blood Services, and many others.

SSS marks 69th anniversary with stronger member protection, expanding services

QUEZON CITY, The Social Security System (SSS) marked its 69th Anniversary, reaffirming its commitment to protect Filipino workers and their families while strengthening the System's financial sustainability, expanding access to social security, and transforming the delivery of services.

Carrying the theme "Bawat Isa Protektado, Bawat Bukas Sigurado," the anniversary celebrates nearly seven decades of providing social security protection while looking ahead to the evolving needs of Filipino workers and their families.

During the 69th Anniversary Press Conference at the SSS Main Office in Quezon City, SSS President and Chief Executive Officer Robert Joseph M. de Claro presented the System's latest performance and key initiatives, highlighting the continued expansion of benefits, financial assistance, retirement savings, and digital services.

"For 69 years, SSS has been a steadfast partner of Filipino workers and their families, providing protection when they need it most. As we move toward our 70th year, we are focused on making that protection stronger, more accessible, and more responsive while ensuring that SSS remains financially sustainable for generations to come," de Claro said.

Finance Secretary and Social Security Commission (SSC) Chairperson Frederick D. Go underscored the importance of maintaining the SSS' financial strength to ensure that it can sustainably provide and expand social protection to more Filipino workers and their families.

"A stronger fund means a stronger capacity to pay pensions and benefits. It means greater assurance that when today's worker retires, or when hardship strikes a member's family, SSS will have the capacity to respond," he said.

₱205.56 billion released in benefits

From January to July 2026, SSS released a total of ₱205.56 billion in benefit payments to members, pensioners, and their beneficiaries.

Retirement and death benefits accounted for the largest share of Social Security benefit payments totaling ₱180.86 billion from January to July 2026. This included ₱110.83 billion for regular pensioners and ₱43.89 billion for survivor pensioners, covering 2.70 million and 1.23 million pensioners, respectively.

Pension reform strengthens retirement protection

SSS continues to implement the Pension Reform Program (PRP), the first multi-year pension increase program in SSS history.

Under the PRP, pensioners receive annual pension increases every September from 2025 to 2027. Retirement and disability pensioners received a 10% increase in their monthly pensions, while death and survivor pensioners received a 5% increase.

For 2026, SSS has disbursed approximately ₱6 billion in additional pension benefits to help pensioners cope with inflationary pressures and higher energy costs. The pension increase was released earlier in June as part of SSS' support for pensioners amid the national energy situation.

As of July 2026, the average basic monthly pension was ₱5,704, inclusive of the additional ₱1,000 benefit for Social Security pensioners and ₱1,150 for Employees' Compensation pensioners.

Contribution collections remain strong

Members' contributions reached ₱235.33 billion from January to July 2026, continuing to provide the primary funding base for SSS' benefit and service obligations.

During the period, SSS recorded ₱268.14 billion in total revenues and ₱212.64 billion in total expenditures, resulting in ₱55.50 billion in net revenue.

Operating expenses amounted to ₱7.09 billion, equivalent to 24.3% of the ₱29.22-billion charter limit, reflecting the System's continuing efforts to maintain prudent expenditure management.

₱1.29 trillion investment portfolio

SSS continues to maintain a diversified investment portfolio to support its long-term obligations and preserve the value of the pension fund.

As of July 2026, the System's total investment level stood at ₱1.29 trillion, with an annualized return on investment of 4.64%.

Government securities accounted for 49% of the portfolio, followed by equities at 14%, loans to members and pensioners at 13%, real estate at 12%, and corporate notes and bonds at 8%. The remaining investments were in bank deposits, externally managed funds, and mutual funds.

SSS manages its investment portfolio through prudent risk management and disciplined asset allocation to generate sustainable returns while safeguarding the pension fund.

Expanding financial assistance

In response to rising energy costs, inflationary pressures, and broader economic challenges, SSS has enhanced its loan programs to provide members with more accessible financial assistance during times of need.

The Enhanced Emergency Loan Program (ELP), which took effect on 1 May 2026, provides qualified members with access to up to ₱20,000 at an interest rate of 7% per annum, with a six-month repayment moratorium. The program also relaxed the contribution requirement from 36 to 18 months, provided that the member has at least six posted contributions within the last 12 months.

SSS has also rolled out the SSS Micro Loan Program, or SSS LoanLite, which provides qualified employed members with a fully digital option for short-term financial assistance through participating financial institutions.

UnionDigital Bank is the first participating financial institution to make SSS LoanLite available through its mobile application. Representatives of the other participating financial institutions, Rizal Commercial Banking Corporation (RCBC), Land Bank of the Philippines, UnionBank of the Philippines, and Standard Economics, were also present during the SSS 69th Anniversary Press Conference, underscoring the strong partnership between SSS and its financial institution partners. The other LoanLite partners will make the facility available through their respective digital platforms as their systems become ready.

Strengthening retirement savings

SSS is also expanding opportunities for members to build additional retirement savings through the Mandatory Provident Fund (MPF) and Pension Booster (PB).

As of July 2026, MPF contributions reached ₱263.12 billion from 9.18 million members.

The PB recorded ₱2.09 billion in contributions from 95,745 members, giving members another option to build additional retirement savings.

Expanding social security coverage

As of July 2026, SSS had 44.25 million covered members, including employed, self-employed, voluntary, and Overseas Filipino Workers.

The System also maintained 292 local offices nationwide and 30 foreign offices, allowing it to serve members in the Philippines and abroad.

SSS was likewise serving more than 1 million active employers, strengthening its partnership with employers in expanding and sustaining social security coverage.

Preparing for the future

SSS is developing new programs designed to respond to the evolving needs of its members.

Among these is the Energy Sustainability Loan Program, which will allow qualified members with Mandatory Provident Fund accounts to borrow up to ₱400,000 to install solar panel systems at home. The loan will be payable over seven years at an interest rate of 6% per annum.

SSS is also developing the Mandatory Provident Fund Loan and Pensioners' Card as part of its continuing efforts to expand financial and service options for members and pensioners.

Continuing 69 years of protection

The 69th Anniversary celebration will continue throughout September with activities recognizing SSS members, pensioners, employers, and partners.

Pensioners' Day on 11 September will honor the country's pensioners and highlight the importance of sustained social security protection in retirement.

The opening of the SSS Foreign Office in Madrid on 11 September will serve more than 70,000 Filipinos in Spain.

SSS Global Kabayan Day will be held in Hong Kong on 12 to 13 September and in Barcelona, Spain on 13 September to provide services and honor OFWs and pensioners.

The 2026 Balikat ng Bayan Awards on 21 September will recognize outstanding partners and stakeholders whose contributions have helped advance SSS programs and strengthen social security protection.

As SSS moves toward its 70th year, the System remains committed to strengthening its financial foundation, expanding social protection, and delivering services that respond to the changing needs of Filipino workers and their families.

Hydroponics Farming, Isinusulong sa mga Benepisyaryo ng NUPAP sa Bacoor City

Napalakas ang kapasidad ng 26 benepisyaryo ng National Urban and Peri-urban Agriculture Program (NUPAP) sa wastong paggamit, pamamahala, at pagpapanatili ng mga hydroponics system sa isinagawang Training on Hydroponics Farming Technology for Bacoor City NUPAP Beneficiaries noong Agosto 25-27, 2026, sa Bacoor City, Cavite.

Naisakatuparan ang programa sa pangunguna ng DA-Agricultural Training Institute (ATI) CALABARZON, katuwang ang Office of the Agricultural Services ng Bacoor City.

Layunin ng pagsasanay na maipakilala at maisagawa ang hydroponics bilang alternatibong paraan ng pagtatanim upang makatulong sa tuloy-tuloy na produksyon ng sariwa at masustansyang pagkain kahit limitado ang espasyo at lupang sakahan sa lungsod.

Kabilang sa mga kalahok ang mga operator ng urban garden sites sa ilalim ng HAPAG (Halina't Magtanim ng Prutas at Gulay) Program ng DA, mga kinatawan ng Gulayan sa Paaralan Program ng Department of Education (DepEd), at mga kinatawan mula sa iba't ibang samahan ng mga magsasaka sa lungsod.

Nagsilbing mga tagapagtalakay sa pagsasanay sina Bb. Delaiza R. Ganan, RAgr, Agricultural Technologist ng Bacoor City; Engr. John M. Mendoza, Training Specialist I ng DA-ATI CALABARZON; mga tekniko mula sa Bureau of Plant Industry (BPI) na sina Bb. Marife L. Laoagan, Engr. Bryan A. Ritual, at Engr. Kar Michael E. Gandeza; at G. Aldwin Declan C. Velazco, isang matagumpay na farmer-entrepreneur mula sa Silang, Cavite.

Sa pagtatapos ng pagsasanay, pinagkalooban ng DA-NUPAP CALABARZON ang mga kalahok ng hydroponic system upang matiyak ang tuloy-tuloy at produktibong urban gardening sa lungsod.

"Malaki po ang naitulong ng clear presentations sa pag-intindi namin para sa nalalapit na establishment, management, at development ng naka-plan na hydroponics system. Because of this, mas naging clear po sa amin kung paano mag-establish ng system na makakapagbigay ng sustainable supply ng fresh at nutritious vegetables sa community," pahayag ni Bb. Cherry De Guzman, isa sa mga kalahok na benepisyaryo rin ng HAPAG.

Nagbigay naman ng pangwakas na mensahe si Assistant Center Director Bb. Sherylou C. Alfaro, RAgr. Aniya, "Hindi hadlang ang limitadong espasyo para makapag-ambag sa food security. Ang success ng training na ito ay pagpapatunay na may contribution ang urban agriculture sa seguridad sa pagkain."

Sa pamamagitan ng pagsasanay, patuloy na isinusulong ng DA-ATI CALABARZON ang urban agriculture bilang bahagi ng pagsisikap na mailapit ang produksyon ng pagkain sa mga komunidad, mapalawak ang oportunidad sa kabuhayan, at makatulong sa pagbuo ng produktibo at matatag na pamayanan.

Bagong Learning Site for Agriculture

Patuloy na pinalalawak ng Department of Agriculture - Agricultural Training Institute (DA-ATI) CALABARZON ang akreditasyon ng mga modelong farm sa rehiyon na nagpapakita ng iba't ibang teknolohiya at mabisang pamamaraan sa matagumpay na pagsasaka sa kanilang mga komunidad.

Ngayong Agosto, sa pangunguna ni Center Director Dr. Rolando V. Maningas, RAgr, apat (4) na sakahanang inilunsad ng ahensiya bilang mga bagong Learning Site for Agriculture (LSA) na magsisilbing katuwang ng DA-ATI CALABARZON sa pagpapalaganap ng makabagong kaalaman at kasanayan sa agrikultura sa pamamagitan ng praktikal na pagkatuto mula sa mga teknolohiya na isinasagawa sa sakahan.

Opisyal na inilunsad noong Agosto 14 ang Jardin Erlinda Events Place Rental bilang LSA I na matatagpuan sa Brgy. Sta. Catalina, San Pablo City, Laguna—ang ikatlong LSA sa lungsod. Dinaluhan ito nina Bb. Nela C. Sotalbo, may-ari ng farm, at G. Renato A. Ignacio, RAgr, kinatawan ng sakahan. Nakiisa rin si Bb. Abegail F. Agnes, City Agriculturist ng San Pablo, gayundin ang Sangguniang Barangay ng Sta. Catalina, sa pangunguna ni Kap. Damaso B. Brion, bilang pagpapakita ng kanilang suporta sa pagpapaunlad ng sektor ng agrikultura sa lungsod.

Samantala, mas mapapalawak din ang akses ng mga magsasaka sa mga makabagong teknolohiya sa pagniniyog sa pamamagitan ng paglunsad sa Bantoc Coconut Farm bilang Coconut-based LSA (Coco LSA I) at pagkilala sa extension site ng Rallos Integrated Farm bilang LSA I noong Agosto 12.

Matatagpuan ang dalawang LSAs sa Brgy. Liwayway at Brgy. Santol, Mauban, Quezon, at magsisilbing sentro ng pagkatuto para sa mga magsasaka, agricultural extension workers (AEWs), at iba pang katuwang sa sektor. Dumalo sa aktibidad sina Bb. Jolita Carandang, Bb. Maristhel Rallos, at G. Werner Decena, RAgr, Municipal Agriculturist ng Mauban, Quezon—bilang hudyat sa pagsisimula ng limang taong pagtutulungan sa pagsusulong ng serbisyong pang-ekstensyon sa bayan.

Nito namang Agosto 3, inilunsad din ng DA-ATI CALABARZON ang nee. yo.G Carefarm and Sanctuary Learning Center bilang isa ring Coco LSA—ang kauna-unahang Coco LSA sa San Andres, Quezon. Magsisilbi rin itong expansion site ng MoCa Family Farm RLearning Center, Inc. (isang Private Agriculture and Fisheries Extension Service Provider) na patuloy na nagpapakita ng kanilang dedikasyon sa pagpapalawak ng de-kalidad na agricultural extension at hands-on learning para sa mga komunidad.

Nakiisa sa aktibidad sina Bb. Nonica Clarin ng MoCa, at mga kinatawan mula sa Lokal na Pamahalaan ng San Andres, sa pangunguna ng Pambayang Agrikultor na si G. Allan Ray Abesamis, RAgr; Philippine Coconut Authority (PCA) Quezon II, at Department of Trade and Industry (DTI) bilang suporta sa pagpapaunlad ng sektor ng agrikultura sa bayan.

Inaasahang magbibigay ng inspirasyon ang apat na modelong farm sa mas marami pang magsasaka at kabataang nais matuto, magbahagi ng kaalaman, at maging katuwang sa pagpapaunlad ng agrikultura sa CALABARZON.

The Provincial Government of Cavite continued its commitment to bringing accessible and responsive public services closer to communities as the Cavite Service Caravan successfully rolled out its fifth leg on September 1, 2026, at Naic Town Plaza.

Led by Governor Abeng Remulla, the service caravan further strengthened the provincial government's commitment to inclusive and people-centered governance by delivering a wide range of frontline services directly to Caviteños.

The one-stop caravan brought together provincial government offices, national government agencies, and partner organizations to provide a comprehensive array of programs and assistance designed to address the immediate needs of residents, particularly those with limited access to essential government services.

Among the key services offered were free medical consultations, dental and oral health care, laboratory services including electrocardiogram (ECG) and fasting blood sugar tests, pharmacy assistance, fluoride varnish application for children, and emergency medical support to ensure prompt response to health-related concerns.

Employment and livelihood opportunities were likewise highlighted through job matching activities, career coaching sessions, and assistance from participating agencies such as TESDA, PSA, DTI, SSS, OWWA, PNP, Pag-ibig, Philhealth and the Land Bank of the Philippines. Entrepreneurship development, cooperative assistance, and the promotion of locally made products through a trade fair also formed part of the caravan.

The activity also extended agricultural support services, including the distribution of vegetable seeds and seedlings, educational materials, and technical assistance for farmers and fisherfolk to help strengthen local food production and sustainable livelihoods.

Residents also benefited from various social services, including social welfare assistance, family planning counseling, legal aid, and specialized support for persons with disabilities. Veterinary services such as free anti-rabies vaccination, deworming, and pet consultations were likewise made available.

2027 World Championships Underwater Hockey pinaghahandaan ng Philippine Underwater Hockey Team

UNDERWATER HOCKEY ATHLETE CHIA REYES

NANGUNA sa pagsasalita si Chia Reyes ng Underwater Hockey kaugnay ng kanilang pag uwi ng double bronze medal mula sa nilahukan na 9th CMAS Asian Underwater Hockey Championships sa Bogor, Indonesia. Na nagiging malaking challenge sa kanila ang dinanas sa naturang kumpetisyon. Kasama sa larawan sina Eathan Dalde, Vince Tan at Ysobel Florez sa kanilang pag bisita sa lingguhang TOPS Tabloids Organization in Philippine Sports sa PSC Media Room Rizal Memorial Sports Complex.

Nagbigay ng panibagong karangalan sa bansa ang Philippine Underwater Hockey Team matapos masungkit ang dalawang silver medal sa ginanap na 9th CMAS Asian Underwater Hockey Championships noong Agosto 5–8, 2026 sa Bogor, Indonesia.

Matapos ang double bronze medal finish ng koponan sa 1st Intercontinental Championships Asia-Oceania noong nakaraang taon, kung saan nakamit ng Men's Elite at Masters teams ang qualification para sa 2027 World Championships sa Paris, France, muling ipinakita ng mga Pinoy ang kanilang husay, tibay at agresibong laro sa ilalim ng pool laban sa ilan sa pinakamalalakas na koponan sa Asya lalo na ang mga nakaharap nila na Singapore, Japan at host Indonesia.

"Super grateful namin that we were able to get the silver medal, at nabigyan ng magandang laban ang mga competitors namin. Its tough play against teams there, and also other not so perfect conditions sa Indonesia pero were grateful lumaban ang team at in the end, masaya kami na nakuha namin ang silver.', pahayag ni Chia Reyes, miyembro ng women's team sa naging appearance sa Tabloid Organization in Philippine Sports, Inc (TOPS) Usapang Sports na ginanap sa Philippine Sports Commission Media Room, Rizal Memorial Sports Complex, Manila.

Malaki ang naitulong rin ng constant communication at skills na na-apply ng koponan na sinuportahan ng PSC at Philippine Underwater Hockey Confederation (PUHC) mula sa mga beterano hanggang sa mga baguhan para makipagsabayan sa pakikipagsagupa kontra sa mga Asian at world counterparts.

"I think what we bring to the team are speed, skills, mental toughness at experience. Its good for both veterans and rookies teams na well-rounded because the team are need more compsure, more stable sa loob ng court. Doon natin ipapasok ang mga vets, pero kung kailangang bilisan like other countries like China, Singapore at Japan, papasok tayo ng mga young players para makipagsabayan na tayo sa international scene.", dagdag ni Reyes sa forum na sinuportahan ng PSC, Pocari Sweat at Behrouz Persian Cuisine.

Naging malaking hamon para sa kanila ang malamig na temperatura , limitadong visibility, at lalim ng pool mga kundisyong hindi nila nakasanayan sa paglalaro pero nakapag-adjust upang makipagsabay sa mga makakaharap nito sa Asian-level competition.

"Yung sobrang lamig ang temparatura ng pool, hindi kami sanay na makapaglaro sa malamig na pool. Isa pang factor is yung visibility at depth... sobrang labo ang pool. Pag bumaba ka, two lanes ang makikita mo after that hindi mo makikita, luckily for us, sanay kami sa malabo at pinapractice namin ang timing kung kailan ka aahon o bababa.", wika ni Eathan Dalde ng men's team na nakasama rin sina Vince Tan at Ysobel Florez sa sesyon.

Ibinabahagi rin nila na nagkaroon rin sila ng mga grassroots programs para sa mga kabataan.

"Every Monday at Saturdays, we conduct free coaching seminar sa Makati for those who like to try the sports. During the first session, libre ang gamit at ang fee to provide for those who wanted to take interest sa sport. Kakagaling din namin last Sunday sa Taytay for a underwater hockey clinic for a club. Hindi naman sila mahirap turuan. Kailangan talaga ng patience kasi makukulit ang mga bata pero masunurin at nagustuhan nila ang sport.", inihayag ni Dalde.

Sa ngayon ay kasalukuyang nagsasanay sa iba't ibang pools sa Metro Manila ang koponan kasama na ang kaka-rehabilitate na Philsports Swimming Pool sa Pasig ngunit nais rin nila na magkaroon ng permanent training center para sa underwater hockey.

"Laking tulong if we would have na pool na designated for hockey, isa sa mga challenges up to now kasi makeshift pool for hockey sa Ultra, kami rin ang naglalagay ng sarili naming tubo o barriers kasi 50-meter pool. If magkaroon ng training center, we could develop more players, more kids, at mas mapapaganda ang grassroots program.", huling sambit ni Reyes.

Sunod na sasabak ang underwater hockey team sa isang practice tournament sa Shanghai, China ngayong Oktubre bilang bahagi ng paghahanda para sa 2027 World Championships sa darating na Abril kung saan target na ma-balasa ang ilan sa mga player combinations at ang pagsalang ng mga developmental players nito.

WBSC Women's Baseball World Cup. Paghahandaan ng Philippine Women's Baseball team

Nangangako ang pambansang koponan ng kababaihan ng Pilipinas sa baseball na magiging mas mahusay pa sila kapag binigyan muli ng pagkakataong makipagkompetensya sa susunod na edisyon ng WBSC Women's Baseball World Cup.

Sigurado si head coach Isaac 'Saki' Bacarisas na hihigit ang Pilipinas sa kanilang unang sabak sa paligsahan na ginanap kamakailan sa Tainan, Taiwan, kung saan nagtapos sila sa rekord na 2-3, kabilang ang 6-0 panalo laban sa Cuba.

Ang magkasunod na pagkatalo sa pagtatapos ng group stage laban sa host na Chinese-Taipei (8-2) at Venezuela (10-0) ang sumira sa tsansa ng bansa na umabot sa 2027 Finals na gaganapin sa Rockford, Illinois.

"Nasukat na namin yung kagalingan nila ngayon. Siguro naman by the next time around at alam na rin naman natin yung mga weaknesses nila, makakarating na tayo sa world stage," wika ni Bacarisas sa lingguhang Philippine Sportswriters Association Forum sa media room ng Philippine Sports Commission.

"I hope sa susunod makabalik tayo."

Dumalo rin sa sesyon na iniharap ng San Miguel Corporation, PSC, Philippine Olympic Committee, MILO, at ng 24/7 sports app ng bansa na ArenaPlus ang mga miyembro ng koponan kasama si Bacarisas, kabilang ang kapitan na si Veronica Velasco, Martine Francisco, Richelle Toledo, Cassandra Inot, Nichole Padasas, Mharnie Dela Cruz, Mery Ann Ramos, at Chastene Jover.

Dumalo rin sa Forum si Philippine Amateur Baseball Association secretary general at team manager Michael Asuncion ngunit umalis nang maaga dahil sa naunang obligasyon.

Nagsimula ang kampanya ng mga Filipina batter matapos yumuko sa powerhouse at nagtatanggol na kampeon na Japan, 3-0.

Ngunit ang dikit na pagkatalo sa mga Hapones ang nagbigay sa pambansang koponan ng kumpiyansa at momentum patungo sa kanilang mga laban kontra sa No. 7 sa mundo na Cuba at No. 15 na Great Britain.

Matapos pormahan ng shutout ang Cuba, pinatawan ng Pilipinas ang Great Britain ng 6-2 na pagkatalo, kung saan si Francisco ang lumitaw na pinakamahusay na manlalaro ng laro upang ibigay sa koponan ang 2-1 rekord sa Group B at malaking tsansa na makuha ang silya sa finals sa susunod na taon.

"Sobrang nakaka-proud dahil yung unang panalo ng Pilipinas sa World Cup ay ginawa ng kababaihan," ani Velasco. "Sobrang sarap sa feeling namin na part kami ng history."

Kung hindi lamang dahil sa mga pagkatalo laban sa Chinese-Taipei at Venezuela, nararamdaman ni Bacarisas na kaya sana ng Pilipinas na umabot hanggang Illinois.

"Against Taipei, medyo naubos na rin yung energy, pero tingin ko kaya pa rin, e," sabi ng dating Blu Boy.

Nakakuha ang Pilipinas ng wild card entry sa paligsahan ng WBSC ngayong taon.

Gilas Pilipinas wagi sa Iran ng FIBA World Cup Qualifiers 2027

Nagpakitang-gilas ang Gilas Pilipinas sa depensa upang durugin ang Iran, 68-56, at walisin ang kanilang home stand sa ikaapat na window ng FIBA World Cup Qualifiers sa SM Mall of Asia Arena nitong Linggo ng gabi.

Nakuha ito ng Gilas sa pamamagitan ng mahigpit na depensa, kung saan nilimitahan nila ang Iran—na nanguna sa 18-7 pagtatapos ng unang yugto—sa 36 puntos na lamang sa huling tatlumpung minuto habang umiskor naman sila ng 61.

Nag-ambag sina Dwight Ramos at Juan Gomez De Liaño ng tig-16 na puntos para sa Gilas, na umakyat sa 4-4 na kartada sa Group E.

Nagdagdag si Kai Sotto ng 13 puntos, 16 na rebound, at tatlong assist.

Pinangunahan ni Mobin Sheikhi ang Iran, na bumagsak sa tablahan para sa ikatlong puwesto kasama ang Jordan sa markang 5-3, taglay ang 21 puntos mula sa 8 sa 13 na tira kabilang ang 5 sa 8 sa labas ng arc, dalawang rebound, at isang assist.

Samantala sinabi ng coach ng Iran na kulang ang depensa laban sa Gilas kasama ang diperensya sa free throw

Kapag ang isang coach ay tumatalakay sa pagkakaiba ng mga free throw sa isang natalong laban, mabilis na ipagpapalagay ng mga tagahanga na iniisip niyang may hindi tama sa paghatol.

Napansin ng punong coach ng Iran na si Sotiris Manolopoulos na mas maraming free throw ang naishoot ng Gilas Pilipinas kaysa sa kanilang koponan sa kanilang laban sa FIBA World Cup Qualifiers sa SM Mall of Asia Arena.
