PAGBABAGO SA MUNDO: THINK TANK PINURI ANG BRICS PLUS AT BAGONG GOVERNANCE MODEL!

MAYNILA, Pilipinas — Sa gitnang tumitinding tensyon sa daigdig at pagbabago sa kapangyarihan sa buong mundo, buongpusong sinuportahan ng isang kilalang geopolitical think tank ang mabilis na pagusbong ng Global Governance Initiative (GGI) at ng lumalawak na BRICS Plus bloc.

Sinasabi ng mga eksperto, mabilis nitong binabago ang takbo ng internasyonal na ugnayan sa pamamagitan ng pagbibigay ng mas mabigat na boses sa mga umuunlad na bansa. Umiikot ang mga maiinit na talakayan sa patakaran kung paano matagumpay na hinahamon ng bagong multipolar na kaayusan ang mga tradisyonal at dominado ng Kanluran na institusyon.

Ayon sa mga analista, ang mga inisyatibong itinataguyod ng malalaking ekonomiya sa Silangan at Timog ay hindi na lamang basta alternatibo, kundi naging pangunahing sandigan na ng mga bansang naghahanap ng patas na paglago ng ekonomiya, hindi panghihimasok, at pantay na impluwensya sa mundo. Mariing bumatikos sa lumang sistema ng daigdig ang Pangulo ng Asian Century Philippines Strategic Studies Institute (ACPSSII) na si Herman "Ka Mentong" Tiu Laurel.

Ayon sa beteranong komentarista, ang patuloy na alituntuning dala ng mga lumang makapangyarihang bansa ang nagtulak sa mga malalayang estado para humanap ng mas inklusibong koalisyon tulad ng BRICS Plus para sa kanilang kaligtasan at seguridad sa ekonomiya.

"Malinaw na ang senyales laban sa solong kapangyarihan ng iisang kampo," pahayag ni Tiu Laurel sa isang kamakailang pagpupulong. "Ang Global Governance Initiative at ang walang tigil na pagpapalawak ng BRICS Plus ay sumasalamain sa samasamang pangarap ng Global South. Pagod na

ang mga bansa sa mga hindi patas na patakaran at diktahan; nais nila ang tunay na multilateralismo, pagpapalitan ng respeto, at kabuhayang para sa lahat."

Binigyang-diin din ni Tiu Laurel na ang mga malalayang bansa sa rehiyon ng Timog-Silangang Asya ay dapat maging mapagmatyag sa mga pagbabagong ito sa halip na bulag na sumunod sa mga lipas na patakarang panlabas.

Aniya, ang pakikipag-ugnayan sa mga alternatibong balangkas na ito ay nagbubukas ng mahahalagang pinto para sa katatagan ng rehiyon, pagpapalawak ng kalakalan, at balanseng panlabas na ugnayan.

Habang patuloy na lumalakas ang mga estratehikong usaping ito sa iba't ibang pandaigdigang lupon, naniniwala ang mga lokal na tagamasid na gaganap ng mahalagang papel ang mga think tank tulad ng ACPSSII sa pagpapalawak ng kaalaman ng publiko.

Ang tunay na hamon sa hinaharap, ayon sa mga eksperto, ay kung paano madiskarteng tatahakin ng mga umuunlad na bansa ang makasaysayang pagbabagong ito patungo sa isang tunay na multipolar na mundo.

Pagpapanibago ng Kontrata at Lagdaan ng MOU ng KWF

Nagtungo sa Davao Oriental State University (DOrSU) sina Tagapangulong Atty. Marites A. Barrios-Taran at Dr. Carmelita C. Abdurahman, Fultaym Komisyoner para sa Programa at Proyekto ng Komisyon sa Wikang Filipino (KWF) noong 21 Setyembre 2026 upang palakasin ang pakikipagkaisa sa mga Sentro ng Wika at Kultura (SWK).

Ginanap sa Boardroom ng DOrSU ang muling paglagda ng kontrata para sa SWK ng nasabing unibersidad. Kasabay nito, isinagawa rin ang

MOA SIGNING PARA SA MAS MATATAG NA PEACEBUILDING SA DAVAO CITY

Personal na dinaluhan ni Vice President Sara Duterte ang paglagda ng Memorandum of Agreement (MOA) sa pagitan ng Office of the Vice President (OVP) at City Government of Davao para sa pagsusulong ng mga programa at inisyatiba para sa kapayapaan.

Nilagdaan noong Biyernes, Setyembre 25, 2026 ang kasunduan sa pamamagitan nina Director for Operations, Dir. Norman Baloro bilang kinatawan ng OVP, at Davao City Acting Head/Peace 911 Focal Person Atty. Jonah Margarette F. Presto. Layunin nitong palakasin ang koordinasyon at pagtutulungan sa pagbabahagi ng kaalaman, resources, technical assistance, at best practices

para sa mas organisado at epektibong peacebuilding efforts.

Kaugnay nito, nakibahagi ang OVP sa writeshop kasama ang Department of Education (DepEd) Region XI para sa pagbuo ng OVP Peacebuilding Manual, bilang gabay sa pagpapatupad ng mga peacebuilding initiatives ng Tanggapan.

Ang nasabing aktididad ay kabahagi ng pagdiriwang ng Pilipinas sa National Peace Consciousness Month ngayong buwan ng Setyembre alinsunod sa Proklamasyon Blg. 675, na layuning itaguyod ang kultura ng kapayapaan, pambansang pagkakasundo, at pagkakaisa. (OVP)

SkillPass ng DOLE, layong palakasin ang TUPAD

Pinalalakas ng Department of Labor and Employment (DOLE) ang Tulong Panghanapbuhay sa Ating Disadvantaged Workers (TUPAD) sa pamamagitan ng SkillPass, na nagdo-dokumento at nagbe-beripika sa mga kasanayang nakukuha ng mga benepisyaryo sa programa.

Sa press briefing sa Malacañang nitong Lunes, sinabi ni Presidential Communications Office Undersecretary at Palace Press Officer Claire Castro na bahagi ito ng mga hakbang ng administrasyon ni Pangulong Ferdinand R. Marcos Jr. upang tugunan ang agarang pangangailangan sa kita habang pinalalawak ang access ng mga manggagawa sa skills development, employment at livelihood opportunities. "Malinaw po ang mensahe na nais iparating ni Pangulong Marcos Jr. Ang mga hakbang na ito ay nagpapakita ng pagtutok sa kita, trabaho, at skills ng manggagawa – mula sa agarang dagdag-sahod, hanggang sa pagbuo ng kakayahang makanahap ng mas sustainable na

trabaho o kabuhayan," ani Castro.

Sa ilalim ng Department Order No. 239-E, series of 2026, ido-dokumento at ive-verify ang mga kasanayang nakukuha ng beneficiaries sa kanilang TUPAD work experience. Maaari itong maging batayan sa pagkuha ng skills training at certification, paghahanap ng formal employment at pag-access sa livelihood opportunities.

Sa ganitong paraan, nagagamit ang temporary work experience sa TUPAD bilang tulay patungo sa mga susunod na oportunidad na tumutugma sa kasanayan ng bawat benepisyaryo.

Kabilang sa mga prayoridad na larangan ang agriculture, digital services, green construction, care work, food service, transport at equipment maintenance, gayundin ang iba pang in-demand occupations sa national at local level.

Ipinatutupad ang SkillPass kasabay ng iba pang hakbang ng pamahalaan para palawakin ang trabaho at kabuhayan, kabilang ang Php60 daily minimum wage increase sa National Capital Region na naging epektibo noong Sept. 26.

Tinatayang nasa 1.1 milyong minimum wage earners ang nakikinabang sa wage increase. | **PND**

Bakit kailangang ipagpaliban?

ANG Republic Act No. 12326 ay ang batas nagpaliban sa Barangay and Sangguniang Kabataan Elections 2026.

Dahil sa batas na ito ay ililipat sa Nobyembre 2028 ang susunod na BSKE.

Itinakda rin sa nasabing batas ang limang-taong termino para sa mga opisyal ng barangay at Sangguniang Kabataan.

Mayroong abogadong naghain ng 'Petition for certiorari and prohibition' kalakip ang kahilingan na mag-isyu ang Korte Suprema

ng TRO o Temporary Restraining Order para pigilan ang implementasyon ng Republic Act No. 12326.

Sinasabing ang pagpapaliban ng halalan ay malinaw na paglabag sa karapatan ng mamamayan upang makapamilya ng mamumunong mga lider ng barangay lalo at masyadong mahaba na ang termino ng mga opisyal bunsod sa pauli-ulit na pagkaudlot ng halalang ito.

Kung may nakalaan naman na pondo para sa taong ito ay bakit kailangang ipagpaliban at sa 2028 pa isasagawa?

Kung gagawin sa darating na Nobyembre ang eleksiyon ay doon simulan ang pagbilang ng limang-taong termino ng mga mananalalo.

CARD Clinics and Allied Services, binuksan ang klinika at diagnostic facility nito sa Cotabato City

Opisyal ng binuksan ng CARD Clinics and Allied Services Inc. ang klinika at diagnostic facility nito sa Cotabato City noong Hunyo 22, 2026. Ito ay isang malaking hakbang sa pagpapalawak ng pangunahing serbisyong pangkalusugan at pangkalahatang pag-unlad ng komunidad para sa mga pamayanan sa Mindanao. Sa paniniwalang magkaugnay ang tunay na pag-unlad ng kabuhayan at abot-kayang dekalidad na serbisyong pangkalusugan, itinatag ng CARD MRI ang klinika at diagnostic facility upang isulong ang holistikong kalusugan kasabay ng umiiral nitong mga programang Islamic financing.

Nag-aalok ang pasilidad ng abot-kaya at angkop sa kultura na pangunahing serbisyong medikal para sa mga residente ng lugar. Maaaring dumiretso ang mga pasyente para sa pangunahing konsultasyong medikal, regular na pagpapasuri, diagnostic x-ray, at iba pang pangunahing serbisyong pangkalusugan.

Sinabi ni CARD MRI Founder and Chair Emeritus Dr. Jaime Aristotle B. Alip na bahagi ang proyektong ito ng mas malawak na hakbang laban sa kahirapan. "Ang kaganapang ito ay higit pa sa pagbubukas ng isang klinika at diagnostic facility. Sinasalamain nito ang ating misyon na tugunan ang kahirapan sa pangkalahatang paraan, hindi lamang

sa pamamagitan ng pagsuporta sa pampinansiyal na kakayahan, kundi sa pagtiyak din na ang mga komunidad ay may direktang akses sa serbisyong pangkalusugan," aniya. Ayon naman kay Dr. Michelle Anne Dy-Menil, pangulo ng CARD Clinics, ang bagong pasilidad ay isang malaking tulong para sa mga lokal na karaniwang nagbibiyah pa ng ilang oras para lamang magpatingin sa doktor. "Dinadala natin ang dekalidad na pangangalagang medikal

nang direkta sa mga tao. Idinisenyo ang klinikang ito upang mapanatiling malusog ang mga pamilya," pahayag niya.

Naitayo ang pasilidad sa tulong ng suporta ng The Nippon Foundation.

Dinaluhan ang pormal na pagbubukas nina CARD MRI Founder and Chair Emeritus Dr. Jaime Aristotle B. Alip; CARD MRI Resource Mobilization and CARD MRI International Group Director Jean Pauline Landicho; CARD Clinics President Dr. Michelle Anne Dy-Menil; iba pang pinuno, opisyal,

kawani, at mga kliyente ng CARD MRI; gayundin ang mga lokal na pinuno ng komunidad.

Bukas ang pasilidad para sa mga kliyente ng CARD at sa publiko. Matatagpuan ito sa Rosales Street, Rosary Heights 6, Sinsuat Avenue, Lungsod ng Cotabato.

Kasunod ng pagbubukas na ito, naghahanda na rin ang CARD Clinics na buksan ang ikalawa nitong pasilidad sa Narciso Marcos Highway, Barangay Biaba Damag, Lungsod ng Marawi. (Edrian Banania, Senior Writer – OIC)

Nagtipon ang mga opisyal, kawani, at kliyente ng CARD MRI sa ribbon-cutting ceremony ng bagong klinika at diagnostic facility sa Lungsod ng Cotabato. Sa pagbubukas ng pasilidad na ito, muling pinagtitiyag ng CARD MRI ang pangako nitong maghatid ng dekalidad at madaling maabot na serbisyong medikal sa mas maraming miyembro at komunidad.

Paglantad ng katotohanan at kasinungalingan

LIE detector test, pagsalang sa eksaminasyon upang matukoy ang pagsisinungaling.

Ang makina ay nagkakabit ng mga monitor sa katawan para masubaybayan ang mga vital sign.

Isasagawa na ang mga pagtatanong na sa umpisa ay madadali o simple lamang hanggang sa dumating sa malalim o mga pangunahing katanungan.

Nasa punto na ng maselan o mga tunay na tanong kaya titingnan ng tagasuri kung magkakaroon ng biglaang pagtaas sa antas ng stress, tibok ng puso, o pagpapawis.

Ang mga ganitong senyales ay sinasabi o itinuturing na isang pagsisinungaling.

Pero ang makina ay hindi natutukoy ang katotohanan dahil ang sinusukat lamang nito ay ang stress at pagkabalisa.

Kaya naman maaaring bumagsak o hindi makapasa rito ang taong walang kasalanan dahil lamang sa pagkakaba o nerbiyos.

Hindi pinahihintulutan ang mga resulta nito bilang ebidensya sa mga paglilitis na kriminal dahil bukod sa

hindi ito maaasahan ay hindi rin kinikilala ang lie-detector test bilang may kredibilidad na siyentipiko.

Sabi nga, ang mga taong madalas magsinungaling o bihasa sa panlilinlang sa iba ay karaniwang mas madaling nakakapasa sa polygraph test. Ulitin lamang natin, dahil nakadepende ang makina sa pagsukat ng emosyonal na pagkabalisa sa halip na sa mismong katotohanan.

Ibig sabihin, ang sino mang nakakapigil sa kanilang pisikal na pagkabalisa o nakakapag-manipula ng kanilang mga reaksiyong pisikal ay maaaring makalusot sa ganitong pagsusulit.

Kung mga ganyang klase ang isasalang, ang lie detector test ay malawakang itinuturing na lubos na walang bisa.

Kumbaga ay wala ng silbi para sa kanila ang lie detector test dahil 'mani o sisiw' lang ito sa mga kagaya nila.

Mayroon pang mas mabisa at epektibong mga pamamaraan sa paglantad ng kasinungalingan at katotohanan kumpara sa lie detector test.

raise concerns, and access assistance. The activity was held with the support of the Philippine Consulate General in Hong Kong, led by Consul General Romulo Victor Israel Jr., Consul Von Ryan Ferrera, and Labor Attaché Atty. Cesar L. Chavez, Jr., together with other Philippine government offices, Filipino community organizations, and SSS partner institutions. The activity opened on September 12 with a town hall meeting where Filipino community leaders and media guests received updates on SSS programs and services, and raised questions and concerns directly with SSS officials. On behalf of the SSS President and Chief Executive Officer Robert Joseph M. de Claro, Vice President for Asia, Americas and Pacific Operations Division Atty. Paul Erik D. Manalo presented an overview of SSS services, while Vice President for Member Relations and Support Division Atty. Marissa C. Mapalo discussed the latest SSS programs. "Our OFWs continue to contribute to their families, communities, and the country, even while working far from home. As their social security institution, SSS must also be there for them wherever they are," Manalo said. "We want our members abroad to know that their SSS remains accessible to them. Through activities like the Global Kabayan Day, we are able to bring our services closer, provide timely information, and listen directly to their concerns," he added. The presentations were followed by an open forum with Filipino community leaders and media guests. The activity also provided onsite assistance to OFWs applying for the MySSS Card. SSS Foreign Representatives assisted members through the application process, with support from SSS officials. The Philippine Statistics Authority (PSA) assisted members with National ID registration and verification, a key step in securing a MySSS Card. SSS participating financial institutions, such as Asia United Bank (AUB) and Rizal Commercial Banking Corporation (RCBC), also provided onsite assistance for MySSS Card applications. The main Global Kabayan Day program on September 13 highlighted the experiences and contributions of OFWs and SSS pensioners through testimonials and recognition activities. Around 30 SSS pensioners residing in Hong Kong were recognized in appreciation of their years of membership and contributions to the SSS. Some pensioners also shared their personal experiences and reflections. The program also marked the signing of memoranda of understanding between SSS and Global Alliance Hong Kong and between SSS and Diwa't Kabayan Society, strengthening ties with Filipino community organizations in Hong Kong. On September 14, the onsite services continued, allowing OFWs and other members of the Filipino community to access assistance on MySSS Card applications and other SSS-related concerns. The 2026 Global Kabayan Day formed part of the SSS' 69th Anniversary celebration and marked the first time that its annual OFW Day and Pensioners' Day activities were brought together in an overseas setting. Hong Kong and Barcelona served as the inaugural international venues for the initiative. #

ORDER

Before this Court is the *Petition for the Reissuance of Owner's Duplicate Copy of Transfer Certificate of Title (TCT) No. T-262749 (now TCT 0017855)* of the Registry of Deeds for the Province of Cavite, Bacoor City Branch.

Petitioner alleges that it is the assignee and beneficial owner of the subject property covered by TCT No. T-262749 (now TCT No. 0017855) by virtue of a Deed of Absolute Sale with Assignment executed by the registered owner, ARB Construction Co., Inc. Although the petitioner fully paid the purchase price and has remained in possession of the owner's duplicate certificate of title, the duplicate was subsequently lost despite diligent efforts to locate it. Petitioner executed and annotated an Affidavit of Loss, secured certifications from ARB Construction that it has no remaining interest in the property and verified that no adverse claims or pending instruments affect the title. The children also welcomed the group with songs and dances, creating a joyful and memorable gathering. For the PSA RSSO 4A team, the visit was a fulfilling reminder that an anniversary celebration becomes even more meaningful when it is shared through acts of kindness and service to others.

Civil Registration Services Brought Closer to Bauan Communities Through PSA CRS Mobile Outlet

Getting civil registry documents became more convenient for residents of Bauan, Batangas and nearby communities as the Philippine Statistics Authority (PSA) Regional Statistical Services Office IV-A, in partnership with PSA - Batangas Provincial Office, brought its Civil Registry System (CRS) Mobile Outlet to Bauan Municipal Hall on 24 September 2026. The activity accommodated 124 clients and facilitated the processing of 296 Civil Registry Documents

Through the mobile outlet service, residents were able to address their documentary needs within their community, providing them with a more convenient alternative to traveling to a PSA office for civil registration services. The service also provided clients with an opportunity to consult PSA personnel regarding concerns found in their civil registry records, including illegible entries in CRDs. The team provided information on the appropriate procedures and documentary requirements to help clients determine the necessary steps for their concerns. The CRS Mobile Outlet forms part of PSA's efforts to expand access to civil registration services beyond its regular service centers. By bringing document processing and client assistance directly to communities, PSA continues to respond to the needs of the public and help make essential civil registration services more accessible.

SM Group's Operation Tulong Express Brings Relief to 5,600 Families Affected by Habagat

Volunteers organize Kalinga Packs ahead of distribution under Operation Tulong Express, SM Foundation's disaster response program conducted in partnership with the Department of Social Welfare and Development (DSWD).

SM Foundation's Operation Tulong Express (OPTE) reached about 5,600 families across Pampanga and Dagupan City, distributing Kalinga Packs to communities still recovering from weeks of flooding brought on by

the Southwest Monsoon (Habagat). The relief operations followed state of calamity declarations as enhanced Habagat rains submerged communities in both areas for weeks.

An SM Foundation volunteer wades through floodwaters to deliver a Kalinga Pack to a family whose community remains submerged weeks after the Habagat floods. This effort is part of OPTE, SM Foundation's disaster response initiative dedicated to providing immediate assistance to communities in need.

This September, OPTE, activated through SM City Pampanga and SM City San Fernando Downtown, distributed approximately 4,700 Kalinga Packs to families in the City of San Fernando and the Municipality of Mexico, Pampanga.

San Fernando and Mexico were among the province's hardest-hit areas, with severe flooding reported in several communities. The relief operations were conducted in partnership with the Department of Social Welfare and Development (DSWD).

An elderly resident receives a Kalinga Pack during the relief distribution in the Municipality of Mexico, Pampanga. Older residents were among the hardest hit by the weeks-long flooding, often the least able to evacuate quickly or to rebuild once the water finally receded.

Meanwhile, SM Center Dagupan launched its OPTE last August in Brgy. Mamalingling, distributing Kalinga Packs to 600 families. A month later, the program

resumed at Barangay Herrero-Perez, Dagupan City, providing packs to another 300 families still recovering from floods that triggered a state of calamity weeks earlier.

SSS encourages members to avail of new microloan facility

QUEZON CITY, 2 October 2026 – The Social Security System (SSS) is urging members with at least 12 posted monthly contributions to apply for its new digital microloan facility, the SSS Micro Loan Program, also known as SSS LoanLite.

SSS President and Chief Executive Officer Robert Joseph M. de Claro said SSS LoanLite is designed to provide qualified members with accessible, secure, and affordable short-term financial assistance for immediate needs.

De Claro said qualified members may apply for loans ranging from ₱1,000 to ₱20,000, depending on the average of their 12 latest Monthly Salary Credits (MSCs). "Available repayment periods are 15, 30, 60, or 90 days, with an interest rate of 8% per annum, equivalent to approximately 0.67% per month."

Eligibility

To qualify for SSS LoanLite, eligible employed, self-employed, voluntary, and OFW members must:

Be at least 18 years old at the time of application and below 65 years old at the end of the loan term

Have at least 12 posted monthly contributions

Have no past-due Short-Term Member Loan (e.g., Salary, Calamity, or Emergency Loan) Have no pending or settled final benefit claim (e.g., retirement or permanent

total disability), unless previously cancelled due to re-employment, resumption of self-employment, or recovery Have no active Restructured Loan (or, if fully paid, the required restrictive period must have lapsed) Have an account enrolled in the online facility of a participating financial institution (PFI) Have no active SSS Micro Loan and have fully paid any prior microloan refinanced by a PFI Have no record of fraud against SSS

Loanable amount

De Claro noted that while 12 contributions are enough to be eligible for the SSS LoanLite, members with at least 36 total contributions—including at least six posted within the 12 months immediately before applying—qualify for higher loan amounts up to the ₱20,000 ceiling.

De Claro said that members with at least 12 monthly contributions can borrow a loanable amount equal to 11% of their average MSCs in the last 12 months.

"For example, if a member's average MSC over the last 12 months is ₱20,000 but the member has only 12 total contributions, the loanable amount is ₱2,200 (11% of ₱20,000)," he said.

Members with at least 36 total contributions, including at least six posted monthly contributions within the 12-month period immediately preceding the application,

may qualify for the maximum loan amount of up to ₱20,000, depending on their average MSC.

Furthermore, members with existing Short-Term Member Loans (Salary, Calamity, or Emergency Loans) may still apply for SSS LoanLite, provided those loans are not past due and they have no active SSS Micro Loan.

Repayment and renewal

Repayments will be collected according to the agreed schedule through an automatic debit arrangement, which is the default collection mode. Deductions will primarily be made from the account where the loan proceeds were

credited.

Loan renewal is allowed after full payment of the current microloan, as reported by the participating financial institutions.

Where to apply

At present, SSS LoanLite is available through the UnionDigital Bank mobile application.

De Claro said SSS is also working with Rizal Commercial Banking Corporation (RCBC), Land Bank of the Philippines (LBP), and Union Bank of the Philippines (UBP) to make LoanLite available through their respective digital platforms. #

working together to provide assistance to affected communities across the country.

SMART-ER SOX GenSan TWG Completes User Modules Training and System Validation

The Department of Science and Technology (DOST) SOCCSKSARGEN, in partnership with the University of the Philippines – LUNGSOD Team, continued the implementation of the SMART-ER SOCCSKSARGEN Project through the conduct of the User Modules Training and User Acceptance Testing (UAT) for the City Government of General Santos on September 7-8, 2026, at CPPMO, City Government Compound, General Santos City.

The two-day activity formed part of the project's continuing efforts to strengthen a more data-driven, coordinated, and technology-enabled emergency response system for local government units. It focused on familiarizing the

members of the SMART-ER General Santos Technical Working Group (TWG) with the system's user modules, operational workflows, and platform functionalities prior to wider deployment and implementation.

During the opening program, City Disaster Risk Reduction and Management Office (CDRRMO) head Dr. Bong Dacera Jr. welcomed the participants and expressed the city government's support for the project. Drawing from his experience in emergency response, he emphasized the importance of having an integrated digital platform that can improve the flow of information, support timely decision-making, and strengthen coordination

among responders during emergencies and disaster situations.

The SMART-ER General Santos TWG actively participated in the hands-on training sessions, where members were guided through the system's process workflows and trained on the management and use of the user modules. The activity also provided an opportunity for participants to test the platform, identify areas for improvement, and provide feedback on its functionality, usability, and operational suitability based on the actual needs and processes of the city government.

The User Acceptance Testing likewise served as an important

validation step to ensure that the system is aligned with the operational requirements of General Santos City before full deployment. Inputs gathered during the activity will be used by the UP LUNGSOD Team for further refinement, system customization, and enhancement.

Through this initiative, DOST SOCCSKSARGEN and the City Government of General Santos continue to strengthen their partnership toward building a smarter, more responsive, and data-driven emergency management system, supporting the broader goal of developing smart and sustainable communities across SOCCSKSARGEN.

Ang Pilipinas ang magiging punong-abala sa Ika-21 Paligsahang Asyano sa Xiangqi Timpalakang Indibidwal — na sinimulan kamakailan sa Manila Hotel, Maynila, kung saan nagtipon ang mga manlalaro ng Xiangqi mula sa Asya at sa buong Timog-silangang Asya. PORMAL ng ginanap ng buong araw na pagpaparehistro, na sinundan ng pulong teknikal, seremonya ng paghahati sa mga pangkat, at nakatakdang pagpupulong ng AXFGM at Taunang Konseho.

Ang paligsahan ay ginanap mula Oktubre 3 hanggang 7. Ang mga dayuhang manlalaro ay aalis sa Maynila sa Oktubre 8.

Dadalhin ng Pilipinas ang watawat ng bansa sa pamamagitan ng International Grandmaster Engr. Asi Ching at International Master Manuel Tan, ayon kay Xiangqi Master Jackson Hong.

Ang Paligsahang Asyano sa Xiangqi Timpalakang Indibidwal ang pinakamataas na antas ng paligsahan sa Xiangqi sa Asya, na inorganisa ng Asian Xiangqi Federation.

Una rito ay ang Paligsahang Panukso ng mga Dalubhasa sa Xiangqi ng mga Lungsod sa Asya. Itinatag ito noong 1981 at idinaraos tuwing ikalawang taon, na may magkahiwalay na kategorya para sa kalalakihan at kababaihan.

Sa Ika-20 Paligsahang Asyano sa Xiangqi Timpalakang Indibidwal na ginanap sa Singapore noong nakaraang Disyembre, ang 15-taong-gulang na si Liu Baihong ng Tsina ang nagkamit ng kampeonato matapos manalo sa pagtutugma sa mabilisang

laro laban kay Kan Hon Him ng Hong Kong.

Siya ang naging pinakabatang kampeon sa kasaysayan ng paligsahan at pinakabatang International Grandmaster. Nasa ikatlong puwesto naman si Yang Shizhe ng Tsina.

Sa kategoryang Kababaihan, tinalo ni Liu Huan ng Tsina si Nguyen Hoang Yen ng Vietnam sa huling laban.

Ang mga Espesyal na Parangal ay iginawad kay Ngo Lan Huong ng Singapore na tumanggap ng Gantimpala para sa Natatanging Manlalarong Singaporeano, at kay Elias Abou Jaoude ng Lebanon na nagkamit ng Gantimpala sa Kagandahang-Asal sa Paligsahan.

“Ang Xiangqi ay bahagi ng tradisyong Tsino at sa loob ng mahabang panahon ay nilalaro ito sa Pilipinas at sa buong mundo. Ngayon, may pagkakataon tayong palawakin ang pagkilala sa larong ito,” pahayag ni Chen Peidun, Pangulo ng Philippine Xiangqi Federation. “Ito ay larong mula sa Tsina kung saan maaari ring magtagumpay ang mga Pilipino,” dagdag niya.

“Tulad ng Wushu, noong una ay hindi gaanong kilala, ngunit ngayon ay mayroon na tayong mga kampeon sa mundo. Ganoon din ang mangyayari sa Xiangqi. Sa hinaharap, magkakaroon tayo ng Pilipinong kampeon sa mundo,” ani International Grandmaster Engr. Asi Ching. “Lubos akong naniniwala sa kakayahan ng mga Pilipino na maghatid ng karangalan sa larong Xiangqi isang tradisyonal na larong ahedres mula sa Tsina na matagal nang nilalaro ng mga Pilipino,” ani Xiangqi Master Jackson Hong. **(Marlon Bernardino)**

NAGPAKAWALA ng bangis ang University of Santo Tomas (UST) Growling Tigers bago mag-iwan ng matinding laban para tuluyang tapusin ang laro sa iskor na 98-87 panalo laban sa University of the East (UE) Red Warriors sa UAAP Season 89 men's basketball tournament sa Mall of Asia Arena sa Pasay City.

Rumatsada sa simula ang España-based squad na kumana ng hanggang 23-puntos na kalamangan gamit ang mabilis na takbuhan at matutulis na shooters. Subalit hindi basta nagpakain sa Tigre ang Red Warriors, na pinangunahan nina Toper Lagat at Mo Tanedo, upang unti-unting isara ang bintana at idikit ang laban sa anim na puntos sa krusyal na yugto ng laro.

Tinanghal na Best Player of the Game ang pamatid-uhaw na swingman na si Mark Llemit, na nagpasabog ng 22 puntos, kasama ang pitong rebounds at tatlong assists. Malaki rin ang naging tulong ni Amiel Acido na nag-ambag ng 16 puntos at pitong rebounds upang panatilihin nasa unahan ang Tigers sa

kabila ng maigting na rally ng kalaban.

Para sa UST, nagtala rin ng kani-kanilang kontribusyon ang iba pang pader sa koponan upang suportahan ang opensa at depensa laban sa lumalabang Warriors, na kinapos sa huling yugto ng bakbakan. Sa kabilang kampo, kumayod nang husto si Toper Lagat na may 22 puntos at si Mo Tanedo na sumuporta ng 16 puntos, ngunit nabigo silang pigilan ang pagsisikap ng UST tungo sa kanilang ikalawang sunod na panalo at 2-1 karta.

Naging emosyonal naman si UST head coach Pido Jarencio sa naging takbo ng laro matapos halos masayang ang kanilang malaking abante sa huling quarter. Aniya, “Maganda ‘yung nilaro natin nung una, kaya lang medyo nag-relax noong huli kaya nabuhay ‘yung kalaban. Kailangan naming matuto rito kasi bawat laro sa UAAP ay mahigpit at walang madali.”

Dahil sa panalang ito, umakyat ang UST sa talaan ng team standings habang ang UE ay patuloy na naghahanap ng unang panalo sa taong ito.
